It's a pleasure to extend this traditional greeting to ourselves as the Enterprise reaches its 44th anniversary. As indicated on the front of this paper, this issue is No. 1 in our 45th year of publication.

this paper, this issue is No. 1 in our 45th year of publication.

Every year we regard it as a happy coincidence that our anniversary comes on Thanksgiving day. It was not planned that way. It just happened that the first edition came off the press on Thanksgiving 1936 (Texas Centenial Year), after the Enterprise spent several weeks in getting organized.

Every year since then we have had reason to think that the date is also a very appropriate coincidence. The paper has always had much to be thankful for. First thanks are due to Almighty God for a helpful staff to get the iob done, as well as the privilege of living in a thriving community with the staff of contractions and the properties. privilege of living in a thriving community with abundant opportunities. The Enterprise sincerely appreciates its subscribers, some having been on our mailing list from the start, as well as the business people whose advertising and commercial printing have kept us in operation. And, of course, we're grateful to many friends whose news tips have helped fill our columns.

many friends whose news tips have helped fill our columns.

Our humble beginning in 1936 has another tie-in with the Thanksgiving tradition. As old timers around here clearly recall, that was a hard times era. America was still struggling with the great depression and the city's population was about 500. Cash was scarce, but fortunately prices were low. People skimped along, and so did the Enterprise.

The experience was comparable to that of our Pilgrim Fathers, who landed at Plymouth Rock in 1620. On completion of the first harvest, survivors of the original 102 passengers decided on a feast of Thanksgiving as an expression of gratitude to God. Drawing from what they had grown, enhanced with "fowle" (wild turkeys) that settlers had killed, plus five "deere" provided by friendly Indians, the Pilgrims and neighboring natives enjoyed a great feast.

But after the event condit-

feast.

But after the event conditions started to deteriorate. The Pilgrims had established a commune type of settlement, in which the colonists were clothed and fed from a common warehouse and the products of their labor went into the common warehouse. Idealistically the arrangement was fine, but human nature soon asserted itself. Industrious people ditheir part and more as lazy people loafed. Likewise young single people complained that their efforts helped to sustain the families of married men, so they started doing less. So, production dropped and food was scarce in the colony's second year.

It was then that Govenor Bradford made the decision which was to become the beginning of America's greatness. He discontinued the commune system and decreed that thereafter the colony would be divided among the settlers who would have the right to land and property as well as the production therefrom.

That change turned the

and property as well as the production therefrom.

That change turned the economy around. When people realized they were working for themselves, the industrious ones got ambitious. Meanwhile others, realizing they could no longer live off the public's supply, decided to work so that they could eat.

Public reaction was predictable. One element, thinking the others owed them a living, complained loudly. The other element, appreciating the opportunity

"Together We Build" Campaign A Big Success

By Teresa Rainwater
This Thanksgiving, the
Muenster First Baptist
Church, with Rev. Keith
Thomas as its pastor, has
many blessings to count,
namely the realization of its
plans and prayers in the
form of a new place of worship to be constructed in the
near future.

At the Building Fund
Banquet, Saturday, November 22, in the Public School
Cafeteria, it was announced
that 15 families of the 46
family member

that 15 families of the 46 family member congregation had made pledges to the building campaign totalling \$90,636. The amount needed for the first phase of the building project is \$100,000.

The immediate objective is to raise \$100,000 over a 3 year period by pledges from the membership. By meeting this goal, the savings in interest (for a 3 year period in-

stead of 30 year financing) would be over \$400,000.

Members of the Muenster First Baptist Church have pulled together and shown their serious desire to meet that objective. With 65% of the membership left to make their pledges, there is no doubt that the \$100,000 goal can be reached, for the first phase of the building program. The second phase will require approximately \$40,000 to remodel the present auditorium.

The "Together We Build" campaign for the new worship center began October, 26, 1980. The canvass for the remaining pledges began, Sunday, November 23. If the \$100,000 goal for the first phase of the project is exceeded, immediate plans to implement the second phase, the remodeling of the present auditorium, will get

underway.

At the building fund banquet, the invocation was given by Robert Russell, campaign director. After the meal, Rev. Keith Thomas introduced the program and its speakers. Mrs. Cindy Russell gave a brief history of Muenster's Baptist Church of which she has been a member since her childhood. It was the first Protestant church in the history of Muenster, named the Bible Baptist Church, established in October, 1941 and attended by 19 people. Services were held then in the old public school.

In October 1943, the Bible Baptist Church of Muenster, Texas was incorporated by the trustees of the church; J.P. Parker, J.D. Cook, J.B. Cason, G.C. Gallaher, and H.T. Pierce. The same month, the members of the Baptist congregation pur-

formerly used as a bar located on West Highway 82. It was moved to the church's present location when purchased from Buddy Bernauer. It had no interior walls, and Sunday school rooms were partitioned with curtains. The first services in their newly obtained building were held on Thanksgiving 1943.

With most of the work done by the church members, the present church was constructed in 1951. In 1979, Rev. Keith Thomas became the pastor of Muenster's First Baptist Church. During the past year, the church has experienced tremendous growth and became in need of more space for its increasing membership. Recently, Andy Cherry became the church's first associate pastor in charge of music and youth. At the banquet, Mr. Cherry sang two inspirational songs, "19cus Is The Cornerstone" and "The King is Coming".

Larry Tisdale spoke about the reasons for the new building expansion relating the biggest need is for the youth of the church and the anticipated future growth. The new Sunday school rooms will take the place of much crowded rooms now used, and a Fellowship Hall will be constructed and used for the youth of the church for after football game get togethers and other community affairs.

David Lively, promotion director, discussed the two phase plan of the building project which is first, to construct new Sunday

project which is first, to construct new Sunday school space and secondly, to remodel the present auditorium. The new facility will have a total of 7030 square feet including the new Sunday school rooms, restrooms, the pastor's study, Church office and the Continued on Page 3....

All's Ready for **Alumni Bruises**

Friday is the night for a bunch of Tiger football players who will meet for the purpose of giving and taking bruises. The occasion is the annual Alumni game to be played Friday at 7:30 on the Sacred Heart field.

Rumpy Hess, coordinator of the contest, said every effort is being made to make it an interesting game. As players reportd their abilities and experience were considered in assigning them so the teams would be as evenly matched as possible.

Hess added there's room for more and anyone interested in getting on the lineup is invited to phone him.

Hornets, Tournament Champs

Muenster High Hornets made a great start in their basketball season by winning the champ trophy at the Callisburg tournament last weekend. Furthermore they were extra busy. Two of their four consecutive victories were won in overtime and another by a margin of 2 points.

An added honor for the team was selection of Ricky Winn for all-tournament, a distinction which he shares with Monte Endres of Sacred Heart and Willie Sandusky of Forestburg.

MHS started with a 46-44

overtime decision over Collinsville. The second game was less of a strain, 52-36 over Callisburg. The game with Sacred Heart went to the final whistle for the 39-37 win. And in the champ final MHS nudged Forestburg 41-40 in another overtime thriller.

The Hornettes broke even in their department of the tournament. After a 35-15 loss to Collinsville they were in the consolation bracket where they downed Gunter 41-22 and Goldburg 38-16 before losing 22-15 to Aubrey in the consolation final and earned a rating of No. 4 for the tourney.

Parish Observes Thanksgiving

Thanksgiving Day in Sacred Heart Parish will be observed with religious ceremony followed by an all day social event.

It begins in church with a special Thanksgiving Mass which has become a tradition in recent years. The usual service will be enhanced by participation of a number of parishioners in a liturgy of presenting offertory gifts symbolizing spiritual and material blessings received by the area. The service begins at 10 a.m.

At 11 a.m., about the time the service closes, the annual parish feast will be served in Sacred Heart Community Center. It's menu features

turkey and dressing along with sausage, potatoes, gravy, green beans, kraut, cranberry sauce, rolls, butter, pie, coffee and tea. The dinner foods are mostly donated and proceeds from it, as well as other picnic activity, will go to the benefit of parish projects. The dinner ticket charge is \$3.50 per adult and \$2.00 per child.

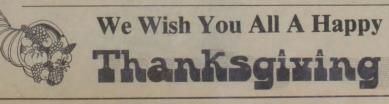

Other attractions are pic-

It remains to be seen whether
this apparent new Christian

become powerful enough to put
God back in government, or
whether it will be a "flash in the

determined by the courage and

by the leaders of The Roundtable sponsoring umbrella

Political action requires both
courage and commitment in the

take a great deal of dedication
for these good Christian leaders
to accept controversy; this
fear of controversy is
the condition that inevitably
arises whenever falsehood is

It didn't take long for controversy to erupt as the
National Affairs Briefing was

Such patent falsehoods will be

Christian conservatives are

His commitment to morality was obvious as Reagan made repeated statements such as, "I'm told that throughout history, man has adopted about 4 billion laws — but it has always seemed to me that in all that time, we haven't improved on the Ten Commandments."

Reagan stated that traditional moral values are the foundation of freedom and that the First Amendment was written to protect those moral values from government. He said that the eyes of all mankind are still on us, "We have God's promise," he continued, "that if we turn to Him and ask His help, we shall have it."

Free Enterprise Thanksgiving

Editor's Note: The following article is taken from the newsletter of this district's former congressman, Omar Burleson, dated Nov. 23, THANKSGIVING FEAST 1967. It presents information not generally known about our Thanksgiving and hopelessly low morale. "So our economic history.

THE COMING OF THE PILGRIMS TO THE NEW ENGLAND coast in 1620 forms a glamorous chapter in American history, although it marked the first socialist settlement in settlement

although it marked the massocialist settlement in America.

LITTLE NOTICE, AND MORE OFTEN IGNORED, is that this experiment in socialsim failed within three years, and for their very survival, the Pilgrims had to turn to what we know as the free enterprise system. This valuable lesson should be more emphasized in all places when we pay tribute to these sturdy people who were seeking new freedoms.

BEFORE LANDING, THE PILGRIMS entered into what we know as the Mayflower Compact. Under this agreement, Plymouth was set up as a share-the-wealth community. Nobody owned anything. Whatever was produced belonged to the community as a whole. They called this system "the commone course and condition." They lived under this system from the desperate disease-ridden first winter of 1620-21 until the hungry is system from the desperate disease-ridden first winter of 1620-21 until the hungry spring of 1623. Then they changed to private enterprise. Why? The answer is written by William Bradford, one of the leading original Pilgrims and second Governor of Plymouth Colony, entitled, "Of Plimoth Plantation."

THE PILGRIMS WERE NOT LONG UNDER THIS "commone course and con-

INSTEAD OF A THANKSGIVING FEAST in the fall of 1622, there was literal starvation and hopelessly low morale. "So they begane to thinke how they might raise as much corne as they could...that they might not still thus languish in misere. At last, after much debate of things, the governor gave way that they should set corne every man for his own perticular...And so assigned to every family a parcell of land...This had very good success for it made all hands very industrious, so as much very industrious, so as much more corne was planted than other waise would have

THE PILGRIMS OF-FERED THANKS for deliverance from socialism with a great Thanksgiving feast in the fall of 1623.

SOME PEOPLE STILL HAVE THE IDEA, as Bradford said, "That the taking away of propertie, and bringing in communitie into a commone wealth

would make them happy and flourishing."

SOCIALISM HAD BEEN TRIED MANY times before the Plymouth Colony. It has been tried many times since, and has failed. It is destined to fail because it violates fundamentals and moral laws that simply will not be violated.

The most obvious problems are renewed accelerations of the inflation rate and interest rates. It is essential that action to address these problems be swift and decisive. Further, I believe that controlling inflation is the key to curing most of our economic ills.

To a very large degree, for instance, our unemployment problems stem from inflation in past years. The recession which caused the high unemployment levels to have experienced this year resulted from misguided attempts to control inflation.

The idea behind this method for controlling inflation is

that if people are thrown out of work, their loss of income reduces the demand for goods and services, and thus lessens

reduces the demand for goods and services, and thus lessens upward pressure on prices. This approach is very expensive, both in terms of its effect on the economy, and in terms of human suffering.

An approach which shows promise of working, and benefitting all, is one called "supply-side economics." The basic idea is to encourage business to invest in new plants and equipment — creating jobs and more goods and services — and to encourage people to save. Savings provide a pool of funds for businesses to borrow when they decide to invest. The bigger the pool, the more likely

decide to invest. The bigger the pool, the more likely interest rates are to go down.

When inflation rates are high, people are reluctant to save because their saved money is worth less and less. In fact, it is rational for people to borrow rather than save, because loans will be repaid in dollars which are worth less than those borrowed.

than those borrowed.

But when people fail to save because of this inflation psychology, there is less money available for business and government to borrow. This means greater competition for available money, and rising interest rates. Government deficits create still more pressure on interest rates because heavy covernment borrowing takes more and more from the heavy government borrowing takes more and more from the available amount:

Continuing the vicious cycle, when interest rates are

Continuing the vicious cycle, when interest rates are high, business is discouraged from borrowing money to invest in expansion. Ill-conceived environmental and safety regulations raise the cost of expansion still more. So business doesn't invest, and factories get older and more inefficient, sending the cost of goods produced higher.

The key to breaking this spiral is to make savings by individuals — and investing by business — the rational thing to do. This end can be accomblished by making changes in the tax and regulatory environment. These changes must, however, be accompanied by genuine reductions in the level of federal deficits and levels of government spending.

government spending.

The first effect of these reductions would be to ease inflationary pressures. But equally important is the clear signal these changes would be to the American people that the government is determined to live within its means and combat inflation. This should act to reduce expectations of future inflation and thereby encurage saying. future inflation, and thereby encourage saving

Dr. Tisdale concluded by saying he had never known of another church to go so far above its estimated capabilities, and with only 35% of the pledges in, it is indeed a remarkable effort.

Jerry Stinson gave the banquet benediction. Co-chairmen of the banquet were Mrs. Jo Carol Stinson and Mrs. Rita Russell. The hostess committee was Gwen Powell, Cassie Lawson, Leta McDaniel and Inez Sparkman. David Lively was in charge of publicity.

During the banquet, a party was held at the First

Baptist Church for the children up to 8 years of age. Vicki Boaz and Robyn Tuggle were in charge, with Rita, Donna and Jill Walterscheid, Rene and Kristie Stelzer taking care of the children, showing filmstrips, play acting and singing songs.

The steering committee for the building project include Rev. Keith Thomas, Jo Carol Stinson, Sheri Robison, Rita Russell, Carol Dyer, Larry Tisdale, David Lively, Eddie Ramsey, Jim Robison, Joe Powell, Robert Russell, and Dr. Tisdale as the building consultant.

Tisdale as the building consultant.

The new worship center will meet the needs of the future growth and expansion of the church with adequate space and facilities for educational programs.

With the "Victory" goal of \$50,00 already pledged; the \$75,000 "Challenge" goal already met, and the \$100,000 "Hallelujah" goal almost reached with canvassing just underway, the campaign is a tremendous success and displays a noteworthy achievement and extraordinary strength by Muenster's Baptist congregation.

Bake Sale Will Be Held Friday, Dec.5

The annual pre-Christmas bake sale sponsored by the Sacred Heart Home School Society will be held Friday, December 5, from 8 a.m. to 5 p.m. in the entrance to the Sacred Heart Community Center.

Among goodies to be of-fered are sweet rolls, candy, Christmas breads, Christ-

fered are sweet rolls, candy, Christmas breads, Christmas cookies, pies and strudel.

Women are asked to bring several items either to the sale or to send packaged items with the children the morning of the sale.

Donations of pecans, eggs, apples, flour or sugar are needed and will be appreciated by volunteers who will be baking at school, to increase the supply of goodies. Donations may be made by notifying Mrs. Claude Bayer, 759-2740 or Mrs. Roger Taylor, 759-4252. Volunteers are also needed to help with the extra baking.

39 Cub Scouts Attend Turkey Shoot

NOVEMBER 28, 1980

The annual Cub Scout Turkey Shoot had a good turnout in spite of the misty, cold weather on Sunday, November 23 at Muenster City Park. Muenster Pack 669, Lindsay Pack 640 and Saint Jo Pack 110 had an enjoyable time thanks to the resourceful efforts of Ken Fette and Scoutmaster, Waylen Poole who helped by putting up a canvas backdrop to accommodate the targets and built a target range for 8, 9 and 10 year olds.

A total of 39 cub scouts

olds.

A total of 39 cub scouts participated; 24 from Muenster Pack. While some cubs were taking turns at shooting, the others were divided into two small groups, one hearing a talk on gun safety. The other playing games and singing

songs with Jr. Scoutmaster John Walterscheid and Den Chief Michael Fette. The final award presen-tation of turkeys was held at the VFW Hall. Marshall Smith was the 8 year old winner; Chris Klement, the 9 year old winner; Michael Pagel, the 10 year old win-ner.

ner.
From the Lindsay pack, the turkey winner was Tim Neu, and the winners from the Saint Jo pack were Tony Aciena, Steve Morris, Bryan Hurd, and Gilbert Keck. The score keepers were Shirley Weems, Jean Park, JoAnn Pagel Joan Covington and Rosalia Reiter.

Reiter.

Cubmaster from Lindsay,
Dusty Cullum, and cub
master from Saint Jo, Billy
Morris, assisted throughout
the event.

Muenster's Cubs are still in need of a cubmaster. The parent meeting to chose a cubmaster that had been planned by Linda Odom, district executive of the Fort Worth Boy Scout office, to take place during the turkey shoot, was met with poor attendence.

Parents of the cubs are urged to take a more supportive role in Muenster's scouting program, and anyone interested in taking the job of cub master will be greatly be appreciated.

Refreshments were served at the VFW Hall by Den I of Muenster Cub pack and patches were awarded to all cubs who participated.

Charles Koesler Weds Doris Clark

In a setting of floral arrangements in autumn colors, lighted candles on the altar and tall floor candelabra with tapers, the wedding of Doris Ann Clark and Charles Anthony Koesler was held in Sacred Heart Church on Saturday, November 22 at 2 p.m. Father Stephen Eckart was celebrant and officiated for the double ring ceremony and Nuptial Mass.

The bride is the daughter

the double ring ceremony and Nuptial Mass.

The bride is the daughter of Mrs. Bobbie Fette; she is a graduate of Muenster Public High School and is employed as a receptionist at Mathews Photographers. The groom is the son of Mr. and Mrs. Tony Koesler; he is a graduate of Sacred Heart High School and Cooke County College and is employed by Trumter Petco Co.

Presented at the altar by her uncle, Charlie James of Monahans, Texas, the bride was wearing a formal gown of organza and Chantilly lace in an ivory tone. It was

designed with a fitted bodice overlaid with lace accented with tiny seed pearls. It featured a Queen Anne neckline and bishop sleeves of lace held at the wrist with a wide banding of matching lace. The three tiered skirt of organza belled over taffeta was edged with wide banding of Chantilly lace on each tier and hemline with the look of a full skirt flowing softly to the back, releasing a full cathedral train. Her fingertip veil of imported illusion and Alencon lace fell from a caplet of lace and was completely edged in matching lace.

In keeping with tradition she wore her grandmother's wedding band, borrowed diamond earrings from Debbie Hess and carried a rosary, a gift from the groom.

Her bridal flowers were silk roses in muted autumn

honor. Tigers trailed 11-9 in the first period and took a 24-23 lead at the half. In the third they fell back to 35-32 and tied at 42 three minutes before the end. However the 3 points made after that were all Alvord's and SH had to settle for a 45-42 loss. Endres led the scorers with 13, Herr added 10 and Troy Wolf made 9 (plus 15 rebounds), Bednorz hit 6 and Fuhrman 4. Tigerettes opened their participation with a decisive 36-15 win over Goldburg for a place in the champ bracket. Virginia Bartush scored 8, Tammy Henscheid added 8, Carol Walterscheid 1, Nancy Sicking 4, Angie Bartush 4, Shannon Fleitman 2, Laurie Endres 2 and Shellie Walterscheid 1. Next they encountered Callisburg and started with a 10-6 first period lead but trailed 18-14 and 26-22 at

Next they encountered Callisburg and started with a 10-6 first period lead but trailed 18-14 and 26-22 at the second and third. Opening the fourth they came out afire and promptly tied the game at 26-26, but Callisburg jumped ahead again and roared to a 42-31 final lead. Again a contributing factor in the loss was a sad 7 of 23 free throw record. Point makers were Henscheid 8, Carol Walterscheid 6, Virginia Bartush 5, Susan Walterscheid 4, Anne Felderhoff 3, Nancy Sicking 3, Shellie Walterscheid 1.

Like the Tigers, the Tigerstes had a chance at the No. 3 honor by playing Oliva, which also lost its first try in the champ bracket. Celina gained through three periods by counts of 12-8, 22-11, and 31-17. Then the Tigerettes hit a hot streak and took up slack, and actually moved ahead 38-37 near the end. However they failed to keep going and Celina gained 4 more for its 41-38 win.

Point makers were Felderhoff 10, Henscheid 8, Susan Walterscheid 3, Nancy Sicking 2, Virginia Bartush 1.

SH Teams Win 2 of 6 in Tournament

Sacred Heart's Tigers and Sacred Heart's ligers and Tigerettes were the tough luck teams at Callisburg's basketball tournament last weekend. Each lost two out of three contests, however both were turned back by close scores

close scores.

A special pleasure was the selection of Monte Endres as a member of the all tournament team. Area players who shared the honor with him were Ricky Winn of Muenster and Sandusky of

Forestburg.

The Tigers earned a spot in the champ bracket by rolling over Goldburg 61-33.

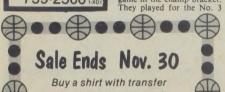

Brian Bednorz led the scoring with 28 as Monte Endres got 21, plus 14 rebounds, and Gene Fuhrman hit 6, Neil Hesse 2, T.J.

Walterscheid 2, Gene Haverkamp 1 and Jamie Moster 1.

Moster 1.

Their next opponents were the MHS Hornets.
They started with a 9-6 first period lead and trailed 17-16 and 25-21 in the second and third, then gained but not enough near the end. The loss was 39-37, principally because of missing 10 of 19 free throws. Tiger scorers were Brian Herr 12, Bednorz 8, Endres 6, Troy Wolf 6, Fuhrman 4, G. Walterscheid 1.

Next action was with Aubrey, also loser of its first game in the champ bracket. They played for the No. 3

Moderate Weather

Moisture has been scarce and temperature moderate during the past week while forecasts predict that West Texas snow can be expected to move into the area but also clear away for Thanksgiving. Low and high temperatures of the week were recorded as follows by Steve Moster. Nov. 20, 33 and 58; Nov. 21, 37 and 57; Nov. 22, 42 and 50; Nov. 23, 49 and 50; Nov. 24, 40 and 50; Nov. 25, 32 and 47. Moisture readings of the week were .26 on Sunday and .03 on Monday. Combined with the previous measure it makes 1.30 for November and 25.41 inches for the year. This is about 10 inches below the normal measure for a year. Moisture has been scarce

SHWins 2 of 3 with Callisburg

Sacred Heart teams were winners in two out of three games Monday night with Callisburg in the local gym. Junior Varsity girls were at the happy end of 21-16 and the Tigers won theirs 56-41. Tigerettes were the losers by a count of 52-36. The Sacred Heart boys now have a 2-2 record and the girls have 1-3.

Tigers gained steadily in

all periods by scores of 14-10, 26-23, 40-31 and 56-41 as Monte Endres headed the effort with 18 points, 8 assists and 13 rebounds. Troy Wolf added 8 along with a super floor job, Brian Bednorz hit 14, Brian Heri 8, Gene Fuhrmann 4, and Greg Walterscheid 4. MHS Wins 1 Loses 2 at Aubrey

Muenster High's trip to Aubrey was disappointing Monday night as both var-sity teams went down in defeat and the junior varsity

defeat and the junior varsity boys barely won.

The youngsters game turned out to be the main event of the night with Muenster taking an 11-8 first quarter lead and trailing 24-16 at the half and 28-27 the third period and regaining the lead 41-39 at the end. Wayne Carroll scored 12, Billy Grewing 10, Steven Fisher 8, Garland Tate 7 and Kelly Nance 4.

Garland Tate 7 and Kelly Nance 4.

Aubrey girls ran away with the varsity game by leads of 7-6, 14-7, 25-14 and 37-19 ending the four periods. MHS scorers were Carla Walterscheid 6, Stephanie Richey 5, Kyla Hale 4, Sandy Wimmer 2, Connie Lutkenhaus 2.

The Hornets, struggling along with a record of only 20% on shots from the field trailed by scores of 22-7 and 42-18 the first two periods. Another problem was a double guard on Ricky Report Your News

rered suggestions on dialect and casting.
Students who attended were Lyle Huchton, Rene Stelzer, Traci Sawyer, and Terri Edmonds. These students are involved in a one-act play at M.H.S.

The play, entitled "Louder, I Can't Hear You", is about a woman whose family does not listen to her any more.

The actors are as follows:
Rene Stelzer as Marge, the mother; Traci Sawyer as Ann, the daughter; Lyle Huchton as Oscar, the father; Jeff Fisher, the son; Carol Klement as the nurse, and Brent McElreath as the doctor.

The backstage helpers were Charles Boucher, Denise Sicking, Greg Luke, Charlotte Fleitman, Dora Sicking and Terri Edmonds with Martha Koesler as the director.

CCD Senior Class Observes Bible Week

In observance of National bible Week, the senior class of CCD students and their teacher, Mrs. Pam Fette participated in a special liturgy during the Mass Wednesday evening.

Ricky Winn gave the introduction and explained the theme. The senior class welcome National Bible Week as it enables the people of our country, regardless of creed, race or color, to respond to the inspired Word of God.

All seniors were in the entrance procession, carrying the Bibles they are studying in class and placing them on the altar. During the Mass, Father Denis, celebrant blessed the Bibles with holy water.

water.

The liturgy of the Word was read by Steve Luke; the second reading by Larry Fleitman and the Alleluia by Judy Dittfurth.

The reconstroid water many the second reading by Larry Fleitman and the Alleluia by Judy Dittfurth.

The responsorial psalm was a unison reading by the senior class. After each

reading, parishioners were asked to meditate on the Word of God.

In his homily, Father Denis mentioned that the Bible tops the all-time, best seller list. He spoke of the Bible as a source of stability in this changing world and urged all to read and meditate on at least a few lines daily. He recalled that he has read the Bible several times from cover to cover times from cover to cover and each time finds something new and

something new and refreshing.

The prayers of the faithful and general intercessions were read by Father Denis with the opening and closing prayers. Petitions were given by Carol Klement, John Walterscheid and Benji Luke and Offertory gifts were carried to the altar by Betty Luttmer and Charles Lutkenhaus.

Congregational singing during Mass was accompanied by guitars and organ music.

Children held party Saturday night at First Baptist Church while parents attended building fund banquet.

Confetti.... year's harvest was the boun-tiful one.

Here's a bit of history which isn't known to a lot of people in our time. For the last half century America has been living under the liberal philosophy, based on a glorified version of the Plymouth system. In it one element provides for all including the non producers who also get theirs from the common warehouse. Methods are more complex but the basic socialistic principle still retains much of the 1620 program. 1620 program.

This suggests one of many reasons why America should be happier on this Thanksgiving 1980. The election is said to have given election is said to have given our government a mandate to turn from its half century of liberalism and start working toward traditional conservatism. America wants less welfarism, less bossing by big government, less fraud, corruption, waste, crime, immorality, and more concern for individual and national progress.

We think, we hope, this is a happier Thanksgiving than America has had for many
