Will We Be Architects Or Victims of Change?

By Gene Davenport
 Cooke County Electric Cooperative would like to pass on this important information to all citizens in observance of National Electrical Week.

The time in which we live is a changing time. It is a time between eras. A time of endings and of beginnings. It is also a time of critical options. "The question is whether we will be the architects of the changing time or the victims of it!"

One of the clear marks of the time is the thing we call the "energy crisis." In historic perspective, it may not be seen as a crisis at all, but rather as the natural and inevitable phasing out of one fuel era and the phasing in of another. It is largely up to us to determine how it goes.

The phasing in and out of fuel eras has been going on ever since the phasing in of

man himself. And in every instance, the move from one era to the next has been accompanied by a substantial improvement in the human condition.

Yet, the question now is whether today's energy crisis will end all this. Whether the pattern of a million years will be broken in our time. Whether the story of growth and discovery and unfolding will end with us.

It need not. Not if we choose to take charge.

If we make such a choice, we must recognize at the outset that there is an essential difference between the energy transition we are going through today and the transitions of the past.

There seems to appear to be three things to do. First, and of the greatest short-term importance, we must make what we have last a little longer. To

use the phrase that has already become a cliché, "we must conserve." Second, we must develop new technologies to improve the usefulness and efficiency of the presently available fuels. Third, we must develop new sources of energy.

The possibilities are tremendously exciting. At present, scientists are exploring five major basic energy sources. One of these is geothermal energy which is found below the earth. Former Secretary Walter J. Hickel has estimated that by the year 2000 geothermal sources could produce electric energy in amounts only slightly less than that being reproduced by the entire U.S. electric utility industry today.

Solar energy is derived from the sun. Everyday it floods the earth with a hundred thousand times as much energy as produced in the same time by all the generating plants in the world. The dream of developing practical means of capturing useful amounts of such an abundance has intrigued man for a long time. Today's technology is moving the dream closer to reality. There are four large U.S. corporations who have been working on this energy solution problem.

Coal is the one fossil fuel capable of bridging the gap between the fossil and nuclear fuel eras. Dr. Hubbert of the Geological Survey estimates that we have enough coal in the world to last another 300 to 350 years and a significant amount of coal is to be found in the United States.

Fission is a source of nuclear energy which splits atoms in its process. From this source fast-breeder reactors shall produce its energy.

Fusion (which differs from fission in that it combines atoms rather than splitting them) is another long-term possibility of truly staggering proportions. Fusion uses deuterium for fuel. Deuterium is taken from water. If only one percent of the deuterium available in the world's oceans were extracted and used as fuel in the fusion process, the energy produced would be 500 thousand times greater than that available from the world's total original supply of gas, oil and coal combined. Put another way, the deuterium in the world's oceans, if allowed to undergo fusion little by little, could supply mankind with enough energy to keep him going at the present rate for 500 billion years.

This is National Electrical Week. Electricity is not a source of energy, but a converted form of it. Traditionally, it has been the custom during National Electrical Week to reflect on the myriad ways this form of energy has enriched man's life during the past half century.

This year, however, National Electrical Week is not a time for reflection. This is a time between eras. A time of critical options. A time that could be one of historic endings, or one of historic beginnings... depending on how we handle it.

Prejudice: Weighing the facts with your thumb on the scale.

From a poor nation where nobody thought of themselves as being poor, to a rich nation where everybody is beginning to think of themselves as being poor; is what happened to the United States of America in 200 years, from 1776 to 1976. — Lennox, S.D., Independent

Jason Gehrig, 3 Birthday Honoree

Third birthday of Jason Gehrig brought four generations of the family together Sunday for a dinner party in the home of his parents Mr. and Mrs. Jim Gehrig. The youngster's birthday is Feb. 9.

Guests for dinner and remaining through the afternoon for birthday cake and ice cream were the honoree's grandparents Mr. and Mrs. Herman Stoffels and Mr. and Mrs. George Gehrig, great-grandparents Mrs. William Sandmann of Lindsay and Mr. and Mrs. Matt Muller, and Monica Gehrig, Yvonne Gehrig of Sherman, Mrs. Rex Simmons, Russell and Chad, and June, Sally, Connie, Craig, Chris, Mark and Pam Stoffels, Joey Dangelmayr and Jason's brother Ryan.

Gifts were opened and displayed and four generation pictures were taken. The birthday cake was a conversation piece; it was a circus wagon.

Davy Krahl Goes To CSL Meeting

Davy Krahl, second vice president of the state Catholic Youth Organization of the Catholic State League was in San Antonio for the weekend meeting of state officers.

He went by plane from Regional Airport and was the guest of Mr. and Mrs. Joe Krauss. After business they took him sight-seeing in the Alamo City and for an excursion on the River Boat.

St. Joseph Society Discusses Plans For Patron's Feast

Plans for observance of their patron's feast day March 19 were discussed by members of St. Joseph's Society at their February meeting.

In addition to a religious observance including attendance at Mass and Communion on St. Joseph's Day, members are planning an after-evening-Mass social for which the entire community is welcome. This event will include dinner and table games.

Members also changed time for election of officers. Previously held during a social hour for members on March 19, the election date was moved up to the regular meeting time in March.

The society appropriated five dollars for Sister Theresina to send off her mission stamps and voted to give prize money to local winners in the Catholic Youth Essay Contest. Winners will be announced later.

President Wilfred Bindel presided and reminded members that the Northern District Catholic State League meeting will be held in Lindsay on March 24. He also reminded members that this is dues paying time. Any young man who has reached his eighteenth birthday is eligible to join the society and new members are welcomed.

Father Placidus Eckart led the opening prayer and told about the Paschal meal which will be served on Holy Thursday and invited everyone to attend. Denis Walterscheid, secretary and Jim Gehrig, treasurer gave their reports. Wilfred Bindel won the door prize. Twenty-six members attended.

After adjournment the men were joined by St. Anne's Society for games and a buffet.

The sad thing about ulcers is that an employe can have them and still not be a success.

Visitation Time For Third Order Set for March 17

Members of the Third Order of St. Francis, Sacred Heart Parish learned Sunday at their February meeting that annual visitation time nears.

Father Bennet Fonck, OFM, associate provincial director, has informed Mrs. Leo Henscheid, local prefect, that he will meet with the fraternity Sunday, March 17. He will arrive in Muenster on March 15 for a meeting with the council and be in Lindsay on Feb. 16 for visitation with members there. Further details of the local visitation will be announced later.

Father Placidus Eckart met with the group, gave the Scripture reading and a short homily. Ms. Leo Henscheid led the prayer service.

Members contributed from treasury funds \$45 to keep the sanctuary light burning in Sacred Heart Church through 1974 and sent monthly allotments of five dollars to each of the fraternity's two adopted families in India. With the donations they enclose an extra twenty-five cents so the families can mail a letter back and they send thanks each month.

Eighteen members attended the meeting.

The problem that baffles Washington is how to dig the country out of the hole without making the hole any bigger. Most people experience a strange emotion when telling the truth — they find they don't even need a good memory.

Bankers and TP&L Announce Annual Texoma Ag Meet

Opportunity trends is the theme of the Fifth Annual Texoma Agricultural Confer-

ence to be held on Thursday, February 21, at Grayson County Junior College, Sherman-Denison.

Rapid changes in agriculture and related agri-business compels all involved in the largest segment of the American economy, to strive to keep up with new developments. The newly created opportunities of world trade have opened markets to North Texas farmers and ranchers that have

been very limited in the past, or not opened at all. This conference will not make one an expert in exporting commodities, but should give insight into the future trends of food production, and how the local agricultural economy can participate in the profits of the booming food production demand.

The Texoma Bankers Association and Texas Power & Light Company began this

one-day program in 1970, in an effort to stimulate and present to the agricultural leaders of North Texas and South Central Oklahoma a closer insight into new opportunities for this area. Today it is known as the number one program of its type for the area served. Agricultural income in this area has doubled in these past five years according to Harold Hudspeth of Sherman, 1974 President of the Texoma Bankers Association. The Bankers are extending an invitation to all farmers, ranchers, and agri-business men in the area to attend. A dutch treat lunch will be served at the College.

Outstanding authorities in their fields will address the group on newest developments in beef breeding, hybrid grain and forage crops, finances and marketing in agriculture and agri-business, and communicating with the non-farm public.

Hillcrest Manor News

Hillcrest Church of Christ of Gainesville sent over a bus load of singers for Sunday afternoon services at the Home.

Mr. and Mrs. Charlie Stelzer of Fort Worth visited their aunt Susie, Mrs. L. A. Bernauer, on Feb. 6.

Visiting Jim and Clara Ford Thursday were Mr. and Mrs. James Ferguson of Rosston.

Virginia (Mrs. R. C.) Petrie of Lindsay was back on duty as an aide Monday after a five-day forced vacation on account of illness.

LVN Mrs. Kay Williams of Gainesville is on sick leave. She's been hospitalized in Denton for tests and observation.

Mr. and Mrs. Guy Riddle of Whitesboro were among visitors with his sister Mrs. Ina Fielder.

Pearl (Mrs. B. C.) Rosson of Myra has been back at the Home helping during absence of regular staffers who were ill.

Hattie (Mrs. George) Jetzelsberger was back on duty this week as an aide replacing an absent staffer. She was a regular at the Home before going to work at Jr. Elite.

Ed Eberhart's recent visitors have included two grandsons in the service at Fort Sill, Okla., Stanley and Robert Eberhart, sons of Mrs. Ruth Eberhart of Lindsay.

Mary Edna (Mrs. Sonny) Cornett, staff aide has moved from Gainesville to Muenster. The couple and children, Janet 11 and Angela 2, live in Sylvan's Trailer Park.

Hillcrest Manor Auxiliary continues the regular Wednesday afternoon game parties. Hostesses last week were Mmes. T. Voth, Mildred Cantu, Harold Knabe and Leonard Endres. Tieg for top win in bingo were Clyde Robinson and Barney Barnett.

There was "sight-seeing" aplenty Monday evening when Mr. and Mrs. O. D. Garland's new mobile home was rolled in and positioned on the grounds. Nearly everybody watched. The new home is a three-bedroom two-bath, central heat and air, with a wood-burning fireplace.

Mrs. Mary E. Felderhoff's visitors Sunday in addition to local children and grandchildren included a grandson Don Rohmer on vacation from San Francisco, Calif., and granddaughter Linda Rohmer week-ending from Dallas

The really well-adjusted man is one who can enjoy the scenery when he has to take a detour.

On Dean's List

Mrs. Herbert Sicking has qualified for the dean's list at the University of Texas in Arlington where she is majoring in education and German. She is the former JoAnn Richardson, daughter of Mr. and Mrs. Clifford Richardson of Forestburg. Her husband, also a student at the college is the son of Mr. and Mrs. Bernard Sicking.

Brides-to-be Are Party Honorees

Miss Donna Rohmer, bride-elect of Olon McClendon, has been honored at two pre-nuptial parties, the first in Dallas and the second Sunday as a joint honoree with Denise Walterscheid, bride-elect of Fred Fuhrmann. The two are former classmates.

Miss Rosie Sauser of Dallas, classmate and to be bridesmaid at Donna's wedding was hostess for the Dallas shower given in the home of her aunt, Mrs. Jan Craig. Miss Linda Rohmer of Fort Worth was co-hostess.

A Spanish theme was stressed and Spanish foods and wines were served to 13 friends and classmates from Dallas.

Mrs. Dan Schmitt and Mrs. Bryan Bezner of Denton were co-hostesses in the former's home Sunday at a joint party for the two brides-to-be. The informal get-together with refreshments was attended by ten former classmates. The honorees each received a hostess gift.

The Walterscheid-Fuhrmann wedding will be solemnized in Sacred Heart Church Friday, Feb. 15, at 7 p.m. The Rohmer-McClendon nuptials will be solemnized in Sacred Heart Church Saturday, Feb. 23, at 5 p.m.

Mr. and Mrs. Albert Krebs, of Coalgate, Okla., visited over the weekend with their daughter Sister Alberta who has recovered from recent surgery and is back teaching at Sacred Heart School.

Families Honor Birthday Twins

The Paul Fetsch family and the Gus Lutkenhaus family joined Sunday to honor Mrs. Fetsch and Mrs. Lutkenhaus, twins, on their birthday. Held at the Fetsch home the gathering was a surprise for Mrs. Fetsch. Her sister helped plan the event which featured a covered dish dinner at noon.

Present with the honorees and their husbands were Mr. and Mrs. Walter Lutkenhaus, Donna and Michael of Lindsay, Mr. and Mrs. Dennis Lutkenhaus of Callisburg, Mr. and Mrs. Chris Muller of Valley View, Mr. and Mrs. John Kubicek, Dave and Steve of Era and Leo and Charles Lutkenhaus.

Also Mr. and Mrs. Orlando Bonfiglio of Plano, Mr. and Mrs. Bob Noyes, Jennifer and Chris of Richardson, Mr. and Mrs. Doug McConnell and Chad of Gainesville and Garry Fetsch. Only one missing was Robert Fetsch of Statesville, N.C. He sent greetings.

Three decorated cakes graced the table. Each of the twin honorees received a cake and the other was a joint gift to their daughters Norma Lutkenhaus Kubicek and Joan Fetsch McConnell who were greeted for their Feb. 11 birthdays.

Mr. and Mrs. Bill Richter and daughters arrived Sunday from Houston for a visit with relatives — his mother Mrs. Johnny French here and her family at Gainesville.

Addresses Change As Families Move

A number of Muenster people have changed their addresses by recent moves.

Mr. and Mrs. Bob Pels are in their new home on Cherry Lane and Mr. and Mrs. Harvey Lamkin and Kelly are in their new home on Endres St.

The William E. Hall family moved across the street to occupy the Gehrig rent house which was vacated by Mr. and Mrs. Gene Hess who moved to the Knabe farm.

The Randy Wimmers and children, moved from 110 N. Oak to the place corner of Oak and Second vacated by the Halls, and the Wayne Tate family moved into the house the Wimmers vacated. They had been living in the country four miles northwest of the city.

Also out of town, the Regi Bayer family moved from Mrs. Will Sickings' rent house at Myra to the farm home vacated by Mr. and Mrs. Frank Bayer when they moved to their new city home.

Cheryl Hacker's Baptism Followed By Dinner Party

LINDSAY — Christening of infant Cheryl Lynn Hacker Sunday was followed by dinner in the home of her grandparents, Mr. and Mrs. Damond Fuhrmann.

Father Damian Wewers officiated at the baptism of the Maurus Hacker's first child in an 11 a.m. ceremony in St. Peter's Church. Attending as godparents for their niece were Mr. and Mrs. Clyde Muller of Bedford.

Others present included the parents, Damond Fuhrmann, Peggy, JoAnn and Lu Ella Fuhrmann and Debbie and Vickie Muller.

Others attending the christening dinner were great-grandparents Mr. and Mrs. Pete Block and Mr. and Mrs. H. S. Fuhrmann, paternal grandparents Mr. and Mrs. John Hacker of Muenster, and Gene Block, Renee and Dale Muller.

Four generation pictures were made. Centerpiece for the table was the christening cake, a white lamb confection. The baby's long baptismal dress was made by her mother. Great-grandmother Fuhrmann made the lace and ribbon baptismal cap.

Cooke County Is Tenth in Texas In Oat Production

AUSTIN — Cooke County ranked in the top ten in the state in oat production in 1973, Agriculture Commissioner John C. White has announced.

Nearly 770,000 bushels of oats were produced last year in Cooke County representing an increase of 89 percent over the 1972 crop. Cooke County farmers increased their yield from 35.3 bushels per acre in 1972 to 48.2 bushels per acre in 1973.

The state's leading oat producing county in 1973 was Coleman County which produced more than 1,800,000 bushels last year.

Commissioner White said the 1973 oat crop established a record yield of 41 bushels per harvested acre.

"Texas now ranks sixth in the nation in oat production," White said, "and we are proud of our role in the production of this important crop."

In 1973 Texas produced 26, 650,000 bushels of oats, an increase of nearly 175 percent over the 1972 crop, White said.

Recent research now indicates that the Jones are having trouble keeping up with themselves.

Religious Event Sunday Observes Boy Scout Week

In observance of National Boy Scout Week, Muenster's Boy Scouts and Cub Scouts participated in a special Mass in Sacred Heart Church at 9 o'clock last Sunday.

They attended in uniform in a group accompanied by their scoutmaster Wilfred Reiter and cubmaster Bobby Walterscheid, and the Cubs den mothers and assistant den mothers. Their procession into church was headed by the US and Texas flags and the scouts' and cubs' flags.

The boys were specially recognized at the sermon by Father Stephen Eckart who praised their program of mental alertness, physical fitness, and loyalty to God and country.

Boy scouts had charge of the scriptural readings and cub scouts recited the petitions. Members from both groups made up the offertory procession.

The den mothers and assistants participating were Mmes. Bob Walterscheid, Fred Knabe, Alvin Fuhrman, David Bright, Herman Stoffels, Ed Schneider, Bob Vogel, Joe Mosler, Billy Don Wolf, Henry Felderhoff, Francis Fisher, Don Wilson and Jerry Hoenig.

Next big event for the cubs is their annual blue and gold banquet next Tuesday night at 7:30 in the KC hall.

Medders Back for Visit

Mr. and Mrs. Ernest Medders and daughter Sara of West Memphis, Ark., accompanied by Wayne Reckner office manager for Marest Publishing Company, were in the area this week and visited in Muenster Tuesday. They visited also with their daughter and son-in-law the Jimmy Flusches at Lindsay, daughter Kathy and family the Ronald Melugins at Denton, and the Gene Riggs family at Dallas. They also planned to visit their son Frank and his wife at Lawton, Okla. Work is progressing for the writing of the scenario for their motion picture, much of which will be shot in Muenster. Thursday Mrs. Medders autographed her book at Fultz News Agency in Denton.

Local Girls Win Trophies, Medals In Dance Festival

Gina Marie Hofbauer and some of her dance students came home with trophies and medals after competing in the Fun Festival in Wichita Falls at the Community House.

Contestants were judged on talent, poise, grace and singing ability.

Muenster girls vying for honors were Miss Hofbauer, aged ten, who was a first place trophy winner; Renata Walterscheid, 12, first place winner; and Lydia Walterscheid, aged five, first place trophy winner.

Medal winners were Shelly Walterscheid, age 10 and Renee Wilde, age 11.

There were 244 entries from a 260 mile radius of Wichita Falls. Entries included tap, tap duet, jazz and jazz duet, ballet and singing.

Accompanying the girls to the festival were Mrs. Norma Dowd, Mrs. Mike Schilling and Mr. and Mrs. Sonny Walterscheid.

On Dean's List

Larry Kostyniak has been named a "distinguished student" and placed on the dean's list at Texas A&M University. A grade point ratio of 3.25 or better is necessary for the honor. Larry will be in May graduation exercises as a nuclear engineer. His wife is the former Gretchen Koesler of Muenster, daughter of Mr. and Mrs. Norbert Koesler.

Sara Stoffels, 8 Honored at Party

A party Monday afternoon honored Sara (Puppet) Stoffels on her eighth birthday at the home of her mother, Mrs. Ann Stoffels.

Helping direct games and serve ice cream, cake, and other party refreshments were Lisa and Jeanie Reiter and Jeanie Haverkamp.

Special surprise for the honoree was a new blue and white bicycle, a gift from the family. She received a shower of gifts from the guests. Her sister Mrs. Ted Macon telephoned greetings from Austin.

Present were Dyna Stoffels, Kerry Ann Haverkamp, Donna, Amy and Dale Reiter, Cindy Tisdale, Lyle Huchton and Sara's brothers Don and Doug Stoffels.

Winners Listed in Volley Tournament

Bee Bops were the champ girls and H&W Meat Co. the champ boys in the one day volleyball tournament sponsored by the Sacred Heart junior class.

Runners up were Conoco in the girls division and Lindsay Bosters in boys' division. Girls' consolation winners were 6-Pack and boys' consolation winners were the Dried Bunch.

Team members of the Bee Bops are Janet Bayer, Mary Hess, Barbie Hess, Laura Krallieck, Linda Miller and Janet Sicking. H&W players are Mark Hess, John Bartush, Kevin Pels, Gary Endres, Phil Endres and Wendell Black.

Lite-a-Bike Will Take Place Feb. 16

Calling all bike owners.

Muenster VFW Auxiliary is sponsoring Lite-a-Bike and is inviting all youngsters with bicycles to be at the Ball Park this Saturday, Feb. 16, at 2 p.m. to have luminous tape stickers applied to their bikes.

Those stickers help young riders to be more easily seen in the dark. The project is one of many for safety of the community which the Auxiliary participates in.

Mrs. Wilfred Bindel, general chairman for the sponsoring group asks other Auxiliary members to be on hand to help Saturday.

In event of rain the project will be postponed and a new date to lite-a-bike will be announced.

One thing about the good old days — if you bought a horse you could be pretty sure that the model wouldn't change next year.

Bake Sale Saturday

Sacred Heart freshman will conduct a benefit bake sale Saturday, Feb. 16, beginning at 10 a.m. at Fisher's, Pagel's and Ben Franklin stores. The class will have homemade breads, rolls, cookies and pies for sale.

After all is said and done, it's usually the wife who has said it and the husband who has done it.

While children may tear up a house once in a while, they rarely break up a home.

Help brighten your tomorrows with these 14 energy-conserving steps.

Heating

1. Have a qualified serviceman check your electric heating system annually.
2. If you have a forced-air heating system, replace or clean filters frequently.
3. Set thermostat at 68 degrees during the day, slightly lower at night. If you will be away for a day, a weekend or longer, set thermostat at 55-60 degrees.
4. Keep furniture and draperies clear of air outlets and returns.
5. Open outside doors as little as possible. Keep doors and windows properly weatherstripped.
6. If you have a fireplace, keep damper closed when not in use.

Kitchen & Laundry

1. Defrost refrigerator regularly and replace worn door gaskets.
2. Don't overload refrigerator.
3. When cooking on range, use flat-bottomed utensils which fit surface units. Cover utensils when possible.
4. Allow frozen meats to thaw before cooking. Cook meats and vegetables together, or in separate utensils at the same time in oven.
5. Operate dishwasher, clothes washer and dryer only when fully loaded.
6. Conserve hot water by washing clothes in cold-water detergents.

Other

1. Turn off any inside or outside lighting not actually needed.
2. Turn off television, radio, iron, etc., when you leave them.

Conserve electricity and you help conserve one or more of the fuels needed to produce it: natural gas, coal and oil. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.

Texas Power & Light's Helping, Too.

When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity.

Forestburg News

By
Myrt
Denham

FORESTBURG — On Friday Feb. 1 and Saturday Feb. 2 Ted Jackson and Laura Belle Jackson, Georgia Lynch and Hassie Parrish of Greenwood attended the school of instruction for the Eastern Star at Gainesville. On Saturday during a two hour break in activities Laura Belle and Hassie visited Mrs. Denis Perryman.

This column, like a lot of TV shows, will from time to time not be up to par. There will be times when there are many things to write about and times when there won't be much to report on. It is very hard to gather news some weeks. I am certain there are many activities, etc., taking place in the area but folks just will not call me to tell me. I sure can't write about it if I am not told. It is my sincere desire to cover the whole Forestburg area to the best of my ability. So folks, if you have any items of news please call me and I will do the best I can with it.

The Jack Dills and the Charles Dills of Forestburg, the Billy Ray Jacksons of Decatur and the Alvin Jacksons of Lubbock all took in the Fat Stock Show and rodeo in Fort Worth Saturday, Feb. 2. This sorta sounds like a small family together also.

Ross Littell, Stoney Point, celebrated his birthday Saturday, Feb. 2. Helping Ross eat his birthday cake were Steve White and his daughter of Dallas, Mr. and Mrs. Hal Wallings of Carrollton, the Dave Roberts and Clifford Hudspeeth. Then on Sunday Ross and wife Lucille motored to Carrollton to the Hal Wallings' home where Mrs. Walling honored Ross with a birthday dinner. By the way, folks, Mrs. Wallings is the former Frances White, sister to Lucille.

Visiting in the home of the A. V. Freemans, New Harp, on Sunday, Feb. 3, were Mr. and Mrs. Will Payne of Arlington, Mr. and Mrs. J. P. Howard of Hurst, Mr. and Mrs. R. C. Greenead and Pam of Cleburne, Mr. and Mrs. B. L. Barnett, and Mr. and Mrs. Hershol Holzbog and children.

* Frances Brewer had as her guests Saturday Feb. 2 Mrs.

Linnie Bell, Mrs. Inez Wolsey and Letha Williams of Bowie. Mrs. Wolsey and Mrs. Williams are Frances' sisters. Now Linnie may be some kin to Frances — I sure don't know. Some folks say Linnie is from Sunset and some say she is from Dewey. The last I knew she lived over towards the old Denver Community. I just know she lives somewhere between us Denhams and Sunset.

Mr. and Mrs. Hal Hays and daughter visited Mrs. Hays' parents, the Freeman Bakers of Ardmore, Oklahoma, the weekend of Feb. 2. Mrs. Hays is a teacher at Forestburg. She and Hal live out on the Montague hi-way, just up the hill from the Levi Perryman turn-off. The Fred Williams used to own the place. Would like to say a word or two about Mary Hays — she has a beautiful singing voice and it is a pleasure to listen to her. She also plays the piano beautifully. I, for one, am mighty proud to have her as a member of the

(Continued on Page 9)

Linda Jo Reveals Expansion Plan at Forestburg Plant

Representatives of the Linda Jo Shoe Company met last week with the Forestburg Development Corporation to develop plans for expansion of the company's Forestburg plant.

The present facility, which was started last April in a renovated building, now has over 30 employees. They make the upper part of a loafer and ship it to the Gainesville plant for completion. The intention is to double capacity at Forestburg.

Linda Jo officials praised the present employees for their pride, productivity, and skill and said they would like to have another 30 to 40 equal-

ly as good. They also stated that the present backlog of orders justifies the expansion.

It was agreed that this expansion would take place in two stages which will offer immediate job opportunities to 12 or 15 ladies, and the remaining force to be hired after expansion has been completed.

The Forestburg plant is accepting applications for additional employees in the expanded plant. Prior experience is not necessary since employees can be trained on the job. Also supervisors say the product is easy to make and the material is as easy to work with as textiles. The job was described as an excellent opportunity for permanent employment.

A job application form appears on page 3 in this paper.

H&W and Conoco Are Champions of Volley Tournament

H&W Meat Co. of Muenster and Conoco of Gainesville were champs in the men's and women's divisions respectively in the volleyball tournament sponsored by Sacred Heart seniors on February 3. Runners up were the Gilbert Hess team of Muenster in the men's division and Whereabouts of Lindsay in the women's. And the men's consolation prize went to Lindsay Buffaloes while ladies's consolation went to Six Pack of Muenster.

Players for H&W were Wendell Black, Kevin Pels, Phil Endres, Mark Hess, John Bartush and Gary Endres. With Gilbert Hess on his team were Paul Caplinger, Rudy Koesler, Ben Fleitman, Ricky Stewart, Tim Endres and Chris Walter. For Six Pack were Marlene Pagel, Sharlene Pagel, Elizabeth Kralicke, Gloria Hess, Julia Bayer and Janet Henschel.

It pays to advertise with the Muenster Enterprise.

The Center

A Favorite Spot for Family Dining

A house full of ways to save on your gas bill....

There are many ways you could be adding to your gas bill, and not be aware of it. Take a few minutes and: Check:

- Insulation, weather stripping and/or caulking around doors and windows.
• Fireplace damper for tight fit.
• For holes and leaks around window air conditioning units and roof-top ventilators.
• For clean filters regularly.
• Gas appliances periodically for proper adjustments.

- Do:
• Close drapes on sunny days and open them on dark ones, when using gas air conditioning. Reverse this process when using gas furnace.
• Leave thermostat at comfortable setting.
• Drain approximately one gallon of water

Lone Star Gas Clean energy for today and tomorrow

- per month from water heater to prevent mineral deposits from building up.
• Repair leaky hot water faucets.
• Use lids for pots and pans to reduce need for higher flame.

- Don't:
• Run partial loads in dryers, washing machines or dish washers.
• Block air conditioning vents, or in the case of heating, the hot air vents.
• Cool or heat unused rooms.
• Use higher flame on range than required.
• Pre-heat the oven any longer than necessary.

These tips will not only help you to reduce your gas bill, but help you to conserve our country's energy too.

For more information about home energy conservation, contact:

Consumer Relations Lone Star Gas Company 301 South Harwood Dallas, Texas 75201

Lindsay News

LINDSAY — Mr. and Mrs. Ed Schad have returned from a trip to Mexico City, making the five-day sight-seeing tour with several couples from Gainesville. They boarded a plane for the chartered flight in Amarillo. Sight-seeing included Our Lady of Guadalupe Shrine, old churches, and south of the city a sugar cane plantation.

Alvin (Red) Loerwald is back at home recuperating from spinal surgery performed in St. Mary's Hospital in Rochester, Minn.

Mr. and Mrs. Lawrence Zimmerer have had a 12-day vacation in LaFeria where they were houseguests of his brother and family, the Leo Zimmerers. They also visited other relatives including Mrs. Albert Bauer Sr., Mrs. Sophie Phillips, the Albert Bauers Jr. and Mrs. Rocus Spaeth and her son and family the Buddy Spaeths of San Antonio who were visiting there.

Lindsay's entire student body has selected Mr. and Miss Lindsay High and the Most

Popular students, making their selection from nominees chosen earlier by each class. Top honors went to Carol Zimmerer and Jerry Metzler, seniors, as Miss and Mr. LHS. Most Popular winners are Donna Zimmerer and John Gossett, also seniors.

Presentation of awards and a miniature soap box derby were highlights of the Cub Scouts' monthly meeting. Cub master Irby Macready presented wolf badges to Ronnie Fleitman and Eric Hess, bear badges to Mike Hermes, Mat Pelzel and Kevin Macready and a golden arrow point to Ronnie Fleitman. Racing winners in the car derby were Mike Hermes and Michael Hermes. Mrs. Alfred Hermes, den mother, assisted with meeting procedure. Refreshments were served to boys and their parents.

Paul Hess who bought the former home of the Frank Krebs Jr. family has moved it to its new location about two miles north of Lindsay.

Three places on the city council will be open for the April 6 election. Terms expiring are those of Mayor Joe Bezner and Aldermen Norbert Zimmerer and Julius Hermes Jr. Lindsay voters also will elect two on the school board. Ray Haverkamp and Weldon Bezner are trustees with expiring terms.

Members of Willie Fuhrmann's family joined in his room at Hillcrest Manor Sunday afternoon to help him eat a birthday cake they brought for him. Muenster and Lindsay relatives were there.

Father Bede Mitchel and a group of Lindsay youngsters sent off a number of helium-filled red balloons recently

with self-addressed postal cards attached asking the finder to return the card with his name and address and place where it was found. It's just a fun thing, Father Bede said. He did the same thing back in 1939 when he was teaching in Corpus Christi and one of those balloons was picked up by a Baltimore man who found it along Chesapeake Bay.

Miss Margie Stoffels and Mark Laster will be married Saturday, Feb. 16 at 3:30 p.m. in St. Peter's Church. Father Bede Mitchel will officiate. Daughter of Mr. and Mrs. Henry Stoffels, the bride-to-be is a graduate of Gainesville High School and is employed at Frontier Manor Nursing Home. Son of Mr. and Mrs. A. L. Laster Jr., the future groom is a graduate of Gainesville High and is a chopper operator at Riblet Glas Tec. Inc. in Gainesville.

SH School Seeks Canceled Stamps As Mission Work

Canceled stamp collecting continues as big business at Sacred Heart School — big business for the Missions. A major mission project of students and Sister Theresina, the stamps are a tremendous help, financially, for needy missions.

Sister Theresina has just received a letter of thanks from Sacred Heart Stamp Mission Center, Aurora, Ill., where she sent 38 pounds of stamps recently. "We are most grateful for the 'rich' assortment," the letter stated.

Everyone, everywhere, is urged to save canceled stamps. All stamps are solicited, even the ordinary run of 8s, etc. Stamps are sorted at the mission center and assembled in packages which sell to stamp collectors.

Stamps may be sent to Sacred Heart School, or in envelopes, taken to Mrs. John Felderhoff, cutter. In cutting their own, donors are reminded to leave a generous margin around the stamp.

A dime is not entirely worthless. It makes a fairly good screwdriver.

You needn't worry about avoiding temptation as you grow older — that's when it starts avoiding you.

Americans are still getting more energy from firewood than from atomic reactors," Frank N. Ikard, president of the American Petroleum Institute said.

County FB Leader Attends Two-Day Meeting at Waco

Charley Kammerdiener of Gainesville, president of the Cooke County Farm Bureau, attended a two-day conference for newly-elected county Farm Bureau presidents Jan. 24-25 in Waco.

Conducted by the Texas Farm Bureau, the third annual new presidents' meeting was designed to give the county leaders a better understanding of the structure of the TFB and its operating procedures. Current programs and activities were also discussed.

Areas of activities covered in the orientation sessions included membership acquisition, state and national legislation, Constitution revision, public relations, commodity activities, economic service programs, and research and education.

While in Waco, the county leaders toured the Texas Farm Bureau's new \$2.7 million headquarters building. This building, which houses the organization and its service-to-member companies, was dedicated last June.

Cooke County Farm Bureau is one of 209 organized county units in Texas. In 1973 all of those counties achieved a gain in membership, pushing the state total to more than 152,000 member families. The 1974 state goal is 170,000. The local county organization ended its 1973 year with 950 member families.

The Texas Farm Bureau is affiliated nationally with the American Farm Bureau Federation, largest general farm organization in the world. Farm Bureau is organized in all states except Alaska and ended 1973 with 2.3 million member families.

One day as I sat sad and lonely, without a friend, a voice said to me, "Cheer up, things could get worse." So I cheered up — and sure enough: things got worse.

Trig Class Visits CCJC Planetarium

Eleven members of SHH Trigonometry class visited Cooke County Junior College Planetarium on a field trip sponsored by their instructor Jim Gehrig, head of the math department.

Students on the half-day investigation away from the classroom were Doreen Pels, Cheryl Bayer, Estelle Martin, Beverly Walterscheid, Kevin Pels, John Bartush, Paulo Luz Don Knaut, Davey Krahl, Phil Endres and Steve Taylor.

County SS Office Extends Hours For Consultation

Because of increased Social Security business in Cooke County, the hours when Social Security representatives will be in the office at Room 6-B, Federal Building, Gainesville, are increased to 9:30 a.m. to 12:00 noon and 12:45 p.m. to 3:00 p.m., Tuesday and Thursday. The change is effective February 5.

In making the announcement, Gus Jones, District Manager, explained that the growing number of beneficiaries as well as the inclusion of the new program of Supplemental Security Income to replace State payments to needy adults necessitate longer hours of availability for Cooke County residents. "Nevertheless," Jones explained, "most people can be waited on more quickly by visiting the district office at 810 North Travis, Sherman. Too, most Social Security business can be transacted by telephone. The number is 214-893-4301.

One way to success is to make hay of the grass growing under other folk's feet.

SH Honor Society Nominates 2 for Scholarship Try

Sacred Heart High Honor Society members have nominated two seniors to compete for a one thousand dollar scholarship sponsored by the National Honor Society.

Beverly Walterscheid and Cheryl Bayer have been chosen to try for the scholarship. They are daughters of

the Julian Walterscheids and George Bayers.

In other business of their recent meeting the society discussed activities for the remainder of the year, and committees were appointed to take charge of plans for a volleyball tournament to raise money for the society's annual scholarship fund.

AIMING FOR ECONOMY IN A SMALL CAR?

THE DODGE BOYS ARE RIGHT ON TARGET

WITH DODGE SPORT!

- PRICED LESS THAN VW'S MOST POPULAR MODEL!

Difference based on Manufacturers' Suggested Retail Prices for 6-cylinder Dodge Dart Sport and VW Super Beetle, both equipped with all standard equipment. Not included are state and local taxes, destination charges, and Dealer preparation charges, if any.

- CAN GO FARTHER ON A GALLON OF GAS THAN NOVA!

Gas mileage figures based on October, 1973 Popular Science magazine. Tests performed by Popular Science for its report were conducted on '73 vehicles with figures adjusted by Popular Science for 1974 model changes and the results of E.P.A. tests.

- MORE TRUNK SPACE THAN 3 PINTOS.
- MORE TOTAL HIPROOM THAN MAVERICK.
- INCREASING RESALE VALUE.
- OVER A MILLION SATISFIED DART OWNERS!

Bill Knabe, 67, Is Birthday Honoree

About 135 guests — friends and relatives — were at the Parish Hall Wednesday, Feb. 6, to help Bill (Buck) Knabe celebrate his birthday. He was 67.

After a happy hour there was a fried chicken and country sausage supper with all the trimmings.

The day before, Feb. 5, brought a birthday surprise — a decorated cake — from the school. Knabe is parish maintenance man.

Forestburg FFA Eighth in Contest

Boys of the Forestburg chapter of Future Farmers of America won eighth place honors in the range and pasture plant identification contest held during the Southwestern Exposition and Fat Stock Show in Fort Worth.

Team members are Kenne Woods, Charles Lanier, Barry Willett and Cecil Jones. Their coach is Charles Edwards, ag teacher.

You've got to hand it to the income tax people — or they'll come after it.

Forestburg News - United Methodist Church.

Would like to report that John Links is sporting a cast on his right arm. Wife Imogene says the cast goes nearly up to John's elbow. John had to have surgery on his right hand and arm — this was done on Jan. 30 in Denton. He will be under Gene's and Aunt Bruce's feet for about a month. We also noticed there isn't much wood up either.

The United Methodist Women met Monday Feb. 4 in the church annex for their regular meeting. Mrs. Lucille Littell president was in charge of the program which was titled "Personalizing Mission." Other members present were: Mrs. Edith Self, Mrs. Alice Shears, Mrs. Laura Belle Jackson, Mrs. Dave Roberts, Miss Ruth Smith, Mrs. Decie Ellzey and Mrs. Vera McGee. Mollie Howell attended as a special guest. Mrs. Edith Self was honored with a birthday party at the close of the meeting. Refreshments of cookies and punch were served.

Then on Thursday morning Feb. 7 several of the ladies met to plan the years work and programs for the organization. Those attending this meeting were Lucille Littell, Alice Shears, Letha Roberts, Ruth Smith, Vera McGee and yours truly.

On Thursday night there was a Bible study at the Methodist Church — which was very well attended.

The Charles Dill home was the scene of a pink and blue shower honoring Mrs. Gary Dean Johnson — the former Liz Houston. Refreshments were served to about 20 guests. Hostesses were Teresa McMillion, Dorothy Tipton and Beth Dill.

The Jack Dills and Vatoni, Mr. and Mrs. H. P. (Jack) Gresham and B. E. Pool all of Forestburg drove to Greenville Monday night Feb. 4 to take in the Washington D.C. Ballet Company's performances. Dennis Pool was the main male star in two ballets of the four performed that night. Dennis is the grandson of the Greshams and also of Mr. Pool. Was somewhat hard for me to believe that Jack Dill would "go for" ballet but wife Jewell says he really enjoyed it. One never knows — does one?

Ruth Smith, Rosston Road, reports she had some guests come her way Sunday Feb. 3. Her guests were Mr. and Mrs. Charles Curley of Bowie, and Mr. and Mrs. O. L. Reeves of Decatur. Ruth says the Curleys and Reeves are her kin.

Mr. and Mrs. Paul Hickman of Sivells Bend visited Dave and Letha Roberts Sunday Feb. 3. The Hickmans and Roberts attended the same church at Coppell and became good friends. The Hickmans have since retired to a ranch at Sivells Bend.

Mrs. Frances Summers of Bogata has been visiting in the Max Brogdon home the weekend of Feb. 2. Mrs. Summers is Mrs. Brogdon's mother. By the way, Bogata is near Lubbock.

Mr. and Mrs. Robert Ensey, Dewey, were in Irving from Feb. 3 to the 5th visiting the Jack Enseys. My husband stopped by this past Sunday a.m. to check on Robert and Juanita — he found Robert not feeling well at all.

Mrs. Jewell Dill, Mrs. Nell Gilliland and Mrs. Beulah Dill were in Dallas Tuesday Feb. 5 visiting Mrs. Lillian Lee. Mrs. Lee and Nell are sisters.

"Tuck" Scott was taken to Muenster Hospital via ambulance Tuesday Feb. 5 after he fell from the roof of a two-story house. "Tuck" is reported to have broken both collarbones and to have several crushed vertebrae in his spine. The house Tuck fell from is one being constructed on the Mack Traylor place belonging to Don Parks.

Mrs. Charles (Beth) Dill was taken to the Muenster Hospital Friday morning Feb. 8. Jewell Dill says Beth is suffering from pneumonia.

Mrs. Mae Degraffenreid celebrated her 81st birthday Sunday Feb. 3. Her son Mr. W. E. Burchard of Long Beach, California, took Mae out to dinner in celebration of the day. On Monday Feb. 4 Mrs. Bill Montgomery and Mrs. Chad Howard from Greenwood ate a birthday dinner with Mae. That p.m. they all went to Sanger to visit Mrs. Blondie Wittick and had cake and ice cream with her.

The A. G. Barclays were over in Alford Friday Feb. 8 visiting his kin there. They made it to the Troy Barclays, the Johnny Barclays and to his mother Mrs. Claude Barclay. Must be nice to have all your kin so close so you can visit them whenever the mood hits you. However, I wonder about Gladys Barclay — Charlie's wife — her kin live in San Antonio and south of there. Don't reckon she can strike out to see them whenever the desire hits her. Makes it sorta rough on us gals who are "foreigners" in these parts. Oh, we call A. G. Barclay "Charlie" just to set the record straight.

Our local cafe really seems to be going over in a great way. Sure see lots of cars and pickups parked in front of it at meal-time especially. Hear the food is very good and the servings ample. Am sure that all the single men hereabouts are mighty happy to have it. Imagine there are a lot of coffee drinkers and pie eaters there to talk over the day's problems of the cattle raising business, etc., and they are proud to have a place to relax, bend the elbow and lift a fork.

Seems like the weddings are really popping where Alvie Riddle's children are concerned. Now wedding bells are in the air for Alvie and Deloris' lovely daughter Carolyn. Seems she will make the trip to the altar before long. Then son J. W. will make the trek sometime the last part of March. Alvie, before you chop away too many corners from your table — remember your children may be coming home with grandchildren someday. That is the normal course of events.

Budget: System in which the outcome of the income depends on the outgo for the upkeep.

There was a time when a fool and his money were soon parted. Now it happens to everybody.
