MARY KATE BROTHERTON GETS TOP GRADE; SALLIE GILBREATH LEADS SCHOOL HONOR PUPILS

Mary Kate Brotherton, with an average of 91.1 in all her studies for four years, led this year's graduating class of Hereford High. Miss Brotherton and Henry Jewell, who led the boys, were awarded scholarships.

Sallie Gilbreath, with 246 points, led the entire school for studies and student activities. Her name will be placed on the honor shield for this year. Others receiving medals were—medals are given to the highest five per cent of the students—were Mary Kate Brotherton, Bill McLean, Clyde Posey, Christine Fincher, George Conklin, Barbara Buchner, Edgar Norton, Elizabeth Spradley, Ruth Smith, Alva Vernon, Henry Jewell and Ernest Schelagen.

Placing in the second five per cent and receiving honorable mention were Alma Cox, Odessa Long, Ruth Easter, Wayne Evans, Adeline Schumacher, Sidney Fuller, Basil McKinley, Elizabeth Bow-

man, Odella Flowers, Rita Beemer, Imogene Roberson, Mary Turrentine and Marie Fuller.

Others of the seniors who ranked high in class room averages were Nancy Conkright, with an average of 90.7, four-tenths behind the leader; Sallie Gilbreath, 90.4; Barbara Buckner, 90.2; Sallie Skelton, 90.2; Virginia Line, Wilma Smith, Henry Jewell, Odella Flowers, Shirley Hales, Theda Lou Slaten, Basil McKinley and Elizabeth Bowman.

The following pupils in the high school were neither absent nor tardy during the year: Sidney Fuller, Erma Faye Robinson, Emily Ann Williams, Ruth Callahan, Kathryn Hamm, Florence Hunter, Alta Mae Fortenberry, Clyde Posey, Bill Stanford, Vernon Van Bibber, Wilbur Willett, George Conklin, Roy Hastings, Odessa Long, Lavina West, Chilton Foster, Henrietta Fritz, J. T. Carroll, J. C. Cummins and Bill McLean.

WEED CONTROL, WIND EROSION CAMPAIGN STARTED BY COUNTY

A campaign to prevent blowing of soil and growth of Russian Thistle or tumbleweeds in the county is being inaugurated this week by the commissioners court. The county agent and the extension department are being asked to cooperate.

"Prevention of tumbleweeds is purely a business proposition with the court," County Judge C. W. Humble pointed out. "These weeds gather in the ditches along the roads and are then covered with dirt blown from the fields and the consequent expense of maintaining the county roads is enormously increased."

Right now, the commissioners said, it will cost more to put county roads in shape than it would to build new roads just like them. Besides that, new road machinery will have to be bought.

The main idea right now, is to get farmers to plow all land where the tumbleweeds are growing in order to kill them out so there will be no huge crop this fall. If the weeds are plowed out now the crop will be reduced greatly.

It is the plan later in the year to have farmers raise low wires on fences around fields so that the weeds will not pile up and create dunes causing the blown soil to accumulate.

"We cannot stress the importance of this program too much," Commissioner Jack Rose declared. "Damage to roads alone will result in thousands and thousands of dollars in increased expenditures of local tax money, not to mention harm done to farming land by blowing of the soil."

Methods of preventing soil blowing will be taken up in the campaign through publicity and in letters to be mailed out to the county agent's office. A Panhandle-wide organization to cooperate in combatting wind erosion and tumbleweed growth is being contemplated.

All farmers are urged to plow out lands that are infested by tumbleweeds at once, as the first step in the campaign. Non-resident land owners are being notified by mail of the campaign.

FIREMEN DIVIDE FOUR GAMES AT AMARILLO; MEET SUNDAY

Playing some indifferent and some inspired baseball the Hereford Firemen split a four-game series with the Amarillo Governors last Friday, Saturday and Sunday at Metro Park in Amarillo. The fifth bout will be played next Sunday.

It looked like the locals were over matched when they staged a grand blow-up in the sixth inning of the opener to allow nine runs and lose 16 to 1. Onias Carroll pitched well in this bout but his support went sky high.

Pete Carmichael did some swell chunking in Saturday's game, while Carroll came through with good hitting and base running to score three times and even the series. The count in this battle was 3 to

1. Mercer's men got ahead in the series in the first game of Sunday's double-header with a crushing 6 to 2 victory behind the tight heaving of Pearl Singletary. Pearl allowed ten hits to his mates' eight but he was stingy with men on. Jess Russell was the big noise with the mace, getting two for four and tallying thrice.

Jess got hurt in the after-piece which Amarillo took to even the count. The score in this one was 3 to 0, the first shut-out of the series. Jess strained a leg muscle. Massey, Amarillo youngster, worked both the Sunday games, Carmichael opposed him in the second and pitched a seven-hitler, but the Firemen got only a trio and that was not enough.

EIGHT GRID GAMES ON TICKET FOR WHITEFACES COMING FALL

Just before he set sail for other parts last Saturday, Coach Tommy McCollum announced the 1934 football schedule of the Hereford High Whitefaces. Nine contests are on the list and among them appear some new names. During the summer Tommy expects to pick up a lot of pickup lore at Texas Tech where he will be a student. The country's biggest grid coaching school will be held there in August.

Amarillo's Yannigans will be the first enemy for the '34 campaign. They will christen the new bleachers and turf on the afternoon of September 21. Then an out-of-state aggregation will be imported, the Portales Rams returning last year's visit on September 28.

The second stranger will be encountered October 5, when Littlefield will be met in the Lamb county capital. After that will come conference games and Tommy has already announced that the Whitefaces will win nearly every one of them. Frisco will be here on October 12.

Tulla will be hosts to the Whitefaces a week later, October 19. Then Farwell will appear on the local grid, October 26. The Whitefaces will journey to Happy for the second year in succession on November 2. Last scheduled conference hostilities will take place here November 9 with Canyon's Eagles furnishing the opposition in the game which usually decides the sectional title.

Just for a breather before going into inter-sectional warfare, the Whitefaces will play New Mexico's champions, the Clovis Wildcats. And they were just that in 1933, trouncing the local 39 to 0. The contest will be in Clovis and will furnish the Wildcats their first opportunity to get ahead of the Whitefaces on all-time play. The two have met six times during McCollum's tenure here and each has won three, Clovis having taken the last two.

Ineligibility through failure to make grades this spring will not

County Placed In Area to Receive Drouth Aid

BURGLAR RAIDS LUMBER OFFICE AND TAKES \$30

An expert burglar, apparently working alone, broke into the Kemp Lumber Company office Tuesday night, where he knocked the knob and combination from the safe and rifled it thoroughly. About \$30 in silver and currency was taken, according to Grant Fuller, manager.

Working with gloves on, the marauder left no finger prints. Before going to Kemp's he apparently entered the Taylor & Reed Blacksmith shop, a block north, where he obtained a sledge and large screwdriver. Entering the lumber company property on the south side of First Street, where he loosened a sheet metal wall, the prowler made his way to the shop and thence to the office.

In the shop he stopped long enough to saw the handle of the sledge to half its original length. Then, with a single blow, he battered the knob of the safe from its moorings. Using a square punch and doing it expertly, he blasted the combination away with but one blow. The inner door of the safe was pried open. Contents were strewn about the office floor with reckless abandon. Leaving the burglar allowed the north door of the shop to remain open.

The robbery was discovered Wednesday morning. Officers working on the case said they had no clues.

Dr. Ellsworth to Address Farmers In District Court Room Saturday

Cloudburst Is Fatal To Cattle

This did not happen in Deaf Smith county—it has to do with rain. It happened last Saturday afternoon at the farm of Walter Graham, 20 miles southeast of Hereford.

A cloudburst took place over in that country—the name of the county can not be mentioned because they are seeking drouth relief. Anyhow, the cloudburst drowned three head of Mr. Graham's fine whiteface cattle. An explanation as to how the rain killed the cattle has not been obtained. The opinion that they were scared to death has been advanced as a possible explanation.

Why agriculture is in its present deplorable condition and the logical way out will be explained by Dr. J. O. Ellsworth, head of the agricultural economics department of Texas Tech, in a talk to farmers at the district court room Saturday afternoon. Dr. Ellsworth's appearance, his second here in recent weeks, is being sponsored by the chamber of commerce.

He talked at the chamber's banquet honoring members of the county wheat board earlier this month. Popular demand that he return and complete the analysis he gave briefly at that time resulted in his being recalled. Dr. Ellsworth has been in the Panhandle and Western Oklahoma for the past 30 years, teaching at Oklahoma A. & M. College before going to Tech. He not only has taught agriculture but also has farmed on his own in addition to being reared on a farm.

The talk will start at 2:30 and all farmers, business men and women interested in the problems of agriculture are urged to hear him. There will be no charge.

REFUSED LOANS ARE EXPLAINED BY SUPERVISOR

Making of crop loans is a business proposition and approval of loans is covered by definite regulations laid down by the Federal Government, declared T. E. Miller, crop loan supervisor for the area, in an interview here yesterday. A number of complaints had been made recently regarding rejected loans in Deaf Smith county.

"Loans are either approved or rejected at the Dallas office," Miller pointed out. "We have complete records there and decisions are based on them. These records are obtained in confidence and kept in confidence, out of necessity."

More than 200 out of about 250 loans in Deaf Smith county have been approved this spring, he stated. In every case a man's record as to reliability, character and standing in the community is investigated. He must be deserving and a good risk. His principal occupation must be farming. Non-residents and persons engaging in other businesses are not eligible for loans.

"We have made some mistakes, of course, but we maintain an open mind," Miller said. "If facts justify it, we are willing and often do reopen cases where applications have been rejected. Many who failed to get loans object that they have not been told why. We are forbidden to give the reasons, but most individuals know why they are turned down."

"If neither myself nor the local committee knows an applicant he is asked to give two references and both references are investigated. Much depends upon the replies. It is important to remember that this is not a dole, but a business proposition and that nearly all rejections can be found to be justified upon close investigation."

Deadline on filing of applications for the row crop loans is today. Miller said that wheat loan work will begin immediately.

Highway Program Main Feature

Deaf Smith county has been included in the special drouth relief area in which Federal Administrator Harry Hopkins has again promised there will be a special program to relieve distress. A Texas delegation with a number of Panhandle-representatives met with Hopkins last Thursday in Kansas City to discuss the problems.

It was promised that a program of sufficient magnitude to give the area real relief would be immediately set in motion. The conference grew out of the growing discontent in the area over the administration's repeated promises to place the long-disputed \$8,900,000 special fund at the disposal of the distressed counties.

A preliminary report by the department of agriculture said only five counties, not including Deaf Smith, had been designated as drouth stricken. Congressman Marvin Jones' protest caused 11 more counties, including this one, to be added. Hopkins' program calls for expenditures in 25 counties.

A monthly payroll of \$400,000 plus several million dollars to be spent for materials are contemplated. The expenditures by counties will be based on both population and degree of distress.

Such an arrangement, merchants and business men here say, will result in reviving business to an encouraging extent. At its height the CWA program's payroll never exceeded \$12,000 per month here and business conditions became tolerable. It is believed that an equitable distribution of funds will give this county around \$20,000 a month payroll.

Most of the work is to be done on highways, according to present plans. Highway 33, 20 miles long, is the county's only state designated road and will not provide sufficient employment to give relief. It is believed for this reason that work will be done both on Harrison Highway and 25-Mile Avenue.

Liberalization of crop loans to enable all farmers to get in forage and grain crops is contemplated. This part of the program is intended to reach farmers who were unable to obtain the regular crop loans.

Definite information regarding this program has not yet been given. Until it has, the attitude here is and will be one of doubt, based on past performances of the relief administration.

Wheat Measuring Fourth Complete

Measuring of wheat lands is about one-fourth complete in the county, say officials of the wheat board. Farmers are still being urged to stake off all tracts of land concerned in the wheat contracts. They are required to have stakes at the corners and along the sides of every tract so that the measuring may be done quickly and accurately.

If proper cooperation of farmers is obtained it is believed the work can be finished within two more weeks. Those who do not have the tracts staked are not only delaying the work but increasing the expense of the wheat program. County Agent Dewey Reed has pointed out.

No second allotment payments can be made until all farms are measured and checked for compliance with contracts.

Estimated Yield 150,000 Bushels

Wheat yield in Deaf Smith county will likely be in the neighborhood of 150,000 bushels, compared with an estimated normal of almost three millions, according to a report given Wednesday noon at the Lions Club by Harold Close.

An estimate made by the Panhandle Grain Dealers at Amarillo last week placed the likely yield at 235,000 bushels, Close said. This figure was based on surveys and government reports as of May 1, he pointed out. The government estimate of June 1 will be at least 20 per cent below that figure.

Close exhibited a map showing the areas of Deaf Smith county and their present conditions. Fully two-thirds of the county will not produce a single bushel of wheat. This area includes the entire portion of the county lying north and west of Hereford. A strip five to six miles wide along the southern edge of the county will have a 20 per cent yield and the southeastern corner of the county has a few fields that will make enough wheat to harvest.

Close asked all members of the club to let the whole world know about the true condition of the county in order that the area may receive due consideration in the special drouth relief program now getting under way.

Mrs. Grace Guthrie read two of her poems at the meeting, and a duet of Mrs. A. O. Thompson and Early Joiner sang several songs. Gordon Durham played their accompaniment.

Taxes to Climb On July First

Substantial savings can be made by payment of delinquent taxes before July 1. On that date new penalties and interest will be charged. Instead of a penalty of six per cent, interest at the rate of six per cent per year since the taxes became delinquent plus a penalty of ten per cent will be charged.

Thus, 30 per cent will be added to 1930 delinquent taxes; 24 per cent to 1931 delinquent taxes, and 18 per cent to 1932 delinquent taxes. In addition a delinquent cost will accrue.

No New Projects Begun Past Week

No new local relief projects have been started during the past week, but work is continuing on the half dozen that were under way last week, according to W. W. Chilton, administrator. Lack of funds for expenditure in May has prevented the start of any new work. June appropriations will determine the amount to be started next week.

Frank O. Fernald, district project supervisor from Austin, was here Wednesday. He said sufficient projects to use all available funds will be and have been approved by his office. Meanwhile, Chilton pointed out, direct relief is being continued as required.

Ask Wheat Signers to Call at Office

Signers of wheat contracts in Messenger, Bippus, Sims, Ford and Fairview districts of the county are asked to call at the county agent's office to complete the signing of papers covering compliance with contracts. These people are requested to call at their convenience during the next six or seven days, says Dewey Reed, agent.

HOLDERS of contracts in Westway, Dawn, Hereford and Ward districts will be notified when they are wanted to sign, Reed said.

Medical Association Meets Friday Night

Regular monthly meeting of the Tierra Blanca Medical Society will be held here Friday night. Dinner will be served at the Presbyterian church where the program will also be held. Dr. C. E. Donnell of Canyon is president, and T. L. Morgan of Hereford is secretary. The program has not been completed.

Fred Baird Is Named Auditor for County

Fred Baird was appointed county auditor by the commissioners court Monday afternoon. Mr. Baird's work will begin immediately. The present appointment will last until all 1934 auditing is completed. He succeeds Paul Corbett.

Contest Is Made Of Beauty Drive

A home beautiful contest in connection with the community beautification campaign is being sponsored by the Junior Pioneer Club. Prizes and rules of the contest have not been worked out. Already a number have entered.

Members of the Junior Pioneer Club, who are directing the work in the residential district, are canvassing the city asking that householders sign up to take part in the campaign. The pledge has been signed by 135 so far. Those wishing to enter the contest are asked to call Mrs. Frank Cogdell.

In the contest a check will be made every other week. The competition will last all summer and will be conducted in much the same manner as in 1933. The pledge citizens are being asked to sign is as follows:

"I desire to cooperate with the Community Committee, by doing my best to keep my home premises clean and attractive. I shall have at least one beautification project—a flower bed, border, window box, vines, or a plot of grass to which I shall give special care during the summer and I will especially try to keep my premises free from weeds."

Medical Association Meets Friday Night

Those old meat-eating Lions slipped out of the woods Tuesday afternoon and chewed the Odd Fellows goat up so badly that the candidates will have to ride stick horses for weeks.

It was what the fans like—it was a dinger of a wall game. The wolves on the sidelines were yelling for runs and they got them. They came across in herds; both sides knocked 'em in, stole 'em in, and every way to get them in.

The Lions started right off in the first, believe it or not, folks. Fanny Acker got a lick and it was for two bases, and Hopkins brought him in with a single. The Oddies came back in their half and made two. London struck out, Wilson walked, Tubby Robinson struck a toe in Hussey's ground ball and Walker singled, scoring both runners. Foster was out to third. Young singled and on Stead's ball was out some way—seems like the flathead cut across the diamond from second to home and the umpire called him out.

The meat-eaters took a real bite out of this goat in the second. After two outs McWilliams singled; Seed was safe on an error; Acker singled AGAIN; Close singled; Whattaman Robinson felt sorry

Jimmy Allred to Visit Hereford Next Tuesday

Attorney General James V. Allred will visit in Hereford next Tuesday forenoon in behalf of his candidacy for governor of Texas. Mr. Allred will not speak here, but has sent word that he wants to meet all the voters he possibly can. He will speak in Amarillo Saturday night and in other Panhandle cities. He is scheduled to arrive around 9 o'clock Tuesday morning and will stay probably an hour.

Congressman Joe W. Bailey will be in the Panhandle this week on a speaking tour in behalf of his candidacy for the U. S. Senate seat now held by Tom Connally. He will speak at Amarillo Saturday night after talks during the day at Borger and Panhandle. He will speak at Tulla, Kress, Plainview, Abernathy, and Lubbock Monday.

Frank's Grocery Will Observe Anniversary

First anniversary of Frank's Cash Grocery will be celebrated this week-end with a special sale. Frank Richards, proprietor, declares he is more than gratified with the patronage given his store during its year of existence.

"We've made every effort to stock everything in the food line that anyone could possibly want," he declared, "and this policy, coupled with our sincere desire to give the best in service, has resulted in good patronage. Only standard, nationally-advertised products are found on our shelves. And you will find our prices as low as it is possible to make them."

Lions Lick Odd Fellows Again

for the pitcher and took him out of a very deep hole with a home run. Hopkins was out, pitch to first, but the Lions had five runs in this frame.

The goat herders couldn't do anything about it in the second. That bunch of Leo's lost their temper again in the third and slipped across four more tallies. Allison singled, Posey singled (yessir, it's right here on the book), Speed Patton singled, McWilliams was out to short, Seed went out to second. Acker singled AGAIN, and went out of the race for best strikeouter in the league. Close singled, someone threw the ball to the wrong place, he kicked it to another fellow, second picked it up and threw it over the water tower. One of the field chasers threw it to center field and he threw it into the creek. Anyway Robinson was out to third, and the Lions were nine runs ahead. The Odds went out in the third without scratching.

The night prowlers failed to score in the fourth. On a walk and two licks the Odd Fellows made one run in the fourth.

In the fifth the Lions made three more. McWilliams singled, Seed hit a home run into right field. Acker popped out to second, Close flew out to left, Robinson tripped

into left. Hopkins, as usual, singled, scoring Robinson. Thirteen runs and those wolves yelling for more. How those boys like runs, but they may need them yet. In the last of the fifth Kingfish Padlock led the old goat out on the field, whispered something in his ear, took a horseshoe out of some Fireman's pocket and tied it around the goat's neck and yelled play ball. Wilson, first man up, busted a double. Hussey slapped a home run into left. Walker hit one so hard they never did find the cover, and he circled the bases, and McWilliams was sent to the showers—no he wasn't, he went to third cause they just had nine ball players and didn't even have a shower. Young was up, and Allison doing the elbowing for the Lions. Strike one on Ted, he swung at it; strike two, as Ted misses this one nine feet—then Bang! the ball went sullen over short, into left field, over the creek and bounced off the roof of the Easter school house and rolled into a dog hole. This was Ted's second home run of the day. Onstead was out, second to first. Carroll, playing for Nunn, hit an easy little fly to third. Robinson dug in like no one was going to cross his goal line and the ball

ROW CROP LOANS

Numbers of farmers who have been turned down on their row crop loan applications are complaining bitterly. To all intents and purposes the loans are made to farmers who have no other means of putting in feed crops. A mortgage on the crop is sole security asked by the government on a loan.

Conditions of the loans require that the farmer have no other means of livelihood and no other source for funds with which to put in a crop. And yet, the loans presuppose ability to pay back. This is contradictory because it requires other resources. If the man has ability to pay back, other than the crop which he hopes to produce, he would not need the loan in the first place.

This problem is not one to be passed off lightly. Deaf Smith county's principal source of cash income is from crops. In order for the individuals, the merchants and the community as a whole to thrive and prosper, our farmers must prosper. If the farmer cannot even put in a crop it is certain he cannot produce anything. For many, these loans provide the only possible hope of putting in crops.

The new federal relief program for the drought area promises more lenient conditions for crop loans to farmers. It is to be hoped that the plan goes through at once. Only through liberalizing of the rules governing the granting of these loans will some farmers be able to get crops planted. And Deaf Smith county, regardless of what the department of agriculture reports to the relief officials, is in dire straits as far as the finances of the farmers is concerned.

HAMER AND THE JUSTICE DEPARTMENT

Some, including the Tactless Texan, are wondering why Frank Hamer should not be allowed to become an agent in the Department of Justice. A requirement of the department is that its operatives must be graduate lawyers. And, Tack's walls notwithstanding, it is a good rule and there's a good reason for it.

That Frank Hamer is our greatest manhunter there is little doubt. And there are others, including Frank Norfleet, who are most efficient. There is a place for every one of these human-bloodhounds. But it is not in the Department of Justice. The department need make no apologies for its record—which even Captain Hamer would be pushed to match.

Since the department started after kidnapers—following the Lindbergh case—here is what they have done, exclusive of the recent Gettle and Robles cases: of 24 kidnaping cases, only one remains unsolved. Fifty-three snatchers have been convicted. Eleven are behind the bars for life. Two have been condemned to death. Three have committed suicide.

With the exception of those who work on bank cases, every one of the 350 operatives is a graduate lawyer. The bank men are expert accountants. Rhodes scholars and graduates from almost every university in the country make up the force. It is the cream of the law enforcement army of the nation.

The country is divided into 25 sections with a field officer and a group of special agents under him in each division. There is no working at cross purposes. Each group, in constant telegraphic communication with Washington, covers its own territory so a minimum of time is lost in travel. Some months, as many as 15,000 cases, no two alike, are investigated. TRAINED TO KNOW THE VALUE OF EVIDENCE, THEY ARE ABLE TO PRESENT SUCH AIR-TIGHT TESTIMONY TO JURIES THAT THEY HAVE ESTABLISHED THE ALMOST UNBELIEVABLE RECORD OF 95 PER CENT CONVICTIONS IN ALL CASES TRIED.

Our information comes from The Readers' Digest for May, page 78. A lot of it is quoted verbatim out of necessity. It would be a good idea to read all of it. It will convince the most skeptical that Mr. Hamer would be out of place in the Department of Justice.

A LONG TIME AGO IN HEREFORD

(From The Hereford Brand, May 29, 1903.)

After a short experiment with the town incorporated, an election had been called for June 6 to determine whether Hereford retained its then form of government.

Ira Aten, manager of the XIT ranch, advertised that he would take prospective purchasers of XIT lands out for inspection trips each Monday and Tuesday.

A. G. Bell was in Roswell, New Mexico, on business.

W. J. Chapman, ranchman, was in Austin on business matters.

W. B. Phillips had arrived Wednesday from the Combs & Worley Ranch.

F. C. Malone had been thrown from his wagon by a runaway team, the fall breaking a collar

bone. Postmaster W. J. Walters had received notification from Washington to the effect that his salary had been raised from \$1,300 to \$1,500 per year.

The Woodmen of the World were scheduled to have a big picnic on June 12.

J. W. Rudasill and Wm. M. Knight of Meridian had been here visiting their friend, G. A. F. Parker.

(From The Hereford Brand, May 30, 1913.)

Barnhart and Rice were advertising the opening of a new garage.

Mr. and Mrs. A. H. Elliston were to leave that week for Texas and Arkansas points for a month's stay.

Mr. and Mrs. John L. Wilson were in Waco to attend graduation exercises of Baylor University. Their son, Earl Wallace Wilson, was to finish that year.

Dr. and Mrs. J. W. Price had opened their home to Hereford teachers and a few friends Friday evening.

The editor was urging the establishment of a trades day in Hereford.

Alex Thompson had hooked a big tractor to his residence and moved it back to town. When he moved, he put on style, and included the house, also the kitchen sink.

A. L. Gibson, J. A. Wear and J. A. Buckner were the latest joiners of the chamber of commerce.

By Their Words

What Panhandle Papers Say

Boston, Mass.—The perfect abill has at last been found. A statistician has worked out the number of chances for mistakes in one column of print. The number is 79,000 to 1. In an ordinary newspaper column there are 10,000 letters; there are seven wrong positions that a letter may be put in; there are 70,000 chances to make an error and millions of chances for transpositions. In the short sentence "To be or not to be," by transposition alone it is possible to make 2,758,609 errors.—State Line Tribune, Farwell.

No doubt about Doc. Matthews not knowing his figures. The other day he was treating a patient. "What are my chances for recovery?" queried the patient. "Exactly 100 per cent," replied the doctor. "Medical records show that nine out of every ten dies of the disease you have. Yours is the tenth case I have treated. All the others died. Statistics are statistics; you're bound to get well!"—Muleshoe Journal.

Industry, especially in the East, has felt strongly the tonic effects of NRA; production costs and resale prices have advanced quite a bit. So far so good. Manufacturers have added their proportionate profit to costs, and thus share in the benefits. Again so far so good. The farmer, whose production is the basis of America's prosperity, hasn't profited so much. Then along came drought through an immense section of the country, and his chance to get a break went glimmering over millions of acres. If the laborer gets good pay in industry, the manufacturer adds a fair profit, and his market is partially, if not largely, lost, nobody profits. The gap between what the farmer receives for what he produces, and what he has to pay for what he buys was never

wider. If drought cuts production raises prices, that helps only the farmers who had fair production. The others are much worse off than before.—Curry County, New Mexico, Times.

A young man took his vacation working in the Maine woods. He was put at one end of a cross-cut saw cutting trees into saw-log lengths. After two hours he was hardly able to go on. His back was well nigh broken, and his spirit completely so. At the other end of the saw a brawny woodman paused at the end of three hours and said: "Young fellow, I don't mind your riding on that end of the saw, but for the love of Mike stop letting your feet drag on the ground." Maybe that's what you are doing in your home town—not only riding on the town but dragging your feet. The least you can do is to quit dragging.—Tulla Herald.

The Texan wishes to most heartily congratulate The Amarillo News-Globe on its long and red-hot editorial Sunday, "The Betrayal of the Panhandle." Frankly we think the News-Globe is a year or so waking up on the situation or else has been that long making up its mind to attack a bad condition, but we are happy it has come alive. That editorial was a dandy and it goes right home to the heart of a most distasteful and disagreeable situation. If the Amarillo News-Globe would now wake up and realize the Texas Highway department is as much of a bureaucracy, as involved in politics and playing to the galleries as Mr. Hopkins, Westbrook, Ferguson, Braun, et al, and call their hand in the same tone, it would be wonderful. There never was a time when the Panhandle of Texas needed the vigorous, fighting, hell-raising leadership that Gene Howe and Wilbur Hawk can give more than right now.—Dalhart Texan.

Dean News

BY MARY LOUISE—ELSIE FRIEMEL

Mrs. Morel and Eldon Harris attended Sunday school and church at Ward Sunday.

Mr. and Mrs. L. L. Crawford and daughters were Sunday guests in the Chester Hodges home.

Mr. and Mrs. L. T. Fletcher of Odessa, Mr. and Mrs. W. R. Simon and Mrs. Hart of Plainview visited their sister and daughter, Mrs. Dean, Saturday night and Sunday.

Mr. and Mrs. Walter Hodges are here to stay through harvest.

Mr. and Mrs. M. B. Stone entertained with a forty-two party last Thursday night. A large number were present. Ice cream and cake were served at a late hour.

Messrs. and Meses. B. B. Fulkerson, E. T. McDowell and Mrs. Clem Friemel and children attended the picture show in Hereford Wednesday night.

Mrs. Morel and nephews were in Hereford last Friday.

Molly Jo Roberson of Hereford was a guest of Mary Louise Dean Sunday.

Mr. and Mrs. T. W. Roberson and sons called in the Arlie Dean home Saturday evening.

Mr. and Mrs. Jim Boyd were in town on business Friday.

Mr. and Mrs. G. F. Branson and Mrs. W. L. Branson of Amarillo spent Friday here visiting their parents, Mr. and Mrs. B. L. Branson, and attended the graduation of their niece, Mary Kate Brotherton.

ROLLATOR REFRIGERATION IS
BEST

NORGE will prove itself an actual household economy

Come in and see the new Norge... See for yourself how the unique, powerful Norge Rollator cold-making mechanism supplies never-failing refrigeration so abundantly and inexpensively... See how it makes home refrigeration a food-saving economy, actually saving more than the cost of its operation... savings up to \$11 a month. Quick freezing of cubes... a constant temperature of just the right degree in the food chamber... a hydrovior that keeps vegetables garden-fresh, are a few of the many superior features standard in leading models of the new Norge... Don't buy any refrigerator until you see the Norge.

NORGE Rollator refrigeration

Fullwood Battery and Electric Station

Mulshoe Golf Club Is Beaten

Another scalp was added to the list held by Hereford golfers last Sunday when they trimmed Mulshoe's mashie wielders on the local layout. The locals took 15 out of 16 matches and ended with nine and one-half points to one-half.

Bud Posey turned in the best score of the day, a 74, two over par. J. M. Posey, Johnathan Pitman, John Patton and Arch Foster tallied 75's. Wollard was the best Mulshoe shooter with a 79. It was not good enough, however, to beat Bud Posey.

The scores: J. M. Posey 75 vs Cobb 82; Pitman 75, Gupton 87; B. Posey 74, Wollard 79; A. Foster 75, Rockey 86; Clark 78, Osborn 82; Young 78, McCarty 88; D. Fox 77, Robinson 87; Patton 75, Winn 92; Rice 84, E. C. Smith 87; Streu 90, Gardner 94; Allred 91, Lawler 105; Phillips 91, Dr. Winn 85; Garrett 83, Robinson 95; Jenkins 90, Murdock 97; L. Foster 90, Sneed 98; Sindt 90, Garrett 98.

MONDAY LAST ENROLLMENT DAY FOR SUMMER SCHOOL

Monday will be the last day for students to enroll in summer school, according to James Wilson. Mr. Wilson and Miss Sayde Rigter are conducting classes in the high school courses. School will run six weeks.

All high school subjects excepting laboratory sciences are available. If a student has completed laboratory work in a science course, he may take the classroom work in summer school.

Tuition charges are \$7.50 for one course and \$10 for two. Work started this week.

Charles Cogsdell of Dallas visited his father here this week.

Give Honor Roll of Last Six Weeks

High Honor Roll

Tenth grade: Christine Fincher, Edgar Horton, Bill McLean.

Eighth grade: Mary Turrentine. Seventh grade: Karl Shirley, Viola Beryl Phillips, Faye Crosthwaite.

Sixth grade: Grant Fuller, Jno. Willett, Virginia Newell, Joy Wagley.

Fourth grade: Doris Elaine Dillehay.

Honor Roll

Mrs. D. L. Rutter Dies Late Wednesday at Home

Mrs. Estelle Rutter, 60, wife of D. L. Rutter of this city, died at the family home on North 25-Mile Avenue last night about 11:30, after an illness of more than a year. Funeral services this afternoon at the First Baptist church at 3:30. Rev. R. E. Bost, pastor of the First Baptist church in Dimmitt, officiating.

Surviving are her husband, two sons, Glenn Smith and Marion Thomas Rutter, of this city; a sister, Mrs. Ruby Barah of Long Beach, California, and two brothers, Ellery, who lives in California, and Charles Barham of Ferrysville, Wisconsin.

Mr. Rutter and family came to Hereford from Ferrysville, Wisconsin, in 1911, and made their home on their farm 40 miles northwest of town. A few years ago they moved to Hereford. Mrs. Rutter was born in Wankon, Iowa, and a few years after her marriage to Mr. Rutter they moved to Wisconsin.

The remains were laid to rest in West Park Cemetery immediately following funeral services.

To Have Tournament Sunday at Golf Club

A dinner tournament will be played by golfing teams of Doc Morgan and Judge Landis at the Hereford course next Sunday. Although Morgan and Landis have chosen up and worked out the pairings, they have refused to announce them until the players reach the course Sunday morning. Players will not be told until after the matches which side they are on.

The losing team will arrange a picnic for the winners, date of which will be determined after the match.

Attendance at Revival Good; Shaw Will Sing

Attendance at the union revival meeting being held nightly in the Christian church under the joint sponsorship of the Methodist, Presbyterian, Christian and Baptist churches, has been splendid, the ministers report.

Rev. H. A. Shaw of Amarillo, well known singer and radio artist, will be here next week to direct the singing at the nightly meetings. Each church member is urged to attend and every person not a church member is invited. A religious survey of the city is being made during the revival.

Judge and Mrs. Clyde Wright and daughter, Miss Elva, and son, Jack, of Silverton, and Mr. and Mrs. Erceel Beyer and daughter, Beverly Jane, of Wichita, Kansas, are visiting in the home of Mrs. Wright's and Mrs. Beyer's father, A. W. Gregg. Mr. Gregg is enjoying a real family reunion in that all of his children and their families are here. His daughters, Mrs. Harry Seed and Mrs. W. E. Dameron, and his son, Clyde Gregg, live here.

Mrs. Jesse Groner returned to her home at Plainview Sunday after a visit with her parents, Mr. and Mrs. J. H. Head.

Mr. and Mrs. Wes Anthony and daughter, Helen, of Big Square were here last Wednesday.

Prairie Dairies delivers Grade A Milk at 6 a. m. and 6 p. m. every day. Phone 606 for special orders.

Mrs. J. W. Hicks, Misses Vida Hicks and Gwendolyn Spradley left Monday for Garden City, Kansas, to attend the wedding of Miss Lucille Hicks and William W. Burnside, which took place Tuesday.

Miss Bobbie Rae Posey arrived at the home of her parents, Mr. and Mrs. Ab Posey, last Monday morning. She weighed seven pounds and ten ounces and gives every indication of being pleased with the Panhandle.

Dick Dixon returned Wednesday from Muskogee, Oklahoma, where he has been in the Veterans Hospital the past ten days. He underwent an ear operation. He reports Jim Burton of this city is doing well following a major operation in the same hospital.

SOCIETY

Hastings-Gilbreath Wedding Saturday

The marriage of Miss Ina Mae Hastings and J. T. Gilbreath, Jr., was solemnized Saturday evening at 8 o'clock at the home of the bride's parents, Mr. and Mrs. Henry Hastings, Rev. W. M. Griffin officiating.

The home was beautifully decorated with garden flowers and only the immediate family and close friends were present.

The bride was lovely in a pink ensemble with white accessories. Mr. and Mrs. Gilbreath are at home to their friends at the Matt Gilliland apartments.

NELL KESTER MARRIES O. H. CULPEPPER

Miss Nell Kester, daughter of Mr. and Mrs. F. M. Kester, and O. H. Culpepper, son of Mr. and Mrs. H. D. Culpepper, slipped away last Saturday evening and were quietly married by Rev. Hilburn at his home in Ceta Canyon. Rev. Hilburn is an old friend of the bride's parents.

Mr. and Mrs. Culpepper will make their home in North Hereford.

MISS FLANERY HONORED AT SHOWER

Miss Dorothy Flanery, who is leaving this week for her home in Sherman, was the honoree at a miscellaneous shower at the M. L. Steele home last Saturday afternoon. Miss Flanery and Colby Conkright of this city will be married some time in June. The home was decorated with beautiful garden flowers. A musical program was enjoyed throughout the afternoon. A clever skit, "Initiation into the Housewives Union," was given during which the gifts were presented.

An ice course was enjoyed by about 50 guests.

Hostesses for the afternoon were Misses Steele, J. C. McCracken, B. M. Wiltshire, C. H. Dilliboy, Hubert McEntire of Amarillo, and Miss Edith Shields.

ANGIE JACOBS WEDS EDSON FUNK

Miss Angie Jacobs, daughter of Mrs. Luna Jacobs of the Ford community, and Edson Funk of Vega were quietly married last Wednesday morning at 11:30 at the bride's home. Rev. Godwin, pastor of the Vega Baptist church, performed the ceremony.

Mr. and Mrs. Funk are at home on the Dock Shields farm near Vega.

BRIDE-TO-BE HONORED AT SHOWER

A miscellaneous shower was given Mrs. J. T. Gilbreath, Jr., nee Ina Mae Hastings, last week by Misses Tom Vaughn, Pink Gilliland, Floyd Dodson and Miss Bessie Lee at the Tom Vaughn home in the Westway community. Mrs. Gilbreath taught in the Westway school the past two years.

A delicious plate luncheon was served to about 35 friends.

HERBERT BOARDMAN GOES TO NATIONAL CONTESTS

Ralph Smith, high school band director, Herbert Boardman and Ruth Marie Mountz left Monday for Des Moines, Iowa, where Boardman will take part in the national band and solo contests. Boardman, who plays the bass horn, was pronounced highly superior at the Amarillo Music Festival and was recommended for the national contests. Miss Mountz will play his accompaniment. Sonny Marrs accompanied them to Des Moines, from where he will go on to Trenton, Missouri, for a visit.

Card of Thanks.

We offer our gratitude to our friends for their kindness during the illness and death of our dear mother, Mrs. A. J. McBrayer. We want to thank those who sent flowers. May God bless each and every one of you is our prayer.

Emma Mann was a supper guest of Tincy Brunson Sunday.

J. E. Hill of Hereford was in this community looking after business interests Monday.

**NOTICE OF SALE OF REAL ESTATE UNDER ORDER OF SALE**

THE STATE OF TEXAS, COUNTY OF DEAF SMITH.

Whereas, by virtue of an order of sale issued out of the Honorable District Court of Deaf Smith County, Texas, on the 7th day of May A. D. 1934, by the clerk thereof, in the case of Pearl S. Harrison vs Mary A. Putty, Malcolm D. Putty, W. Cecil Putty, Paul G. Putty, Rose Moody and husband, Paul Moody, Number 2128 on the docket of said court, said order of sale being issued on a judgment rendered in said court on February 19th, 1934, in favor of Pearl S. Harrison and against all of the above named defendants for a foreclosure of the materialman's and mechanic's lien against the hereinafter described lands and against Mary A. Putty for the sum of \$6647.90 with eight per cent interest from date of judgment and the sum of \$664.76 with six per cent interest from date of judgment, and costs of suit; the judgment in foreclosure being against the following described lands and premises in Deaf Smith County, Texas, described as being all of Lots Number One (1), Two (2), Three (3), Four (4), Five (5) and Six (6) in Block Number Twenty (20) in the original town of Hereford, Texas; said order of sale being to me directed and delivered, I did on the 7th day of May, 1934, at 10:00 o'clock A. M. levy on all of the above described lands by virtue of said order of sale.

By the terms of said order of sale I will proceed to sell all of the above described lands on the 5th day of June A. D. 1934, the same being the first Tuesday in June, 1934, between the legal hours of ten o'clock A. M. and four o'clock P. M. at the court house door in Hereford, Deaf Smith County, Texas, offer for sale and sell at public auction for cash said lands and all the right, title and interest of each and all of the above named defendants in and to said lands and to satisfy said liens as they existed on November 9th, 1927, and said judgments in above amounts and levied on as the property of Mary A. Putty.

Given under my hand at Hereford, Texas, this 7th day of May, A. D. 1934.

J. B. MILLER, Sheriff of Deaf Smith County, Texas. By J. M. MURCHISON, Deputy.

**A DOLLAR AND A HALF WORTH OF OIL PROTECTED THIS MOTOR FOR OVER FOUR THOUSAND MILES!**

**Low Consumption and Motor Protection proved in the most daring and convincing Motor Oil Test ever made**

WHEN New and Improved Conoco GERM Processed Motor Oil was perfected, it had lubrication values so great that a mere statement of them would seem absurd. Could you believe that any strictly stock motor could run 4,729 miles on just five quarts of oil before wrecking itself? It did—and Conoco proved it in competition with five widely known, nationally advertised, quality brands of motor oil!

The competition was held at the Indianapolis Motor Speedway, under the supervision of the Contest Board, American

Automobile Association. Six new, strictly stock cars, were used—a different oil of the same S. A. E. grade in each.

After the cars were broken in for 2,500 miles, they were drained, examined and a fresh fill of five quarts put in each crankcase. No more oil was added. Then the cranks were sealed by an AAA official. The real test began. It was ordered that they be driven at an average of 500 miles a day at 50 miles an hour until their motors failed to operate. Oil No. 4 was first to fail at 1,713.2 miles. Oil No. 6 failed at 1,764.4 miles. Oil No. 5 ruined its motor at 1,815.9 miles; three of them were out of the running. The next day Oil No. 1 failed to lubricate and, its motor wrecked, stopped at 2,266.8 miles.

Two cars—two oils—still left in the test. Oil No. 3, after a remarkable run of 3,318.8 miles, came to a shuddering stop,

Five quarts of each brand of oil were carefully put in the cars by AAA officials.

Here are the Representatives of the Contest Board of the American Automobile Association who supervised every detail of the test and attested to the records made.

The official sealing of cranks after all of five quarts was put in. No addition of oil was permitted in this "destruction" test.

**Warning to new car owners...**

Some car manufacturers are using new types of bearings which will stand greater pressure and temperatures, resulting from increased power and speed. New and Improved Conoco GERM Processed Motor Oil has been exhaustively tested on these new bearings. The results show that it gives them greater protection against damage than many straight mineral oils now on the market. Protect your new car by using the motor oil you can be sure of.

 Katherine Fullwood of Hereford is spending the week with Juanita Welch.  
 Mr. and Mrs. Dennis Ray and

**5 Six-Footers... and not a cramp in a Carload!**

FIVE big men can relax in utter comfort on the deep cushions of the Ford V-8. Wide seats keep elbows out of ribs. Ample leg room keeps legs from being cramped.

Why? Because Ford measures roominess in terms of usable body room. Not in terms of the distance between bumpers, which means nothing when you come to analyze it.

The Ford V-8's very engine construction gives you more body room, as the diagram explains. Cylinders are "doubled-up" saving space, not strung along in a line to waste it.

See how much less space is occupied by the V-8 engine as compared with the ordinary "V-8" or "V-8-1/2." Less space for the engine means more space for the passengers.

The Ford V-8 front seat is adjustable. It quickly and easily adapts itself to a six-foot-two husband or a five-foot-two wife. It ends forever that source of strife.

Before you buy any car at any price, drive the Ford V-8.

 HEREFORD, TEXAS

ALLIS-CHALMERS

**Taxpayers' Money Is Being Wasted**

By the needless expense in allowing tumbleweeds to grow on farms and in fields. These weeds grow up to enormous size, then blow to the fences and roads where they pile up and are in turn covered with soil which blows from the fields, increasing road maintenance costs materially.

**Did You Know That**

It will cost more to remove those dunes and clean up the county's roads than it would to build new roads?

**Plow Up Those Tumbleweeds!**

It is urgently requested that farmers form groups and make plans with their neighbors to fight weeds and that they do it NOW

# LOCALS

Paul Fair of Armstrong, Missouri, was here last week visiting friends.

Mrs. Will Wright and daughter of Dimmitt were Hereford visitors on Monday.

Rev. R. E. Bost and son of Dimmitt were business visitors here last Tuesday.

Mrs. Lora Williams left the latter part of last week for St. Louis, Missouri, where she will visit her sister, Mrs. White, for several weeks.

Mr. and Mrs. Wes Anthony of near Big Square, were shopping in Hereford Wednesday.

Prairie Dairie delivers Grade A Milk at 6 a. m. and 6 p. m. every day. Phone 666 for special orders.

Mrs. G. F. Tomlinson of Tulsa is visiting in the home of her daughter, Mrs. Henry Hastings.

Mr. and Mrs. Elmer Mathias are entertaining a new son, who made his appearance Saturday night.

Mrs. G. A. F. Parker left Thursday for a 10-days trip to Austin where she will visit friends and relatives.

Mr. and Mrs. Karl Herd and nephew, Leslie Vaughn, of Puyallup, Washington, arrived last Friday to visit with Mrs. Herd's mother, Mrs. A. B. Schulz.

Mr. and Mrs. George W. Parker left Wednesday for Los Angeles, California, where they will spend the summer.

Mrs. Dewey Reed and family will arrive here the latter part of the week to spend the summer with Mr. Reed.

Mr. and Mrs. T. J. Carter are rejoicing over the arrival of a son, Thomas J., Jr., who made his appearance last Friday.

Mrs. Frank Lucas left Sunday for an extended visit with her mother in Brownwood. Her son, F. L., accompanied her.

Mr. and Mrs. Sam Hutson of Littlefield visited this week at the home of Mr. Hutson's parents, Mr. and Mrs. J. H. Hutson.

W. L. Davis and B. H. Hopkins with a party from Lubbock spent a few days this week west of Las Vegas, New Mexico, fishing.

Mrs. Dewey Lawrence and two sons of Tyler arrived last week to visit Mrs. Lawrence's parents, Mr. and Mrs. F. H. Oberthier.

Miss Esther Jennings and Messrs. Don Taylor and Raymond Wright of Amarillo were guests in the J. H. Pitman home Wednesday.

Mrs. N. W. Cayton and children of Texhoma, Oklahoma, arrived last Friday for a visit with her parents, Mr. and Mrs. J. P. Woods.

Mr. and Mrs. F. C. Whitsel and family of Carthage, Missouri, are visiting in the home of C. P. McCullough, and sister, Mrs. W. R. Cain.

Mrs. A. C. Hales is leaving Friday morning for a month's visit with her parents, Mr. and Mrs. J. H. Copeland, in the Rio Grande Valley.

A new daughter arrived at the home of Mr. and Mrs. Johnnie Biggs early Thursday morning. Both mother and baby are doing nicely.

Mrs. J. B. Phillips left the first of the week for Kansas City and Independence, Missouri, for an extended visit with relatives and friends.

B. F. Falkerson is in Roswell this week attending to business and visiting relatives.

Mrs. Frank Ball and family of Tucuman, New Mexico, visited her mother, Mrs. R. G. Slak, here this week.

Prairie Dairie delivers Grade A Milk at 6 a. m. and 6 p. m. every day. Phone 666 for special orders.

Mr. and Mrs. C. H. Dillehay and family left Wednesday afternoon for Austin where Mr. Dillehay will be in the University for six weeks.

Miss Addine Hastings of Amarillo spent the week end with her parents, Mr. and Mrs. Henry Hastings and attended the wedding of her sister, Ina Mae, to J. T. Gilbreath, Jr., on Saturday evening.

Mrs. E. W. Harrison and daughter, Miss Mattie Lou, left today for Austin to attend the graduation exercises at the University where David Harrison is receiving his degree.

Hertha Baer, daughter of Mr. and Mrs. Gaston Baer, who was hurt recently when she fell from her bicycle, was brought home Sunday from St. Anthony's hospital at Amarillo.

## BALL GAME

(Concluded from Page 1)

went over his head. Tsh! Tsh! Tsh! Close dropped Sowell's fly in left, London laid, one down and was out at first, advancing both runners. Wilson walked, with the bases loaded and two men out. Chuck Hussey stepped into the bucket holding the wrong end of the bat and the flathead hit to third for an easy out. But Charlie and that horseshoe made four runs, no matter how they made them, they counted.

On a triple by Robinson, and singles by Hop, Allison and Posey the Lions had to score one more in the seventh.

The goat riders got a couple of men on in their half but couldn't score and the ball game was over, 14 to 9 in favor of the Lions, and us Midgets are not in the cellar any longer.

The Odd Fellows beat us Midgets 16 to 6 last Thursday in a very poorly played game by the Midgets, but still can't see why those birds wanted to get hot on us, for those bat-breaking, ball-busting, hard-hitting sons of guns just couldn't be put out, and guess the score keeper cheated a little or we couldn't have done it anyway. We don't want to talk about it, so that's all.

## FOOTBALL

(Continued from Page One)

greatly hinder the Whitefaces, only two squadmen having failed to make the necessary marks. Last year this bugaboo caught four head of prospectives, and marriage and sickness nullified three others. Barring the latter possibilities, McCotum allows as how his eleven this fall will be his greatest since 1929.
