**BY**  
**CORP FETTE**

A report on the opinion polls Monday said that Candidates Ford and Carter are running almost neck and neck in the presidential race, with Carter leading by a single percentage point. It indicates the probability of a very close election in which the individual vote can be very important. It's a reminder to people who talked about sitting this one out that the outcome is far from cinched and a vote actually is very urgent.

That message is being stressed by the National Right to Work Committee especially in Texas and the other nineteen Right to Work states. And rightly so, because Big Labor is reported as going all out, even more than in other campaigns, to elect a strong majority of its friends in Congress and cap the triumph with the election of Carter to the White House.

There can't be very much doubt about the purpose of Labor's super efforts. Its ambition is a dynasty with the power to control legislation as well as the one person who can veto legislation.

Two years ago the campaign slogan was a "veto-proof" congress. That is, a congress capable of mustering enough votes to override a veto. This time Labor is trying again but also setting its sights a bit higher. It wants to control the president too, so that there will be no veto.

Feelings end hopes are equally strong on the other side of the issue where people are pulling for the candidates who are not obligated to Big Labor. Their ambition, instead of wiping out the right to work clause (Section 14-B) of the Taft Hartley law, is to see it spread to an ever increasing number of states. In doing so their primary intention is to ban compulsory unionism, and another important intention is to stimulate prosperity, as indicated by the fact that Right to Work states lead the nation in increase of business and new jobs.

One could also say that a purpose is to eliminate the indirect dictatorship in government which results when so many legislators are obligated to heed the wishes of their Labor benefactors. It reduces our government to the absurdity of electing people who represent not us constituents but their patrons of the Unions.

One of this year's big concerns is that this situation is developing into a vicious circle in which Labor not only has more influence in government but seeks to use that influence in acquiring more power.

Contrary to some claims, the issue is not a matter of wrecking the unions but deciding whether people's membership should be compulsory or voluntary . . . whether a person can earn a living without paying dues to and taking orders from the union boss. Union heads insist that workers are obligated because of the benefits received. The others are equally positive in claiming that being forced to pay dues and submit to Union orders is a violation of their personal rights, especially when their dues money is used contrary to their wishes in political campaigns, and when the orders violate their wishes.

It is worthy of note that unions of today do not live up to the standards of Labor pioneers like Samuel Gompers. In fact his idea is more in line with the present Right to Work standards. Like them, he insisted on voluntary membership. His motive for joining was to work together in improving their welfare, not because it was the only way to avoid being fired. Like them, he believed that officers should take orders from the members rather than hand down orders to them. Of course present unions claim to follow that principle but the news has many many incidents showing who is boss and what happens to members who dare to disagree.

In plain terms, unions now are dictators ruling members with an iron hand. By the standards of Gompers and Right to Work they can again become representative organizations, respecting personal freedom and deserving the loyalty of their members. As an old saying puts it, "Good

## Sacred Heart Plans Great Homecoming

Homecoming Week activity at Sacred Heart High, leading to the Tiger-Cistercian football game Saturday night and coronation of the Homecoming Queen at halftime is building to a crescendo of excitement as each day is marked by special student activities.

Monday's special event was decorating the corridors of the high school building, on Tuesday there was a girls' Powder-Puff game, Wednesday was T-shirt day; activity and excitement continue to mount on Thursday when individual and group school pictures, football team and drill team yearbook pictures were made. The bonfire was scheduled for Thursday night. There was also a luncheon honoring the Queen's Court Thursday at noon in the Cafeteria when mothers of the girls were invited. Red and White day is planned for Friday when there will be a pep rally and special skits.

The parade on Saturday will begin at 6:30 p.m. forming near the Muenster State Bank. It will be led by the SHHS Drill Team followed by the Homecoming Royalty. Pre-game ceremonies, introduction of the Court and coronation formality will be narrated by Mrs. Norbert Walterscheid.

Following the football game, there will be a dance for SHHS students in the gym with music by James Buck and an alumni sponsored dance for former students and friends in the Community Center with music by Sage.

## Tigers Will Face Toughest to Date For Homecoming

The Sacred Heart Tigers have their work cut out for them . . . and how! . . . when they take on Cistercian's Hawks here Saturday night. Pre game signs indicate a classic and a treat for the Sacred Heart homecoming crowd.

According to Coach Eddie Stock, the Hawks are the toughest on the Tiger schedule to date. The team is strong on experience, including eight from the team that was barely nosed out by the Tigers last year. Special assets are a super fast quarterback, the main yardage gainer and a threat on every play, also a 190 pound halfback who is double tough to bring down.

The Hawks now have a 5-2 record including wins over Notre Dame, Trinity Valley and Dallas Christian. Their only losses have been to Fort Worth Christian and Fort Worth Country Day.

With a record of 4-2, the Tigers rate as about equal to the Hawks and they are also about equal in manpower. Both have limited personnel and have to use most players on both offense and defense. Also size is about the same and both have speed in the backfield. A possible advantage for SH is the defense which has allowed less yardage and fewer scores to date.

## Jaycees Invite Entries for Golf Tournament Oct. 31

Local Jaycees will sponsor their second annual Muenster Golf Tournament at the Nocona Hills Country Club on Sunday, October 31, starting at 9 a.m. It will be open only to Muenster people.

Announcing the tourney this week, Chairman Tom Flusche said that it will be held in three divisions. One is for women - any age - another is for boys in high school and under, and the third is the men's division which is subdivided into three flights.

## Warning Given on Speed Crackdown In School Zones

Warning of a crackdown on speeding in local school zones was issued this week by Police Chief James McDonald.

Stating that the legal speed limit is 15 miles per hour at both schools from 7:30 to 4, five days a week, McDonald urged local drivers to Please observe the speed limit. He said that Radar will be operated in both zones and no violator will be excused with a mere warning.

School zones are Sixth and Seventh Streets from Main to Pecan, Oak from Seventh to Eighth and Pecan from Sixth to Seventh.

## City Has Another Sister Mildred, 72 Dies Suddenly at Jonesboro, Ark.

Since Monday the City of Muenster again has two police officers on the job. On that date Hartley Craig Howard was given the oath of office by Police Chief James McDonald.

Officer Howard, a native of Devine, has had two years of college and more than 325 hours of training in a police academy. He has a basic certificate from the Texas Commission on Law Enforcement Officers' Standards and Education.

Prior experience has been as a deputy constable in San Antonio and a police officer in Gainesville. His duty hours are 7 p.m. to 3 a.m. six days a week, including holidays.

## Seven Are Listed As Distinguished Students at SH

Sister Mary John Seyler has announced the names of Sacred Heart students who are candidates for the National Honors and Awards Program offered by the Society of Distinguished American High School Students.

Representatives of Sacred Heart are seniors: Sally Engders, daughter of Mr. and Mrs. Roy Engders, Jr.; Craig Sangster, son of Mr. and Mrs. Tom Sangster; George Luke, son of Mr. and Mrs. Anthony Luke; Cathy Bartush, daughter of Mr. and Mrs. Charles Bartush; Chris Schilling, son of Carl Schilling and the late Mrs. Schilling; and juniors Gary Rohmer, son of Mr. and Mrs. Urban Rohmer; Janet Krahl, daughter of Mr. and Mrs. Eddie Krahl; and Mary Margaret Rohmer, daughter of Mr. and Mrs. Arnold Rohmer.

## Gainesville Teams Take Trophies in JC Tennis Tourney

Gainesville teams took all the trophies at the Jaycee mixed tennis tournament here last weekend. Barry Moore and Gayla Taylor won the champ trophies by defeating Allen and Debbie Atnip in the final by counts of 6-7, 6-1 and 6-1. The Atnips received the runner up awards.

In the consolation bracket Dud and Debra Hire claimed the prize by turning back Randy Wolf and Kim Klement in a sharp turn-around contest. The Muenster couple was an easy 1-6 winner of the first set, then the Gainesville team took charge for equally one sided wins of 6-0 and 6-3.

Weather, which threatened before to spoil the event changed just in time to let the show go on clear and dry.

## First Frost

Winter arrived in Muenster more than two months ahead of its official date as the temperature dropped to 30 degrees Wednesday morning.

## Jr. Hi Game Changed

The Muenster-Lindsay junior high football game scheduled next Thursday has been moved forward two days. The revised date is Tuesday, the 28th, 6:45 p.m., at Lindsay.

The Muenster-Lindsay junior high football game scheduled next Thursday has been moved forward two days. The revised date is Tuesday, the 28th, 6:45 p.m., at Lindsay.

## Sister Mildred, 72 Dies Suddenly at Jonesboro, Ark.

Sister Mildred Felderhoff, 72, a native of Muenster and a member of the Olivetan Benedictine Order of nuns for 46 years, died suddenly Monday at 5 a.m. in Holy Angels Convent, Jonesboro, Arkansas.

Funeral service was held Wednesday, October 20 at 4 p.m. in the chapel of Holy Angels Convent and burial was in the convent cemetery.

Sister Mildred, formerly Rose Felderhoff, was born in Muenster on June 12, 1904, the youngest child of the late Mr. and Mrs. Henry Felderhoff, community pioneers. After attending school in Muenster she joined the Holy Angels convent and made her profession as a member of the Benedictine Order on July 2, 1930. Through all the years since then she has been engaged in hospital service.

Sister Mildred spent more than six years in Muenster helping with the selection of supplies and equipment for Muenster Memorial Hospital and also serving as its first administrator until 1967.

Since then she has been administrator of a hospital in Brinkley, Ark., and of the Benedictine Manor at Hot Springs, until two months ago when she returned to the convent to care for the sick and aged of the order.

Survivors are two brothers, Hubert and Tony Felderhoff of Muenster; two sisters, Sister Lutgardis OSB and Sister Amora OSB, both of Holy Angels convent; and many nieces and nephews.

Muenster relatives attending Sister Mildred's funeral were Mr. and Mrs. Tony Felderhoff, Mr. and Mrs. Alois Rohmer, A. J. Felderhoff, Hubert Felderhoff, Gus Felderhoff, Sister Gergia Felderhoff and Mmes. Alvin Hartman, Henry Spaeth, Tommy Felderhoff, Ray Klement, Leo Sicking, Arnold Rohmer and Norbert Walterscheid.

## Special Blood Collection Will Be Conducted Friday

Another collection for the local blood bank is on schedule Friday, October 22, when the bloodmobile, from Red Cross blood center of Wichita Falls will be here on a special visit.

As pointed out by David Bright, hospital administrator, this one is in addition to the two regular visits and its purpose is to overcome a current critical shortage throughout the area. By making extra visits to the participating communities of North Texas, the blood center hopes to get an adequate supply on hand.

This collection has no bearing on the fact that Muenster failed to reach its quota in the last blood drive. Nor does it derive from an intention to increase local collections to three a year. As pointed out to Mr. Bright, this is an emergency measure with no quota but hopes for a generous response.

Donors who have been reporting at the regular visits and any others who care to give are asked to come in and participate in a great community service which provides blood of higher quality and lower cost to patients of the hospital and residents of the hospital district.

The bloodmobile will be stationed at the KC hall, as usual, from 2 to 7 p.m. Donors

## 1.03 Inch Rain

More welcome moisture for the community arrived during the past week in three separate rains measuring .59 inch on the 16th, .35 on the 19th and .09 on the 20th, for a total of 1.03.

Added to .48 inch early in the month, it brings October's total to 1.51 and the year's total to 29.76.

## Tickets Available On Chartered Bus To Lubbock Game

Reservations are still available on the chartered bus going to Lubbock for Sacred Heart's game with Christ the King on November 6.

The bus is scheduled to leave here at 7 a.m. on the 6th, arrive in time for the game at 2 p.m., and allow time for supper before starting for home. Expected time of arrival is about midnight.

Angelo Nasche may be contacted for reservations or information.

## Earl Walterscheid Killed in Explosion

Earl M. Walterscheid, 51, was killed instantly last Saturday in an oil field explosion northwest of Muenster. He was alone at the time of the accident and his body was discovered later by a person who heard the explosion and came to investigate. Tom Crawford, justice of the peace, pronounced him dead at 10:30 a.m.

Funeral service was held Monday morning at 10 in Sacred Heart Church with Father Placidus Eckart officiating and Father Harry Fisher assisting. Burial in Sacred Heart Cemetery was directed

## Muenster Skipped On Sales Tax Pay

Another pay day in city sales tax rebate has arrived but it leaves Muenster empty handed. As pointed out in a summary by Comptroller Bob Bullock, the net amount due the city is less than \$500, so it is held over to the next pay period . . . unless it applies to each third month (March, June, September and December). Ending the quarter the city receives its rebate regardless of the amount. Muenster's September check was for \$3,447.

A few other cities of the area were more fortunate. Gainesville received \$9,559.96, Lindsay received \$2,073.24, Nocona received \$1,548.78. However Pilot Point, Sanger, Saint Jo and Whitesboro were like Muenster in having a low balance to their credit.

## MHS Rips Petrolia 55-0

MHS Hornets started the 13-A season Friday night by splashing their way to a 55-0 victory over the Petrolia Pirates. Playing in a constant rain they outlasted about 90 per cent of the fans, most of those going home at half time when Muenster had it safely put away with a score of 36-0.

While that was happening Holliday rolled over Lindsay 24-0 and Archer City beat Callisburg 14-0. So, at the end of the first week it's Muenster, Holliday and Archer City out in front.

In spite of the one sided score the Pirates came through with occasional gains but were not able to keep the drive going. On the other hand Muenster ended eight of its 12 possessions in a score and lost the ball four times on fumbles. Total yardage was 515 for Muenster, 133 for Petrolia. Mark Sicking gained 197 while scoring twice for keeps and two more that were nullified by penalties.

On second scrimmage play Mark Mollenkopf intercepted to put the Hornets in business on the Pirate 37. Three tries by Mark Sicking and one by his brother Bryan got to the 1 and Mark Sicking scored from there. On the PAT try the snappack for a kick was bad, so Tim Wolf carried it in for two points.

Following the second kickoff Petrolia got a first down and had to kick on the second series, then the Hornets started from their 45. Three tries gained 20 to Petrolia's 35 and a pass there from Wolf to Jim Koelzer was good for 6 points. Nick Walterscheid's kick made it 15-0 barely half way through the first quarter.

After the third kickoff Cory Howard and Ronnie McAfee made nice runs for two first downs to the Muenster 38 and ended the third series losing a fourth down gamble at the 35.

Five plays were enough for the 65 yards, the big ones being 12 by Wolf, a pass to Koel-

## Mexican Meal, Oct. 23

The Spanish Club, Los Jovenes of Muenster Public School will prepare and serve a Mexican meal Saturday, October 23. Serving will be from 5-7 p.m. Tickets may be purchased by calling 759-4348 before Saturday. In order to accommodate those who have bought tickets in advance, no tickets will be sold at the door. Robert McDaniel is sponsor of Los Jovenes.

by Nick Miller Funeral Home. Pallbearers were Joe Walterscheid, Damian Walterscheid, Bert Walterscheid, Mark Mollenkopf, Jimmy Lawson and Karl Klement.

Rosary service was held at 4 and 8 p.m. Sunday in the chapel of Miller Funeral Home.

Earl Walterscheid was born in Muenster on August 13, 1925, a son of the late Conrad Walterscheid and Mrs. Rosie Walterscheid, and was a community resident almost all of his life. He was an electrician, the owner and operator of Muenster Electric, and a member of the Fourth Degree Knights of Columbus.

He was married on June 14, 1949, to Florene Arendt at Lindsay.

Survivors are his wife; five sons, Chris, Kenneth, Ricky, Gary and Patrick, all of Muenster, one daughter, Connie, of Muenster; his mother, Mrs. Rosie Walterscheid of Muenster; three grandchildren; six brothers, Ervin, Thomas, Donald, Herbert, Bobby Dale and Conrad Jr., all of Muenster; and two sisters, Mrs. James Mollenkopf of Muenster and Mrs. Leo Lawson of Gainesville.

## Hornet Pep Rally

A Pep Rally for the MHS Hornets will be held Friday October 22 at 3 p.m. between Muenster State Bank and Ben Franklin Store. The Band and student body will march and the team will come on a school bus. Everyone is invited.

## Hornets Take on No. 2 Holliday in Crucial 13-A Tilt

The chips are down for Muenster High's Hornets in their football encounter with the Holliday Eagles Friday night. Ranked as the No. 2 Class A team of the state, Holliday is the definite favorite and also the obstacle that must be overcome if the MHS boys are to stay in the 13-A race.

Coaches Jones, Ostermann and White are well aware of that situation and have decided to meet it head on, not conceding a thing to the defending district champs. In fact they have visions of an upset based on a high opinion of their team's potential as well as its stout performance in a recent game with No. 1 Aledo.

As seen by Coach Jones, the Hornets and Eagles should be a good match physically. With its heaviest team of recent years, MHS has practically overcome the weight advantage that Holliday used to have. And with speed in the backfield it has also made progress toward matching the Eagles' ball totting ability. The physical signs point to a hotly contested event to be determined mostly by breaks and mistakes.

Regarding the record, Holliday is in front with a 6-0 season count while Muenster's is 4-2. Also impressive is the fact that Holliday's wins have been over AA opponents like Electra, Nocona, Seymour and Henrietta, and furthermore they have been impressive. On the other hand Muenster has had setbacks at Bridgeport and Aledo and big wins over the other opponents.

In the district race the teams are sharing the lead with Archer City after wins over Petrolia, Lindsay and Callisburg.

Going into the big showdown the Hornets have a good health report. There were no injuries last week. All are able and eager to go.

## Please God, I'm Only 17

The day I died was an ordinary school day. How I wish I had taken the bus! But I was too cool for the bus. I remember how I wheeled the car out of Mom. "Special favor," I pleaded, "All the kids drive." When the 2:50 bell rang, I threw all my books in the locker. I was free until 3:40 tomorrow morning! I ran to the parking lot, excited at the thought of driving a car and being my own boss. Free!

It doesn't matter how the accident happened. I was goofing off — going too fast. Taking crazy chances. But I was enjoying my freedom and having fun. The last thing I remember was passing an old lady who seemed to be going awfully slow. I heard the deafening crash and felt the terrific jolt. Glass and steel flew everywhere. My whole body seemed to be turned inside out. I heard myself scream.

Suddenly I awakened; it was very quiet. A police officer was standing over me. Then I saw a doctor. My body was mangled, I was saturated with blood. Pieces of jagged glass were sticking out all over. Strange that I couldn't feel anything.

Hey, don't pull that sheet over my head. I can't be dead. I'm only 17, I've got a date tonight. I am supposed to grow up and have a wonderful life. I can't be dead.

Later I was placed in a drawer. My folks had to identify me. Why did they have to see me like this? Why did I have to look at Mom's eyes when she faced the most terrible ordeal of her life? Dad suddenly looked like an old man. He told the man in charge, "Yes, he is my son."

The funeral was a weird experience. I saw all my relatives and friends walk toward the casket. They passed by, one by one, and looked at me with the saddest eyes I've ever seen. Some of buddies were crying. A few of the girls touched my hand and sobbed as they walked away.

Please . . . somebody . . . wake me up! Get me out of here. I can't bear to see my Mom and Dad so broken up. My grandparents are so racked with grief they can barely walk. My brother and sisters are like zombies. They move like robots. In a daze, everybody! No one can believe this. And, I can't believe it either.

Please don't bury me! I'm not dead! I have a lot of living to do! I want to laugh and run again. I want to sing and dance. Please don't put me in the ground. I promise if you give me just one more chance, God, I'll be the most careful driver in the whole world. All I want is one more chance. Please, God, I'm only 17!

### 2 Hellcats Shine In Irving Football

A name that's well known in Muenster is getting into the headlines at Irving during the current football season. Joel and Don Hellman of the city's MacArthur High School have both been doing a great job.

Joel was his team's top scorer last week in a 28-21 victory over Nimitz High. He caught two touchdown passes, recovered a fumble in the end zone for a third TD, and kicked four points after touchdown. The fumble recovery was specially sweet because it broke a 21-21 tie 38 seconds before the end. Don has been a standout all

season, as a blocker and ground gainer and was the area's selection for back of the week a few weeks ago. They are sons of Muenster natives, Mr. and Mrs. Damian Hellman.

Louis Armstrong once said, "I always live by this code: You can't have bread — and loaf."

### County Democrats Strive for Unity

Democrats of Cooke County joined other party members from all over the state Oct. 11 in proclaiming the day as Unity Day in Texas. The purpose of the many gatherings is to promote enthusiasm for electing Democrats from the court house to the White

House. In Cooke County some 75 persons responded to the call for unity. The group included Representative Ray Roberts, County Democratic Chairman Billy Ray Hill and most of the county's Democratic officeholders. Hill was emphatic in his praise of Carter as the first presidential candidate since

Johnson that the South and rural America can support, but also admitted that the county is no stronghold for Demo candidates. Hill used the occasion to announce that the party's county headquarters has been set up in the Professional Building. Buy, sell, rent with the Enterprise Want Ads.

### 4-H Club News

Fifth and sixth grade girls 4-H Club of Sacred Heart met October 5 with Mary Hinton. Missy Stoffels presided and Karla Hartman led the inspiration. Plans were made for carrying out the "Exploring 4-H project." They also talked about making paper bag puppets. Sherri Hess is reporter for the club.

The Sacred Heart senior 4-H club meeting was held on October 5. Stacie Walterscheid presided. Mary Hinton discussed the council delegates meeting in October, where 4-H Club rules were updated. Other business included indefinite postponement of Family Recreation Night.

Miss Hinton also announced the donation of \$25 by Cooke County clubs to the 4-H baseball diamond in Brownwood for all 4-H members' use. She also told members that 4-H members may receive free tickets to the State Fair of Texas on October 16.

A hunting and gun safety program will be given at the TP&L Building in Muenster, on October 5, Oct. 19 and Oct. 26. The 4-H Achievement Banquet will be an event of October 28 in the Cooke County College Activities Center. A Food Show meeting will be held in the TP&L Building on October 21. The 4-H Project Fair will be held on November 15.

The meeting concluded with a question and answer period about family heritage. Mary Luke is club reporter.

### Evelyn Yeatts Is Program Speaker For Bluebonnet HD

Mrs. Evelyn Yeatts presented the program for the Bluebonnet Home Demonstration Club meeting in the home of Betty Rose Walterscheid on Tuesday, October 12. Mrs. Yeatts spoke on "Make It Fit." Fran Koerschner gave the inspiration. Monica Hess conducted the business meeting and gave the council report. She named two programs to be presented in November, a clothing program in the Community Center Building in Gainesville on November 11 at 9:30 a.m. and 7:30 p.m. and a microwave cooking demonstration on Nov. 16 at 10:30 a.m. in the Cooke County Electric Building.

Following close of the meeting, the hostess served lemon meringue pie and coffee to those attending.

A "convenient" time will never come. Start saving for your future today — NOW! — There never will be a better time.

Is there ever a convenient time to start saving your money?

At 25 years of age, you say you can't accumulate money because you're just getting started, and you're not making much money yet. At 35, you've got a growing family, and the children and home cost money. At 45, with children in college, it takes all you have to pay expenses. At 55, you hope that things will get better; that something "will break" — and you'll be able to step into a higher paying job. At 65 well you find that Social Security doesn't go far, and you can't take advantage of the business opportunities you see.

It all comes down to "procrastination," putting off today what you should have started yesterday. It's sort of like dieting: I'll start after the weekend's over.

Mrs. Faith Sandusky, Steve and Willie visited in the home of Mr. and Mrs. Charles Cook and family of Saint Jo Sunday, October 3.

Mrs. Alice Shears celebrated her birthday, Sunday, October 10. Homer treated her to dinner out at Nocona, then they visited Alice's cousin Inez Butts. Then they drove out to Lake Nocona and came home by way of Saint Jo.

town — in Nevada? we were told — where he worked when he was about 20 years of age.

Jim Bryant returned home October 2 from a stay in the Bowie Hospital. He is up and about — even to driving his car around on short trips. Jim told us he was 85 years young — guess you just can't keep a good man down.

Jim tells a story about and some other men who drove a herd of hogs from Rosston to Alvord — across country. Now mind you, this was on foot, and this took place when Jim was a young man. When a hog started giving out on the trek the next farmer got a hog to butcher. Jim didn't say what he did with the men when they gave out.

The District IV FH Council met in Renner, Texas, Saturday, October 2. Leann Hays, daughter of Mr. and Mrs. Hal Hays, attended as the girl district delegate for Montague County. Mrs. Mary Hays attended the Leaders Meeting. Mrs. Imogene Evans, Montague County HD Agent and Mrs. Frank Bumpus took the group to the all day meeting.

Visitors in the Gordon Wade home on Saturday, October 2 were Mr. and Mrs. Jerry Kiver and family of Azel.

John Dunn, who is from Saint Jo and attends college in Waco was a guest in the Buford Greenwood home the weekend of October 1-3.

Mrs. Jeanette Montgomery of Greenwood visited her mother, Mrs. Cleo Lanier on Monday, October 4.

Mr. and Mrs. T. W. Smith of New Braunfels made it back to their little Forestburg home Thursday P.M. October 7. Always good to have this lovely couple back amongst us.

Mrs. J. C. Robertson and family visited her mother Mrs. Daisie Tension of Boyd, Sunday, October 3.

Sunday, October 10, was Layman's Sunday at the Forestburg United Methodist Church. Charles Edwards was the Lay Leader for the day and was very ably assisted by Mrs. Jewell Dill.

Mr. and Mrs. R. C. Gernadi of Cleburne visited her parents Mr. and Mrs. Vint Freeman of New Harp and with a sister and family, Mr. and Mrs. Herschel Holzbog also of the New Harp area.

Mrs. Sue Stilly and the homemaking girls attended the Sew-Fair at Bowie, Tuesday, October 8.

Sheree Iund, Margorie Bradley and Cindy Atchley all of Weatherford Junior College visited Sheree's parents Mr. and Mrs. H. K. Iund the weekend of October 1-3.

Visiting Vera Mae McGee, October 4, were her sister-in-law, Mrs. Leon Perryman from Lamesa and Mrs. Perryman's daughter Mrs. Evelyn Yates of Silver City, New Mexico.

Mr. and Mrs. Bill Boyd and family have moved to Euless. The Boyds lived on what we all remember as the Sill's place. They moved on Friday, October 8.

The better half and I were in Muenster, Saturday, October 9. I visited with Bess Orrell and her roommate Mrs. Iola Garland at Hillcrest Manor. Perryman spent his time tending to errands and chatting with friends.

Mrs. Gladys Barclay spent Sunday, October 10 visiting her son Billy and family in Saint Jo. Granddaughter Jennifer returned home with her to stay till Wednesday, October 13.

Mr. and Mrs. Buddy Lanier of San Diego, California, are here visiting Mr. and Mrs. Willie Orrell, his sister, and with Mrs. Cleo Lanier, the Gene Laniers and Gerald Laniers and other relatives and friends.

Mr. and Mrs. Philip Ray of Fort Worth are the proud parents of a baby boy, born Friday, October 8. The mother is the former Janie Long.

Returns from 4 State Trip

Mrs. Cleo Lanier returned home from a 3200 mile bus trip, Sunday night, October 3rd, through Texas, New Mexico, Arizona, and California.

The trip going out was serene, peaceful and relaxing, but coming back, it was a little different. One reads about planes, buses and transportation vehicles being held up and hijacked, but it is entirely a different situation when it happens to you personally.

In Flagstaff, Arizona, a hijacking was avoided by the efficient and quick work of the Flagstaff police. The driver, on arriving, went into the bus station and notified the police of two suspicious

aliens that were riding the bus. They let everyone board the bus for take-off as usual and waited for the police to arrive. They came on and took off one of the men without opposition. When they started to remove the other man, he resisted and threatened to kill the officers. The driver immediately ordered everyone off the bus. He had us to run and hide behind the other big buses parked there. The officers removed him by force and the men were not allowed to continue the trip. The belligerent one said he'd get us in Albuquerque, so the suspense was not over yet. Evidently, he was restrained because nothing happened in Albuquerque.

The mountains, big trees, pretty scenery ad visits were all enjoyable, but when we arrived at the bus station in Wichita Falls, I saw my folks' there waiting for me, it was a most welcome sight. As we drove home, I appreciated all our Texas scenery, small towns and the thought of being home again.

One of my little grandsons said, "You know I think I've grown about six inches while you were gone," and another said, "You know what size shoe I wore when you left? I wore a 13½, now I wear a size 4." It makes you feel like you were missed while you were gone, and they thought you'd been gone a lot longer than two weeks and 3200 miles. And that's the Joy of a Bus Trip.

An object in possession seldom retains the same charms which it had when it was longed for.

Mrs. Cora Mae Greenwood and daughter visited her aunt and uncle, the Edmon Cox's of Fruitland Sunday, October 10.

Visiting Mr. and Mrs. Paul Putman Wednesday, October 13, were Mrs. Juanita Putman, Mrs. S. J. Davis of Fortales, New Mexico and Mrs. Deloris Putman of Portersville, California.

Mr. and Mrs. W. W. Shults and family, and Mrs. Eula Faye Galmon were in Montague Sunday, October 10, visiting with Mr. and Mrs. Jody Hoover and family.

Mrs. Vera Mae McGee visited her son Mr. and Mrs. Chris McGee and family of Midway and her daughter and family the Gordon Hills of Bowie this past week.

Mrs. May Wade of Sunset spent Wednesday, October 13, with her mother Bessie Greenwood, it was Bessie's birthday.

There was a wee bit of excitement over by A. B. McMillions and Myrtle McMillions Thursday A.M. October 14. Seems a Army Helicopter developed some problems and landed here and was joined by another 'copter. Myrtle says they had 60 R.O.T.C. Cadets aboard. Seems the 'copters were on their way to Fort Sill, Oklahoma. However, little Myrtle missed the excitement as she was in Bowie.

Guess Jack Carter and Ted Jackson are the sweet-potato "kings" of the area. Ted ended up with 13½ bushels from about 2 rows in his garden. Anyone for a sweet-potato?

Local Third Order Observes Feast Of Patron Saint

Members of the Third Order of St. Francis, at their October meeting Sunday afternoon in Sacred Heart Church participated in a special liturgy commemorating the Oct. 4 feast day of St. Francis of Assisi, fraternity patron.

Father Placidus Eckart led the prayer service and officiated at benediction of the Blessed Sacrament at the close.

In a short business session afterward, Mrs. Leo Henscheid, prefect, presided. Miss Lu Vogel gave the secretary's report and Mrs. Felix Yosten, treasurer, gave her report which included the monthly contributions sent to the local order's two adopted families in India. Each month the families send letters of thanks which are read to members.

Of added interest was a report by Mrs. J. W. Fisher who told highlights of a recent pilgrimage she and her husband made to European shrines and churches, cathedrals and historic sites. Special details were on the Miraculous Medal Shrine in Paris, and on Lourdes, Assisi and Rome.

One thorn of experience is worth a whole wilderness of warning.

### Council Responds To Petitions for Mobile Homes Ban

Henceforth it will be unlawful to set up a mobile home on Blocks 10, 11 and 12 of the city. The ban was established by the city council Monday night in response to a petition signed by the majority of residents in each block.

The action brought up the question of whether an ordinance is needed to make the regulation official, or whether the council's vote alone is sufficient. The matter has been referred to the city attorney for an opinion.

If an ordinance is needed it will be initiated at the next council meeting. Also, if an ordinance is needed the city wants to hear from other residents who wish to keep the mobile homes away, so that their blocks likewise can be included in the ordinance. To set up the ban a majority of the block's residents have to favor it.

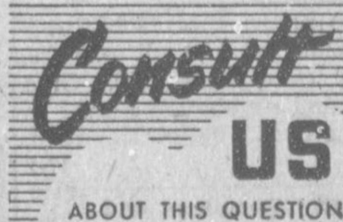

The regulation is not retroactive. Mobile homes already established will not be affected.

### HEW Grant to CCC

Congressman Omar Burleson announces the approval of a \$14,300 nursing capitation grant to Cooke County College for fiscal year 1976 by the Department of Health, Education and Welfare.

The amount was computed according to the statutory formula based upon the enrollment data provided by the school.

ABOUT THIS QUESTION

"Crime has moved out into the suburbs and into rural America, the F.B.I. now reports. Most vulnerable are jewelry, coin and stamp collections, guns, stereo and TV, bicycles and sports equipment. Does the FMW Agency offer theft insurance on all such types of personal property?"

THANKS

We are deeply grateful to each and everyone who was so very kind and thoughtful to us at the tragic loss of our beloved husband and father.

I want to thank Dr. Antonetti, Dr. Juarez, the wonderful nurses, the housekeeping staff and everyone at Muenster Memorial Hospital for the care and kindness given me while I was a patient there.

I wish to thank Dr. Krallie and Doctor Knight, the nurses and staff of Muenster Memorial Hospital for splendid care while I was hospitalized.

## Bayers Return from Tour Of 16 States and Canada

Mr. and Mrs. Martin Bayer joined a group of 32 North Texans on a guided tour through 16 states and Canada, traveling first through the Southern States, then along the Atlantic Coast into New England and spending a number of days sight-seeing in Canada, before returning by an alternate route, to include more sight-seeing. They returned recently after traveling more than 5,000 miles in almost three weeks.

The tour originated early in the morning in Denton. There was intermittent rain during several days. While driving through Arkansas, they saw rice fields, soybean and cotton fields. They crossed the Mississippi at 6 p.m. the first day and drove to Nashville, Tennessee the next day where they toured the city, saw both the original and new Grand Old Opry Buildings and Andrew Jackson's home. In Gatlingburg they took pictures of Christmas Gardens before continuing on the mountainous roads where the scenery is spectacular anytime of the year but especially when autumn leaves are turning.

In Smoky Mountains National Park they drove through a Cherokee Indian Reservation, saw miles of gift shop tourists attractions, saw Ski country with ski lifts along the way.

During long drives or between conversations, small groups took time out for 42 or domino games.

In South Hill, Virginia, the tour group enjoyed a special breakfast of Virginia Ham, and recalled fondly that "it was delicious". They toured Richmond and Williamsburg, Va., between showers and took a guided tour of the Governor's mansion, enjoying especially the carriage house and old wagons.

Their days in Washington D.C. were tightly scheduled to include a visit and coffee with Congressman Ray Roberts, a guided special tour of the U. S. Capitol Building, a tour of the Library of Congress, lunch in the cafeteria of the Supreme Court Building, seeing the Senate in session, a visit at the Bureau of Engraving and Printing, a bus tour of the city with a special guide. Also guided tours to the Washington Monument, Jefferson Memorial, Lincoln Memorial, the White House, Arlington National Cemetery, including Changing of the Guard, a tour of the Kennedy Center with dinner there. The next day they saw the magnificent Immaculate Conception Shrine.

In Maryland they stopped to buy apples and arrived in Gettysburg, Pennsylvania to tour the battlefield, national tower and cemetery, and the Eisenhower farm. In Lancaster they saw beautiful Amish farms and toured an Amish farm house. They missed Valley Forge because of hard rains which continued into New York City. There they saw the Giants' Stadium, Yankee Stadium, Central Park, took conducted bus tours of the city and usual tourist attractions and saw much of the city from the water and enjoyed their first full days of sunshine.

They saw the Submarine Base in Connecticut went sightseeing in Boston with a special tour guide, visited at Cape Cod, at Plymouth Rock, saw a replica of the Mayflower.

In New Hampshire and Vermont the weather was beautiful, the autumn leaves and scenery were spectacular. The group saw the Von Trapp home (of "Sound of Music" fame), where some of the family still lives. In Vermont, residents expressed an immediate interest in M. B. Bayer's Texas hat.

The next day they crossed into Canada and went sight-seeing in Montreal where the maple trees were putting on their own special show. They saw the Notre Dame College, Church of St. Joseph, Montreal University, Olympic Stadium for Ice Skating, Convent of the Sisters of Jesus and Mary, the Montreal Cathedral, the Mounted Police Station, the largest department store with a total of 3 square miles shopping area, the United States Pavilion, the oldest clock in America, a grain elevator that holds 25 million tons of wheat, an apartment house for 2,300 apartment units, an underground garage at the Convention Center, where 5,000 cars are parked underground and many other outstanding areas.

They went sight-seeing in Quebec briefly and started for Ottawa where there were

## Full Day Meeting Booked Saturday On Right to Life

A full day meeting on right to life sponsored by the Dallas Right to Life Committee will be held Saturday, October 23, at the Korcher Auditorium of Southern Methodist University. Everyone interested in the issue is invited to come.

The program features lectures by three nationally known speakers and a choice of three workshops likewise featuring highly qualified panels. Speakers are Carolyn Gester M.D., James Oberstar, Minnesota Congressman, and Joseph F. Kerwin, M.D. They will talk on the need of a pro life movement, its progress and the ethics involved.

Aim of the conference is to educate participants to the issues so they may respond in an effective manner and thereby become part of the solution rather than remain

part of the problem. More information is available from William Koerschner, 759-4430.

## Letters to the Editor

Dear Editor,  
I wish to apologize for the unkind remarks and statements to and about Sacred Heart School. From unreliable sources quite a bit of misinformation was started. Also, I apologize to the parents, students and exes for the remarks said.  
Name Withheld by Request

Mr. and Mrs. Albert Bauer of La Feria visited their daughter and son-in-law, Mr. and Mrs. Bob Knauf, and the Ray Voth family over the weekend, coming especially to attend the funeral of their brother-in-law, Earl Walterscheid on Monday.

No man is happy who does not think himself so.

## Hood Club Plans Super Supper as Project Benefit

An all-out effort by members of the Hood Community Club for a super Thanksgiving supper on Saturday, November 6, was the principal item of business at the club's October meeting.

Serving will begin at 5 p.m. and tickets are \$2.50 for adults and \$1.25 for children. The dinner will be a benefit event.

Members voted to build rest rooms onto the Club House. Mr. and Mrs. Cecil Welch and Mr. and Mrs. Albert Zimmerer were appointed to the building committee.

Ruth Southard will be chairman of the Bake Sale sponsored by the Hood Club on November 20. Both events are fund-raisers for the project.

Following close of the meeting, the group enjoyed coffee and doughnuts. Donations for the United Way were accepted.

## Bill Birden Gets Eagle Scout Rank

William L. Birden, Jr., age 14 son of the Bill Birdens of Lewisville and grandson of the J. M. Weinzapfels, attained Eagle rank in the Scout program recently and was honored Saturday October 9 during an Eagle Court of Honor.

He is the first scout of Troop 233 to receive his Eagle award. He entered the Scouting program in 1970 as a Cub Scout, and has held several positions of leadership on the senior patrol level. He is a member of the Order of the Arrow; he is a scout life-guard and assists the cub swim program. This past summer the new Eagle completed a two week trail camp at Philmont Scout Ranch in New Mexico and received the 50 Miler award for completing the rough mountainous trail. In Bill's Eagle Service Project which took over 50 hours, he was assisted by his brothers Andy and Jon who are also members of Troop 233.

Mr. and Mrs. Weinzapfel, Mrs. David Bright and son James attended the ceremony in Lewisville.

## MHS Junior Teams Divide Two Games With Callisburg

Junior teams of Muenster Public School divided a pair of games with the Callisburg youngsters Thursday night. In the first contest the junior high Wildcats mauled Muenster by a convincing score of 36-0. The Hornets won the second 20-12.

Though outsized and out-manned the Little Monsters did better than the score indicates. They moved the ball well, with some conversions on third and fourth down, but were not able to finish a drive. And they held the visitors to 14-0 the first half.

Big plays were the big factor in Callisburg's big second half, such as interception's and long runs. In spite of the lop sided score the game was the season's best for the proteges of Coaches Ostermann and White.

Likewise in the second game the Muenster junior varsity looked better than its 20-12 win indicated. They were ahead 13-5 in first downs, and 264 to 113 in total yardage, also 3 to 1 in turnovers. MHS lost one fumble, Callisburg 2, and the Hornets had no interceptions whereas Callisburg had 1.

Muenster scored on its first possession topping off a 72 yard drive. Runs by Kevin Klement and Greg Wilde, along with David Felderhoff's pass to Pat Walterscheid were the big gainers and Felderhoff scored from the 15.

The next three MHS drives were stopped and the Wildcats eventually got going following a fumble recovery on the 35. Five plays reached pay dirt with Henry scoring from the 3 and also making the biggest play, an 18 yard gain. Half time score was 6-6.

Early in the second half Muenster had a set up on the 23 after a pass to punter went astray. The Hornets fumbled that opportunity but made good the next time starting from the 20 after a punt. Out of five plays the big one was 17 on a pass to Pat Walterscheid, who gets credit for four of the five MHS completions. Felderhoff sneaked in for the last foot. Also the PAT attempt, Felderhoff scooted around right end for the bonus points.

Following kickoff Williams got loose on the first play and sailed down the left sideline on a 58 yard scoring romp. The try for bonus points failed. MHS led 14-12 just before the end of the quarter.

The Hornets used up most of the fourth quarter on two drives. First one gained 27 and bogged down on Callisburg's 37. Three plays later Muenster was moving again following a fumble recovery by Mark Felderhoff. Seven plays did it from there and overcame a 15 yard penalty along the way. The pay off was a pass to Pat Walterscheid for 4 yards.

A fumble recovery by Hale stopped Callisburg's final effort to get a drive going.

## Muenster Receives Sales Tax Rebate

The City of Muenster this week received a check for \$8,447.31 from State Comptroller Bob Bullock as its rebate for city sales tax collected here by the state through the period ending September 3, 1976.

Muenster was one of 855 cities and towns sharing in the total of \$56.6 million, according to Bullock, who also said that rebates so far this year are \$230 million. This is nearly 18 per cent ahead of the \$195 million at the same time last year.

**Delay Reported In Construction Of Nuclear Plant**

Completion of the first generating unit at the Comanche Peak nuclear power plant now under construction near Glen Rose has been deferred one year, J. F. Skelton, Texas Power & Light Company president, announced.

The 1,150,000-kilowatt unit, which will be owned jointly by TP&L, Dallas Power & Light and Texas Electric Service Company, is now scheduled to go into commercial operation in 1981, instead of 1980.

Additionally, Skelton noted that an engineering study presently underway indicates the plant will cost more than earlier anticipated. Results of the study will be available in the near future, he said. He added that the plant is still expected to cost less than similar facilities being built in most other parts of the country.

In announcing the rescheduling, Skelton said "we are responding to our customers' needs, the rate of economic growth and our total system capabilities. We are constantly monitoring conditions on which we must base our future plans to meet electric energy needs, and as those needs change, we must respond by revising our construction program."

The rescheduling reflects slower economic growth in homebuilding and industrial expansion, continued conservation by customers and the effect of four consecutive summers with temperatures near or below normal.

**YOU'RE PAYING MORE FOR ELECTRICITY. IT'S COSTING US MORE TO PRODUCE IT.**

Texas Power & Light Company is concerned about both sides of the coin. You really need no reminders about your side. Electric bills are higher these days and the fact that the costs of almost everything are up doesn't reduce your concern about your cost of electricity. But, for just a moment, take a look at TP&L's side of the coin... the higher costs of producing and supplying electricity. From 1974 to 1975, the cost of the fuels necessary to operate generating plants increased more than 65%. To counter the spiraling costs of natural gas and fuel oil, TP&L is building new plants which use lower-cost lignite coal and nuclear materials. In 1975, the Company's construction costs totaled \$268 million... \$55 million more than in 1974. Costs of operation and maintenance of generating plants, lines, trucks and other facilities and equipment have also risen drastically in recent years and are continuing to go up. TP&L is working to keep the price of electricity as low as possible, but as the costs of producing it go up we have no choice but to ask our customers to pay a higher price. It's the only way we can maintain the adequate supply of power and the dependable service you expect.

**Blue Birds News**

First grade Bluebirds met in the Community Center on Wednesday, September 29 to reorganize and plan coming activities. The girls adopted the name "Rainbow Bluebirds". Principal activity was making styrofoam butterflies and studying about the life of a butterfly.

Bluebird leader, Nita Fleitman told the girls about the welcoming party at Camp Myers on October 7.

Refreshments of Kool-aid and cookies were provided by Rhonda Fleitman and cups were donated by Clyde Fisher. Members are Elizabeth Fleitman, Rhonda Fleitman, Amy Henscheid, Renee Klement, Judy Pagel, Kerri Yosten, Julie Rohmer and Vickie Truelsenbach.

Chirping Blue Birds held their first meeting this school year on Thursday, October 7. Kristi Pagel, Sharon Henscheid, Gail Fisher, Brenda Swirczynski, Eileen Knabe, Rhonda Bayer, and Angie Oakley attended an Indian Blanket Ceremonial and Council Fire at Camp Myers.

Each child brought her own sack lunch. They were accompanied by Mrs. Kay Pagel, leader and Mrs. Betty Henscheid assistant leader.

There are 11 members this year. Brenda Swirczynski and Rhonda Bayer are new members. Chirping Blue Birds are sponsored by Community Lumber Company.

**VFW Auxiliary Urges Yule Gifts For State School**

During their October 18 meeting members of the VFW Auxiliary were told of a request from the Denton State School for items suitable for Christmas gifts. Members also were urged to support a project seeking signatures on a petition to assure continuation of public church services on TV and Radio.

All members are asked to bring an item to the next meeting such as accessories, clothes or toiletries, winter gloves, boxed stationery, flashlights, wallets, coin purses, looseleaf notebooks, photo albums, ties, viewmasters, arts and crafts supplies, paint-by-number sets, yarns, beginner embroidery sets, books, games, toys, crib gyms, nerf balls, blocks, coloring books, large picture books, rubber dolls, music boxes or toys, LP records (country, rock) and countless other items. Gift wrapping materials and money gifts are very welcome.

Anyone else wishing to provide a Christmas gift for a child at the Denton State School may leave it at the VFW Club.

The Auxiliary will place

petition forms in several places about town, urging citizen support for public church services on Radio and TV.

Mrs. Ethel Hesse conducted the business meeting. Plans were made for attendance at a Memorial Mass offered on November 11 for deceased veterans and services at the cemetery following the 8:55 Mass in Sacred Heart Church.

Mrs. Peggy Walterscheid reported for the audit committee. The Auxiliary donated \$5 to the Denton State School. A Stanley Party sponsored by the Auxiliary was announced for Monday, November 1 at 8 p.m. in the VFW Hall.

Reinstatement ritual was held for Rosalie Haverkamp and reception ceremony for Shirley Hess. Regina Pels won the door prize.

Sixteen members attended. Refreshments were served by Peggy Walterscheid and Mary Ann Walterscheid.

Mr. and Mrs. Kenneth Otto of Tulsa were weekend guests of her parents, the Martin Bayers and visited his parents, the Bill Ottos in Gainesville.

Mr. and Mrs. Dan Phillips, and sons Paul and Kary of Dallas were Saturday overnight and Sunday guests of her parents, Mr. and Mrs. Al Yosten.

**SH Junior Teams Lose Three Games**

Junior High boys of Sacred Heart lost two games by identical scores of 20-0 during the past week. The first one was to Notre Dame last week Wednesday, the other to Valley View Monday night.

At ND the Cubs did a good job in holding their hosts to a 0-0 tie through the first half and continued their stout defense in the second, except a few big plays that paid off in points. Considering ND's advantage in size and its near perfect record so far, Coach Stock was well pleased with the kids.

The other game, at Valley View, likewise was mostly a few big plays. First TD was a 65 yard gallop and the next one was two back to back runs for a total of 60. The third followed a fumble on the 8 which was converted into a score in four crashes at the line.

Also a good game in spite of an 18-0 loss was the Junior Varsity tussle with Notre Dame. Again outmanned the young Tigers allowed one touchdown in the first quarter and two in the fourth. However their occasional gains were spoiled by fumbles, interceptions and penalties.

## Sacred Heart Parish Hosts Diocesan NCCW Meeting

Catholic women of twenty-eight Texas counties included in the four deaneries of the Fort Worth diocese, met in Muenster's Sacred Heart Community Center Thursday for the second biennial convention of the National Council of Catholic Women belonging to the Fort Worth Diocesan Council.

Dr. Betty Myers, faculty member of Texas Women's University of Denton and president of the Parish Council of Immaculate Conception Church, Denton, was the principal speaker during the afternoon session following a catered luncheon. Dr. Myers is a well known lecturer on motivation, group dynamics and human management skills. She is listed in Who's Who of American Women and in American Education. She was named to Outstanding Educators of America and nomi-

nated for Outstanding Teacher at Texas Women's University in 1975.

Registration for the meeting began at 9 a.m. with Mrs. W. F. Hamblin Jr., of Bridgeport in charge. Muenster members of St. Anne's Society, Catholic Daughters of America and ladies of Sacred Heart Parish hosted a coffee from 9-10 a.m.

The first session opened at 10 a.m. with Mrs. Arthur G. Abel outgoing president of Wichita Falls presiding. Msgr. Paul Higginbotham of Henrietta led the invocation and Mrs. Joey Schroeder of Windthorst gave the Salute to Cross followed by the Pledge of Allegiance to the Flag, led by Mrs. Paul Fisher.

Welcoming remarks were made by Father Placidus Eckart. The treasurer's report by Mrs. Charles C. Calvin of Fort Worth followed, with re-

view of resolutions.

Report of the nominating committee offered the names of the following to head the organization for a 2 year period: Mrs. George M. Kaier of Fort Worth, president, Marjorie Weidner of Burkburnett, president-elect; Mrs. James Guay of Weatherford, secretary; Gail Storey of Nocona, treasurer.

Installation of new officers took place during the 11:45 Mass in Sacred Heart Church with Father Placidus Eckart as principal concelebrant. Father James Miller of Bridgeport gave the homily. The special liturgy was under the direction of Mary Ellen Patrick of Wichita Falls.

A catered meal was served to 176 ladies in the Community Center at 1 p.m. Msgr. Joseph Schumacher of Denton introduced the speaker, Dr. Myers.

Theme of the convention was "With These Hands" highlighting the work of Catholic women in family, community, parish, legislative and international affairs.

Table decorations in the assembly rooms, were brought by ladies of St. Mary's Parish of Gainesville. More than a dozen hand-made door prizes were made by Mrs. Henry Pick, Mrs. Joe Wilde, Mrs. Joe Hoening and Mrs. Willie Fisher. A table arrangement of red, white and blue carnations was worn by Mrs. Susie Neu of Gainesville. Two Praying Hands figurines were also given as door prizes.

All 1975-76 officers received carnation corsages. And everyone wore a special name tag, hand made and decorated with rainbow-hued yarn to signify "Happy Day".

On display in the entrance and throughout the meeting rooms were special exhibits. Each of the four deaneries planned a booth to display their activities. Five Commission chairmen also explained their aims and special characteristics with booths.

Presidents of the four deaneries are, Mmes. Joey Schroeder of Windthorst, Northwest Deanery; Guy Thompson Jr., Fort Worth, Tarrant Deanery; Ray Lagleder, Denton; North Deanery; James Guay, Weatherford, Southwest Deanery.

Commission chairmen are Mrs. W. M. McGuire of Denton, family affairs; Mrs. Ray Fenoglio of Montague, international affairs; Mrs. Lawrence Zimmerman of Gainesville Church Communities; Mrs. Charles Carter of Wichita Falls community affairs; Mrs. R. B. Belmont of Arlington, legislative affairs; Mrs. James Guay, organization services.

Newly elected commission chairmen include Mrs. Paul Fisher of Muenster, community affairs chairman. Father James A. Boyle of Fort Worth is Diocesan moderator.

Mrs. Ray Logleader, of Denton, president of the North Deanery which hosted the convention was general chairman of the outstanding event and Mrs. Paul Fisher of Muenster was her co-chairman.

## Hornets

next series Wolf intercepted on Muenster's 25 and ran back to the Pirate 39 before being stopped. Six plays made the distance, the payoff a 3 yard scoop by Mollenkopf. A pass for bonus points failed to connect.

Next possession of the Pirates was short again. Two runs and a 15 yard penalty gained 24 to the 39, then the second series ended with an interception by Nick Walterscheid on the Hornet 47. Five plays gained 26 to the Pirate 23 where Hermes broke through on a scoring sprint. Mark Sicking's run was good for 2 more points. The score was 36-0 with 2:59 on the clock.

A pair of turnovers marked that remaining time. Petrolia recovered a fumble, Mollenkopf intercepted for MHS.

After intermission Mark Sicking started with a 25 yard kick return to the Hornet 44. Five plays later Sicking went all the way to pay dirt but a clip penalty at the 28 returned the ball all the way to the original scrimmage line. Then came a short gain and a holding penalty before MHS fumbled on the Pirate 46.

Four plays later Petrolia kicked and the Hornets started again with 82 yards ahead of them. Bryan Sicking gained 12, and Mark Sicking 25 on three runs, and a penalty reached the Pirate 40. There again Mark Sicking went all the way but his effort was spoiled by a clip penalty. So the ball came back to the 40. A 15 yard penalty plus three plays did it from there. Wolf scored from the 12. Nick Walterscheid added a point.

Again Petrolia could not move and kicked to end the first series. Then, with 55 to go Sicking gained 5 and Wolf went the rest of the way.

On next kickoff Beam almost got away and reached the MHS 45. But a fourth down try failed on the next series and Muenster started from its 39. Runs of 8 and

21 by Sicking plus 15 free on a penalty reached the 17. In two more tries Sicking got to the 2. But then a fumble. Two plays later Petrolia fumbled it back at the 7. Sicking got over from there in two tries.

During the balance of the game Beam and Howard made nice runs for three first downs and then fouled up on penalties.

On the other side are people who want to reduce Labor's clout by eliminating some of the congressmen doing its chores and also retain the president who will guard against labor encroachment in government.

Carter is all wrong in his remarks about giving our government back to the people. The fact is that he is trying to hand it over to a big labor dictatorship.

## Confetti

unions do not need compulsory membership and bad unions do not deserve it."

The contrast of these principles and ideals is the essence of the labor issue in this year's election. Labor now controls the Democratic majority in Congress through its influence over the obligated members. And its announced aim now is to strengthen the influence as well as elect also a president who will not veto the special laws.
