

# MUENSTER ENTERPRISE

VOLUME XXXIX

MUENSTER, COOKE COUNTY, TEXAS 76212 JULY 9, 1976

NUMBER 33

The Supreme Court decree on capital punishment was very timely, coming just before the nation's bicentennial observance. It overcomes a serious deficiency in our legal system and restores a clear deal of meaning to the proud claim that ours is a country of laws, not men. It brings back an old time respect for law which applied for almost two centuries before it was eroded by over-solicitude for the rights of wrongdoers.

Apparently the judges had second thoughts on banning the death penalty because it is cruel and inhuman. Obviously it is as cruel as ever, but no more so than the crime for which it is assessed, a point which seemed to be ignored for many years.

Also overlooked was the concept of justice. Killers were escaping the punishment they deserved. Through the centuries civilization took it for granted that punishment should fit the crime, that the criminal owed a debt to society. If he took a life he should be required to forfeit his own.

This was regarded as basic justice and therefore not questioned. People did not go for the theory that the criminal is a victim of the social order and society has the moral duty to undo the damage that has been done to his character and give him another chance. Rather most of them believe as specified in the ten commandments "that thou shalt not kill," and everyone is responsible for his deeds.

As a matter of fact our nation could improve its legal system immensely by demanding an observance of the entire decalogue. It makes sense to assume that violation of God's law should be a violation of the country's law, and the sordid sex stuff which is generally regarded only as an indiscretion should rate stiff punishment as well as political consequences.

If that were the case we can feel assured that official behavior would be lots better and customary financial rip-offs would be less frequent. Adequate punishment would put an end to all kinds of shabby deeds in government as well as in other levels of society.

The same applies to capital punishment. Anyone knows that a criminal is less likely to kill if he believes that conviction of the crime would lead to his death. Besides, the penalty would eliminate many killings now committed by repeaters. It would make a big difference to take some people out of circulation after their first crime.

Sometimes the heat of a political campaign brings out statements of far greater consequence than the race involved. An example is the exchange of opinions a few weeks ago on possible employment of US troops to help Rhodesia. Ronald Reagan implied that he might favor such help, after which President Ford emphasized that he would not "under any circumstances commit US military personnel to Rhodesia or southern Africa."

After the debacle in Vietnam we can understand that the president welcomed the opportunity to say he would keep the country out of war. It was a good campaign statement, but one wonders about its merit as national policy. The USSR and Cuba must have felt much better after being assured that we will do nothing about their efforts to take charge in Africa.

This boner has been compared with that of Secretary of State Dean Acheson in 1950, when he failed to include South Korea within the US defense perimeter. Not long after that some people were saying that his statement assured the communists of North Korea and China that they would be free to take over South Korea, and with-out it the war might have

(Continued on Page 10)

## City Gets \$4510 Revenue Sharing

The City of Muenster has just received \$4510 from the US Treasury as its final installment in Revenue Sharing funds in the past fiscal year. Total receipts of the year were \$18,034, all of it being assigned to the street department, principally the bridges and street work on Ash and Eddy Streets.

## Solemnity Dignifies Bicentennial Event

Special liturgy in the Saturday evening and Sunday morning masses at Sacred Heart Church commemorated the bicentennial birthday of our country. The services, held at 8 p.m. and 9 a.m. were similar except that participation was by different persons and groups.

The solemn service emphasized gratitude to Almighty God for the blessings He has showered on this country along with tribute to the founding fathers for principles based on morality, and the pioneers for their wisdom and energy in developing the greatest nation of history.

Opening procession of the evening mass included Father Stephen and altar boys and Cub Scouts with the papal banner carried by Ramon Luke of the Naval Academy and Old Glory by David Bright of VMI. The following morning Father Placidus was celebrant and the banners were carried by the VFW honor guard. The parish choral group sang in the evening and the men's choir Sunday morning.

As the flag was carried to the altar Brother Thomas referred to its features and symbolism and ended by leading in group recitation of the pledge of allegiance.

Brother Thomas Moster was announcer for the ceremonies, gave scriptural readings and recited the offertory petitions. Selection for the first reading was taken from the Book of Deuteronomy (8: 7-18), presenting the words of Moses prior to the Israelites entry into the promised land. He foretold that they would have abundance and develop into a great nation, but admonished them not to become proud and forget the Lord, to remember that God was the source of their power and strength.

The second reading, from the 84th Psalm referred to

## H&W Wins 2-1 in All Star Contest

The senior division of the summer baseball program ended Monday night with one of the best games of the season as the champion H&W boys bested the all stars 2-1. The stars included players from the remaining three teams of the loop.

The All Stars only tally came in the top of the first inning when Kenny Hartman came home on Phil Wolf's single. The chance for another run ended abruptly after Angelo Nausche tripled in the fourth but he was caught off base.

The two scattered hits along with three walks were the only runners allowed on base by Todd Richey, who also tripped and stole home for the game's winning score.

Phil Wolf pitched for the Stars giving up five walks and the triple by Richey and two singles by Floyd Felderhoff.

H&W players are Kirk Mollenkopf, Mike Lewis, Todd Richey, Floyd Felderhoff, David Felderhoff, Brian Herr, Glenn Fisher, Jerry Serna, Curtis Pagel, Ted Koerschner and Dale Schilling. They are coached by Sylvan Walterscheid and Don Hess.

The Stars, coached by Adam Wolf, Roy Reiter and Bert Walterscheid, are Tim Walterscheid, Mark Nasche, Angelo Nasche, Craig Walterscheid, Monte Endres, Phil Wolf, Jeff Hess, Pat Walterscheid, Mike Hesse, Mark Felderhoff and Kenny Hartman.

## Ticket Sales for Circus Promoted By Garden Club

The Muenster Garden Club is cooperating with the County Garden Club Council to promote the sale of tickets for a circus that will perform in Gainesville on July 16 and 17 at 5 p.m. and 8 p.m. Tickets will be for sale at Hofbauer's and Fisher Market beginning Thursday July 8, at reduced prices. Proceeds will benefit the Garden Clubs' project in Heritage Park in Gainesville.

## City Increases Tax Valuations

The City of Muenster, having reached the limit of its tax revenue, changed its tax structure at Tuesday night's meeting. With a valuation base of 25 per cent of actual value, the city was using the maximum legal rate of taxation, which was \$1.50 per \$100 of assessed valuation.

The problem was solved by increasing assessed valuation to 50 per cent of actual value and decreasing the rate to 80 cents per \$100 of valuation. It will figure to a raise of 6 1/2 per cent on local taxes. The council pointed out that the increase is very moderate by comparison with inflationary increases of other prices.

As an example, a building of \$8000 actual value was assessed at \$2000 (25%) on the tax roll, and at the rate of \$1.50 per 100 of valuation it was taxed at \$30.00. Now the assessed value is \$4,000 (50%) and, at the rate of 80 cents per \$100, it will be taxed at \$32.00.

Also at the meeting the council officially recorded the fact that Muenster had observed the bicentennial of the nation's birth. A copy of the program for the German Week Festival, April 29 through May 2, was included with the minutes of the council meeting. Also mentioned was a very appropriate service in Sacred Heart Church Saturday night and Sunday morning.

## Girls All Stars Beat Champ Teams

The girls softball season came to a close Tuesday night as the champs of each division were defeated by all stars of the other two teams. In the junior loop the Stars clobbered I Don' Cares 19-8 and in the senior game the Stars barely slipped past the Hustlers 14-12.

The teams closed out the regular season last Saturday night with a pair of thrillers. Sweathogs edged the Jaws 14-13 and Nerds made it 5-4 over the 13th Our.

Final standings in the junior league are I Don' Cares 3-1-0, Sweathogs 2-2-0, Jaws 1-3-0. The big girls record is Hustlers 3-1-0, Nerds 2-2-0 and 13th Our 1-3-0.

The girls program has been directed by Mrs. Wayne Grewing. In behalf of the teams she thanks the Knights of Columbus for their sponsorship, the parents for their cooperation and the coaches for their guidance.

## Gain Reported in Deposits, Loans At Muenster Bank

Deposits at Muenster State Bank gained during the past year but declined during the past quarter whereas loans gained during both the year and the quarter.

Responding to the state banking commission's request for a statement of condition as of June 30, 1976, the bank reports total deposits of \$7,810,251.33 and total loans of \$3,547,281.98.

This indicates an increase of \$119,160.45 over last year's deposit of \$7,691,090.88, but a drop of \$261,882.02 from the deposit of \$8,072,133.35 on March 31, 1976.

It also indicates a gain of \$385,829.72 over the total loans of \$3,151,352.26 on June 30, 1975, and an increase of \$132,319.24 over the total loans of \$3,414,962.74 on March 31, 1976.

Combined deposits of the four Cooke County banks totaled \$68,982,373.93, and combined loans were \$38,698,702.45. This shows a gain of \$6,223,612.82 in deposits for the past year and a gain of \$441,551.04 for the past three months. Also it shows a gain of \$5,542,674.83 in combined loans during the past year and a gain of \$1,719,261.45 in combined loans during the past quarter.

Nowadays Pop no sooner gets his daughter off his hands than he has to get his son-in-law on his feet.

## Enrollment of 316 Annual Red Cross Swim Class Has

With a present count of 316 students, Muenster's annual Red Cross swimming class is going fine. It is directed by Mrs. Jeannine Flusche and sponsored by the Cooke County Red Cross Chapter.

Mrs. Flusche said that 182 are enrolled this week and 134 are signed up for next week. Registrations can be accepted through next Monday, when the second week of classes begin. In addition registrations are encouraged for a special adult class to be held at 9 a.m. Monday through Friday. Classes for youngsters have been re-scheduled for 10 and 11 o'clock, so that the adults can have the pool to themselves for the period.

The entire staff of the swim class is made up of 28 persons, including nine with the Red Cross rating of Water Safety Instructor and fourteen with ratings of senior and junior life savers. WSI personnel are the director, Mrs. Flusche, and Kathy Berres, Jane Taylor, Carol Henschel, Nancie Lippe, Marilyn Smith, Donna Flusche, Carolyn Bayer and Jo Ann Pagel.

Their helpers are Monica Hess, Claudia Flusche, Cheryl Luke, Doris Clark, Sharon Walterscheid, Janel Hellman, Sam Bright, Joe Bright, Cathy Flusche, Connie Flusche, Julia Bright, Curtis Henschel, Julia Bayer, and Ray Luke.

## Girls All Stars Beat Champ Teams

The girls softball season came to a close Tuesday night as the champs of each division were defeated by all stars of the other two teams. In the junior loop the Stars clobbered I Don' Cares 19-8 and in the senior game the Stars barely slipped past the Hustlers 14-12.

The teams closed out the regular season last Saturday night with a pair of thrillers. Sweathogs edged the Jaws 14-13 and Nerds made it 5-4 over the 13th Our.

The girls program has been directed by Mrs. Wayne Grewing. In behalf of the teams she thanks the Knights of Columbus for their sponsorship, the parents for their cooperation and the coaches for their guidance.

## Marshall Begins at Judge of City Court

A new era in Muenster's city administration began last Saturday when John M. Marshall of Dallas made his first appearance as municipal judge. According to the City Council's plan he will be here the first Saturday of each month to hold court on violations of the law.

The solemn atmosphere of a court room prevailed as His Honor, robed in black, assumed his duties. An elevated desk served as the bench. City Secretary Celine Dittfurth served as the clerk and Officer James McDonald as the bailiff. Mayor David Bright introduced Marshall, administered the oath of office and commented briefly on his capability and Muenster's good fortune in adding new dimensions of dignity and professionalism to its law enforcement.

The judge responded with a message to the people of Muenster, pointing out that their elected representatives of the city council have entrusted him with administration of the judicial branch of city government... adding that a municipal court is most important because so many appear before it and it is closest to the people.

He said that all who appear here are assumed to be innocent until proved guilty and that the court must have exacting standards tempered by mercy. He also explained that justice cannot be blind, or else a computer could serve his purpose, that the scales of justice rarely balance

## Local Blood Bank to Collect Wednesday

Another semi-annual collection for the Muenster blood bank is scheduled for next Wednesday, July 14, when the bloodmobile from Red Cross blood center of Wichita Falls will be here for its regular visit.

Facilities will be set up in the K of C hall from 2 to 7 p.m., and the Red Cross technicians will be assisted by local hospital and hospital auxiliary personnel.

The quota, again, is 100 pints of blood, the quantity normally used out of the local blood bank in a half year by patients of the Muenster hospital and by residents of the Muenster Hospital District who receive transfusions in a hospital outside the district. However, the local requirement has increased lately, particularly in the case of Bernard Haverkamp, a leukemia patient who has a continuing need for transfusions. His friends, whose generous response in January helped

reached a new high of 155 pints, are urged to report again next Wednesday. Meanwhile the sponsoring organizations, K of Cs and VFW, along with the Hospital Auxiliary are contacting the old reliables and asking for more. For the benefit of donors as well as the collecting staff, people are encouraged to make appointments. It will eliminate some of the waiting and also tend to level rush and slack periods. The appointments can be made by calling the hospital office 759-2271.

Another inducement for generous response is the better quality of volunteer blood as compared with purchased blood. Experience in big city hospitals shows that many people who sell blood are derelicts needing money, and the quality is sometimes less than desirable. A result is increasing effort across the nation to get more donated blood.

With this fact in mind the people who give have the satisfaction of knowing that they help make a better quality of blood available to their friend.

Another important factor is the saving to persons who need a transfusion. Since the donated blood is free the patient does not have to pay for it. The only charge is for the cost of testing, collecting, packaging, storing, transporting and transfusing, which amounts to about half the charge when using commercial blood.

Because of the saving and better quality, the blood program stands out as a notable community asset. It is made possible through arrangement with 25 other communities cooperating in the Red Cross blood center of Wichita Falls. All are supplied by the center and each in its turn provides for the entire system.

Pitchers for the Bank were Darrell Herr, Mike Bedrick and Kirk Klement; and the Stars' hurlers were Kevin Felderhoff, Curtis Henschel, Joe Koerschner and Dwayne Haverkamp.

Bank hitters were Darrell Herr, Mike Bedrick, Craig Stoffels, Troy Hess, Joe Hennigan, Kirk Klement and Mike Hess and other players were Rodney Hess and Carl Trubenbach.

Hitters for the All Stars were Joe Koerschner, Curtis Henschel, Dwayne Haverkamp, Greg Walterscheid, Tim Schneider, Kevin Felderhoff, Ricky Hennigan and Garland Tate. Others on the roster were Neil Hesse, Billy Grewing, Steve Fisher and T. J. Walterscheid.

## Entries Due for Golf Tournament

Entries are coming in slowly, too slowly for comfort, for the golf tournament sponsored by Sacred Heart lettermen on the Gainesville course, July 17.

Coach Eddie Stock said this week that time is needed to arrange a schedule, so entries are wanted on or before July 12, which is only a few days from now.

The tourney will be made up of 2-man teams and the combined score of the two will be official. And there will be three divisions: for players shooting in the 80s, 90s and the 100s. Teams will be placed by the score indicated on entry blanks. In case the partners qualify in two divisions the lower score division will apply.

Prizes will be a wardrobe to the three top teams of each division and also for the lowest individual score, the longest drive and the shot nearest the hole. Entry fee of \$13 per team includes the green fee. Checks can be made payable to SH Lettermen's Club, and can be mailed or given personally to Eddie Stock, Box 454, Muenster.

## Myra Float Wins Saint Jo Parade

Members of the Myra Improvement Club are elated to have been named winners of 1st place with the float they entered in the Saint Jo Bicentennial parade Saturday. Themed "America, 200 Years of Progress" the float depicted an Astronaut on the moon, Betsy Ross, Uncle Sam, 3 Minute Men, an old Settler and an Indian. The 1776 flag with 13 stars in a circle, created entirely of paper flowers attached to a wire frame, faced the float and the Myra Improvement Club's sign formed the background.

Appearing on the float and the characters represented were: Traci Sawyer, Astronaut; Matt Sicking, Uncle Sam, Darrell Carl and Jeffrey Coats, 3 Minute Men; Dora Sicking, Settler; Larry Don Stewart, Indian; Lisa Reid portrayed Betsy Ross on Friday and Marla Sicking on Saturday.

First prize was a treasured ribbon and \$50 cash. The float was shown during the Bicentennial Parade in Gainesville Friday. Appearing also on the float in Gainesville Friday were Myra's Bicentennial Queen, Terry Black and alternate Marla Sicking.

Classes are taught on four levels: beginners, advanced beginners, intermediates and swimmers. Pupils completing the first three classes will receive Red Cross pins and certificate cards. A graduate swimmer will receive a swim suit patch and a certificate.

## Paper Drive Delayed

Sacred Heart's monthly paper drive, delayed a few days because the truck was involved in an accident, is back in business. A group of metal cages awaiting the salvage paper are at the usual location west of the Sacred Heart high school building. They will be there through next week.

## Chamber of Commerce Meeting

The Muenster C of C meeting will be held Tuesday, July 13 in the Center Lounge. Guest speaker will be Doug Ousley and Jim Mitchell of "Dallas Program Interiors", who speak on Re-designing and Decorating Interiors and Exteriors.

## Ceremony at Lindsay Unites Elaine Krahl, Edward Schad

Miss Veronica Elaine Krahl and Edward Joseph Schad were married Saturday afternoon, July 3, during a nuptial mass at St. Peter Catholic Church with the Rev. Anthony Gajda officiating.

Parents of the couple are Mr. and Mrs. Martin Krahl of Valley View and Mr. and

Mrs. Ed Schad of Lindsay. Given in marriage by her father, the bride wore a formal gown of white organza over bridal satin with V-neck and a raised neckline. It featured a circular skirt and natural fitted waistline with long sheer sleeves gathered to cuffs. Lace trim adorned the sleeves, neckline and waistline of the dress made by the groom's sister, Mary Schad. Scalloped lace outlined the bride's floor length veil of illusion with a camelot-style headpiece accented with French embroidered lace. She

carried a cascade of white daisies and English ivy.

Miss Alice Schad, sister of the groom, was maid of honor. Bridesmaids were Phyllis Schad and Mary Schad, sisters of the groom, and Brenda Krahl, sister of the bride.

They were gowned in Victorian style dresses of flocked organza over polyester with short sheer puff sleeves, lace bodice and circular skirt. The dresses were in spring colors of green, blue yellow and pink with the bridesmaids wearing matching ribbons in their hair. Each carried a single gladiola matching her dress.

Don Schad, brother of the groom, was best man, and groomsmen were Roger Hundt, cousin of the groom, and Gary and Grant Krahl, brothers of the bride.

Stephanie Krahl, sister of the bride, was flowergirl and Damian Krahl, brother of the bride, was ringbearer. Ushers were James Hellingner and Bryan Kammerdiener, uncle of the bride.

The altar held two large bouquets of gladioli and yellow and white daisies. The communion rail was flanked with greenery and votive lights while ferns adorned the two side altars.

Mass servers were Danny Schad, brother of the groom, Jerry Rauschuber and Wayne Bierschen.

Laura Kralicke, organist, accompanied Gayle Miller, Mary Hess, Linda Klement and Linda Miller in singing "A Time for Us", "Follow Me" at the Offertory, "Wedding Song" at Communion and "One Hand, One Heart", while the bride placed gladioli at the Virgin's Altar. The "Wedding March" served as the processional and "Joy" was the recessional.

A catered dinner and dance with music by the Imitations was held in the Knights of Columbus Hall following the ceremony. Mrs. Don Schad and Mrs. Gary Krahl registered guests.

The wedding cake was made by Mrs. Henry Spaeth and was served by Jane Fuhrmann, Judy Hoberer, Carol Fuhrmann and Sharon Metzler.

Special guests at the wedding included the bride's grandparents, Mr. and Mrs. Joe Krahl and Mr. and Mrs. Charley Kammerdiener; her great-grandmothers, Mrs. Cassie Plumlee and Mrs. Joseph Prescher; the groom's grandparents, Mr. and Mrs. Clem Hermes; and the bride's god-

parents, Mr. and Mrs. George Krahl.

For the wedding trip the bride changed into a blue dress with blue and white accessories and wore a necklace given to her by the groom.

The couple plan to leave August 5 for Peace Corps service in Sierra Leone, West Africa, where they will be secondary teachers.

The bride is a graduate of East Texas State University in Commerce with a degree in English and Journalism.

The bridegroom is a graduate of North Texas State University and received his master's degree in May. He was formerly a Math and Science teacher at Sacred Heart High School in Münster.

Out of town guests included Mr. and Mrs. Clifford Kammerdiener of Cleburne; Brother John Schad of Subiaco, Ark.; Sisters Helen Margaret, M. Vera, Alma Sophie and Liboria Schad of San Antonio; Mr. and Mrs. Frank Downey of Denton, and Mr. and Mrs. T. A. Schreiber of Scotland.

Parents of the bridegroom hosted a rehearsal dinner at their home Thursday night. Approximately 25 guests attended.

A noted French physician maintains that if a man consumes a glass of brandy after dinner each evening for 1,200 months, he will live to be 100 years old.

### Reunion Planned By Mullers, Hers

The Muller-Herr reunion, held annually on the second Sunday of July, will be an event of July 11 in the Muenster City Park. It will begin with a noon dinner, and uncles, aunts and cousins, second and third cousins are urged to spend the afternoon and remain for supper. Everyone is asked to bring folding chairs, card tables, drinks and covered dishes.

A candidate just conducted a survey, and three out of four voters were for his election. Next week, he plans to conduct another survey outside his own family.

### PENTECOSTALISM A THEOLOGICAL VIEWPOINT

by Donald L. Gelpi, S. T.  
"After breakfast I felt almost physically drawn to the chapel where I sat down to pray. Following Jim's description of his own reception of the gift of tongues, I began to say quietly to myself, 'La, la, la, la'. To my immense consternation, there ensued a rapid movement of tongue and lips accompanied by a tremendous feeling of inner devotion. . . ."

So begins Father Gelpi's account of his journey into the charismatic movement. This led him to study the history of "divisive enthusiasm" in the church, the nature of the charismatic gifts of the Spirit, and pastoral problems involved in today's pentecostal renewal.

**THANKS**

Our family expresses gratitude for Masses, Spiritual Bouquets, prayers, visits, food and every thoughtful act during the illness and at the death of our brother, L. W. Schmitz. We are especially grateful to Father Francis Zimmerer who officiated at the Mass and Funeral. — Brothers and Sisters of L. W. Schmitz.

I am so grateful to Dr. Juarez, the nurses and staff of Muenster Memorial Hospital for the splendid care and deep concern shown to me while I was a patient. It is heart-warming to recall the many favors, visits, flowers, prayers and cards from relatives, neighbors and friends. And special thanks due my family and Billy's family who took such good care of Kevin and Donna.

**State Health Dept. Offers Help on OSHA Regulations**  
 President Teddy Roosevelt is credited with originating the phrase, "Speak softly and carry a big stick." He might be proud to know that his approach is embodied in an unusual partnership between the federal Occupational Safety and Health Administration, better known as OSHA, and the Texas Department of Health Resources.  
 In this partnership, state occupational safety and health engineers are the ones who speak softly, and the federal OSHA inspectors carry the big stick. Under federal law, every private employer in the United States is required to comply with a massive set of OSHA regulations, designed to protect the health and safety of workers. The rules cover almost every conceivable aspect of the physical facilities and the environment of the workplace.  
 To ensure compliance with the regulations, OSHA personnel conduct intensive inspections of several thousand places of business each year. When inspectors find violations of the OSHA rules, the employer is assessed a citation and possible penalties if the violations are of a serious nature and given a certain period of time in which to correct the problem. At the end of that period of time, another inspection may be made. If the violations have not been corrected, the employer can be fined again — as much as \$1,000, for each day from the time of the original inspection until the correction is made to OSHA's satisfaction.  
 Enforcing the highly detailed and complex regulations is OSHA's only function. Under the law, federal inspectors are not permitted to provide consultation and advice to employers on ways to improve the health and safety aspects of their businesses.  
 That's where the Texas Department of Health Resources comes in: Through the Occupational Safety Division and  
 the Occupational Health and Radiation Control Division, state engineers are available to provide consultative assistance to all employers in Texas. The consultation program, funded under a contract between OSHA and the Department of Health Resources, allows employers to request a penalty-free inspection.  
 When an employer asks for an inspection, one of the state engineers — who has been trained by OSHA — visits the workplace and conducts the same kind of inspection that an OSHA inspector would perform. At the end of the inspection, the employer is given a list of any violations of OSHA regulations that the inspector has found.  
 But the state inspection doesn't result in penalties. Instead, the state engineer offers advice and suggestions on how to correct the problem, and points out other ways to improve the workers' safety and health. The employer is free to act on the advice or disregard it as he

### Kevin Sandmann and Lynda Weiss United in Double Ring Ceremony

In a double ring ceremony on Friday, June 18, at 5 p.m. in St. John's Catholic Church of Valley View, performed by Father Pat Hanser of Holy Trinity Church of Dallas, Miss Lynda Weiss became the bride of Kevin Sandmann.

Parents of the couple are Mr. and Mrs. Don Weiss of Orient, South Dakota and Mr. and Mrs. Henry Sandmann of Valley View.

Presented in marriage by her father, the bride wore a white floor length taffeta gown with nylon organza overlay, sheer nylon sleeves, Queen Anne neckline with Venice lace and seed pearl re-embroidery on cuffs, empire waistline and chapel train. Her tulle veil with Camelot cap of lace and seed pearls was, finger-tip length. The

dress and veil were created by the bridesmaid, Donna Schoen. Bridal flowers were carried in a nosegay of white roses, white carnations, stephanotis and streamers tied in lovers' knots. For sentiment she wore a ruby necklace worn by the groom's grandmother at her wedding, and for tradition the blue garter. She also presented a long stemmed yellow rose to her mother and the groom's mother.

**Attendants**

Attending the bride as maid-of-honor was her sister Marlene Weiss of Orient, South Dakota, wearing a soft yellow crepe formal with yellow overlay embossed with colored flowers. The dress was designed with a round neckline, puffed sleeves and gored skirt meeting the high waist. She carried three long stemmed yellow roses entwined with mint-green ribbon and completed her costume with a yellow picture hat matching her dress.

Bridesmaids were Janet Sandmann, groom's sister of Valley View and Donna Schoen, a friend of the couple of Dallas. Their formals were of soft mint-green crepe with yellow overlay embossed with colored flowers; and round necklines, puffed sleeves and high-waisted gored skirts. Their flowers were two long stemmed yellow roses tied with mint-green ribbons and they wore picture hats to match their dresses.

Lea Ann Neu, niece of the groom was flower girl, and Danny Schoen a friend of the bride was ring bearer.

Alan Sandmann was his brother's best man. Groomsmen were another brother Gary Sandmann and Larry Tipps a friend. Ushering guests were Rickey Tyler and Gary Luigs, friends of the groom. Carl Sandmann and David Schoen were Mass servers.

The altar held yellow and mint-green summer bouquets of gladioli and carnations and pews were marked with yellow bows.

Before the ceremony Janet Sandmann sang "What The World Needs Now". The entrance song, "Morning Has Broken" and "Let It Be", "Wedding Song", "Into These Hands" were played and sung by Mrs. Patsy Henry.

**Reception**

A reception in the Knights of Columbus Hall of Gainesville followed the church ceremony. The three tiered wedding cake was baked, decorated with yellow and green flowers, and served by the groom's sister, Mrs. Laquita Neu of Gainesville. Tawni Vowell of Valley View presided at the guest book. Guests danced to music by The Hubert Knight Trio, "The Flame" from Denton.

When the couple left on a wedding trip to Grand Bahama Island, the bride was wearing a light blue dress with the white rose corsage from her wedding bouquet.

Upon their return they will reside in Irving.

The bride is a graduate of Rochester State Junior College of Rochester, Minnesota, and is a Registered Nurse at Methodist Hospital in Dallas. The bridegroom is a graduate of Cooke County College and is a mechanical engineer for Clary Corporation of Arlington.

Among out-of-town guests were Mr. and Mrs. Tom Torgerson of Minneapolis, Minn., Mr. and Mrs. Bob Cooper of Faulkton, South Dakota, Mr. and Mrs. Vernon Schilling and family of Aberdeen, South Dakota, Mr. and Mrs. John Weiss and sons of Jefferson City, Mo., and relatives and friends from Dallas, towns in Oklahoma, Valley View, Gainesville, Lindsay, Muenster and surrounding areas.

The rehearsal dinner was hosted by the groom's parents Wednesday evening at the Colonial Restaurant in Gainesville. Twenty four guests included the bridal party and family members.

Three showers honored the bride-elect: one by Judy Booth in Dallas, another by aunts of the bride in Orient, South Dakota and a surprise shower by nurses at Methodist Hospital.

### Hospital Notes

The following patients were dismissed during the past week at Muenster Memorial Hospital.

Tuesday, June 29: Joe Knaut and Joseph Pennington, Muenster; Mrs. Julia Malta, Saint Jo; Mrs. Zella McIntosh, Gainesville.

Dinner trays on the Fourth of July were colorful with patriotic napkins and iced cup cakes brought over by Aide Virginia Armstrong as a holiday treat.

### Hillcrest Manor News

Hillcrest Manor residents who were honorees at the July birthday party Tuesday

night were Katie Hacker and Barney Barnett. Sharing in honors were staff members LYN Joalene Keith and Aide Kim Brinley. The Cross Timbers Band furnished music and singing for entertainment and staff members served birthday cake, punch and coffee to a large group — residents, their relatives and friends and band members. Cakes were furnished by Virginia Armstrong, by her daughter Bridget, by Joalene Keith and by Mrs. John Hacker.

Summer and vacation time has brought new personnel to the staff at Hillcrest. These include LVNs Vashti Cook and Joalene Keith of Forestburg and Gainesville, respectively, and Aides Dianne Steadham of Forestburg, Kim Brinkley and Virginia Armstrong of Gainesville, the latter is on vacation from teaching the third grade at Lindsay, and her daughter Bridget and Charlotte Brawner and Arlene Hogan of Saint Jo.

Sparking conversation at coffee break time have been travel tales by Aide Dorothy Hunt and Housekeeper Virginia Blasingame. Dorothy and her husband Joe visited relatives in California and made side trips to Las Vegas, Hoover Dam, Redwood and Sequoia Forests. Virginia visited her mother, son and sister in Bowie, a daughter, son and other kin in the Dallas-Fort Worth area. And had her husband's mother Mrs. Mattie Blasingame at Saint Jo for visiting and dinner.

Mrs. Mattie Blasingame, the Home's oldest resident at 95, continued her "going" ways. She was in Fort Worth for a great-granddaughter's wedding where she wore a long formal and a corsage. As guest of a daughter, she was taken other places for sight-seeing and visiting. And she went to Wichita Falls to spend a weekend with her son Jim and family.

Mrs. Jennie Schilling has had visitors and has gone visiting. She was in Lindsay one day with her sister Mrs. Katie Wilder while the latter's son and wife, the Martin Zimmerers of Brownsville were there. It was their first visit back in this part of the country since their honeymoon about 40 years ago. Visiting at the Home with Mrs. Schilling were Mrs. Wilder and her nun daughters, Sister Benedict Zimmerer of Lindsay and Sister Madeleine Zimmerer of Westphalia.

Lon Williamson is back at Hillcrest, up and around after undergoing surgery at Muenster Hospital.

John Rohmer spent the Fourth with his family at home. Visiting with him there and at Hillcrest have been daughters Sister Fidelis and Sister Romana, on vacation.

Mrs. Jewel Jones spent a weekend in Gainesville with her daughter and husband, Mr. and Mrs. Leonard Dickerson.

Visiting Mrs. Minnie Kinman have been a son and his wife the Wesley Kimans of Seymour and a daughter Mrs. Earl Brannon of Fort Worth who brought Mrs. Kinman's five-year-old great-grand daughter-along.

Miss Linda Rohmer of Fort Worth was among family members visiting her grand-

mother Mrs. Mary E. Felderhoff.

New residents at Hillcrest are Mr. and Mrs. Cameron Highfill of Gainesville and Mrs. John Felderhoff.

Kendell Covington of Arlington is a regular visitor

with his wife Bernice. Robert Mabe took his wife Johnnie out Sunday to visit at their home in Gainesville, and John Deering spends each Wednesday and Sunday with his wife Nellie. Harry Sullivan is a regular visitor with his wife Amber.

## YOU CAN BANK ON IT!

Personal trusts, where the bank serves as executor of an estate, make up approximately three-fifths of most bank trust assets.

The executor is "to see to the probate of the decedent's will, collect all of the assets belonging to the estate . . . pay all of the decedent's debts, prepare and file federal income, federal estate and state inheritance tax returns and pay any taxes due . . . and distribute the assets as directed in the will."

An estimated 800,000 personal trusts are administered by American banks today, and, because of the terms of the will, each is as distinctive as night and day.

Trusts assure the survivors that all monies, stocks, bonds and other assets will be managed professionally by scrupulously honest bank officers.

## Easter Seal Action Line Helps State's Disabled Persons

A new service for disabled Texas children and adults, called "Easter Seal Action

Line" has been initiated by the Easter Seal Society for Crippled Children and Adults of Texas. Easter Seal Action Line's 24 hour, toll-free number, 1-800-492-5555, can be used by disabled persons and their families to obtain information regarding help they need.

William E. Russell, Executive Director for the Texas Easter Seal Society, reports, "Many people, especially in the rural areas, don't realize how many services are available for the handicapped today." The Easter Seal Action Line is designed to serve as a link between the handicapped and those services. With just a phone call, persons can receive that assistance in helping them to locate service they need, where it can be obtained, and who can provide it for them.

Among the many services available through the Texas Easter Seal Society Action Line are speech, physical, and occupation therapies, evaluations, purchase of needed or-

thopedic equipment, all of which require a medical doctor's authorization. The Texas Easter Seal Society pledges to make every effort to locate the needed service if that service is offered in the State of Texas. The Texas Easter Seal Society makes these services available to the handicapped of all ages.

Any handicapped person or anyone who knows a handicapped person who needs help in locating a needed service is urged to call the toll-free Easter Seal Action Line, 1-800-492-5555. Day or night, 7 days a week.

## County 4-H'ers Will Have Annual Rally Day July 12

Where will all the fun be on Monday, July 12? At Leonard Park in Gainesville for the Annual 4-H Rally Day. All 4-H members are invited to come and bring a friend for the activities. One dollar will be charged per person to cover expenses. 4-H'ers are asked to bring a sack lunch with your name on the sack for the noon picnic. Drinks will be provided, for 4-H'ers and their friends.

Registration will begin at 9:30 a.m. at Leonard Park. 4-H'ers may swim between 10:00 a.m. and noon. Rally Day participants will need a beach bag or plastic bag for wet swimsuits and towels. Following lunch the group will hike to Gainesville Community Center. Programs will be conducted on bicycle safety, emergency first aid, wood carving, and yarn craft. Games, relay races and folk dances will conclude the afternoon. Parents may pick up their children at 4:30 p.m. at the Gainesville Community Center.

Rally Day was planned by Cooke County Junior Leaders who attended District Leadership Lab. For additional information, contact the County Extension Office in the Courthouse basement or call 665-4931.

## Local News BRIEFS

Mr. and Mrs. Ewald Fuhrmann and children Michelle, Melvin and Carmen of Idabel, Oklahoma, were weekend guests of her parents, the Clem Hofbauers and attended the wedding of Miss Debbie Hermes to Bobby L. Bradshaw Saturday.

Relatives in Muenster have been notified by Mrs. Nick Demshock of Lutherville, Maryland of the death of her husband's aged mother there on Tuesday, June 29, and of the funeral on July 2 in St. John Christendon Greek Catholic Church of Hazelton, Pennsylvania. Mrs. Nick Demshock is the former Joan Fisher, daughter of the Earl Fishers.

Charles McGannon of New Orleans, Louisiana visited his father Edd McGannon for three days last week. He left Thursday to visit friends and for a fishing trip in Minnesota before returning to New Orleans where he is an English teacher at Jesuit High School.

Mr. and Mrs. Al Haverkamp spent Sunday in Whitesboro and were dinner and supper guests of their son and family the Walter Haverkamps.

Missouri State Senator and Mrs. John C. Ryan left Thursday after several days visit with Mr. and Mrs. M. H. King. Mmes. Ryan and King are cousins. They also visited another cousin, Mrs. Joe Lewter in Gainesville.

Mr. and Mrs. Al Kleiss and daughters Ruth and Mary Ann of Subiaco, Arkansas attended the wedding of Debbie Hermes and Bobby Bradshaw Saturday and also visited their son Mike and family in Sanger.

Commander and Mrs. Max Rumelhart and children Matt, John, Annie and Betsy of Buda, Texas, were holiday weekend visitors with her parents, Mr. and Mrs. John A. Fisher. The Rumelharts and sons returned home Monday and the two girls remained for a visit with cousins of the Clyde and Butch Fisher families, while Betsy is enrolled in swimming classes.

Mr. and Mrs. Reid Shanks of Dallas have told her father, Ed McGannon, about an eight day trip they took for visiting Paris and London. They left Dallas on June 22 and arrived in London when the weather was the hottest in 200 years. Mrs. Shanks is the former Kathleen McGannon.

The Gilbert Boydston family visited his sisters Sunday in Fort Worth with Mr. and Mrs. Dennis Harris and in Haslet with Mr. and Mrs. L. L. Hawkins.

# Are our gas bills higher than in other cities?

Despite the steep increases in your gas bill, you still pay less for natural gas than people in most cities. Information for the chart below was compiled from the latest data supplied by the U.S. Department of Labor.

Average price of 100 therms of gas sold to residential customers in April 1976.

Boston	.....\$31.98	Chicago	.....\$18.40
New York/New Jersey	..\$31.86	*Lone Star Gas System	\$18.04
Washington, D.C.	.....\$24.40	Pittsburgh	.....\$16.68
Seattle	.....\$24.21	St. Louis	.....\$16.63
Philadelphia	.....\$24.00	Cincinnati	.....\$15.51
Baltimore	.....\$23.92	San Francisco	.....\$15.38
Houston	.....\$21.75	Minneapolis/St. Paul	...\$14.98
Milwaukee	.....\$21.54	Cleveland	.....\$14.77
Buffalo	.....\$21.36	Atlanta	.....\$14.64
Detroit	.....\$18.69	Kansas City	.....\$12.56

Why the difference? First, some cities may seem to get a break because the federal government holds the price down by regulating the cost of gas moving across state lines. But there's one problem: These cities very often can't get all the gas they need.

Also, many cities outside of Texas pay higher bills because of the cost of transporting gas great distances.

Other differences are due to the policies and planning of the gas companies in the various cities. Lone Star has planned its gas supply program well, so our rates are lower than most.

\*Lone Star Gas System figures based on calculations of rates in Texas cities only.

The place to go for brands you know

Muenster, Texas

I'M CONVINCED...  
 THIS IS REALLY GREAT  
 WALL PAINT.

It looks great when you put it on, and it stays that way. The colors match, and they don't fade or yellow. I've scrubbed it with scouring powder, and the paint stays put, while all the dirt marks I added came off.

If you want your next wall painting project to be fast and easy, look great, and stay that way... try Satin-Tone, by Colony Paints.

... you'll like the difference!

**IT HAPPENED  
35 YEARS AGO**

**July 11, 1941**  
Exceptionally poor harvest closes here. New Magnolia Service Station will open here next week. More than 400 persons gather here Sunday to see motorcycle races in which Urban Endres wins top honors. Norman Luke receives his private pilot's license in the CAA. Irma Hofbauer is recovering from bronchial pneumonia. City plans to resume sewer installation early in September to complete about a mile of line serving about ten per cent of the city's possible connections in the northwest part of town. Rolland Patrick enlists in the Marines.

**30 YEARS AGO  
July 12, 1946**

William Schmitz, 86, of Lindsay dies. Muenster-Hays school consolidation succeeds by big vote. Famine Relief drive in parish exceeds \$500. Dallas WAA office announces plans to strip Camp Howze. Weather is fine for threshing and the season is almost completed. Elsie Mae Fuhrman is in Dallas for dental surgery. Andy Stelzer is back at home after being separated from the service following his return from the European Theatre. Lonja Gieb and Ben Tubb marry in Oklahoma City. Local cheese plant announces increase in milk price . . . raises from 75 to 80 cents per pound of butterfat. City water department gets air compressor.

**25 YEARS AGO  
July 13, 1951**

Red River ferry north of Muenster to be started soon. Mrs. Mary Geis, sister of Mrs. J. M. Weinzapfel and former resident here, dies in Wichita Falls. County's record voting strength for this year shows 5,179. Area teams form softball league. Mary Ann Sicking and Jerry Pels marry. The Oscar Millers and children return from vacation to Illinois. Drive for new church brings in \$20,000. Margaret Fleitman's engagement to Curtis Reeves is announced.

**20 YEARS AGO  
July 13, 1956**

Crowd of 800 sees dedication of swimming pool . . . Misses Virginia Otto and Carolyn Cain share distinction of being named queens with titles of Misses Muenster. Final clearance is secured for construction of eight reservoirs on Brushy Elm and Dry Elm watersheds. Henry Stelzer, 80, dies suddenly of coronary attack; was depot agent here over 37 years. Rodney Walter and Thomas Hesse enlist in the Navy. Lynette Walter-scheid and Jim Harris marry here. Father Patrick Hannon and Messrs. and Meses. J. W. Hess and Frank Herr represent parish at Catholic State League convention in Nada. Father, Bruno of Altus, Ark., is spending his vacation with his family at Lindsay.

**15 YEARS AGO  
July 14, 1961**

Father Eugene Luke, newly ordained native son, will celebrate first solemn Mass here today; parish will host reception. Short illness of Frank Hacker, 77, of Lindsay is ended by death. Fire department seeks funds for two-way radio on rural fire truck. Glenn Richardson is signed as Coach for Muenster High. Matt Theisen, 82, early day resident dies in Muskogee. Mrs. Ben Kathman, former resident, dies in Nebraska. Rosemary Hennes of Lindsay goes to Chicago to study music. The Bill Nelsons of California return here for visit. 45 pupils

advance in free Red Cross swimming course. Jeanette Muller and Pete Hellingcr marry. Douglas Polison sustains fractured vertebra in fall from horse. Mrs. Ben Hellman is seriously ill in Gainesville Sanitarium. New arrivals: twins, a boy and a girl for Mr. and Mrs. Bobby Putkerhaus a boy for the Raymond Barnhills, a girl for the Dean Forneys.

**10 YEARS AGO  
July 15, 1966**

City water use gains with arrival of warmer weather but city system is in no strain. Mrs. Earl Fisher is new president of Garden Club. Eight African students tour facilities at Colonial Acres. Muenster Jaycees host 50 visitors at area meeting here. City starts use of new spray machine. Teddy Gremminger is named manager of Denver Zone of Kraft Corp. and the family moves to Denver from Midland. Herbie Herr gets VFW award for community service. Jake Bezners see daughter, Sister Kathleen, receive masters degree in San Antonio. Lindsay group attends centennial rites in San Antonio. Muenster relatives attend wedding of Gus Hellman in Tulsa. Mr. and Mrs. Roger Taylor move from Muenster to Houston.

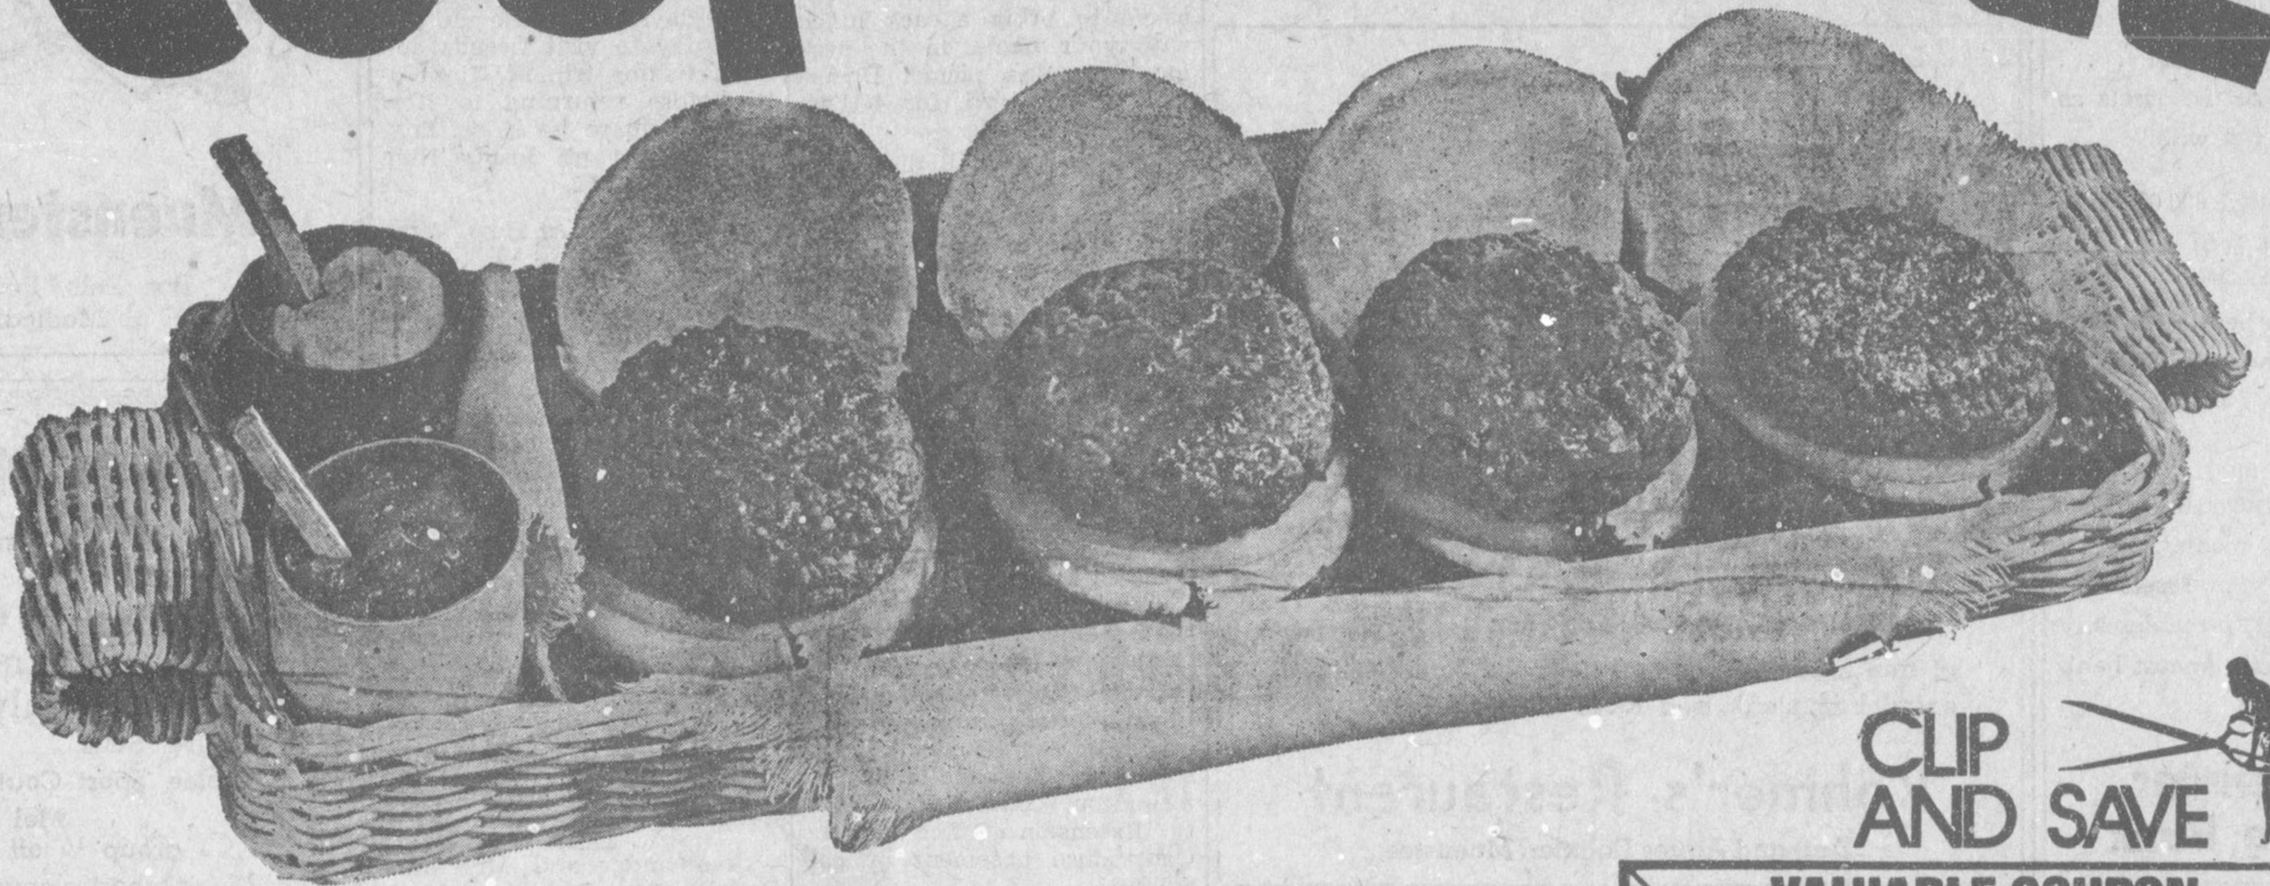

**5 YEARS AGO  
July 9, 1971**

New high is set in city water consumption with 663,000 gallons. City is concerned over future need for surface water. 245 enroll in Red Cross swim classes. Muenster Bank introduces new 4 to 6 drive-in service on Fridays. Six new teachers are named for Public School. Gains are reported in deposits and

loans at Bank. New dental clinic joining Medical Center nears completion. Gene Kleiss is headed for Vietnam. City continues on effort to correct sewer problem. St. Anne's Society admits eight new members. Mr. and Mrs. Ken-ny Pette and two children are new residents here moving from California. Story Hour at Library ends with 60 children present.

**NOTICE AFFORDING OPPORTUNITY FOR PUBLIC HEARING CORRIDOR (LOCATION) AND DESIGN (COMBINED HEARING)**  
The State Department of Highways and Public Transportation is planning the improvement of U.S. Highway 82 in Montague and Cooke Counties. The proposed project begins near the East City Limit of Saint Jo in Montague County and ends at Main Street (F.M. 373) in Muenster which is in Cooke County. The total length of the proposed project is 8.754 miles. The section of U.S. 82 from 2.2 miles east of the Montague-Cooke County Line eastward to the West City Limit of Muenster has already been improved. This

## In All The World

No one is more understanding or more qualified to serve you.

GEO. J. **Carroll & SON**

completed section is 4.2 miles long. The proposed construction will consist of grading, drainage structures, base and surfacing. On the section of U.S. 82 from the East City Limit of Saint Jo to 2.2 miles east of the Montague-Cooke County Line, the proposed improvements provide for a four-lane highway. The existing right-of-way is usually 240 feet, 140 feet of which was acquired within the last three years. There will be no displacements as a result of these improvements.

The remaining 0.366 mile section of U.S. 82 is in the City of Muenster, beginning near the West City Limit and ending at Main Street. The proposed construction consists primarily of removing the existing two-lane M-K-T RR Overpass structure over the abandoned railroad and providing a four-lane divided highway at ground level. The existing right-of-way is usually 100 ft. wide. The proposed width varies from 100 ft. to a maximum of 215 ft. There will be no displacements as a result of these improvements.

Maps and other drawings showing the proposed location and geometric design, environmental studies and a public hearing about the proposed project are on file and available for inspection and copying at the office of the Resident Engineer, Mr. Charles Hildebrand, I.H. 35 North, Gainesville, Texas. Also, drawing the proposed geometric design have been placed on file with Montague County, Cooke County and the City of Muenster.

Information about the State's Relocation Assistance Program, the benefits and services for displaced persons and the relocation assistance office as well as information about the tentative schedules for acquisition of right-of-way and construction can be obtained at the Resident Engineer's Office in Gainesville, Texas, and from Roy F. Lanford, Supervising Right of Way Engineer, 1601 Southwest Parkway, Wichita Falls, Texas.

Any interested citizen may request that a public hearing be held covering the social, economic and environmental effects of the proposed location and design for this highway project by delivering a written request to the Resident Engineer's Office on or before August 2, 1976.

A little boy wrote the following letter to his grandfather:

Dear grandpa,  
When I grow up, I want to be as smart and handsome and nice as you.

Your grandson, Jeffrey  
P.S. Tuesday is my birthday.

## Family Reunion At Felix Yostens

A family reunion in the home of Mr. and Mrs. Felix Yosten on Father's Day was the first time in six years all the family was together.

Linda and Bernadette Yosten flew in from Mountain View, California. Mrs. Bill Blanchard and daughter Michelle arrived from Sunnyvale, California. Joining them were Mr. and Mrs. Cyril Yosten and family Mark, Gina, Laura, Estelle and Samuel of Greenville; Mr. and Mrs. Tom Yosten and Emily Sue of Denton, and Mr. and Mrs. Don McCoy of Grapevine.

Bernadette, Gloria and Michelle remained for a two week vacation with their parents; Linda remained one week before returning to Mountain View, Cyril's family spent the Father's Day and July 4 weekends and Mr. and Mrs. Tom Yosten and daughter and Mr. and Mrs. Don McCoy were Sunday guests. Bill Blanchard flew in for the weekend following Father's Day, while on a business trip to the East Coast.

## Salvation Army Will Call July 15

Men without jobs, without homes and without training at the Salvation Army Social Center in Fort Worth, will welcome all sorts of discarded items at the organization's next collection here on Thursday, July 15. Acceptable articles are repairable furniture, clothing, appliances, toys, etc., which serve to train the workers for later gainful employment and provide useful articles for needy people. Residents who wish to give may call 759-4124 to arrange a pickup.

## 2 Couples Attend Battalion Reunion Of WWII Friends

Mr. and Mrs. Norbert Walterscheid and Mr. and Mrs. Richard Swirczynski were among 300 members and wives of the 552nd Anti-aircraft Battalion held July 2, 3, 4 at Skirvin Plaza Hotel in Oklahoma City.

Registration began Friday morning with reuniting during the day. Of special interest were pictures and slides made during this group's revisit to European battlefields last July — battlefields where the 552nd served during World War II.

A general meeting Saturday morning introduced special guests including Col. B. M. Warfield, Commanding Officer of the 552nd in the European Theater, also Mrs. Pat Ashton, Mayor of Wallingford, England, who, during World War II was a teen ager and has vivid memories of wartime. When 552nd members met in Germany last July, one of the side trips was to Wallingford where they had also been stationed. Townspeople there received them royally and in response members invited the Mayor, Mrs. Ashton, to attend the 1976 Reunion.

Saturday afternoon men held Battery meetings and ladies were honored at a tea at the Forest Pruitt residence, a lavishly furnished showplace in Oklahoma City. Pruitt is a member of the 552nd Battalion.

Later all visited the Cowboy Hall of Fame, and Saturday night attended a banquet and Independence Eve Dance with music especially reminiscent.

Election of officers was

held Sunday morning and the Dallas-Fort Worth area was selected for the July 1978 reunion.

On VMI Honor Roll  
Joe and Tom Bright, sons of Mr. and Mrs. David Bright and first and third classmen respectively at Virginia Military Institute are listed on the dean's list for the past semester. Both are civil engineering majors and graduates of Muenster High School. Requirement for the VMI honor roll is a grade point average of at least 3.0 on 4.0 scale and no subject below 2.

## Electricity from the Sun?

The basic technology for utilizing solar energy has existed for some time. In fact, simple systems for heating water and even heating and cooling homes are in operation today. However, such systems are extremely expensive, low in efficiency and usually cannot be relied upon without a "back-up" system.

Producing electricity by harnessing the energy of the sun, wind, tides and other "exotic" sources is under intensive research being conducted by the electric industry and the Federal government's Energy Research and Development Administration. Millions of dollars and the efforts of many scientists and engineers are committed to the task, but the crucial problem is converting energy from these sources to electric power at a price people can afford. Economical, efficient, large-scale production is many years away.

Since 1971, Texas Power & Light Company has been reducing its dependence on costly and scarce natural gas and oil by building and operating generating plants which use lower cost lignite coal. An abundant supply of this coal is available for operating these plants.

TP&L and two other electric companies are also building a nuclear power plant. The first unit of this plant is scheduled to go into operation in 1980 and the second in 1982.

We're working to assure all TP&L customers a dependable supply of electricity. Today, this is being done with proven methods and reliable sources of energy, but we're looking to the long-range future, too.

**Whatta Carrot and Winter Cabbage**

Reports continue to come in from local gardeners about unusual size or shape and remarkable yield in vegetable and fruit crops.

Wednesday morning Mrs. Agolph Walterscheid dug up a carrot that weighed exactly two pounds, was over 6 1/2 inches in circumference and 5 inches long.

She also told about a second cabbage crop that developed from her early spring planting in 1975. When the heads were harvested, the roots were left to deteriorate but instead began to form nubbins which were cut during the summer for kraut. In the fall after a rain, heads began to form on the old roots. Many grew to an ideal size and some to very large size, withstanding winter cold unblemished and furnishing fresh cabbage until the last was used in April.

During one very cold night, the Waltersheids experimented with a heavy rubber sheet covering, to find that the covered cabbage was bleached, the uncovered unaffected by the freeze. They said the flavor of their winter crop was fine, the only inconsistency was in shape, some pointed, some round, some flat, but all solid.

**Honor Students**

Three Muenster students are listed on the spring semester honor roll at North Texas State University. Kim Wiese, daughter of the Wilfred Reiters, is on the 4.0 roll with a perfect, straight A record. Sandra Reiter, another daughter of the Wilfred Reiters, and Emilio Antonetti, son of Dr. and Mrs. Alfredo Antonetti, are on the 3.5 honor roll.

**Jr. Allstars Beat Gainesville 16-2**

An all star selection from the five junior teams of Muenster's baseball program had a big night Tuesday clobbering a team of Gainesville kids 16-2. They scored in five of their six innings whereas their hosts got their only 2 in the first.

Pitchers were Kevin Felderhoff, Darrell Herr, Mike Bedrick and Curtis Henscheid. Other players were Greg Walterscheid, Garland Tate, Dwayne Haverkamp, Neil Hesse, Bryan Hoenig, Joe Koerschner, Tim Schneider, Steve Fisher, Kirk Klement, Lonnie Henscheid and T. J. Walterscheid.

Hillcrest Auxiliary members who assisted with the game party at the residence were Mmes. Joe Fisher, Leo Henscheid and Ray Hess.

**German Teacher Makes Third Visit To U.J. Endres Home**

Karl Buck of Hanover, Germany, was a guest in the Urban Endres home last weekend for the third time in as many years. From here he left Monday for Arizona to study irrigation methods in preparation for an article he will write.

Buck first came to Muenster through the American Host Program, which places teachers from a number of countries in American homes for a few days of living the American way.

He has taught in a Hanover school for ten years, in all grades up to the 9th, and is now in the fourth grade. He said the custom there is to move from grade to grade.

German grades one through four are elementary, he said. After that the courses divide for those planning college and those planning the trades, and English is mandatory in courses.

**At Basketball Camp**

Charlotte Fleitman and Rene Stelzer of Muenster Public School will spend next week attending a basketball camp at Ranger Junior College for girls of junior varsity and junior high. The purpose is to teach new skills in the fundamentals of basketball and to improve individual abilities.

Guests of Mr. and Mrs. Leo Sicking, coming and going during the long holiday weekend were Mrs. Bret Wiggins of Dallas, Mr. and Mrs. Herman Depold of Wharton, Kevin and Dan Sicking of Houston and Mr. and Mrs. Jim Fights and Keith of Denton.

**Help on OSHA --**

wishes. Except in rare cases where a substantial and immediate threat to the life or safety of the workers might exist, the state engineers do not report their findings to the federal OSHA engineers.

Since the state consultation program began last November, the number of requests for consultative inspections has steadily increased. According to Walter Martin, Director of the Division of Occupational Safety, "At first, many employers were afraid that this would trigger an OSHA inspection." Now, however, Martin reports that his engineers are swamped with requests; there is now a ten to twelve week backlog, with more requests arriving every day. "We'll make all of the inspections," Martin says, "but it'll take a little while."

In fact, a number of requests for inspections have come from employers that aren't even subject to OSHA regulations — such as city governments, state agencies, hospitals, and even federal military installations. Obviously, the employers know a good thing when they see it, and their concern for the health and safety of their employees is demonstrated by their interest in the consultative inspections.

The key question, however, is whether health and safety problems are corrected following the penalty-free inspections. As evidence, Martin cites a letter from one of the state's largest county hospitals. The letter was written two months after the state inspection report, and it lists seven violations that have been corrected. It closes, "Thank you and your engineer for your help in maintaining a safe environment for our patients, their visitors, and our employees."

The president of an oil drilling company wrote, "It is through inspections like this that we are able to train our people in the proper safety methods in work areas. Please convey my thanks to your engineer for his inspection and hope that sometime in the future he will be able to again pay us a visit."

**Family Gathers at Len Endres Home**

Mr. and Mrs. Leonard Endres entertained children and grandchildren last week with guests arriving and departing throughout the week.

Their son and his family, Mr. and Mrs. Kenneth Endres and four children of Salisbury, Maryland, spent a week of their vacation with his parents.

During the week, Sister Mary Irma Endres of Houston and Sister Agnes Endres of Wichita Falls, accompanied by Sister Mary Ellen, also of Wichita Falls were here for a visit on Wednesday.

On Sunday a family gathering included the Maryland visitors, the Richard Endres family of Fort Worth, Mr. and Mrs. Dale Henning (Sue) of Anacoco, Louisiana, Mr. and Mrs. Jim DeLano (Jean) of

Ardmore, Nick Endres and a friend Joyce Barnes of Houston, Sister Agnes and Sister Mary Ellen of Wichita Falls.

During the week, the Kenneth Endres family visited her aunt in Dallas, his brother in Fort Worth and spent a day at Six Flags.

**Water Department Adds 3, Loses 3**

The following connects and disconnects are reported for June by the Muenster Water Department.

**Teams Treated to Ranger Ball Game**

Members of the four senior teams in boys baseball were the guests of their sponsors Wednesday night at the Ranger-Tiger baseball game in Arlington Stadium.

Tickets were provided by Endres Motor Co., The Center, Muenster Mill and H&W Meat Co., and the boys made the trip in school buses driven by Robert McDaniel and Don Osterman. Team coaches accompanied the boys as chaperones.

Growing old is only a state of mind... brought on by gray hair, false teeth, wrinkles, a big belly, short breath, and an all-over feeling of being constantly and totally pooped.

An ostrich can kick hard enough to kill a man.

**Confetti - - -**

Even now the president's statement could be regarded as an incentive for Cubans to remain in Angola. They are assured that it's all right for them to stay and keep their favorite tribe in control, whereas they might otherwise be inclined to get out and avoid a confrontation with United States.

Observers of the African power struggle say that the situation there would correct itself soon if the Soviets and Cubans got out. Then the tribe which is more numerous as well as more deserving would have a chance to establish itself.

The giant tortoise has been known to live as long as 300 years.

Delaware has only three counties.

**The Last Old Fireplace**

Into these hills long ago some settlers came; 'Twas not for greed or worldly fame. Baileys, Butlers, Royals and Cooks; They were not so much on looks Or learned in books Yet they built their cabins and cleared the land, This honest and industrious little band. Yes, dug down wells and scraped out ponds, And a man's word was his bond. Now, they tilled the soil and made good crops. For raising big families they were about tops. Each cabin had a chimney and some had two. By the last of these old Fireplaces I am writing this poem to you.

The days have come and the days have gone. So have the Baileys, Butlers, Royals and Cooks. The cabins have decayed away and the chimneys tumbled down. All this has happened a few miles west of Forestburg town. As we sit by this old fireplace tonight With its cherry red coals and flicking light, Our mind runs back through the years that have taken their flight; Of the old-time people who sat by this fireplace at night.

To progress has ever been the aim of man. So it was perhaps in their plan. Wood cookstoves, heaters, and butane, coal oil apparatus Look quite different to Dog irons, pokers, shovels and the sparks we punch out that fly at us. Will we tear it down? Physically, perhaps, but in spirit never. For it represents a heritage that oil wells or money can't buy.

Those were the days when a man had one wife. If you called him a bad name you started a fight. The Bible was read and the Bible was taught; And nearly every Sunday some company and the preacher it brought.

To owe a man and not pay him, they said, was a damn shame; Or to run off to the Territory and change your name. And of installments they never heard. If the men couldn't buy and pay for a razor They would wear their beard. Or if some of those fellows Had bought a horse and not paid outright, They would have had a nightmare that very night. In those old days God was God and the devil was the devil. And nearly all the people you met were straight and about on the level.

\*For them no more the blazing hearth shall burn Or busy housewife ply her evening care. No children run to lisp their sire's return, Or climb his knee the envied kiss to share.

Oft did the harvest to their sickle yield. Their furrow oft the stubborn glebe has broke. How jocund did they drive their team afield. How bowed the woods beneath their sturdy stroke. \*Taken from Gray's Elegy, verses 7 and 8.

Respectfully and sincerely submitted S. E. (Steve) Denham Forestburg, Texas

Written and arranged Sunday night, April 17, 1950, and dedicated to: Mr. and Mrs. W. S. Butler, Arthur Jackson, Grandma Moore, Horace Littell, John Green, Jo and Alice Miller. These my friends and neighbors have passed on in the last two decades, while I have resided by the last old fireplace.
