JANUARY 11, 1980

NUMBER 8

Abundant circulation of opinion since President Carter's speech on sanctions to be applied against the Soviet Union because of its invasion of Afghanistan point up the fact that Americans agree on the urgent need to do something and generally approve the measures outlined by the president.

There's no doubt that such retaliation by us will be felt in the USSR but we still have to wonder what will be the eventual outcome of all this hassle. Will the Soviets be sufficiently impressed to call off this invasion, or will they proceed with the takeover of another country in their relentless conquest of the globe?

If history is an indicator we can assume that the Russians will come away from this confrontation as the winner. As a matter of fact the worst they can do is to maintain their status quo. They lose nothing whatever if they call off the military adventure, and we'd restore all the favors shut off by the embargo.

On the other hand they have not been operating that way. Their method is to bull their way through and consolidate some gains and then offer to settle down, retaining, of course the gains they have made. The extent of their intended gain on this adventure is anybody's guess. Is it Afghanistan only or does it include all of Southwest Asia including control of the Moslem countries' oil production?

As regards the measures proposed by President Carter, the nation's big question nowadays is "will they work?" Will they put on a sufficient pinch to stop the Reds, or will this turn out to be another step in the communist goal of world domination?

Another possibility which cannot be ruled out is a third world war. This situation along with that in Iran is explosive. If Russia should decide to retaliate for our sanctions, or if the Iranian mobs were to start killing hostages the present strain could easily escalate into a shooting war. That possibility becomes more probable if the Reds decide they have achieved the arms superiority they have been striving for.

At this point we're inclined toward a bit of wishful thinking, hoping that the reputed massive military power of Russia is offset to some extent by dissension in the huge empire. It has been said for years that several satellite countries are tired of their servitude and will try independence if Moscow gets into a big war. If the big Reds are aware of that situation they are probably more cautious about letting a big war get started.

Another encouraging sign is the apparent loss of support to the Soviets by third world nations of the U.N. There was a time when the emerging countries had high regard for U.S.S.R., but seem now to be waking from their delusions. Russia's roster of allies apparently ain't what it used to be.

As regards the President's proposed sanctions, it was gratifying to see the tremendous public approval. About the only objections were a minority of farmers who deplored anticipated losses by them as a result of the grain embargo. It is a frustrating situation to farmers to have their grain market wrecked just after they have had a prosperous year. Even so, the farmers generally are agreeable. They say the national interest comes first and they are willing to make a sacrifice.

Regarding the other sanctions, it's pleasing to see that they are so widely approved. Rather than criticize these measures, a loyal American is likely to wonder why they are not in effect as a matter of every day policy. Millions of people have wondered for a long time why we keep continued on page 12...

City Okays Gas Rate Hike Suspends Request by TP&L.

The increase of rate requested by Lone Star Gas Company was authorized by the Muenster City Council following a third and final reading at the city's regular meeting Monday night.

The raise averages 7.62 per cent, the figure approved by the Public Utilities Commission and a compromise of proposals made by the city and the company. Lone Star had asked for an average increase of 9.63 per cent and the council had offered 6.41 per cent. The increase became effective with the January billing.

Another request for a rate increase has been postponed until the council learns about the response from

other cities and the Public Utilities Commission.

Tom Parsons, manager of the Gainesville district of Texas Power and Light Company, appeared before the council asking for a rate increase of 15.34 per cent. Following first reading of the request, the council voted to suspend action for 120 days awaiting decisions from the utilities commission and other cities.

Germanfest Planning Starts

Plans for Germanfest 1980 started shaping up during the past weekend as General Chairman Dick Ferber and Chamber of Commerce directors met in an organizing session. Details of their plans were revealed at the Chamber of Commerce meeting Tuesday.

The roster of chairmen and their duties, now nearly complete, includes Monica Hess, publicity; Alvin Fuhr-

man, electrical installations;

David Fette, concessions; Bernice Sicking, secretary; John Pagel, treasurer; Mike Otts, PA system; Pat Fisher, maintenance; Edgar Dyer, cleanup; Mike Stoffels decorations; Dickie Pagel, tent; Jane Monday, beard contest; Dan Hamric and Rumpy Hess, German Fun Run; Dick Ferber, Monica Hess and Alvin Fuhrman, entertainment; Bertha

Hamric, envelope sales. Specifics on the meeting revealed that planning is under way on a number of festival activities also that changes and new ideas are on the program. For instance, the German Fun Run is moved to Sunday and will include separate events for the long and short distance runners - 9.3 miles and 3 miles.

Also, music will be different. A polka band from Oklahoma instead of the Polka Patriots will be at the Community Center dance. And there will be additions and changes at the pavilion.

Another new idea concerns security. The committee intends to have more persons on the job more hours for crowd convenience as well as to patrol the area at night. Also proposed is an arrangement with the highway department for flashers or other devices to slow down the highway traffic and attract attention to the park festivities.

The Chamber committee

specially reminds local residents that Mike Stoffels is the person to see about Germanfest decorations in town as well as at the fest. He can be expected to circulate among business houses soon accepting orders for the decorations, and helping put them up after arrival. Cooperation of all will be appreciated in order to give the town and park special appeal for the special occasion.

Chamber reports also indicate that some things have been done and others are anticipated for the festival. A sidewalk has been built around the pavilion and a guard rail is in the plan to protect adjoining area from traffic damage. And portable rest rooms are considered to supplement the park's permanent facilities.

The added touch of special plastic cups for serving beer will be in effect again. With 12,000 left over from last year more will have to be ordered.

Boyd Asks for Re-Election as District Judge

District Judge W.C. (Bill) Boyd has announced that he will seek re-election as District Judge of the 16th Judicial District, comprising Denton and Cooke Counties.

Judge Boyd was initially elected District Judge in 1964, by the largest margin ever recorded in a local contested election. He is the senior District Judge of Denton and Cooke Counties, which include the 158th District Court of Denton, the 211th District Court of Denton, and the 235th District Court of Cooke County.

Judge Boyd has had thorough preparation for his judicial career, having earned his Bachelor's and Master's Degrees in Government from North Texas State University, and a Doctor of Jurisprudence Degree from Baylor University. His legal experience includes 13 years of private law practice in addition to his successful tenure as district judge. He has one of the most impressive records of any district judge in Texas, and has presided over trials of important cases throughout the state at the request of the presiding judges of Texas' Administrative Judicial Districts.

A veteran of World War II, Judge Boyd is a member of the First United Methodist Church of Denton. He and his wife, Lorraine, live at 2502 Sherwood in Denton. Judge Boyd has three children, Barbara, a medical student in San Antonio, Randall, an attorney in Denton, and Dan, an attorney in Houston.

Jaycees Meet with State President

Texas Jaycee President, Jay Brim of Austin attended the District Jaycee meeting last Sunday at Sycamore Lake Club House near Lindsay, and was the principal

speaker. Several Muenster Jaycees accompanied chapter President Jack Flusche in attending.

President Brim outlined some of his experiences since taking office, including trips to several state and national conventions and the Jaycee International Convocation held in Stockholm, Sweden with over 80 countries represented. The president also told of two major projects to be undertaken this spring. In March, the Jaycees will sponsor a voter registration drive including a goal to register every High School senior in Texas. Later an energy conservation telethon will ask for pledges not of money, but pledges of conservation measures such as parking of cars for a day, or turning down the thermostat.

Brim was introduced by Jaycee Region 2-A Director, Jerry Booth from Mineral Wells. Members from Muenster, Lindsay, Gainesville, and Wichita Falls attended.

In other local action, the Muenster Jaycee chapter

made plans in the regular meeting last Thursday January 3 for a Dance in celebration of Ground Hog Day (or consolation) whatever the case might be. The doors of the SH Community Center will open at 8 p.m. for the dance. Music will be provided by the famous "Hard Times" band. Beer and set ups will be available (no coolers please). Admission will be \$3.00 per person. Tickets will be available in advance from the Jaycees.

City Approves and Applies New Subdivisions Ordinance

The city council in its regular meeting Monday night adopted a new subdivision ordinance and applied its requirements in the same session by annexation of the Endico Addition, an area of about 8 blocks in the southeast part of town.

The ordinance was approved after its third and final reading before the council. By its provision an area being annexed to the city cannot be accepted when designated only by size. Instead the application must be accompanied by specification, and a map indicating the size shape and location of lots, the location and dedication of streets, and the location of other prominent features such as drainage ditches, trees etc.

Heretofore the city was expected to make the survey

Dr. Corry of NTSU Will Talk Jan. 28 On Human Growth

Jim Corry, Ph.D., assistant professor of Health Education at North Texas State University will be in Muenster on Monday, January 28 for a special lecture in the Sacred Heart Community Center Meeting Room, 7 to 8:30 p.m.

His topic is "Meeting Yourself Halfway, Learning to Live and Love in the 80's." He will speak on "human growth" and its relation to optimal wellness. Using concepts from the wholistic health movement, Dr. Corry will detail things "we as a Christian Community can do to improve ourselves, and then by operating from a position of fullness, affect others in a more healthy, loving and Christian way." This lecture is of particular importance for those who are involved with children, parents, subject teachers, CCD teachers, etc.

Dr. Corry teaches 3rd grade CCD at Immaculate Conception Church in Denton, and is on the faculty of NTSU where he teaches courses on health education. His wife, Maureen, is CCD Coordinator at Immaculate Conception Church in Denton.

Parish Will Host Meeting of NCCW

The NCCW meeting will be held in Sacred Heart Community Center on January 17, with registration at 9:30 a.m. The business session will begin at 10 a.m.

Rev. Albert Wienart of Bridgeport will speak on "Hospital Chaplains." A Mass in Sacred Heart Church at noon will be followed by a salad luncheon served by members of St. Anne's Society of Muenster.

Texas Jaycee President, Jay Brim speaking at the District Meeting of Local Jaycee Chapters at the Sycamore Lake Club House. On the left is Gainesville JC President, Jerry Henderson. More on page 9...

Stenholm Announces for Re-election to Legislature

Stamford... Citing mounting tension in the middle east as a prime example of the need for increased United States preparedness as the top priority in the 1980s, Congressman Charles W. Stenholm announced his plans here Tuesday to run for his second term of office.

Stenholm told a large

group of supporters of his firm commitment to a stronger defense position that could "leave no doubt in any nation's mind of America's resolve to defend our hard won freedoms".

"That is one of my primary goals during the next session of Congress", he said. "One of the reasons I am asking for a renewal of my contract to serve the people of the 17th District".

"Cindy and I wanted to make this announcement here at home where it all began", Stenholm told the group. "We could not have won in 1978 without your help. We shall continue to work hard to merit your confidence and pledge to every citizen in the district our commitment to listen to their views, to respond to their needs; and to represent them in Washington to the best of our abilities".

Stenholm, 41, was elected to Congress following the retirement of longtime Congressman Omar Burleson of Anson. He serves on the House Agriculture Committee and was recently named to the House Small Business Committee. A native of Jones county, he graduated from Tarleton State University in 1959 and in 1961 received his BS degree from Texas Tech University. The following year he earned his MS in Agriculture Education at Texas Tech.

Stenholm told the group of the "new and varied challenges" faced every day in the Congress. Outlining his overall views, he said he had "every confidence in our system of government and I am optimistic about the second session of the 96th Congress".

He stressed the elimination of deficit spending as another primary goal and emphasized his intentions "to continue to do all that is possible to cut any unnecessary federal spending".

"The true test of a good Congressman however is knowing where to cut -- knowing what is unnecessary fat and what is real muscle. In the case of national defense, we are dealing with the backbone of our country", he emphasized.

"We are grateful for the encouragement and help given by all of our good friends in the past and during the upcoming campaign." Stenholm concluded. "We know our roots here in Texas soil will continue to provide the strength and determination to use all of our energies in service to the people of the 17th District".

Garden Club To Meet

The Muenster Garden Club will meet Monday, January 14 at 8 p.m. in the TP&L Building. Mrs. V.L. Sparkman will be hostess and Mrs. Richard Ferber will present the program on "Horticulture Study."

The Weather

Low and high temperatures of the past week were recorded as follows by Steve Moster. Jan. 3, 33 and 40; Jan. 4, 28 and 37; Jan. 5, 31 and 38; Jan. 6, 32 and 72; Jan. 7, 27 and 40; Jan. 8, 25 and 49; Jan. 9, 28 and 52. The year's moisture record remains at zero. Sunday's reading indicated a trace but too little to measure.

Moster Honored at Retirement Party By City Council

Steve Moster was the honoree of a retirement party sponsored by the city council on December 28 at The Center. The event was highlighted by presentation of a watch by Mayor Leonard Endres in observance of 34 years as a city employee.

He joined the city on March 7, 1946, about two months after returning from service in World War II. Before the war and for a short time after he was employed by Precinct 4.

During his 34 years with the city, Moster was a member Texas and North Texas Waterworks and Sanitation associations, which have recently changed their names to Utility Associations. He served as president of the district for two years and frequently as the program chairman.

Along with his city duties Moster has served as a permanent recorder of the city's weather and building progress. Records before then were incomplete.

Honoring Steve and Mary Moster at the retirement party were the council members, Leonard Endres, Aubrey Tuggle, Richard Grewing, Ray Walterscheid, Ted Henschel, Bertha Hamric and Celine Dittfurth and their spouses.

Stenholm to Visit Next Monday, 2:30

Charles Stenholm Representative of the 17th District, will be in Gainesville, Lindsay and Muenster on Monday, January 14th, to visit with people of his district.

He will speak at a dutch treat breakfast to be held at the Caravan Restaurant in Gainesville at 7:00 a.m. The public is invited to come and listen to his comments and ask Representative Stenholm questions at this time.

Congressman Stenholm will address the Gainesville High School assembly at 8:30 a.m. and then travel to Lindsay and address the school assembly there.

The Muenster State Bank is hosting a coffee at 2:30 p.m. The people of the Muenster area are encouraged to attend.

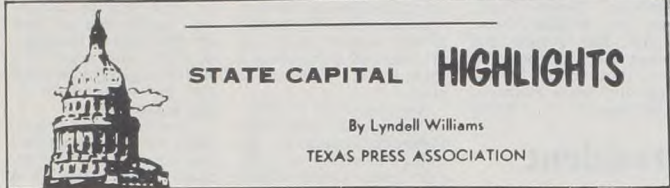

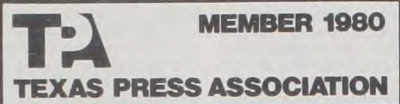

Floyd Felderhoff 25, hits a field goal in Muenster High's tension 47-42 win over the Lindsay Knights. Other Hornets identified are Ricky Winn 20 and Mark Felderhoff 24. —Janie Hartman Photo

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
 TEXAS PRESS ASSOCIATION

AUSTIN—One of his fellow Republicans last week warned Gov. Bill Clements to keep a "strong nose-count" of votes in the Legislature before calling his promised special session on wiretapping, initiative and referendum and any other issues.

Houston State Rep. Chase Untermeyer said his recent poll of voters in the legislative district showed overwhelming public apathy on the governor's targeted issues.

Untermeyer is the first Republican to publicly caution Clements, who has repeated his promise to call lawmakers back to Austin in either March or September.

Lt. Gov. Bill Hobby and House Speaker Bill Clayton have also publicly warned Clements there is no strong backing in the Legislature to spend extra tax dollars with a special session.

Clements has called tax reform, I&R, and wiretapping "three super issues" on which Republican candidates could run and win in 1980.

Untermeyer said his poll showed constituents in favor of the issues, but the 1.3 percent questionnaire response showed little public concern.

Mortgage Rate Hike

Representatives of Texas savings and loan institutions are predicting interest rates on home loans will float to over 13 percent following enactment of a federal law last week which removes rate caps in all states.

The law suspends all rate ceilings for 90 days. Texas has a 12 percent cap after the last Legislature raised it from 10 percent.

Jerry L. Krippa, president of the Texas Savings and Loan League, said the free market situation is the first time for Texas in 100 years and no one really knows what will happen, but other lobbyists predicted the rates will seek their own level between 13 to 14 percent.

More Blackened Beaches

Texas beaches could become more polluted than last summer unless the runaway Ixtoc 1 oil well is capped soon, a federal oceanographer warned last week.

Dr. John Robinson of the National Oceanic and Atmospheric Administration said there is a 30 percent chance the oil still flowing into Mexico's Bay of Campeche will wash up in large

INFLATION DISCOURAGES THRIFT

Inflation in the United States has finally reached the point where it could no longer be ignored by the government. This has been brought about because hardly anyone in this country or abroad wanted to own U.S. dollars. In economic circles this is referred to as a flight from the dollar. In foreign money markets it took the form of decreasing exchange rates with foreign currency; foreigners demanded more

dollars in exchange for their currency. Domestically it took the form of people trading their dollars for most anything they believed would retain value, such as gold, silver, farmland, diamonds, art objects, antiques and even commodities such as copper, pipe, etc.

The question is often asked, "What can I do to protect myself from inflation?" The truth is, nothing, unless the government cooperates to bring inflation under control, for, you see, it is entirely possible government will tax away your "windfall profits" in gold, silver, diamonds, land or anything else, precisely as they are attempting to tax away oil profits right now. The conventional wisdom, however, is: Do not have your wealth represented by a piece of paper with a dollar sign on it. This would include government and corporate bonds, savings accounts, currency, retirement annuities, life insurance policies and similar instruments. The reason is that inflation erodes away the value of each of these silently but steadily.

For example, let's assume a person now holds a \$1,000 bond. If, as expected, we experience a 15 percent inflation rate in 1979, if you cashed in the bond at the end of the year the \$1,000 you receive would purchase only as much as \$850 would have bought at the beginning of the year. You would have lost \$150 in purchasing power in one year from the face value of the bond. The same would happen to \$1,000 in a savings account, \$1,000 buried under the mattress, a \$1,000 cash value in an insurance policy, or \$1,000 in a retirement annuity.

This tragedy is compounded as capital accumulation suffers. Only as we save and invest can we improve our productive capacity and in the process produce a larger pie to be divided among all our people. We are experiencing a tremendous decrease in productivity, largely because inflation is discouraging saving and investment.

Faced with such dire conditions the Federal Reserve System has finally moved to attempt to halt the inflationary binge. Our inflation has been caused by the government's monetary agent, the Federal Reserve, as it has consistently increased the money supply, chiefly by printing more paper money, over a period of years. It can stop the inflation by stopping the increase of money and credit; it's that simple. It remains to be seen, however, if the politicians in Washington have the intestinal fortitude to stand the heat from the millions of drones in our nation who have been the beneficiaries of the income transfer through the process of inflation. 11680

concentrations on Texas beaches between Brownsville and Port Aransas this spring.

The daily flow is estimated between 2,000 to 50,000 barrels from the well which blew out June 3, 1979.

More Retirements

Two House committee chairmen announced last week they will not seek reelection, raising to 16 the number of members who are quitting.

Representatives Ben Grant, D-Marshall, and Forrest Green, D-Corsicana, both said they were quitting because they had been in office long enough. Grant is chairman of Judiciary Committee and Green heads the Agriculture and Livestock Committee.

Aid to Victims

Starting Jan. 1, the state will provide cash to victims of violent crimes whose injuries caused financial hardship. The new law is one passed by the 66th Legislature, and convicted criminals, not taxpayers, provide the funds.

Criminals will contribute in various amounts to the new Crime Victims Compensation Fund, and victims or their survivors can apply to the Texas Industrial Accident Board for help.

AG Opinions

In legal opinions issued last week Attorney General Mark White ruled: —Justices of the peace may exchange benches and thereby sit in another court outside of their precinct whenever expedient.

—The commissioners court of Harris County is authorized by law to use bond proceeds for construction of additions to the existing juvenile detention home or for the construction of new facilities for such purpose.

—The performance of an autopsy by military doctors on the body of a soldier found off-base would not be violative of the federal possessio statute.

Accent On Health

Texas Department of Health
 Raymond T. Moore, M.D.,
 Commissioner

Despite continuing and incontrovertible evidence that smoking is a detrimental factor to good health and longevity, smoking at home, in the workplace and at schools is a continuing problem affecting males and females of all ages.

"For well over a decade, since the Surgeon General's report in 1964 put forth the first concrete evidence about the hazards of smoking, the U.S. Public Health Service has concluded that 'cigarette smoking remains the largest, single unnecessary and preventable cause of illness and early death' in this country," said Mrs. Helen Hill, health education consultant with the Smoking Program of the Texas Department of Health.

The latest edition of the Surgeon General's report outlines some dangerous trends in smoking.

To help offset these dangers, Governor William P. Clements Jr. has proclaimed January 7-13 as "Educational Week on Smoking and Health." Smoking in the workplace is the theme.

"The workplace can include the homemaker at home, the child in school, and the man or woman at the job," Mrs. Hill explained.

Women who smoke run a special risk connected with pregnancy. Smoking is associated with lower-birthweight babies, shortened gestations, spontaneous abortions, fetal deaths, premature rupture of the membranes and bleeding episodes during late pregnancy. When a mother smokes during the last half of pregnancy, chances of her baby being stillborn or dying within the first week of life are increased by a third.

"Carbon monoxide caused by a mother smoking a cigarette reduces the oxygen intake of the fetus," explained Mrs. Hill. "The circulation of blood in the circulatory

system is also reduced by the nicotine taken in by the mother."

Mrs. Hill said that pregnant women often quit or cut down on their smoking until the child is born, and then resume the habit again.

"They don't realize that infants who inhale tobacco smoke from their parents' cigarettes have a greater risk of respiratory illnesses than children from non-smoking parents," Mrs. Hill said. "The risk to an infant from an attack of pneumonia or bronchitis in the first year of life is almost double to that of infants of non-smoking parents."

In addition, the effect of parental and sibling smoking on children and teenagers is striking. In homes where one or both parents smoke, boys and girls are more likely to take up the habit if their mothers smoke than if their fathers do. If at least one parent and one older youngster smokes, a teenager is four times more likely to smoke than if no parent or older sibling smokes.

Other smoking trends are found in the school systems. "Children in Texas will often begin smoking between the ages of 10 and 12," says Mrs. Hill. "One in 20 does so. By the eighth or ninth grade one child out of 10 is smoking. A child's first cigarette is usually taken from an older friend in a social setting. Given the dependence-producing nature of tobacco, there is a good chance that its use will continue after it has lost its social attractiveness."

Children in the lower elementary grades may be vehemently opposed to smoking. As they grow older, however, they recognize that people around them who smoke do not die instantly and that heart attacks or cancer are not a certainty. Young adolescents particularly live in the present, and may not worry about the consequence of smoking, because they are not preoccupied with the future.

Young people also perceive the adults around them as being much heavier smokers than is actually the case. Sixty-eight percent of the girls and 67 percent of the boys judge most teachers to be smokers. In actuality, only 23 percent of female teachers and 18 percent of male teachers smoke.

Mrs. Hill said that research shows smoking in industry can increase the cancer chances. "It's the combination of smoking and the emissions from some industries that dramatically increase the cases of lung cancer," she explained. "For example, an asbestos worker who smokes increases his chances of getting lung cancer 92 times more than if he doesn't smoke."

Each year more than 320,000 Americans die from smoking-related diseases. This breaks down to 220,000 deaths from heart disease, 78,000 lung cancer deaths, and 22,000 from other cancers, including cancer of the mouth, esophagus, pancreas, kidney, and bladder. Forty percent of all cancer in males is caused by smoking. Eighty-five percent of deaths from bronchitis, emphysema and other lung diseases would not happen if people would stop smoking, she said.

Lung cancer is the most rapidly increasing cancer in women, killing more than cancer of the cervix or uterus. If present trends continue, within a few years, lung cancer will be second only to breast cancer as the cause of death in women.

For more information on smoking and health, write to the Smoking Program, Texas Department of Health, 1100 West 49th Street, Austin, Texas 78756.

Be prepared for tax audits
COLLEGE STATION — While most people worry about the once-a-year income tax filing deadline, a Texas A&M University accounting professor reminds that Internal Revenue Service auditing is a year-round affair.

In addition to reiterating that honesty is the best policy, Dr. Larry Crumbley has two suggestions for anyone about to be audited: Never send or give original records to the IRS, and if a special agent is conducting the audit, get a lawyer.

Crumbley advised making copies of records and giving them to the agent or the IRS. "If you give the original documentation, there is the risk of the agent losing it," he says.

Driving at 55 mph gives 20 per cent more miles per gallon than driving at 70 mph — for most cars, reports Bonnie Piernot, a family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

SAVING TIPS on electric heating

1. Keep heating equipment at top operating efficiency. Have it checked seasonally by qualified serviceman.
2. Set thermostat at 68° or lower. Lower to 50°-60° if you'll be away several days.
3. Weatherstrip doors and windows; caulk cracks to prevent drafts and warm air loss.
4. Check the filter every 30 days on forced-air systems. If filter is permanent, clean it by manufacturer's directions; if it's disposable, replace if dirty.
5. Thorough home insulation keeps the warmth in, cuts energy use. Can pay for itself by lowering heating (and cooling) costs.
6. When fireplace is not in use, keep damper closed.
7. On sunny days open draperies, blinds to let in warmth of sun.
8. Open outside doors as little as possible.
9. Keep furniture, draperies away from air outlets and returns so air will flow easily. Clean often.

Conserve electricity and you help conserve one or more of the fuels needed to produce it. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.

When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity.

If you would like additional information on conserving electricity, call the Customer Service Representative in the TP&L Office.

New Arrivals: a son for Mr. and Mrs. Andy Trubenbach, Jr. a daughter for Mr. and Mrs. Julio Serina, a daughter for Mr. and Mrs. Paul Malone III.

Hoodlums Rob and Attack R.D. Morris

R.D. Morris, former resident now living on Highway 82 east of Gainesville, received a gash on his head, lost three guns and a number of other items and had dresser and cabinet drawers dumped on the floor during an unwelcome visit by three hoodlums on the night of December 28.

They broke in a door, overpowered him and took a deer rifle, a shotgun and a revolver along with cash, his billfold and watch and items from the ransacked drawers. The roughing-up included a blow on the head with one of the guns. Before leaving they cut the phone line.

Morris walked to neighbors to report the robbery and phoned the Rafe McElreaths for help. They brought him to Muenster Hospital for stitches on his scalp wound.

Jennifer's Birthday Observed Dec. 20

Jennifer Lynn Fuhrmann celebrated her third birthday in the home of her parents, Mr. and Mrs. Mark Fuhrmann on Sunday, December 30. Refreshments of birthday cake, ice cream and punch were served. Gifts were opened and displayed.

Attending were Jennifer's grandparents, Mr. and Mrs. Ray Voth, and Sharon, Jeannene and Craig; also Janet and Danny Voth, Brenda and Steve Fuhrmann; also paternal grandparents Mr. and Mrs. Marcus Fuhrmann and Kenny; Pat Fuhrmann and Sabrina Schroeder; and the honoree's parents, Mark and Linda Fuhrmann and little brother Matthew.

The godparents, Mike and Beverly Fuhrmann and Leslie visited earlier in the afternoon to wish Jennifer a "happy third."

Lindsay YHT Meets Twice

Lindsay's chapter of Young Homemakers of Texas met twice in December, for a business meeting on December 19 and for a Christmas party on December 30.

Guest speaker for the December 19 meeting was Marcie Schmitz, home service advisor for TP&L.

Members also planned a benefit scrap paper drive to begin the first Saturday of February. Residents of Lindsay are invited to cooperate by leaving their salvage paper boxed or tied, and near the curb.

Hostesses were Jenny Dennis, Barbara Bezner and Dee Eberhart.

Betty Rose Walterscheid will present the January program with a demonstration on cake decorating.

The Christmas party was held on December 30 in the home of Janie and Les Wilson in Lindsay. Husbands of members were guests for the covered dish meal.

Teresa Luke Is Party Honoree on 95th Birthday

The 95th birthday of Teresa Luke was observed at St. Richard's Villa on December 18, with a come-and-go event, celebrated with her nieces and nephews and great-and grand-nieces and nephews, in whom she takes special delight.

The birthday cake was baked, decorated and brought by great-nieces Mrs. Sam Endres and Mrs. Roger Taylor, who were accompanied by their children after school Tuesday afternoon. Mrs. Val Fuhrmann brought punch and guests who arrived in the early evening enjoyed sharing refreshments with the honoree. There was a beautiful poinsettia plant sent by Arthur and Sue Endres.

Among the many guests who called were Mrs. Rosa Driever, Mrs. Ursula Herr, Mrs. Ben Luke, Tony Luke, Mrs. Anna Jostwerner, Mrs. Paul Endres, Mrs. Bob Vogel and children, Mrs. Sam Endres and children and Mrs. Roger Taylor and children and Mrs. Val Fuhrmann.

Joe Luttmier is spending the holiday season in Dallas visiting Karen Luttmier and Dr. and Mrs. J.D. Luttmier and friends.

Births

Mr. and Mrs. Alan Hess of Irving announce the birth of a son, Nathan Alan, on Sunday, January 6 at 12:30 a.m. in Irving General Hospital, weighing 7 lb. 4 oz. The grandparents are Mr. and Mrs. Al Hess of Muenster and Mr. and Mrs. Foreman of Alvord. Mrs. Alan Hess is the former Debbie Foreman.

Marvin Inglish, 74 Of Rosston Dies

Funeral service for Marvin J. "Sandy" Inglish, 74, of Rosston was held Monday at 10 a.m. in the chapel of Geo. J. Carroll and Son with the Raymond Al Ellinburg officiating.

Burial was in the Rosston Cemetery directed by Geo. J. Carroll and Son. Pallbearers were Bill Bailey Inglish, Rube Griggs, Wallace Inglish, John Alexander, George Berry, Earl Taylor, Tip Christian and Witt Penton.

Inglish died Friday night at his home. He was a native of Cooke County and was a retired oil field worker.

Survivors are two daughters, Mrs. John Durruss of Tyler and Mrs. George Jones of Midland; two sons, Marvin J. Inglish of Plano and Jerry W. Inglish of Tyler; five brothers, Tom, Pete and Bill Inglish,

all of Rosston, and B.A. and Casey Inglish of Gainesville; 11 grandchildren and one great-grandchild.

Celebrating her 3rd birthday Wednesday January 9 is Tonya Parsons daughter of Mr. and Mrs. Sam Parson's of Wichita Falls. Tonya's grandparents are the Buford Greenwoods.

Those of you that know A.B. McMillion of Dewey might like to know he is a Denton Hospital patient where he underwent major surgery recently and that Mrs. Ethel Harris is a patient in the Muenster Hospital - or was at this writing. Imagine they would appreciate hearing from you via mail!

Report Your News to Myrt Denham 964-2395

Forestburg News by Myrt Denham

Mr. and Mrs. Willie Orrell of the Burg and daughter Norma Morby of Rosston visited with Mrs. Gladys Tinney in the Bowie Hospital Saturday, January 5th. Mrs. Tinney fell recently and broke her hip.

Mrs. David Ray of Bowie spent the weekend of January 5th in the home of her daughter and husband, Mr. and Mrs. Glen Lynch.

Mr. and Mrs. Elvin Echols of Watuga visited with her parents Mr. and Mrs. Clifton Bewely and his parents Mr. and Mrs. D.D. Echols on Sunday, January 6th.

The Christmas - New Year Holiday season has once again "come and went". We hope it was a most enjoyable and happy time for all of you, and I will not attempt to cover "who all from where-all" visited in the area for the Holiday Season. We just hope all will be able to be together again for the next Christmas - New Year Season.

On Saturday, December 29th Mrs. Joe Denham honored her brother Bailey Perryman of Wichita Falls with a birthday dinner in her Bowie home. Bailey celebrated his 80th birthday on 1st of January 1980. Those attending the dinner were the hostess, the honoree, Mrs. Bailey Perryman and Mr. and Mrs. Elbert Perryman of Wichita Falls, Mrs. Wanda Perryman and Mr. and Mrs. Perryman Denham of the Burg.

The 1st of January found Bailey Perryman in the Bethania Hospital in W.F. where he underwent surgery. Nice way to spend a holiday.

Birthdays coming up this month were and are: 2nd Jan. - Betty Reynolds, 7th Jan. - Howard Sockwell, 8th Jan. - Mrs. Gladys Barclay, 12th Jan. - Vesta Carter, 17th Jan. - Ruth Smith, 20th Jan. - Jim Landers and 25th Jan. - Hettie Landers.

Mrs. Margaret (Perryman) Giles of Pueblo, Colorado spent a couple of weeks recently visiting with her Texas relatives. She spent a week in Grapevine with daughter and family, the Allen Rollers. Then visited relatives in Bowie and Forestburg. Mrs. Giles and sister Mrs. Millie Reynolds spent a few days in Houston visiting their sister Ina Ivey and Ina's son and family the Rex Reynolds.

Sometime back a local citizen paid a visit to the family doctor in Muenster. It was discovered that the individual had high blood pressure so the doctor was asked what to do about it. The doctor said he could prescribe medicine for it - or the citizen could loose about 40 lbs. So the citizen said "Bring on the pills".

Perryman and I met up with "Dude" Berry at Roh-

mers in Muenster at lunch time on Wednesday Jan. 2nd. We had a pleasant visit "Dude". He is still building bridges and says wife Bula Mae is still working at Weber Aircraft everyday. However, he maintains, she won't share her income with him. Well - after all!!

Bennett Reynolds treated wife Betty and friends Perryman and Myrt Denham to dinner out at Country Square, between Alvord and Sunset, on Friday night Jan. 4th. The dinner was in celebration of Bettys' "39th" birthday on January 2nd.

Mr. and Mrs. Danny Bolton and daughter spent the weekend of December 29th with her grandparents Mr. and Mrs. Clifford Hudspeth. The Boltons have moved to Nocona from Texas City. Mr. Bolton is employed by Community Public Service Co. in Nocona. Mrs. Bolton is the former Tanya Wood - daughter of Mr. and Mrs. Raymond Wood of Wichita Falls.

Still maintain that these aluminium can "gather-uppers" are missing a gold mine, so to speak, by not gathering 'em up along all the roads that lead out of Muenster from all directions. Especially the one to Forestburg.

Mr. and Mrs. Claud Beaver of Bowie and Mrs. Ti Cook left for Lake Charles, La. on Saturday Dec. 29th to visit with Mr. and Mrs. Dick Ellzey and other relatives in that area. They returned home on Tuesday January 1st.

The Clifford Hudspeth's son-in-law Gerald O'Brien of Wichita Falls underwent back surgery Thursday January 3rd in Harris Hospital in Fort Worth. At this writing Mr. O'Brien is doing as well as can be expected. Gerald is the husband of the former Margaret Hudspeth.

Clifford Ray Woods, son of Mr. and Mrs. Kenneth Wood of Wichita Falls underwent appendectomy surgery in Bethania Hospital Wichita Falls on New Years Eve. He is the grandson of Merle and Clifford Hudspeth of the Burg.

Also Merle's sister Mrs. Norma Jean Moore of New Roads, La. broke her right leg in two places while snow skiing at Angel Fire, New Mexico, during the recent holidays. Norma's mother is Mrs. Irene Harry.

Sometime back I clipped the following from a monthly paper I get. It goes by the following title:

"Psalm for Today"
The government is my Shepherd. Therefore I need not work. It alloweth me to lie down on a good job. It leadeth in the path of still factories; It destroyeth my initiative. It leadeth me in the path of the parasite for politics' sake. Yes, though I walk through the valley of laziness and deficit spending I will fear no evil. For the government is with me. It prepareth an economic Utopia for me, By appropriating the earnings of my grandchildren. It filleth my head with false security. My inefficiency runneth over. Surely the government shall care for me all the days of my life, And I shall dwell in a fools paradise forever.
-author anon-

Price Truitt of Argyle and Mallard was dismissed from Flo Hospital in Denton on Wednesday January 2nd. The Truitts paid us Denhams a visit on Saturday January 5th and we are proud to report that Price is doing very well though still on the "recuperating list."

Mr. and Mrs. Steve White of Dallas visited with Mr. and Mrs. Ross Littell of Stoney Point Sunday January 6th.

The Ted Jacksons phone rang at 2 a.m. Friday Dec. 4th, it was their neighbor May DeGraffenreid - May was ill so the Jacksons took her to the Nocona Hospital where May is at this writing.

Mrs. Wanda Magee spent days last week in Lawton, Oklahoma visiting friends Mmes. Audna Stone and Georgia Moore.

Mrs. Lula Sessums guest on Sunday January 6th was Gene Sessums of Myrtle Springs.

Do not recollect how many years I have been writing this particular column for the Muenster Enterprise but it has been several. From time to time I hear from some of it's readers expressing their sentiments about the column - and this I certainly do appreciate. However, I would appreciate it much, much more if ALL OF YOU would share your news items with me - such as births, birthday parties, weddings, anniversaries, illness, deaths, out-of-town visitors, newcomers to the community, community activities and school activities. We would also like to report events concerning your kin - who live elsewhere. Therefore, if you enjoy this column and wish for it to continue I will need everyone's help - just call me or drop it in the mail. Just remember that as much as you enjoy reading about your friends, relatives, neighbors, etc. they also enjoy reading about YOU!

News of the Sick

Mrs. Clyde Rosson, Sr. formerly a Muenster resident and now of Decatur, is a patient at Westgate Hospital. Visiting her Monday were friends, Mrs. Alvina Voth and Mrs. Mary Kappas. They then visited Tony Trubebach, Sr. also a patient at Westgate.

Surprise Greet Walt Klements on 39th Anniversary

A surprise party Saturday evening, January 5 honored the 39th wedding anniversary of Mr. and Mrs. Walter Klement. Hosts were a daughter, Sharon and family, Mr. and Mrs. Billy Don Wolf and Kevin and Donna. Other family mem-

bers helping with the celebration were another daughter Jeanette, Mrs. Larry Ray Jones and Susan, Brenda and Darren of Fort Worth, Mr. and Mrs. Wayne Klement and Chris and Misty, Mr. and Mrs. Claude Klement and Doyle and Mark Klement. Other guests were Mr. and Mrs. Ed Schneider, Mr. and Mrs. Ed Endres, Mr. and Mrs. Rody Klement, Mrs. Millie Fleitman and

daughter, Mrs. Gene Strassberg (Lorene) who was visiting here from Dayton, Ohio and Mr. and Mrs. Albert Herr. The Schneiders also catered the dinner. A decorated anniversary cake was served following dinner and guests also enjoyed card games and visiting. Mrs. Larry Ray Jones and family were houseguests of the Billy Don Wolf family, arriving last Friday and returning home Tuesday.

Self-employment Tax Info Given

It will soon be time for self-employed people to file their 1979 Federal personal income tax returns and report their self-employment income for social security, Gus Jones social security district manager in Sherman said recently.

A person receives social security credit, and must pay

social security taxes, if net earnings from self-employment amount to \$400 or more in a year. For 1979, a maximum of \$22,900 can count for social security credit.

Anyone who has both wages and self-employment earnings covered by social security pays the self-employment tax only on the difference between his or her total wages and the social security maximum. The 1979 self-employment tax rate is 8.1 per cent.

Even though a person may owe no Federal income tax, an income tax return must be filed if there are social security self-employment taxes due. This is true even if the person is getting social security benefits.

Under certain circumstances, it is possible to use an optional reporting method and get credit for earnings even if net earnings are less than \$400.

The leaflet, "If you're self-employed ... reporting your income for social security," contains more detailed information about how to report earnings, including information on the optional method. Free copies can be obtained at the Sherman social security office, located at 810 N. Travis. The telephone number is 893-4654.

Local Kin Attend John Angerer Rite

Local relatives attended the funeral of John Angerer, 78, who died in Lubbock on December 31. He is a former resident of Muenster. His wife died 10 years ago. There are seven surviving children.

Brothers and sisters include Anthony Angerer and Mrs. Sophie Stoffels, Mrs. Catherine Schmidkofer, Mrs. Barbara Lasiter, Mrs. Marie Heinrich and Mrs. Clara Miller.

There are a number of Cooke County nieces and nephews including Mrs. Tommy Hesse, Tommy Dankesreiter, Mrs. Jerry Reiter, Mrs. Erwin Fuhrmann, Mrs. Lucy Wilson, and Charles Stoffels, Henry Stoffels, Joe Schmidkofer, Herbie Schmidkofer and Leroy Schmidkofer. Lawrence Dankesreiter is a former brother-in-law.

Library News Notes

Films
Films to be shown this month at the Muenster Public Library will have as their theme children as heroes and heroines. THE DRAGON'S TEARS (6 min.) is about a fearless little boy who invites a dragon to his birthday party and finds his guest grateful for the show of friendship. A LETTER TO AMY (7 min.) is a film about Peter who becomes aware of girls and sends a special invitation to his birthday party to Amy. LITTLE TIM AND THE BRAVE SEA CAPTAIN (11 min.) shows Little Tim who stows away on an ocean liner and becomes the favorite of the captain and the crew. THE THREE ROBBERS (6 min.) terrify the countryside and amass great wealth, until they kidnap Tiffany, an orphan girl, who persuades them to use their wealth for good. These films will be shown on the third and fourth Tuesdays of this month—the 15th and the 22nd—at 4 p.m.
Due to lack of storage space the library is giving away back issues of the following magazines: Young Miss, Children's Digest, American Girl, and Highlights.
Library hours: Tuesday 8:30 to 5:00, Wednesday 2:30 to 5:30, Thursday 8:30 to 5:00.

YOU CAN BANK ON IT!

1979 was a record-setting year in the financial world... record-high prices for nearly everything... record interest rates for loans... record interest rates for savings. All in all, it was a time for financial belt tightening. But there are signs the tightening is beginning to pay off. Indications point to a 1980 which could be a very happy new year.

Interest rates appear to have peaked and are beginning to come down. Although it will be a gradual decline, it sure beats a steep increase. Inflation, still in the double digit range, has slowed considerably. Feared substantial increases in unemployment have not developed and may not be nearly as wide spread as predicted. Internationally, the dollar has strengthened significantly and in the past quarter was at a two year high against some other leading currencies.

Financial optimists are saying 1980 can be one of the best years for the economy and even the pessimists are saying it should be better than some of the worst.

Special Banner For Advent Altar

The artistic and very appropriate altar banner used in Sacred Heart Church in December was made by Mrs. Eddie Fleitman. It was used for the first time at the

Wednesday night CCD Mass during Advent celebration. A specially arranged calendar indicated "___ days until Christ is born" and each day the date was ad-

justed by Lu Vogel in anticipation of the Feast of the Nativity. The project was sponsored by the CCD Committee and parents of the students.

The first place winners in the 30th Annual Upper Elm-Red Soil and Water Conservation District Grass Judging Contest are:
Junior Team from Muenster; Brent McElreath, Gregory Luke, Brad Biffle, Karl Trubenbach, Edgar Dyer, Vocational Agricultural Instructor, and J.H. Bayer, Chairman of the Board.
Senior Team from Forestburg; Glynn Johnson, Jeff Carter, Brad Jund, Charles Edwards, Vocational Agricultural Instructor, and J.H. Bayer, Chairman of the Board.

Stephenville DA Seeks Creighton Place in Senate

Stephenville District Attorney Bob Glasgow today announced his candidacy for the Texas Senate, from the 22nd Senatorial District.

Glasgow, 38, will seek the Democratic Party nomination to fill the Senate seat vacated by Tom Creighton.

"It's a new year...a new decade...but we still face the same old problems of high taxes and constant government intrusion in our lives and work," the Stephenville native told an audience of friends and supporters, "I am asking the people of the 22nd Senatorial District for the opportunity to find new solutions to those problems."

Glasgow cited his seven years as District Attorney as evidence of his dedication to serving the people of the area. "Our office has striven to insure that the guilty were punished; our lives and property protected; and that the people of the district were well served," he said. He stated he would use the same energy and dedication to serve his people in the

State Senate. Glasgow graduated from Stephenville High School, Tarleton State University, and The University of Texas School of Law. He served as an administrative assistant to Governor Smith for two years before entering private practice in Stephenville.

In October, 1972 Glasgow was appointed District Attorney for the 29th Judicial District. He was elected to that post in November 1972 and re-elected in 1976.

Glasgow and his wife, Deanna, have three children: Delaina, 13; Hollie, 10; and Jody, 6.

Agricultural programs attracting more women

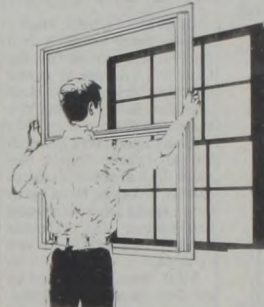

COLLEGE STATION — A growing number of women are entering non-traditional fields in agriculture — at least that is the trend at Texas A&M University, which has the nation's largest agricultural enrollment for a single campus.

Thirty-one percent of the students enrolled in Texas A&M's agricultural programs are women. Animal science, wildlife and fisheries sciences and agricultural economics are the most popular degree programs for these women. Next in popularity are the more traditional fields such as horticulture, food science and technology and floriculture.

Walt Parker Announces as Candidate for Texas Senate

Veteran legislator Walt Parker of Denton, one of the state's best known lawmakers, today announced his official candidacy for the Texas State Senate seat being vacated by retiring Senator Tom Creighton.

Parker, 62, a successful builder, farmer, rancher and teacher, was elected to five terms in the state legislature. In addition, he has served as the state's first Executive Director of the School Tax Assessment Practices Board, and as an assistant to the President of North Texas State University.

In beginning a vigorous campaign to occupy the Senate seat for the 22nd District, Parker is stressing three basic points:

(1) His experience in state government. As a House member from 1969 to 1978, he occupied numerous positions of leadership in Austin which gave him important knowledge on how to be an effective legislator. He points out that such experience will enable him to be more effective, more quickly, for the district in the Senate.

(2) His familiarity with the district. A Fort Worth native who moved to Denton following high school, Parker has been active in teaching and coaching football in area high schools, in farming and ranching in Johnson County, and in the building industry in the area for 40 years. Thus, he has an

intimate, firsthand understanding of the sprawling district and its varied problems and concerns.

(3) His record of concern for and service to the community. Long active in civic affairs, Parker has a record of service to his constituents so impressive that it prompted a special "Salute to Walt Parker" in Denton two years ago.

In addition to his business activities and legislative service, Parker was a National Football League referee for several years, and today still is an Official Observer for the NFL, grading and judging the activities of on-field officials. Parker is well known throughout the district for speeches to various civic clubs and schools about professional football.

The 22nd District embraces a sprawling seven-county area of North Central Texas, extending from Gainesville to Hillsboro on the eastern edge, and from Graham to Comanche on the western edge.

Most political observers expect Parker to be a leading contender in the race. Voters will make their choice for the Democratic nominee for the Democratic Primary Saturday, May 4.

Hospital Notes

The following patients were dismissed during the past week at Muenster Memorial Hospital.

Tuesday, Jan. 1: Curtis Eudey and Joie Martin, Muenster; Darrell Morris, Alvord; Mrs. Howard Mackey, Whitesboro; Mrs. Waldeen Alexander and baby boy, Pilot Point.

Wednesday, Jan. 2: Mrs. Ronny Howser and Kyle Sandmann, Gainesville; Mrs. Lyndon Leonard, Lindsay.

Hornets Nudge Knights 47-42

MHS Hornets cleared an important hurdle in 14-A basketball Tuesday night by nudging Lindsay 47-42 and improving their standing to 1-1. The performance probably rates as their best of the season to date as they see-sawed through a full time thriller until some two minutes before the end when they turned to ball control to protect a five point lead. The lead changed one or more times in every quarter as Lindsay led 10-8 ending the first and Muenster led 23-18, 35-32 and 47-42 ending the remaining periods.

Don Frazier led the way with 18 points, Todd Richey had 12, Floyd Felderhoff 11, Mark Felderhoff 4 and Ricky Winn 4.

The girls game was no contest as the district favorite Lindsay gals annihilated the Hornets 63-17.

They took charge at the start and kept pouring in the points. MHS scorers were Stephanie Richey 7, Charlotte Fleitman 4, Wanda Schneider 4, Renee Wilde 2.

Knightette ability extends to the junior varsity team which likewise rolled over the MHS JVs. Visitors gained all the way by scores of 18-4, 26-8, 43-16 and 51-22. Sandy Wimmer scored 16 for Muenster, Mary Winn, Sherri Hess and Renee Wimmer each added 2.

MHS Teams Lose District Opener At Pottsboro High

Both of Muenster High's varsity teams made a bad start in the opener of the District 14-A race at Pottsboro last Friday. The Hornets lost 60 to 46 and the Hornets 48-25.

Two factors were going in the boys game. On the one hand the Cardinals, rated as district favorites, lived up to their reputation with a good performance. On the other hand the Hornets were not up to par.

MHS took a 13-9 lead in the first quarter but Pottsboro got organized in the

second and added 15 while Muenster hit only 6. They continued gaining in the third and fourth to leads of 40-29 and 60-26. A big reason for their success is Price, an outstanding hot shot who poured in 27 points.

Four Hornets shared the scoring honor with 10 points each. They are Don Frazier, Mark Felderhoff, Ricky Winn and Todd Richey. Floyd Felderhoff added 4 and Phil Wolf 2.

The Hornets likewise did fair in the first period for a 6-6 tie. But Pottsboro took over in the second quarter and kept gaining un-

til the end. Scores ending the periods 20-10, 32-17, and 48-25.

Kyla Hale led the scoring with 7, Charlotte Fleitman and Stephanie Richey had 5 each, Renee Wilde had 4, Judy Walterscheid 2 and Wanda Schneider 2.

Junior varsity Hornets unfortunately played about like the varsity. After leading 8-6 in the first period they allowed the young Cards to take over and dominate the rest of the game with leads of 20-14, 33-20 and 53-30. The Hornet scorers were Kevin Felderhoff 11, Wayne Carroll 8, Wylie Lewis Jr. 4, Gary Klement 2, Tony Otto 2, Stephen Fisher 2, Glen Fisher 1.

Wanda Schneider here makes 2 of the few points scored by MHS girls in their 63-17 loss to Lindsay. Other Hornets pictured are Judy Walterscheid 54, and Elaine Grewing 32. —Janie Hartman Photo

Sacred Heart JVs Beat Valley View in Twin Bill

Junior varsity teams of Sacred Heart High won both of their games with Valley View on the Tiger court last Thursday. The girls did it by a count of 20-19, the boys by a more comfortable score of 31-17.

The Tigerette's game was a thriller, tied 4-4 at the first quarter and the visitors leading 10-8 and 13-12 after see-saw second and third. The lead continued changing in the fourth period and the SH girls were the lucky leaders when time ran out.

Nancy Sicking's 2-pointer put them ahead 15 seconds before the buzzer.

Scorers were Angie Bar-tush 6, Laurie Endres 4, Nancy Sicking 3, Laura Grewing 3, Connie Stoffels 2 and Missy Stoffels 2.

The young Tigers likewise had a close one going for two quarters. Tied at 2-2 after the first, they led 8-6 at the half and hit a hot streak in the third which ended at 21-9. From there they played about even again and came away with the long end of 31-17. A full court press plus TJ Walterscheid's 11-point spunge were the big factors in the big third period.

Tiger scorers were TJ

Walterscheid 13, Greg Walterscheid 6, Darrell Herr 4, Curtis Henscheid 2, Gene Haverkamp 2, Troy Wolf 2, Jamie Moser 2.

SH Juniors Split 2 At Prairie Valley

Junior High teams of Sacred Heart broke even in a pair of thrillers at Prairie Valley Monday night. The future Tigerettes were 30-24 winners and the junior Tigers were 30-29 losers.

The SH girls barely led by scores of 8-6 and 16-14 in the first two periods and dropped back to a 20-20 tie at the third quarter. Finally in the fourth they surged ahead for the welcome 30-24 win.

Their scorers were Shanon Fleitman 10, Ann Felderhoff 10, Susan Walterscheid 8, Rose Felderhoff 2.

The second game was no less exciting as the teams played neck and neck and the lead changed several times. Ending the quarter SH led 6-5, PV led 10-8, and SH led 22-20. Then came the exciting fourth, especially near the end when every field goal gave the

team a 1 point lead. Prairie Valley was the fortunate last scorer, taking a 30-29 lead with 11 seconds to go. Tigers still had time to pull it out but missed their last shot. Their scorers were Neil Hesse 15, Duane Haverkamp 8, Bret Walterscheid 6. Their record now stands at 3-3.

Garden Center Bulletin

It's time to plan dormant oil spraying of Fruit and Pecan trees for overwintering insects. Also check your evergreen EUONYMOUS shrubs for those small white scale insects that can cover the leaves and stems and cause death to the plant. These should be sprayed with dormant oil also. We have the oil in stock or if you prefer we will spray for you. Just give us a call at 759-2766.

It's also fruit tree planting time. We have just received a large shipment of Fruit, Pecan, Walnut and some Shade trees. These should be planted as soon as possible to allow good root growth thru the winter.

For you wood cutters, we have a large stock of bars, chains and sprockets to fit any size or brand of saw plus we can sharpen and repair any saw that needs it. We also have STIHL, ECHO and McCULLOCH chain saws to fit any need or budget. Come by the Garden Center for all your chain saw or gardening needs.

TCIL Loop Action Starts Friday

TCIL district competition in 1980 basketball begins this weekend with Sacred Heart teams hosting Alamo of Amarillo Friday at 7 p.m. and Christ the King of Lubbock Saturday at 2 p.m. Time of the Saturday game was changed at the request of the visitors so that the teams can avoid a late arrival home. The 7 p.m. game, as formerly

scheduled, would start them on the way to Lubbock some five hours later.

A pair of games with Notre Dame next week will complete the preliminary part of the TCIL schedule. The important part is a tournament at Amarillo on January 25 and 26 when titles will be determined.

The Tigers, with a 5-6 record, have high hopes of winning the trophy. If allowance is made for two small-margin losses, their potential looks somewhat better than the record.

Tarleton State ranks low in cost

STEPHENVILLE — Tarleton State University, part of The Texas A&M University System, is on a Bottom Ten list — but glad to be there.

According to the National Association of State Universities and Land-Grant Colleges, Tarleton State is ranked among the least expensive colleges in the nation in terms of tuition and required fees.

Tarleton required a median charge of \$374 per student this year, the survey indicated.

3 Junior Teams Lose to Pottsboro

The long dry spell continues for junior high and junior varsity boys of Muenster Public School. Playing Pottsboro kids here Monday night, the seventh graders lost 17-14, eighth graders lost 46-31 and JVs lost 50-25.

Seventh grade boys made a fair contest of their tussle, leading 4-3 and 10-9 in the first quarters. In the third the visitors gained to a 15-12 lead, then scored even the fourth for the 17-14 win. David Winn, 8, and Cory Klement, 6, were Muenster's scorers.

The eighth grade game again found the local boys short handed and in need of help from underclassmen. With all the advantages, the young Cardinals rolled up the points for leads of 11-4, 24-15, 37-21 and 46-31 in the four periods. David Winn led Muenster effort with 13 and Kevin Wolf and Cory Klement had 4 each. Carl Zimmerer, Stephen Vogel, Duane Walterscheid, Jay Mollenkopf and Craig Felderhoff added 2 each.

The JV game was more of the same. Pottsboro took charge early and gained in all quarters except the fourth when the job was turned over to reserves. Scores ending the periods were 14-6, 22-13, 38-13 and 50-25. Hornets scorers were Tony Otto 8, Gary Klement 7, Wayne Carroll 6, Kevin Felderhoff 4.

The World Headquarters of Reynolds Industries becomes a college campus in the evening through an agreement with High Point College that enables many RJR employees to pursue bachelors degrees without leaving the place where they work.

Unique 'corporate campus' program attacks education cost problems

The squeeze of declining enrollments and rising costs — a major problem faced by colleges across the country — has been eased at High Point

College by a unique venture with R.J. Reynolds Industries, Inc.

The venture has turned a business headquarters by day into a college campus at night where employees attend company-paid college courses leading to bachelors degrees.

Believed to be one of a kind, the High Point College - R.J. Reynolds employees education program, offers residence credit and the opportunity to complete a full four-year college education in the same time as on-campus entering freshmen.

Unlike other industry sponsored employee education programs, Reynolds does not require that courses be job-related so that the secretary who aspires to be an accountant can pursue her dream — at company expense and without the hassle of a long commute.

At many other colleges, the continuing decline in enrollments, coupled with rising operating costs forces school administrators to make decisions that may haunt them in years to come.

"To combat budget imbalances, a school must either reduce costs or increase its income," says Dr. Wendell M. Patton, president of High Point College.

"But reducing costs too often means eliminating services and programs, reducing your offerings to students. And when that happens," he adds, "enrollments are further reduced, complicating the problem."

Through the agreement, High Point provides the

curricula and faculty to conduct a structured four-year liberal arts program for employees at RJR's World Headquarters.

Using conference rooms and dining areas as classrooms, courses leading to bachelors degrees in business, English/communications, sociology and psychology are conducted three days a week beginning at the end of the work day. A concentrated program developed by High Point enables the employee students to complete the 124 credit hours curricula in four years.

Home for Christmas

Rosie Walterscheid
The family of Mrs. Rosie Walterscheid and the late C.M. Walterscheid met in the family home for a Christmas celebration on Sunday, December 23. Children, grandchildren and great-grandchildren and their guests enjoyed a turkey dinner followed by a gift exchange around the traditional decorated Christmas tree. Mrs. Walterscheid's child-

ren and their families attending were Mildred, Leo and Jimmy Lawson of Gainesville; Mrs. Flo Walterscheid and family and grandchildren; Mrs. Mildred Walterscheid and family and grandchildren; Donnie, Evelyn and Craig Walterscheid; Bernice and James Mollenkopf and family; Herbie and Margie Walterscheid and family; Bobbie and Linda Walterscheid and family; and Tommy Walterscheid.

Attending from out of town were grandchildren Margaret Ann, Jerry and Shannon Wilson of Lubbock; and Lisa and Alric Gonzalez of San Marcos. Also Bert and Kim Walterscheid.

Special guests were Father Denis Soerries, Joe and John Kleiss, Lu Vogel, Glen Grewing, Chris Hess, Ronnie Sandmann, Danny Hess, Donna Trubenbach, Laurie Walterscheid and Kenny Felderhoff. There were about 60 guests.

During the afternoon there were games for the children, card games for some, and much visiting. A TV was set up in the heated garage and another in the living room; guests had their choice of televised football games. All remained for an informal supper

after the games, before departing for their homes.

Pat Hennigan, Sr.

Dr. and Mrs. Jean Gebman and sons Ryan and Michael of Santa Monica, California visited her parents, Mr. and Mrs. Pat Hennigan, Sr. for a 2½ week holiday vacation. They were joined for a Christmas reunion by local family members, also by the paternal grandmother Mrs. Henry Hennigan of St. Francis Village, Fort Worth and daughter Alma Hennigan of Rancho Pales Verdes, Calif. who spent three days here. Another guest on Christmas Day was the maternal grandmother, Mrs. Wm. Sandmann of Lindsay.

Al Hess

Mr. and Mrs. Al Hess hosted children and grandchildren for a pre-Christmas Day reunion on December 23 while their son Myron Hess was home for his annual vacation December 15 to January 8 from the Y.O. Ranch near Kerrville. A number of family gatherings were held during the holidays. Together were Mr. and Mrs. Dennis Hess and family and Mr. and Mrs. Roy Monday and family of Muenster; Mr. and Mrs. Bob Fitch and family and Ronnie Hess and son Payce, all of Dallas; Mr. and Mrs. Alan Hess of Irving and Myron Hess. Only family member missing was a daughter, Diane Hess who phoned during the reunion from Athens, Greece with holiday greetings and said she will go to Israel next on an extended tour.

J.W. Fleitman

For the first time in a number of years, Mr. and Mrs. J.W. Fleitman had all their children and grandchildren with them for Christmas. The reunion was held on Christmas Day while their son and daughter-in-law, Mr. and Mrs. James Fleitman of Okotaks, Canada were on a nine day visit here. They enjoyed sight-seeing in the area and visiting with other relatives. Mr. and Mrs. J.W. Fleitman and all family members were together again one day for a family portrait. The James Fleitman were met at DFW on December 21 by his father and his brother Paul, and were accompanied to the airport on December 30 by his parents and another brother and family, Mr. and Mrs. Robert Fleitman and children, who saw them off for their return to Canada.

Wilfred Sicking

Children visiting in the home of Mr. and Mrs. Wilfred Sicking during the holiday season were Mr. and Mrs. Steve Sicking and Jody of Wichita Falls, Mr. and Mrs. Glynn Cunningham and Dalas of Whitesboro, Mr. and Mrs. Bobby Scoggins and Melanie and Jeremy of Myra, Mrs. Gayle Rumley and Ryan of Fort Worth, Mr. and Mrs. Sammy Sparkman and John, Mr. and Mrs. Keith Clegg and Pamela, all of Gainesville; also Mrs. Sicking's sister and her husband, Mr. and Mrs. Byron Black of Dallas.

Norbert Koesler
Christmas Eve was reunion time for the family of Mr. and Mrs. Norbert Koesler when children and grandchildren were together for supper and a gift exchange. Honor guest was Mrs. Anna Walterscheid, surrounded by three generations of family members. Attending were Mr. and Mrs. Rudy Koesler, Mr. and Mrs. Dan Bayer and daughters, Mr. and Mrs. Leon Klement and daughter, all of Muenster, Mr. and Mrs. Larry Kostyniak of Fort Worth and Karl and Fred Koesler of the home.

Arriving on Christmas Day for a several days visit as house guest of the Koeslers were Sister Francesca Walterscheid, accompanied by Sister Carmelita, both of OLV, Fort Worth. Mrs. Anna Walterscheid remained with her daughter for a week, before returning to OLV.

Ray Hess

Spending Christmas Day at home, reuniting, and guests for a noon dinner in the home of Mr. and Mrs. Ray Hess were Darlene, Kenny and Barbie Hess, also Michael Seigal and Ann Hoopingartner all of Dallas.

Also Mr. and Mrs. Ronnie Hess of Muenster, Mr. and Mrs. H.S. Fuhrmann, Mr. and Mrs. Harold Norman and Danny, Deana and Debbie all of Lindsay and Mr. and Mrs. David Norman of College Station, and Sister Catherine Henry of San Antonio. David Norman graduated from Texas A&M on December 14 and has accepted a job in Alvin, Texas. Tom Hess was unable to attend on Christmas Day, but joined the reunion when he phoned greetings from Havelock, North Carolina.

Walter Grewing

Mr. and Mrs. Walter Grewing and family hosted an all day family gathering on Christmas Day. Attending were Sister Victorine Klein of San Antonio, Miss Mary Klein of Muenster,

Mr. and Mrs. Kenneth Klein of Barksdale Air Force Base, Louisiana, the Clifford Trubenbachs, Mrs. Hattie Grewing, Karen Grey, and faculty member at Sacred Heart, Mildred Grewing of Dallas, home for the long holiday weekend, and Bob and Brian Grewing of the home and the hosts.

Arnold Rohmer

Guests of Mr. and Mrs. Arnold Rohmer for the holidays were their son Don of San Francisco who vacationed here from December 13 through January 7. Joining him for a family reunion on the Sunday before Christmas were Mr. and Mrs. Olon McClendon and Nicole of Irving, Linda Rohmer of Bedford, Mary Margaret Rohmer of San Antonio and Christi and Julie of the home. The McClendons flew to El Paso for a Christmas Day visit with his parents, returning to host another family gathering in their home on December 30.

Attending with the above group were Sister Georgia Felderhoff of Little Rock, the Arthur Felderhoff family, the Norbert Walterscheid family and Father Bill Aaron of St. Rita's in Fort Worth. Sister Georgia arrived on December 26. Mary Margaret Rohmer returned to St. Mary's University in San Antonio, following the reunion in Irving.

Mrs. J.J. Haverkamp

Reunioning on Christmas Day with their mother and grandmother, Mrs. J.J. Haverkamp were Mr. and Mrs. Tony Luke and Frank, George and Mary, Mr. and Mrs. Melvin Luke and son of Muenster, Mr. and Mrs. Wally Luttmer and family, Mr. and Mrs. Wayne Luttmer and Mr. and Mrs. Roger Luttmer all of Lindsay. Mr. and Mrs. Bill Pearson and family of Gainesville; Rose Kupper of Dallas, Mr. and Mrs. Robert Tamplin and Mr. and Mrs. Johnny Sturm and Eric all of Gainesville. Also Mr. and Mrs. Raymie Hesse and family of Denison, Mr. and Mrs. Willard Zimmerer and family of Farmers Branch, Mr. and Mrs. Alan Zimmer-

er of Lewisville, Mr. and Mrs. Ferd Haverkamp and family of Carrollton and her parents, Mr. and Mrs. Francisco Gonzalez of Honey Grove. Also Ted Wiesman of Muenster and Sister Ann Theodore of San Antonio who spent the holidays in Muenster visiting with her sisters, Mmes. J.J. Haverkamp, Al Fleitman and Henry Koelzer, several nieces and nephews and a brother Ted Wiesman.

W. Hwy. 82, Gainesville

* Bonus Certificates may be used to purchase new MF tractors, implements, hay equipment and combines before August 1, 1980. Excludes certain combines and four-wheel drive tractors. Check with us for details.

Henry Weinzapfel
Henry and Janie Weinzapfel hosted a family gathering and dinner on Christmas Day. Home from nurses training in Amarillo was their daughter, Millissa. Also Mr. and Mrs. Ronnie Weinzapfel of Muenster, joining Robert and Joseph of the home. Other guests were Mrs. Arthur Hellman, of Muenster, Mr. and Mrs. John Ayter and children Sean and Desiree of Tucson, Arizona and Mr. and Mrs. Doug Hellman of Dallas.

J.M. Weinzapfel
Children and grandchildren joined Mr. and Mrs. J.M. Weinzapfel in their home for the traditional family party on Christmas Eve. Together for the musical program, caroling and exchange of gifts were the David Bright family, the Henry Weinzapfel family and the William Birken family of Denton.

Keith Clegg
The home of Mr. and Mrs. Keith Clegg in Gainesville was the scene of the traditional family gathering on Christmas Eve for relatives. Each room held the festive mood with its own decorative theme. The entry hall featured a crib scene on the mantel of the fireplace. The Nativity scene was a gift from the Cleggs' uncle and aunt, Mr. and Mrs. George E. Burrow.

The 8 ft. tall beautifully decorated Christmas tree was a delight to young and old alike. Space under the tree held gifts for the gift exchange to take place later in the evening.

A covered dish Christmas Eve supper followed the 5 p.m. Children's Mass that some family members attended. And there was much picture taking, caroling and reminiscing of past Christmas observances.

Family members attending were Mr. and Mrs.

Woodrow Clegg, Mr. and Mrs. George C. Burrow and Leigh Ann and Carol Ann; Mr. and Mrs. Joe Walter, Mr. and Mrs. Bill Graham, Mr. and Mrs. Sammy Sparkman and John, and Misty Graham, all of Gainesville.

Also Mr. and Mrs. George Burrow of Whitesboro, Mr. and Mrs. Aubrey Chapman and Trey, Anne and Charles of Richardson, Kirk and Kyle Graham of Dallas; Slugger, Walter, Lee and Cheryl Chapman of Houston, Valerie Chapman of Commerce; Toni Dittfurth, Mr. and Mrs. Wilfred Sicking and Gary, Tim and Nancy of Muenster; and the hosts, Mr. and Mrs. Keith Clegg and daughter, Pamela.

Albert Hess
Mr. and Mrs. Albert Hess entertained children and grandchildren with a reunion, supper on Christmas Eve, and a gift exchange. Attending were Mr. and

Mrs. Cyril Yosten and family of Greenville, Mr. and Mrs. David Stockard of Gainesville, and the following from Muenster, Messrs. and Mmes. Leo Hess, Pat Hess, Earl Hess, Virgil Hess and Gilbert Hess and their families and Melvin, Timmy and Clarence Hess of the home.

The Cyril Yostens brought a pinata for the children and they had a ball. All were guests again for dinner on Christmas Day.

David Bright
Together for a family reunion in the home of Mr. and Mrs. David Bright during the holidays were Mr. and Mrs. David Bright, Jr. of Idaho Falls, Idaho, who spent from Saturday through Wednesday with his parents; Lola Bright of Dallas and Frank Rust of Houston; and Thomas Bright of Quantico, Virginia, who was enroute to Okinawa and arrived here

on December 17 and left on December 31 for California.

Also Sam Bright of Baylor University, Mr. and Mrs. J.M. Weinzapfel, Msgr. Thomas Weinzapfel and Father Joseph Weinzapfel; and Julia and James Bright of the home. Only family member missing was Joseph Bright who is on duty in Korea.

Joining them for dinner Christmas night were friends of the David Brights Jr., Mr. and Mrs. Art London of Grandbury, who were enroute home after visiting in Tulsa.

After spending the Christmas vacation with his parents, Sam Bright returned to Baylor University on January 9 and resumed classes on January 10. During his vacation he spent the New Year's holidays with his roommate, and parents Frank Gonzales and Dr. and Mrs. Moises Gonzales of San Antonio.

Fast Food Facts and Fantasy

There may be some hope, but not much, for fast food addicts. Instead of totally condemning those munchy morsels loaded with calories and salt, some nutritionists are saying fast food can have a place, but just a small one, in people's diets.

The key to eating fast food is moderation. Since a typical fast food meal of a burger, shake and fries is packed with fats, sugar and salt, overloading on these substances would be easy if you ate fast foods a lot. Consumer Reports magazine says. Only eating fast food occasionally and having a balanced diet the rest of the time is the best way to avoid an overload.

Fats, sugar and salt, the ingredients easiest to overload on, all have been blamed for contributing to medical problems. For instance, excess salt may help cause high blood pressure

and too much fat or sugar can cause a weight problem, the Texas Medical Association says.

To have a balanced diet that includes fast foods, other meals need to make up for any nutritional shortages. It is hard to make broad statements since the definition of fast food can include everything from tacos to pizza, but often fast food meals lack fiber and some nutrients found in fruit and vegetables. So if you eat a fast food meal, be sure and eat plenty of fruit and vegetables at other meals that day. You also need to eat dairy products if you do not have a shake with the fast food meal.

Fast food usually has enough protein and some vitamins and minerals but you get a big wad of calories along with them. Three San Antonio dietitians, writing in Medical Times magazine, estimate just one fast food meal provides about half of the needed daily calorie requirement. Obviously a steady diet of fast food could cause a calorie overdose that the body would store as unwanted fat.

The fast food shake is one of the biggest calorie culprits. Substituting a lower calorie drink (such as water, tea or coffee) could knock out several hundred calories and a surprising amount of salt from the meal, according to the September issue of Consumer Reports, which did an analysis of many varieties of fast food.

The analysis showed the high calorie leader was burgers, followed by fish, chicken and roast beef sandwiches. But they all have high calories. People especially concerned about vitamins, minerals and salt should check nutritional information because the different companies' products vary and the lower calorie fast foods do not necessarily have the lowest salt content or the most vitamins and minerals.

For instance, burgers generally have more vitamins and minerals than roast beef sandwiches but burgers also have more salt. Roast beef sandwiches have roughly as many vitamins and minerals as chicken and fish fast food items.

SH School Menu

- Jan. 14-18, 1980

Confessions

giving vital help to a sworn enemy which has continued relentlessly for several decades on a program of taking over this country and all the world.

We are literally feeding the mouths that bite us. Year after year we furnish grain to rescue them in their food emergency. We raise the food for them while they work feverishly on the military program to conquer us. If we'll quit this ill-advised generosity the Reds can spend more time on farming and less on military buildup.

The same applies to computers and auto factories and oil producing machinery. U.S. provides those things and the Reds use them to continue its anti-American campaign. We also like the idea allowing fewer consulates over here and fewer visitors on cultural and scientific missions. Finally the Administration is admitting what the FBI has reported for years, that a big percentage of the Soviet diplomats and visitors are spies.

Carter also mentioned the Olympics, saying that the Afghanistan adventure may decrease our participation in and attendance at the Moscow games. He could not be positive because government has no control over the Olympics, but the suggestion hopefully will impress Olympic officials. U.S. never gets a fair shake anyway. In the first place the Soviet entries are mostly professionals who make a living at athletics. Besides Reds rig the events where-

New treatment for fever blisters or cold sores available at the DISCOUNT PHARMACY Lysine Oral Tablets Helps speed healing and relieves discomfort of fever blisters and inhibits re-occurrence

ever possible to give their enemies an advantage.

Everything considered, the sanctions amount to a good policy in the present Soviet aggression, and they also appear to be a good policy from now on. Surely we don't want to keep helping the people who plot our destruction. We can feel sure that the sacrifices we have to make in lost trade can be offset by other possible gains. Maybe we can find markets for the grain in more deserving countries. Maybe the loss of jobs on lost exports can be offset by creating new jobs to recover some of our domestic trade and get the energy program under way. This latter idea is especially urgent now that Arab oil production is in increasing danger of being fouled up.

March 5 Is Next Collection Date For Bloodmobile

The American Red Cross Blood Services, Red River Region, will be in Muenster for a Bloodmobile on Wednesday, March 5.

David Bright, administrator of Muenster Memorial Hospital and blood services chairman, has announced the visit and a goal of 100 units.

The Bloodmobile will be set up in the Knight of Columbus Hall from 2 to 7 p.m. Technicians of the Red Cross Blood Services, assisted by personnel of the hospital and hospital auxiliary, will collect the blood.

To be eligible for donating blood a person must be between the ages of 18 and 65 years, weigh at least 110 pounds and be in good health. A 17 year-old of the same health and weight qualification can be a donor with written permission of the parents. Also, the time since one's last donation must be at least 56 days.

An appointment for donating at the Bloodmobile may be set up by calling 759-2271.

Home For Christmas

Mary Kappas

Mr. and Mrs. Peter Kappas and son Derek of Mountain View, Calif. spent a holiday week with his mother, Mrs. Mary Kappas and also visited uncles and aunts in the Voth relationship. On Christmas Day other guests joining them for dinner were Mr. and Mrs. Joe Voth. In the afternoon Mr. and Mrs. Willard Zimmerer of Farmers Branch were guests. The Joe Voths hosted Christmas Eve supper for the Kappas family.

Mrs. Felix Becker

Vincent Becker of Olney, Maryland spent the holiday week in his former home town with his mother, Mrs. Felix Becker and other relatives. He arrived on December 26, remaining until January 3.

A family reunion was held in the home of Mr. and Mrs. Joe Sicking on Sunday, December 30. Together for the all-day event with dinner and supper were Mrs. Felix Becker, Leo Becker, the honor guest and Mr. and Mrs. Alphonse Hoening; also Mrs. Ollie Sicking and Shirley and Helen Sicking and Mrs. Donnie Sicking and infant daughter Meredith, all of Gainesville; and Mr. and Mrs. Johnny Stark of Irving; Rose Sicking, Ann Sicking and Robert Sicking all of Arlington, joining Joe, Chris and Sharon Sicking of the home. On Friday, December 28, a group of friends hosted a party at the VFW Hall honoring Vincent Becker. He returned to Maryland last week Thursday.

Frank Felderhoffs

The Frank Felderhoffs' Christmas reunion was held on Christmas Day with noon dinner, gift exchange and afternoon visiting. Guests were their children and grandchildren, Mr. and Mrs. John Felderhoff and son Ray of Garland, Mr. and Mrs. Dale Trevathon and son Josh of Tyler, Mrs. Ronald Fuhrmann and daughter Hollie of Grapevine and Mr. and Mrs. Tim Felderhoff of Muenster, joining Mark and Terry Felderhoff of the home. Ron Fuhrmann, a pilot, was on duty and unable to join the reunion on Tuesday.

Tony Walterscheids

Children and grandchildren joined Mr. and Mrs. Tony Walterscheid for a Christmas celebration and dinner on Christmas Day in the home of a daughter, Mrs. Earline Mages of Farmers Branch. Attending were Mr. and Mrs. Jerry Walterscheid and sons, and Cyril Walterscheid, Gene Walterscheid and Emmet Walterscheid, all of Muenster; and Mr. and Mrs. Frank Mages; and Mark Mages and a friend, Cyndy, all of Farmers Branch.

Joe Voths

An early Christmas reunion was held on Sunday, December 23 in the home of Joe and Vina Voth, with dinner at noon and a gift exchange. Attending were Mr. and Mrs. Jerome Voth of Farmers Branch, Mr. and Mrs. Mark Voth of Arlington, Mr. and Mrs. Bob Voth and children of Gainesville, Mr. and Mrs. Joe Kindiger of Lindsay; Mr. and Mrs. Jim Voth and children and Joanie Voth of Muenster. Mr. and Mrs. Jim O'Brien and children of Irving were unable to join the family gathering on that day, but were dinner guests here on Sunday, December 30. Others at the pre-Christmas party were Art Armstrong and Peggy Schmitt of Farmers Branch and Mr. and Mrs. Dan Wicker and infant son also of Farmers Branch.

A. F. Luke

Frank Luke returned to Hallettsville on January 2 after Christmas visiting with his parents, Mr. and Mrs. Tony Luke and joining other relatives at several family gatherings. He is a member of the faculty of Sacred Heart School of Hallettsville where he teaches religion, music, chorus and band and is director of the 60 member high school band; he also directs a junior high and a grade school band. His brother and sister, George and Mary Luke, both students at the University of Texas in Austin, will return to their studies this weekend, following the mid-term break.

Gene Hoedebeck

Mr. and Mrs. Gene Hoedebeck entertained twice in observance of Christmas. The first family gathering was held on Sunday, December 23 when children and grandchildren were together at a noon dinner. They also observed the fifth birthday of a grandchild, Brian Knabe. Attending were Mr. and Mrs. Chris Cagle of Irving, Mr. and Mrs. Wayne Grewing and children, Mr. and Mrs. Gilbert Knabe and children, all of Muenster and Joe, Mary, Toni, and Fred Hoedebeck of the home and their guests.

On Christmas night, Mr. and Mrs. Paul Hoedebeck and son Jeff, of Gainesville joined the family group who gathered again at the home of the parents.
