### Clarendon College

True to his promise, Dr. Carroll was with us last Monday morning. He gave quite an interesting lecture on "Habit", which was much appreciated by both faculty and students.

Walter Kight, of Stratford, was called home by business demands the past week. We regretted to lose him.

Miss Ada Hawkins, of Claude, went up home Saturday to stay over Thanksgiving.

Bro. Hardy came home from conference the early part of the week, bringing good reports of conference.

Mr. Sawyers stopped over for a day on his return from conference, then went out for a visit with home folks at Canadian before beginning his work here the first Monday in December.

The Adkissonians sprang a pleasant surprise on us one morning last week by hanging a bulletin board in the hall. On this was posted the program for their next morning. The membership of their society is so large that they have two debates each Friday—one in their own room and one in Miss Betts' room.

Miss Iva Martin was with us at chapel one morning last week.

D. A. Neeley, of Quail, was called home on business matters the latter part of the week. He hopes to be able to return real soon.

School will dismiss for Thanksgiving and there will be no school Friday on account of the Panhandle Teachers' Ass'n which is to be held at Hereford. Dr. Burkhead will address the Association on Friday night.

Bro. Hardy filled the pulpit at the Methodist church on Sunday night.

The following new pupils have been enrolled since last week: Ella Houk, who has lately moved here from Dallas, Ross Strong from Ark., George Schroeder and Olaf Anderson of Clarendon. Mr. Strong is with the dormitory boys.

The first entertainment of the Lyceum course will be given Friday night. A play by home talent. Mrs. Tressie has been hard at work getting it up and we predict that it will be much enjoyed.

—Excellent values and good styles in ladies', misses' and children's wraps. The Martin-Bennett Co. tf

#### Died.

The wife of C. A. Burton died suddenly yesterday morning at 3:30. Funeral services will be held this morning at 10 o'clock at the Methodist church.

—If you don't find a big blue tag on your door knob with our name on one side, ask at our store for one. The Martin-Bennett Co.

#### PASSING OF THE BIG RANCH.

The ranching firm of Knorpp & Bugbee is no more. The lands, embracing something over one hundred sections, have been partitioned, and the partnership dissolved. The firm was composed of J. C. Knorpp, of Kansas City, T. S. Bugbee, of Clarendon, and Wesley Knorpp, of Clarendon, the latter being the junior member of the firm and manager of the business. The division was made for the purpose of better cutting down their holdings and disposing of the lands which are becoming too valuable for farming to be used for the range cattle much longer. We understand that much of these lands are suitable for agriculture, and lying in the counties of Donley, Armstrong and Carson. That it is only a question of a short time until the day of the big ranch be entirely over is a foregone conclusion.

#### Dr. Carroll's New Partner.

For some time the growing practice of Clarendon's popular physician, Dr. T. W. Carroll, has threatened to demand a partner in the business, and such partner this week made his appearance. The junior member of the firm is prepossessing looking young man with an undeniable tendency toward that branch of the medical science treating of the vocal chords. He arrived Monday night via the Stork Transportation Line, weighs an even 8 1-2 pounds, and the firm name will hereafter be T. W. Carroll & Son. The Banner-Stockman hastens to congratulate the doctor on the happy event, and trusts that life will have in store for Thoms W. Jr., all that is good and nothing that is bad.

—Tablets, ink, pencils and school supplies at John M Clower & Son.

#### BUYING OYSTERS.

People Should be Able to Buy Them Clean as Well as Fresh.

The Cold Storage Market endeavors to be up to date in every thing and at all times will be found leading the procession. The latest is our new way of handling oysters, so that the consumer may know he is eating them clean as well as fresh. Sealshipt Oysters are pure oysters, not handled by hand, not touched by water or ice, and no chemical preservative used. By the use of the patent carrier system Sealshipt Oysters are brought to your door in a porcelain lined, double chamber receptacle. The oysters are placed in this vessel and delivered to the consumer without having ever been touched by hands, water or ice. Each vessel is a cold storage plant on a small scale. We will explain the system more fully in next week's paper; in the meantime ask for Sealshipt Oyster, to be found only at The Cold Storage Market.

JAMES TRENT.

STRAYED—One steer yearling, dehorned, branded AH connected, bar underneath. Supposed to be in RO range. Finder please notify P. J. Smith, eight miles east of Clarendon. tf

John T. Graham, one of the Banner-Stockman's substantial friends of Rowe community, while in town Saturday made us a call and arranged satisfactorily for five subscriptions for which he is responsible. We acknowledge an invitation to visit his farm next year during the fruit season. He has a fine young orchard which is doing well and of which he is duly proud.

#### Hereford's For Sale.

Ten head registered Hereford cattle, four bulls, six females. For prices apply to F. P. REID, 3-4t Mobeetie, Tex.

Memphis and Childress papers are bragging on the prosperity of their sections. Well, we're some pumpkins up this way, brothers. Old Donley county was never more prosperous than right now, and this general prosperity of the Panhandle country has not only come to stay but is destined to grow and flourish.

—We would appreciate your school supply trade. Come let us show you our line. Jno. M. Clower & Son. tf

W. H. Thompson has moved his Bargain Store across the street to the Donahoo building. Your attention is invited to his ad in this issue.

Speaking of Christmas presents (and all the business men seem to have them on the brain just now) what would make a more acceptable holiday gift to the folks "back east" than a year's subscription to the Banner-Stockman? It will serve to keep them posted as to the development of the country better than you could possibly write it even if you had the time. By all means send the paper back home.

—Don't fail to see our new dress goods, beautiful silk waist patterns and trimmings. The Martin-Bennett Co. tf

Frank, son of J. R. Mace, while handling a Winchester rifle of small caliber last Friday accidentally shot himself in the foot, the ball going squarely through the big toe.

See the half page ad of Daily & Kerbow on first page this week. They are beginning a removal sale, in order to reduce stock before moving to their new location on Main Street.

—For fresh groceries that are FRESH go to the new grocery store of T. H. Allen. tf

John H. Rathjen greets you with a new half page this week. Clarendon is to be congratulated on having such an up to date shoe store, and our honest German friend is duly entitled to the growing trade which is now coming his way.

—See us for blankets and comforts; we have lots of them. The Martin-Bennett Co. tf

Rev. A. H. Thornton, of Goodnight College, was an interested spectator at the grand rush Wednesday on the occasion of the opening of the Martin-Bennett sale. He reports his school flourishing.

Mr. Scoggins, of New Mexico, was here this week visiting his sister, Mrs. Ida Goodson, and the family of his brother, the late J. C. Scoggins. Mrs. Goodson accompanied him home for a visit, leaving Wednesday night, via Ft. Worth.

—You will save money by getting it at Stocking's. tf

## BROKEN

### A Successful Sale.

The heavily advertised sale put on Wednesday by The Martin-Bennett Co. has met with the success of the most sanguine expectations of the proprietors. Almost since the hour the sale opened this popular institution has been the scene of unusual activity, and very few have left the house without carrying bundles with them. For this occasion The Martin-Bennett Co. has made some prices that will attract the bargain hunter. The sale continues until December 8, and if the large force of clerks are kept busy for the remainder of the sale as they have up to this date we are safe in the prediction that The Martin-Bennett Co.'s stock will be so depleted that they will have to send in a rush order for goods on which to resume business. As a result of this sale the other stores of the town are enjoying an unusually good trade handling the overflow trade of the sale.

### Optical Goods.

The friends of Miss Hattie Donnell,  
one of the teachers in our public school,  
were very much surprised to learn of her  
marriage on Wednesday evening.  
Indeed so profoundly was the  
secret kept that only a very few of  
her most intimate friends knew of her  
intentions until the morning of the  
fateful day. The gentleman who was so  
fortunate as to secure this, one of Clar-  
endon's most accomplished teachers, was  
Prof. Harris, county superintendent of  
schools in Roger Mills county, O. T.

Prof. Harris was formerly prominent in  
educational matters in Texas, and knew  
where to go when he desired a competent  
assistant; his selection being the best  
possible evidence of his good judgment.

It is not the intention of Mrs. Harris  
to sever her connection with the public  
school until the close of the present term.

The marriage ceremony was performed  
at the residence of Mr. Stewart, in the  
presence of her parents, a few friends,  
and the teachers of the public school,  
Rev. G. S. Hardy officiating.

Miss Donnell has been connected with  
Clarendon public school for three years as  
second primary teacher. Her pupils are  
very much attached to her and was very  
much grieved at her marriage, until they  
learned she was not going away.

### Union Thanksgiving Service.

A large congregation assembled at the  
Methodist church at 11 o'clock to take  
part in the union Thanksgiving service.

After prayer by Rev. W. P. Dickey  
interesting talks were given by A. M.  
Beville on "Our Country," J. H. O'Neal  
on "Our County," and W. H. Cooke on  
"Our Schools." A beautiful anthem  
was then rendered by Mesdames Laney  
and Wood, and Messrs. Wedgworth and  
Graham. The sermon was preached by  
Rev. W. C. Rogers. It was strong, elo-  
quent, pathetic and religious and ways  
greatly enjoyed by the audience. Rev.  
J. M. Sherman led in the closing prayer  
and pronounced the benediction.

## Stockmen--Notice!

Do you ever ship anything to market?

If so, the selecting of your commission firm is a matter that should be care-  
fully considered. It is important to you.

First of all, your interest demands absolute reliability. You want to know  
for a certainty that your money will be returned to you after your stock is sold.

—returned promptly too.

You want to be sure your stock will be sold for all it is worth on the market;

a poor sale can undo your work of a long time.

Your stock must be handled carefully and correctly; a good "fill" helps  
materially to pay shipping expenses.

Because our service insures you all these good features we merit your busi-  
ness. Consider your next shipment to us.
