

# MUENSTER ENTERPRISE

VOLUME XXXVII

MUENSTER, COOKE COUNTY, TEXAS 76252 SEPTEMBER 28, 1973

NUMBER 45

**After seeing two TV commercials on saving gasoline a person is inclined to wonder. Many of us recall the one of Bud Wilkinson with a car on one of those treadmill affairs with the rear wheels running. He explains that the motor and wheels are going 70 miles per hour even though the car is standing still. Beside him is a transparent 20 gallon container which was emptied while the car traveled 253 miles. Then he runs the car the same distance at 50 miles an hour and shows that 4 gallons of gas are left. The point is that you can save 20 per cent on your gasoline bill by reducing speed from 70 to 50.**

Another company's commercial skips the demonstration and simply states that you save 20 per cent by dropping speed from 70 to 50. The reason, it explains, is that air resistance is so much greater at the higher speed. For instance, resistance becomes four times as great when one doubles the speed.

**Now, getting back to Wilkinson's commercial.** His car wasn't going anywhere, just spinning its wheels. There was no air resistance at either speed, but still the measure indicated that the car used less gasoline when wheels were spinning at 50 m.p.h. Why?

This brings up an interesting problem. Does mere reduction of RPMs reduce gasoline consumption? And does it drop by 20 per cent from 70 to 50 m.p.h.? If so, does a person get any additional economy from reduced air resistance when speed is reduced?

From what we've seen on the two commercials there ought to be a benefit from both reduced speed and reduced air resistance when slowing from 70 to 50. And the saving should be considerably more than 20 per cent. Well, can this be verified by anyone's experience?

**So, we have a question.** Did Wilkinson's demonstration show an actual saving; or was it rather an illustration of what happens in actual driving? Or was the machine rigged somehow to require more power as speed increases, to simulate the increasing air resistance?

Just now it seems this question will have to go unanswered. But regardless of the answer, regardless of whether anybody goofed on a commercial, it's evident that we can help both the budget and the energy crisis by reducing speed.

**Senator John Tower's latest weekly report discusses the issue of food prices, admitting that a decree to order reductions would seem very welcome now but would become quite a headache later. He thinks the country is on the right course. Just avoid the official meddling and let the old economic law of supply and demand take care of things.**

Tower explains that when an item's price goes up farmers have more inducement to produce it. As supply catches up with demand the price levels off. But if reductions were ordered in food prices farmers would have no incentive to produce those commodities and supply would shrink rather than increase, and the price would have to go up.

**Considering the enormous production on American farms, one would think that a surge in production is just right. Before long supply would exceed demand and prices would come down. But then we come to another factor. Other countries too are buying our products, which tends to keep supply, and prices, leveled off. The nation could adopt export policies to keep more of that food at home, thereby tending to lower local food prices. But that would discourage production, decrease the supply, and eventually force food prices higher.**

So the best way, says Tower, is to let American agriculture produce what it can and sell to the world market. Get rid of the restrictive barriers which required reduced crop acreage and paid subsidies just to keep farmers in business.

The first benefit of the world market is to save the billions formerly spent on subsidies. The next benefit is to assure American farmers a market for their crops. Meanwhile we American consumers will have a more adequate supply for our purchases.

**Still another factor lately is**  
(Continued on Page 10)

## PP&K Contests Booked Saturday At 10, MHS Field

Saturday is D-day for youngsters who intend to compete in this year's Punt, Pass and Kick Competition. The event will be held at 10 a.m. on the Muenster High football field with members of the Jaycees helping the sponsor, Endres Motor Co., to conduct the contest.

As in previous years, this is the beginning of a nation wide competition sponsored by Ford Motor Company and the National Football League. The local event is sponsored by the local dealer and trophies are awarded for the first three places in each age group, 8 through 13. First place winners advance one step in the national contest, competing next at Wichita Falls.

Up to Tuesday noon 43 boys were entered. Assuming that there will be late sign-ups, as usual, the total expected is 60 to 70. Entries will be accepted Saturday morning up to contest time. They are reminded that a parent must be there to sign them in.

Scoring in the PP&K contest is based on both distance and accuracy. The score in all three events, punt, pass and place kick, is the measure in feet along a line less the distance away from the line. Scores of the three events are added to determine the contestant's total score.

## 10 Scouts Will Be Advanced in Rank At Court of Honor

Ten members of the Muenster Boy Scout Troop, No. 664, will advance in rank at Court of Honor ceremonies to be held in the K of C Hall Sunday night starting at 7:30.

One of the boys, Joe Bright, will be raised to Eagle Scout, the highest rank that can be reached in scouting.

Other badges will be awarded as follows: Life Scout, the second highest rank, to Jim Luke and Paul Reiter. Also: First Class Scout to the Phillips twins, Billy and Larry.

Second Class Scout to Lloyd Reiter, Bernie Fette, Jack Endres and Joe Sicking.

Tenderfoot Scout to Jack Endres and Chris Stoffels.

Jack Endres advances twice because he has met the qualifications for both ratings since the last court of honor ceremony.

Jack Groce, district chairman of the Butterfield Trail in the Longhorn Council will present the promotion awards to the scouts. The ceremony will be conducted by the Muenster troop's scouting committee consisting of Henry Weinzapfel, Wilfred Reiter, Joe Sicking, David Bright, Charles Bartush, Bill Luke, Dan Luke and Andy Phillips.

After the program scout mothers will serve refreshments of cookies, coffee and cold drinks.

## KCs Getting Set For Annual Gala

Muenster Knights of Columbus are going strong on preparations for the first event in their triple observance Columbus Day, their patron's feast. That event will be a Hawaiian luau, the council's big social gala of the year.

It will be a dinner dance in the KC hall beginning with a happy hour at 6:30. The meal will be served at 7:30 and a dance, with Bill Tanner's Orchestra will start at 8:30. Tickets cost \$4.50 per person.

Other Columbus Day observances will be a Mass and presentation of the annual good neighbor award on Saturday the 13th, and family day in the city park on the 14th.

## 1.23 Inch Rain

The heavy clouds that moved into the community gave up only 1.23 inch of rain, according to Steve Mosier's official measure at 7 a.m. Thursday. That brings the month's total to 4.64 inches and the year's total to 37.72.

## Paper Drive Saturday

SHH seniors will conduct a scrap paper drive Saturday, September 29, beginning 9 a.m. Persons unable to get their paper out may call 759-4246. Persons with paper to give are asked to have it boxed or corded and out at the curb for quick pickup.

## Toughest to Date Faces Tigers Friday At Kingston, Okla.

For the first time this season, Sacred Heart's Tigers will have their hands full when they go to Kingston, Oklahoma, Friday night.

According to Coach Bob Steele's scouting reports, Kingston will average about 15 pounds heavier than his boys. They have a 180 pound hard running fullback, and they have a quarterback who is super. Steele has no doubts that the team will give his boys a mighty big job, both offensively and defensively.

Kingston's record to date is 1-1, which does not mean much to local fans because they are unfamiliar with that area's football. The loss was to Dickson, which will play Sacred Heart later in the season, and the win was over Sulphur. Perhaps the best basis of comparison is respective enrollments of the schools. Sacred Heart has 119 in four grades, Kingston has 130 in the top three grades.

However the Tigers have been strong for their rating as indicated by three decisive wins to date, especially last week's 72-0 trampling of Aubrey. Steele said he's sorry the scoring got out of hand there but he had no rookies to send in as replacements. They had played a junior varsity game Thursday and were not eligible for Friday. The high speed Tiger backfield frequently found themselves loose for easy touchdowns.

Fortunately, physical condition remains fine. No injuries are reported as of early this week.

## Tigers Annihilate Aubrey Chaps in Scoring Spree

They ran and they ran, those Sacred Heart Tigers, and when the clock eventually put an end to it they had crossed the goal line ten times. Their win over Aubrey's Chaparrals was 72-0.

From the kickoff to the final whistle the whole show proceeded as though it had been staged by Coach Bob Steele. Everything went his way as the Tigers were tough on defense and did almost as they pleased on offense. There were only four times they had possession and failed to score.

First possession followed Aubrey's punt ending its third series. The Tigers with free yardage on a major penalty gained 96 yards in ten plays for their first score. Davey Krahl and Dickie Mosier did most of the gaining and Mosier scored from the 18 on a run around right end. Kevin Pels followed over for extra points.

Next time a fumble stopped the Tigers on first series but they were delayed only long enough to stop the visitors on their first series. The punt was short, giving Sacred Heart a set up on the 24. Pels made 6 on the first try and Mosier, helped by fine blocks, sailed around end to the second TD. Krahl's run added two points.

Just as the second quarter started the Chaps were putting on a good effort. It made four first downs and got as far as the 26 before the Tiger defense got stubborn. Four plays later they lost possession after a 9 yard loss.

Tigers promptly fumbled and had to wait another series to start moving, but then failed to make the yardage for their second series. However on next possession Sacred Heart had the system going again. Their drive went 63 in seven plays. Pels carried 18 on the longest gain, Mosier carried 9 for the score. A pass, Roger Endres to Davey Krahl, added bonus points. The score was 24-0 as the half ended.

The third quarter was more  
(Continued on Page 10)

## Speedy Reiter Is New Arco Owner

David (Speedy) Reiter, who sold the local Mobil Station to Kenneth Cain a month ago, will be back in the service station business next Monday.

He announced this week that he has leased the Arco station from George Pedigo effective October 1, and will furnish it with new tools and equipment. The business will be named Speedy's Arco Station.

Carl Walterscheid, former owner-operator of the Arco, quit there in July to join the staff at Cooke County Distributing Co.

## Plans Mapped for SH Homecoming Set October 13

Plans are mapped and work is in progress to make Sacred Heart School's annual homecoming a grand celebration. The date is October 13.

Members of Sacred Heart Alumni Association, sponsoring group, completed arrangements at their meeting Sunday night.

The program includes a pre-game parade, football, half-time queen crowning, and after-game social get-together.

While most of the attractions are similar to those of previous homecomings, there are a few changes.

Principal change is in game starting time. It will be 7:30 p.m., a half hour earlier than previously.

Another change is that no formal invitations are being mailed to former students.

All ex-students are welcome and urged to attend. That message is being broadcast. Alumni President Joe Felderhoff explained that the cost of printing and postage is being applied to the building program, a field house, the association's big project.

As usual the night's highlight is the football game with the Tigers out to muzzle the Callisburg Wildcats. Kick-off is 7:30.

Candidates for this year's homecoming crown will participate in the pre-game parade. One of them will be crowned at half-time in ceremonies.

Queen candidates are Seniors Lanie Yosten, Peggy Hoebebeck, Doreen Pels and Beverly Walterscheid. Identity of the queen will be kept secret, to reveal at coronation time. The other three will be princesses in the royal court along with Sally Endres, ninth grade; Dianne Kralicke, tenth grade; and Laura Kralicke, eleventh grade.

Immediately following the game there will be a social get-together in the Parish Hall with a short program honoring graduates of classes 1943, 1953, and 1963.

## German Day Will Be Celebrated by Dual Observance

For the eleventh consecutive year German Day will be observed in Texas to recognize the achievements of Texas pioneers of German descent. The day of observance, as designated by Governor Dolph Briscoe, is October 14. A proclamation by Mayor David Bright also designates the date as German Day in Muenster.

The observance will be celebrated by two big events, the annual Pioneer Ball in the Marriott Hotel of Dallas on the evening of October 13, and German Day at the Texas State Fair the following day.

The ball will feature a number of dignitaries including some in the educational field who have been active in pre-serving German culture and language in Texas. Among headliners on the program are Mayor Wes Wise of Dallas, mayors or representatives of a number of German communities, also congressmen and consuls. The program includes music by the Dallas North Concert Band, the Frohsinn Singing Society, and a German Air Force Choir from El Paso. Peppermint Polkas will provide the dance music.

Muenster people who wish to attend that event can obtain tickets, at \$3.75 per person, from Alvin Fuhrman, the local chairman of the German Day observance.

German Day at the Fair will have German folk dancing and singing at the Big Tent near the Grand Ave. entrance. Performers will be the Frohsinn, German Air Force Choir, German Saturday School, and the Garland High School Choir. German food and drinks will be served and a special retreat service will honor the state's German pioneers.

## Cub Scouts Meet Oct. 2

Muenster Cub Scouts will meet October 2 in the KC Hall to reorganize for a new year. Meeting time is 7:30 p.m. Present members are urged to be there and all boys eight, nine and ten years old who are interested are welcome. Parents are invited to attend with their sons. Cubmaster Bobby D. Walterscheid looks forward to having a large group present.

## Hornets, Northwest To Tangle Friday On Local Field

Football is going to get tougher for the MHS Hornets when the Texans of Northwest invade the local field Friday night. According to the appraisal of Coach Glenn Richardson the team is more potent than last year's which was edged by the very close count of 26-24 by the Hornets.

The Texans have a 1-2 record, having beat Boyd 27-0 and lost to powerhouses from Aledo and Southlake. Compared with Whitesboro they rate as quicker and faster, and equally big and tough. All of which adds up to quite an assignment for the Hornets, considering their 9-0 loss to the Bearcats.

However Richardson is convinced that his boys can do better than last week. Mistakes hurt them, particularly fumbles and blocked punts, so they are working overtime this week to improve technique and hopefully avoid repetition of the boners. A few swaps of positions are also intended to improve the team effort.

Physically, fortune still favors the Hornets. They had no injuries following the Whitesboro game.

Everything considered, says Richardson, this game is definitely the hardest to date and perhaps the hardest of the pre-conference season. A few of the basic facts are that Northwest is AA and Muenster is barely out of class B. Also the Hornets will be outweighed as usual, by an average of over 15 pounds.

## Hornets Lose 9-0 In Tough Struggle With Whitesboro

The Muenster Hornets had hard times at Whitesboro. Their only consolation, if any, is that they eventually came out with only a 9-0 loss after contending with their own mistakes and a couple of extra tough breaks along with a big brutal pass of Bearcats.

Whitesboro repeated its pattern of recent years. While losing their early games they were saving their Sunday punch for Muenster. All of their improvement to date apparently was made during the past week.

Hornet troubles with the option was another big problem. Four of the attempts ended as fumbles recovered by the Cats. Also one pass was intercepted. Bearcats, on the other hand did not lose a single time on an exchange.

And there was also a matter of how the ball bounces. One Bearcat kick was permitted to go by when it seemed to be going into the end zone. It took a Whitesboro bounce and the Hornets had to start from the 6 instead of the 20. Another was even more so. MHS had to put it in play less than a foot from the goal.

As if that was not enough, how about a couple of blocked kicks? One was near the goal and resulted in the safety.

Two of the Hornet fumbles came early and combined to give them miserable field position. The first put the Cats on Muenster's 35 and a kick ending the first series had Muenster on the 13. Then another fumble gave Whitesboro possession on the 17.

Hornet defense allowed a first down and stopped the next series cold. The Hornets kicked out, Whitesboro kicked back. And the Hornets' next try to kick out of trouble was blocked. The Cats led 2-0.

Early in the second quarter Whitesboro put together a 46 yard scoring drive. Ten plays were used and Achimon went over from the 8. A kick ended the count to 9-0. For the rest of the half both defenses kept the game under control. Muenster was stopped after two first downs, also Whitesboro after two first downs.

The second half started with a great defensive effort by the Hornets. The Cats on first series were smeared three times for a loss of 18. And after that both defenses allowed very little. Whitesboro got two successive and two scattered first downs, Muenster only two scattered first downs. Muenster gained only 3 yards in net rushing plus 30 in passing whereas the Cats gained 72.

Though battered and overpowered, the undersize Hornets put on three stout stands  
(Continued on Page 10)

## Blood Program Donors Get Special Benefits

The Red River Regional Red Cross Blood Program, of which Muenster is a participant, consists of twenty three counties and three separate districts in Texas and Oklahoma, according to a fact sheet recently sent out by the system's headquarters at Wichita Falls.

Each of those twenty six locations shares in the system's benefit, which is to supply blood at reduced price, and each location in its turn provides the blood for all. The quota for each location is determined by the amount of blood used since the last bloodmobile visit.

The fact sheet states as follows "for residents of the following areas, which make up the Red River Regional Red Cross Blood Program, Red Cross will replace all blood

## Plans Under Way For Homecoming At Muenster High

Planning is under way now for a grand reunion of Muenster Public School ex students on Friday night, October 12. The big get-together will be held along with a special homecoming dance at the K of C hall following Muenster High's football game with Newcastle.

Mrs. James Walterscheid, chairman of the homecoming committee, said that the customary ceremony of crowning the homecoming queen will be held at half time of the game. Candidates for the honored title will be elected by the high school students and one of that number will be elected by the football players as the homecoming queen. Their election will be secret and the result will not be revealed until the ceremony. The other candidates will be designated as princesses. Ex students will be escorts of all members of the royal court.

Mrs. Walterscheid said a general invitation is extended to all the former students. Each one is urged to remind other exes and make a special effort to attend.

## Hospital Auxiliary Busy with Details Of Benefit Event

Principal business at the September meeting of Muenster Hospital Auxiliary concerned the organization's big benefit event scheduled for two nights, Sunday, Oct. 28 and Monday, Oct. 29. A variety extravaganza it will be staged in MHS auditorium.

"Frontier Frolics" will involve all Auxiliary members and many other local people. Proceeds will go in the fund for the hospital recall system. Chairmen of various details, headed by Mrs. Roy Monday, general chairman, include Mrs. Charles Bayer, scenery and props; Mrs. Mel Stephens, music and tickets; Mrs. Herbert Miller, lighting; Mrs. Arthur Bayer, costumes; Mrs. Dan Hamric, advertising; Mrs. Chris Cain, makeup; and Mrs. Tom Sangster, Mrs. Johnny Pagel and Mrs. Andy Wimmer.

In other business conducted by Mrs. Arthur Bayer, president, a nominating committee was named to secure a slate of officers for election in November. Those elected will take office in January.

Mrs. Bayer read a letter from Texas Association of Hospital Auxiliaries, Inc., about free material that is available to entertain and educate the blind and handicapped. Further information may be received by contacting Mrs. Charles Bayer.

Sixteen members were present and Mrs. Ted Henscheid won the door prize.

## Schedule of Football Games

Lots of football again awaits local fans for the coming week. The schedule for the two local schools reads as follows.

Thurs., 27th, 6:00; M. Juniors and Hornet B at Northwest.

Fri., 28th, 8:00; Northwest at Hornets.

Fri., 28th, 8:00; Tigers at Kingston.  
Tues., 2nd, 6:45; Lindsay at Tiger Cubs.  
Thurs., 4th 6:00; Lake Dallas at M. Juniors and Hornet B.

used regardless of where they are hospitalized. (The resident must notify Red Cross of a need for replacement.)

Texas counties: Archer, Baylor, Childress, Clay, Collingsworth, Cottle, Foard, Hardeman, Haskell, Jack, King, Knox, Throckmorton, Wichita, Wilbarger and Young. Oklahoma counties: Cotton, Garvin, Harman, Jackson, Jefferson, Murray, Tillman. Individual towns (in Texas): Lueders, Stanford, Muenster (Hospital District).

The fact sheet also specifies special benefits as follows: "For donors living in areas listed above — for a period of one year after their last donation, persons who give blood may have Red Cross replace blood for the following members of their families who live elsewhere: children over 18 who cannot be blood donors, parents and parents-in-law, grandparents and grandparents-in-law."

"For donors not living in the above listed areas — For a period of one year following the last donation, replacement of blood will be made by Red Cross for members of the donors' households and the following members of the donors' families: Children under 18 years, children over 18 who cannot be blood donors, parents and parents-in-law, grandparents and grandparents-in-law."

This information is presented here to advise local donors of these special benefits in addition to the general benefits which are available to patients of hospitals within the areas listed and to residents of the areas listed while patients of other hospitals.

Eligibility for special benefits is easily determined because the name of each donor is listed in the program's files.

## Home-School Group Reorganizes, Plans For Coming Events

Members of Sacred Heart Home-School Society in their first meeting of the new school term Tuesday night were introduced to the faculty, saw new officers assume duties and after business had a social get-together. Dan Haverkamp, president, presided and Father Placidus led the opening prayer.

Father Placidus introduced school principals Sister Georgia, elementary, and Sister Mary John, high school, who in turn introduced grade and high school teachers.

There was regret in accepting the resignation of Mrs. Marie Johnston who has retired from teaching after being with the school for several years. She also was organizer for the 8 a.m. Mass. A volunteer to play is being solicited. Members voted to give Mrs. Johnston a gift of appreciation for her dedicated services.

Father Placidus commended parents and others who donated labor and paint to the grade school painting program this summer, adding that volunteer labor and donations represent a savings of about \$1,000.

Sister Georgia reported first six-weeks report cards due and that the next six weeks will feature a progress report and parent-teacher conferences.

Members voted to furnish from treasury funds \$316.17 for purchase of the Lincoln Library Texas History Books for SH library on recommendation from Sister Carmelita, librarian.

Sister Alberta reported a class for adults in the reading lab one night a week and adults interested in improving their reading are invited to contact her.

Principal coming event discussed was the annual Halloween Carnival which the society will sponsor again this year. Officers volunteered to take charge as committee chairmen. With Dan Haverkamp will be Alfred Bayer, vice president; Mrs. Jim Voth, secretary; and Mrs. Leon Fleitman, treasurer.

Coach Steele volunteered for himself and his football boys to take charge of cleanup. A part of the carnival's proceeds will go for new jerseys, badly needed by the squad.

# THE MUENSTER ENTERPRISE

PUBLISHED EVERY FRIDAY — MUENSTER, TEXAS 76252  
 Leonard J. Endres, Publisher and Editor  
**SUBSCRIPTION RATES**  
 In Cooke County 1 year \$3.50, 2 years \$6.00

 Second-class postage paid at Muenster, Texas

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation that may appear in the Enterprise will be corrected upon being brought to the attention of the Publisher.

## Forestburg News

By Myrt Denham  
**FORESTBURG** — I would like to say at the start of this weeks column, as it does in this paper, that it is not my intent to belittle or embarrass anyone now or at any other time. Nor do I in any way mean anything derogatory about any person. Therefore, if you enjoy reading amusing things and incidents about other people then do not be surprised if some time you read about yourself in this column. Especially if you, like all of us, do something or get

in amusing situations. If I seem to pick on some one a little heavy it is because I like them — as it is not my nature to victimize people.

Paula Hudspeth honored Mary Jo Reynolds, bride-elect of Larry D. Eldridge, with a kitchen shower. This took place in the Clifford Hudspeth home Saturday afternoon Sept. 15. Sixteen young ladies were there with gifts and well wishes for Mary Jo. Some of these young ladies were from Cooke County Junior College and the rest were local girls. Refreshments of cookies and punch were enjoyed by these young women.

Dale McGee and family of Kemp, Texas, visited with his mother Vera Mae McGee Sunday, Sept. 16. Later on they all

hopped in Dale's car and headed it towards Montague. There they called on Dale's in-laws the S. B. Hoovers.

Took in the Bud Johnson 50th wedding anniversary Sunday Sept. 16. The Johnsons' children honored Bud and Ruby with an open-house from 2 p.m. to 5 p.m. There was a big turn-out in spite of the Dallas Cowboy football game. Decorations, cake, punch and all were lovely. We spied many lovely gifts that friends and relatives had brought in. We all wish the Johnsons many more happy years together.

Mr. and Mrs. O. E. Ryan of Higden, Arkansas were guests of Mr. and Mrs. Ted Jackson the weekend of Sept. 14-17. The Jacksons and Mr. Ryan first became good friends when they all lived in the Marysville community in 1939. They spent many good times together visiting, fishing, and hunting. In 1942 Mr. Ryan moved to West Texas and the Jacksons lost track of him. In 1972 Ted and Laura Belle located him through the secretary of Fish Creek Masonic Lodge. Then while they were on vacation in 1972 they drove to Higden to visit Mr. Ryan and the present Mrs. Ryan. Now they have resumed their fine friendship after a thirty year lapse.

The Mickey Landers have moved in a house on A. B. Mc-Million land. It is located between Myrtle's house and A. B.'s house. They plan to fix up, remodel and add on to the house. So Dewey will be having some new residents in the near future. By the way, Mickey Landers is A. B. Mc-Million's son-in-law.

I would like to mention people in this column occasionally that never make the news. Good substantial people that work hard and are good fine folks. Such people are the H. D. Cooks who live between Forestburg and Muenster. They had them a nice home built before most of the other new houses went up in these parts. H. D. is employed by a dairy down in the Slidell community. My husband says as far as he is concerned the Cooks are tops. He judges people by the way they treat the mail carrier. The Cooks always affix stamps to their mail, stand their letters up in the box and even haul gravel and put it on the approach to their mail box. I am always asking him what kind of person so-and-so is and if he answers "They don't stamp their letters" — well, I don't ask him anything else. That is final as far as he is concerned. He says the community needs more people like the Cooks — not necessarily because they are good mail customers but are good all around people.

Willard Freeman, out south of the Burg, is a patient in the Decatur Hospital recovering from two serious heart attacks. He took ill the 14th of Sept. while at work on his job at Burriss Mills. Mr. Freeman is a member of the Forestburg School Board. We understand that he is doing okay at this writing.

Hal Hays has returned home from the hospital in Wichita Falls. Hal told my husband he will have to take it easy for some time to come.

The Forestburg Community Center was the scene of a coffee Wednesday morning, Sept. 19. This coffee was held to welcome all the new ladies that

have moved into our area and to get them acquainted with us and each other. About fifty ladies were there in all and a number of "little people." Everyone there really seemed to have had a nice time. This coffee was a joint community effort for our new lady residents. We enjoyed coffee and different kinds of hot rolls.

Mr. and Mrs. Roy Gentry of Portersville, Calif., have been visiting relatives and friends in the area. Mrs. Gentry is a sister of Mrs. Virg Greenwood and Joe Hunt. The Gentrys started back to California Thursday, Sept. 20, the Hunts traveling along with them — the Hunts in their own car — making a two-car caravan. They will be visiting out there for two weeks with relatives in Portersville, Stratmore and Visalia.

Larry D. Eldridge arrived home on leave Sept. 19. He will take him a wife while he is home. Larry will be stationed at England AFB, Alexandria, La. He has just completed basic training at Lowry AFB in Denver, Colo. We might add that he is the son of a lovely lady, June Eldridge.

We have several businesses over in this area that a lot of people never hear about. For instance John Anderson's Pet Farm, down in New Harp. John has caught and raised all kinds of wild animals for pets and shipped them all over the country. He mainly specializes in skunks. Tell John where you saw a skunk and which direction it was headed and John will get it. He has almost cleaned this country out of the critters. His business has been so good lately he is about out of animals. John hit up our mail carrier to catch him some turtles while on his route. My husband told him he did not think the U. S. Mail service would go for him out chasing turtles while carrying the mail. Most people think the mails move slow enough as it is — about like a turtle, I suppose. Now if people wanted ole John's dogs for pets, he sure would be back in business.

We all read where Muenster had a certain number of millionaires and we never see them because they were all home at work. Well, we can't do much bragging over here at Forestburg about ours. However, bet we could round up two or three if they cashed in their holdings — they probably don't know they are millionaires and don't care. You never see ours much either — especially on the mercy bench. They are too busy paying their taxes and making a living. Believe most people over here

have given up on their first million and started on their second.

Sometime back we mentioned in this column about how our old timers spent their honeymoon in the cotton patch pulling cotton or out baling hay. Well, we still have a fellow over here from the old school. Charlie Barclay took wife Gladys out in a watermelon patch to load melons on their 30-some-odd wedding anniversary last Friday, Sept. 21.

This paper runs columns about news items that happened 5, 10 and 20 odd years ago in Muenster. In looking over some old Forestburger newspapers which were published here at least better than 20 years ago, I decided our Forestburg readers would enjoy reading some items taken from these papers. Here are two items: "Many of us remember that not long ago Bill Landers got his barn destroyed

by fire. When Mr. Landers went to collect the fire insurance the company would not pay off, but proposed to get him up a new barn just like the old one he had. Bill studied a little 'But if that's the way you people do business, just cancel my wife's policy too.'"

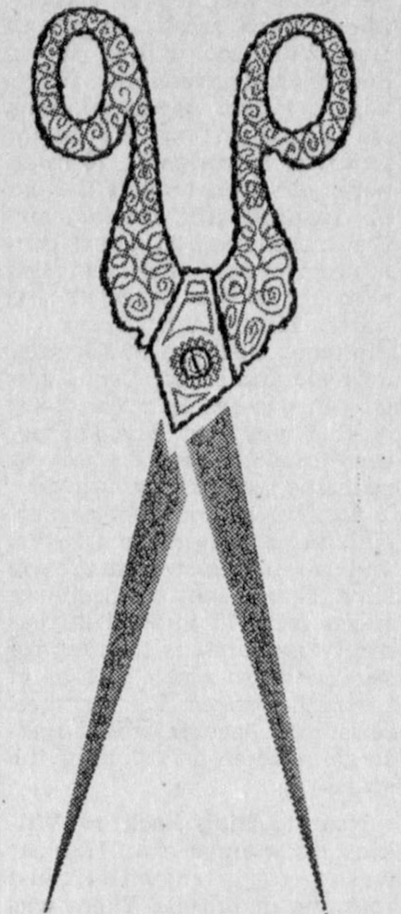

And "Speaking of neighbors, Mack Traylor and Blake Scott make the best combination we know of. Mack's hogs run in Blake's peanuts and Blake in turn keeps his cows in Mack's oats and roasting ears."

Running uphill and running down people are both bad for the heart.

The best way to keep teenagers at home is to make home pleasant and let the air out of the tires.

Modern means of air travel are great . . . at least we can see less and less of more and more, faster and faster.

## Local News BRIEFS

Sister Zita Zipper arrived Sunday from New Iberia, La., to spend a week with her mother Mrs. R. M. Zipper.

Mrs. Bill Streng returned Tuesday from Denver, Colo., where she was at the bedside of a son, George Streng, hospitalized following a jeep-car accident. His father and Mr. and Mrs. Joe Streng were there last week. George sustained back and neck injuries

when the jeep he was driving was struck from the rear by a car.

Airman IC and Mrs. Hank Sicking and Jason of Austin are spending a 30-day emergency leave here with the Wilfred Sicking. His father is due to undergo surgery next week. Hank is stationed at Bergstrom AFB.

Mr. and Mrs. Andy Schoech returned Monday night from a flying trip to New York. They visited at Norwich with her sister and family, the Mark Kutas and went from there to Trenton, N. J., where they were guests of Mr. and Mrs. Arnold Wall, parents of their daughter Margie's hus-

band, Peter Wall. Sight-seeing was extensive.

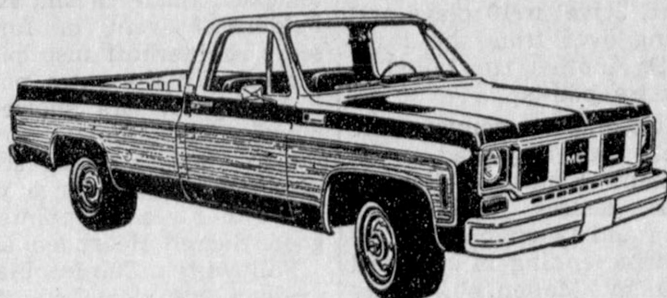

Mrs. Oscar Detten, Mrs. Bill Lutkenhaus and Dale Wilde returned Sunday after being away since the previous Wednesday on a trip to Amarillo to attend the Thursday funeral of Mrs. Detten's brother-in-law, Arthur Detten, twin brother of her late husband. Services were held in St. Francis Church near Amarillo. The three were guests of Mrs. Detten's daughter and family, the Fred Dillards, and also visited old friends.

Visiting the Gene Klements last week four days were her nephew and wife Mr. and Mrs. Robert Raleigh of Belle Plain, Minn. The Ray Wimmers and Jenny of Hurst came Sunday evening and stayed overnight to see the visitors. Monday Mrs. Raleigh, Mrs. Gene Klement, Mrs. Andy Klement and Miss Judy Klement drove to Hurst to visit there.

Mr. and Mrs. C. F. Gobble drove to Fort Worth last Thursday to visit her sister and husband, the Hob Dillons.

Visiting with Mr. and Mrs. J. M. Weinzappel Sunday afternoon, Sept. 16, were her nephew and his wife Mr. and Mrs. Ervin Wolf of Burleson, Colo., back in Texas for the first time in about 60 years. They came with his sister and husband, Mr. and Mrs. Alex Bednartz of Slaton where they were visiting. While the four were here they also enjoyed sight-seeing in the city and vicinity.

### Hoedebeck GMC

Muenster

Dees of the Merle Norman Studio in Gainesville were in Dallas last week for a two-day workshop directed by Mary Nuckles, make-up artist from Los Angeles, Calif. The school dealt with make-up and how it reflects the new look for fall and winter 1973, stressing color coordination for the fashion conscious woman. With the feminine look-full skirts, scarves, ruffles and frills — in fashion again, make-up calls for paler skin, buffed, slightly polished, for a semi-gloss with intensely colored lips along with coordinating shade for cheek color and nail enamel and a new kind of sheen in eye shadow.

#### Visit in California

Mr. and Mrs. Leo Henschel returned Monday from a flying trip to California where they spent a week with their son and family, the Jerry Henschels at Stanton. Together they visited places of interest including Knott's Berry Farm, Universal Studio, and the Queen Mary docked at Long Beach as a tourist attraction. They visited by telephone with a nephew Norbert Henschel of Perris, Calif. While they were away Mrs. Henschel's mother Mrs. Anna Trachta stayed with her daughter and son-in-law, the Orris Russells at Gainesville. During vacation time in August Mr. and Mrs. Damian Hellman and children of Irving visited her brother and family at Stanton. They went by car and included sight-seeing going and returning.

#### Community 4-Hers Hear Reports and View Slide Show

Muenster Community 4-H Club met Sept. 14 with Mary Lou Fleitman presiding. Pat Davidson gave the inspiration and Debbie Zimmerer called roll and read minutes of the previous meeting.

Reports were given by Connie Flusche on Family Night, Barbara Davidson on 4-H State Roundup and Record Books, Mary Lou Fleitman on District Leadership Lab and Cooke County 4-H Fair Booth, Pat Davidson on County Camp, Charlotte Fleitman on Rally Day, Kathy Davidson on Officers' Training Workshop, and Larry Fleitman on the Horse Show.

Assistant Extension Agents Marlea Thompson and Randy Jordan met with the group. The program was a slide show entitled "What you can do in 4-H."

During business, discussions concerned ideas to make meetings more interesting, and Cooke County Project Fair.

A new member, Charlotte Fleitman, was welcomed. Kathy Davidson reported 13 members, three adult leaders and the two extension agents present.

### Okra Gets Bigger Huggins Is Champ

Okra just keeps getting bigger and bigger. Now comes O. E. Huggins to claim the championship. After Mrs. Adolph Walterscheid's ten pounder, grown seven miles south of Muenster, made the news, Huggins who has an okra patch 12 miles north of Muenster thought about weighing one of his. It tipped the scales at 14½ pounds, measured 18 inches in circumference, and 38 inches long. He brought it to town to show.

He says it's a Japanese variety and that Mrs. Walterscheid's okra seed came from her as harvested from his plants. He gave it to a friend who shared with her.

### Six Linns from 3 States Gather at Abilene Reunion

The Linn brothers and sisters, all six of them from three states, gathered at Abilene during the weekend for a reunion held in the home of Mr. and Mrs. Lex Linn.

Mr. and Mrs. Joe Linn came from Landers, Calif., Mrs. Era Mitchell came from Prescott, Ariz., Mr. and Mrs. W. B. Parker attended from Dallas, Mrs. George Womack attended from Fort Worth and Russ Linn attended from Muenster.

Sunday was the main day and the Lex Linns' son and family the Dave Linns of Clyde were there. A niece of the Linns, her husband and two young sons the Darrell Hensons of Stephenville had joined the group Saturday.

Mr. and Mrs. Joe Linn, back in Texas for the first time since their move to California, flew to Dallas and stayed with the Parkers. These four, Mrs. Womack, and Russ Linn traveled to Abilene and back together returning Monday afternoon. Russ Linn's daughter Mrs. Ray Smith of Dallas returned him to Muenster. The California Linns planned a longer stay to visit her brother and family in Sherman and to see other area friends.

Prejudice is being down on something you're not up on.

### HAMRIC'S Men's & Boys' Wear

### Hillcrest Manor News

Father Placidus Eckart conducted Sunday afternoon services and members of SH Junior High Choir sang to their own guitar accompaniment and to piano accompaniment. After services in the living room, the group went to rooms to play and sing bedside for patients who are not ambulatory.

Improvements are being made all over the place at Hillcrest. Fresh graveling in the driveway is being allowed to pack before blacktopping and a well-tank-house is going up over the home's water well which was drilled in the spring and is furnishing an abundance of soft water. Owner O. D. Garland is putting in a lot of time also on other repairs. He's in from Lubbock on a two-week vacation.

Mrs. Joe Wilde's angel food cake was a supper treat for all at the home Thursday. Mrs. Wilde brought it out for Jake Pagel and he shared it with the group. Another treat was homemade light bread brought out by Mrs. Leonard Endres.

Dorothy (Mrs. Sid) Cason has joined Hillcrest staff starting Monday as a cook. She served in that capacity for four years at Muenster Hospital.

Mr. and Mrs. L. W. Flusche of Decatur were Thursday visitors with Mrs. Susie Bernauer.

Mrs. Anna Shelton of Denton visited her sister Mrs. Mary E. Felderhoff Sunday joining other family members there in the afternoon.

There were only a few sore arms last Thursday after everybody got shot with flu vaccine . . . staff and patients alike.

Ena Mitchell sustained a broken left hip early Friday when she fell in her room and is a patient at Muenster Hospital where she has undergone surgery to pin the bone. Mrs. O. D. Garland, staff members and their friends have been cheering her with visits. She's in Room 100.

Mrs. Dollie Thomas was admitted to Muenster Hospital Monday for treatment of pneumonia.

Mrs. Edna Orrell of Nocona was Sunday visitor with her sister Mrs. Jack Hogan, chief cook, and visited all she knows at the home.

Mrs. Willie Fuhrmann of Lindsay joined her husband in attending Sunday afternoon services at the home.

### Juniors, Tiger Bs Take Twin Bill From Aubrey Kids

Both of the Sacred Heart teams came through with flying colors in their twin bill at Aubrey Thursday night. The Tiger Cubs started it with a 14-6 win over the Aubrey Junior High and the B Tigers rolled over Aubrey's junior varsity 26-0.

The Cubs made a slow start allowing the hosts to get on the scoreboard ahead of them. Aubrey got its spark early in the second quarter on a blocked punt only 30 yards away. From there it put together a short drive of short gains ending in a 3 yard plunge for the score.

Early in the second quarter the Cubs started their first scoring drive with 55 yards to go. They made short gains all the way and took two fourth down gambles along the way. Lineman Joe Bartush was a temporary back on the play that went 8 yards for the TD. Extra points were nullified by a penalty and the second effort failed. The score was tied.

Shortly before the end Sacred Heart launched the drive that broke the tie. It went 70 yards on short gains until Danny Walterscheid got loose at the 22 and dashed for the line. Bartush added bonus points.

Coach Bob Steele was delighted with the performance of his boys, especially in the second half. All did a good job in scoring twice and stopping the Aubrey boys cold.

The next game was a one sided affair in which the B team put on four touchdown drives and monopolized most of the time. Leon Bayer was the work horse each drive in hauling the pigskin down the field in continuous short gains.

First score ended the first drive, which started with the kickoff and 70 to go. Joe Sicking passed to Bruce Fuhrmann for 16 yards on the TD and to Karl Koessler for extra points.

Next drive started at about the Tiger 40 and ended when Leon Bayer busted through for 8 yards. The run for bonus points failed.

In the third period it was more of the same story. The drive went for about 65 yards, Bayer was the principal carrier and got nice blocking help from Guy Bindel, and the score came on a pass from Sicking to Fuhrmann for 15 yards.

A fumble on the Aubrey 40 gave the Tigers their next start. Short runs gained a while until Bayer got away on an 18 yard scoring gallop.

### Talk by CCJC Head Features Meeting Of Advisory Group

A talk by Dr. Alton Laird, president of Cooke County Junior College, featured a meeting of the Cooke County Community Advisory Committee last week. Dr. Laird discussed the nation-wide growth of junior colleges and traced the development of Cooke County Junior College since its origin in 1924 as Gainesville Junior College. At that time it was a part of the city school system.

Later it was enlarged to accommodate all of Cooke County and its name was changed to Cooke County Junior College under jurisdiction of the Texas Education Agency which provides a large portion of the school's annual budget of almost \$3.3 million. Another substantial source of revenue is a local tax of 30 cents per \$100 of valuation on the county valuation of about \$55 million. That figure is set at about 25 per cent of actual value. Twenty cents of the 30 cent rate is used for operation and maintenance and the other 10 cents is used for debt service. Other revenue comes from tuition, grants and state and federal agencies.

Dr. Laird reviewed the college curriculum stating that CCJC will continue to offer an outstanding, fully accredited two year college program. Also that it will continue to expand and improve vocational technical training which is vital to the community's needs. The speaker stated that CCJC is committed to the proposition of creating the best classroom atmosphere possible and rendering individual attention and service to the student.

The committee heard a report on Operation Identification and each member received a specific assignment regarding the rural security program which is designed to cooperate with law enforcement agencies. The group also reviewed a 42 page leadership manual which is to be an aid to development and organizational work.

The meeting ended with reports on community activities and appreciation for the opportunity to meet and discuss problems and goals.

### Hornet B Team Nips Whitesboro

Muenster B Hornets continued their winning way Thursday night with a 16-6 decision over the Whitesboro second team. The game was closer than the score with the visitors making up 156 in total yards and Muenster 179. First downs were 12-10 in Muenster's favor. And turnovers were 3-1 in Muenster's favor.

A factor that figured in was the absence of Tim Wolf with an injury, and back-up quarterback Danny Endres took over for him. Also Mark Mollenkopf went out in the fourth period with a leg injury.

At the start it seemed the visitors came to take charge. They moved steadily on their first possession, completing a 61 yard drive in 10 plays and crashing over from the 1 for the TD. Another run failed to add extra points.

That seemed to convince the Hornets that they had a job on their hands. Following kickoff Endres, Mollenkopf, Sicking and Lewis put on a 59 yard drive ending in a 2 yard plunge by Mollenkopf. They used 11 plays. Endres ran for bonus points.

The next score, early in the second quarter followed a set up on the 14 after Whitesboro's kicker got a bad pass from center. On second play from there Mollenkopf scored from 13 on an option play. Sicking's run for extra points made the count 16-6.

That's how it remained for the rest of the game as neither team was able to keep a drive moving. The visitors made a good start in the second half and folded after three first downs. The Bees twice had a pair of first downs and ran out of steam once, fumbled once.

That fumble, near the end, came on the 2 yard line. Shortly after that Endres intercepted giving the team another chance from the 18. But a solid Whitesboro defense would not allow them another score.

### At Fort Worth For Christening

Christening of Duane Lawrence Dankesreiter, infant son of Mr. and Mrs. Larry Dankesreiter of Fort Worth, was celebrated at a dinner in the parent's home after the church service.

Duane was born Sept. 13 weighing eight pounds three ounces and was baptized Sept. 23 in St. Peter's Church. Attending as godparents were Mr. and Mrs. Tommy Dankesreiter, an uncle and aunt.

Others attending from Muenster and at the dinner were the paternal grandfather L. F. Dankesreiter, Mr. and Mrs. Tommy Hesse and Mike, Curtis and Noelle, Dana and Eric Dankesreiter, and the baby's sister Karan.

### SCS State Office Announces Deputy Conservationist

Temple, Texas. Van K. Haderlie of Reno, Nevada, has been selected as deputy state conservationist for the U. S. Soil Conservation Service in Texas, SCS State Conservationist Edward E. Thomas said today.

Haderlie succeeds M. J. Spears who is now state conservationist for Arkansas. Haderlie has been assistant state conservationist for SCS in Nevada for the past year. He began his SCS career in 1954 as a soil assistant in Billings Montana, then progressed to district conservationist and area conservationist in Montana.

In 1972, Haderlie received a Master's Degree from the University of Montana. He is a native of Wyoming and has a B.S. from Utah State University.

### Free Material Available to Aid Blind, Handicapped

Free material to entertain and educate the blind and handicapped of this area is available through the Texas Association of Hospital Auxiliaries, Inc. A letter from the state association to Muenster Hospital Auxiliary explains that such things as talking books, tapes and records, etc., plus equipment for play are all available without cost and are sent postage free.

And telephoning to make arrangements is toll-free. Application for the service may be made to Division for the Blind and Handicapped; The Texas State Library; P. O. Box 12927, Capitol Station, Austin, Texas 78701. Toll-free telephone number is 1-800-292-9605.

Further information may be obtained from Mrs. Charles Bayer.

### Tiger Cubs Beat Era Juniors 30-8

The Tiger Cubs of Sacred Heart junior high continued their perfect record Tuesday night with a 30-8 win over the Era youngsters. That gives the boys a 4-0 record for the season and a 3-0 record in their conference race.

Their first score came early, and it was mostly a gift. Era fumbled on its first offensive play and Robert Hartman recovered just 4 yards away. Cubs were offside on the first try so Joe Sicking had to go 9 yards for the touchdown.

Era bounced back with a 35 yard gain but fumbled again and Hartman recovered again. Moments later the Cubs fumbled the ball away, after which they blocked an Era kick. From the 35, then, Danny Walterscheid made 29 and Kenny Felderhoff went in for the score. Felderhoff also plowed through for the extra points.

After that Era showed its muscle. Eleven plays covered the 62 yards and the scoring play was a pass for 8 yards. The run for extra points was good. Sacred Heart led 14-8.

Following a Cub fumble, Era made a first down and failed on the next series. Sacred Heart was 71 yards away. Sicking made 51 in one gallop, Joe Bartush made the last 5. Danny Walterscheid's run made the count 22-8.

Starting early in the third period the Cubs ground out a long slow drive in two parts. Two first downs reached mid field, then the teams exchanged kicks and the Cubs continued on their way. They used eleven plays to make the 50 yards, Walterscheid and Sicking, with 12 and 13, made the big gains, and Hartman scored from the 5. A pass to Joe Sicking upped the count to 30-8.

### SHH Group Sees Movie in Denton

All students of SHH were on a field trip Wednesday morning, September 26. They attended a special showing of the movie "Jesus Christ Superstar" in Denton.

This cultural field trip was sponsored by the English and Religion Departments of SHH. The movie was attended in order to teach the students religious, cultural, and dramatic overtones in today's society.

Attending with the students were: Sister Mary John, Brother Thomas, Eli Bou Kheir, Jim Gehrig, Mrs. Joe Felderhoff, and Mrs. Walter Grewing.

Last year the students attended the movies "Fiddler on the Roof" and "Sounder."

Weighing less than one ounce, the chipping sparrow is the smallest of all sparrows.

### Marysville News

MARYSVILLE — Mr. and Mrs. H. B. Snow of Wills Point spent the weekend with her father W. F. Davidson.

Visiting the Lloyd Youngs and Robin Saturday were another daughter and family, the Earl Minors and sons Robby and six-week-old Randy of Euless. Joining them for supper were another daughter and husband, the Mike Felderhoffs of Muenster.

Mr. and Mrs. Lloyd Young went to Whitesboro Sunday to visit his mother Mrs. Mack Young, a nursing home resident. At 87 Mrs. Young has recovered from hip surgery and gets about in a wheelchair.

Miss Maxine Morris of Dallas came in Sunday for a several days' visit with her parents, Mr. and Mrs. R. D. Morris. Maxine works at St. Paul's Hospital in surgery.

Mrs. Tillman Bridges and Mr. and Mrs. R. D. Morris were among friends at funeral services of Mrs. J. B. Sparkam, 87, in Gainesville last Thursday.

Sid Ramsey of Arlington and his father Gordon Ramsey of Gainesville were Sunday visitors with the Grady McElreaths and Brent.

Mr. and Mrs. Don Ray Moon of Rockwall visited Sunday with his folks, Mr. and Mrs. Bill Moon. Don Ray is recuperating from three major operations during the summer.

Mr. and Mrs. H. H. Houtchens were in Wichita Falls for the wedding of their granddaughter, Miss Beth Ann Houtchens, daughter of Mr. and Mrs. Doug Houtchens of Saint Jo. She was married Saturday in a 7 p.m. service in the home of her uncle and aunt, Mr. and Mrs. T. L. Kirkpatrick, to David Moore of Electra. After their wedding

trip to Old Mexico they will live in Wichita Falls. Other guests among the 60 present for the nuptial service and reception were Mr. and Mrs. Dwayne Houtchens and family of Dallas. Miss Judy Houtchens of Dallas made the handsome tiered wedding cake.

### Project Adopted By Junior Class

The Junior Class of Muenster High School, in a meeting last week Thursday, voted to sell stationery as a class project to raise funds for the Junior-Senior Prom.

Three types of stationery will be available: formal, mod and with the Hornet emblem. Persons who wish to have some are asked to contact one of the juniors.

### FHA Meets Oct. 1

Members of Muenster High FHA Chapter are reminded of their meeting Monday, Oct. 1, 7 p.m. in the high school auditorium. Highlight of the meeting will be installation of officers. Mothers of members are invited to attend with their daughters.

A politician is someone who never met a tax he didn't hike.

Her car stalled at the corner, and the traffic light kept changing — red, yellow, green, red, yellow, green.

The policeman stepped over to the car and asked in a hurt voice: "What's the matter, lady, ain't we got any colors you like?"

Rain is when the air has more moisture than it knows what to dew with.

A nickel isn't supposed to be as good as a dollar, but it goes to church more often.

**Elm Red Zone 5 To Have Election**

Zone 5 of the Upper Elm-Red Soil and Water Conservation District will have an election Tuesday of next week, October 2, to name its representative on the district board of directors. The present director is Clyde Hale of Sherman, who was appointed eighteen months ago to complete the unexpired term of Harold Skaggs.

There are five Zones in the Elm-Red District. Each elects its director for a five year term and only one has an election each year. The Muenster area is in Zone 3 which had its last election in 1971 and will have its next election in 1976.

**End All Controls FB Prexy Urges**

Commenting on the administration's action in lifting the price freeze on beef, Texas Farm Bureau President J. T. "Red" Woodson said in Waco that, "We have just had another very expensive lesson demonstrating again that price controls are not an effective tool for controlling inflation. The root cause of inflation is excessive government spending."

"It is high time for the administration to learn from this and other expensive lessons in price control that the only answer to the situation is the termination of all price controls on all segments of the economy, with the assurance that price controls will not be reimposed," Woodson said. "We may not see the increased production of agricultural commodities government is asking for because farmers and ranchers do not know from one day to the next when price controls may be reimposed at the insistence of consumers who do not seem to understand the basic economic laws of supply and demand," he added. For example, producers are still fearful that the administration may impose various types of export controls such as embargoes on cotton and feed grains.

"The net result of price controls is decreased supplies, increased demand and higher prices. The immediate termination of all wage and price controls are in the best interest of the consumer, producer, and handlers. Texas Farm Bureau insists that Congress and the administration discharge their responsibility by following a sound monetary policy," Woodson concluded.

Ed Eberhart is back after a visit in Post with his daughter Mrs. Julius Stelzer and family. He returned with O. D. Garland, meeting him in Lubbock, for the trip Saturday.

**A Study of Muenster's Proposed Water Reservoir**

This is the second article in a series of three to inform the citizens of Muenster what their city council is doing to insure an adequate supply of water for the next fifty years.

**ARTICLE TWO ALTERNATE WATER SUPPLY**

The City of Muenster, because of its growth situation and its dependency on a diminishing ground water situation must have an alternate source of water. The Soil Conservation Service has proposed to construct a reservoir on the Brushy Creek Fork of the Elm Fork of the Trinity River above Muenster. It appears the construction of this reservoir would be catamount to the continued growth and prosperity of the City of Muenster. The reservoir proposed by the Soil Conservation Service would have a total storage capacity for water supply of approximately 490,000,000 gallons with an additional 154,000,000 gallons set aside for recreational use. The water set aside for recreation use could be used in periods of extreme emergency or for water supply. The total capacity of the reservoir would be approximately 644,000,000 gallons.

Engineering studies indicate that a water supply capability could be developed in the reservoir. Long range studies indicate that the water supply reservoir would have an annual yield of approximately 326,000,000 gallons or approximately 900,000 gallons per day.

A study of the water use projection indicated by the year 2020 the City of Muenster would grow to a population of approximately 3,800 and would require approximately 893,000 gallons per day on an average annual basis. On peak water usage during the hot summer months it was also projected that the City would acquire a maximum daily use of approximately two and one quarter million gallons per day.

To supply the City with this amount of water would require a total of approximately sixteen (16) water wells. The estimate of sixteen water wells is based on the present production capability of one hundred (100) gallons per minute from each well. It is anticipated by the year 2020 that water production, if available from the Trinity formation would be reduced substantially and it would be an impossibility to construct a sufficient number of water wells to serve the City.

The results of the engineering study indicated that if the City of Muenster was to continue to survive and prosper, that it would be necessary for the City to proceed with the construction of a water supply reservoir.

Judy Beyer, Bride Of James Secrest In Lindsay Rites

LINDSAY — Miss Judy Ann Beyer and James Douglas Secrest pledged wedding vows in a double ring ceremony during Nuptial Mass in St. Peter's Church Saturday at 5 p.m. Father Damian Wewers, pastor, and the Rev. Marvin Lancaster of Southside Baptist Church, Gainesville, officiated.

Daughter of Mr. and Mrs. Frank Beyer, the bride is a graduate of Lindsay High and is employed at Fleetwood Products in Gainesville.

Son of Mr. and Mrs. Merle Secrest of Gainesville, the groom is a graduate of Gainesville High and is employed at Weber Aircraft in Gainesville. Presented by her father, the bride wore a gown made by her grandmother, Mrs. Henry Grewing Sr. Five tiers of white polyester lace cascaded to floor length from a fitted white chiffon bodice with a high collar of lace sprinkled with pearls. The chiffon sleeves had wide cuffs with self-covered buttons closing at the wrists. A pearled Juliet cap held her veil which fell to cathedral length. She carried a cascade of white daisies, stephanotis and ivy.

Adding wedding sentiment she wore an antique cross and chain formerly belonging to her great-grandmother Mrs. Frank Mages, and she borrowed a rosary from her mother.

Kent Bellah Studio

**Rev. Bill Hatler**  
Pastor

Their gowns were fashioned with bodices of green chiffon and floral polyester chiffon floor-length skirts. Miss Debbie Beyer, sister of the bride, was junior bridesmaid in an all floral gown made like those of the other attendants.

They all wore green hats with darker green ribbon trim and carried umbrella arrangements of white, green, and yellow carnations and daisies. Ronny Covington was best man. Aubrey Secrest and Glenn Beyer, brothers of the couple, were groomsmen. Robert Hundt and Michael Burkhardt were ushers. Ronnie Sandmann and John Dave Schmitz were Mass servers.

Men in the wedding party wore white tuxedos with black trim. Baskets of gladioli and greenery adorned the candle-lit altar and greenery and candles marked the communion rail.

Miss Patsy Spaeth was organist and with Jim Lawson vocalist and guitarist. Their selections included "Make Me a Channel of Your Peace," "Let It Be Me," and "Mother at Your Feet." During the final selection the couple went to the Blessed Virgin's altar for presentation of the traditional floral tribute.

Wedding reception was held in the Gainesville KC Hall and dinner was catered by Colonial Restaurant. Penny Secrest and Brenda Beyer registered guests. Misses JoAnn and Kathy Bezner and Mrs. Leonard Grewing of Denton served the four-tier wedding cake.

The newlyweds will make their home in Gainesville.

**New Teacher and Custodian Hired By Lindsay Board**

Lindsay school board at its Monday night meeting hired Mrs. Liane Murphy as high school science teacher and Jesse Lee Holloway as custodian.

Mrs. Murphy is not new. She's been teaching the past several weeks replacing Maurine Milliken who was hired earlier and was forced to resign on account of illness in the family.

Holloway replaces James Myers, custodian for two years, who resigned to accept employment elsewhere. He will also drive one of the school busses for the time being.

**Jaycee Chapter Is Formed at Lindsay**

Lindsay has organized a Jaycee chapter and has elected Bill Martin as chairman and Fritz Hermes as secretary until formal election of officers next month. About 18 men were at the first meeting and have started arrangements for affiliation with state and national Jaycees.

Guest speaker for the organizational meeting in Ken's Club was Bob (Papa) Cass, executive director for state Jaycees.

The new organization expressed thanks to Muenster Jaycees for help in forming the Lindsay chapter. Special thanks went to Roger Taylor, president, Harold Flusche, extension chairman, and Willie Fisher, state officer.

Next meeting was set for Sept. 26 at Ken's Club, 8:30 p.m. Men 18 through 35 are eligible and are invited to join.

The essence of wisdom is a study of the present in the light of the past for purposes of the future.

**4-H Club News**

SH 7 & 8 Grade

Sacred Heart seventh and eighth grade 4-H girls received their record books at their September meeting, filled them in and discussed activities they plan to do this year. Marlea Thompson, assistant county Extension agent, presented a slide show on "What you can do in 4-H." Brenda Voth called the meeting to order and Sherri Herr called the roll.

We're certainly proud to announce the addition of a new member to the County Extension Staff. Miss Ava Knapp began work in Cooke County on Sept. 21 as an Assistant County Agent and will work primarily with the 4-H and youth programs. Ava is a recent graduate of the University of Texas where she majored in home economics. A well rounded person, Ava enjoys all outdoor sports, water activities, reading, music, and being with people. Ava's home town is Bryan, and we feel she will be a valuable addition to our extension staff.

4-H club meetings for the Week of October 1-5 include Gainesville — Monday at 7:30, Era — Tuesday at 7:30, Callisburg — Wednesday at 7:00, Sacred Heart — Wednesday afternoon, and Lindsay — Thursday at 3:45.

415 4-Hers and adult leaders attended 4-H club meetings in the month of September.

— Randy Jordan, Assistant County Agent

**Lindsay News**

**LINDSAY** — Mr. and Mrs. Cletus Rea of Bushland were recent visitors with the Frank Haverkamp Sr. The Herbert Schmidkofers entertained with a cookout at their home for the visitors and family members.

Mr. and Mrs. Gerald Stoffels were summer graduates at Stephen F. Austin College in Nacogdoches. Both received B. S. Degrees. His is in forestry and hers in education. Gerald is the son of Mr. and Mrs. Henry Stoffels and grandson of Mrs. Sophie Stoffels. Another daughter and granddaughter Mrs. James Sims (Linda Stoffels) received a BBA degree from the University of Houston graduating magna cum laude.

Lindsay Community 4-H Club has reorganized for a new year with a meeting in the Parish Hall. Marlea Thompson and Randy Jordan gave the program. Mrs. Thompson talked about food groups and

those interested applied. Mrs. Jordan explained about the County Fair exhibit, a new display in which 4-Hers may show their projects not included in other Fair exhibits. The two Assistant County Agents also showed a film explaining purpose and projects of 4-H. New members are Diane Hermes, Sharon and Kathy Neu, David and Kittie Klement and Adrian Hellinger. Mary Ann Voth called the roll. Judy Schmidkofer and Michelle Pelzel served refreshments.

Greenhand FFA members have elected officers. Karl Metzler is president; Pat Dieter, vice president; Leslie Sandmann, secretary; Guy Spencer, treasurer; Ronnie Sandmann, reporter; Greg Gossett, sentinel. This division of FFA is for freshmen.

Mr. and Mrs. Herbert Schmidkofer had Mr. and Mrs. John Klyne and children of Fort Smith, Ark., as recent weekend guests and entertained for them with a lake outing and barbecue cookout. Special guests were Father Bede Mitchel and the Victor Koelzer family of Muenster.

PHARMACY**  
PHONE 759-2833

The Billy Fuhrmanns and children and Mrs. Willie Fuhrmann, joined at Muenster by Willie Fuhrmann of Hillcrest Manor, were among relatives at a christening party in the home of Mr. and Mrs. A. J. Huchton in Muenster Sunday following the baptism of their infant son Rex Henry Huchton, grandson of the Willie Fuhrmanns.

Lindsay High's new vocational agriculture building is nearing completion with outside work finished. It consists of a large shop area on the south with classrooms, office, tool room and two restrooms on the north end. A stairway at the north leads to an upstairs storage room.

Twenty-five students have organized the Lindsay Youth Choir. Sister Benedict Zimmerer and Mrs. Clarence Zimmerer are directors with Father Bede Mitchel spiritual director, Mrs. Erwin Fuhrmann sponsor and Donna Haverkamp organist. Kenny Bezner will direct guitarists.

Mrs. Alfred Hess, Greg and Rhonda accompanied her mother Mrs. William Neu to Grapevine to spend a week with their sister and daughter Mrs. Tommy Zimmerer and

family. One day the women shopped in Fort Worth. Alfred Hess drove to Grapevine to bring them back home. On return Mrs. Neu was surprised with a birthday celebration at the Hess home. Other children present with their families were Messrs. and Mmes. Virgil and Leon Neu, Mmes. Freddie and Elroy Neu and Tommy Zimmerer. Also Mrs. Mat Neu, Mrs. Will Bierschenk of Valley View and Mr. and Mrs. John Neu. They brought covered dishes for dinner.

Father Damian Wewers has had a ten-day vacation in Arkansas where he visited his six brothers and other relatives he hadn't seen in many years and former parishioners in parishes he served.

About 100 friends and relatives attended a housewarming party in the new home of Mr. and Mrs. Leonard Bengfort. Their three oldest children, Mrs. Susan Cason, Lulu and Mike Bengfort were hosts. Those attending saw the new place, had refreshments and visited.

**Bro. Michael Injured**  
Brother Michael Fuhrmann has been injured in a tractor accident at the Benedictine Santa Familia Mission in British Honduras. He was taken by canoe across the river to a hospital in Belize. Word of the mishap reached his mother Mrs. Joe (Mary) Fuhrmann last Thursday. Further information came Friday revealing he had undergone surgery for internal injuries and was reported doing well.

**Lindsay CYO Has  
Officer Election**

Lindsay Catholic Youth Club elected officers at its September meeting and in other business made plans for the annual clothes drive for Catholic Charities in Fort Worth.

Officers are Dianne Fuhrmann, president; Judy Schmidkofer, vice president; David Nortman, secretary; Ronnie Hermes, treasurer; Randie Hermes, reporter.

In other business a membership drive was discussed and will be held before the next meeting.

Father Bede Mitchel attended the meeting along with 13 members and two adult sponsors.

There isn't as much harm in things going in one ear and coming out the other as there is in things going in one ear, getting all mixed up and coming out one's mouth.

*Live Lively...*

*Live* **Total Electric**

The Stan Reed family of Callisburg Community moved into their total electric home and they're convinced that total electric serves them best.

"Besides being quiet and efficient, total electric pays off in comfort," says Mr. Reed.

"I've never been happier," says Mrs. Reed. "My housework and meal preparation are both easier with total electric."

Whether you're planning a new home or remodeling, ask our representative about total electric living. It's dependable, clean, safe and economical. Makes sense. Save cents, too!

It pays to advertise with the Muenster Enterprise

SACRED HEART HIGH CHEER LEADERS were among some 120 girls at a five-day cheerleaders camp in Commerce at East Texas State University. For their ability in performance they won three blue and two red ribbons. And they captured the coveted Spirit Stick. At top:

Barbie Hess and Lanie Yosten head cheer leader. Center row: Donna Knabe, Cindy Bartush and Laura Kralicke. In front: Sally Endres. The picture was taken at ETSU. Not pictured is Amber Grewing, mascot for the SHH Tiger squad.

Paint only in well-ventilated rooms.

Teacher: "What are the leaders of Indian tribes called?"

Student: "Chiefs."

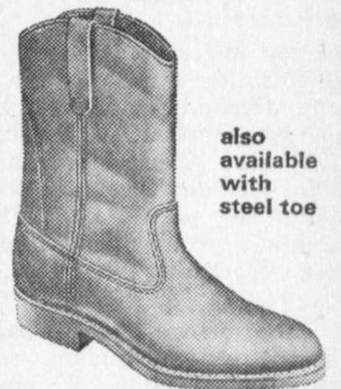

Teacher: "Right, and what are their women called?"

Student after much thought: "Mischiefs."

### Citizenship Day Observed at SHH

Senior Civics students of Sacred Heart High celebrated Citizenship Day Monday with a special liturgy in church and a refreshment period afterward in school.

Father Stephen Eckart, government instructor, planned a special Eucharistic observance and celebrated Mass with the American Flag and Papal Flag flanking the altar.

In front of the altar a poster proclaimed "We achieve according to what we believe." Above it red, white and blue candles lined the altar.

John Bartush read the Epistle. Lanie Yosten led the Psalm and Response "For Peace and Justice." A patriotic meditation selection was read at Gos-

pel time by Beverly Walterscheid. And Karla Yosten gave the Prayers of the Faithful.

Following the recessional hymn, "Battle Hymn of the Republic," students returned to school where they had Cokes and doughnuts during a Civics class break to mark the national day honoring American citizenship.

### 17 Local Scouts Helped at Opening of D-FW Airport

Seventeen of Muenster's Boy Scouts were at the Dallas-Fort Worth Regional Airport Sunday participating in its grand opening. Their job was to assist police in directing traffic on streets and parking lots.

That lasted until noon, and in the afternoon they were free to see the sights. They saw the exhibit of planes, had a guided tour through a 747 transport and also saw the air show. The big feature there was a vertical take-off plane which hovered over one spot and even flew backward as well as simply lifting itself upward. Take-off and a couple of passes over the airport by the British-French SST Concorde was another sight to remember.

Adults with the boys were David Bright, Henry Weinzapfel and Wilfred Reiter.

Dr. Paarlberg, a government economist, states that Americans have a love-hate relationship with inflation. Most people hate inflation as a thing that increases prices, but what they do and say indicates they really love it.

The laboring man hates inflation but he persuades his congressman to vote for a higher minimum wage. The manufacturer hates inflation but he loves the quotas that keep out low-priced foreign goods. Farmers hate inflation but love the increased value of the products they sell. The land and home owner hates inflation but he loves to see his property leap in value, and loves to pay on his mortgage that has a low interest rate. The housewife hates inflation but loves to see her husband's salary increase.

Money institutions say they hate inflation but it means a strong demand for money on which they collect higher interest rates. There are some people who don't gain during inflation — people on fixed retirement incomes and people whose wages don't increase.

Dr. Paarlberg also said to stop inflation we have to balance the federal budget, restrain the creation of new money, and stabilize wages. Are we willing to do that?

calendar of events and local weather dials 24 hours a day

fornia, Gainesville, is now open and features 32 flavors of Ashburn's Ice Cream. Becky and Putt Pate manage it. She is the daughter of Mr. and Mrs. Rafe I. Piper.

Joe Fisher is in the hospital suffering from a shattered elbow and broken heel. The pain in his foot gets his mind off the hurt in his elbow and vice-versa. Joe should know that a man over 65 should climb a ladder as high as necessary as long as one foot stays on the ground.

One of our football teams won 72-0 last week. That's getting them down and rubbing their noses in it. We would have preferred a score of like 50-12 even if the cheer leaders would have had to substitute.

Things we'd like to see: Urban Endres drinking a Coors, John David Meurer wearing a toupee, Police Chief McDonald 100 lbs. heavier, John Fisher working in his yard, Marty Klement driving a Chevrolet, Cattle selling for 50c steaks for \$1.00, The Postmaster being complimented for good mail service and Sparky Sparkman lighting his cigar.

The V.F.W. flag service wishes to remind those who have their crutches and hospital equipment not in use to please return them. Others are in need of this equipment.

**Hornets - - -**

in the second half. One starting on the 30 ended with a missed field goal. Another started on Muenster's 19 and ended on the 10. Still another started on the 30 and was thrown back to the 38.

If any factor favored the Hornets it had to be the kicking of Randy Wolf. Two of his punts behind the line set Whitesboro back past mid-field.

| Statistics       | M    | W    |

Five Muenster couples took a short vacation together, flew to Nevada for a Las Vegas holiday. Leaving Monday and returning Thursday were Messrs. and Mmes. Earle Otto, John Wieler, Bruno Fleitman, Arthur Felderhoff and Wilfred Walterscheid.

**Tigers - - -**

like a track meet than football as Sacred Heart added five quick touchdowns.

After kickoff a pass, Endres to Krahl, went 60 yards to the 11. Then Krahl banged at the line twice, the score going for 4 yards. Mark Hess added the extra points.

Aubrey, still trying, made a first down and fell short on its second series and Sacred Heart had another chance. One play was enough. Krahl broke through and scooted 38 yards to pay dirt and Pels made the bonus points.

An intercepted pass got the next drive on the way. It started on the 23, used four plays and Krahl's scoring plunge went for 12 yards. Endres passed to Kenny Hess for two more points.

Following that score the kickoff was fumbled and John Bartush recovered for Sacred Heart. That was 17 yards away. Mark Hess gained 7, Moster gained 8 and Endres went over on a quarterback sneak. For the first time of the game the Tigers missed their bonus points. Also there were three more TDs not followed by extra points.

The Chaps then made a first down and booted on the second series. Moster received, got several good blocks, and streaked down the right sideline for a TD.

When Aubrey's fourth down gamble failed Sacred Heart was back in business on the 34. Three runs reached the 22 and a pass to Bartush added 6 points.

Facing the Tiger youngsters Aubrey then made its best drive of the evening. Nine plays plus a major penalty advanced 59 yards to the 11 but the next four tries made only 4.

And finally a pass interception by Roger Endres put the Tigers in charge on the 18. Three plays later Endres passed to Bruce Fuhrmann for a TD.

**Installation of Officers Features NCCW Meeting**

Formal installation of new officers was held at the quarterly meeting of the Fort Worth Deanery NCCW Thursday, Sept. 20, when Lindsay was the host parish in the KC Hall at Gainesville.

Father Bede Mitchel of Lindsay conducted the installation of Mrs. Lee Miller of Denton as president, Mrs. Melvin Schumacher of Gainesville as vice president, Mrs. John J. Kubicek of Valley View as treasurer, Mrs. Albert Duesman of Pilot Point as secretary, and Mrs. Paul Fisher of Muenster as delegate at large. Mrs. Fisher, retiring president, conducted the meeting and Mrs. Herbert Schmidtkofer of the host parish gave the welcome. Father Bede introduced visiting clergy: Fathers Gillespie of Gainesville, Blank of Pilot Point and Gajda of Valley View.

Attorney A. V. Grant of Muenster was program speaker discussing laws and how they pertain to women. A question and answer session followed.

Father Bede concluded the morning meeting with a short timely address and Lindsay women served a noon luncheon to some 70 in attendance.

Nick Endres and a classmate Mike Spangler, both from OU at Norman, Okla., were here Saturday dove hunting and visiting Nick's parents, Mr. and Mrs. Leonard Endres.

**YHDC Group Gets New Yearbooks Plans Programs**

Members of Muenster's Young Home Demonstration Club "talked about everything" from planning this year's work to a Christmas party when they held their September meeting in the home of Mrs. Roy Hartman, president.

The nine members present filled in their new yearbooks and discussed having a Christmas party for residents of Hillcrest Manor. In an effort to raise money for the club treasury they will be selling Christmas candles.

After business, Mrs. Hartman demonstrated making Italian spaghetti sauce, lasagne, and stuffed artichokes which were served to members.

October meeting will be held in the home of Mrs. Dale Klement with Mrs. Bernice Thurman presenting the program entitled "Happy House."

Anyone interested in joining the YHDC is invited to contact Mrs. Roy Hartman at 759-2585 for information.

**Confetti - - -**

the country's need for oil. Food exports become more important as our need for oil imports becomes more urgent. Farm production is this country's most plentiful export commodity, the item to be exchanged for imports that we want.

As a matter of appreciation to agriculture we might note that farmers not only provide our food but indirectly are also providing for a lot of the country's oil.

**Canadians Visit Mrs. Sicking and Family Weekend**

Mrs. Margaret Sicking, Tony and Theresa, Rt. 2, Gainesville, were pleasantly surprised Saturday when Mr. and Mrs. John DeVillers of St. Jerome, Canada, arrived for a two-day visit. The Canadians and the Sicking's became acquainted six years ago, in 1967, when Mrs. Sicking and Theresa were involved in an auto accident in Canada and the DeVillers invited them to stay at their home. Two years later Mrs. Sicking and daughter and Mrs. Lena Zimmerer visited the DeVillers in Canada.

While in the county the Canadians were shown the Sicking farm, the Gainesville area and Muenster and vicinity. It was a time for reunions, getting acquainted and picture taking.

The group was joined by Mrs. Zimmerer, Mr. and Mrs. Steve Moster, Frank and Chris Saturday night and again Sunday noon when Mrs. Sicking entertained in her home.

Sunday evening the group met at Mrs. Zimmerer's home in Lindsay for a fried chicken supper. Also there were Mr. and Mrs. Henry Popp and family.

Texas and Canada talk included airports. St. Jerome is about 30 miles from Montreal and a few miles from the new Montreal airport which will be bigger by 500 acres than the new Dallas-Fort Worth airport.

The DeVillers are on a three-week vacation and left Gainesville Monday morning for Florida.

**Hospital Notes**

The following patients were dismissed during the past week at Muenster Memorial Hospital.

Tuesday, Sept. 18: Mary Rohmer, Muenster; Mrs. Bobby Clark, Gainesville.

Wednesday, Sept. 19: Mrs. Virgil Henscheid, Ben Luke and Mrs. Rube Griggs, Muenster; Aloys Voth, Lindsay; H. Lee Martin, Nocona.

Thursday, Sept. 20: Mrs. Dennis Hess and baby girl, Muenster; Ralph Rubrecht, Gainesville; Mrs. Evelina Aytes, Myra.

Friday, Sept. 21: Michael Lewis, Muenster; Mrs. Tom Landry, Dallas; Mrs. Billy Joe Crisp, Gainesville.

Saturday, Sept. 22: Mrs. Mark Hellman and baby boy, Mrs. Henry Huchton, Thomas Griffin and Henry N. Fuhrmann, Muenster; Mrs. T. B. Harris, Odesha; Billie Faye Miller, Nocona; Mrs. Robert Reed, Arlington.

Monday, Sept. 24: Ed Endres, Muenster; Henry Voth, Gainesville.

Tuesday, Sept. 25: Gary Truitt and Edward Gardner, Gainesville; E. L. Craft, Thackerville, Okla.
