## STATE DEPUTY WILL TALK AT OPEN MEETING

Knights Invite Everyone to Hear C. K. Walsh on February 17

All members of the Muenster Knights of Columbus and their families are urged to attend the open meeting Wednesday night, February 17, at the Muenster K. of C. hall when State Deputy C. K. Walsh will deliver a specially prepared address on Communism, Grand Knight Henry Hennigan announced at the special K. of C. meeting last Wednesday night. The council's invitation is extended to members of surrounding councils and their friends, Mr. Hennigan explained.

Members of the local council feel that they are privileged and fortunate in having Mr. Walsh as the guest speaker of their special meeting. Those who have heard him are laud in praising his oratorical ability and his vast knowledge of the subject that he has studied from every angle since its first introduction in Russia.

The State Deputy's appearance is a major step in the local Knights' plan to carry out the Knights' Crusade movement with a bang. Knowing that a more comprehensive knowledge of the principles and practices of Communism will arouse in every Christian a determination to enter into the spirit of the crusade, officers of the Muenster council have chosen one of the nation's best informed men on the subject to explain it to the people of Muenster.

Following a lengthy discussion on improvement projects for the K. of C. hall members present voted that the Grand Knight appoint a committee to draw up estimates on sidewalks and curbs, toilets, and a ventilating system. Those appointed by Mr. Hennigan are B. H. Hellman, Joe Fisher, Jr., Roy Endres, M. J. Endres, Joe Felderhoff, J. P. Flusche, and W. H. Endres.

## INFECTION SPREADS TO CAUSE CONCERN OVER MIKE KLEISS

The throat and chest infection that has been with Mike Kleiss for several months developed to an alarming stage during the past week as Mr. Kleiss had several sinking spells to cause great concern on the part of his family and friends.

Lately he has had attendants constantly, and though not unconscious, is so severely weakened that he hardly realizes what is going on around him.

He is now unable to write the short notes by means of which he communicated with his family and friends since the infection, attacking his vocal cords, deprived him of speech.

His inability to take an adequate supply of nourishment along with the rapid spread of the infection, which lately has resulted in considerable loss of blood, are thought to be the causes for his present loss of strength.

## MUENSTER FAVORITE PROCLAIMED QUEEN OF COUNTY TOURNAY

With Muenster's favorite, Nita Jean Camp, leading by a substantial margin in the Cooke County Queen Contest, it was decided Tuesday by Interscholastic League officials to proclaim her as winner rather than await the outcome of voting at the play-off games between winners of Class A, B, and C divisions, Elton Burger advised.

At the close of the Cooke County Class B and C tournament Muenster had 152 votes, Valley View had 100, and Bulcher ranked third with 70. Since Valley View fans were unlikely to add substantially to their figure, their eagerness having been eliminated in the tournament, and since Gainesville's total was hopelessly low, league officials felt that Muenster's lead was not threatened and voted to accept the outcome of the tournament as the official figures of the Queen Contest.

### CORRECTION

Last week The Enterprise stated that Nick Miller's contribution to the Red Cross was \$10. The item should have shown \$1.

## John Lomax Named Head Myra Scouts

Myra, Feb. 9.—As a result of interest aroused in the Boy Scout movement when the Muenster scouts under the direction of their scoutmaster Nick Miller and district director Vincent Hobbs presented a program at Myra on January 11, the Myra boys organized their troop Tuesday night, February 2.

The following were elected officers: John Lomax, scoutmaster; Darrell Melton, secretary; A. J. Higgins and J. A. Lucas, patrol leaders.

## 1898 PIONEER TELLS OF NEW CHURCH

The following article was submitted to The Enterprise by Father Joseph Fuhrmann of Corpus Christi College.

The following letter appeared in "Katholische Rundschau," April 14, 1898. It is the first letter from Muenster printed by the "Rundschau." The writer does not sign his name, just his initials, "J. K." Who was he?

"Am 3 Mai wird unser neue Herz Jesu Kirche vom Hochw. Bischof von Dallas feierlich eingeweiht werden. Schon jetzt werden die umfassendsten Vorbereitungen fuer die Feier getroffen. Die Katholiken der ganzen Nachbarschaft sind dazu eingeladen. Die neue Kirche ist die schoenste und groeeste katholische Kirche im ganzen westlichen Texas. Dank der unermuedlichen Energie unseres Pfarrers, Hochw. P. Bonaventura Binzegger, O. S. B., wird unsere grosse deutsche katholische Gemeinde endlich ein wuerdiges und geraeumiges Gotteshaus haben. Drei schoene neue Altaere, welche in Chicago, Illinois, angefertigt wurden, werden jetzt aufgestellt. Moege der liebe Gott uns jetzt seinen Segen geben fuer Haus und Feld, und dann wird es nicht lange waehren bis unsere Gemeinde, welche schon mehrfach von schweren Schicksalsschlaegen heilig esucht wurde (schuldenfrei dastehen wird.)"

"Alle deutschen Katholiken von Fern und Nah, welche am 3 Mai abkommen koennen, sind hiermit recht freundlichst eingeladen zu unserer Kirchenweihe zu kommen." Ihr ergebener, J. K."

## Catholic Daughters to Hold Future Meetings In Homes of Members

In the future regular meetings of the Catholic Daughters of America will be held on the second Friday of each month in the home of Mrs. John Eberhardt and social meetings will be held on the fourth Tuesday of each month in the home of the entertainer, Mrs. T. P. Frost, Grand Regent of the Muenster court, advised Tuesday.

The new arrangement was decided on at the regular meeting of the Catholic Daughters Monday night in an effort to overcome the inconvenience of the numerous conflicts members have encountered when other programs were arranged for the K. of C. hall, their former meeting place.

The assembly went on record as being opposed to the Child Labor Amendment now awaiting ratification by the State Legislature. It was voted that a letter written by one of the members and signed by all of them would be submitted to the Senator of this district.

Following Mrs. Christina Schad's resignation as financial secretary Mrs. Joe Wilde was elected to replace her.

## Lindsay Group Elects Joe Bezner President Of St. Peter's Society

Lindsay, Feb. 9.—Joe Bezner as president heads the list of the new officers who were elected in a meeting of the St. Peter's Society on Sunday, January 31. Other members serving in official capacities are: Paul Arendt, vice president; Henry N. Fuhrmann, secretary; Jake Bezner, treasurer, and Alphonse Koessler, banner carrier.

Three candidates, Mike Dieter, William J. Schmitz, and John Kupper, were admitted as members to the society by popular vote.

Following the business session a social hour was enjoyed by the members.

## "Too Much Preaching"

Rev. Dr. Frederic S. Fleming, who urged a moratorium on preaching for one or two years in his annual statement as rector of Trinity parish, New York. Dr. Fleming made his suggestion after declaring that, despite the record of Trinity's activity, "there is no part of the church of Christ that has not failed lamentably in its witness and ministry in these recent years—the impotence of the church is the worst failure."

## FELKER RESUMES ROAD GRAVELING SOUTH OF TOWN

Five Miles Being Rebuilt Through Federal WPA Assistance

With the return of balmy weather last week Babe Felker and his crew returned to their graveling work on the road south of Muenster. WPA gravel scoopers and a fleet of dump trucks are now on the job moving gravel from the C. J. Fette farm.

The road work in the present project will extend three miles south of Muenster, which apparently means from the Elm Creek bridge at the city limits to the Big Elm bridge. Immediately following that strip the crew will gravel the mile from Emil Vogel's farm to the Kleiss Brothers home and then the mile from Kleiss Brothers to the new overpass.

Original appropriations for Federal aid in the project are still in effect. According to Mr. Felker's statement on January 4 enough money had been appropriated to last until February 15. Since almost a full month was lost at the work, it is probable that their money would last until March 15. The Federal grant provides for 70 per cent of the graveling expense while Cooke County pays the remaining 30 per cent.

The road building is being thoroughly done. First the old surface is graded to the side to serve as a shoulder for the new surface. Next the gravel is laid eight inches deep and 16 feet wide. And then the grader makes its regular trips over the road to get it thoroughly leveled.

To date Mr. Felker has taken gravel from three different locations. First he got the material from Barney Voth. After striking a number of sand pockets that deposit was abandoned for a rock deposit on the Hesse farm which in turn was abandoned when the percentage of dirt ran too high. It is thought that the present source will provide an adequate supply.

See FELKER on Page 4

## Adult Health Club Has First Meeting Tuesday In Dr. Myrick's Office

The Muenster Adult Health Education Club sponsored by the local Get-Together Club, enjoyed an encouraging attendance at its first meeting held Tuesday afternoon, February 7, in the Myrick Hospital office, with Miss Harris, Cooke County Health Nurse, presiding.

It was decided that the next meeting will be held Tuesday, February 16, in the home of Mrs. Tony Greminger.

Miss Harris stated that all persons over 17 years of age are urged to attend the meetings of the Health Club which has as its purpose the introduction of health habits and the spreading of useful information to be used in the event of epidemics and diseases.

## Sumacs Beat Eagles For Class 'B' Trophy

Valley View Wins Class B and County Titles in Girls' Division

They were glorious in defeat, those six blue and gold girls who strained every effort in an uphill battle to bring glory to their school and the colors they so proudly wore for the first time. It is true the honor fell a little short of the intended goal, but their efforts are deserving of the highest praise. After all the shouting is over the one factor that weighs most heavily is that they did their best.

Fighting against the odds of superior forces Muenster High School's girls lost their last chance at Cooke County volleyball honors as they bowed to their ancient rivals from Valley View in the final game of the Interscholastic League Tournament Saturday night. Valley View, having previously won the round robin tournament, is now undisputed volleyball champion of the county.

In the first game of the match Muenster's girls had considerable trouble getting organized whereas their opponents started early with the brand of consistent playing that has led them through so many matches. But after losing several points a change came over the girls so that they rocked along on almost even terms. The difficulty, painful to Muenster's team, is that Valley View continued to increase its margin of lead slowly but surely during the exchange of serves. The final score was 15 to 5.

The second frame was more evenly played. The lead passed several times from one team to the other as both settled down to hard, serious playing. But in the end the score again favored the green clad ladies, this time 15 to 11.

Muenster's climb to the finals in the tournament was comparatively easy as they defeated Era and Myra each in consecutive frames. Scores of the Era games were 15-3 and 15-7, and of the Myra game 15-4 and 15-4.

## ROADS SURROUNDING MUENSTER GET JOE BEZNER'S ATTENTION

While weather conditions are good Joe Bezner, commissioner of Precinct 4, is busily engaged in getting his roads back in good condition.

Last week his grader was at work on Muenster Rural Route No. 1. Work began at State Highway 5 and extended past the homes of C. J. Wimmer and Charles Schmitt to Hays.

At the present time his crew is working over the roads in the northwest corner of Cooke County especially in the vicinity of Bulcher and Tyler's Bluff.

Mr. Bezner explained that because the Federal grant for his precinct had been exhausted by his predecessor in office he is unable to carry on a graveling project such as the one now in progress in Babe Felker's precinct. He added that with a comparatively short time

See BEZNER on Page 4

## Pete Rollman Is Host To Sheephead Players In Sunday Night Party

Pete Rollman was the host Sunday night to Muenster's weekly assembly of sheephead palying cronies in which, according to a few stray remarks overheard Monday morning, John Felderhoff took all the honors.

The party was made up of the same group that gathers every Sunday night at the home of one of the members for a session of cards followed by a Dutch lunch. They are Joe Walterscheid, John Bayer, John Felderhoff, Joe Mages, Pete Rollman, John Walter, and Henry Henschel, Jr.

According to Mr. Rollman, they are lucky to have their meetings regularly scheduled for Sunday. That gives them a chance to continue their activities in spite of the local custom to cut all parties during Lent, because Sundays are not officially considered as days of Lent.

## Double Guitar

The ordinary guitar with one neck was too simple for Gene Mack, of Quincy, Mass., so he invented this two-necked instrument which he proudly displays. Mack plays with Lee Shelley's orchestra. So far as is known he is the only man in the world who can play his novel instrument.

## Cooke County Scout Unit Is Encouraged

At a regular monthly meeting of the Gainesville District Scouters' Committee held Monday, February 8, at the First Methodist Church annex, Hobart Hill, executive of the Chickasaw Council, encouraged the organization of a Cooke County Boy Scouts District to serve as a closely knit unit of the Chickasaw Council.

The advantage of the proposed arrangement according to Mr. Hill is that it will stimulate a greater interest in scouting with the result that more boys will come to enjoy its benefits. The closer relation existing between boys of neighboring communities affords a splendid opportunity for joint activities and a spirit of friendly competition that can easily be directed to constructive channels.

Other subjects discussed at the meeting were an annual maintenance campaign, a spring training course, time and place for inter-troop rally, date for scoutmasters' roundtable, and the national jamboree.

Those of Muenster who attended were Committeemen Roy Endres and Herbert Meurer and Scoutmaster Nick Miller.

## Sumacs Tame Leopards In First Playoff Game Of Championship Race

At a dull game featured by ragged playing on both sides Tony Burger's basketballers advanced one mark nearer to their championship title as they defeated Gainesville's Leopards pack 22 to 12 at the Fair Park gym Tuesday night.

Spectators must have wondered at times why the boys were not wearing football togs while referee Borchardt apparently was as much impressed when he found it necessary to call numerous fouls.

The game started with the Sumacs breaking through rapidly for a lead that they held through the entire game. The first quarter ended 7-2. During the next period Muenster went into a slump to score only two points while their opponents made four to end the half at 9 to 6.

The third quarter was all for the Sumacs as they registered seven points against one for the Leopards, but during the last quarter the game was played on fairly even terms as

See LEOPARDS on Page 4

## LINTON COURSEY MARRIES MISS GLENN OF GAINESVILLE

The announcement has been made of the marriage of Linton Coursey and Miss Anna Bernice Glenn of Gainesville. The marriage was performed at Marietta, Okla., January 27.

The young couple are now at the home of Mr. Coursey's parents, Mr. and Mrs. John Coursey.

## Large Crowd Attends 22-18 Classic in Final Contest of County Tourney

The longest step in their march toward the coveted title of Cooke County champions was taken Saturday night as the Sumacs defeated Valley View 22 to 18 in the final game of the Cooke County Interscholastic League basketball tournament to win Class B honors and the trophy for their division. The trophy is a forward in the act of shooting.

Mr. Burger was deeply impressed by the sportsmanship of Coach Brown and his green clad warriors, who, while they played as if their very lives depended on the outcome, took their defeat with a smile and offered heartfelt wishes for their rivals' continued success in county and district play-offs.

A record crowd that assembled at the Gainesville Fair Park gym to see a basketball classic, got more than its money's worth. Every minute of the game was played hard and at no time did either team have it on ice. Shortly before the closing minutes Muenster did increase its lead to six points but in view of the ferocious green attack that netted two points, spectators continued their tenseness. Fans expected a last-minute rally but the Sumacs, warily defending their advantage, kept their rivals well out of the danger zone.

The first plays revealed a changed squad of Eagles who successfully invaded the scoring zone and scored four points before the Sumacs took time out to plan a defense for the new mode of attack. After that Valley View had to return to the alternative of long shots only one of which was successful for the remainder of the first half.

Having blocked their opponents' scoring attack Muenster advanced little by little as they watched for a chance to get the ball within scoring distance before taking their shots. Their caution was rewarded by three field goals from close quarters.

## LINDSAY 4-H GIRLS ENTHUSIASTIC OVER THEIR CLUB HOTBED

Lindsay, Feb. 9.—In order to encourage more interest in 4-H Club work and to aid club girls in reaching their goals of providing the required number of feet of leafy vegetables for each member of the family a club hot bed for starting cabbage plants was suggested by Miss Nettie Schultz, county home demonstration agent at a recent meeting of the club.

The site chosen for the construction of the hot bed is a portion of Miss Caroline Mueller's vegetable garden, near the school grounds.

The structure as planned by Miss Schultz measures approximately 6 by-10 feet, and is large enough to provide for 3,500 plants. These in turn, at the time of transplanting average 40 feet of cabbage per person in a family of five. There are 23 girls in the club.

Due to persistent bad weather the construction of the hot bed was somewhat delayed; however, during the past week with the rising temperature and occasional sunshine the work was completed and the seed was sown in drills about three inches apart.

Three popular varieties, Charleston Wakefield, Copenhagen Market and Flat Dutch were selected by the agent. A fourth variety, Chinese

## Former Record Falls As Muenster Hatchery Has 89 Percent Hatch

A new hatching record for the Muenster Hatchery was reported Wednesday by Felix Becker after his records revealed an 89 per cent turnout. His records on the two previous hatches were 88 and 86 per cent.

The percentage of hatch is estimated by first deducting the number of eggs that test as infertile and then determining the percentage of chicks coming from the total number of fertile eggs.

### THANKS TO OUR NEIGHBORING FRIENDS

THE GOOD WILL shown to Muenster by people of its neighboring communities at the athletic tournament last week is cheering. As a result of their consideration little Nita Jean Camp held a long advantage in the queen contest Saturday night.

Naturally every school prefers to see its favorite elected to the honored title. But most of the smaller schools, realizing that a vote for their favorites would be wasted, preferred to help out another school that had a good chance.

That those people chose to help Muenster can be accepted as a distinct compliment. The spirit of friendly competition that Mr. Burger has encouraged in all athletic relations is paying dividends. Other people in Cooke County appreciate the attitude of Muenster boys and girls and their help in electing Muenster's favorite as county queen is nothing less than an expression of their sincere friendship.

Muenster is grateful for the kindness of its neighboring communities. May her boys and girls continue to merit the friendship of their boys and girls.

### SCOUT WEEK

THIS WEEK Boy Scouts of America are celebrating the 27th anniversary of the founding of their organization. Last Monday more than a million scouts over the nation were honored in a radio speech by the President of their country.

The good work done by millions of Boy Scouts as they absorbed the fundamental principles and training of scouting is inestimably valuable to our nation today. It has been said that no real scout ever turns criminal.

On the other hand every real scout is a good citizen. Anybody who puts into practice the things he learns in his organization will be decent, truthful, honest, and kind. In addition to that he respects his God and his country.

Trying days are ahead. As the world tends to drift farther and farther from the principles of Christianity upon which sound government and society are built, the need of building a future citizenship becomes more and more important. The scouts are trying to make good citizens of themselves. They deserve nationwide cooperation in their work.

### THE CORRECT PICTURE

IF YOU have made any attempt to keep up with the Spanish situation in daily newspapers you have probably been misled as to the true state of affairs over there.

Our newspapers carry all sorts of tales about the "rebels" bombing cities full of defenseless women and children but few of them mention the wholesale murder and personal outrages inflicted on priests, nuns, and prisoners captured by the "loyalists."

We read that Hitler and Mussolini are aiding the rebels with their Fascist forces but few of us have been informed that "loyalists" of Spain have received help from Communists all over the world.

And how many of us know that the very names applied to the conflicting forces are reversed. Those given the high sounding name of loyalists are the group of Communists that strong-armed their way into power in spite of being actually defeated at the polls in 1936. They are now in charge of the government, yes; but actual-

ly they are a mob of traitors pledged to the destruction of a civilization and religion that has come down to present day Spaniards as a heritage of 20 centuries.

On the other hand those branded as rebels are the people who are willing to lay down their lives in defense of the principles, institutions, and the religion that have played such an important part in the lives of their ancestors.

In short the conflict in Spain is one of Christianity versus Communism, of social security versus oppression and chaos, of democracy versus dictatorship.

Why aren't we getting the correct picture of Spanish affairs? Because Communists here as well as in Europe have such a well established system of propaganda that only the items they want published, whether they are true or not, get into the majority of our papers.

The time has come for Americans to be alert. An organization so strong that it can disguise world news to serve its purpose certainly cannot be considered as a minor threat.

### LEFT TURNS

ANYWHERE one goes he will find a considerable percentage of drivers who use very little judgment in leaving their regular life of travel.

Possibly the most frequent offense in this respect is unwarned left turns. Who has not seen the driver ahead suddenly swerve to the left without warning to the one behind him?

Naturally as a person prepares for a left turn he slows down and the unsuspecting driver behind just as naturally prepares to pass on the left. Then as the turn is made a collision may be avoided if the driver behind is alert and lucky. But too frequently the outcome is tragic.

There are two simple methods by which that kind of accident can be avoided. First of all, signal for a left turn by extending the arm horizontally out of the left side of the car—let the driver behind know that a turn will be made. Secondly, occupy the lane of traffic that would otherwise be taken by a passing car—don't give the driver behind a chance to pass while the turn is being made. It stands to reason that if the first car is in the middle, or even at the left side of the road—which is actually safer if no oncoming cars are in sight—the second car cannot possibly be alongside when the first makes the left turn.

For the same reason a right turn should never be made from the center or left side of the street. This is especially true in city traffic where drivers slip through any available opening. The one who turns from the center of the street may notice too late that someone is beside him.

Again the rule is don't give the driver behind room to pass on the side to which you are turning. And if you wish to signal extend the arm with elbow bent and forearm pointing upward.

Get the right habit in making right and left turns and half your driving worries are over.

The children of "trailer families" have become a school problem in California. It is humiliating when a third-grader begins teaching the teacher geography.—Detroit News.

A book attacking Mussolini can't be sold in Italy. Old Benito won't let the author make a lire out of him.—Idaho Statesman.

"Thirty thousand cattle passed in review before Mussolini in one day at Bologna." This puts it up to Hitler to give a frankfurter parade.—Toledo Blade.

You can tell when a woman isn't afraid of her husband. She doesn't mind showing him the fender she crushed on his new car.—Atlanta Georgian.

Camels have been barred from some of the streets of Palestine because they slow up traffic. What we need in America is camels.—American Lumberman.

"All persons who take cold shower baths in the morning are fools," declares a physician. Oh, no, doc; not all. Most of them are merely liars.—Atlanta Journal.

### FRANCISCAN PRIEST VISITS PASTOR AND OLD FRIENDS HERE

The Rev. Father Juvenal Emanuel, O. F. M., of Chicago, director general of the Third Order of St. Francis, has been a guest of the Muenster rectory for almost a week.

He arrived late last week and assisted the local pastors in their services for the closing day of forty hours' devotion Sunday. He delivered sermons at each of the three Masses and finally at the special services Sunday afternoon.

The topic of his afternoon sermon was the love that prompted the Almighty Creator of the universe to come to the hearts of those He loves under the appearance of bread and wine.

Monday morning the reverend visitor conducted a visitation for the local members of the Third Order of St. Francis.

An explanation given by him for the existence of the Third Order is especially interesting. St. Francis of Assisi, so the story goes, had such a magnetic personality and through his saintly life made such a wonderful impression on people that large numbers of them were fired with a desire to follow in his footsteps. Realizing that the majority of them were unfitted for monastic life, St. Francis founded what has since become known as the Third Order. Its members are required to observe a few regulations but at the same time they continue their usual activities apart from monastic regulations.

Father Juvenal welcomed the opportunity to spend a few days resting in Muenster before resuming his regular work of calling on parish units of the Third Order. The Yostens here are all classmates and friends from his early days in Nebraska. Since that time relatives of his have intermarried with their relatives in the old home town so that he now considers them as relatives.

Last Sunday evening Father Juvenal was the honor guest at a dinner given by Mrs. Joe Swirczynski where he enjoyed talking over old times with the hostess and her brothers John, Robert, Frank, and Nick Yosten.

Father Juvenal announced his intention of departing in time to make his scheduled appearance in Oklahoma City Sunday.

### Parochial Notes

The weather in January was a severe test of endurance. Promptness at holy Mass was impossible to many who are otherwise punctual. Because the church is not heated the small children are kept in the warm school during Mass. They recite some prayers. There is no blame due to such who did not qualify for the roll of honor this month, although the requirement was set as low as 14 Masses, when the full number was 20. Still those who made such great effort to be prompt should not go unrewarded. Hence here are their names:

High school—Rose Marie Tempel, Thomas Weinzapfel, Loretta Hartman, Patrick Hennigan, Dora Weinzapfel, Raymond Wilde.

Eighth grade—Agnes Rohmer, Martha Rohmer, Harriet Schoech, Eugenia Walter, Henrietta Wiesman.

Seventh grade—Alfred Bayer, Rose Hennigan, Beatrice Reiter, Raymond Tempel, Cecelia Walterscheid, Leo Haverkamp.

Sixth grade—Adeline Rohmer, Cecelia Haverkamp.

Fifth grade—Frank Hennigan, Urban Rohmer, Joseph Tempel, Geneva Gremminger, Alma Marie Luke, Mary Ann Reiter, Juanita Weinzapfel, Gladys Wilde.

Fourth grade—Robert Bayer, Emma Felderhoff, Helen Ruth Otto, Clifford Otto, Walter Yosten.

Third grade—Norbert Rohmer, Dennis Walterscheid, Dorothy Eberhard, Bertha Haverkamp, Bernice Haverkamp, Florence Haverkamp, Mary Nell Hennigan, Dorothy Vo-

gel, Laura Lee Wilde, Anna Marie Schilling.

Second grade—Arthur Bayer, Gerald Bayer, A. J. Felderhoff, Philomena Felderhoff, Beatrice Fuhrmann, Clyde Fisher, Marian Gremminger, Georgia Ann Kathman, Mary Evelyn Seyler, Theresa Walter, Juanita Schmitt, Joseph Weinzapfel.

First grade—Mary Anna Flusche, Walter Haverkamp, Victor Koelzer, Reynold Reiter, Ethel Schmitt, Evelyn Vogel.

### Wilfred Bezner Chosen As Page to Dr. Stocks In State Legislature

Lindsay, Feb. 9.—Wilfred Bezner, son of Mr. and Mrs. Jake Bezner left Wednesday, February 10, for Austin where he will be a page to Dr. C. L. Stocks in the House of Representatives.

Wilfred says he considers himself honored in being chosen page and feels that the experience will be a novel as well as an interesting and educational one for him. He expects to be in the services of Dr. Stocks for one month.

Mr. Bezner accompanied his son to Austin to help him get located.

### FRIENDS TAKE NITA JEAN TO NEW HOME

Following the triumph of a very substantial lead in her race for honors in the county queen contest, Nita Jean Camp was escorted to her new home in Ryan, Okla., Sunday by a group of her friends.

She promised to make every effort to return for the final game in the county championship basketball race when the winner of the contest will be announced. Friends of Nita Jean at Muenster High School are confident she will hold her lead and will receive the gold basketball that accompanies the title of Cooke County queen.

Those accompanying Nita Jean to Ryan were Misses Mary Barker, Dorothy Fette and Mildred Patrick and Earl Fisher, Earl Lehnertz, and Elmer Fette. All of them crowded into Dorothy Fette's car.

### Regular Meeting Held By Demonstration Club

The Linn Home Demonstration Club had its second meeting of the year in the home of Mrs. T. N. Fielder Tuesday afternoon.

Mrs. Selby Fielder, president, conducted the business session, and various assignments were distributed among the members to study for the meetings of the coming month.

After the business meeting, Misses Irene and Rose Sicking had charge of the recreation program which was carried out in the Valentine motif, with Mrs. Selby Fielder winning first prize.

Those attending were Mesdames John Coursey, Jack Biffle, Dude Rosson, Adolph Walterscheid, Sam McCool, Ben Sicking, Selby Fielder, and Misses Irene and Rose Sicking, and the hostess.

The next meeting will be held in the home of Mrs. Ben Sicking on February 23.

### Influenza in Texas Not Widespread Says State Health Officer

Austin, Feb. 9.—Reports to the State Department of Health indicate a seasonal increase in influenza, but there are no indications of an epidemic in any such degree as that which swept the Nation with such disastrous results during the World War, is the assurance given Texans by Dr. George W. Cox, State Health Officer.

"The number of cases reported for the first two weeks in January is not in excess of those reported for the same period last year," he said, "and the situation does not call for alarm, such as is likely to arise in the minds of the people because they recall the terrible destruction wrought by influenza in 1918.

"Influenza is an acute, contagious and highly infectious disease, occurring in epidemic and isolated form and often characterized by suddenness of onset, fever, headache, marked prostration and a tendency to severe complications of the lungs. Practically everybody is susceptible to it. No matter how many times you have had the disease you may contract it again.

"Attempted preventive measures fall naturally into two groups—first, everyone should try to avoid exposure to the disease by avoiding overcrowded places, and stay away from persons ill with the disease; and, second, every person should form such health habits as will keep the resistance of the body at a maximum, so that when they are exposed the body will be able to resist invasion of the germs.

"Sufficient rest, cleanliness of hands, mouth and teeth, fresh air while at work and at sleep, regulation of meals and bodily functions, wholesome food and freedom from anxiety will increase bodily resistance and go a long way to avoid contracting the disease.

"The complications of influenza are far more important than the disease itself. Pneumonia all too often follows influenza. Don't neglect your 'cold.' If you have the slightest suspicion of fever, go home, go to bed immediately, and call your physician. Stay in bed until he tells you that you can get up, and follow his advice explicitly."

### BROKEN LEGS COME IN TRIPPLICATE FOR THIS NEIGHBORHOOD

Wellsville, N. C., Feb. 9.—Glen Simons broke his leg in a tumble from a wagon. About the same time, Simons' next-door neighbor, Mrs. Mary Moore, broke a leg while escaping from her burning house.

Brode Sessoms saw the fire and tried to jump a fence separating his yard from that of Mrs. Moore. He fell, breaking his leg.

### News Briefs

During the past week Mrs. Joe Schroeder of Windthorst visited with her parents, Mr. and Mrs. John Knabe.

Mrs. Bill Fink, though still spending the greater part of her time in bed, is reported as considerably improved after being down with influenza for more than a week.

Employees at the Herr Motor Co. are bragging about the two high-powered hydraulic jacks that have just been added to their supply of shop equipment.

Three car sales are reported by Herr Motor Co., for the past week. Meinrad Hesse bought a '36 Plymouth coupe, Henry Robertson a '33 Plymouth coupe, and Ed Rohmer a '33 Plymouth coupe.

Since last Monday Bernard "Beans" Schmitz is employed with Ben Seyler Motor Co., replacing Elmer "Personality Plus" Pette, who joined "Shorty" Herr's service staff last Saturday.

The 1936 Standard Chevrolet Town Sedan that Alfred Walter has been driving lately was sold last week by J. B. Wilde. Another sale of the Wilde Garage is a 1929 Chevrolet Coupe to Edward Engster of Gainesville.

The reason Wm. Hellman hasn't been making his daily trip to town recently is that he's spending all his time nursing along an attack of the flu. His son, Charles, advises that he is improving, however, and should be in circulation again before long.

The fellows at Henry Trachta's place have been missing I. A. Schoech for the past week while he was nursing the flu. He had a few miserable days but is reported as being about ready to get around now.

Mrs. G. A. Stelzer is walking about in her home, showing normal improvement and suffering very little pain, Dr. T. S. Myrick stated Wednesday. He expects Mrs. Stelzer to be out in circulation within the next few days.

A new 28-44 Oliver tractor was delivered late last week to the Kleiss Brothers farm west of Muenster. The machine was sold on February 3 by the Gainesville Farm Machinery Co., with the assistance of their local representative, Edgar Pette.

While J. P. Fisch is getting along nicely at the Medical Arts Hospital in Dallas following an emergency operation early last week, his wife is suffering with a bad attack of influenza here. Being over the worst part of her sick spell she is now resting easy and slowly recovering.

Alphonse Hoehnig returned Saturday from a month's visit with relatives and friends at Seneca, Kans. While there he was the guest of Ed and Joe Koelzer. Before coming back Alphonse visited briefly with other relatives in Atchison, Kans., St. Joseph, Mo., and Lincoln, Neb.

John Wieler was in Dallas last Saturday attending to business affairs in connection with his Magnolia agency here. Before returning he spent a short time visiting with his sister, Catherine, who is on the St. Paul's Sanitarium nurses' staff.

**Joe Schmitz**  
Agent for  
State Reserve Insurance Co.  
LINDSAY, TEXAS

Since last Saturday Joe Fisher, Jr., accompanied by Henry Leubert of Myra, have been attending a special course in refrigeration at Dallas. Mr. Fisher is expected to remain the full two weeks of the course unless, as he stated, they shoot him a lot of higher mathematics that he can't keep up with.

The Walkathon contest that has been in progress at Sherman for the past two weeks was the attraction that lured Gilbert Lehnertz and "Shorty" Herr out on a motorcycle cruise last Sunday. Gilbert advises that there were still seven couples in the contest, all of them looked fagged out but determined to hang on.

SPECIAL—For only 10c, a 25-lb. sack of Bewley Chick Starter is given with each 100 baby chicks bought. Chicks from Pullorum-Typhoid tested flocks. We buy hens in exchange for chicks, hatching, feed, anything we sell, paying more than market price. GAINESVILLE HATCHERY, 411 N. Commerce St., Mrs. T. J. Clark, Phone 219. (Advertisement, 12-1f).

Ben Seyler was on the jump last week to sell one new and four used cars. John Raymond, one of the commissioners of Montague County, got a 1937 Standard two-door Plymouth Sedan. C. E. Harmon bought a '35 Plymouth Sedan; J. J. Richards of Saint Jo a '31 Chevrolet Coupe; Alois Mossburger of Lindsay a '29 Ford Coupe; and Dave Trachta a '30 Chrysler two-door Sedan.

### Linn News

Mrs. Edna Fielder spent Saturday with Mrs. Lee Griggs of Gainesville.

Mr. and Mrs. Thad Harrison and children of Bellevue, Texas, visited here Saturday.

Mr. and Mrs. George McCool and children of Muenster visited relatives here Sunday.

Joe Howton of Las Bangs, Calif., visited his mother, Mrs. Jim Howton, here last week.

Mrs. Doc Gray's father, Mr. Reeves, of Marietta, Okla., visited the Gray family last week.

Mr. and Mrs. J. P. Gordon went to Sanger Sunday to see her parents, Mr. and Mrs. T. F. Beall.

Diamond King made a trip to Nocona Thursday. He was accompanied by Mims Lewis and Selby Fielder.

Mrs. Mims Lewis spent several days last week with her mother, Mrs. Lawrence Schumacher, at Muenster.

Mrs. Mary Ellen O'Eannon and Miss Mary Woods of Gainesville visited the former's parents, Mr. and Mrs. John Coursey Sunday.

Mr. and Mrs. Price McCool returned Saturday from a week's visit with their daughter, Mrs. Clarence Hudspeth and family at Marietta, Oklahoma.

Gold was discovered at Juneau, Alaska, in 1880, but the great Klondike-Yukon rush did not begin until 1896.

### Lindsay News

Miss Louise Gieb left Wednesday for Sherman where she has accepted a position in St. Vincent's Hospital.

Bernard Schmitt and Hugo Bezner made a trip to West Texas Monday with a view to purchase farm machinery and equipment.

Mr. and Mrs. Vincent I. Wiese of Wichita Falls were guests in the home of the former's mother, Mrs. Anna Wiese, Sunday.

Mr. and Mrs. Johnnie Hoberer, accompanied by his mother, Mrs. Anna Hoberer, drove to Sherman last Tuesday for a visit with Miss Gladys Hoberer of the St. Vincent Hospital.

Mrs. Joe Bengfort has sufficiently recovered from her severe attack of influenza to be removed from the Gainesville Sanitarium to her home where she is convalescing under the care of her sister, Mrs. Theo. Neu. The change was made last Thursday.

Al Bezner and his sister, Miss Kathryn, visited in Dallas over the week end. They were accompanied home Sunday evening by their sister, Mrs. Jesse Galvin, and her baby daughter, Peggy Lou, who spent several days of this week with her parents, Mr. and Mrs. Joe Bezner.

### Myra News

Mrs. Morris is ill at the home of her grandson, M. C. Hays.

Dr. Hal Maxwell, who has been ill, is reported better at this time.

Walter Purcell of Berger visited friends in Myra over the week end.

Mrs. J. T. Biffle of Dallas visited her mother and other relatives here Saturday and Sunday.

Mrs. Clinton Tuggle visited her parents, Mr. and Mrs. Pittman, at Illinois Bend Saturday.

Oliver Dickerson of Lubbock visited in the home of Mr. and Mrs. R. L. Whiteside Sunday.

D. S. Cason of San Diego, Calif., visited his nieces, Mrs. Tommy Carthen and Mrs. Lela Brannon.

Mr. and Mrs. B. M. Williams of Fort Worth were week end guests of her mother, Mrs. J. T. Biffle, Sr.

Mr. and Mrs. Oscar Aldridge returned home Saturday from Sherman where they visited a few days with relatives.

Mrs. A. E. Parker visited last Saturday at the bedside of her son, Joe Parker, who was injured in the oil field Friday.

Miss Ellen Moore and a friend, Miss Mildred McClusky, visited Miss Moore's mother, Mrs. Sam Moore, Sunday.

Mr. and Mrs. H. L. Shean, Mr. and Mrs. H. W. Shean, all of Forestburg visited Mr. and Mrs. R. R. Whiteside Sunday.

Mr. and Mrs. Thad Harrison and family of Bellevue visited her mother, Mrs. J. T. Rosson, and other relatives Saturday.

Mr. and Mrs. Leroy Porter and daughter, Bettie Jo, visited her parents, Mr. and Mrs. John Doty of Chillicothe Sunday.

Mr. and Mrs. Bill Carter of Wichita Falls are visiting her parents, Mr. and Mrs. Bob Whiteside, and his sister, Mrs. Gallagher.

Reverend Forrester, former pas-

tor of the Myra Methodist Church, and Mrs. Forrester, who are now located at Decatur, visited friends here Monday.

Mrs. Lomax of Ennis, who has been visiting her son, John Lomax, returned home Sunday. Miss Mary Lomax of Louisville visited over the week end with her brother, John Lomax, and family.

The Woman's Missionary Society of the Baptist Church met Monday afternoon with 15 women present. Mrs. Tom Watson taught the Bible study using the second chapter of Acts for the lesson.

Mr. and Mrs. Herman Gay and son, Charles, of Throckmorton, and Mr. and Mrs. Homer Ballew and son, Roy Leon, of Ada, Okla., visited their parents, Mr. and Mrs. A. R. Andress Saturday and Sunday.

Rev. C. M. Thomas, pastor of the Baptist Church, filled both morning and evening appointments Sunday. There was special music by a quartet from Gainesville consisting of Jimmie Tabor, Welby Crow, Mr. Siegman and son.

### Visiting Friends Are Honor Guests Sunday In F. A. Wiese Home

Lindsay, Feb. 9.—Mr. and Mrs. F. A. Wiese entertained in their home with a dinner last Sunday evening at 6 o'clock, honoring Francis Schad, his sister, Miss Peggy Schad, and Leo Apple of Plainview, Minn.

The decorations were carried out in the Valentine motif and the centerpiece of the dining table which consisted of a Valentine cake repeated the color scheme of red and white.

Following the dinner the guests repaired to the living room where Mr. Wiese delighted them with a number of piano selections and led them in songs and parlor games.

Included in the guest list in addition to the honorees were Mrs. Mary Schad, Mr. and Mrs. Will Schad, Miss Lena Schad of Gainesville, Mr. and Mrs. Nick Neu, Miss Celestine Schmitz and Joe Schad.

### Sister Agnes Goes to Rhineland for Health

Sister Agnes, the daughter of Mr. and Mrs. Bernard Voth, Sr., and a teacher in the Muenster Parochial School for the last five years arrived here for a short visit last Saturday.

Since last June Sister Agnes has been at the convent in Jonesboro, Ark., taking a course preparatory to more advanced teaching. Because the climate there caused her considerable sickness superiors decided to send her to the higher altitude of Rhineland, Texas. She left last Tuesday for her new home where she will assist other sisters of her order in their teaching work.

ster Hatchery at a premium last Monday.

His complimentary remarks to folks in town were that he obtained greater satisfaction in prices for eggs, percentage of hatch, and quality of chicks at the Muenster Hatchery than any other during his experiences with poultry.

He is highly pleased with service rendered by Felix Becker, manager of the hatchery, who is qualified to blood-test, cull, and service flocks of poultry preparatory to the best standards for incubation and marketing.

### 3-Day Quilting Party Produces Masterpiece At John Eberhardt's

Mrs. John Eberhard and daughter-in-law, Mrs. Al Eberhard, were hostesses Tuesday, Wednesday and Thursday of last week to a houseful of their quilting friends. Using more than 500 yards of thread the group completed a quilt that ranks with the best in design and workmanship.

Tuesday's party consisted of Mesdames Carra Pagel, Joe Luke, Joe Kathman, Henry Barker, Clarence Wilson and J. B. Wilde. All of them returned to finish the quilt Thursday.

Those who attended Wednesday are Mesdames Anna Trachta, Lee Haverkamp, Joe Walterscheid, John Knabe, Lucille Schroeder, Henry Fleitman, Ed Eberhard, Ben Hellman and Miss Dorothy Trachta.

Muenster, Texas

### CLASS 'B'

(Continued from First Page)

ters and a beautiful long shot by Bud Hoehn just as the whistle blew ending the half. At that time Muenster was leading 10 to 9. The first quarter ended with the Eagles ahead 5 to 4.

The second half was very much a repetition of the first. The Eagles came back with a bang to score three rapid double markers for a five-point lead. Again the Sumac defense braced up to hold their opponents scoreless for the remainder of the quarter while they picked up the necessary five points to tie the count at 15 in the third frame.

In the last quarter Muenster made seven and Valley View three points. All during the second half Muenster fans were in a nervous strain about the three personal fouls hanging over Dan Renfro. However, as the game wore on and he stayed out of trouble feelings were considerably eased. Dan played the second half without a blemish.

For the Sumacs five individual heroes stood out for special mention. Renfro, as usual, led in scoring with 12 points but defensively he was the weakest of the crew. Probably the most prominent of all was young Bud Hoehn who seemed to be the center of almost every play. It was he who figured in almost half the jump plays of the game and frequently hustled to take possession of the ball after his own tip-off. He seemed to be everywhere.

Albert Hoehn played his usual consistent game with a minimum of hobbles and at the same time held Grey, one of the Eagle scoring threats, to a few long range shots. Pat Stelzer won laurels by outplaying his big opponent. And Richard Fette, while not contributing any points, did his share by holding Ward scoreless except for two charity throws and at the same time did splendid floor work.

Valley View showed a slightly better percentage on foul shots scoring four points on Muenster's eight penalties whereas the Sumacs took four points on Valley View's 10.

Preceding the final contest with their ancient rivals Muenster had little difficulty in going through the semifinals. In the opening game

**A. R. Porter**  
JEWELER  
EFFICIENT WATCH REPAIR SERVICE  
104 N. Commerce Gainesville

with Era the regulars took the floor for one quarter and then left it to the reserves who finally came out at the long end of a 36 to 13 score.

Against Myra the second string had the game to themselves as the other quintet merely remained handy for an emergency call. The game ended with the Macs leading 32-26. For once Tony's youngsters took the lion's share of the tournament as they played seven quarters while the regulars were in action for only five.

### BEZNER

(Continued from First Page)

more Federal money should be available for an extension of Cooke County's graveling program.

The next appropriation is expected to be less generous, he stated. Whereas under the former arrangement the Federal Government paid 70 per cent and the county 30 per cent, the arrangement in the next program is likely to be reversed so that the county pays 70 per cent.

A problem of deep concern to Mr. Bezner is the repairing of the old Highway 5 between Muenster and Sainst Jo. He advises that the road, although no longer considered as the highway, is still under the jurisdiction of the State Highway Department and that he has no au-

## ENDRES STORE GETS EARLY SHIPMENT OF NEW SPRING ITEMS

Regardless of thermometer readings, calendar readings, or extra wraps, winter is over and spring has arrived at the M. J. Endres store. Following closely upon the trip that Mr. and Mrs. Endres made to Dallas wholesalers last week came a new shipment of silk and cotton prints, notions, Easter decorations, and what not.

Mr. Endres states that he fully intends to carry out his part of the "trade in Muenster" slogan by offering a variety of values that Muenster buyers will be reluctant to pass up. His new line of enamelware, he feels will attract the most confirmed bargain hunter, and his prints and notions will likewise take the eye of the wary purchaser.

Getting a new line of seasonal merchandise is a quarterly occurrence at the Endres store. Ever since he first set up his business in 1914 Mr. Endres has made advance preparations for the seasons. In his earlier days that task called for a trip to Dallas by train and at least two or three days' absence from his business. Now he drives down and does all his buying in a day. The few items that come from Chicago and New York wholesalers are chosen with the assistance of traveling representatives of those companies.

The M. J. Endres store ranks as one of the most substantial business houses of Muenster. Though not the largest nor enjoying the greatest volume of business it does have an A-1 rating with all wholesalers and a reputation among patrons as a house of quality. Being himself convinced that quality products are cheaper in the long run, Mr. Endres scoffs at the modern trend of appealing to customers by price only.

"Two things are necessary to make a bargain," he says. "Quality and price should be considered together; if quality is there the more expensive item is still the cheaper." Another of his favorite quotations is, "The quality remains long after the price is forgotten."

One of the outstanding boasts of the Endres store is that no item on its shelves is more than a year old. If after a reasonable time it is discovered that a certain item does not appeal to patrons it is disposed of. Mr. Endres' policy is to get rid of the "stickers," accept a loss if necessary, but at least turn the item into cash so that it can be replaced with salable merchandise.

When returning from the Chrysler Sales School held at the Texas Hotel in Fort Worth last Tuesday Ben Seyler and John Mosman brought to Muenster its first 1937 Plymouth pick-up truck. The new machine is now on display at the Ben Seyler Motor Co.

## Overpass Builders Sell Surplus Material Here

Henry Hennigan and J. P. Flusche helped Frank Parrott Construction Co. clean up the premises after the Highway 5 overpass over the Katy tracks was completed. Mr. Hennigan bought the office building and is now tearing it down preparatory to using it in putting up new buildings on his farm.

J. P. Flusche bought the company's surplus of sand and gravel some time ago and last week hauled off the cement building intact. Joe's truck, hauling a building that would serve as a good sized garage for it created quite an impression as it rolled up Main Street.

## Mrs. Luke Is Hostess To Get-Together Club In Regular Gathering

The Get-Together Club met with Mrs. Joe Luke as hostess in her home last Wednesday, February 3. Due to bad weather conditions it was held at the home of Mrs. Luke instead of Mrs. John Klement's as had been previously announced.

The business session was conducted by Mrs. Joe Kathman, president of the club. A definite date was decided upon for the first meeting of the "Adult Health Club." All persons interested in this club were requested to meet in Dr. Myrick's office Tuesday, February 9.

The meeting was then turned over to the hostess. An enjoyable afternoon was spent in playing 42. Mrs. Joe Wilde scored high honors and Mrs. T. Walterscheid scored low. Mrs. Paul Nieball received the door prize.

A lovely luncheon was served to 20 members and three visitors: Mrs. T. Walterscheid, Miss Theresa Luke, and Mrs. John Herr.

The next meeting will be at the home of Mrs. T. S. Myrick. At that time gifts for the Tongo at the Easter Monday picnic will be made.
