One of the highevenings lighted focused on recognizing the top 4-H Leaders from across the state. These leaders have been selected from more than 54,000 volunteer leaders. They have demonstrated commitment and excellence in their roles as mentor and leaders for youth in 4-H.

Bret Burgin (center) with Dr. Edward Hiler, Vice-Chancellor and Director of Texas Agricultural Extension Service and Dr. Chester Fehlis, Executive At the annual Salute Associate Director of Texas Agricultural Extension Service.

to Excellence Banquet, Bret Burgin received a plaque of recognition. Burgin has been a 4-H volunteer leader for ten years. He was nominated as a representative of excellence in leadership from Hansford County. At that point, his nomination was sent for selection from a pool of outstanding 4-H Volunteer Leaders in District One. Burgin was one of only two nominations sent from the District to be recognized for this prestigious State Award. His emphasis has been on working with youth in Livestock

Burgin has devoted countless hours to training some 80 4-H youth in the judging process, and taking them to judging contests across the surrounding area. As a result of his efforts, these youth have developed their public speaking skills and two teams have won state and national contests. Five youth have won college scholarships in livestock judging, with one of these now working as a livestock judging coach at the college level.

As Chairman of Extension Program Council Burgin has had input in the planning phase of programs for adults and youth. He was a key leader in the Texas Community Futures Forum process. As a member of the Hansford County Stock Show Board, Burgin has helped secure financial support for 200 youth each year through soliciting donors for the premium sale.

As a volunteer fireman, Burgin has presented fire safety programs and guided tours of the fire station for 4-H clubs, preschools and elementary school children.

Bret Burgin's leadership has had a tremendous positive impact on the youth and adults of Hansford County. In addition to serving as chairman of Extension Program Council, Burgin is involved in many civic organizations including the Spearhead Corporation, Lions Club, Spearman Volunteer Fire Department, Hansford County Stock Show Board, President of United Methodist Men, Pastor-Parish Relation Committee, and Administrative Council of the Spearman United Methodist Church. Burgin is a Vice-President of First State Bank

Through community service efforts of First State Bank, Burgin has assisted in cooking meals for the Senior Citizens Center and Hansford Manor Nursing Home. He also serves youth in Spearman Schools through the Partner's in Education Program.

County Extension Agents Burt Williams and Peggy Winegarner wish to join in congratulating Bret Burgin for receiving the State 4-H Salute To Excellence Award. "He is truly civic minded," commented Williams, "a tremendous asset to the Hansford County 4-H program, and our community as a whole."

### World War II Vets Reunite

Airborne buddies, Ezra Proffitt, Wendell Seigler, Jerome Hillard(back row), Hughie Barnes, Richard Young and Doug Connelly(seated) take a break to pose for the camera

Six members of the Army 11th Airborne Paratroop Unit gathered in Spearman from June 3rd through the 6th. These men served during World War II and were together for three years in the South Pacific Area.

Doug and Mary Ruth Connelly hosted the reunion for the other five veterans and their wives, who are: Hughie and Lois Barnes, and Ezra and Bernetta Proffitt of Tompkinsville, KY; Wendel and Maurine Seigler of Henrietta, TX; Richard and Luellen Young of Naples, FL; and Jerome and Dixie Hillard of Tulsa, OK. (Bob and Jan Gaines of Broken Bow, OK were also guests as they drove for her parents, the Hillards.)

The men, ranging in age from 76-79, spent most of their time reminiscing the enjoyable times they shared together over 53 years ago. Mr. Connelly stated, "We didn't talk about war stories, but about the comradeship that helped us make our tour bearable."

One item of interest that was noted is that the men, all of which were raised on farms, are Christians and have been married to the same wife for over 50 years.

These six men, along with hundreds of others, joined 11th Airborne Division of the Army in February of 1943. The division consisted of paratroopers and glidemen. Mr. Connelly and his guests were all members of the same Platoon.

The group started their Army career in North Carolina for training, and proceeded to Louisiana to learn maneuvers. They then were sent to California for deployment in New Guinea and the Philippines.

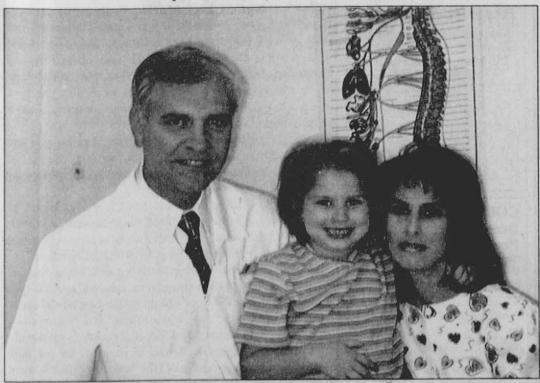

While in the Philippines, they were involved in the liberation of Los Baños, a POW camp, where they helped rescue over 2000 American POWs.

They advanced to Okinawa, Japan on August 30, 1945 to secure the airfield. The Platoon left Japan on December 12, 1945 and arrived in San Francisco on December

Most of the members of this Platoon were discharged shortly afterward. Mr. Connelly was discharged on January 7,

This reunion was the first time that four of the men had met since their return to the states in 1945.

# Let us replenish the seed of faith through... DAILY BIBLE READING, PRAYER & REGULAR CHURCH ATTENDANCE

### Do those around you tend to look up to you?

Dead flies will make even perfume smell bad. In the same way, a little foolishness can ruin a wise man's fame for wis-

Now it is a matter of pride to us - endorsed by our concience - that our activities in this world, particularly our dealings with you, have been absolutely above-board and sincere before God. They have not been marked by any worldly wisdom, but by the grace of God. The ultimate aim of the Christian ministry, after all, is to produce the love which springs from a pure heart, a good conscience and a genuine faith.

Don't let anyone look down on you because you are oung: see that they look up to you because you are an xample to believers in your speech and behavior, in your ove and faith and sincerity.

You should not aim at being dictators but examples of Christian living in the eyes of the flock committed to your charge. And then, when the Chief Shepherd reveals Himself, ou will receive that crown of glory which cannot fade.

For yourself, concentrate on winning God's approval, on being a workman with nothing to be ashamed of, and who cnows how to use the word of truth to the best advantage.

But you are God's "chosen generation," His "royal priestnood," His "holy nation," His "peculiar people" - all the old titles of God's people now belong to you. It is for you now to demonstrate the goodness of Him Who has called you out of darkness into His amazing light. In the past you were not 'a people" at all; now you are the people of God. In the past you had no experience of His mercy, but now it is intimately yours.

I beg you, as those whom I love, to live in this world as strangers and "temporary residents" . . . Your conduct among the surrounding peoples in your different countries should always be good and right, so that although they may slander you as evil-doers yet when troubles come, they may glorify God when they see how well you conduct yourselves . . Obey every man-made authority for the Lord's sake . . . It is the will of God that you may thus silence the ill-informed criticisms of the foolish.

We've all heard about it in the news and around the office, but what is Y2K going to mean for Spearman Schools?

One of the gems SISD has working in its halls is Heath Grimes. Heath is a Software Support Specialist that comes to our school two days every week. So to get the scoop on the computer situation, I went to him.

So what is Y2K? It's a common term used when describing the problems computer programs are having trying to run the last two digits of the year 2000. You see, computers base all of their dates on the last two numbers of the year, so when '00 rolls around the computers will think that it is 1900

I asked if this was going to affect the systems run by computer at the school in hopes that next year they might have to shut the school down. Unfortunately for the students, nothing but the lights and bells are solely run by computer. All the grades, budget, and other data are secure.

A few of the business computers used had a small problem, but by now they have either been patched or switched to a new program alto-

# SHS Seniors Bring School Days To A Close

by Mia Burrell

Finally, the 1998-1999 school year is coming to a much anticipated end, especially for the Class of '99. This last six weeks is perhaps the busiest, most hectic of all for the Seniors due to the various activities such as Senior Suppers, CRITICAL, Prom. Baccalaureate, Senior Trip, and GRADUATION (woo-whooo)!

On April 12th, the First United Methodist Church hosted the first Senior Supper. The meal consisted of brisket, home-made rolls, casseroles, and delicious desserts. The choir sang for us and provided various forms of entertainment.

Our second Senior Supper was held on April 26th, at the First Baptist Church. They provided us with Mexican food, chips and Salsa, and cake and ice cream for dessert. After the meal, the entire Class of '99 "karoked" to "Summer Nights." After that, audacious and intrepid students performed songs of their choice. Amongst these audacious and intrepid students were Brandi Willis who performed "Whose Bed Have Your Boots Been Under," Stephnie Bowling and

Holly Pipkin performed "Knock volunteered to perform, "I'm So Excited." We must not forget the winners of the evening: Doran Schoenhals, Albert Vargas, Brian Black, and Quentin Shieldknight performed "Bohemian Rhapsody" (and a mighty fine job they did). Those were only a few of the many talented Seniors. We all have a hidden talent that we never knew

May 6th, the First State Bank hosted our second Senior Supper out at the Palo Duro Lake. We had hamburgers, chips, cokes, and our choice of chocolate or vanilla cake. Afterwards, the seniors posed for a group picture; then we were off to have fun. We were paired to play games including a three-legged race, egg toss, and tug-of-war. The winners won twenty dollars. After all the games were over, we all received First State Bank clothing bags.

May 12th, the Catholic church hosted our final Senior Supper. To go with the Hawaiian theme, they served rice, chicken, pineapple,

punch, and cake of our choice. Three Times," and the Senior After the meal, we all gathered in Sponsor trio, Mrs. Henton, Mrs. a circle according to our sex. We Kidder, and Mrs. Derington were all received a gift and passed it around until they told us to stop. Which ever gift we had in our hand when they called stop, was the gift we received.

Prom was held on May 8th, and the theme of the evening was "Moonlit Gardens." The junior class did a great job on decorations, and the junior class parents did a splendid job on the meal. A good time was had by most.

Criticals were turned in on May 4th and 5th. The entire week before was a giant headache for the mere fact of getting it typed. critiqued, and turned in. This assignment could either make or break us and hopefully it did not break anyone!

Baccalaureate was held on May 16th in the Spearman High School auditorium. Before the actual ceremony, we took a class picture in our caps and gowns.

The Class of '99 went to Colorado Springs for our Senior Trip. We left at 5:00 a.m. on May 17th, and returned on May 18th. We visited the Ghost Town Museum, Pike's Peak Cog Train, the Garden of the Gods, the Olympic Training Center, and the zoo. We also played laser tag, which was very interesting.

Graduation was held on May 21st, in the SHS auditorium. Lisa Swink was the Valedictorian, and Kristin Beedy Salutatorian.

After graduation, most, if not all, the seniors attended Project Graduation.

Covered Dish Lunch

More than 20 years ago, Dr. Hal and Jan Rinker and family left Spearman, when they moved to Arkansas. This week he returned to the pleasure of his many friends. His appearance has changed and it was difficult to recognize him except for that same glint of humor in those penetrating eyes. But, unlike most, his waist and broad mind hadn't changed places.

Dr. Rinker, Hansford County's capable veterinarian for a number of years, stopped by for an enjoyable and refreshing visit with your neighbor Saturday afternoon.

He and Jan are moving to Arizona, where he will practice in a vet clinic on a Hopi Indian reservation. He and a few associates will handle the needs of several Hopi tribes in a remote section of the state.

In Arkansas, Hal had been a Federal Food Inspector as he feels strongly that Americans are entitled to have confidence in the food supply.

Jan has developed a very successful business in a "Bed and Breakfast" near Warren, AR. They bought an old period run-down house which she renovated and refurbished into a most attractive building. She is remaining there until she sells the business and until suitable housing is arranged for them in Arizona. Their children are all married and have provided them with 13 grandchildren.

Through the years, Dr. Rinker has been active and successful in organizations connected with individuals with various problems, and he is hopeful and confident that he can assist the Hopi people for whom he has an admiration.

He is brushing up on practices at the Hansford Veterinary Hospital with Dr. Latta. His post office address is Polacca, Arizona.

Hal and Jan carry with them the best wishes of all their friends in Hansford County for their new lives.

Marie Beck, with son Gerald, drove to Hondo, TX to attend the Williams family reunion on June 12th and 13th. Lonny and Ann Kenny of Roff, OK were there also. The attendance was less than usual with 29 present. Mrs. Ruby Williams, the oldest was able to attend. The weather was pleasant

and the trip was very pleasant.

A minor vehicle accident on Friday evening sent two girls to Hansford Hospital, where both were treated and released. Driving a 1990 Toyota, Aaron Huffaker, with his sister and a friend were leaving the Pizza Hut and pulled onto highway 207. Allowing for too little clearance, the car was struck from behind by a 1993 Ford pickup driven by Duane Loomis.

The accident was worked by Officer Brady Bishop.

Waurine Cope returned last week from a family reunion and additional family visits. The reunion was held at the Lazy Hills Ranch at Kerrville, TX. All eight brothers and sisters were there the first time in five years they have all been together. From June 4th through 7th, they enjoyed every minute.

Waurine returned by Amarillo and spent a week with her daughter. She also had a physical checkup and is pleased to report that she is still in remission. She returned home on Monday.

Dr. Mike and Shannon Dixon of Lubbock are the parents of their first daughter, Margaret Grace. Margaret was born on Saturday, June 19, 1999, weighing in at 6 pounds, 11 ounces, and 18 inches in length.

She was welcomed home by big brothers Andrew and Mason.

Proud grandparents are Mary and Perry Dixon of Spearman and Bob and Dee Thomas of Amarillo. Great-grandparents are Carl and Peggy Archer of Spearman.

Lena Harbour, a Sophomore at West Texas A&M University, made the President's Honor Roll last semester. Her major is Agriculture Business Economics. She is getting more practical knowledge from the producer's viewpoint as she is assisting in their grain harvest by driving the wheat cart. Lena is the daughter of David and Mary Kay Harbour.

Teresa Gomez, Lena's roommate, made the Dean's Honor Roll. She is also a sophomore, and her major is Elementary Education. Her parents are Manuel and Enedina Gomez.

Mrs. Myrtle Beck and daughter, Jan Birk, and sons, Eddie and Brook were visitors here last week. They are from Gridly, Kansas and were guests of her sister, Ivell and home after an extended trip to Arizona.

Other homes of relatives were those of Olive Pendergraft, Betty Gaines, the Varnons and others, during the two days they were

Many family members who were here for the services of Billie Haden remained several days. Leaving over the weekend were James and Roberta Cayton of WY. Bobby Wheatland, DeArmond of Bearcreek, MT, Mary Jane DeArmond of Roswell, NM, Mary Lou White and two children of Carizzo, NM, Kellye of Dallas, Billie Ray and Linn Haden, and Wally Cayton and wife of Amarillo.

Most were former residents of Spearman.

Danny and Cathy Knox, with son and daughter, were here for a brief visit with his parents, Don Mark Brown on June 12th. The and Gloria Knox. They went on to Lubbock to be with her family.

Danny and Cathy are from Evanston, WY. Granddad Don is strutting somewhat, feeling that his teaching Danny and grandson, Lee, how to handle guns was responsible for Lee's first-place win at the Lubbock Trapshoot during the weekend. He was awarded a 24 karat gold belt buckle.

After close to 33 years and 6 months, David Collins has retired

from the post office department.

When he was 22, David became a

local mail carrier, so it was a strange feeling not to make his rounds for the first few days of his retirement. No way to know how many pounds of mail he has car-Walter Beck. They were enroute ried, nor how many miles he has

feet, I inch We are down four feet and five inches from the May 4th high of 66 feet and 6 inches.

Activities at the Lake this past weekend included 11 members of the Panhandle Bird Club checking out the birds on both sides of the Lake.

The Moose Club and the Panhandlers used the RV Park on the north side. There were 19 RVs both Friday and Saturday nights on the north, but only one RV Saturday night on the office side.

The Spearman Church of Christ had the Pavilion on Saturday night.

The fishing was varied again, with most catches being crappie and catfish, with an occasional bass. Jim says most bass fishermen throw their bass catch back. Some of these were over the legal size.

Don Knox of Spearman, his son Dan and a grandson, both of Wyoming, were in the office for Don to get a tax permit. They read the column and are always eager to make a trip out to the Lake when they come to Spearman.

Although water and jet skiing are illegal on the Lake, many people are enjoying fishing from a boat or just going boating as a way of recreation. Much of the time there were at least eight boats on

Sunday evening it was my pleasure for Anna Beth Wood and I to be guests of Archie and Marguerite Nelson of Gruver as they toured in their boat up as far as the Ace Powers place on Palo Duro Creek. This was my first outing in a motor boat, and I found it a delightful experience. The Lake seems much larger as seen from a boat. The roughness of the country surrounding the Lake seems different, and watching the birds was an unusual experience. We saw many of the great blue herons. In the mud flats across from the Ace Powers buildings a colony of ten or more of these big birds were flying and wading.

Mark your calendar for the Fireworks Show sponsored by the Spearman and Gruver Chambers of Commerce on the 4th of July out at the Lake.

by Harletta Carthel Wheat Harvest Begins

The '99 wheat harvest has began in earnest. After receiving only four to six loads of wheat per day last week, Robert Johnson of the Sunray Co-op, Gruver Branch, states that 40 loads were received on Monday (June 21). That number was expected to double on Tuesday as more "harvest friendly" weather moved in.

Johnson said that the wheat received, which has been mostly dryland so far, is of excellent quality. Test weights have been running 60 to 63.5 with moisture from 12.5 - 14. According to Johnson, dryland yields will be much above normal, especially on fields which were fertilized.

Work Begins on Streets, Loop

Both the City of Gruver and Highway Texas Department are making repairs or improvements on streets and roads in Gruver.

The City of Gruver currently has a crew seal coating the streets of King, Cluck, Richardson, Womble, Garrett, 7th., 8th., and 9th., as well as the 600 block of Cator. According to A.J. Ratliff, Gruver City Manager, the seal coating of a street takes only a few days, and all seal coating in the city is expected to be finished in a month.

The Texas Department of Public Highways and Transportation has closed Loop 84 (4th Street) from Garrett Street to State highway 15 (the access to highway 15 south of Gopher's). The Loop is scheduled to be reopened by October 15.

The second area of work is the widening, curbing, and guttering of Main Street between 6th, and 10th. (from Gruver Ford to the creek). The project will also include the installation of a turning lane.

> There's No Place Like Gruver

Hang your hat in Clayton. No where but New York. Happy, the town without a frown. It seems that every city has its identity expressed in logo, and now Gruver would like one,

If you have a creative idea for a logo for the city of Gruver, drop or send your idea to City Hall. The logo may feature artwork such as wheat, cattle, etc. which are representative of the area and the logo does not have to contain a slogan. The only requirement is that the name Gruver must appear in the logo. The selected design could be used in many ways - on stationery, business cards, flags, for exam-

Several ideas have been sent from an Amarillo agency, but who else has a better feel for ing, writing, and science; Gruver than those who call her

# Always...Patsy Cline

Citizens of Hansford County will be treated to a wonderful experience on July 17th. Always . . . Patsy Cline will be presented at the High School Auditorium.

> The play is based on Patsy's early career. It is the real story of the relationships in this music legend's life. It is based on a diary of her life through the letters that she wrote to one of her dearest fans.

The title of this award winning play is taken from the way that Patsy signed her letters "Always ... Patsy Cline"

The play has only two characters - Patsy and her friend Louise, as well as a live band.

This play is both moving and funny.

Tammy Hysmith from Fritch plays Patsy. In order to be cast as Patsy, Tammy had to send an audition tape to the Cline family. She has become the quintessential Patsy. She has performed professionally on cruise ships and throughout the country.
