## News Briefs

Registration packets can be picked up from the counselor's office at Spearman High School for the spring 1994 out-of-school TAAS and TEAMS tests.

The Waka Church of the Brethren will have a Ground Hog Supper at the church on Saturday, Feb. 5, from 6-8 p.m. The public is invited. There will be opportunity for a free will donation, as a benefit for a new roof for the Community Library.

The Spearman Music Boosters will be meeting Monday, Feb. 7, at 7:30 p.m. in the High School Cafeteria. All parents are encouraged to attend.

Come to the Hamburger Supper Tuesday, Feb. 8 from 4:30-7 p.m. in the Junior high cafeteria. This meal is sponsored by the SHS Seniors and includes hamburger, chips, pinto beans, dessert and drink for \$5.00.

The Pringle-Morse CISD Board of Directors will hold their monthly meeting on Tuesday Feb. 8, at 7 p.m.

The Hansford County Livestock Show will be held Feb. 11-12 at the Gruver County Barn.

Gruver Jr. High students taking seventh grade ACT for Duke's Talent Search are (l/r) Wesley Miser, Charlie Stavlo, Luke Johnson, Jason TeBeest, Clayton Henson, Lauren Miller, Jennifer Dahl, and Jim Potts.

## 9 Gruver J.H. Students participate in search for advanced students

Nine students from Gruver Junior High have qualified and applied for participation in this year's talent search for mathematically and verbally advanced students sponsored by Duke University's talented identification program (TIP). The program identifies highly able seventh graders from a 16 state region in the south, southwest, and midwest.

To be eligible, students must have scored at the 97th percentile or better on an in school achievement or ability measure. They will sit for the ACT assessment, normally taken only by college bound juniors and seniors in February at Frank Phillips College. Many of these students score as well as or better than the average college bound senior on these measures. All participants receive certificates

of merit and some become eligible for state wide recognition ceremonies or a variety of educational programs.

TIP, established in 1980, has provided thousands of students with information about their abilities and educational options. The purposes of the program are to help academically bright students develop their special abilities, to assist schools in working with their brightest students, and to understand the nature of exceptional mathematical and verbal ability.

The following students from Gruver Junior High are participants in the talent search: Jennifer Dahl, Clayton Henson, Luke Johnson, Lauren Miller, Jim Potts, Charlie Stavlo, Jason Tebeest, Wesley Miser and Chase Carter.

## Texas Railroad Commission

### Releases oil and gas stats

The Texas Railroad Commission has released oil and gas production figures for the month of October 1993 in Hansford County. Total gas production for the month was reported at 3,106,262 Mcf, and crude oil production at 29,909 barrels.

The Commission issued a total of 1,230 drilling permits in December compared to 1,514 in December 1992. The December total included 774 permits to drill new oil and gas tests, 37 to re-enter existing well bores, 46 to deepen existing holes, 146 to plugback existing holes, and 67 for other wells. December amended drilling permits totaled 160.

Total drilling permits issued in 1993 year-to-date is 13,027, a three percent decrease from the 13,452 issued during the same period of 1992.

Permits issued in December included 424 oil, 251 gas, 474 oil and gas, 19 injection, 11 disposal, and 51 other permits.

In December operators reported 314 gas, 454 oil, and 31 service completions, compared to 330 gas,

Texas preliminary October crude oil production averaged 1,513,696 barrels daily, down from the 1,620,193 barrels daily average of October 1992.

The preliminary Texas oil production figure for October is 46,924,572 barrels, down from the 50,225,977 barrels reported in October 1992.

Texas oil and gas wells produced 466,978,901 Mcf (thousand cubic feet) of gas in preliminary production for October, up two percent compared to October 1992's gas production total of 460,246,595 Mcf.

Texas gas production in October came from 172,612 oil, and 46,079 gas wells.

464 oil, and 46 service completions during the same period of last year.

The total of well completions recorded for 1993 year-to-date is 8,386, a four percent increase from the 8,080 recorded in 1992.

Operators reported 649 holes plugged and 212 dry holes in December compared to 1,115 holes plugged and 100 dry holes reported during the same period last year.

## Pringle-Morse Middle School

### To compete in math contest

Problem: A woman was  $\frac{3}{4}$  of the way across a bridge when she heard the Wabash Cannonball Express behind her, approaching the bridge at 60 miles per hour. She quickly calculated that she could just save herself by running to either end of the bridge at top speed. What is her top speed in miles per hour?

Seventh and eighth grade "mathletes" at Pringle-Morse Middle School in Morse have been working on this and many other challenging problems for the past several months. Coached by Judy Bouldin, they are preparing for the February 12 regional MATHCOUNTS contest at Amarillo College, where 13 teams will compete for trophies and a chance to advance to the state-level contest in Austin on March 5, 1994.

Also preparing for the regional contest are students from the following schools: Amarillo Catholic Middle School, Amarillo Christian School, Amarillo Home Schoolers, Bonham Middle School, Crockett Middle School, St. Andrew's Episcopal School, Travis Middle School, Valleyview Junior High School, Amarillo; Canyon Junior High School, Canyon; Hedley Junior High School, Hedley; Pampa

## Hansford County Livestock Show and Premium Sale reports changes in '94

by Angela Jones  
Editor

Several changes have been made to the Hansford County Junior Livestock Show and Premium Sale in 1994.

The first major change is the show dates. The 1994 show will be held on February 11 and 12 at the Gruver County Barn in Gruver. These new dates move the show before Houston, but after Fort Worth.

Three other changes are made in the rule book.

The first two are covered under General Rules. It is noted that there is an addition to rule 32. This addition reads: "Substitute showman must show and sell the animal for the ineligible showman. Money will be forfeited if this rule is broken."

Then rule 34 was added. It reads "All sale exhibitors will be responsible for getting their animals to the sale ring. Failure of this will result in the animal not bringing a premium."

The final major change for 1994 involves the purchase of an animal. It is stated that the Hansford County Junior Livestock Show and Premium Sale has been changed to better assist buyers in determining the total amount they will spend. "What the buyer bids is the amount they will spend."

Scheduling for the livestock show is as follows:

On Friday weighing will be held for steers, lambs and companion lambs from 8 to 10 a.m. The "Grand Opening of the Show" will be held at 12 noon with all directors, ag teachers, county agents FFA chap-

ter presidents, 4-H club chairman and FFA sweethearts reporting to the arena.

Then the steer show will be held. At 2 p.m. or immediately following the steer show the lamb show will be held. Then at 6 p.m. or immediately following the swine will be weighed.

On Saturday at 8 a.m. the swine will be judged. At this time all pens and stalls must be cleaned and rubbish removed. A judging contest will be held at 1 p.m.

That evening at 6:30 p.m. the floor prices will be auctioned and the presentation of showmanship awards and commercial steer awards will be held. Immediately following this presentation the auction of lambs, swine and steers is scheduled. They will be sold in order - one lamb, one swine, one steer.

## Gruver Ministerial Association

### Seeks donations for broadcasting project

by Angela Jones  
Editor

The Gruver Ministerial Association has filed with the FCC for permission to broadcast KJIL 99.1 FM, an Interdenominational station from Meade, Kan. This station will be broadcast in the Hansford County area by using the Riley Brothers tower as a booster.

According to Pastor Larry Miller, First Baptist Church, the association is hoping to be able to start broadcasting by July of 1994. We are waiting on approval from the FCC, he stated.

But the project is also in need of funds. Miller explained that they are getting the equipment at a reduced rate, approximately \$8,000. So far they have already received \$2,000, but they still need \$6,000 to complete the project. According to the group, they haven't tried to raise the money yet.

KJIL is Christian broadcasting. It features shows such as Doctor Dobson's "Focus on the Family", Charles Stanley's "In Touch", and many others. This station is a blend of traditional and contemporary Christian music.

"We don't know for sure how far from the tower the signal will be picked up, but we believe it will cover as far as Morse," Miller said.

In addition to the shows and music, this station also provides another way for churches to promote special events. "It will give us more local out reach into our county," Miller stated.

He concluded by saying this about the radio station. "We think it will be a strong voice of Christian entertainment. We're excited about getting it."

For anyone wishing to make a donation to the project the address is: Gruver Ministerial Association, P.O. Box 608, Gruver, Texas 79040.

## Gruver students perform in all district band concert

by Angela Jones  
Editor

Seventeen Gruver students attended the Texas Music Educators All Region Concert Band Clinic and Concert at West Texas A&M University in Canyon on Friday, Jan. 21, and Saturday, Jan. 27.

According to Gruver Band Director Todd Parker, five of the participants were from the high school and 12 were from the junior high. They qualified for the events in tryouts held on November 30 for the junior high and December 6 for the high school.

On Friday evening and all day Saturday the students practiced the various pieces they were to perform.

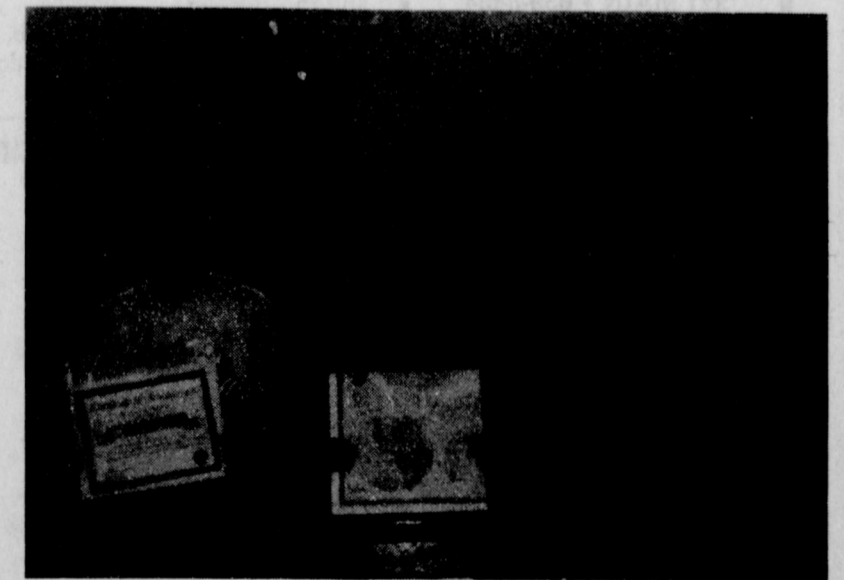

Then at 5:45 p.m. on Saturday the junior high performed. The guest conductor for the group was Linda McDavitt, the Director of Band at McArthur High School in San Antonio. They performed four

pieces, one was Themes from Jurassic Park.

At 6:30 it was the high school students turn. They also performed four pieces. One of their pieces was "Black Horse Troop" by John Phillip Sousa. The guest conductor for the high school was Anthony Gibson, the Director of Band at the Coronado High School in Lubbock.

"In my six years teaching at Gruver, these 17 students are by far the most we've had make the all region band," Parker said. He added, "I would like to congratulate them on their fine showing and performance."

Students performing were Terra Gamble, Lauren Miller, Stephanie Gaines, Kathy Slough, Victor Luciano, Erica Salmans, Kevin Rodriguez, Jeanne Swink, Audrey Beasley, Teresa Crow, Wesley Miser, Roland Herrera, John Duncan, Santos (Junior) Rivera, Daniel Bort, Manuel Morales and Hailey Lamb.

## Spearman names Geography Bee winners

Fifth - eighth grade students from Spearman Jr. High participated in the sixth annual National Geography Bee sponsored by National Geographic World and Amtrack. Pictured (l/r) are Travis Atwood placing 1st., Jason Quillin placing 2nd and Mark Matthews placing 3rd.

# Hansford Hospital District News

## Feature of the Month

### Healthy advice for prevention of heart disease

by Jim Miller, R.Ph.  
Laurence Behney, M.D.

HCHD observes American Heart Association Month with prevention and control as the center of controlling heart disease. The major concern of the A.H.A. is coronary artery disease. The coronary arteries feed the heart muscle with blood. These arteries originate where the aorta, the main vessel, comes from the heart.

#### Risk factors contributing to heart disease

The risk factors for heart attack are cigarette smoking, diabetes, high cholesterol level, hypertension, obesity, male gender and family history. Age of course is also a risk factor, but is not often mentioned, because it is not modifiable. Another risk factor is a low HDL (high-density lipoprotein). Low HDL is only a factor when the LDL (low-density lipoprotein) is above 130. Studies indicate that a low HDL level along with low cholesterol levels are not a risk factor.

Some individuals are born with a harmful twisting of these arteries, which can diminish blood flow to the heart muscle, but the major cause of coronary artery disease is atherosclerosis. Cholesterol deposits collect in the wall of these vessels and can narrow the opening of the vessels. When the vessels have a 70% loss of that diameter, the flow of blood diminishes. Some people become symptomatic at this point with episodes of chest pain associated with physical exertion. This is called angina and a warning of impending heart attack. Turbulence is set up at these sites of obstruction and this can cause injury to the endothelial cells, which form the smooth inner lining of the vessel walls. The walls get roughened at some of these sites and blood platelets and clotting factors can be activated by this abnormal surface. This will

result in blood clot formations - also called thrombus formation. The thrombus once started, grows quickly and finally occludes the coronary artery at that site. Any tissue dependent upon that artery for blood supply still lose its source of oxygen and other nutrients. These cells depend upon oxygen to produce energy and to maintain the heart muscle. If there is an interruption in blood supply, not all of the heart muscle will die. Some cells get partially fed by other arterial branches and merely experience a diminished blood flow. These cells become irritable and can become a source of abnormal electrical activity in the heart tissue and result in a disturbance of the heart rhythm. Many of these rhythm disturbances can be lethal. One third of all heart attacks (or myocardial infarctions as they are called in the medical community) result in the victim dying prior to reaching the hospital.

Physicians divide management of Coronary Artery Disease into three categories. The first is called primary prevention, where attempt is made to prevent the initiation of atherosclerosis. This is accomplished by life-style changes. These are avoidance of tobacco, eating a prudent diet, regular exercise, and maintaining an ideal body weight. It has been calculated that 50% longevity is due to life-style, 20% genetics, 20% environment, and 10% due to medical care.

#### Eating Heart Smart

There is no longer any doubt as to whether lowering elevated cholesterol levels will reduce the risk of heart disease. The National Cholesterol Education Program recommends that all adult Americans reduce their cholesterol values to less than 200 mg. and their LDL to less than 130 mg. How is this accomplished? Although the use of drug therapy has been shown to be effective,

the NCEP and AHA emphasize that life-style modifications should be the primary treatment. These modifications include dietary changes of lowering saturated fat and cholesterol intake, increasing dietary fiber and achieving the individual's ideal body weight.

A few simple steps to follow are:  
 • Lowering fat intake to 25-30% of the total calories consumed in one day. For example, if 1200 calories is consumed, 33-40 grams of fat may be consumed. Cholesterol intake should be less than 300 mg. a day. One = 270 mg. So choose wisely.  
 • Protein sources, also containing fat, are recommended to be 15-20% of the total calories or 6.5 or 8.5 oz. of meat per day.  
 • Carbohydrates provide the balance of the calories in the form of fruits, vegetables, bread and cereals. These provide little fat and much needed fiber.

How much fiber is necessary? The American Dietetic Association recommends at least 25 gm of fiber on a daily basis. Several soluble fibers are known to lower cholesterol levels which include pectin, oat and psyllium. The most palatable - pectin and oat - fibers are in fruit, vegetables, breads and cereals. Psyllium is the fiber in products such as Metamucil.

• Raisin Bran 3/4 c. = 5.0 Grams of fiber  
 Cornflakes 1 c. = 1.0 Grams of fiber  
 Oatmeal 2/3 c. = 4.2 Grams of fiber  
 Whole Wheat Brd. = 1.6 Grams of fiber  
 White Bread = .8 Grams of fiber  
 Broccoli (cooked) = 2.0 Grams of fiber  
 Green Beans = .9 Grams of fiber  
 Carrots raw = 2.3 Grams of fiber  
 Apple = 3.0 Grams of fiber  
 Banana = 1.8 Grams of fiber  
 Strawberries 1 c. = 3.9 Grams of fiber  
 Prunes (ckd) 1/2 c. = 7.0 Grams of fiber

The effectiveness of oat bran in the reduction of cholesterol and fat levels remains controversial. Available evidence provides strong support that approximately 3 gm per day of soluble fiber from oat products can lower the total cholesterol level 5 to 6 mg and that the reduction is greater in those with initially higher blood cholesterol levels. The most appealing source, fruits and vegetables can provide as much as 1 to 7 gm of fiber.

#### Exercising the Heart

Along with a heart smart diet, cessation of smoking and regular exercise are the most two effective means of preventing coronary artery disease. The A.H.A. recommends exercise ECG testing prior to embarking on a program of aerobic exercise, if you are a male over 40 or female over 46 years of age and are not already exercising regularly. These guidelines are for sedentary individuals planning to begin a vigorous exercise program.

One final word about exercise. To obtain a beneficial training effect, one needs to achieve a heart rate of 70-85% of the maximal heart rate. The maximal heart rate for any given age is calculated by the formula 200 - age in years = maximal heart rate. Multiply the maximal heart rate by 0.7 and 0.85 and this is the target heart rate to achieve during exercise. Experts recommend at least 5 minutes of less strenuous exercise and 10 minutes minimum of target heart rate zone exercise followed by 5-10 minutes of cool-down exercise per aerobic session.

Returning to levels of intervention the next step is secondary prevention. This is where a disease process is already present, but the goal is to prevent it from becoming symptomatic. In the contest of C.A.D., this is where cholesterol plaques have been established and the goal is to prevent angina and myocardial infarctions. Management in this instance consists of controlling the risk factors and if necessary

use of medication.

#### Medicine for the Heart

Some of the most critical drugs to monitor are heart medications, because of adequate blood levels required for the medication to work. Due to rising costs of medications some patients can't afford the medication prescribed. If this is the case, the physician should be made aware of this. Alternative medications may be available that aren't as expensive. Some heart medications are available in generic form. This is perfectly acceptable medicine to use as they are screened and tested just as the name brand medications are by the Food and Drug Administration. It is very important that heart medication prescriptions be taken as ordered due to the fine balance necessary to maintain blood pressure and heart function. The chief reason that people don't take their medications is poor communication between health care providers - doctors, pharmacists, nurses - and patients. The most common types of noncompliance are failure to take prescribed medication, not having prescriptions filled, self-discontinuation of medication, taking incorrect doses, taking the medicine at the wrong time and skipping doses. Failure to take prescribed medications costs the U.S. economy more than \$100 billion a year in lost productivity and medical costs.

Communication is one of the most important aspects of a health care provider's patient relationship. The patient should always ask questions and leave the doctor's office or pharmacy with an understanding of what is wrong and how the condition is going to be treated. Ask your pharmacist what the medication is for, any adverse reactions, and how it will interact with other medications you might be taking. The first and most important step in controlling heart disease is taking medication as it has been prescribed.

#### Emergency Treatment

Signs and symptoms to look for are:

- Pain in chest or left arm and jaw.
- Pressure, pain or discomfort in chest.
- Use of nitroglycerin prescription.
- Shortness of breath.
- Rapid pulse.
- Cool and clammy skin.

Tertiary prevention is the last and most costly and dangerous level of management. The victim is having a myocardial infarction. If he or she arrives to the Emergency Room in less than 6 hours from the onset of chest pain, there is a good chance that the thrombus in the coronary artery can be dissolved and blood flow to the heart muscle restored. In conclusion be Heart Smart - eat healthy, exercise, and if on medicine take as prescribed.

Edith Philipp

#### Solid Gold Selections

### Edith Philipp named February Resident of the Month at Manor

Our featured resident for the month of February is Edith Philipp. Edith was born July 22, 1911 to Mr. and Mrs. Claude Newman in Ochiltree County, Texas. She grew up in Ochiltree and graduated from Perryton High School in 1931.

Edith married Carl Philipp on April 23, 1943. They lived on a farm 21 miles south of Perryton. Edith has 3 sons and 6 grandchildren. Her hobbies include cooking and painting ceramics. Both she and her husband were active in FFA, 4-H and Boy Scouts while their sons were growing up. The Philipps are members of the First Baptist Church in Perryton.

They came to Hansford Manor in 1993. When asked about life at the Manor, Edith says it's very nice and everyone takes good care of them. Edith is very pleasant and is a favorite of all the staff. We are happy to have her here with us.

### A note from activities...

by Debbie Sanford

February brings us a lot to celebrate, as it is American History Month, Creative Romance Month, National Cherry Month, American Heart Month, National Embroidery Month, Potato Lover's Month, Canned Food Month and many other months besides.

We will be celebrating Great American Pies Month with Sharon Barkley in Gruver on February 4th. The residents really enjoy her hospitality and her wonderful homemade pies! Our Mr. and Miss Hansford Manor Pageant will be February 14th at 2:30 p.m. We will be privileged to have the lovely and very talented Laquita Evans as our emcee once again this year. The February Birthday party will be on the 25th. Our

Christian Buffet will be held February 9, and will be sponsored by the United Methodist Church of Gruver. Our Tuesday night bingo sponsor will be the Laureate Gamma Gamma Sorority. We so appreciate all the groups that come in and sponsor these events. Our residents always look forward to the fellowship and the TLC they give. A special thank you to our guest Bingo callers for January, Liz Sumner and Eugene Munoz. They were both very entertaining and were enjoyed by all.

Calling Bingo at the Manor is a great way to spend a Thursday afternoon. If you would like to take advantage of this great opportunity, contact the Activity Department.

Everyone is encouraged to participate.

### Freeman elected to serve on board of professional association

Ken Freeman was recently elected to the Board of the Yellow Rose Chapter of the Executive Housekeeping Association of Texas.

The N.E.H.A. is a professional association for persons employed in institutional housekeeping at a management level. N.E.H.A. provides services for its members to achieve personal growth as well as a high level of professionalism. Membership provides the opportunities to learn new skills and techniques to stay abreast of recent developments housekeep-

ing and to share ideas with professional colleagues. To become a certified member of N.E.H.A., members must complete 330 subject hours - 270 required and 60 designated electives. Ken completed these and became a certified member of N.E.H.A. in October, 1991.

During the 3 year term, he will participate in fund raising projects, growth direction of the Association, and format of the bi-annual district conference. Congratulations to Ken.

### Quotes of the Month

Your getting UP in age if you Remember...

- Using a wringer washer for washing clothes.
- All gas stations provided an attendant to pump gas, check oil and wash the windows.
- Paying \$1 for 4 gallons of that gas.
- Milk was 50 cents a gallon.
- A ten cent Butterfinger had to be eaten at two sittings.
- Watching Saturday afternoon matinees - Ma & Pa Kettle.
- Paying 25 cents admission to see that show.
- Watching Lili Tomlin on Luagh In as Edith Ann and that's the truth - PBBBBBBTH.
- Bill Cosby's "Noah and the Lord Routine."

Hospital Administrator Anne Snow (left) presents Employee of the Month award to Tracy Wilson.

### Tracy Wilson named HCHD Feb. Employee of the Month

Tracy Wilson has been named the Hansford Hospital District Employee of the Month for February.

Tracy moved here from Pampa and has been employed at Hansford Hospital for eight months. Her hobbies include making crafts for her house and spending time with her husband Joe and her 10 year old son.

Tracy says she really enjoys living in Spearman and working at Hansford Hospital and thinks the people in Spearman are wonderful.

### Resident Birthdays

Nina Evans - 10th  
 Myrle Holt - 11th  
 Velma Roden - 11th  
 Luda Duncan - 12th  
 Vi Whitson - 12th  
 O.V. Walker - 13th  
 Kim Cluck - 14th

## Lunch Menu

Pringle-Morse C.I.S.D.  
February 7 - 11  
Lunch

**Monday** - Frito pie, salad, corn bread, cookie, milk.  
**Tuesday** - B.B.Q. chicken, potato salad, beans, slaw, biscuits, fruit, milk.  
**Wednesday** - Hamburgers, tator tots, lettuce, fruit, milk.  
**Thursday** - Meat loaf, macaroni & cheese, salad, mixed vegetables, rolls, pie, milk.  
**Friday** - Stromboli, fries, coleslaw, ice cream, milk.

**Breakfast**  
**Monday** - Cheese toast, toast, juice, milk.  
**Tuesday** - Toast, honey bun, juice, milk.  
**Wednesday** - Pancakes, sausage, juice, milk.  
**Thursday** - Cereal, cinnamon toast, juice, milk.  
**Friday** - Biscuits, sausage, juice, milk.

Gruver I.S.D.  
Feb. 7 - Feb. 11  
Lunch

**Monday** - Chicken fried steak, mashed potatoes with gravy, peas, chocolate pudding, hot rolls, milk; salad bar.  
**Tuesday** - Nachos with meat, pinto beans, fruit, milk.  
**Wednesday** - Fried chicken, mashed potatoes with gravy, corn, jello, biscuits, and milk.  
**Thursday** - Chili dogs, cheese, tator tots, fruit cup, milk.  
**Friday** - No school.

**Breakfast**  
**Monday** - Cereal, blueberry muffins, juice, milk.  
**Tuesday** - Toast, peanut butter and jelly, fruit, milk.  
**Wednesday** - Donuts, fruit, milk.  
**Thursday** - Breakfast burritos, scrambled eggs with sausage, flour tortilla, orange juice, milk.  
**Friday** - No school.

Spearman I.S.D.  
Feb. 7 - Feb. 11  
Lunch

**Monday** - Sloppy Joe's on a bun, tator tots, dill spears, pork and beans, fruit, milk.  
**Tuesday** - Chicken tenders, whipped potatoes, gravy, corn, hot rolls, butter, lemon pudding, milk.  
**Wednesday** - Burritos, fried okra, pinto beans, corn bread, fruit, milk.  
**Thursday** - Sliced ham, green beans, scalloped potatoes, hot rolls, rice crispie treats, milk.  
**Friday** - Pizza burger, french fries, lettuce and tomato salad, apple sauce, milk.

**Breakfast**  
**Monday** - Cinnamon toast (2), fruit, milk.  
**Tuesday** - Waffles, scrambled eggs, fruit, milk.  
**Wednesday** - Cereal, toast, milk, juice.  
**Thursday** - Scrambled eggs, toast, bacon, fruit, milk.  
**Friday** - French toast sticks, sausage patti, fruit juice, milk.

## Police Department Reports

### Spearman Police Department Report

The Spearman Police Department filed 36 reports for the period of Monday, Jan. 24, through Sunday, Jan. 30.

Two accidents were reported during the period.

The first accident was reported at approximately 9:10 a.m. in the 800 block of Highway 207. A 1991 Ford passenger car, driven by Mandi Carter of Spearman was traveling west on Ninth Street. According to Sergeant Steve Schmidt-Witcher, she failed to yield the right-of-way at a stop intersection when she turned on to Highway 207. She was struck by a 1969 caterpillar road grader driven by Socorro Robledo of Spearman. The grader was heading south in the 800 block of Highway 207. The damage was reported in excess of \$500. No injuries were reported. One citation was issued.

On Sunday, Jan. 30, the second accident was reported at approximately 1:40 a.m. in the 700 block of Avenue D. Schmidt-Witcher reported that a 1980 Cutlass passenger car driven by Marcelo Hernandez of Spearman struck a

building. According to Schmidt-Witcher, the driver was reportedly intoxicated and shifted the gear into forward and the vehicle lurched forward striking the building. An excess of \$500 in damage was reported. The driver was arrested and charges were filed. The case is cleared.

A violation of liquor laws, was also reported on Sunday. Schmidt-Witcher stated that at approximately 12:30 a.m. in the 800 block of Highway 207 minors were found in possession of alcoholic beverages. Charges were filed and the case was cleared.

Other calls received during the period included 10 miscellaneous, six lockouts and 11 animal control reports.

On Monday, an assault was reported. The incident allegedly occurred on January 22. Schmidt-Witcher reported that at 8:53 a subject entered the station and reported an assault that occurred on Saturday, Jan. 22 at 11 p.m. in the 500 block of Hazelwood. The case is still pending.

On Tuesday, at approximately

9:45 p.m. a male was arrested for DWI (driving while under the influence) in the 600 block of Highway 207. The case has been filed with the district attorney, Schmidt-Witcher stated. The case was cleared.

On Friday, Jan. 28, at 11:30 p.m. a vandalism was reported in the 900 block of Walter Wilmet. Schmidt-Witcher stated that a motor vehicle was shoe polished. The suspects have been identified and the case was cleared.

A disorderly conduct was reported at 12:40 a.m. in the 300 block of W. Kenneth on Saturday, Jan. 29. It was reported that there was a verbal disagreement. Both subjects were identified and the area was cleared.

A report on a burglary of a motor vehicle was filed on Saturday. It was reported that the incident occurred on January 15 or 16 in the 1100 block of S. Townsend. A handset to a radio was taken, Schmidt-Witcher said. The property was valued at \$150. The case is still pending.

### Gruver Police Department

From January 10 to January 31 the Gruver Police Department received 11 calls for service. The calls consisted of six lockouts, one funeral escort and three miscellaneous calls.

The miscellaneous calls included the following:

On January 20 an officer assisted Gruver EMS in the 100 block of Main. A 29-year-old male was transported to Hansford Hospital.

On January 22 a suspicious male was reported in the 100 block of Main Street. The subject was identified, checked for warrants/warrants.

On January 28 another suspicious male was reported in the 100 block of Main Street. This subject was also identified, checked for warrants/warrants.

Cases still under investigation include stolen bicycles and a weed eater.

\* A men's 26", blue, 10 speed, Schwinn mountain bike with "High Plains" on crossbar. It was taken from the 700 block of Richardson.

\* A men's 26", red, 10 speed, Huffy mountain, black with straight black handlebars. It was taken from the 200 block of E. 10th.

\* A men's grey, 18 speed, Huffy mountain bike, with neon green fork. It was taken from the 800 block of Garrett.

\* A girl's purple 24", 10 speed, Murray bike, with pink cables. It was taken from the 100 block of Van Kurt.

\* A "weed eater" brand green gasoline powered weed eater, model XT-85. It was taken from the 100 block of Maupin.

\* A boys 26" Huffy, 10 speed bicycle, black with green speckles. It was taken from the 100 block of Winder.

## Department of Health offers vaccines today

The Texas Department of Health Office at 720 Archer in Spearman will be offering a vaccination clinic on February 3, from 9-11:30 a.m. and 1-4:30 p.m. A clinic will also be held in Perryton at the Ochiltree County Courthouse on February 8, from 8 a.m. - 7 p.m.

Immunization clinics offering vaccines that give protection against several childhood diseases are scheduled for February. Protection is against polio, diphtheria, lockjaw (tetanus), whooping cough (pertussis), measles, rubella, mumps, and HIB (haemophilus influenzae Type B).

The Texas Department of Health is charging money to help with the cost of keeping the clinic open. The amount of money charged will be based on family income and size, and the ability to pay.

## National League of Junior Cotillions Expansion includes Hansford County

The National League of Junior Cotillions, a program of etiquette and social dance training for middle and junior high school students

### Coffee Time

For the past 47 years the Hickerson family has served the Texas panhandle in full service jewelry repair, design, watches and fine jewelry.

Liz and Frosty Hickerson own and operate the store at 721 W. 7th which has been at this location since 1978. Charlotte Martin and Regina Vernon currently work for Hickerson Jewelers and will be happy to assist you when shopping for your favorite Valentine.

The have just received a large shipment of designer silver jewelry. They also have valentine bracelets and rings starting at \$12.95. Other lines of jewelry include Longines and Whittaur watches. Their inventory is one of the largest in the Texas panhandle.

Hickerson Jewelry is a member of the Texas Jewelers Association and the Jewelers of America.

Coffee Time is Friday, Feb. 4, from 10 to 11 a.m. Sign-up for door prizes.

has announced plans to expand its program in Texas to include Hansford County and surrounding areas.

Says Anne Colvin Winters, NLJC executive director, "We will be selecting a director who will receive complete training to present the program on an exclusive basis in this area."

The program, with headquarters in Charlotte, North Carolina, was established in 1979 and has licensed local cotillions nationwide. The Junior Cotillion includes six monthly classes plus a Holly Ball and Spring Ball. Says Winters, "The program has met with equal success in metropolitan areas including Boston, Atlanta, and Houston, and in small communities across the country. We believe it will be an important addition to the training of young people in this area."

For additional information call 1-800-633-7947.

## Chamber Chatter

by Cindy Blackman  
Chamber Manager

Study shows why some female owned businesses fail. Abby Peters of the Women's Forum writes in the Amarillo Daily News that we are seeing more women owned businesses. However, she notes the failure of women owned businesses are more likely than the national average to fail within the first year of operation, and almost half fail within the first four years. I think Spearman businesses that are women owned have beat the averages. Most have out lasted the predictions. Reasons cited for failure included inability to obtain credit and handle paperwork, inability to balance work and family, and local

economics. Success reasons included spouse support, ability to balance work and family, and participation in business training opportunities. The chamber offers many small business seminars throughout the year and we encourage all of our chamber businesses to use these for training programs.

Coffee Time this week will be at Hickerson Jewelers on Friday, February 4 from 10-11 a.m. Frosty and Liz will be serving coffee and you can sign up to win a door prize.

Retail Merchants will meet Wednesday, Feb. 9, 7:30 a.m. at Palo Duro Cafe.

## At the movies...

Showing at the Lyric Theatre in Spearman Friday, Feb. 4, through Tuesday, Feb. 8, is "Shadowlands" on screen #1 at 7:45 p.m. and "Batman: The Animated Movie" on screen #2 at 7:30 p.m.

"Shadowlands" stars Debra Winger and Anthony Hopkins. It is directed by Richard Attenborough. "Shadowlands", based on a true story, focuses on the controlled, scholarly life of the noted British writer and Oxford professor C.S. "Jack" Lewis.

He shares a home with his brother, Warnie (Edward Hardwicke), who drinks a bit. Both are clearly set in their ways.

Then Joy Gresham (Winger) arrives. She is an American writer with a harsh East Coast accent.

Her forthrightness stuns Lewis. Both she and her son are fans of Lewis' writing, and she asks him to come and visit while in England. So a friendship begins. This continues for some time, but the audience is aware it will become more than that.

See "Shadowlands", a romantic and touching film. Rated PG.

"Batman: The Animated Movie" features the voices of Kevin Conroy (Batman), Efrem Zimbalist Jr. (his butler Alfred), and Mark Hamill (the Joker).

In this animated feature a new villain, phantasm, adds action to the scene. There is also a flashback glimpse of Batman's first love.

See "Batman: The Animated Movie" rated PG.

### At The Lyric Theatre...

# Among The Neighbors

by Helen Fisher

Last weeks issue carried the obituary for Mrs. Ada McLain, but too late for this column.

Mrs. McLain exemplified the highest ideal of American womanhood. From her early adulthood as a teacher, she left a legacy with her young students. Years later some of her gentle philosophy and discipline would be recalled by former students.

She gave of herself completely to her family and her beliefs would be an influence in her childrens lives and character, and handed down to their children, and to their children's children.

The modern philosophy of some women that a mother must "do her own thing" and "find her true self" apart from her family would have been incomprehensible to her.

To Lester, in your loneliness, you can realize that you had a rare and valuable gift-the love and devotion of a gentle, genteel lady for most of your life-and you gave to your children the greatest of gifts-a mother to be emulated.

The Book of Proverbs says it better: "Her children arise up and call her blessed; her husband also, and he praiseth her".

Friends and relatives of Caia Hester were distressed last Thursday to learn that she had broken a hip in a fall.

It occurred at the Phillips Service Station when she stepped from her car. She was taken to St. Anthony's Hospital where she is now recuperating.

Her daughter, Paulette Plank, of Enid and her son Tony Hester of Lubbock have both been with her.

Peggy and Jim Jones of Hillsboro, suburb of San Francisco, were here and in Gruver this week-end. They visited her father, Ralph Bort, of Hansford Manor and her mother, Beulah Bort of Gruver and other relatives.

Phyllis Owens spent the week end in Burton, Kansas. Her daughter Judy and Bill Elliot of Amarillo came by for her on Friday and returned her late Sunday. They, and 12 other relatives, helped Bill's mother observe her 80th birthday.

Although there was 12 inches of snow in Burton, they had no difficulty in getting home.

Mrs. Nina Evans of Hansford Manor was delighted to have her son, Billy Joe, come by for a good visit. He lives in Satanta, Kansas and had last been here in October.

It is reported by relatives that David Swan is expected home as soon as the highways permit. He was rushed by ambulance to High Plains Baptist at 2 a.m. last Saturday, with an apparent heart attack. However later this was ruled out after a stay in I.C.U. He was with his sons, Lance and Landon, in Canyon until he could be brought home.

Ruth Bryan's guests for a long week end were her son, Mansel and a friend. They are from Ft. Stockton.

The February issue of the Texas

Co-op publication carried a picture and article of two distinguished gentlemen, well known in this area, that of Ira Harbour and Dan E. Archer, now of Perryton.

1994 marks the 50th year for the North Plains Elec. Co-op. The original Incorporators of the North Plains Co-op included Ira Harbour and the original attorney was Dan E. Archer.

Ira Harbour is currently the Board President and Dan is the attorney. For 50 years they have served the members and have seen many changes in the way the cooperative does business.

How marvelous it was for those living in the rural areas to have electricity for the first time.

The community is fortunate to have two such men willing and able to serve for half a century.

That cowboy kid out east of town, A.D. Reed, rode to 'em last Saturday at the American Tri-State Cutting Horse Association show held at the Double E Indoor arena in Amarillo.

He placed first in the Non-pro and then won a Coats saddle valued at \$1,575 in a work-off of the winners of all classes.

William Murrell of Gruver tied for 2nd in the 25,000 Non-pro and T.J. Jennings of Gruver 2nd in the Youth Class.

Cheryl Gibson spent three days in Austin this past week attending a seminar. It consisted of instructions relating to legislative changes in the election laws and administrative regulations.

The entire time was devoted to the seminar, and although it was tedious and detailed, Cheryl feels that knowledge of it is essential to meet the legal requirements of a city government.

Certainly all are grateful to Cheryl to understand and unravel all the red tape that is inflicted on the public.

Returning just in time to get settled in before the snow, Jesse Davis is relaxing and enjoying just sittin' and thinkin' and sometimes just sittin'. He came home Wednesday from a month in Florida where

**Birth announcement**

David and Connie (Woolley) Rantala are proud to announce the birth of their daughter Tori Sloan Rantala. She was born on Tuesday, December 28, 1993 and weighed 7 lbs. 12 oz.

**Hometown News**

Bernadette R. Ryan of Gruver was one of the 54 students named to the President's Honor Roll for the 1993 fall semester at Oklahoma Panhandle State University in Goodwell, Okla.

The President's Honor Roll contains the names of those students who earned a perfect 4.0 grade average. To qualify, a student must carry at least 12 hours of university courses and have no "incompletes".

Ryan's major is computer information systems.

# Kiss, White exchange vows

# Hometown News

Tammy Robertson Kiss and Chris Eugene White were united in marriage January 23, 1994. The ceremony, performed by Judge Jim Brown, was held at 2 p.m. at Palo Duro Lake.

Matron of Honor was Melissa Vasquez, sister of the bride, and best man was John Kenney, friend of the groom.

Tammy is the daughter of Mr. and Mrs. Regie Robertson of Spearman. Chris is the son of Mrs. Nell McCoy of Perryton and Kiff E. White of Stinnett. Mrs. Irene Smith of Clinton, Okla. is the grandmother of the bride. Mrs. Lois "Mo" Nollner of Spearman is the grandmother of the groom.

Wedding guests were Shannon, Kaley, Sara and Brittany Barnes; Jerry, Sue, and Stephanie Bowling; Curtis Hays, Donnie and Dixie Pool, Mrs. Lois "Mo" Nollner, Dorothy Nollner; Lee, Marsha, Russell, and Chayci Shaver, Bill and Marion Nollner, Cheryl Gibson, Frank Salgado; Cheryl, Jennifer, and Jocelyn Whitefield; Rich and Helen Melton; Willie, Melissa, T.J., Eric, and Marcus Vasquez; and Reg and Jody Robertson, all of Spearman.

Out of town guests were Eric and Becky Brown of Guymon, Okla.; Bob and Nell McCoy of Perryton, Maleea and Marlee Castillo of Amarillo; Lawrence and YaVonne Maytum of Guymon, Okla.; Lindsey Warren of Guymon; Larry and Kim Roseberry of Amarillo; Jeff and Shelly Pool of Panhandle; John, Janet and Justin Kenney of Pampa; and Clyde and Lorna Scheffe of Turpin, Okla.

Tammy is a science teacher at West Texas Middle School in Stinnett. Chris is a backhoe operator for Hardberger and Smylie of Beaver, Okla.

The couple will reside in Spearman.

Chance is perhaps the pseudonym of God when He did not want to sign.  
—Anatole France

Brandon Sutton from Spearman has been named an honor student for the just-completed fall semester at Oklahoma State University-Oklmulgee.

Sutton earned above a 3.0 grade point average on a 4.0 system during the fall semester.

Grade point averages are computed on the student's grade in his/her major area of study and related general education subjects. Most students are enrolled in programs leading to an Associate of Applied Science Degree.

Sutton is enrolled in diesel and heavy equipment technology.

# Spearman PTA announces 1994 Reflections competition winners

by Angela Jones  
Editor

The top contestants in the Spearman PTA 1994 Reflections contest were announced on Thursday, Jan. 27. These entries were then due in Amarillo by Tuesday, Feb. 1, for the Regional judging.

The theme for the 1993-94 contest was "If I could give the World a Gift". Students from kindergarten through 12th grade entered the program, interpreting the theme any way they felt appropriate. Kristine Cleveland, Spearman Reflections chairperson, said. Entries in the contest were as follows: visual arts - 195, photography - two, literature - 129 and music - one, for a total of 327 students entered. "This is the most entries ever," Cleveland beamed.

She added, "We, the Spearman PTA, believe there were 327 winners. Therefore, each participant will receive special recognition by receiving a certificate and a ribbon." The certificate and prizes will be given at the April PTA meeting; while the ribbons will be given at the awards assembly at the end of the school year.

Cleveland said that she would like to let everyone involved know how much they are appreciated: the teachers who allotted special class time for students to work on projects; the parents who encouraged their children at home; the students who did the work and put in the extra time to compete; and Murrums, the Video Hut and The Knack Shoppe for making prize donations for those advancing to the next level of judging.

The National Reflections program encourages the student to explore the cultural arts by expressing their thoughts and feelings through the visual arts, music, photography and literature.

Spearman PTA 1994 Reflections winners are:

### Visual Arts

**K-3:** Michael Lozano - 1st, Christen Whitford - 2nd, Cristina Salgado - 3rd.

**4-6:** David Holt - 1st, Erin Boxwell - 2nd, Monica Cantu - 3rd.

**7-9:** Teresa Gomez - 1st, Maribel Martinez - 2nd.

### Music

**K-3:** Lance Henderson - 1st.

### Photography

**K-3:** Henderson - 1st.

**4-6:** Chad Scarborough - 1st.

### Literature

**K-3:** Kevin Beedy - 1st, Mindee Gillaspie - 2nd, Nicole Ramon - 3rd.

**4-6:** Kathryn Murphy - 1st, Syd Woodington - 2nd, Aaron Winegarner - 3rd.

**7-9:** Leah Baker - 1st, M. Martinez - 2nd, Dillon Miller - 3rd.

**10-12:** Alma Martinez - 1st, Christina Fain - 2nd.

Other students competing were as follows:

## Gruver Junior High School Completes playground project

Gruver Junior High School is putting the finishing touches on its new playground slab. Upon final completion, the students will enjoy three basketball practice goals and a four-square area. Little Dribblers will now be able to take advantage of yet another practice court. Members of the J.H. staff stated, we have already heard from several students that have played rollerblade hockey that the concrete is the perfect texture for this sport. Just a safety reminder, wear pro-

ective skating gear. The staff at GJHS extend a BIG thank you to the following community business: Bobby and Howard Thompson of Gruver Redi-Mix for the excellent concrete work as well as a donation towards the project. Bart Thoreson, President of Little Dribblers, paid for the basketball goals and hardware. Larry Babbs, of Larry's Welding, constructed the poles and backboards. It was a community/parent effort that enabled this fine project to be completed.

Two men work to complete the cement slab on the Gruver playground project.

## Gruver Stock Show Announces placings

The Gruver Stock Show was held Saturday, Jan. 29, at the Gruver County Barn with judging beginning at 10 a.m. The judge for the event was Mike Schwab, animal science instructor and judging team coach for Seward County Community College in Liberal, Kan.

## Hometown News

Six Spearman residents were among the 204 students named to the Dean's Honor Roll for the 1993 fall semester at Oklahoma Panhandle State University in Goodwell, Okla.

Those named to the honor roll were Cynthia De Armond, health physical education; Curtis Andrew Francis, social studies; Sandi Kay Pearson, elementary education; Katie Jo Williams Robinson, animal science; Linda J. Sales, psychology; and Bradley Wiley, agri business.

The Dean's Honor Roll contains the names of those students who earned between a 3.30 and a 3.99 grade point average. To qualify, a student must carry at least 12 hours of university courses and have no "incompletes".

January 24, 1994 (FHTNC)—Navy Seaman Recruit Terry J. Bayless, son of Alfred R. and Brenda G. Bayless of Gruver, Texas, recently completed basic training at Recruit Training Command, Great Lakes, Ill.

During the cycle, recruits are taught general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 occupational fields.

Studies include seamanship, close-order drill, naval history and first aid.

Although the Navy is getting smaller, the state-of-the-art ships, aircraft and high tech systems in today's fleet require bright, talented young men and women to operate them. The Navy has over 60,000 job openings this year, most of which include guaranteed training.

Terry Bayless

## A "Center" Piece

by Garland Hopper

After several weeks of relaxation and visitation, plans are formed for work to begin. The quilters are really on the go. They have selected material with blue the predominant color for a queen size COWBOY'S STAR. No doubt it will be as pretty as all the rest have been. They do all the work for the benefit of the Senior's Center.

The month of February will be used to gather materials to make Memorial Wreaths. The actual work on these will begin the first Thursday in March. All who have made wreaths in the past are more than

welcome to come help with this project. The wreaths will be sold for the benefit for the Center.

The help of all who use the Center is needed in all the fund raisers we have. The dues are not enough to pay all the expenses to operate the organization. Therefore, fund raisers must be held.

Weather permitting this Thursday a field trip to tour the new Community Center is planned. For the remainder of March cleaning closets is in the offing. At the same time tables with items for sale will be set up. All of this in preparation for the move to new quarters.

MAY GOD BLESS YOU.

## Governor proclaims February Board Recognition Month

Texans benefit every day from the dedicated energies and countless hours devoted by a group of more than 7,000 men and women in every community across the state. These public servants are elected to serve by local constituents and receive no compensation for their tireless efforts. These men and women are the local school board members of Texas.

This month nearly 1,050 Texas communities will honor the dedicated service of the public school trustees during School Board Recognition Month. The goal is to build awareness and understanding of

the important function an elected board of education plays in communities and schools. Governor Ann Richards has called upon all Texas citizens to recognize the important contributions of these men and women and focus attention on the vital role these public officials play in the education of Texas' children.

The men serving Spearman Independent School District are: James Schnell-president, Kerry Henton-vice-president, Bob Boxwell-secretary, Archie Smith, Richard Pipkin, Scott Beedy and Charles Shieldknight.

## Leveling Out Your Electric Bills Is A Smooth Move.

The Budget Billing Plan from Texas-New Mexico Power Company lets you smooth out the highs and lows in your electric bill. With the plan, you pay about the same amount each month. The actual annual amount you pay for electricity is no more or less than it would be without the plan, but you have greater budgeting convenience. To see if you qualify call or visit your local TNP office.

# Local sorority chapters name 1994 Valentine sweethearts

## Marva Hohertz - Laureate Gamma Gamma 1994 Valentine sweetheart

The 1994 Queen for Laureate Gamma Gamma is Marva Hohertz.

Marva has been a member of Beta Sigma Phi for 35 years. She has served on all committees and held various offices. Her husband is Bob Hohertz. They are owners of TICO Inspection Service and ranch at Canadian.

She and Bob have four children, Lynn Foltin of Houston, Liz Metcalf of Ft.

Collins, Colo., Jeff Hohertz of Canadian and Doug Hohertz of Houston. They have eight grandchildren.

Marva keeps books for the business and enjoys quilting, sewing and playing bridge and golf. They are members of First United Methodist Church.

## Preceptor Epsilon sweetheart - Linda Winegarner Jan Howard - Rho Rho Valentine sweetheart

Preceptor Epsilon chapter of Beta Sigma Phi has chosen Linda Winegarner as their 1994 Valentine Queen. Linda has been a member of Beta Sigma Phi since 1982, and has served as vice-president, corresponding secretary, recording secretary and treasurer in the various chapters.

Linda and her husband, Norlan have three children John, 16; Keith, 14; and Cami, 12. Norlan is the manager of Spearman Auto Supply. The Winegarner family spends much of their spare time working on remodeling their home which has been an on going project for over four years now. Linda did note that it seemed much longer, and she was not quite sure when it would be completed!

As an active member of the First United Methodist Church of Spearman, Linda serves as a Sunday School teacher, sings in the Chancel Choir and is the camp nurse for Camp New Dawn, a camp for mentally handicapped adults held at Ceta Canyon each June.

Linda is a 1970 graduate of Spearman High School, and received her Diploma of Nursing from Northwest Texas Hospital School of Nursing in 1973 as a registered nurse. She is currently employed by the Spearman Independent School District as their school nurse, a position she has held since 1986. Her professional affiliations include membership in the Region XVI Association of School Nurses, the Texas Association of School Nurses and the National Association of School Nurses. Linda presently serves on the Community Advisory Committee of the Hansford County Hospital District.

Even though spare time is not a luxury that Linda has in abundance, she has several hobbies including camping, fishing, reading and needlework. Preceptor Epsilon is pleased to have such an active member of the community serve as their 1994 Valentine Queen.

Rho Rho Sorority of Beta Sigma Phi proudly presents Jan Howard as their 1994 Valentine sweetheart.

Jan is married to Rick Howard. He is manager of Alram, Inc. of Perryton. They have two children: Jarick and Kylee. Jan has taught for the Spearman Independent School District for the past 15 years. She has served on the Superintendent's Advisory Council and been a Classroom Teachers Association Representative. She is a member of the PTA and held offices as historian and treasurer. She was also awarded a Texas PTA Lifetime Membership in 1992 by the Spearman PTA.

Jan has been active in many community activities. She was a member of Servitors Federated Women's Club for five years and held the offices of secretary, vice-president, and president. She was a member of Serendipity Home Demonstration Club for three years and served as secretary. She has been a member of Beta Sigma Phi for five years. She has held the offices of secretary and is currently the president of Rho Rho. Jan is a member of Spearman Church of Christ and teaches in the bible school department.

## Xi Zeta Valentine sweetheart - Leslie Cazares

Xi Zeta is proud to have Leslie Cazares as their 1994 Valentine Queen. Leslie has been a member of Beta Sigma Phi since 1985. She has served as historian and corresponding secretary.

Leslie married Rick Cazares in 1983. They have two daughters, Samantha, 8; and Callie, 4.

She has been employed at Five Star Equipment, Inc. for three years. Her hobbies include painting and spending time with her family.

Laughing is the sensation of feeling good all over and showing it principally in one spot.

—Josh Billings

**DIGITAL SKYWAY**  
TIMES

## Welcome to the Digital Skyway

Earl's T.V. & Appliance of Spearman, Texas a satellite retailer, announced today that it was authorized by DirecTV Inc., a unit of GM Hughes Electronics, to sell the DirecTV Entertainment Programming service. DirecTV, the nation's premier direct broadcast satellite (DBS) service is the largest television startup in history and is slated to revolutionize the way Americans watch television. DirecTV Entertainment Programming will be delivered nationwide via satellite, and received by 18 inch satellite dishes installed in homes across the country. Earl's T.V. will begin selling DirecTV as well as DSS (Digital Satellite System) receiving units no earlier than April, 1994.

DirecTV will deliver approximately 150 channels of popular cable networks, Hollywood's hit movies, sports and special interest programming directly to homes equipped with the DSS receiving units. Manufactured by Thomson Consumer Electronics and sold under the RCA brand name, DSS is a three-component system consisting of an 18-inch satellite antenna, a digital decoder box and a remote control that will retail for approximately \$699.00 (plus installation).

The DirecTV service will be delivered via two high-power direct Broadcast satellites (DBS). The first satellite, DBS-1, was successfully launched on an Ariane rocket on December 17, 1993 from French Guiana, South America. The second satellite, DBS-2 is scheduled to be launched this summer. The DirecTV programming service will begin delivery in April, 1994 with approximately 75-80 channels of programming. Once the second satellite is in place, DirecTV will be at full capacity to deliver approximately 150 channels of entertainment and information.

Earl's T.V. & Appliance is among the first dealers in the country to be authorized to sell the DirecTV programming and the RCA DSS. Through DirecTV, consumers across the country will have access to a wide array of programming choices and selections delivered in near laser-disc quality video pictures and CD quality sound.

Programming on the satellites will include the leading names in cable television such as CNN, ESPN and the Disney Channel, Pay-Per-View movies from major Hollywood studios, professional and collegiate sports, and special interest programming. Movies and special events will be available on impulse through one touch operation with a special remote control. In addition, an innovative on-screen menu will guide subscribers through the program selections and system operations, and allow consumers to establish spending limits and exercise parental control through program rating limit passwords. Because the system utilizes advanced digital compression technology, it will also be compatible with future television formats such as HDTV and be capable of providing interactive services for home shopping and video games.

**Spearman Lynx Basketball**

**Boys win five against Boys Ranch**

The Lynx took their talents to Boys Ranch on Friday, Jan. 28 for a crucial district game. It was very obvious that the Lynx had come to play, as they led by a whopping 21-9 margin at the end of the first quarter. The Lynx extended their lead to 39-20 by halftime. Experiencing a third quarter slump, the Lynx managed only four points and boys Ranch pulled within six points, but that was the closest they ever came. With six minutes left in the fourth quarter, the Lynx began a strong ball-control offense, which they executed wonderfully. From that point on, the game belonged to the Lynx as they forced the Roughriders into foul trouble. Eleven of Toby Thompson's 19 points came from the charity line. One of the biggest factors in the game was control of the boards. The Lynx had 41 rebounds to Boys Ranch 27.

**Regular exercise**

**Good for people of all ages**

HOUSTON--(Jan. 26, 1994)--Age is no excuse for avoiding exercise says an expert in physical conditioning at Baylor College of Medicine in Houston.

In fact, some common health problems related to aging can be reversed with simple exercise says Dr. Alan Herd, a professor of medicine at Baylor.

Simple activities, such as walking, can prevent and lessen the effects of heart disease, stiff joints and low energy.

"Walking is economical, easy and usually does not require a medical clearance," said Herd.

Herd also recommends "chair" exercises for people over age 65. He says a daily routine of these simple calisthenics can improve range of motion in most joints and make getting around easier.

"Chair exercises are easy and can be done at home," Herd said. "Either while seated or while standing with the hands on the chair back for support, slowly rotate and flex all the major joints and the torso."

Books about chair exercises are available at many book stores and libraries.

Other ways to work the joints

while improving cardiovascular health and muscle tone are swimming and water aerobics.

Herd says exercise should be stopped any time there is pain. Angina (chest pain) should be taken seriously, but does not necessarily mean there is a heart attack. If it occurs, stop the activity and stand or lean against something for a few minutes -- then call your doctor.

Many stressful exercises such as running, tennis or rowing can put a strain on the cardiovascular systems of people who do not exercise regularly. Anything other than simple calisthenics, walking or chair exercises should be discussed with a physician.

Herd is living proof that exercise can benefit people of all ages. He is 62 years old and runs about 30 miles each week, a level of exercise he reached by gradually increasing his effort over many months.

"I know that most people my age have not exercised all their lives and cannot jump into a heavy workout schedule," Herd said. "Still, that is no excuse to put off exercise. Simple exercises will improve mobility, health and frame of mind in the elderly."

**Spearman wins 3 of 4 against W.T.**

The Spearman teams took three out of four Tuesday night against the visiting West Texas Comanches.

The JV teams split wins with the Lynxettes winning 46 to 38, making this their fifth straight victory. The Lynx lost a 49 to 52 decision with the Comanches taking the lead in the last 30 seconds of the game.

The Varsity Lynxettes struggled to a 58-53 win with 52 fouls called in the game. Six girls fouled out of the game with several others in foul trouble. The game took a full two hours to play, but the Lynxettes maintained their composure throughout. Midway through the fourth quarter, the Lady Comanches were forced to play with only four girls and by game's end they were down to only three eligible players. This victory moves the Lynxettes into an almost certain playoff spot. Carrie Pearson had an outstanding game pouring in 22 points for the Lynxettes while Kara Townsen added 17.

The Lynx definitely moved in the right direction for post season play by defeating the Comanches, 70-54. Neff's Netters did what their coach asked of them Tuesday night by controlling the defensive boards and shutting down the inside threat of WT's Joe Dan Watson and their 3-point shooter Chris Monden. Four Lynx scored in double figures, led by Chuck Cook with five 3-pointers and a game high 23 points. Jason Varnon contributed 18 points and 22 rebounds, Clint Schnell added

11 points and nine rebounds while Cass Lasater recorded 10 points from the charity line, shooting 100 percent.

## Tumbling Twisters Compete at ATTA meet

On Saturday, Jan. 29, Coach Meli Burgess and her Tumbling Twisters traveled to Shamrock for an ATTA meet.

There were six other area clubs with whom they competed.

Burgess took 11 athletes to compete in both trampoline and tumbling. They came home with three first place medals, three second place, four third place, four fourth place, four fifth place, two sixth and one seventh place ribbons.

The competing athletes were Gina Kunselman, Ashlee Brown, Andee McGaha, Chase Schubert, Heather Hamilton, Jessica Freeman, Nicole Sander, Lindsay North, Texanna Clyburn, Keilee Goodheart and Jentry Edwards.

The team will travel to Plainview on March 5. Burgess added, "The twisters will perform a half time show at the next home basketball game."

Tumbling Twisters pictured are front: Lindsay North; 2nd Row - Chase Schubert, Keilee Goodheart, Nicole Sander; 3rd Row - Andee McGaha, Gina Kunselman, Ashlee Brown; Top - Jentry Edwards, Jessica Freeman, Heather Hamilton. Not pictured is Texanna Clyburn.

## For The Sport Of It

by Bob Bort

Aaron Frick, junior Hounds post, is on the mend. He has missed the last couple of weeks due to torn cartilage in his knee. He had arthroscopy knee surgery, and is scheduled to come back on/about the time of the last game of the season, Feb. 8 vs Sunray at Greyhound Gym. He will be available, if all goes well, for the playoffs. Senior Tek Ferguson of the Hounds came back from a hand injury in the game against Boys Ranch, and he has been missed these past several weeks.

\*\*\*\*\*

Well, it's beginning to look more and more like the Lady Hounds will have to get by the Lady Wolverines of Springlake-Earth in their area game, to make it to Abilene, should they defeat Wellington in their bi-district game. Springlake-Earth defeated Abernathy at Abernathy this past week, and then defeated Shallowater at home, and they will win their district, as they have a two game lead. Shallowater and Abernathy will duke it out for the second spot. The winner of that district, district 3, should defeat the second place team from district 4, and then play the Gruver-Wellington winner in the area game. That is still a long way off. The Lady Skyrockets could still upset Panhandle and win district 2, which would mean the Gruver girls would play the Lady Panthers in bi-district. Still have to play them one at a time...

\*\*\*\*\*

Clarendon finished 5-0 in the first half of their district, and Gruver likely would play the Broncos if they should win the second seed in district 1-AA. Still have to play them one at a time...

\*\*\*\*\*

Well the big news is in, and West Texas High is not moving to class

AAA. They are still in district 1-AA. But Highland Park is out, moved into district 2-AA. And Sunray is out, moved down to district 1-A. That leaves five teams in district 1-AA: Boys Ranch, Gruver, Spearman, Stratford, and West Texas, meaning an odd number of teams again, but hopefully a 10-game schedule instead of the odd 9-game schedule. Other happenings - Canyon moves into district 1-AAAA with Canyon Randall for the first time, and Caprock stays in that district instead of moving to AAAAA. But Plainview moves into district 3-A. White Deer remains in 1-A, and is joined there by Sunray and Wheeler, who also moved down. Maybe next time, two years hence, will be Gruver's turn to move down to 1-A. We will see. The cutoff was 145, Gruver turned

in 155, 160 with the applied formula.

Here is the football schedule for 1994 - a nine game schedule again, but Coach Frick is frantically trying to schedule someone for the open date. 02 Sept. - Wheeler; 09 Sept. - Turpin, OK.; 16 Sept. - Highland Park; 23 Sept. - Booker; 30 Sept. - Panhandle; 07 Oct. - at BOYS RANCH; 14 Oct. - STRATFORD; 21 Oct. - at SPEARMAN; 28 Oct. - open date; 04 Nov. - WEST TEXAS.

**RX897**

**RX899**

### The Performance Choices for the North Texas High Plains.

Farmers in the North Texas High Plains are discovering that performance runs deep with Asgrow corn hybrids. RX897 is an established hybrid that has demonstrated very high yields for greater profit potential. This hybrid has performed consistently across a wide range of growing environments for dependable performance. RX897 will flex ear size in response to varying plant populations and its stalk and root strength will support its yield potential all the way to harvest.

RX899 is another proven, high-yielding hybrid that has an attractive field appearance and plant type for easy harvest. It has shown high yield for its maturity and delivers good ear flex response to varying plant populations. RX899 also has a solid defensive package.

To find out more about the deep lineup of top-performing Asgrow corn hybrids for the North Texas High Plains - and the special discounts that apply - give us a call today.

## ASU women to play basketball in panhandle area February 5, 7

by Angela Jones  
Editor

Spearman's Joy Gafford and the Angelo State University (ASU) women's basketball team will be traveling to the panhandle area on Saturday, Feb. 5, and Monday, Feb. 7, to play ball.

Their first game is against Eastern New Mexico, the defending Lone Star Conference champions. The game will be played Saturday, Feb. 5, at 6 p.m. in the P.E. Building.

Then on Monday, the Rambelles will take on the West Texas A&M Buffaloes at Canyon. They will be playing in "the box" at 6 p.m.

Gafford, a sophomore, has been starting in the place of an injured Sonya Smith. She is a starting guard and is leading the Lone Star Conference in 3-pointers, having made 31 as of Tuesday, Jan. 25.

Since being moved to the starting lineup, Gafford has averaged 18 points and 3.5 assists per game. She has been shooting 56.5 percent making 13-of-23 attempts and 7-of-14 3-pointers.

Not only is Gafford shooting for records, so is her team. The

Rambelles defeated the Texas Women's Pioneers 102-49 in a LSC basketball game Monday, Jan. 24. In doing this the team made school history with the largest margin, 53 points. The previous 52 point mark was set in 1977-78 season against St. Mary's. But this was not only a record for the school, it was also a

record for the LSC. They broke the margin of 34 points established in 1988-89 when Texas A&I was defeated. ASU is 5-0 in the LSC and 11-4 overall going into the game against Eastern New Mexico.

**Gruver Greyhound Basketball**

**Lady Hounds clinch tie; Hounds in hunt**

by Bob Bort

The Gruver Lady Hounds have clinched at least a tie for their first-ever district championship in AA basketball, by defeating the Stratford Lady Elks 60-34 in a cakewalk this past Tuesday evening February 1 at home in Greyhound Gym. The Lady Hounds made the playoffs in class A in 1985, 1986, 1989, 1991, and 1992. District championships were won in 1986, 1989, and 1992. Then in 1993, last year, the Gruver ladies finished second to Spearman in 1-AA, and in the playoffs. This would be their first AA championship. The Lady Hounds are 8-0 in district games this year, with two games left to play. The worst they can do is a tie, if they unexpectedly lose their remaining two games, and Spearman wins out. Otherwise, the district championship is theirs.

Meanwhile the Hounds, not to be outdone this year, are 6-4 in district 1-AA games this season, with their victory over the Elks at Greyhound Gym, 61-59, this past Tuesday evening in a thriller. The Hounds are in the running for a playoff spot if they win their last two games, at Highland Park, and with the Sunray Bobcats at home. The worst the Hounds can do if they win their last two games, is a tie for second place in the district 1-AA standings. And if West Texas should lose one of their two remaining games, with Boys Ranch and at Stratford, the Hounds could tie for first place. But they must win their remaining two games. As Coach Garland put it, it will do the Hounds no good what anyone else does if they don't take care of their business.

The Lady Hounds came out and massacred the Lady Elks, in a game that was only close midway through the first quarter, 8-8. Then the Gruver gals scored the last ten points of the first quarter, and the first two of the second quarter for 12 straight points and a 20-8 lead. After the Lady Elks scored a bucket to make it 20-10, the Lady Hounds scored ten more straight points, for a 22-2 run and a 30-10 lead midway through the second quarter. After the Lady Elks chopped it to 13 points, 32-19, late in the second quarter, the Gruver gals outscored Stratford 20-5 into the third quarter for a 52-24 lead at the end of the quarter, and it was a rout. Gruver's largest lead was 60-31, 29 points, toward the end of the game.

According to Coach Steve Myatt, "We're peaking at the right time. We're playing together as a team. Our defense has really improved - our rebounding has really improved. We're doing a much better job of finding the weaknesses on the other team, and exploiting them. Julie and Wynn are doing an excellent job. Wendy and Tisha have both been playing extremely good, and our bench has been coming in and playing well. Anytime you have Julie, Wynn and Mika all scoring points, we're not going to be beaten."

Meyer has 21 points, Maupin 15, and McLain 12. And the Lady Elks weren't about to beat the Lady Hounds on this night.

For the Hounds it was another thriller - they've been making a habit of it. The Hounds took an early 4-2 lead, as Wylee Maupin and Jarrod Hoel hit shots, but then the Elks took the lead. The Hounds came back on a Kenton Odom jumper to take a 10-9 lead, and it was tied 12-12. Then Phil De La Cruz hit a nice banker off the glass at the first quarter buzzer to give the Hounds a 14-12 lead. They would make it 16-12 at the start of the second quarter, but back came the Elks.

With the score 17-14 Hounds, Stratford reeled off 10 straight points, and it looked bad toward the end of the half, down 24-17. They made it an eight point lead, 26-18, then Roma Tomlinson came off the bench and hit a nice trey. Then, although the Elks scored a bucket, Travis Ferguson came through from the free throw line with a pair, and it was 28-23, the Hounds trailed at the half.

The Elks maintained the lead throughout the third quarter until

the very end. It was five points 38-33, then Odom hit one of two free throws, Jace Dawson hit a nice jumper, and Hoel hit a trey. The Hounds led 39-38. Hoel hit a jumper with 42 seconds left in the quarter to give the Hounds a 41-40 lead. Then Hoel hit a driving layup at the start of the fourth quarter, and it was a 3-point lead, 43-40. But back came the Elks. They took a 44-43 lead, then Dawson hit another jumper, but the Elks scored again for a 46-45 lead. Then it was Ricardo Soto who came in and really sparked the Hounds. He hit a three-point play under the basket, then a big trey with 5:31 left in the game, for six straight points and a 51-46 lead. The Elks came back to tie, 53-53, and to take a 55-54 lead, but Hoel hit one of two free throws to tie the game, and the Hounds took the lead for good at 57-55, as Ferguson hit a pair of free throws with 1:57 left. Soto then added a pair of free throws with 1:13 left in the game, and Ferguson added another pair of free throws with 42 seconds left in the game, and the Hounds led 61-55. But the Elks scored the last four points, and had the ball with 12.9 seconds left, and a chance to tie. But their last second shot failed, and the Hounds got the victory.

"We handled it well," said Coach Garland. "We took a couple of ill-advised shots there toward the end, but came down with rebounds. Our free throw shooting was pretty good." Gruver was 7-8 during the stretch, and 16-24 on the night (67 percent).

Garland continued, "We maintained the pressure the last 12.9 seconds, and made sure they didn't have a good shot. But Stratford had stayed in the ball game with 2nd shots. In the end, we were 16-24 from the free throw line, and they were 6-11. We shot 13 more free throws than they did."

"Ricardo crashed the offensive boards, and had a couple of key putbacks. Phil did good job - he wore down their point guard. And I thought Josh came in and played a good ball game during a key stretch," added Coach Garland.

"Tonight was another learning experience," he concluded.

GRU-Wynn Maupin-20, Mi McLain-14, Julie Meyer-9, Wendy Rodriguez-9, Tisha Ralston-4, Molly McLain-1.

**SYNOPSIS:** The Gruver Lady Hounds played very well to up their district record to a perfect 7-0. "Tisha and Wendy both played very well," according to Coach Steve Myatt. The team played very well in an extremely hostile situation. I was very proud of them." Here are some stats, compliments of Coach Myatt and his very capable statisticians. Wynn Maupin, who scored 20 points, was 7-11 (64 percent) from the field, and 6-6 from the free throw line. An awesome night! Wendy Rodriguez was 4-5 (80 per-

cent) from the field. Gruver was 12-16 from the free throw line in the second half (75 percent). Altogether, the Lady Hounds were 16-27 (59 percent) from the free throw line, and WT was 4-10 from the charity stripe. Gruver shot 41 percent from the field (20-49). Tisha Ralston only had two turnovers, and Rodriguez only one - and that against a team that presses all the time. A super night for the Gruver ladies. They jumped out to an early lead, 13-8, then fell behind 17-14, and then Maupin hit from under the bucket with 5:40 left in the half, and Mika McLain hit on a jay with 5:27 left, and the Gruver gals led 18-17, and they maintained the lead throughout the remainder of the game. The Lady Comanches had cut Gruver's 11-point lead to four late in the third quarter, but Mika McLain hit a trey, then another jay, and Gruver led 43-34.

**Varsity Boys (9-16, 5-4)**  
vs West Texas  
**FRIDAY 1-28-94 at Stinnett**  
Gru 12 23 35 57  
WT 10 27 44 66  
3-Pointers - Jarrod Hoel (3), Travis Ferguson (2), Phil De La Cruz.  
GRU-Hoel-28, Travis Ferguson-12, Wylee Maupin-4, Ricardo Soto-4, Jace Dawson-3, De La Cruz-3, Kenton Odom-2, Tek Ferguson-1.

**SYNOPSIS:** According to Coach

Tim Garland, "We played well. We did the things we wanted to do, and we handled their offense well. We took away their second and third shots, and played a very sound defensive ball game. We attacked them on offense, but they are a team of great leapers. The five three-point shots they hit in the second half hurt." The final score was 66-57, but it was much closer. WT built a 9-point first half lead, but the Hounds cut it to one, on a Jarrod Hoel jumper 32-31 with 4:57 left in the third quarter. Then WT built the lead back up to 10, but Gruver cut it to three, 48-45 with 3:52 left in the game on a Jace Dawson score from under the bucket. WT then built the lead to 11, 58-47, but Phil De La Cruz and Travis Ferguson hit back-to-back treys, and the Hounds eventually cut it to four with 22 seconds left, as Tek Ferguson hit the front end of a one-and-one opportunity. But a couple of three-pointers late, plus the ability to make their free throws, spelled doom for the Hounds. "We've got to look at Tuesday night, against Stratford," said Garland. "We can't look past that." The Hounds, if they win out, can do no worse than a tie for second place in the district.

The electorate is the jury writ large. —Lord Samuel

**PUBLIC NOTICE**

**NOTICE TO BIDDERS**

Sealed proposals for Wastewater Treatment Plant Improvements, addressed to Kelvin Knauf, City Manager for the City of Spearman, will be received until 5:00 p.m., February 17, 1994, 30 SW Court, P.O. Box 37, Spearman, Texas 79081, 806-659-2524.

At this time the proposals will be publicly opened and read aloud. Any bid received after closing time will be returned unopened.

Contract documents are on file and may be examined without charge in the office of the City of Spearman. The contract documents may be procured from the office of Brandt Engineers, Inc., 4537 Canyon Drive, Amarillo, Texas 79110, 806-353-7233 for \$50.00 per set of plans and specifications, non-refundable.

A cashier's check, certified check of acceptable bidder's bond, payable to the City of Spearman in an amount not less than five percent of the bid submitted, must accompany each bid as a guarantee that, if awarded the contract, the Bidder will, within fifteen days after receipt of contract documents, enter into a contract and execute bonds on the forms provided in same.

Performance and Payment bonds shall be set forth in the contract documents.

The owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, to adopt such interpretations as may be most advantageous to the Owner, or expiration of 45 days from the bid date. S14-2tc

### Spearman 1994-95 Kindergarten students Registration forms due Feb. 18

Children attending Spearman Kindergarten next school year will be invited to visit school in April. To know who these students are, Spearman Elementary School is starting the 1994-1995 Kindergarten list. It is important that next year's students be known now in order that they may be given information on the immunizations and other items necessary for enrollment.

If you have a child, or know of any child, whose birthdate was prior to September 1, 1989, and who will be 5 years old on or before September 1, 1994, they need to go to the Spearman Elementary and pick up a registration form. The

elementary requests that individuals please complete the form and return it to the school office at the Elementary School, 511 S. Townsend, prior to Friday, Feb. 18, 1994.

Documents necessary to enroll your child in school are the child's birth certificate, a social security card and number for the child and current immunization records.

If you have any questions, please contact the Gus Birdwell Elementary School.

## Obituaries

**MILDRED CARTWRIGHT PERRYTON** - Mildred Cartwright, 78, died Tuesday, Jan. 25, 1994.

Services were held at 1 p.m. Saturday, Jan. 29, with the Rev. Marlon Sparks, pastor, officiating. Burial was in Ochiltree Cemetery by Boxwell Brothers Funeral Home.

Mrs. Cartwright was born in Spearman and had lived in the Perryton area all her life. She married Phil Cartwright in 1953 at Perryton. He died in 1992.

Survivors include three sons, Dewayne Apple of Balko, Okla., Billy Apple of Perryton and Bobby Apple of Kinton, Okla.; a brother Milton Nielson of Bonita Springs, Fla.; five grandchildren; and six great-grandchildren.

## Hansford Happenings

A fund has been set up at the First State Bank of Spearman for Pam Stumpf James who was recently injured in an accident.

Morse Community Building is sponsoring "Don't Be A Chicken Night" Saturday, Feb. 26 at 6 p.m. Come eat chicken and play chicken foot.

Registration packets can be picked up from the counselor's office at Spearman High School for the spring 1994 out-of-school TAAS and TEAMS tests.

The Waka Church of the Brethren will have a Ground Hog Supper at the church on Saturday, Feb. 5, from 6-8 p.m. The public is invited. There will be opportunity for a free will donation, as a benefit for a new roof for the Community Library.

The Texas Panhandle Mental Health Authority at 315 S. Main in Perryton will be taking appointments. For more information you may call Jade D. Gibbon, Director at (806) 435-3671. If enough need is shown visits will be scheduled at the Hansford County Court House.

The Spearman Music Boosters will be meeting Monday, Feb. 7, at 7:30 p.m. in the High School Cafeteria. All parents are encouraged to attend.

Come to the Hamburger Supper Tuesday, Feb. 8 from 4:30-7 p.m. in the Junior high cafeteria. This meal is sponsored by the SHS Seniors and includes hamburger, chips, pinto beans, dessert and drink for \$5.00.

The Pringle-Morse CISD Board of Directors will hold their monthly meeting on Tuesday Feb. 8, at 7 p.m.

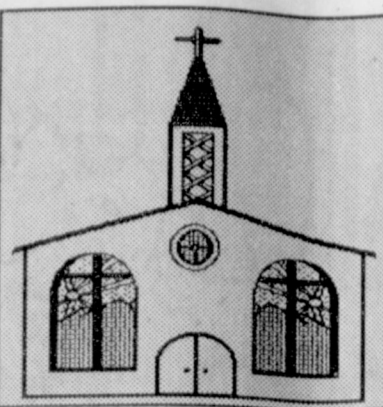

Pringle-Morse CISD will be conducting their local Spelling Bee Contest on Friday, Feb. 18.

The Hansford County Livestock Show will be held Feb. 11-12 at the Gruver County Barn.

Hansford County Commissioners Court will hold their regular monthly meeting on Monday, Feb. 14.

The Spearman City Council will meet in regular session on Tuesday, Feb. 15 at city hall.

### A Little Man in a Big World

While driving through the countryside, I saw a sign in a churchyard which read...  
"It is easier to build a child than to repair an adult."  
Although he may not realize it, this smiling young man has a lot of growing up to do before he can fill this chair. On the road to adulthood, he will experience a variety of situations, conflicting emotions, and the process of maturing physically.  
This youngster will need mature leadership and spiritual counseling to assist in his transition from boyhood to manhood. It is our responsibility to see that he receives the guidance he needs to assure that he will continue to be smiling and well adjusted when he is old enough to fit into the role of adulthood. Proverbs 22:6 tells us to "Train up a child in the way he should go; even when he is old he will not depart from it."  
Make worship a family affair. You and your child will reap a lifetime of benefits from God's promise of eternity.
