NUMBER 29

An organization which identifies itself as Americans Against Union Control of Government is currently conducting a poll on compulsory unionization of members of our armed forces with the intention of reporting the result to Congress and the news media. The purpose is to help head off a "real and immediate threat."

One does not have to strain the imagination to get an idea of the effect of such unionization. Unions refusing to let soldiers make all night marches because conditions are too harsh. Marines out of shape because their shop steward insists that physical training is too strenuous. Fighters and bombers grounded until the union bosses negotiate a new contract.

What it really amounts to is establishment of a new chain of command which outranks all officers of the armed services and even the president of the country. The union bosses would be in position to dictate policy on pay, discipline, training standards, social and recreational programs, etc.

An even more frightening possibility is the power to immobilize the entire military force in a crisis. Someone drunk with power could use the most sensitive time to call a strike. One can even imagine that enemies of the country could manipulate their way into top command of the union and use that position to sabotage the nation's security.

The situation is similar, even more so, to that which now exists in industry and city governments. In this the potential for harm is much more sinister. Factory management can be pushed around by labor bosses but eventually it gets back into operation and recovers its losses by raising prices. Cities call on the National Guard or the armed services when their workers go on strike.

But when the armed services go on strike what happens to the military training program or the conduct of a war? In other words, can this nation take the risk of tolerating union bosses who are able to challenge the powers of the president or the defense department?

The right to strike cannot be questioned in industry. In that case the problem usually applies only to the plant's personnel, and the general public is not seriously affected. But there are areas where strikes do not seem justifiable. For instance, city services such as police and fire protection and garbage disposal. When vital needs of people are in jeopardy the workers responsible for doing the job have no right to abandon it. Rather they should have an arrangement to negotiate while doing their work.

Most of us think this ought to apply to anyone in a service job, such as utilities transportation, communication, health care, etc., and the more urgent the service the more binding the responsibility to render it. And when it comes to police or fire protection, there can be no question.

Well, we are aware that those services are unionized nevertheless, and strikers' dereliction of duty is probably justified by the fact that their work will be done in emergency by the National Guard, as on one occasion last year. But what will happen when both firemen and the guard are on strike? What happens then to homeowners' rights?

The issue of national security is even more vital. According to Senator John Tower, "the long term implications of the union plan are horrifying. . . . In this time of international tension, could America entrust its safety to armed forces directed more by union bosses than by generals? I hope we never have to find out."

The union bosses promoting this scheme are the same ones who organized police and firemen. They said it was better for the country, and that strikes were out of the question. But they have been striking anyway. . . . in New York, Baltimore, Kansas City,

City Council Okays TP&L Rate Increase

The Muenster City Council in regular session Monday night approved a rate increase of 11.58 per cent requested by Texas Power and Light Company. The request, presented by Bill Bedrick, local manager, was for the amount recently approved by the state's Public Utilities Commission.

Bedrick pointed out that 11.58 per cent is the overall increase resulting from the changes in several rate schedules. Residential rates are up only 2.36 per cent, commercial rates are up 13.11 per cent and industrial rates 19.37 per cent. And there are other classifications such as schools and cities, the latter being subject to separate rates for pumping water and other uses of the current. The increase approved by the council will apply on TP&L's next billing.

Muenster K of Cs To Host Initiation Of Two Districts

Muenster Knights of Columbus will host brother members of two districts Sunday at a second and, third degree initiation. Councils participating are those of Muenster, Gainesville, Denton, Sherman, Denison and Pilot Point. First degree of the initiation was held last week Thursday in Pilot Point.

The ceremony will be part of a full day program beginning with group attendance at the 9 o'clock mass which will be followed by a brunch at about 11 a.m. in the K of C hall. The initiation is due to begin at 1 p.m. and will be followed by a reception with pick up foods starting near 5 o'clock.

The council also gave its OK to use of the city park for a community picnic on the Sunday before Labor Day. The request had been presented for Sacred Heart Alumni by Angelo Nasche.

The annual hearing of the tax equalization board, which was a part of the regular meeting failed to bring up a contest. Members of the council had taken on the tax equalization job and set Monday as the date to contest an assessment. When no one showed the council declared the assessment as official. The rate, as last year, is 80 cents per \$100 of assessed valuation, which is 50 per cent of actual value.

Indicating progress in the municipal reservoir project, the council discussed official notification of two hearings by the Texas Water Rights Commission. One is a district hearing at McKinney on June 20, the other a county hearing at Gainesville on June 21. The purpose is to present opportunity for objections against the project.

Under unfinished business the council discussed a proposal to use the local fire alarm siren in the Civil Defense program for storm warning. However no one was there representing Civil Defense and the business remained unfinished.

Rated DS at A&M

The College of Agriculture of Texas A and M University has announced the awarding of the Distinguished Student Certificate to Lyle Klement as recognition of academic excellence during the spring of 1977. He is a son of Mr. and Mrs. Ray Klement and a graduate of Muenster High. The certificate was signed by Dean H. O. Kunkel and Associate Dean R. E. Potts.

Karen Gillman of Aledo Joins County Extension Staff

Karen Gillman is the new assistant county Extension agent, succeeding Marie Hinton, who transferred to West Texas. She has been on duty since June 1.

A native of Aledo, Miss Gillman was an outstanding 4-H Club member while attending and graduating from that Tarrant County community. She is a graduate of Stephen F. Austin University with a BS degree, and has recently enrolled in graduate school.

While attending SFAU Miss Gillman served as a 4-H program assistant. Her assignment in Cooke County will include working with 4-H youths and developing 4-H adult leaders.

Dairy Inn Starts Expansion Project

Expansion is under way at the Dairy Inn. A project just getting started will add some 1500 square feet of space at the east side to be used as a game room, dining area and storage area.

The present glass wall at the east side will be retained as a partition between new and old areas. Also the design of the addition will harmonize with the old both inside and outside.

Items planned for the game room are pool tables, music boxes and pin ball machines.

Bertha Hamric Has Yard of the Month

The home of Mrs. Bertha Hamric has been selected for "Yard of the Month" honors in June by the Muenster Garden Club. Announcement was made over the weekend by the committee in charge.

Especially noted were the variety of blooming plants, general appearance and comfortable back patio. The Garden Club will continue the Yard of the Month project throughout the summer.

Expansion Job at Fischer's Begins

A building project just getting started at Fischer's store will add some 2400 square feet of space to the store's warehouse area and 400 feet to the slaughtering area plus a scale for weighing in animals.

All of it is being added south of the building at the east end of the lot. And the greater part of it is a 30x30, two story extension of the present storage space along with a second floor over the present 20x30 space. A built in conveyor system will move items to and from the second floor. Also included in the new area is a freezer vault for storing frozen foods.

The 20x20 one story space will be used to keep hides, offal, etc. until picked up by a truck.

The scale is an added convenience for weighing individual animals. It eliminates the need of weighing vehicles loaded and empty to determine the weight. Hereafter an incoming animal can be routed over the scale, or a load of weighed animals can be sent directly to the receiving area.

An addition at the north side of the building is planned when the present project is finished.

Narcotics Stolen In Pharmacy Heist

A burglary at Muenster Pharmacy Sunday netted a haul of narcotics estimated at about \$700 in value but worth much more on the dope market, according to Police Chief Jim Eaves.

Entry of the pharmacy was made by cutting a hole in the wall separating it from the Medical Center, and entry of the medical center apparently was made with a pass key. There was no indication of forcing a door or window.

Apparently all was in order in the pharmacy at a routine 5 a.m. checkup, and the burglary was discovered about 3 p.m. A burglar alarm system on doors and windows was undisturbed.

Farmers Near End of Bumper Grain Crop

One of the best harvest seasons in the history of the community . . . is drawing to a close this week. Both local grain dealers report that most of their customers have finished the job and business is expected to decline sharply during the next few days as one combine after another runs out of work. Little if any grain is expected to remain for the weekend.

The season has been exceptional in quantity and quality while favored by exceptionally good weather. Tests have been mostly good and yields have topped all previous records. The average yield estimated from reports by local farmers is 40 bushels or more of wheat per acre. In addition there were a number of bumper crops in the fifties and sixties and some super crops of seventy bushels or more. Some reports, but only a few, were reported below thirty bushels per acre.

Also, fine weather prevailed throughout. This season was the only one of recent years not interrupted by rain. There were a few anxious days to begin when high humidity following timely showers caused a slight delay. But all was fine after that.

However, the ideal harvest weather has been less satisfactory for other crops. Pastures and row crops are suffering. A good soaker would be most welcome for them, as well as for lawns and gardens.

The one bad feature of the harvest has been the poor market. Hard wheat, starting at \$2.00 per bushel is down to \$1.95, and soft wheat is \$1.75. It's a long way from last year's \$3.50. Despite its exceptional yield the crop's cash value is lower than last year.

Volunteers Invited For Police Reserve

Persons interested in serving as volunteer reserves in the Muenster police department are invited to a special meeting Friday night at 8 in the Muenster City Hall.

Jim Eaves, chief of police, said the local program's goal is a reserve of volunteers willing to help in emergencies or special occasions. They could expect to be called to assist with crime cases, to keep order in crowds, to direct traffic at funerals, etc. The organization would be somewhat similar to volunteer firemen.

Another proposal is occasional patrol duty. The idea is to improve local driving habits through increased attention and interest.

A special privilege available to police volunteers is to attend police training schools.

Eaves invites interested persons to see him and talk over the program. He especially urges them to come to the Friday meeting.

Pat Davidson Gets Silver Medal for French Horn Solo

Pat Davidson, daughter of Mr. and Mrs. Charles Davidson won a silver medal for her rendition of a French Horn solo at the Texas State Solo and Ensemble competition in Austin on May 30. She represented the Muenster Hornet Band and performed "Rondo" by Mozart, receiving a II (Excellent) rating. Pat was accompanied on the piano by Mrs. Annetta Earle of Gainesville.

She was the first member of the Hornet Band to qualify for the state contest, doing so by receiving a I (Superior) rating on her class I solo at the regional contest in Denton.

Following her performance in Austin, the contest judge, J. R. McEntyre, said: "You play the notes amazingly well . . . tempo is very good . . . style is correct . . . you are a very talented horn player and I enjoyed hearing you play."

Bob Hayes, MHS Band director anticipates that this will be the start of a new trend in the ever-improving Hornet Band. Mr. and Mrs. Hayes of Whitesboro accompanied the MHS student to Austin, Pat, a 1977 graduate, will attend Texas A and M University this fall.

C of C Meeting
Members of the Muenster Chamber of Commerce will have their regular luncheon meeting Tuesday, June 14 in the Center Lounge.

Building Notes

In spite of ever increasing building costs construction of new homes continues at a steady pace in the community.

Five new homes and an extensively remodeled home have been occupied within the past several weeks, and ten new homes and two improvement jobs are under way along with three commercial projects.

Recently completed homes are those of Ray Walterscheid, Tony Rohmer, Sam Endres, Larry Gobble and Clifford Sicking. And the big remodel job is Ross Felderhoff's.

Newest jobs are those of Jimmy Jack Biffle and W. J. Luke, both at the foundation stage. Biffle's, five miles south of town, will be a four bedroom brick veneered house with three baths, fireplace, central heat and cool and double garage. Luke's, three miles west, will have three bedrooms, two baths, brick veneer, fireplace, central heating and air conditioning and double garage.

Another at the foundation stage is that of Harold Schmitz north of Lindsay. It will have three bedrooms, two baths, garage, brick veneer, central heat and cool.

Also recently started is

Recipe Deadline Set July 1 for Library Cookbook

Recipes will be accepted until July 1 for the cookbook sponsored by Friends of the Library. Mrs. Andy Klement, chairman for the project, announced Wednesday that the committee is aware of the length of time needed for typing, proofing, compiling and printing. They have therefore set the deadline for July 1. Friends who have been planning to contribute recipes, are urged to do so soon. Time of publication will be announced in advance.

Rudy Koesler's home north of town. It will have three bedrooms, two baths, brick veneer, double garage, heat and air.

And the Mike Sturm house on North Maple has framework going up for three bedrooms, two baths, double garage, brick veneer, fireplace, heat and air.

Four houses at the cabinet building stage are those of Roy Hartman, Willie Wimmer, Mrs. Meinrad Hesse and Ray Klement. Hartman, 2.5 miles south of town, will have three bedrooms, three baths, double garage, brick veneer, fireplace, central heating and cooling. Wimmer's on North Cedar, will have three bedrooms and two baths, brick veneer, garage, central heat and air. Mrs. Hesse's on North Walnut, is three bedroom, bath and a half, double garage, brick veneer, heat and air. Across Sixth from Sacred Heart Church, Klement is building three bedrooms and two baths with brick veneer, garage, fireplace, central heat and cool.

David Reiter, five miles north of town, is at the painting stage. It's a three bedroom house with two baths, brick veneer, garage, fireplace, heat and air.

V. L. Sparkman is on a major re-do of his house. Included are new panel in the kitchen and dining room, plus new cabinets and appliances in the kitchen, plus paint inside and outside. And Ron Dickson has modernized a bathroom with tile and new fixtures.

Commercial jobs are a building for the city and additions for the Dairy Inn and Fischer's. The city's is a 40x80 metal warehouse and repair shop for the water department along with an office and rest room. Dairy Inn is adding about 3000 square feet for game room and dining area. Fischer's is adding some 2800 square feet of space to its warehouse and slaughtering area.

Haverkamps Observe Golden Wedding

Mr. and Mrs. Alois Haverkamp celebrated their golden wedding Saturday, June 4, with an anniversary Mass in Sacred Heart Church, followed by a reception and dinner-dance in the Community Center.

Father Placidus Eckart presided for the repetition of vows promised a half century ago when Miss Mary Spaeth and Alois Haverkamp were married on June 1, 1927 in St. Peter's Church of Lindsay by the late Father John Nigg.

The Haverkamps are parents of seven children, all attending and their spouses: Mrs. Richard Schumacher (Florence) of Gainesville, Walter J. Haverkamp of Whitesboro, Mrs. David Forgey (Olive) of Dallas, Mrs. Leroy Wiesman (Dolores) of Tulsa, Robert Haverkamp of Cairo, Egypt, Mrs. Travis Wickliffe (Jeanette) of Irving, and Mrs. Gilbert Boydston (Joyce) of Muenster. There are 36 grandchildren and one great-grandchild.

Alois (Lee) Haverkamp is now retired from farming and oil field work. His wife enjoys gardening, cooking and canning. They have lived all their married lives in Muenster. Their parents were the

late Mr. and Mrs. John Haverkamp of Muenster and Mr. and Mrs. George Spaeth of Lindsay. Alois (Lee) was the 10th child in a family of seven boys and five girls; Mary was the oldest child in a family of eight girls and two boys.

For the anniversary observance in Church, a candlelight procession preceded Mass. Participants were Father Placidus; three grandson mass servers: Chuck, Hank and Kevin Schumacher; also Mark Miller and Dan Koerschner. Following were Mrs. Joe Kneupper of Gainesville and Ben Haverkamp who attended her sister and his brother in the 1927 wedding. Next came the children and their spouses and the honorees. The candles carried by the children and candle were placed on the altar and remained lighted during Mass.

Brian Wiesman, a grandson of Tulsa, was narrator at the microphone. Mrs. Eddie Henry, a niece of Gainesville provided music, singing to her own organ and guitar accompaniment. Selections were "Take Our Bread", "Time In a Bottle" and "If". She also played professional and recreational on the organ.

Father Placidus gave the jubilee sermon.

Grandchildren participating in the liturgy were: John Schumacher of Canyon, who gave the first and second readings. Petitions were presented by Sherri Boydston, Monica Haverkamp, Lisa Wickliffe, Dana Wickliffe, Suzanne Forgey, Tammy Wiesman and Donna Schumacher.

In the offertory procession were Clarice Schumacher Holder of Amarillo, leading with the anniversary candle; Karla Haverkamp with a wicker fireside basket of peach silk roses and white baby's breath, representing each of the grandchildren. A gold bow held a tiny sweetheart charm for the great-grandchild. Next came Mary Lee Forgey carrying the wedding picture of her grandparents in 1927. Lynn Wiesman brought a loaf of bread made by the 50-year bride, representing one of the family's favorite foods and Rhonda Wickliffe carried a set of dominos, her grandfather's favorite pastime.

Mass vessels and Mass Offerings were carried by granddaughters: Sherri Boydston, (Continued on Page 12)

Joint Observance Of Chapters Marks ESA Founders Day

Members of Beta Kappa and Kappa Theta of ESA observed Founders Day at a dinner meeting hosted by the Muenster group in the Cooke County Electric Co-op Building on May 10.

Ritual included the invocation by Mrs. Gerri Colwell, welcome and opening ceremony by Mrs. Curtis Gill-

land, who also gave a retirement message after serving as chapter president.

Both chapters held installation of 1977-78 officers. The president's gavel was presented jointly by Genie Gilliland to Mrs. Leon Fleitman of Beta Kappa and Mrs. Mickey Harder of Kappa Theta.

In a candlelight ceremony, installation of other Beta Kappa officers included Mrs. Chris Cain vice-president,

Mrs. Johnny Fisher secretary, Mrs. Lupe Evans treasurer, Mrs. Gerri Colwell parliamentarian, Mrs. Rudy Koessler educational director. Installation of Kappa Theta included Mrs. Don Lester vice president, Mrs. Wayne Mitchell secretary, Mrs. Robert Welch treasurer, Mrs. Curtis Gilliland parliamentarian and Mrs. Sam Sparkman educational director.

Installation ritual is based on building a pyramid of

Love. Theme for Kappa Theta is: "ESA is Love in Action", and for Beta Kappa is: "Love that's in You wasn't put there to stay, Love isn't Love until You give it away." Kappa Theta's flower is the jonquil and their colors are blue and gold; Beta Kappa's flower is the yellow rose and their colors are blue and yellow.

Guest books for the Founders Day observance were presented by Mrs. Clyde Crawford and Mrs. Charles Cash.

Table decorations were designed by Mmes. Don Lester and Chris Cain. Programs were provided by Mmes. Wayne Mitchell, Dick Powell and Robert Welch and invitations were prepared by Mrs. Sam Sparkman.

Awards were presented by Mrs. Lou Johnson to Mmes. Leon Fleitman, Robert Welch, Sam Sparkman, Dan Tomlinson and Keith Clegg.

Mrs. Fleitman was announced as the Outstanding ESA Girl of the Year, Mrs.

Powell as the Outstanding 1st year member, and Mrs. Gilliland as the 25 year honored member.

Gifts of appreciation went to Betsy Fleitman, Jan Cain, Ellen Marie Harder, Mibs Powell and Kathy Anderson. The Kappa Theta record book, prepared by Dianne Clegg, designed with checked gingham and cross stitch theme and many personal drawings and containing memorabilia of 1976-77 will be entered in competition.

Attend Graduation in Irving
Mr. and Mrs. Leo Henscheid enjoyed a busy week-end in Irving with their children, the Damian Hellmans and Jerry Henscheid families. A granddaughter, Linda Hellman, daughter of the Damian Hellmans, came for them Friday morning. Together they all attended the high school graduation Friday evening of Donnie Hellman at Texas Stadium. He was a member of a class of about 500 graduates of Mac Arthur High in Irving. The Henscheid spent Friday and overnight with their daughter and family and Saturday and overnight with their son and family. Saturday evening they joined the Jerry Henscheids at a Ranger ballgame and Sunday Jerry brought them home.

At the end of an examination, the teacher in a mountain school told her pupils to write a pledge that they hadn't received or given any help. One gangling youth, who had suffered throughout the test, wrote:

"I ain't received no help. And God knows I can't give none."

YOU CAN BANK ON IT!

The question is often asked: How much should a family set aside for housing. Most experts agree that the average family should allocate about 25 percent of their monthly income.

That means that a family with a gross monthly income of \$800 should not be paying out more than \$200 a month for mortgage payments, or rent, including all utility bills in the amount.

Oftentimes a young couple starting out in life let their emotions rather than sound financial considerations, determine where and how they are going to live. The best way to plan is to make out a monthly budget: so much for shelter, clothing, food, car payments, savings and, of course, entertainment.

Virtually every working person in the country faces the possibility of being out of work at one time or another. That's why it is a good idea to build up at least three months living costs in a saving account to help smooth out any dislocations that might take place. It's really better to have a six month backlog in savings, because it is easier to place the money where it will draw the best interest rates.

Forestburg News

By
Myrt
Denham

Mr. and Mrs. Charles Wilson of Midland are here spending time at their place here in Forestburg.

Mr. and Mrs. Troy Brewer of Borger spent the week of May 23 visiting Mrs. Martilla Brewer.

Spending several days from Monday, May 23, in the home of Mr. and Mrs. Bill Landers were Mrs. Bob Stallworth of Amarillo, Mrs. Lena Carroll of Dallas and Mrs. Lillie Barkley of Matador. Mr. and Mrs. Russell Pollard of Dallas came, up for a visit one day and Mrs. Carroll returned home with them.

Mrs. Ralph Neeley and grandson Michael of Gainesville, Mrs. Esther Shears and Rhett were dinner guests of Mr. and Mrs. Homer Shears Sunday May 22.

The Monthly Fellowship Supper and Board Meeting took place in the Annex of the Forestburg United Methodist Church Wed. p.m. at 7. Nice groups attended to enjoy much good food on fellowship.

Mrs. Betty Reynolds and yours truly attended the Homemaking Day meeting of The Womens Relief Society of the LDS Church in Bridgeport Thurs. a.m., May 26. A very good study on Burns and what to do for them was presented. This was followed by Presentation of Awards to the women in the church, then games were played followed by a lovely luncheon. A lovely day indeed.

Mmes. Mary Vandaveer and Linda Smith of Bowie and Home Teachers for the LDS Church visited in the Bennett Reynolds home Friday, May 27.

Mrs. Judy Farrell and daughter Jackie attended the Air Show at the Naval Air Station in Dallas Sat., May 28. Jackie was very thrilled as she got the autographs of the five members of the Navy's famous Flying Angels.

Both the highest and the lowest points above sea level in the United States are in California.

Husbands Hosted At Garden Club's Supper Meeting

A covered dish supper with husbands as guests completed the current garden club year for members of the Muenster Garden Club Wednesday evening, May 25.

The meal was served on the patio, followed by a brief business meeting in the home of Mr. and Mrs. Arthur Endres.

Mrs. Paul Endres, president, called for committee reports and announced the appointment of Mrs. King Koch as third vice president and Mrs. James Roark as parliamentarian.

Mrs. John Mosman gave the county council report of the meeting she attended on Wednesday, May 9. Mrs. Peter McCoy reported the Yard of the Month Award to the Fred Hennigans, Sr. and Mrs. Leonard Endres gave a report on the Garden Club's booth at Germanfest. Mrs. B. J. Swirczynski told of continuing additions at the Myrick Play Center and Mini-Park. Members volunteered to mow and trim grass during the summer months at the Mini Park and thanked Dona Swirczynski for similar work she has done there for several months.

A note was received and read from former members, Mrs. H. H. Houtchens who recently moved to Bridgeport. The club meetings will resume in September, however committees will remain active, planning towards the 1977-78 garden club year.

Fifteen members and their husbands attended. Mrs. M. G. Johnson of Dallas, house guest of Mrs. King Koch, was a special guest.

Cattle Producers Invited to Call Toll-Free Hotline

The Texas Beef Development Taskforce (BDT) has established a toll-free "Hotline" to answer questions from cattle producers about the Beef Referendum.

Registration for the long-awaited Referendum is taking place June 6-17 at nearly 2,000 county ASCS offices across the nation. Cattle producers who wish to vote must register before the June 17 deadline. Actual voting will take place back at the ASCS offices between July 5-15.

"Beef producers who have a question about the program can call 1-800-682-4106 weekdays between the hours of 8 a.m. and 8 p.m.," says Texas BDT Chairman J. D. Sart-

welle of Sealy.

The Referendum, if approved by two-thirds of the cattle producers voting, would authorize the first nationwide self-help program for the beef industry. Using the value-added system, each cattle producer would contribute 3/10 of 1% (30¢ per \$100) of the value of each animal sold. This rate would raise \$30 million to \$49 million per year for beef research, education and promotion, says Sartwelle.

"Do you have a criminal lawyer in town?" a tourist asked an oldtimer.

"Well, we think so," the old man said, "but we can't prove it."

LANIE YOSTEN

CONNIE YOSTEN

Two sisters, Lanie Yosten and Connie Yosten, have completed the Associate Degree of the nursing program at Grayson County College. As graduate nurses they will work at Texoma Medical Center in Denison. They will take State Board examinations in Austin in July to complete R. N. requirements. The two are daughters of Mrs. Larry Yosten of Sulphur Springs and the late Mr. Yosten; and are granddaughters of Mrs. Aggie Yosten. They have a sister, Mrs. Pat Klement, living in Muenster. Both are graduates of S.H.H.S. All the family attended the graduation on May 20, including the Pat Klements and Mrs. Steve Fincher of Denton and Mrs. Larry Yosten and family.

Mrs. Wilfred Sicking and daughter Nancy drove to Denison Monday and brought Mr. Sicking's mother, Mrs. H. L. Herron to Muenster with them. Together they attended the funeral of Mrs. Margaret Sicking in Gainesville Tuesday. Mr. Herron spent part of Tuesday here, had lunch with the Wilfred Sicking's before both returned to Denison later.

Mr. and Mrs. Mark Kuta of Kansas City, their sons Mark and Dane of the home and their daughter Kathy, a student at the University of Oklahoma at Norman, were among relatives at the golden anniversary of her sister and brother-in-law, the Lee Haverkamps Saturday. Enroute the Kutas stayed with their daughter in Norman and returned home early Sunday. Mr. Kuta left immediately for Boston, Massachusetts where he will be national sales manager for Damon Corporation. The family will move to Boston during the summer.

Houston Kin Visit With Mrs. Swingler

Coming to visit their grandmother Mrs. Minnie Swingler recently and to check on her recovery have been grandchildren, Ronnie and Mark Swingler of Houston and Mrs. Richard Carpenter and small son, Joshua of Austin (she's the former Charlotte Swingler.) Accompanying them were Mr. and Mrs. Carl Loveless of Houston (she's the former Mrs. Melba Swingler). The visitors were house guests of Mr. and Mrs. Clinton Endres. It was also an opportunity for Grandmother Swingler to meet infant Joshua for the first time.

Other guests have been grandchildren Mr. and Mrs. Gene Riggs and Eric and Steven of Dallas and Mr. and Mrs. Alan Dale Eberhart of Gainesville. And phone calls have come from the John Eberharts and the Glenn Badgers of Edmond, Oklahoma.

Local News BRIEFS

Mr. and Mrs. John Eberhart formerly of Olney, Ill., moved to Edmond, Oklahoma, about June 1, to make their home with their daughter and son-in-law, Mr. and Mrs. Glenn Bodger.

Mrs. Mattie Blasingame, former resident, still "going strong" at 97, was back Saturday to spend the afternoon

with Rosa Driever. Now residing in Colorado City, Texas, with a daughter and son-in-law, the V. C. Shiflets, she is spending a week or two with a son, Bert Blasingame and wife at Saint Jo. She spent the first week of her vacation with another son, Neil and family at Nocona. Their son and his wife, the Roy Blasingames, went to Colorado City for her.

Mrs. Jack Gorman and three of her children, Connie, Gerrie and Richard of Rockford, Ill., are visiting relatives here for a week. They are house guests of her sister and family, the Val Fuhrmanns and are visiting her brothers Arthur, Gilbert, Paul and Urban Endres and families. Several family gatherings are being held in their honor.

Mrs. Jim Roark has returned from a week's visit in Tulsa, Okla., with a daughter and her husband, the James Beavers. Mr. Roark accompanied her and spent the first weekend there.

Sunday visitors in the home of Mr. and Mrs. Hugo Lutkenhaus were Mr. and Mrs. Roy Plumlee of Wichita Falls and Miss Clara Richter of Dallas. Joining them were Mrs. H. A. Walterscheid and Mrs. Herman Grewing and daughter Brandi.

During his recent vacation here, Lambert Walterscheid of Las Vegas, Nevada and his mother, Mrs. H. A. Walterscheid were dinner guests of Mr. and Mrs. Hugo Lutkenhaus. Other guests that evening were Mr. and Mrs. Herman Grewing and children Amber and Brandi.

Mr. and Mrs. Ed Endres and his mother, Mrs. R. R. Endres returned Friday from Albuquerque, N. M., where on June 1 they attended the wedding of a nephew and grandson, Robert Hennigan, son of Mr. and Mrs. Frank Hennigan, formerly of Muenster, to Miss Rose Nalda, daughter of Mr. and Mrs. Jean B. Nalda. The Endreses also were among guests at the wedding reception and rehearsal dinner.

Mrs. John Koelzer of DeQueen, Ark., spent a week as the houseguest of her sister-in-law, Mrs. Susie Noggler and visited other relatives in Muenster. She went on to Lindsay to visit a brother and sister, Nick Block and Mrs. Ben Hermes and left from there Tuesday to return home.

Shown being moved with care is this 347-ton steel vessel that will house one of two nuclear reactors at Texas Power & Light Company's Comanche Peak generating facility near Glen Rose. The vessel, in the making for more than two years in Chattanooga, Tennessee, was transported by barge to Houston via the Tennessee, Ohio, and Mississippi Rivers and the Intercoastal Waterway. At Houston it was transferred to special rail car for the overland trip to Comanche Peak.

Reactor Is Enroute to TP&L Nuclear Plant

A major component of Texas' first nuclear power plant is enroute by rail to its permanent home at the Comanche Peak site, near Glen Rose, Texas Power & Light Company officials said.

The 347-ton reactor vessel, a carbon steel cylinder, was more than two years in the making at Chattanooga, Tennessee. It arrived at Houston after nearly 1600 miles travel by barge on the Tennessee, Ohio, and Mississippi Rivers and the Gulf Intercoastal Waterway. At Houston it was transferred from barge to

special rail car for the overland trip to Comanche Peak. The vessel will be unloaded at Comanche Peak where it will rest in a specially-designed cradle. Sometime after the first of the year the vessel will be moved into the main building, uprighted, and lowered by a 450-ton crane into a cavity designed for it.

When fully assembled the vessel will weigh 440 tons, be 44 feet long, and have an interior diameter of over 14 feet. The vessel walls are over eight inches thick. The vessel will house the

reactor and fuel for one of two generating units to be in operation at Comanche Peak. Unit No. 1 is scheduled for service in 1981. The second unit will be on line in late 1982. Each unit will have a generating capacity of 1,150,000-kilowatts.

A nuclear plant produces electricity in much the same way as does a conventional plant. The difference is the heat source. Nuclear fission produces the heat for turning water into steam. The steam spins the turbines for the generator.

The Comanche Peak facility is another step in Texas Power & Light Company's program to convert from natural gas and oil as boiler fuel for generating electricity. While a major portion of the electricity received by TP&L customers will be generated by lignite coal, in 1983, 13% of the power will come from the Comanche Peak facility.

Comanche Peak is being constructed jointly by Texas Power & Light and its affiliates, Texas Electric Service Company and Dallas Power & Light.

Mrs. Paul Fisher Heads CDA Court

Election of officers was the principal business carried out during the May meeting of the Catholic Daughters of America. Named to serve the organization were Mrs. Paul Fisher, regent; Mrs. Bill Lutkenhaus 1st vice-regent; Mrs. Ed Cler 2nd vice-regent; Mrs. Alvin Fuhrman financial secretary; Mrs. Charley Hellman treasurer; Mrs. Steve Moster recording secretary; Mrs. Arnold Knabe monitor.

A tentative date for installation was set for May 26 at 8:30 in the meeting room of the Community Center and spouses will be invited. Refreshments were served following the meeting.

BIRTHS

Mrs. Bill Kathman is telling proudly of the birth of a great-grandson, and Mr. and Mrs. Johnny Humberston of Grand Prairie are announcing their first child, a son Vincent Clark Humberston, born on May 24 at 5:22 a.m. in a Fort Worth hospital, weighing 5 lb. The baby's maternal grandparents are Mr. and Mrs. Stan Wylie. Mrs. Ruby Wylie is the other great-grandmother. The baby's mother is the former Jeanette Wylie.

CW3 and Mrs. Prentiss Mangum of De Ridder, Louisiana are parents of a daughter, born at the Fort Polk Hospital on June 2, at 10:30 p.m. weighing 8 lb. 14 oz. Her name is Sarah Marie and she is a baby sister for John and Michael. Her grandmothers are Mrs. Charles Taylor of Muenster and Mrs. James Mangum of Shreveport. The baby's mother is the former Virginia Taylor, daughter of Mrs. Charles Taylor and the late Lt. Col. Taylor.

From Garland comes the announcement of the birth of a daughter, Dana Marie. First time parents are Mr. and Mrs. Paul R. Bass. Dana was born at St. Paul's Hospital on May 26, at 11:18 a.m. She weighed 6 lbs. 8 oz. Grandparents are Mr. and Mrs. Theo Vogel and Mrs. G. W. Bass of Dallas.

Mrs. Vogel is spending a week with the new parents and getting acquainted with her first grand daughter.

J. R. Mackey, son of Mr. and Mrs. Howard Mackey, who was 1 year old on June 1, celebrated his birthday with three parties. On Sunday, May 29, a party was held in Leonard Park for him and for Mark Gilbreath, son of Mr. and Mrs. Clovis Gilbreath, who also observed a birthday on June 1. Included among guests were J. R.'s brother, Rusty and Mark's sister, Ivy Lynn. On Wednesday, June 1, a party in his home was attended by about 50 friends from Gainesville and Muenster. On Sunday, June 5, a party in Leonard Park honored J. R. and his grandfather, H. E. Dempsey's birthday. Attending were Mr. and Mrs. H. E. Dempsey of Greenwood, and several aunts, uncles and cousins from Denton, Gainesville and Cleburne.

Short Course in Tractors Booked By Saint Jo High

A tractor maintenance short course for adult farmers will be held June 20-23 under sponsorship of the Saint Jo High School vocational agriculture department, according to Mr. Duke, ag teacher, and Mr. Freeman, superintendent. Richard Pivonka, tractor maintenance specialist with the vocational ag division of Texas Education Agency and the department of ag engineering of Texas A&M University, will be the instructor.

Mr. Pivonka received a BS degree in mechanized agriculture from A&M in 1975. From June '75 to April '77 he was mechanical equipment foreman for Rio Grande Valley Sugar Growers, Inc., with responsibility for maintaining a variety of shop and field equipment.

The short course at Saint Jo will be held in the voca-

tional ag building beginning June 20 at 7:30. Other sessions in the series of four will be held on the 21st, 22nd and 23rd also beginning at 7:30.

During those four dates Pivonka will be available to assist farmers with individual tractor problems and give on-the-farm instruction.

Farmers interested in the course are invited to call or write Mr. Duke or Mr. Freeman by June 16. The entry fee is \$5.00. A certificate will be presented to each individual who attends all sessions.

The short course will include adjustments and maintenance of carburetor, ignition, air cleaner and cooling system, along with lubrication in their relation to better performance and longer tractor life. Emphasis will be on learning to do by doing through the use of several demonstration tractors, and safety techniques will be stressed.

County FB Sends Three Students to Citizen Seminar

The Cooke County Farm Bureau will send 3 students to the 15th annual High School Students Citizenship Seminar to be held July 11-15 in Waco, according to J. A. Klement of Muenster, president. The seminar is sponsored annually by the Texas Farm Bureau.

Attending from this county will be Kathy Davidson, Helen Pulte and Mary Rohmer.

They will be among some 400 high school juniors and seniors from all over Texas who have been specially selected on the basis of leadership qualities and scholastic achievement.

Purpose of the annual seminar, which is held on the campus of Baylor University, is to give students a better understanding of the American competitive enterprise system and opposing ideologies such as communism and socialism. The program will consist of lectures, films, and discussion concerning matters pertaining to systems of government and economics.

Several nationally and internationally known speakers will be featured. They include Dr. Clifton L. Ganus, president of Harding College, Searcy, Ark.; and one of the foremost United States historians today; W. Cleon Skousen, author educator, and lecturer of Salt Lake City, Utah; Joseph O'Connell, Federal Bureau of Investigation, San Antonio.

Also, Jack Jackson, flight training instructor, American Airlines, Ft. Worth; Harold P. Pluimer, lecturer and U.S. State Department representative at the Brussels and Seattle Worlds Fairs, of Minneapolis, Minn.; and Edwin McKay, Waco, director of national affairs for TFB.

Hostesses for the weekly game party at Hillcrest Manor were Lu Vogel, Cecilia Huchton, Mrs. Lawrence Vogel and Mrs. Wilfred Walterscheid.

Ten Day Tour of Alaska Ends for The Joe Hoenigs

Mr. and Mrs. Joe Hoenig have returned from an Alaskan tour with glowing accounts of spectacular scenery and beautiful weather, travel by plane, boat and bus and meeting new friends who made the tour with them.

Their vacation began on Thursday, May 26, when they flew from D-FW to Seattle and joined Westours Friday for the trip to Alaska. They flew to Juneau where they stayed for two days, sightseeing. Juneau can be reached only by plane or boat and is a very beautiful city, where sunset was at 11 p.m. and sunrise was at 3 a.m. when the Hoenigs visited.

Their next stop was at Skagway, reached in a 4-seat Piper. No larger planes fly to Skagway as there is no air base. The Piper landed in an open space outside of town and a bus met the tourists. Skagway is old and quaint; there are no paved streets and no concrete sidewalks — only a few board walks. Here they heard the history of gold rush days and went on another sightseeing tour.

Next they went by bus to meet the Monarch Star, a very large boat, for the cruise tracing their way back to Vancouver, British Columbia. One early stop was at Sitka, interesting and colorful. Aboard ship they saw several large glaciers, breathtaking scenery and some wildlife.

From Vancouver the Hoenigs and four members were taken by motorcoach and ferry across the Strait of Georgia and through the Gulf Islands to Victoria. Enroute to the motel in Victoria, they stopped at the Butchart Gardens for one hour to see briefly the beautiful flowers and sunken garden. After a night and day in Victoria they went on a cruise to the San Juan Islands, to Anacortes and then by motorcoach back to Seattle where the tour ended Sunday, June 5.

The Hoenigs flew to Seattle and return through the courtesy of their son Rupert. Apart from the actual trip, one of the highlights was a feature of the entertainment aboard ship when the tourists enjoyed a masquerade party, and Joe Hoenig was dressed as the "Prince of Texas".

When Columbus started out, he didn't know where he was going. When he got there, he didn't know where he was. When he got back, he didn't know where he had been. And he did it all on other people's money.

What a politician Columbus would have been!

"You have one hour to live, old chap," said the doctor. "Is there anyone you'd like to see?" "Yes," replied the patient. "Another doctor."

This is lignite coal...

It saved TP&L customers more than \$81 million last year.

HERE'S HOW For many years, natural gas was the only fuel used to produce electricity at Texas Power & Light Company generating plants. It was plentiful and cheap. But, in recent years uncertain supplies and drastically rising costs of gas have focused attention on readily available, lower-cost lignite coal.

In the late 1960's, TP&L and two affiliated Texas electric companies began a massive program to reduce their dependency on gas by constructing plants to use lignite. The first plant was placed in operation in 1971 and another in 1974. Others are under construction and being planned.

During 1976, nearly one-third of the electric power which TP&L supplied to its customers was produced at lignite-fueled plants and resulted in customer savings of more than \$81 million.

The price of electricity must continue to go up, however, because of the high cost of building new plants and other effects of inflation. But, as TP&L generates more and more electricity with lignite coal, the increase in price will be many millions of dollars less than if that electricity were generated with natural gas.

Shelly Zimmerer, left, was winner of the junior division of the Cooke County, 4-H Dress Revue held on May 29, and her sister, Debbie, right, was first in the senior division. Between them is Donna Arendt, first in the intermediate division.

Zimmerer Sisters Head 2 Groups of 4-H Dress Revue

Two sisters of the Muenster 4-H Club were first place winners in the annual County 4-H Dress Revue and another girl from Muenster was a third place winner.

Debbie Zimmerer was Number 1 in the senior division, wearing a beige polyester and cotton pantsuit featuring woven ribbon yoke and cuffs in a variety of colors. Shelley Stoffels of Lindsay was second and Donna Schumacher of Gainesville was third in the division.

Shelly Zimmerer was first in the junior division modeling a red check jumpsuit with liquid embroidery strawberries on the pockets. Second in the division was Susan Hudspeth of Valley View and third was Karen Knight of Era.

Third place in the intermediate division was won by Susie Felderhoff of Sacred

Heart 4-H. She wore a bright yellow and yellow check vest and wrap skirt with a checked blouse. Both the vest and skirt were reversible. First place in the division was won by Donna Arendt of Lindsay, and second place by Kelly Fuhrman of Lindsay.

The dress Revue, sponsored by First State Bank, presented 50 4-H girls and 1 4-H boy modeling garments they had made in their 4-H clothing projects. It was held in the Fellowship Hall of Whaley United Methodist Church with a background of garden and harvest products, complete with scarecrow carrying out a theme of "Pick of the Crop". Members had been judged the day before on personal appearance, becoming-ness of garment and accessories, fit and construction.

Among junior 4-H leaders serving as commentators for the Revue were Kathy Davidson, Rose Felderhoff and Debbie Zimmerer of Muenster. Imogene Zimmerer and Barbara Felderhoff served on the dress revue committee, and Gina Hofbauer and J J Dowd entertained with song and dance during the revue.

Other Muenster entries and their awards were reported as follows: Connie Stoffels, Sacred Heart 4-H, red ribbon; Renate Hess, Sacred Heart 4-H, blue ribbon; Renee Rohmer, Sacred Heart 4-H, red ribbon; Christi Rohmer, Sacred Heart 4-H, red ribbon; Jenny Felderhoff, Sacred Heart 4-H, red ribbon; Rose Felderhoff, Sacred Heart 4-H, blue ribbon; Kathy Davidson, Muenster 4-H, blue ribbon.

HAY PRODUCERS

Sicking Tractor Co. has received the new McKee Round Balers, a new concept in round balers. It forms bales with a soft center for better curing and a tight outside for better weathering. Regardless of the type of hay, bale starting problems are virtually eliminated even in such crops as milo stalks and peanut hay with less leaf loss.

For a demonstration of this baler, the McKee Bale Rustler (hauls 5 big bales), or Kuhn rakes, call . . .

Valley View Ceremony Units
Vickie Muller and Mark Pels

Miss Vickie Muller, daughter of Mr. and Mrs. C. M. Muller of Valley View became the bride of Mark Pels, son of Mr. and Mrs. Jerry Pels of Pilot Point in a double ring ceremony on Saturday, June 4. Rev. James Braswell officiated in the First Baptist Church of Valley View at 7 p.m., before an altar decorated with baskets of white gladioli and greenery, and pews for guests marked with blue bows.

The bride was given in marriage by her father. She wore a bridal gown designed with white chantilly lace bodice and multi-tiered ruffled lace skirt that swept aisle-wide to cathedral length. Her fingertip veil of illusion was lace-edged and attached to a Juliet cap. Her bridal bouquet was of daisies and gypsophylla. For sentiment, she carried her grandmother's rosary.

Attendants

The bride's sister Mrs. Donna Allen of Gainesville was her matron of honor and another sister, Julie Muller of Valley View and the groom's sister Brenda Pels were bridesmaids. Patti Selder, bride's cousin of Era was junior bridesmaid. Flower girls were Lori Alexander and Holly Muller, both of Valley View.

They were identically dressed in light blue batiste formals with scooped necklines, puffed sleeves and a self-fabric ruffle at the hemline. They each carried a single carnation with light blue streamers.

Gary Selder of Era, bride's cousin, was ring bearer.

Sam Wright of Pilot Point was best man and groomsmen were Larry Bartel of Pilot Point and Harold Schon of

Aubrey; and Michael Alexander was junior groomsman.

Wedding music included "This Is Love", and "Color My World". Cindy Hudspeth was vocalist, Janet Hudspeth was the pianist and Jane Alexander was organist.

A reception was held at the Moose Lodge of Gainesville. Brenda Muller, bride's sister-in-law and Jeanne Alexander, bride's sister presided at the punch service. Wanda Cargile, groom's sister and Jackie Barber of Valley View served the wedding cake. Guests were registered by Kim Barthold and Pattie Hobbs of Valley View.

For their wedding trip the bride wore a two piece blue and white suit. They will live in Pilot Point on Route 1. The bride will be a 1978 graduate of Valley View High School and the groom is a 1973 graduate of Pilot Point High School.

NEWS OF THE SICK

Henry Huchton returned to his home on May 31 recovered from surgery at Muenster Memorial Hospital. He underwent the amputation of his left leg, below the knee, on Saturday, June 4 and is making satisfactory recovery.

A man whose normal weight is 150 pounds should weigh about 50 pounds if all the water in his system were dried up.

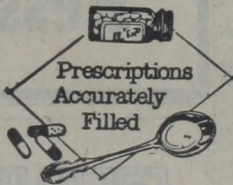

Murlin Ray Evans, kindergarten graduate of Muenster Public School, son of Mrs. Lupe Evans and grandson of Ray and Pearl Evans, was admitted to Children's Medical Center in Dallas on Tuesday, June 7, where he is scheduled to undergo open heart surgery on June 9, to correct a birth defect. He will be in the hospital for approximately one week and will appreciate hearing from friends and classmates. Cards and letters should be sent to Children's Medical Center, 1935 Amelia St. Dallas, Texas 75235.

Mrs. Nick Yosten was dismissed several weeks ago from Muenster Memorial Hospital and is dividing time among her children since leaving the hospital. A son and his family, Mr. and Mrs. Gilbert Yosten and four children of Hereford visited her over the Memorial Day weekend.

Miss Theresa Luke has been dismissed from Muenster Memorial Hospital where she was a patient for treatment of pneumonia. She is continuing convalescence at Frontier Manor of Gainesville. She enjoys cards and will appreciate company. Her address is Frontier Manor Care Center, 1907 Refinery Road, Gainesville, 76240.

Mrs. Clem Reiter is a medical patient at Muenster Hospital, since entering last week Wednesday, and is improving nicely.

John A. Fisher was dismissed recently from Muenster Memorial Hospital after being a surgical patient for one week.

19 Pupils Appear In Piano Recital

A piano recital on Tuesday, May 24 presented nineteen pupils of Mrs. Thomas Dankesreiter, in the Muenster High School Auditorium at 8 p.m.

Solo selections were offered by Karen and Sharen Wolf, Clifford Boggess, Brenda Felderhoff, Joe and John Koerschner, Teena and Cindy Tisdale, Brad and Amy Henschel, Laura Flusche, Dana Dankesreiter, Jenny Felderhoff, Sondra Trubenbach, Angela Bartush, Christi and Mary Margaret Rohmer, Deanna Walterscheid and Sharon Henschel.

Duets were presented by John Koerschner and Clifford Boggess, Teena and Cindy Tisdale, Christi and Mary Margaret Rohmer, Dana Dankesreiter and Laura Flusche.

Trophies were awarded to winners in two contests held during the year: for 50 selections mastered — Teena Tisdale 1st, Dana Dankesreiter 2nd, Cindy Tisdale 3rd. For 100 selections mastered — Dana Dankesreiter 1st, Deanna Walterscheid 2nd, Teena Tisdale 3rd.

Each student received a Certificate of Accomplishment. Group pictures were made following the close of the program and punch and cookies were served to a large crowd of parents, grandparents and friends.

Mrs. Hoagland Is Hostess for MAP

A delightful pool party for MAP, hosted for the third year by Mrs. Ronnie Hoagland at her home, was attended by 83 senior citizens Tuesday.

Guests gathered at 4 p.m. for table games and visiting. Tables were set up around the pool and in the pool house. A fried chicken dinner was served at 6 p.m., prepared by SH School Lunchroom personnel. A special guest was Father Alan Ryan M.M. visiting missionary.

Hess Twins Have Birthday Party

Mr. and Mrs. Earl Hess entertained on June 3 to celebrate the second birthday of Darlene and Marlene, their twin daughters. Guests were the girls' grandparents, Mr. and Mrs. Julius Hermes Sr. and Mr. and Mrs. Albert Hess, also their godparents Mr. and Mrs. J. D. Fleitman and Mr. and Mrs. Leo Hess. Other guests were Virgil Hess and Pat Hermes. A fried catfish supper was served and was followed with birthday cake and ice cream.

Golden Wedding

Donna Schumacher, Monica Haverkamp, Deanna Wiesman and Gretchen Forgy.

Ushers were grandsons: Monte Haverkamp, Curtis Wiesman, Rudy and Larry Schumacher.

Two large arrangements of yellow gladioli in gold containers adorned the altar.

Reception

At the Community Center, a happy hour preceded dinner catered by the Ed Schneiders. Sherri Boydston and Deanna Wiesman were at the registration table. Three hundred and fifty guests attended. The registration table was covered with white lace and held the anniversary candle, an arrangement of daisies, the honorees' wedding picture and another of the couple and their attendants. The anniversary candle was hand-made by Mrs. Henry Voth, Jr. Two anniversary remembrance plaques were displayed.

The main table held the anniversary cake, flanked by an heirloom treasure, the Spaeth family's pair of gold, branched candelabra, holding votive lights. Also daisy arrangements, gold streamers and the basket of roses. Guest tables were decorated with a gold center streamer and candles.

John Schumacher was master of ceremonies at dinner and gave a life-history of his grandparents.

The 50 year bride wore a light pink knit formal with a lace over-jacket and a white orchid corsage. The costume, an original, was designed and made by Mrs. Boydston (Joyce). Mrs. Kneupper was in mint green and her corsage was of yellow carnations. Children and spouses had white carnations corsages or boutonnières.

Grandchildren Dana and Lisa Wickliffe and Deanna Wiesman assisted in serving the handsome anniversary cake which was a conversation piece, receiving much appreciative attention during the evening. It held a cluster of pink silk carnations, reminiscent of the fresh pink carnations that ornamented the original wedding cake. It was made and served by a sister-in-law, Mrs. Henry Spaeth of Gainesville. The tiered confection held miniature figurines representing the goldenweds and their children, with rosebuds representing grandchildren and the great-grandchild. Topped with the numeral 50, it depicted the family of Mr. and Mrs. Alois Haverkamp on their golden wedding day.

Out of Town Guests

Among out of town relatives and friends attending the Mass and reception were the following families: Richard Schumacher of Gainesville, Walter Haverkamp of Whitesboro, David Forgy of Dallas, Leroy Wiesman of Tulsa, Travis Wickliffe of Irving, and Robert Haverkamp of Cairo, Egypt, joining the Gilbert Boydston family of Muenster.

Also Messrs. and Mmes. Frank Evans of Pilot Point, Richard Grass of Howe, Rainard Walterscheid of Jacksboro, Arnold Schilling of Saint Jo, Don Wiese of Fort Worth, Mike Holder of Amarillo, Mark Kuta and family of Kansas City, Joe Spaeth and family of Longview, Everett Spaeth of Dallas, and Mrs. Georgia Berry and son James of Dallas. Also John Schumacher and a friend of Canyon, Allan Spaeth and a friend of Dallas; and Debbie Reynolds and Mary Hess, both of Dallas.

Also Messrs. and Mmes. Willard Zimmerer of Dallas, Bob Hulstrand of Dallas, Glenn Schoech of Irving, Ronnie Felderhoff of Denton, Ferd Haverkamp of Carrollton, Ramie Hesse of Denison, L. Walker of Whitesboro and Ray Prestage of Whitesboro, and Sister Anselma Haverkamp and Sister Lutgardis Felderhoff, both of Jonesboro.

Others attending were a large number of relatives and friends from Gainesville, Lindsay, Myra and Muenster.

Confetti

San Francisco, Milwaukee, Albuquerque, and dozens of other cities. To make matters worse they have pressured for their demands in the worst of union tradition . . . by enforcing with goon squads who destroy property and rough up the opposition.

The organization conducting the poll on unionizing the armed services has good reason to ask for a landslide of opinions in support of its position. Hopefully it will get the word to Congress and the President not to allow this kind of national catastrophe.

In the last analysis we can't overlook the fact that the nation is already in a sad condition . . . as indicated by the big effort to mobilize opposition in Washington against the scheme. It's downright distressing to think that the

members of congress need to be warned about it

As it looks from here, the people representing us should wake up to their responsibilities. Besides disallowing this dictatorial scheme of the union bosses, they ought to repeal the law allowing unionization of other federal, state and city employees.
