This, R.N. Fette's last column for *The Enterprise*, is typical of his deep conviction toward God and Country. This final message is printed in answer to his wishes that, no matter what, *The Enterprise* must be published without fail.

When someone combining the moral and political convictions of Religious Commentator Pat Robertson, enters public life, the country can expect him to speak on either subject. He is highly capable of making a convincing appeal on either subject.

Well, his decision does not have long to wait. He made it a matter of choice the past week by announcing his candidacy in the next presidential campaign. His statement was welcome, especially because it presents a possibility of combining more of God's message with politics. It is an expected result when someone of deep conviction in both subjects includes both in the same speeches.

This brings us back to our founding fathers. Those who wrote the Constitution and the Declaration of Independence were deeply religious and convinced that the United States could not survive without deep faith in God and a willingness to abide by His Will.

In the years since, our nation has gradually drifted away from God. Though it has paid lip service to some of the original principles, it has, in effect, justified evil by defending it as a human right. The Ten Commandments and Laws of the nation are often violated.

A current example of an evil supported by apparent justice is the enslavement of a continent while negotiating with the all-white government of South Africa. Severe sanctions are plotted presumably to force cooperation, whereas actually the purpose is to exterminate. Liberal governments along with Marxists intend to conduct the damage until pieces can be claimed by Communism. Some of our legislators are involved in the plot, but President Reagan is aware of the program and chose to stand by the intended victim.

He and Robertson can help the cause immensely by stressing the morality of the case.

The same emphasis on morality in economic and social fields can also have a good effect on politics.

There is no doubt that Pat Robertson serves God and Country in his announcement. His choice is a welcome addition to national leadership.

He loved his God, his country, his family and his home, with total dedication and commitment. When his hometown suffered, he felt its pain acutely. When good fortune smiled on Muenster, he rejoiced with its citizens.

Ramie's family

R.N. Fette best remembered by service to God and Country

R.N. Fette, founder and editor of *The Muenster Enterprise*, died Tuesday morning at his home in Muenster, while working on his column for this week's paper.

Fette was born Dec. 28, 1907 to Henry and Laura Fette of Muenster. He married Elfreda Luke on Aug. 1, 1949.

He is survived by his wife; three sons, David, of Muenster, Dan, of College Station, and Bernie, of Bryan; four grandchildren; a sister, Vina Voth of Muenster; and a brother, Jerry Fette of Waco. He was preceded in death by his parents and five brothers, Joe, Edgar,

Richard, Emmett and Herbie.

Fette earned a degree in English from St. Edward's University in Austin, and taught school in Muenster before establishing *The Enterprise*. The first issue was published on Thanksgiving Day, 1936. He edited the weekly newspaper continually from that time until his death, except for a term in military service.

Fette was drafted into the Army at the age of 36 during World War II. He entered Officers Candidate School and eventually rose to the rank of Captain. He served at Ft. Leonard Wood, Missouri; Ft. Sill,

Oklahoma; and at the Desert Training School at Indio, California.

He was a member of Sacred Heart Church and the Knights of Columbus.

Fette was also active in the Muenster Chamber of Commerce and was a former trustee of the Muenster Public Schools. He was honored as "Citizen of the Year" by the Chamber of Commerce in 1968, and received a similar honor from the Muenster Jaycees in 1978. He had also received special awards from the Muenster Public Schools and from the Muenster Boys Club, who termed him "Amator Veritatis" or "lover of truth."

Fette's opinion column, "Confetti," was a staple feature in *The Enterprise*. His conservative political philosophy served as a foundation for *The Enterprise's* policy of reporting events in the Muenster area, as well as the content of his weekly column. The same column was used by the longtime editor to thank his numerous friends for their thoughts and prayers during several hospital stays in recent years.

Those friends remember him as a person who exercised compassion, fairness and dedication in all aspects of life - as a father, husband, businessman and respected member of his church and community.

A rosary was held at 4 p.m. Wednesday at McCoy-Miller Funeral Home in Muenster, with a wake service held at 8 p.m. that evening, also at the funeral home. Funeral mass was held at 10 a.m. Thursday at Sacred Heart Church with Father Denis Soerries officiating. Burial followed in Sacred Heart Cemetery.

Pallbearers were nephews Mark Voth, Herbert Fette, Jr., Jerry Ray Fette, Jim Fette, Jim Luke and Melvin Luke.

Biffle home hit

Crime is still being probed

Over \$1,100 worth of belongings were stolen from the home of Gerald Biffle, south of Myra. The burglars entered the house through the back door Monday, sometime between 10 a.m. and 6:30 p.m.

Stolen were a microwave oven, VCR recorder/player, a 19-inch color television and a Stevens 12 gauge pump shotgun.

The burglary is still under investigation. Any information regarding the theft should be turned over to the Cooke County Sheriff's Department.

Council defines, attacks litter Ordinance passed, muscles flexed

The controversial and much discussed litter ordinance was adopted by the City Council Monday night. Only a few minor revisions were made to the originally published version. Fines for littering in Muenster are now not less than \$25.00 nor more than \$1,000.00. This ordinance was debated for four months and passed unanimously with the revisions in place.

In another trash-related matter, the council decided to add delinquent trash sack bills on to water/sewer bills to aid in collection. It seems that some residents use many more sacks than their anticipated allotment. The 35-cent-per-sack cost is high enough in some cases to merit cutting off water service if the sack charge is not paid. The average household is expected to use approximately one

bundle of sacks in three months.

Many residents of the Endres addition in southeast Muenster attended the council meeting seeking help for their street problems. Harvey Lamkin spoke for the group. "I understand that the city has flexed their muscle to cause holdouts to do their share in curbing and guttering. You've already lost several intersections and other sections of gravel. We want to know if you can help." Certain land owners in the area have not fulfilled their promises to curb their property. Other residents fear that too much delay may scuttle

their attempts to pave next year.

Councilmen agree and will notify the un-curbed that they must notify the city of their intentions within 10 days or the city may proceed in its own fashion.

Bill Sherman of the Cooke County Tax Appraisal District (TAD) visited the meeting to answer questions concerning recent notices and the budget. Recent tax notices sent out are for property not previously on tax rolls or not taxed. These bills are due in 21 days and will not have interest charged

Town hall meeting set

There will be a Town Hall Meeting Aug. 21, 1986 at the Knights of Columbus Hall in Muenster. The meeting will be held three times, 9 a.m., 12 noon and 7 p.m., with a light lunch served at noon. These arrangements have been made to insure everyone has an opportunity to attend.

The community of Muenster is at a crossroads. With the continuing devaluation of oil and the problems with agriculture, Muenster must decide what is most important to maintain the life of the community. What would help the economy of the area to prosper? What does the area need to accomplish this goal?

What does Muenster have to offer industry to encourage them to move to the area? Transportation? Work force? Easy access to commercial areas? Land at reasonable prices?

Is there a viable alternative to industry for the area? The Muenster Chamber of Commerce believes tourism is that alternative. Tourism is the second largest industry in Texas. It has a high return for each dollar spent. It is a clean dollar because there is no air, water or land pollution. It wouldn't have to disrupt the quality of life in the community. The area already has a head start with Germanfest. To make the

community attractive to tourists would not require a large amount of change. Muenster has a unique heritage with much to offer just as it is.

Authentic German sausages made "cow to table" right in this community, a German backerei with mouthwatering strudel, restaurants with delicious food serving large portions for the dollar, as well as the treasures from Germany available in shops in town are worth experiencing. The Texas hospitality coupled with German customs makes Muenster a very special place to visit or live.

The spiritual aspect of family life is an added attraction for people who travel. It is an unusual experience to find a truly "family" feeling in a community.

These and other ideas will be discussed at the Town Hall Meeting. Bring your questions, ideas and answers. Choose one of the items mentioned above and let your voice be heard.

The Muenster Chamber of Commerce wishes to put its money where the people of Muenster area want it to go. To do this, the Chamber must hear what you feel is the direction in which to go. Industry or tourism? Or perhaps, both?

Good News!

Yes, the Lord shall comfort Zion and have pity on all her ruins; Her deserts he shall make like Eden, her wasteland like the garden of the Lord; Joy and gladness shall be found in her, thanksgiving and the sound of song.

MIKE STURM, co-owner of Muenster Auto Parts, attaches the siding onto the new building going up on West Hwy. 82. Mike and Larry Gobble hope to move Muenster Auto Parts and Muffler Shop into their new location next month. The parts store covers 3,000-square feet with a 2,000-square foot muffler shop in the rear. The new building will allow for a 75 percent larger inventory. Neal Walterscheid and Steve Fette are also pictured working on the new building.

Services held Aug. 4...

Alois Anton Flusche dies Aug. 3 in Decatur hospital

Alois Anton Flusche, a native of Muenster born on Oct. 12, 1907 to community pioneers Joseph and Mary Flusche, died at Decatur Community Hospital on Aug. 3, 1986.

Rosary services were held Monday evening at 7:30 at Coker Funeral Chapel in Decatur and funeral mass was offered in Windthorst's St. Mary's Church at 11 a.m. Tuesday with Rev. Cletus Post O.S.B., long-time friend of the family, as celebrant.

At age 21 he joined his brother, Lawrence, in business in Muenster. Another brother, Conrad, joined them two years later in 1930. They operated a service station, sold cars, and farm equipment. In 1937, Flusche Brothers moved to Decatur, where Al was a mechanic for 52 years until his heart attack June 8, 1981. The brothers sold their business to James and Jerry Flusche, sons of C.M. Flusche.

The Flusche brothers were instrumental in establishing a Catholic church in Decatur in 1938. Al gave many hours and much money to the church until he became ill in March 1986. He was parish for 21 years, served on the parish board for eleven, and he was chairman of Eucharistic Ministers. He was a member of the Windthorst Knights of Columbus, and also belonged to the fourth degree of the Knights.

On Oct. 6, 1932, he married Hilda Fuhrman in Lindsay. She died May 20, 1941. On Feb. 3, 1942 he married Leona Huff at Windthorst, Texas. The wedding was officiated by Rev. Francis Zimmerer, O.S.B.

Al Flusche is survived by his wife, Leona; three sons, Arnold of Idalou, Larry of Fort Worth and Charles of Idalou; 12 grandchildren; and one great-grandchild. Also three brothers, Lawrence of Decatur, Joe of Muenster and Urban of Dallas; six sisters, Anna Henscheid, Armella Lutkenhaus and Marcella Fetsch, all of Muenster, Ida Neu of Lindsay, Magdalene Zimmerer and Marie Zimmerer, both of Gainesville; also a number of nieces and nephews. He is preceded in death by two infant daughters, Mary Kay and Virginia Louise; as well as two brothers, Conrad and Andrew.

Memorials may be made to the Building Fund of the Assumption of the Blessed Virgin Mary Catholic Church in Decatur.

Among Muenster relatives attending were J.P. and Hazel Flusche and Billy, Don and Betty Flusche, Harold and Jeanene

GREGG WILDE became Texas' youngest Chevrolet dealer on July 10. Gregg's Chevrolet, Inc. was officially signed up by E.R. Brennan, Zone Manager in the Zone Office in Dallas. In attendance were, 1 to r, Brennan, Gregg's father, Ray Wilde, P.T. Burrow, Jr., District Sales Manager, Gregg's wife, Shirley and J.L. Johnson, Sr., Assistant Zone Manager. Seated and signing up is Gregg Wilde. His brother, Dan, also signed up on the same day with Dan Wilde Motors, Inc. of Bowie.

Out-of-state companies to pay more taxes in the future

State Comptroller Bob Bullock said recently out-of-state companies operating in Texas may end up paying more than half of the taxes collected in the near future.

He said a survey of the state's 2,000 top taxpayers revealed that while there are fewer out-of-state

firms on that list, these companies are paying almost as much in total dollars in Texas businesses.

Texas firms surveyed paid the state \$975.8 million in taxes in 1985 and out-of-state firms paid \$894.8 million.

There were 1,282 Texas firms included in the survey and 718 non-Texas companies.

The figures were drawn from information in audit reports conducted by the Comptroller's office.

Bullock said the tax payments were directly related to the national economy and nationwide business operations.

"Out of the top 2,000 taxpayers in 1985, firms headquartered outside Texas paid 47.8 percent of the dollars collected and this was up 1.2 percent from the 1984 payments," Bullock said.

Correction!

An error was made in the obituary column in last week's Enterprise, concerning funeral services for Mrs. Ollie Amanda Perkins, mother of Lehnis Perkins. Her death occurred on July 1 in Summersville, West Virginia. Funeral services were held on July 3. The Enterprise regrets the error.

Three Scouts at field sports camp

Three Scouts from the Cooke County area participated in a Field Sports Camp conducted by Longhorn Council at Leonard Scout Reservation in Grandbury the week of July 20 through 26.

Douglas Evans from Muenster, Miles McColly and Robbie Hyatt of Gainesville, all First Class Scouts of Troop 659, enjoyed a week of shooting rifles, shotguns and bows and arrows. Their goal was to complete the requirements for the Rifle and Shotgun and Archery Merit Badge. All of them earned the Archery Merit Badge, but only Robbie Hyatt completed both. Forty-eight Scouts from throughout Longhorn Council attended. They were divided into patrols of 10 and were encouraged to take turns acting as Patrol Leaders. The camp concentrated on working on these two merit badges, but the Scouts were provided with "Free Time" to enjoy swimming and exploring the campground.

New imported beer being introduced in Texas stores

Distribution of Carlsberg beer and Elephant Malt Liquor from Denmark is being expanded in Texas. The products are now available through 16 additional area distributors of Anheuser-Busch beers.

The local introduction of Carlsberg comes following an announcement last fall by Anheuser-Busch, Inc., the world's largest brewer, that it had reached an agreement with United Breweries, Ltd. of Copenhagen, Denmark to import and distribute Carlsberg beer and Elephant Malt Liquor in the United States.

To ensure product freshness and quality, the Carlsberg sold in the U.S. by Anheuser-Busch is subject to a strict shelf-life policy. Packaged in six-packs of 12-ounce bottles, Carlsberg is priced comparably to other leading import beers.

Advertising for the brands in the U.S. is being handled by TBWA of New York City.

Carlsberg is the largest-selling brand in Denmark, and beers produced by United Breweries, Ltd. account for nearly 80 percent of all beer sales in that country. Carlsberg is distributed in a total of 130 countries worldwide.

Gilbert Endres Distributor, Inc. is the local distributor.

THE DAY YOUR AIR CONDITIONER BITES THE DUST COULD BE THE HAPPIEST DAY OF YOUR LIFE.

Let's face it. As dependable as your air conditioner is, it won't be around forever. And though saying goodbye isn't easy, think about it another way: if your air conditioner isn't a high-efficiency unit, you've probably been using more electricity than you should trying to keep cool.

A high-efficiency air conditioner gives you the same amount of cool air as your old unit, but uses less

electricity. And qualifying units earn a valuable rebate from the electric company. In other words, a high-efficiency air conditioner ought to be money in your pocket, any way you look at it.

Your recognized Energy Action air conditioning dealer or contractor can help you choose the best unit for you. Look on the bright side. Look into a high-efficiency air conditioner

or heat pump. Because with the electricity you'll save, the day your old air conditioner bites the dust could be the happiest day of your life.

Krahls honor Tim Raisner, exch. student

David and Judy Krahl of Lindsay recently had visitors from West Berlin, Germany. Hein and Erika Raisner and their daughter, Kim, came to visit with them and travel in the United States with their son, Tim, who has been an exchange student with the Krahls for the past year.

The Raisners went on a three-week trip to New Mexico, Nevada, Utah, Colorado, Oklahoma and Texas. They saw the Grand Canyon, Bryce Canyon in Utah, Carlsbad Caverns, Denver, and they spent a week on a houseboat on Lake Powell. They spent a day in Dallas seeing Lowe's Anatole, Reunion Tower and the Galleria. They also spent an evening at the Fort Worth Stockyards and Billy Bob's.

A farewell gathering was held at the Edward Krahls of Muenster on July 23 for the Raisners and Tim. Attending were Margie and Eddie Krahl, Joe and Viola Schmidkofer, Janet Jordan and Christie, Billie Krahl, Linda Krahl, Lisa Hennigan, Janet Deckard and Judy, David, Jonathan and Adam Krahl. The menu featured "Texas" foods such as roasted pecans and mini tacos along with other pick-up foods.

Brenda de Leon visits family for three weeks

Brenda Walterscheid de Leon returned to Santo Domingo July 14 after spending three weeks with her family, Carl and Pat Walterscheid. She came to be a bridesmaid in Renate and J.T. Pagel's wedding.

While here, she was honored with a baby shower hosted by her sisters, Staci Walterscheid and Carla Klement, cousins Shirley Endres, Deb Klement, and friend Sharon Wolf. It was held on July 8 at Carl Walterscheid's home and had a "Teddy Bear" theme. It was attended by about 30 relatives,

friends and classmates.

Brenda was also hostess of a get-together with some classmates in her parents' home on July 11. Her former classmates came for an evening of visiting and remembering. While here, Brenda enjoyed camping on Lake Texoma, visiting, shopping and eating lots of American food. On the evening of July 13, friends and family came by to say "Goodbyes." Her parents took her to DFW for her flight home to the Dominican Republic.

80th birthday...

Mrs. Joe Vogel honored

The 80th birthday of Mrs. Joe (Frances) Vogel was honored by her family with a Saturday afternoon and evening party attended by her 12 children, all but two of the 27 grandchildren and the three great-grandchildren.

Hosted by Wilfred and Lillian Walterscheid in their home on Aug. 2, the observance was held in advance of her Aug. 18 birthday, to enable all family members to be together.

A decorated birthday cake was served following a bountiful covered dish meal.

Gifts, a money tree, phone calls and cards added to the special celebration. A treasured birthday card came from Australia, sent by a grandson, Jeff Keyes, who is serving aboard the USS Enterprise.

Attending the party here were Dorothy Beyer of Gainesville, Mr. and Mrs. Gary Beyer and Kelly of Denton, Janie and Brenda Beyer of

Denton, Mr. and Mrs. Charles Pickle of De Soto, Evelyn Otto, Sue Otto and Jerry Jones of Gainesville; Wilbert Vogel of London, England; Lillian and Wilfred Walterscheid of Muenster; Norma and Don Muller and Matt and Steve of Bixby, Okla., Mr. and Mrs. Ron Muller and Philip of Amarillo, Lynn Muller of Dallas.

Corina and Earl Wayne Keyes, and Paula, Joe and Jim of Little Rock, Ark.; Mary Lou and Leo Hess, Brian Hess, Sherri and Kaci Garcia of Muenster; Mr. and Mrs. Leonard Vogel of Muenster; Mr. and Mrs. Don Vogel and Joe and Tracy of Roanoke; Weldon Vogel and Dale, and a guest of Dallas; Kari and Michael Vogel of Houston; Virginia and Kenneth Sherrell and Kenny and a guest and Greg of Fort Worth; Karen and Danny Hoenig and Ryan, Scott, Darrin and Eric of Denton.

Joining them were Mr. and Mrs. Victor Hartman, Leo Becker, Mr. and Mrs. Tony Klement and Lu Vogel, all of Muenster.

Catholic State League meets in Muenster

The 88th annual convention of the Catholic State League of Texas was held in Muenster on July 19-20 in the Sacred Heart Community Center.

Delegates included 56 women, 28 men and six young people. Clergy included Bishop Joseph Delaney of Fort Worth, Abbot Alfred Hoenig OSB of Sandia, Father Denis Soerries of Muenster, Father Joseph Weinzapfel of Dallas and Brother James Ota; also one Catholic Life Insurance representative.

Chairman Denis Walterscheid conducted the opening session. Muenster Boy Scouts presented the U.S. Flag. James Prihoda, president of the Catholic State League, presented the league banner. Father Denis Soerries led the opening prayer and welcomed delegates and guests, expressing the pleasure of the parish. Mayor Richard Grewing added his welcome to the group. James Prihoda gave the response.

Introductions included Herbert Popp, Catholic Life Insurance representative, Clara Vitenheimer, president of the women's organization, and Milton Schmidtinsky, who was in charge of essay-awards presentations. Theme of the essays was "How TV has affected my morals and standards."

Essay winners included Wayne Becker of Sacred Heart High School and Laura Fuhrmann of Lindsay High School.

Abbot Alfred Hoenig introduced the guest keynote speaker, James Tucker of Sandia. He spoke on the theme "Come to the Immaculate Heart of Mary."

The Angeles was prayed at noon and lunch followed.

During the general meeting Saturday afternoon, Abbot Alfred Hoenig spoke in praise of Mary, the mother of Jesus.

Walter Gold, secretary of the Catholic State League, read minutes of the 1985 convention. He told members that the National Convention will be held on Aug. 7, 8 and 9 in Reading, Pennsylvania.

John Fuhrmann of New Braunfels gave the treasurer's report.

Herbert Popp, Catholic Life Insurance representative, said a goal of \$100,000 has been set for the Msgr. Henkes fund for Seminarians. He noted that \$68,000 has been raised to date.

New officers elected are, for the women's organization: Clara Vitenheimer, president, of Windthorst; Rita Book, vice-president, of Nazareth; Agatha Garrn, secretary, of San Antonio; and Elsie Grahmann, treasurer, of Hallettsville.

New officers for the men's

Cooke County Red Cross appeals for local volunteers

The Cooke County chapter of the American Red Cross has been reorganized and a new office is being established in the basement of the Cooke County Courthouse.

Granted, Red Cross activities have been taking place, and since the beginning of July a formal board of executives has been appointed and is functioning.

The American Red Cross is a national organization chartered by the United States Congress in 1905. As mandated by this congressional charter, the American Red Cross is an independent organization of voluntary services to aid members and former members of the Armed Services and their families, and secondly, to provide disaster-relief.

For example, the American Red Cross spent more than \$46,000 in Cooke County to aid its residents as a result of the flood in October 1981. However, the services of the American Red Cross are much more extensive.

Other services provided by the Red Cross include blood services, nursing and health services, community volunteer services, youth services, International services and safety services.

Safety services include courses in

cardiopulmonary resuscitation (CPR) first aid, and swimming instruction. During the course of this current summer, 1986, Red Cross volunteers taught more than 1,000 children and adults enrolled in swimming classes in Gainesville, Muenster and Camp Sweeney.

Because the Red Cross is a volunteer organization and relies on charitable donations for its working capital, an urgent plea is being sounded for both time and money. In the new office in the basement of the Cooke County Courthouse, volunteers are needed for a few hours each day to answer the phone and to greet visitors. Monetary donations may be sent to the American Red Cross, Cooke County Courthouse, Gainesville, Texas 76240.

Without support of citizens of Cooke County, the Red Cross will find difficulty in serving the county, as it has in the past. It is the long range goal of the Cooke County Chapter of the American Red Cross to increase its services to residents of the county.

For more information, contact the Red Cross at 665-4356 or visit the new office in the basement of the Cooke County Courthouse.

Do You Know An 18 Year Old Man?

If you do, he should know that he is required to register with the Selective Service System. Young men born on or after January 1, 1960 must register within 30 days of their 18th birthday. All it takes is five minutes to fill out the simple form at the local post office.

So if you have a student, son, relative or neighbor who is 18, or about to turn 18, make sure they know about Selective Service registration.

Registration. It's Quick. It's Easy. And it's the Law.

Kody entertained by clown at birthday party

KODY HAVERKAMP

Kody Haverkamp, son of Roger and Monica Haverkamp, celebrated his third birthday Sunday evening with a party at their home in Watauga, several days preceding his actual Aug. 6 birthday.

His little guests were entertained by "Shorty, the Magic Clown," by magic tricks, balloon and picture

taking.

The clown cake was baked and decorated by Kody's Aunt Dianne Bedolla. Shorty, the Magic Clown lit the candles and helped Kody blow them out.

A supper of grilled hamburgers, pickup foods, homemade ice cream and birthday cake were served. Gifts were opened and films were made.

Guests included the grandparents, Mr. and Mrs. Arnold Schilling and Mr. and Mrs. Bernard Haverkamp; and uncles, aunts and cousins Jim and Cindy Gehrig and Jason, Ryan, Mike, Lucian and Joanna; Yvonne Ambrose and Jennifer and Duncan; Jeanie and Shawn Hess; Kerry Haverkamp and Mike Dangelmayr; Marla and Steve Fette and Amy, Becky and Polly, all of Muenster.

Dianne and Joe Bedolla and Amber of Sherman; Clyde and Helen Muller of Bedford; Debbie and David Lain and Kyle; Terry and Brent Griffith and Kayla of Watauga, and a neighbor, Jason Nichols, a friend of Kody's.

DENISE BAYER, daughter of Danny and Mary Alice Bayer, has been chosen as drum major for the 1986-87 Muenster Hornet Marching Band. She recently attended a camp sponsored by the Marching Auxiliaries of America at the NTSU campus in Denton. The four-day camp consisted of instructions on proper procedures of techniques in directing, showmanship and marching. Among the awards that Denise received from the evaluation performances were, as shown above, a "Superior" and "Good" ribbons. She also received a "Most Improved" ribbon and a spirit stick on the closing day of competition. Denise will be a sophomore at MHS in the 1986-87 school year.

MASHELLE HUDSPETH will become the bride of Richard H. Seymour on March 7, 1987. Parents of the bride-to-be are Mr. and Mrs. Ray Hunt of Irving and Mr. and Mrs. Dale Hudspeth of Forestburg; grandparents are Mr. and Mrs. Clifford Hudspeth of Forestburg. Parents of the future-groom are Mr. and Mrs. James C. Seymour of Hurst. Mashelle graduated from Forestburg High School in 1984, then attended college at Grayson County Junior College for the past two years. Her major is communications and she will transfer to Sam Houston State University in the fall. Richard graduated from L.D. Bell High School in 1980, then attended college at Tarrant County Junior College Northeast. He is employed at HEB Hospital in Bedford, Texas. He is majoring in criminal justice and will transfer to Sam Houston State University in the fall. The couple will make their home in Huntsville, Texas after their honeymoon cruise.

Heat causes record usage in Texas

Sweltering heat has brought record usage of electricity by customers of the Texas Utilities system. And with that, higher usage will come somewhat higher than normal bills for electric service.

Harry Bomar, District Manager for Texas Power & Light in Gainesville, said customer demand set successive new records on July 28 and 29, and then topped out at 16,537,000 kilowatts on July 30. This compared with the previous all-time high of 15,898,000 kilowatts set Aug. 19, 1985.

"It's been a great challenge for the system to meet these demands," said Bomar, "but all our generating facilities have been up and running and we've been able to maintain a comfortable operating reserve."

Much of the increased demand for electricity was brought on by the heat, Bomar said, but he pointed out that the TU system has added nearly 90,000 new customers in the past 12 months making a significant contribution to the higher usage. Bomar said electric bills will most certainly be higher.

Some of our customers will want to check the energy efficiency of their home or business to make sure they're getting the most of what they spend on electricity. TP&L Energy Action Representatives can offer helpful advice.

There will be some people who will have trouble paying their bills, Bomar said. "We will work with these in need of assistance."

The company offers the Average

Billing Plan which is designed to help smooth out the extremes of the peak-usage periods. It figures the bill over a 12-month period, with the latest bill rolling into the average each month.

There is also TP&L's Energy Aid Program. Contributions from TP&L customers and employees provides money for those who cannot afford basic energy needs. It is independent of the electric company and Bomar says it has provided assistance to thousands of needy people in the company's service area.

Gift Subscriptions

A gift subscription to The Muenster Enterprise is a good way to say "Happy Birthday" or "Get Well Soon" or "Thank You For Your Hospitality." The Enterprise will send a suitable card with your greeting.

TWO MUESTER 4-H'ers and one leader representing Cooke County attended the TP&L Retreat July 21 through July 23 at Trinidad, Texas. Sherilyn Sicking, left, and Jared Bayer, right, accompanied by leader Evelyn Sicking, attended lectures on electric safety and leadership. They each made an extension cord and a lamp to take home. Each group of 4-H'ers made up a skit and presented it the last day. They competed playing volleyball, shooting baskets, and hole in one. Relaxing time was swimming and dancing. Everyone was presented a completion certificate before they left. There were 91 in attendance. Sherilyn also attended District Leadership lab held earlier at Trinidad. She went with county agent Lynn Goerke and five other 4-H members from Cooke County.

“Celebrate '86”

Twenty-six TIA members and six sponsors attended “Celebrate '86” - a convention for the Youth of the Fort Worth Diocese - on July 26-27 at North Texas State University campus in Denton. The Muenster group of 32 had the largest representation of the 350 youth and adults attending.

The groups spent the two days meeting other youth of the diocese and attending their choice of workshops. Topics of study included “Values and Contemporary Music,” “Youth and Spirituality,” “Youth and Contribution to Church and Society,” “Cults,” “Exploring for Youth Leaders” and “Sexuality and Communication.” These workshops were presented by members of the diocesan youth ministry team and several guest speakers.

During this time the groups also

met in several general sessions during which keynote speaker Butch Ekstrom addressed the group on the history of Rock and Roll and the value of Rock Music Today. Mr. Ekstrom is the Associate Director of Religious Education for the Archdiocese of New Orleans. He has published several books and many articles dealing

with rock music, youth culture and youth's faith development. He is also the columnist for the Catholic rock music journal, **Top Music Countdown**.

Saturday evening the group attended a banquet and dance. Sunday they participated in a Eucharistic Celebration.

Peach And Coffee Frappe

Regular or decaffeinated instant coffee makes this summer frappe a snap to prepare!

When peaches are juicy and ripe-to-bursting, and the hot summer sun calls for a cooling drink, blend up this sensational Fresh Coffee Peach Frappe. Serve the frappe in tall iced coffee glasses for a rich and tasty afternoon pick-me-up, or spoon the frothy mixture into oversized balloon glasses for a heavenly dessert. Regular or decaffeinated instant coffee makes this frappe a snap to prepare in minutes. Here's a tip: assemble your ingredients on a tray ahead of time (except for the ice cream) and refrigerate until blending time. This fruity melange with its rich coffee overtones will delight you and your guests.

Fresh Coffee Peach Frappe

- | | |
|---|--|
| 1-1/2 tablespoons Maxwell House regular or decaffeinated instant coffee | 2 fresh peaches, peeled and sliced (about 1 cup) |
| 1 cup cold water | 1/4 cup sugar |
| 1/4 cup bourbon or brandy | Dash of nutmeg |
| | 1 cup vanilla ice cream |
- Combine all ingredients in blender and blend until smooth. Serve in tall glasses, over crushed ice, if desired, or pour into punch cups. Top with whipped topping and garnish with peach slice and mint sprig, if desired. Makes about 3 cups or 4 large or 8 small servings.

Hello, football!

Campbell's picks are out

Dave Campbell's Texas Football High School Preview is on the newsstands once again. Many local football fans start the season with Campbell's yearly magazine.

Sacred Heart made the switch from TCIL to Division II, District 2 in TAPS. With seven schools competing in football, Campbell places Sacred Heart fourth, with 12 returning Tigers and a 5-5 record last season.

Liberty Christian should have another winning season. With eight offensive and nine defensive regulars returning, the Warriors post an 8-3 past record. Oakridge relying on its running game, was 5-4 last season.

Lexington Academy, 3-6-1, have

seven offensive and eight defensive starters.

Boles Home, with a heavy line, have a 210-lb. center and 230-lb. and 240-lb. tackles. They have six offensive and four defensive returnees from last year's 4-5 team.

A strong offense with good size take to the field at Dallas Lakehill. With a 6'11", 200-lb. fullback; a 5'10", 185-lb. tailback; and a 6'3", 200-lb. quarterback, working behind an offensive line which includes a 210-pounder and a 245-pounder, things should be looking up from an 0-9 record last fall.

The Crusaders from Tyler Street Christian Academy were 2-7 last year, an experienced line with 200-plus weight should be their stronghold.

The 14 teams in district 9-A are split with six in the west zone and eight in the east. Muenster, in the west zone, will be competing with Valley View, Lindsay, Era, Prosper and Collinsville.

Muenster, with an 8-3 record, expects another successful season, with eight offensive and eight defensive returning.

Valley View is Campbell's pick to win the district's west zone. With 17 starters from a 9-3 team, the Eagles may have their best season.

Lindsay is hoping for an improvement over last year's 3-6 season. It could be a long, tough road for the Knights with only four offensive and three defensive starters.

Era, last year's surprising team, hopes to improve their 6-3 season, with 14 returning starters, seven each way.

Prosper last year abandoned their football program midway through the season because of lack of players. The Eagles are hoping to rebound from last season's 2-8 record.

Collinsville, hurting in size, hopes to improve last year's 1-8 record. The Pirates are returning six defensive and five offensive starters.

The East Zone of District 9A, in order of Campbell's pick, are Gunter, Celeste, Fannindel, Lone Oak, Blue Ridge, Detroit, Savoy and Cumby.

SACRED HEART DRILL TEAM LEADERS Kelly Schilling, Kerri Haverkamp, Gail Fisher and Shawna Grewing attended camp July 22-25 at TWU in Denton. Other members attending were Hayle Fenton, Kim Thorson, Wendi Yosten, Jennifer Fuhrmann, Janel Flusche, Debbie Schmitt, Angela Endres, Janie Fisher, Amy Bayer, Tina Schilling and sponsor Paula Yosten. The group won the spirit stick and friendship boot and brought home 19 superior, 12 excellent, 10 outstanding and 14 super strutter ribbons.

DO ALL THOSE "HELP WANTED" ADS FOR NURSES DEPRESS YOU?

Yes, it IS discouraging when you don't have the education or training required to land one of those well-paying, personally rewarding, secure and PLENTIFUL jobs. It's doubly tough if you're a single mom (or dad) with no real job skills or experience. Maybe you're even faced for the first time with having to make it on your own.

Well, don't fool yourself into thinking that all you can get are dead-end jobs at minimum wage. Cooke County College can train YOU to become a Licensed Vocational Nurse in only one year (or a Registered Nurse or fully certified Paramedic with an Associate Degree in just two years). They're great programs for MEN too, and the training is some of the very best available in Texas. Cost is less than you might think, and financial aid is available. Deadline for application is Aug. 15 and SPACE IS LIMITED, so call today for details.

HEAR THE ONE ABOUT THE MALE NURSE AND LADY WELDER?

If not, you may be missing a great chance to earn a better living. It's no joke that job opportunities for men in previously "female" occupations such as nursing and cosmetology are excellent. Likewise, more and more women today are earning top wages as welders, machinists, drafters, even auto and diesel mechanics. But, male or female, you need the right training to land those jobs, and Cooke County College offers some of the very best vocational training available anywhere. Financial aid is available, and so is special counseling to help if you've been away from school quite a while. Registration for Fall '86 classes begins last week of August, so call TODAY for details!

FARM AND RANCH NEWS

Lindsay 4-H'ers are keeping involved

TOMI subjects for August

The latest information on the cattle inventory, agricultural prices, agricultural exports, the dairy situation, cattle on feed, the feed grain situation, Texas farmland values and the peanut situation will be featured on the TOMI program for August.

"TOMI" is the Telephone Outlook and Market Information program of the Texas Agricultural Extension Service, The Texas A&M University System.

Information provided by TOMI is designed to help keep

agricultural producers updated on commodity markets and other vital information useful in planning and managing their operations.

More detailed information on August topics is available by dialing 409/845-8664 (TOMI), according to this schedule:

- Aug. 8-11 - Ag Export Update, Mickey Paggi
- Aug. 12-14 - Dairy Situation, Bud Schwartz
- Aug. 15-18 - Cattle on Feed Report, Ed Uvacek

Aug. 19-21 - Feed Grain Situation, Ed Smith

Aug. 22-25 - Factors Affecting Texas Farmland Values, Danny Klinefelter

Aug. 26-28 - Peanut Situation, Johnny Feagan

Aug. 29-Sept. 1 - Farewell Texas A&M, Ed Uvacek

Messages for TOMI are prepared by Extension Service economists, who provide the latest information available to aid producers in making decisions.

The telephone information system operates seven days a week on a 24-hour basis.

CC 4-H Horse Club rides in Sherman parade

The Cooke County 4-H Horse Club is keeping busy this summer. On July 16, the group rode in the Sherman-Denison Rodeo Parade and all had a good time. Even though it was a typical "hot" Texas day, the club had a good group of horses and members. Those who rode in the parade to represent Cooke County were Michelle Hunt, Allen Knabe, Karen Lampson, Bo Smith, Angela Westbrook, Jenny Sicking, Robin Snowden, Jeff Brock and two parents who joined the group, Mrs. Knabe and Mrs. Smith.

Mrs. Karen Lampson, the 4-H Horse Club organizational leader, would like to take this opportunity to thank the participating members

and their parents for making this event possible. With the parents' support and help, the club can continue to enjoy success and have more activities.

In August, the club plans to meet for a trail ride and weiner roast. This will give the group a chance to get re-acquainted for the regular meetings which begin in September. Parents will be invited as well as old and new members. The date will be announced at a later date. The 4-H Horse Club is planning a busy year and all new and old members are welcome to join in the activities. If you are interested in horse activities, please contact the extension office (817) 668-5412 for information.

The Lindsay 4-H members have been very active this summer. To start off their summer, they square danced at Dairy Days on June 7 at Old City Park in Dallas.

4-H Square Dancing Graduation was held on June 13 at Leonard Park Pavilion where 17 members were among the 50 to complete the six-month course.

The District 4 Fashion Show, District 4-H Council Workshop, State 4-H Food Show and 4-H Roundup gave the Lindsay youth a chance to further show their talents and accomplishments in their chosen project areas.

The Sesquicentennial Wagon Train offered the members an opportunity to participate in the celebration of Texas' 150th Birthday Celebration. Seventeen members joined in the Square Dancing exposition for the Wagon Train while it was in Gainesville.

District 4 Leadership Lab at Trinidad and Record Book Competition has also kept the 4-H'ers busy and going on to State Judging.

Lindsay 4-H members also entered the Sam Bass Day Parade in Rosston on July 19. They proudly brought home the 1st place trophy for the best entry, "Country Fun."

The one-day 4-H "Mini Camp" on July 23 and the "Officer Training Program" on July 29 gave the members another opportunity to show their leadership ability and enjoy the fun of being in 4-H and making new friends. A Leather Craft and Fire Safety Program were presented on July 23 for their learning experience.

and make-up, hair care and the value of exercise and proper diet.

All of the following participating 4-H members are recognized for a "job well done" and should feel proud of their accomplishments this summer:

Donna, Michael, Laura and George Lutkenhaus; Julie and Janelle Fuhrmann; Lucy Fuhrmann; Eddie, John and James Krebs; Amy Sandmann; Curtis and Kristie Macready; Keith and Christy Zimmerer; Debbie Nortman; Cassandra Fuhrmann; Marty Neu; Lori Hoberer; Bethany and Courtney Krebs; Kristy and Tisha Krebs; Leah and Allison Walterscheid; Denise Porter; Toby Eberhart; Dan Zimmerer; Sara Flusche; Patrick Corcoran; Jessica Fuhrmann; Tommy and Travis Huchton; Susie Arendt; Angela Fuhrmann; Julie, Roxanne and Stacey Miller; Calista, Tonia and Yulonda McGilvray; Janelle and Felicia Hellingner; Amy Williams; and Janie Schumacher.

Meeting dates and times are as follows: Lindsay Senior 4-H Club - Tuesday, Aug. 19, 1986, 7 p.m. at the Harold Nortman home; Lindsay Junior 4-H Club - Officers Meeting, Tuesday, Aug. 12, 1986, 7 p.m., at the Milton Krebs home.

County Agent's Report

by Craig Rosenbaum

The question often comes up as to what is the optimum seeding rate for wheat and other small grain. There are several factors we must first consider. Those factors that would favor lower seeding rates include: early planting dates, non-grazing and insect and disease factors.

Planting dates have a definite influence on seeding rate. The earlier the grains are planted in the fall, the lower the seeding rate. With the onset of fall and winter, we have the possibility of losing some stand populations through freezing or heaving of soils. Due to colder weather, we can also experience less tillering with late planted small grains. Early planting will also call for reduced rates of phosphorus fertilization. The warmer weather will give plants better early growth and so the need for less phosphorus.

To graze or not will also influence your seeding rate. With the increase of grazing you lose some plant population from trampling and pulling up of plants. In a grazing situation it would be helpful to increase seeding rates.

And the increase in insect pressures and seedling diseases will also influence seeding rates.

This past year, we ran two trials on seeding at 50, 75 and 100 pound rates. The following chart shows the results.

RESULTS AND OBSERVATIONS

Variety	Seeding Rate LBS/AC	Yield	Seed Cost/ Acre	Gross Income Over Seed Cost
NK 812	50	36	6.46	\$75.54
NK 812	75	42	9.69	\$84.81
NK 812	100	36	12.92	\$68.08
COKER 983	50	44	6.46	\$88.14
COKER 983	75	31	9.69	\$56.96
COKER 983	100	52	12.92	\$98.88

The conclusion reached seems there is no real optimum seeding rate. All factors of production must be considered in deciding rates. One thing is noticeable, and that being that just an increase in seeding rate does not necessarily mean a yield increase.

We wish to thank J.H. Bayer and Sons Farm and Weldon Bezner for their cooperation in the rate study.

AG BRIEFS...

CALCIUM-FORTIFIED FOODS CAN'T REPLACE DAIRY PRODUCTS

The food industry is now marketing a number of calcium-fortified foods to nutrition-conscious women who believe they may be at risk for developing osteoporosis. Osteoporosis is a disease of brittle and porous bones that affects millions of middle-aged to elderly women, making them more prone to fractures. Calcium-fortified foods currently on the market include some brands of diet carbonated soft drinks and non-carbonated soft drink mixes, bread and flour. "Eating calcium-fortified products in a balanced diet that still includes dairy products may be helpful," says nutritionist Dr. Alice Hunt, "especially since the Recommended Daily Allowance of 800 milligrams of calcium per day is thought by many medical experts to be too low." However, she cautions that when dairy products are replaced with calcium-fortified foods, other important nutrients from dairy products such as protein, vitamin D, riboflavin, B-6 and B-12 are lost. It's especially important that teenagers and children eat dairy products both for the calcium and the other nutrients they provide, stresses the Texas A&M University Agricultural Extension Service specialist.
