Congressman Explains Farm Program

Bob Price Speaks To Large Crowd

Congressman Bob Price held a Town Hall type meeting in Muleshoe Friday morning, and touched on many subjects, although he held the main topic of his discussion to the farm program. Speaking to a group of more than 40 farmers, business and professional people in the Muleshoe State Bank, Price said, "I am confident that our agricultural system need not be tied to a level of farm income by which the average person on a farm today earns less than three-fourths as much income as does the American earning his living off the farm."

"I also feel that such a system need not be forever tied to a complex variety of commodity support programs and controls. The majority of American farmers prefer to earn their income from sales at the market if fair prices can be obtained for their products."

"As we enter the 70's we will see attempts at a steady, painstaking adjustment -- a careful adjustment -- toward a more equitable farm income, toward farm programs more responsive to current needs. American agriculture cannot successfully operate through the 1970's on the farm program of the 1960's and earlier."

He continued, "Still I must emphasize that the change from current farm programs cannot be so abrupt as to badly disrupt farming or deprive American consumers of the quality and variety of agricultural products that add so much to our national well-being. The farm economy of the 1970's will also be favorably influenced, I believe, by an effort that began in rural areas some 36 years ago; an effort which is now paying off in increased rural opportunity, economically, culturally, and socially."

Harmon continued, "Why not join with the Chamber of Commerce of Muleshoe and help make some more dreams become a reality? Your Chamber of Commerce is working--with ideas that reach far into the future and we need your support NOW!"

"September 15 is the date when many new names should start appearing on the membership roll of the Muleshoe Chamber of Commerce. Don't you want your name there too?"

"MULESHOE NEEDS YOUR HELP!" concluded the Chamber president.

Joe D. Vaughn, Veterans County Service Officer for Bailey County has just attended the 22nd Annual Statewide Rehabilitation Conference for Veterans Service Officers, which was held at the Austin Hotel in Austin, September 8-11.

This Conference was conducted by the Veterans Affairs Commission of Texas, in cooperation with the American Legion, Disabled American Veterans County Service Officers Association of Texas. The purpose of the meeting was to offer Service Officers from the entire State of Texas an opportunity to gain first-hand knowledge of recently enacted legislation dealing with benefits to veterans and their dependents and survivors. Topics discussed included disability compensation and pension, Government insurance, GI loans, education and training for veterans and children, hospitalization and medical treatment, and veterans employment and reemployment rights.

Conducted annually, this Conference, on Page 2, Col. 3

District Court Clerk Nelda Merritt said the 72 jurors summoned this week are not to report to the courtroom this week due to illness in the family of District Judge Pat Boone. She said the jurors will be notified by card the next time they are scheduled to report.

CONGRESSMAN SPEAKS IN MULESHOE--Congressman Bob Price, right, was in Muleshoe Friday morning for a Town Hall type meeting. Although the meeting was to have lasted an hour and a half, after a lengthy question and answer session the meeting went over two hours. Shown with Price, at left, is Clarence E. Mason.

Farmers, Stockmen Save Time, Money Shopping in Muleshoe

The business and professional people of Muleshoe are offering many time and money saving devices to the farmers and stockmen of this area.

These new farm implements and home appliances will add to the prosperity of the community.

Farmers and stockmen have made a great contribution to Muleshoe's growth. Their industrious habits and knowledge of agriculture and animal husbandry have made our area one of the most profitable agricultural sections of the state.

The business and professional people of Muleshoe look with pride on their ability to supply the farmer's every need. Farm supply houses in Muleshoe are always willing and eager to give you professional and scientific assistance in the feeding and care of land, crops, fowl and livestock.

The Muleshoe lumber yards and farm supply people are glad to assist you with your feed and shelter problems. You can consult them with confidence at any time for free information and estimates.

We are proud to know you can shop Muleshoe for all your farm and family needs. We urge you to shop these Muleshoe firms for outstanding values this week that you can't afford to miss:

around Three Way muleshoe Tromps Dawson

The children of Walter Damron of the Circleback Community are hosting an open house for his 80th birthday today (Sunday) from 2-5 p.m. at the Muleshoe American Legion Hall.

Friends will be served cake and punch.

Guests in the home of Mrs. J.L. Alsop Sunday were her daughter and son-in-law, Mr. and Mrs. R.B. Sparks and Johnny, and their daughter, Mrs. Cliff Watts and Christi Ann, all of Lubbock. Mrs. Sparks is Mrs. Alsop's only daughter.

Recent visitors in the home of Mrs. Bonnie Harlan were Mr. and Mrs. Charles Rex and children, Charlotte and Michael Charles. The Rex family were neighbors of Mrs. Harlan when they were employed by the pipeline company here. They have since moved to Angleton on the coast and were en route to Seattle.

Mr. and Mrs. Mervin Wilterding and a cousin and wife, Mr. and Mrs. Odell Fuller of Ropesville, are touring western Colorado this week.

Miss Shirley Richards, daughter of Mr. and Mrs. Earl Richards, spent Thursday and Friday of this week in Muleshoe. She is now employed as a nurse at Northwest Texas Hospital, Amarillo, and just this week received report that she had passed her examinations for the State Board as a registered nurse.

Mrs. Matilda Slemmons has been in Oklahoma City visiting with her daughter and family, the Jim Bishops.

Rev. Mack Moore, who was a patient at West Plains Memorial Hospital earlier in the week, is being driven back and forth to Lubbock to consult with his doctors at Methodist Hospital. His condition still has not been diagnosed at present time.

Score 50-0 Last Half Improves

They may have lost the battle, but, they surely haven't lost the war. Muleshoe's Mules fell before a mighty onrush, led by speedy Roy Thomas of Dimmitt, Nelson Chavers and quarterback Mark Cleavinger and Mark Wohlgenuth.

The Bobcats scratched, mauled and sped their way to a 50-0 victory over the hapless Mules.

It was a perfect night for football, cool, slight wind, a full house in the grandstands, everyone was ready and anxious, over-anxious!

After the Mules first handled the ball on opening kickoff and Bobby Hayes, 165-pound back was able to move the ball only to the 26-yard line, and on an attempted punt, which was apparently snapped a little high, the punt was blocked and Gary Langford made it back into the Bobcat and zone for the first touchdown of the evening from about the Dimmitt 5-yard line, Mark Cleavinger made the score 7-0 with the clock showing 9:59 in the first quarter.

Gary Ethridge returned the ball from the 10-yard line to the 30 on the return and Hayes punched and barreled his way through in three plays to the 42 for the Mules first down of the game.

At this point began a series of penalties against the Mules which put them farther and farther back and left the field wide open for Bobcat Quarterback Bill Sanders to sweep down the left side to the Mules one yard line where Cleavinger made it over from the one with 5:11 on the clock, still in the first. He made it a 14-0 game with his PAT.

The Bobcats broke through the line at 3:27 of the first and pushed Randy Field into the end zone for a two-point safety which made it a 16-0 ball game.

Dimmitt's Roy Thomas began a footrace downfield which ended seven plays later with Roy Thomas going in standing up from the 17 for the third TD of the game. Cleavinger made it 23-0 at 1:22 of the first.

A 34 yard kick return by Gary Ethridge was recalled by the referees after they ruled that the Mules were offside and the Mules were held down pass for Dawson. Cont. on Page 2, Col. 1

BROOMS? MOPS? BRUSHES?--Members of the Muleshoe Lions Club have been selling brooms, mops, brushes and other items this week during their annual drive. Shown looking over the wares in the back of a pickup are from left, Deputy Sheriff Bob Henderson, Pete Black, former Deputy Sheriff, now law student, Corky Green and Sheriff Dee Clements. The Lions report a good public response for the sale, which will be used to benefit the blind.

Longhorns Blank New Home, 49-0

Still riding on a highly successful 1968 football year, Lazbuddie's Longhorns started off the 1969 season in much the same manner, blanking out the New Home team, 49-0.

Darrell Matthews led the 'Horns to a 21-0 halftime lead, then left the scoring to his teammates as they walloped the New Home team on their home field.

Matthews' first score was on a 28-yard pass interception return and followed that up with

MHS Band Sets Magazine Sales

The annual magazine subscription sales for funds by the Muleshoe High School Mighty 'M' Band will begin on September 19 and will conclude on October 6, said MHS Bandmaster Jim Harvey.

He said that by virtue of earning a first division rating at the University Interscholastic League Contest in Oklahoma last April that the MHS band qualified for the statewide Six Flags Over Texas Festival.

Harvey said that although the MHS band qualified for the festival, the band students must earn necessary funds to make the trip.

The magazine subscription sales will begin, along with sales of new subscriptions and renewals for the Muleshoe Journal and Bailey County Journal to help raise needed funds for the festival.

As in past years, the magazine subscription program will be with Quality School Plan. Available will be over 160 top quality magazines including Reader's Digest, Life, Time, Look, McCall's and Sports Illustrated.

Students will be selling the subscriptions at regular rates plus will handle special offers from publishers. Renewals can also be purchased through this program. Delivery is guaranteed and should start within ninety days from the date of sale. Harvey said this is as fast as is available from any other source.

The Journals will give a cash prize of \$25 to the band student, on Page 2, Col. 6

A five-yard run in the first. A 65-yard gallop in the second, also by Matthews left the New Home team lagging behind. Matthews kicked one extra point and Monte Barnes ran for two points.

Larry Hodges scored on a 42-yard run in the third and half-back Arthur Barnes went over on a 16-yard pass from Barnes. Another pass reception on a conversion from Barnes made it 36-0.

Hodges scored again in the fourth on an 11-yard trot and Barnes swept across from the six to add the final two TD's of the game. Barnes made the conversion.

Six Million Paid To Bailey Farmers

Approximately \$6,000,000 in checks have been mailed to Bailey County farm operators said Charles Daniel, local manager of the Department of Agricultural Stabilization and Conservation office.

Some 99 percent of the checks were in the mail by Friday, September 12, with an average payment to farmers of \$5,500.

Of the approximately 1200 farmers participating in the

TEC Led Area In Placements During August

Benford Scarborough, local manager of the Texas Employment Commission, said the local office of TEC led the entire area in verified job placements during the month of August.

Scarborough said a total of 1376 persons were placed in jobs in the area out of a probable 1700 contacts in his office. Forty-six of these were in permanent type jobs such as clerical, permanent farm employees and service station attendants.

Thusfar in September, the TEC manager said they have placed 236 persons in jobs. The local office of the Texas Employment Commission serves all of Bailey County and the southern part of Farmer County.

SCS Members Attend Meet In Tahoka

S.W. Inman, Lewis Scoggin, and Carl Pollard, Directors of the Blackwater Valley Soil and Water Conservation District along with Henry Stoneham of the Soil Conservation Service attended the South Plains Association of District Directors at Tahoka, Tuesday afternoon, September 9, 1969. This association is made up of directors from each of the Soil and Water Conservation Districts on the South Plains.

H. Alden Deyo, director of the South Plains Council of Governments spoke on the purposes of "Council's of Governments", and how Districts can assist them.

Gail Downs Bula Team

A hard running Gail football player, Joe Hardin, scored three times as Gail swamped Bula, 40-14.

Two of the Gail TD's were in the third by Rick Hendley and Charles Billeck scoring. Hardin added two points. Hardin's first TD was in the second to make it a 20-0 game at halftime.

Bula scored on a 5-yard run in the third by Ron Risinger and Hendley scored.

Harding scored twice in the fourth and Tom Newton scored on a pass from Risinger. Newton added the final two points.

OUCH!--Mrs. Alex Williams, right, has her eyes closed as she prepares herself for the prick in her finger by a Lubbock Public Health Nurse. The Health Department nurses were in Muleshoe Thursday administering diabetes tests. The Muleshoe Hospital Auxiliary sponsored the tests and reported that more than 130 people took the test during the day.

literally motionless. At 11:33 in the second, 'Speedy' Thomas went in again standing up from the Mule 10 to make it a 29-0 game and Cleavinger put the frosting on the cake to have the scoreboard show 30-0. Muleshoe's Bob Hayes penetrated into Bobcat territory in the next two runs to the 29 yard line of the Bobcats. An intercepted pass by Cleavinger on their 15 began a determined march downfield where Chavers twisted, turned and scampered in broken field running from the Mule 5 for a TD at 3:58 of the second. Cleavinger again made it a 37-0 game with his kick.

Another intercepted pass, this time by Danny Newton, Bobcat back on the Dimmitt team, made the 'Cats their final TD before halftime with 47 seconds on the scoreboard clock. Cleavinger's toe made it a 44-0 game at halftime. In the third, the tables turned temporarily, as Muleshoe's Keith Turner was on his toes and recovered three Bobcat fumbles and a see-saw contest was held between the two teams on the field. There was no score in the third and neither team was ever in a threatening position. With 28 seconds gone by in the fourth, Chavers made the final TD of the evening on a fake handoff. An attempt to run an extra two points failed and the scoring ended at 50-0. The Mules held for the bal-

ance of the game. Following the game, the Muleshoe Athletic Booster Club members served free coffee, hot chocolate and spudnuts to more than 75 people in the MHS cafeteria. It was noted and comments were made about the fact that all the Muleshoe Mules who came to the cafeteria wore dress shirts, ties and dress trousers. One of the bystanders in the cafeteria, said, "They are bruised, battered, tired and dejected, but they still look and act like gentlemen."

farm program would not go through. In other words, he stated, they offered a compromise program.

Proposed has been a land retirement proposal. Some 10-15 million acres of land have been retired during the past five or six years due to increased production of farm produce, and it has been proposed that an additional land retirement program be utilized for the next five years.

As to Vietnam, Price commented, "Militarily, only time will tell whether South Vietnamese Forces are ready to take up the entire burden of defending themselves from future aggression from the North. There is little doubt that the South Vietnamese fighting man can hold his own and subdue the Viet Cong. The problem, however, will be infiltration of North Vietnamese forces and material. It is important to note that North Vietnamese units make up 80 percent of

communist forces in the South. "Militarily, the South Vietnam army and air force are becoming stronger and more able to cope with the enemy day by day. With each day the North Vietnamese stall in Paris, the South Vietnamese military is improving. We can only hope they will improve sufficiently by the time of a phased withdrawal to maintain the peace." Price did say that he did not expect the United States Armed Forces to be removed from Vietnam altogether for the next several, 10 to 15 years, reminding that hundreds and thousands of American troops are still in Europe and Japan 22 years after World War II is over.

He also spoke on crime, inflation, riots, communism and several other subjects.

Price concluded with a question and answer session, during which time questions were fired continuously for approximately an hour after he spoke.

By living in an agriculture area where the economy is largely dependent on agriculture, I am very interested in the progress of area crops, and I believe that everything is looking good at the present time. There is a good corn and maize crop developing, and the cotton looks better than it has in the past few years north of Muleshoe. Also, the crops look pretty good in the south part of the county, although the cotton is late due to the fall in the middle of July. All we need now is a late front and plenty of sunshine.

October Draft Drops 200 From September

AUSTIN, Texas.--The October draft call for Texas is 1,461 down from 1,698 for September, Colonel Morris S. Schwartz, state Selective Service director, said Friday.

This is the state's share of a national quota of 29,000 men, 27,600 for the Army and 1,400 for the Marine Corps. The state quota will be in the same proportion between the two services.

State induction calls in August and July were 1,548 and 1,178, respectively.

A total of 8,906 is scheduled to be forwarded for armed forces pre-induction physical and mental examination in October to prepare for future calls, Colonel Schwartz said. This compares with totals of 11,135 in September, 6,816 in August and 8,029 in July.

The order of selection to fill draft calls through October may be from among examined and acceptable men who are (1) delinquents 19 years old and older, (2) volunteers under age 26 in the sequence in which they have volunteered, and (3) nonvolunteers 19 through 25 years old, single and married, oldest first, with those married after August 26, 1965, being selected ahead of those married on or before that date.

In filling the quota for the pre-induction physical and mental examination for October local boards, if necessary, may go as low as 18 years and nine months of age, oldest first; but no person may be inducted until he is 19 years old.

Lazbuddie Schools' LONGHORN STAMPEDE

By Mike Casey

The Lazbuddie Longhorns "B" team hosted the Texico Wolverines in a scrimmage game Thursday, September 4th. The Longhorns defeated the Wolverines 2 touchdowns to 0. Mark Barnes and Ricky Seaton, both freshmen, handled the scoring for the Longhorns. Barnes' touchdown came on a 50 yard run and Seaton's on a 10 yard run. Another standout in the backfield for the Longhorns was Roy Flores. Although no statistics were kept, Flores yards rushing.

On defense, Marti Mosley did a fine job. He interrupted a pass and was involved in numerous tackles. Loy Dale Clark and Larry Cox were other players who stood out on defense for the Longhorns.

The varsity scrimmaged the Anton Bulldogs Saturday, September 6th at Lazbuddie and

won the contest 3 touchdowns to 0. Lazbuddie gained 340 yards total offense, 225 of these yards came on the ground and 115 came passing. Defensively, the Longhorns held the Bulldogs to 67 yards rushing and 40 passing.

The Longhorns got their first touchdown when quarterback Monte Barnes went over the goal line from 15 yards out. Lazbuddie got another score when Derrell Matthews ran 55 yards for a touchdown. Charlie Lee got the Longhorns last touchdown when he caught an 80 yard scoring pass from Monte Barnes.

The Longhorns for the most part, kept the Anton offense contained all night. George Wilson and Charlie Lee both did a fine job on defense for the Longhorns. Wilson played end on defense and did a good job containing the Anton backs. Lee intercepted a Bulldog-throw pass and was involved in several tackles from his corner back position.

The different classes of Lazbuddie High School have elected their class officers for the upcoming school year. The

Seniors have elected Leatrice Gallman as their president, Terry Scott, vice president, Mickie Broyles, secretary-treasurer, and Kathy Coker, sergeant-at-arms.

The juniors have selected Scott Brown as their president, Mike Casey, vice-president, and Delayne Steinbock, secretary-treasurer.

The sophomores chose Jim-

my Noland as their president, Bobby Balderas, vice-president, Helen Lucero, secretary and Loy Dale Clark, treasurer.

As of this writing, the freshmen have only chosen Arella Mosley as their president and Gwen Barber as vice-president. However, they will choose the rest as soon as possible.

The junior class is selling candy right now to raise money.

The candy is manufactured by Stuckey's and you may purchase a box by contacting any Lazbuddie High School junior.

THE NEW CLUB YEAR LOOKS GOOD.....Muleshoe Study Club officers look forward eagerly toward a year of study, service and good fellowship. Shown left to r, are Mrs. O.N. Jennings, federation counselor; Mrs. Horace Blackburn, president; Mrs. J.H. Farley, critic; Mrs. G.L. Splawn, 2nd vice-president; and Mrs. Pauline Benefield, 1st vice president. The Club started the 69-70 year with a breakfast Thursday morning at Corral Restaurant.

Study Club Breakfast Opens 69-70 Year

Mrs. Horace Blackburn, the president, presided at the first fall session of Muleshoe Study Club when the Club met at Corral Restaurant for a breakfast. Hostesses were Mrs. Les Bruns, Mrs. Joe Costen and Mrs. J.H. Farley.

Mrs. Douglas Du Bose offered the opening prayer and Mrs. Rufus Gilbreath led the group in the pledge to the Flag. Roll call was answered with "The Friend I Would Like To Be".

Mrs. O.N. Jennings, federa-

tion counselor, told the group the Federation president served as one of the judges in the Miss America contest.

The yearbooks were presented by Mrs. G.L. Splawn, second vice-president and Mrs. Blackburn gave a resume of the year's programs.

The Muleshoe Study Club is to be host to the Caprock District Board Meeting October 25, with approximately 150 women expected to attend. Discussion was held concerning the meal to be served. Mrs. Blackburn

announced Mrs. Lane Decker, district president, was to be in Muleshoe later the same morning to help make plans for the October 25 meeting.

Mrs. Jack Rennels, a guest, explained the DIANA award to be given to an outstanding Muleshoe area woman this year by ESA Sorority. She explained the award is new within ESA and the recipient can go into international competition.

Mrs. Blackburn reminded the women that the names of Mrs. Rennels and Mrs. Joe Pat Wag-

Miss Bullock, Mr. Weaver Pledge Vows

Miss Debra Ann Bullock of Muleshoe and John C. Weaver Jr. of Denver, Colorado, pledged wedding vows in a double ring ceremony performed at eight o'clock, September 13 in United Methodist Church of Muleshoe. Officiating minister was Rev. John Tims, pastor of Lazbuddie Baptist Church.

Parents of the couple are Mr. and Mrs. Wyle M. Bullock, of Route 1, Muleshoe, and Mr. and Mrs. John C. Weaver Sr., of Denver, Colorado.

The couple stood before altar decorations of candelabra with hurricane lamps, an arrangement of woodwardia, smilax and leather with a pair of large doves and other smaller doves, flanked by spiral brass candelabra and tree candelabra beneath two sets of conventional candelabra. Palms of woodwardia decorated the altar rail and an aisle cloth was used. Brass pew markers held hurricane lamps with unlighted candles, flowers and greenery. Windows

were decorated with three-tier candles, English ivy and other greenery.

Mrs. Wayne Hardage, organist, furnished traditional wedding music and accompanied Mrs. John Agee as she sang "Because"; Mrs. Pat Bobo as she sang "One Hand, One Heart"; and Mrs. Raymond Treider Jr., as she sang "Let There Be Peace On Earth". Mike Hunt closed the ceremony with "The Lord's Prayer".

Given in marriage by her father, the bride was gowned in an eighteenth century candlelight gown of Alencon lace and peau de soie. The molded bodice of lace featured a high ring neckline and full bishop sleeves were gathered to wide cuffs of lace. The bell skirt featured a vertical panel of lace in medallions and detachable chapel train which fell from the waist. She wore a matching mantilla of candlelight Alencon lace. The bridal bouquet was a cascade of Wobenabby roses, and English ivy, accented with pearls.

Miss Patricia Paryzek of Monot, North Dakota, was maid of honor. Bridesmaids were Miss Charlotte Smith of Greenville, Texas; Miss Aleene Embry of Amarillo; and Miss Xene Ingram of Comanche, Texas, cousin of the bride. Junior bridesmaid was Miss Elizabeth Weaver of Denver, Colorado, sister of the groom. They wore identical gowns of gold velvet featuring portrait necklines and long bishop sleeves, the molded Empire bodice accented with streamers of velvet ribbon. They carried bouquets of tangerine Fujii mums, accented with laurel, sea oats and wheat.

Ushers were Vance Wagon of Muleshoe and Joe Bullock of Lazbuddie, uncles of the bride; and Tommy Smith of Lazbuddie.

Candlelighters were Ronald Bullock of Lazbuddie, brother of the bride, and Timmy Smith of Lazbuddie.

Craig Hunt of Muleshoe carried the rings on a pillow of crushed velvet.

Best man was Wayne Jackson of Austin, Texas.

Groomsman were Richard Black and Bruce Hooper, both of Austin; David Bullock of Lubbock, cousin of the bride; Ronald Bullock of Lazbuddie, brother of the bride.

Ushers were Vance Wagon of Muleshoe and Joe Bullock of Lazbuddie, uncles of the bride; and Tommy Smith of Lazbuddie.

Mrs. E.W. Johnson of Muleshoe, aunt of the bride, regis-

Mrs. John C. Weaver Jr.

tered the guests from a table covered with a cloth made by the bride's grandmother, the late Mrs. George G. Johnson.

Following the ceremony a reception was held in Fellowship Hall of the church. Assisting in hospitalities were Mrs. Vance Wagon, Mrs. Earl Ellis, Mrs. Calvin Embry, Mrs. Bill Hunt, Mrs. John Agee, Mrs. Joe Bates Jennings, Mrs. J.H. Farley, Mrs. Leon Smith, Mrs. Raymond Treider Jr., Mrs. Frank Hunt, Mrs. Bill Johnson, Mrs. Jim Hudson, Mrs. J.C. Redwine, Mrs. J.A. Nickels, Mrs. Clarence Weeks, Mrs. Glenn Lust, Mrs. Alfred Steinbock, Mrs. O.D. Ray, Mrs. Gene Smith, Mrs. L.O. Norwood and Mrs. W.G. Harlan.

The bride's table was decorated with her cake, her bouquet, and silver candelabra with ivory candles and smilax, all on a gold cloth.

The groom's table was laid with a green cloth. Bundt cakes and dried fruits were served. Silver butane candles were accented with sea oats and pompons in the bride's colors of gold and green.

The parents' table was covered with a white cloth and centered with an arrangement of Enchantment lilies, Fujii mums and Peruvian lilies. All three of the tables were

accented with smilax. Smoked ham, turkey, stuffed olives and spiced pecans were served.

To the right of the bride's table was an arrangement in memory of the bride's maternal grandmother, the late Mrs. George Johnson, a memory candle in an engraved gold container, set on an antique fern stand.

The registry table was laid with ecru cutwork linen and decorated with a large candle on an antique candlestick of marble and brass.

Out of town guests were registered from Austin, Lubbock, Clovis, Friona, Bovina, Amarillo and Abilene.

The bride's traveling outfit was a raspberry silk and wool coat and dress ensemble, with accessories of burgandy. Her corsage was of garnet roses.

The bride is a graduate of Lazbuddie High School and Weaver is a graduate of George Washington high school, Denver, Colo. He is a member of Tau Kappa Epsilon social fraternity. Both will be returning to the University of Texas

where the bride is a senior economics major and Weaver is a senior studying electrical engineering.

The couple will be at home at 407 East 45 Street, Austin, Texas.

A rehearsal dinner for fifty was given September 12 at Holiday Inn banquet room in Clovis by Mr. and Mrs. John C. Weaver Sr. The long tables were decorated with English ivy and candles, and at the head table was an arrangement of Fujii mums, English ivy and gold pom poms. Mike Hunt, organist, furnished dinner music.

Brunch Honors Miss Bullock

Mrs. E.W. Johnson honored her niece, Miss Debra Bullock, and her bridal attendants and their mothers Saturday morning at an eleven o'clock brunch in her home.

The guests were seated at small tables centered with manzanita branches of gold from which hung party favors for the guests, white lace cutwork bells decorated with English ivy and tiny doves and accented with pearls.

The buffet arrangement was of fall flowers in the bride's colors of gold, orange and green in a gold pedestal bowl.

Attending were Mrs. G.K. Bullock Sr. of Petersburg, the bride's paternal grandmother; Mrs. George Johnson of Muleshoe, her aunt; Mrs. Harold Pruitt and daughter, Leah of Hobbs, N.M.; Mrs. Earl Ellis of Rusk; Miss Patricia Paryzek of Minot, N.D.; Miss Charlotte Smith of Greenville, Texas; Miss Aleene Embry of Amarillo; Mrs. Calvin Embry of Muleshoe; Miss Zene Ingram and Mrs. Tommy Ingram, of Comanche; Mrs. John C. Weaver Sr. and Miss Elizabeth Weaver, of Denver, Colorado, mother and sister of the prospective groom; Mrs. Wyle Bullock, mother of the honoree; and Miss Bullock.

Llano Estacado Civic Club Hears Style Show Reports

Llano Estacado Civic Club met Tuesday evening, September 9, in the home of Mrs. Henry Stoneham, with Mrs. Monte Dollar serving as co-hostess with Mrs. Stoneham.

Reports were heard from the style show held September 5. A total of 250 persons attended the show and approximately \$175.00 cleared from the show.

Refreshments of finger sandwiches, relishes, chips and dips were served by the hostesses to Mrs. John Neil Agee, Mrs. Gary Mack Brown, Mrs. Eugene Howard, Mrs. Lee Kimbrough, Mrs. Richard Hawkins, Mrs. Buddy Black, Mrs. Ronnie Black, Mrs. Jerry Gleason,

Mrs. Ken Angeley, Mrs. Bud Gilliland and Mrs. Eugene Hawkins.

The next meeting, October 14, will be in First National Bank. Dr. Charles Lewis will discuss the care of children's teeth.

Music Teachers Begin Season

The Muleshoe Music Teachers Association will meet Monday, Sept. 15, 1969, in the home of Mrs. Gill Lamb, 1815 W. Ave. H., at 8:00 p.m. It will be the first meeting of this fiscal year for the association.

The program will start with a short business meeting. Music for the up-coming ensemble will be discussed. All members are urged to attend.

Special guest for the evening will be Mr. Ferrell Roberts, Clovis, New Mexico. He will present a program on Teaching Contemporary Music Creatively. The association feels very fortunate to have Mr. Roberts with us, and would like to share with you some of his accomplishments. Mr. Roberts has undergraduate and graduate study in applied piano, organ and theory at Eastern New Mexico University, with additional graduate study in advanced organ at the University of New Mexico.

He holds a Bachelor of Music degree in applied piano from ENMU, and will receive his Master of Arts degree in applied piano at the next commencement exercises.

While doing additional graduate study in organ at the University of New Mexico, Mr. Roberts held a teaching assistantship with the Department of Music there.

Also, during the summer term at ENMU, he was employed by the vocal department of the ENMU School of Music as accompanist for the summer musical production of "The Unsinkable Molly Brown".

A member of the Clovis Music Teachers Association, he is serving as its president. He is also a member of the New Mexico Music Teachers Association, Music Teachers National Association, and National Association of Organ Teachers. He holds a professional certificate from NMMA.

Wedding selections were played by Mrs. Mack Moore and Rev. Mack Moore sang several songs.

Following the ceremony a reception was held in the backyard of the Pool home for about thirty five family members and neighbors. The serving table was decorated with a five-place hurricane lamp of white wrought iron, with garden flowers and pink roses.

The groom is employed by Missouri Packing Company, Friona. They will live in Muleshoe for the present.

DeShazo P-TA Meets Monday

Mary DeShazo Parent-Teacher Association will hold their first meeting of the year Monday, September 15. Hospitality time will begin at 3:45 p.m. in the school cafeteria.

Mrs. Walter Bartholf, program chairman, will introduce entertainers. Teachers will be introduced by Principal Bill Taylor and Mrs. Creston Faver, P-TA president, will introduce the parents.

Latin and Negro parents are especially invited to attend this meeting, said Mrs. Faver.

Mrs. Tinney, Mr. Hadley Wed

Mrs. Rosemary Tinney of Muleshoe and Roy Lee Hadley of Friona were married September 5 at 8:00 p.m. in a quiet ceremony in the home of the bride's parents, Mr. and Mrs. Lee Pool. Rev. Douglas DuBose, pastor of First Baptist Church of Muleshoe, was the officiating minister.

The bride wore a blue street length dress and carried a bouquet of white roses on a Bible. Her only attendant, Miss Joyce Adams of Muleshoe, wore a pink street dress with pink rose corsage.

Jimmy Schilling of Friona was best man.

Wedding selections were played by Mrs. Mack Moore and Rev. Mack Moore sang several songs.

Following the ceremony a reception was held in the backyard of the Pool home for about thirty five family members and neighbors. The serving table was decorated with a five-place hurricane lamp of white wrought iron, with garden flowers and pink roses.

The groom is employed by Missouri Packing Company, Friona. They will live in Muleshoe for the present.

Bobby Wied Discusses Color For Artists

Music Teachers Plan Work

Muleshoe Art association held their first meeting of the fall season Tuesday evening in the community room of First National Bank, with the president Rhea White, presiding. Frances Steagall brought before the Association an invitation from Mary Mitchell of Amarillo to have the Association hang 45 pictures in the Western Plaza Shopping Center in Amarillo for January, 1970. The club voted to accept the invitation.

Yearbooks were given out. The programs for the year will include guest artists from Lubbock, Portales, Amarillo, and Plainview, and the group will make one field trip.

Bobby Wied of Friona, an art instructor in Friona Junior High School, spoke to the group on the use of color.

Three guests and 27 members heard the program. They were: Visitors, Frances Steagall, Jean Badger and Mrs. Tim Murray of Rotan; members, Bernice Amerson, Dana Arnold, Beatrice Blackburn, Jimmy Briggs, Lynn Campbell, Sandra Chancey, Velma Davis, Sybil Erickson, Kitty Gallman, Zona Gatewood, Ruth Hammock, Mattie Hicks, Pauline Jamison, Marie Lenau, Jo Addine Mayhugh, Clara Mounts, Ada Murrain, Fern Gilbreath, Mildred Neely, Hazel Nowell, Juaree Smallwood, Jackie Smith, Myrtle Steinbeck, Rhea White, Dorothy Wood, Vicki Young, and Mildred Williams.

Pleats are popular—all around or side pleats for skirts which continue to be short.

Muleshoe Music Teachers Association officers attended a coffee Wednesday morning at nine o'clock at Corral Restaurant for the purpose of organizing the year's programs and work, but especially concerning the ensemble to be presented.

Meeting places and hostesses were assigned for the year. The first regular meeting of the year will be September 15 in the home of Mrs. Gilbert Lamb.

Attending the coffee were Mrs. Lamb, Mrs. Sam Damron, Mrs. A.M. Bradley, Mrs. Jimmy Milner, Mrs. Sam McKinstry, Mrs. Elbert Hamilton, Mrs. W.T. Watson and Mrs. E.H. Kennedy.

Thespians Prepare For One Act Plays

By Joe Duke, Reporter
This year the Thespian Organization is putting on 3-one-act plays. These will be presented October 21 at 7:45 in the high school auditorium. The price will be 75 cents per ticket. You can obtain these from any member of thespians.

The first play is "The Doctor in Spite of Himself". It is a lighthearted comedy about a doctor who is well, in spite of himself! It's so funny you'll be rolling in the aisles. The cast members are Dana Cockrell, Rebecca Phelps, John Garth, Jim Mardis, and Delton Bass.

The second play, "The Balcony Since" is about a man witnessing his own funeral. With the man there is another person watching also. It might be the devil or it might be an angel. Which do you think?

The cast members are: Steve Woodard, Joe Duke, Martha Chapman, Greta Bamert, Nora Webb, Gary Harris, Bobby Henderson, Jolene Rempe.

The third and final play is

entitled "Early Frost". It is a play with mixed emotions for its audience. It goes from a degree of comedy to tragedy and back again. But with a startling ending.

The cast members are: Pam Morphis, Betty Harbin, Donna Woodard, Dana Damron, and Lew Ann Cole. A very essential part of any play is its stage crew. This year these are: Sam Feagley, Perry Hall, Morphis and Brenda Tiller. Our stage director is Leland Ferris.

Student Council On the Move

Lealand Ferris, president of the Student Council, called a special meeting the first day of school to officially start Howdy Day. All members of the Student Council were given 50 ribbons and a white hat button. Every student seeing this button would simply say "Howdy" and receive a ribbon.

The boy and girl who received the most ribbons at the end of the day were declared King and Queen of Howdy Day.

'HOWDY DAY KING AND QUEEN: Pictured here are the 'Howdy Day King and Queen'. From left, Leland Ferris, president, Student Council; Lana Moore, 'Howdy Day Queen,' Sam Feagley, 'Howdy Day King,' and Betty Harbin, secretary of the Student Council.

Students Attend Several Contests

This past summer "Mighty M" band members prepared for the upcoming school year. The Muleshoe High School band was represented in various places.

The summer began with those members eligible for the state solo and ensemble contest. Those who attended were Treena Bryant; tenor sax solo, Nelda Finley; flute solo, Becky Sain; flute solo, Ann Douglass, Debbie Burrows, Darrell Wilson, and Doris Horsley; french horn quartet. These students made a superior rating last year which qualified them for this contest.

Many students attended band camps at West Texas State University, Texas Tech, and SMU. Those who attended WTSU were David Bickel, Marsha Johnson, Karen Mayhugh, Melanie Precure, Rickie Stockard, Carolyn Wedel, Cynthia Wrinkle, Darrell Wilson, and Lee Ann Yerby. The students who attended Texas Tech band camp were Monica Griffiths, Marilyn Pool and Cynthia Gable.

Our twirlers for 1969-70 attended SMU, they were Tanya Cherry, Monica Griffiths, Pattie Camp, and Marilyn Pool. The band as a whole began their summer band practices in August. They learned many

new pieces of music. We have worked very hard during the summer improving our band. The band will do their best to make this year the best.

DECA Names Class Officers

By Devona Bradley
Monday, September 8, the Muleshoe Chapter of the Distributive Education Clubs of America met in the high school auditorium to elect officers. These officers are: President-Rick Bomer; Vice-President-Wald Griffin; Secretary-Treasurer-Priscilla McCaig; and Reporter-Devona Bradley. Bill Goodwin was appointed parliamentarian by the president, D.E. co-ordinator and sponsor is Ronnie Upton.

Lex Ginn read the Code of Ethics for all DECA functions to the club for approval. They are as follows:

1. No drinking of alcoholic beverages will be permitted at DECA functions.
2. No smoking will be permitted at DECA functions.
3. Dates for DECA functions shall be confined to within the club unless given permission by the club to bring someone outside of DECA.
4. The school dress policy will be followed at DECA Functions unless otherwise stated.

Administrators Speak At MHS Assembly

Wednesday, Sept 3 the student body at Muleshoe High School met in the auditorium for the first assembly of the year. Mr. Neal Dillman, Superintendent of Muleshoe Schools spoke first. Mr. Dillman welcomed all students back to school. He reminded us what a great privilege it was to be able to go to school and live in a free country. The next speaker was Mr. Tom Jinks, principal at Muleshoe High School then spoke. Mr. Jinks extended a hearty welcome to all new students of Muleshoe High School. He also recognized all students who participated in school projects during the summer.

Mr. Wayland Ethridge was then introduced as assistant principal. He reminded the students of some of the rules and regulations of the school. He also went over what to do in case of emergency.

The last speaker for the morning was Lealand Ferris, president of Student Council. Lealand briefly outlined his plans for the on-coming year.

This year at Muleshoe High School looks to be the most rewarding ever.

Mr. Tom Jinks, principal at Muleshoe High School then spoke. Mr. Jinks extended a hearty welcome to all new students of Muleshoe High School. He also recognized all students who participated in school projects during the summer.

MHS Students Tell of Summer

Sam Feagley

Sam Feagley returns from summer in California.

My summer started with the awards assembly when I received the Southwestern Public Service Award. This award consisted of accompanying Mr. Eric Smith to Austin to attend the Nuclear Physics Symposium. Here I attended lectures and social affairs for four days.

Two weeks after I returned from Austin I left for Humboldt State College in Arcata, California. The HSC program in oceanography, marine biology, and math was sponsored by the National Science Foundation. During this program, 62 selected Sophomores and Juniors attended classes and lectures six days a week from 8:00 a.m. to 11:00 p.m.

In oceanography the uses of instruments such as the Nansen bottles and plankton nets, were demonstrated to us. We were allowed to put these into actual use on the "Sea Gull", the 38 foot oceanographic vessel of HSC, on our two excursions.

During marine biology we took field trips to different parts of the sea shore including semi-protected shores, mud flats, and rocky shores. At each one of these places we collected specimens to be brought back to the lab for observation.

As for math we proved theorem after theorem pertaining to matrices, groups, and many more subjects.

Not all was work though. On Sundays we enjoyed going to the beaches and we even had recreation periods everyday in order to let out our frustrations.

This beautiful six weeks started June 22 and ended August 2. My only regret is that I didn't learn all that I was exposed to.

As the first of September arrives, and the busy days of school returns, one can look back on the summer, and marvel at how fast it went. Or at least this expresses my feelings about this past summer. It's been a wonderful three months for me, in more areas than one. I'd like to relate to you some of the experiences I've had.

During the last part of the school year, and two or three weeks into the summer, I had the opportunity to work at Higginbotham-Bartlett's hardware store downtown. I enjoyed this immensely; it gave me good work experience and the chance to learn more about public relations.

We of the Methodist Youth Fellowship picked the dates July 14, 15, and 16 to take our annual ramble. This summer we went to Fort Worth and attended Six Flags over Texas. We spent the two nights in Ayle, Texas, where we slept in specific rooms of the Methodist church. This alleviated the problem of motel fees. We all had a great time at Six Flags the 15th. We returned the 16th. Transportation was graciously provided for by Mr. and Mrs. Bill Jim St Clair who let us borrow their "bus," and by Mrs. Ed Moore.

Another highlight of my summer happened July 20 - August 2, when I attended the summer speech workshop at Stephen F. Austin State University in Nacogdoches. Besides learning a great deal in debate and gaining invaluable information on this year's resolution, I had a lot of fun and met a lot of great people. At the end of the session, I was given a beautiful pink satin jewelry box by the girls of the workshop for being

As a summer rolls around each year and school ends, I just naturally want to get out-of-doors and start doing the everyday out-of-doors things. That's what I did this past summer.

Can you imagine being able to enjoy working in the yard or washing a car? Well, this summer, more than any other summer, I felt the value of being outdoors. For the first time I could see the real beauty of things Mother Nature had set on earth that I really had taken for granted before.

Actually, I spent most of my leisure time at the City Pool. I got more enjoyment out of seeing my friends and swimming than any one person would ever believe.

Also, I went to Lake Texoma for eleven days with Sharon Martin and her family, the

"Miss Congeniality." I was very proud of this "award." My partner, Betty Harbin was acclaimed as number one debator and number one extemporaneous speaker at the awards assembly held the last morning. So the workshop proved to be quite beneficial for both of us.

The last week before school started, my family and I went to Ruidoso, New Mexico, where we stayed four days. While there, I shopped, rode horses, played miniature golf, attended the local dances, and went to the horse races. We all had a marvelous time, and although we've been to Ruidoso before, it's always fun to go back.

It's been a summer of improvement for me in many ways, and also a summer of fun. I will look upon it always with fond memories.

Looking forward to my junior year, my summer was filled with anticipation and excitement.

Scout Workers Attend Workshop

A service team of Muleshoe Girl Scouts attended a workshop Tuesday in Lubbock. The morning session included a film and discussion of problems incurred by different troops. Following a sack lunch and fellowship, ways of solving the problems were discussed, along with ways to better troop relations and aid to troop leaders.

Mrs. Askew, Mrs. Splawn Visit Oregon

Mrs. Arthur Askew and Mrs. Howard Splawn, flew to Medford, Oregon August 23 for a weeks visit with their daughter and sister Viva Lewis and other relatives. While there Mr. and Mrs. Virgil Stokes and daughter Vada flew up from Riverside, Calif. to be with them. They all went to the coast at Crescent City, traveling through the famous redwoods.

On their return trip they had a six hour layover in San Francisco, where they were met by the former Margaret and Moyna Mae Tucker. They were taken to the home of Mr. and Mrs. Cecil Tucker in Vallejo. Also visiting in the Tucker home were Mrs. Tucker's parents, Mr. and Mrs. Moore and daughters Lavelle and Eva. The Moores formerly lived on the Johnny McMurtry ranch south of Muleshoe.

Upon her return to Muleshoe, Mrs. Splawn was disappointed to find that her daughter and family, the Bill Calverts, were not here and were not coming. Bill has obtained a job in Birmingham, Ala. and the family has already moved there. Pam advised they do not have their furniture and clothes completely restored from effects of Hurricane Camille.

Judy Lambert Weekly Queen

Jenny TOPS Club was called to order Thursday evening by Leader Mabel Wolfe. Weight recorder Selma Redwine called the roll for 29 members who reported their gain or loss. Seven members sat in the pig pen. A total of 22 pounds was lost.

Weekly Queen was Judy Lambert. First Runner-up was Rose Sain and second runner-up was Mabel Wolfe.

A new weight losing contest has been started, with the membership divided into five groups and in competition with the other groups. The contest is to end November 30. The winning team, the one with most points, will receive the money tree. One point is given per member for staying for meetings; one point for each member contacting her pal and one point if the pal

Hear Ye, Reporters, Hear Ye

You are VIPs, both to the Journal and to the organization you represent. If your organization keeps a scrapbook it is YOU who determines whether it is a waste of time and effort, or a real prize winner.

Far too often persons are appointed or elected to serve as reporters because they are unwilling to accept more than a token amount of responsibility. If this is your feeling, you would better serve your organization by refusing the office.

Realizing the vast amount of money spent for advertising on all the various media, it should be evident that advertising can be the means of promoting nearly anything, good or bad and that it can be used to promote the activities of your particular interests. Lack of sufficient advertising can cause the public to feel your organization is dull and a do-nothing, thus enhancing the idea that it is not worth belonging to.

The Journal has more than thirty organizations who will be reporting to the Society reporter, regularly and promptly, we hope. People "go back to work" in the fall and organizations will resume meetings. In addition to the organizations, there are more parties, weddings and happenings during school months.

are deadlines set for Society news. This is because it is not physically possible to complete the many processes the news must go through before becoming a finished paper any other way (and some days that does not seem possible, either). We appreciate reporters who bring in neatly typed reports but if your bringing or mailing it in that manner delays it so that it must be run in a later paper, it would serve your organization and the Journal better if you would pick up the phone and give your report by that means.

It would be helpful and perhaps might prevent a conflict if you will make an appointment for any pictures you may wish taken, as early as you know about it.

In reporting a meeting, newspaper writing prefers husband's names rather than first names of women. (We don't like to make widows or divorcees out of our married friends).

If there is a speaker, give us some of the most salient quotations from his talk, what he tried to leave with his audience, what the meeting was really about.

Newspapers have many problems concerning where and what and how much space there will be, and the ads must run whether there is room for the copy or not. Each paper pub-

By Mrs. J.D. Bayless

Mrs. J.D. Bayless received a telephone call Friday night from their daughter, Mrs. Cleo Hall that they had returned safely to their home at Phoenix, Arizona. Mrs. Hall and two children, Kenny and Sherry had been in Texas the past eight weeks helping out while her mother, Mrs. J. D. Bayless was getting over her fall June 13. Mr. and Mrs. Joe Millsap drove to Borger, Saturday to be with her brother, Hugh An-

erson as he celebrated his birthday. Dinner guests in the home of Mr. and Mrs. E. F. Campbell Sunday were their daughter, Mr. and Mrs. J. T. Waldrop of Andrews. Her parents celebrated their 57th birthday Sunday. A.J. Wallace has been a patient in the Methodist Hospital in Lubbock the past week. Richard Nichols spent from Tuesday till Friday with his friend, Brent George in Lubbock. Mr. and Mrs. Morris Peterson of Brownfield, are the parents of a baby son, Jeffrey Scott, he was born August 27, at 9:45 p.m. He weighed 9

pounds and was 23 inches long. This is the first grandchild for the W.B. Petersons and the second for the Marion McDaniels. Elton Byars visited with his sister recently in Nebraska. Visiting in the home of Mr. and Mrs. J.C. Pearson Monday August 25-27 was his cousin, Mr. and Mrs. Robert Gallegher of Grapevine.

Miss Myrlene Nichols visited her mother, Mrs. L.E. Nichols over the weekend. A birthday dinner was at the home of Mrs. L.E. Nichols Sunday in honor of her daughter, Myrlene Nichols of Lubbock, her birthday was September 1, and a son Gary of the home had a birthday September 7. Mrs. Nichols birthday was September 8, other guests were Mr. and Mrs. Dale Nichols and family and Mr. and Mrs. Quinton Nichols and family.

Bailey County Uses Grain As Cover Crop

Cover Crops in Bailey County are primarily small grain crops that occupy to land for a period of less than a year. They are used to provide a protective vegetative cover on areas subject to wind or water erosion during periods when the major crops do not furnish adequate cover. Sometimes they are used to maintain or improve the physical, chemical and biological condition of the soil.

The most popular cover crops in this area are small grain crops such as wheat, barley and oats. Wheat and rye are normally drilled anytime from August through November at 30-45 pounds/acre. Barley and oats are drilled from Jan. through March at slightly higher seeding rates. Grazing of cover crops has become very popular as the feed lots increase in number in the Panhandle. Under dryland, these crops are stocked from Nov-May at the rate of 2 acres per head. Irrigated crops are stocked from Oct-May at about one animal per acre. The Soil Conservation Service reminds the farmer of the purpose of the cover crop--to protect the soil from erosion. For adequate protection of the soil, no more than 50 percent of the growth should be removed from the cover crop.

SCIENCE and GOD

Not too long ago, a man determined from accounts in the bible that oil could be found in certain areas of bible lands . . . now this country is rich in oil wells. In the past, vigorous arguments arose between some scientists and bible scholars, however with the passing of time, new discoveries in science have helped us to have a better understanding of God's word and now most scientists and bible scholars are in accord. God's word has not needed to be proved, for it will stand forever. "For the earth shall be filled with the knowledge of the glory of the LORD, as the waters cover the sea." ATTEND CHURCH AND STUDY GOD'S WORD.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
