VOLUME VII

MUENSTER, TEXAS, COOKE COUNTY, FRIDAY, JULY 2, 1943

NUMBER 32

Though I can't take credit for this idea I figure it is good enough to pass on. Invest surplus money now for a grand vacation when the world settles down again. However, don't let it lie idle until then. Put it in bonds. Help Uncle Sam along for the duration and cash in at a profit when the time comes for the big splurge.

If you're more practical, save up for a farm or business — likewise after the duration. Don't spend now. First because you can't expect as much for your money, second because there's already too much in circulation.

Economists are getting worried about inflation. That's why they keep up the war bond pep talks. That's why the army is so insistent that soldiers take out allotments for bonds and insurance. All of it is part of a grand master plan to stem the rising tide of inflation.

Here's a cause that calls for public confidence, the same kind of confidence needed to prevent bank failures. There hasn't been a bank yet that could not have been saved by depositing more money, often by resisting the urge to draw out deposits. Neither will our monetary system break down if the public will have the faith to deposit its spare money instead of spending wildly in an effort to get better bargains before the crash comes.

A good rule is to spend for bare necessities and lend the rest to Uncle Sam. If everybody did it we could forget our money worries.

About soldiers' insurance, have you ever wondered how it is possible to offer such low premiums in the face of war hazards? Recent statistics clear up much of the problem. Very few soldiers are dying, that is as compared with the number who are paying in. Besides, benefit payments are scattered over several years, during which time they are earning more money for the fund.

Apparently the liquor situation is worse in Hawaii than it is in Oklahoma. Out there the price is way up and the stuff is only a few days old. Dealers admit it is slightly better than hair tonic. This reminds us of our roaring twenties when fellows gladly exchanged a five-spot for a pint as it dripped out of a backwoods still.

In Oklahoma the liquor situation is getting to be critical. The only way a person can get it is to drive to an oasis in some other state — and take the chance of being pinched on the return — or meet the exhorting demands of bootleggers. It's enough to drive a person to the water wagon.

Honorable Jap propagandist bewails the sad plight of American zoo-sooters. Says they are "strong, courageous young men". We hope the word got back to the poor misguided nincompoops. It's the only compliment they have had thus far.

What amuses us is the Jap's naive efforts to classify us Americans. He would probably tell you that a drugstore cowboy is a species of virile young man who rascals runaway cows on our city streets. To a Jap words mean exactly what they say. The poor devil just hasn't a sense of humor. He couldn't enjoy slang if he had it.

If there were nothing else on which to judge the merits of the two forces in this oriental tussle, a sense of humor would be enough. Men who can enjoy jokes and pranks and slang come a lot nearer to the basic concept of "rational" than men who derive their pleasure from torture, rape and looting. Suppose you were not otherwise interested, who would you favor in an air battle, a plane named Humble Servant of Honorable Emperor or one named Donald Duck, Dirty Gertie, or The Swooose?

Isn't it a relief to have a few days without mention of the "war" (Continued on Page 4)

## OUR BOYS WITH THE COLORS

**Ten-Day Furlough**  
Pfc. Gus Lutkenhaus of Fort Mason, San Francisco, Calif., arrived Saturday evening to spend a 10-day furlough with his parents, Mr. and Mrs. George Lutkenhaus. He is attached to a Military Police Battalion.

**Writes From Africa**  
Pvt. Joseph Hess, son of Mr. and Mrs. J.W. Hess, has written the Enterprise to report that he is just fine somewhere in North Africa and that he takes this means of getting regards and best wishes extended to all his friends, since he doesn't have time to write to each one individually. He mentioned that he has always been fortunate enough to attend church services on Sunday since he is in Africa. He and his buddies generally go to civilian churches which are beautiful old stone buildings. He added that the Enterprise reaches him regularly, though it is about a month old, but never the less it is good and newsy and much enjoyed. He concluded by saying that letters from home are most welcome and are anxiously looked forward to. His address may be secured from his parents.

**Meet In Africa**  
Letters to their parents this week from both S. Sgt. Jimmy Lehnertz and Pfc. Thomas Sicking disclose that the two Muenster boys met recently somewhere in Africa and enjoyed a pleasant visit. They are sons of Messrs. and Mesdames Joe Lehnertz and Gus Sicking. Both have been stationed in the African sector since last November and it was their first meeting. At the time of the writing, early in June, both boys were in good health, and "on the job."

**Ens. Hoehn Transferred**  
Ensign Albert Hoehn, who has just completed a special course at the Corpus Christi Naval Base, spent the weekend here with his parents, Mr. and Mrs. A.T. Hoehn, and left Monday for Tacoma, Washington, where he has been transferred. His parents and sister Miss Jane, accompanied him as far as Dallas Monday and spent the day with their daughter, Mrs. Ed Cler and family. Also spending the weekend with his parents was Pvt. Jack Hoehn of Camp Wolters.

**At Mississippi Field**  
Cpl. Anton M. Koesler, a crew chief with the army air corps mechanical personnel, was last week transferred from Long Beach Calif., following completion of a special course at Douglas Air Craft, to the Army Air Base at Grenada, Miss., his parents, Mr. and Mrs. Alphonse Koesler, have advised.

**Three-Day Pass**  
Pvt. Otto Walterscheid of Barksdale Field, Shreveport, La., spent the weekend here with his mother, Mrs. Mollie Walterscheid. He had a three-day pass. Pvt. Walterscheid is a radio operator.

**Moves Again**  
The Enterprise received the following note from Aviation Cadet Pat Stelzer Tuesday: "Hello! Moved one more time. Please send my paper to Cadet Det. 43 H, Brooks Field, San Antonio, Texas. This is a combat overseas school and a very nice place. Tell all the guys at home I said hello." He had previously been training at Goodfellow Field, San Angelo.

**Reports Improvement**  
Mr. and Mrs. H.M. Schmitz had a letter from their son, Pvt. Eugene Schmitz, Monday reporting that he is feeling better and improving but is still confined to Tournay General Hospital at Palm Springs, Calif.

**Attending Medical School**  
Sgt. Alfred Walter, son of Mr. and Mrs. John Walter, is now at Portland Oregon, attending the University of Oregon Medical School. He was last week transferred after spending several months with a medical unit at Fort Ord, Calif.

**Completes Pre-Flight Training**  
Aviation Cadet C.M. (Bud) Hoehn was one of the 176 cadets from Texas included in the latest class to complete pre-flight training for pilots at the San Antonio Aviation Cadet Center is was learned this week.

**First Furlough**  
Home for a visit for the first time since he entered the service is Cpl. Martin Klement who arrived Tuesday to spend a 15-day furlough with his parents, Mr. and Mrs. John Klement and family. He was inducted in the army in December and trained in Wyoming before being sent to Indian-town Gap, Pa.

## Tribute To Father Frowin, Muenster Pastor 24 Years

Twenty-five years ago, on July 6th, a bustling young priest hustled into Muenster to be installed as pastor. It was Father Frowin Koesler, O.S.B., who had been the enterprising leader of St. Mary's church at Windhorst, Texas, for a dozen of years.

At once he pitched into work even with pick and shovel to the astonishment of the gaping children who hurried home to announce the news.

Soon Father Frowin realized that the old frame school buildings were inadequate for the growing number of children, and he began to make plans and collect funds for the fine building which was erected from December 1924 to December 1925. He replaced the wooden sidewalks with concrete ones and with great care raised trees on the parish property. In 1927 he renovated the parish hall.

In 1938, at a general meeting of the parish, it was decided to add the twelfth grade to the high school, so that parents would no longer have to send their boys and girls away to finish. Although Fr. Frowin would have liked to wait until a suitable building could be erected, he yielded to their demand. In the emergency the present high school building was fitted for use, while the science department was located in the basement of the grade school. Its excellent science equipment is a proof of Father Frowin's far sighted generosity.

He built a large addition to the Sister's house for a commodious music department and turned their dark kitchen into an ideal, modern kitchen which the ladies lavishly furnished by a well-planned surprise kitchen shower. And who can say that the padre knew nothing about it?

As soon as the debt on the brick school house was paid, Fr. Frowin began to gather funds for the new church which he wanted to build. After the completion of that gigantic undertaking he was going to celebrate his silver jubilee as pastor of Muenster, and then resign here in order to take up work in a smaller parish. Unfortunately his health broke down before he could accomplish his heart's desire.

Many a priest has not the opportunity to do as much in a lifetime as Father Frowin crowded into his twenty-four years in Muenster alone. During the first nine years he did all his pastoral work unassisted, except when he could engage good Father Vermon for a few days each year to help out on special occasions. It would be interesting to know how many babies Father Frowin baptized, how many couples he joined in holy wedlock, and how many persons he laid to rest in God's acre. The holy Communion given and the Confessions heard by him must run into astonishing figures, but the Lord has taken count of all and the faithful priest will receive his reward, first in the consciousness of having done his duty to the utmost of his ability; second, in the firm hope that the Scripture will be fulfilled in him for "The laborer is worthy of his hire." The more he could work the happier he was, especially on Sundays. He believed in doing as much good as possible in the days of health, for he always observed that his sick parishioners grieved most because they could no longer receive the Sacraments as frequently as they wished, although Father Frowin made the rounds to all the infirm at least every first Friday and before the great feasts.

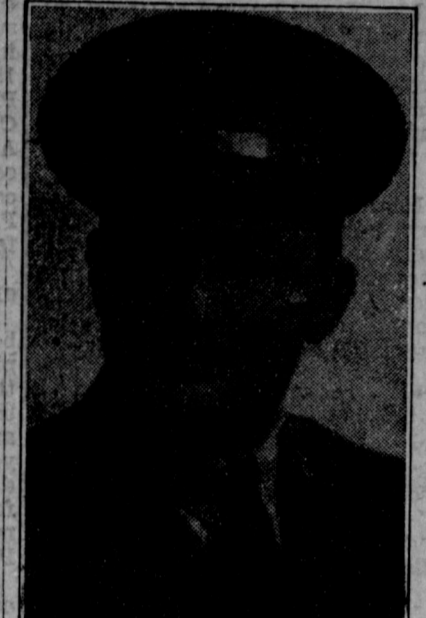

A year ago last May, Father Frowin suffered a stroke of paralysis which affected his eyes. In July the stricken pastor left Muenster quietly avoiding painful farewells. Now his head is crowned with silvery white, and his step has lost its former buoyancy, but his heart is still on fire with zeal for souls.

At present he is staying with his cousin, Dr. F.J. Hesse, 703 Holiday Street, Wichita Falls, Texas, where he has the privilege of saying Mass daily at which Dr. Hesse serves. Father Frowin prays for his many friends at Mass and he asks his friends to remember him also in their prayers. He hopes to improve in health gradually and perhaps even to do pastoral duties.

During his two recent visits to his beloved Muenster he was much consoled to see that everything is well taken care of by his successor, Rev. Father Thomas Buerger, O.S.B., and that notable improvements have been made by him on the parish property. The complete cooperation which the parish exemplifies is a proof of the good spirit that exists in the parish which was guided so prudently by Father Frowin.

In view of the 25th anniversary of his coming to Muenster these lines are devoted to him by a grateful friend.

## YOSTEN BROTHERS SERVE IN ARMY

—These brothers, Cpl. Paul Yosten, 26, and Pfc. Larry Yosten, 22, are sons of Mr. and Mrs. Robert Yosten. The former has been stationed at Camp Normoyle, San Antonio, for the past year, following his basic training at Fort Francis E. Warren, Wyoming. He is an army cook and has been in the service since October, 1941. Larry is also with the army, attached to the air corps ground personnel. He was inducted in September, 1942, and trained at several Utah and Nevada fields. He is now stationed at San Bernardino, Calif., as a truck driver. Cpl. Yosten is married and his wife, the former Miss Bernice Miller of this city, resides with him in San Antonio and is employed in a defense plant.

## ELABORATE CEREMONY MARKS OBSERVANCE OF CORPUS CHRISTI

The feast of Corpus Christi was observed here Sunday with an elaborate ceremony and procession to the two small chapels. The custom is one of long standing for the local parish. This year's procession was held in the evening, beginning at 7:30. Most of Muenster took part. A section of the Youth Band, playing sacred hymns, added to the solemnity of the occasion. Rosary was recited enroute to the two chapels east of the school where sacramental Benediction was given following recitation of a litany. Tiny girls, in white with wreaths, scattered flowers along the way, as they preceded Father Thomas, under a canopy, carrying the Eucharist.

Morning services followed the usual Sunday schedule. Church and chapels were decorated in the traditional manner with artistic arrangements of flowers, branches and streamers.

At the evening service the entire congregation joined the choir in singing a hymn for the soldiers before the procession and the Te Deum by the assemblage was the final hymn.

## LOCAL KNIGHTS AT DENISON INITIATION

Seven local Knights of Columbus and Cpl. Lehnertz, who was received into the order, attended the K of C initiation at Denison Sunday. Lehnertz was Muenster's only candidate.

Ceremonies were held at the K of C lodge and some 25 new members including a group of soldiers from Perrin Field were received into the society. All three degrees were exemplified. The class was known as the Chaplain O'Shay class in honor of Father O'Shay of Perrin Field.

Muenster Knights attending were J.W. Fisher, Jake and Jerome Page, Buddy Bernauer, Charlie Hellman, John Weiler and Joe Trachta.

## Luttner Brothers Home

Meeting for the first time since their entry in the service are Ferd Luttner, yeoman 3-C, and his brother, Pvt. Henry B. Luttner, who are together here this week visiting their parents, Mr. and Mrs. Herman Luttner and family. Ferd, who was promoted to his present rank shortly before leaving California, is on a 30-day leave. He reports for duty again on the 22 of this month. It is his first visit at home since his entry in the Navy in June, 1942. He is a gunner and has recently made two trips across the Pacific. Henry has been in the army since December and has just completed maneuvers in Louisiana. He leaves this weekend to return to Camp Gruber, Okla. The third Luttner brother in the service is Pvt. Andrew Luttner, in the army since last December, and now somewhere overseas in the S. W. Pacific.

## PRISON CAMP NOW UNDER CONSTRUCTION AT CAMP HOWZE

Construction of an internment camp to house prisoners of war of the United States government, is under way at Camp Howze, following the award of contract to the J.W. Bateson Company of Dallas by the District Engineer's office in Denison.

The contract calls for the construction of 170 frame buildings, including 100 barracks to house 30 men each. C.A. Ferrell is resident engineer supervising the project, and contract calls for completion of the camp in three months.

Contracts had previously been let for grading and drainage, underground utilities, and other construction work in the internment area at Camp Howze.

Approximately 100 carpenters will be employed on the project, the contractor recently advised the Carpenters Local at Gainesville, and most of these will be local carpenters.

The nationality of the prisoners of war to be brought to the Gainesville camp, to be held for the duration of the war, has not been disclosed.

This is the first new project initiated by the Denison District Engineers in several weeks.

Construction work is also in progress at Camp Howze on civilian employees' housing units, which will relieve to some extent, the housing shortage in Gainesville.

## PLANS ARE COMPLETE FOR ANNUAL FOURTH OF JULY PICNIC

Final plans and arrangements are complete for the annual Fourth of July picnic to be sponsored this year by the Knights of Columbus in their hall. For the first time in several years, however, there will be no dance to supplement the affair.

The picnic will be held Sunday afternoon and evening, Nick Miller, grand knight, has advised. It will get underway shortly after one o'clock and continue during the evening hours.

There will be a plentiful supply of ice cream, candy, cold drinks and other refreshments and plenty of games, including bowling for entertainment. Everybody is invited to attend.

## Weinzapfels Visit With Radioman Who Saw Their Son's Fatal Accident

Mr. and Mrs. J.M. Weinzapfel were in Cisco Tuesday to visit Raymond E. Reames, aviation raidoman first class, a survivor of the carrier Lexington, and radioman in the plane piloted by their son, the late Ensign Robert Weinzapfel, at the time of the accident that took young Weinzapfel's life. Reames gave an account of the affair telling as well as he remembered details in connection with the crash, of his own struggle in escaping and of his attempts to save his pilot.

## Relax Theatre Opens Here This Week

City's Newest Business Is A Co-operative; First Show Is Held Thursday

Muenster's newest business venture, the Relax Theatre, opened here this week and the first picture was shown Thursday evening. The first film, "Mister Big" will show again Friday night and thereafter features will change every other day with a western show on Saturday. Matinees are to be held on Saturday and Sunday afternoons and the regular nightly show will begin at 8 P.M.

The business is a co-operative of which Herbert Meurer is president and F.A. Kathman secretary. The old Wolf theatre building has undergone a thorough remodeling and redecorating program and is modern in every respect. Work on the building was finished Wednesday after more than four weeks of labor. The exterior was remodeled and painted, the interior was redecorated, new seats were installed and air conditioning added. Final installation of machinery was made Monday and tests Tuesday proved satisfactory.

F.A. Kathman has been engaged as operator. A schedule of forthcoming attractions is listed in the theatre's ad in this issue of the Enterprise.

## MONDAY RAIN TERMED IDEAL FOR CORN AND GROWING FEED CROPS

Scattered showers that fell over Muenster and vicinity Monday night are said by farmers to have been most beneficial even though threshing was halted. Precipitation varied over the sector, one-half to almost two inches being reported in various districts.

The intense heat of several days that sent thermometers over the 100 mark on Sunday and Monday was broken and the rain was ideal for corn and growing feed crops. It did not harm the grain that was waiting to be threshed. Most machines resumed activity on Wednesday afternoon and a few waited until Thursday morning. The threshing season which would normally have been concluded this weekend will be carried into next week for several days on account of the rain.

## COFFEE RATION IS INCREASED; A POUND FOR THREE WEEKS

The next two coffee rations will be on the basis of one pound in three weeks, the most liberal allowance since the beginning of rationing. The immediate past ration was one pound for four weeks and the lowest ration has been one pound for six weeks, though for the most part the one pound every five weeks prevailed.

OPA said large stocks of green coffee already on hand as well as the more regular arrival of imports with which to maintain these stocks made possible the increased ration. It cautioned, however, that smaller rations may again become necessary in the future.

Coffee stamp No. 21 in ration book No. 1 became valid for one pound on July 1 and will expire July 21. Stamp No. 22 will be valid for one pound from July 22 to August 11. Stamp No. 24 expired Wednesday.

For the first time since rationing began, OPA reported, coffee supplies have reached a normal level, with indications of sufficient imports to sustain that volume.

Other rationing reminders are: Gasoline "A" coupons No. 6, good for 4 gallons each, must last through July 21.

Sugar coupon No. 13 good for 5 pounds through August 15. Coupons No. 15 and 16 good through Oct. 31 for 5 pounds each for home canning.

Shoe stamp No. 18 (1 pair) valid through October 31. Meats, etc., Red stamps J.K.L. M.N. expired June 30. P stamp became valid June 27 and Q becomes valid July 4.

Processed foods, Blue K.L.M. continue good through July 7. N.P. and Q valid from July 1 to Aug. 7, inclusive.

## Furlough To Help On Farm

Pvt. Lawrence Sicking is at home with his parents, Mr. and Mrs. Wm. Sicking, on a 30-day furlough to assist with harvesting and threshing. He recently completed maneuvers in Louisiana and will report for duty, when he leaves here, to Camp Shelby, Miss., which will be his new station.

stance of this citation, same being the 9th day of June A.D. 1943, then and there to answer Plaintiff's Petition filed in said Court, on the 17th day of June A.D. 1943, in this cause, numbered 13823 on the docket of said court and styled Bill S. Halloway Plaintiff, vs. Opal Halloway Defendant.

A brief statement of the nature of this suit is as follows, to wit: Suit for divorce alleging that plaintiff and defendant were duly and legally married in Hidalgo County, Texas, on or about March 9, 1941, and continued to live together as husband and wife until or about February 17, 1943, at which time, due to the omissions and commissions of defendant, this plaintiff was forced to abandon said defendant. For cause of action plaintiff pleads cruel and inhuman treatment. Plaintiff would show to the Court that this marriage could not have been a happy and lasting union, in that it was a forced wedding, by reason of the pregnancy of defendant; that it was not the intention of either party to be married otherwise, and that after their said marriage defendant did not even attempt to make plaintiff a dutiful wife, but neglected him and her household duties as a wife; that a child (a boy) was born to them and is now 22 months of age; that he is now and has been making a monthly allowance for the support of this child, and to the mother and will continue to do so in the amount and at such time as may be directed by this court; that the defendant refuses to live with plaintiff, and says that she is repulsive to her, and that she does not intend to live further with him as his wife; that said marriage relations still exist, and that their further living together as husband and wife is insupportable.

Wherefore plaintiff prays the court that defendant be cited to appear and answer herein, and that he have judgement dissolving their said marriage relations, and for such other and further relief as he may be justly entitled to, either at law or in equity, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and Seal of said Court, at office in Gainesville, Texas this the 23rd day of June A.D. 1943.

Gillis Plaintiff, vs. Mareda Gillis Defendant.

A brief statement of the nature of this suit is as follows, to wit: Suit for divorce alleging that this plaintiff and defendant were duly and legally married in Calloway County, Mo., on or about the 2nd day of Oct. 1937, and continued to live together as man and wife until or about June 15, 1939, at which time defendant abandoned this plaintiff, and defendant's whereabouts, since, has remained unknown to plaintiff; that no children were born of said marriage, and there is no community property belonging to plaintiff and defendant; that the omissions and commissions and abandonment by the defendant causes their further living together insupportable. Plaintiff pleads herein abandonment under the three year statute and prays that he have judgement dissolving their said marriage, and for other relief he may be entitled to, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said court, at office in Gainesville, Texas this the 23rd day of June A.D. 1943.

Greeting: You are hereby commanded to appear before the Honorable District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 16th day of August A.D. 1943, then and there to answer Plaintiff's Petition filed in said Court, on the 8th day of March A.D. 1943, in this cause, numbered 13737 on the docket of said court and styled George H. Flora Plaintiff, vs. Dorris Flora Defendant.

A brief statement of the nature of this suit is as follows, to wit: Suit for divorce, stating that plaintiff and defendant were lawfully married in October 1941 and that said marriage relation still exists, and that one child, a girl about 18 months of age, was born of said marriage, her name being Virginia Lee; that defendant abandoned said child in Washington D.C., and that the plaintiff had to take care and custody of it, which he now has, and that defendant is a wholly improper person to have the custody of the child, and prays for its custody; that there are no property rights here-in involved.

Plaintiff alleges that soon after said marriage, the defendant began a course of cruel, harsh and unusual treatment toward this plaintiff, in that she refused to do her wifely and household duties and refused to live with plaintiff, and that this continued until about one year ago, when plaintiff and defendant separated and since which time they have not lived together as husband and wife, and that defendant has been guilty of other conduct unbecoming the wife of the plaintiff.

Whereas plaintiff prays that the defendant be cited to appear and answer herein, and that upon final hearing he have judgement dissolving said marriage relation, and for general and special relief, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and Seal of said Court, at office in Gainesville, Texas this the 29th day of June A.D. 1943.

**COOKIES FOR HOWZE  
SOLDIERS SATURDAY**

Members of the Garden Club are reminded that this weekend is the regular monthly time for making cookies to be delivered Saturday evening to the USO club rooms at Gainesville for men of Camp Howze to enjoy on July 4.

Since Mrs. Cook, chairman, is on vacation, Mrs. E.O. Teague will have charge of the finished cookies and they should be left at her home early Saturday afternoon. She will also be in charge of distributing free sugar and shortening to the ladies who bake for this purpose.

**LOCAL WOMEN ATTEND  
TEA AT GAINESVILLE**

Mesdames Joe Luke, J.B. Wilde, Ben Seyler, Jim Cook, and Miss Olivia Stock attended an informal tea given for Mrs. Martha Steinmetz at the Elm Street USO Club in Gainesville Friday afternoon. The honoree, recently arrived in Gainesville, is director of National Travelers Aid, one of the USO agencies.

Refreshments of iced tea and cake squares, bearing miniature American flags, were served to about 25 women.

**CITY YOUNGSTERS PRESENT  
ANNUAL CIRCUS SATURDAY**

City youngsters, including Jeanette, John David and Robert Meurer, Betty Lue Buckley, Margie Seyler, Bob and Lee Lytton and Jimmy Ratliff, presented their annual circus on the lawn of the Meurer home Saturday evening for a large crowd of relatives and neighbors.

Young Ratliff was master of ceremonies and also performed a number of slight of hand feats. The Lytton youngsters and Meurer boys were clowns carrying out their foolishness in a realistic manner and coming in for their share of the trapeze work. Jeanette presented a number of acrobatic stunts, and short skits, jokes and song were featured. There were also a side show and peep show. Pink lemonade and pop corn were sold and an attendance prize was awarded. It was a large chocolate cake presented to Georgia Ann Kathman. Proceeds from the affair were invested in war stamps.

**BANKING**

Through courtesy Muenster State Bank (Continued from Last Week)

Probably one of the most convenient services rendered by banks to patrons is the practice of withdrawing money by issuing checks. Little thought is given by the individual to the great amount of convenience provided him through this method of handling his business transactions. According to information available on the subject, checks came into existence back in the middle ages when merchants in Holland, for example, wanted to do business in Rome would deposit gold with their local bank and receive an order for the payment of money drawn on his representative in Rome. He would present the order upon arrival and obtain the gold, thereby providing the merchant to travel in complete safety and yet have the money available in the distant city upon arrival there to transact his business.

We can well surmise the great confusion, delays and dangers that would be involved by people, firms, stores or factories of our own community if there were no checks in use. The stores would be forced to employ armed guards and an army of messengers to carry from place to place bags of money to pay for goods and other necessary expense in the conduct of business. Likewise would the individual be compelled to visit the bank before making any purchases and carry around sufficient money to do their buying, and the bank vaults would be filled with coin, gold and paper money to meet such a demand. By the use of the check all such difficulties are avoided.

A simple illustration of the so-called personal check is where an individual orders a bank in which he has funds deposited to pay to any named individual or firm a certain amount of money to be taken from his account. The singer of the check is termed the drawer or maker, the person to whom it is given the payee, and the bank on which drawn, the drawee. In order for the payee to obtain his money, the check must be presented for payment. It may however be endorsed by the payee and handed to a third person, which in turn give such third person all rights and interests the payee originally had in or to the check.

Checks should always be carefully made out and always endorsed exactly as shown in the face of the check and never made payable to "Cash" unless withdrawals are made at the bank in which the funds are carried.

**PICTURES OF INFANTS

mail innovation will permit sending Baby's picture to Daddy at the front, provided, the regulations emphasize, the child is less than one year old and was born since Daddy went overseas.

The photograph must not occupy more than one-third of the correspondence space on regulation V-mail form. It should be pasted in the upper left-hand portion to avoid creasing when the reproduction is folded, the War Department announcement said.

**LOUISIANA VISITORS  
HONORED WITH PARTY**

Misses Josephine and Veronica Yosten were hostesses at a supper party in their home Thursday evening honoring Misses Betty Durbin and Anna Mae Coronna of New Orleans, La. The girls visited the former's brother, Pfc. J.A. Durbin, at Camp Howze last week.

Personnel of the affair included the honorees, Pfc. Durbin, Cpl. Rex Walters and Cpl. Charles Skudera of Camp Howze, Mrs. Anna Wiedemann, Frank Yosten, Henry Yosten and the hostesses.

Jimmy Slaton of Saint Jo had his tonsils removed at the Muenster clinic Friday.

on nerves? Apparently newsmen discovered that the premature invasion hints were getting on our nerves more than the enemy's. Everybody, including both allies and axis, knew that the big push could not develop so soon. It takes time to move thousands of men with tons of supplies and equipment for each one.

What's coming up will be the most stupendous mass movement of all time, perhaps before the end of this year.

While the big preparation is in progress other developments are going just like we like 'em. Incessant pounding on the enemy's production and transportation are hastening the day when he will yell kamarad. After that some more time out for preparations and Hirohito will get his medicine. He'll be begging for mercy too. Regardless of what he says, he'll lose face when he's losing his neck.

As far as Pacific action is concerned, we're not quite on schedule. What was supposed to be a holding action, to keep the Nips in check until the Nazis are polished off, has developed into a series of Yank victories more one sided than Notre Dame games used to be. Obviously the Jap pilot replacements have less skill than their predecessors. At the same time improvements in our planes are showing up. Two factors in our favor and each can become more favorable as the fight goes on.

**Garden Club Meet July 9**  
The Civic League and Garden Club will have its regular monthly meeting next Friday, July 9, in the public school at 3:15 o'clock. Garden Suggestions for July will be Mrs. J.B. Wilde's topic for the program hour and a picnic arrangement will be displayed by Mrs. Lou Wolf. Members will have on display the best varieties of vegetables from their victory gardens and prizes will be awarded for winning specimens.

**Receive Thanks For Army Kit**  
A chaplain's mass kit, consisting of 21 pieces of linen and an alb with four cinchures was recently sent from here to the Chaplains Aid Society at New York City. Mrs. Lena Streng, in charge of the work which is done by members of St. Anne's Society and other ladies of the parish, this week had a letter from headquarters expressing sincere thanks and appreciation for the lovely articles. The kit will be sent to some army chaplain for use in his work among the soldiers. This is one of several such kits the local women have completed.

Muenster women are still doing their bit to help cheer up the men at Camp Howze by taking charge of the Red Cross canteen at Gainesville every first and third Sunday. Mrs. G.H. Hellman is local chairman and has been assisted by volunteers. A special informal social with music will be featured Sunday evening when the local women take charge in observance of July 4th. Misses Kaite Mae and Mildred Walterscheid have been assisting by offering vocal and accordion selections.

Mr. and Mrs. R.E. Hinton and sons, Carl and Jimmy, left Sunday after spending several days of the past week here with Mr. and Mrs. Al Walterscheid and other relatives. They are now visiting in Kansas and will leave from there for Walla Walla, Wash., where he will be employed on a government project. Mrs. Hinton is the former Miss Regina Franken. During their stay here the younger son, Jimmy, had the misfortune of breaking his right arm when he fell from a wagon while visiting the Walterscheid farms.

Mrs. George Angerer has sent in her renewal for the Enterprise and reports that crops in the Slaton area are good so far. Farmers are well satisfied with grain prospects and are looking forward to a harvest season without hail.
