OCTOBER 24, 1986

City files application for solid waste site

THE CITY OF MUENSTER has filed Application No. 1870 with the Texas Department of Health for a permit to operate a proposed Type III municipal solid waste disposal site to be located north of Muenster, adjacent to and on the south side of FM Road 373 at a point approximately 10.6 miles from the intersection of U.S. Highway 82 and FM Road 373 in Muenster.

The application covers approximately 14.8 acres of land and seeks a permit to receive solid wastes under the regulatory jurisdiction of the Department for disposal or other processing in accordance with the said Department's "Municipal Solid Waste Management Regulations." A technical review of the application is being made by the Department's Division of Solid Waste Management and various State and local agencies which have a jurisdictional interest.

Before the issuance or denial of a

permit, an opportunity for a public hearing on the application will be provided pursuant to the Texas Solid Waste Disposal Act (Article 4477-7, Vernon's Texas Civil Statutes) and the Administrative Procedure and Texas Register Act (Article 6252-13a, V.T.C.S.). If a hearing is requested by an affected person having a justiciable interest, or if after completion of the technical review of the application the Division of Solid Waste Management determines that a public hearing should be held, notice of such hearing will be published in a newspaper of general circulation in the area where the site is located at least thirty (30) days prior to the date of such hearing.

Additional information concerning this application should be requested from the above-named applicant or from the Division of Solid Waste Management, Texas Department of Health, Austin, Texas; phone (512) 458-7271.

Muenster receives \$5,745.22 in taxes

State Comptroller Bob Bullock last week sent checks totaling \$55.4 million in local sales tax to 1,033 cities that levy the one-percent city tax. Bullock said 1986 payments to

date were down .6 percent as compared to the payments to date in October last year. The decrease in the checks is a continuing reflection of the downturn in the Texas economy, he said.

October checks represent taxes collected on sales made in August and reported to the Comptroller by Sept. 20.

Cooke County received \$68,222.98, compared to \$74,676.38 received in October last year reflecting the suggested economic downturn. However, total payments for the year are still 2.36 percent higher than last year's total at this time.

Compaign local communities, Gainesville received a check for \$56,108.02; Lindsay received \$5,710.05; Muenster \$5,745.22; and Valley View \$659.69.

DON'T FORGET! Standard Time returns on Sunday morn

Daylight Saving Time ends at 2 a.m. Sunday. An extra hour of sleep will be an extra bonus if clocks are turned back one hour at bedtime Saturday night. That's the hour you lost last April.

HERMAN EBERHART shows the rattlesnake he shot last Friday evening, Oct. 17, north of Muenster. Eberhart spotted the 5'2" reptile while driving, stopped and shot it before the snake could escape. He counted 13 remaining rattles.

Jaycee Trap Shoot set for Saturday

Muenster Jaycees will hold a Trapshoot and membership drive on Saturday, Oct. 25, at 2 p.m. at the J.P. Flusche farm three miles north of Muenster.

Everyone is welcome to attend. There will be a \$2.00 entry fee for contestants, and cash prizes will be awarded.

Directions to the area will be indicated by orange flags. More information may be obtained from Kim Walterscheid, 759-4630.

Election notes for Nov. 4 general election

by Christi Klement

Remember the yellow postcard-size voter's registration certificate you received in the mail earlier this year? That card has become a necessary item for the voter wishing to cast a ballot in the Nov. 4 election.

To avoid a slow-moving voting line, everyone is asked to bring his or her signed card when they come to vote in the general election on the first Tuesday of November.

Elected that day will be members of Congress, Legislature and state, district, county and precinct officers; and proposed Constitutional Amendments will be adopted or rejected.

The law clearly states that a person wishing to vote, but having no certificate, must complete an "affidavit of a voter without a certificate who is on list." (Sec. 63.008). This form is required in addition to the usual mandatory signature on the roster.

Also, voters are only eligible to vote in the precinct in which they live even though the precinct number on their voter's registration card may be wrong.

A change in the polling place for the North Muenster voters will be in effect for the first time on Nov. 4. Precinct 18, or North Muenster voters, will vote in the main hall of the Sacred Heart Community Center on North St., using the front (west) entrance. This location provides easy access for wheelchairs and will eliminate long flights of stairs for people to climb.

As in the past, Precinct 17's polling place will be at the VFW Hall for South Muenster voters. Janet Fisher will preside as election judge with Annette LaCoe as alternate. Christi Klement will be election judge for Precinct 18 with Mary Endres as alternate. The Cooke County Commissioner's Court appointed the alternates who are representatives of the Republican Party.

Special interest for the North Muenster voters is the Precinct 4 Commissioner's Race in which Wayne Trubenbach will compete for the title. Trubenbach gained his

spot on the ballot after defeating Gerald Walterscheid in a runoff in June. Trubenbach's opponent is declared write-in candidate Rosalee Bayer.

Mrs. Bayer, present Commissioner, accepted the position for the unexpired term of her late husband, Robert Bayer.

Turnout for Nov. 4 is expected to be heavy in Muenster boxes where the percentage of ballots cast by registered voters is normally substantially higher than statewide voting.

Both polling places will open doors at 7 a.m. and close at 7 p.m.

WAYNE TRUBENBACH

TEAMS test a must!

State law has mandated that all high school students pass the Exit Level Texas Educational Assessment of Minimum Skills (TEAMS) Test prior to graduation.

Muenster High School will administer the Mathematics section on this test on Tuesday, Oct. 28. On Wednesday, Oct. 29, the Language

Arts Section will be given. Both sections of the test are untimed and the administration will begin at 8 a.m.

Students will have opportunities to take TEAMS in both the 11th and 12th grades. If a student passes both sections the first time, they will not be retested.

If a student does not pass one or both of the test sections, they will be retested only on the section not mastered.

This is the second year TEAMS has been in existence. All seniors this year must have passed the TEAMS test in order to receive their diplomas.

As 50th anniversary approaches...

Enterprise plans special edition

The Muenster Enterprise will publish a special edition in observance of its fiftieth anniversary on Thanksgiving Day 1986, including a complete reprint of its first issue, Vol. 1, No. 1 dated Nov. 27, 1936.

Anticipating the event, we are requesting old pictures from the early 30s, approximately 1930 to 1940, for use in the special edition and possibly continuing throughout the year.

We also request pictures that are older than 50 years, for the same purpose. We will treat all pictures loaned to us with "tender, loving care;" and give credits to the owners; and will return all pictures before publication.

Because of the extra work involved, we must begin many weeks before publication. Please offer your pictures soon.

The first issue of The Muenster Enterprise reached the first subscribers on Thanksgiving Day 1936, year of the Texas Centennial. Through this reprint it will become

available to at least two more generations of subscriber-readers. The anniversary issue will be a limited edition and reprints of the first issue of 1936 will be available only in this issue.

In addition, we will continue to reprint, each week "Fifty Years Ago News Headlines" and choice bits of news items of special interest from that very first year. Each week we will highlight exact copies of ads placed in 1936. We also plan to use more Photos From The Past. For that, we turn to owners of such pictures.

All of this makes subscribing to The Muenster Enterprise even more attractive. Sending a gift subscription to relatives, friends or former residents is a wise choice and a thoughtful Christmas or birthday gift. A gift subscription may also express "Thank You For Your Hospitality," or "Get Well Soon" or simply "Muenster Is A Good Place To Live."

Good News!

That part of mankind which escaped the plagues did not repent of the idols they had made. They did not give up the worship of demons, or of gods made from gold and silver, from bronze and stone and wood, which cannot see or hear or walk.

Neither did they repent of their murders or their sorcery, their fornication or their thefts.

REVELATIONS 9:20-21

MUENSTER AREA FARMERS bring their loads of cotton to the Muenster Cotton Gin Co., located a short distance southwest of the M.K. & T depot. The first cotton gin in Muenster was originally built by M. Coursey, then purchased in 1906 by John Jander. The Jander Cotton Gin was sold in 1912 to Henry Ruwaldt; his son Ed worked the scale and was the bookkeeper. Shorty Muller was a packer at the gin for many years. In 1916 a

new gin was constructed in North Muenster on the west side of Main Street by W. Lee Stock and Wm. Walterscheid. This gin was operated by large oil-burning engines, an advancement over the steam-powered engines used in the above gin. Special thanks to Mrs. Odella Detten for sharing this Photo Of The Past with The Enterprise readers.

Muenster 4-H Club report summer's activities

The Muenster 4-H Club has been very busy since it re-organized for the year.

Fifteen reports on the summer activities were given on such places and the activities involved as Washington D.C. - citizenship short course and heritage tour; Michigan - seminar on leadership; Austin, TX - 4-H Congress; Trinidad, TX - District Leadership Lab and Leadership Retreat; Gainesville - County mini camp, county office training and covered dish supper, local officer training and swim party, County vegetable show, Sesquicentennial square dance, State Roundup craft competition (leathercraft won 1st place for miniature saddle made by Wayne Becker); Muenster - local club swim party and hot dog supper, litter pickup for "Adopt-A-

Highway" and the local garden project. These reports were given by Stephen, Wayne and Werner Becker, Sherilyn Sicking, Jared and Vickie Bayer, Marcia, Amber and Rodney Vogel, Michael Prof-fer and Dana Hess.

Reports were given on the County Council meeting, the Awards Banquet decorations workshop, local 4-H Family Night covered dish supper, County 4-H Awards Banquet, local members were recognized for their awards, and Friends of 4-H reception. The Muenster 4-H Club was awarded a silver seal for work accomplished. It was announced that attendance at local club meetings prevented the club from receiving a gold seal. All members are urged to attend the monthly meeting. These reports were given by Werner Becker,

Weldon, Amy, and Jared Bayer, Sheila Huddleston, and Sherilyn Sicking.

There were eight entries in the record book county competition from Muenster. Six of these went on to District competition with one district winner. Sherilyn Sicking won in her category on Recreation in the Junior Intermediate group.

New business included voting on a donation to be made to the Sandy Yarbrough scholarship fund. This vote carried. Mrs. Yarbrough died as a result of an accident which occurred on the County Livestock grounds. She was a 4-H leader and an inspiration to all 4-H'ers and leaders.

Leaders for the Junior Foods and Nutrition project were announced. They are Edna Knabe, Kathy Vogel and Staci Sicking.

Stephen Becker reported on the Senior Foods and Nutrition project already underway.

It was announced there would be a bake sale in Gainesville on Oct. 18 from 10 to 4 on the courthouse square.

A planning meeting for the Foods Show to be held in November will be held at the Gainesville Library Meeting Room on Wednesday, Oct. 25, at 4:15.

Sign-up sheets were set out for Foods and Nutrition, show animals, Share the Fun, small engines project, and crafts, including leather, ceramics, model cars and Indian ink.

Wayne Becker presented a program about dairy animals and Stephen Becker presented a program on sheep and showed his slides of his two-week tour on the Citizenship Washington Focus.

Please! Take responsibility when preparing for Halloween

Strange and fantastic creatures will soon invade quiet neighborhood streets. Recreation centers will welcome groups of oddly costumed youngsters. Once again, Halloween arrives with all of its enjoyable frights and scares, and Texas Safety Association offers some tips to keep it happy, safe and "deliciously scary."

Dangers that can ruin your child's Halloween thrills:

*** MASKS:** If a mask inhibits vision, it could contribute to a bad fall or a pedestrian accident. Sharp points or edges can scratch the skin or catch on other materials. Make certain masks fit securely, with large enough eye, nose and mouth openings for unrestricted breathing and sight. Consider using non-toxic face paints or makeup instead of masks.

*** COSTUMES:** If the costume material is easily flammable, too long or flowing, or too dark, a

child's safety could be at stake. Look for fire-resistant costumes that fit comfortably, and use reflective tape as part of the costume design.

*** NEIGHBORHOOD ROUTE:** If a child is unfamiliar with a new neighborhood or visits another area, he or she could become easily disoriented in the dark and then lose the way home. Pre-plan your child's route a day or two ahead. Arrange for an older brother, sister or family friend to accompany the young "Monsters" if a parent or other adult is unavailable. Be sure each ghost, goblin, or princess carries a flashlight or light stick.

*** YARD AND DRIVEWAYS:** Garden tools, hoses, trash cans, etc. can trip up even the most careful visitor in the dark. Clear the outside of your home so that your treats come without any threats to safety, and keep the area well-lighted.

Miles Homes announces 7.7% financing

Miles Homes announces 7.7% APR construction loans for up to two years on their entire 1986 product line.

Miles Homes is a leading manufacturer of pre-cut homes for the owner-involved homebuilder. According to the company, the 7.7% construction financing applies to homes ordered before Oct. 30, 1986 and delivered by April 30, 1987.

Owner-involved housing has gained in popularity during recent years. Savings on high labor costs is one of the major reasons customers decide to become involved in the construction. In addition, participating in the construction allows them the opportunity to customize and personalize their home.

"Studies show us that the most

important part of our program to most customers is no down payment is required and Miles will provide construction financing for up to two years at below market interest rates," says Glenwood Hollon, local representative of Miles Homes.

Building a pre-cut home requires hard work and determination, but Miles Homes seems dedicated to making the process as uncomplicated as possible. In addition to supplying pre-cut materials, they label many of them and provide step-by-step instructions to help customers through the various stages of construction. Also, about one third of the models are available with panelization. Panelization is the process of assembling the exterior and interior stud walls in the factory prior to

shipment to the job site. The pre-built stud wall sections make it easier and faster for the owner-involved homebuilder to complete the rough framing portion of construction.

"TEXAS" has been a large part of the Miles Homes market for over 10 years. Proving that the pioneering spirit is alive and well in "TEXAS."

Another advantage for North Texas customers, being that one of Miles Homes five plants is located in McKinney, Texas. With the McKinney plant shipping material

to several surrounding states.

Miles Homes, founded in 1946, is the nation's largest supplier of pre-cut homes for the owner-involved homebuilder. Nearly 30,000 of the company's models have been built by their owners. For details on the qualification requirements of the 7.7% Construction Financing Program and Miles Homes FREE fact finding seminars in your area write to: Miles Homes, Glenwood Hollon, Ind. Agent, P.O. Box 3003, Denton, TX 76202, or call 817-458-4469.

Texas Utilities asks for refund

Texas Utilities Electric Company has announced its plans to file in November its third application of 1986 asking the Public Utility Commission to authorize a refund of fuel cost savings to its customers. The refund, totaling approximately \$58 million, including interest, is the result of lower fuel costs in July, August and September.

Because the fuel cost savings are expected to continue in 1987, TUEC will also ask the PUC to approve lower fuel charges.

The company will ask the PUC to authorize the refund at the earliest possible date, which probably would be in January, through a credit to customers' bills.

Under the company's proposal, the residential customer with an average January usage of 1200 kilowatt-hours would receive a refund of about \$10.00.

The refund will be made in accordance with the PUC's fuel rule requiring refunds to be made if amounts over-recovered from customers exceed four percent of an electric utility's authorized annual fuel costs or \$40 million, whichever is lower.

Decreasing market prices of natural gas and the company's continuing efforts to obtain lower-priced gas supplies have resulted in lower fuel costs than expected in late 1985 and throughout 1986.

As a result, the company requested a five percent reduction in fuel charges that was approved by the PUC effective with March 1986 billings. Refunds totaling \$205 million have been authorized.

Approximately \$140 million was refunded in May, and \$65 million is being refunded on customers' October bills.

Company Senior Vice President Tom Baker said the company will continue to purchase the lowest-priced fuel supplies available in order to provide further savings to its customers.

Texas Utilities Electric Company provides electric service to about one-third the population of Texas through its operating divisions - Texas Power & Light, Dallas Power & Light and Texas Electric Service.

National honor fraternity initiates at CCC Oct. 22

Psi Iota Chapter of Phi Theta Kappa, the national honor fraternity of community colleges, initiated 13 members Wednesday, Oct. 22, at 7 p.m. in the Activities Center of Cooke County College.

Qualifications for membership included achieving a 3.5 grade average (half "A's" and half "B's") one semester, maintaining an overall "B" average and being recommended by two faculty members.

Featured speaker at this fall's initiation was Charles Draper,

manufacturing manager of DeSota, Inc. and President of the Gainesville School Board. He spoke on "The American Dream," the honors topic of Phi Theta Kappa for this year.

Initiates included Betty J. Farmer, Terri Lynn Graves, Wally Johnson, Cindy Sue Rosson, Renee Schrienerjan, David I. Scott, Flora Wright, all of Gainesville; Kendall Holland, Forestburg; Jill Mann, Bowie; Lois Anne Page and Ray Sappington, Valley View; Amy Sue Reiter, Muenster; and Bill Taplin, Alford.

Sacred Heart Letterman's Club meets Oct. 22

At a specially called meeting on Oct. 20, the Sacred Heart Letterman's Club met to address a 15-item agenda. The meeting was opened with a prayer by Vice-President Sharon Henschel. Secretary Kerry Haverkamp reviewed the minutes and Treasurer Steve Knabe gave the financial report. Under the direction of President Craig Voth, the agenda was covered thoroughly and quickly.

Under new business, the Letterman's Club, after much discussion, revised Article VI concerning the yearly dues. The yearly dues have been eliminated with the intent that all members will continue to work on major projects.

The next items under new business was the discussion of a minimal balance to carry over each year. Unanimously, the members set a balance they wish to carry over for the future years.

The revision of track records and the new track boards were discussed and a committee was set up for this development. The committee is to report to the general assembly at the regular monthly meeting to inform the assembly of the progress.

Progress on the school announcement sign was discussed and a committee was set up to work with Bert Hesse on development and installation. The committee is to look into the cost of the project with the Student Council and the upkeep of the sign.

After discussion of yearly expenses, the Letterman's Club unanimously agreed to pay for all athletic lodging that may be incurred to state athletic events. Leaving transportation and meals up to the participants, school or any other financier.

New athletic equipment was a major item discussed with primary emphasis placed upon uniforms. It was decided that the athletic program needs many things but track warm-ups and boys' basketball jerseys were the two major items under discussion. At this time the committee will look into the purchase of track warm-ups and if funds are available the purchase of boys' basketball jerseys this year or next.

Yearly fund-raising projects were brought up for review and the Club will continue the program ads and rejuvenate the Germanfest parking. Other fundraising items under consideration are the 50/50 drawing, basketball program ads, bumper stickers, T-shirts, etc.

The Letterman's Club hopes to bring back a special meaning to the organization besides being a finan-

cial backbone for athletics. The club discussed ideas for this and the possibility of some group outings. The meeting adjourned at 8:35 and all committees are to report on their projects by the regularly-scheduled meeting date of Oct. 27.

The Constitution of the Letterman's Club is as follows:

CONSTITUTION OF THE LETTERMAN'S CLUB

ARTICLE I: The name of this club shall be the Letterman's Club.

ARTICLE II: The purpose of this club is to inspire athletic achievements and to raise money to support the athletic department.

ARTICLE III: To become a member of this club one must have lettered in one sport and be active in athletics.

ARTICLE IV: Officers - Section 1 - The officers shall be president, vice-president, secretary, treasurer or secretary-treasurer. Section 2 - Officers must have lettered two years in a varsity sport. Section 3 - Elections shall be held on the first Tuesday of May each year. Section 4 - Voting shall be by ballot and the person with the highest number of votes is elected to that office.

ARTICLE V: Meetings - Regular meetings shall be held once a month and called meetings when necessary.

ARTICLE VI: Dues - Each member of the Letterman's Club is to pay \$0.00 a year for their dues.

ARTICLE VII: Amendments to this Constitution may be made by 2/3 of the members.

R.C.I.A. to begin at Sacred Heart

Anyone interested in deepening a relationship with Jesus Christ and becoming a full member of the Catholic faith is invited to become involved in a process called Rite of Christian Initiation for Adults. It will meet on Sundays, 9-10:30 a.m. in the basement of Sacred Heart School beginning Oct. 26 and continuing through May.

Catholics desiring to learn more about their faith are welcome as well. If interested, call Barbara Fuhrmann, 759-4067 during the day.

The Enterprise has accumulated a number of pictures of brides, engagements, birthdays, etc. during the years. To make space for similar pictures that continue, we urge individuals to come in to pick up photos they have furnished. Please remember the date, month or week when your picture was used.

Six sisters and a brother hold reunion

Mr. and Mrs. Bernard Wolf were in Midwest City, Okla. recently to visit on Saturday with Mr. and Mrs. O.E. Wayland. Mmes. Wayland and Wolf are sisters.

ON Sunday they went to Edmond, Okla. where they attended 8 a.m. Mass at the Carmelite Order of St. Joseph Church. Mrs. Wolf's brother, Ray Lueb, was one of the building contractors; he built the dome of the chapel and took them to view the structure.

All were Sunday dinner guests in

the home of Ray and Toni Mae Lueb of Edmond. Other dinner guests were Mr. and Mrs. Tony Wimmer of Muenster, Mr. and Mrs. Marcus Fuhrmann of Lindsay, Mr. and Mrs. Oddis Minnick of McCloud, Okla. and Mr. and Mrs. Bob Metcalf of Oklahoma City. The six sisters are Agatha, Loretta, Cathy, Clara, Louise and Anna Mae Monaghan of Wylie, who missed the reunion.

The Wolfs remained with the Waylands Saturday through Monday.

Quality. It's as important in diamonds as in anything else you own.

There's more to a diamond than meets the eye.

The differences between diamonds are subtle indeed. But to people of discriminating taste, it's quality that makes all the difference. Sanders can show you high-quality diamonds in all sizes. They simply look better and will enhance your jewelry, no matter what the design.

ANTHONY LUKE

Art class expands into two sections

Increased interest in the art classes being offered to local secondary school students by Cooke County College, and requests by adults wanting a similar "mini-course" in "Fundamentals of Art" have prompted the Division of Continuing Education of CCC to open an adult section, both offered at M.H.S. by the same instructor.

Classes will be held on con-

secutive Monday evenings, Oct. 27-Dec. 8, 6:30 to 8:30. Fee for the class is \$38.00 and registration is open through Oct. 27.

The class has been moved from the homemaking lab of Muenster High School and will be held in its old Science Lab. More information is available from 817-668-7731, ext. 223, Linda Mast, Division of Continuing Education, or Muenster High School, 759-2282.

Mu Epsilon chapter of Delta Kappa Gamma

The first meeting of the Mu Epsilon chapter of Delta Kappa Gamma met Monday in the Gainesville TP&L building at 7 p.m. President Pat Stewart presided and welcomed three guests from the Gamma Sigma Chapter: Janice Cravens, Carol King and Wanda Kite. Roses were presented to the Gamma Sigma Chapter in appreciation for sponsoring the Mu Epsilon Chapter of Delta Kappa Gamma.

Helen Schaffer gave the inspiration to 17 members. During the brief business meeting, the membership chose the third Monday at 7 p.m. for their regular

meeting. Carol King outlined the program theme for 1986, The Evolving Learning Environment - "Problems, Promises, Prospects." The following committees were appointed: Ceremonial, Finance, Constitution, Membership, Historical, Program and Music. Each committee was given assignments and will report at the next meeting.

Members were reminded to bring personal data sheets to the next meeting. A car pool was planned for the Fall Workshop in Lewisville Oct. 25. Mary Ann Foster served refreshments to the members after the business meeting.

Era Honor Roll is posted for six weeks

The Era I.S.D. has announced the honor roll for the first six weeks. Students with an average of 90 or above for the first six weeks of the 1986-87 school year are as follows:

Sixth Grade: Laurie Allison, Gayle Lange; **Seventh Grade:** Clint Alphin, Jeremiah Bentley, Joey Morris; **Eighth Grade:** Dillon En-

derby, Angela Hansard; **Ninth Grade:** Karen Pope.

Also, **Tenth Grade:** Misty Barthold, Brian Downe; **Eleventh Grade:** Brian Raney; **Twelfth Grade:** Jennifer Biffle, Lori Brown, Kevin Hinzman, Jerri Kelley, Peter O'Connor, Dayna Peyrot.

Choir members awarded service pins...

Anthony Luke marks 50 years

Anthony Luke has completed 50 years as organist for Sacred Heart Church. He was honored by the Sacred Heart Men's Choir Saturday evening at a surprise party in the meeting room of the Community Center.

Choir President Alvin Fuhrman presented a plaque marking the occasion and the 50 years it signified to a much-surprised Tony. He and his wife, Leona, did not suspect the reason for the choir meeting and annual dinner hosted by Father Denis that evening for choir members and their wives in the meeting room where the choir practices routinely.

Fuhrman pointed out in his presentation that Luke "has shown a rare devotion and dedication to his job as organist. In the early years he played for all High Masses, funerals, weddings, vesper services, evening and novena devotions. For several decades, he played the organ at 6 a.m. High Masses and anniversary Requiem Masses, often several times a week. Frequently only one or two choir members could be present, and sometimes in later years when none could attend he played the organ and sang the High Mass himself. After the death of Choir Director Leo Henscheid, Tony became director as well as organist."

Historically, Fuhrman related, Anthony Luke began his service to the parish on the first Sunday of June 1936, following his music teacher, Sister Leonarda Foehn O.S.B. who spent an interim year accompanying the Sacred Heart Men's Choir after the death of its organist, Mrs. Joe (Bertha Hoening) Trachten in a car accident.

Tony was 17 years old at the time, and the choir members were old enough to be his father or grandfather. Fuhrman added "You'd have to know the members of the choir in 1936 to fully appreciate how he must have felt."

Tony was a second-generation musician, grandson of the parish's first church organist, John Luke, Sr., who began playing the organ and directing the choir in 1902, when he moved to Muenster from Leopold, Mo. The senior Luke continued until 1927 when diminished hearing and eyesight forced him into retirement. Tony's father, the late Ben Luke was also a long-time member of the choir's 2nd bass section.

Sister Leonarda substituted for

Tony while he was in military service in WWII. Only one week after his return to civilian life, Sister Leonarda suffered a broken arm in a fall and Luke was pressed to return to the organ and has continued to the present time.

The family's third generation in the field of church music as organist and choir director is represented by Frank Luke, oldest son of Tony and Leona who is in his 24th year as student, accompanist and soloist now serving two parishes in Hallettsville, Texas. He is organist and choir director there for Sacred Heart Church and plays for services at St. James Episcopal. He also teaches a number of organ students there. When he was a student himself, he gave his master's recital just prior to graduation from St. Louis University.

Tony and Leona are parents of four children, Frank, Melvin of Muenster, George of Corpus Christi, and Mary of Bedford. There are five grandchildren, Jacob, Jesse, Josh of Muenster and Ryan and Morgan Rose of Corpus Christi.

Following presentation of the plaque and historical data by Alvin Fuhrman, Henry Yosten presented service pins to choir members, listing years of membership. Receiving pins were Clem Hofbauer, 58 years; Werner Becker, Sr., 53 years; Lawrence Wimmer and Tony Luke, 50 years; Martin Becker, 43 years; Alfons Koessler and Alvin Fuhrman, 39 years; Henry Yosten, 32 years; Val Fuhrmann, 27 years; Gene Gieb, 23 years; Doug Yosten, 17 years; Gene Vogel, two years; and Randy Fleitman, one year.

All members signed a card wishing a speedy recovery for Clem Hofbauer who was ill and unable to attend.

Choir President Alvin Fuhrman also presented to Henry Yosten, choir librarian, a Certificate of Appreciation signed by all members, Father Denis and Father Victor, for the valuable assistance Yosten provides to the organist in

selection, and to the members in having music in readiness and to the pastors in coordinating music with liturgy. Henry Yosten replaced his uncle, Leo Henscheid, in this service upon the death of Henscheid.

At the 9 a.m. Mass Sunday in Sacred Heart Church, Father Denis made a special note of the occasion in his remarks following the homily.

Jennifer feted as Princess at homecoming

Jennifer Fuhrmann, daughter of Tom and Gloria Fuhrmann of Sulphur Springs and granddaughter of Gene and Gladys Gieb and Val Fuhrmann of Muenster and the late Mary Elizabeth Fuhrmann, is the Homecoming Princess for Sulphur Springs High School. The ceremony was held before the football game on Oct. 3 when Sulphur Springs Wildcats played North Lamar Panthers of Texarkana. Jennifer is one of the 280 high school seniors and is one of the varsity cheerleaders. She was chosen for the princess honor over 11 other candidates. Her three grandparents from Muenster attended the game and spent the weekend.

JENNIFER FUHRMANN

Baptism

Gehrig

Karen Jean Gehrig, daughter of Mr. and Mrs. Jim Gehrig, was baptized in Sacred Heart Church on Sunday, Sept. 28, at 12:30 p.m. with Father Denis Soerries officiating for the sacrament and her aunt, Pam Dangelmayr, and her brother, Jason Gehrig, serving as baptismal sponsors.

The baby's christening gown and white eyelet blanket were made by the godmother. Her gold cross and chain were gifts from her brother, Jason, who was home from Subiaco Academy during Fall Break.

Also witnessing the baptism were

Karen Jean's other brothers, Ryan, Michael and Lucien, and her sister, Joanna.

Others attending were the grandparents, Arnold Schilling and Herman and Alma Stoffels; Pam, Joe, Kelly, Glen and Debra Dangelmayr; Donna Russell and Chad; Pamela, Cheryl and Matthew Simmons of Denton; June, Chuck, Stephen, Jackie and Daniel Bartush; Chris, Jana and Lauren Stoffels.

All were dinner guests in the Gehrig home. The special decorated christening cake was made and brought by the baby's Aunt Pam.

Mrs. Lutkenhaus honored by SNAP

An appreciation dinner was hosted by S.N.A.P. honoring Gladys Lutkenhaus on Tuesday, Oct. 14. She is the former director of the S.N.A.P. Center in Muenster, and is now retired.

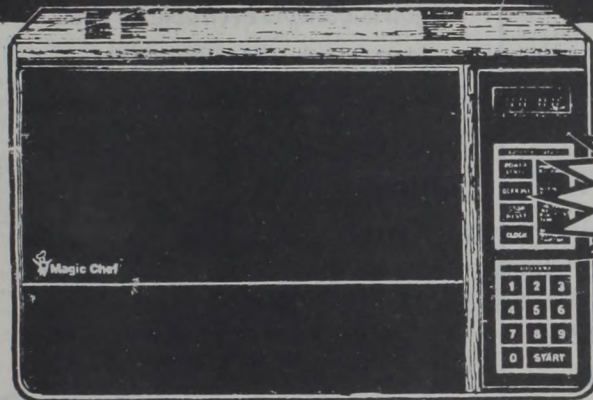

The dinner was attended by Jim Drake, director of the Tri-County Nutrition Project, from Denison. He presented a plaque honoring the nine years of service by Mrs. Lutkenhaus, July 1977 to July 1986.

Fifty attended the dinner; and a specially decorated cake was brought by Betty Rose Walterscheid. Hugo and Gladys Lutkenhaus and family members

enjoyed visiting during the afternoon. Also attending were Jim Krahl, La Christa Krahl and Shelly Krahl.

A personal subscription to The Muenster Enterprise is a wise choice. With reprints of "Fifty Years Ago News Headlines" beginning with our fiftieth anniversary issue on Thanksgiving Day 1986, a subscription will have the added bonus of old memories revived, old scenes revisited, nostalgic Photos From The Past and ads from 50 years ago.

HOSPITAL LANDSCAPING was awarded Yard of the Month honors for November by the Muenster Garden Club. Noted especially were the new Scotch Pine trees planted this year and a "Texas Landscape" theme at the main entrance, featuring cacti, aged logs and rocks. Near the emergency entrance are new olive trees. In an inner court, visible from a

number of patient rooms is a tranquil scene of statues of St. Francis and the Birds surrounded by low borders of flowers and shrubs. Responsible for general good maintenance of lawns and landscaping are Pat Fisher, at right, and Jason Walterscheid, at left.

DUSTIN WALTERScheid

Dustin is two!

Dustin Shawn Walterscheid celebrated his second birthday with his parents, Kim and Lisa Walterscheid, and grandparents Loyd and Gwen Trubenbach and Willie and Queenie Walterscheid.

Also helping Dustin celebrate was his aunt, Toni Trubenbach. Dustin's actual birthdate, Oct. 20, was celebrated with playmates Cindy Tempel and Mandy Fenton in the home of Sandy Tempel. They enjoyed cookies and Kool-Aid and balloon clusters.

Garden Club hears Texas shrubs program

Mrs. Ed Knauf was hostess to the Muenster Garden Club on Friday, Oct. 10, when the group met in her home at 9:30 a.m.

A program on shrubs best adapted to Texas climate and soil conditions locally was presented by Mrs. W.J. Luke. She displayed many specimens of plants good for Texas landscapes, rating them mostly by adaptability and tolerance. Examples and specimens included Abelia, Acuba, Japonica, Boxwood, Camelia, Flowering Quince, Pampas Grass, Cotoneaster, Eleagnus, Eunonymous, Burning Bush, Forsythia, Red Yucca, Rose of Sharon, Hydrangea, Hypericum, Holly (in several varieties), Crape Myrtle, Wax Leaf Ligustrum, Mahonia, Nandina, Cherry Laurel, Indian Hawthorne, Azalea, Cleora, Viburnum, Yucca and Oleander.

The business meeting was presided by Mrs. Paul Endres.

Mrs. Herb Miller led a discussion of the club's participating in Germanfest. Mrs. Arthur Endres discussed an Arbor Day observance and Mrs. Dick Ferber displayed several artificial arrangements she made and suggested saving and starting plants, "slips" and seedlings for Germanfest.

Yard of the Month winners were Pat and Alice Hennigan.

Mrs. John Mosman urged members to turn in their annual record of plants, shrubs and trees started in 1986.

Mrs. Paul Endres reported on the Cooke County Council of Garden Clubs meeting she attended and told that Gainesville will host the District II meeting in the fall of 1988. She said also that the fall meeting of 1986 will offer the opportunity to see the National Chrysanthemum Extravaganza at the renovated Tarrant County Courthouse, when floral design authority, Bob Thomas, will be the speaker. She also read an invitation to the club to attend the Town and Country Garden Club's Flower Show on Thursday, Oct. 30, at the home of Edna Robertson at 312 Ashland Court in Gainesville. The

Senior Citizen Day at Fair Tuesday

Forty-one senior citizens from Muenster, traveling in a chartered bus, joined another busload of Gainesville senior citizens and friends to spend Tuesday in Dallas at the State Fair of Texas.

During the beautiful sunny days of the previous week, they all anticipated a great day at the Fair and were disappointed to hear Monday night's weather forecast of rain and thunderstorms. Tuesday morning dawned cloudy and chilly, sweater weather really, but rain held off until just before they arrived home about 7 p.m.

"Fall Accents" show will be open from 2 p.m. to 5:30 p.m.

Mrs. Herb Miller exhibited the Wildflower of the Month: Eryngium, a thistle.

The next meeting will be held on Nov. 14 in the home of Mrs. W.J.

Luke. Mrs. August Felderhoff will present the program on "Drying Texas Flowers."

The hostess, Mrs. Knauf, served warm sweet breads, fruit salad, coffee and tea to her guests as they arrived.

New Arrival

Felderhoff

Steve and Donna Felderhoff of The Colony are parents of a daughter, born on Oct. 10, 1986 at Trinity Medical Center in Carrollton. She weighed 7 lb. 13 oz. and was 20 1/2 inches long. The baby, named Kelli Lynn, has a brother, Brad 7, and a sister, Kerri,

who is 3. The maternal grandmother, Mrs. Dorothy Zimmerer of Lindsay, spent two weeks with the family. The paternal grandmother is Mrs. Mary Elizabeth Felderhoff of Gainesville. Great-grandparents are Albert and Catherine Kubis of Lindsay and Tony and Theresia Felderhoff of Muenster.

PALMS CELEBRATION OF LIFE

23 October 1986

The Staff and Management of the Park Agricultural Land Management System wish to take this space to recognize the Fiftieth Anniversary of the birth date of their founder and chief executive officer:

CAPTAIN DONALD FRANK PARK

While automobiles are considered antique at twenty years and dogs are old at fifteen, whiskey and wine improve with time. Like the latter two, our inspirational leader, with the aid of the orthopedic surgeon and the physical therapist, has maintained the agile grace of the 1954 Trojan interior lineman. With guidance from upper level management of the IBM Corporation, he has honed his steel-trap mind to a razor's edge. While the concrete isn't poured and finished as fast as in prior days and a bale of hay gains weight each year, the sweat still pours at the mere mention of physical labor and the broad toothy smile and howling laugh reminds us of the man behind the empire.

Our father, husband, and cousin

Love,
 Bill, Don Joe, Jean,
 Cousins Dee and Jim, and Dave and Rita

CHELSEA FELDERHOFF

Chelsea is one on Sept. 10

Chelsea Brooke Felderhoff, daughter of Billy and Kathy Felderhoff, celebrated her first birthday on Sept. 10 with a party in her home that evening.

Guests enjoyed cake and ice cream. The cakes were made by her mother and Grandma Barbara. Pictures were made and gifts were opened.

Celebrating with Chelsea were her sister, Kerri, and brother, Bradley; grandparents, Charles and Betty Stoffels; Tommy and Barbara Felderhoff; Charlotte, Jeff and Justin Sicking; Randy, Janice, Stephanie and Chad Stoffels; Stan Stoffels; Tom, Emily and Danny Felderhoff; John, Rose, Jackie and Darell Henscheid; Andy and Susie Beznier; and her parents, Billy and Kathy.

Bob, Pauline, Cheryl and Kelli Stoffels of Garland were unable to attend but sent their gift in the mail.

Schoechs to spend a year in England

Dr. Richard Schoech Ph.D. has been selected for a teaching exchange at the University of Cardiff, England with Dr. Doree Elliott Ph.D. of Cardiff for the next two semesters. Richard and Sharon Schoech will be living in Dr. Elliott's home; and Dr. Elliott in the Schoech home in Arlington.

A welcoming party and bon voyage party were held in the Schoech home. Some of the guests were seeing their new home for the first time. Father Frowin was unable to be with them. Joining the party were Melvin Schoech of Kingsville; Mr. and Mrs. Peter Wall of Austin; Mr. and Mrs. Glen Schoech and Jennifer and Adrian of Mansfield; Mr. and Mrs. James Cooley and Krista, Leslie and

Nathan. Mrs. Andy Schoech spent a week with her children and grandchildren. Her daughter Marjorie of Austin spent a recent three days here.

JENNY LYNN SCHNEIDER

S.N.A.P. has party for 8 birthdays

The S.N.A.P. luncheon on Tuesday, followed by dessert of birthday cake decorated in a seasonal Halloween theme, observed eight birthdays. Honored were Sue Wieler, Catherine Hermes, Margaret Reiter, Violet Stelzer, Ida Hesse, Elsie Fuhrman, Dorothy Hartman and Lawrence Sicking.

Elsie Fuhrman, who reached 92 years of age the next day, Wednesday, Oct. 22, was gifted with a half dozen roses arranged in a vase.

Jenny Lynn is winner!

Jenny Lynn Schneider, daughter of Joy and John Schneider, won first place honors in Mathews Photographers third annual children's photo contest. Jenny won in the seven-to-nine-year-old category. Contestants were judged on creativity and photogenic qualities.

Day 1986, a subscription will have the added bonus of old memories revived, old scenes revisited, nostalgic Photos From The Past and ads from 50 years ago.

KYLE FUHRMANN

Oct. 12 party fetes Kyle on third b'day

Kyle Fuhrmann celebrated his third birthday with a party in the home of his parents, Mark and Linda Fuhrmann, on Sunday, Oct. 12. His actual birthday was on Oct. 9. Guests were served punch, cake and ice cream. Kyle opened and displayed his gifts; picture taking was an added pleasure.

Special guests were his sister, Jennifer; his brother, Matthew, who turned seven on Oct. 11; and his twin little brothers, Christopher and Clint. Also the grandparents, Ray and Lou Voth and godparents, Danny and Janet Voth and children Debra and Michael; also T.J. and Jeannene Walterscheid of Muenster; and Brenda, Andrea, Dee Ann and Dominic Fuhrmann of Lindsay.

News of the Sick

Ron Dangelmayr is a patient at Muenster Memorial Hospital since being bitten on his left index finger by a rattlesnake on Saturday afternoon while baling hay north of

Marysville. He was brought to hospital within 35 minutes. The snake was shot by Mr. Young. Ron is the son of Paul and Patsy Dangelmayr.

Harvest supper
Plans are underway for the annual Harvest Supper Saturday, Nov. 8, at the Ross Point Community Center. Serving will be from 5:30 to 8 p.m.

Mrs. Estelle Kelley and Mrs. Myrtle Williams drove over to Muenster on business Wednesday morning.

Browns visit
Thursday morning Raymond Brown of Era drove over for a visit with his sister, Mrs. Estelle Kelley. Then they drove over for a visit with another sister, Mrs. Emma Lee Steadham in Forestburg. Then they went out sightseeing. Mrs. Estelle Kelley spent the day Friday with her daughter and family in Sanger. Friday they visited Mr. and Mrs. Tom Ross in Era.

Willis Kelley of Gainesville and Jerry Kelley visited Mrs. Estelle Kelley Saturday morning.

Mrs. Kelley attends celebration
Mrs. Estelle Kelley drove to Era Saturday to visit the T.J. Amises and to attend the Sesqui-centennial party. Raymond Kelley of Irving drove up for a visit with Lanny

and Mrs. Larry Scott, is sporting herself a broken right arm. This happened on Monday when she and her bike took a tumble.

Barney and Veda news
Veda Brogdon reports that Asko Talley of Saint Jo visited with Barney Tuesday. The Brogdon's daughter, Jane Sledge, and Julie of Cleburne were up Wednesday to spend the day.

Ray Steadham and son Larry of Bowie were Friday, Oct. 17 visitors.

Barney's nephew and wife, Mr. and Mrs. Coy Lee Brogdon of Irving spent Sunday, Oct. 19, with them. Sunday afternoon visitors were Shirley Harvill of Vernon and grandson, Karl Gresham, of Denton and Ova and Spike Mann of Saint Jo.

Volkman company
Mr. and Mrs. Raymond Volkman had as their Oct. 17-19 weekend visitors their children - Mrs. Teresa Zink of Fort Worth, Gayla Qualls and son Clint of Crowley, Mrs. Larry Volkman and Christy of Fort Worth, Mrs. Charlene Gresham and Paula Sue of Denton and Willie Wayne Volkman of Fort Worth. Other visitors were the Volkman's friends Mr. and Mrs. Baker Gillespie of Burk Burnett.

Personal items
Mrs. Sheree Vannoy and Kimberly and Mrs. Bobbie Wylie drove to Pilot Point Saturday to attend the wedding of Bobbie's niece, Marilyn Tipton to Wayne Pelzel.

Rayann Lynch was honored with his luncheon for her birthday Sunday, Oct. 19, by her parents, Mr. and Mrs. Doyle Lynch. Other guests were Mr. and Mrs. Raymond Wood and daughters and Mr. and Mrs. J.C. Volkman.

Mr. and Mrs. Chuck Scott of Denton and Mr. and Mrs. Jerry Periot of Krum were Saturday visitors with Cecil and Dorothy Foster. Mmes. Scott and Periot are the Fosters' daughters.

Edna Merle Hill of Bowie spent Wednesday night with her mom, Vera Mae McGee. Later on Thursday Vera Mae returned home with Edna Merle to stay until Sunday evening. On Sunday morning they attended services at the Freewill Baptist Church there. Vera Mae's grandson, Darryn McGee, is pastor there, so they went to hear him

preach. Darryn is the son of Chris and Betty McGee of Midway.

New York trip
The Tolbert Fannings flew to Rochester, New York on Oct. 1 to visit their daughter, Sally, for two weeks. While there they ate in several restaurants where the structures were almost 200 years old. Mrs. Fanning says, "No one tears down a building just because it is old in New York." Sally's office of located in an estate built 130 years ago and was the home of the man that owned Western Union. The Fannings also spent a weekend at Louise Lake in the Adirondack Mountains where Sally has a summer home. All the many lakes in that area are natural lakes.

Huntsville Rodeo
Mr. and Mrs. Clifford Hudspeth and grandchildren, Chad and Leah Hudspeth, journeyed down to Huntsville Saturday. They spent the night there in a motel and were visited by Mashelle Hudspeth, who is another granddaughter and sister to Chad and Leah. Mashelle attends Sam Houston University there. On Sunday they all attended the Huntsville Prison Rodeo.

Others attending the Huntsville Rodeo were Mr. and Mrs. Jimmy Steadham of the 'Burg and Mr. and Mrs. Gerald Lanier of Decatur.

Personal items
Mrs. Patsy Martin and daughter Mackenzie of Austin made it to the Stoney Point area home of her folks, Charlene and Kenneth Woods, on Thursday. Patsy's son, Andy, was already here with his grandparents, so Patsy, Mackenzie and Andy all went home Sunday evening.

Amy Hatcher departed for Euleis Friday evening to spend the weekend with her mother, Mrs. Susan Hatcher, Megan and Morgan. On Sunday night, Amy attended a "coming out" party for her friend, Lisa Rodrigues.

Dan Matlock of Fort Worth was in New Harp Sunday visiting his brother and wife, Mr. and Mrs. Ben Matlock.

Mr. and Mrs. Israel Salinas of Haltom City drove up this past Sunday to visit with Mr. and Mrs. Eddie McClure.

"Teen" Barnett of Alvord was a Sunday evening visitor in the Willard Freeman home.

Clyde Bewley and sister Lois drove over to visit with Dude Berry

Mid-Year Investment Outlook

What are the prospects for the equity and bond markets for the rest of '86? Is Dow 2000 still a realistic target for the stock market? How will you be affected by proposed tax legislation in the years ahead?

Our "Mid-Year Investment Outlook" examines all these questions and more. You'll get our top 10 stock recommendations and all the thinking behind them, plus the strategies our research analysts believe you should consider for the rest of this year. You also get a number of international investment opportunities and some very tax-wise ideas... whether legislation is enacted, or not.

Muenster runs by Lindsay 14-0

The Muenster Hornets cruised to their fourth win of the season Friday night against the Lindsay Knights in front of a standing room only crowd. The intense rivalry ended in a 14-0 zone win for the Hornets. Muenster chalked up 305 yards rushing while limiting Lindsay to only 3 first downs and 140 yards of total offense. Lindsay hung tough, avoiding a blowout by recovering two fumbles and punting the ball for a 44-yard average. Drue Bynum had his second consecutive 200-yard rushing game as he carried 32 times for 217 yards and two touchdowns. Bynum has 435 yards on 40 attempts in the last two games after settling in at a running back position. He also intercepted two passes against Lindsay and caught both Muenster com-

pletions for 10 more yards. It was easily the finest performance of the year.

"Drue had an exceptional game," said Hornet mentor Dewey Sims. "Our offensive line dominated the line of scrimmage and Drue made some nice open field moves. We moved the ball very well to come away with only 14 points."

Indeed, the Hornets were plagued by penalties nearly every time they were in scoring position. Both touchdowns came after motion penalties pushed them back. The first score was set up after Mike Armstrong recovered a Knight fumble at the Lindsay 26-yard line. Bynum scored from 4 yards out with 2:05 left in the first quarter. Stuart Hess kicked the

PAT. Midway through the third quarter Bynum picked off an errant pass to put the Hornets in business at the Lindsay 23-yard line. After three consecutive flags stymied the Muenster offense, Bynum broke loose for a 22-yard touchdown run behind Gary Grewing, Stuart Hess and Brian Hess. Hess kicked the PAT for a 14-0 lead.

The Muenster offense managed to keep the final score at 14-0 by fumbling twice inside the Knight 20-yard line during the fourth quarter. Still, it was an impressive performance as they handed Lindsay only their second loss of the season (5-2). Andy Burnette contributed for the first time in several weeks, as he chipped in 92 yards on 16 carries. "He is still nursing a sore ankle," said Sims, "but he should be full speed this Friday night." Donnie Boydston played sparingly but should be ready to add backfield depth against Valley View this Friday night. Tight end Bobby Thornhill will not play. He is through for the year with a knee injury.

Valley View will come to Muenster with a number one state ranking in Class A. They have allowed only 9 yards rushing for the season and only 14 points in their 7 wins. No team in North Texas in any classification has allowed less yards. Offensively they bring the highest scoring team in the state. Their last two district wins were 81-6 and 91-0.

Sims doesn't get too nervous. "We can play with them," he confessed after pondering their statistics, "and in those 7 wins they weren't getting hit by Hornets."

The hard-hitting Muenster Hornets will host the Valley View Eagles here at 7:30 p.m. tomorrow night. Support the Hornets. All players will be available for the showdown.

There will be no junior varsity game this week.

ANDY BURNETTE (82) attempts to break away from the Lindsay defensive clutch. Burnette earned 92 yards rushing against the Knights after being sidelined for several games due to an injury.

Janie Hartman Photo

Fina All-State team program announced

Fina Oil and Gas Company announced recently that it will double the size of college scholarships it grants this year to the 11 high school football players named to the Fina Academic All-State Football Team.

The 11 football lettermen, selected on the basis of academic achievement and leadership in school and community activities, each will receive a \$2,000 scholarship to a college or university.

The increase in the amount of the scholarship grants was made possible by a recent revision in NCAA regulations.

"Fina is pleased to be able to increase the amount of these scholarships," said Kenneth W. Perry, Fina's president and chief executive officer. "We are very proud of the thousands of young men who do outstanding work in the classroom and are hard-working leaders in school and community activities. As we learned through our program last year, most football players get good grades and take part in worthwhile organizations and events."

"We feel strongly that the spotlight should focus on these deserving young men, not on the relatively few who do not succeed."

Application forms were sent this week to public and private high schools in Texas that field football teams. Eligible candidates must be senior football lettermen with grade point averages of at least 85 on a 100-point scale and must have a class ranking in the top 25 percent.

MUENSTER OFFENSIVE LINEMEN open a big hole for Drue Bynum (44) as he makes his way to the goal line to give the Hornets a 14-0 victory over Lindsay. Knights pictured are Dale Martin (72) and Roy Neu (42).

KC Oilers win 6-0

In a game that started in the rain on Sacred Heart Field on Tuesday, Oct. 21, at 6 p.m., Muenster KC Oilers won over Martindale Feed Mill 6-0, in the Boys Club program.

Muenster Oilers took the lead in the second quarter to gain the fourth win of the season. Martin McCoy scored from the 5-yard line. The offense was led by Larry Switzer, Chad Cheaney and Johnny Mosier. A strong defense was led by Jeremy Jones, Rodney Vogel and Kristian Kinard. Kenneth Walterscheid made a third quarter interception. Martin McCoy recovered a fumble in the fourth quarter. With 20 seconds left in the game, Larry Switzer made a game-saving interception at the 30-yard line.

The KC Oilers will play Olney Savings on Oct. 28 at 6:30 p.m. on

the Boys Club field. Cliff Sicking, Dave Flusche, Jr. and Dale Swirczynski are coaches for the team and Muenster Knights of Columbus are sponsors.

Muenster Pharmacy
Medical Center Building

MUENSTER PLAYERS and fans stormed the field as the buzzer ended the old rivalry against Lindsay. The Hornets face a tougher Valley View squad this Friday in a district showdown on Hornet field.

Janie Hartman Photo

Junior High moving to loop crown

The Muenster Junior High Hornets ran their season record to 4-1 with a 24-point third quarter explosion against Lindsay enroute to a 30-0 victory. They improved their district record to 2-0 and will put that record on the line as they meet the Valley View Eagles in a district showdown tonight at 6 p.m. at Valley View.

After a 0-0 first half deadlock, the Hornets came out in the third quarter like a pack of mules hit with a round of buckshot. They took three consecutive possessions to paydirt, and before you could say Lindsay Knights, the Hornets had a 24-0 lead. Spencer McAden scored the first touchdown on a short run up the middle and he added the

two-point conversion behind Troy Pagel, Chris Reyleing and Richard Tuggle. Pagel set up the next score with a blocked punt that put the Hornets at the Lindsay 22-yard line. McAden tallied the score from there, and Pagel ran in for the 2-point conversion. Three plays and a punt later, the Hornets were back in business on their own 45-yard line. McAden took the scoring nod again when he bolted 55 yards behind the blocking of Scott Hudspeth and Brad McDaniel. Ryan Sicking passed to Terry Felderhoff for the 2 points.

Tony Perryman led the Hornet defense. Perryman made numerous tackles from his noseguard position and helped the Little Red defense hold the Knights to 2 first downs. Sicking and Mike Gobble also made key plays.

The final Hornet score came on the very last play of the game. Bryan Reiter glided 16 yards behind blocks by Justin Ramsey, Stephen Youngblood and Ronnie Jones to make the final score 30-0.

MIKE ARMSTRONG (35), Steven Whittington (64) and Damie Hellman (70) prevent a Knight runner from completing a first down during Muenster's 14-0 win over Lindsay.

TIGERS DEFENSE tightens up to give the Crusaders a rushing total of 15 yards. Included on this tackle are Craig Voth (22), Wayne Becker (35), Mike Adair (33) and Tim Bartel (75).

Janie Hartman Photo

Sacred Heart rolls to second district win

by Max Hastings

The Sacred Heart Tigers handily defeated the Dallas Tyler Street Crusaders Friday as they posted an impressive 49-6 score. The Tigers moved their district record up to 2-1 and are now in contention in the district race for first.

"I thought the boys did a good job, and we had team effort," stated Coach Pasqua.

Frank Hastings began the scoring attack for the Tigers by slipping through the Crusader defense from the 7-yard line. Hastings finished the drive with the extra point down the middle for a 7-

0 advantage. Hastings also finished playing as he injured his ankle in this opening drive. That wasn't enough to slow the Tigers however, with Darrell Dangelmayr connecting with Glen Swirczynski for a 33-yard touchdown pass reception only minutes later. The kick failed, but the Tigers were still on top with a 13-0 lead.

In the second-quarter with 8:01 remaining, Dangelmayr was again searching for receivers. He found Mike Adair and, with a 35-yard completed pass, upped the score. The Tigers faked the kick and Wayne Becker threw to Craig Voth for a 21-0 edge over the Crusaders.

With 6:50 remaining in the half, the Tiger defense allowed the visitors their only score of the game. It came on a 55-yard pass from quarterback John Barber to receiver Jason Allen.

Not to be outdone, the Tigers put six more on the board before the half ended. Dangelmayr was credited with this score as he drove from 2 yards out. The kick was not successful and the halftime score was 27-6.

The Tigers' scoring continued in the second half, piling up 22 more points. The first second half touchdown was made by Becker when he hammered through from the 8. The kick failed and the score was 33-6. Steven Knabe then did much the same as he scored from the 6. With Becker on the conversion, the score stood at 41-6.

Steve Koelzer again made himself useful at the quarterback position, going 2 of 2 passes for 20 yards, and one of them a 9-yard touchdown pass to Craig Voth, making the final score 49-6.

Dangelmayr made his presence known, completing 9 of 16 passes for 139 yards passing. The leading receivers were Glen Swirczynski with four catches for 62 yards. Craig Voth had three catches and Mike Adair had one. They both had 35 yards.

Steve Knabe paced all rushers with 14 carries for 103 yards. Wayne Becker added 50 yards on 18 carries, and sophomore Ryan Bayer contributed 43 yards on 10 attempts.

As a team, the Tigers racked up 297 yards rushing on 67 carries and 29 first downs, while the Crusaders were held to 14 yards rushing on 17 carries and 7 first downs.

Sacred Heart went wild on passing, gaining 159 yards and going 11 of 18 with 2 interceptions. The Crusaders had 137 yards passing and went 10 of 29 with 4 interceptions.

Directions to Liberty field in Denton

Sacred Heart Tigers will meet Liberty Christian School in Denton Friday, Oct. 24, at 7:30 p.m. Directions to the Denton football stadium are as follows:

Take 35 S to Airport Rd. exit. Exit right and travel to top of overpass. Turn left on Airport Rd. and go to the first right - this is Bonnie Brae. Turn right and travel South on the West side of the NTSU Golf Course. This road will lead you to Liberty Christian School.

Again the address is Liberty Christian School, 1500 S. Bonnie Brae, Denton. Game times are - Junior High, 5 p.m. and Varsity, 7:30 p.m.

Tigerettes look ahead

Sacred Heart basketball coach Jon LeBrasseur welcomed 20 girls to the Tiger Den Monday evenings for the initial practice of the 1986-87 edition of the Tigerettes. "Twenty is the largest number of girls we have had come out for basketball since I have been here at Sacred Heart," said Coach Jon. "We're trying to build a tradition of basketball excellence here at Sacred Heart that will parallel the academic excellence that Sacred Heart is known throughout North Texas for. Maybe we are starting on the walls," said Coach Jon.

In reference to the walls, perhaps Coach Jon feels the foundation has been laid. Last year's Tigerettes were AAA girls' State Champions, a feat that was also accomplished during the 1983 season.

The Tigerettes will have a rough road ahead of them if they wish to repeat their 1986 feat. Lost to graduation were All-District performer Lydia Walterscheid, All-District and All-Stater Tammy Hess, and All-District, All-State and honorable-mention Catholic High School All-American Sandra Walterscheid. "They are three great young ladies," said Coach Jon. "During their four years at Sacred Heart they were responsible for 99 wins and two State Titles."

"They are a great example of what dedication, desire and discipline mean to the achievement of goals." LeBrasseur knows he cannot replace those three stars but with this year's team he feels the Tigerettes have the potential to be another good ballclub. "We are very young, as we do not have a senior on the team, but we are quicker than ever," said Coach Jon. Coach Jon's Tigerettes have always been a strong defensive team and his eyes light up when he speaks about this year's team. "We hope to play more pressure man defense with our overall quickness and speed to overcome our experience."

Tradition is a key word at Sacred Heart and the 1986-87 Tigerettes will try to build upon the foundation that was left before them. Members of the 1986-87 Tigerettes are as follows: Juniors - Vicki Walterscheid, Donna Walterscheid, Danna Hamric, Julie Rohmer, Molly Koelzer, Juline Bartel. Sophomores - Janal Flusche, Jennifer Fuhrmann, Lisa Hamric, Michelle Walter, Noelle Hesse, Misty McCoy and Vickie Schmitt. Freshmen - Amy Bayer, Amy Walterscheid, Angela Endres, Debbie Schmitt, Janie Fisher, Labecca Hess and Tina Schilling.

DEBBIE SCHMITT SHOOTs as Dana Hamric prepares to rebound during three-man weave drills as Sacred Heart Tigerettes began basketball practice this week.

THE PSYCHEDELICS (Sr.-Soph) powderpuff team beat the Egyptians (Jr.-Fresh) team by two point safety, the only points made in Sacred Heart's annual powderpuff contest. **ABOVE** Molly Koelzer prepares to deflag Gail Fisher (60) as Dayna Stoffels and Bev Haverkamp provide blocking. **AT RIGHT** Egyptian coaches Wayne Becker and Scott Taylor disagree with the official's call and **BELOW** the cheerleaders attempt to build a pyramid. Cheerleaders are, l to r, front - Tim Bartel, David Halley, Doug Aston, Deano Bayer; back - Glen Reiter, Steven Koelzer; top - Tony Grewing.

Janie Hartman Photos

The Tigers gave up 100 yards on 11 penalties and the Crusaders gave up 90 yards on 11 penalties.

The offensive team was powered by Steven Knabe, Wayne Becker and Darrell Dangelmayr. Defensively Craig Voth, Wayne Becker and Terry Bartel paced the Tigers.

MIKE ADAIR completes a pass all alone downfield in district action against Tyler Street Christian.

Janie Hartman Photo

Tigers face Warriors

by Max Hastings

The Sacred Heart Tigers will play a very important district game this week against the Denton Liberty Warriors. The Warriors are 4-0 in district and beat Dallas Lakehill

last week 57-0.

They run a power I formation on offense and several other variations. "They come at you with everything," stated Coach Pasqua. Their offense will be supported by quarterback Andy Lux and tailback Lucky Smith, who gained over a 1,000 yards last season.

"We need a team effort, they're a good balanced ball club," stated Coach Pasqua. Their defense crowds the line with anywhere from four to six men on the line. Denton Liberty Christian is picked to win the district by most pre-season polls.

Scott Taylor will not be playing for the rest of the football season due to his neck injury. Frank Hastings' bruised ankle is still healing and it is questionable if he will play this Friday.

Tips offered on buying stocker cattle

Stocker cattle operators will soon be buying calves to put on winter pasture, and the type of animals they buy will go a long way in determining whether or not they will reap a profit.

"The stocker operator must buy cattle that will grow fast, be efficient in feed conversion, and sell for top dollar," points out Dr. Larry Boleman, beef cattle specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Since the calves from his operation will be going to feedlots next spring, the stocker operator must also consider the value of these animals to the feeder, adds Boleman. The cattle feeder is interested in rate of gain in the feedlot, carcass cutability or yield, and carcass quality.

"Stocker operators have the potential for performing efficiently in the feedlot and producing a Choice carcass in the 1 to 2 yield grade class will demand a top price," says Boleman. "Buyers will often pay \$3 to \$5 more per hundredweight

for calves with that kind of potential compared to those that might only produce a Good grade carcass with a yield grade of 4 or 5."

This means that stocker and feeder cattle buyers must use their knowledge and experience to determine which calves will ultimately excel in feed efficiency, average daily gain, and quality and cutability grades. Visual evaluation of frame size, muscling and breed characteristics help determine the economic outcome of the calf, says the beef cattle specialist.

"Frame size refers to the animal's skeletal size - its height and body length - in relation to its age," explains Boleman. "These evaluations in feeder calves are directly related to differences in mature sizes of cattle and therefore have an important bearing on the animal's performance in the feedlot." Frame size specifications are large, medium and small.

According to the specialist, muscling in feeder cattle refers to the development of the muscle system in relation to skeletal size. Feeders of the same age and frame size vary in thickness due to difference in bone structure, muscling and degree of fatness.

"Animals with a greater muscle thickness will normally produce a higher yield carcass than an animal of the same frame size that is narrow throughout," says Boleman. Muscle thickness is classified as to three levels - No. 1, No. 2 and No. 3 - with No. 1 being tops.

As far as breed characteristics are concerned, Boleman points out that buyers usually pay the highest prices for crossbred feeder calves that contain traditional, exotic and Brahman breeding.

"Again, feeder cattle buyers select animals on the basis of how they think they will perform in the feedlot," he adds. "Ideally, they want an animal that will produce a Choice carcass with a No. 2 yield grade. That's the target that all cattlemen need to shoot at."

Craig Rosenbaum

County Agent's Report

Shade trees are one of our first thoughts in landscape development. We're fortunate in North Central Texas to have many highly suitable species. Special care needs to be given, though, to fitting the tree to the location.

Have an overall plan or objective for planting a tree. Do you need shade, protection from wind, screening, a colorful accent or drought tolerance. Are you using the tree as a frame for your home?

Know your soil and climatic conditions. Many trees such as dogwoods and East Texas pines need sandy, acid soils, a rarity in

most of Cooke County. Other trees such as eucalyptus, citrus and many palms, are not reliably hardy in winter.

Remember when planning to consider the tree's ultimate height and spread. Do not plant even small trees near power lines. Do not plant trees between the curb gutter and sidewalk since this is generally the easement for the water line and sewer line. Do not plant evergreen large trees on the west or southwest side of your home due to winter shading. Do plant evergreen trees on the northwest side of your home for a windbreak from the winter winds. Two or three well-placed accent trees can do far more for a landscape than a dozen crowded and struggling trees.

It is best to avoid the really fast

growing trees. Most fast growing trees are quite prone to pest problems. Included are willows (borers, cotton root rot, heat stress), cottonwood (borers, cotton root rot), Arizona ash (borers), Siberian elm (elm leaf beetle), sycamore (lace bugs, diseases), mimosa (mimosa webworm, mimosa wilt) and fruitless mulberry (borers, cotton root rot, heat stress).

The small trees (6-8 ft. height) may be your better landscape investment. Small trees recover more quickly from transplant shock than larger trees over 8 feet in height or greater than 2 inches in trunk diameter. Container-grown stock is quickest to reestablish, followed by balled-and-burlapped and bare-rooted trees.

Commissioners vote for new brucellosis classification

AUSTIN - Commissioners of the Texas Animal Health Commission voted Oct. 17 to apply for Class B brucellosis classification for the entire state. The application is to be submitted to the U.S. Department of Agriculture by Nov. 1.

"Continued progress on the part of this state's livestock producers makes this possible," Robert Bartlett, chairman, TAHC, said. A reply from USDA is expected early next year.

If USDA approves the application, it will mean less restriction of movement interstate of cattle for producers in Texas. The B-C line which traverses the state from north to southwest would be done away with if approval is obtained thus removing those restrictions.

Texas is currently classified as a Class C and a Class B state. There

are 145 counties in Class B and 109 counties in Class C. Basically, the eastern half of the state is Class C, where brucellosis is more of a problem than in the western part.

Commissioners voted unanimously for the submission. Texas meets the qualifications of USDA to become a Class B state, Bartlett said. The herd infection rate must be 1.50 or less; the state's herd infection rate is now 1.11. The market cattle identification rate must be .30 or below; currently the state's MCI rate is .27.

"This shows that changes made in 1980 are working and that Texas is making significant progress. We realize we still have a lot of work to do to eventually eradicate brucellosis in this state, and we will intensify our efforts to accomplish this goal," Bartlett said.

Texas pecan crop short but of high quality

COLLEGE STATION - Texans will soon be feasting on golden kernels of pecans as the 1986 crop reaches maturity.

This year's crop is expected to be short, but what it lacks in quantity, it will make up in quality, says a Texas Agricultural Extension Service horticulturist.

"Qualitywise, this year's crop will be off the chart; it should be the best crop we've had in the past 10 years," points out Dr. George Ray McEachern.

Most of the state has had excellent rains since mid-August, and that accounts for the excellent quality of this year's pecan crop, explains the horticulturist.

"We should have a crop of between 25 and 30 million pounds; that's about 40 percent of normal," McEachern points out. "However, the crop also will be short in other pecan growing states."

The horticulturist says the carryover crop will likely be sold by the time this year's crop hits the market. That means prices to growers should be good. However, consumer prices should be about the same as last year.

"Consumers can expect new crop pecans to be on the market about the first of November," McEachern points out. "To select for quality, check the kernel color. The lighter the color of the kernel, the better the quality."

McEachern advises consumers to store pecans in the freezer as soon as they get them home. "This preserves their quality, and they can be used straight from the freezer as needed," he says.
