Muleshoe's Public Library Problem Has 2 Sides To It

Muleshoe Area Permanent Public Library Board of Trustees met in emergency session Wednesday afternoon to discuss the twin problems of obtaining and implementing regular check-out and research library facilities here.

The problem itself is simple. The solution seemingly difficult. Presently there are available in Muleshoe well over 7,000 library volumes consisting of both regular diversified library books and an excellent beginning research group.

They are valued at well over \$50,000.

The actual possible library service, however, is almost unlimited in scope when consideration is given that the entire Texas State Library collection is available to Muleshoe and Muleshoe trade area residents, through the bookmobile. However, requests for books not stocked here must go through the bookmobile librarian. The same holds true of the volumes stocked here.

The books are available. Getting them to the reader is the problem.

The bookmobile librarian is in Muleshoe only one day each three weeks, and that is the problem in a nutshell.

Friends of the library, its trustees, most civic and social organizations and a presently undetermined number of Muleshoe and area residents feel that that amount of service is totally insufficient to serve the area.

Original plans of the Friends of the Library were to first obtain bookmobile services from the state, and then as soon as possible open regular library services here. Plans had called for complete services in Muleshoe about May 1 to 15.

However, before such services could be made available here the group first had to obtain a suitable building, remodel it, hire a librarian and obtain a budget.

The first of these three major hurdles has been accomplished. The FOL purchased a building at a cost of \$12,500 with a \$3,500 down payment and assumption of a mortgage, which the FOL has committed itself to pay off. No city or county funds are involved in any manner.

The second hurdle, although not completed, has also been topped.

Approximately \$6,000 is necessary to remodel and complete equipping the library before it is able to serve the public. The Friends of the Library, Muleshoe Study Club, ESA and many, many other organizations have pledged to pay this amount in full.

The entire program is hung up on the third part of the plan, which is the obtaining of a minimum operating budget.

Two weeks ago a small group, representing the library trustees, requested the city council provide a \$5,990 ten month budget. In turn, the library group offered to remodel the building completely, continue to stock it with books, furniture and accessories and pay off the indebtedness of the building. When all this is completed the trustees would turn the entire library over to the city as a gift.

It is estimated that such a facility would have a value of about \$75,000. The figure is arrived at by adding the cost of the building (\$12,500), value of books (\$59,000), cost of remodeling (\$6,000) and cost of furniture, accessories, etc. (\$5,000).

The city refused to grant the assistance. The council gave as a reason a technicality that precludes city assistance to private groups.

The technicality was only something upon which to hang their hats.

The real reasons are quite different. There are three basic questions, some of which may be valid and others which are probably invalid are quite different.

They are:

1. That the present requested budget of about \$6,000 is only a "Camel's nose under the tent" so to speak, and will grow consistently larger each year.
2. This is probably true. The library groups readily admits as much. They have stated, "Library is a constantly growing thing". As more adults and children learn just what library can do for them they will use it more and more, necessitating library growth. Also the natural growth of the area will force facility enlargement as time goes by.
3. The city council is not convinced that the majority of the taxpayers wish to undertake the expense.

The second reason is that the council is not entirely convinced that library services here will be used enough to justify the expense. The question was raised by Councilman Irvin St. Clair, who after observing the bookmobile operation in Muleshoe, stated he was not convinced of its success.

The bookmobile is not being used in Muleshoe anywhere near the amount it is being used in other areas where it makes stops.

Six Deaths Result From Accidents

Six persons died in automobile crashes in the area last week. They are:

Mrs. Dorothy Hubbell, 54, Oklahoma Lane.

Mrs. Josie Heard, 59, Lockney.

Mrs. Tennie J. Smith, 79, Louisville.

Tvey Large, 39, Clovis.

Floyd Kindake, Clovis.

Hollis Hohstadt, House.

Another was hospitalized as a result of the collisions. She is: Mrs. Hubbell's daughter, Jane, 18, of the home.

According to police reports Mrs. Hubbell, Mrs. Heard and Mrs. Smith were killed instantly when the cars in which they were riding struck nine miles W. of Bovina. They had been on their way to church.

Hohstadt, whose car ran off the road for unknown reasons, was listed as D. O. A. at West Plains Hospital.

The accident occurred on Highway 84 about five miles N. W. of Muleshoe, according to police reports.

CLOSED TO THE PUBLIC — Closed door of the Muleshoe Area Public Library and its sign requesting financial donations seem to sum-up the local library problem here. Behind the door, which is closed to the general public as far as library service is concerned, are over 7,000 volumes valued at over \$50,000. They are available here one afternoon each three weeks, and will possibly remain so unless city assistance is granted.

9 Grads Awarded \$3,100 In Scholarships

Nine Muleshoe area High school students will enjoy about \$3,100 in scholarships presented by various Muleshoe and area groups to assist them in their educations next year.

Virginia Bowers and Darrell Burton each received a \$309 scholarship award from the Muleshoe State Bank. The awards are made annually by the civic minded bank.

Cathy Moore, won the annual Bailey County Co-Op award, which amounts to \$400 and an opportunity to compete for larger scholarships on a national basis.

The Muleshoe Classroom Teachers' Association awarded a \$100 scholarship award to Rhonda Waggon.

Joyce Gore won the annual Muleshoe Study Club's \$100 scholarship award.

Derry Lewis received the yearly \$200 scholarship award presented by the Muleshoe Rotary Club.

The Bailey County (and area) Medical Society presented the first of its newly established \$400-a-year scholarship awards to Carrol Wolfe. She will attend junior college and then enter nursing.

Long Looked For Rain Arrives: Damaging Hail Misses Area

Rain! Sweet, dust settling, crop growing rain came to the Muleshoe area after an almost 90 day absence.

Depending just where in the Muleshoe trade area a farmer lives, he received anywhere from 78 hundredths to two and three-fourths inches.

The heaviest rainfall was recorded at the Stateline Farms, located about 15 miles west of the city. In the city itself rain fall varied from the official .78 to a full inch depending on location and who was doing the measuring.

There was and is at this writing some danger of hail. The icy balls coupled with high winds struck the Morton and Enochs area. Observers reported hail stones the size of "golf balls". There was some light damage to crops, but no major property damage, according to police reports from that area.

A cool front brought along with the rain dropped temperatures to a low of 53 degrees.

The life bringing moisture came too late to save most of the unirrigated wheat crop in the Muleshoe trade area. Most of it was abandoned in the fields several weeks ago.

However, the financial blow to the area will be slight as little dryland acreage is devoted to the crop.

Farmers state that the rains came at a near perfect time for the area's early cotton and sorghum crops. Most irrigated farms are showing early cotton and sorghum stands in excellent condition. The outlook for both irrigated crops is extremely bright, so long as the area avoids hail storms, which are a totally unpredictable factor.

Rainfall in Muleshoe Tuesday night varied from .07 to 1 1/2 inches with R. J. Klump, official recorder, showing .78.

Other reports from the surrounding area range from .08 to 2 1/2 inches.

Mrs. Stanley Seagroves, 27 miles southwest, reports .06.

West Camp had 2 1/2 inches and three-fourths of a mile east of Hicks Chapel 1 1/2 inches fell on the Lewis Cunningham farm.

Only 1/4 inch was recorded in the dry land area six miles southeast on the I. L. Kitchens' farm.

In the Lazbuddie community, Max Steinbock reports 1.09.

Wednesday it ranged from .03 inch to one inch throughout the county.

Other area reports are: Bovina and Friona, Tex., up to .62 hundredths of an inch; Hereford, Tex., .62; Farwell, 1.45 inches, cloudy; Ft. Sumner, .20 inch reported by City Hall.

A five-day outlook calls for showers and thunderstorms throughout the period with temperatures averaging five degrees above a normal high of 84 and a low of 57. Rainfall is predicted to be from moderate to heavy. Although farmers say we can still use a few more inches, both dry and irrigated land is in "pretty good shape".

Mrs. Schroeder's Rites Thursday

Services for Mrs. Anna Schroeder, 89, former resident of Muleshoe and Lariat, were at 3 p.m. Thursday in St. John's Lutheran Church, Lariat. The Rev. Herbert F. Peiman, pastor officiated.

Burial was in Oklahoma Lane Cemetery under the direction of Singleton Funeral Home.

Mrs. Schroeder died Tuesday at the home of a daughter, Mrs. J. E. Mills of Brady. She had resided there about a year and a half. She moved to the Lariat community from Headrick, Okla., in 1925.

She is survived by a son, Gus Headrick, Okla.; two daughters, Mrs. Mills, Brady and Mrs. Crawford Pagan, Davenport, Okla.; six grandchildren and seven great-grandchildren.

VACATION DEATH — Sudden death stuck here Friday afternoon when a vacationing family's car crashed head-on into another on Highway 84 about one mile East of Muleshoe. The high speed accident was thought to have been caused by the sudden narrowing of the highway from four separate lanes to two because of construction. Dead is Isla Ruth Miles of Dallas. Injured are her husband, Stanley, and son, as well as John Gregg and his daughter, Shelly of Muleshoe. The extent of their injuries was undetermined at press time.

40% Of Farms Signed Wheat Agreements

USDA announced this week that a total of 254 Muleshoe farmers had signed up for the 1964-5 government wheat program.

The signers will divert a total of 1,300 acres of wheat land to other crops this season. This means that about 8.4 percent of the Bailey County wheat allotment will be diverted.

It also means that 49.8 percent of the areas 622 wheat farmers have signed to join the somewhat controversial wheat program.

On the broader national scene 15.94 percent of the nations farm-

Course Slated For First Aid

A televised course in Red Cross Standard First Aid will allow local viewers to qualify for Red Cross certificates, the Bailey County Chapter announced today. By popular request the course is being presented by Station KFDD-TV Channel 16, as a public service in cooperation with the Potter County Chapter

be 6:30 to 7:00 A. M., each weekday morning from June 1, through June 22. Local residents who desire to take the course for credit should immediately contact Mrs. Eddie Lane, Executive Secretary of the Bailey County Red Cross Chapter, telephone No. 5680, to register. The Red Cross First Aid Textbook will be available to all registrants at a cost of 75 cents each; a special workbook prepared for the course by the Panhandle Chapter of the American Society of Safety Engineers,

will be provided without charge. Following the viewing sessions, arrangements will be made for residents to then attend a 3-hour session for successful demonstration of first aid skills; they must in addition pass an oral examination and have answered properly the great majority of the workbook questions. Upon completion of this final phase of the training under a qualified local Red Cross First Aid instructor, all successful participants will be eligible to receive Red Cross Standard First Aid certificates.

Registrations are open now and will close June 10.

Birthday Party Given Thursday At Country Club

Baseball fans and Cinderella's proteges joined together Thursday morning for a birthday celebration at the Muleshoe Country Club honoring Perry and Lawren Hall, children of Mr. and Mrs. Larry B. Hall.

Perry was nine years old on May 27. Lawren will be seven June 4. Thursday each invited his and her friends to their birthday celebration.

A morning of games, balloon-play, prize-favors, fruit punch, and separate birthday cakes was enjoyed by some 30 guests. Winning the musical chair game was Chris Byrd.

Table decorations in the Happy Birthday line were carried out with "Happy Homer" baseball boy and a Cinderella doll, and harmonizing plates, napkins and cups. Fresh spring flowers centered the guests' tables.

Assisting Mrs. Hall with the party were Mrs. E. Q. Perry and Mrs. Rex Jordan, her mother and sister from Plainview, and Mrs. Karl Freyer.

BIRTHDAYS' CELEBRANTS — Enjoying festivities at Perry Hall's 9th and Lawren Hall's 7th birthday party held Thursday at the Muleshoe Country Club were (back row, left to right) Bill Chapman, Rob Alford, Zan Walker, Kevin Tucker, Perry Hall, Roger Williams, Lawren Hall, Chris Byrd, Kim Crane; (kneeling) Mat Phelps, Lance Tucker, Keila Walker, Lydia Alford, Mary Beth Dillman, Susan Murray, Tina Freyer, Kim Bryant, Donna Burris, Hope Dean; and first row, Greg Alford, Vance Tucker, Jennifer Freyer, Kim and Jamie Small, Keith and Hallye Jordan.

Reception Will Fete Woltmons on 50th Anniversary

A reception will be given from 2 to 5 p.m. today honoring Mr. and Mrs. L. C. Woltmon in observance of their Golden Wedding Anniversary.

Hosts will be their grandson and wife, Mr. and Mrs. Gene Fox and the event is being held in their home located 2 miles west and 2 miles north of Clay's Corner.

Among those attending will be the couple's son and daughter, Mrs. Bynard Fox, Albuquerque, N. M.; and Major Jack Woltmon, Denver.

Woltmon is a farmer in the Hub community. They have made their home in this area since their marriage May 28, 1914. They are members of the Church of Christ.

Whites Vacation In Three States

Mr. and Mrs. Stanley Williams flew to Des Moines, Iowa Saturday where they attended the Grand Opening of the Bookery Packing Company. The Williams stayed at the Fort Des Moines hotel and attended a luncheon Saturday. Entertainment for the guests that night was a banquet held at the Des Moines Club followed by a dance.

At the plant opening, they saw the operation of the all-new modern establishment, reputed to excel all other plants in the world.

For processing, 125 hogs are killed per hour. It takes only 28½ seconds for each operation and from the time the animal is on the kill floor and is placed in the cooling room, fully dressed, only 55 minutes has elapsed. The carcass is placed on a continually moving conveyor belt and never stops during the process.

Williams said the plant was an engineering fete and the entire operation is powered by a 25 horsepower motor.

They left Des Moines Tuesday after being detained more than 3 hours due to rain. Climbing to 8,500 feet, they flew VFR above the cloud deck and didn't see the ground until some 30 miles from the refueling stop at Salina. Clouds were too high to fly.

The Whites spent two days golfing in Ruidoso before returning to Muleshoe.

Sudan Eastern Star Conducts Initiation There

A stated meeting of the Order of the Eastern Star was held recently in the Masonic Hall.

Anna Lee Sierr, worthy matron and Robert DeLoach, worthy patron, pro-tem, presided.

A beautiful initiation ceremony was conducted by Frank Cummings of Littlefield, initiating Eloise Baccus into the order.

Cummings is a relative of Mrs. Baccus and came to Sudan especially to officiate in the initiation.

During the social hour, refreshments were served by the hostesses, Celia Dryden and Wylie Terrell.

Others present were Mrs. Gladys Terry, Mrs. Dortha Reese, Mrs. Thettie Walker, Mrs. Hazel Gaston, Mrs. Laura Martin, Mrs. Birdie Shuttleworth, Mrs. Edna Bellamy, Mrs. Winona Dugeon, Mrs. Ramona Engram, Mrs. Bess Stark, Mrs. Belle Olds, Mrs. Julia Kamp, Mrs. Edith Humphreys, Mrs. Ruth Baker, Mrs. Virginia Rone, Mrs. Sara Wood, Mrs. Gwendolyn Jones, Mrs. Betty Martin, Mrs. Nita Shuttleworth, Mrs. Pat De Loach and Mrs. Harriet Cumming of Littlefield.

Mr. and Mrs. Ted Wakefield and family, Childress, spent the weekend visiting here in the home of his sister and family, the J. G. Arns.

Their daughter, Gail, Lubbock, was also a weekend guest in her parent's home and a Sunday guest was Arns's cousin, Vaughn Parrish, Denver.

Parrish called for the Square Dance Club here Saturday night.

Whites Vacation In Three States

Mr. and Mrs. T. R. White returned Tuesday from a vacation through New Mexico, Arizona and California.

Leaving Muleshoe, they went to Ruidoso, then on to Mesa, Ariz. where they spent a week playing golf and other sports. There they met a vacationing family whom they enjoyed and spent much of their time with. Pampers and Sue, Everett, Lamirada, Wash. They drove to Phoenix a number of times for dinner.

After leaving Mesa, they went to Calif. and visited Mrs. White's sister and family. Mr. and Mrs. W. L. Bolton and Rusty.

Returning, they visited Mrs. White's aunt, Mrs. John Wade and several cousins whom she had not seen in more than 15 years.

Some time was spent in Las Vegas where they enjoyed two fabulous shows, one at the Stardust and the other at the Tropicanna. One of the show features was the famous group "Lida's Troop" from France who have been playing there for some time and is still holding an indefinite booking.

The Whites spent two days golfing in Ruidoso before returning to Muleshoe.

MEAT TURNOVERS
 1 cup finely diced leftover roast meat
 1/4 cup thick meat gravy
 1 can (3 ounces) sliced mushrooms, drained.
 2 tablespoons instant onion 1 package (16 ounces) pie crust mix

Mix together the meat, gravy, mushrooms and onion. Make up the pastry according to package directions; divide in half; roll out each half into an 8 by 8-inch square; cut each square into four 4-inch squares. Place a portion of the meat mixture on one side of each square; fold over; press edges together with fork tines to seal; prick top of pastry in several places to vent. Bake on ungreased cookie sheet in a hot (425 degrees) oven about 20 minutes or until lightly browned. Serve hot. Makes 8 turnovers.

 a great forward step in the history of man. Has the movement stopped?

Frankly Speaking — On this Memorial Day of 1964, we see a vast counter-revolution to the basic concept of freedom: Two worlds are in desperate conflict; one wants to go back to yesterday; the other is trying to move on to tomorrow. Never has the battle for the free mind been so fiercely fought. Memorial Day in America must be more than a 500-mile speedway race; it must be a day of renewed battle to keep the mind of man free under God.

 Roast Pork with Pineapple
 Hominy Grits
 Snap Beans Bread Tray
 Fruit Compote Beverage

ROAST PORK WITH
 4-pound pork loin
 1 teaspoon seasoned salt
 1 can (1 pound, 4 ounces) sliced pineapple
 1/4 teaspoon each celery salt and nutmeg
 Watercress or parsley

Rub top of loin with seasoned salt. Roast, fat side up, in a small shallow pan in a moderate (350 degrees) oven about 2 1/2 hours or to 185 degrees on a meat thermometer. Remove pork and pour off fat from pan. Carve pork; return juices to drippings in pan; add syrup drained from pineapple; cook and stir over low heat to get up browned drippings. Add pineapple slices and boil gently to reduce sauce and heat pineapple; turn Pineapple slices over a few times. Arrange pineapple on pork chops, pour the sauce over and garnish with watercress or parsley.

APPLE-CELERY SALAD
 2 tablespoons olive oil
 1 tablespoon tarragon vinegar
 1/2 teaspoon sugar
 1/2 teaspoon prepared mustard
 1/4 teaspoon salt
 2 tablespoons mayonnaise
 2 1/4 cups diced unpared red apple

3-4 Cup diced celery
 Lettuce and paprika.
 With a fork beat together thoroughly the oil, vinegar, sugar, mustard and salt; beat in mayonnaise. Mix with apple and celery. Arrange on salad greens; sprinkle with paprika.

Preparations Made For Lariat Bible School

Making plans and training teachers for the Vacation Bible School are receiving top priority among the activities at St. John Lutheran Church, Lariat, reported the church's pastor, the Rev. Herbert F. Peiman.

The school is scheduled to open Sunday afternoon, June 7, at 4:00 o'clock, and to close with a community picnic Sunday, June 14. "By using Sunday both for op-

ening and for closing, we feel that we can get the ten day course into one week without crowding the schedule", commented Calvin Meissner, superintendent of Christian Education at St. John.

The Bible Stories, memory work, songs and handicraft will all center in the general theme, "God, My Country, and I". "Certainly a timely theme for this age of communism and other subversive isms", commented Gilbert Kattwasser, member of the Board for Parish Education.

Teachers selected for the various departments are: Mrs. Gladys Kattwasser, Junior High; Mrs. Frieda Ramm, Junior; Mildred

Haseloff and Vicky Kattwasser, Primary; Mrs. Joyce Haseloff and Mrs. Elizabeth Kattwasser, Kindergarten; and Mrs. Pat Haseloff and Gave Ramm, Nursery. Mrs. Mary Alice Ramm will be in charge of music and handicraft. Pat Kattwasser will serve as secretary, and Mrs. Minnie Ramm will head the refreshments committee.

Classes will be held each afternoon from 4:00 to 6:30, and all children of the community between the ages of three and thirteen are cordially invited.

LIBRARY--

(Continued from Page 1) However, the library trustees can formed based on the two trips the bookmobile has made to Muleshoe to date. Additionally, the group stated, that on its first trip here, the area suffered a very bad sand storm, which kept many persons indoors.

The library's leaders will answer the city's doubts within the week, according to the library trustees.

It is expected that the library leaders will offer the city a plan where it might lease the building from the FOL at a dollar per year.

Such an action will probably remove the problem of the legal technicality upon which the city publicly hung its decision. In addition, it is expected to challenge the council's doubt about whether or not the voters of Muleshoe want a tax based public library facility here.

It is expected the challenge will take the form of the library group's offering to abide to a possible council decision to put it to a vote.

Library leaders have stated they will agree to a vote in any form the city council might wish to make it. This action opens the door to anything to an official poll to a bond issue vote.

It is felt by the majority of the

Teachers Plan Extended Trips

Mr. and Mrs. M. H. Laney, Muleshoe teachers, will spend part of their summer vacation visiting a son stationed at Atwater, Calif. with the Air Force.

The couple also plan to vacation at Red River, N. M. and visit Laney's mother in Oklahoma.

The balance of the summer, they plan to be at home in Muleshoe and will be showing Worldbook and Childcraft Encyclopedias.

FARMS--

(Continued from Page 1) ers have signed. According to the USDA there are 1,730,511 wheat farms in the country.

In Texas there were 15,438 or 22.59 percent of the total 68,334 wheat farms signing agreements to cooperate in the program.

The 275,929 U. S. farms signing agreements represent a total allotment of 21,973,260 acres which is 41.27 percent of the total effective allotment of 53,248,307 acres.

In Texas, the farmers signing agreements to cooperate with the program represent a total allotment of 1,995,414 acres, or 52.35 percent of the total effective allotment for Texas of 3,811,367 acres.

U. S. wheat farms signing agreements for the new wheat program in 1964 have agreed to divert 2,795,072 or 12.72 percent of the total effective wheat allotment of 21,973,260 on these farms. These farms are to receive diversion payments amounting to \$17,479,875. This payment averages \$6.25 per diverted acre, or \$63.92 per cooperating farm.

Texas wheat farmers have agreed to divert 255,272 acres and the diversion payment on these acres will amount to \$1,353,902. The payment to Texas wheat farms will average \$5.40 per acre, or \$57.70 per signed farm.

The sign-up period was extended through May 22, 1964.

AWARDS--

(Continued from Page 1) es' training. Joyce Adams received a one year scholarship award to attend any state college of her choice. The award was presented to her as the female student carrying the highest scholastic average.

Don Williams also won a one year scholarship as the male student carrying the highest scholastic average. His scholarship is to be used to attend any church affiliated college or junior college.

WASHINGTON NEWSLETTER FROM SENATOR JOHN TOWER

Committee Banking and Currency Labor and Public Welfare

As you may remember, I opposed the recent trade agreement with the Soviet Union, in which our government approved the sale of huge quantities of wheat to Communist-bloc nations. In addition, I vigorously opposed the granting of American credit to the Communists for those sales. I supported amendments to the farm bill, which would have denied credit to the Communist nations for their purchases in this country. It was my feeling that we ought not to carry on trade with the Communists, but that if the Administration insisted on trade with the Communists, but that if the Administration insisted that we must, then surely we ought not to extend the Soviets credit on their purchases.

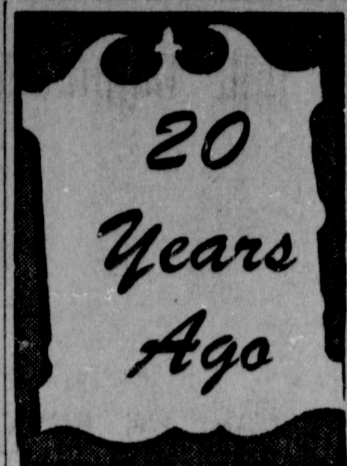

It was my argument then that we were simply bolstering the Soviet economy at a time when the strains were beginning to show. I did not agree then, and I do not agree now, that an absence of internal problems in Soviet Russia is good tidings for the Western world. If you remember, those who favored trade with Communist countries argued that fat communists were less apt to cause trouble than lean,

hungry Communists. I proceed under the belief that a Communist is going to cause trouble, whether he is lean or fat. And the well-fed Communist countries are more able to cause trouble than lean, under-fed countries. They are better able to wage war; they are better able to wage not only war but economic competition with the free world.

At any rate, those of us who were in opposition to extending credit to the Soviet Union, and who were opposed to trading with Communist-bloc nations, were unsuccessful. Our amendment was defeated, largely through the efforts of President Johnson.

This past week a study was completed by the Center For Strategic Studies at Georgetown University, dealing with East-West trade and its strategic implications. I would like to draw from that study to back up my own arguments, and to fortify my own claims that until we exhibit real leadership of the Western world we are going to be in for continual reverses abroad, and we are going to continue to see the growth and expansion of the Communist empire.

Reduced to its simplest terms, the study indicates that the Communist bloc has encountered deep economic trouble; that in spite of this, the Soviet Union has embarked upon a "trade offensive" and that we have been unable, for one reason or another, to take advantage of the deplorable conditions of the Communist economy.

1944

Students from the Muleshoe High School chemistry class returned Tuesday from a four-day educational study trip to Carlsbad Caverns and parts of the

State. Stalin's death, Khrushchev began a "trade offensive." Free-world trade with the Sino-Soviet bloc increased by 360 per cent in nine years. Free world exports to the Communist bloc in the ten years from 1953 to 1962 have totalled \$32 billion, the vast majority of which came from countries other than the United States.

Quite naturally, the intake of this vast amount of material gave the appearance of rapid economic growth in the Soviet Union. But in spite of this there developed in the Soviet economy a crisis in agriculture, in synthetic fiber production, abrasive materials; sulphuric acid, and the chemical industry generally. As a result, Khrushchev has called for 200 new chemical plants, and the modernization of 500 others in the next seven years, at a cost of \$3 billion per year, 40 per cent of which would come from the West in long-term credits.

The report also notes this: "The basic fact in the problem of East-West trade is that the Western allies, after eighteen years of the cold war, have not evolved a concerted policy for dealing with Soviet state-controlled trading, apparently have no clear intention of formulating such a policy, and possess no instrumentality for its implementation. Many members of Congress argue that U. S. policy has become immobilized and that the economic conflict is being lost by default as a result of the lack of unified action by the Western allies."

I must say that I agree with this report.

Rocky Mountain range. Some of the science studies were in geology, zoology, forestry, sanitation, horticulture and botany.

In the Rocky Mountains and Ruidoso area, many of the students saw log wagons, bob-sleds, saw mills, over-shot water wheels and irrigation ditches around the mountains for the first time.

Going were Wilcen Renfrow, Joyce Sheegog, Mary Frances Jordan, Russell Finley, Helen Hol, Paul Gardner, June Wagon, Billy Pearson, Nina Mac Starkey, Bruce Horsley, Charlene Whipple, Alice Hicks, Ethel Hicks, Emma Lee Locke, Winona Blair, Bonnie Briscoe, Peggy McPherson, James Glaze, Marvin Hughes, Gordon Thurman, Billy Nickels, Fred Clements, Joan Bearden, Charles Julia, Merie Dell Whipple, Mr. J. J. Williams, driver, O. E. Bowman, sponsor and chemistry instructor, and Mrs. E. C. Whipple, sponsor.

PATIENCE

The only wise thing to do when some unpleasant situation is forced upon us is practice patience. There are types of endurance which have no right to that honorable title—patience. For instance, some people do not have enough interest in life to be affected by anything good or bad; this is a deficiency in their nature and has nothing in common with moral excellence. Others like the American Indians who showed their captors crueler ways of torturing them so that they could prove their indifference to pain, pride themselves on being stoics who dwell above such things as the emotions; they are really dodging reality and pumping up their own egos.

True patience is the most beautiful and practical answer to the troubles of life and the temptations they beget. It is anything but insensitive. It has nothing to do with vaunting self. The patient man endures evils for a supernatural ideal; penance for sin, resignation to the just decree of God, union with the loving will of God. He feels the pain or loss or fear as much as anyone, but sharper than his suffering is his desire not to let it push or pull him into sin! It has been allowed by God. It therefore has a purpose. God will supply the strength to stand under it. Faith and trust in God's providence are necessary. To practice patience unflinchingly, a person must have rockfirm conviction that his present sufferings, mental or physical, external, or internal are a part of God's plan for his sanctification and final happiness. He must clearly realize that the human soul is like a newly mined diamond which must be cut and polished to bring out its brilliance or like a block of marble which must undergo a long process of chipping and sanding before the stunning artistry of God becomes apparent. If a surgery patient received no anesthetic his squirming would make a successful operation impossible. Patience is the self-imposed anesthetic that holds the soul motionless while the Divine Physician labors to save its life to restore it to complete health. For whether we like it or not, suffering is an inescapable part of life. The rich and the poor, the strong and the weak, the young and the old—all encounter it. The Son of God had to bear hunger, thirst, weariness, misunderstanding, persecution, betrayal, terror, agony and death. God permits such things in order to draw greater good out of them. Patience is the sickle which reaps the full harvest of divine bounty.

Spudnut Shop Bakes Special Party Cakes

Pictured above is Mrs. Cecil Rundell, owner of the Spudnut Shop at 232 Main St., in Muleshoe.

Millions of people have discovered the delicious goodness of spudnuts and this bakery product can be found in almost any town in the United States. Spudnuts are an improvement on the old fashioned "doughnut" and they are made with chocolate, orange, cherry or vanilla icing. They are wonderful with coffee or hot chocolate or very good when you eat them without any drink.

When guests drop in to watch T. V. there is nothing better to serve them than Spudnuts and coffee. Many people buy them by the dozen and keep them on hand at all times. Children are very fond of them too and they take the place of cookies saving a lot of time and work for mother.

Spudnut in Muleshoe is located at 232 Main St., and is owned by Mr. and Mrs. Cecil Rundell. This couple moved here from Farwell and took over this business in August 1958. Since then they have made many friends and have a very popular business. Many downtown workers take their coffee break here in order to eat their favorite spudnut.

Fountain drinks are also served here and comfortable tables are available from which to eat and drink. Spudnuts are baked fresh every day and there's never a stale one.

Mr. and Mrs. Rundell also bake special orders for parties at Christmas time and Valentine's Day particularly. Cookies in the shape of a tree are baked at Christmas and decorated with red and green icing. For Valentine's Day, cookies in the shape of a heart decorated with red icing are made.

Other types of cookies can be ordered for special occasions. They are ready when called for. Phone orders are filled promptly. This firm is open week days but closed Sundays.

MAPLE NEWS

By **MRS. ORAN REAVES**
Maple — The WMS of the Maple Baptist Church met Monday May 18, in the home of Mrs. A. E. Robinson, for Bible Study, the less was brought by Mrs. Dennis Heard. Pray for our perfection, Ephesians the 3rd chapter.

The prayer calendar was read by Mrs. Paul Carlisle. The closing prayer was by Mrs. A. E. Robinson.

Refreshments were served to Mrs. E. M. Lowe, Mrs. Paul Carlisle, and Mrs. Dennis Heard by the hostess, Mrs. A. E. Robinson.

Sunday guest in the Jake Burkett home was their daughter and family, Mr. and Mrs. Jack Koslaskie and son, Lubbock.

Mr. and Mrs. J. S. Simpson moved into their new home in Maple Saturday.

Mr. and Mrs. Bailey Griffith and Hudson spent last weekend in O'Donnell with her parents, Mr. and Mrs. McKee.

Mr. and Mrs. Oran Reaves Jr. visited Saturday night in Leveland with her father, Mr. Finis Baldrige who is in the hospital.

Mr. and Mrs. Albert Smyer and children, Muleshoe were guests in the Oran Reaves home Thursday night for a barbecue supper.

Why not rent a locker box at this plant and fill it with good meat that you can use any time you want it? The cost is reasonable and the saving is great.

Mr. Wagon has five employees assisting him in operating this business and they are skilled in butchering and cutting meat. All meat is carefully cut and double wrapped so that the meat is kept in first class condition until used.

He also cures pork hams and sides. Anyone wanting to barbecue some ribs or ham can find what they want here.

Customers can save money on their meat bill by buying in large quantities such as a half or whole beef and having it cut up for the freezer. They are then assured of an ample supply of good tender meat whenever they want it.

Mr. Wagon has his own feed lot and butchers his own cattle. He has many fed cattle on hand at all times. The cattle are killed in the morning, dressed and in the cooler before night. That makes the meat tender and of good quality. He has a special system of processing meat. After it is cut up into steaks, roasts, etc., he double wraps it in wax paper then puts it in the freezer. Customers can buy one-quarter, one half, or a whole beef have it cut up as they want it and then put in their home freezer or a rent freezer at the Locker Co. This firm has more than 200 locker boxes for rent.

In addition to beef, Mr. Wagon also butchers hogs and makes his special pure, pork sausage with salt and spices. It is known as Vance's Country Style Sausage and is sold by grocery stores and cafes.

This business is owned and operated by Vance Wagon who started it in 1940. Previous to that time he operated a meat market in a grocery store.

LAZBUDDIE NEWS

The Lazbuddie seniors returned Friday afternoon from their trip to Old Mexico. The class went by bus to Larado then caught a plane and flew to Mexico City. After a trip to Acapulco and other towns of interest they went back to Mexico City then flew to Larado, caught the bus and came home. The group reported a very enjoyable trip. Mr. and Mrs. Merray Stroud accompanied the seniors.

Mr. and Mrs. Larry Treider and children are in Almonte, California visiting the Billy McGees. Mrs. McGee is a sister of Mr. Treider. Larry has a music engagement at Reding, California in the near future.

Mr. and Mrs. James Beavers and children, Brackettville, Texas, are visiting her parents, the L. R. Halls this week. Mr. and Mrs. James Hall and children from Ft. Worth will spend the latter part of this week with his parents, Mr. and Mrs. L. R. Hall.

Fred Gallman, who is in a Pampa hospital has been reported in poor condition the last few days. Mr. Gallman's wife and children were with him Sunday. Fred Gallman had just recently been dismissed from the Pampa hospital much improved but due to his not responding to medicine given, he had to return to the hospital. The last word received was that he had lost his eyesight.

Cooper Young and Mr. and Mrs. Dee Chitwood and Patsy were at A&M Friday and Saturday for Dick's final review. Dick will finish his term this week and will be home with his parents this summer.

Mr. and Mrs. J. B. Jennings, Joe B. and Tamra are at their ranch at DeKalb for several days. Mr. Jennings has been at the ranch working for the past several weeks.

Steve Young accompanied by Corky Green and Charles King of Muleshoe, left Saturday for Port Aransas where they plan to fish, and swim for a week vacation.

Cooper Young is home from Baylor for the summer to be with his parents, the J. B. Youngs.

Funeral services were held at Hedley Sunday afternoon at 3 in the Church of Christ for Mrs. W. B. Morgan of Hedley. Mrs. Morgan was the mother of Mrs. George Haskins Sr. of Lazbuddie. Mrs. Morgan 83 had been in ill health for several weeks.

The Lazbuddie First Baptist Church Bible School will start Monday June 8 and last through the 12th. Registration will be Friday, June 5th. After registering the class, teachers will go to the Clovis Park for a picnic.

The Church of Christ honored Mr. and Mrs. Merray Stroud and children and Mr. and Mrs. Frank Bozman with a going away party. The group enjoyed ice cream and cake. Mr. and Mrs. Bozman are moving to Eagle Pass where they will be on their ranch. Mr. Stroud will teach Math in the LaFores High school. Stroud was Lazbuddie high school math

teacher. Birthday Greetings to: Harrol and Carrol Redwine, Helen Holtcn, Robert Gilbert, Letta Gail Henry, Joy White, Cher yIRamage, L Lu Linkhart, Elaine Embry.

Accent on Health

J.E. PEAVY, M.D.
Commissioner of Health

AUSTIN — Suppose you had \$25,000 to invest . . . where would you turn for advice? You have two choices an amateur or a professional advisor.

The same goes for your health, whether you realize it or not. Good health, the experts say, is worthy of a \$25,000 price tag. Where will you turn for advice about your health investment . . . your neighbor, a health quack or a physician?

Undoubtedly, your neighbor is both interested and concerned about your health and welfare. But beware words such as "I know someone who had just the same thing you do and she . . ."

Stop listening right there. Only your doctor can diagnose your case, or Mrs. Jones's. Different diseases may have similar symptoms.

Whatever the source, always question a cure-all or sure-fire remedy. Carrot juice will not cure varicose veins or gout. Yeast flakes will not rehabilitate weary and worn body cells. And wheat germ oil will not cure arthritis, gallstones, cirrhosis of the liver or epilepsy.

Above all, beware the health quack. This self-designated health authority is a fake. He is intensely interested in you . . . not in your welfare, but your money.

The old-time medicine show pitchman has given way to a much more suave and impressive scientific operator. Today the bogus health expert usually dribbles into his spoken and written comings.

The quack may be selling copper bracelets to cure arthritis or a serum to cure cancer. The cancer quack imposes a two-fold problem. Not only is his wasting the money of the hopeful patient, but he is wasting time. And time, spent on a false cancer cure, may cost the person his life.

Pay no attention to oral promises or a friend's advice about health products or devices. Read the product's label before you buy. False claims on labels are subject to prosecution; they therefore tend to be much more subdued than unpoiceable sales
