

VETS TO GET TOGETHER

The Navy nosed out the Army Monday night, when a delegate to the State Meeting of county representatives of the World War Veterans was to be elected. Lee Biggs, Deputy County Clerk, who enlisted in the Navy and has received his discharge, was named to go to San Antonio next Monday, San Jacinto Day, and represent this county in the first preliminary organization plans, looking toward a National and International Association of veterans of the war with Germany.

The meeting grew out of a call by the Adjutant General of Texas, and was brought to the attention of the returned soldiers and sailors by the Red Cross, through the local chairman, Rev. W. M. Baker, and Carl Gilliland of the Home Service Committee. Only a small representation of the returned veterans were present, owing to the lack of publicity given the movement. However, what they lacked in numbers the men present made up in earnestness.

The general outline of the movement was given by Mr. Gilliland. (Continued on page four)

Hereford High Will Seek Cup In Track Meet

Hereford High athletes will go to Canyon Friday and Saturday of this week to participate in the Interscholastic Meet for this section.

The Hereford school was the winner of the Interscholastic meet last year. Three cups, tennis, girls basketball, and track, were won and are to be defended.

The High school girls go to Canyon Friday morning to enter the basketball preliminaries in the evening and hope to win the cup in the finals Saturday morning. Bernice Walker and William Baker represent the school in tennis doubles.

The following high school boys go to enter track:

Frank McMinn, Earl Nunn, Hilliard Terry, Bernice Walker, Ernest Corn, Bruce Guthrie, Guy Gilliland.

Hereford's chances to win were never better.

Wednesday afternoon all the juniors of the Hereford school held their track meet. This afternoon of frolic and fun was enjoyed by many kind visitors.

A list of the junior winners as well as the results of the Canyon meet will appear fully next week.

SAN JACINTO DAY TO BE OBSERVED BY PRO RALLIES

San Jacinto Day is next Monday, April 21, and is to be celebrated in Hereford with a rally of the Prohibition and Suffrage proponents at the Courthouse, beginning at 3:00 p. m. Complete program details had not been announced Thursday, but an effort is being made to secure Congressman Marvin Jones, or some other state-wide personage, to deliver the principal address. It is hoped to secure the aid of the school children in the exercises.

In regard to the selection of San Jacinto Day by the local committee for opening this campaign confirmation has just been received from State headquarters that the State Committee adopted the idea originated here, and will set the entire state machinery in motion on that date.

Mrs. Geo. Barber and children left Thursday to spend the summer with Mrs. Barber's mother of Muskogee, Okla. Mr. Barber accompanied them to Amarillo.

LIBERTY GIRLS TO SING BONDS OVER THE TOP

The Liberty Girls are organizing for the Fifth Liberty Loan. They have volunteered their services promptly, as they have always done in the past, and met Tuesday afternoon to perfect plans for the strenuous campaign ahead of them.

The girls will be assisted largely this time by returned soldiers and sailors. At Monday night's meeting of these boys they were urged to come out in full uniform during the drive and aid the girls in every possible way. Some of them met with the Liberty Girls Tuesday and helped plan.

While the quota for the Fifth Loan is not known, and any quota will be hard to raise under present conditions, at the same time we venture to predict that when the smoke of the campaign blows away the Liberty Girls and the War Veterans will be found holding the center of the stage—with the spondulix.

SOLDIER IS URGED TO FILE DISCHARGE WITH COUNTY CLERK

County officials have arranged to file discharge papers of returning soldiers and sailors in a special volume at the office of the County Clerk, absolutely free of charge, for the preservation of these documents which will be so precious a few years from now. Already quite a number of returned soldiers have filed their papers, and it is believed practically every man who went from this county will avail himself of this protection when he learns of the possibility of doing so.

Discharge papers kept at home are always in danger of being lost by accident or fire, and this arrangement by the County will present a sure and safe way of forever witnessing the fact that a man served his country in its time of need and received therefor an honorable discharge from the proper authorities.

Veterans Show Youngsters How To Do Work

The team of veterans of earlier wars—Captain E. T. Woodburn, chairman, Captain John Estes, and C. R. Moreman, more than justified the prediction made that they would set a hot pace for the younger generation to follow, in the matter of committee work for the proposed Soldiers Association.

These three elderly gentlemen were given the task Monday night's meeting of returned soldiers and sailors to raise funds with which to send a delegate to the San Antonio State meeting on next Monday. Tuesday they took the street, and before nightfall had turned in ample funds to take care of the delegates' expenses.

It was a hard and disagreeable task, and the quick and efficient manner in which they handled it speaks volumes for the pace they must have set twenty years ago, and more.

Over The Top In Red Cross Drive Is New Record

Maybe it's a good omen for the Fifth Liberty Loan Drive—Deaf Smith County went over the top again—this time in the recent Red Cross Clothing Drive. The quota assigned was 975 pounds of clothing, while an even 1276 pounds was actually contributed.

Much credit for this achievement is due Mrs. George Garrison, chairman of the Drive, and her corps of volunteer helpers.

Rev. McClurkin returned Tuesday from Roswell where he had been to visit his son, James Hardy who is attending school there.

FIFTH LIBERTY LOAN DRIVE TO BEGIN ON MONDAY

County Quota Not Yet Known. Campaign Committee Issues Appeal To Our People To Buy Bonds

The Fifth War Campaign (Victory Loan) will begin April 21st and continue to May 10.

The entire bond issue will be \$4,500,000.00. The bonds (or notes) will mature within four years, with the government's privilege to pay off in three years, and will bear 3-3/4 per cent interest. The bonds will be exempt from State and Local taxation, except inheritance taxes, and will be exempt from normal rates of Federal Income Taxes.

The Secretary of the U. S. Treasury Department states this will be the last Liberty Loan to be raised by popular campaigns.

The payments on purchases are:
10 per cent on or before May 10.
10 per cent on July 15.
20 per cent on August 12.
20 per cent on September 9.
20 per cent on October 7.
20 per cent on November 11.

The full payment can be made at the time the bonds are purchased, or on any installment date. The payment of the accrued interest, if purchased on installment, will be paid at the time the last installment is paid.

The committee has not been notified as to what Deaf Smith County's quota will be but is sure that we will be assigned a fair and equitable amount, and due consideration will be given, in fixing our quota, to the present financial condition of this community, due to the losses we have sustained by reason of the past unprecedented winter.

Your committee fully appreciates the difficulties it will encounter in raising our quota, due not more to the great loss that some of our people, who heretofore been the most liberal and best bond buyers, have sustained, than the fact that the excitement of war enthusiasm and desire to win has subsided, and for these reasons we earnestly ask the cooperation and assistance of all our people in our

efforts to raise our quota, whatever it may be.

Your committee, and the people of this county, are justly proud of the record our people have made in the war, and I am sure every person would join us in regret, should we fail to "go over" and raise our quota of the Victory Loan Bonds.

The young men of our County went over the top, in furnishing soldiers, by a greater percentage than our people have in any of the other war activities (though in each and all of these activities our people have made an enviable record by, always doing more than they were called upon to do, in assisting in the prosecution of the war.)

This loan is being made for the purpose of paying debts we have incurred, which were necessary to the winning of the war, and we are called upon now, not through fear of punishment or hope of reward—loss or victory to our armies—but for an expression of appreciation and gratitude to our soldiers whose gallantry and valor brought to us victory, and having during the excitement of battle responded as we have, it is the more necessary now, in order to show our appreciation and gratitude, that we not default in this campaign, when honesty to ourselves, gratitude and appreciation for the valor of our armies and the great sacrifices they have made are the high motives that call us to act. Not to respond would be emphasized disregard of past incurred obligations and ingratitude to the soldiers who made victory certain and achieved it.

We, again, invite the cooperation of all in assisting us as a community to pay the debt of gratitude we owe by taking our share of the Victory Loan issue, in order that the last chapter we write for ourselves in the history of this great war may not be less brilliant than those we have written heretofore.

CARL GILLILAND,
Chairman Deaf Smith County War Savings Division.

OUR CANTEEN WILL ERECT ITS OWN BUILDING

The Hereford Canteen of the local Red Cross is to have a building all its own. It will be about twelve by sixteen feet in size, and will be built near the passenger depot, for the service of the returning soldiers and sailors.

This step has recently been decided upon by Chairman Baker and Mrs. W. A. Price, chairman of the Canteen Service, in order to take care of the growing demands made upon the Canteen. Recently it has been found impossible to handle the supply of fruits and magazines necessary for the constantly increasing stream of soldier and sailor traffic, and this little home is to be built for a warehouse and general headquarters for the devoted women and girls who are giving of their time to this patriotic enterprise.

Plans are already under way, and the house will soon be a reality.

C. P. GALLEY'S HOGS TOP MARKET WITH BIG PRICE

The Kansas City Drovers Telegram of April 10th contained the following item regarding a well-known citizen of our county:

"A feature of the Kansas City hog market today was the sale of Texas hogs at the top, outside of a carload bought by a speculator. C. P. Galley of Hereford, Texas, was the owner and raiser of these hogs, 67 head, weighing about 290 lbs. which brought \$30.50. Mr. Galley was pleased to think that he could bring hogs from the plains of the Panhandle country which were good enough to command a price as high as the corn belt product.

"Four years ago Mr. Galley made his start in raising hogs. In that part of the Panhandle territory shallow wells on which pumps are used supply water for irrigation, and on Mr. Galley's farm a well is in use. As a result he raises alfalfa, on which his hogs run all summer. With a very little grain they can be finished, and at a nominal cost. The pountry has always been free from hog cholera, and the general expense of raising hogs under these conditions make them profitable.

Uncle Sam Says Soldiers Shall Keep Uniforms

At Monday night's meeting of returned soldiers and sailors the fact was brought out that it is not now necessary for these men to return their soldier clothing to Uncle Sam at the end of a specified time. One man present told of a soldier, just discharged, who purchased a suit of citizens' clothes, stating at the time that he must return his uniform and equipment. He also was in ignorance that he was entitled to \$60 bonus, and five cents per mile railroad fare home.

The Brand has been requested to announce that under a recent law soldiers and sailors may keep their clothing, that they are entitled to a bonus of \$60, and also to a full five cents per mile fare in returning home. Those who have not obtained these concessions will receive assistance in doing so by applying to the Home Service Department of the local Red Cross.

Keliehor Accepts Chairmanship Jewish Relief

The chairmanship of the Jewish Relief Drive in Deaf Smith county is in the hands of W. D. Keliehor, who will be glad to receive any subscriptions for this worthy cause that any of our citizens may care to make.

Mr. Keliehor accepted the chairmanship for this war cause out of patriotic motives, and it is hoped contributors will phone or hand him their subscriptions this week, as the Drive ends next Sunday.

COURT NEWS
District Court opens on Monday, May 5, 1919.

ADVICE ON ROAD PUZZLE

It will be remembered that a few weeks ago The Brand called attention to the fact that the State Highway Commission had placed Hereford upon the official State Highway No. 33, which will entitle us to State and Federal aid in road construction, if certain conditions are met. Following this action of the Commission County Judge Hughes took up the matter with T. E. Huffman, former County Engineer, and now a member of the Engineering firm of Bryant & Huffman, of Austin, Texas, asking Mr. Huffman to look into the case and advise what conditions we would have to meet to secure this outside aid. The following extracts from Mr. Huffman's reply to Judge Hughes are self-explanatory:

"I have been up to the Highway Department talking over your situation on newly designated State Highway No. 33. The Department tells me that they could not grant any aid on the work that has already been done before the road received its designation as one of the State Highways. They (Continued on page four)

History Of Our Park System By L. Gough

Hereford, Texas, 4-14-19.

To The Brand:
In your issue of the third inst., you say: "The Park Board asks for suggestions in naming parks, etc."

The writer is glad, indeed to see so much interest manifested in parks and tree planting. I hauled the first trees put out in Hereford from Swisher and Hale counties.

But as to the parks: First, I want to correct one error in regard to parks being named. The "Women's Benevolent League" improved the little park in front of Mr. Britain's home, and named it Halley's Park, in honor of Halley's Comet, which appeared that year. They had a cement curb put around it, and a cement slab made with the name "Halley's Park" put on the slab. That slab I think, was destroyed a few years ago.

In regard to the park on the Tierra Blanca, if my memory is not at fault, it was named the "City Park" and has some very interesting history connected with it.

The foundation of the first (Continued on page 10.)

"SUBMARINE GIRLS" CO. ATTRACTING LARGE AND SATISFIED AUDIENCE

A bunch of pretty, dancing girls, a couple of funny comedians, plenty of catchy music and a variety of tabloid plays makes up the stock-in-trade of the "Submarine Girls Company," showing all this week at The Star Theatre. The bill is changed each night, and the house has been packed to capacity every since the opening on Monday. The Company is making a hit, and the audiences seem to be thoroughly enjoying the change from the regular run of pictures.

Incidentally, the regular picture show is continued each night. Manager Fullwood is giving us a real show, and his patronage shows that the people appreciate it.

Announcement was made this week that C. F. Caffrey, proprietor of The Hereford Tailoring Company, had disposed of his business to H. L. Broadwell of The Hereford Steam Laundry, and will hereafter have charge of the Cleaning and Pressing Division of Mr. Broadwell's up-to-date plant.

Display advertisements 10c per single column inch per week. Special rates for time contracts.

The Fifth Liberty Loan starts April 21. Everybody get set.

Two weeks of warm weather now is what we are all begging for. Won't that young grass grow!

Last Fall the Plainview News announced that their city marshal had forecast a lighter winter, observing that the hair on the north side of the dogs was lighter than usual. This was argued pro and con by many leading papers of the country until the subject seemed worn thread bare. Only last week Editor Adams triumphantly called attention to the fact that the winter was lighter than usual with the exception of a few cold spells, and declared that dog hair was a weather indicator to be reckoned with. Far be it from this writer to re-open the controversy, but

under the light of Tuesday night's occurrence we don't know what to think. Did you ever see such hair on a dog?—Canyon News.

The Roaring Springs precinct Motley County voted on a good roads bond issue a few weeks ago and defeated the proposition. The Roaring Springs Report, commenting upon the failure of the issue says: "How that it is all over let us get together, enlarge the mudholes, cut the lower limbs from the mesquit bushes, pave the main streets of the prairie dog towns and show the world that we are right up-to-date. There are two pronounced advantages to be derived as a result of the election. It will never be necessary to put up sign post to advise the traveling public when they reach the Motley county line, and if the people once get in here they can never get away."

COMING!

Medals made from captured German cannon will be given to every worker in the Victory Liberty Loan campaign. It just goes to show that the Government appreciates what its soldiers at home have done toward winning the war. It will mean to the Liberty Loan worker what the Distinguished Service Cross means to the American soldier.

WANT A GERMAN HELMET?

Bona Fide Victory Loan workers will have a chance to win one of these trophies to be distributed among patriotic Americans who kept the home fires burning. About 3,000 of these souvenirs of the greatest war in history have been allotted to this District, to be distributed among Liberty Loan workers by their County Chairmen.

HERE COME THE TANKS

Tanks played an important part in the big battles of the war. Twenty of these armored vessels will visit this District, manned by boys who actually handled the tanks in France. They called these boys the "Treat 'em Rough" boys, because that's what they did to the boche. The tanks are fully equipped with guns and ammunition just as they went onto the battlefields, and you will get a real taste of war when these guns are fired. Eloquent speakers will accompany the tanks to tell you all about them, and what it cost your Government to "Treat 'em Rough." Your Victory Liberty Loan County Chairman will have charge of the routing of these tanks in your county. Don't fail to see them.

SEE GREAT WAR FILM

Among the pictures which will aid in floating the Victory Liberty Loan is the remarkable film, "The Price of Peace," in the taking of which one of the photographers was killed. The film tells the animated story of the great attack at Chateau Thierry; shows a German airplane being destroyed in the air; shows a field gun and its crew being destroyed by a high explosive shell, and concludes with scenes of the American Army in Germany. The film is 5000 feet long. This picture will be shown without admission charge in as many theatres as can be reached during the Loan campaign.

WATCH THE SKIES

Probably every one of you has seen an aeroplane in flight. But how many of you have seen it make a landing? How many of you have seen its pilot at close range and have talked with him about it? You will be given the opportunity to see these boys and to talk with them. Arrangements are being made to secure planes to visit the majority of the towns in the Eleventh District during the Victory Liberty Loan drive. Remember the aeroplane, the "eyes of the Army" played a big part in winning the war. Watch the skies.

To our Missionaries Everywhere, but especially to Miss Lula Edwards, Missionary from the Methodist Church to Korea:

"Inasmuch," 'twas the Master spoke
"As ye have wrought for these,
My little ones, my suffering ones,
Renouncing selfish ease
And laboring for thy Master
In home or foreign field
With a faith and dauntless courage
That knows not how to yield
But strives forever onward,
To reach the precious goal
Counting it a rich reward,
To have helped one human soul;

So shalt thou hear at eventide
Thy Savior's loving voice;
My good and faithful servant
I bid you now, rejoice!
This is the day of harvest
Behold thy abundant sheaves
Tis coming empty handed,
That so oft the Spirit grieves
But thy record in the Book of Life
Shows only well filled leaves.

So great hath been thy labor
As sweet thy rest shall be
Wear now this shining crown of life
I have prepared for thee.
Enter thou into my kingdom
And all my joys be thine
For all the human love thou gavest
Reap now an hundred fold divine,
Come behold thy heavenly mansion
In thy Father's house above
Daily I have had it builded
From thy transformed deeds of Love."
—Mrs. D. W. Hawkins.

Demand for Club Canned Products.

Some of the canning club girls organized by the home demonstration agents of the United States Department of Agriculture and the State agricultural colleges utilize their canning knowledge only to provide the family table with plenty of fruit and vegetables. The larger number, however, not only practice what they have learned for the benefit of their families, but increase their incomes by marketing the surplus. The agents who have helped during the canning later assist in the marketing of the products. The uniform excellence of the 4-H brand makes it a comparatively easy task to keep a customer—once he has used the products. The agent in Jasper County, Miss., has found a ready sale with a lumber company for the canned fruits and vegetables her girls wish to sell. One day in March \$175 worth were weighed, sold, and shipped to this company. The demand is constant, because the buyer reports that the club girls' canned goods are the best he has found on the market.

THE MOST DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back—wake up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

Get some GOLD MEDAL Haaslem Oil Capsules at once. They are an old, tried preparation used all over the world for centuries. They contain only old-fashioned, soothing oils combined with strength-giving and system-cleansing herbs, well known and used by physicians in their daily practice. GOLD MEDAL Haaslem Oil Capsules are imported direct from the laboratories in Holland. They are convenient to take, and will either give prompt relief or your money will be refunded. Ask for them at any drug store, but be sure to get the original imported GOLD MEDAL brand. Accept no substitutes. In sealed packages—Three sizes.

Mr. and Mrs. S. H. Hembree and family visited Mr. and Mrs. R. W. Hough Sunday.

Miss Kathryn Walker, who is attending school in Hereford spent Sunday with home folks.

PARMER COUNTY

BOVINA

Since we last wrote from Bovina a wedding took place in Bovina. Miss Anna Belle Gregory and Mr. Roy J. Vaughn were united in marriage at the parsonage in Bovina, April 3rd, by Rev. B. Y. Dickinson. Miss Gregory is one of the teachers of Bovina High school, and has made many friends during her short residence in our city. Mr. Vaughn is an employee of one of the railway systems of Iowa, as office auditor, with headquarters at Mason City, Iowa. He saw service overseas with the Rainbow Division, and was gassed in the Argonne Forest. The groom has again taken charge of his old position, and will be joined by his bride there after school is out. Congratulations.

F. W. Jersig was a business visitor to Sudan the first of the week.

A number of Methodist ladies, with their friends, met at the Methodist church Monday afternoon, and decided to organize a Woman's Missionary Society. Mrs. Jersig, Mrs. Ezell, and Mrs. Tom Hastings are a nominating committee to report at the next meeting, which will be Wednesday following the Fourth Sunday in April.

Mr. Ligon, of Plainview, was a visitor to Bovina last week.

Rev. B. Y. Dickinson attended the District Centenary Rally at Plainview last week, while Mrs. Dickinson and children visited friends at Summerfield.

Several head of cattle were lost in the snow storm of last week.

Rev. Forbes will fill his appointment at the Baptist church next Sunday morning and evening. Every one invited.

YOUNG MAN ELECTROCUTED IN CANYON

Arthur Shehorn, age 27, for two years an employee of the Canyon Power Company, was electrocuted Monday morning of last week, while working with live wires in the western part of Canyon. Death came instantly.

The wires carrying the electric current to the city had been cut that morning in order to move the Methodist church past them. The trucks upon which the church was resting broke down and Mr. Shehorn climbed an electric light post to reconnect the wires until the church was ready to move again. Mr. Arnold, manager of the light plant, offered to connect the wires but Mr. Shehorn insisted there was no danger. Mr. Arnold was preparing to

return to town when he noticed the young man was hanging rigid to the wires. He called to him and receiving no answer he immediately phoned the plant to shut down. When he returned to the spot the current had released the man and he had fallen to the ground.

Mr. Shehorn left a wife and three children. —Canyon News.

JULY FOURTH.

The Donley County Fair Association directors meeting in conjunction with the directors of the Donley County Progressive Club, unanimously decided to revive the Clarendon Fourth of July Celebrations this year and to make it bigger and better than ever. If a proper racing program can be secured the affair will be made one of these days duration—July 3, 4 and 5. There will be a great free barbecue dinner the first day of the celebration given by the citizenship of Clarendon and other attractions will be secured by the arrangements committee.

Clarendon Fourth of July Celebrations have long been famous throughout the Panhandle and Western Oklahoma and when the news gets out that the year 1919 will witness even a greater event in our city there is little fear that any nearby city will attempt a program. The Donley County Progressive Club has through its entire machinery behind the July celebration, which assures its being all the directors of the Fair Association hope for in the way of co-operation.

By that time many of our overseas soldiers will have been returned and discharged and a parade by these veterans of the great war ought to be worth going miles to see. During the stress of war our people have gotten together very little and this great gathering of the citizenship of this and adjoining counties will do much to wipe out the bitterness of war's sacrifices and bring about more good-fellowship. —Clarendon News.

Selecting Superior Spuds.

To select strains of potatoes which are best adapted for commercial production, the United States Department of Agriculture and cooperating State agencies are conducting extensive experiments in seed improvement. Trials are being made in Wisconsin, Minnesota, Iowa, Oregon, Washington, Maine, Louisiana, Texas, Oklahoma, and Arkansas. Several strains of the leading commercial varieties now grown in the North are under test, the purpose being to study them carefully under actual growing and harvest conditions in the field, and to select the best strain of seed of each commercial variety. The following year each strain will be grown on a larger scale. As the supply of seed stock permits, the seed is to be distributed among growers and seedmen, and in this way is to be gradually popularized and disseminated. This investigation will be of country-wide significance in improving the future stocks of seed potatoes.

The Strong Withstand the Winter Cold Better Than the Weak

You must have Health, Strength and Endurance to fight Colds, Grip and Influenza. When your blood is not in a healthy condition and does not circulate properly, your system is unable to withstand the winter cold.

GROVE'S TASTELESS COLD TONIC

Fortifies the System Against Colds, Grip and Influenza by Purifying and Enriching the Blood. It contains the well-known tonic properties of Quinine and Iron in a form acceptable to the most delicate stomach, and is pleasant to take. You can soon feel its Strengthening, Invigorating Effect. 60c.

RENFRO'S

PARENT-TEACHERS CLUB

The Parent-Teachers Club met at the Central school building April 7, 1919. Even though the crowd was small they had a very interesting program and those who were not present missed an interesting discussion. The subject for discussion was "Amusements for our Young People." The next meeting will be Friday May 2nd. Watch the Brand-next week for the program.

BAY VIEW CLUB

The Bay View Club met in regular session April 10th, 1919; with Mrs. Geo. Garrison, with Mrs. J. E. Ferguson presiding. After disposing of some business, the meeting was turned over to Mrs. D. C. Laird who conducted the lesson on some of Lady Gregory's Irish plays.

The following program was well rendered:

- Brief Review of "Seven Short Pays."
- "Spreading the News"—Mrs. F. T. Roloson.
- "Hyacinth Halvey"—Mrs. Geo. Garrison.
- "The Rising of the Moon"—Mrs. J. E. Ferguson.
- "The Jackdaw"—Mrs. J. R. Stubbs.
- "The Workhouse Ward"—Mrs. Chas. Donald.
- "The Trading Man"—Mrs. D. C. Laird.
- "The Gaol Gate"—Mrs. W. A. Price.

The hostess then served angel food cake and hot tea after which the Club adjourned.

Now is a good time to sell your chickens while they are a good price. Call us before you sell yours.
Hereford Produce Co.

The wife of our State Representative, Mrs. Lee Satterwhite of Panhandle, Texas, and son Lee Roy, are visiting in the home of Mrs. Satterwhite's daughter Mrs. J. C. Sanders. The young man has just received his discharge from the U. S. Navy and expects to make his home in Hereford.

VETS ORGANIZE

(Continued from page 1.)

land, who explained that there would be similar meetings held all over the country, and delegates would finally assemble at some central point in the United States to form the permanent International organization. However, this will not occur until all the boys now in France and in the Camps return and have their say. Mr. Biggs was nominated and unanimously elected. Following this Captain E. T. Woodburn, Captain John Estes and Mr. C. R. Moreman were named a committee to raise the necessary funds to defray the expenses of the trip to San Antonio. Chairman Baker remarked that he believed these three veterans of other days would "show these young fellows a few things" in getting the job done.

Following the disposal of the main business of the evening, the men discussed in details many problems of demobilization with the Red Cross officials.

There is no question but what the Veterans of World War Association, or whatever it will be called, will grow into a tremendous power in this country before many months; and this is only the beginning of a world-wide movement in that direction.

ROAD ADVICE

(Continued from page 1.)

said, however, they would be very glad to grant aid on any new work you might care to undertake on this Highway. I feel sure that you could get Federal Government aid to the extent of fifty percent on the roads the Federal Government would put up a dollar for every dollar the County puts up on the road over which the units are carried, and I feel sure that, according to a report made through last session of the Bureau of Public Roads, the Federal Government will not be so strict as to the requirements that the road shall be a Postal Highway to secure fifty percent aid.

I find also that the policy of both the State Highway Department and the U. S. Bureau of Public Roads is strictly opposed to granting aid to counties where the county's money is obtained by means of a warrant issue, while they are favorable to a bond issue.

"I believe when you get ready to expend any further money on Highway No. 33, the best class of construction will be to construct a base out of the local limestone material and top it with some kind of a bituminous surface. By using local material for the base you

SOCIETY AND CLUBS

MISS CECIL GILLILLAND, Phone 30

On Saturday April 5th a few most fortunate young people were thrown into a state of pleasant anticipation when we were bidden to appear at the home of Dr. and Mrs. W. A. Price where Misses Annie Price and Waldine Wilson waited as hostesses for the evening. We were told that the show would begin promptly at 8:30 and would be in a nature of a "shower" for George Blakemoore, who was leaving in a few days for Amarillo. We needed no urging as we all knew what to expect in the way of entertainment in the hospitable Price home, so long before 8:30 we were ready to go and after much slipping and hiding we finally managed to all get in without giving away one hint, for the affair was to be a surprise to the honor guest. After the guests had all arrived cards were passed around bearing the name of some animal accompanied with a stick

of chewing gum. We were then told to "Chew" then to mold, out of the gum, the animal corresponding to the name on the card. 'Twas well indeed that they were labeled as "Would have been hard to have known just what some were really meant to be. We were given a slip of paper on which were commands to search in hidden nooks and corners and at last, were each rewarded by finding a theatre ticket. After much time spent in matching to see HOW we would go to see "Mary Pick" we finally started and was delightfully entertained for an hour with watching the pictures, which were exactly in keeping with the spirit of the evening. We were then invited to the Corner Drug Store where the real surprise of the evening came to light. Tables were set for eighteen. Place cards in the shape of fancily dressed turkeys paved the way for the

shower to follow. After finding our places one of the hostess' presented Mr. Blakemoore, with a Bib on which was embroidered "Good Boy," and after much persuasion, he consented to let it be tied under his chin. Soon mysterious packages were brought in by Misses Edith Walker and Gwendolyn Price, and upon being opened disclosed toy chickens, rabbits, nursing bottle, dolls, monkey-on-a-string, all-day-suckers, etc. Determined that no one should get the best of him, "George" using a "Teething" ring for a monocle arose and made a talk in his jolly good natured way. After delicious refreshments consisting of Strawberry, Marshmellow, ice cream and cake were served we returned to the Price home loath to break the spell of such an altogether delightful evening. After declaring Misses Price and Wilson as the best ones ever and each expressing himself as having had a delightful time we all went home at a late hour, all-hoping to be favored again soon with another such joyful occasion.

Those who enjoyed the "Line Party Shower" were: Mesdames Price and Thompson, Misses Edith Walker, Gwendolyn Price, Ethel Fugate, Clyde Wilson, Helen Lee, John and Margaret Estes and Messrs Jonathan Pitman, Matthew Johnson, Miles Roberson, Buford Farmer, Clifford Baker, Roy Jowell and George Blakemoore.

Contributed.

Episode 4—"The Gripping Hand"
The Cast

Dick Van Brunt..... William Duncan
Polly Ransome..... Edith Johnson
Searface Bender..... Joe Ryan
George Teel..... Walter Rodgers
Joseph Stebbins..... Del Harris
Chu Chen Ling..... Frank Tokanaga
Juan Diaz..... Otto Lederer
Tomas..... Willie Calles
Six pieces of a chart flag are the only key to the location of a treasure buried years before on the Gulf of Mexico. Dick and Polly Van Brunt have one piece each—Searface's mother. He kills Polly's father, gets the flag, and starts after the other flag and the treasure. Dick and Polly are joined by other flag-holders and a running battle towards the Gulf of Mexico begins. Searface traps his foes in a cabin mixed with dynamite, and when they refuse to surrender, lights the fuse and rides away.

An appropriation of \$150 per month, for a limited period, was voted last Monday by the Commissioners' Court for the employment of a Sanitary Inspector.

The duties of this man, it is understood, are to rid the county of scabies and other cattle diseases, which have increased during the winter to an extent that seems to make this step necessary.

G. A. F. PARKER, Sec. & Treas.

Larger Acreage in Crops in 1918.

When this country entered the war Uncle Sam called for an increased production of food, urging the farmers of the country to plant every available acre. The food producer of the Nation responded by planting over 11,000,000 acres more than had been planted during the year previous. The acreage of all crops during 1918, according to figures just tabulated by the Bureau of Crop Estimates, United States Department of Agriculture, was 367,738,000, as compared to 356,341,000 acres planted in 1917 and 344,793,000 acres planted in 1916. These figures are based on the acreages of corn, wheat, oats, barley, rye, buckwheat, potatoes, sweet potatoes, tobacco, flax, rice, hay, cotton, peanuts, kafirs, beans, broom corn, hops, and cranberries, which crops comprised 96.6 per cent of all the crops grown in this country in 1918.

Sweepstakes Honors for Three Years.

For the third time Wallace Cook, of New Castle County, Del., has won State club championship honors. Last year he was the grand-champion club member of Delaware. In 1916 as club champion, at 15 years of age, he won a free trip to the International Dairy Exposition at Springfield, Mass. The following year he cleared \$183.21 from his corn-club acre, and at the State corn show, in competition with the best corn growers of Delaware, won the best 10-ear and 50-ear corn exhibits. Last year he applied his club earnings of the previous year to purchase a purebred Holstein heifer and a purebred Hereford calf, and at the State fair last fall he was awarded a Holstein-Friesian championship prize for the best club calf on exhibition and was declared State champion of the boys' and girls' club judging contest. Last fall, also, his corn was given grand-championship prizes at the local county fair.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Deaf Smith County—Greeting:

YOU ARE HEREBY COMMANDED.

That you summon, by making Publication of this Citation in some newspaper published in the County of Deaf Smith if there be a newspaper published therein, but if not, then in any newspaper published in the 69th judicial district; but if there be no newspaper published in said judicial district, then in a newspaper published in the nearest district to said 69th judicial district, for four weeks previous to the return day hereof, C. I. Powelson whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Deaf Smith at the Court House thereof, in Hereford 5th day of May, A. D. 1919, then and there to answer a Petition filed in said Court, on the 5th day of April A. D. 1919, in a suit numbered on the docket of said Court No. 1181, wherein W. B. Arnold is plaintiff and C. I. Powelson, Allen Powelson and D. C. Laird are defendants. The nature of the plaintiffs being as follows, to-wit: Suit on notes and foreclosure of vendor's lien, to-wit: That C. I. Powelson and Allen Powelson on April 7th, 1916, executed to D. C. Laird 4 notes for \$400, each with 8 per cent interest from date and 10 per cent thereafter and 10 per cent attorney's fees; said notes being as part payment for 100 feet of the side of lot 4 in Block 3, Womans addition to Hereford in Deaf Smith County, Texas; that the first of said notes has been paid; that said D. C. Laird has endorsed said notes to plaintiff and he is now the owner thereof; the three remaining notes are unpaid. Judgment is asked for the principal interest and attorney's fees on said notes, costs and a foreclosure of the vendor's lien on the property therein described.

HEREIN FAIL NOT, and have you before said Court, on the 5th day of the next term thereof, to appear, with your endorsement, showing how you have executed same.

Given under my hand and seal of said Court, at office in Hereford, Texas, the 5th day of April A. D. 1919.

A. O. THOMPSON, Clerk.

Clerk, District Court Deaf Smith County, Texas.

"Spring Has Come"

Dear Mr. Car Owner:

The spring and summer motoring season is almost here. We presume that your car, whatever the make, has had little mechanical attention since last season.

You realize that it is an economy to have your motor car put in first-class condition once a year.

We are prepared to do the necessary work on your car and would like to do it now, if you please. You must realize the folly of delaying such work until you need the car daily. We can assure you a better job, too, if we can start it now before the rush of general business starts in the spring.

Won't you come in tomorrow, Mr. Car Owner, and let us discuss this proposal of ours? Your immediate attention will be appreciated.

Very truly yours,

The Ford Garage

Hereford, Texas

Bring in Your Car—We'll Do the Rest

Fruit Trees

Grapes, Berries, Shrubs
Roses

We have a large stock of choice fruit trees, grapes, berries of all kinds that are especially adapted here. Shades, flowering shrubs, roses and bulbs. Our planting season extends until the 15th of May, but now is a most excellent time to plant.

About Canned Tomatoes Held by Army.

Rumors to the effect that prices for tomatoes at canneries will be lower this year because canned tomatoes held by the Government will be thrown on the market are said to be current in some producing sections. The War Department has just announced an increase in the amount of canned tomatoes issued as a part of the Army ration and has added the following canned

vegetables to the regular ration: Peas, string beans, corn, pumpkin, and squash. In this connection officials of the Quartermaster General's Office that these changes in the rations of canned vegetables will entirely dispose of the stocks held by the Army and that none of these will be sold.

STATIONERY!—neat printing at living prices. THE BRAND.

Peace In Sight!

The German delegation will sit down with the Allies April 25 and the last lap in the Peace Program will be entered. It's glorious news. Cheering news. Things will soon get back to normal.

Meanwhile that

CHURCH NOTES

Methodist Church.

Program for Sunday services April 20, 1919.
Voluntary.
Hymn.
Prayer.
Response
Anthem—"Christ is Risen"—Adam.
Responsive Reading
Gloria Patri.
Scripture Reading.
Offering.
Ladies Chorus—"Never a Friend Like Jesus"—Creswell.
Sermon.
Hymn—"All Hail."
Prayer.
Doxology and Benediction.
Postlude.
We will have our regular services on Sunday evening at 8:00 o'clock. A hearty welcome awaits you.

W. H. TERRY, Pastor.

Baptist Church.

Program for Sunday April 20, 1919.
Song—By Choir.
Prayer
Quartet
Announcements
Song—By Juniors
Offering.
Duet—Mesdames Chamness and Wilkinson.
Sermon—Subject, "Resurrection."
Solo—Mrs. Calla Mountz.
Benediction.
We give a cordial welcome to every one to attend services with us next Sunday. At the evening service one of our young men, who has just returned from France, will tell about his trip from Camp Bowie to France and return.
J. E. McClurkin, Pastor.

Presbyterian Church.

Sunday school 9:45 a. m., preaching 11 a. m., Junior and Intermediate Endeavors 3:30 p. m., Christian Endeavor 6:45.
The services last Sunday were well attended and a good spirit prevailed. The attendance at the union service was large and attentive. The union service this week will be at the Presbyterian church 8 p. m. Good Easter music is promised by the choirs of the Christian and Presbyterian churches and an Easter theme will be discussed.
W. M. BAKER, Pastor.

Christian Church.

Easter will be celebrated next Sunday with two special services. One at the Christian church where Mr. Asbell will preach a sermon on the "Immortality of the Soul" and the other service will be at the Presbyterian church at 8 p. m. where special music by the combined choirs of the two churches will be enjoyed. Mr. Baker will give an Easter meditation in connection with the song service.
The Christian people will take their offering for widows and orphans and the helpless old people next Sunday. We are hoping that it will be liberal as the need is urgent and great. Sunday afternoon there will be an Easter prayer service led by Mrs. Asbell. The Christian Endeavors will have an Easter program at 6:45. And there is a hearty welcome awaiting you at all times.
Sunday at the Christian church Mr. Asbell hopes for the best offering for the widows and orphans that has ever been raised in the history of the church for need was never greater. We have a friend who has promised to add ten percent to Sunday's offering lets make him some "Thru" for he is anxious to do so.
J. M. ASBELL, Pastor.

The Home Life

It means that you have a stake in the community, and the community interests are yours. In olden times, few but the wealthy had real homes, and these homes were really castles or fortresses to protect them from the violence of enemies. With the advent of Law this was changed, and the home became more universal. Now, the man without a home is the exception.

E. of Hereford on first Monday in May same being May 5th, 1919, in Deaf Smith County, Texas, within the hours prescribed by law, the following described estray stock, to wit: 1 sorrel stud 3 years old, 1 mule colt coming yearling, 1 brown horse mule about 3 years old, 1 light bay horse mule about 3 years old, wire cut on front foot, 1 light bay horse mule, 3 years old.
 Said stock was estrayed by me on the 1st day of April 1919, and has been held as the law requires.
 11-4t" **C. C. BOWMAN,**
 County Commissioner, Precinct No. 1, Deaf Smith County, Texas.

PARK HISTORY

(Continued from page one)

house in Hereford was laid the first day of September, 1898. The town held its first celebration on July 4, 1899. The late Judge C. G. Witherspoon was one of the speakers on that occasion and he was the first person to mention parks for Hereford. His remarks along this line were as follows: "I hope some day to see a beautiful park on the Tierra Blanca, studded with stately trees, where we can hold our celebrations."

In the winter of '99 and 1900 Mr. Clements, Mr. Mabry and I think, one other member of the Western Union Land Company, visited Hereford and a committee asked them to give ten acres on the creek for a city park. They gladly gave the ten acres, on the condition that the city improve it. In the spring of 1900 the committee, composed of J. A. Tomamichel, Jack Harwell and others,

Quick Service Tire Shop

H. L. RICE, Prop.

On Main St. near R. R.

made a contract with John Higgins to break the ground and prepare it for tree planting.

Judge Witherspoon and Mr. Tomamichel planned the park, with a 100 foot circle in which it was planned to put a pavillion. The high point on the south side of the creek was picked for a band stand, but that point has been cut down since that time.

The first trees in that park were planted in the spring of 1900. Later, and I think it was the last year Professor Wray was principal of the schools, a Holiday and Arbor Day was declared, and a

parade from the school building to the park was carried out, and the present trees put out.

The tall cottonwood trees along the bank of the creek were donated by P. R. Purcell, and he and I put them out.

I am glad to think that from this beginning, at the present rate of parking Hereford will soon be a city of parks. I also hope that the Park Board will in time carry out the original plan of the City Park, and some day have a Pavillion in the hundred foot circle.

L. GOUGH.

As the Twig is Bent the Tree Inclines

But the first thing to do is to plant tree—Trees add much to the comfort and beauty of the home, and enhance the value of the property.

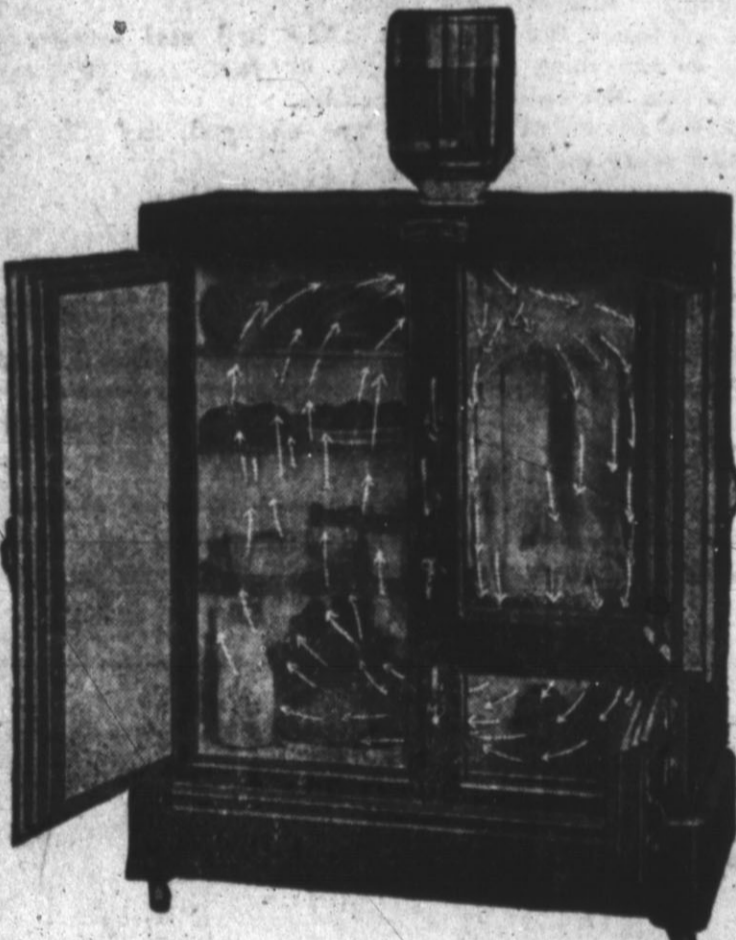

Now is the time to plant trees—Also now is a good time to start a bank account—and let it grow as the trees grow—

Start a saving account for the children.—We pay interest upon such accounts.

"Automatic" The Perfect Refrigerator

The manner in which cold, dry air constantly circulates in an Automatic prevents moisture and mildew. Foods will not spoil or become tainted, but always be cold, sweet and wholesome.

The Automatic circulation keeps air constantly passing over the ice, thus purifying it. Food odors will not mix. Your milk will not taste of onions; your butter will not taste of melon or fish.

You are welcome to see the Automatic demonstrated at our store. You'll be much interested in this modern system of circulation and refrigeration.

The patented bottle holder, an exclusive feature with the Automatic.

You get more refrigeration for less ice in an Automatic because there are eight honestly-built, heat-resisting, cold-retaining walls.

Because these eight walls keep the heat out, and the cold in, you use much less ice than in other refrigerators. Water cooler, porcelain lined and sanitary, takes up no food space or ice space. Same ice cools both foods and water. No ice to chip and waste. No impure ice in water.

The Trap in an Automatic, is the bottom of ice chamber. When cleaning, nothing in food chambers need be touched, or exposed. The most, in fact the only real satisfactory trap made.

You can pay more, but you can't buy more.
