

# MUENSTER ENTERPRISE

VOLUME XXXIX

MUENSTER, COOKE COUNTY, TEXAS 76252 JUNE 20, 1975

NUMBER 30

More than 200 years ago a British historian, Professor Alexander Tyler, wrote that "A democracy cannot exist as a permanent form of government. It can only exist until the voters discover that they can vote themselves largess from the public treasury. From that moment on, the majority always votes for the candidates promising the most benefits from the public treasury with the result that a democracy always collapses over loose fiscal policy, always followed by a dictatorship. The average age of the world's great civilizations has been 200 years."

Here is a frightening statement which appears even more frightening as we consider the approaching bicentennial of this country as an independent nation. In just one year we will have reached the average length of survival of those other great democratic countries.

The cause of decline of the other nations, as pointed out by the historian, is the way of life that we have been following for four decades. We, too, have discovered that we can vote ourselves largess from the public treasury. Our majority, too, has supported the candidates who promise more and hand out increasing numbers of benefits.

The real cause of our trouble is that we have become greedy and short sighted. In satisfying public demand for increasing quantities of the nation's goods the politicians have run us hopelessly in debt. The budget deficit gets bigger every year, and now we are about to begin the bicentennial with the record budget deficit of our history.

As explained recently by James Kemper of the Kemper Insurance Companies, "we have been acting like a housewife with a very large family and a limited budget who, in order to keep peace in the family, tries to serve at every meal every dish that each member of the family says he would like to have. It can't be done. Especially when the demands of the noisiest, most-threatening and least productive members of the family are preferred over those who contribute to the family budget."

"The middle class, about 80 per cent of our population, is being stuck for the family bills without getting its fair share of the benefits. To make it worse, the media and the demagogues are misrepresenting the priorities, over dramatizing the problems and ignoring the nation's long range welfare."

While this welfare state or great society continues merrily on its down-hill slide, we are slipping sadly in the matter of national security. The communists, who told us long ago that they intend to take us over, have advanced steadily since World War II, until, in the opinion of most military analysts, they have replaced us as the world's number one power.

Nevertheless any effort by our military or security minded statesmen to improve our defense posture is vigorously opposed as heartless neglect of our needy.

It seems there just aren't enough thinking people analyzing the situation sufficiently to understand that we are actually following two disaster courses. If we use too much of our means pampering ourselves we'll eventually end in bankruptcy. Or by stressing welfare rather than security we may find ourselves unable to preserve our freedom and independence.

All of this brings up the vital question of whether our nation will recognize its problem, and if so, whether it will apply the horse sense and self discipline necessary to restore the old values that made this country great . . . or whether it will continue its foolish ways to the extent of confirming the prediction that democracies have built-in elements of self destruction.

This column would not presume to claim that we have already reached a point of no return, however, it firmly believes that we are dangerously close. We are running out of the time needed to recover from fiscal irresponsibility, while becoming less able to maintain our independence against the growing might of a hostile ideology.

Another fact that ought to be bugging us is the nation's (Continued on page 10)

## Funeral Service Held Saturday for Mrs. H. Huchton

Mrs. Henry Huchton, 59, died in her home at 5:30 a.m. Friday morning ending a lingering illness of about two and a half years.

Rosary was recited Friday night at 8 in the Nick Miller Funeral Home and funeral service was held Saturday at 2 p.m. in Sacred Heart Church with Father Placidus Eckart officiating. Burial was in Sacred Heart Cemetery under direction of Miller Funeral Home. Pallbearers were Tim Hellman, David Huchton, Lynn Huchton, Don Huchton, Ricky Huchton and Glenn Trachta.

Lorene Huchton was born on April 17, 1916, in Bowie, a daughter of Calvin and Estelle Williams. She was married to A. C. Stelzer in 1934 and has lived in Muenster ever since. She was married to Henry Huchton on January 7, 1943.

She spent about ten years as an employee of the Muenster post office, was associated with her husband in ownership and operation of Texas Bar, and more recently was employed by Warehouse Outlet of Gainesville.

She is survived by her husband; one son, Pat Stelzer of Muenster; five sisters, Christine Smart of Oklahoma, Evelyn Aytes of Myra, Billye Huchton of Muenster, Joyce Bell of Georgia, and Mary Jo Blanton of Gainesville, two brothers, C. L. Williams of Myra and Lynn Maynard Williams of Ohio; and two grandchildren.

Out of town relatives at the funeral were Joe Huchton, Mrs. Sid Huchton and Mr. and Mrs. Don Huchton of San Angelo; Mr. and Mrs. Walter Huchton of Bedford; Mr. and Mrs. Robert Walterscheid of Wichita Falls; Glenn Trachta of Archer City; Mr. and Mrs. C. J. Hellman of Hurst; Tim Hellman of Denton;

Mmes. Tom Williams, La Verna McKinney and Lonnie Campbell of Bowie; Mr. and Mrs. Lynn M. Williams of Cincinnati; Mr. and Mrs. Howard Young of Durant; Mr. and Mrs. Bill Smart of Waurika; Mrs. Evalyn Aytes, Mrs. Cecil Raney and Messrs. and Mmes. C. L. Williams and Ronnie Loving of Myra; Mr. and Mrs. Ike Stevens of Era; Mr. and Mrs. David Huchton of Lindsay; Messrs. and Mmes. Bill Blanton and Jim Stogdill of Gainesville.

## Doris Felderhoff Is Candidate for US Olympic Team

Since Sunday Doris Felderhoff is one of forty women being considered for the USA Olympic basketball team.

During the weekend she was at Lawrence, Kansas, for one of the four regional try-outs of the nation and was selected to go to the tryout finals at a national camp in Warrensburg, Mo., on June 23.

Forty are expected for that event and twelve of them will be selected for membership on the US Olympic team, which will compete in Pan American games in South America and in world championship games.

## City Gets \$3,669 Sales Tax Check

The city of Muenster has just received a check for \$3,669.86 from State Comptroller Bob Bullock in the third round of monthly payments on city sales tax.

Combined with previous checks of \$1,580.99 in April and \$4,875.56 in May this adds to \$10,126.41 from city sales tax revenue for the first quarter. The figure reflects a drop in business volume as compared with the fourth quarter of 1974, including Christmas business, which netted a tax of \$10,205.60. It also reflects a larger decrease from the third quarter remittance of \$11,068.34, the biggest since Muenster started the city sales tax.

A statement with the payment reveals that collections for the period were \$3,059.28 and the state's 2 per cent service fee amounted to \$61.19. Adding the prior period balance of \$855.19 and retaining the usual 4.76 per cent accounts for the net of \$3,669.86.

Total checks sent out in the last pay period of the quarter were \$23.8 million to more than 800 towns. Amounts remitted to some other cities of the area are Gainesville \$32,149, Lindsay \$3,131, Saint Jo \$1,401, Nocona \$7,657, Bowie \$16,837, Sanger \$2,334, Pilot Point \$1,335.

**Bicentennial Parade**  
Wilfred Sicking, co-chairman of the July 3 Bicentennial Parade in Gainesville invites entries of antique cars, horse drawn equipment or old tractor drawn equipment. For more information call him at 759-2563 or 2873. The committee requests notice of entry by June 28 so plans may be completed.

## 12 Year Illness Ended by Death of Andy O'Connor

A disabling illness of almost 12 years ended at 7 a.m. Wednesday morning with the death of Andy O'Connor in his home. He was 76 year old, had been a bed patient since July 1963 when a stroke left him mostly paralyzed.

Rosary will be recited at 4 and 8 p.m. Thursday in the Nick Miller Funeral Home chapel and final services will be held Friday at 10 a.m. in Sacred Heart Church with Father Placidus Eckart officiating.

Mr. O'Connor was born in Tours, Tex., on April 12, 1899 a son of Mr. and Mrs. Richard O'Connor, and came to Muenster with his parents at an early age.

He was married to Miss Sadie Nieman in Sacred Heart Church on October 19, 1919. They were engaged in farming until fifteen years ago when they moved to Muenster to retire. He was a member of the local Fourth Degree K of C assembly.

Survivors are his wife; two daughters, Mrs. Andy Monday of Muenster and Mrs. Cecilia Fry of Dallas; three sisters, Mrs. Margaret Schmitz of Gainesville, Mrs. Mary Sicking of Myra and Mrs. Matt Stelzer of Post; seven grandchildren and nine great-grandchildren.

## Kim Reiter Gets Home Ec Award

Kim Reiter, Muenster, has been selected to receive one of two Ann Sonner scholarships, announced Mrs. Fredrica E. Seaman, First Vice President of the Texas Association of Extension Economists. The scholarship of \$100.00 is available to junior or senior college girls studying home economics or a related area.

Miss Reiter, the daughter of Mr. and Mrs. Wilfred Reiter, was Cooke County 4-H Gold Star Girl in 1973. Her 4-H projects included clothing, food, beef, and junior leadership. She participated in State 4-H Roundup for 3 years, Texas 4-H Congress, and District Leadership Lab. In 1973 she and her partner presented their 4-H Cooperative Method Demonstration at the Regional Meeting of the Associated Milk Producers, Inc. in Dallas. They were then awarded an expense paid trip to the National AMPI meeting in Kansas City.

Miss Reiter is a home economics education major at North Texas State University

## County 4-Hers at Leadership Course

"Operating Within the System", is the focus for District IV Leadership Activity being held this week at Texas Power and Light Campsite on Lake Trinidad. Cooke County has 10 delegates attending the 4 day lab. They are Sharon Voth and Dolores Sandmann of Lindsay 4-H; Karla Sutton and Tim Schumacher of Gainesville 4-H Club; Lloyd Reiter, Billy Felderhoff, and Gary Rohmer of Sacred Heart 4-H Club; Janet Hudspeth, Evalyn Carson, and Cindy Hudspeth of Valley View 4-H.

The district activity is designed to give the 4-Hers attending a new insight into community affairs. In addition to the educational activities, the group will be involved in organized recreation, folk games, and a Bicentennial Theme costume party. Miss Mary Hinton and Mr. Randy Jordan, Asst. County Extension Agents, are accompanying the group.

## Recycle Grass Clippings

Sending your grass clippings away with the garbage wastes energy. Chemical fertilizers require a lot of energy to produce. Normally we buy plant food in a bag, put it on our yards, clip the grass and send all that energy to the landfill. The garbage trucks burn more energy taking the bulky clippings away. This is ironic because this material is so easy to save and convert into valuable organic fertilizer at home. Anyone can build a recycling plant for their clippings. A compost heap can be started with a little wire or scrap lumber and this summer's grass clippings can be next spring's fertilizer and soil conditioner.

## Sister Julia Is New Prioress of Jonesboro Convent

Mother M. Julia Pruss, O.S.B., is the newly elected prioress of Holy Angels Convent, Jonesboro, Ark., of which the Benedictine sisters of Sacred Heart School are members. She is a former Sacred Heart teacher.

The election, officiated by Bishop McDonald of Little Rock on June 6, followed the convent's annual retreat, and it was followed by Benediction and the "Te Deum".

Mother Julia has degrees of BS in history and MSE in social studies from Arkansas State University. She has also taken courses from Siena College of Memphis, Mt. Marty College of Yankton, S. D., Springhill College, Ala., and St. Meinrad's School of Theology of Indiana.

In addition to one year here in the sixth grade and one year as eighth grade teacher and principal, the new prioress taught 18 years at Pochontas, Ark., and also taught at Blytheville and Little Rock. She has just completed three years as superior at the Immaculate Heart of Mary Convent in Randolph County, Ark.

## 12 Teams Entered This Weekend in Softball Tourney

The coming weekend's calendar will be crammed with softball as twelve teams battle it out in a double elimination tournament sponsored by the local Grady Jones team. The tourney leads off with five games Friday night starting at 6 and due to end at 11. Then it resumes at 9 a.m. Saturday and continues with a game every hour until 10 p.m., which adds to fourteen games. After that there will be only three games left for Sunday, to start at 1, 2:15 and 3:30 o'clock.

The twelve teams entered are Grady Jones, Schlitz and Miller Beer of Muenster; First Realty, Trans Con, Sonic, Tyler & Simpson, Hesperian, and Heffley TV of Gainesville; Bill's Liquor of Lindsay; Martindale Feed of Valley View; and Winsboro. The latter team is led by Hank Tipps who coached the MHS Hornets the past season.

The preliminary six games will divide the teams into win and lose brackets and as the contests progress each team eliminated from the win bracket has another chance in the lose bracket. A loss in the lose bracket, which is actually the team's second loss, will eliminate it from the tournament.

Two provisions hopefully will keep the tourney on the game per hour schedule. There will be no infield warm-ups before the game and the game will be ended when time is up, except in ties.

The public is invited to come and see the action any time. Jaycees will have a concession stand with barbecue sandwiches, popcorn, candy and cold drinks. And admission is free. Tournament supplies and trophies are financed by the teams' entry fees. Those trophies, to be awarded after the last game, will be to the champ, the runner-up and third place plus a sportsmanship trophy. In addition there will be fifteen individual trophies.

You can't win by trying to even the score.

Most men, when they think they are thinking, are merely rearranging their prejudices.

## Good Grain Harvest Is Almost Complete

The end of a bumper harvest season in this community is just a few days away, provided that the present good weather will continue that much longer.

According to estimates of local grain dealers, the job is about 95 per cent finished, and very little if any will be left at the end of the week — unless rain interferes again.

In general the season can be described as better than average working conditions on a better than average crop. It got off to a late start as grain matured before the rain

soaked ground was ready for the heavy combines. Small amounts of grain fell over during the delay and caused a small loss in the yield. However ideal weather prevailed for about a week allowing the community to reap about half its crop.

Then came three days of wet weather followed by more drying before combines were able to resume full speed last week Friday. From then until now farmers almost finished bringing in the last half of their crop.

Yields throughout the season have been well above average in spite of falling grain before the start and during the interruption. Reports by the farmers average to about 35 bushels per acre, as compared with about 25 bushels last year. Combining that fact with increased acreage accounts for an increase of nearly 50 per cent in the total crop.

However the market is not quite as good. It started at \$2.90, as compared with \$3.15 last year. Though still below that price it is up to \$3.05 this week.

## Dr. Hugo Hellman Muenster Native Dies in Wisconsin

Relatives of Dr. Hugo Hellman, 66, of Wauwatosa, Wis., learned late Thursday of his death earlier in the day, apparently of a heart attack. He died in the family's cabin at North Lake near Milwaukee. He had survived another heart attack about two months ago.

Funeral services were held Monday at 11 at St. Clare's Church North Lake, Wis., with a eulogy by Dr. Wm. Lamers, whom Dr. Hellman succeeded as head of the speech department of Marquette University. Burial was at North Lake.

Dr. Hellman was a native of Muenster, born on August 4, 1908, a son of Mr. and Mrs. G. H. Hellman. He completed Sacred Heart elementary school, graduated from the high school department of St. Mary's College, Kansas and also received his college degree at St. Mary's in 1931.

Along with four years as a high school teacher he worked toward a master degree, receiving it from Marquette University in 1935. He then joined the Marquette faculty and worked toward a PhD, which he received in 1940. At that time he became head of the university's speech department, from which he retired a short time ago.

Dr. Hellman was listed in the American Who's Who, has written a number of books and articles on parliamentary procedure and speech, was frequently a speaker for conventions and other large gatherings.

He was married July 18, 1934, at Milwaukee to Margaret Schuengel, who survives him. Other survivors are two sons, John of Montreal and Robert of Washington D.C.; two brothers, Arthur of Muenster and Paul of Wagoner, Okla.; one sister, Mrs. Vincent Baker of Chicago; and two grandsons, Etienne and Christophe of Montreal.

Relatives attending the funeral were Mr. and Mrs. Arthur Hellman, Mr. and Mrs. Jimmy Jack Biffle and Dolphy Joe Hellman of Muenster; Mrs. Alice Hellman of Gainesville, P. W. Hellman of Wagoner, Okla., Dr. and Mrs. Monte Hellman of Dallas, Mr. and Mrs. Vincent Baker of Chicago, Dr. Dennis Baker of La Grange Park, Ill.; Bill Baker of Allegan, Mich.; and Mr. and Mrs. Richard Syverson of Waukesha, Wis.

## Deadline Near for Entries in Jaycee Tennis Tournament

Tennis players wishing to get into the Jaycees doubles tournament on June 27-29 are reminded that the entry deadline is just around the corner — that is Sunday, the 22nd at midnight.

The tourney will be held in men's and ladies' divisions each in age groups over 17 and under 17. Actually it will be four separate tournaments, double elimination, and trophies at the end will be awarded to the four champs, four runners-up and four consolation winners, plus individual trophies.

Entries are being accepted by Ronnie Hess and Jack Flusche, co-chairman. The fee is \$5.00 per team.

You are more efficient when you deliberately forget what is unimportant, according to Hans Selye of the University of Montreal.

## Rates Increase For PO Box Rent

Effective July 1 the rental rates for post office boxes in Muenster will be raised slightly and the minimum period of rental will be extended from three to six months, according to a notice by Postmaster Virgil Henschel on display at the post office.

Henschel pointed out that small boxes, formerly renting at \$2.20 for six months and \$4.40 for the year are now priced at \$2.50 and \$5.00 respectively. The No. 2 box, formerly \$2.70 and \$5.40 is up to \$3.00 and \$6.00. And the No. 3 box, formerly \$3.60 and \$7.20 is increased to \$4.00 and \$8.00.

Those three box sizes used to be all that is available in the Muenster P.O., but two larger sizes were installed recently and are available for rent beginning July 1. Box No. 4 is about twice as large as No. 3 and rents at \$6.00 for 6 months or \$12.00 a year. No. 5 is a whopper, about twice the size of No. 4 and rents for \$7.50 and \$15.00.

Henschel also said that a number of boxes are due to be vacated when approval is received for delivery in town by rural carriers. He has submitted a list of about 50 names along with a city map indicating proposed location of their mail boxes. Some 30 of those now receive mail in the post office. The others, already on a rural route have asked to have mail boxes moved to a more convenient location.

## L. W. Powell Dies Of Heart Attack

L. W. Powell, 75, of Dallas, well known oil operator of Texas and Oklahoma died suddenly in his home Sunday night about 10 p.m. He had been in normal health and passed away while reading a newspaper.

Funeral service was held Tuesday at 12:30 in Restland Wildwood Chapel and burial was in Hillcrest Cemetery.

Mr. Powell was an independent oil operator with extensive interests in North, East and West Texas and Oklahoma. His local operation, with headquarters on a ranch near Saint Jo, included leases north of Muenster and near Callisburg.

Survivors are his wife Reba, a son, Lloyd Walter Jr., a daughter Mrs. Zec Damron, and two grandsons.

Muenster employees and friends attending the funeral were Mr. and Mrs. Norbert Walterscheid, Mrs. Arnold Rohmer, Gene Gieb, Louis Gieb, Mark Mosler and Wayne Truebenbach.

## K.C. Communion Breakfast

The Knights of Columbus will have a Communion Breakfast next Sunday, June 22 at the K.C. Hall, following the 9:00 a.m. Mass.

There is no better test for a man's ultimate integrity than his behavior when he is wrong.

## Building Notes

Residential building in the community for the past several months has been hit by the recession and building slump, but commercial building activity is making this the biggest construction year in local history.

A single project alone accounts for most of the building volume. It is the new AMPI milk plant, which will triple the processing capacity of the present factory. B. J. Contractors is building the plant on the location west and across the street from the present plant. It will measure 272x100 feet with a second floor over part of it to be used mostly for office and laboratory. Total floor space is about 30,000 square feet.

Also part of the structure is a cluster of three tall silo-like milk storage tanks, which will become a local landmark. Those tanks will have a capacity of 150,000 gallons, over a million pounds of milk, and the plant will have the capacity to process all of that milk in a day. If the milk is made into cheese the plant will also be able to process the by-product whey into condensed whey. If the principal product is powdered milk it will be made in the same condenser, also with capacity to process more than a million pounds a day.

Likewise increased to three times the present capacity is the milk receiving area. It can unload three trucks at one time, each at a rate of 2,000 pounds a minute. Six trucks can be unloaded in less than an hour.

Present estimate is that the building will be finished by October 15 and equipment installed by Christmas.

Another major commercial project is an addition to the

telephone company building, also to be built by B. J. Contractors. Annexed to the north side of the present building, it will measure 50x47 to be used mostly for more local dial equipment and facilities for long distance calls, which will go into use in June 1977. Along with those facilities the local company will install an underground cable for toll calls half way to Gainesville and the Bell Company will complete the distance to Gainesville.

(Continued on Page 6)

## Barbara Davidson Is Distinguished Student at A&M

Barbara Davidson, with a grade point average of 3.3 out of a possible 4, has been listed as a Distinguished Student of Texas A&M University for the spring semester of 1975.

The information was released by Kit Carson, secretary of the Cooke County A&M Club, along with data on three other county students who are receiving scholarships provided by the county club.

Jerry Baugh of Gainesville led the four with an average of 3.8 out of the possible 4. Lyle Klement barely missed the DS rating with a grade of 3.13. The minimum requirement is 3.25. Daniel Fette had a grade of 2.58 along with an exceptional record in the cadet corps, where he is a member of the Ross Volunteers and is assigned next year as battalion commander and executive vice chairman of Town Hall.

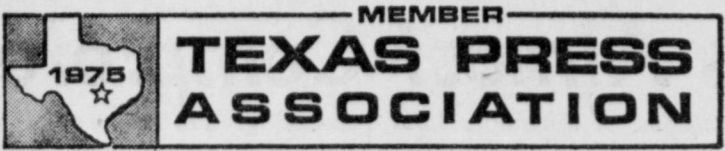

Parents of the three Muenster students are the Charles Davidsons, the Ray Klements and the R. N. Fettes.

## IT HAPPENED 35 YEARS AGO

May 31, 1940

Red Cross war relief drive here nets \$123, surpassing set quota of \$75. Consolidation plans meet opposition. Linn is almost evenly divided on issue. Petitions for Slyke-Hays and Muenster-Bailey mergers are temporarily delayed. Crop prospect is good after series of heavy showers. Five bowling teams organize and plan league schedule. Theresa Stoffels and Ray Vogel say wedding vows. Senator Zan Zandt is guest speaker at public school graduation. Mr. and Mrs. Henry Grewing announce birth of a daughter. Twenty-five Lindsay ladies attend Mission Circle quilting session. Hail and rain Monday leave 47 turkeys dead on George Spaeth farm at Lindsay.

## 30 YEARS AGO

June 1, 1945

Horse fanciers and cattle raisers organize club and plan annual horse show. Sgt. Tony Koesler is home on furlough from Pacific area. Three Hogdebeck brothers in service, Eugene, Alfred and Norbert are visiting here on furlough. Ray Wilde gets Bronze Star in Germany. Leo Lawson writes from Munster, Germany. 1900 pounds of clothing and bedding is donated here in drive to aid Europe's suffering multitude. Sister Leonard's music pupils give recital. S.Sgt. Joe B. Bezner and Anna Mae Herbert marry in New Orleans. Victory in Europe has made possible increase in gasoline rations for civilian motorists.

## 25 YEARS AGO

June 2, 1950

Mike Fuhrmann of Lindsay has county's first load of 1950 wheat. Jack Ritchey dies instantly in truck accident. Peak

production of milk causes boom in cheese business. More than 150 VFW and Auxiliary members from six cities of District I attend weekend convention here. Six high and four eighth grade students will be first graduating classes in new MHS auditorium. Fourteen SHH students and 39 elementary graduates receive diplomas in commencement exercises. Memorial service is held in spite of rain. Virginia Walterscheid and Ed Schneider marry. Rupert Hoenig, Hugh Endres and Max Sandman are among graduates at Subiaco Academy. Sammy Biffle, 9, breaks left arm in fall from a swing. Mrs. J. S. Horn is recovering from hip surgery in Baylor Hospital.

## 20 YEARS AGO

June 3, 1955

Arnold Bezner of Lindsay, 19, dies in head-on car crash that also takes life of airman from Sheppard AFB as their cars collide a half mile west of Lindsay early Tuesday morning. O. G. Reed delivers community's first load of wheat from the J. N. Coursey farm. Graduation programs present diplomas to 21 high and nine elementary students at Muenster Public School, 14 seniors and 39 eighth graders at Sacred Heart, and 12 high and 10 elementary pupils at Lindsay. Henry Pels Jr. and Ronnie Herr marry Regina and Alma Henscheid in double wedding Tuesday. Albina Mages and Johnny Schmitz exchange vows here Monday. Herbie Fleitman leaves for army duty filling the county's one man quota for May. Monte Hellman will receive MD degree at Marquette June 8.

## 15 YEARS AGO

June 3, 1960

Timely showers improve outlook for local crops. Monday will be annual immunization day at Muenster Clinic. Muenster Knights of Columbus elect John Mosman grand knight. Virgil Henscheid and Harold Bindel are back at home with discharges from the army. Mary Weinzappel, Basil Reiter and Charles Felderhoff are graduates at the University of Dallas. Joseph Felderhoff is among graduates at St. Mary's University in San Antonio and Gretchen Hellman is graduate at Marquette University in Milwaukee. Neil Fisher receives masters degree in geology at A&M. Norbert Koessler is released from hospital in Abilene after two weeks of treatment following a heart attack while attending an insurance meeting in that city. Ben Luke is a surgical patient at Nocona Hospital. Jean Wieler and Mike Newbill marry here. Housewarming greets the Albert Schillings in new home.

## 10 YEARS AGO

June 4, 1965

Legislature approves hospital district bill. Thirty-two service men are remembered in annual memorial services conducted under sponsorship of VFW Post. Harvest starts good after long delay by rain. Mrs. Tony Voth and Joe Fuhrmann, both of Lindsay, bring season's first wheat to Muenster Monday. Swimming class is delayed awaiting warmer weather. Seventy-eight boys organize eight Little League baseball teams sponsored by Jaycees. Knights of Columbus re-elect Walter Klement grand knight. Six from Muenster get diplomas at CCJC. Four local boys are graduates at Subiaco Academy. Patricia Hermes and John David Fleitman marry. Mrs. Frank Haverkamp Sr. dies suddenly at Lindsay home. Family gathering here marks silver anniversary of Mr. and Mrs. Leo Appel of Houston.

Cynthia Cain and Ronald Russell marry. Allen Hoffman is graduate at Midwestern University. Kathleen Knabe and Charlie Hamilton marry in Spearman. Charlotte Wolf presents dancing students in annual recital. The Ray Vogels are honored on their silver wedding anniversary. Frank Bayer breaks left ankle in farm accident. Debbie Sicking is recovering from copperhead snake bite. New arrivals: boys for the Walter Ackers, Virgil Henscheids and Gary Durbins.

## 5 YEARS AGO

June 5, 1970

City's count is 1,386, a gain of 196 since last count ten years ago. Only two are on ballot for primary run-off in Saturday's Democratic election: Frank Scoggins and Vernon Beeler vie for county clerk office. Annual memorial services honor local deceased servicemen. KC Council elects Dan Luke grand knight. Bloodmobile will be here June 24. State board says city needs more water storage. Jimmy Lee Belcher receives six year sentence for robbing Muenster State Bank on Nov. 25, 1969. Rainfall measures 3.48 inches. Four from Muenster are nurse graduates. Funeral is held for Ted Rauschuber, 63, at Gainesville. Mrs. Joe Bierschenk dies suddenly. Ten Bluebirds are in fly-up ceremony. Kathy Miller and David Berres are married. Four get diplomas in Adult Basic Education Class. New arrivals: a boy for the Weldon Vogels.

Posted on the door in the medical building: "The doctor is on vacation. Stop smoking, eat sensibly — and stop by again in a month."

## Gun Registration ... Or Confiscation

The National Rifle Association has contended for many years that firearms registration is the first step in the process leading to total confiscation. Unhappily, the new "home rule" District of Columbia councilmen appear to be out to prove that the N.R.A. has been right. The recommendation has been made that the Washington Police seize 51,645 privately owned and legally registered firearms in the District. The proposal would, for the meantime, allow private citizens to own rifles only, and only with police approval and the issuing of a license.

N.R.A. spokesman Maxwell E. Rich declared: "Law abiding members of the Washington community have complied with local law, they have registered their privately-owned firearms, they have appeared at the police station with their firearms, and they have been duped. Once again it is the law abiding firearms owner who has come under attack. It is the criminal who misuses the rights and neglects the responsibilities of private firearms ownership. But the honest citizen pays the price."

Rich pointed out that according to official statistics, of the 51,645 registered firearms in the District of Columbia, only 16 — less than one-half of one percent — were used during 1974 in the commission of a crime.

"We have asked for laws

aimed at the criminal, we have asked for mandatory penalties for the use of firearms in the commission of a crime, we have asked an end to plea bargaining in crimes of violence, we have asked that firearms be kept out of the hands of convicted felons, drug addicts, habitual drunkards, fugitives from justice, mental incompetents and juvenile delinquents," Rich said, "but what do we get? Repeated attempts to regulate the honest law abiding citizens."

We agree with the N.R.A. that the issue is crime control, not gun control; and that the answer is to enforce the laws we now have on the books. Get the criminals off the streets and behind bars where they belong.

### Right!

Some plants, we are told, derive benefit from the use of artificial light. The electric plant is one of them.

## At Convention of State Auctioneers

Mr. and Mrs. Don Flusche were both elected to offices in the Texas Auctioneers Association at that organization's annual convention in San Antonio during the past weekend. Don was elected to the board of directors and Dorma was elected historian of the association's auxiliary.

Priority news at the convention related to a new auctioneers' law signed by Governor Brisco on May 27 and to become a state law 90 days after that date. Its chief provision is upgrade qualifications of the state's auctioneers thereby assuring higher standards of capability and procedure at public auctions.

Spare time on the Flusche schedule was taken up with socializing and sight-seeing in the Alamo City.

Put up to 3/4 ton of hay into one bale

## NEW INTERNATIONAL 241 BIGROLL BALER

Makes bales 5 feet wide, from 2 1/2 to 6 feet in diameter.

Here's the way to really save time and labor. Big round bales require much less handling. They're practically weatherproof, so you can store them outside with hardly any loss in quality. When you're ready, move them to your feeding area using your tractor loader or 3-pt. hitch.

Bale forming system lets you make bales with low-density centers for better curing, minimum spoilage.

Weather-resistant rubberized nylon conveyor belt operates on an exclusive "tracking system" that makes it nearly impossible to damage belt from mis-alignment.

Highly efficient 78-inch pickup with narrow teeth spacing, plus strippers, so your fields are picked up clean.

Smooth-running rubberized nylon bale forming belts quietly roll hay into the bale size you prefer.

"Pay as you bale" financing available, along with complete after-the-sale service.

COMPLETE FUNERAL SERVICE

Nick Miller Funeral Home

Forestburg News

By Myrt Denham

FORESTBURG: On Tuesday night June 10 our Heavenly Father saw fit to call Loyd Orrell home. God's gain is Forestburg's deep loss. We

have known Loyd many years and have had many business dealings with him. There never was a more honest, fair, truthful and decent man to be found anywhere. Never did we hear him speak unkind words about anyone and I don't believe he ever had unkind thoughts about anyone. We have lost a dear friend, a good neighbor and an outstanding citizen. Loyd was a very "rich" man in that everyone loved him, respected him and counted him their friend. One lady told me "If Loyd Orrell doesn't make it to Heaven the rest of us might just as well stop trying." How true!

Funeral services were held for Loyd Friday June 13 at 2 p.m. in the Forestburg Baptist Church. He was laid to rest in the Perryman Cemetery. He is survived by his wife Bess, one son Raymond of Monterrey, Mexico, one daughter Mrs. Helen Steadham of Forestburg, one brother Willie of Forestburg and one sister Mrs. Eunice Medley of Bowie, eight grandchildren and two great-grandsons and numerous other relatives and friends.

Farewell Loyd — we will all miss you but our lives have been enriched by knowing you.

Mr. and Mrs. Kenneth Rich visited his grandparents Mr. and Mrs. Willie Kuykendall Sunday June 8. Kenneth is in the service and stationed in San Antonio. His mother is the former Lois Kuykendall.

Funeral services were held Wednesday, June 11 in the Alvord Church of Christ for Guy Greenwood, age 18, son of Mr. and Mrs. Homer Greenwood. Burial was in the New Harp Cemetery. Attending from this area were Mrs. Gerald Lanier and sons, Mrs. V. G. Greenwood and Jo Ann, Mr. and Mrs. Buford Greenwood and Nancy, the Calvin Greenwoods, Mrs. Bessie Greenwood and Mrs. Cora Mae Greenwood and daughter.

Funeral services for Lynn Kuykendall, Nocona, were held Saturday, June 14 at 2:30 in the Forestburg Church of Christ. Burial was in the Hardy Cemetery. Lynn is a brother to Lee and Willie Kuykendall.

I am beginning to wonder about us Forestburg women — we must be the prettiest women around or visa versa. We have two "hair houses" to keep our tresses in high fashion; have some ladies selling Avon cosmetics and now I hear Cathy Mosley has gone into the cosmetics field. No excuses for us ladies to not look our best. Now if we could just get someone to come over and tend to the gents in the area. Some sure are in dire need of a little help from somewhere.

Leo and Dolly Orrell and family of Texarkana visited Leo's parents, the Willie Orrells, June 13 and they attended the Loyd Orrell funeral.

Our little Head Start students, their teacher Mrs. Dennis and other sponsors boarded a bus Friday a.m. June 13 and headed for Gainesville to enjoy the park and also the zoo. Mrs. Marjorie Orrell herded the bus for them.

The United Methodist Church sponsored a bicycle parade thru our fair village Saturday a.m., June 14 to boost the Vacation Church that started June 16, 7 to 9 p.m. at the local United Methodist Church. After the parade those participating enjoyed refreshments and games in the annex of the church.

Robert Ensey, mayor of Dewey, celebrated his birthday Saturday, June 14. On Sunday Robert was honored with a birthday and Father's Day dinner in the home of his daughter and husband, the J. C. Volkman of Bowie.

The former Albert Melson of Nocona and her mother Mrs. Lulu Melson, Mrs. Ada Jackson and the former Maurine Perryman dropped by to visit Ted and Laura Belle Jackson June 15.

Down from Lindsey, Okla., for some visiting the weekend of June 7-8 were Mr. and Mrs. John Blankenship and granddaughter. They were guests of Mrs. Louise Shults and the Koen Iund family.

Mr. and Mrs. Bob Minter of Fort Worth paid Blake and Velma Freeman a visit June 7.

Mr. and Mrs. Charles Lee and family of Alvord visited the Paul Putnam family June 8.

Mr. and Mrs. Dub Scrogdon and family and the Tim Beavers and family all of Throckmorton and the Chuckie Scott family of Denton were guests of Dorothy and Cecil Foster June 8.

Mr. and Mrs. L. C. Landers and Mrs. Margaret Wright of Wichita Falls visited their parents the Mark Landers.

Mrs. Neva Pool and Mrs. Sue McElyea of Dallas visited their parents Jack and Chloe Gresham the weekend of June 14-15.

The Greenwood Chapter No. 1060 of the Eastern Star held its installation services Friday night, June 13. Attending from here were Mr. and Mrs. Ted Jackson.

Mr. and Mrs. Pete Barclay of Alvord and Paul Kuykendall of Hopewell, Va., were guests of the Charlie Barclays June 15.

News is somewhat on the minus side here lately, but most everyone seems to be out picking plums or berries, working in their gardens and canning, freezing and preserving their garden output. Some are cutting hay, baling it, or combining grains, plowing and planting. So reckon none of us really have much time to get into much "trouble" these days.

A woman who unexpectedly serves her husband a thick, sizzling steak for dinner hasn't necessarily wrecked the car, or been on a shopping spree, or overdrawn the checking account. She may have just run out of leftovers.

**Risk Insurance To Wheat Growers Available in 1976**

Wheat producers in Cooke County will continue to be eligible for improved "All-Risk" insurance benefits under the Federal Crop Insurance program for the 1976 crop year.

Roy Goad, field representative from the District Office at McKinney, said today the \$2.50 per bushel guaranteed production value for wheat insurance will be continued for another year.

Federal Crop Insurance introduced the improved benefit during the 1975 crop year in order to help the insurance program keep pace with the rapid increase in farm production expenses. The collateral value provided by the insurance has been responsible for an increased demand for FCIC protection in this area in the past two years, Goad says.

"In times of rising farm costs it is often difficult for producers to borrow money each year for operating expenses. In addition, weather hazards, insects and diseases which reduce yields and fluctuating market prices make it even more difficult to obtain adequate farm financing."

He will be in the county for the next few days advising wheat producers of the FCIC program benefits and taking applications for those interested in participating in the government-sponsored program. He may be contacted through the FCIC District Office or the local ASCS Office.

## Vows Exchanged at Nuptial Mass By William Kupper and Dallas Girl

Mr. and Mrs. William Theodore Kupper are at home on Route 1, Gainesville following a wedding trip to Acapulco, Mexico. They were married during a Nuptial Mass on Friday, June 6 at 7:30 p.m. in St. Pius X Church by Msgr. Thomas W. Weinzapfel. Assisting clergy were Rev. Antoni Gajda of Valley View and Rev. Francis Gabryl of Dallas.

### Gathering Honors Group of Fathers

There were gift giving and feasting and visiting at the home of Mr. and Mrs. Richard Schumacher in Gainesville on Father's Day when Mr. and Mrs. Lee Haverkamp of Muenster, Mr. and Mrs. Henry Schumacher of Gainesville, the Gilbert Boydston family of Muenster and the Walter Haverkamp family of Whitesboro, Mr. and Mrs. Skipper Bezner and Mr. and Mrs. Kenney Odell, both of Lindsay were dinner guests of the Richard Schumachers and children.

### Senior Softball

The Honkies are the leaders in the senior division of girls softball since the games of last Thursday and Tuesday. With an earlier win to their credit they improved the record by outlasting the Wildcats 15-13 last Thursday, and in Tuesday's game the Wildcats dumped the Misfits 13-10.

Standings now, after four games, are Honkies 2-0-0, Wildcats 2-1-0, Hobos 0-1-0, Misfits 0-2-0.

The league's next game is Thursday, Hobos facing the Honkies, and following that the Misfits and Honkies next Tuesday.

The bride is the former Miss Annalise Borysowicz, daughter of Mr. and Mrs. Paulo Borysowicz of Dallas and the groom is the son of Mr. and Mrs. John C. Kupper of Muenster.

The bride's father gave her in marriage. Wedding vows were said before an altar banked with arrangements of white spring flowers and lighted candles.

For her wedding the bride chose a formal, white chantilly lace over white satin gown designed with fitted bodice, scalloped neckline and appliques of pearls and long fitted sleeves forming petal points over her wrists. The skirt of white satin was covered from waist to floor by five cascading rows of chantilly lace, with the fifth row extending to a cathedral train in back. The triple, sheer, illusion veil, each layer banded with chantilly lace, was attached to a lace covered white satin crown embroidered with pearls.

Her flowers were white roses, baby's breath and daisies centered with a white orchid. She carried her prayer book and rosary under the bouquet.

#### Attendants

Bridal attendants were maid

of honor Anne Borysowitsch, ushers wore yellow and white brocade tuxedo jackets, black pants and yellow shirts. They had yellow rose boutonnières. The fathers of the couple wore black tuxedos with yellow shirts and yellow rose boutonnières. Ushers were Jerry Walterscheid of Muenster, brother-in-law of the groom and Mike Borysowicz of Dallas, brother of the bride.

Wedding music was furnished by vocalists Dr. Martin Kralicke and Mary Lou Kralicke and Mrs. David Walterscheid, sister of the groom and by organists George Doucet of Dallas and Mary Lou Kralicke. Songs were "The Wedding Song", "First Time Ever I Saw Your Face", "How Great Thou Art" and "A Time for Us".

#### Reception

Following the ceremony, the parents of the couple hosted a reception for 200 guests in the Parish Hall of St. Pius X Church. The bride's mother prepared all the food served at the dinner. The reception area was decorated in yellow and white. A band played for dancing after dinner. Mrs. Kathy Hicks, bride's friend from Dallas registered guests. The three tiered wedding cake was made and served by Mrs. Jerry Walterscheid, sister of the groom. The serving table held the punch service and a champagne fountain. The groom's cake was a horse-shoe-shaped German sweet chocolate confection.

Mrs. Paulo Borysowicz attended her daughter's wedding in a floor length pink dress and the groom's mother Mrs. John Kupper wore a formal mint green dress. Both wore orchids.

Among out of town guests were Mr. and Mrs. John Borysowitsch of Windsor, Ontario, Canada, aunt and uncle of the bride and Mrs. Olga Domarek of Poland, aunt of the bride; Mr. and Mrs. Andrew Kupper of Kaufman, Texas; the Robert Kupper family of Marlin; Mr. and Mrs. Dick Bump and family of Arlington; Mrs. Catherine Hermes of Lindsay all aunts and uncles of the groom. Also relatives and friends from Dallas, Garland, Arlington, Irving, Grand Prairie, Fort Worth, Lewisville, Carrollton, Valley View, Lindsay, Gainesville, Saint Jo and West Monroe, Louisiana and from Muenster were Mr. and Mrs. Raymond Walterscheid, Mr. and Mrs. Tom Flusche, Mr. and Mrs. John Monday, Dr. and Mrs. Martin Kralicke and Mary Lou, and Mr. and Mrs. Maurus Rohmer.

When the couple left for Acapulco she changed to a long blue and white knit dress with daisy applique around the hem.

The rehearsal dinner was held on June 3 at the Steak-n-Ale in Dallas, and given by the groom's parents. Among pre-nuptial courtesies was a noon dinner on Easter Sunday for members of both families hosted by Mr. and Mrs. Jerry Walterscheid in their home and a bridal shower that afternoon given by Mrs. David Walterscheid in her home.

The new Mrs. Billy Kupper is a graduate of W. W. Samuell High School and her husband graduated from Valley View High School and Cooke County College and attended NTSU and operates a dairy farm in Valley View.

## County 4-Hers Hold Annual Horse Show

Jingling spurs and squeaking leather were the dominant sounds at the Cooke County 4-H Horse Show held Tuesday, June 10, in Gainesville. 4-Hers from throughout Cooke County participated in the annual event competing for the opportunity to represent Cooke County at the District Horse Show scheduled for Saturday, June 28, in Denton.

The 4-Hers were competing in two major divisions including Halter and Performance. Performance classes were divided into Junior and Senior while all age groups showed in the Halter Classes. Trophies were presented to the first place winner in each class and to the High Individual Overall.

The Top Ten Individuals and those representing Cooke

County at the District Horse Show include: Bryan Davis of Forestburg, Karla Sutton of Gainesville, Phil Graves of Valley View, Mark Reed of Callisburg, Nancy Sicking of Muenster, Kenny and Rickey Kuykendall of Gainesville, and Mary Lou, Charlotte and Larry Fleitman of Muenster.

Muenster's entries placed as follows:  
HALTER DIVISION Geldings 3 years or older: Mary Lou Fleitman first, Larry Fleitman third, Nancy Sicking fourth, Karla Sicking sixth, Showmanship, Mary Lou Fleitman fifth.

PERFORMANCE DIVISION, Junior reining: Nancy Sicking sixth, Junior Poles: Charlotte Fleitman first, Nancy Sicking third, Larry Fleitman fifth, Junior Barrels: Nancy Sicking second, Larry Fleitman third, Charlotte Fleitman fourth, Senior Western Pleasure:

Mary Lou Fleitman sixth. Senior Reining: Mary Lou Fleitman third, Karla Sicking fifth. Senior Poles: Karla Sicking first, Senior Barrels: Karla Sicking first, Mary Lou Fleitman sixth.

Christy, Cathy and Melissa Glover, daughters of Mr. and Mrs. Don Glover of Dallas visited here June 6-15 with their grandmother, Mrs. Andy Hofbauer and their aunt and family, the Harold Flusches. The three arrived on the bus and their father came for them Sunday.

**THANKS**

Thanks to everyone who helped me while I was hospitalized and for the excellent care I received as a patient at Muenster Memorial Hospital. I appreciate the prayers, flowers, visits and cards. Thanks especially to the Rev. Fathers for their visits.

Mrs. Ray Sicking

I want to thank the hospital personnel and medical staff of Muenster Memorial Hospital for care given me while I was a patient there. For prayers, visits, cards and flowers I am very grateful. My gratitude also goes to the Rev. Fathers for their frequent visits.

David Sicking

Our family wants to thank the many people who helped us during our illness and recuperation. For the prayers, flowers, visits, for the food brought to our house, for the help of friends, neighbors and co-workers, we are deeply grateful. We offer our sincere gratitude to all the doctors and staff of both hospitals and to the Reverend Fathers for their splendid care and deep concern. The letters we received were a special inspiration to us.

Arnold and Imelda Rohmer and children.

We extend sincere thanks and deep appreciation to all friends who were so helpful and considerate during the illness and death of our beloved Lorene. May God bless each and every one of you. The family of Lorene Huchton

### Saint Jo Reveals Elaborate Plans For Bicentennial

Great plans are evolving for the Bicentennial celebration being sponsored by the Saint Jo Chamber of Commerce, to coincide with the annual Riding Club Rodeo which this year is July 31 and August 1 and 2. Bicentennial activities will begin on Monday July 28.

Mrs. Marilyn Scott Smith and Mrs. Charles Cook co-chairmen of the affair have

released some of the plans which include a parade in conjunction with the Riding Club Parade on Thursday July 31. Also a beard growing contest, square dance exhibition, old fiddlers contest, sack and potato races, pioneer dress contest, style show, cake walk, art show and numerous other activities as time will permit.

All activities will be on the square. A commemorative ceremony will start festivities on Monday evening. Mrs. Pat Dennis is in charge of this event, which will feature a guest speaker and ceremonies by the local Boy Scout Troop.

Also scheduled for July 31 are an old fiddlers contest, for which a chairman is being sought, and a square dance exhibition with Mrs. Gene Lee chairman.

A cash prize will be given for the best float in the parade and all area organizations are invited to compete. Intention to participate must be filed with Mrs. Pat Dennis on or before July 24, one week prior to the parade. Safety rules must be observed and only floats in the Bicentennial theme will be considered for a prize.

There will also be a prize for the best beard in the beard growing contest. Only full beards will be considered. Shaving permits may be purchased for \$2 from Lester Hendricks at the Stonewall Saloon. Penalties will be imposed on men without a beard or a shaving permit.

### Soroptimists Plan Birthday Party for Senior Citizens

Senior citizens who have a birthday between January 1 and June 30 will be honored with a giant birthday party on Wednesday afternoon, June 25 at 2 o'clock at Soroptimist Friendship House, 209 North Morris Street.

Special entertainment is planned, and there will be a birthday cake and gift for everyone.

The Broadway Church of Christ parking lot may be used and entry through the back gate is available for guests.

Birthdays after July 1 will be observed later in the year.

### Building Notes

Improvements already completed by the phone company are a 40x80 metal warehouse with shed and loading dock outside and remaining lot space covered with crushed rock and enclosed by a cyclone fence.

A completed commercial job is the recent addition to Hess Furniture Co. Measuring 33x24 it fills in a former vacant area between store and a brick building once used for a garage. The added space includes a 14x14 parts room, a 10x14 office and 24x24 of additional storage. Also, former storage space has been remodeled for additional store space. And the same is true of former office space. The additional store and office space has been finished with carpet floors and panel walls. Exterior of the addition has masonite siding painted white.

Muenster Hospital also boasts a handsome improvement, the installation of carpet in halls and offices.

Another kind of community improvement is removal of the old parish hall which, after some 70 years of service has been replaced by the new Sacred Heart Community Center, which was completed late last year. The old hall is almost completely taken down, piece by piece, and the entire area, about a quarter block, will become a parking lot.

Residential building of the area consists of six new houses and a number of additions and remodeling jobs.

Kenny Walterscheid, 1.5 mile south of town is at the interior painting stage of his 3 bedroom house with 2 baths, double garage, brick veneer, central heating and cooling.

Similar specifications apply to Clinton Bayer's house on the former Aldridge place north of town. And progress has also reached the interior paint stage.

Arlin Naegeli, in the southeast part of town is at the framing stage. He'll have three bedrooms, bath and a half, attached garage, brick veneer, central heat and cool.

On North Cedar are two houses of almost identical specifications: three bedrooms, bath and a half, attached garage, brick veneer, central heating and cooling. The Wayne Tates have moved in. The Gilbert Knabes are ready for inside work.

Fred Dulock of Lindsay is on the finishing stages of his new home. It has three bedrooms, two baths, fireplace, double garage, brick veneer, central heat and air conditioning.

A major remodel job at Rufus Henscheid has added the fourth bedroom, the third bath, a fireplace and another heating and cooling unit.

Marty Klement has converted a garage into a den and also paneled the kitchen and added kitchen cabinets. Likewise Charles Switzer is remodeling the interior of his house and adding kitchen cabinets.

Lawrence Wimmer has installed central heating and air conditioning.

Leonard Reiter has added shutters and exterior paint to the former Kleiss place just south of town.

Martin Becker has built a carport with tool storage space and repaired his house.

Mrs. John Grewing has a new roof and new exterior paint. And Kenneth Yosten has new outside paint.

Metzler Brothers Drive-In at Lindsay has added a 27x30 dining room and topped the building with a Mansard roof.

At Forestburg, Don Farrell and Chuck Smith, pilots, have completed combination barns and machine sheds, both measuring 40x80.

Everybody's improvement is the recently completed highway resurfacing job, opening of the four miles of new four lane road west of town, and new striping system on the highway through town. Now there is a double lane at each side and a wide center lane for left turns.

With just a little more help from the government, there's a fortune to be made in poverty.

### Good Outdoor Manners

Practically every park and recreational area bears some scars of vandalism such as deliberate misuse or despoiling. In some cases the damage is irreparable and in others it requires the expenditure of time and money to replace or repair. The positive approach in reducing vandalism is to stress good manners in the out-of-doors. Good manners there include disposal of garbage, trash and paper in suitable containers; refraining from carving names and initials on trees, buildings and monuments; leaving trees, shrubs and rare wildflowers to grow; putting out campfires, matches, cigarettes and other smoking materials; and using guns only on appropriate targets.

It doesn't do much good to put your best foot forward, if you are dragging the other one.

It pays to advertise with the Muenster Enterprise

SERVICE

**ESA International Distinguished for Global Services**

ESA International, founded in 1929, is today, one of the world's most distinctive leadership-service organizations with 33,000 members working together to aid the handicapped and meet community

needs. In addition to stressing benevolent projects and furthering personal education, ESA encourages social events for members and their guests to complete the triad of education, service and association.

ESA strives to unite congenial women throughout the world for the purpose of friendship, development of each member's leadership abilities and active participation in philanthropic projects. The World Headquarters are located in Loveland, Colorado.

ESA is one of the few women's service groups which gives awards for philanthropy, leadership and community service in a well-planned program which stresses individual achievement.

Kappa Theta, the local chapter of this organization in striving to carry out these three-fold objectives has taken on as Welfare projects these past two years, monetary donations to Cooke County Child Development Center, Gainesville Memorial Hospital,

Muenster Public Library, St. Jude's Children Hospital in Memphis, Tenn., and Southwest Diabetic Foundation, which is their current project. They have contributed goods and services to Hill Haven Nursing Home and are currently planning entertainment for Hillcrest Nursing Home in Muenster. Projects sponsored by the local chapter to obtain their funds have been the Annual Bike Ride, the "Our Little Miss Pageant," Trades Day, Bake Sale.

Their Educational programs have included a study of the community and its various problems and phases, a program presented by each member on herself giving us a chance to know each one of our sisters better, and this year's programs will be on the woman and her world and will include such topics as Gardening, Good Health, Legal Problems and Organizing her Life.

The chapter has enjoyed such social events as a trip to the Tyler Rose Festival last October, a night out at a Dinner Theater in Dallas, a shopping spree and the Annual Christmas Party.

Kappa Theta Chapter is searching for area young women interested in the things that it offers and will sponsor a tea on Sunday, June 8 from 2-4 p.m. at the Gainesville Chamber of Commerce Building. This will enable area women to come and get better acquainted with the Chapter and its works. All women are invited and urged to attend to become better acquainted.

**Nuptial Ceremony Saturday Unites Marge Hesse and Billy Joe Devers**

In a Nuptial Mass in Sacred Heart Church Saturday afternoon at 5:00, Miss Marge Hesse became the bride of Billy Joe Devers of Valley View. Parents of the couple are Mr. and Mrs. Leo Hesse and Mr. and Mrs. Joe Devers.

Father Placidus Eckart directed the couple's vows before an altar holding lighted candles and white urns of yellow gladioli. When the bride was presented at the altar by her father, she was wearing a formal gown of her own design and creation. Of white satin with an overlay of silk organza the dress featured a bodice accented with lace appliques, an empire waist and scoop neck. Long, full sleeves of sheer organza were cuffed in white satin under organza and trimmed with lace appliques and tiny covered buttons. The organza A-line overskirt was finished with a double layer of ruffles trimmed with lace and was defined by lace appliques in a circle around the skirt just above the ruffles. A detachable train bordered with layered ruffles extended to chapel length. The bride's triple tiered veil fell from a rose petal headpiece edged with seed pearls. She carried a cascade of white daisies and

yellow sweetheart roses. And she had the traditional blue garter. She also wore her great grandmother, Mrs. Joe Walterscheid's wedding band.

**Attendants**

Maid of honor was Joan Hesse, bride's sister; Mary Bayer of Denton bride's cousin and Peggy Hoedebeck a friend were bridesmaids. Each was identically gowned in mint green crepe, flocked with white roses and designed with empire waist, tied with a front bow of emerald velvet, with a scalloped, scoop neckline, short puff sleeves and a princess skirt. They wore picture hats of cream straw with a band of the dress fabric tied in a bow at the back. They carried white daisies and baby's breath.

Groomsmen were Jimmy Mosman of Gainesville best man and Danny Devers, groom's brother of Gainesville and Ronnie Huddleston of Myra, groom's brother-in-law. Usher's were Lee Devers of Valley View groom's brother and Carl Bayer bride's cousin. Mass servers were Bert Hesse, Darrel Hesse, Lloyd Hesse, Mike Bayer and Donnie Lutkenhaus.

Wedding music was furnished by Mrs. David Bayer organist, who played the

Wedding March and accompanied Mrs. David Walterscheid who sang "Colour My World", "Into Your Hands", "Wedding Song" and "Mother, At Your Feet." For the recessional Mrs. Bayer played "Song of Joy." After the ceremony the bride presented a white daisy tied with baby's breath and ribbons, at the Blessed Virgin's altar.

**Reception**

Two hundred and twenty five guests were registered by Carolyn Bayer and Diane Neu, both bride's cousins, at the reception and buffet hosted by the bride's parents in the Community Center. The bride's table held the three tiered wedding cake and two arrangements of daisies, also the bridesmaids' flowers.

For added sentiment the bridal figurine atop the cake was the same one used at the bride's parents wedding twenty-two years ago. Mrs. Charles Bayer baked and decorated the cake. Bride's cousins, Julie Bayer and Donna Hesse served the cake.

When the couple left on their wedding trip, the bride was wearing a blue, mint and white pant suit.

The bride attended Sacred Heart High and Cooke County College and is employed at CCC. The groom attended Valley View High and Cooke County College and is employed by Karl Kemplin of Sanger.

Among pre-nuptial parties was a kitchen shower given by bridesmaids in the TP&L room on June 1.

When a politician says we're going to make this tax a little smaller and that tax a little bigger, it's the loosest use of the word "little" you'll ever see.

## Father's Day Reunions

J. P. Flusche

A Father's Day family reunion in the home of Mr. and Mrs. J. P. Flusche Sunday evening was highlighted by an overseas phone call from Sue and Tom Trachta.

All the family was together and joined in the conversation. Mr. and Mrs. David Flusche and family came from Garland; Mr. and Mrs. Julius Hermes and family and Mr. and Mrs. Bill Martin and family, both of Lindsay joined the Don, Tom and Harold Flusche families and Bill and Jack of the home and Miss

Linda Miller, Bobby Hermes and Miss Janet Wimmer.

**Norbert Klement**

Mr. and Mrs. Norbert Klement drove to Denton Sunday where they were joined by Mr. and Mrs. Dickie Cain and family to spend the day as guests of Dr. and Mrs. J. E. Marr and sons in Fort Worth. Mr. and Mrs. James Otto and daughters came from Garland for the Father's Day get-together. The families picnicked and reunited around the Marrs' backyard pool.

**Victor Hartman**

Father's Day dinner guests in the home of the Victor Hartmans were the Gene Hartmans of Denton, Harvey Schmitt, Alvin Hartman and John Yosten families of Muenster and Mrs. Georgia Wolf and children Scott and Carla of Gainesville. All other members of Georgia's family were home sick. The group was joined by the Tom Waskom family, who were house guests of Pat and John Yosten.

Missing were Mrs. Keith Tompkins of Arlington, Mrs. Teddy Gremminger of Denver, Colo., and Willard Hartman of Killeen, who phoned their Father's Day greeting.

**Wimmer & Miller**

Mr. and Mrs. Ted Miller and children of Plano were dinner guests Sunday of her parents Mr. and Mrs. John Wimmer and joined the Allen Reiter and Ken Cain families there for a Father's Day observance. In the afternoon the Ted Millers joined members of his family in a gathering at the City Park honoring Theo Miller on Father's Day.

## Picnic Observes Father's Day and Birthday Party

A Father's Day picnic, family reunion and birthday party brought together members of Mr. and Mrs. John Pelzel's family Sunday and included their nine children and spouses, and their grandchildren. Mr. and Mrs. Donnie Walterscheid hosted the gathering in Muenster City Park.

Attending were Mr. and Mrs. John Pelzel of Pilot Point; and Messrs. and Mmes. Harold Marcus and Kathy, Paul and Darrell of Dallas, Gene Pelzel and Michelle and Matt of Lindsay; Johnny Pelzel and Theresa, Duane and Sharon of Fort Worth. Bobby Pelzel and Kelley of Pilot Point; and Mrs. Don Weber and Dana and Stephen of Pilot Point; Mr. and Mrs. Harold Pelzel of Plano; Ronnie Pelzel of Denton; Mr. and Mrs. Doug Dennis of Gainesville; and Mrs. Rosie Walterscheid and the hosts and son Craig of Muenster.

Six birthdays in the Pelzel family occur in July and these were observed when Mrs. Harold Marcus presented a large birthday cake with names and ages shown in the decorations. There were picture taking, games and reunioning during the afternoon.

## NOTES FROM THE LIBRARY

**New Paperback Service**

"The Muenster Public Library is pleased to announce a new service. Starting next month we will offer the latest, most popular paperback releases of the month — every month. This is a wonderful opportunity to read the books you have awaited in paperback edition. With the steady influx of paperback titles every month, we are sure this is a service that will benefit the entire community."

Remember, library hours are Tuesday and Thursday 8:30-5:00 and Wednesday evening, 6:00-9:00.

**Meet in Whitesboro**

Area librarians met in the Whitesboro Library on June 10 for a regular meeting. Mrs. Hope Waller, Sherman librarian spoke on "Book Selection for the Small Library". She also conducted an open discussion on the problems of small libraries.

A luncheon in the Roper Restaurant followed the meeting. Librarians from Sherman, Denison, Gainesville, Muenster and Whitesboro attended.

Representing the Muenster Public Library were Mrs. Albert Schilling, Mrs. C. B. Fowler, Mrs. Lee Toothaker and Mrs. Steve Moster of the library staff and Mrs. Leonard Endres, Miss Sylvia Hofbauer and Mrs. Loyd Trubenbach of the library board.

The next bi-monthly meeting of area libraries will be held in Gainesville in August.

Buy, sell, rent with the Enterprise Want Ads.

A panhandler approached a man on the street and said, "Mister, can you give a cripple a quarter for bus fare?"

"All right," said the man, giving the beggar a close look, "but how are you crippled?" "Financially," said the beggar.

## Birthday Honoree On Father's Day

Tony Felderhoff was the honored one Saturday evening when his family gathered to observe his birthday and Father's Day. His wife was hostess for a turkey dinner and all his children and many of his grandchildren attended.

Mr. and Mrs. Charles Felderhoff and sons Chad and Larry of Dallas weekendend here and were joined by Mr. and Mrs. A. J. Felderhoff and Judi of Gainesville, Mr. and Mrs. Alvin Hartman and children, Mr. and Mrs. Joe Felderhoff and daughters, and Mr. and Mrs. Sylvan Walterscheid and family.

## Local News BRIEFS

Mrs. Leonard Yosten returned home Saturday after a week's visit with her son and family, the David Yostens of Plano, becoming acquainted with a new grandson, Terry William, who was born June 1. He is a baby brother for Steve and Stephanie.

Charles McGannon of New Orleans visited his father Edd McGannon here three days last week.

Mr. and Mrs. Mel Fisch of Chicago are on a week's vacation here with her father Henry Wiesman and seeing other family members.

Mrs. David Bullion of Austin and Miss Debbie Yosten of Dallas weekendend here and joined a Father's Day gathering at the home of their parents Mr. and Mrs. Leonard Yosten.

Mrs. Oscar Detten returned last week Tuesday following a two week vacation when she accompanied her daughter and son-in-law, Mr. and Mrs. Billy Farrah and two children to Macon, Mississippi to visit his relatives. On the return trip they spent Saturday and Sunday in Jackson, Mississippi with Mr. and Mrs. Clovis Lewis as their house guests and visited Mrs. Lewis' father, Wenzel Muck, who is also Mrs. Detten's uncle.

Miss Judy Tompkins visited here Friday overnight with her relatives of the Vic Hartman families.

## Texas Petroleum Production Drops Second Consecutive Year

DALLAS — Another 12 months of crude oil production at 100-percent of the maximum effective recovery rate in nearly all Texas fields has resulted in the second consecutive yearly dropoff in crude oil production in the nation's No. 1 energy state.

An output of less than 1.3 billion barrels of crude in 1974 was almost 32.5-million barrels below the 1973 figure and over 38.7-million barrels short of Texas' all-time record production year of 1972.

Texas' production last year continued to set the pace among this nation's oil producing states, representing approximately 39.4-percent of total U.S. production, according to statistics compiled by Texas Mid-Continent Oil & Gas Association.

In 85 years, Texas' oil fields have produced over 39.1-billion barrels of crude oil, approximately 36.2-percent of total recorded U.S. production.

"The continuing and accelerating decline in production from Texas fields again points up a national crisis — an almost inevitable increase in U.S. dependence on insecure, higher-priced foreign crude oil for this country's basic energy needs," said the Association's president, Sherman Hunt, an independent Dallas oilman.

"With about 63-percent of U.S. production under strict federal price control, producers are caught in the squeeze between an arbitrary price ceiling far below the price of foreign oil and the skyrocketing cost of finding and developing domestic reserves. It remains the Congress' responsibility to adopt economic policies which will encourage rather than hinder the search for new supplies of energy. Only in this way can this downward trend in domestic crude oil production in Texas and elsewhere be reversed," Hunt said.

Cooke County, which has had recorded production since 1926, last year produced 8,675,610 barrels of oil at the rate of 23,769 barrels per day. Pro-

duction in 1974 boosted Cooke County's production total through the end of the year to 292,692,524 barrels.

In 1974, some 31 counties produced more than 10-million barrels of crude oil, with Anderson and Kleberg counties dropping below that mark and off the list compiled last year. The top seven, all with production in excess of 51-million barrels, retain generally the same order as in 1973 with one notable exception: Yoakum County has moved into the No. 2 spot

ahead of Ector County.

The list includes: Scurry 94.2-million barrels, Yoakum 77.6, Ector 71.2, Gaines 57.8, Andrews 56.2, Gregg 51.6, Hockley 51.3.

Gregg County, the only Texas county to produce more than two-billion barrels of oil in the history of recorded production, remains the all-time leader with a cumulative production total through 1974 of almost 2.5-billion barrels. Other counties with cumulative production in excess of one-billion barrels include:

Ector 1.9-billion barrels, Andrews 1.7, Rusk 1.5, Scurry 1.2, Crane 1.1, Harris 1.1.

## "TP&L's 'shopping list' costs are going up too."

"As Manager of Purchasing for Texas Power & Light, I'm especially aware of the rising costs of practically every item of material and equipment we must buy to provide your electric service. The 1975 cost average of the few items you see here is more than 88% higher than the 1970 cost."

But that's only part of the story. Generating plant fuels cost more. In 1952, the price of natural gas, the principal fuel used by TP&L, was just five cents per 1,000 cubic feet. In 1974, the price was 48 cents per 1,000 cubic feet. The Company's total fuel bill in 1974 was \$89 million, more than 64% higher than in 1973.

Construction costs more. To counter the spiraling cost of gas, TP&L is continuing to build new generating plants which will use lignite coal and nuclear materials. Ironically, the cost of lignite-fueled plants is more than twice as much per kilowatt as

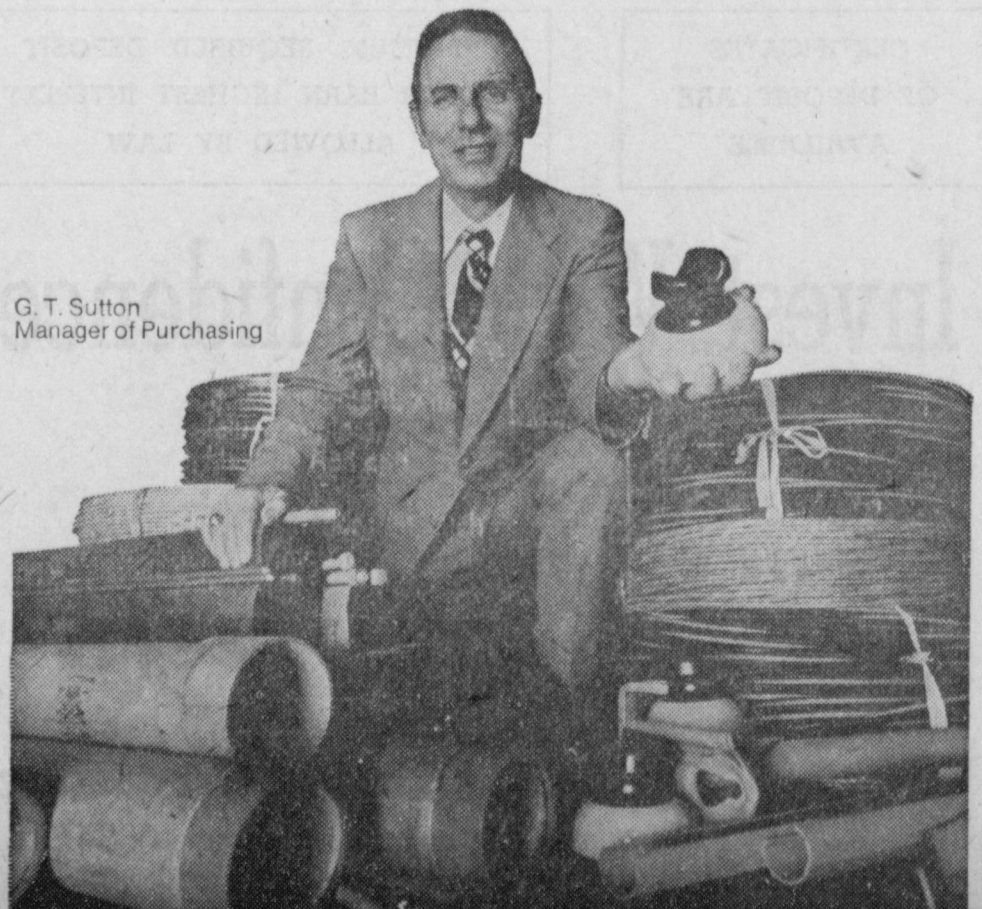

gas-fueled plants and the cost of nuclear plants is still higher.

Financing costs more. TP&L must borrow money to construct its plants and other facilities. While the interest rates the Company must pay on borrowed money are now somewhat lower than the all-time high of 10 1/2% in 1974, they are still about twice the rates in 1964.

Texas Power & Light has always worked to keep the price of electricity as low as possible, consistent with maintaining the reliable service you expect. We will continue this effort in the future, but as our costs increase so must the price you pay for the electricity you use.

**United Methodist Of Saint Jo Sets Week of Revival**

The United Methodist Church of Saint Jo announces a revival beginning Sunday, June 22 at the 11 a.m. worship hour. Other services will be held at 6 p.m. Sunday and at 8 p.m. Monday through Friday.

Rev. Fred Durham Jr. of Trenton, Texas, will preach. He conducted a revival in Forestburg earlier this year. A gifted speaker he is well known in the North Texas area.

Rev. Bob Carrell, former Saint Jo pastor will lead the singing. Special music will be presented each night by the choir, guest soloists and quartets.

People from all church affiliations are invited to attend.

The same men who rarely hear the shrill voice of conscience never miss the faint whisper of temptation.

**Senior Baseball**

Endres and the Center are sharing the lead of the senior division of little league baseball, and both are being pushed hard by the Mill. Meanwhile H&W is struggling along without a win.

In Friday the 13th action Mill went on a hitting spree and bombed Endres 15-6, after which Center and H&W battled to a 2-2 draw.

As a result Endres has a record of 2-1 and Center a record of 2-1-1. Mill is next with 2-2 and H&W has 0-2-1.

**Junior Baseball**

Budweiser, still sporting a perfect record continues to rule the junior division of little league baseball after last week's pair of double headers. And the Bank is close behind with only a tie to mar its perfect record. That leaves the other three teams struggling to keep out of the cellar.

Standings after the Monday games were Budweiser 4-0-0, Bank 3-0-1, Tuggle 1-3, Dairy Inn 1-3-1, and Rangers 0-3-0.

In the past week's action Bank and Dairy Inn were tied at 4-4. Budweiser walloped the Rangers 18-6, Tuggle nudged Dairy Inn 13-11 and Bank took the Rangers 17-11.

**Arnold Rohmer**  
Weekend and Father's Day guests in the home of Mr. and Mrs. Arnold Rohmer were their daughter Donna and husband, the Olon McClemonds of Irving. Another daughter, Linda spent an early Father's Day here and then went to Cincinnati, Ohio, to attend a one week seminar. The Rohmers' son, Donald of San Francisco, California is spending his vacation here.

**Reports Given on Month's Activity Of VFW Auxiliary**

During the regular meeting of the VFW Auxiliary Monday night in the Post Home members heard reports of activity during May. Mrs. Arthur Bayer presided and reported on the district meet she attended in Denison and the state convention she plans to attend in Fort Worth this weekend.

Mrs. Ray Voth reported on the Memorial Service and Buddy Poppy Fund and said that \$254.20 had been contributed. Mrs. Norbert Walterscheid gave the treasurer's report and Mrs. Bayer told about the country store booth at the Jaycee Community picnic and thanked those who helped or contributed. The Auxiliary-sponsored dance Saturday night also added to the treasury. During the opening and closing ritual, Mrs. Andy Phillips was conductress protem.

Mrs. Bernard Hesse and Mrs. Henry Pels served refreshments to fifteen members. Mrs. Joe Hoenig won the door prize.

**Farmers Asked to Return Reports On Farm Census**

Letters appealing to 99 thousand Texas farmers to return completed report forms for the 1974 Census of Agriculture are being mailed by the Bureau of the Census. In January, 323 thousand forms were mailed to Texas farmers and residents associated with agriculture and so far, 69 percent have been mailed back or otherwise accounted for.

Bureau officials say this is the last in the planned series of follow-up letters, as collection of census data is scheduled to be closed out June 30. In addition, telephone calls are being made to selected farmers who have not yet returned the forms in order to obtain information about their 1974 agricultural operations.

Everyone who received a form should return it, even those not actively engaged in farming, such as landlords or those no longer farming. That information can be noted on the form which should be mailed back in the envelope provided.

Response to the census is mandatory by law. By the same law, all information about individual farms is confidential and can be used only for statistical purposes.

Farmers can refer to farm business records for many of the figures called for in the form. When records are not available, reasonable estimates are fully acceptable, Bureau officials say. Return of the completed forms is essential in order that published statistics on agriculture for each county and for the State will be accurate.

Results of the census will affect farmers in many ways. Major agricultural suppliers and marketing organizations base their decisions on census statistics. Thus, they can affect the availability of goods and services in many farming communities.

Any future allocation programs for such critical production inputs as fuel and fertilizer will bear a direct relationship to the crop acreages and animal units reported in the census.

Careful grooming may make you look 20 years younger, but it will not fool a flight of stairs.

**Letters to the Editor**

Dear Editor,  
Greetings from Torrington, Connecticut! A few months ago two very close and dear friends of ours mailed us your current Muenster Chamber of Commerce brochure.

Although we are native, "dyed-in-the-wool" New Englanders (Bay-Staters), retired here in 1963, we fell in love with Muenster — a sophisticated modern rural town, progressive and friendly.

Sincerely,  
The Cochrans

**Local News BRIEFS**

Father's Day in the home of Mr. and Mrs. Clem Reiter was observed at a noon dinner Sunday when guests were their daughter and family, Mr. and Mrs. Andy Arendt and Jimmy, Steve and Donna of Lindsay and the Reiters' grandchildren, Mr. and Mrs. Andy Arendt Jr. of Dallas, Mr. and Mrs. Gary Krahl of Era, Mr. and Mrs. David Arendt of Lindsay and Mr. and Mrs. Tim Hartman.

Mrs. John Yosten and daughters Paula and Christy and their cousin Stephen Schmitt spent from Saturday through Wednesday in Arlington with Mrs. Keith Tompkins and family and Mr. and Mrs. Mike Fedor. Sunday evening they drove to Dallas for an overnight visit with Miss Judy Tompkins. On the way home they stopped in Denton to see the Gene Hartmans.

Mr. and Mrs. Tom Waskom and Becky of Bonham were weekend guests of Mr. and Mrs. John Yosten and daughters.

Mr. and Mrs. Larry Kostyniak of Smithfield were weekend guests of her parents, the Norbert Koesters, coming especially for Father's Day.

Visiting Mr. and Mrs. Lee Toothaker for Father's Day were their son and family Mr. and Mrs. Wallis Toothaker and daughters Georgeanne and Jean Marie of Fort Worth. Other guests were their grandson and family, David Toothaker and wife Patricia and daughter, Cheryl Marie of Minot Air Force Base, North Dakota. Cheryl Marie is a great-granddaughter of Mr. and Mrs. Lee Toothaker.

Hostesses from Hillcrest Auxiliary conducting the weekly game party at Hillcrest Manor June 11 were Mmes. Leonard Endres, Al Wiesman, Tony Trubebach Jr. and James Roark.

Mr. and Mrs. Werner Yosten and son Ronnie spent Friday through Monday in Hereford as guests of his brother Gilbert Yosten and family and also visited the Ewald Berend family and the Leroy and Ray Berends. They were there as the wheat harvest was in progress and were particularly impressed by the quality and quantity. Sunday afternoon their hosts took them driving to see wheat fields. They noted that dry land wheat is ripe now and irrigated wheat will mature about two weeks later.

People are like steamboats — they toot loudest when they're in a fog.

**Historical Marker To Be Erected for Gainesville Circus**

An Official Texas Historical Marker for Gainesville Community Circus will be dedicated on July 3, 1975 10:30 a.m. It was announced today by Mrs. Bill R. Reed, chairman of the Cooke County Historical Survey Committee.

The marker will be placed at Fair Park. Dedication plans will be announced in the near future.

Made of cast aluminum with Swedish steel effect, the marker measures 18" by 28 inches and is sponsored by Cooke County Board of Realtors. The inscription on the marker reads:

"Gainesville Community Circus, Editor A. Morton Smith (1903-57) organized and promoted this show after a circus parody by the town's Little Theater Group in 1930 revealed many talented amateurs. Chartered as a non-profit corporation, the Community Circus used its earnings to buy tents, trucks, and costumes. Local performers practiced their acts with circus professionals who spent the winters here. Touring in the summers through Texas and neighboring states, the popular show won national fame. The Gainesville Circus declined after 1954, when a fire destroyed most of its equipment."

Some folks believe the best way to start federal aid to education would be to teach arithmetic in Washington, D.C.

### Hospital Notes

The following patients were dismissed during the past week at Muenster Memorial Hospital.

Tuesday, June 10: Andy O'Connor, Muenster; Don Richardson, Forestburg, John Crussell, Gainesville; Otha Woods, Nocona; Mrs. Dale Flippo, Saint Jo.

Wednesday, June 11: Mrs. Earl Hess and twin baby girls, Muenster; Mrs. Lanny Lewter, Gainesville; Daniel Boone, Saint Jo.

Thursday, June 12: Mrs. Ray Sicking, Myra.

Friday, June 13: Wm. Haverkamp and Barbara Koesler, Muenster; Edward Bonner, Forestburg; Louis Cauthorn, Gainesville; Julian Agee, Saint Jo.

Saturday, June 14: Mrs. T. B. Harris, Odessa; Wm. Gibson, Elva O'Swalt and Frank Dunn, Saint Jo; Mrs. Kinsley Dowling, Gainesville; Mrs. Steve Wilson, Whitesboro.

Sunday, June 15: Mrs. Daniel Fleitman, Muenster; Mrs. Benny Strong and baby girl, Gainesville; Mrs. J. E. Geurin, Saint Jo.

Monday, June 16: Russell Edwards, Sulphur Springs; Charles Bridges Jr., Bedford; Mrs. James Parker, Gainesville.

### NEWS OF THE SICK

J. C. Trachta is expected home Thursday after three days in Flow Memorial Hos-

pital of Denton for eye surgery.

David Sicking is back at his job as head of the parts department of Sicking Tractor Co. in Gainesville, after hospitalization and surgery on a leg crushed when a header fell on him. Temporarily, he conducts business in a wheelchair to keep weight off his leg.

### BIRTHS

Mr. and Mrs. Daniel Fleitman of Muenster have announced arrival of a 6 lb. 3/4 oz. daughter named Susan Kay. She joins a sister and brother, Elizabeth and David ages 5 and 4. Her grandparents are Mr. and Mrs. J. W. Fleitman of Muenster, and Mrs. Mary Shahan of Gainesville. Great-grandparents are Mr. and Mrs. Walter L. Freeman of Gainesville. Susan Kay arrived Friday, June 13 at 3:40 a.m. at Muenster Memorial Hospital. Mrs. Daniel Fleitman is the former Miss Billie Marie Kelly of Gainesville.

Mr. and Mrs. Harvey Lamkin announce with pride the birth of a son, Edward Harvey at Muenster Memorial Hospital on Friday, June 13 at 12:05 p.m., weighing 6 lbs. 15 oz. Grandparents are Mrs. Ed Pels of Muenster and Mr. and Mrs. W. H. Lamkin of Prairie Valley. Great-grandmother is Mrs. L. F. Lamkin of Prairie Valley. Edward Harvey is a new baby brother for Kelly.

### Dale and Gerald Cash Are Home For Father's Day

Highlighting Father's Day in the Charles O. Cash home was a visit from E5 Dale O. Cash who has just returned from a year's tour aboard the nuclear-powered carrier, the Enterprise, which also helped in the evacuation of Saigon and was a back-up vessel in the Cambodian affair.

Another visitor was Sgt. Gerald R. Cash of Augsburg, Germany who has returned to Key West, Florida with Dale for a few days and will return to spend the rest of his leave with his parents.

Dale and Gerald joined their sister Pam and family, Mr. and Mrs. Doyle Rogers and three children, Tammy, Darien and Chad to spend Father's Day with their parents at Six Flags Over Texas.

### Junior Softball

Junior softball, with only two games completed so far, have the Devils out in front with a solitary win, Angels trailing with one loss, and Steelers between with 1 and 1. In the first game Steelers nudged the Angels by a 16-14 count, and next time Steelers lost 10-7 to the Devils.

Coming games in the junior loop are Steelers and Angels Thursday, and Angels and Devils next Tuesday.

### Shower Given for Mrs. J. Lutkenhaus

Mrs. James Lutkenhaus of Carrollton was honored with a layette shower Sunday when a quartet of hostesses entertained in the TP&L Building, 2 til 5 p.m.

She opened and displayed her gifts and was presented a bootie sock corsage. The serving table was covered with off-white lace over blue. A decorated cake and a large stork centered the table.

Cake, punch, nuts and mints were served to thirty guests from Dallas, Sherman, Gainesville, Myra and Muenster.

Special guests were the honoree's mother and mother-in-law, Mmes. Emmet Sicking of Route 4 Gainesville and Alexander Lutkenhaus of Route 2 Muenster and the honoree's grandmother, Mrs. Will Sicking of Myra. Also there were three of her sisters, Mrs. Hank Arendt of Dallas, Miss Julie Sicking of Sherman and Miss Laurie Sicking of Route 4, Gainesville.

Hostesses were Mrs. Hank Arendt of Dallas, Mrs. Robert Coursey of Gainesville, Mrs. Clifford Sicking of Route 4, Gainesville and Mrs. Arthur Hennigan of Muenster.

### Trio Spends Two Weeks in Las Vegas

Mr. and Mrs. Jim Harris and daughters and Lambert Walterscheid, all of Las Vegas, Nevada entertained their Texas relatives for two weeks, while their brother Rainard Walterscheid, home from Tehran, Iran was spending a 30 day vacation here. He accompanied his mother, Mrs. H. A. Walterscheid and his sister Mrs. Herman Grewing and her daughter Amber Lynn on a flight to Las Vegas.

They went especially to attend the high school graduation of the Harris' daughters Jimmie Lyn and Starla.

Also visiting there were Jim Harris' sister Mrs. Bob Phillips of Oklahoma City and Mr. and Mrs. Charlie Stelzer of Fort Worth.

While there they spent several days at Anaheim, visited Disneyland and stopped at Long Beach to see the ship, Queen Mary. Jimmie Lyn accompanied them home for the summer.

### Confetti - - -

shocking crime rate. The multiple charges we have to pay for our adventure in socialism are accompanied by other factors which add to our fiscal problems.

Just a little thought on the subject will bear out the fact that irregularities and dishonesties figure into many of the high prices we have to pay. Unreasonable compensation claims for both damages and injuries have increased our insurance premiums. Featherbedding, absenteeism and carelessness raise the cost of factory products and of the prices

we pay for them.

The same applies to wage raises not justified by increased production. Shoplifting causes retail losses which have to be offset by higher prices. And, of course all kinds of crime cost us. Some, like violence result first of all in the direct cost of damage or injury. And all of them require our tax money for police, judges, prosecutors, court houses and jails. Our country urgently needs both common sense and morality.

Tell the Enterprise about your family celebrations. Call 759-4311.
