MUENSTER, COOKE COUNTY, TEXAS 76252 OCTOBER 6, 1972

NUMBER 46

Last reminder, in case you have forgotten: registration deadline for the presidential election on November 7 is October 6, thirty days before the election. It means that folks who haven't registered have to hurry if they want to qualify for a vote. Place to register is the office of the county tax assessor-collector.

Almost any kind of claim or accusation can be made in a political campaign, and this seems to apply more so in one that is conducted by Senator McGovern. In attacking Nixon for his failure to end the war, McGovern seems to forget that it was escalated by his own party with himself as a supporter of the policy.

Now he finds fault for not bringing it to a full stop, in spite of the fact that over 90 per cent of our forces have been brought home. And he criticizes the strategic bombing when he knows that the enemy can bring that operation to a sudden stop by just calling off its invasion of the south.

Never before has our country been involved in a war that became so much of a mess. Never so many mis-statements or false conclusions. Some of our people claim we are the aggressor when the facts plainly show we came at the request of Saigon after it had been attacked by the North. Our attack on the North now is compared with Hitler's attack on Holland. The more valid comparison is our attack on Germany — the country which was waging the war.

The mention of Holland refers, of course, to the accusation that we are trying to destroy the dike system — one of the shabbiest propaganda promotions to come out of this war. The fact is that Hanoi has resorted to cowardly and contemptible tactics, like the old time villain who used a child or woman as a shield. Actually Hanoi located its gun batteries and supply dumps and other military targets on the dikes and then claimed we were attacking their flood control system, not their war potential. It seems to have worked, too. Late reports say that our bombers are instructed to avoid the dikes in spite of the legitimate targets on them.

Another claim is that Vietnamese don't care who wins the war. They just want to be left alone. Anyone who knows about the purges following communist victory knows better. South Vietnamese do care who wins and they know they will not be left alone if they lose. Massacres already car-

Fuhrmann Heads Community Drive For United Fund

This year's United Fund Drive in Muenster will be under way before the end of this week. That's the report Wednesday from Alvin Fuhrmann who had just accepted the job of community chairman.

He said the local committee, which includes Dan Luke, Steve Moster and Albert Lippe along with himself, has received campaign packets and expects to have all of them delivered to local business houses on or before Saturday.

They ask everyone to give the packets prompt attention and have them ready for a pickup on Monday the 16th.

As usual, the committee expects to make the big majority of its contacts through business houses. Each firm is to receive a packet, contact its employees, and include their donations with that of the business.

The local committee is working with Ernest Jaska, county division chairman, who heads the campaign for all of the county outside of Gainesville. He said that Muenster gave over \$1300 last year and the quota this year is set at \$1500.

Eleven agencies are participating in this year's United Fund. One of them is the Muenster Youth Council, which is due to receive \$555. In addition the community will share in funds allotted to the Red Cross and to the County 4-H and FFA.

Hornets Take 26-24 Victory at Northwest

The talented toe of big Jim Endres made the big difference Friday night as the Hornets squeezed out a very slim 26-24 win over the Class AA Texan of Northwest.

The game was as close as its score, Muenster leading in the first down count by 17-16 and also in the total yardage count by 345-343. However in turnovers Muenster was clearly ahead losing possession once on a fumble. Northwest lost twice on interceptions and twice on fumbles.

Starting the game neither team was able to move. Muenster lost twice on fourth down games. Northwest kicked once and lost on an interception.

Then the home team suddenly caught fire and tore through the Muenster line for successive nice gains. Nine plays made 76 yards and the important one was a scoot around left end by Quarterback Green for 10. That was followed by the first of four misses for points after touchdown, which became the deciding factor. Muenster added points after two of its four TDs.

That score seemed to jar the Hornets into reality. After Hank Trachta returned a short kick to the Texan 48 the Hornets made the distance in nine plays. Tom Hennigan's 19 yard scamper was the best gain and a fourth down pass from Endres to Alan Miller was the pay-off. The kick for PAT went wide.

After holding Northwest on its first series the Hornets moved again. A long pass to Miller gained 37 to the 4 and Tom Bright, a newly discovered bright spot in the Hornet backfield, darted over from the 2. Endres' kick added a point after that one.

Touchdown number three for the Hornets came late in the second quarter following Muenster's recovery of a fumble on the 16. A keeper play by Endres and an offside penalty gave the Hornets a first down on the 5. Hank Trachta lunged at the line for 2 and another time for the remaining 3 and Muenster led 19-6.

With two and a half minutes to go it seemed that MHS might add another. Following a kick on Northwest's first series, they started from their 44 and advanced two first downs to the Texan 36 as time ran out.

After intermission Northwest started with a 17 yard gain by Green but lost possession by a fumble on the next play. Muenster made a first down and kicked on the next series and Northwest was 73 yards away. That's

Falcons Expected To Be Tough for Game Here Friday

On paper the indication is that Friday night's game before the MHS homecoming crowd will be all uphill for the Hornets. The Lake Dallas Falcons, arch rivals of the Hornets, have been tough for years and they are more so this time.

They have the advantage in weight and they also have a hot shot passer plus a pair of good running backs. It's an offense that looms as a big challenge to the Hornets defense, which has had troubles with the last two foes.

Regarding his own offense, Coach Richardson will rely heavily on the strong passing arm of big Jim Endres and the receiving of Alan Miller, Randy Wolf, Curtis Klement and Danny Sicking. And he expects Tom Hennigan and Tom Bright to strengthen the running attack. Hennigan has been on limited duty. Bright did fine in his rookie effort last week at Northwest.

Comparative scores lean strongly in favor of the Falcons. They have a 12-0 win over Whitesboro, which dumped the Hornets 21-0. In other games Lake Dallas lost 37-12 to Forney, a AA powerhouse, and also beat Keller and Pilot Point. Muenster lost to Whitesboro, romped over Boyd 44-0 and edged Northwest 26-24.

Fourteen members representing the four garden clubs of Gainesville and the local club attended and heard reports of work and past activities.

The chairman of the "Frontier Manor Project" told that it now has been completed and another chairman reported on a visit to the State Highway Department open house. Announcement was made of three flower shows in the near future — October 28, the Garden Study Club Flower Show at Lake Kiowa; November 3, the Town and Country Flower Show at the Gainesville Chamber of Commerce Building; and November 4 the Muenster Garden Club Flower Show here at the K. C. Hall. Members voted an appreciation gift to Mrs. Eula West upon her retirement as women's editor of the Gainesville Daily Register.

Council Wonders What's Coming in Revenue Sharing

Muenster will be included when the revenue sharing funds are passed out by the federal government, but the amount to be received was not clear in a recent report to the city by the Texas Municipal League.

The city council in its regular meeting took notice on a report for all of Cooke County, which said that the county government will get \$192,884, the city of Gainesville will get \$118,517 and other cities of the county will get \$15,819.

There was a question as to what the item means. Does it include only the incorporated towns, which are Muenster and Lindsay, or all towns of the county. And, regardless of how many towns, what will be the basis of dividing the give away? The council expects to get those answers when it gets the check.

In other business the council gave its usual semi annual approval of a \$1000 contribution to Muenster Library. Also it okayed construction of about 1100 feet of extension to the sewer line to serve the area west of the lake.

The men discussed an extension of the water main which is due to begin soon. It will be an 8 inch line from the highway just east of the city limit and will complete a loop at Second and Sycamore. When finished it will provide a more adequate supply of water and will also allow the flow of water from either direction. In case of line trouble service need not be stopped for a repair job.

Tigers Will Meet Trinity Christian For Homecoming

Sacred Heart's high flying Tigers, with two wins and a sort of moral victory, will be the favorites Saturday night when they host Trinity Christian in the Sacred Heart homecoming game. Kickoff time will be 8 o'clock on the Tiger field.

Coach Bob Steele and his boys are figuring last week's loss to the Wilson, Okla., Eagles as an asset on their record, equivalent to their wins over S&S and Gunter. Considering the 26-14 score and Wilson's AA rating, compared with Sacred Heart's B, and the Tigers' sharp performance, Steele said this was as good as winning in their own class.

Trinity Christian, likewise has faced some strong competition but their outcomes have been less pleasing. They went down by one sided scores to four of last year's Tiger foes in the TISC, losing 55-0 to Fort Worth Day School, 44-0 to Greenhill, 62-24 to Dallas Christian and 64-6 to Trinity Valley. Those teams too have A or AA strength but Trinity Christian's showing against them was dismal.

Besides playing a fine game Friday the Tigers came through in fine condition. There were no injuries. Everybody is well and ready for the visitors.

Tiger Cubs Face Toughest to Date Saturday Night

Sacred Heart's Cubs apparently are headed for their toughest game to date when they take on the juniors of Trinity Christian here Saturday night as a preliminary to the Tigers' game with the school's varsity. Kickoff time for the event will be 6 o'clock.

The visiting kids have been going strong in their four games to date. They lost a close one to Fort Worth Country Day School and won over Greenhill, Dallas Christian and Trinity Valley.

Meanwhile the Cubs have compiled a 2-0-1 record, tying with Valley View and shutting out Saint Jo 18-0 and Gunter 26-0. However, the teams have not had a common opponent, so there is no actual basis of comparison. Coach Bob Steele is convinced of one thing only — his boys will have lots of competition.

The physical report on the Cubs fortunately remains good. They still have none out with injuries.

Tigers Bow 26-14 to Wilson

Though on the losing end by a score of 26-14 the Sacred Heart Tigers and Coach Bob Steele were pleased and proud Friday night. Their loss by only two touchdowns was a satisfying achievement considering the difference in team classifications. It was a sort of David and Goliath affair, Sacred Heart being Class B and the visitors AA.

And the game was even closer than the score. The Eagles led by 16-13 in first downs and 333 to 224 in total yardage. And they were even in turnovers. The Eagles lost twice by fumbles and twice by interceptions. Tigers lost possession on three interceptions and one fumble.

The game started as a real treat for the local fans as the Tigers moved the ball with authority for 70 big yards and the first touchdown. It started with a jump pass from Gary Endres to Melvin Luke for 17 yards. The whole drive used 12 plays and the pay off was a crash by Kevin Pels over right guard for 2 yards. On the play before Pels had gone 20 yards to the 2 on an option play. A pass from Endres to Luke made the count 8-0 less than half way in the first quarter.

Wilson countered with a good drive of its own. It made 47 yards in ten plays before fumbling on the Tiger 12. A third down kick from there set the Eagles back to their 29 from where they put on a push that went the distance. Ten plays were enough and the big ones were passes for 18 and 35 yards. The scoring play went through the line for two yards and a similar play produced bonus points. The score was tied with only a minute gone in the second

quarter.
Again the Tigers moved well. Six plays went 27 yards to midfield, and another first down came free on a roughing-the-kicker penalty. However they came to a sudden stop two plays later on an interception.

Then the Eagles went the other way, for a total of 73 yards. Four tries gained 29 to the Tiger 44 where the quarterback got around right end and went all the way. The try for points failed. The Eagles led 14-8.

The remaining six minutes of the half were full of action. Sacred Heart had to kick ending its first series but an interception by Pels on the next play got them back in business. Six tries gained for two first downs but then the drive stalled and the Tigers kicked again.

A beautiful return of that kick went some 70 yards to the goal, but an over-eager Eagle had clipped and the ball was moved back 69 yards. After a gain of 8 yards the

Garden Club Will Meet Next Monday
Mrs. Pat Stelzer has announced that the October meeting of the Muenster Garden Club will be held in the auditorium of the Cooke County Co-op Building on Monday October 9 at 7:30 p.m. Her co-hostess will be Mrs. Albert Stoffels. The program will feature a flower show work shop and a flower arrangement or materials to construct one should be brought to use during the meeting. Members are reminded that the mechanics or materials used in flower arranging are available locally.

half ended.
As if to prove a point the Eagles, on the second half kickoff, went all the way again. This time it was an 80 yard return and there was no penalty to spoil it. The Tigers, coming out with strong hopes for an upset, saw their prospects take a nose dive in just a few seconds.

Nor did the situation improve in the following few minutes. The Tigers had to kick ending their first series after which Wilson went 80 yards in five plays for its fourth touchdown. Two big plays did it. A keeper play gained 44 and a pass went the rest of the way. Again the try for bonus points failed and the score was 26-8.

Still battling with determination, the Tigers went 40 yards before their drive fizzled on the 19. Big gainers in the effort were passes to Luke, John Bartush and Myron Hess. Then came a stalemate that lasted deep into the fourth quarter. There were four scattered first down, two by each team and five turnovers. Wilson intercepted once and recovered one fumble. Jeff Fette and Ricky Walterscheid recovered fumbles for Sacred Heart and Gary Endres intercepted.

That steal, followed by a nice run back, put the Tigers in good field position on the 20. Three plays later a pass to John Bartush for 12 reached the 7, and another three later Endres went over from the 1.

Muenster Set for Two Homecomings

Sacred Heart

All is ready at Sacred Heart School for a grand celebration at the annual homecoming Saturday night.

The program planned by the alumni association will include a junior and senior football game, a parade, queen crowning a social get together and a dance.

It begins at 6 p.m. when the Sacred Heart Cubs take on the junior team of Trinity Christian. At 6:45 a parade will form at Main and First and move to Tiger Stadium where coronation personnel will be presented to the public. Queen candidates and princesses will be escorted by their fathers.

The main event is the Tiger football game with Trinity Christian, starting at 8 o'clock. At half time the homecoming queen will be crowned. Candidates for the queen are four seniors: Christi Koessler, Nanci Fuhrmann, Susan Endres and Debbie Walterscheid.

One of them will have been elected for the honor by the Tiger team and she will not be identified until the ceremony. The other three will be princesses along with representatives of the three lower classes: Beverly Walterscheid, junior, Laura Kralicke, sophomore and Dianne Kralicke, freshman.

Members of the royal party will be escorted by football boys for the coronation and Mrs. Norbert Walterscheid will be master of ceremonies.

After the game the alumni will have a social hour and program in the parish hall with special recognition to the grads of 1942, 1952 and 1962. Exes are reminded that this will be their best opportunity to visit with their teachers.

After that they'll be welcome at the homecoming dance, which also begins promptly after the game. It will be in Sacred Heart gym, with music by Cherry Rhone.

Frank Bayer was dismissed from Muenster Hospital Monday to continue recuperating at his home where he is up and around, regaining his strength after major surgery.

Mrs. Ruth Needham is the new employee at the Garden Center, on duty five days a week, 9:00-5:00.

Final preparations are under way this week for a glorious homecoming Friday night for former students of Muenster Public School and any others who would like to come.

The program is headed by three big events: a social hour a football game and a dance. The social hour in the school lunch room, beginning at 7 o'clock, is intended especially as a convenience for the exes to get together. Grads of 1952 and 1962 will be honored and they'll also be guests at the dance after the game.

While that party is in progress students, band, pep squad and queen coronation personnel will gather downtown for a parade to the football field. The parade is timed to arrive at the field about 7:45 and the game will start at 8.

Crowning of the homecoming queen will be at half time. She will be one of four candidates from the senior class elected by the football team and her identity will not be revealed until the ceremony. She will be crowned by Pam Walterscheid, last year's queen, and will receive a bouquet of flowers. Other candidates and the princesses will receive corsages.

A special added touch for the ceremony is recognition of the queens 10 and 20 years ago. Mrs. Harry Scoggins and Mrs. Choice Stevens They will be escorted by classmates and will receive corsages.

Candidates for queen are Marlene Herr, Dianne Serna, Darlene Wolf and Janet Swirczynski. The princesses are Shirley Swirczynski, Dianne Yosten and Margie Wolf. Escorts for the royal party are last year's graduates: Carl Bayer, Gerry Eckart, Roger Harrison, Carl Klement, Claude Klement, Kenny Rohmer and Ricky Swirczynski.

After the game the exes will gather in the KC hall for a dance with music by the Back Roads Band. Though intended specially for the MHS exes, the dance is not exclusively for them. Everybody will be welcome.

A preliminary to the homecoming celebration was a bonfire and pep rally by students Wednesday.

Look Closely At Jane

by Dr. George S. Benson
 A big crowd of students and faculty members of Michigan State University gathered on the East Lansing campus two years ago to hear a woman in her 30's condemn her country. Actress Jane Fonda was the woman. At East Lansing, she called herself "a revolutionary." The king of revolutionary seemed clear when she told her glamour-smitten audience: "I would think that if you understood what Communism was, you would pray on your knees that

we would someday become Communists."

Jane Fonda last month returned from a visit with Communist leaders in Hanoi, North Vietnam, and immediately announced she would leave her acting career (which had made her wealthy) and devote her entire time to her revolutionary activities within America. In North Vietnam she had given much aid and comfort to the Communist enemy of her country. She had broadcast to U.S. Air Force men (using Communist facilities) a message helpful to the enemy of her country. And she brought back for the TV Networks out to meet her in New York, a cruel accusation and a propaganda film against the United States. She repeated the most cruel and patently false propaganda the North Vietnamese are now effectively using to create antagonism against the American government and the American armed forces.

Red's Asset

Jane Fonda has become one of World Communism's greatest assets in America. The Communist Daily World, official newspaper of the Moscow-controlled Communist Party USA, has found her to be a more priceless asset even than Angela Davis. The Red newspaper splashed her photograph and accusations on its Page 1 on July 29 and since then has given all her activities feature treatment.

The Communist propaganda film in which she is featured shows damage to dikes (which is acknowledged by Pentagon sources who say the strikes were aimed at military installations in proximity to some minor dikes). A recurring "line" in the statements by Miss Fonda is that the election of Senator George McGovern to the Presidency would be good for Communist Vietnam as well as for the anti-war forces in America.

Once "Miss Recruiter"
 Ten years ago, Jane Fonda appeared to be a patriotic American. She was selected as the U. S. Army's "Miss Recruiter." Her third marriage was to a Frenchman whom she subsequently left and who has said: "Jane wants to be Joan of Arc" to the American leftwing. She became a "sex symbol" in a number of Grade "B" films. In the mid-1960's she emerged as a flaming revolutionary, leading "protest" demonstrations, agitating American soldiers to revolt against the officer corps, and lending her presence to Communist-organized and directed anti-war activities.

For a while she was under the wing of Mark Lane, the New York lawyer-author who proclaimed the innocence of Lee Harvey Oswald, President Kennedy's assassin. Much of her time was spent in activities supporting the Black Panther Party when its leaders said it was a part of the Marxist-Leninist world revolution. Her militancy around U.S. Army installations got her in trouble a number of times, and she was arrested in Cleveland on a drug charge which later was dismissed. Concerning the Black Panther aims, she said: "Any black militant who isn't armed is a fool."

Condemning America
 We covered the Communist-organized vulgar "confrontation" with President Nixon in Washington on May 9, 1970, and made documentary film of Miss Fonda haranguing 100,000 "peaceniks" gathered on the Ellipse a stone's throw from the White House. She ended her condemnation of President Nixon, the U.S. Military and the American system with the clenched-fist salute originated by Lenin. On the platform with her were comrades Jerry Rubin, Abbie Hoffman, Dave Dellinger (convicted of fomenting riots at the Democratic Convention in Chicago), Black Panthers, SDS firebrands and others.

Why can this woman who has dedicated herself to projects aiding our Communist enemy escape the penalty of law? Some Congressmen have directed this question to the Department of Justice. I can answer it. She can ignore the law on treason because the Warren Supreme Court destroyed the effectiveness of the law. Senator Eastland and others have tried to restore the law to effectiveness, but their proposed measures have never got out of the Senate Judiciary Committee. Isn't this just another evidence of how far we are going in digging a grave for our nation?

1972 Newspaper Week

National Newspaper Week has been observed for many years. This year more emphasis is to be placed on the importance of the local newspaper. The event this year is simply designated Newspaper Week '72 and is to be observed from October 8-14.

In announcing the Week, the chairman of Newspaper Week '72 helped to boost the ego of the editor a trifle when he said: "You help fill a lot of scrapbooks with items about varied events and organizations. You help fill a lot of churches, meeting places, and auditoriums. . . . You give columns of space each week to promotion of clubs, sports, fund drives. . . . But when it comes to talking about yourself and your product, you are shy, retiring, reluctant, usually silent. Take this opportunity to talk about yourself, what you do for the community, how and why! It's not a matter of bragging — but rather of informing and explaining so readers . . . will know more about newspapers and a free press."

Perhaps he has something there. How many of us really understand the significance of the thousands of local newspapers and the part they play in sustaining our way of life? There is really only one distinction between 'our way of life' and that of oppression-ridden countries — independence of expression. Local newspapers stand as physical proof that independence of expression is a living fact in the United States. It will continue to be so as long as the local newspaper remains an unrestricted medium of opinion and comment.

"Our country's huge trade deficit of 1971 (the first since 1838) can be laid strictly at the doorsteps of American labor unions who for years have been demanding more and more of everything — except productiveness. Our goods are now priced out of the world markets, and whether we like to admit it or not, other countries have just as much know-how as we have in producing products — and cheaper, too. Let's hope that sometime soon our Labor bosses will wake up and see what they're doing to America."

— Pond Creek, Okla., Herald

"I'm very sorry," said the personnel manager, "but if I let you take two hours off for lunch today, I'd have to do the same thing for every employee whose wife gave birth to quadruplets."

Award Presented To Omar Burleson

The National Associated Businessmen, Inc. today presented Congressman Omar Burleson with the "Watchdog of the Treasury" Award for his 90.9 percent economy voting record for the 92nd Congress, 1971-72. The Award was presented to Burleson annually since the organization began its recognition of Members of Congress whose actions and votes were found to be for fiscal responsibility in Government.

The National Associated Businessmen, Inc., represented by its President, H. Vernon Scott, in congratulating Congressman Burleson, said, "Your outstanding economy voting record indicates to your constituents and to our membership that you have a keen awareness of the need for fiscal responsibility. I know it takes much courage to resist the pressures for unnecessary Federal spending.

"As you know so well, inflation contributes to a higher cost of living which touches all of us," he continues. "Your votes for economy in government merit the appreciation of each of your constituents."

NOTES FROM THE LIBRARY

By Bettie Luke

Among the good books on loan from Texas State Library is "Synanon," which is about a highly controversial organization dedicated to curing drug addiction and explains its un-orthodox methods of handling addicts, its outspoken attitudes toward traditional treatments. But "Synanon" is in the business of human survival and grew from a handful of desperate people to an organization of over 900 members with facilities in New York, Detroit, San Diego, Los Angeles and San Francisco. And in final analysis the pros and cons of Synanon's unorthodox methods, the questions of why and how it works become relatively unimportant — it does work.

Debbie Felderhoff And David Fisher Set Wedding Date

Mr. and Mrs. Vincent Felderhoff announce the engagement and approaching marriage of their daughter Debbie and David Fisher, son of Mr. and Mrs. Paul Fisher.

The wedding is planned for 5 p.m. on November 11 in Sacred Heart Church.

Righting Wrong Numbers

Answering one's telephone only to find that someone has dialed the wrong number is an irritation almost everyone has experienced.

You rush to the telephone, say hello, then hear nothing but a click as the caller hangs up.

Exasperating, right? But remember, you may sometimes dial incorrectly yourself. When that happens, we hope you will be considerate. Instead of quickly hanging up when you realize you have reached the wrong party. You may wish to acknowledge your mistake. Apologize.

And if you are not certain you got a wrong number, give the person who answers the number you were dialing.

Above all, be courteous. Wrong numbers do not have to be rude calls.

Vows Exchanged By Marla Grewing And Steve Fette

In rites solemnized in Sacred Heart Church, Saturday, September 30 at 5:00 p.m., Miss Marla Grewing and Steve Fette were married in a double ring ceremony. Father Leonard Wangler officiated at the Nuptial Mass and heard the couple pledge their wedding vows.

The bride is a daughter of Mr. and Mrs. Steve Grewing. The groom is the son of the late Mr. and Mrs. Steve Fette.

Presented at the altar by her father, the bride wore a formal gown of white Dulcette satin and Peau d' Ange lace. The bodice of lace enhanced the empire waistline of the gown which featured a Victorian neckline and Juliet sleeves. Appliques of lace defined the A line skirt which swept back to an attached chapel length train. Her veil was fashioned of silk English illusion and fell in tiers to elbow-length

from a calotte of pearls. She carried a cascade of stephanotis, miniature carnations, centered with a white orchid and tied with lovers-knots of white satin ribbon. She also carried crystal rosary beads, a gift from the groom's grandmother Mrs. Joe Swingler.

Wedding Attendants

Miss Sheila Grewing, sister of the bride was maid of honor, wearing a formal gown of chiffon in tones of pastel and deeper pink designed with a scooped neckline, fitted bodice of shirred pastel with lantern sleeves and a soft deep pink gathered skirt. She wore a matching organdy petal headpiece and carried a nosegay of sweetheart roses and tiny pink satin hearts and orchid asters.

Bridesmaids were Mrs. Gene Riggs of Dallas and Mrs. Clinton Endres, both sisters of the groom and Mrs. Mike Frost, cousin of the bride. They were gowned in chiffon dresses of light orchid and purple designed similarly to the maid of honor. They wore match-

ing headpieces and carried nosegays of sweetheart roses, pink satin hearts and pink asters.

Elaine Grewing, sister of the bride was flower girl. Dressed similarly to the maid of honor in pastel and deeper pink, she carried a smaller version of the bridesmaid's flowers.

Billy Grewing cousin of the bride was ring bearer. The best man was Doyle Hess, a close friend of the groom and groomsmen were Gene Riggs, Clinton Endres and Mike Frost.

Ushers were Dale Walterscheid, brother of the groom and Glenn Grewing and Jimmy Grewing, both brothers of the bride. Two arrangements of purple gladioli decorated the altar. To complete floral decor jade foliage was used in the sanctuary.

Wedding music was provided by organist Mrs. David Bayer, bride's cousin who played the wedding marches and by Misses Debbie Yosten, Cheryl Otto and Laurie Wimmer who sang to guitar accompaniment. The bride chose three selections for her wedding — before the ceremony "Let It Be Me", at the Offertory "Hear, O Lord" and at Communion "The First Time Ever". After Mass the bride offered a floral tribute at the Blessed Virgin's shrine. As the flower girl handed her two pink and orchid asters tied with satin ribbons, the vocal group sang: "Hail, Blessed Mother." The lovely melody for this selection is an original composed by Misses Yosten and Wimmer.

Wedding Reception

Following the ceremony the bride's parents were hosts for a reception and dinner in the Parish Hall for 275 guests. The bride's table was covered with a white lace table cloth, wedding bells and the wed-

ding cake. The bridal attendants placed their bouquets on the table as the centerpiece.

The cake was baked and cut by Mrs. Charles Bayer and served by Mildred Grewing, Barbie Grewing bride's cousins and Diane Yosten. The latter three also served at the bride's table. Donna Grewing, bride's sister, Marilyn Stoffels and Carol Klein, bride's cousins were at the bride's book.

Mrs. Steve Grewing attended her daughter's wedding in a brown and white ensemble with brown accessories. She wore a lavender cattleya orchid. Grandmothers Mrs. Joe Swingler, Mrs. John Grewing, Mrs. Joe Fuhrmann and the groom's foster mother Mrs. Hank Walterscheid all had cymbidium orchids.

For traveling on their wedding trip to Colorado the new Mrs. Fette wore a brown and beige pant suit with beige accessories. When they return they will be at home in Muenster. Both the bride and groom attended Sacred Heart School and are graduates of Muenster High. She is an employee of Jr. Elite and he is an auto mechanic employed by Hoedebeck GMC.

Out of town guests, in addition to the many from the Cooke County area were Mrs. Paul Klein and children Carol, Eileen and Johnny of Topeka, Kansas, Mr. and Mrs. Ed Vietenheimer and daughter Vicky of Windthorst.

The rehearsal party was held Thursday evening, September 28, hosted by Mr. and Mrs. Clinton Endres in their home for the wedding party and members of both families.

Education is really a wonderful thing. After all, if you couldn't sign your name, you'd have to pay cash.

Diner: "Never in my life have I seen anything as tough as this steak. Call the manager!"

Waiter: "When you see him you'll think it was tender."

Confetti

ried out and captured documents show that Hanoi has a blood bath planned for them.

The greatest tragedy of all in this country is the division it has caused among our people. In the two great wars preceding this one the folks at home pulled together, all helping to win the fight. No one condemned our president for being involved. No one preached treason or waved the enemy's flag or burned our flag and draft cards. The average American crowd probably would have lynched a person for that. If not, at least the law would have dealt sternly with the offenses.

Now we have to be ashamed when confirmed enemies publicly preach their treason and when they flaunt their importance as enemies by receiving the release of our prisoners when officials of our government were not able to. Pinkos think that bringing the trio home was a humanitarian and generous act. On

the contrary, it was nothing of the kind. Hanoi only did for a few what it should have done long ago for the hund-

reds. And the characters who escorted them home had only one motive - to insult this country.
