In these times of high interest in sports parents often find themselves wondering when a child is ready to partake in them. The subject is considered in an article by Dr. Johan Eric Kasselheim in the June issue of Journal of Sports, Medicine and Athletic Science.

He begins by saying that eastern bloc nations have a program of testing pre-school children to determine traits indicating potential athletic ability. Those who fit into a pre-determined sports profile are then directed toward athletic areas in which they are most likely to succeed. The doctor then observes that the system, though giving some indication of physical aptitude, does not indicate psychological aptitude and can possibly lead to a high degree of frustration causing the child to become "injury prone." It is described as a form of rebellion from being forced to participate in a sport for which the child has little or no interest.

This is a problem encountered especially in countries where sports have a bearing on politics. However it can apply also in other countries when parents and coaches exert excessive pressure on children to get involved in sports. Ambitious parents who sometimes regard their children as future olympic material may forget that childhood is supposed to be fun.

The unfortunate circumstance is often observed in a modern pee-wee sports program where parents or coaches, or both, get impatient with their less talented and/or less interested children. They make a child miserable by demanding performance beyond his ability. Or, they humiliate a child who fails to deliver up to their exaggerated wishes.

Such persons need to understand that they do a child a major disservice by subjecting him to verbal abuse while possibly also causing a disinterested or rebellious attitude increasing proneness to injury.

Another consideration is the risk of a child being burned out by a too early and unpleasant sports experience and lacking enthusiasm later when he's physically and psychologically ready to compete. Above all adults should remember that childhood is for fun. Let the little ones either stay out or play for enjoyment, but spare them the misery of pressure and verbal abuse.

A recent comment by Paul Harvey points up the fact that many of the so-called public interest groups do not really represent the public interest in their opinions or actions. Some who come under that general classification are the Civil Liberties Union, Common Cause, Consumers' Union, Environmental Defense Fund, and others. Basing his remarks on a survey of such groups by two university professors, he said they are so far to the philosophical and political left that, five-to-one they approve Castro over Reagan.

The statement reflects a sad fact that language nowadays is being grossly adulterated by the use of words and titles which are intended to disguise the real nature and motives of the organizations concerned. This applies in the daily war

Troy Berres of Muenster takes time out Tuesday to enjoy a current popular pastime while getting ready for another one. Temperatures locally which have

been consistently at or near 100 degrees have served to remind that although football season is near, there's still a lot of summer left.

Miller Lite to compete in Tyler state tourney

Miller Lite has joined the elite of slow pitch softball. It has received an invitation to compete in the Class C state tournament at Tyler during the weekend of August 12-14. The winner of this tournament will qualify to compete for the national Class C title.

Miller's Lite is the champ as well as the host of the slow pitch softball tournament here during the weekend. The team nudged First Realty of

Gainesville 9-8 for the title and had to go into an extra play-off game to decide the issue.

Following the regulation finish each of the teams had lost one game to the other, Muenster winning 8-7 and losing 21-16.

Each of the teams was rewarded with a trophy and Bowie also got one for third. Fourth place, without a prize, went to Bud Light.

Other Muenster teams that ended empty-handed were Biffle and H&W. Total participation in the tourney was

12 teams. Along with those named were Sanders Jewelry and Atchison Construction of Gainesville, Los Amigos and another team of Frisco, also Nocona and Montague.

Other tournament prizes were two bats. John Schmitz of First Realty got one as the top hitter, Brian Herr and Nick Walterscheid of Miller Lite tied for best fielder honors.

The trophy Miller Lite received is number 3 for this season. The other two were for runner-up and third place.

Vacation almost over; schools get set for opening

Summer vacation is rapidly coming to an end for students of both Muenster schools.

Superintendent Charles Coffey announced this week that the regular routine at Muenster Public School will be resumed on Tuesday August 16, meaning that

classes will start and end at the usual time and buses will run their usual routes at the usual time.

Sister Cabrini, principal at Sacred Heart, says that students there will start on August 22 with classes until noon and will have their first

full class day on the 23rd. It means that classes, buses and meals will all be back on their regular schedule on Tuesday.

Until class time, however both schools have other details to take care of. At Muenster High Eddie Green, principal asks the

seniors of 1984 to be at school on Monday, August 1, 9 a.m. to have pictures made. And all teachers are asked to report for a day of in-service duty on Monday, August 15.

Also at the public school, students of grades 9-12 who

did not pre-register are reminded to do it at least a week before opening. Early registrations are wanted for high school because extra time may be needed to get all subjects fitted into available class periods. Elementary registrations may also be made early but are not

needed until classes start. Sacred Heart likewise has registration and in-service concerns.

All students who did not register before are asked to sign up August 1, 2 or 3. All teachers are asked to report for in-service duty August 16-19.

Steady at 100

After a welcome delay of weeks, summer weather has arrived at Muenster. Temperature has topped 100 four days and there has been no rain all week. Meanwhile city water consumption, now near 700,000 gallons daily, is approaching a record, and would probably exceed the figure except for 33 shallow wells that have been running steadily for outside watering. Moisture measure now stands at 1.25 inch for July and 15.28 for the year.

ONE OF the most interesting things about any presidential election is that election's warm-up activities — you know, the ones that occur a year or two before everyone actually goes to do his or her 'civic duty.' It's just these kinds of activities that are solid proof that the next election is again underway. But then, the next election is always underway.

Texas is no exception; this state has had well more than its share of these warm-up activities in the past couple of months. Some are obvious, some not so, but they're all going to have a lasting effect on this state and the role it plays in the 1984 election. In fact, it's a pretty safe bet that this state will actually be a pivotal one when civic duty day rolls around next November.

Although Texas will host the GOP convention, the main talk across Lone Star land these days is that of the Democratic-type.

The dust has barely cleared around San Antonio since the Lynch-Ronnie party held there by the National Women's Political Caucus

not long ago, but the Democratic front-runners who did most of the roasting then are not passing up the chance to continue their steady ride on the tide started by the NWPC. And if it continues, the Mondale-Glenn battle is liable to steal more headlines than what goes on with the convention in Dallas. Most straw polls seem to have Jimmy Carter's ex-understudy Walter Mondale out in front as you read this. It's hard to say whether that's attributable to his anti-Reagan rhetoric or his shouting of such phrases as "I AM A Feminist," but nonetheless he's presently atop the Democrats' heap of hopefuls.

Not to say that Mondale's words are the only things he has going for him these days — that's far from the truth. The truth is, he has some backing from some pretty strong political figures in this state. Mondale's campaign here is being led by Railroad Commissioner Buddy Temple, and also includes the likes of San Antonio Mayor Henry Cisneros (a rather young political

leader that is not only popular, but ambitious and dynamic).

Then again, John Glenn has some strong points to his favor, too — one of which is his state leader, Lt. Gov. Bill Hobby (who may be devoting even more time to Glenn's cause now that his family has sold the Houston Post). Another feather in Glenn's cap is, quite simply, his identity. The perception some people have of John Glenn as a former Marine, astronaut and national hero certainly can't be ignored by his opponents or anyone else.

It's rather interesting and ironic that the National Women's Political Caucus held its convention in the same state as will the Republican Party. Texas has the potential for being a very important factor in the '84 election, especially so for the Republicans. But if the rhetoric and feelings from the NWPC are still lingering about San Antonio like the Ghost of Christmas Past, the pivotal state could be bad news for the Republican Party, whether Ronald Reagan runs for re-election or not.

The Owner's Manual

I WOULD LIKE to talk this week about "wisdom", a subject which I suppose we could write a book on and still not fully understand. When asked to define wisdom, many people would use such terms as knowledge, intelligence, and cleverness. Although these terms might describe a worldly wisdom, they do not begin to describe the kind of wisdom the Bible talks about, that being divine wisdom.

Whereas knowledge is the accumulation of facts, wisdom is the ability to apply God given facts to a useful and happy life. We are told that wisdom begins with the fear of the Lord. Proverbs 1:7 says, "The fear of the Lord is the beginning of knowledge; but fools despise wisdom and instruction." This fear is not that of being afraid in the sense of wanting to run away and hide, but it means reverence or respect for God.

Just as reverence for God is necessary, we can never have wisdom until we recognize our own inability. So long as we feel that we can work everything out by our own strength and knowledge, we can never know the wisdom of God. Proverbs 3:5-8 says, "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths. Be not wise in thine own eyes: fear the Lord and depart from evil. It shall be health to thy navel, and marrow to thy bones." To trust in the Lord with the whole heart also involves a submission of the whole life to Him. We often say we will ask God for help in the major decisions of life but will take care of minor matters ourselves. The advice

of Proverbs extends to all decisions. Often a choice that seems minor at the time turns out to be a life-changing crisis.

Verse seven points out that a person who thinks he knows everything cannot be taught anything, and verse eight tells us that a sense of peace and well-being comes to those who obey God's law and put their trust in him. The idea of "health to thy navel" is that life can be sound and wholesome only if it is blessed of God. Our mental outlook and our moral behavior affect our physical condition.

David confessed, "When I declared not my sin, my body wasted away through my groaning all day long" (Psalm 32:3). Stress is increased when we know we are acting contrary to God's teaching. Trust helps to dispel worry and fear, thus refreshing the bones (body).

In summary, we could say that not only is wisdom a virtue and a gift from God, but the cultivation of a reverent attitude toward God is the first step in the pursuit of wisdom. Shrewdness and/or a high I.Q. can never be a substitute for godliness.

We cannot find our own way in life. Joshua cautioned his people to follow the ark, "for you have not passed this way before" (Joshua 3:4). Each one of us daily encounter problems that we have never before faced. It is only with God's help that we can find our way to a peaceful and useful life.

And finally, we need to realize the importance in our lives of prayer and Bible study, because God does not try to hide his plans for our lives from us, but seeks to impart them through Bible study and prayer.

Dr. George S. Benson

Looking Ahead

MOST EVERYONE is aware that the major threat to world peace is post by Soviet imperialism as it follows the ideological mandates of Marxism-Leninism, which we generally refer to as Communism.

In this ideological war for control of the world the Soviets have formed Communist Parties in well over 90 countries. These national parties act as agents of International Communism and its director-state, the Soviet Union. Over the years widespread opposition to the activities of these national Communist Parties developed throughout the world. Because this alienated the public from the parties, a new tactical device was conceived in the 1930s. This was to be a Communist application of the Trojan Horse tactic of penetrating a nation by ruse. This subterfuge was to be the Communist front.

A front organization is a structure which has been formed by the Communist Party for the specific purpose of drawing non-Communists into activities which promote the objectives of the Communist Party.

By directive from Moscow

all Communist Parties all over the world were ordered to establish front organizations using and built around local issues. The names of the organizations usually identify the special issue being used for agitation purposes. Here in the United States the Communists have followed these instructions implicitly, hundreds of fronts around every conceivable issue.

To utilize the racial problem for agitational and divisive purposes the Red organized the Civil Rights Congress, the Council on African Affairs, the National Negro Congress, and dozens of other related groups.

To agitate among American ethnic groups the Communists organized the American Committee for Protection of Foreign Born, American Committee for Spanish Freedom, American Council for a Democratic Greece, American Cronation Congress, American Polish Labor Council, American Slav Congress and dozens of other ethnic fronts.

The Communists have always been very active among American Jews and organized such fronts as the American Jewish Labor Council, Jewish Culture

Society, Jewish Peoples Committee and the Jewish Peoples Fraternal Order.

No aspect of American life has been overlooked by the Reds. There were and are Communist fronts for agriculture and the farmer, for labor and workers, for all forms of entertainment, for artist, musicians and writers.

The National Lawyers Guild was formed for attorneys and "as a legal bulwark of the Communist Party, its front organizations, and controlled unions." Even the consumers were provided their own front, Consumer's National Federation. There were fronts for teachers and students. No area which presented an avenue for Communists agitation was missed.

Communists fronts cannot be identified by name. Names are chosen with care to connote sound American values. Words such as "Democratic," "Democracy," "Freedom," "Rights," "American," "Civil Rights," "Civil Liberties," and "Peoples" are frequently used in the names of Communist fronts. There are also many "Friends of" groups and fronts "to aid" Various causes.

of words waged by the Communists of Russia and their stooges over here against the people of this country. While hiding behind noble sounding words, they promote policies which are intended to undermine the American way of politics, economics and security. Proposals which appear to be presented by concerned Americans for the good of their country are originated and pushed by Soviets for the good of their own country. A similar situation applies

to America's domestic issues. Pretending to be champions of human rights, those people are more concerned with promoting socialism and immorality. They are striving to wreck free enterprise, insisting that productive people be plundered for the benefit of the poor. But they do not admit, as history has shown, that their way results in sharing poverty rather than riches. Or they insist on the freedom of choice to have an abortion but disregard an unborn child's right to life.

The hullaballo about human rights too often violates the right of others or the law of God.

With reference to the survey on the so-called public interest groups, Paul Harvey observes they are not really representative of the public. Nearly all of them consider themselves liberal whereas general population surveys indicate that only one fourth of the country is liberal.

A sampling of 157 leaders and senior staff members indicates that most believe US should adopt socialism;

94 percent of them want government to redistribute income from rich to poor; over 90 percent of them voted Democratic and only 2 percent voted for Reagan; public figures they admire most are Ralph Nader and Ted Kennedy.

Unfortunately there's more to this than just cheating in the use of words and titles. Too much of what they say and do is eagerly supported by the liberal media, which itself is at odds with the traditional American way.

I am interested in knowing more about attic fans and their effective use. At which temperatures can they provide comfort? How much can be saved by using a whole-house fan in place of air conditioning? J. E., Victoria.

Whole-house fans, also known as attic fans, are an effective alternative to conventional air conditioning systems and can provide comfort when temperatures do not exceed 85 degrees and the humidity level is not above 75 percent.

According to the American Ventilation Association, a 5-ton air conditioner uses 5000 watts of energy per hour, while the whole-house fan requires only 500 watts or 1/10 the amount of energy. This means that using the whole-house fan in place of a 5-ton air conditioning system will require 90 percent less energy. Instead of spending \$100 a month to cool with air conditioning, you could spend as little as \$10 a month using the whole-house fan instead.

I need to replace my central air conditioning system and want to buy one of the efficient models. How much can I expect to save on my cooling bill if I buy a unit with a high EER (energy efficiency ratio)? R. O., Beaumont.

The following is a chart which indicates annual savings to be incurred by increasing the EER value of air conditioning systems:

Table: Annual Savings per Ton of Air Conditioning (1 ton = 12,000 Btu per hour)

EER		
From	To	Savings
7	8	\$30
8	9	23
9	10	19
10	11	15
11	12	13

NOTE: Savings are cumulative. For example, to go from an EER of 7 to an EER of 10, the savings per ton will be \$30 + \$23 + \$19 or \$72. On a three-ton unit, the savings would be \$216 (\$72 x 3 tons) each cooling season. Based on \$0.07 per kwh for electricity and 2000 hours of cooling per season. Based on analysis of cooling patterns in Beaumont/Houston area done by Larry Degelman, Department of Architecture, Texas A&M University. Individuals should adjust the savings figures according to their own utility rates and length of cooling season.

Melvin Hess and Theresa Edmunds wed in Sacred Heart ceremony

The wedding of Teresa Edmunds and Melvin Hess was held in Sacred Heart Church in Muenster on July 16, with Father Victor Gillespie officiating for the double ring ceremony and celebrating the Nuptial Mass at 5 p.m.

The bride is the daughter of Jerry and Helen Hughes of Gainesville. She is a 1982 graduate of Muenster High School and attended Cooke County College.

The groom is the son of Mrs. Albert Hess and the late Mr. Hess. He is a 1976 graduate of Sacred Heart High School and is employed by Jimmy Jack Biffle.

The bride was given in marriage by her father, Jerry Hughes and her grandfather, Paul Fisher. For her wedding she chose a formal gown of white Chantilly lace, designed with a portrait neckline, fitted bodice and long tapered sleeves. The flared skirt of tier-on-tier Chantilly lace fell to a chapel length train.

She completed her bridal attire with a white tulle, fluted-edged picture hat. She carried a cascading bridal bouquet interlaced with a rosary belonging to her grandmother, Mrs. Paul Fisher. For sentiment and "something old," she wore the wedding ring belonging to her late great-grandmother, Mrs. Frank Kathman and for "something borrowed," she wore a diamond necklace belonging to an aunt, Linda Lev.

Attendants

Friends of the bride were her attendants, Traci Sawyer

MRS. MELVIN HESS

of Gainesville was maid of honor and Betty Luttmier of Muenster and Karen Grimes of De Soto were bridesmaids. They were identically dressed in pink taffeta, full-length gowns, and each carried a long stemmed pink rose. Their gowns were made by the bride's aunt, Ina Faye Fisher; and flowers were made by Debra Fisher and

an aunt, Rita Fisher. Tiffany Fisher, bride's cousin, was flower girl, wearing a long white dress and carrying a white basket of white, pink and blue blossoms. Sam Yosten, nephew of the groom was ring bearer. Jimmy Jack Biffle, a friend of the groom was the best man. Clarence Hess, groom's brother and Ronnie

Weinzapfel a friend were groomsmen. Timmy Schneider, Jim Koelzer, Jeff Fisher and David Flusche were ushers. Brian Kleiss, Steve Fisher, Mike Vogel and Jerry Brawner were Mass servers.

Wedding music included organ and vocal selections by Ruth Felderhoff and the bride's cousin, Eileen Fisher. Altar and pew decorations were created by Rita Fisher.

For the special liturgy, Lyle Huchton gave the First Reading; Michelle Kleiss gave the Response and Renate Hess gave the Second Reading. Eddie Hughes, bride's brother presented Offertory petitions, and the bride's god-parents an uncle and aunt Donnie Fisher and Rita Fisher presented offertory gifts at the altar.

Reception

A reception, dinner and dance followed in the Sacred Heart Community Center. Carol Watson of Gainesville and Carol Koelzer of Muenster secured guest signatures in the bride's book.

Susan Cook, Charlotte Fleitman, Carla Walterscheid and Ginny Fisher were reception assistants and cake servers. The three-tiered white wedding cake was made and decorated with double wedding bells, doves and wedding miniatures by Betty Rose Walterscheid.

Following a wedding trip to San Antonio, the couple will be at home in Muenster. The rehearsal dinner at The Center on July 10 was hosted by the groom's mother, Mrs. Albert Hess. Twenty-six guests attended.

Library adds Read-a-longs

Children will find 19 new read-a-long packets at the Muenster Public Library ready for their enjoyment. Included in the additions are Strawberry Shortcake, Sesame Street, Paddington Bear, and Charlie Brown selections, as well as Raggedy Ann and Andy, Raiders of the Lost Ark, Mother Goose, Tawny Scrawny Lion, and Fox and the Hound.

The library has received about 50 copies of the summer edition of the Consumer Information Catalog. This catalog lists booklets from almost 30 agencies of the Federal Government. And many of these are free. Titles are on how to fix your car; how to save money on food, health care, energy, and other household expenses; how to slim down and trim up; and many more interesting topics. Remember to come by the library and pick up a free catalog.

Library hours are Tuesday - 8:30 to 5:00; Wednesday - 2:30 to 5:30; Thursday - 8:30 to 5:00.

Weekend abounds in special treats

The August Fleitman children enjoyed a before-school-starts vacation recently as guests of Mrs. Fleitman's brother and wife, the Les Richardsons of Dallas.

The Richardsons took Randy, Jan and Melinda to Six Flags, to the Galleria and Valley View Malls, to Chuck E. Cheese, to the Swensen's Ice Cream Parlor and one night to the Reunion Tower. They all enjoyed sightseeing and acquiring souvenirs.

The children got to see and admire the Black Belt that Mrs. Richardson earned in her Karate class. Randy, Jan and Melinda were returned home Sunday by the Richardsons. Mrs. Fleitman served a German meal in the evening, a favorite of the Richardsons. Earlier in the week, when the Fleitmans took their children to Dallas, Mrs. Richardson, a gourmet cook, also prepared a special meal.

Personals

Mrs. Odelia Detten has returned from a ten-day visit in Amarillo with her daughter, Virginia Dillard and family. She made the trip with a nephew, Charles Detten when he was enroute from Dallas to Amarillo. Returning to Muenster, she flew first to DFW to be met by another daughter, Marilyn Farrar, who brought her home Monday evening.

Ben Luke family has reunion

All seven brothers and three sisters were together during the weekend for a reunion of the family of Ben and Mary Luke.

First to arrive from out-of-town was Father Eugene Luke of Subiaco who came Thursday. Harold and Pat Luke of Arlington, accompanied by a son and daughter-in-law, Chris and Melody Luke of Fort Worth and Mrs. Dorothy Denny of San Antonio arrived early Saturday.

Gene Luke also arrived Saturday from Holbrook, Arizona. Marianne and Al Kuhn of Houston were weekend guests of his father, Jake Kuhn in Lindsay and also attended the reunion of her brothers and sisters.

Also arriving from out-of-town to join their parents were Mary Luke, and Cheryl and Dwayne Rohmer all of Dallas; Mrs. Jim Luke and children, Carolyn Luke, and Nancy and Fray Webster all

of Bedford; and Damian Luke of Wichita Falls. They were all houseguests of parents, and attended the reunion, joining members of the Tony Luke, Bill Luke, Bernard Luke, Dan Luke, and R.N. Fette families; and the Melvin Luke, Don Hartman and Dave Fette families and Katie Herr, all of Muenster.

On Saturday the Bill Lukes hosted an afternoon of visiting, volley ball games and picture taking. A Home Mass at 7:30 p.m. celebrated by Father Eugene Luke was followed by a covered dish supper.

Most of the group returned at noon Sunday to share "left-overs" that included smoked pheasant, smoked turkey and brisket prepared by Dan Luke. Plans were begun for next year's family reunion.

Other family gatherings will be held during the week while Father Eugene is on vacation.

Sr. Ann Theodore ends vacation

Sister Ann Theodore Wiesman accompanied Joe Henry, Carolyn and Karen Walterscheid to Keller one day last week, where she was a guest of the Elmer Wiesman family. They also went to meet Gabriele Wiesman, visiting here from Germany on her first trip to the States, and Ursula Grun-

ter, visiting for a second time. Also there were Mrs. Mary Wiesman and Mr. and Mrs. Wyndell Laney, all of Fort Worth. All were supper guests in the Elmer Wiesman home. After a visit with Mrs. Mary Wiesman, Sister Ann Theodore returned to San Antonio, to Lady of the Lake Convent.

VFW Auxiliary gets 11 awards

The Ladies Auxiliary to the VFW, during their July 18 meeting, viewed certificates and pictures of awards that were presented at the state convention in Corpus Christi. Mrs. Arthur Bayer, local president, accepted the certificates and received a special award for her own outstanding report.

Recognition was given to the Auxiliary for participation in, and reporting of, the following: Voice of Democracy, Publicity and Public Relations, Loyalty Day, Buddy Poppy, Youth Activities, Safety Program, Community Activities, Americanism, Contributing to Cancer and Research Fund, Teacher Program and Membership Quota.

Members also discussed holding a Flea Market at the time of the annual Bake Sale, setting a tentative date in October.

In other business, Agnes

Hesse reported the book audit, and all in good order. Ethel Hesse gave the treasurer's report. Communications included notice of a called meeting in Farmersville; an invitation to a reception honoring State President Sallie Glass at the Holiday Inn in Texarkana on July 30; a card of thanks from Mrs. Tony Klement. Members were reminded of the District I Convention in Denton in August.

Eleanor Felderhoff won the door prize. Sue Wieler served refreshments to 18 members and Marie Herr volunteered for hostess duties in August.

Please send news of your guests to Box 190, The Muenster Enterprise, Muenster, Texas 76252. Your guests will appreciate your courtesy and your out-of-town friends will be interested in hometown news.

Brandon is 4
 Brandon Grewing, son of Donnie and Kellye Grewing celebrated his fourth birthday on Monday, July 18 with a party hosted by his parents in their home.

Preston is two
 Preston Cagle was the honoree on Saturday July 23 when his parents, Chris and Terri Cagle entertained about 40 relatives and friends for his second birthday of July 22.

Jody is five
 Jody Felderhoff celebrated his fifth birthday on Tuesday, July 5, when he was guest of honor at a picnic supper in the Muenster City Park, hosted by his parents Ross and Janet Felderhoff.

A Strawberry Shortcake theme was used in decorations, cake and many of the gifts. Refreshments of cake and punch were served after the birthday song and opening of gifts.

Attending the party were Christine's maternal grandparents, Eddie and Margie Krahl of Muenster; her paternal grandfather Richard Jordan of Gainesville; her great-grandmother Elizabeth Krahl of Gainesville. Aunts and uncles included David and Judy Krahl of Lindsay, Lisa and Steve Hughes and daughter Jennifer of Weatherford, Oklahoma; Paul and Catrenia Jordan and daughter Chasity of Gainesville; and Linda Krahl of Muenster. Donna Flanagan, a friend from Lindsay also helped celebrate.

Preceding the slumber party they went swimming; then went to see Tina Klement play ball; came home to a supper of hot dogs, fried onion rings and Cokes, followed by ice cream and birthday cake; and then camped out on the trampoline. Dyan's maternal grandmother, Mrs. Vincent Felderhoff baked and decorated the birthday cake.

Other supper guests were Mr. and Mrs. Vincent Felderhoff; Carol, Roy, Ryan and Brandon Klement; Brenda Felderhoff; Megan Hennigan; and the honoree's brothers Bradley and Greg.

A barbecue chicken supper was served to his guests, followed by dessert of birthday cake and punch. Two cakes were baked and decorated by Brandon's mother and his paternal grandmother, Mrs. Theresa Grewing. Gifts and pictures added to the happy event.

Guests included the honoree and his parents and sister Kristen. Also the grandparents, Marty Klement and Mr. and Mrs. Joe Grewing. And uncles, aunts and cousins, Mr. and Mrs. Randy Hermes and Jeffrey and Loren; Mrs. Mike Luttmere and Charlie and Jason; Linda Grewing, Mark Grewing and Billy Grewing.

A Sesame Street theme was used for party decorations and on the decorated birthday cake.

Guests played games, sang the birthday song, watched as Preston opened a variety of gifts, enjoyed cake and ice cream, picture taking and swimming. Each guest received a party bag to take home.

Special guests were his grandparents, Gene and Elsie Hoedebeck of Muenster and Hazel and Don Huffman of Saint Jo; and other relatives and friends from Gainesville, Irving, Saint Jo and Muenster.

Following supper, Jody and his guests enjoyed an hour of swimming fun. Later in the evening, he opened his gifts and then cake and ice cream were served. The birthday cake was a Big Bird baked and decorated by Betty Rose Walterscheid.

Attending were grandparents, Al and Sis Felderhoff and Arnie and Aileen Knabe; also Jody's sister Deann; and uncles and aunts Gary, Lorie, Margie and Darrell Knabe, Scott Felderhoff, and Kenny and Kim Felderhoff and children Kayla and Keith.

Personals
 Milissa Dennis, daughter of Mac and Cindy Dennis of The Colony spent the weekend with her grandparents, Mr. and Mrs. Wilfred Bindel. A day earlier she accompanied her parents and her grandmother and an aunt, Mrs. Phyllis Garcia and daughter, Laura of Lewisville to Wichita Falls. They spent the day with Guy and Lisa Bindel and son Justin and had lunch at Show Biz Pizza Parlor.

Dyan opened and displayed her gifts at the party. Pictures were made during both days.

The next day they all went to McDonald's for lunch. Dyan spent an enjoyable week at Gymnastics Camp in Denton, during the week before the party.

Also Kirk Klement, Donna Reiter and the honoree's friends and neighbors Jim and Linda Vogel and children Shaun, Misty and Tracey.

Brandon's maternal grandmother, Mrs. Marty Klement was unable to attend because she was at home caring for the honoree's great-grandmother, Mrs. Joe Haverkamp who is recovering from surgery for a broken hip.

Later in the evening Preston shared honors with his Grandfather Hoedebeck, whose birthday is July 26, and a cousin Leslie Grewing whose birthday is July 31. The third honoree, Fred Hoedebeck was unable to attend because of work and missed the observance of his July 27 birthday.

TIA members attend 'Celebrate '83'

Sixteen TIA members and adult sponsors recently attended "Celebrate '83" — a convention for Youth of the Ft. Worth Diocese. It was held July 16-17 on the North Texas State University Campus in Denton; and the Muenster group was among 350 youth and adult sponsors attending.

The groups spent the two days meeting other youth of the diocese and attending various workshops. Topics for study included communications; goals; music; games; relationships both with God and others; and

community service. Presenting the programs were diocesan youth ministry teams and also youth of the diocese.

Saturday evening they attended a banquet and dance. On Sunday the groups met again in workshops with Father Don Kimball of Santa Rosa, California. Father Kimball is executive director of Cornerstone Media.

He gave the keynote opening address of the convention, was DJ for the dance and celebrated the closing liturgy, which all agreed was the highlight of the conven-

tion. members were highly impressed and enthusiastic about ideas learned, and say they are eager to attend next year's convention.

TIA members attending were Rita Walterscheid, Sandy Taylor, Tricia Reiter, Donna Wolf, Darwin Sicking, Jana Hamilton, Carmen Daugherty, Dee Ann Walterscheid, Dolle Pagel, LeAnn Sicking, Karen Wolf and Pat and Rose Herr. Sponsors attending were Linda Knabe, Ann Poole and John Walterscheid.

Sr. Georgia and Sr. Amora have vacation in Muenster

Sister Georgia Felderhoff was a guest of her sisters, Mrs. Arnold Rohmer and Mrs. Mary Ann Walterscheid and brother Arthur Felderhoff and their families, while she vacationed in her former hometown.

She was accompanied by Sister Amora Felderhoff, both of Holy Angels Convent, who spent the week with her brother and sisters-in-law, Tony and Teresa Felderhoff and Mrs. Hubert Felderhoff and other relatives.

The Arthur Felderhoffs hosted a family gathering and dinner including the Rohmers and Walterscheids and Sister Amora on Saturday evening. Mrs. Bertha Hamric hosted a reunion of Wieler family relatives on Sunday evening; guests were Mrs. Emma Billingsley of Ardmore and son Leroy of Dallas; the Mike Newbills and three daughters and a son-in-law of Fort Worth; the Joe Roewes of Denison; the Dan Hamric family of Forestburg; the Arnold Rohmer, Norbert Walterscheid and Arthur Felderhoff families and Mrs. Sue Wieler.

Mrs. Rohmer and Sister Georgia were guests of the Olon McClendons in Irving on Tuesday; and Mrs. Arthur Felderhoff, Mrs. Hamric and Mrs. Sue Wieler took Sister Georgia to granbury for sightseeing and dinner out another day.

Sister Amora visited all her relatives informally during the week, enjoyed a restful vacation with the Tony Felderhoffs and Mrs. Hubert Felderhoff, and was a guest at a steak dinner in the Charles Felderhoff home in Lewisville. Other guests there were Tony and Teresa Felderhoff, Joe Felderhoff and Chris Pagel.

This Week's Special
Schinkenwurst
(Ham Bologna)
Is a very tasteful German luncheon meat. Schinkenwurst is made with 75% of very well selected fresh ham pieces and 25% of bologna emulsion. The ham pieces are diced in cubes and cured overnight. Then ham pieces and bologna emulsion are mixed with spices, stuffed in large casings and smoked. In some parts of Germany, people call it "beerschinken". In the Northern and northeastern part of the USA, people know it as "New England ham"! Serving suggestion: thin sliced for sandwiches, 1/2" slices fried for breakfast like ham, or finely chopped for ham salad.

Grid season near Tigers have 17 returning from last season

1983 Football for the Tigers of Sacred Heart will get under way on Monday, August 8 when slightly more than 20 youngsters will report for practice to Athletic Director Jon LeBrasseur and his assistants, Virgil Henscheid and Julian Walterscheid.

Henscheid said that after losing 13 of last year's team by graduation, he expects 17 to return from the 1982 squad plus about a half-dozen who are moving up

from junior high. He further stated that the boys will be short on weight and experience, seven being seniors, and 5 each being sophomores and juniors, also that the group includes three starters.

For the second year the Tigers will spend their pre-school practice in one-a-day instead of two-a-day sessions. The expected routine is to practice from 6 p.m. until dark, near 9 p.m., and spend about a half-hour

inside studying plays etc.

In general the boys are ready to go, Henscheid said. Most of them kept physically fit through the summer with weight lifting and roadwork. They will spend a week with uniform limited to shorts and helmets and put on the pads the second Monday. After that they have only a week to get ready for their first scrimmage August 19 at Era. A week later they will host the big Falcons of Lake Dallas in their second

scrimmage. Sacred Heart's schedule has ten games, the first five starting at 8 p.m. and the remaining games at 7:30. The list follows.

- 9-2, Nocona, there
- 9-9, Valley View, here
- 9-16, Saint Jo, here
- 9-23, Bryson, here

Hornet coaches optimistic about '83 season

In just barely more than a week, on Monday August 8, the Hornets of Muenster High will meet with Coaches Leonard Peters, Bob Gross, Charles Meurer and Alan Gustine, to get organized for their 1983 football season.

Coach Peters said Tuesday that they will have their first session at 7 a.m. on the 8th and decide then about other starting times in

the two-a-day schedule which will continue until the first class day on July 16.

Some 35 players are expected. After losing 10 by graduation, the roster has 19 remaining and has encouraging prospects in last year's eighth graders plus several others who missed last year. Most of those boys are in good physical con-

dition after spending the summer with a program of regular road work and weight lifting.

Their first taste of action will come August 19 in a scrimmage at Boyd and the next will be a week later as they host Southlake Carroll in scrimmage.

The schedule starts with three non-conference games after which the Hornets will

meet their west zone opponents of District 9-A. The list reads as follows.

- 9-2, Callisburg, here
- 9-9, Saint Jo, here
- 9-16, Windthorst, there
- 9-23, Prosper, there
- 9-30, Collinsville, here

Hornets, Tigers get low ratings

Dave Campbell's summer issue of Texas Football offers little to cheer the supporters of Muenster's two football teams. According to the ratings, the Hornets are listed as number nine in the 16-member District 9-A UIL, and the Tigers are at the bottom of the 3-member District 3-AAA of TCIL.

Membership of 9-A again includes 16 teams divided into two zones and playoffs at the end of the regular season to decide the district title. The west zone listed in the order of pre-season rating includes Valley View, Lindsay, Bells, Gunter, Muenster, Era, Collinsville and

Prosper. In the east zone are Celeste, Codd Mills, Fannindel, Savoy, Lone Oak, Cummy, Detroit and Blue Ridge.

Date given on the Muenster team shows 5 offensive and 6 defensive starters from last year's 5-4-1 team, which ended the season in third place and has hopes of improving. Key men of the teams were names as Ronnie Fisher and Neal Flusche in the backfield, and Tim Fleeman, Kevin Switzer and Brian Klement in the line.

Valley View is rated tops of the district in experience with 7 on offense and 7 on defense from last year's 7-4-

1 team. Lindsay has 4 on offense and 4 on defense from last year's 11-2 team.

In TCIL 3-AAA Notre Dame is listed as the favorite with 6 defense holdovers and 6 offense from last year's 7-2 season. Gorman is next with 7 on offense and 8 on defense from a 5-5 team.

Sacred Heart, last year's district winner, was hit hard by graduation. Remaining from the 8-2 team are 1 offensive and 2 defensive starters, and key men are listed as Neil Hesse, Troy Yosten, Jim Bartush, Ron Dangelmayr, Nick Hess, Keith Hennigan, Duane Haverkamp, Bret Walterscheid and Tim Bartel.

Knights have tough 11-2 act to follow

With high hopes of matching or topping their '82 record of 11-2, the Knights of Lindsay will settle down to hard work on Monday, August 8. According to Coach Grady Roller they will begin a two-a-day practice schedule and keep it going until the first scrimmage at Alvord on the 19th. Practice each day will start at 7:30 a.m. and 6 p.m.

Roller said he expects a

squad of 36 or 37 to report. This will include the carry-overs, after losing 9 by graduation, along with additions from the 1982 junior high. The carry-overs include 4 offensive starters and 5 defensive starters as well as several boys who were in junior varsity last year.

The Lindsay coaches have plans for another JV season and have nine games booked

at this time. They are S&S, Callisburg, Pottsboro, Valley View, Prosper, Pilot Point, Muenster, Pilot Point and Bells.

Following scrimmages with Alvord, there, on August 19 and Blue Ridge at Lindsay on the 26th, the Knights will move into their ten game schedule which starts with three non-district events, then proceed with

the west zone games of District 9-A. The schedule is listed as follows.

- 9-2, S&S, here
- 9-9, Callisburg, there
- 9-16, Pottsboro, here
- 9-23, Valley View, there
- 9-30, Prosper, here
- 10-7, Gunter, there
- 10-14, Era, here

All stars spoil perfect record for champ Rangers

After a perfect 9-0 season record, the Rangers of Muenster's Little League failed to continue in Monday night's grand finale as they were nudged 11-10 by all stars selected from other teams of the loop.

It happened in the bottom of the sixth, Curt Bayer literally stealing it from the champions. Going into the sixth inning with a 10-10 tie, he reached first base on a walk and stole second, third and home base. That ended the game because it was limited to six innings.

Pitchers were Don Boydston for the Rangers, and Shane Wimmer, Mike Pagel and Glen Swirczynski.

STOPPERS

July

Felony fugitives cost Texans millions of dollars each year and untold amounts of sorrow.

A fugitive is an individual who has an outstanding Felony Warrant for his arrest. Felonies can include such violent crimes as Murder, Rape, Armed Robbery and Aggravated Assault, along with other crimes such as Burglary, Auto Theft and the selling of Illegal Narcotics.

These fugitives may still be hiding in the same area where the crime was committed or may have fled to another city in Texas.

Wherever they are hiding, fugitives are in constant fear of being arrested and often commit more crimes to support themselves.

Because of the potential danger to citizens, the Governor's Crime Stoppers Advisory Council is focusing its efforts for the month of July on felony fugitives.

Any citizen with information concerning the whereabouts of a felony fugitive is asked to call their local Crime Stoppers program or Texas Crime Stoppers at 1-800-252-TIPS.

Cash rewards are available for information leading to the apprehension of felony fugitives. Citizens do not have to give their names, and all calls are kept strictly confidential.

Local Crime Stoppers programs and Texas Crime Stoppers also offer rewards for the arrest and felony indictment of individuals involved in other criminal activity.
