HEREFORD, TEXAS, FRIDAY, JULY 9, 1915

NUMBER 23

## WRITER TELLS OF EL CENTRO EARTHQUAKE

Says Property Loss is Big But Are Thankful That Their Lives Were Spared.

The following extract from a letter received by Mrs. B. F. Guthrie from a resident of El Centro, California, giving a graphic account of the earthquake there, will be of interest because of the personal touch given by the writer's having actually lived through the horrors of that terrible calamity which distance makes seem so comparatively insignificant.

The writer is also a friend of Miss Griffith, whom all Deaf Smith county knows, and the fact that she barely missed being in El Centro at the time of the earthquake is referred to:

El Centro, Calif., June 29, 1915.

I know by your letter that you do not realize the seriousness of the earthquake and I presume don't know that our business, both building and stock, were completely destroyed by fire the night of the earthquake. The building was the largest building in the valley, a two story brick, with basement under all of it and was 100x120 feet. The invoice shows that they had \$70,000 worth of stock in the building at the time. Of course it was insured but we don't know how much of the insurance we can collect as there is a clause in California insurance policies which protects the companies in case a building is shaken down by an earthquake and then gets on fire, but this fire burst out simultaneous with the first shock and the walls were still standing so the firemen say.

Of course there will be a loss even if they collect all of the insurance, but if they should fail to get any it will certainly be a blow to us but we are thankful that we are all alive.

You have read of earthquakes and thought they were awful but you have to go through one before you can have much of an idea what they are like and I wouldn't advise anyone to seek the experience.

Tuesday evening, just one week today, we had just finished eating supper, about eight o'clock, a delightful breeze came up and the evening was ideal. There was a low rumbling sound and before we had time to wonder what it was the house began to heave and rock, lights went out, things crashing to the floor. Of course we got out of the house as quickly as possible. I supposed it was all over, but in a few minutes lighter shocks began to come and kept coming that way every four or five minutes, then in about forty minutes from the first shock another awful one came.

The ground just rolled and billowed like the ocean. You have no idea the kind of feeling one has. To say we were frightened is putting it mildly. We were simply terrified. One is filled with a wild desire to run but there is no place to run to. You know we have always thought that whatever else toppled and fell that old Mother Farth was steady, but when she goes to cutting antics like that a fellow don't know what to do.

An awful lot of damage was done in this town, every business building in town being more or less damaged, and quite a number were completely demolished. It seems almost a miracle that no one was killed. The stores all close at six o'clock and just at the time it happened not many people were on the streets. Quite a number were hurt but no one died from it. Over in

## Bunch of Two and Three Year Olds Which Created Sensation on K. C. Market

Canyon, Texas, June 28—Texas cattle made a new record on the Kansas City market Monday and Tuesday of last week, when a bunch of two and three year steers shipped from Canyon by C. O. Keiser broke all previous records, selling at 9.25 per hundred.

Regarding the sale the Daily Drovers Telegram of Kansas City states the following:

New honors were accorded Texas on the Kansas City Market when a shipment of eight car loads of steers C. O. Keiser of Canyon, in the Panhandle district, sold at 9.25, 9.15 9.10, the highest prices ever paid here for Lone Star Cattle. This sale, in fact, establishes a new record for Texas fed cattle on any open market in the middle west. The shipment consisted of Hereford

Mexicala seven were killed and a number were hurt but nothing much is said about that for no one lives there or ever goes inside the buildings over there but the very lowest and most degraded of humanity. The whole town is simply a den of vice and immorality.

We have moved our beds out in the yard and sleep out, we hardly came in the house Wednesday. You know we keep having shocks, just keeps us frightened to death all the time. When we are in the house we are ready to jump and run at every little sound. Yesterday we had several pretty hard "wiggles" as Edward says, and once when I got outside I was so weak I could hardly stand up. It certainly is hard on the nerves. Some of the women and men too are just nervous wrecks and had to be taken away from here. I felt yesterday like I had stood about all I could stand but there hasn't been any to amount to anything today and I feel better.

To add to our troubles we had had Claire at the hospital the day before and had her operated on, adenoids and tonsils removed, so of course she was sick in bed and I was so afraid she would take cold with nothing on but her thin nightie, but she didn't and seems about well now. The children were nearly frightened to death. Edward says he wants to go to a good country that don't wiggle. We are building a nice new home but we are mighty sorry we have it started. I think I would prefer a tent.

Forrest was working every day in the shipping department of the Delta, but his job is gone now.

Last Tuesday morning I read in the El Centro Progress that Mr. and Mrs. Stapleton, Miss Millicent Griffith and some Mr., had stayed over night here in El Centro at Roy Shepherd's, on their way to the Exposition in an automobile, and

steers between 2 and 3 years old, mostly 2 year-olds. Twenty four sold Monday, averaged 1314 and sold at 9.25 and forty six averaged 1405 and sold at 9.10. On Tuesday thirty four averaged 1358 and sold at 9.25, while thirty eight averaged 1250 and sold at 9.15.

The cattle were fed kafir corn and milo maize and kafir fodder. In addition, they received two pounds each of cotton seed meal a day the last two weeks of the feeding period of 90 days. They were on dry feed exclusively during the last two weeks of feeding period, Mr. Keiser doing this partly because of the desire to have them in excellent condition for shipping. The cattle were shipped on full feed March 20.

On June 18, 1913, just two years ago, Mr. Keiser made a record on

the Kansas City market when he sold a consignment of 965 pound long yearling steers at 9.00. The previous fall he broke the world's record with range yearling heifers on this market. He has been following the feeding business in the Panhandle district for four years, having settled in that district after moving from Iowa. Mr. Keiser produces kafir corn, milo maize, feterrita, sorghum and other drought-resistant on his farms around Canyon. He also breeds cattle, owning a herd of registered Herefords. His cattle holdings include 4,000 head. Recently he sold a string of 105 3-year-old range cows to Rev. J. M. Harder of Plainview at \$125 per head, which was a new record set for the southwest.

There are so many things I would like to write but I have too much earthquake on my mind now and since I am expecting a quake every minute, I think I'll close and get out in the open. It is mighty hot but I can stand the heat, the pests, and even an occasional centipede, but I don't want any more quakes.

Am glad to hear Mr. G. is feeling better. My health is fine. Write real soon. Adda B. Clements.

### Summerfield News

Rev. Pearce filled his regular appointment here Sunday.

Willis Orr, from Mobeett, Tex. is here helping in the harvest.

Miss Mayme Winterrowd, of Hereford, was a guest of Mrs. Johnson last week.

Mr. Mrs. Grove Sanders and baby of Parrot, Mr. Olive and Miss Alma Dendy visited friends in Bovina Sat. and Sunday.

Misses Renfro, Brown, and Smith of Hereford were guests of Mrs. Johnson Sunday.

Mr. Pete Skidmore has brought his thrashing machine into this neighborhood and will thrash some the last of the week.

Quite a few ladies from here were invited to Mrs. Jacobs of Black last Thursday to help them organize a "Needle Craft Society"

The Society was organized and will meet every two weeks. Refreshments of ice cream and cake were served.

Ladies and misses trimmed hats which for sold as high as \$4.50 1.50 each. V-

the Kansas City market when he sold a consignment of 965 pound long yearling steers at 9.00. The previous fall he broke the world's record with range yearling heifers on this market. He has been following the feeding business in the Panhandle district for four years, having settled in that district after moving from Iowa. Mr. Keiser produces kafir corn, milo maize, feterrita, sorghum and other drought-resistant on his farms around Canyon. He also breeds cattle, owning a herd of registered Herefords. His cattle holdings include 4,000 head. Recently he sold a string of 105 3-year-old range cows to Rev. J. M. Harder of Plainview at \$125 per head, which was a new record set for the southwest.

### Come From Tulia

A party consisting of Mr. and Mrs. Horton Tracy and family, Rev. G. B. Airhart and wife and daughter Miss Ninie, Mrs. C. W. McFarling and children, Mrs. A. M. Pierson and Mr. Charlie Johnston were over from Tulia to attend the meeting on Monday, coming through in cars and returning home after the evening services.

### Likes It Better Than Ever

Timewell, Ill. June 29, 1915. The Hereford Brand, Hereford, Texas

Please find money order for \$1 to apply on Brand subscription. Would have sent you the \$1 sooner but expected to come down there this spring, think I will come soon.

I don't want to miss any of the Brand numbers because I am interested in that country, have 328 acres southeast of Hereford and want to keep posted on things down there. We are having a fairly wet weather here; some of the corn is drowned out now and if we get any more rains am afraid we will lose the wheat and oats crop. I miss the fellows here I think more of my land down there than I ever did before.

Yours very truly, Fred Arnold.

### Excellent Laundry Plant

A reporter for the Brand went through the new laundry plant being equipped by Mr. Broadwell. This is certainly one of the most modern of plants. The machinery is equal to that found in the large cities. Mr. Broadwell expects to have his plant running in a week or two and then Hereford will have a laundry that she can be proud of.

SCREEN DOORS—The fly is perhaps the most deadly enemy of the human family. Keep him out of your house. The cost is small. We sell the best screen doors made by Hereford Lumber Co.

## Mrs. A. L. Gibson Qualifies as Expert Car Driver. Makes 1700 Mile Trip.

About five weeks ago, Mrs. A. L. Gibson, accompanied by her mother Mrs. T. M. Palmer started on an overland trip to Wichita Falls. Notwithstanding the bad roads occasioned by the high waters she made the trip without accident and visited with relatives until the floods subsided sufficiently for her to continue her journey. From Wichita Falls, she went to Fort Worth, Cleburne and Dallas, visiting friends and relatives at each place. She reached home Wednesday at 4 p. m. accompanied by her aunt Mrs. S. H. Hodges, and her grandmother, Mrs. N. C. White both of Wichita Falls. The entire party will go to Roswell Monday.

Mrs. Gibson, had several thrilling experiences in going through hub-deep sand, and mud and over shaky river bridges but the only accidents with which she met were a few blow-outs. Although she was the only man in the party she was able to help several other stranded outfits from time to time.

She has a snapshot showing two two cars being dragged in by her. In the river bottom she found a car stuck in the sand with the steering gear so badly bent that the wheels were turned sideways. The driver was a novice and was simply waiting for help. He greeted Mrs. Gibson's party with, "Oh, its just a bunch of women, we'll get no help from them." She immediately proceeded to "show him" and with such success that he was enabled to pull into Clarendon.

The trip was a source of much pleasure to Mrs. Gibson and her friends are proud of her new laurels.

### At Presbyterian Church

All the Sabbath services at the Presbyterian church will be conducted at the usual hours. At the morning service an opportunity will be given for membership in the church. We will be very glad to have those who have given their names for membership to be present. Also any others who prefer our church. The night service will be led by the business men of the church and it is hoped they may have a message for the business men of the town who are not Christians. W. M. Baker, Pastor.

All parties knowing themselves indebted to me, please call and settle with me: Mrs. Vogele Millinery, Parlor.

LISTEN—We aim always to serve our customers so that they will get the most for their money and we generally do that very thing Hereford Lumber Co.

## UNION MEETING CLOSED TUESDAY

Large Crowds in Attendance Throughout—About Leventy Conversions

The final services of the Norris-Scholfield meeting was held in the tabernacle Tuesday morning.

Rev. Norris gave an earnest exhortation to the people of the various churches to stand by their pastors and to make it possible for them to do their best work. Rev. Scholfield sang "Choose Now" very effectively.

A purse of one hundred twenty dollars was presented to the four local pastors by Misses Bess Nance, Velma Green, Cotta Sisk and Elizabeth Black representing the Christian, Presbyterian, Baptist and Methodist churches respectively.

Rev. Scholfield then made a brief talk in which he commended the two pianists Misses Zollie Garrison, and Mabel Betts very highly and suggested that each be given ten dollars out of the incidental fund. This was agreed to unanimously.

A praise service was conducted by Rev. Scholfield on Tuesday evening. This last meeting had the same good attendance and excellent interest that has characterized all the meetings.

There were perhaps seventy conversions.

One noticeable and commendable feature was the converted pocket book which met promptly all obligations incurred by the meeting in a thoroughly business like way.

Rev. I. E. Gates came over from Plainview Tuesday and was accompanied home by Rev. Norris who will fill a brief engagement there. Rev. Scholdfield remained in Hereford until Wednesday.

### Sells Some Fine Bulls

Mr. Rat Jowell sold three head of fine Hereford bulls last week. Mr. Ray Barber, who is building up a fine herd, bought an 18 months old bull and a calf. Both animals are said to be top notchers that will be heard from in the show ring.

The other one, a fine yearling, was sold to Carl Jennings. Deaf Smith county is fast being recognized as the home of fine cattle.

### Well Pleased With Hereford

Mr. W. M. Smith of Easton Kansas is here looking after business interests. Mr. Smith has an irrigated farm south east of Hereford. He just put his well down this spring and is well pleased with the outlook. His son is operating the farm.

**Buick Sixes are Here**

WE now have on hand the **New Buick Six**. Model D-45. These are absolutely the best values ever offered in cars. Everyone knows that Buick stands for highest quality—nothing but the best material is used throughout. The chassis are of the best Vanadium steel. The upholstery is of the best leather that will last a life time—no cheap cloth used. One-man top. The full Buick guarantee goes with every car and the price.

**\$985.00**

is now within reach of all.

I have sold Buicks for many years and never had a complaint. If you want a high grade car that will give you service and pleasure see me.

**E. RENFRO,** Agent for Deaf Smith and North Castro Co.

**Recessional**

(A Victorian Ode)

God of our fathers, known of old—  
Lord of our far-flung battle line—  
Beneath whose awful hand we hold  
Dominion over palm and pine—  
Lord God of hosts, be with us yet,  
Lest we forget—lest we forget!

The tumult and the shouting dies—  
The Captains and the Kings depart—  
Still stands Thine ancient sacrifice,  
An humble and a contrite heart.  
Lord God of Hosts, be with us yet,  
Lest we forget—lest we forget!

Far-called, our navies melt away—  
On dune and headlands sinks the fire—  
Lo, all our pomp of yesterday  
Is one with Nineveh and Tyre!  
Judge of the Nation, spare us yet,  
Lest we forget—lest we forget!

If, drunk with sight of power, we loose  
Wild tongues that have not Thee in awe—  
Such boasting as the Gentiles use,  
Or lesser breeds without the Law—  
Lord God of Hosts, be with us yet,  
Lest we forget—lest we forget!

**Whisky Production Cut**

The following is taken from the Fort Worth Record a paper that has never been accused of being a temperance organ. They discreetly explain the cause for the slump. The real cause is not given however. Namely that all sensible people of whom there are a great many are quitting drink for bread and butter.

Louisville, Ky., June 30.—Production of whisky in Kentucky, nominally 40,000,000 gallons annually, during 1916 will be on a basis of 33 1-3 percent of the average for the last five preceeding years. A majority of the distillers of Kentucky reached the understanding at a meeting here Tuesday. During the present fiscal year the distilleries operated under a 50 per cent agreement.

A resolution adopted by the distillers declared the decrease in production in 1915 was brought about by the excess of crops during the four previous years amounting to about 25 percent over the annual consumption and was further due to the high prices of all grain.

The same conditions exist this year, the resolution sets forth, after which stocks will be properly adjusted to meet the normal demand.

**Miss Torres Visits Home Folks**

Miss Otelia Torres came in Saturday from Itasca and remained here until Tuesday, visiting her mother, Mrs. A. E. Pedde, and other friends.

Miss Torres is a student in the Presbyterian school at Itasca and is a ward of the mission society of this church. She has done excellent work in school and her progress is very gratifying to her friends.

**DON'T BE MISLED**

Hereford Citizens Should Read and Heed This Advice

Kidney trouble is dangerous and often fatal.

Don't experiment with something new and untried.

Use a tested kidney remedy. Begin with Doan's Kidney Pills. Used in kidney troubles 50 years. Recommended here and everywhere.

The following statement forms convincing proof of merit:

R. E. Hileman, machinist, Canyon, Texas, says: "I found positive relief from lameness across the small of my back and trouble with my kidneys when I took Doan's Kidney Pills. I can recommend them for lumbago and trouble from the kidney secretions."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hileman had. Foster-Milburn Co., Props., Buffalo, N. Y.

Good brooms at The Fair for only 35 cents on Mondays, Thursdays and Saturdays. 17tf

**Miss Griffith Having Great Trip Enjoyment Limited Only by Capacity**

June 28.—I spent Thursday and Friday at Long Beach and walked up and down this pier a number of times. We are having one grand, great time. Arrived in San Francisco late this p. m. Wish I had greater capacity for enjoyment.  
Miss Griffith

**For Sale**  
Burbank's Original Improved Spineless Cactus. Highest pedigreed plants, forage and fruiting varieties, most nutritious of cactus creations. Orders for prompt delivery. R. Wehle, Kawana Dairy Farm, Santa Rosa, California. 21-3tp

Crex Art Rugs at \$7 50 E. B. Black Co.

**Panama-Pacific Exposition**

We will have on sale daily until November 30, round trip special excursion at fare of **\$48.30**

Final return limit 3 months from date of sale.

Will also have on sale June 1st to September 30th, Summer Tourist Rate of **\$58.30**

Final return limit Dec. 31st. These tickets also include free side trip to San Diego Cal. when route one way via Santa Fe Lines. Stopovers allowed at all points both going and coming.

**Dunlap Hardware**

**N O W !**

Is the time to begin putting up all kinds of fruit and vegetables. We have just received a large shipment of Fruit Jars, Rubbers and Caps and Jelly Glasses.

**Mr. Farmer:--**

Don't buy a Binder until you have seen the Milwaukee, or talked to someone that has one. They are the only Binder on the market that does not have any side draft. Don't take our word for this, just ask the man who is running one.

We have plenty of Twine to care for your wants.

Plenty of Drinking Tubs and Elevated Storage Tanks. Have a car of them on track now.

COME IN AND SEE US

**The Three Blind Men and the Elephant**

They were taken to "see" the elephant. The first one touched the trunk and said that the elephant was like a snake. The second one grasped a leg and said, "How like a tree!" The third passed his hand along the side of the huge beast and said, "Just like a wall." As is frequently the case, they didn't combine their knowledge.

Take three engineers and their lubricating problems. One has achieved perfect valve lubrication. Another has reduced wear and trouble on his guides. The third knows how to make gears last longer.

The combined knowledge of the three would increase the value of each one to himself, and to his employer. How can they exchange experiences?

By getting in touch with an organization which has worked out thousands of these lubricating problems. Such an organization is back of Texaco Lubricants. Unlimited experience in all parts of the country, plus the means for giving you the benefit of that experience, enables us to solve your particular lubricating problems.

On this basis we have built up an extensive, growing business in all classes of lubricants. The engineers who have benefited by our service cover the country, and embrace every industry—yours included.

The Texas Company General Offices, Houston, Texas

No. 44

## With Our Churches

**Epworth League Program July 11**  
 Subject—Our Trust in God.  
 Scripture Lesson—Ps. 31-1-8 and Ps. 118-8-9.

Song.  
 A true Christian's Trust in God—  
 Mr. C. B. Williams.  
 Prayer—Mrs. J. I. Walker.  
 Song.  
 Why we should trust in God—  
 Bro Tedford.

Duett—Mary and Nellie Farmer  
 Great men of the Bible who trusted  
 in God.  
 Daniel—Richard Jacobs.  
 David—Ruth Sights.  
 Job—Edgar Webb.  
 Song.  
 Business.  
 League Benediction.  
 Leader—Mary Alice Dickert.

**Presbyterian C. E. Program**  
 Subject—Making Life worth while  
 Consecration meeting.  
 Roll call.  
 Business.  
 Scripture—Luke 12 13 23  
 Song services.

What makes life worth while to  
 you?—Sloan Baker.

How can we become rich toward  
 God?—Velma Green.

Tell of one danger in riches.—  
 Phillip Broadwell.

Chorus—By girls.

What is wrong with the life princi-  
 ple, eat, drink and be merry?—Mr.  
 Galley.

In what ways does service enrich  
 life?—Joe Owen.

How can we make life worth while  
 to others?—Nelia Carter.

Leader—Mac Womack.

**Prosperity Shown by Banks**

Probably the best thermometer  
 of the condition of business in a  
 community is the banks. When the  
 banks have plenty of money and are  
 doing a good business most other  
 people are doing well. Hereford  
 has three banks and they are all do-  
 ing a good business now. In fact  
 banking business in Hereford is  
 better than it has been for several  
 years. Money is plenty and easy  
 for those entitled to accommodations  
 at a good conservative bank.

Cattlemen have found it easy this  
 year to get funds to carry on their  
 business. Just now cattle loans  
 are considered among the most des-  
 irable loans available by banks.  
 Cattle are bringing good prices and  
 show a tendency to increase in  
 value. They are easily converted  
 into cash, almost on demand.

If farm loans could be made with  
 the same facility as cattle loans  
 there would be a revival of interest  
 in land in this country.

### HOTEL MOVED TO CANYON

**Man Who Moves Houses Takes  
 Time on Way to Whip  
 a Man**

Not every town is as progressive  
 as Hereford, as she has developed  
 the plan of sending all her cheap  
 frame houses out of town with the  
 idea of reproducing them as needed  
 with substantial brick. Last week  
 a Mr. Wellinghan of Amarillo  
 bought the old Iowa Hotel and moved  
 it to the little town of Canyon to  
 the East of here. The house has  
 about 25 rooms and was cut in two  
 sections and loaded on trucks and  
 taken to the capital of Randall  
 County where it will be used for a  
 rooming house after being remodel-  
 ed. On the way Mr. Wellinghan  
 was compelled to pull through a  
 mass field. The man seriously ob-  
 jected and showed fight. Mr. Wel-  
 lingham took time to tan his hide and  
 sent him home to his folks for fur-  
 ther treatment and then went on his  
 way with the house.

Mr. Frank Wright is visiting his  
 brother J. R. Wright. They will  
 both leave soon for a visit in Plain-  
 view and other places. Mr. Frank  
 Wright is 82 years old yet he is  
 hale and hearty. Mr. J. R. Wright  
 is 78 and looks not more than 60.  
 The two brothers are having a great  
 visit.

## Toy and Grown Up Wonderful Feature at the Panama-Pacific International Exposition

**S**CENES in famous Toyland concession on the Zone at the Panama-Pa-  
 cific International Exposition, San Francisco. In this great amusement  
 device, which covers fourteen acres, toys are reproduced upon a gigantic  
 scale, the figures here shown being eighty feet in height.

### Alum Baking Powder Not Harmful

Washington, D. C.—Alum baking  
 powders are no more harmful to a  
 person than any other baking pow-  
 ders.

Such is the conclusion of the re-  
 ference board of conclusion of scientific  
 experts of the department of agricul-  
 ture as the result of experiments to  
 determine the influence of aluminum  
 compounds on nutrition and health  
 of man. The report gives the results  
 of three sets of extensive experiments  
 on human subjects conducted inde-  
 pendently by members of the board  
 and was in response to questions put  
 to it by the department of agricul-  
 ture. The board's report was unani-  
 mous and was signed by Ira Remsen,  
 president of John Hopkins university,  
 Chairman; Russel H. Crittendon,  
 professor of physiological chemistry  
 in Yale university and director of  
 the Sheffield Scientific school; Jonn  
 H. Long, professor of chemistry  
 in Northwestern university; Alonzo  
 E. Taylor, professor of physiological  
 research in the University of  
 Pennsylvania, and Theobald Smith,  
 professor of comparative pathology  
 in Harvard.

### Getting Rid of Gophers

Council Bluff, Iowa—Farmers of  
 this county whose alfalfa and small  
 grain fields have been ravaged by  
 gophers have gotten rid of these pests  
 by adopting a plan devised by Rich-  
 ard Fredrickson of this county. Mr.  
 Fredrickson found a hole made by the  
 gophers and into this he inserted a  
 hose attached to the exhaust pipe of  
 his automobile. Starting his engine  
 he let the gas pour into the hole.  
 Some time the gas will be seen es-  
 caping 200 feet away.

Messrs. W. A. Stubbs, W. L.  
 Caldwell, G. H. Wise and son Basil  
 all of McLean Texas were in Here-  
 ford Wednesday looking over the  
 Country.

Lester Weavers Dairy Phone 9. 51f

## The Mustard Seed Is a Tiny Nut

The meat or kernel of this tiny nut  
 is what has the real, rich mustard  
 flavor—the shell is almost as  
 flavorless as the hull of a walnut.

Then when the whole mustard  
 seeds are ground up into mustard  
 you get bulk to be sure, but the  
 strength is weakened by a part of  
 it being shell or the tasteless part  
 of the seed. It is pure mustard,  
 but it is not the best flavored  
 mustard, nor the most economical.

White Swan Mustard is made by  
 grinding the shells and grinding  
 up the mustard only the kernels  
 of the mustard seed—these little  
 kernels look like rolled oats, when  
 ready for grinding. Mustard  
 made so is of strength and flavor.  
 You can very readily satisfy your-  
 self as to whether or not a mustard  
 is ground from kernels only or  
 from a whole seed. The former,  
 ground dry into a glass tube shows  
 a powder of a solid, pure canary  
 yellow. The other kind will look  
 yellow—the mass is full of little  
 dark particles; these are the shells,  
 the almost tasteless part of the  
 mustard seed.

The purchase of White Swan  
 Mustard is an assurance not only  
 of getting pure mustard, but of  
 getting mustard ground from the  
 shell-less kernels of imported mus-  
 tard seed—full strength and fine  
 flavor.

Your grocer sells White Swan  
 Mustard—ask for it.

### Moves to Hereford

Wednesday morning Prof. B. M.  
 Harrison moved his family to Here-  
 ford, where he will be superinten-  
 dent of the public schools next year.  
 Professor Harrison was the effi-  
 cient superintendent of schools in  
 Plainview for two years, and made  
 many friends while here.—Plainview  
 Herald.

### Putting Down Well

Mr. L. L. Cannon formerly of  
 Loveland Colorado who bought a  
 section southeast of town is going to  
 have a well put down on his land at  
 once. Mr. Cannon has moved from  
 Loveland to Clovis N. M.

### Special Announcement

The Ford Garage wish to announce  
 that they have now in their  
 employ one of the very best machin-  
 ists in this part of the country, Mr.  
 E. M. Kinney. His wide experience  
 and unusual ability make his ser-  
 vices invaluable. Any work done  
 by him will be strictly first class in  
 every particular.  
 Your patronage is respectfully  
 solicited.

### J. G. Callens's Sister Found

Mrs. Reno Hawkins of El Paso  
 and her half brother W. C. Hawkins  
 of Hooker Oklahoma were in Here-  
 ford Monday looking after business  
 in connection with the J. G. Callens  
 Estate.

Mrs. Hawkins is a half-sister to  
 both Mr. Hawkins and J. G. Callens  
 the two men being step brothers.

Mr. Callens had lost track of his  
 sister and could not locate her and  
 thought probably she was dead.

However he provided in his will  
 that in the event she was found she  
 should have a two tenths interest in  
 his estate. Her other half brother  
 knowing of this set about to locate

her and finally did through adver-  
 tising in newspapers. Mr. Callens  
 also carried a thousand dollar policy  
 in the Woodman that will go to her.  
 The Callens estate is estimated to  
 be about ten thousand dollars. An  
 unusual thing is that Mrs. Hawkins  
 married a man of the same name as  
 her maiden name, he being dead.  
 She has two children.  
 Mr. W. C. Hawkins is a news-  
 paper man at Hooker Oklahoma.

#### REVIVAL AFTER THOUGHTS

Perhaps the most wholesome and most needed lesson, that church people have gotten from the meeting that has just closed is, that the growth of the church in numbers and in spirituality rests largely with the church itself.

With no desire to discredit the good work done by the evangelists, it yet remains true, that they would have been helpless without the co-operation of the church body. We were willing to sacrifice our time and to interest ourselves in our neighbors, friends and even in strangers. We attended the services and doubtless gave more time to real sincere efforts at soul winning than we had for many a day. With the possible exception of the four faithful pastors, who are always on the alert, there's no one but did more genuine efficient work along this line than perhaps ever before.

Dr. Norris emphasized repeatedly that a consecrated working church one that is ready and willing to make any sacrifice, is the pre-eminently sure way of reaching those who are outside the church. We listened to him and acted. We had heard the same fact time and again from every pulpit in town and if we did not openly resent it, we treated it with supreme indifference.

It is to our credit that we do recognize in the pastors here, four men, than whom there are no better, truer, nor, more faithful. They live their pure, unselfish noble lives right in our midst. They have shared our troubles, our sorrows and our joys and when we have hesitated to ask for help and counsel from our closest friends, we have simply considered it a part of our pastor's duty to assist us in any possible way.

Some people who own little else not even a conscience perhaps, always have a proprietary interest in their pastor, and instead of following his counsel presume to advise and suggest on matters to which he has given years of thought and study.

The meeting is over—let's make its influence a real motive power toward better christian living. Let's not enter the good it has done with the ashes of its memory and seek for evil results. This is surely one time, when the good of the community demands that we make our Shakespeare to read, "the good that men do, lives after them." This revised version ought to be true. We can make it true in this case.

The thorough introspection through which we have passed can not fail to have a salutary effect. We have surely been made to see our evil tendencies and habits in all their hideousness and that in itself is worth much. It should, and doubtless will, mean a reconsecration of purpose and will which shall make us not only in the church but in the community and one resolve that every Christian should make now is that he will stand by his pastor, that he will support him in every way, even in that most often neglected way—financially.

Try a can of our "Fly Away" for flies. Geo. E. Burns, Druggist.

### Society News Items

Nothing in the way of entertainment, seems quite so fitting for these balmy June days as the lawn party, for either grown-ups or children, but that it is especially the ideal children's party was evidenced in the radiant faces and happy voices of the merry company of little girls that gathered at the residence of Mr. O. G. Hill on Tuesday afternoon.

The charming hostesses for this happy occasion were the little Misses Moselle Hill and Mary Jones. A prettier sight than these children all so dainty and sweet and summery that they seemed veritable animated blossoms as they tripped about in the limitless games that can be played on a big green lawn, could scarce be imagined.

At the conclusion of the games, dainty refreshments of ice cream and cake were served.

The guests were: Mattie Mounts, Mattie Low Harrison, Eloise Pitman, Florence Shore, Inez and Mable Jowell, Lucile Hicks, Grace Ferguson, Pauline Firtach, Annie Wilda Lee, Edith Walker, Dorothy and Loleta Barnett, Lula Orr, Dorothy Klinkinbeard, Lois Brazil, Louise Razor, Virginia Liard, Maurine Hughes, Kathleen Hawkins, Gwendolyn Price, Annie Fetzhugh Parker, Floyd Wilson, Louise Cloyd, Loreta Baker, Inez Clark, Josephine Stocking, Evelyn Bell, Ruby Davis, Thelma Times, Lula Connell, Evelyn, Lulu Bell and Agnes Carl Thomas, Agnes Elliston, Frances Oberthier, Louise Ricketts, Beulah Lee Duthertford, Salome and Anna Copeland, Frances Gwino, Wanda Wilkinson and Nellie Grace Cloyd.

An unusually pleasant meeting of the Rebeccas was held in the I. O. O. F. hall on Tuesday afternoon at which time the officers for the ensuing year were installed. All officers except N. G. and V. G. held over, these two places being filled by Mrs. Kathryn McNearney and Mrs. Jimmie Miller, respectively.

After the ceremonies were concluded refreshments were served and a social hour enjoyed.

Much pleasure was added to the meeting by the presence of Mrs. W. C. Jones, of Robstown, near Corpus Christ. Mrs. Jones was formerly a member of the local lodge and an enthusiastic worker and the members were indeed glad to have her with them and to give this little celebration in her honor.

Unique, in the fact that it was the initial marriage ceremony of the officiating minister, and that it was performed at the romantic hour of 12:30 Sunday morning was the service which united the lives of two of Hereford's most excellent young people, Mr. Jesse Buckner, and Miss Jennie Carter.

The ceremony was performed at the Owen home and by the Rev. Joe Owen a recently licensed young minister of the Baptist church.

The bride is the daughter of Mr. E. C. Carter and is a most worthy young lady, a graduate of the local high school and one of Hereford's brightest and best girls.

The groom is a young man of excellent character and enjoys the esteem of many friends. He is employed with his father in the planing mill.

At present the young couple are at the home of the groom's parents, Mr. and Mrs. R. C. Buckner but will shortly commence housekeeping. The Brand congratulates.

**LISTEN:** History records the one race won by the easy going tortoise, but says never a word about the many previous and subsequent races won by the hare. ### JUST BE GLAD

**O** HEART OF MINE, you shouldn't worry so!  
 What we have missed of calm, we couldn't have, you know!  
 What we have met of stormy pain,  
 And of sorrow's driving rain,  
 We can better meet again,  
 If they blow.

We have erred in that dark hour we have known;  
 When the tears fall with the showers all alone;  
 Were not shine and shadow blent  
 As the gracious Master meant?  
 Let us temper our content  
 With His own.

For we know, not every morrow may be sad;  
 So, forgetting all the sorrow we have had,  
 Let us fold away our fears,  
 And put by our foolish tears,  
 And through all the coming years  
 Just be glad.

—James Whitcomb Riley

### Here and There

L. Wilmoth and Price Butler are respectively feeding near Claude 250 and 125 head of hogs, while at Washburn one feeder has 450 head in the fattening pens. There hog are expected to especially develop heavy weights, as they have the happy combination of living from small pigs in alfalfa fields and of present mijo maize fattening.

J. P. White of Littlefield has sold and delivered to J. M. Shelton of Amarillo, 1000 yearling steers, for a consideration of \$40.00 per head. These steers were taken off the Yellow House ranch and are being shipped by Mr. Shelton to his ranch Channing, Texas.

There was filed with Roy W. Snompson, County Clerk of Dallam County, today a deed from the Capital Freehold Land and Investment Company, Limited, of London, to Francis C. Farwell, Hobart C. Chatfield Taylor and George Findlay, conveying 979,055 acres of land in the county of Dallam, Hartley, Oldham, Deaf Smith and Parmer, together with town lots in the towns of Texline, Channing, Farwell and Bovina. The consideration named is \$4,736,000. The instrument bears revenue stamp in the sum of \$4,736.

The land conveyed is a portion of the 3,000,000 acres granted by the State of Texas to the Capitol Freehold Company for the construction of the State Capitol, and comprises all of the original grant except lands heretofore sold.

The deed is the longest single transfer ever recorded in this county.

John Dorsey delivered this week to Teddy and Frank Trammel, 900 head of thoroughbred Hereford cows at \$75.00 per head. Beyond a doubt this is the finest herd of cows of this size in the Panhandle and while this is a handsome one, they were worth the money. The Trammel men are cattle men of the old school and will make good on the price.

Vega is to have a new elevator with a capacity of 14,500 bushels and in case of an over run of wheat would be made to hold 20,000. They will also have a large ware house in connection.

**LISTEN:** A Sleeping porch is more than a luxury in summer. It's almost a necessity for it saves medicine and doctor bills—Talk with us about the cost—it's not so much. Hereford Lumber Co., Lumber Dealers. 11

Your Business appreciated.—Geo. E. Burns Druggist. 201f

**Doing Business at Home**

We rarely ever meet a man, woman or child who will admit that their home town and community has a superior. It is also true that they resent any insinuation that they fail to do their full share toward bettering their communities in every way possible.

However, we occasionally run across some person who proudly lays claim to a lions share of the

credit due for the advantages of the community in which he or she lives, but who at the same time does those things that tend to retard rather than promote local development and welfare.

For example: A woman who lives in one of our smaller towns reluctantly admitted that she buys her "nicest" clothes, furniture, etc. out of town. The only reason she could give for the action was that she demanded better goods than are kept by local merchants.

Now this woman as sincere in her belief that she is an important factor in the development of her town and community. She simply does not realize the fact that her local stores are the very backbone of local prosperity.

The ridiculous feature of the situation is that she regularly buys a brand of shoes carried by one of her local merchants. The price of this shoe is practically the same every where. It is very probable that this is also true in the cases of other articles side sends or goes away for.

Remember that every dollar you spend in the stores of our local merchants assists in the improvement and development of this town and surrounding trade territory. If you demand standard brands of merchandise you can buy here to as much advantage, and much more conveniently than elsewhere—Farm and Ranch.

#### Sheriff's Sale

THE STATE OF TEXAS  
 County of Deaf Smith

By virtue of an Alias Order of Sale issued out of the Honorable District Court of Deaf Smith county on the 7th day of July 1915, by the clerk thereof, in the case of the Miners Bank of Cartersville, Missouri, versus P. L. Vasse, W. G. Bryant and Albert Gillis, No. 805, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the first Tues-

day in August, A. D. 1915, it being the 3rd day of said month, before the courthouse door of said Deaf Smith county, in the town of Hereford, Texas, the following described property, to-wit:  
 Tract No. 1. A certain tract or parcel of land known as the Matthew-Wilson pre-emption, issued August 20th, 1888, Vol. 21, No. 193, Abstract No. 531, situated in Deaf Smith county, Texas, about six miles east and one mile north of Hereford, Texas, containing 160 acres.  
 Tract No. 2. A certain tract or parcel of land described as the J. P. Plank pre-emption, abstract No. 516, situated in Deaf Smith county, Texas, about 6 miles east of Hereford, Texas, containing 160 acres of land.  
 Tract No. 3 a certain tract or parcel of land described as the J. H. Willis pre-emption issued January 4, 1889, Vol. 21, No. 450, Abstract No. 543, located about six miles east of Hereford in Deaf Smith county, Texas, and contain-

ing 160 acres of land.  
 Tract No. 4. A certain tract or parcel of land described as Survey No. 2, Abstract No. 1241, the Conner Jowell preemption, located about 6 miles east of Hereford, in Deaf Smith county, Texas, and known as the T. B. Rector place, containing 160 acres of land. All of the above described land is located between Block K-3 and Block K-14, the same being a strip of ground shown by a re-survey.

Levied on as the property of P. L. Vasse, W. G. Bryant and Albert Gillis, this the 8th day of July, 1915, to satisfy a judgment amounting to \$5,646.84 with interest thereon from the 3rd day of November, 1914, at the rate of 8 per cent per annum, in favor of The Miners Bank of Cartersville, Mo., and costs of suit.

Given under my hand, this 8th day of July 1915.  
 R. W. Baird, Sheriff,  
 Deaf Smith county, Texas.  
 By C. E. Smith, Deputy.

Given under my hand, this 8th day of July 1915.

**HEREFORD THOR-O-BRED TREES AND PLANTS**

Have created a demand that is surprising even to ourselves. This years sales will show an increase of 300 per cent over last year.

The fact that we will sell more trees this season than all other nurseries reeling on the plains is significant.

For **Twenty-five Years** we've been on the alert - striving to give better results—Spending \$1000 per year in tests.

Is it not, therefore, worth your while to investigate our products?

**"QUALITY FIRST"**

**HEREFORD, TEXAS.**

**Irrigation and Stock Farming**

It pays to irrigate and raise double the amount of feed stuffs you would otherwise raise. It then pays to fill a silo and feed cattle and hogs.

If you raise plenty of feed and want to get some cattle or hogs, call and talk the matter over with us. We have always helped our friends get stock where they could care for it.

Judge Hall for Appeals
Judge Walker Hall at the present time a member of the Seventh Court of Civil Appeal here, may become a candidate for the Court of Criminal Appeals at the July primaries next year.

It is understood that Judge Hall is considering entering the race. For several weeks he has been receiving letters from all over the state urging that he get into the race against A. J. Harper, whose term expires next year.

Judge Hall was recently elected to the Court of Civil Appeals for a six year term. He had no opposition. For many years he has been regarded as one of the foremost jurists of Northwest Texas.

The above is from the Amarillo Daily Panhandle. Judge Hall is a man well worthy of promotion as he is not only a great jurist but a great man as well.

Sheriff's Sale

State of Texas, County of Deaf Smith.

By virtue of an order of sale issued out of the honorable district court of Denton county, on the 28th day of June 1915, by the Clerk thereof, in the case of Ida M. Howsher, a feme sole, for herself and as Guardian of the estate of Gladys Howsher a minor, versus C. W. Dodson, and B. W. Miller jointly and severally. No. 5998, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the FIRST TUESDAY in August A. D. 1915, it being the 3rd,

day of said month, before the Court House door of said Deaf Smith county, in the town of Hereford, Texas, the following described property to-wit:

All that certain lot or parcel of land a part of survey No. 61, Abstract No. 358, Block K-3 Certificate No. 1833, original grantee Weiss, Weiss & Sanders, patented to John Corwith situated in the town of Hereford Deaf Smith County Texas, and described as the North one-half of lot No. eleven (11) in block No. seventeen (17) as shown by the plats of record of said town Hereford, Texas, in Deaf Smith County, levied on as the property of C. W. Dodson to satisfy a judgment amounting to \$1421.00 in favor of Ida M. Howsher, et al. and cost of suit.

Given under my hand, this 1st day of July 1915.

K. W. Baird, Sheriff, Deaf Smith County, Texas.

STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But One Helped Him to Recovery. Pomeroyton, Ky.—In interesting advices from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have sick headache so bad, at times, that I thought surely I would die. I tried different treatments, but they did not seem to do me any good. I got so bad, I could not eat or sleep, and all my friends, except one, thought I would die. He advised me to try Thedford's Black-Draught, and quit taking other medicines. I decided to take his advice, although I did not have any confidence in it. I have now been taking Black-Draught for three months, and it has cured me—haven't had those awful sick ches since I began using it. I am so thankful for what Black-Draught has done for me." Thedford's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure, vegetable herbs, contains no dangerous ingredients, and acts gently, yet surely. It can be freely used by young and old, and should be kept in every family chest. Get a package today. Only a quarter. "You'll Like Hereford—Oceans of Water."

List of Lands and Lots Delinquent on March 31st 1915
For the Taxes of 1914, only, in Deaf Smith County, Texas

Reported Under the Provisions of Section 10, Chapter 103, Laws of 1897

THE STATE OF TEXAS

\$100 Reward, \$100
The readers of this paper will be pleased to learn that there is at least one remedial measure that has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known for the medical nature of Catarrh before a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

POLITICAL AGITATORS

POLITICIANS WHO CAPITALIZE STRIFE A MENACE TO GOVERNMENT.

Neglect of Agricultural and Industrial Opportunities a National Crime.

By Peter Radford.

There never was a time in the history of this nation when we needed statesmen more of agitators less than at the present moment.

Issues that Breed Agitators Should be Eliminated.

The political agitator must be eliminated from public life before thoughtful consideration can be given to a constructive program in government.

In the history of our government the liquor issue has never produced a constructive statesman worth mentioning and it never will.

The recent experience of the English Parliament which lashed itself into a fury over the liquor question has a lesson that it is well for the farmers of this nation to observe;

Too Many Political Drunkards.

Lloyd George, the Prohibition leader of Europe who led the prohibition fight in England, has declared that he will never again take a drink politically and there are many American politicians—pro and anti—who would render their country a service by climbing on the water wagon or signing a pledge of political temperance.

We have in this country too many red-nosed politicians—both pro and anti. A candidate with political delirium tremens, a preacher with political snakes in his boots and an agitator drunk on the liquor question are the saddest sights in civilization and they should all be forced to take the political Keeley Cure.

It is far more important in government to make it easier for those who toil to eat than to make it more difficult for a few topers to drink.

THE LAYMAN'S DUTY

There never was a time when preachers and politicians formed an unholy alliance that civilization did not shriek out and Christianity cry aloud.

WHY SHOULD WOMEN VOTE?

WOMAN'S SUFFRAGE FROM THE VIEWPOINT OF LEADING FARMERS.

Why should women vote? That is the question that is ringing from ocean to ocean and reverberating from the Canadian boundary to the Mexican border.

"From many standpoints, perhaps a woman has as much right to vote as a man. So has she as much right to blow as a man; she has as much right to work in a factory as a man; she has as much right to shoulder a musket as a man, but we would rather she would not do so from choice and we regret that necessity oftentimes compels her to earn a living by engaging in gainful occupations.

Opposed to Unsexing Humanity.

"Sex qualification for suffrage may have its apparent inconsistencies. No general rule adjusts itself perfectly to all conditions. It is a favorite argument advanced by the proponents of woman's suffrage that many cultivated and noble women are far more capable of intelligently exercising sovereignty than a worthless negro, but the South never was anxious for negro suffrage, and while culture and refinement, and even morality, are desirable virtues, they are not the only qualifications for franchise.

"The primary, inherent and inseparable fitness for suffrage is supporting a family. The plow handle, the forge and the struggle for bread afford experience necessary to properly mark the ballot. Government is a great life; business and civilization from the very beginning assigned woman the home and man the business affairs of life.

"There has been much freakish legislation enacted during the past decade that no doubt appeals to woman's love for the ridiculous, but to undertake to unsex the human race by law is the height of legislative folly and a tragedy to mankind.

"We are opposed to the equal rights of woman—we want her to ever remain our superior. We consider woman's desire to seek man's level the yellow peril of Twentieth Century civilization.

"Woman is the medium through which angels whisper their messages to mankind; it is her hand that plants thoughts in the intellectual vineyard; it is through her heart that hope, love and sympathy overflow and bless mankind. Christ—the liberator of woman-kind—was satisfied to teach the lessons of life and He was a man. He chose to rule over human hearts and refused worldly power and men followed after Him, women washed His feet, little children climbed upon His knees and the Ruler of the universe said that in Him He was well pleased. Can woman find a higher calling?"

THEMISTOCLES

When Themistocles was asked by his host at a dinner party to entertain the guests by playing the lute, he replied that he could not play the fiddle, but that he could make a small town a great city.

Let those who hunger and thirst for power understand that the highest glory of a statesman is to construct, and that it is better for a man that he should build a public highway than that he should become Governor of a state, and that he start a plow than that he become the author of a law. The true test of statesmanship is the plow and the hammer, so let those who would govern, first build.

Parrot

Independence day has come and gone. This year our great Independence day seemed to have a special significance as it found the United States the only nation among the world powers which is at peace.

Mr. Shepard and sons, Frank, Dave and Percy have been helping A. G. Noble to replace some of his buildings wrecked by the storm.

Sunday School was organized at Parrott last Sunday.

Alfred Grant has finished cutting his oats, has cut some for John Hack, and is now cutting wheat for W. E. Hacker.

Mr. and Mrs. James Boydston and Misses Zella and Ethel Jennings of Nevada Missouri spent Monday afternoon with Mrs. J. W. Hanlan.

Chris Hopp and the Wagner family attended the celebration at Nazareth on Saturday.

Harvest days are here in reality now. Farmers are all busy and the hour of the binders and headers are heard both early and late.

Frank Metcalf and wife and Mr. Cousart and wife made a trip to Bailey county recently where Mr. Cousart has some land interests.

Mr. and Mrs. Pressly Dyer have returned from their trip to Tahoka. The heavy rain stopped them at Hale Center but they were fortunate enough to be out of the path taken by the tornado storm of June 28.

Mrs. Riggins and son of Itasca are visiting at the home of Mrs. Park, her daughter.

Alva Metcalf spent Sunday with Hazel Hacker.

B. F. Neely trustee in the Parrott district together with Alex Lowery, John McCormick, B. D. Woodlee, and Judge Kerr made a trip to Bailey county last Monday to investigate and decide upon a school district division in that county.

Floyd Hacker was taken suddenly ill last Monday morning at the home of Alfred Grant with what appeared to be a very severe attack of acute indigestion. His parents were immediately summoned, by evening of the same day he was able to be taken to the hospital.

And Doing Up The System Take the Old Standard GROVE'S TASTELESS chill TONIC. You know what you are taking, as the formula is printed on every label, showing it is Quinine and Iron in a tasteless form. The Quinine drives out malaria, the Iron builds up the system. 50 cents

CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Codson's Liver Tonic" is Harmless To Clean Your Sluggish Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tonic tonight on my guarantee.

en home and at this writing is getting along nicely.

Florence Hacker visited on Sunday with Mrs. Pressly Dyer.

Mr. and Mrs. Oris Renfro entertained the following guests: Miss Alta Renfro and Carl Cockrell, of Hereford, Mr. and Mrs. J. W. Hanlan and little son Earl, Ed Wilson and Martin Simpson.

Harvey Jr. the little son of Harvey Cash of Dimmitt had the misfortune to fall out of his high chair, thereby fracturing the bones in his arm. He was taken to Hereford to Dr. Price who reduced the fracture.

Ora McLean received an injury to the hand breaking some bones which necessitated the attention of a doctor from Hereford.

Mr. and Mrs. Geo. Shepard, Mrs. Frank Shepard and two sons George and Claud, Mr. and Mrs. W. E. Hacker, Miss Florence and Master Charles went over to the Barker-Aanian section to view the wreck the storm of last Monday had caused from there they went to the A. G. Noble ranch and report things as being wrecked as nothing but a tornado storm could wreck them.

Miss Laura Edwards lectured in Dimmitt both morning and evening last Sunday. A large crowd was present and thoroughly enjoyed the talk, made doubly interesting by the illustrations used of the customs of that far away place Korea.

Those who gathered at the home of Frank Shepard last Sunday to help celebrate the birthday of his mother, Mrs. George Shepard were Ben Tate and wife, W. E. Hacker wife and son, George Shepard and wife.

The young people of Dimmitt and vicinity gathered at the home of J. W. Hamm last Saturday night where the evening was spent playing games and enjoying themselves generally, a large crowd and a good time by all is reported.

The neighborhood of Arney east of Parrott was struck as bad as we were and in some places worse by the recent hail.

John Hendrix and Mr. Goad lost

practically all of their grain crop.

The estimated loss in every field in the path of the hail is one half.

Those reporting damage to property and stock since our last report are Jacob Wagner, window lights crashed and damage to sheds and out buildings by hail and wind. Much damage to Mr. Boydston's orchard and window lights crashed, damage to oats at Oris Renfroes, John L. Wilson's cattle were bruised badly, sheds and house roof damaged by hail.

The Sunday School at Arney celebrated the Fourth of July with a picnic at the school house.

B. F. Neely and sons Ned and Charlatan, and Oris Renfro and family spent the fourth at J. W. Hanlan's. After a picnic dinner of fried chicken, ice cream and all other accessories, they all went for a little visit down to Will Todds near the Swisher county line.

The trip was made in the Neely and Renfro cars, going by the way of Nazareth returning by way of Arney. On this trip was seen lots of fine grass, herds of fine cattle, some nice growing crops, and some localities that were in the path followed by the recent storm.

The trip for the most part was a very enjoyable one. A jolly time for a jolly crowd like this one. We went into details for both the car owners said they would shoot the reporter if it all got out. So anyhow everyone had a good appetite for lunch when they arrived at the fort between ten and eleven p. m. and about all the particulars they give was a unanimous vote of thanks to Mr. Shultz because he is the owner of a Ford—it sure can pull.

Ethel Jennings is visiting in our neighborhood this week. The Jennings family moved from here about two years ago to Missouri and are now thinking of coming back possibly in the fall.

Mrs. John Hacker and Frank spent the day last Wednesday with Mrs. John Hanlan.

The friends of Mrs. Flo Barcus are very sorry to hear that she is not improving very rapidly.

The Electric Fire Risk

Ever since the early days the Fire Insurance Companies have combined their efforts toward the perfection of electric wiring and fittings, with the result that at the present time electricity ranks very low among causes of fire.

As an example, we take from the records of the Fire Department of Louisville, Kentucky, a city of average fire risk, the record of fires and their causes (false alarms, incendiary and unknown signs eliminated) the following data, covering a period of five months:

Table with 2 columns: Cause of fire, Number of fires. Defective flues... 88, Stoves and heaters... 32, Sparks... 20, Coal Oil and Gasoline... 18, Hot ashes... 18, Lamps... 14, Matches... 12, Electricity... 2

In other words, out of over 200 fires, only two, or less than one percent, were caused by electricity, and those two were of a minor nature.

Let us furnish your home with this safeguard.

The Hereford Light & Power Co.

The handle of the 'liminator is not broken.' We eliminate all the dust, ashes and worry and onethalf of the expense by using GAS. Read below.
