## EXPLAINS DEMONSTRATION WORK

Miss Ruby R. Fincher, Lady Demonstrator for Farmer and Deaf Smith Counties, Gives Outline of Work

The United States Department of Agriculture co-operating with Texas A. and M. College, has made it possible, with an appropriation of funds from the county, to employ a person who will devote her time to the study of the problems of the people of that particular county. I have been appointed to act in the capacity of Home Demonstrator of Deaf Smith and Farmer counties. I have been here only a short time and have met a great many of you ladies, but not so many as I would like to. I hope that you will not wait for me to look you up individually, but will feel no hesitancy in calling me at any time. If you have yet some canning and you would like some private demonstrating, I should be glad if you would notify me. That's what I am here for to help you with your problems.

Home Demonstration work is now being carried on in some thirty of our counties, I believe, throughout the State. But that does not signify that the work is carried on in the same manner, for that is impossible, because of difference in localities, density of population and crop production. But we have found that we can come in contact with, and reach people more effectively by organization of clubs. Let me state here that some people have an erroneous idea that an admission is charged for membership in these clubs. There is no admission charged and everyone is invited to join. In these clubs we wish to take up first, the canning. Then as winter comes on and fruit is not available we will take up the various phases so closely related to home life, for instance, Domestic Science, Domestic Art, Sanitation, Dairying or the care of milk, and Poultry Raising. There will be a certain number of meetings a month and we hope to make the work just as profitable as possible. There will also be clubs for the girls, but will not be the advanced work. Prizes will be offered to the girl who makes the best report at the close of the year. One of the largest prizes ever yet offered is the scholarship to the College of Industrial Arts, Denton Texas by Miss Mary E. Breck-

enridge of San Antonio amounting to three hundred dollars every year until the girl has completed the college course required. This is a prize all energetic, hard working girls should strive for. And some deserving girl is going to get this scholarship. Are you going to get it?

Let me again mention the fact that I want to, and am anxious to meet you ladies and I hope you will call me over the telephone, or letter, call around to see me at Mrs. W. G. Ross's.

Ruby R. Fincher,  
Agt. Home Demonstration Work.

### Field Selection and Care of Seed

Demonstration proves that intelligent selection of kafir, milo, feterita and sorghum in the field for seed, increases the yield fully one-third, as compared to the methods in common use.

As most farmers know, the crops here mentioned belong to the sorghum family and that they therefore mix when grown side by side. By reason of this fact, the purest and best seeds are found in the center rather than at the edge of the field, where closely related crops are grown. Select heads well shaped and compact, rather those that are loose and open of the "broom corn" type.

In kafir heads, the main stem or mid-rib should have several joints or seed bearing stems, and should extend well toward the top of the head. Their seed bearing stems should be short and well filled with seed.

Heads of all the crops named should be selected from the medium sized, thrifty stalks, rather than from those that are oversized, or abnormally large. Isolated stalks, grown far apart from other plants, are not the ones from which selection should be made, even if the head does appear attractive. The good head produced under field conditions, where surrounded by many others, is far better.

Do not select heads that may happen to grow near volunteer of chance stalks of any other members of the sorghum family, as they are likely to be mixed.

In all this southwestern country, earliness is desirable, and it will there be found advisably to mark the first heads appearing in the crop with a string that can be easily seen so that they may be selected for seed when the crop matures, other things being equal. Be careful to

select heads extending well out of boot.

Heads should be selected from the field as soon as fully matured, cut with stems only sufficiently long to be tied together and hung from rafters or other convenient places, or they may be placed in gunny sacks and suspended as above indicated. These seeds should be kept in the head until nearly planting time, when they should be threshed by hand. Care should be taken to protect seeds from rats, mice and birds, or insects.

Yours very truly,  
H. M. Baizer,  
Agricultural Demonstrator.

### Miss Griffith Resumes School Work

Miss Millicent Griffith passed through Hereford, Saturday enroute from Canyon, where she has been attending institute, to her school home at Dimmitt. Miss Griffith has spent the summer traveling and sight seeing. She visited the expositions, Los Angeles, and Salt Lake City besides many of the coast cities, and intervening points of interest. Then going eastward she spent several weeks with home folks in Chicago, later visiting her birthplace in Ohio. Now she is again ready to take up her school duties with enough enthusiasm and inspiration for the entire county. Her delightful trip will doubtless, mean much to the young people who are fortunate enough to be enrolled with her this year.

### Likes the Panhandle

Mr. O. H. Reeves, of Greencastle, Indiana, who has been here for some time looking over this section returned to his home Wednesday. Mr. Reeves has some land in the Spring Lake country.

He took with him some samples of corn from a field near Spring Lake. One stalk had two very large ears.

Mr. Reeves says they are coming back here this fall to settle. He says he lived in Illinois to see land go from \$6 to \$250 per acre. And that this land will go higher when properly farmed.

He says the people in his country still think that what they learned in the school geographies forty years ago about this being a Great American Desert is true.

### Baptist Church

Rev. E. J. Conkright will fill the pulpit at the Baptist church Sunday morning and evening.

Mr. Albert Bell came over from Black Wednesday.

### The Hereford Brand

In a four section, thirty-two page edition of the Hereford Brand, the editor, B. F. Guthrie, proves three things:

That he is a real newspaper man;  
That he is publishing a real newspaper;

And that Hereford must be one of the liveliest, if not the best, town in the Panhandle.

The Booster edition that has just come to the exchange desk of the Daily News is one of which any newspaper might be proud. In matter and make up it is a model, pleasing to the eye and interesting from the first to the last page.

The edition is admirably significant of the actual and potential greatness of the Panhandle country—particularly of that portion of Texas about Hereford—and the whole Panhandle is indebted to Editor Guthrie for a splendid and convincing advertisement.

"You'll like the Hereford Country. Where nothing Knocks but Opportunity," says Editor Guthrie full across the top of his front page.

We not only believe it; we are convinced.—Amarillo Daily News.

### Made in The Texas Panhandle

The Hereford Brand is out with a big booster edition. It tells the advantages of the Texas Panhandle. It declares that "Hereford is a Mighty Good Place to Live in." The edition was made in the Texas Panhandle. It is a credit to the Panhandle brains. It is a credit to Panhandle enterprise. The Daily Panhandle congratulates Editor Guthrie on the edition.—Daily Panhandle.

### Prominent Newspaper Man Here

Frank E. Burkhalter, managing editor of the Waco Morning News, and one of the best known newspaper men in Texas, is here visiting his brother, H. P. Burkhalter. The Record was pleased to have a fraternal call from Mr. Burkhalter yesterday. He is taking a brief vacation and incidentally advertising the Waco Cotton Palace celebration to be held Nov. 6th to 21st.—Vernon Record.

Mr. Burkhalter was in Hereford for a few days visit with his brother, Jerry, of the First State Bank, the first of this week.

If you don't attend the Demonstration at W. E. Dunlap's Hardware store next Thursday, Friday and Saturday you'll regret it.

### Kills Big Eagle

Mr. W. M. Watson was exhibiting an eagle around town last Friday morning that he had brought down from its flight by his unerring marksmanship. It measured 6 feet 7 inches from tip to tip of wings. His talons were like the irons on a big grab hook, and its thigh was like a mule for strength and hardness. It was killed on the road from Dimmitt to Hereford. The eagle was sitting on a telephone pole and they turned their car toward it but the bird flew when they were some 200 yards away but they drove swiftly enough to get within seventyfive yards when the third shot brought it down.

### Returns From Market

Mr. and Mrs. Earl Wilson of the Fair returned last week from an auto trip to Dallas and other points. Mr. Wilson spent several days buying for his fall stock while gone. They report a pleasant trip. On the going trip they drove from here to Sweetwater the first day.

Mr. Floto, representing a commission house in Kansas City, was in Hereford Wednesday.

### HEREFORDS TO MIDLAND

Three of Deaf Smith's Pure Bred Herds Represented at Fair

Messrs W. T. Wemble and G. R. Joel of this city left Tuesday with a car of cattle from the Pure Bred Hereford Herds of G. R. Joel, W. T. Wemble and Mrs. L. R. Bradley, for the Midland Fair.

Deaf Smith County is fast coming to the front as a leader in pure bred cattle. There are no better herds in the Panhandle than those from which this load was taken and they will surely bring some blue ribbons back with them.

### Leaves for Austin and San Antonio

Mr. W. B. Dameron left Wednesday for Austin and San Antonio to be gone several weeks.

Mr. Travis Dameron and sister, Miss Francis, will leave this week for Austin where they will enter the University.

Mr. Dameron will take a regular course, and Miss Dameron will take special work.

Mr. J. D. Thompson left Wednesday for a business trip east.

The Brand has a number of extra copies of the Booster Edition. Don't you want to send a few to your friends in other states? Remember, it will be read by several people besides the one you send it to. What we have left we will sell at 5 cents per copy; 6 for 25 cents while they last. Just the cost of the paper and ink. All you have to do is to give us the names to whom you want them sent, and we will mail them out and pay the postage. Only a few left.

# High Grade Pianos and Player Pianos

Just recently we unloaded another car of fine Pianos and now have them on display on our floor. We want you to see them.

## GENUINE PIANO BARGAINS!

We are offering them to the public at a saving of from \$50 to \$150. Saving money on the purchase of a piano is an important item. Why spend a large sum of money for an instrument when you can obtain a thoroughly dependable and highly artistic Piano at a reasonable price and on easy terms. Eventually you expect to buy a good one, why not now?

Call and let us demonstrate to you our Pianos and Piano Players.

E. B. Black Co., - Hereford

## Society and Club News

Recent meetings of the U. D. C's. have been full of interest, the meeting with Mrs. Edgar Johnson, being especially enjoyable. The regular program was supplemented by a vocal solo, "Silver Threads Among The Gold," sweetly sung by Miss Mabel Betts.

Mrs. T. M. Parmer was hostess at Friday's meeting, which was purely a business session.

Plans for the winter's work were formulated in the discussions of which, the Chapter was enthusiastically interested.

One of the pretty parties which the younger folks have enjoyed recently was given at the home of Mr. and Mrs. J. B. Miller, when Mrs. Miller entertained a number of the friends of her niece and nephew, Miss Merrill Granger and Master Homer Lee Vaughn. The pretty rooms were fragrant with flowers, potted plants, sharing honors with great bouquets of summer blossoms. Funch was served from a charmingly decorated table, presided over by Miss Granger.

A variety of games sped the hours quickly and merrily, and later sherbet and assorted cakes were served to about twenty guests.

On Saturday evening Mr. and Mrs. A. B. Schultz welcomed to their hospitable country home, their immediate friends and neighbors as well as a large party of Hereford friends, in all, a company of perhaps, forty guests.

Children, young people and older ones, forgot the diversity of ages and joined heartily in the various games which provided the jolliest sort of entertainment.

At a late hour refreshments consisting of chocolate and angel food cake, and ice cream, made from the celebrated College Dairy cream, were served. The occasion was, indeed, one of unalloyed pleasure.

The Bay Views held an important meeting Thursday at the home of Mrs. A. C. Elliott, the full outline of the year's work being completed.

The interest shown in perfecting plans, and in deciding upon the course of study to be pursued, augured well for the work of the year.

While this meeting contained much of business routine, it was nevertheless an exceedingly pleasant social afternoon.

### Mothers' Club

The Mothers' club met in social and business session, with Mrs. Kibbe Tuesday afternoon.

Mrs. J. S. Jones read an especially fine paper on the subject, "The Mother's Rights." This was followed by an animated discussion on the subject, "Reasonable liberty for the Child in the Home."

Mesdames Barnett and W. L. Boys were guests of the club.

The hostess served tempting refreshments of cream and cake.

### Millinery Opening

"Opening day" in either of Hereford's up-to-date millinery stores, is an event anticipated with interest and pleasure by ladies young and old, and the eager crowds that thronged the parlors of both Mrs. N. C. Vogeles and Mrs. T. N. Heifner on last week, gave evidence that the events were fully up to expectations.

Mrs. Vogeles made no attempt at anything unusual in the way of entertainment or decoration but her exquisite line of seasonable millinery was artistically arranged and was very attractive. The last word in shapes, materials and trimmings made up the beautiful display which was so courteously shown by Misses Una Norton and Bess Mitcheson.

Mrs. Heifner's parlors were effectively decorated with potted plants arranged to bring out to best advantage the wonderful colorings and textures which combined to make those bewitching creations which the fashion centers have just sent out.

Each window contained an im-

mense vine-covered pedestal, beautiful, amid its luxurious setting of the eastern market's latest contributions to millinery art.

At the door, each arrival was met by Mrs. S. B. Edwards, who presented the souvenirs—dainty pencil sketches, decorated with tiny blossoms tied with ribbon—and were ushered to the attractive table where punch was served by Misses Gladys Ivy and Mildred Cross.

In a charming cozy corner, bright with flowers and "homey" with easy chairs, a piano was placed and the delightful music furnished by Miss Roberta Nance was a much appreciated part of the entertainment.

In every model displayed, from the most elaborate to the most moderately priced, there was that charm of perfect color blending, and ideal adaptation of materials, together with a crisp newness which completed a combination especially appealing to eyes feminine.

The gracious and painstaking manner in which the attractive display was shown by Mrs. Branch Williams and Miss Ona Hammer made it the easiest thing in the world to select just the right hat.

It is a safe assertion that no more complete nor more up-to-the-minute stock of millinery could be found outside of the cities than is shown right here in Hereford's model shops.

### Trustee's Notice of Sale

Notice is hereby given that on the 5th day of October, 1915, between the hours of ten o'clock a. m. and four o'clock p. m., I, George Findlay, Trustee, shall proceed to sell at public outcry in front of the court house door of Deaf Smith county, in Hereford, Texas, to the highest bidder for cash, the following described property situated in Deaf Smith and Parmer counties, Texas, to-wit:

Six hundred and forty (640) acres of land out of Capitol Leagues number 443 and 448 and particularly described as survey or section number twenty-nine (29) township number two (2), north of range number four (4), east of a "Capitol Syndicate Subdivision" as shown by plat of such subdivision of record in the deed records of said county of Deaf Smith in the State of Texas, volume 19, pages 23-31, and in the deed records of said county of Parmer, in the state of Texas, volume 5, pages 394-403. Patented to Abner Taylor. Located about 4 miles south and 16 miles west of Hereford.

Said sale is to be made at the request of the Capitol Freehold and Investment Company, Limited the present holder of the notes herein-after mentioned, and by virtue of the authority conferred upon me by the terms of a deed of trust executed by William W. Shives, dated 4th day of November, 1908, and recorded in Vol. 13 and 5 pages 216 and 151 of the deed of trust records of Deaf Smith and Parmer counties, respectively, Texas, whereby the said William W. Shives conveyed to me, as Trustee, the above described property, for the purpose of securing the payment of certain notes executed by the said William W. Shives particularly described in said deed of trust, and the proceeds thereof will be applied to the payment of the balance due upon said

indebtedness, the expense of making said sale, and the remainder, if any, paid to the said William W. Shives, or his order, all in accordance with the terms of said deed of trust.

Witness my hand this the 7th day of September, A. D. 1915.

Geo. Findlay.

Trustee.

### Midland County Fair

The Midland County Fair and Fat Stock Show will be held at Midland, Texas, September 21st to 25th inclusive. There will be polo games, broncho busting, grand fireworks display every night, big race program everyday, with free amusement attractions in front of the grand stand. The T. B. R. Ranch Wild West and Hippodrome Shows, with all kinds of amusement features, will entertain the public throughout the week.

September 21st will be Woodman Day, at which time U. S. Senator Morris Sheppard, the well known Orator and Woodman, will deliver an address. A general invitation is extended to all Woodman Camps to be present.

September 22nd will be Frontier Day. There will be mammoth, free barbecue at noon. Among other attractions at night, will be a camp fire, around which the cowmen will gather to listen to short talks by "Old Timers". There will be also an Old Fiddlers' Contest combined with an Old Fashioned Dance contest. All old fiddlers and the boys who can still "shake their feet" are urged to come.

September 23rd will be Auction Day. On this day there will be a combination sale of fifty (50) regis-

tered Hereford cattle, offered by all of the best breeders of the Southwest. The Sale Catalog is now ready to be sent.

September 25th will be Midland Derby Day, the big race day of the Fair.

September 25th will be School Children's Day, when all school children of Texas, accompanied by their parents, teacher or guardian, will be admitted free.

Midland has the largest and finest cattle and live stock show outside of the Fort Worth and Dallas shows. This Fair and Fat Stock Show is held in the interest of the development of all West Texas, and we recommend it to the interest of our readers.

**End Came to Oklaunion Planter Following Mistake in Drinking Acid—Buried in East View**

Last Friday morning shortly after three o'clock death came to I. M. Smith, prominent planter, land owner and capitalist at his home near Oklaunion, as a result of his having drunk muriatic acid by mistake on the preceding Tuesday morning.

Though coming as a shock to the community, the end had been expected, as little hopes were held out for his recovery by attending physicians.

The funeral occurred from the Smith residence at 4 o'clock Friday afternoon, interment taking place in East View Cemetery, it being one of the most numerous attended funerals ever to take place in the County. Scores of friends of the deceased from all parts of the county gathered to pay their last tribute of respect. It was a touching scene to witness the big brawny cowmen, his companions and associates of the pioneer days in this section, stand side by side with bankers, business and professional men weeping as the service progressed.

The services were conducted by Rev. G. W. Owens, pastor of the First Baptist Church, assisted by Rev. A. W. Hall of the First Methodist Church.

Active pallbearers were C. E. Basham, A. M. Hiatt, Lon Byars, Mont King, R. S. Kelly, and T. J. Youngblood.

Mr. Smith is survived by his widow and eight children, five sons, Harold, E. T. Rev. Byron, Carl and Ike M. Smith, Jr., and three daughters, Mrs. Fred Brownlee of Hereford, Misses Tot and Dollie Smith all of whom, except Mrs. Brownlee reside at Oklaunion.—Vernon Record.

**Bank Help**

Clovis, August 17.—"We have sold on an average of \$50,000 worth of cattle a month the last four months," said Alexander Shipley, Clovis banker and stockman today. "It represents nearly all small sales to farmers, only a few larger deals being included in the total of \$200,000. For more than three years we have made it a business of supplying cows to the farmers and we have proved most conclusively the value of cattle on the ordinary farm as a source of reliable profit. We have furnished cows to many farmers that were financially embarrassed and it is really surprising how they have gotten on their feet through careful handling of the cow."

"Let me give you an illustration that is fresh on my mind," Mr. Shipley continued. "Last year we let a young man just across the Texas line have thirty cows. He had not a nickle to pay down. We took his note because we knew him to be reliable and of good character. Today he has twenty-eight fine calves worth \$32.50, but he will keep them a while as he has plenty of feed. When he sells the calves and his crop he will be able to pay his note and have the cows clear. Yesterday I sold him fifty cows more. The way he is coming along he will be worth some money in a couple of years."

"It is no better way in my opinion to help farmers that are hard up than to furnish them good cows. We have found the plan very successful here. But it must be good cows. We believe in good stock and buy the best. This spring we bought 2,500 Durham and Hereford cattle in Arizona. Our plan has worked out well for all parties concerned and our bank has over doubled its deposits as a result."—Artesia Advocate.

**B. Rowan Selected as President, All Former Directors Remain on The Board**

The First State Bank of Artesia, following its plan of continually pressing forward has had a reorganization with the addition of two new stockholders and directors to its working force.

The two new members are B. Rowan and son, R. H. Rowan, who have lately located in Artesia, coming from Dimmitt Texas, where Mr. Rowan lived for eight years and where he was successful in business, having built the First State Bank of Dimmitt up to where it was on the honor roll among the banks of Texas, which means that its surplus and undivided profits exceeded the amount of its capital stock. Mr. Rowan has purchased a large slice of the stock of the bank here and will devote his entire time to its work. His son will be employed as bookkeeper, and is a live young business man.

Mr. Rowan is not unfamiliar with the valley, and in fact he has owned some land here for some time and has been keeping in touch with the Artesia country for the past few years and believes there is a good future for Artesia and this part of the Valley and we believe he has made no mistake in locating here and bringing his family to reside in Artesia.

### The Hereford Brand

R. F. GUTHRIE, Editor

Started April 17, 1901, in the postoffice at Hereford, Texas, as second-class mail matter. First number of the paper issued February 28, 1901, as the Hereford Reporter; first number of The Brand issued March 21, 1902. Subscription Price \$1.00 Per Year, Strictly in Advance.

Any erroneous statement affecting the character or reputation of any individual or firm which may appear in The Brand, will be gladly corrected upon being brought to the attention of the publisher.

The more powerful class in Mexico have been robbing and plundering their own people so long that there is little left for them to forage on. Consequently they have begun to look across the border into the United States for something to steal. However those of them that have tried it so far have not been so successful as they might be and many of them have already gone to their "long home," wherever that may be. It looks as though Uncle Sam will have to go down and clean Mexico up yet.

A man with forty good cows, pure bred Herefords if possible, four good brood mares, three or four brood sows and a lot of fine poultry on every section of Deaf Smith county land should be the slogan.

Then let the orchard and garden, watered by a good well be added and this land will be the favored spot in America instead of the great American Desert. A thousand happy and contented families making a good living raising and educating their children with neither poverty nor luxury is much better both for the country and the race than a hundred getting rich on wide open acres.

#### OUT HEREFORD WAY

Tyler Courier Times: A party of twenty farmers from Nebraska, Iowa and Illinois was in the Hereford country last week looking for farms.

Well, if they really looked for farms in the Hereford country they found them. There is more land in the Hereford country than land in Vallobrosa, or whatever the name of that celebrated leafy place is. Indeed, one hardly ever gets out of

sight of land in the Hereford country unless he shuts his eyes. And such land—for the landsakes! A few acres of Hereford ground and a few gallons to each acre are a combination that offers peace and plenty to every comer. Furthermore, the water is there, right under the land. A well and a windmill make it available day and night. Also the wind is there for the mill, just as the well is there for the water and the water for the land.—State Press in Dallas News.

#### Mrs. Cox Goes to Castro County

Mrs. Delphia Cox, left Saturday for Castro county to take up her work as teacher of the Wise school near Dimmitt. The patrons and pupils of this school are to be congratulated, as Mrs. Cox is one of the very best of Deaf Smith's teachers. She was employed in the Hereford schools last year and her work showed ability of a very high order.

The Brand recommends her not only as a proficient teacher, but as a woman whose influence is worth much to a community.

#### Big Sale On

Mr. H. C. Myrick is closing out his big dry goods stocks. He is being assisted in the sale by an Omaha, Nebraska, firm, and Mr. F. W. Belt, their salesman, is here conducting the sale.

Mr. Myrick has been in business here for ten years and it is to be regretted that he has decided to close out as his was a start of real service. He carried a good line and did a good safe close business. His many friends hope he will soon enter business again.

## AT LAYING OF CORNERSTONE

Large Attendance at Canyon to Participate in Exercises

Wednesday was a red letter day for Canyon, the county seat of Randall county.

A large number of the friends of education gathered to be present at the formal laying of the cornerstone of the new Normal building.

The exercises were in charge of the Masonic order, and all agreed they did their part well.

Addresses were made by Judges Huff and Hall of Amarillo.

The following Masons were from here: P. W. Fries, W. H. Ray, A. Kane, C. P. Cockrell, J. A. Buckner, H. B. Webb, T. M. Palmer, A. J. Lipscomb, Jno. W. Sherman, A. P. Murchison, Geo. P. Garrison.

## TOLD IN HEREFORD

A Resident Known to all Our Readers Relates an Experience

Readers of the Brand have been told again and again of the merits of that reliable, time-proved kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons living far away. The cases are Hereford cases, told by Hereford people.

J. D. Burkett, 300 E. Second St., Hereford, says: "I suffered from sharp twinges through the small of my back, especially when I stooped or lifted. I was also caused much annoyance by a too frequent desire to pass the kidney secretions. Doan's Kidney Pills freed me from these ailments."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Burkett had. Foster-Milburn Co., Props., Buffalo, N. Y.

Drs. Presley & Swearingin, of Roswell New Mexico, will be in Hereford, at Dr. Price's office, 12 and 13 of each month to do eye, ear, nose and throat practice and fit glasses. 20-tf

**A New Kitchen Cabinet!  
The Hoosier Wonder**

**At \$9 Less Than  
Standard Prices**

The Kitchen Cabinet you have been waiting for IS HERE.

Just out—years before people expected it.

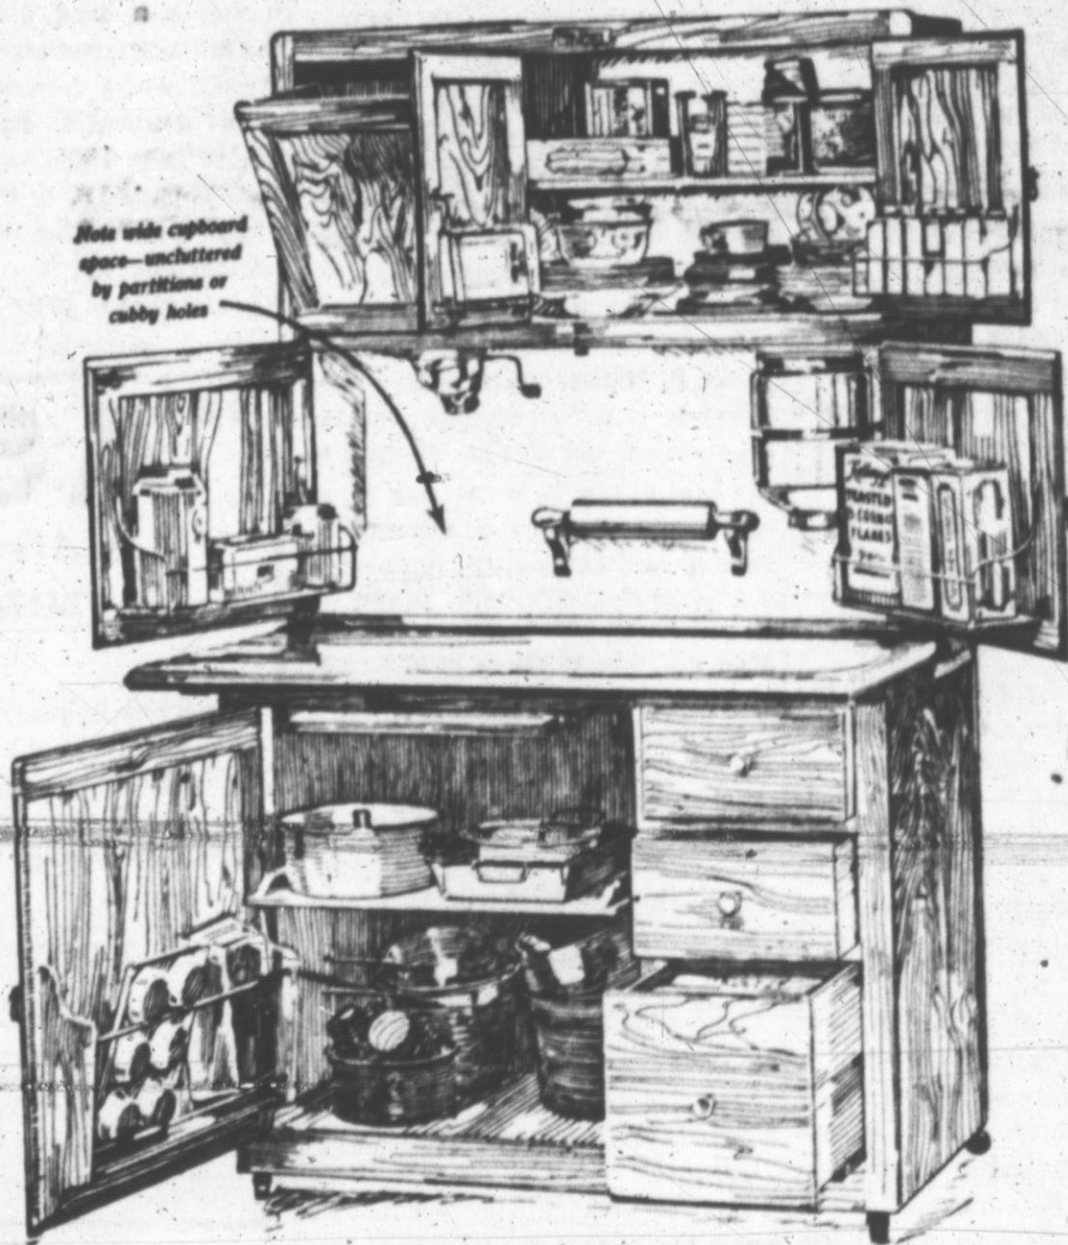

—A high grade, labor-saving cabinet at a price within reach of every woman.

HOOSIER wins again as it did when it gave the world the first flour bin above the base.

There is truly no kitchen cabinet on earth like this new Hoosier wonder.

**Buy it Now**

Every woman in the land needs a Hoosier, and now is the opportunity you have been waiting for. Come at once and see what this cabinet will do for YOU. Come early tomorrow. 800,000 Hoosiers already have been sold. This small lot will go like hot cakes when women see the remarkable ways these new Hoosiers save labor, time and money. This sale ends when they are gone.

This is the "HOOSIER WONDER" \$9 Below Standard Price

**Your Choice of 5**

Four other new Hoosier Cabinets are introduced in this sale—each a wonderful value. Compare them with the Hoosier Wonder and take your choice.

**Hoosier Special Midway** between Hoosier Wonder and Hoosier Beauty in convenience—equal to Hoosier Beauty in size.

**Hoosier Beauty** The National Step Saver; greatly improved; most practical kitchen cabinet in the world; outsells all others.

**Roll Door Hoosier** The only kitchen cabinet with sanitary, removable roll doors. No cubby holes or pockets to breed dirt.

**Hoosier De Luxe** This is Hoosier Beauty, white enamel all over—a cabinet of remarkable beauty.

**Notable Features**

"Cleanliness" and "convenience" are Hoosier watchwords.

Note the improved sanitary end where no dust can lodge.

—The wide uncluttered cupboard space above the table.

—The deep roomy drawers.

—The pure aluminum table.

—The high-grade white enamel cupboard on all models.

—These and forty labor-saving devices give the Hoosier unrivaled convenience.

The men who make Hoosier Cabinets take pride in the fact that no Hoosier yet has worn out—you can buy any Hoosier with assurance of lasting service.

**Pay Only \$1**

You can now afford one of these new Hoosiers at the present bargain price, no matter what your income.

Pick out the Hoosier you want and have it delivered at once; paying only \$1; the small balance is divided into weekly payments of \$1 each; not a penny extra for interest or fees.

The Hoosier Company insists that this introductory sale be at the new low fixed price—greatly reduced by factory savings through enormous sales.

You must remember though that every other thrifty woman will want one of these Hoosiers, too, and you must act at once before this lot is gone.

**Trustee's Notice of Sale**

Notice is hereby given that on the 5th day of October, 1915, between the hours of ten o'clock a. m. and four o'clock p. m., I, George Findlay, Trustee, shall proceed to sell at public outcry in front of the court house door of Deaf Smith county, in Hereford, Texas, to the highest bidder for cash, the following described property situated in Deaf Smith county, Texas, to-wit:

One hundred and sixty (160) acres of land out of Capitol League number 430 and particularly described as the Southeast one-quarter (S. E. 1/4) of survey or section number five (5), township number (2), north of range three (3), east of a "Capitol Syndicate Subdivision" as shown by plat of such subdivision of record in the deed records of said county of Deaf Smith in the State of Texas, volume 19, pages 23-31. Patented to Abner Taylor. Located about 22 miles west of Hereford.

Said sale is to be made at the request of The Capitol Freehold Land and Investment Company, Limited the present holder of the notes hereinafter mentioned, and by virtue of the authority conferred upon me by the terms of a deed of trust executed by C. E. Wilkins, dated 25th day of August, 1909, and recorded in Vol. 15 page 287 of the deed of trust records of Deaf Smith county, Texas, whereby the said C. E. Wilkins conveyed to me, as Trustee, the above described property, for the purpose of securing the payment of certain notes executed by the said C. E. Wilkins particularly described in the said deed of trust, and the proceeds thereof will be applied to the payment of the balance due upon said indebtedness, the expense of making said sale, and the remainder, if any, paid to the said C. E. Wilkins or his order, all in accordance with the terms of said deed of trust.

Witness my hand this 7th day of September, A. D. 1915.

Geo. Findlay, Trustee.

DESPAIRING WIFE**  
After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.  
Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.  
The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.  
At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing all my work."  
If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

**Treating Wheat for Smut.**

A toll of millions of dollars loss is levied against the wheat growers of the Southwest and Middle West annually through the ravages of smut. This loss is easily preventable and can be avoided if the individual farmers will use the treatment herein given. The "Formalin Treatment" is the one advocated and endorsed by the United States Department of Agriculture, the State and National Experiment Stations, and Agricultural Colleges, and is as follows:

Secure a 40 per cent solution of formalin at any reliable drug store. One pound of this 40 per cent formalin solution, carefully mixed with 40 gallons of water, is sufficient to treat from 2,000 to 2,500 pounds of wheat.

The seed may be treated by dipping or sprinkling: To dip, the seed should be placed in a gunny and submerged in the solution, the liquid being in a barrel or tank. The bag or sack of wheat should be allowed to remain immersed in this solution for at least ten minutes, after which it is taken out, allowing the liquid to drain back into the tank or barrel for a short time. The wheat should then be emptied onto a clean place and covered with sacks or blankets for two hours, after which should be thoroughly dried before sowing.

To sprinkle, prepare a clean place on a canvas or smooth floor, and thoroughly sprinkle the space to be occupied by the wheat with the solution, before the seed is emptied upon it. Now spread the wheat upon the space thus prepared for it, and sprinkle the solution all over it, shoveling the grain in such way over and over, so as to insure that all of the seed will be uniformly moistened with the liquid. Having thoroughly dampened the wheat with the solution, shovel the grain into a pile and cover with sacks or blankets for two hours, after which it should be thoroughly dried before sowing. Do not allow the wheat to remain wet too long after treating, as the germinating qualities may be injured.

Place the dried wheat into sacks that have been dipped in the solution and will be found a good plan to sprinkle the grain drill with the liquid before putting the seed into it. Exercise every precaution not to bring the treated seed into contact with grain that has not been treated, avoiding the use of bins that have contained smut infected wheat. The wheat should be treated but a short time before sowing.

**Big Barbecue**

A barbecue for 20,000 people. A big project, yes, but the business men of Amarillo have decided to do it. They have selected Wednesday, September 22nd the second day of the Panhandle State Fair, as the time. The whole thing will be given free to all visitors and home folks alike who are in Amarillo on that day, yes sir, to 20,000 people and maybe more.

It is a wonderful undertaking—but not too much for the big hearted business folks of the Panhandle metropolis. They just say they are going to do it—come and see them. And won't it be a real treat to see so many people from all over the Panhandle gather together at one great big barbecue, 20,000 of the finest people on earth, people who are building a great, clean, constructive civilization.

When the slaughter of the beeves for this great classic event—which in time will become a time-mark in the history of West Texas—the slaughter begins, and the barbecuing is over, and the two miles of tables spread, and two miles of people eat together to the music of Panhandle enthusiasm, under the leadership of the Amarillo Band, when that occurs, one may begin to realize what a great event is on.

Amarillo invites the whole Panhandle to the largest feed ever staged on the North American continent. Nothing like it has ever occurred before.

**CALLS IT "COMING COUNTRY"**

Prominent Emporia, Kansas, Stockman Praises Hereford Country—Has Bunch Calves Here.

Isaac Hatcher, of Emporia Kans., is here looking over his holdings. Last fall Mr. Hatcher shipped 140 head of spring calves to Emporia from his ranch here.

He has had them on alfalfa feed up there and came down bragging what a wonderful growth they had made. On visiting his ranch this week he got the shock of his life when he beheld the brothers and sisters of his Kansas fed calves looking just as good, with nothing to eat but this native grass.

He says it has cost him close to \$10.00 per head for feed up in Kansas, while with the calves left here the cost will hardly exceed \$2.00 per head.

Nothing on earth will keep this country back when it becomes generally known what a wonderful stock-farming country it is, says Col. Hatcher.—Stratford Star.

The above cattle are held near Hereford.

**Danger of Hog Cholera**

Now is the time for hog raisers to safeguard his herd against attacks of cholera according to Dr. R. P. Marsteller of the Veterinary Science Department at A. & M. college. At this season of the year pens should be cleaned and the hog lots made thoroughly sanitary to prevent worms and parasites from breeding. While these pests do not cause cholera, they render the hogs more susceptible to the disease. Clean pens, pure water and wholesome food are good preventatives for all diseases which attack hogs. Cholera is most prevalent at this season of the year and Dr. Marsteller advises that when a hog becomes sick that a veterinarian should be called in, or that the owner should communicate with the Veterinary Department of the College by wire or telephone.

**Better Live Stock**

Both farmers and stockmen are coming to see the advantage of better beef and dairy cattle, sheep, hogs, horses and poultry. The well-bred brings a better return than the scrub which cost about as much to grow. C. O. Keiser of Canyon, Texas sold a hundred range cows at \$125.00 a head last spring and the purchaser considered it a bargain. These cows cost little more to raise than cows that sold for less money.

The Panhandle State Fair at Amarillo September 21st to 25th at Amarillo will show much fine stock that it is worth while to see. The Live Stock and Products Exposition at Roswell, New Mexico, to be held in Oct., 4th to 9th, is arranging for the largest exhibit of registered beef and dairy cattle, sheep, hogs, horses, and poultry ever shown in this part of the country. Both fairs have much that will interest the farmer and stock grower in other lines.

There never has been the interest in better stock in northwest Texas and eastern New Mexico like at present. The various fairs recognize this and there will be much fine stock on exhibition. The railroads recognize the value of the fairs in the development of the territory they serve and have made the fares to the shows very low.

This is essentially a stock growing and stock feeding country and the live stock departments in the fairs should appeal strongly to every progressive farmer and stock grower.

**Ladies' Suits and Coats**

We again have the agency in Hereford for the Palmer Garments. The new Fall line, including Ladies' Suits and Coats and Children's Coats, is now in. Every lady knows

**"THE Palmer GARMENT"**

As they are strongly advertised in all the leading Magazines. Every Palmer Garment is guaranteed in workmanship and linings, and to give perfect satisfaction in every way—why buy cheap, inferior and poorly made garments when it costs just a little more to get a perfect fitting and guaranteed suit or coat?

We have handled the Palmer Garments for years. If we did not believe them to be the best garments on the market, (quality considered) we would not continue buying them season after season. If you are in need of a suit or coat, come in and let us show you the new fall styles.

Many Other Things in New Fall Goods Arriving Daily.

**"Bell" Connection Valuable to You**

From seed time to harvest and all the year through, every farmer occasionally has business to transact in distant towns. Letters go slow and traveling is expensive. Why not let the Long Distance Bell Telephone lines carry your message? Have you a Telephone connected to the Bell System?
