## Spearman City Council approves contribution for center parking lot

by Angela Jones  
Editor

The Spearman City Council approved contributing \$54,000 to the Spearhead Corporation to help construct the parking lot at the new community center.

According to City Manager Kelvin Knauf when the Spearhead Corporation first planned the community center, the city made the commitment to contribute "in-kind services" towards the construction of the center. Such services included extending utilities to the center with the estimated cost at \$54,000.

It was explained that the commitment was made when the center was going to be located on Cotter Drive. Knauf continued that after the city and Spearhead Corporation exchanged property extending the utilities was no longer needed. Therefore he suggested contributing cash in lieu of the "in-kind services". This can be used to

construct a parking lot, which will also meet the city's need for additional parking located next to the swimming pool. The council authorized the payment of \$54,000 to the Spearhead Corporation for construction of the parking lot.

In other business, the council awarded two contracts.

Unifirst Corporation received the contract for a 24 month uniform, mat and towel service. Their bid was for \$8,406.32. This was the lowest bid received. The contract begins March 1, 1994. Other companies submitting bids included American Linen Supply Co., Western Uniform & Towel Service and Perryton Laundry & Uniform Service.

The contract for the leak survey on the municipal gas system was awarded to B&N Consultants, for \$190 per 8 hour day. This was the low bid. Other bids were received from Heath Consultants, Southern Cross Corp., Corpro Companies,

Inc. and Dan Fitzgerald & Associates.

A contract with the City of Gruver for Solid Waste Disposal was approved. The contract is for \$18.62 per ton.

Council members authorized Mayor Burl Buchanan to order the city election for May 7, 1994. In this election, the two-year terms held by Alderman Don Reed, Alderman Charles Elliott and the mayor are up for election.

Knauf reported on the volunteer P.E.D.L. (parks, economic development and library) fee. He stated the \$2 collection on the utility bills has gone well with \$2,686 in November, \$2,526.23 in December, and \$2,500.93 in January. This fee is designated for park improvements, economic development projects and library services.

The council authorized Knauf to solicit for bids to contract the mowing of the airport and the majority of city parks. He explained that it is possible that contracting the mowing could be more cost efficient than the city mowing.

Council members approved the joining of Government Services Television Network (GSTN). This network was formed by the International City Management Association and develops training videos and distributes them monthly, according to Knauf. He stated that the videos can be shown to elected officials, managers, supervisors, employees and many can be broadcast over the public access cable channel. These videos can bring more training to the work place and be more cost effective than traveling to distant cities to attend certain training seminars.

Two new parks were named during the meeting. "Holton Park" is located at East B Avenue and North Endicott, while "Blodgett" is at Cotter Drive and County Road #2. Some play ground equipment has been placed at "Holton Park" and "Blodgett" has some baseball backstops.

In regular business, the minutes and the monthly entity reports were approved. The council also approved paying the monthly bills in the amount of \$259,007.40.

## Union Church

### To have guest speaker

The Union Church of Spearman will have a guest speaker this Sunday morning at the 10:45 a.m. worship service. He is Brother Mack Tomlinson with Ambassadors for Christ International.

Brother Tomlinson is a native of the Texas Panhandle. He graduated from Clarendon High School and Clarendon Junior college. He received his Bachelor Degree from Hardin-Simmons University in Abilene, Texas and attended Southwestern Baptist Theological Seminary in Ft. Worth, Texas. He pastored Grace Church in Denton, Texas for more than eleven years. Brother Tomlinson has spent two years in the states of Illinois and Nebraska preaching in various churches and doing research and editing Christian Literature for publication. Brother Tomlinson is editor of *Revival: The Need of the Times Magazine*.

He has recently joined Ambassadors for Christ International, a national and international evangelism/mission organization. Ambassadors for Christ International was founded in 1948 in Australia and has since spread to 26 countries worldwide, such as Great Britain, India, Egypt, Singapore, the Fiji Islands, South America, Eastern Europe, and Australia.

Brother Tomlinson is the director for a new center and institute for prayer and revival at the

organization's headquarters in Atlanta, Georgia. This new institute will be a resource center for churches, groups, and individuals in the U.S. and around the world who desire quality literature for renewal and spiritual growth. The institute will house the Leonard Ravenhill Collection of audio and video tapes. Ravenhill is a nationally and internationally renowned minister and expert on revival.

Brother Tomlinson will continue to preach in churches here in the U.S. and other countries, and he will also continue to edit and publish his outstanding magazine *Revival: The Need of the Times*, along with becoming the new director of the Institute at the Atlanta headquarters. Brother Tomlinson has said, "Ambassadors for Christ International is a very quality and stable ministry. It has ministry in and support from many large and effective churches such as First Baptist Church, Atlanta Georgia where Charles Stanley is pastor."

Brother Tomlinson is a forceful and dynamic preacher and speaker on the subject of revival.

The public is cordially invited to hear Brother Tomlinson this Sunday morning at 10:45 a.m. at the Union Church, 31 South Endicott, Spearman, Texas. For further information call 659-2644 or 659-3600.

Members of the Spearman first grade class, following the tradition of the Olympics, passed the Olympic torch of Thursday, Feb. 17. Brandon Sauz receives the torch from Ashley Swan. Seated is Melissa Quillin. This activity was part of the groups study of the Olympics.

## City of Gruver approves 2.9% decrease in rates

by Angela Jones  
Editor

The Gruver City Commission approved a 2.9 percent decrease overall in the electric rates of Southwestern Public Service Company during the regular meeting held Wednesday, Feb. 9.

City Manager A.J. Ratliff explained, "Each rate was changed. Some will go up, while most will go down. Overall it will be a 2.9 percent decrease."

In other business, the commission approved several contracts.

They approved a one year contract with Hansford County for jail services. Ratliff stated that the agreement is basically the same as last years. The agreement is for \$20 a day per inmate and \$4 per meal.

Another contract approved was entering into a solid waste management agreement with the City of Spearman. This agreement is also the same as the one last year,

according to Ratliff. This agreement states that the City of Gruver will pay \$16.82 per ton for the use of the dumping grounds.

Alice Peddy, chief appraiser of the Hansford Appraisal District presented the audit for the last fiscal year and a refund check for \$158,72. Ratliff stated that the refund was for what was paid in operating expenses in 1993.

More business before the commission dealt with the General Election. The commission called for a General Election to be held May 7, 1994 to elect one City Commissioner. A.J. Ratliff was appointed as early voting judge; while Marilyn Been and David Rosser were appointed as clerks.

The commission passed Resolution 01-94 to accept a school bus as a gift from Gruver I.S.D.

In regular business, the minutes from the previous meeting were approved. Payment of the bills for the month of January were also approved.

## Gruver I.S.D. Board of Trustees Call for Trustee Election May 7

by Angela Jones  
Editor

The Gruver I.S.D. Board of Trustees called for a trustee election on May 7, 1994 during the regular meeting held Wednesday, Feb. 9.

According to Superintendent Barry Haenisch, two seats are expiring. Linda Venneman's term has expired. She has served one three year term. J.W. Ward's term is also expiring. He has served two three year terms on the board. Filing for the positions on the board opened Monday, Feb. 21, with applications for a position on the ballot being accepted through Wednesday, March 23. Early voting will begin on April 18 and ends on May 3.

In other business, the board dealt with personnel matters.

The board extended one year contracts for the 1994-95 school year for Mr. Lloyd Looper, high school principal; Mrs. Laura Blassingame, junior high principal; and Mr. Bob Burgoon, elementary principal. Mrs. Margaret Fry, the district's business manager also

received a one year extension.

Mrs. Amy Babbs was employed to serve as the superintendent's secretary. A letter of resignation from Angie Dahl, who had served as the superintendent's secretary for seven years, was read. Angie and her family are moving to Wimberley Texas.

Alice Peddy of the Hansford County Appraisal District reported on the annual audit of the appraisal district's financial transactions. She also briefed the board on the laws concerning homestead exemptions, veteran exemptions and age use reductions. The district then received a refund check in the amount of \$3,063.75. This amount represents the school district's portion of unused 1993 appraisal district funds.

Roy Mayhew, one of the Gifted and Talented teachers in the district, discussed the planned G/T trip to Colorado Springs on April 30, May 1 and May 2. While in Colorado Springs members of the junior high G/T class will tour NORAD (the North American Aerospace Defense Command), the Olympic Training Facility and the

Air Force Academy.

The board approved Mike Babbs proposal to renew the insurance on property, liability and musical instruments. In this proposal, Babbs recommended a 3 percent increase in property coverage to \$7,908,798. The total premium for coverage is \$19,879.62 for the year, which represents a \$578.62 increase from last year.

Other business during the meeting included transferring the title of a surplus bus to the City of Gruver. It was explained that the city plans to use the bus in the volunteer fire department. The bus is not currently in running condition, but the volunteer firemen are planning to do the work necessary to get the vehicle running.

Santos Rivera, Jr. was recognized by the board as high school Student of the Month for January. Junior is a senior. He has been active in FFA, serving as an officer, and in band, qualifying to compete in the solo contest at state this year. Junior plans to attend Texas A&M University to major in agri business.

Georgia and Bill Gaither received the most welcome valentine when their daughter, Angela, arrived for a surprise visit.

She is living in Texarkana after she was transferred by her employer, A.S.A. Airline, several months ago. She is a plane mechanic. Angela brought her four month old registered Siberian Husky dog to keep her parents company until she finds an apartment where it is permissible to have dogs.

She spent a few days here before flying back.

February 3, 1994 (FHTNC) -- Navy Petty Officer 1st Class Ronald S. Bullard, son of Ronnie and Vicky Bullard of Spearman recently reenlisted for four years while serving with Fighter Squadron 41, Naval Air Station Oceana, Virginia Beach, Va.

He joined the Navy in April 1984.

Curtis W. Davis II was one of 770 students at Texas Woman's University receiving degrees during winter commencement exercises in December.

TWU held three ceremonies in Denton, in addition to a separate ceremony in Houston. During the first ceremony in Denton, TWU graduates from the College of Arts received diplomas as they heard the keynote address by Lanelle Stevenson, TWU professor of performing arts and music.

Curtis earned a Master of Fine Arts degree in painting with a minor in sculpture. Curtis is the son of Curtis W. Davis of Spearman, and Bettie I. Davis of Perryton.

January 27, 1994 (FHTNC) -- Coast Guard Fireman Apprentice Frank G. Salgado, son of Frank M. Salgado of Spearman, recently reported for duty aboard the Coast Guard Cutter Bayberry, homeported in Seattle.

He joined the Coast Guard in July 1993.

Helen Etter spent several days last week in Santa Fe where she had gone to transact some business. Her brother, Arnold Richardson, of Lubbock accompanied her.

Surprisingly the country there is very dry although there have been heavy snows in the higher elevations.

\*\*\*\*\*

Ann and Roy Flowers appreciated the President's Day Holiday as it gave them an opportunity to enjoy their company for a long weekend. Their daughter Ann and Rob Reeves came up from Grapevine, Texas on Friday and stayed until Monday.

\*\*\*\*\*

Mr. and Mrs. Norman Hill with Keith and Lori, spent the week-end with his grandmother, Idella Randall, and other relatives. They live in Midland now; he was a former resident of Spearman.

\*\*\*\*\*

Grace and Raymond Kirk had a busy but enjoyable week-end with their company. Her son Roger and Joyce Davis, together with their daughter, Laurel and Micheal Corbett, came from Oklahoma City. Jeanette Zabin and children David and Deanna of Perryton joined them on Saturday.

A Sunday guest was an old friend, Olive Pendergraft.

Reports from the ill: Ruby Hull is definitely in the "driver's seat" for at least six weeks. A few days ago, as she stepped into their garage, she turned an ankle, fell and broke two bones in her foot. She was taken to Hansford Hospital where a cast was put on from her toes to the knee. She is confined to a wheel chair, and Floyd is providing locomotion.

He has not quite perfected his culinary art and they are very appreciative of the fine food brought in, and also for the cards and other demonstration of concern of their friends.

\*\*\*\*\*

Brent Connelly is undergoing treatment in High Plains Baptist Hospital. As time passes slowly, he appreciates cards from his friends. He is in room # 862.

Friends are concerned for Carrie Marie Berry who is ill in a Ft. Worth hospital. Her son, Mike, came for her week before last and she has been hospitalized since her arrival there.

She will be staying with her sister when she is released from the hospital and mail will reach her now at this address: c/o Drusilla Campbell, 4200 Toledo, Ft. Worth, 76133.

\*\*\*\*\*

Ora Lee Blackburn and other relatives are very concerned about a nephew, Billy Jack Glover, who is seriously ill in a Harligen hospital. Billy Jack finished high school here and still has many friends in the area. He is now retired and they have been living in Brownsville.

Sherrill Meek returned Monday from Seymour and a visit with her brother Rick Driscoll and family. Rick is the band instructor for

the high school in Seymour and was taking some of his students to the UIL Solo and Ensemble Contest for Bands which was being held in Wichita Falls. Sherrill was one of three accompanists.

There were 28 entries in the contest and Rick's students won 20 first places. Of this 20, 15 qualified and are eligible to enter the State Level which will be held in May.

Sherrill stayed over the rest of the week-end with the family and attended church with them Sunday morning as they were expecting Wesley Daniels, formerly pastor of the Methodist Church in Spearman, to be the guest speaker. However he was ill and his brother Hugh substituted for him. Sherrill and Rick knew Hugh from visits to Spearman so they had an enjoyable reunion on Sunday.

Johanne Blodgett and Beverly Cook spent a pleasant week at Quartz Mountain lodge, near Altus, last week. They fished, did some hiking in the mountains, did some bird watching, and returned rested and relaxed.

## Fletchers celebrate 50th Wedding Anniversary

The children and grandchildren of Gene and Josephine Fletcher honored their parents and grandparents with a fiftieth wedding reception on Sunday, February 13, 1994, at the First Baptist Church in Gruver.

In the 1930's, Gene's father and grandfather owned the first grocery store in Gruver, and Josephine's father owned one of the first drug stores. The buildings were side by side, so these two families were very much a part of one another's lives. Gene and Josephine graduated from Gruver High School. They were married on February 16, 1944, ten days before Gene left to serve in the Navy during World War II. After returning home, Gene farmed north of Gruver where the couple lived for twenty-nine years. They now reside in the city of Gruver. They have been members of the First Baptist Church ever since they were children. Going on mission crusades around the world has been a very important part of the Gene and Josephine's life.

Guests at the reception were greeted by Harmony Fletcher, granddaughter of the couple, who presided at the guest registry book. Refreshments were served to the guests by Hadley Fletcher, who are also grandchildren of Gene and Josephine. Guests were entertained by a video which was a presentation of the couple's life. Brian Gillispie, their grandson, presided over the showing of the video.

Later in the afternoon, Gene and Josephine participated in a ceremony, renewing their vows, and pledging their continued love and support to one another. Josephine's sister, Margaret Ormon and her husband, Harold, from Borger, stood with the couple as they had done so fifty years ago. Granddaughters Haley and Amy sang, "If I Were," and dedicated it to their grandparents.

Kathy Gillispie and David Fletcher, children of Gene and Josephine, along with Lill Fletcher, Gene's mother, spoke words of commendation and admiration during the ceremony. Larry Miller, Pastor of the First Baptist Church, presided over the ceremony. Les and Sharon Barkley concluded the ceremony by singing, "Household of Faith."

Kathy is married to Bob Gillispie of Gruver, and they have three children: Brian of Spearman, Clay of Lubbock, and Amy of the home. They live on and farm the original Fletcher Farm north of Gruver.

David is married to Debra Armes, and they reside in Amarillo where David is the Pastor of Northwest Baptist Church. They have three children also: Hadley of Dallas, Haley and Harmony of the home.

Out of town guests included Mr. and Mrs. Harold Ormon, Mary Pat Knight, Dr. and Mrs. Ken Ormon, Matthew, Micah, and Miles, and Mr. and Mrs. Daron Babcock, Beau and Cole all of Borger; Mr. and Mrs. Carl Archer, Mr. and Mrs. T.C. Harvey, Brian Gillispie, Claudine Clark, and Sandy Morris all of Spearman;

Mr. and Mrs. David Fletcher, Haley and Harmony, Mr. and Mrs. Bob Fletcher, Lee Ann Allen and Austin, Mr. and Mrs. Lynn Garrett, Mr. and Mrs. Andy Burleson, Mrs. Dorris Cluck, Ira Gross, Mr. and Mrs. Scott Gross, Nicholas, Christopher, and Markus, and Mr. and Mrs. Gordon Gross all of Amarillo; Mr. and Mrs. Bob Davis, Mr. and Mrs. Kenny Andrews, Kody and Kelsey, Mr. and Mrs. Phil Gross, Lindsey and Lucas all of Guyton, Oklahoma.

Other out of town guest were Mr. and Mrs. Dwight Gillispie, Mr. and Mrs. Thane McCloy, Mrs. Ollie Jarvis all from Pringle-Morse; Rev. and Mrs. Orville Rogers from Stinnett, Mr. and Mrs. Russ Childers from Dalhart, Mr. and Mrs. Ted Voiles from Perryton, and Mr. and Mrs. Jess Hudnall, Derek and Ryan from Liberal, Kansas; Clay Gillispie from Lubbock, Hadley Fletcher from Dallas, Mr. and Mrs. James Biggs from Stanton, and Rev. and Mrs. Larry Heard from Pampa.

Panhandle Crisis Center  
Portions of the following were taken from an application for grant funds by the Panhandle Crisis Center.

In the last two decades, awareness about domestic violence has grown in the United States. Every ethnic group, rich and poor, suffers from domestic violence (including emotional, physical and sexual abuse). Hansford County is no different from other parts of the nation. Domestic violence is happening here.

The Panhandle Crisis Center was established in 1984 to provide cri-

sis intervention services for victims of domestic violence. The center serves Lipscomb, Ochiltree and Hansford counties.

The center provides assistance to victims through a 24-hour hotline, victim advocacy, support groups, education and a shelter for victims to seek refuge. The shelter provides up to 30 days housing for victims and their children.

The Advocacy program, for both sheltered and non-sheltered clients, provides comfort and advice for victims to go through the proper legal channels. The center personnel also counsel victims to strengthen their resistance against pressures to return early to an abusive household. The group support system helps victims become self-sufficient and develops the self-assertiveness necessary to take steps to improve their situation. The center has Spanish-speaking employees.

In 1993 the Panhandle Crisis Center sheltered 22 women and 35 children. The center received 397

hotline number. New non-sheltered clients numbered 74 women and 7 children. Returning non-sheltered clients numbered 146 adults and 4 children. In 1993, the center had 229 clients from Ochiltree County, 28 from Hansford County and 8 clients from Lipscomb County.

The Panhandle Crisis Center employs an executive director, who oversees all activities and researches new possibilities; the Shelter Coordinator, who oversees the residents and maintains the shelter, an Administrative Assistant, who receives and notes all incoming and outgoing calls; and Outreach Workers in Hansford and Ochiltree counties. The Hansford County Outreach Worker offers face-to-face communication four times a month. The Outreach Worker visits Spearman and Gruver on alternating weeks.

If you have any questions about the Panhandle Crisis Center, call the hotline at 1-800-753-5308 or contact the Spearman Police Department at 659-2524.

## Wanted:

Citizens to help the government make decisions on health, safety and environmental issues at Pantex Plant

The Pantex Plant, located 17 miles northeast of Amarillo, is the nation's primary assembly and disassembly plant for nuclear weapons. Citizens affected by the plant have asked the Governor's Office, the Environmental Protection Agency and the Department of Energy (DOE) to establish a Pantex Plant Citizens' Advisory Board. This board will be an independent group to advise the DOE and various state and federal agencies that regulate Pantex on health, safety, environmental and waste management issues.

The first eight nominees of the PPCAB have been selected by a committee made up of citizens from the Panhandle. These eight nominees now have the task of selecting the remainder of the board. Their intent is to nominate a diverse and balanced advisory board as quickly as possible. Thus, in addition to considering the applications that have already been received, they welcome applications from citizens in the Panhandle who are able to represent the views of such groups as:

- \* Academia
- \* Area Residents
- \* Labor
- \* Local Government
- \* Regional residents
- \* Current, or past, Pantex Employee
- \* Agriculture Community
- \* Business Community
- \* Environmental Groups
- \* Public Interest Groups
- \* Other Affected Groups

Applications to serve on the Pantex advisory board can be obtained from any of the first eight board nominees, who are listed below:

- Mavis Belisle, 335-1715
- Lowell Cranfill, 477-4496
- Trish Neusch, 358-2622
- Patrick Padilla, 477-3850
- Denise Price, 358-7736
- William Seewald, 353-8486
- Jere White, 537-3607
- C.E. Williams, 883-2501

DEADLINE: Applicants must be hand delivered to one of the eight PPCAB nominees or faxed to (806) 355-3837 by 5 p.m. Feb. 28. Applications may also be sent to the Canyon post office box listed on the application if they are postmarked by Feb. 25.

After months of preparation and hard work, the youngsters were rewarded for their efforts with five 1st places, three 2nd places, as well as a Special Judges Award for "Best Presentation" (in the entire competition) for the production number "Cleopatra."

"Cleopatra, Queen of Denial," took 1st place for "Open Production" and included Amber Pennington, Deidre Shelton, Cassidy Keifer, Haley Farber, Toni Davis, Genie Barker, Sheena Barker, Kelcee Barkley, Amanda Adams, Brooke Adams, Chrystal Beagle, Dani Beagle, Kristen Brown, Glen Hicks, Candace Shelton, Andraya Duke, Jennifer McCarty and Maranda Fight.

Glen Hicks, Maranda Fight, Amanda Adams, Genie Barker, Kristen Brown, Chrystal Beagle, Andraya Duke, Jenifer McCarty and Kelcee Barkley performed a line clogging routine to "Too Legit" and was awarded 1st place. The clogging trio of Kelcee Barkley, Amanda Adams and Maranda Fight were rated 1st for their performance of "Contrast."

Tap soloist Glen Hicks received

a 1st place for his performance of "Steppin' Out," while jazz soloist Haley Farber danced to a 1st place award for her rendition of "Smooth Criminal."

Second place winners included Amber Pennington, Deidre Shelton, Cassidy Keifer and Haley Farber jazz dancing to "Workaholic." Clogging to "Cheating Heart" were Dani Beagle, Candace Shelton, and Sheena Barker. Soloist Kelcee Barkley was rated 2nd as well for her clogging routine to "Orange Blossom Special."

Borger, Stinnett, Fritch and Spearman will be well represented as the children travel to Orlando, Florida this summer to compete at the national level. The competition will be held at Disneyworld July 1-8.

In the upcoming months the youngsters will be working to raise the funds needed to make it possible for them to compete in Florida. Any organizations or clubs wishing to have these young dancers perform for their group can contact Carla Barkley at 659-3335 or Donna Pennington at 273-9713 after 6:00 p.m.

Pictured above are the members of Carla's Dance Studio performing "Cleopatra, Queen of Denial" in Dallas. The group placed first plus received an award for best presentation in the contest.

## Sign-up dates announced for Wetlands Reserve Program

Texas landowners will be able to enroll eligible acreage into U.S. Department of Agriculture's (USDA) second Wetlands Reserve Program (WRP) sign-up from February 28 through March 11, 1994. Landowners can offer their land for the program at their local Agricultural Stabilization and Conservation Service (ASCS) office.

The program restores former wetlands converted to crop production and currently cropped wetlands to their natural state. The wetlands restoration protects habitat for migratory birds and other wildlife, improves water quality and increases ground water recharge. Under the program, USDA will purchase permanent easements on eligible lands in return for restoration and management of wetlands. In addition to purchasing wetland easements at the appraised agricultural value of the land, USDA will pay up to 75 percent of the wetland restoration costs.

Eligible lands include former wetlands or existing wetlands that were cropped at least once between 1986 and 1990 and remain in a condition to be cropped. Also eligible are buffer areas of non-cropped wetland and upland that protect restored wetlands and eligible wetlands currently enrolled in the Conservation Reserve Program.

ASCS and SCS will determine eligibility of both land and landowner during sign-up. Eligible landowners can sign an "intention" to enroll their land in WRP. After the sign-up period, environmental benefits and cost estimates of each intention will be compiled and sent to ASCS's national office in Washington, D.C. for ranking. Intentions that provide the most environmental benefits at the least cost will be selected.

Anyone interested in WRP should contact the Spearman ASCS or SCS offices for sign-up information and more program details.

Programs and services of the Hansford SWCD & Soil Conservation Service are offered on a non-discriminatory basis without regards for race, color, national origin, age, sex, religion, marital status or handicap.

We are sorry that several members and friends have been ill and undergoing surgery. Our prayers are that God give them strength to endure their afflictions.

The quilters are working hard on their new quilt. They are stitching a beautiful blue Cowboy's Star.

The crafters have been goofing off. Just eating and visiting. However, March the third that is to change. First on the agenda will be Beauty-Control Cosmetic demonstrations. The demonstrator will be

Marlene Ford from Amarillo.

While Marlene does a one on one make-over, the others will be preparing flowers to make wreaths for Memorial Day. A number of designs with a variety of flowers will be made. Some may be used for other decorations. SO! Come on ladies of all ages and join the fun. Besides a covered dish luncheon is always enjoyed.

The Board of the Golden Spread Seniors Center is making plans for another radio auction for this year. More information will be forthcoming as details are put together.

## Simple precautions can protect children from burn injuries

Each year in Texas, thousands of children sustain fire, scorching or scalding injuries. Many severely burned children die from their injuries.

In 1992, burn injuries were the fourth leading cause of death for Texas children ages 1-19. Hundreds of burned children were admitted to hospitals.

To reduce the incidence of burn injuries and deaths and to raise public awareness, the U.S. Congress has chosen the week of Feb. 6-12, to start the ninth annual National Burn Awareness Campaign.

The theme for this year's campaign is: "The worst kind of burn is the one you could have prevented."

DR. David R. Smith, Texas Commissioner of Health, said. "Many deaths and injuries from burns could be prevented with simple changes in the way we do things. Even something as simple as keeping children away when you're pouring hot liquids could prevent a painful scalding injury."

The Texas Department of Health's (TDH) EMS for children (EMSC) program suggests other ways to prevent burn injuries. These include:

\* Turning pot handles out of children's reach while cooking.

## Hansford Unit makes PACE

"American Cancer Society volunteers in Hansford unit have reached their goal in public education for PACE," said Elvira Dominguez, president.

PACE, or Priority Activities in Cancer Education, is a plan that spells out a basic Society public education program for a particular size unit. PACE helps units make the best use of volunteer power and other resources for cancer education. By concentrating on PACE objectives, units can reach the people who need help most and deliver information effectively. The program focuses on themes where prevention or early detection and treatment saves the most lives.

In order to reach PACE status, community volunteers must reach 40 percent of the youth population and 10 percent of the adult population with American Cancer Society life-saving information. Messages about different types of cancer are delivered through educational programs in organizations, businesses, health service sites and other locations.

"This is a large undertaking, but one that volunteers in Hansford feel is important and necessary to the health and welfare of our community," Dominguez said.

# Lynxettes beat Panhandle by one; Lynx defeat Greyhounds by three

The Spearman Lynxettes turned in an amazing performance at Hanna Fieldhouse in Borger on Thursday night against the Panhandle Pantherettes, who were the #1 seed from District 2-A.

The Bi-District contest was a thriller to the end where the Lynxettes pulled out the OT victory in the last 8 seconds. Regulation time ended in a 45-all tie on the last second lay-up by Carrie Pearson. Carrie was fouled, but the free shot didn't fall and thus the 3 minute overtime.

Panhandle owned a 3 point lead with 1:06 remaining. Shayla Barber sank a shot for 2 and Ashly Shieldknight got the ball with 12 seconds left, dribbled the length of the floor, pulled up just outside the free shot line and aced the shot with 8 ticks left on the clock. That was enough to give the Lynxettes the 49-48 lead and the Bi-District Title.

Kara Townsen scored a game-high 23 points, contributing 18 of Spearman's 23 first half points.

The Lynx met the Gruver Greyhounds for the 4th time this season on Friday in Dumas to determine the #2 seed in District 1-2A.

In front of a standing room only crowd, the Lynx were the first ones on the scoreboard with an early pull-up jumper by Toby Thompson, who had 13 points for the night. The Lynx maintained their dominance of the game throughout the first quarter with Jason Varnon scoring 12 points in that stanza. The Hounds couldn't find a way to stop Varnon as he scored a game-high 26 points.

Taking an 18-11 lead into the second quarter, Chuck Cook took center stage and scored 11 of his game total 15 points before halftime. Nine of those points were from 3-point land. Spearman led by 18 at one point in the second quarter, but took a 34-21 advantage in at halftime.

The Lynx came out in the third

and fourth quarters protecting a lead that began to diminish. Strong performances from the charity stripe proved to be the difference as Spearman made 7 out of 8 in the second half. The Lynx held off the final seconds attempt by the Hounds to tie the game when Roma Tomlinson shot an off-balance 3 point shot that bounced off the rim into the hands of the Lynx as the final buzzer sounded and Spearman came away with the 59-56 win.

The Lynx will meet Clarendon in their Bi-District game on Thursday, February 24, 7:30 p.m. at Amarillo High School.

The Lynx traveled to White Deer Monday night to take on the Groom Tigers in a practice game before their Bi-District matchup on Thursday. The Lynx led by 3 at the end of the first quarter, 18-15, but found themselves trailing by 4 at the half-way mark 28-32. Outscoring the Tigers by 10 points in the third, the Lynx pulled ahead by 48-42 and never relinquished the lead after that. The Lynx handled the Tigers by a final score of 65-53.

# Spearman Lynxettes Lose heartbreaker to Shallowater

The Spearman Lynxettes ended their very successful basketball season Tuesday night when they lost to Shallowater in the Area Playoff game in OT, 59-65. The lead saw several times throughout the game and the Lynxettes found themselves trailing at half time, 34-29. Twice during the contest, the Lynxettes found themselves trailing by nine, but didn't let that discourage them as they fought back both times. Early in the fourth quarter, the Lynxettes trailed by the largest margin of the night, 52-41, but staged a tremendous come-back where they had a 12 point run, holding Shallowater scoreless until only 13 seconds remained when they sank a free shot to tie the game and put it in overtime. The Lynxettes scored the first 2 points of the OT, but Shallowater came back with six unanswered points before the Lynxettes again pulled within two. Both teams then traded baskets and with 18 seconds left and trailing by four, the Lynxettes were forced to foul to regain possession, but Shallowater answered by making four of four at the charity line to insure the victory.

Ashly Shieldknight and Kara Townsen finished the game with 20 points each. Ashly recorded 1 rebound, 1 steal, 1 assist, and 1 blocked shot while Kara pulled

down 10 rebounds. Carrie Pearson found herself in early foul trouble with three by halftime, but continued to give her best as she contributed 8 points, 3 rebounds, 1 steal, and 1 assist before she fouled out in the fourth quarter. Traci Martin added 5 points, 5 rebounds, and 1 assist while Shayla Barber put in 4 points, 1 rebound, 1 assist, and 1 blocked shot. Rounding out the Lynxette team effort were Carey Beaty with 2 points, 1 assist, and Telie OQuin with 3 rebounds and 2 steals.

Congratulations Lynxettes on a wonderful season. Thanks seniors Telie OQuin, Carrie Pearson, and Tami Ricke for your efforts and leadership!

**Caution Around Power Lines Is A Safe Bet.**

Avoiding contact with power lines is a safe bet for preventing accidents. Whether the contact is direct or indirect - through something you're holding - you could be seriously injured. Make sure that you stay clear of power lines when you're working outdoors with ladders, television antennas or anything that could touch the line. Also, remind your children to keep kites away from power lines and to stay out of trees that could come into contact with a line. For more information about electrical safety, call or visit your local TNP office and ask for your free brochure, "Straight Talk about Electrical Safety."

# Area champion Lady Hounds vs Wall Friday night at Abilene

by Bob Bort

For only the second time in the last 30 years, the Gruver Lady Hounds have advanced to the Regional Tournament in ladies basketball, by whipping the Sundown Roughettes this past Tuesday night 66-63 at the West Texas A&M Fieldhouse in Canyon. In 1963 and again in 1964, the ladies made it to the Regional Tournament in class A in Lubbock, and then in 1992 the Lady Hounds made it to the Regional Tournament, again in class A, at Levelland. This is their first trip in class AA, and the Regional Tournament, this year in AA will be held this Friday and Saturday, Feb. 25-26, on the campus of Abilene Christian University in Abilene. The Lady Hounds will play Wall at either 6:30 or 8 p.m. on Friday night. The regional championship game will take place at 2:30 p.m. on Saturday.

Wall is the runner-up in district 6-AA. They defeated Van Horn 59-27 in bi-district, then defeated Albany 60-59 in their area game. Wall is a community located about 13 miles southeast of San Angelo, so they will be right home in Central Texas at Abilene. The four teams from Region I in AA that have made it to regionals this year are Gruver (28-5), Wall (24-8), Shallowater (24-7), and Tuscola Jim Ned (30-2). Four tough teams, and it will not be easy for the Lady Hounds to win the championship and advance to the State Tournament in Austin March 3-5.

Tuesday night Feb. 22 at "The Box" in Canyon, the Gruver gals manhandled the Sundown Roughettes, despite the close score, to win their area championship game. Coach Steve Myatt of the Lady Hounds had plenty to say.

"I have been playing, studying and coaching basketball since 1969, and this is the greatest display of courage, heart and pulling together as a team that I've ever seen. The team character, the will to win and overcome was the key. We're the only girls team in the state of Texas that could have won that game, under those circumstances."

The circumstances Coach Myatt was talking about were these. Gruver lost three of their top players, senior Mika McLain to injury

with 3:46 left in the third quarter, and a 12-point lead; senior Wynn Maupin to fouls with 3:13 left in the fourth quarter; and sophomore Molly McLain to fouls in the fourth quarter. Despite losing those key players the Gruver gals banded together in unison to overcome.

There were other circumstances. 12 of the first 14 fouls called in the

game were called on the Lady Hounds. 7 of the first 9 fouls in the second half were called on the Lady Hounds. All told, Sundown was 23-27 from the free throw line, including 17-19 by star senior guard Kyna Cosby who scored 38 points; meanwhile Gruver was 8-13 from the charity stripe, a difference of 15 points at the free throw line. ## Lady Hounds crush Wellington

by Bob Bort

The Bi-District Championship belongs to the Gruver Lady Greyhounds in 1994, as they crushed the Wellington Lady Skyrockets this past Saturday afternoon Feb. 19 at the Amarillo High School Activity Center 76-56. The Lady Hounds came out smoking, and Wellington was never in the game.

"We have so many girls who have stepped up, who are capable of scoring," said a relieved Lady Hounds Coach Steve Myatt this past Saturday evening following the game. "It's Molly making steals, Julie getting the offensive rebounds, Wynn with her moves toward the basket," he continued. "We have a very balanced team, and we played like a team."

Myatt goes on, "Tisha and Wendy are the best pair of defensive guards anywhere. They are playing at a level that is state championship quality. Mika and Sara set up so many things that Julie and Wynn do, by drawing people outside."

Myatt talked about his awesome defense. "Defense was the key today. Team defense - pressure, rebounding, blocked shots. Defense can carry us through the times when we're not scoring much, and allows us to play loose and free on offense."

The Lady Hounds jumped out to an insurmountable 25 point lead, 39-14, in the second quarter. Mika McLain was hitting from outside, Maupin and Meyer from inside, Ralston and Rodriguez each had two buckets, and Jones had already canned three treys. They were awesome.

Wellington cut the lead to only 13 at halftime, and 10 in the fourth quarter, and Coach Myatt blames

himself for that, having substituted in a different pattern than the Lady Hounds had been used to this year. He says he just got caught up in the excitement of the big lead, and he vows he won't do it again.

But all's well that ends well, and the Gruver gals blitzed the Lady Rockets 11-1 at the conclusion, for the 20 point margin. Wellington was lucky it was that close. 18 of the last 20 points that the Lady Hounds scored came from the free throw line. Overall, they were 24-31 (77 percent), including 15-20 in the fourth quarter. Julie Meyer was 11-14 (79 percent) and Mika McLain was a perfect 6-6.

Coach Myatt talked about Sundown, the Lady Hounds next foe in the area game. "They are 22-9, and three of those losses came when their best player was out (Kyna Cosby, 5-7 senior wing). She is one of the best ball players in the state - a returning all-stater. She is unbelievable. She scored 50 points in her last district game, and 34 points in the bi-district victory over Springlake-Earth. But I can't believe that a one-girl team can beat us."

The Lady Hounds are one victory away from a trip to the Regional Tournament at Abilene. Gruver Lady Hounds (27-5) vs Wellington Lady Skyrockets (15-11)

## Hounds succumb to lynx, but not without a fight

by Bob Bort

The Spearman Lynx defeated the Gruver Greyhounds in a district playoff game at Dumas this past Friday night February 18th, 59-56, for the 2nd seed in the playoffs from district 1-AA, but the Hounds never-say-die attitude reminds one of an old military creed, about never giving up - "I may go to Hell, but I'll crawl there like a Marine."

The Hounds trailed by 19 points in the second quarter, then rallied to cut it to one point twice in the waning seconds. They went down fighting, and the Spearman Lynx knew they'd been in a battle.

Coach Tim Garland of the Hounds gave his synopsis of the game. "We started out slowly - our youth and inexperience showed," said Garland. He continued, "Getting started was tough, with the pressure of a big ball game. That was one advantage Spearman had - they had the experience. That was the difference in the beginning."

More from Coach Garland. "We saw that we were capable coming out in the second half, and then played them our typical hard-nosed ball game. We battled back, and battled back. The kids were always believing they would get the job done, and as far as I'm concerned they did get the job done."

With 11 seconds left, the Hounds and Jace Dawson had calmly dribbled the ball down court, and got the ball in the corner to Roma Tomlinson. It was the shot they wanted. The shot bounced off the rim. Tomlinson took it hard, but he had no cause to do so, according to Coach Garland.

Coach Garland talked about that last shot by Tomlinson - a trey in an attempt to tie. "We couldn't ask for anything better. His character showed - he was willing to take the shot. It was a true and pure shot. I

had my best 3-point shooter taking the shot. If he'd taken the shot again, it may have gone in."

But give credit where credit is due, according to Garland. "Jason Varnon is an athlete. We did all that we could against him. When we pressured him he kicked it out to (Chad) Cook for a 3-pointer. They had the combination tonight that they didn't have in the first two district ball games. Varnon just hit his shots. He could pose some problems for Clarendon."

Varnon single-handedly, it seemed, killed the Hounds. He scored 26 points, including 12 in the first quarter, but he was still hitting his shots in the fourth quarter. According to Coach Garland, "He is the best athlete in our district. The Lynx were very well prepared - Give Coach (Wendell) Neff credit, and they executed well."

Coach Garland concluded, "I'm extremely proud of my team. They're already talking about next year."

The Lynx jumped out to a 6-0 lead, and never trailed in the ball game. Thanks in large part to Varnon and Cook, they built a solid 32-13 lead in the 2nd quarter, with a run of ten consecutive points. It was 34-15, when the Hounds closed the half nicely, giving them much encouragement going into the locker room at halftime. They had scored six straight points on a Travis Ferguson 3-point play, and a Tomlinson trey. The score was 34-21.

But Varnon started each quarter smoking, and the 3rd was no exception. A bucket made it 36-21. But then the Hounds came to life, and outscored the Lynx 6-0 on a Wylee Maupin score from under the basket, a Jarrod Hoel jumper, and a Kenton Odom score from under the basket. It was 36-27. With the score 42-31, the Hounds

outscored the Lynx 7-3 to draw within 45-38. Toby Thompson had hit a 3-point play for the Lynx only points.

It was still a sizeable Lynx lead, 55-45, midway through the final quarter, when the Hounds really rallied. They outscored the Lynx 9-0 to close within 55-54. Ferguson had hit a driving layup, Sammy Renteria had a steal and a layup with 3:54 left, Ferguson had a steal and a layup with 3:41 left, Odom hit the first of a 1 and 1 situation with 3:20 left - then a big play. Thompson was called for an offensive foul, a charge, and the basket he'd scored was no good. Dawson then hit from under the basket with 2:10 left, and it was 55-54.

Varnon then hit a pair of critical free throws for a 57-54 lead, Dawson hit from under the basket again with 0:35 left to cut it to 57-56, then Thompson hit a pair of critical free throws for the 59-56 final. Ferguson missed a trey, and Varnon missed the front end of a one and one with 11 seconds left, giving the Hounds the rebound and the ball with plenty of time to drive the court, which they did, but Tomlinson's trey at the end just missed.

In the end, the heroes were Coach Neff and his Spearman Lynx - especially Varnon with 26 points, Cook with 15, and Thompson with 13. Their senior leadership showed in a big ball game.

But next year, the Hounds will be awesome!

only way the Roughettes hung around in the game was due to fouls called on the Lady Hounds. It really was not a close game - the Gruver gals were the clear cut better team, and the winners. If Gruver had lost the ball game, it would have been highway robbery. Sundown had one superstar guard, Cosby, and she is fantastic. She played the entire four quarters, all 32 minutes of the ball game, as they could not afford to sit her down.

Coach Myatt continues, "Poise, heart and character - you can't find out if you have them, until you're tested. Now we know."

Myatt talked about the injury to Mika McLain. "She was in the middle of a big team role, in a big team situation. Because we are a team, we overcame."

Mika McLain scored 17 points in her two plus quarters, Julie

## Hole-in-One

Hansford Golf Club professional Ned Kygar reported that Billy Kelly of Gruver made his first career hole-in-one on Sunday, Feb. 20.

Billy used a one iron and a Titleist 1 ball to ace the 165 yd No. 7 par 3 hole.

Witnessing the event were: Charlie Little, Mark Schoenhals and James Cunningham of Spearman and Fran Haefner of Gruver.

Congratulations Billy!

Meyer also scored 17 and played perhaps her best game of the year - extremely aggressive underneath the basket, with two critical free throws at the end, Sara Jones canned three treys off the bench including two critical ones, one with just over a minute left to give the Gruver gals a 63-58 lead, Wendy Rodriguez is fast becoming a spark-plug in the Lady Hounds attack - she scored seven points and had several key swipes, Wynn Maupin scored 12 points and her senior leadership is needed on this team, and on and on. The Lady Hounds are state championship material. They have that kind of character.

Gruver jumped out to a 12-3 lead, as Meyer was hot underneath the basket with three scores, Mika McLain had one jumper, and Maupin had scored twice. It was a lead they would never relinquish, as they led from the opening tip-off to the conclusion.

Gruver's largest lead was 12 points, 47-35 but that is when Maupin drew her fourth foul with

6:06 left in the third quarter. It was still a 12-point lead, 49-37, when Mika McLain left the ball game with a knee injury and 3:46 to play in the third quarter. Gruver's gals really sucked it up, and gave full effort for the remainder of the game.

With 5:20 left to go in the game, the Roughettes cut it to 58-54. With 3:40 left, they scored again to cut it to 58-56. But Maupin hit from under the basket with 3:22 left, and Gruver led 60-56. Maupin fouled out with 3:13 left. They cut it to 60-58 with just a little over a minute to play, and that's when Jones hit a tremendously uplifting trey, to give the Gruver gals a five-point lead, 63-58.

With the score 63-60, and 46 seconds left to play, Tisha Ralston hit the front end of a one-and-one - a critical free throw. Though she missed the second free throw, Sundown came down court and Cosby hit a controversial 3-pointer (Was she over the line?), and it was a one-

\* Covering unused electrical sockets with tight-fitting plastic safety plugs to prevent children from poking items into the sockets.

\* Keeping children away from plugged-in electrical cords. Biting or chewing a live electrical cord can cause serious burns.

The EMSC program works to promote public awareness of ways to reduce all typed of childhood injuries: motor vehicle crashes, burns, poisonings, falls and drownings.

According to paramedic and nurse Rhonda Blackmore, director of EMSC, "We'd much rather help by preventing the injury than to have the children and their families go through the pain and rehabilitation of an injury."

For more information about preventing burns and other injuries, contact your local EMS or the EMS for Children program at 512-458-6740.

to waive informalities, and to accept the bid deemed to be the most advantageous to the City. All bids received after the closing hour will be returned unopened.

All bids shall be sealed and marked on the outer envelope of the type of bid being submitted. Specifications and bidding documents may be secured from City Hall, P.O. Box 37, Spearman, Texas 79081.

**"Brighter Than Snow"**  
 It's a Saturday morning in February. As you languidly stretch and open your eyes, bright light meets your reluctantly rising lids.  
 Yet, the sky, from your horizontal position, is a solid blanket of gray. Puzzled, you arise to find a white covering of snow reaching the horizon...so bright as to illumine the entire room as would the noonday sun. A perfect bright, snowy Saturday...a reflection of the icy weather, no less.  
 Can you imagine a light more perfect than this? In Psalm 50:2, we read... "the perfection of beauty, God shines forth." Even through cloudy circumstances, God's brightness abounds, disguising the chill.  
 God is with you always...in dark times as well as joyous ones. This Sabbath, may we remember the words of the Psalmist David, as he praises our Heavenly Father, "...even the darkness is not dark to Thee, the night is bright as the day; for darkness is as light with Thee" (Psalm 139:12).

**A Cut Above The Rest.**  
 It's the way we put them together that sets us apart.

There is a powerful difference in irrigation systems.

At Reinke, we believe an irrigation system not only should work the first time at start-up, but we feel it should also be working for many years of rugged field use. And as we build them, we make it our business to ensure they're built right. We put our systems through one of the most rigorous testing and quality control programs in the industry.

And this painstaking attention to quality has paid off. Over the years, the quality built into every Reinke system has earned them the reputation to be of superior design and construction, built for the long run. Reinke systems are virtually maintenance free and are covered by the best warranties in the business. The fact remains, when it comes to quality, durability and reliability, a Reinke system does not just stand out - it stands alone.

If you want an irrigation system to work harder, last longer, backed by superior service - all with the unbeatable Reinke quality, contact your Reinke dealer and discover the real Reinke difference.

Helping you make the most of your resources.
