 Congressional Comment

A reporter once asked Winston Churchill what the qualifications were for becoming a politician. Mr. Churchill replied that a politician should have the ability to foretell what is going to happen tomorrow, next week, next month, and next year. And to have the ability afterwards to explain why it didn't happen.

Clearly our present inflation policy is testing President Carter's ability as a politician. For two years we have been hearing such jargon as jawboning, voluntary wage-price guidelines, hospital cost containment, real wage insurance, and chief inflation fighter. All this and we still have double digit inflation. The reason it has not succeeded is because it has lacked real substance. Jawboning and voluntary wage-price guidelines have failed because labor unions and businesses expect the other guy to hold the line and have

ignored pleas from the White House. Hospital cost containment would actually decrease the quality of health care in many of our hospitals and prevent construction of new facilities in rural areas. Real wage insurance could add as much as \$15 billion to the deficit and start another costly bureaucracy. And we have got a chief inflation fighter who is very good at testifying before Senate committees but sticks and stones may break bones but words will never stop inflation. Increased production will.

What is necessary is strong substantive action. It is time to decrease the growth of government and only spend tax dollars on essential services that the private sector is unable to provide. We should have a balanced budget by 1982 and a gradual reduction in taxes beginning in 1981. A deferral of the increase in the minimum wage and especially the allowance of a youth differential would reduce inflation and increase employment. A repeal of the outdated Davis-Bacon Act which compels contractors to pay inflated wages when they are working on Federal contracts or other Federally aided construction projects would be a step in the right direction. We need a massive reduction in government paperwork which is often duplicative and unnecessary. A halt in the growth of the money supply by the Federal Reserve would prevent too few goods from being chased by too many dollars. And above all we need meaningful regulatory reform allowing firms to be subject to the regulation of the marketplace instead of the Federal government.

Too often "we," the government, express the need for economic growth but act to restrict production; we hear about the need for price stability but pass legislation that raises prices; we hear about the need for full employment but promulgate regulations that increase unemployment; we hear about the need for productivity but act to discourage savings and investment. Inflation will be halted only when our deeds conform to our words. It is my sincere hope that the people of this Nation will demand and accept nothing less from those of us who represent you.

**"TRUCKS LIKE THIS ARE ONE OF THE REASONS THE COST OF ELECTRICITY HAS GONE UP."**

They also are one of the reasons your electric service is so dependable. TP&L's "hole-digger" trucks do a job in minutes which used to require long and often difficult hand labor. Skilled employees utilizing these trucks can rapidly extend power lines to new homes or businesses and restore storm-damaged lines. In 1975, a "hole-digger" truck cost \$42,000... today, more than \$75,000.

TP&L must spend hundreds of thousands of dollars each year to purchase, operate and maintain the many special-purpose vehicles which are essential to providing electric service. We're doing everything possible to hold the line on these costs. Texas Power & Light... dependable electric service throughout North, Central and East Texas for more than sixty-six years.

**ENERGY**  
 Control of energy has long been recognized as probably the most powerful objective in political struggles in the history of mankind. International prestige has always been greatly enhanced by important energy resources which could readily be converted into material value.

The United States in now, for the first time, involved in an energy crisis which actually concerns every one of us. It is evident that we can't depend upon luck to solve the problem. We must do some serious, sensible thinking. Should we take the wrong road in this crisis it could be fatal to our entire American way of life.

The energy problem is a part of the greatest crisis America has ever faced — a crisis that threatens to change our form of government and our standard of living.

During the past half century powerful forces have developed with a driving determination to create a total Socialist-Communist world. These forces already fully control at least one-third of the people on this earth, and they are exercising powerful influence on approximately another one-third of the world, and are having some influence on all the rest. Even America is badly infiltrated by their agents, and flooded with their propaganda through our own media.

The Socialist-Communist crowd see this as a chance to achieve their greatest victory in their determined and continuous effort to turn America into a Socialist system, which is only one step from Communism.

In America we rapidly grew into first place among the nations of the world with a system based on maximum personal freedom and private ownership of property, including the farms, the businesses, and the manufacturing industries.

Both Socialism and Communism advocate greatly limited personal freedom, and each proposes government ownership of the farms, the businesses and the manufacturing. Communism also undertakes to control the social habits of the people; opposes Christianity, and advocated

atheism. If our Government would now remove the undue regulations and allow the market place to determine the prices, private enterprise style, we would again have adequate gas and oil, and at lower prices.

These reactionary forces are new using scare tactics to frighten the American people into believing that the energy crisis is permanent, and that the American government should take over the production and the distribution of all energy. This would be a tremendous step toward pushing this nation into Socialism, with all of its blighting effects.

We are flooded with alarmist literature which tells us that the world is near collapse because we've depleted the energy reserves. Many are swept under by the swelling current affirming that "There is no more; you must preserve that which you now have." Like so much of the Socialist and Communist propaganda, this too is just not true. There is more, and it is accessible. Those who tell us that there is no more beyond that already discovered are in a class with those who told Columbus that the world was flat. Fortunately, Columbus didn't believe it.

Some burns take 100 years to heal.

## Sharp Increase of Rabies Cases Reported in State

Rabies a disease all but forgotten by many people, is once again on the upswing.

Cases of rabies have increased sharply in many areas of Texas, points out Dr. Jim Armstrong, veterinarian with the Texas Agricultural Extension Service, Texas A&M University System.

There were more laboratory-confirmed cases in Texas last year than any other year since 1961. And 1979 is off to a rousing start.

The first quarter of this year produced over twice the number of cases reported in 1978's first quarter, notes Armstrong. He says 80 to 90 percent of the cases are in skunks. However, domestic animal cases are increasing.

Twenty-two rabid dogs have been reported in the El Paso area, possibly due to rabid stray dogs in Mexico, he says. As a result, special immunization clinics have been set up to increase the vaccination level. Armstrong says intensive stray dog pick-up activities are under way on both sides of the river.

The veterinarian says the keys to rabies control are public awareness, pet vaccination (both dogs and cats) and stray animal control.

There are 3.7 million dogs in Texas, yet only 1.25 million rabies vaccinations are given annually by Texas veterinarians, Armstrong points out. A 70 percent vaccination level is considered the minimum necessary for rabies control.

During the first four months of 1979, laboratory confirmed cases through the Texas Department of Health totaled 370, compared to 183 confirmed lab cases for the corresponding period in 1978, representing an increase of over 100 percent.

"Of the 370 cases this year, 139 of them were confirmed in April alone. About 80 percent of all confirmed cases have been in skunks examined have been positive," notes Armstrong.

Cases confirmed through the laboratory during the first three weeks of April include: Skunks, 108; foxes, 2; bats, 4; raccoons, 2; cats, 1; dogs, 6; horses, 2; and cattle, 7. Although the two horses were confirmed in Brazos County, they were brought here for testing from the Houston and Hempstead areas, the lab report indicated.

**Home for Mother's Day**

Mr. and Mrs. Mac Dennis celebrated a happy pre-Mother's Day event by bringing their new baby daughter, Melissa, to get acquainted with her grandparents, Mr. and Mrs. Wilfred Bindel and her uncles Ben and Brian. Guests of the Bindel family Friday evening were the baby's great-grandparents, Mr. and Mrs. Joe J. Neu and several aunts and cousins, Mrs. Charles Neu, Mrs. Mike Bengfort and Angie, and Mrs. Ray Hoenig and Gretchen and John.

Mr. and Mrs. Wilfred Bindel and her parents, Mr. and Mrs. Joe J. Neu of Lindsay spent Mother's Day in Wichita Falls and attended Mass celebrated by Msgr. Neu, pastor of Our Lady, Queen of Peace Church. Mr. and Mrs. Guy Bindel joined them for Mass and all had dinner out together. The day also observed Guy and Lisa's first wedding anniversary. In the afternoon Mrs. Guy Bindel's parents, Mr. and Mrs. John Pruitt and Kelly and Chris joined the group at the Guy Bindel home sharing the wedding cake, saved in freezer-storage, since the wedding. The cake was served with homemade ice cream. Enroute home, the Neus and Bindels stopped at St. Richard's Villa to visit their mother and grandmother, Mrs. Joseph F. Neu.

visiting and supper were Kenny Fleitman of Muenster and Susan Neu of Lindsay, Mr. and Mrs. Ben Fleitman, Jr. of Myra, Mr. and Mrs. Jimmy Prescher and children of Valley View. ## Letter to The Editor

Dear Editor,  
I am writing in regards as to the crosswalks in this town. I have many times tried to cross the street on highway 82 and have to my knowledge one time that a car stopped. This morning I came home from work and there standing at the crosswalk waiting to get across the highway was little girl. From what I saw not one car stopped until I went out and took the little girl across to the other side. There was almost a collision when we were crossing the highway. I guess because the fellow driving the car didn't think I would take the little girl on out in front of him. He was some distance off when we started across so he had plenty of time to see us crossing. What gets me is there are signs on both sides of the highway and they are facing both sides of the street. There are also flashing amber lights to warn people of the crosswalk but little attention is paid to these signs

or the lights. I have a cousin who was trying to cross at the crosswalk here on 82 and today he can't use one of his hands because someone didn't pay any attention to the signs or lights. I have been in other states where they have had problems of this sort and they solved their problem by putting up a stop light that was activated only when someone wanted to cross the street he pushed a button and the light would come on long enough for him or her to cross the street, then it would cut off automatically and traffic could then resume its normal flow. Now I guess this seems like a small problem, but, do we have to wait till someone gets killed before something is done about it. Now I'm not married and don't have any children but if I did I assure you that I would be much more concerned.

Sincerely Yours,  
Jim Cler

## King Kochs Host May Garden Club Meeting

The Muenster Garden Club completed the '78-'79 gardening year with a party, picnic lunch and award presentation for the new Junior Garden Club, on Monday, May 7 at 5 p.m. and installation of '79-'80 officers of the Garden Club and a covered dish buffet with husbands as guests at 7 p.m. Both events were held in the home of Mr. and Mrs. King Koch.

The Junior Club membership includes the same group as the second grade Bluebirds, whose advisors are Mrs. Loretta Felderhoff and Mrs. Jeannine Flusche. Junior members greeted garden club members and guests at the door, as they began arriving about 6 p.m. On display in the entrance were Junior projects conservation posters, Junior club scrapbook and Bluebird houses. Ribbons designating district prizes, 2nd, 3rd and Honorable Mention, were attached to the posters and a special Citation to the bird houses. In

### Homemaker Club Program Features Tips for Freezers

Fifteen members of Muenster Extension Homemakers Club attended the meeting on May 9, when Mrs. Alice Hellman was hostess in her Moss Lake home. The hostess gave a reading, "The Gift of Giving," and Mrs. Olivia Wimmer and Mrs. Louise Bayer presented the program on "Freezer Tips and Tricks." Roll call was answered by members telling their favorite freezer food or favorite trick in preserving specific freezer foods.

A report was given on the annual May luncheon, held this year in Era, co-hosted by the Myra Crossroads Club in the Era Community Center on May 8. A bountiful salad luncheon was shared at noon, when all of the county extension clubs brought meat, vegetable and fruit salads. Members of all clubs participated in a fashion show, following the meal. They modeled garments they made. Five Muenster Extension Club members modeled and fourteen attended. The program at Era included music by students of Era High School.

Another report was given on the field trip on May 6 to Granbury and the Granbury Opera House. Members also discussed the Crime Prevention program and meeting held in Gainesville on April 20 at the United Methodist Church, sponsored by the Family Living Committee.

District II there are 270 active garden clubs. The local Junior club is one of only a few and the youngest.

In the award ceremony, junior members received recognition for activities during the year, from Mrs. Sue Endres, who gave each one a silk flower and an applique patch for her Bluebird Sash.

Receiving awards Monday evening were: Cheryl Bayer, Kim Bayer, Deanna Bierschenk, Jennifer Carroll, Kristi Fette, Laurie Fisher, Janel Flusche, Kim Hess, Noelle Hesse, Staci Sicking, Michelle Walter and Jeannene Walterscheid.

Also receiving awards, but not attending Monday night were Michelle Robertson, Lisa Hamric and Sandra Hughes. Special awards went to Carmen Flusche, Laura Flusche and Sherri Felderhoff, who assisted leaders during the year. The junior members were accompanied by a group of parents.

Installation of officers for the Muenster Garden Club preceded the buffet supper. The installing officer was Mrs. Sue Endres, who presented each with a yellow rose, signifying affiliation with Texas Garden Clubs, Inc. - each tied with a colored ribbon signifying the duties of her office. Leading the Muenster Garden Club for 1979-80 will be Mrs. Holly Koch, president, by re-election; Mrs. Eileen Luke, 1st vice president and program chairman, by re-election; Mrs. Wanda Flusche, 2nd vice president and yearbook chairman; Mrs. Beatrice Young, 3rd vice president and membership chairman; Mrs. Marie Endres, secretary; Mrs. Daryl Ferber, treasurer; Mrs. Dolores Miller, parliamentarian.

The award winning '78-'79 Scrapbook was presented to Mrs. Marie Endres and a new Scrapbook was given to Mrs. Holly Koch.

Mr. and Mrs. James Leggett and Mrs. David Hill of San Antonio arrived Friday to visit Mrs. Leggett's brother, Frank Rauschuber and Mrs. Rauschuber in Muenster and with Mr. and Mrs. Clem Hermes in Lindsay, and a number of nieces and nephews in both towns.

**Grewings Extend Win Record to 7-0**

Grewing Brothers baseball kids extended their perfect record to 7-0 during the past week in a pair of wins over Selwyn of Denton. They won 7-3 at Denton last Saturday and 9-8 here Tuesday.

Monte Endres pitched all the way in the first game allowing 6 hits and fanning 6 while the Selwyn hurler gave up 14 hits and struck out 4. Grewing made 4 errors and Selwyn made 8.

Grewing hitters were Brian Bednorz 2 doubles and a single, Kirk Mollenkopf and Mark Nasche each 3 singles, Mel Walterscheid 2 singles, Brian Herr, Craig Walterscheid and Monte Endres each 1 single.

On the home field Tuesday the home team had its hands full in squeezing out the 9-8 win. Mike Hesse, Monte Endres and Kirk Mollenkopf combined in giving up 11 hits and fanning 10 while the visiting

pitcher allowed 7 hits and struck out 5. Muenster made 4 errors and Denton 3.

Grewing hitters were Brian Herr a double and single, Mel Walterscheid a double, Monte Endres, Kirk Mollenkopf, Mike Hesse and Darrell Herr each one single.

Next action for the Grewing team will be with M&G of Denton in the Muenster ball park, 2 p.m. Saturday May 19th.

**Leigh Ann Hoenig Has 1st Birthday**

Leigh Ann Hoenig was honored on her first birthday with a party on Saturday, May 12 in the home of her parents, Mr. and Mrs. David Hoenig in Denton.

A birthday cake which carried out the "Holly Hobbie" theme was served with ice cream to family members and relatives.

**Joe Walters Honored at Development Center Event**

For several years of dedicated service in the organization and growth of Cooke County Development Center, Joe Walters was specially honored in ceremonies at the center last Friday. The occasion was the dedication of the center's workshop and the official change of its name to Joe Walters Workshop.

The event was attended by members of the Gainesville city council and school board, the county commissioners, the center's advisory board and staff members, representatives of the County Association for Retarded Citizens and the Texoma Regional Planning Commission, and a number of visitors. Open house at the center was held throughout the day.

The ceremony was highlighted by presentation of a plaque to Mr. and Mrs. Joe Walters by Judge Greg Underwood, who commented that Gainesville is fortunate in having Joe Walters. Walters responded by crediting many people with the success of the center. He said, "We should make today everyone's celebration."

The development center was started in 1969 as a program sponsored by Texoma Regional Planning Commission.

**Dorothy Bengfort Heads CDA District**

Dorothy Bengfort former District Deputy and former regent was elected to head the C.D.A. for the next two years, when Catholic Daughters of America held biennial election of officers at the monthly meeting, Thursday, May 10. Also elected were Lillian Walterscheid, treasurer; Betty Kralicke, recording secretary; and Mary Mosler, financial secretary. Re-elected for another term were Lucille Lutkenhaus, first vice regent; Aileen Cler, second vice regent; and Aileen Knabe, monitor. Organist is an appointed office.

In a letter from State Regent Margaret Hosty, the court was advised that 24 of the 163 members of Court Our Lady of Good Counsel, Wichita Falls, were affected in one way or another by the disaster that hit the area last month. The court voted to send \$50.00 to relief fund (in care of Rev. Richard H. Judge) being set up in Wichita Falls to be used by these people in rebuilding and reestablishing their homes. Miss Hosty also mentioned that check from the Disaster Fund of the National Office has been sent to Most Rev. J.J. Cassata, Bishop of Fort Worth, for this cause.

In other business members agreed to assist with the celebration of Father Stephen's 25th anniversary to the Priesthood and voted a gift for him. A report of the Germanfest booth was given by the treasurer.

The 1980 State Convention will be held in El Paso. Each court is entitled to send the regent and one delegate for each 50 members or major fraction thereof. The questionnaire received from the State Regent asked for an estimate of how many persons to expect. This is not binding, but just a basis for planning.

Plans for installation of court officers are pending. Time and place will be announced as soon as possible.

**Reunion Held By Walter Families**

Members of the family of the late Mr. and Mrs. John Walter are reuniting in their old hometown this weekend with local family members.

First to arrive was Mrs. Sylvia Everette of Olney, Ill., accompanied by her daughter, Mrs. Peggy Long of Thomasboro, Ill. They have been houseguests of a sister and aunt, Mrs. Rose Hofbauer for a week. Arriving Thursday evening were Mr. and Mrs. Alfred Walter of Honolulu, Hawaii and Mr. and Mrs. John O'Dowd and family of Shreveport, La.

All family members were together at dinner Thursday night in the Hofbauer home. The Alfred Walters will extend their visit; Mmes. Everette and Long will return home Saturday.

**Worried About How You'll Look With a Hearing Aid?**

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone requesting it.

Send for this model, put it on and wear it in the privacy of your own home. While many people with a hearing loss will not receive any significant benefit from any hearing aid, this free model will show you how tiny hearing help can be. It is not a real hearing aid, and it's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 2307, Beltone Electronics, 4201 W. Victoria St., Chicago, Illinois 60646.

## Joe Bright Flies Chopper On Rescue Missions at Sea

While serving at the Osan Air Base in Korea, 2nd Lt. Joseph Bright participated in two recent helicopter rescue missions at sea, in which 52 sailors were hoisted from trouble ships.

On April 16 he was co-pilot in one of the two choppers which answered a distress call from a sinking cargo ship. The crew of each plane included four persons. Rescue was achieved by hovering some 20 to 30 feet above the distress ship while the persons were lifted two at a time by hoist up to the helicopter. A member of the crew lowers the ship to help secure the sailors in the hoist. The copter can rescue as many as 10 men in one trip. The two helicopter crews rescued 24 persons on that mission. They flew some 26 miles to reach the sinking ship.

The two crews were on another rescue mission on March 30. At that time they saved 28 sailors from a grounded Taiwan freighter.

Bright says there is a deep sense of satisfaction in flying the missions and having a part in saving lives. But failure is equally depressing. For instance: their answer to a distress call and finding no ship or survivors at the scene.

A lot of people will itch for something, but they aren't willing to scratch for it.

## What does it take to make big money?

### 1. Elbow grease.

Guaranteed to soften the rough spots and make smooth and easy going of the climb to the top. Midnight oil, when substituted in sufficient quantity, also produces the same favorable results.

### 2. Long hours.

A timely solution favored by those who never seem to have a second to lose or a moment to spare. Also popular with people who know that time is money.

### 3. First Texas Savings.

Big money starts with smart money. And one smart way to make your savings grow is with a Money Market Certificate at First Texas Savings. The interest rate on First Texas Money Market

Certificates is fixed weekly by the current Treasury Bill discount rate — a rate presently higher than government regulations allow on regular Certificates of Deposit.

The result? On a minimum deposit of \$10,000 invested for 26 weeks, smart money becomes big money — fast.

Elbow grease and long hours are fine. But if you're in the market for a way to really make your money grow, come talk Money Market Certificates with a First Texas Savings Counselor. We'll show you how to turn smart money into big money.

Federal regulations require a substantial penalty for early withdrawal.

### Ceremony at Hurst Unites Chris Luke, Melody McDonald

Melody Marie McDonald and Christopher John Luke were married on Saturday, April 28 in a 7:30 p.m. ceremony in the First Baptist Church of Hurst. The double ring rites were performed by Father Eugene Luke of Subiaco Abbey, uncle of the groom, and Rev. Gary Kirksay, pastor of First Baptist.

The bride is the daughter of Mrs. Hazel McDonald of Hurst and the groom is the son of Mr. and Mrs. Harold J. Luke of Arlington and the grandson of Mrs. Ben Luke of Muenster.

The bride was presented at the altar by her uncle, Jimmy McDonald of Houston. She wore a formal gown of bridal white silk organza and lace, designed with a sheer, pin-tucked bodice, lace sleeves and a narrow self-ruffle accenting the neckline and cuffs. Two panels of matching lace were applied to the front of the skirt, beginning at the empire waistline and touching the floor in front. Seed pearls were em-

broidered into the lace accents. The skirt swept elegantly into a cathedral train.

Her tiered bridal veil was lace-edged and fingertip length and attached to a lace cap. She carried a garden bouquet of silk flowers.

For sentiment she wore the penny in her shoe that was worn also by the groom's mother in her wedding and she borrowed an ankle bracelet from her sister, Glenda.

#### Attendants

Attendants to the bride were a friend, Frances Thornton of Hurst as maid-of-honor; her sister, Mrs. Joseph Faulkner of Hurst as matron-of-honor; and Peggy Luke and Katie Luke, groom's sisters as bridesmaids. Their dresses were of organza, in rainbow colors of yellow, green, pink or lavender, designed with a short cape collar and a flounce at the skirt hemline which formed a cascade to the waist, where an organza flower was tucked. Each carried silk flowers to match her dress and in her hair each wore a matching flower softened with a spray of baby's breath.

Alicia Faulkner of Hurst, bride's niece, was the flower girl, wearing a pale blue long dress accented with pleated all around. Jeffrey Faulkner, of Hurst, a nephew was the ring bearer. He wore a white tux with blue ruffled shirt.

Dan Dilbeck, a friend of the groom of Keller was best man. John Gould of Arlington and Terry Wallace of Fort Worth, friends of the groom and Harold J. Luke, father of the groom were groomsmen.

Ushers were Joe Faulkner of Hurst, brother-in-law of the bride and Tim Luke of Dallas, brother of the groom.

Jody Faulkner, nephew of the bride was candlelighter.

Wedding music was presented by David Quinn, organist and Betty Capshaw, pianist, as guests were seated and by the soloist, Marwood McClellan in "Because" and "The Lord's Prayer," with piano accom-

Father Eugene Luke of Subiaco, Mrs. Charles Denny of San Antonio and Mr. and Mrs. Jim Root of Kerrville, who were weekend guests of the Harold Luke family. The out-of-town relatives and friends were guests at a late supper Saturday night, hosted by parents of the groom in their home.

The church was decorated with flowers and candles; and an archway covered with greenery, with pyramiding candles at each side, formed a setting for the vows. The couple lit their Unity candle, following the ceremony.

#### Reception

A reception followed in the Fellowship Hall of the Church. Kathy Cox of Fort Worth secured guest signatures in the bride's book. Barbara McDonald, Karen Grey, Cindy Pace, Jacqui Morgan, Billie Wallace were reception assistants, serving the bride's cake, the groom's cake, punch and coffee. Betty Capshaw gave background music on the piano throughout. The bride's table was covered with lace over a green cloth and was centered with an arrangement of silk garden flowers, and held the wedding cakes and the silver punch bowl. The table holding the German chocolate groom's cake and silver coffee service was also centered with a floral arrangement.

For the wedding and reception the bride's mother wore an apricot silk organza gown and a silk orchid wrist corsage. The groom's mother wore a long aqua, white and beige print formal and a silk orchid corsage.

When the couple left on their wedding trip, the bride was wearing a two piece silk print of black and copper with accordion pleated skirt and belted overblouse.

The bride is a graduate of Pacifica High School in Garden Grove, California and attended Tarrant County Jr. College. She is employed as a mail clerk for International Services Insurance Co. The groom is a graduate of Nolan High School in Fort Worth and Tarrant County Jr. College and attended the University of Texas at Arlington. He is a Make-Ready Mechanic for Frank Kent Cadillac. The couple will reside in Hurst.

A rehearsal dinner honored the couple on Friday, April 27 at the Cibola Inn of Arlington. Showers were given by Kathy Graham, of Wautauga, with Frances Thornton as co-hostess; another by ladies of the church in the Church Parlor; and another by Mrs. Tom McDaniel at the Colonial Country Club in Fort Worth.

Among Muenster relatives attending the wedding were Mrs. Ben Luke, Mr. and Mrs. Dan Luke and family, Mr. and Mrs. W.J. Luke and family, Dr. and Mrs. Bernard Luke and family, and Mr. and Mrs. R.N. Fette. They were joined by

### Society Plans for Catholic League State Convention

During the May meeting members of St. Anne's Society made plans to participate in the Catholic State League Convention on July 13-14-15, in High Hill, Texas, co-hosted by Schulenburg, and asked for volunteers for delegates. On display there will be several quilts made by St. Anne's members, especially a States Quilt.

Amanda Fuhrmann reported on the NCCW meeting held recently in Denton, when the program on Abortion was presented by nuns of Denton. Anne Kirby of Bridgeport was elected president.

Also discussed at the St. Anne's meeting were plans for the observance of the 25th anniversary of Father Stephen Eckart's ordination. Volunteers will be needed to decorate the Community Center on Sunday, May 20, at 1 p.m.

Members also discussed the Father's Day picnic, planned for June 17. St. Anne's Society will have a Cake Walk, Country Store and Barbecue Booth.

Several members volunteered for the Sick Committee. Marie Henscheid read a leaflet on "Divorce," and also gave the treasurer's report. A Get-Well card was signed by members and sent to Mrs. Matt Muller.

Lu Vogel and Della Walterscheid thanked all who helped with the cleaning of Sacred Heart Church before Easter.

Mrs. Denis Walterscheid, (Della) presided for the business meeting, attended by 30 members. Mrs. Robert Knabe won the door prize.

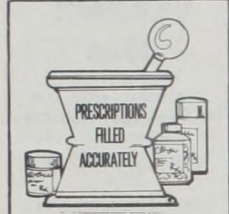

After all is said and done, it's usually the wife who has said it and the husband who has done it.

### Mother's Day

Members of the Joe Walter family observed Mother's Day with a family gathering in the Muenster Park for a covered dish dinner at noon Sunday. Attending were Mr. and Mrs. Joe Walter, Mr. and Mrs. Bill Graham and Kyle, Mr. and Mrs. Keith Clegg and Pamela, Mr. and Mrs. Sam Sparkman, all of Gainesville; Mr. and Mrs. Aubrey Chap-

man and Valerie, Trey, Anne and Charles of Richardson; Mrs. Mary Herron of St. Richard's Villa; Leroy Sicking, and Mr. and Mrs. Wilfred Sicking and Gary and Nancy, all of Muenster.

**News From St. Richard's Villa**

**Mother's Day** St. Richard's Villa was a busy exciting place Sunday. There were visitors galore. Flowers were being delivered and after breakfast each lady was presented a corsage, a compliment of the Establishment, much to the delight of the recipients.

A special Mother's Day luncheon was served at noon to residents and guests. It was a request menu of fried chicken, candied yams, green beans, tossed vegetable salad, homemade hot roll, butter, peach cobbler, iced tea, coffee, milk.

The Meadowbrook Baptist Church of Gainesville presented a Mother's Day Service at 2 p.m. when tributes were paid to and blessings asked for, all mothers. They gave a special song service led by the pastor and his wife, Rev. and Mrs. Gossett. Two small daughters of the Gossetts sang a special selection. Residents, who enjoyed it very much, invited them to return often.

### Tower Says Nation Needs Production, Not Rationing

Approval by the Senate today of the President's standby gasoline rationing plan is "just another step in the capitulation to a condition we need not endure" and "another instance where neither the Administration nor the Congress has shown any initiative toward solving the problem" according to Senator John Tower (R-Tex).

"It appears that the Administration has concluded that the best way to win acceptance of its position on energy is to continue to create the conditions which will assure a shortage of that energy," Tower added. "First we tried to deal with an ineffectual National Energy Plan. Then, after long delay, a reluctant decision to decontrol domestic crude oil prices, but with the hooker of a 'windfall profits' tax to degrade the

benefits; and now, a 'standby' rationing plan which, in all likelihood, is the precursor of its implementation. We have yet to see anything from the White House which indicated any willingness to examine ways to increase production as a means of solving the problem."

Tower said that the Department of Energy estimates the direct program costs of gasoline rationing would amount to over \$3 billion a year, including over \$1 billion of oil industry costs, most of which would be passed on to the consumer. In addition, the estimate of federal personnel required to administer the plan runs as high as 15,000.

"We already have a Department of Energy which employs over 20,000 at an annual cost to the taxpayers of more than \$10 billion. Now we are being asked to accept these added prospective costs, with still no plan to drill one single additional well. The industry could go a long way to solving our energy problem with \$13 billion a year," Tower stated.

Tower said the best solution to the gasoline shortage, aside from steps to increase supplies in the long term, is to let the individual states, like Texas and California, come up with their own plans which would meet their own requirements.

"Although the president's plan is based on so-called 'historic' usage of gasoline, we still don't know how much will be available to each state after priority requirements are met. That should be left to local decision, not federal bureaucratic interference.

Facts do not cease to exist because they are ignored.

### Forestburg News

by Myrt Denham

The weather here in this part of North Central Texas has been simply wonderful the past week. We had all best enjoy them as soon as we will be moaning and groaning about "this awful hot weather." From here on out it will get just warmer and warmer.

Judge White, of Forestburg, passed away Friday p.m. May 11 in the VA Hospital in Dallas. Funeral services were held Sunday afternoon May 13 at 2 p.m. in Scott Brothers funeral chapel in Saint Jo with Rev. Clay Yeager officiating. Interment was in the Perryman Cemetery. Judge is survived by one brother—Steve and family of Dallas, three sister—Mmes. Lucille Littell and Gretell Fanning of Forestburg and Mrs. Frances Walling and family of Wichita Falls. Pallbearers were: Wayne Miller, J.T. Willis, W.W. Shults, James Knabe, Johnny Carter, and Perryman Denham.

Casey Jones was admitted to the Bowie Hospital Wednesday May 9. At this writing he is doing very well and is to leave the hospital for the home of Mrs. Audley Martin, his sister, in Bowie. Casey will remain there for about 10 days.

Jim Harry, Rosston, is also a patient in the Bowie Hospital.

Mrs. Robert (Juanita) Ensey—formerly of Forestburg area but now residing in Sunset is also in the Bowie Hospital where she underwent major surgery.

Mrs. May De Graffenreid underwent a Pace-Maker Implant Wednesday p.m. May 9 at Bethania Hospital in Wichita Falls. At this writing May is doing as well as can be expected. May was returned to the Nocona Hospital Monday May 14th.

Mrs. Jack (Rose) Ensey is also a patient in the Bowie Hospital.

On Tuesday May 8 the Forestburg Athletes went out to collect money for Multiple Sclerosis Fund. They raised \$135.00. Those doing the work were: Leann Hays, Janice Lanier, Vatonni Dill, Willie Sandersky, Brad Lund, Jeff Carter, and Gordon Griffin.

At the beginning of the 1978-79 school year Mrs. JoAnn Sicking, Homemaking teacher, and the High School FHA girls got up a program where the girls each picked a "Secret Granny" for the year. All during the year they would remember their "Secret Granny" with cards gifts, etc. On Thursday night May 10 Mrs. Sicking and the FHA girls had a party in the Homemaking room at school for their "Secret Grannies." The girls revealed who their "Secret Granny" for the year had been and made a small talk in her honor. All attending had a marvelous time and it was a big hit event.

Though not in the hospital Henry Golightly out Mallard way has been confined to his bed. Henry got himself bitten by one of those Brown Recluse (Fiddler) Spiders. It was and still is a very painful time for Henry.

Paula Hudspeth is home visiting her parents—the Clifford Hudspeths. Paula is a student at MSU in Wichita Falls and will resume her studies the first part of June.

The Rummage and Bake Sale held Saturday May 12 at the Forestburg Fire Station to raise funds for the Fire Department brought in \$1654.78. Those in charge wish to thank everyone who helped out with contributions, etc. Six of Forestburg's Cub Scouts really worked hard. They were: Hannon Orrell, Bart Sirman, Tommy Souther, Tracy Lanier, Brent Holland and Billy May.

The Forestburg United Methodist Women's Group met in the home of Mrs. Betty Reynolds Wednesday p.m. May 9 for their regular meeting. The days program was on "Making Decisions" led by Mrs. Reynolds. The program was followed with a short business meeting conducted by the President Mrs. Lucille Littell. Afterwards there was a most enjoyable period of fellowship and visiting while all enjoyed delicious refreshments served by the hosts. Other present were: Mmes. Decie Ellzey, Vera Mae McGee, Marion Sockwell, Alice and Esther Shears, Betty Scott, the former Paula Traylor and Myrt Denham.

Mr. and Mrs. Herbert Richardson and son Bob honored Herbert's mother Mrs. Dorothy Richardson with a Bar-B-Q at their home on Rosston Road for Mother's Day Sunday May 13. Others present were: Norma Richardson, Mr. and Mrs. Herbie Sicking and Bart, Don Richardson of Lindsay, Linda Miller and Donny Richardson of Muenster.

Would like to report here that Casey Jones will have himself a birthday on May 22.

Mrs. Joe Denham of Bowie is sending several days the week of May 14 with her son Perryman and wife. On Monday the 14 Joe and Perryman visited their cousin Mrs. John Linds.

If Mabel Covington and her son Robby ever come up missing—the first place to look for them will be in those awful deep "Chug-holes" that are all over the dirt road that runs by their home and place of business. Drove over this "Chug-hole Lane" the other day and almost dropped out of sight. Now them holes is mighty deep and big.

There will be a rodeo in Forestburg the night of Friday June 8 and Saturday June 9. The proceeds of the rodeo, concession stand and Dance will all go into the Forestburg Fire Department Fund. So everyone is urged to attend and help make this rodeo, etc. a success.

We know there were many, many happy Mother's and Grandmothers in the Forestburg area this past Sunday May 13. And this is how it should be for Mother's everywhere.

#### Kindergarten

The Kindergarten classes and Mrs. Williams wish to thank Douglas Evans and "The Hut" for a wood plaque alphabet puzzle. This learning game is a very worthwhile addition to our supply of kindergarten materials.

#### Field Trip

Both Kindergarten classes were on a field trip Friday, May 4. They traveled by school bus to Ardmore, and plans had been made to board Amtrack for a return trip to Gainesville, where they were to be met by room mothers for an afternoon at Leonard Park.

Plans had to be altered, however, because of a 3 hour delay in the train's arrival, so the group had a lunch and a wait in the depot in Ardmore. Upon arrival in Gainesville, the group was joined by a large number of mothers for a fried chicken lunch provided by "The Hut". Room mothers provided the rest of the meal. The children then had a short play time in the park.

Gifts to Mrs. Williams from both Kindergarten classes were a lead crystal fruit bowl and bell. Mrs. Williams thanked the pupils and their parents for the lovely gifts. She also expressed thanks to Room-mothers, Mrs. Raymond Stewart and Mrs. Sam Endres for planning the field trip, and Mrs. James Gehrig, Mrs. Raymond Stewart, Mrs. Clarence Hudspeth and Mrs. Gerald Hess, who accompanied the group on the train, and all of the mothers who provided lunch and joined the group at the park.

#### Awards Banquet

The High School Awards Banquet was held Monday, May 14. Awards were given to outstanding students in academic as well as athletic areas.

#### Health Class

Coach Stinson's Health class is studying Nutrition. He brought the students pamphlets and posters to look at.

#### Jr. High Cheerleaders

The Jr. High elected cheerleaders on Friday, May 4. Elected were

Debbie Bindel and Cindy Tisdale for the 8th grade. Carmen Flusche and Jo Ell Hellman were elected for the 7th grade. Alternates were Carmen Sicking and Kim Eldred. Sponsors for the cheerleaders are Mrs. Sandy Klement and Mrs. Loretha Cash.

#### Try-Outs

Drum Major and Majorette try-outs were held on Friday, May 11. Drum Major is Judy Walterscheid and Majorettes are Cathy Flusche, Bev Trubenbach, and Shelley Zimmerman.

**Beta Kappa Banquet Observes Founder's Day and Installation**

Founder's Day and Installation of Officers were included with an Awards Banquet on May 8, co-hosted by Beta Kappa and Kappa Theta chapters of ESA in the Cooke County Co-op Building.

Carol Hairrell of Kappa Theta gave the invocation and Betsy Fleitman of Beta Kappa welcomed guests. The buffet dinner was hosted by Beta Kappa.

Genie Gilliland of Kappa Theta led the opening ritual. Betsy Fleitman and Jan Cain conducted the Jewel Pin Service, the First Pearl Service and the Pollas Athene Service. Liz Howe and Loretha Cash presented awards.

Linda Welch and Jan Cain gave their respective retiring speeches.

Sandy Patterson, District VI President and Lois Riddle, District VI Co-ordinator were installing officers. The ceremonial raising and lowering of president's gavels were conducted by Mickey Harder, Genie Gilliland, Betsy Fleitman and Margaret Stormer.

Genie Gilliland and Loretha followed with their president's speeches. Barbara Felderhoff presented the scrapbook to retiring president Jan Cain. This scrapbook is presently in competition at the State level in Houston.

Linda Welch led the 50th anniversary service, lighting a white and gold candle and all members formed a circle for the closing service.

Loretha Cash, Beta Kappa president has chosen: "Education in Love and Charity" as a theme; the white Iris as the chapter flower, a golden apple as a symbol, both embodying chapter colors of white and gold.

Genie Gilliland, Kappa Theta president has chosen: "ESA Circle of Friendship" as a theme; the yellow jonquil as the flower, a circle of gold as the symbol and blue and gold as the chapter colors.

The menu was planned by Beta Kappa. Barbara Weaver, Mickey Harder, Linda Welch and Genie Gilliland planned decorations and

Barbara Weaver, Peggy Sparkman and Annis Crawford were in charge of the program.

Barbara Weaver, Kathy Anderson and Mickey Harder sent the invitations; Barbara Weaver and Linda Welch secured name tags and Liz Howe and Annis Crawford were in charge of the guest books.

Attending were cousins Christin and Cory Cain, Melanie and Scott Wilde; friends Jill Wimmer, Tracey Walterscheid, Lisa and Amanda Russell, Joel Phillips and Eric Bezner of Gainesville. Special guests were Amy's grandmother, Mrs. Ray Wilde, and great-grandmother, Mrs. Joe Wilde. Gifts, games and party favors added to the fun. On Monday Amy was surprised with another decorated cake and gifts, both brought by grandparents, Mr. and Mrs. Johnnie Sturm of Gainesville.

**YOU CAN**  
**BANK**  
**ON IT!**

Your attitude toward the economy is important in determining the country's prosperity.

Contrary to popular opinion, the economy frequently follows the direction in which we anticipate. We can actually talk ourselves into a period of high production or a period of recession.

That word, "recession", strikes fear into the hearts of both businessmen and consumers. And, lately, it has been on the tongues of some economists. But

much of the talk of recession comes from watching history and not watching the economic signs. It's time for another recession, we're told by some historians. Economic growth goes in cycles, and

the longest upswing since World War II lasted a little over three years. The current upswing has now lasted 3 1/2 years. Many feel it would be natural for a slowdown to start soon. But that doesn't mean it's written in stone.

The report from John Fisher is that he is in fine spirit, making good progress, and is expected to return home Thursday.

John underwent surgery at Gainesville last week Thursday for a detached retina and was transferred to Denison Saturday for further treatment. The surgery was not successful, however sight in the other eye, previously faulty, is improving.

**Pottsboro Wallops Hornets in Finale**

The jinx has returned to slap the Hornets down. For the third consecutive year they were playing for the 14-A district title, and for the third time they fell short. The score was 13-3.

This time Pottsboro not only won, but added insult to injury by going on a hitting spree after already having it in the bag. Going into the last of the sixth with a 7-3 lead, they added 6 runs in the slugfest and did not even stay to finish the inning. Officials conceded the win on the basis of the 10 run lead.

Had the Hornets won they would have been tied for the lead and would have needed a play off. Pottsboro won the first half of the season and Muenster could have tied it by winning the second.

The Cardinals were first on the scoreboard with 2 runs in the first and the Hornets took a brief lead with 3 in the third. Pottsboro went ahead for keeps with 3 in the fourth, added 2 more in the fifth and then went into the big sixth and final inning.

David Felderhoff and Phil Wolf were Muenster's only hitters. Pottsboro got 7 hits.

**Little League Kids Sign Up**

This is sign-up week for the youngsters of the local little league baseball teams. Application slips have been distributed at both schools and the kids have been asked to complete the forms and return them Friday or before to Coach Horsley or Coach Stinson.

Muenster Jaycees, who are sponsoring the program, have called a meeting of coaches Monday at 7:30 in the KC hall to draw up their rosters and schedules. Boys who want to play are reminded to turn their applications in on time so their names can be considered in assigning to teams.

Jaycees also want it known that they still need a few coaches. Anyone interested in helping is urged to attend the meeting.

Starting date of the season is shortly after the schools close, probably about June 1.

If any boys failed to get an application form at school, they are invited to clip and use the following form.

### Mother's Day

Mother's Day was an opportunity for a family cook-out at noon Sunday, honoring Mrs. Matt Muller and her daughter, Mrs. Arnold Schilling in the home of the latter. Members of both families attended. Mrs. Muller is recuperating in the home of her daughter, since release from Muenster Memorial Hospital on May 1.

Mrs. Alice Hellman was a guest at a Mother's Day party in the home of granddaughter and husband, Barbie and Charlie Classe of Garland on Sunday. Other dinner guests were her parents, Dr. and Mrs. Monte Hellman and Brenda and Patrick of Dallas. Mrs. Alice Hellman returned home Sunday evening.

A noon dinner on Sunday and supper in the evening observed Mother's Day honoring Mrs. Victor Hartman. The John Yosten family hosted the event. Attending were Mr. and Mrs. Victor Hartman, Mr. and Mrs. Alvin Hartman and family, Sharlene Pangel; Mrs. Keith Tompkins and family and Mr. and Mrs. Mike Fedor and family all of Arlington; Jim Tompkins and a friend of Fort Worth; Mark Tompkins of Arlington, who remained for a longer visit; Mr. and Mrs. Willard Hartman and family of Killen; Mr. and Mrs. Walter Wolf and family of Gainesville; Mr. and Mrs. Harvey Schmitt and family, Henry Wiesman, Mr. and Mrs. Leonard Yosten, all of Muenster; Mr. and Mrs. David Bullion and daughter of Austin.

The Gene Hartman family of Denton and the Ted Gremminger family of Denver phoned their greetings. A special cake was baked and decorated by Mrs. Fedor to observe the birthday of the hostess, Mrs. John Yosten.

### Radiology Student

Kellie Hale, daughter of Mr. and Mrs. Kenneth Hale, has been admitted to the Baylor University Medical Center, School of Radiologic Technology. She will begin classes on July 2. Kellie is a member of this year's graduating class of Muenster High School.

**CON FETTE** providing that if a small business wins a case against an agency in court, the agency will pay reasonable legal fees for the small business. Such a ruling would make agencies more cautious about handing out unreasonable fines and penalties.

**Again, this is only a matter of fairness.** Many of us have thought all along that there is not justice whatever in making a person or business choose between two evils, like paying an arbitrarily set fine or spending time and money on a court fight. It's a matter of heads you lose, tails you lose. If you lose the case you pay both the court cost and the penalty. If you win you don't have to pay the fine but you still pay the court cost. Common sense and justice tell us that something really ought to be done about that situation. In fact, just to make things even, the regulatory agency should have as much at stake as the business

in such a legal case. Besides paying all court cost, it should be required to pay the business the same amount as the fine or penalty that was specified in the court case. The bureaucrats will do less pushing around when they find they can be tamed by their own brush.

**Another change to improve the climate for small business is the current proposal to cut down on government paper work.** Legislators are working on it now, and hopefully will at least reduce the volume of the burden. Reports can and should be not only shorter but fewer, thereby saving business men both time and money...besides requiring fewer bureaucrats to process the reports.

**Doubtless the small business people appreciate the kind words of the politicians on their special day, but they would be much more grateful for helpful legislation.**

### Sandra Felderhoff Is NTSU Magna Cum Laude Grad

Sandra Reiter Felderhoff graduated from North Texas State University in ceremonies held Saturday, May 12 at 8 p.m. in the Coliseum on the NT campus. She is a Magna Cum Laude graduate with a Bachelor of Science degree in Home Economics.

Attending the ceremony were her parents, Mr. and Mrs. Wilfred Reiter, and Roger Reiter of Muenster, Paul Reiter of Huntsville, Mr. and Mrs. Don Wiese of Godley, Frances Spaeth, an aunt of Gainesville, Sandy's husband, Chris Felderhoff, and another brother, Lloyd Reiter, also a student at NTSU.

Joining the Reiters at the ceremony were Mr. and Mrs. Ken Loyd of Waxahachie, seeing their daughter Vickie Loyd graduate with a Bachelor of Arts degree in History and English. Vickie Loyd, a friend of Sandra Felderhoff, and her parents joined in a celebration following the ceremony, in the Chris Felderhoff home. Mother's Day was also celebrated that evening.

### Street Repair Job Scheduled Soon

The city's streets ravaged by last winter's severe weather are due for a repair job, as far as it will go, in the near future.

Muenster councilmen, in a special session Monday night with Ronnie Jones, paving contractor, agreed to spend as much as \$35,000 on patchwork, and give priority to the worst damaged streets. Financing for the project is provided out of Revenue Sharing and the general fund.

Streets listed as most in need of repairs are Hickory, Cross, Sixth, First, Fourth, Ninth, Elm, Main, Maple, and Walnut. Expected starting date is late next week. Total surface to be repaired is about 15,000 square yards.
