VOLUME XXXVIII

MUENSTER, COOKE COUNTY, TEXAS 76252 MARCH 15, 1974

NUMBER 17

There are good reasons for the many gripes we hear about last Saturday night's Channel 4 report on Muenster. The show was a huge disappointment to everyone who has a spark of pride in the home town. It revealed a pitiful lack of planning as well as a lack of consideration for the people of Muenster. It missed dozens of scenes which give a more realistic picture of the town and it also by passed a multitude of facts that present Muenster as an industrious and progressive community.

We like the bit which tells that three Flusche brothers founded the community and a descendant of one of them is still doing business here. We also appreciate a plug for the milk plant while regretting that it gave a puny idea of its vital importance to the town and surrounding rural area for a half century. Otherwise the show was mostly a flop.

People who put on that kind of show must know that they can't do justice to a town by a spontaneous effort. The random selections for interviews and small talk about energy shortage, cost of living, politics, etc., were pitifully irrelevant. The proper way would have been to present persons and dialogue which give a more accurate impression of the town.

A few things that should have been told are that this is a progressive community with a good rural area featuring dairy, beef and grain farming along with a sound conservation program and also a substantial oil industry. The town has lots of good looking homes with well kept yards, also better than average streets, two parks and a good swim pool. It has a magnificent church, two good schools, and one of the finest hospitals in North Texas. It has the headquarters of a three-county rural electric system, a livestock auction a dress factory and a machine tool plant, a bank, four car agencies, two meat processing plants, three feed plants, two building centers, plus stores and restaurants that are good enough to attract folks from other areas.

For many years it's been widely known that Muenster is well above the average for its size. The TV program had good reason and ample opportunity to convey that idea, but it goofed miserably. The presentation was embarrassing and belittling.

Without a doubt the kidnapping situation in this country can be improved somewhat by President Nixon's recommendation to restore the death penalty in cases where the victim is murdered. Conceivably a smart kidnapper would be influenced not to take the chance if he is aware that he faces the ultimate penalty if caught, whereas now he has more incentive to kill than to let the victim live.

Under present law the penalty is no worse for killing than just for kidnapping. So it's to the kidnapper's advantage to eliminate the person who later can help convict him of the kidnapping. He has all to gain and nothing to lose when he commits the second crime in an attempt to escape punishment. One might say that the law actually encourages kidnappers to go all the way with the crime.

That's why this column likes the president's suggestion — but only as far as it goes. Anything to save the life of a kidnapped person is lots better than we have now. But it would be still better if it helped prevent the kidnapping in the first place. The president should have suggested the death penalty for both kidnapping and murder.

An even better idea is to restore capital punishment for all major crimes including rape, robbery with a deadly weapon, first degree murder, and especially murder of police officers and prison guards. Since our nation has abandoned the moral standards which are essential to better behavior it ought at least be practical and use severe punishment as a means to combat crime.

The idea isn't expected to appeal to liberals and sob sisters. They are horrified at the thought of punishment being more severe than the crime. On the other hand, however, we ought to remember that we had less crime when our laws were tougher, and when we were more concerned with

## Mrs. Joe Kathman 86, Dies Tuesday Funeral Thursday

Mrs. Joe Kathman, 86, a Muenster resident 81 years, died Tuesday, 4:45 p.m. in Muenster Hospital. She had been in failing health about two years.

Funeral services with Mass were held Thursday at 9:35 a.m. in Sacred Heart Church and burial followed in Sacred Heart Cemetery. Father Placidus Eckart was officiating minister and Nick Miller Funeral Home was in charge of arrangements.

Bearers were Ferd Luttmeyer, Freddie Joe Hennigan, Starling Lawson, Raymond and David Lutkenhaus, Frank Kathman, Paul Fisher and Larry Hennigan.

Rosary services were held in the Miller Chapel Wednesday at 4 and at 8 p.m. The former Frances Bergman was born Sept. 2, 1888, in Bow Valley, Neb., and came to Muenster with her parents the Frank Bergmans as a child. She married Joe Kathman here on May 19, 1916. He died July 22, 1965. They had no children.

Mrs. Kathman was a member of the parish St. Anne's Society and the local court Catholic Daughters of America. She was active in both organizations and belonged to leisure time clubs enjoying 42. Her hobbies included handwork — crocheting and knitting. In her younger years she did custom sewing.

Nieces and nephews survive including Mmes. Paul Fisher and Larry Hennigan of Muenster, Ben Lutkenhaus of Lindsay, Starling Lawson of Gainesville, Art Arnold of San Antonio and Charles Flens Sr. of Adkins; Frank Kathman of Gainesville, Raymond and David Lutkenhaus of Lindsay; and three sisters-in-law, Mmes. Bill Kathman of Muenster, Joe Bergman of San Antonio and C. H. Kathman of Reudosa, N. M.

## FHA Girls to Sell Smile Candles for Dystrophy Relief

Smiles for Muscular Dystrophy is a project adopted by the Muenster Chapter of Future Homemakers of America in cooperation with the Muscular Dystrophy Association of America.

In support of the effort Mayor David Bright has issued a proclamation designating April 1 to 6 as Smile Week in Muenster, with a theme of "Put a Smile on the Face of a Dystrophy Child."

As a means of helping the dystrophy children, the FHA girls will sell smile candles all day on Saturday, April 6, and donate their earnings to the NDA which provides clinical care, therapy, recreation and research for the widespread muscular disease.

The popular smile candles with the classic happy face make a happy addition to every home and help toward making an afflicted child happy. The price is \$1.50 per candle. The project committee includes Janet Wimmer as chairman and Dianne Yosten, Barbie Davidson, Debbie Reynolds, Charlotte Johnson, Mary Lou Fleitman and Shirley Swirczynski, with Mrs. Judy Flowers as advisor.

Mrs. Charles Denny of San Antonio is spending this week with her parents, the Ben Lukes, and other members of the family.

## The New Name Is Cooke County College

A change of name from Cooke County Junior College to Cooke County College was approved by the institution's board of trustees at its regular meeting last week.

The action followed a motion made in the February meeting when it was pointed out that the scope of instruction is more extensive than suggested by the designation as a junior college.

At that time there was a recommendation to change to Cooke County Community College but the motion was tabled allowing time for the trustees to get opinions from the public. They learned that "Community" in the name was generally disliked because it was regarded as misleading

## Council Bans Late Drinks, Assembly In Public Places

Gatherings in the wee hours for the purpose of drinking or mischief or disturbing the peace in any way has become subject to more than just a reprimand. A new ordinance passed by the city council last week says that it is a violation of the law and is punishable by a fine not to exceed \$200.

The ordinance states that after legal closing time of bars and restaurants it will be unlawful to consume alcoholic drinks in any public place. Also it will be unlawful for two or more persons to assemble in a public place within the city for the purpose of commencing a violation of an ordinance or to create a public nuisance or hazard to the well being of any citizen.

## Tigers Continue Hot Track Record At Saint Jo Meet

The Tigers of Sacred Heart continued their fine track record Saturday by winning second place in a meet of Class B teams at the Red River Relays of Saint Jo. They had a score of 68-3/5 whereas Celina was comfortably in front and Saint Jo was in third place.

Scoring for Sacred Heart was as follows:

Pole vault: Bob Grewing in a five way tie for fifth place.

High jump: Roger Endres second, 5 ft. 11 in., a new Sacred Heart record.

880 yard run: Bruce Fuhrmann fourth.

100 yard dash: David Krahl first, 10 seconds, new SH record.

330 intermediate hurdles: Mark Hess third.

220 yard dash: David Krahl first, 23.1.

1 mile run: John Bartush first, 4:57.2, Mark Hess fourth.

1 mile relay: Sacred Heart second, 3:43. Runners were Mark Hess, Danny Voth, John Bartush and David Krahl.

This weekend Sacred Heart will be co-host with Saint Jo on the Saint Jo track in an invitational meet for the schools of District 7-B. Twelve teams will be competing.

## Hornet Band Will Enter 2 Contests

Fifty six members of the Muenster Hornet Band and their director, Bob Hayes, will be at Grand Prairie High School next Wednesday to participate in Region V concert and sightreading contest.

For the concert they will present three selections after which a panel of three judges will give them a rating of 1 (superior), 2 (excellent), 3 (good), 4 (fair), or 5 (poor).

In the sightreading event the band will present a selection which neither the members or the teacher have seen before. Then again they will be given one of the five ratings by a panel of three judges.

In behalf of the band Mr. Hayes expressed thanks for continued support, especially those who are helping with the scrap paper project.

## Paper Drive Saturday

SHH seniors will conduct a scrap paper drive Saturday Mar. 16, beginning at 9 a.m. Persons with paper to give are asked to have it boxed or corded and out at the curb for quick pickup. Those who are unable to get their paper out may call 759-4369.

## 4 Will Advance To Eagle Scouts In Court of Honor

Four young men of Muenster will reach the highest ranks of Boy Scouting and six others will receive lesser promotions in Court of Honor ceremonies to be held Saturday at 7:30 p.m. in the K of C hall.

Tom Bright, Jim Luke, Paul Reiter and Ronnie Weinzapfel will become Eagle Scouts. Damian Luke will advance to Life Scout. Bernie Fette, Mike Richardson, Lloyd Reiter and Joey Sicking will move up to First Class Scout, Sam Bright to Second Class Scout, Floyd Felderhoff and Mark Felderhoff to Tenderfoot.

Along with the insignia of those promotions, 48 merit badges will be presented.

Special guests for the Eagle Scout ceremonies will be T. C. Schneider of Gainesville, representing the national council, who will administer the Eagle pledge. And Jack Groves, district representative will give the Eagle charge. Henry Weinzapfel, local committee chairman will be the program chairman and David Bright, mayor, will be master of ceremonies. Scoutmaster Wilfred Reiter and Weinzapfel will make the presentations.

In addition, in the Eagle ceremony mothers will pin the Eagle emblem on their sons and sons will pin a miniature Eagle emblem on their mothers. Also four old Eagles will present neckerchiefs to be given by the Eagles to their fathers.

## Junior High Track Girls Are Third in Burkburnett Meet

Junior high and high school girls of Muenster did a fine job last Friday at an invitation track meet at Burkburnett. Competing with fourteen schools ranging from Class B to Class AAA, Muenster took third place in the junior division and sixth in the high school division.

A slight mistake deprived the junior girls of top honors. They won first place in the sprint relay but were disqualified for passing the baton out of zone. The win in that event would have added 20 to their score for a total of 111. At the same time Olney would have dropped from first to second in the event and its total score would have dropped to 95.

As it turned out official scores of the meet were Olney 99, Burkburnett 94, Muenster 91, Newcastle 79, Archer City 69, Perrin 26, Windthorst 26, Notre Dame 21, Henrietta 18.

The host team ran away with the high school division scoring 167 points. After that were Henrietta 83, Northwest 75 1/2, Windthorst 63, Olney 42, Muenster 30, Newcastle 24, Notre Dame 16, Graham 13, Bowie 12 1/2, Archer City 11, Jackboro, Duncan and Perrin failed to score.

Events in which Muenster High scored were as follows:

440 dash: Mary Lou Fleitman, second.

220 dash: Melissa Weinzapfel, fifth.

880 dash: Gina Felderhoff, fourth.

Discus: Gina Felderhoff, fourth.

1 mile relay: Muenster third, Mary Lou Fleitman, Debbie Schneider, Barbie Davidson and Laura Sicking.

Close misses were Becky Fields eighth in the 220 and the 440 relay team seventh.

Runners in that were Becky Fields, Laura Sicking, Debbie Schneider and Melissa Weinzapfel.

The junior high team scored as follows:

Shot put: Thelma Lewis, second.

Discus: Thelma Lewis, third.

High pump: Karen Barnhill, fifth.

Triple jump: Barbara Klement, fifth.

440 dash: Kathy Davidson third, Thelma Lewis seventh, Debbie Zimmerman eighth.

220 dash: Barbara Klement second, Robin Walterscheid third.

880 dash: Barbara Klement first, Kelly Hale fourth.

880 relay: Muenster first — Karen Barnhill, Barbara Klement, Lisa Krahl, Kathy Fisher.

1 mile relay: Muenster first — Donna Hennigan, Kathy Davidson, Lisa Krahl, Karen Barnhill.

## Prolonged Delay Of Sewer Repair Ended Wednesday

Sewer problems which have been haunting the city since December 10 apparently are coming to an end this week. City Superintendent Steve Mosler said Wednesday that a part which had been awaited more than three months was finally being installed then.

The failure was on a paddle wheel of the sewer's race-track, the wheel which keeps sewage in rapid flow to promote oxidation. With one of the two wheels out of order the chemical action was inadequate and allowed pungent odors to develop, as during the past weekend.

A prompt order for the replacement part got no results and a re-order five weeks later was equally ineffective. Eventually Steve and Joe Mosler had a special casting made in Fort Worth and machined by Flusche Enterprises. The job of installation got underway Wednesday.

## 15.2 Miles of I-35 In County to Get Resurfacing Job

A contract for hot mix asphaltic concrete pavement and seal shoulders on 15.2 miles of Interstate Highway 35 in Cooke County has been announced by the Texas Highway Department.

The project, which will require an estimated 120 working days, extends the MKT Railroad in Gainesville to the Denton County line. Work will be under direction of Engineer John C. Simpson of Gainesville. Contract was awarded to Jagoe-Public Company of Denton on a low bid of \$205,076.65.

The project is described as a heavy maintenance and betterment project on the heavily traveled highway. Work on the main lanes consists of the application of a mat of hot mix asphaltic concrete. The aggregate in this material will be a lightweight expanded clay which has a very high resistance to skidding and will maintain this characteristic over a long period of time. The seal coat on the shoulders will be applied using a light colored aggregate which will provide a good contrast between the main lanes and the shoulders.

## Community Garden Project Is Relief To High Food Cost

Something new in local gardening, and well timed as a part solution to rocketing food prices, is the community garden just established by J. M. Weinzapfel. It's named the Willow Creek Gardens, after the creek on which the Weinzapfel lake is located.

An area of almost three acres on Maple Street north of the former Katy right of way has been divided into twelve areas measuring an average of 100 x 100 ft., which is slightly less than a quarter acre. The locations can be leased for a year at \$10 each. Half the space is available for \$8 and a 30x30 area for \$5.

The lease includes free water which is piped from the Weinzapfel lake some two blocks north. To tap the water supply a plastic pipe was installed through the overflow drainage pipe and draw down tube then over to the draw down to the water. The flow begins by siphoning and continues by gravity to five hydrants located at the garden.

By way of preparation the area has been plowed three times with a serated tandem disc harrow then fertilized with 1450 pounds of 8-16-8 and leveled with a heavy drag.

## 3 Baseball Teams Remain in District

The 14-A baseball district, originally consisting of five teams, was reduced to three teams this week as Petrolia announced that it was pulling out of the race. Callisburg withdrew earlier. Member teams now are Muenster, Sanger and Frisco.

Coaches of those three teams met in Sanger Tuesday night and drew up a revised schedule, which begins Friday. Muenster's games were booked as follows:

Mar. 15, Sanger, here, 4 p.m.

Mar. 19, Frisco, here, 7 p.m.

Mar. 22, Sanger, here, 4 p.m.

Apr. 8, Frisco, here, 4 p.m.

## No Contests in Local Elections

Three local elections without a single contest await Muenster voters when they go to the ballot boxes on Saturday, April 6. After the passing of deadlines for filing candidacy the elections for city council and school board and hospital board had a candidate for each vacancy but no more.

The same applies to the county school board election, but voters will have two choices in the election of

trustees for Cooke County College.

Final date to qualify for a place on the city ballot was March 6. When it had passed City Superintendent Steve Mosler disclosed that Richard Grewing and A. T. Tuggle had announced intention to seek re-election, however Rody Klement declined to ask for another term and Leo Hess had filed for his position.

March 6 was also the deadline to announce candidacy for the Muenster school board. When it had passed Robert Bayer was unopposed for re-election to Place 2 and Adam Wolf was unopposed to succeed Ray Wilde in Place 1.

A similar situation developed in the list of candidates for Muenster hospital district board. Following the March 11 filing deadline, Rufus Henschel, Albert Dangelmayr, Norbert Felderhoff and Ray Voth chose to seek re-election whereas Sylvan Walterscheid decided not to continue. His place on the ballot was taken by Norbert Walterscheid.

The net result is that the community has a total of ten candidates for the ten open positions on three ballots. There are no contests in the local elections.

Nor is there a contest on the ballot for county school board election. Herman Hartman is unopposed for re-election as member at large. Board members for Precincts 3 and 4 do not have expiring terms this year.

The only action will be that in the election of board members for Cooke County College. Don Howeth and James Spires are in a contest to succeed Paul Campbell in Place 6 and Billy Farr is challenging incumbent Boyd Ware for Position 7.

## Hornets Second In Speedy Crowd Of Holiday Meet

Coach Glenn Richardson's Hornet trackmen overcame some powerful competition last Saturday in winning second place at the Holiday invitation meet. Also there and putting the pressure on Muenster boys were Community, which made a strong showing in the Class A state meet last year, and Rule, which won the Class B state championship.

Muenster had 105 points in the Holiday meet and Community took top honor with 143. Rule was third with 97, Childress was fourth and Quanaah was fifth. There were 22 teams participating, mostly Class AA and several Class A. Rule was the only Class B entry.

Point makers for the Hornets were as follows. 440 relay: MHS third run by Mark Sicking (soph.) Terry Walterscheid, Mark Sicking (fresh.) and Tom Bright.

880 dash: Dan Sicking, second (lost to state champ) with time of 2:03.4. Mark Sicking (soph.) was third and Randy Wolf sixth.

120 hurdles: Louis Koelzer fourth with time of 16.5.

330 hurdles: Louis Koelzer second, time, 44.2.

1000 meter steeplechase: Albert Zimmerman second, Andy Serna third, Mike Davidson fourth.

1 mile run: Lyle Klement first, beating last year's state champ with a time of 4:47.8; Dean Sicking third (5:00) and Kirk Johnson fourth (5:05).

Junior varsity mile relay (no seniors participating): Muenster first with time of 3:47.6. Runners were Mark Sicking (soph.) Terry Walterscheid, Randy Sawyer and Tom Bright.

Varsity mile relay: Muenster fifth with time of 3:46. Runners were Curtis Klement, Louis Koelzer, Tim Felderhoff and Dan Sicking.

Discus: Danny Endres fourth, 126 ft. 10 in.

Next on schedule for the Hornets is the Nocona meet Saturday.

Weekend visitors with the B. J. Swirczynski family were Mary Jane Swirczynski, Andy Mocho and Sharon Sloan, all of Irving.

## MHS Baseball Boys Win 1 and Lose 2

Wayne Klement's MHS baseball boys encountered tough competition in two games with Pottsboro during the past week. The team is practically the same as that which was nosed out of the district title by Bells last year and split a pair of games with Frisco, the 14-A champ.

At Pottsboro last Thursday the Hornets lost 8-4 behind the hurling of Terry Walterscheid and Danny Endres. MHS was working on 4 hits and 2 errors while Pottsboro got 8 hits along with 2 Muenster errors. Muenster hitters were Randy Wolf, Robert Johnson, Terry Walterscheid and Danny Endres.

On the local field Monday, Pottsboro cashed in on the pitching troubles of Terry Walterscheid and Randy Wolf for a win of 11-2. It out-hit Muenster 15-5, also had 2 errors and Muenster 3. Terry Walterscheid got 2 singles for the Hornets, Terry Huchton, Danny Endres and Bob Endres each one.

But the going was better as the Hornets hosted Alvord Tuesday. They won 10-1 on the pitching of Danny Endres while the visiting hurler allowed 5 hits and lots of walks. Also Alvord made 5 errors and Muenster 1. MHS hitters were Terry Huchton, Robert Johnson, Ronnie Felderhoff, Terry Walterscheid and Bob Endres.

## 36 Animals Will Be on Exhibit at FFA Project Show

About 36 animals will be on exhibit next Monday when boys of the Muenster FFA Chapter hold their annual project show in the chapter's stock pens on the Muenster High campus.

Edgar Dyer, ag teacher and chapter adviser, announced this week that the boys will have their animals on exhibit from 10 a.m. to 1 p.m. At that time they will be judged by Jack Clark, ag teacher of Era High.

Judging will not be competitive. Rather the entries will be classified according to quality as blue, red or white.

A number of the animals from this show will be entered next Thursday in the annual Cooke County Junior Stock Show, which is open to all FFA and 4-H members of the county.

## Volleyball Girls At MHS Practice For 14-A Tourney

Volleyball girls of Muenster High School, shaping up for the District 14-A tournament at Sanger on March 19, have met twice with the girls of Era High. At Era on the 4th they were winners in 5 out of 9 games, and at MHS on the 11th they took 6 of 9 games.

The team, coached by Robert McDaniel, includes Hilda Serna, Julie Sicking, Diane Klement, Sandy Dittfurth, Becky Fields, Kim Klement, Sheila Grewing, Debbie Schneider, Margie Wolf, Connie Walterscheid, Jeanne Swirczynski, Darlene Klement and Marlene Klement.

The girls will meet Nocona in the district tourney opener at 12:30 next Tuesday.

## Employees Recognized

Among 15 Weber Aircraft Co. employees awarded five-year service pins at the plant Friday were Marie Koelzer and Dale Hobbauer of Muenster. Mrs. Koelzer is the first woman from Muenster to receive the award.

## Forestburg News

By Myrt Denham

FORESTBURG — Every now and then I like to write about someone in the community everyone knows, likes and respects. This week I want to "toot the horn" for Wynona (Greenwood) Riddles. Wynona lives out on the Alvord high-

way with her parents, Mr. and Mrs. Virg Greenwood, her sister JoAnn and her brother, Billy. She works in our school lunchroom full time and two days a week she works at another job. Wynona also helps her father and brothers with their farm and ranch operation plus doing household chores and gardening, etc. She loves children and they love her so her job at school is right up her alley. Wynona, along with her co-worker and friend Mrs. Decie Ellzey, do alot of visiting to the sick, shut-ins, and the older folks in the community. She is a devout member of the local Church of Christ. Would also like to add that Wynona is always so pleasant, cheerful, congenial and has one of the most delightful laughs I've ever heard. I

think she is tops and a very fine person.

Mr. and Mrs. Willard Freeman and Sharlett were in Bowie Saturday, March 2, visiting Willard's mother Mrs. Cona Freeman. I understand Willard's mother's name is Nocona but everyone calls her Cona. Willard told my husband, one day recently, that he is on the mend and expects to return to work soon. In case you forgot — or didn't know — Willard suffered two heart attacks not too long ago. We are happy to learn that he is on the mend.

Mrs. Clara Mann was in the area visiting the weekend of March 2-3. She paid Cecil and Dorothy Foster a visit Sunday. Mrs. Mann now resides in Midland with her son Hoyt and his wife Dorothy.

Visiting Jim and Rosa Bryant, Mallard area, Sunday was Rosa's sister Mrs. Ada Tucker of Bowie.

Mrs. June Eldridge and Connie had as their visitors Sunday, March 3, Mr. and Mrs. George Osteen and family of Dallas. Another guest of June's and Connie's was Mrs. L. T. Eldridge, Sr. of Dallas.

Mrs. Eliza Willis, who resides at the Yes-Ter-Yer Nursing Home in Saint Jo, spent Sunday, March 3, visiting Mr. and Mrs. Kenneth Woods and family. Mrs. Woods is the former Charlene Willis — Eliza's daughter.

Mr. and Mrs. J. C. Robertson and family visited the Ross Tennysons of Poolville Sunday. The Tennysons are Mrs. Robertson's parents. The Robertsons live sorta between the Uz and New Harp area. They built a lovely Spanish type home out that way here a few years ago.

Two of Frances Brewer's sons paid her a visit the weekend of March 2-3. Son Paul and family of Denison were her guests Saturday. Son Keith of Oklahoma City was there Sunday. Had wondered about Keith. Last report I had he

lived down around Dallas-Fort Worth. Now he is in Oklahoma City. He does get around.

Mr. and Mrs. Fred Williams, who live on the Montague highway past the Mallard area, and Mrs. Hazel Johnson of Montague visited the Freddie Williams of Brownwood the weekend of March 2-3. Freddie die is Fred and Lucille's son.

Mae and Bill Landers motored to Hurst Sunday, March 3, to visit the Travis Landers family and Mr. and Mrs. Charles Stewart. Mrs. Stewart is Mae and Bill's daughter.

Driving down to Uz Community from Wichita Falls Sunday were Mr. and Mrs. Sam Parsons. They paid the Buford Greenwoods a visit. Mrs. Parsons is the former Carla Greenwood — Buford's daughter. I was told that Carla and Sam have both finished their schooling and both have very good jobs in Wichita Falls.

Mr. and Mrs. Carl (Squack) Barnett of Alvord visited the Virg Greenwood clan Sunday and had supper with them. "Squack's" brother B. L. Burnett resides over here in the Dewey Community.

Mr. and Mrs. Larry Bailey of Lubbock visited Larry's mother Juanita Bailey the weekend of March 2-3. I am given to understand that Juanita keeps very busy doing odd carpenter jobs around her (Continued on Page 4)

**S. A. Truck Due Mar. 21**

The Salvation Army truck is scheduled to make its regular monthly visit in Muenster on Thursday, Mar. 21. Clothing, household items and appliances are welcome. Persons with discards to give may call 759-4311 no later than the day before to have the truck stop at their homes or places of business.

The mistletoe bird of Australia feeds its young while hanging upside down.

**St. Anne's Reception Set for March 19**

Several candidates are awaiting reception in St. Anne's Society next Tuesday, March 19, when ceremonies of reception will be held in Sacred Heart Church following the evening Mass. Others who plan to join are invited to be there at that time, or, if more information is needed, contact Mrs. Al Hess, president.

If the government ran it, crime wouldn't pay.

**Tickets Available For St. Joseph Day Event to Mar. 17**

Tickets for the community dinner and game party on March 19, feast of St. Joseph, are on sale now through March 17. That deadline was set so the food committee will know how many to prepare for. Telephone calls are being accepted by Wilfred Bindel, 2729, and Denis Walterscheid, 4457, for ticket reservations. Tickets are \$2.00 each. This is a family night and everyone is invited to attend.

**Visitation Sunday For 3rd Order of St. Francis, 3 p.m.**

Members of the Third Order of St. Francis, at their meeting Sunday heard final plans for their Day of Visitation Sunday, March 17. The special services and conferences will begin at 3 p.m. in Sacred Heart Church with Father Bennet Funk, OFM, associate provincial from Chicago in charge.

Mrs. Leo Henschel, prefect, conducted the meeting and led the order's prayers. Father Placidus Eckart read the scripture and explained it briefly.

Secretary's report was given by Miss Lu Vogel and treasurer's report by Mrs. Felix Yosten.

Letters of gratitude were read from the Devassey and Dommini family, the fraternity's adopted Franciscan families in India, for regular donations sent by the local order. Meeting concluded with the peace prayer. Fourteen members were present.

**Auxiliary Joins VFW Post Giving Citation Awards**

Muenster VFW Auxiliary members joined members of VFW Post 6205 Monday night in a program for presentation of citation awards to persons who gave voluntarily of their time and talents at the time of the major highway crash west of the city last Dec. 23.

Herbie Knabe accepted the citation for Muenster Volunteer Fire Department and Mrs. David Walterscheid accepted for Muenster Memorial Hospital staff and personnel.

Individual citations for services went to Mmes. Martin Kralicke Harvey Lampkin, Mel Stephens, Delbert Walterscheid, and Larry Dankesreiter and Dr. Martin Kralicke.

The joint program was held before separate meetings of the men and women.

Mrs. Arthur Bayer conducted the Auxiliary's business session during which Mrs. Andy Klement was accepted as a new member.

Program participation for the month consists of sending a donation to the Health and happiness Fund of the National Home and this was approved.

Members discussed the March of Dimes which they will sponsor again this year with the principal source of funds coming from a church door collection, date to be announced. They also plan to participate in the Cancer Aid and Research drive for funds.

The Auxiliary appropriated five dollars from treasury funds for both local churches for Easter flowers.

It was announced that the meeting next month will feature election of officers.

Nineteen members were present, Mrs. Charles Knabe won the door prize and after adjournment the women joined again with the men for a chicken supper.

There are compensations in everything - small profits, small taxes.

Special prizes have been secured for game winners. The social event in the Parish Hall will follow a special evening service in Sacred Heart Church. Observance of St. Joseph's Day dates back to pioneer days in Muenster when early settlers vowed to honor St. Joseph, patron of builders and himself a carpenter, if he would protect their church from storms. Two churches have been destroyed by cyclones. Children and grand children of those pioneers have continued the tradition and the parish has been spared destructive winds.

# Forestburg News

place, raising chickens, ducks, doing organic gardening, taking care of some cows and a pet dog.

This news is a little late but we do want to pass it on to you folks. All senior students of our high school who participated in basketball this year were awarded their basketball jackets Feb. 20. All other students had to purchase their jackets. I presume this means the students who played basketball.

The United Methodist Women had their regular meeting Monday, March 4, in the annex of the church. This

meeting was opened with a devotion, short program, and a short business session. Since it was the World Day of Prayer the members had decided to do some visitations. Lucille Littell, Letha Roberts, Alice Shears, Decie Ellzey, Vera Mae McGee and Hettie Landers called on Mrs. Kenneth Woods, Mrs. Mae Landers, Mrs. Mae DeGraffenreid, and Edith Self. Then Decie, Vera Mae, Letha and Hettie visited Mrs. Bessie Hudspeth, then Decie, Vera Mae, and Hettie called on Ida Wylie. Marion Sockwell and Cleo Lanier visited Mrs. Bruce Hudspeth.

On Tuesday night there was a Mission Study at the Methodist Church. This study was preceded by a snack supper. The study was conducted by Ruth Smith, Freemound Community. Ruth is a member of the Rosston Methodist Church. The next study nights will be March 12, 19 and 26.

The fourth, fifth, and sixth grade students of our school entered a basketball tournament at Montague Tuesday, March 5. Young Charles Edwards, son of Wylie Edwards, gave me this news. He informed me that our girls and boys won third place in this tournament. He also proudly displayed a pendant he was given, and he said each boy and girl playing was given one.

Well, our Mercy Benchers are out in full force these days. Seems Tuesday Audie Lee Knox, Mark Landers, Jim Landers, Willie Kuykendall, Ben Perryman, Jack Miller, Bill Forrester, and one Perryman Denham had a go at it. Think my better-half gives the bench the old eye-ball and if there are a bunch of old timers out, he sits a spell and listens to the yarns spun. Usually when he comes in from his mail run most of the regular "benchers" have made it in.

The Brock home out on the Saint Jo-Forestburg highway was broken into recently and all of Mr. Brock's guns were stolen. Have no more info on this — so do not know if the guilty party has been caught or not.

Merle Hudspeth, Laura Belle Jackson and Alice Shears made a business trip to Fort Worth Wednesday, March 6. These three ladies are on a committee to see about building supplies, etc., to redo the annex of the Methodist Church.

Betty Reynolds and yours truly were over in Bowie Wednesday on business, shopping and to do a little visiting. We called on Robert Ensey, who with wife Juanita, was at the home of the J. C. Volkman. Robert had gone there

from the Bowie hospital. The Volkman have a very lovely home but Robert said he just couldn't wait to get back home to his little house at Dewey. Since Betty and I were there Robert and Juanita have gone on to Sunset to stay with daughter Betty Laurance family. Juanita and Betty paid the Bennett Reynolds a visit Friday p.m. March 8.

Mr. and Mrs. Homer A. Littell of Oklahoma City and their daughter Carol of Dallas visited Meb and Roxie Dunn Sunday, March 3. Mrs. Littell (Evelyn Dunn) remained with her parents until Friday. Mr. Littell and Carol returned to their respective homes on Sunday.

On Thursday, March 7, Evelyn honored her mother with a birthday party at the Dunn home. Juanita Bailey baked a beautiful cake for the occasion. To help Roxie celebrate her birthday and eat cake and ice cream were Mrs. Pauline Seay of Nocona, Cleo Lanier, Juanita Bailey, Vera Mae McGee, Mrs. Martilla Brewer, Mrs. Elizabeth Orrell, Velma Freeman, Decie Ellzey, Lucille Littell, and Mr. and Mrs. Tom English. We might add that the 7th was also Martilla Brewer's birthday. Ladies, I was given your ages but shan't tell it.

Mrs. J. J. (Cleta) Reynolds was hostess to the 42 club party Thursday night. Those enjoying the evening and many good refreshments were Mr. and Mrs. Tom English, Meb and Roxie Dunn, Barney and Veda Brogdon, Evelyn Littell, Velma Freeman, Frances Brewer and Decie Ellzey. I asked one of the guests if Jimmy Joe played 42 with them and she replied, "No, he didn't he came in and talked to us for awhile and then went back to his TV set."

Mrs. Claudine Martin of Denton visited Decie Ellzey Wednesday afternoon and then Claudine went on to visit the Virg Greenwoods where she spent the night.

Mrs. John C. Williams of Oklahoma City passed away Thursday, March 7. Funeral services and burial were held at Madill, Okla., on Saturday. Mrs. Williams lived near Saint Jo for many years. She was a sister to the late Bryon Upshaw and an aunt to Velma Freeman and Leroy Upshaw.

Mrs. Elvis Duck's four-month-old grandson died unexpectedly after being sick only a few days. He was the son of the Ronnie Ducks. I was not given a date on his death — but since Mrs. Elvis Duck is the former Dorothy Brown of this area — thought I would pass this much on to you folks.

Joe Hunt, New Harp, is in Bowie hospital. Joe has been very sick with pneumonia but is now improving but will have to remain in the hospital for awhile.

Mrs. Grace Scott returned home Friday from a week's stay in the Nocona hospital. Grace first had pneumonia and then developed heart trouble. She seems much improved now.

Chatted with Betty Reynolds this past Sunday and she said her husband Bennett wasn't feeling well at all. So guess "the bug" slipped over to the Reynolds' abode.

Ted and Laura Belle Jackson were off and away to Greenwood Friday night to attend the regular meeting of the Order of the Eastern Star.

Faith Sandusky gathered up

her two sons, Steve and Willie, at school early Friday afternoon and headed for Dallas to spend the weekend with Mr. and Mrs. Charles Cook and family. Mrs. Cook is the former Liz Sandusky.

Phyllis Lanier, daughter of Mr. and Mrs. Eugene Lanier of Forestburg, won the 1973-74 Betty Crocker family award recently. She won this award by competing with other seniors in the written knowledge and attitude examination held on Dec. 4. Phyllis is now eligible for state and national honors. She will also receive a specially designed awarded award from General Mills who sponsors the Annual Educational Scholarship program.

Five 4-H girls from Forestburg attended the district food show in Dallas Saturday, March 9. The five girls were Audie Marie Knox, Carol Maughn, Loretta Fulcher, Leann Hays, and Janice Lanier. There were nearly 500 girls participating in this food show. Leann Hays and Janice Lanier won blue ribbons and Audie Marie Knox won a red ribbon.

Charles Edwards, our local ag teacher, took his ag boys to the tractor-pull in Fort Worth Saturday night, March 9. Boys going were Cecil Jones, Larry Dill, Kenney and John Woods, Jimmy Jones, Clayton Fenoglio, Rusty Fenoglio, Bob Colwell, Wayne Moseley, Charles Lanier, Ronnie Savage and Charles Self. Others attending the tractor-pull were Wade Perryman and his friend "Cookie," Carvin Moseley, Sheree Iund, Phyllis Lanier and Mr. and Mrs. Jack C. Dill and Vatoni.

Lovetta Bewley cooked up a big turkey dinner and all the trimmings Sunday. The dinner was in honor of husband Clifton, daughter Elaine Echols and daughter-in-law Janice. Clifton has his birthday March 12, Elaine March 15 and Janice March 19. Lovetta said she just decided she would have one big dinner

and do it all. Good idea.

Lovetta also told me that Mrs. Jake (Bessie) Monroe has returned to the Rest Home in Decatur from the Bridgeport Hospital.

Lula Freeman, who used to live at New Harp, also resides in the same Rest Home where Bessie Monroe resides. Lovetta said she visited with Lula once when she was there to see Bessie. Bessie and Lula were roommates but not any more.

Mr. and Mrs. Jack C. Dill of the burg and Jack's parents Ray and Beulah Dill of Era went to Dallas Sunday to visit Mrs. Beulah Dill's sister Mrs. Hallie Berry. Mrs. Berry is in the Baylor Hospital there where she underwent major surgery very recently. While in Dallas these four Dills also visited with Lillian Lee — Ray Dill's sister.

Since the weather has been so nice and warm all this past week I have a good deal of "Mercy Bench" news. My husband "mercy benched" all afternoon last Saturday. He really enjoys listening to the old timers telling how it once was. One tale told was about an old time mail-carrier, that when you left money in the mail box he left you a quart or half gallon instead of stamps — another story was about Forestburg in it's "heyday" boasted a hotel and two saloons among its' many other attributes. One of the younger Mercy Benchers suggested that Forestburg could still support at least one saloon and should be allowed to have one during this fuel shortage.

Andy Knox tells a pretty wild tale about the days when he and his brother Stiff used to herd turkeys as young boys. Seems there was a family in the community that had some

ole mean boys that could manage to steal a few turkeys every day while Audy and Stiff were guarding those turkeys the best they could. No matter what methods Audy and Stiff used these ole boys still managed to get a few turkeys. It must all be true because those ole mean boys' sons are still in and out of jail for stealing even in these days.

Another sign of middle age: When the phone rings on Saturday night and you hope it isn't for you.

The dime isn't really worthless. It still makes a fairly good screwdriver.

Diets are for people who are thick and tired of it.

**MPS Third Grade Has Programs on Mexico and Alaska**

While studying the country of Mexico, third graders of Muenster Public School saw film strips shown by Mrs. Butch Fisher. She had made these while touring Mexico. Students were delighted seeing pieces of pottery, jewelry, silverware, clothing and a purse which she brought back as souvenirs and displayed. The silverware was hand-carved by the skilled Mayan Indians.

While studying Alaska, the class saw slides of that state shown by Mrs. David Bright. Most of the slides were taken when the Bright family lived there during his in-service tour. The students learned many facts as Mrs. Bright explained as she showed the slides. One the children enjoyed most was made at noon on Christmas Day when it looked as though it was midnight outside. Earlier, James Bright, member of the class had brought a pair of Eskimo boots, mukluks, to show to his classmates.

Mr. and Mrs. Alfred Haverkamp have moved from Boise, Idaho, to Dallas to make their home. They have four children. He is the brother of Mrs. Marty Klement.

Dr. and Mrs. A. A. Hellams of Oklahoma City stopped Tuesday to briefly visit her sister Mrs. Ervin Hamric and other kin. They were enroute to Dallas to attend the funeral of his nephew.

### Shower Time for Burned-out Couple Changed to Night

Time for the community shower for Mr. and Mrs. Andy Knabe who lost their mobile home and all possessions in a fire has been changed from afternoon to night on Sunday, March 24.

The date is the same, only the time has been changed so as not to conflict with the district meeting of the Catholic State League in the afternoon at Lindsay.

Sponsored by St. Anne's Society, the shower will be held in the Parish Hall lunch room after Sunday evening Mass. Refreshments will be served. Persons who will be unable to attend may leave their gifts of merchandise or money at the home of Mr. and Mrs. Albert A. Knabe, 302 W. Sixth Street.

Everyone is invited to participate in this community shower for the young couple.

### Rebecca Swingler Wed in Houston

Messrs. and Mmes. Albert Schilling, Clinton Endres and Steve Fette spent the weekend in Houston where on Saturday they attended the wedding of their niece and cousin Miss Rebecca Swingler who was married to George Barrett.

Nuptial services were held in St. Vincent de Paul Catholic Church at 7:30 p.m. with Father Conrad officiating.

The bride is the daughter of Mrs. Melba Swingler and the late Earl Swingler of Muenster. She is a granddaughter of Mrs. Joe Swingler of this city.

Mrs. Ricky (Charlotte) Carpenter was her sister's matron of honor and the groom's brother James Barrett was best man.

Reception for about 150 guests was held in White House Motor Hotel.

After their wedding trip the newlyweds will be at home in Lufkin where he is employed and she is doing her student teaching.

Mr. and Mrs. Clinton Endres spent part of the time with his sister Dianne and husband, Mr. and Mrs. Charles Etheridge, and all three couples were Sunday dinner guests of Mr. and Mrs. Carpenter in their new home.

Mr. and Mrs. Edgar Dyer and children spent the weekend visiting their parents, hers at Windom and his at Honey Grove. They went especially to check on his mother who fractured a shoulder in a fall last week and were pleased to find her doing fine.

### Applications Are Accepted Now for CCC Nurses Class

Applications are being accepted now by the School of Nursing of Cooke County College for the June class.

Director Rebecca McClelland requests that applicants call for an appointment before April 1 so that final selections may be made.

The nursing program being offered now is one in which the student is guided through various kinds of media in learning the phases of nursing at the student's own pace.

On completion of the curricula the student will receive an Associate Degree or an Applied Science Degree and will be able to write the State Board examination for registered nurses.

## Hillcrest Manor News

A newcomer at the Home is Ernest Lewis, transferred Saturday from a nursing home in Lawn, Texas. He's the uncle of Mmes. Clive Gobble, Willie Eddie and Henry Patterson and they visited him Saturday and Sunday. Other visitors were Mr. and Mrs. Larry Gobble of Farmers Branch who weekended here with their parents.

Miss Lillian Fisher has joined the Home's staff as a nurses aide.

Visiting with Mrs. Zena Mar-

tin have been her children Mrs. Bill Hardeson of Montague, Mr. and Mrs. R. P. Cain of Garland and Mr. and Mrs. James Martin of Saint Jo.

Congratulations have been showered on Nellie and Hollis (Mr. and Mrs.) Kidd, Home staffers, who became proud grandparents for the first time Friday, March 8. Their daughter and son-in-law Jessie and Lee Yarbrough of Saint Jo welcomed their son and heir, Christopher Lee, at 5:20 p.m. in Flow Hospital at Denton. The little lad weighed nine pounds four ounces. He had his first visit at Hillcrest Monday when his parents stopped by on their way home after mother and baby were dismissed from the hospital. Mrs. Kidd took a week's vacation starting Tuesday to stay in the Yarbrough home.

### MENU

Muenster Public School  
Mar. 18 thru Mar. 22

Monday - Tamales, pinto beans, cheese sticks, cabbage slaw, bread, butter, milk, cookies.

Tuesday - Meat balls, creamed potatoes, gravy, sauer kraut, hot bread, butter, pears.

Wednesday - Sloppy Jos, buns, onions, pickles, mustard, potato chips, peanut butter brownies.

Thursday - Chicken noodle soup, tossed salad, crackers, corn bread, butter, syrup, milk.

Friday - Fried fish, creamed potatoes, carrot sticks, spinach, bread, butter, milk, pineapple tidbits.

Wednesday's party hosted by Hillcrest Auxiliary last week was a real fun event with more residents getting into the games and more hostesses hosting. Two new Auxiliary members Mmes. John and Joe Fisher joined Mmes. T. Voth, Ervin Hamric, Harold Knabe and Leonard Endres to entertain and serve refreshments of ice lemonade and homemade cookies after the bingo series. And Mmes. Jack Janicki and Hal Falck, visitors from San Antonio with their father, Jake Pagel, were there helping. Mr. Pagel counted the most wins to be afternoon's champion player.

Members of Muenster's First Baptist Church were in charge

of Sunday afternoon services at the Home. They were joined by John Sconce of Myra who gave the devotional and Mrs. Sconce who played the piano for singing. Other singers included Mrs. Sconce's grandmother from Myra, Joe Powell, Mrs. Tisdale, Mrs. Clive Gobble and Mrs. Willie Eddy. Pastor Rev. Bill Goodwin of Fort Worth was prevented from attending the service.

Mrs. Ina Fielder has had as visitors her brother and wife, Mr. and Mrs. Guy Riddle and her sister and husband Mr. and Mrs. Elvin Day of Whitesboro and her son Alfred Fielder of Gainesville.

### Mike Dangelmayr Birthday Honoree

Mike Dangelmayr who was nine years old Wednesday, March 6, celebrated his birthday at the home of his parents, Mr. and Mrs. Paul Dangelmayr.

A party after school featured a charcoal hamburger and hot dog cookout with other refreshments including a boot-shaped candled birthday cake and gifts for the honoree.

Guests were Wade Walterscheid and Greg Walterscheid, classmates, and Tommy Dangelmayr and Carl Trubenbach, cousins, and Mike's brothers Ronnie, Chris and Darrell.

All remained overnight for a slumber party and had breakfast the next morning before boarding the bus for school.

### Local News BRIEFS

Former residents Mr. and Mrs. Jack Hosea were back in Muenster for a visit with friends Sunday. They had a small granddaughter with them. Both are still teaching in Las Cruces, N. M. They were on their way to visit their children during their school's spring break. While here they stopped with the Tony Trubenbachs Jr., Henry Picks and M. H. Kings.

Mr. and Mrs. Teddy Miller, Brian, Darrell and Amy of Plano were brief visitors Sunday with her parents, the J. H. Wimmers.

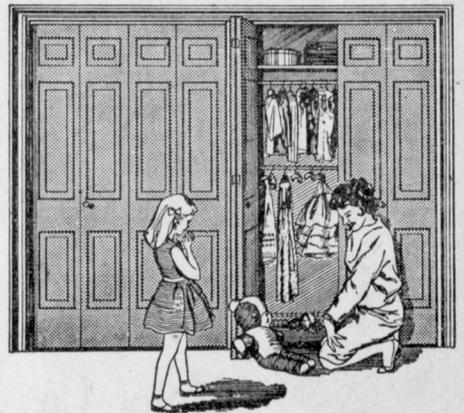

Mr. and Mrs. Larry Gobble of Farmers Branch visited their parents, the Clive Gobbles and Clarence Hellmans during the weekend.

Sister Antoniette Fette of Fort Worth visited during the weekend with her mother Mrs. C. J. Fette and family members.

**Distinguished Student**  
Lynn Joe Klement, son of Mr. and Mrs. Ray Klement and a junior majoring in nuclear engineering, has earned the rank of Distinguished Student at Texas A&M University.

The undergraduate honor, limited to the top ten per cent of the enrollment, is awarded to students who have earned a grade point ratio of 3.25 or higher out of a possible 4.

## HOW TO BE AN ENERGY MISER

It's estimated that nearly 20% of our electrical energy supply is used in the home—13.8% for home and water heating, and 5.3% for major appliances, air conditioning, lighting, etc. Here's a few tips on how you can enjoy the comfort of your home and your appliances without wasting electrical energy:

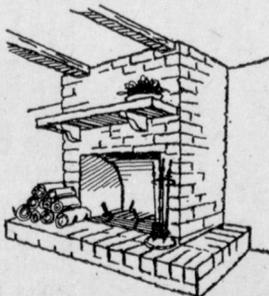

Walls and ceiling should be well insulated. Since heat rises, ceiling insulation should be at least six inches to keep the warm air in and the cold air of winter out.

At least 3½ inches of insulation should be in the walls. In summer your attic should be ventilated to release hot air.

Doors and windows should have good weather stripping to prevent needless heating and cooling losses. Insulator glass or storm windows will serve as an insulation and keep the heat where you want it—winter and summer.

A nice soft glow or a roaring fire in your fireplace may look nice, but in extreme cold weather, don't use it.

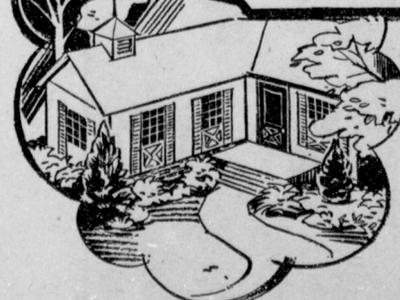

Most of the heat the fire provides and a large amount of air already warmed by your heating system goes up the chimney. Make sure the damper is closed when your fireplace is not in use.

Energy is VALUABLE... don't waste it!

**IS GASOLIN ATIONING CIL SHORTAC HEATING OI CONSERVATI NERGY-FUE EFFICIENCY IS IMPORTANT TOO!**

Efficiency is a very important part of our conservation program. It's defined as getting maximum results for minimum cost. For example: using natural gas for those jobs it does best. Like heating your home, cooking, clothes drying and water heating. You not only use energy more efficiently, but also cut the cost of your utility bills and contribute to energy conservation.

Some other examples of saving energy and cutting costs are: turning down your thermostat to 68 degrees, cutting your shower time down to 5 minutes and fixing a leaky faucet. (A leaky hot water faucet wastes as much as 700 gallons of water a year plus the energy needed to heat it.)

## Collectors items. Because of electricity.

Electricity has made all of these nostalgic relics of a bygone era.

The kerosene lamp faded into the past when electric lights began brightening every home. Other electric appliances replaced the wash tub and scrub board, the flatiron and the wood-burning cookstove and eliminated the tiresome chore of hand-washing dishes, pots and pans.

Electricity. A vital part of everyday living in so many ways. And Texas Power and Light Company is doing its utmost to assure an adequate supply for essential needs.

Electricity. Still one of the biggest bargains in your budget.

### ELECTION ORDER AND NOTICE

THE STATE OF TEXAS )  
COUNTY OF COOKE )  
On this the 17th day of January, 1974, the Board of Trustees of Muenster Independent School District convened in regular session, open to the public, with the following members present, to-wit:  
Robert Bayer, Vice President,  
Ray Wilde, Secretary, Ed Cler,  
Theresa Walterscheid, Dan Hamric,  
and the following absent: Urban Endres (President) and Ray Swirczynski constituting a quorum and among other proceedings had by said Board of Trustees was the following:

WHEREAS, the term of office of Ray Wilde (position 1) and Robert Bayer (position 2) members of the Board of Trustees of this School District will expire on the first Saturday in April, 1974, said first Saturday being April 6, 1974, and on said date a trustee election will be held in said School District.

WHEREAS, it is necessary for this board to pass an order establishing the procedure for filing for and conducting said trustee election:

THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF MUENSTER INDEPENDENT SCHOOL DISTRICT:

1. That an election be held in said School District on April 6, 1974, for the purpose of electing to the Board of Trustees of said School District trustees for positions 1 and 2.

2. That all requests by candidates to have their names placed upon the ballot for the above mentioned election shall be in writing and signed by the candidate and filed with the secretary of the Board of Trustees at the superintendent's office not later than 30 days prior to the date of said election.

All candidates shall file with said application the loyalty affidavit required by Art. 6.02 of the Election Code.

The Secretary of this Board of Trustees shall post on the bulletin board in the building where the Board of Trustees meets the names of all candidates that have filed their applications in accordance with the terms and provisions of this Order, and said Secretary shall otherwise comply with the terms and provisions of Art. 13.32 of the Election Code.

3. That said election shall be held at the Muenster High School Building in Muenster, Texas, in said School District, with C. O. Cash as Presiding Judge and Edgar Dyer as clerk.

The polls at the above designated polling places shall on election day be open from 8 o'clock a.m. to 7 o'clock p.m.

4. L. B. Bruns is hereby appointed Clerk for absentee voting. The absentee voting for the above designated election shall be held at Superintendent's Office, Muenster Public School, Muenster, Texas, within the boundaries of the above named School District and said place of absentee voting shall remain open for at least 8 hours on each day for absentee voting which is not Saturday, a Sunday, or an official State holiday, beginning on the 20th day and continuing through the 4th day preceding the date of said election. Said place of voting shall remain open between the hours of 8:00 a.m. and 4:00 p.m. on each day for said absentee voting. The above described place for absentee voting is also the absentee Clerk's

mailing address to which ballot applications and ballots voted by mail shall be sent.

5. The manner of holding said election shall be governed, as nearly as may be, by the Election Code of this state, and this Board of Trustees will furnish all necessary ballots and other election supplies requisite to said election.

6. Immediately after the votes have been counted, the officers holding said election shall make and deliver the returns of said election and perform all other duties as provided by the Election Code.

7. The Board of Trustees shall give notice of said election, and this combined Election Order and Notice shall serve as Notice for said election. The President of the Board of Trustees is hereby authorized and instructed to post or cause to have posted said combined Election Order and Notice at three public places where notices are customarily posted in this school district, and said postings shall be made at least 20 days before the date of said election.

The President shall also cause a copy of this combined Election Order and Notice to be published one time in a newspaper of general circulation in the county where this school district is located. Said publication shall be not more than 30 days nor less than 10 days before the date of said election.

8. It is further found and determined that in accordance with an order of the Board of Trustees, the Secretary posted written notice of the date, place and subject of this meeting on the bulletin board located in the central administrative office of this school district, a place convenient to the public, and said notice, having been so posted, remained posted for at least 72 hours preceding the day of this meeting.

It is further found and determined that in accordance with an order of the Board of Trustees, the Secretary furnished a notice of the date, place and subject of this meeting to the county clerk of Cooke County, Texas, the county in which most, if not all, of this school district's pupils reside.

The above order being read, it was moved and seconded that the same do pass. Thereupon, the question being called for, the following members of the Board voted AYE: Robert Bayer, Ray Wilde, Ed Cler, Theresa Walterscheid, Dan Hamric; and the following voted NO: none.

ATTEST: Robert Bayer, Vice-President, Board of Trustees.

Ray J. Wilde, Secretary, Board of Trustees.

Mr. and Mrs. Alfred Hacker have moved from Gainesville to Route 1, Valley View, on a dairy farm. She is the former Barbara Knabe of Muenster.

## Lindsay News

LINDSAY — Mrs. Gene Pelzel and daughter Michelle spent last Saturday in Sherman celebrating Michelle's first birthday. They shopped and ate lunch at SherDen Mall. Before returning home they visited Mrs. Viola Eppeler in Whitesboro and Michelle's great-grandmother Mrs. Ed Blumberg, formerly of Pilot Point and now a resident at Collinsville Nursing Home.

Mrs. Mark Laster, the former Margie Stoffels, recent bride was honored with a surprise gift shower by fellow workers at Frontier Manor. Employees presented gifts and served cake and punch.

Mrs. Nick Dieter underwent surgery at Flow Hospital in Denton on March 5.

Members of the Postal Department have been in Lindsay surveying land just south of Town Hall as a possible site for the new office.

Chuck Curtis, Jacksboro business man, former Gainesville Leopard and professional football player was guest speaker at Lindsay's All Sports Banquet. Lindsay school cafeteria was packed with 250 athletes and fans for the event. Students who participated in sports were special guests.

Lindsay Knightettes, 22 strong, have started track practice. Their goal is to make this the ninth year of winning the district crown. They have won eight district trophies and were first in bi-district a number of times. Henry Schroeder is coach. District meet will be March 29, regional April 26-27.

Lindsay FFA Chapter team won fifth place honors in the Range and Pasture Plant Identification Contest held during the Houston Livestock Show and Danny Nortman finished eighth in individual standings. His team mates were Karl Metzler and Ronnie Neu. Nine chapter members and their coach Keith Park attended on Friday and took in a rodeo on Saturday.

On TWU Honor Roll  
Doris Schmitt, a sophomore nursing major of Muenster, is included on the current Special Honor Roll of Texas Woman's University. Qualifica-

tion for listing is an average of 2.3 or better out of a possible grade of 3. She is a daughter of Mr. and Mrs. Al Schmitt, a graduate of Sacred Heart High.

# IN ECONOMY CARS, THE DODGE BOYS ARE RIGHT ON TARGET.

IN THE USAC "MILES-PER-GALLON SHOWDOWN,"

## DART SPORT BEATS NOVA BY 8.1 MPG.

**Dodge** CHRYSLER  
AUTHORIZED DEALERS

### HERE ARE THE OFFICIAL RESULTS!

We wanted to know what our Dodge cars would do in gas economy in situations as close to actual driving conditions as possible. At the same time, we wanted to know how well Dodge would do against the competition's cars—cars of comparable size and even smaller.

The United States Auto Club (USAC) conducted its "Miles-Per-Gallon Showdown" in the Arizona-Southern California area between January 10 and 13, 1974. All automobiles used in the test were acquired by USAC through normal retail channels. Many of the drivers were sports car enthusiasts and amateur rallyists. However, none were professional automobile drivers.

The "Showdown" was divided into three distinct driving cycles:

1. Highway driving. Los Angeles to Tucson and return. A total distance of 972 miles. Average speed, 53 mph.
2. Light city traffic. Los Angeles area. 108 miles, total. Average speed, 25 mph.
3. Heavy city traffic. Los Angeles area. 61 miles, total. Average speed, 20 mph.

A Dart Sport coupe with the new standard 2.76 rear axle, 225 Slant Six engine, and manual transmission got 8.1 more miles per gallon than a six-cylinder Nova with manual transmission in the "light city traffic" cycle. The Dart Sport also got better mileage than the Nova in the other two driving cycles.

Muenster people are unanimous in their opinion of last Saturday's TV program on Channel 4 KDFW. The two men who were here to make up the program talked to a number of business men to get a list of our industries and a brief history of Muenster. They took pictures of our churches, schools, industries and the newer buildings but for some reason made up a story anything but complimentary to our community. Just this week we hear that their programs on Pilot Point and Denison were in equally bad taste.

The program's story on Roanoke which followed the Muenster portion convinced

us that Muenster does have better looking domino players also less tobacco chewers who enjoy that game.

Up to this time channel 4 was the favorite station of many of us. If you care to write the manager expressing your opinion the address is KDFW-TV, 400 North Griffin, Dallas, Texas 75202. Phone 214-744-6600. The name of the program is "4 country".

In this paper the "Letter to the Editor" about 4-H & FFA, there are further developments. Those who did not register in time because they were not advised of the dates now have been informed that they can show their animals but cannot win awards. Also they can sell their animals ONLY after all other show animals are sold.

This SNAFU has been brought to the attention of all responsible parties and altho those boys and girls involved see their work go down the drain, there should be better communications in the future.

Remember the P. T. A. PARTY GAME Friday, March 15, 7 p.m. Muenster High Gym. FUN for the Domino, 42, Bridge, and Hearts players. Bring a group.

Mrs. John Herr returned Sunday from a two-week visit in Dallas with her daughter and family, the Bill Browns. They came for her and returned her to Muenster. One day they attended a meeting of the Natural Foods Association in Fort Worth and spent the past weekend in Tulsa with members of Mr. Brown's family. On the way here they stopped at Lindsay to visit the Leonard Bengforts.

**Letters to the Editor**

Dear Editor:

Yesterday I had a tough job — that of telling my daughter she couldn't show her pig in the 4-H/FFA shows March 16 and 21. Cindy is a member of Sacred Heart School in Muenster, and last year her pig won Reserve Grand Champion.

Back in November my wife called the County Agent about registering and he said it hadn't been set up yet and that he would let her know. Well, he didn't and Cindy wasn't told either in her 4-H class at school. We learned about registering four days after the "deadline" when the Asst. County Agent dropped by our farm in Rosston. He said not to worry because Cindy wasn't told about registering her pig and he would so state at the meeting of the 4-H board on February 25, and undoubtedly they would let Cindy and some others register late.

Later the Asst. Co. Agent told us he argued over an hour at the meeting of the 4-H board but they would not allow a late registration regardless of circumstances. The Asst. Co. Agent, myself and others think the Co. Ag. teachers on the board made a highly unfair decision. As Cindy said, "Daddy, how could I register if I didn't know about it?"

Well, I can't answer her and I can't understand the board's decision. Obviously some political aspect exists that I am not aware of, and even if I were, explaining it to Cindy wouldn't help. Politics is for adults and 4-H is for children.

Sincerely,  
T. M. Sangster

**Gardens, Composts Are Subjects for Garden Club Meet**

Edgar Dyer, agriculture teacher at Muenster High was program leader for the Garden Club Monday night in the TPL Building. He spoke on organic gardening and stressed home gardening as an ideal "live at home" practice.

J. M. Weinzapfel, a guest, described his plans for a community garden and told members that his records show that 37 years ago this month this garden club had a program on gardening and composting as part of a five year plan for civic improvement.

Mrs. John Mosman club president, directed the business meeting. She read a letter from Mrs. J. Van Worley, director of District II naming Beverly Walterscheid as 3rd place winner of a speech contest.

Miss Sylvia Hofbauer, program chairman, said that next month's meeting will be in the SHHS Library beginning at 7:30 p.m. and will feature a panel of local civic leaders.

Mrs. Paul Endres reported on the meeting of Gainesville Council of Garden Clubs, which she attended as a delegate, and where plans were made for the annual plant exchange at Leonard Park on Friday, April 5.

Mrs. H. H. Houtchens announced the local club's flower show on June 8, themed "A child's garden of verses."

Mrs. Arthur Endres told of meeting with the Parish cemetery committee. Mrs. Mosman agreed to serve as delegate to the District II Spring meeting in Fort Worth, March 12-13, where the Muenster Garden Club will receive the EIP award.

Mrs. Paul Endres, Mrs. Victor Hartman and Mrs. R. N. Fette brought arrangements for judging in the club's continuing study program of flower arranging. Mrs. Hartman also brought a number of rooted plants to share.

Mrs. Al Schmitt and Mrs. Hartman were co-hostesses. They greeted each guest with a shamrock and served dessert and coffee, in a St. Patrick's day theme, to 22 members and five guests, Mrs. Frank Rollo, mother of Mrs. Wayne Richards, Mrs. John Otto, Mrs. Charlene Hanfkin, Mrs. Harvey Schmitt and Mr. Weinzapfel. Mrs. Bernard Swirczynski was welcomed as a new member.

the rights of society than the so called rights of criminals.

We refer here especially to the present custom of excusing guilt on grounds that the rights of the accused were violated. A technicality in the charge, or evidence improperly obtained have been known to set a criminal free even when his guilt was definitely known. For some unknown reason lawmakers got the silly idea that a criminal must be rewarded for a mistake of the

officer or court. It makes more sense to hold the officer or prosecutor responsible for his boner while holding the criminal responsible for his crime.

A news item a week or so ago revealed that two fellows in Russia had been publicly executed by a firing squad for armed robbery. The reporter then added his comment to the effect that some of us Americans are shocked by this severe punishment, but we certainly can't claim it's a bad idea. People in the streets in Russia are much safer than over here.

This fact brings up a rather embarrassing comparison. We claim to have a Christian country with Christian ideals but we tolerate a lower standard of morality than the

**Astrodome Named As One of U.S. 7 Manmade Wonders**

The Astrodome is named as one of the "Seven Manmade Wonders of the USA" in an unofficial poll of the American travel industry conducted recently by the United States Travel Service (USTS), U.S. Department of Commerce.

Designed to specify the "constructions" in the USA with greatest tourist appeal, the USTS poll elicited 539 votes cast for 106 different attractions.

The resulting "Seven Wonders" are, in order of voting preference: The Golden Gate Bridge, San Francisco; Mount Rushmore National Memorial, S.D.; Astrodome, Houston, Tex.; Statue of Liberty, New York Harbor; Hoover Dam, Ariz.-Nev.; Walt Disney World, Lake Buena Vista, Fla., and Gateway Arch, St. Louis, Mo.
