KEEPING COOL WITH KOOL AID, these two-business-minded 10-year-olds were worried about a shortage of customers who were trooping back to school. So they closed up their stand and joined the class-bound movement. Besides, they didn't know how to cope with the state sales tax that went into effect Friday. The partners were Jean Ann Gore, left, daughter of Mr. and Mrs. Howard Gore, and Vickie Kendall, daughter of Mr. and Mrs. Lawrence Kendall. (Staff Photo)

Extend Deadline For Municipal Golf Tourney

Entry deadline for the annual Hereford Municipal Golf Tourney has been extended to Sunday, Sept. 3, at 1 p.m., according to Hereford golf pro Bud Posey.

To be held Sunday and Monday, the tourney will be a 36-hole medal play. Entrants may play the 36 holes either or both days. Participants may shoot either 18 holes one day and 18 the other, or may play all 36 holes either day of the event.

Golfers may enter with any foursome they desire, according to Posey. Strictly a local affair, only about 40 entries are expected.

Defending champion John Ettridge of Dimmitt is the favorite to repeat. Top contenders are expected to be Charles Seed, Bob Lindsey, Dale Tinnin, Wimpy Walker and Frank Cogdell.

The National P. G. A. hole-in-one contest also will be staged Monday at the Hereford Municipal Golf Course. Held on hole number five at the course, if there is no hole-in-one, the closest to the hole will be the winner.

Hole-in-one entries are not required to enter the tournament. Tournament entrants, however, will be allowed one free try at the hole during the tournament.

Hole-in-one champion will receive a silver ash-tray with the P. G. A. emblem on it, plus the chance to enter the national hole-in-one championship.

Approximately 120 golfers are expected to enter the Hereford Invitational Golf Tourney, to be held Friday, Saturday, and Sunday, Sept. 8-10, announced course manager Bud Posey. Entry deadline is 6 p.m. Thursday, Sept. 7.

There will be no qualifying rounds as golfers will be placed in 16-man flights. Flights will be determined according to handicaps. Golfers tee off Friday for the first 18 holes. (Continued on page 3)

HIGHEST HONOR of Campfire Girls is the "Torch Bearer Craftsman" rank, which these two girls, Judy Crume left, and Helen Davis right, received Wednesday. Presenting the

coveted certificate is Mrs. Phillip Barkley, Administrative Secretary of the Hereford Campfire Girls Council. (Staff Photo)

Highest Campfire Rank To Helen Davis, Judy Crume

"That light which has been given to me, I desire to pass undimmed to others," is the desire of the girls which pass the coveted "Torch Bearer Craftsman" rank in Campfire Girls, the highest rank of the organization.

Helen Davis became the third Hereford girl to receive the honor, after being in Campfire Girls for more than seven years. Only two other Hereford girls have passed the highest rank in Campfire Girls.

Judy Crume recently received her second "Torch Bearer" certificate in citizenship. The first Hereford girl passing the high rank was Susan Stapp. Helen Davis, the 14-year-old daughter of Mr. and Mrs. Abe Davis of 319 McKinley, worked one year to complete the requirements to receive the "Torch Bearer" rank in aquatics, or swimming.

Judy Crume passed her first "Torch Bearer" rank in art last year, and recently passed her second badge in citizenship, which are only two of the 20 ways to earn the award. Other fields include such things as homemaking, science, and business.

At the present, three other local girls are working toward the honor. Barbara Langley, Sharon Tinnin, and Linda London are all working on their homemaking Torch Bearer certificate.

These six girls started Campfire Girls together while in the second grade, and are now the highest ranked in Hereford Campfire Girls' history.

In the near future, these girls will become charter members of the Horizon Club, a division of the Campfire organization for older members, according to their leader, Mrs. Carl Stapp.

Presenting the girls with their certificates was Mrs. Phillip Barkley, Administrative Secretary of the Hereford Campfire Girls Council.

"This group of girls has been extremely active, in comparison with other Campfire Girls," stated Mrs. Barkley. According to her, there are 250 girls in the Hereford Campfire and Bluebird organization.

To pass the rank is no simple task, as it generally requires at least a year to fulfill the requirements.

Among the requirements to receive her "Torch Bearer" honor in citizenship, Judy Crume, daughter of Mr. and Mrs. Vance Crume, states that she did such things as work in the Migrant Ministry at the Hereford Labor Camp, taught children in vacation Bible School at her church, and was a junior leader at Campfire Camp this summer.

Completing her rank in aquatics, Helen Davis passed her junior life saving rank, taught

Hereford Drops Brownfield On Sustained Drives, 12-0

Hereford's surprising Whitefaces, showing a forceful ground game and a triple - tough defense, downed the Brownfield Cubs 12-0 Friday night in the opening game for both teams.

Playing in Brownfield before an estimated 3,000 fans, the Whitefaces ran a tackle - tackle offense with halfbacks Dennis Hodges and Mack Cansler carrying most of the load.

Brownfield, weaker than expected, could never penetrate past the Hereford 15 - yard line as the Whiteface defense, led by Troy Don Moore and Butch Walterscheid, stopped all the Cub offensive attempts.

Showing unexpected coolness, Hereford quarterback Joe Mack Hale, playing his first varsity ballgame, did a masterful job as he engineered the district 1-AAAA Herd over the 2-AAA club.

Brownfield quarterback Teddy Howell also did a fine job, as he hurled streamlined passes throughout the latter portions of the contest in an effort to reach scoring territory.

Brownfield opened play with a kick - off to Whiteface halfback Hodges who returned the ball 25 yards before being dumped on the mid - stripe line.

Showing unexpected power, the Herd moved to the Cubs' 10 - yard line in three successive first downs only to fumble and lose the ball.

Running on a wing - T formation, Brownfield could not budge the Hereford line and made only three yards in three tries. They were forced to punt to Whiteface Cansler who was downed on the Cubs' 37.

Nine plays, 33 yards and four first downs later, Cansler took a hand - off and smashed the remaining four yards for a tally with 0:10 remaining in the quarter. Tackle Bill Steele was (Continued on page 3)

Enrollment in the Hereford public school system at the end of the first two days of classes was more than 350 above the same period last year.

By Friday, total enrollment figures had reached 2883 pupils, compared with 2528 counted after two days in 1960.

Superintendent Paul Stevens said that additional youngsters were expected to enroll Tuesday after the Labor Day holiday. Peak enrollment in the Hereford system usually comes in October, he pointed out. This year's enrollment is expected to be higher than the 3,000 mark that was reached last year.

At present, schools in the system show the following totals in enrollment: Northwest Elementary, 237; Aikman Elementary, 432; Central Elementary, 440; Parkview Elementary, 53; Shirley Elementary, 535; Dawn, 35; Stanton Junior High, 701; and Hereford High School, 450.

In addition to these, officials at St. Anthony's Parochial School reported a pre-class enrollment of 260. Classes at St. Anthony's and the Labor Camp Parochial School will start for the first time Tuesday.

STREET POLL SHOWS

No Indifference About State's New Sales Tax

After the first day of a sales tax in Hereford, the Brand made spot checks of those involved with collecting the taxes, and those who are paying them. This is what some of them had to say about the new revenue - producer for Texas:

JOE THAMES, pharmacist: "I used to live in Oklahoma (where they have had a sales tax for years) and it's not so bad. After people get used to it, it's not half as bad as people think. It seems like a lot of money, but a few pennies at a time is not so bad."

WAYNE HEATHINGTON, variety store manager: "It's a mess."

CUSTOMER, who withheld his name: "Don't see how we can get along without it."

MARY SALINAS, dry-goods store clerk: "It's complicated in a way."

L.W. CARLYLE, customer: "If the state has to have the

money, I guess it's all right."

GROCERY SACK-BOY: "It is a lot of commotion."

FRED BELL, customer: "I am against it."

JOE SOTO, dry-goods store clerk: "I think it is confusing and complicated. I also think a one per cent tax on everything instead of a little here and there would be better."

ROBERT THOMPSON, customer: "I think it is a good thing and the revenue is needed. It is an effective way to get it because it is easy to collect. It is not an equitable tax. Taxes are necessary. We get more for the tax dollar with this tax than with any other tax or any money we spend."

W. C. HROMAS, customer: "The tax is all right if we need it. Everyone will share alike in paying it. In a month or two, we will hardly notice it."

SPECTATORS WATCH RESCUE WORK

Two Youths, 14 And 16, Drown In Pond On Creek

Two teen-age Hereford youths drowned Wednesday afternoon in a small pond on Tierra Blanca Creek just southwest of Hereford.

Victims are Ines Campos, 14, son of Mr. and Mrs. Claudio Campos, and Adolpho Chavez, 16, son of Mr. and Mrs. Juan Chavez.

Services were held here Thursday for Chavez. Funeral for Campos was tentatively set for 2 p.m. Sunday in Mathis.

The two victims were among a group of five Latin-American boys who were swimming in the pond near the railroad bridge north of the Hereford Labor Camp Wednesday afternoon. According to witnesses, the two victims were standing at the edge of the pond when one of them slipped on the muddy bank and grabbed the other

victim as he fell. Both boys disappeared beneath the surface. The pond, about 20 yards wide and 60 yards long, is 12 to 15 feet deep near the bank from which the boys fell.

Neither of the victims was able to swim. Swimming in the pond were Felipe Campos, 10, brother of one of the victims; Richard Chavez, 12, brother of the other victim; and Juanito Martinez, 10, all from the Labor Camp.

The younger boys tried to aid the victims, but were unable to do so. Martinez ran back to the camp and got his 15-year-old brother, Steve, to help in the search. A few minutes later Richard Chavez went to the camp and told deputy sheriff Domingo Pesina of the accident. Pesina notified the sheriff's office and rushed to the scene.

Shortly after the mishap at 4:15 p.m., there were several hundred spectators lining the banks of the creek and watching the search.

A volunteer swimmer from the Labor Camp recovered the first body, that of Campos, about 3 p.m. After pulmotor and other resuscitation efforts failed, he was pronounced dead at 5:15 p.m. (Continued on page 3)

Patrol Starts On Labor Day Traffic

The Texas Highway Patrol this week urged all Labor Day travelers to return home early and take plenty of time in reaching their destination.

This year the patrol's holiday death watch is being known as "Operation Motorcade," which means that all law enforcement officers throughout the state are on the watch to prevent fatal highway accidents.

According to Highway Patrol Sergeant Roger Sosebee, 16 area Highway Patrol officers are on duty during the Labor Day weekend which started at 4 p.m. Friday and ends at midnight

The officers will be on duty constantly until the Monday deadline. They will be watching for any kind of traffic violations which could result in an accident.

Sosebee stated that the area officers are working several radar units and that they are watching for drinking drivers and speeders.

According to Sosebee, football games, horse races, and rodeos are drawing thousands of travelers onto the highways as they attempt to make use of the last summer holiday.

HUNDREDS OF SPECTATORS silently lined the banks of Tierra Blanca Creek late Wednesday afternoon while rescue workers searched for the bodies of two Latin-American youths who had drowned in a pond. A diver

downed before he could attempt an extra point kick.
As the quarter ended, Brownfield had begun to find a weak spot in the Hereford interior. They made a quick first down, but the Whitefaces toughened and forced them to punt from their own 48.
Hodges took the Brownfield kick and wound his way 13 yards up field before hitting the turf on Hereford's 33-yard line.

The Herd moved quickly with renewed confidence as Cansler and Hodges chipped away at the Cub's middle for 67 yards in 15 attempts. Cansler made the top play of the drive, when he scooted 22 yards and moved the ball to the Brownfield eight-yard stripe.

Two plays later, Hodges squeezed over with 1:12 left on the clock for the half. Jim Haney attempted to run the points after touchdown, but could not cross the scrimmage line.

At this point, Teddy Howell, a 150-pound junior who had been held in reserve with a broken finger, entered the game. A top-notch passer, Howell tossed seven passes and completed one for 23 yards to end Jim Childress, but the clock ended the half with Brownfield on their own 49-yard line.

Early in the second half, the Cubs showed Hereford that they were far from being finished as they moved 17 speedy yards af-

ter receiving the kick - off. Howell kept the Whitefaces honest by running end sweeps and tossing pin point passes, but the Cubs still could not keep a drive going and were forced to punt from the Brownfield 37.

The kick rolled dead on the Hereford 18-yard line and on the next play, Cansler hit for 12 yards, but then Hereford seemed to relax and the Cubs promptly stopped the next three Whiteface plays.

Hereford punted to the Cub's 42-yard line and Howell put the Brownfield football machine into high gear moving quickly to the Herd's 30.

The old expression, "Saved by the bell," might have applied as Charlie Kelly, Hereford defensive halfback, pounced on a Cub fumble to end Brownfield's only threatening drive.

The Whitefaces still could not move the ball, as they managed five yards in three tries and then lost 12 on an attempted punt.

Brownfield had no luck in the offensive department either as Hereford end Butch Walterschied nailed Howell for two losses. Two more plays were stopped their own 18-yard line as the third quarter ended.

The Whitefaces got back in the ball game in the final period, making one long drive of 55 yards only to miss a first down on the 15th play of the drive.

Howell continued to threaten the Hereford defense with his accurate passing, but butterfingering receivers gave him no support and the game ended after Hereford had stopped four pass plays and taken the ball on downs.

The next Hereford game is Friday, Sept. 8, against Canyon in Whiteface stadium. The Eagles were 50-6 victors over weak Slaton Friday night.

Other Hereford opponents who battled Friday were Dimmitt, 20-6 winners over Abernathy; Olton, which topped Petersburg 14-12; and Muleshoe, 6-14 losers to Clovis.

City Manager Dudley Bayne announced that the regular City

Commission meeting, slated for Monday night, had been cancelled. Unless some pressing business arises, the Commission will not meet until Sept. 18.

However, Labor Day or no, the Whiteface Booster Club will meet Monday night, Sept. 4, at 8 p.m. in the Community Center. Films of the Hereford-Brownfield tilt will be shown and coaches will discuss next Friday's game with the powerful Canyon Eagles, who romped over Slaton 50-6. The public is invited to attend.

For a real treat and lots of excitement, we recommend that you attend one or both performances of the 17th annual Boys Ranch Rodeo Sunday and Monday, Sept. 3 and 4. It's not every long drive to Boys Ranch from Hereford and the experience will be well worth the trip. Performances are at 2:30 p.m. each day and the seats are in the shade. But a word of advice from someone who's been there: you want to find a seat, since there will be an overflow crowd each day.

Holiday Family Parish at Nazareth will sponsor its annual Labor Day picnic on Monday, Sept. 4. Sunset Lanes Reopens After Expansion Move

With the addition of eight completely new alleys, and a complete remodeling of the entire interior of the building, Sunset Lanes will have its grand opening Sept. 8-9.

Already in operation, the new alleys will more than double the bowling capacity of the lanes. Also expanded was the snack bar, which is now a complete cafe, specializing in steaks and all ala carte dinners.

Featured during the grand opening Friday and Saturday will be bowling star Jan McNeill of Dallas. The woman's bowling champion will make appearances Friday and Saturday. She will give an instructional clinic to all interested bowlers, and will do exhibition shows daily.

From four to six lanes will remain open permanently throughout the year for open bowling, according to Sunset Lanes manager James Bolf. Fall bowling leagues will begin Sept. 11, and anyone interested in joining a men's, women's, or junior league should contact Sunset Lanes in the near future.

Sunset Lanes opens at 9 a.m. on week days, according to operator B. El. Roberson. A definite closing time has not been set, but the alleys will remain open until about 11:30 p.m., he stated.

Sunset Grill, which is now operated separately from the bowling alley, will keep the same hours. The cafe is operated by Mr. and Mrs. Emmett Sherman.

There will be league bowling Monday night through Thursday nights, but there will always be at least four alleys open to all bowlers.

Here and There

with Mrs. Merlin Kaul Mr. and Mrs. Cawthon Bryant and son, John David, arrived home the first of the week after a vacation trip to several eastern states.

Leaving Hereford, they drove through Missouri, Illinois and to Muncie, Ind., where they were guests for a week in the home of Mr. and Mrs. Leon Etchison, Julia and Mike. Mrs. Etchison and Mrs. Bryant were schoolmates at Falls elementary school. Until the Etchisons were through Hereford two years ago, they had not seen each other for 34 years.

Etchison is head of a manufacturing plant in Muncie and has other business interests in the state.

They took the Bryants, all sports enthusiasts, to see the Cincinnati Reds play the San Francisco Giants.

From Indiana, they went on through Kentucky and Tennessee. In Huntingdon and Westport, Tenn., they visited two of Cawthon's aunts, Mrs. Ben Cawthon and Mrs. Nath Cawthon, and a cousin of his late father, Mrs. James Smith, who lives on the Bryants' old homestead.

They were particularly impressed in Memphis, Tenn., with the lighted fountains on the square.

And as they shopped at a store in Little Rock, Ark., one of the clerks told them about having made a talk in Amarillo the Sunday before.

In Seminole, Okla., they were supper guests of Mrs. Ova Felton and also visited D. C. Martin's parents, Mr. and Mrs. W. E. Martin at Maud. They also visited with Mrs. Martin's sister, Mrs. Eunice Gass.

Mrs. Bryant says the only thing they missed was a ride down the Mississippi River on a ferry boat.

Mrs. Thelma Chisum, her daughter, Ann Woodward, Mark, Kathy and Bruce Woodward and Mrs. A. L. Carter of Amarillo enjoyed a two-week tour to the west coast the first part of August. They visited a cousin, Mrs. Lance Armstrong in Los Angeles, spent six days on the beach at Santa Monica and visited Disneyland, Marine land, Knott's Berry Farm, Catalina Island and San Juan Capistrano. Enroute home they stopped at the Grand Canyon and the Petrified Forest in Arizona.

Mr. and Mrs. C. C. Bowman are spending several days in Oklahoma.

Mr. and Mrs. Don Taylor of Seagraves spent last week end

here with her parents, Rev. and Mrs. B. L. Davis, Mrs. Taylor is the former Dian Davis. Other guests in the Davis home Sunday were Mr. and Mrs. David Gause, Mike and Tommy of Amarillo and Jim Trimble of Seagraves.

The Rev. and Mrs. Ed Crow and children of Brownfield spent last weekend here with her parents, Mr. and Mrs. Fred Welch. Rev. Crow is pastor of the First Baptist Church at Brownfield. His wife is the former Jane Welch.

Mr. and Mrs. Boyd Shivers, Boyd Jr., Inez and Joe Neal of Live Oak, Cal., have been visitors in the Steve Powell home. Mrs. Shivers is a sister of Steve. They also visited her parents, Mr. and Mrs. A. S. Powell of Sudan.

Barbara, Bonnie and Bobbie Walker, daughters of Mr. and Mrs. Gus Walker, returned last week from spending the summer in Flagler, Colo., with their grandparents, Mr. and Mrs. Glenn Rutler. Their parents spent July with the Rutlers and worked in the wheat harvest in that area. They also spent some time with Mr. and Mrs. Aldon Hawks of Elizabeth, Colo., and helped with the harvest there. Mrs. Aldon Hawks Jr. and her children also visited in the Glenn Rutler home. She is the former Lete Glyn Rutler. The Rutler and Hawks families formerly lived here.

Mrs. Jerry Reese and son, Scotty, of Amarillo are staying at the home of his parents, Mr. and Mrs. J. C. Reese while Jerry is attending a Boy Scout Training School in Mendham, N. J. This school trains Boy Scout Executives and after completing his training, Reese will be assigned to the Lubbock area and will live in Brownfield.

Mickey Bonesio and Connie Kent left last Sunday evening by chartered bus from Amarillo along with other young people from this area to attend a Youth Synod of the Presbyterian Church in San Antonio. The Synod meetings are held at Trinity University and they give training so that the young people can work with youth groups in their own churches. The sessions lasted until Friday.

Miss Ann Wagoner of Westway left Friday for Dallas where she joined a group of students from Texas and all entrained for Urbana, Ill., where they were delegates to the Methodist Student Movement at the University of Illinois. KEEPING COOL WITH KOOL AID, these two-business-minded 10-year-olds were worried about a shortage of customers who were trooping back to school. So they closed up their stand and joined the class-bound movement. Besides, they didn't know how to cope with the state sales tax that went into effect Friday. Three Injured In Head-On Collision Near Dawn Friday

A "near head-on" two-car accident Friday night sent three persons to Deaf Smith County Hospital with serious injuries. The accident occurred one mile east of Dawn.

Admitted to the county hospital were Rose Mary Sterling, a 19 year old Negro girl; Joe Murray, also 19; and John Smith, 20. Murray and Smith are airmen at Amarillo Air Force Base.

The accident occurred when the 1952 model car driven by Smith attempted to pass another vehicle and collided with an oncoming car driven by Christine P. Raven, 47, 411 Dallas St., Muleshoe.

The Sterling girl was a passenger in the car driven by Mrs. Raven. Also in the Raven car were James Randall, 11, and Vernell Randall, 13. Both were treated and released after emergency treatment at the hospital.

Traveling with Smith and Murray was another airman, Frank Karl, who was uninjured.

According to hospital officials Saturday, all of the three persons admitted were listed in fair condition.

The Sterling girl suffered a broken pelvis, and severe lacerations. Murray received facial cuts, bruises and a skull fracture. Smith had lacerations about the face and suffered a dislocated collarbone.

The accident was reported to the Texas Highway Patrol at 9:45 p.m. Investigating were Highway Patrol officers Gilbert Ray and Dan Rivers of Canyon.

According to the officers, damage was total to the car driven by Smith and the Raven vehicle, a 1960 model, received an estimated \$1,500 worth of damage.

The injured persons were brought to the hospital by an ambulance from Gilliland Funeral Home.

Extend Deadline For Municipal Golf Tourney

Entry deadline for the annual Hereford Municipal Golf Tourney has been extended to Sunday, Sept. 3, at 1 p.m., according to Hereford golf pro Bud Posey.

To be held Sunday and Monday, the tourney will be a 36-hole medal play. Entrants may play the 36 holes either on both days. Participants may shoot either 18 holes one day and 18 the other, or may play all 36 holes either day of the event.

Golfers may enter with any foursome they desire, according to Posey. Strictly a local affair, only about 40 entries are expected.

Defending champion John Etheridge of Dimmitt is the favorite to repeat. Top contenders are expected to be Charles Seed, Bob Lindsey, Dale Tinnin, Wimpy Walker and Frank Cogdell. The National P. G. A. hole-in-one contest also will be staged Monday at the Hereford Municipal Golf Course. Held on hole number five at the course, if there is no hole-in-one, the closest to the hole will be the winner.

Hole-in-one entries are not required to enter the tournament. Tournament entrants, however, will be allowed one free try at the hole during the tournament.

Hole-in-one champion will receive a silver ash-tray with the P. G. A. emblem on it, plus the chance to enter the national hole-in-one championship.

Approximately 120 golfers are expected to enter the Hereford Invitational Golf Tourney, to be held Friday, Saturday, and Sunday, Sept. 8-10, announced course manager Bud Posey. Entry deadline is 6 p.m. Thursday, Sept. 7.

There will be no qualifying rounds as golfers will be placed in 16-man flights. Flights will be determined according to handicaps. Golfers tee off Friday for the first 18 holes. (Continued on page 3)

HIGHEST HONOR of Campfire Girls is the "Torch Bearer Craftsman" rank, which these two girls, Judy Crume left, and Helen Davis right, received Wednesday. Presenting the

coveted certificate is Mrs. Phillip Barkley, Administrative Secretary of the Hereford Campfire Girls Council. (Staff Photo)

Highest Campfire Rank To Helen Davis, Judy Crume

"That light which has been given to me, I desire to pass undimmed to others," is the desire of the girls which pass the coveted "Torch Bearer Craftsman" rank in Campfire Girls, the highest rank of the organization.

Helen Davis became the third Hereford girl to receive the honor, after being in Campfire Girls for more than seven years. Only two other Hereford girls have passed the highest rank in Campfire Girls.

Judy Crume recently received her second "Torch Bearer" certificate in citizenship. The first Hereford girl passing the rank was Susan Stapp. Helen Davis, the 14-year-

old daughter of Mr. and Mrs. Abe Davis of 319 McKinley, worked one year to complete the requirements to receive the "Torch Bearer" rank in aquatics, or swimming.

Judy Crume passed her first "Torch Bearer" rank in art last year, and recently passed her second badge in citizenship, which are only two of the 20 ways to earn the award. Other fields include such things as homemaking, science, and business.

At the present, three other local girls are working toward the honor. Barbara Langley, Sharon Tinnin, and Linda London are all working

on their homemaking Torch Bearer certificate.

These six girls started Campfire Girls together while in the second grade, and are now the highest ranked in Hereford Campfire Girls' history.

In the near future, these girls will become charter members of the Horizon Club, a division of the Campfire organization for older members, according to their leader, Mrs. Carl Stapp.

Presenting the girls with their certificates was Mrs. Phillip Barkley, Administrative Secretary of the Hereford Campfire Girls Council.

"This group of girls has been extremely active, in comparison with other Campfire Girls," stated Mrs. Barkley. According to her, there are 250 girls in the Hereford Campfire and Bluebird organization.

To pass the rank is no simple task, as it generally requires at least a year to fulfill the requirements.

Among the requirements to receive her "Torch Bearer" honor in citizenship, Judy Crume, daughter of Mr. and Mrs. Vance Crume, states that she did such things as work in the Migrant Ministry at the Hereford Labor Camp, taught children in vacation Bible School at her church, and was a junior leader at Campfire Camp this summer.

Completing her rank in aquatics, Helen Davis passed her junior life saving rank, taught

Dollar Day Is Tuesday With Holiday Monday

Monday, Sept. 4, will be a holiday in Hereford, one of those officially designated by the Chamber of Commerce and its members. As a result, nearly all retail, wholesale and service establishments in the city will be closed.

Public schools also will observe the day as a holiday, resuming classes on Tuesday morning. Classes at St. Anthony's parochial school and the Labor Camp parochial school will start for the first time on Tuesday, Sept. 5.

As a result of the holiday, the monthly Dollar Day events staged by Hereford merchants will be in effect on Tuesday, Sept. 5.

Hereford Drops Brownfield On Sustained Drives, 12-0

Hereford's surprising Whitefaces, showing a forceful ground game and a triple-tough defense, downed the Brownfield Cubs 12-0 Friday night in the opening game for both teams.

Playing in Brownfield before an estimated 3,000 fans, the Whitefaces ran a tackle-to-tackle offense with halfbacks Dennis Hodges and Mack Cansler carrying most of the load.

Brownfield, weaker than expected, could never penetrate past the Hereford 16-yard line as the Whiteface defense, led by Troy Don Moore and Butch Walterschied, stopped all the Cub offensive attempts.

Showing unexpected coolness, Hereford quarterback Joe Mack Hale, playing his first varsity ballgame, did a masterful job as he engineered the district 1-AAA Herd over the 2-AAA ballclub.

Brownfield quarterback Teddy Howell also did a fine job, as he hurried streamlined passes throughout the latter portions of the contest in an effort to reach scoring territory.

Brownfield opened play with a kick-off to Whiteface halfback Hodges who returned the ball 25 yards before being dumped on the mid-stripe line. Showing unexpected power, the Herd moved to the Cubs' 10-yard line in three successive first downs only to fumble and lose the ball.

Running from a wing-T formation, Brownfield could not budge the Hereford line and made only three yards in three tries. They were forced to punt to Whiteface Cansler who was downed on the Cubs' 37.

Nine plays, 33 yards and four first downs later, Cansler took a hand-off and smashed the remaining four yards for a tally with 0:10 remaining in the quarter. Tackle Bill Steele was (Continued on page 3)

Enrollment Up 350 Above Same Period In 1960

Enrollment in the Hereford public school system at the end of the first two days of classes was more than 350 above the same period last year.

By Friday, total enrollment figures had reached 2983 pupils, compared with 2528 counted after two days in 1960.

Superintendent Paul Stevens said that additional youngsters were expected to enroll Tuesday after the Labor Day holiday. Peak enrollment in the Hereford system usually comes in October, he pointed out. This year's enrollment is expected to be higher than the 3,000 mark that was reached last year.

At present, schools in the system show the following totals in enrollment: Northwest Elementary, 237; Aikman Elementary, 432; Central Elementary, 440; Parkview Elementary, 53; Shirley Elementary, 535; Dawn, 35; Stanton Junior High, 701; and Hereford High School, 450.

In addition to these, officials at St. Anthony's Parochial School reported a pre-class enrollment of 260. Classes at St. Anthony's and the Labor Camp Parochial School will start for the first time Tuesday.

Around Town

It seems to be a yearly occurrence, but there really are a lot of people down with the flu and colds. And the peak of hayfever season doesn't help matters any. In fact, some sufferers can't decide for several days whether they have a cold or just more allergies.

Cawthon Bryant is really a travelling Chamber of Commerce booster for Hereford. During the Bryants' recent trip to Indiana, Missouri, Kentucky and several other states, Cawthon was really plugging for his hometown. He gave away many little bottles of Hereford water and (Continued on page 3)

STREET POLL SHOWS

No Indifference About State's New Sales Tax

After the first day of a sales tax in Hereford, the Brand made spot checks of those involved with collecting the taxes, and those who are paying them. This is what some of them had to say about the new revenue producer for Texas:

JOE THAMES, pharmacist: "I used to live in Oklahoma (where they have had a sales tax for years) and it's not so bad. After people get used to it, it's not half as bad as people think. It seems like a lot of money, but a few pennies at a time is not so bad."

WAYNE HEATHINGTON, variety store manager: "It's a mess."

CUSTOMER, who with his name: "Don't see how we can get along without it."

MARY SALINAS, dry-goods store clerk: "It's complicated in a way."

L. W. CARLYLE, customer: "If the state has to have the

money, I guess it's all right."

GROCERY SACK-BOY: "It is a lot of commotion."

FRED BELL, customer: "I am against it."

JOE SOTO, dry-goods store clerk: "I think it is confusing and complicated. I also think a one per cent tax on everything instead of a little here and there would be better."

ROBERT THOMPSON, customer: "I think it is a good thing and the revenue is needed. It is an effective way to get it because it is easy to collect. It is not an equitable tax. Taxes are necessary. We get more for the tax dollar with this tax than with any other tax or any money we spend."

W. C. BROMAS, customer: "The tax is all right if we need it. Everyone will share alike in paying it. In a month or two, we will hardly notice it."

SPECTATORS WATCH RESCUE WORK

Two Youths, 14 And 16, Drown In Pond On Creek

Two teen-age Hereford youths drowned Wednesday afternoon in a small pond on Tierra Blanca Creek just southwest of Hereford.

Victims are Ines Campos, 14, son of Mr. and Mrs. Claudio Campos, and Adolpho Chavez, 16, son of Mr. and Mrs. Juan Chavez.

Services were held here Thursday for Chavez. Funeral for Campos was tentatively set for 2 p.m. Sunday in Mathis.

The two victims were among a group of five Latin-American boys who were swimming in the pond near the railroad bridge north of the Hereford Labor Camp Wednesday afternoon. According to witnesses, the two victims were standing at the edge of the pond when one of them slipped on the muddy bank and grabbed the other

victim as he fell. Both boys disappeared beneath the surface. The pond, about 20 yards wide and 60 yards long, is 12 to 15 feet deep near the bank from which the boys fell.

Neither of the victims was able to swim. Swimming in the pond were Felipe Campos, 10, brother of one of the victims; Richard Chavez, 12, brother of the other victim; and Juanito Martinez, 10, all from the Labor Camp.

The younger boys tried to aid the victims, but were unable to do so. Martinez ran back to the camp and got his 15-year-old brother, Steve, to help in the search. A few minutes later Richard Chavez went to the camp and told deputy sheriff Domingo Pesina of the accident. Pesina notified the sheriff's office and rushed to the scene.

Shortly after the mishap at 4:15 p.m., there were several hundred spectators lining the banks of the creek and watching the search. A volunteer swimmer from the Labor Camp recovered the first body, that of Campos, about 3 p.m. After pulmotor and other resuscitation efforts failed, he was pronounced dead at 5:15 p.m. (Continued on page 3)

Patrol Starts On Labor Day Traffic

The Texas Highway Patrol this week urged all Labor Day travelers to return home early and take plenty of time in reaching their destination.

This year the patrol's holiday death watch is being known as "Operation Motorcade," which means that all law enforcement officers throughout the state are on the watch to prevent fatal highway accidents.

According to Highway Patrol Sergeant Roger Sosebee, 16 area Highway Patrol officers are on duty during the Labor Day weekend which started at 4 p.m. Friday and ends at midnight

The officers will be on duty constantly until the Monday deadline. They will be watching for any kind of traffic violations which could result in an accident.

Sosebee stated that the area officers are working several radar units and that they are watching for drinking drivers and speeders.

According to Sosebee, football games, horse races, and rodeos are drawing thousands of travelers onto the highways as they attempt to make use of the last summer holiday.

HUNDREDS OF SPECTATORS silently lined the banks of Tierra Blanca Creek late Wednesday afternoon while rescue workers searched for the bodies of two Latin-American youths who had drowned in a pond. A diver recovered the first body, while a grappling crew located the second. Both were pronounced dead after futile efforts to revive them. (Staff Photo)

STAR STREET is being extended a short distance south of Park Avenue by street contractors. The tiny street will provide access from Third Street to Star across the tip of the eastern portion of Hospital Park. The street is angled slightly to the south-west from Park Avenue south in order to provide space for several cars waiting to turn. (Staff Photo)

(Continued from page 1)
passed out information about "The Town Without A Top Space" all along their route.

We have a list of almost 200 Hereford youngsters who will be going to college this fall, but we're sure the roster isn't complete. We would appreciate your calls to the Brand to help us make our back-to-college roundup complete.

City Manager Dudley Bayne announced that the regular City

Commission meeting, slated for Monday night, had been canceled. Unless some pressing business arises, the Commission will not meet until Sept. 18.

However, Labor Day or no, the Whiteface Booster Club will meet Monday night, Sept. 4, at 8 p.m. in the Community Center. Films of the Hereford-Brownfield tilt will be shown and coaches will discuss next Friday's game with the powerful Canyon Eagles, who romped over Slaton 50-6. The public is invited to attend.

For a real treat and lots of excitement, we recommend that you attend one or both performances of the 17th annual Boys Ranch Rodeo Sunday and Monday, Sept. 3 and 4. It's not every long drive to Boys Ranch from Hereford and the experience will be well worth the trip. Performances are at 2:30 p.m. each day and the seats are in the shade. But a word of advice from someone who's been there: you want to find a seat, since there will be an overflow crowd each day.

Holiday Family Parish at Nazareth will sponsor its annual Labor Day picnic on Monday, Sept. 4. A fried chicken dinner with all the trimmings will be served at noon, followed by an afternoon of entertainment. For supper, at 5 p.m., you can get a plate supper of either more fried chicken or sandwiches. A dance at 9 p.m. will close out the evening.

All you former Cooke County folks are reminded of the annual reunion, which will be held at the Pleasant Valley American Legion Hall, 307 East Hastings, Amarillo, on Sunday, Sept. 10. Registration starts at 10 a.m. with basket lunch (bring both the basket and the lunch) at 1 p.m. Drinks will be furnished.

Hereford's ambassadors of good will wander afar, through valley and hill with news of our water and many ventures. But, gosh, I hope they don't wear dentures!

downed before he could attempt an extra point kick.

As the quarter ended, Brownfield had begun to find a weak spot in the Hereford interior. They made a quick first down, but the Whitefaces toughened and forced them to punt from their own 48.

Hodges took the Brownfield kick and wound his way 13 yards up field before hitting the turf on Hereford's 33-yard line.

The Herd moved quickly with renewed confidence as Cansler and Hodges chipped away at the Cub's middle for 87 yards in 15 attempts. Cansler made the top play of the drive, when he scooted 22 yards and moved the ball to the Brownfield eight-yard stripe.

Two plays later, Hodges squeezed over with 1:12 left on the clock for the half. Jim Haney attempted to run the points after touchdown, but could not cross the scrimmage line.

At this point, Teddy Howell, a 150-pound junior who had been held in reserve with a broken finger, entered the game. A top-notch passer, Howell tossed seven passes and completed one for 23 yards to end Jim Childress, but the clock ended the half with Brownfield on their own 49-yard line.

Early in the second half, the Cubs showed Hereford that they were far from being finished as they moved 17 speedy yards af-

Grappling hooks manned by the Friona Fire Department recovered the body of Chavez about 5:30 p.m. and he was pronounced dead about 5:40 p.m. Justice of the Peace C. B. Miles was on the scene and acted as coroner.

Services for Chavez were held in St. Anthony's Catholic Church here with Father Nathaniel Madden officiating. Burial was in St. Anthony's Cemetery under the direction of Gilliland Funeral Home.

Chavez is survived by his parents, Mr. and Mrs. Juan Chavez; five brothers and eight sisters.

The body of Ines Campos was taken overland to Mathis, Tex., where final rites are slated. Services will be in Sacred Heart Catholic Church with burial in Catholicos Eterna Cemetery.

His survivors include the parents, Mr. and Mrs. Claudio Campos; three brothers, Roberto, Claudio Jr. and Pablo; and two sisters, Maria and Julia.

The Campos family resides in Mathis but had been in the Hereford area for the past three months working in the harvest.

Arrangements for the funeral of Campos are under the direction of Dobie Funeral Home, Mathis.

ter receiving the kick - off.

Howell kept the Whitefaces honest by running end sweeps and tossing pin point passes, but the Cubs still could not keep a drive going and were forced to punt from the Brownfield 37.

The kick rolled dead on the Hereford 18-yard line and on the next play, Cansler hit for 12 yards, but then Hereford seemed to relax and the Cubs promptly stopped the next three Whiteface plays.

Hereford punted to the Cub's 42-yard line and Howell put the Brownfield football machine into high gear moving quickly to the Herd's 30.

The old expression, "Saved by the bell," might have applied as Charlie Kelly, Hereford defensive halfback, pounced on a Cub fumble to end Brownfield's only threatening drive.

The Whitefaces still could not move the ball, as they managed five yards in three tries and then lost 12 on an attempted punt.

Brownfield had no luck in the offensive department either as Hereford end Butch Waltersched nailed Howell for two losses. Two more plays were stopped their own 18-yard line as the third quarter ended.

The Whitefaces got back in the ball game in the final period, making one long drive of 55 yards only to miss a first down on the 15th play of the drive.

Howell continued to threaten the Hereford defense with his accurate passing, but butterfingered receivers gave him no support and the game ended after Hereford had stopped four pass plays and taken the ball on downs.

The next Hereford game is Friday, Sept. 8, against Canyon in Whiteface stadium. The Eagles were 50-6 victors over weak Slaton Friday night.

Other Hereford opponents who battled Friday were Dimmitt, 20-6 winners over Aberrathy; Olton, which topped Petersburg 14-12; and Muleshoe, 6-14 losers to Clovis.

Here and There

with Mrs. Merlin Kaul
Mr. and Mrs. Cawthon Bryant and son, John David, arrived home the first of the week after a vacation trip to several eastern states.

Leaving Hereford, they drove through Missouri, Illinois and to Muncie, Ind., where they were guests for a week in the home of Mr. and Mrs. Leon Etchison, Julia and Mike. Mrs. Etchison and Mrs. Bryant were schoolmates at Ralls elementary school. Until the Etchisons were through Hereford two years ago, they had not seen each other for 34 years.

Etchison is head of a manufacturing plant in Muncie and has other business interests in the state.

They took the Bryants, all sports enthusiasts, to see the Cincinnati Reds play the San Francisco Giants.

From Indiana, they went on through Kentucky and Tennessee. In Huntingdon and Westport, Tenn., they visited two of Cawthon's aunts, Mrs. Ben Cawthon and Mrs. Nath Cawthon, and a cousin of his late father, Mrs. James Smith, who lives on the Bryants' old homestead.

They were particularly impressed in Memphis, Tenn., with the lighted fountains on the square.

And as they shopped at a store in Little Rock, Ark., one of the clerks told them about having made a talk in Amarillo the Sunday before.

In Seminole, Okla., they were supper guests of Mrs. Ova Felton and also visited D. C. Martin's parents, Mr. and Mrs. W. E. Martin at Maud. They also visited with Mrs. Martin's sister, Mrs. Eunice Gass.

Mrs. Bryant says the only thing they missed was a ride down the Mississippi River on a ferry boat.

Mrs. Thelma Chisum, her daughter, Ann Woodward, Mark, Kathy and Bruce Woodward and Mrs. A. L. Carter of Amarillo enjoyed a two-week tour to the west coast the first part of August. They visited a cousin, Mrs. Lance Armstrong in Los Angeles, spent six days on the beach at Santa Monica and visited Disneyland, Marine land, Knott's Berry Farm, Catalina Island and San Juan Capistrano. Enroute home they stopped at the Grand Canyon and the Petrified Forest in Arizona.

Mr. and Mrs. C. C. Bowman are spending several days in Oklahoma.

Mr. and Mrs. Don Taylor of Seagraves spent last week end

here with her parents, Rev. and Mrs. B. L. Davis, Mrs. Taylor is the former Dian Davis. Other guests in the Davis home Sunday were Mr. and Mrs. David Gause, Mike and Tommy of Amarillo and Jim Trimble of Seagraves.

The Rev. and Mrs. Ed Crow and children of Brownfield spent last weekend here with her parents, Mr. and Mrs. Fred Welch. Rev. Crow is pastor of the First Baptist Church at Brownfield. His wife is the former Jane Welch.

Mr. and Mrs. Boyd Shivers, Boyd Jr., Inez and Joe Neal of Live Oak, Cal., have been visitors in the Steve Powell home. Mrs. Shivers is a sister of Steve. They also visited her parents, Mr. and Mrs. A. S. Powell of Sudan.

Barbara, Bonnie and Bobbie Walker, daughters of Mr. and Mrs. Gus Walker, returned last week from spending the summer in Flagler, Colo., with their grandparents, Mr. and Mrs. Glenn Rutler. Their parents spent July with the Rutlers and worked in the wheat harvest in that area. They also spent some time with Mr. and Mrs. Aldon Hawks of Elizabeth, Colo., and helped with the harvest there. Mrs. Aldon Hawks Jr. and her children also visited in the Glenn Rutler home. She is the former Lete Glyn Rutler. The Rutler and Hawks families formerly lived here.

Mrs. Jerry Reese and son, Scotty, of Amarillo are staying at the home of his parents, Mr. and Mrs. J. C. Reese while Jerry is attending a Boy Scout Training School in Mendham, N. J. This school trains Boy Scout Executives and after completing his training, Reese will be assigned to the Lubbock area and will live in Brownfield.

Mickey Boiesio and Connie Kent left last Sunday evening by chartered bus from Amarillo along with other young people from this area to attend a Youth Synod of the Presbyterian Church in San Antonio. The Synod meetings are held at Trinity University and they give training so that the young people can work with youth groups in their own churches. The sessions lasted until Friday.

Miss Ann Wagoner of Westway left Friday for Dallas where she joined a group of students from Texas and all-entrained for Urbana, Ill., where they were delegates to the Methodist Student Movement at the University of Illinois. Miss Wagoner, a delegate from West Texas State College at Canyon was appointed as one of the group

from Texas to lead a discussion group. She is the daughter of Mr. and Mrs. Joe Wagoner.

Rev. and Mrs. B. L. Davis, Mrs. O. G. Hill Sr., and Mrs. Fritz Christman accompanied a group of young people from the First Baptist Church to Glorieta Assembly in New Mexico last week. Youth attending included Joy Wiman, Carole Snead, Thomas Coffman, James Hudson, Clydene Allred, Marlene Gilliland, Marlene and Marilyn Legg, Jane Auten, Linda Hair and Avis Justice. The Misses Marlene and Marilyn Legg met a friend, Faye Cook, who stayed with them. She is a teacher at Snyder. Another guest of the group was Karen Carpenter of Howard Payne College, who is a member of the International Choir.

Mrs. Claude McGowan Sr. has returned home after spending the summer with her daughter, Mrs. George Bishop and her family. She visited the uranium mines in Monument Valley. Her son-in-law owns these mines and has opened them up. A friend of Mrs. McGowan's, Mrs. Jerry B. Garland of Gary, Ind., went by train to Salt Lake for a visit then returned with Mrs. McGowan in the car to Hereford.

Joe Reinauer will leave Saturday to enroll at Oklahoma State University at Stillwater, Okla. Joe, a member of the Kappa Sigma Phi Fraternity recently returned from the National Conclave, which was held at the Sheraton - Portland Hotel in Portland, Ore. Joe was the delegate to the meeting and

was accompanied by Dan Draper, Oklahoma City, Don and Dave Timberlake, Ponca City, Okla., and David Lambert of Stillwater. The boys went by

car and enroute home stopped at Santa Cruz, Cal., and spent several hours with Joe's grandmother, Mrs. Marjorie Woodward.

JUSTICE in Deaf Smith County appears to be slipping, as the above sign in Justice of the Peace C. B. (Berry) Miles' office might indicate. Only kidding of course, Judge Miles is reportedly in the habit of leaving such humorous notices on his desk when he steps out, as a result of a private joke between himself and Marlin Gilliland. 'TEXAN BY CHOICE'

Former Resident Signs His Book About Late Tipp Nunn

A former Hereford resident, Rev. Roy T. Nunn was in Hereford Wednesday to autograph copies of his new book, *Texas by Choice*, which uses Hereford as the main setting.

The book, which is a biographical history of his father's life in the area, describes Deaf Smith County life during the early twentieth century.

His father Tipp Nunn and family arrived in the area in 1913. "The central theme of *Texas by Choice* is the development of my father's loyalty to, and love for this particular portion of Texas, although born on the outside," the author said.

Written in three divisions, the book describes frontier customs in Sidney, Ark., his father's birthplace; Wellington, where Tipp Nunn's children were raised; and the Hereford area, where his father lived for 40 years.

The Rev. Nunn, who lived in Hereford for five years, left the area in 1924. He wrote the book from his own personal memory of the many experiences depicted in the book, and from the description given him by his many relatives living in the area.

Although Rev. Nunn now lives in Greenfield, Mo., he wrote the biography while living at Seymour, where he lived from 1937 until the fall of 1960. The author graduated from Wellington High School and Trinity University at San Antonio.

"Hereford was a very, very small place when I left in 1924," recalled the Presbyterian minister. "This vast vegetable industry has all come since then, and of course the irrigation has probably multiplied about 25 times."

Among the many experiences, customs, and hardships described is early irrigation methods of the county. "My father took over the old A. W. Gray place three miles west of Hereford when we moved here. I don't know who took it over after he died," relates the author.

"One of the main points of the book was that even though

Nunn.

"My father, mother, and oldest brother are all buried here," said the author. His sister-in-law, Mrs. W. H. Nunn Sr., and his cousin, Mrs. M. L. Nunn, both live in Hereford.

Texas by Choice will be released Sept. 24. Rev. Nunn is touring Hereford, Seymour, and Wellington for pre-publication sales.

Published by Naylor and Co. of San Antonio, the book will be available at area book stores, or from Mrs. W. H. Nunn Sr., of 501 East Fifth.

By-products of charcoal making include wood alcohol, acetic acid, and furfural, a solvent used in refining motor oil.

Tea Fetes Miss Sanders In Home Of Mrs. Kester

Miss Verita Sanders, bride-elect of Dennis Silvertooth, was the honoree Thursday for a miscellaneous shower - tea in the home of Mrs. Lynn Kester, 215 Ave. E.

La Madre Mia Has Supper

Members of La Madre Mia Study Club held a backyard supper at the home of Mrs. John Smith on Monday evening. The affair, arranged by the social committee, was held as a prelude to the coming club year. Members of the committee are Mrs. Harold Morton, Mrs. John Smith and Mrs. Eugene Sparks.

In the receiving line with Mrs. Kester and the honoree were Mrs. O. R. Sanders, mother of the bride-elect, and Mrs. M. E. Silvertooth Sr., mother of the groom to be.

A large bouquet of peace roses in a milk glass compote decorated the entry and the desk register, which was kept by Miss Estelle Gleaton, was enhanced with a square cut glass candy dish holding pink roses.

The bride's table was laid with a white net cloth bound with wide satin ribbon over white damask. The centerpiece was a five branch candelabra and epergne holding sea-foam green candles and an arrangement of White Bouquet roses, white gladioli, white spider mums and lace vine. Green streamers extended from the floral arrangement and ended with tiny petals of white double stock. Mrs. Phillip Miller and Mrs. C. F. Moore alternated at the Fostoria punch service.

Miss Sanders and Silvertooth will exchange wedding vows on Saturday, September 16, in the home of her parents. The Rev. H. L. Thurston, pastor of the First Methodist Church, will read the ceremony.

RESIDENT IN HOSPITAL
Ida May Vaughn of Hereford is hospitalized in Palm Harbor Hospital in Santa Ana, Cal. Her condition is listed as fair. She had been in California two weeks visiting relatives when she became ill.

OFF THE Shelf

BY H. A. TUCK
Seldom do professional authors write in detail about their own family troubles. It's hard to carry off and generally sounds sloppy.

But Charlotte Paul is an unusual writer. Her newest book, *And Four To Grow*, should be on the required list for every parent. In her earlier writings, Charlotte related the trials and tribulations of her family in owning their own newspaper in the Snoqualmie Valley in Washington state.

Ed and Charlotte were senior partners in the paper, with their young sons, Hi and Johnny, the junior partners at ages four and five.

Now, some years later, the Record is doing fairly well. Ed and Charlotte still work hard and the boys write their own columns for the papers. It is a joint family enterprise.

But imagine Ed's shock and disappointment when Hi, the elder son, wants to give up his column and other work in favor of delivering the Seattle Times every day. Eventually Ed bows to the resistance of his son and the family circle is broken.

Nor is the wound healed when Johnny decides he wants to quit working at the Record and sack groceries in a store.

Although the business in this case is a newspaper, it could be any family enterprise. Ed started the business on his own after turning down a chance to work for his father. But he is unable to see that perhaps his boys might want to be equally as independent.

Charlotte had always amazed her neighbors. She worked at the paper, did charity work and was a successful freelance writer. Her shock was as deep as Ed's when she found she was no longer able to work at full steam. For months she ignored the continued pain in her hip, thinking it would go away. But it became worse and eventually she had to undergo long treatments.

Ed had a wonderful chance to sell his paper, but doggedly refused. The paper was for the boys when they grew up, he believed.

But there are many light moments in this book. Charlotte Paul writes deftly of humorous events in her family... and outside it.

And Four To Grow is a warm-hearted book of two adults clinging to their objectives and two adolescents who want to forge their own destinies.

RANK DIFFERENCE
FT. SILL, Okla. — Two men with a mutual problem finally met at this Army post. They are Lt. Col. Alfred J. Roth and 1st Sgt. Alfred J. Roth. Their problem, naturally, has been mixed-up mail. The confusion began last August when Col. Roth arrived at Ft. Sill from an assignment in Europe and the two began receiving each other's mail. But they didn't meet until recently. The officer is from Philadelphia and the sergeant from Jerseyville, Ill.

Miss Azalee Phillips will leave Monday for Amarillo where she will enroll for nurse's training at St. Anthony's Hospital. REMEMBER WHEN?

BY CHARLIE SEEDS
He was a man of peace. A skinny little man, with thin legs that stuck out below his white robe, he had almost the look of a comic figure. But he was one of the world's great leaders. More than any other man, he was responsible for bringing political freedom to 400,000,000 people. This was India's Mohandas Gandhi.

He was a man who had devoted his life to the principle of non-violence. And then, when at last the free India of which he had dreamed was a reality, he was suddenly struck down by an assassin's bullet, as he was strolling through a garden en route to the place where he conducted a daily prayer meeting.

The entire world was shocked by the news of Mahatma Gandhi's murder... for this strange man of peace had radiated a spiritual force which was felt throughout the world... by men of all races and all creeds. Remember when the assassin's bullet struck down this man of peace?

Remember the year? America was in a post-war boom that year. Cars were once more rolling off the assembly lines in large numbers... but it was still hard to get delivery, and you didn't have much chance of picking your favorite model.

The year was 1948. You'll find all the models, in your choice of colors with the accessories you want, in our big selection of new 1961 fords. Homework For More Muscles

National physical education administrator Bud Wilkinson says that children of school age should have a minimum of 15 minutes of vigorous activity each day.

This seems like a minimum requirement, but countless thousands of youngsters don't get that much.

We have become a nation of riding, TV watching, sedentary people who don't get enough exercise and we may as well admit it. Children of junior high age and below get even less than older boys and girls, it seems.

Wilkinson says that he is appalled at the weakness he has found in Americans. Says there are girls who can't play tennis because they are not physically strong enough to hold the racket long enough to play a game.

Dr. Dudley White, the elderly gentleman who treated President Eisenhower for his heart trouble, says that a great many of our illnesses could be wiped out by fresh air and exercises, good common sense health habits. Dr. White rides several miles on his bicycle every day to stimulate his circulation.

Wilkinson and President Kennedy are attempting to put physical exercises into the public schools of the land as a step

to combat flabbiness and to have some physically fit people available for the next conflict if and when it comes.

They are meeting resistance in some schools. One chief objection to daily, vigorous exercise, is that it makes kids sweat. School men say that means the kids will have to take a shower before returning to class and that takes up too much time.

This means we have a choice between physical fitness and B.O.

We believe that physical fitness is worth the smell involved.

Chaos Results From Sales Tax

No one appears to know anything about Texas' new sales tax and, unfortunately, this seems to apply to State Comptroller Robert S. Calvert, along with members of the Texas legislature.

The passage of a sales tax measure was inevitable in Texas, but we cannot help but wonder why some of the time spent in bickering was not pointed toward investigation and clarification. Through careful studies of similar taxes in Oklahoma, New Mexico and other neighboring states, Texas could have learned much about the sales tax business, and the tax should never have been inaugurated until it was worked out in detail with necessary forms and instructions.

As things now stand, it is probable that innocent people will suffer as a result of the confusion and chaos which surrounds the new tax structure. This is especially true on the levels of sub-contractors and specialized manufacturers who produce various products, and it poses an exceptional problem for super markets and large volume operators in all lines.

Nor is the dilemma confined entirely to the seller. The only thing worse than not knowing if you charged too little sales tax on an item is the situation of not knowing whether you have paid too much. Without question the situation should be clarified in detail — and without delay.

Schools Report Many New Faces

The recent crack-down on school attendance by county, school and city officials may easily send enrollment figures soaring to even greater heights than officials anticipated. Such, at least, is indicated through early reports which say that one room counted 13 students who never before attended school in Hereford.

Without question, we owe these officials a word of appreciation. Instead of taking the easy way, they are doing their best to fulfill the duties which they swore to uphold when they took over their respective offices. Compulsory attendance laws which are not enforced are really no laws at all.

The youngsters who have enrolled in school, however, are the ones who really owe these people the greatest appreciation of all. It is difficult to exist in modern civilization without some formal education, and this circumstance becomes more acute all of the time. Probably many of these youngsters will never finish high school, but their own children in coming generations will have a much better chance as a result of the compulsory attendance in this area.

In addition, it is entirely possible that the Hereford territory and the stand of our officials may well kick off the enforcement of compulsory attendance in other areas, where it is often ignored. Certainly, it is a step in the right direction.

The POWER of FAITH by Howard Brodie

PROMINENT MEN OF FAITH

Rev. Eugene Carson Blake, D.D.

Football, faith and philosophy interested Eugene Carson Blake in college. Today, the former guard manifests action, knowledge and spirit as Stated Clerk of the United Presbyterian Church in the U.S.A. He is activating his idea to unite the Presbyterian, Episcopal, Methodist and United Church of Christ into a new church. He knows today's problems in education, church taxation and the injustices of race prejudices. "Every thoughtful preacher knows that his sermons must somehow get down to cases... or else they are reduced to religious entertainment..." He spiritually inspires: "A minister... must preach in love and hope."

Nikita, Women Want More 'Togetherness'

BY MRS. R. L. CRISWELL
Once in awhile Nikita K. shows his true colors in spite of himself. His blame of the U. S. for again beginning the nuclear tests is typical of communist thinking. Usually when something like this shows, the communist leader is beginning to

fear for his place in leadership. So far, Khrushchev has managed to pull a publicity stunt that has kept him in the limelight of his colleagues and kept his position. He must have the cunning of the devil himself, and his chauvinistic theories makes one wonder about his ab-

ilities if they were turned to the search for peace in the world in truth and not, as the communists say, "peaceful co-existence."

Now there is another theory that I read about. This theory presented the idea that women are causing men to be too much of a homebody with the idea of "togetherness." This idea keeps men from being men of the world in their thinking, in their work and world affairs. That is, instead of daily learning new words, new ideas for bettering the world in which they live, in civic affairs or in the field of science, space flight or atomic warfare, the ladies are making them think more of doing things about the home, such as lawn mowing and keeping the dandelions from taking over or not letting the kids trample the new flower beds or the many other things that women think up for the men folk to do.

You men will love this theory:

The ladies will take over completely the job of keeping the home and the lawn, even to learning how to repair the washing machine or refrigerator or, but outside of these they must be homebodies. When Papa gets home he can kiss the kids without shuddering for they will be clean as a whistle, his evening meal will be waiting, the children will be models of behavior, his wife will be serene and happy, entering to his every wish. He won't need to talk about his terrible day for his wife will not be interested in it or in current events, nor in telling him what terrible things his offspring have done during the day. He will be the king of his domain.

I am afraid Papa will never have it so good, for I have news for the ladies. All this would be fine for the masculine race, but have you tried managing the whole thing alone? If papa should pass out of the picture and leave mama as the bread winner as well as keeper of the home, she will not only find trouble in keeping the family together but will also find more when she tries to earn enough money to keep the family in the daily necessities of life. Women have to learn in the school of hard knocks as they live and one can get a pretty varied education by reading the daily news and a few magazines. Of course they will have to read in odd moments if they have several children, but knowledge gained in bits is (Continued on page 5)

London Investors Seeking Information On Farmland

Dr. Cook in company with W. M. Bainer, Santa Fe Farmer, paid Hereford a visit but while he inspected our soil and water and pronounced both excellent, the special object of his visit was to examine a large tract of land west of town which belongs to some London parties. They wished to know if the soil was suitable for cultivation either under the dry farming process or irrigation. Dr. Cook found the conditions much more favorable than had been represented to him. In speaking of his work in Wyoming this gentleman says that in his state, "where the normal rainfall is only 13 1/2 inches, they have succeeded in raising good average wheat and other crops. He thinks with the water resource surrounding Hereford that the community should become widely famous. To raise wheat under irrigation would be highly profitable and that 60 bushels per acre should be raised. Dr. Bainer reports that the feed crops along the Santa Fe line in the Panhandle are very promising and that the farmers are feeling good. Both the gentlemen have just returned from College Station where they attended the Texas Farmers' Congress, one of the most important meetings of the kind ever held in Texas. Dr. Cook was especially commendatory in his remarks about the progressive spirit of the Texas farmer.

25 YEARS AGO

With two dozen lads, ranging in stature a bit taller than last year's regional runner-up team, reporting for drills, this year's edition of the Whiteface football machine is going through its training periods twice daily at Whiteface Field. What kind of club will they make is the question railbirds are asking. It is a question that Coach Tommie McCollum is attempting to answer with caution only. He did say, however, that although most of the boys are green, he has never had a bunch as willing and anxious to play. On the turf at the end of the field, the youngsters who will start the season against the Panhandle's most touted club in two weeks, kicked up their heels in exercises and smashes singly and in pairs into a tackling dummy. They did that twice daily until Wednesday afternoon, and then they went into the serious business of learning signals and formations. However, blocking and tackling will not stop as part of their daily routine, for none of them is too well versed in these fundamentals of the games — Seven hundred and seventy pupils were registered in Hereford public schools. A decline from last year's figures was shown in almost every grade, with the total being 54 below last year's total on the second day of school. Sophomore and freshmen high school classes, and second and sixth grades were enlarged with the sixth grade presenting the major problem. With two sections already overflowing with 91 pupils, a third section may be required. The senior class is composed of 51 students as compared with 65 last year.

VOTERS VOTE ON HOSPITAL

Ochiltree county taxpayers voted Friday on an \$800,000 bond issue to determine whether or not the Ochiltree County Memorial Hospital is built to serve the medical needs of the community. The \$800,000 will pay for half the cost of the proposed hospital. Application has been made by the county commissioners court for matching funds from the federal government under the Hill-Blurton program to give the required \$1,650,000 for the hospital. The hospital, as designed by the Kansas City architectural firm of Hewitt and Royer, has 65 beds, 31 private rooms and 34 patients in semi-private rooms. It is a two story structure, solid masonry, with the latest and most modern equipment throughout. On the second floor are four wings, separated into medical, surgical, obstetric and pediatric patients. A central nursing station serves all four of these wings. Each of the private rooms has a private bath and there is a bath in each of the semi-private rooms. The central core of the hospital which contains the administrative offices, surgery rooms, laboratory and X-ray, dining room, storage, emergency rooms, waiting rooms, plus other rooms, is designed to serve an ultimate expansion to 100 bed capacity. The hospital will be completely air-conditioned by refrigeration and heated by forced air. Eight proposed sites have been made available for the hospital, but selection of a site was delayed until after the bond election.

WATER STATE-APPROVED

Signs have gone up on highway approaches to Level-land proclaiming the city's water supply as "approved" by the state health department. The achievement marks efforts dating back for almost a decade, and an intensive campaign since April of 1958 to get the city's water facilities into shape for state approval. With eleven producing water wells, 47.27 miles of water mains, 3,585 water meters and 12 successive monthly tests without an excessive bacterial count in any part of the system necessary for state approval, it hasn't been easy. In the meantime, Levelland has lost at least one food processing plant because the system wasn't state approved — indicating to the city the value of the square signs at the city limits. The serious efforts for approval date to the installation of chlorination units in each of the city's pumping stations. This took place in April of 1958. A picture of Mayor J. Spencer Ellis at one of the stations was run in the same 154 page special edition of the Levelland Daily Sun, News in which the opening of South Plains College was announced. Minor changes in state regulations annually caused additional delays. Local residents voted a \$250,000 bond issue for water improvements which were completed this year. The headquarters for the city water department shifted from down-town Levelland to the Hickory Street site of a new pump station, warehouse and a million gallon ground storage reservoir. The bond issue also financed installation of 6,380 feet of 12 inch water mains and 10,080 feet of eight inch mains, to bring pressure all over the city up to the point it should be.

REPORT HEARD ON TEAM TEACHING

A new idea in education comes to Andrews junior high school this year with an experiment in team teaching. Junior high principal Vernon Payne explained the program to members of the school board at a luncheon meeting Monday. According to Payne, about 100 students in the eighth grade will be selected to participate in the program which will involve block classes in social science, math, English and science. Four teachers will work with these 100 pupils, but instead of holding separate classes, the teachers will integrate instruction of the four courses with each analyzing the other's handling of his subject specialty. Because two hours each day is set aside by the four teachers for planning instruction of the block classes, the new program will be able to regulate examinations and home work to keep it from all coming due on the same day.

THE BOOTLEG Philosopher

Editor's note: The Bootleg Philosopher on his bindweed farm takes a fanciful flight this week, but lands back on the ground.

Dear editor:
A bunch of us was sitting around talking about the terrible world situation — it's a funny thing, I never have been able to understand why the leaders in this country can't solve these big problems when there are plenty of people practically everywhere who can, tell them exactly how to do it, although I'll admit some of them have a little trouble handling their own problems at home, especially the financial ones — and one man said he didn't believe there is any solution to the international situation. "If it's not Cuba, it's Berlin, and tomorrow or the day after there'll be something else. I can't see anything but turmoil and crisis ahead for this world for a long time to come," he said. "In fact," he added, "I don't think there is a solution, and there probably never will be."

I came home and got to thinking about this and after thinking through four naps and three or four working days I have finally hit on a solution. I have figured out a way for man to live with man and stop all this turmoil and nation-against-nation warfare.

The thing to do is to keep exploring space, don't just stop with the moon, keep going, to Venus, Mars, etc., and still keep going until one day amid the billions of planets I understand are out in space somebody from the earth may run into a planet that's inhabited by people.

Now when he does, if he's smart, he'll make these people mad. Scorch them with the tail from his rocket's jet-blasts, turn some mosquitoes and flies loose on them, spread the common cold among them, drop them some television sets, give them the recipe for instant mashed potatoes, anything to make them boiling mad, then high-tail it for home.

Naturally, these people on this strange planet will declare war on the earth, and not having ever heard of the United States or Cuba or Russia or Scandinavia or East Berlin or Democrats, Republicans, Socialists or Communists, will start fighting everybody, helter-skelter, and the only thing for us to do will be unite and start fighting back. This positively will unite the world, and while it won't eliminate fighting, it'll eliminate fighting among ourselves.

If you think this plan has any merit, you think more of it than I do.

Yours faithfully,
J. A.

Miss Kay Sims Weds Pat Robbins In Church Ceremony

In an elaborate formal ceremony at the Avenue Baptist Church Miss Geneva Kay Sims became the bride of Pat Dudgeon Robbins at five o'clock in the afternoon on Sunday, Aug. 27.

The Rev. B. L. Davis, pastor of the First Baptist Church, read the double ring ceremony before an altar banked with emerald palms, white gladioli and giant white mums. Behind the floral arrangement was a long-span background candelabra holding 50 white wedding tapers. The prayer bench in front of the altar was covered in white satin and white satin rope was entwined in the background decorations. The church pews were decorated with white gladioli and mums tied with huge white satin bows.

Parents of the couple are Mr. and Mrs. Fred G. Sims, 134 Birch, and Mr. and Mrs. H. D. Robbins, 806 East 3rd.

Mrs. John T. Sims, organist, presented a group of wedding selections and accompanied Mrs. Weldon Stephan, vocalist and sister of the groom, as she sang "I Love Thee," "Because" and "The Wedding Prayer." Mrs. Sims played "Clair de Lune" softly during the exchange of vows. The traditional wedding marches were used.

Miss Shelly Smith of Dallas, dressed in a vibrant pink silk organza dress, was flower girl and carried a basket of flower petals.

Mrs. Jimmie Johnson of Dimmitt served her cousin as matron of honor and bridesmaids were Miss Diane Ferrell of Lubbock, a sorority sister of the bride; Miss Diane Yeates of Hilldale, Okla., college roommate of the bride; Mrs. Vance Robinson and Miss Judy McNeely of Hereford. The honor attendants wore identical cocktail length dresses of shocking pink silk organza designed with flat skirt fronts and full draped sides. The scooped neckline bodices were fashioned with cap sleeves. Self bows decorated

the front of the bodices and the back of the waists. The head-dresses were of the same vibrant pink fashioned as a single flower and trimmed by short

circular veils of pink illusion. They wore dyed-to-match shoes and carried cascading bouquets of white gladioli.

Dave Hillis of Lawton, Okla., acted as best man and groomsmen were Ron Cook, Donnie Renfro, Vance Robinson and Kenneth Clearman. Bud Martin and Gilbert Sims, brother of the bride, assisted as ushers.

The bride, who was escorted to the altar and given in marriage by her father, chose an original gown of imported white French embroidered silk tulle. The slim, princess style bodice was fashioned with a scalloped Sabrina neckline trimmed with sequins and seed pearls. Tier on tier of ruffles fell gracefully from the low waisted back into a cathedral train. Her fingertip veil of French illusion was attached to a Queen's crown of Aurora Borealis crystal beads. She wore matching silk shoes and the bridal bouquet was a cascade of white butterfly roses tied with white maline and ribbon tufts.

Mrs. Sims, mother of the bride, was attired in an avocado green silk suit with matching accessories and Mrs. Robbins, mother of the groom, wore a beige ensemble. Both wore corsages of cymbidium orchids.

At 6:30 p.m. Mr. and Mrs. Jack Renfro hosted the wedding reception at their home on Harrison Highway.

Miss Linda Edwards presided at the guest register and Mrs. Bill Callaway of Harlingen and Mrs. Carl Hall of Wichita Falls served punch and wedding cake. Others assisting were Misses Colbert Reeves, Verena Parker, Betty Cates and Mrs. Terrill Hodges.

The bride's table was laid with a white cutwork cloth over vibrant pink damask. The tiered wedding cake was decorated in shades of pink and topped with an arrangement of lilies of the valley.

When the couple left on a wedding trip to Las Vegas, Nev., the bride was wearing a magenta silk suit with a magenta and black checked silk broadcloth blouse, dyed-to-match shoes, a small black hat and bag and three-quarter length gloves. She wore an orchid corsage.

Following the wedding trip the couple will be at home at Apartment 1, Scholar's Inn, Stillwater, Okla., where both will attend the University of Oklahoma this fall.

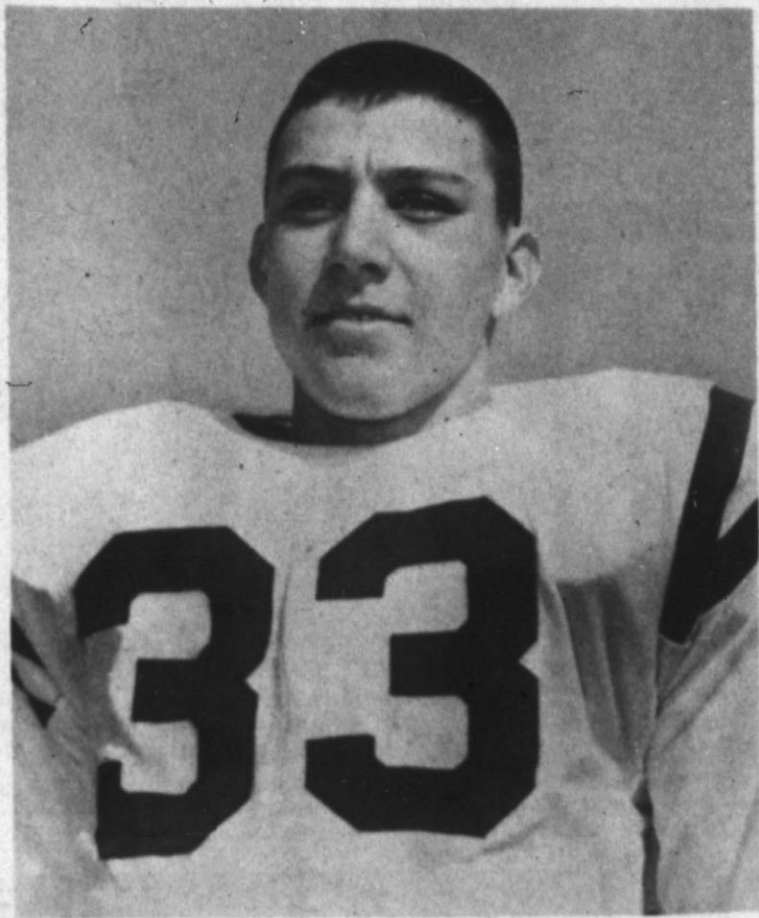

The bride is a 1960 graduate of Hereford High School. Last year at OSU she pledged Pi Beta Phi, national social sorority, and was named to the Dean's honor roll.

Robbins is a graduate of Hereford High School and attended OSU the last two years.

Out of town guests present for the wedding included Mrs. Bill Callaway, Harlingen; Jay Chalfont and Jackie Shaffer, Cheyenne, Okla.; Mr. and Mrs. W. H. Sims and Kent, Friona; Mr. and Mrs. R. A. Sims, Mobeetie; Mrs. Ralph Sims, Amarillo; Mrs. Carl Hall, Wichita Falls; Mr. and Mrs. Robert Ramey and Edwin, Amarillo; Mr. and Mrs. J. G. Davis, Dimmitt; Mr. and Mrs. Tommy Zo-

rns, Clovis, N. M.; Mr. and Mrs. Don Boyd, Clovis; Mr. and Mrs. Vern Lohberger, Alton and Howard, Allison; Mrs. Thejma Dunn, Mobeetie; Mr. and Mrs. Clark Gilbert Jr., Downey, Cal.; Mr. and Mrs. O. B. Tremble and Mrs. Pearl Beck, all of Dimmitt; Mrs. C. H. Elliott, Amarillo; Mr. and Mrs. E. H. Little, Peggy and Becky, Texline; Mrs. J. R. Luna and Mr. and Mrs. Lamar Luna, Ft. Sumner; Mrs. Jeannette Robbins, Canyon; and Mrs. I. H. Hathaway, Belen, N. M.

Pre-nuptial courtesies for the bride included a miscellaneous shower in the home of Mrs. Jack Bradley and a luncheon at the Hereford Country Club hosted by Mrs. John Douglas Pitman. Guests for the luncheon included the bride's honor attendants and Mrs. Bill Callaway, Mrs. Carl Hall and Mrs. Bob Bradley.

(Continued from page 4) much better than none. The fact that most jobs are open only to college graduates might be softened a bit by using someone with knowledge learned in the school of everyday living.

I am sure that even President Kennedy will admit to learning more about the human race and nations in the few months he has been president than in the years he spent as a student.

Someone has said that the mind is the one thing that does not grow old if it is used to learn something new each day. That could be a new word, a new way of doing some homely task or perhaps a whole new way of thinking. Who knows there might be instead of a Grandma Moses, a Grandpa of the study of the stars and their place in the future space life that seems to be on its way to our world of earthlings. Man has conquered the art of flying and made the world small indeed. Who knows he might conquer space and instead of flying to another continent for a vacation the future generations may go to another world for a week or month.

Beauty At Home

By Lynn Carter

Q. I use makeup daily, but the fingertip applications leave something to be desired so far as smoothness is concerned. Can you suggest a corrective?

A. If instead of your fingertips, you'll substitute a slightly dampened sponge, one of the little soft ones, you'll achieve a much even and smoother film of foundation.

Q. What sort of makeup technique will counteract my forehead, which recedes quite extremely?

A. By using a lighter foundation shade on the forehead area, the lower part of your face seems darker and more subdued and your forehead will be highlighted into greater prominence. Soft curls or bangs, falling over the forehead, will help, too.

Q. How can I remove some candlewax stains from one of my dresses?

A. After scraping off the excess with the unsharpened edge of a knife, place the stained area between two white blotters and press with a warm iron. The blotters should absorb most of the grease. Then rub the spot with turpentine, and wash in warm suds.

Q. My problem is that I have very small eyes and wear glasses which make them seem even smaller. What can I do about this?

A. A whitened shade of eye-shadow reflects the light, and makes the eyes appear larger. And, of course, be sure to use mascara and eye-liner.

Q. Do you advocate the use of

Mrs. C. D. Fitzgerald Jr., vocalist, sang "Bless This House" and "O Promise Me." She was accompanied by Mrs. Bill Stanford, organist, who presented a prelude of nuptial music and also played the traditional wedding marches.

The wedding area was decorated with a white altar cloth, white chrysanthemums and a Bible which has been in the bride's maternal family for over 100 years. The kneeling bench was flanked by 14 - branch candelabra and Grecian pedestals holding urns of white mums. The bridal aisle was covered with a white cloth and pews were decorated with 3 - branch candelabra tied with bronze mums and bows.

Miss Cheryl Parker, sister of the groom, and Miss Dixie Prowell of Dallas, cousin of the bride, lighted the candles preceding the exchange of wedding vows. Their dresses were similar to those of the other attendants.

cold cream as a powder base?

A. No. Among other things, all creams of this kind are made to liquefy, and the warmth of your skin or the slightest heat or exertion, such as dancing, will cause the cream to break down the facial makeup—rather than to help it adhere.

Q. What is a good, cleansing facial beauty pack or mask I can prepare at home?

A. One of the best consists of raw oatmeal, mixed to a paste with ordinary milk.

Q. My hair has recently become alarmingly dull and lifeless - looking. Advice?

A. Your brush and a turkish towel are two very efficient tools for this problem. Make a habit of giving your hair a good, vigorous, brisk towel - rubbing after each shampoo, and then follow this with at least 10 minutes of good brushing. This, more than anything, will help to restore the lights to your tresses.

Q. What style of dressing will help my small - bosom problem?

A. Choose your clothes with an eye to line and drama. Big collars, off - center buttonings on jackets, attention focused at waist, or bright scarves, belts or pins - all will be good. And sleeves which end at the bust line are flattering, too.

dants and they wore wrist corsages of white mums.

Miss Diana Prowell, cousin of the bride from Dallas, acted as flower girl. She was dressed in a frock of green crystal peau de soie and carried a white basket filled with bronze mum petals which she sprinkled in the path of the bride.

Cris White carried the rings on a white satin, heart-shaped pillow.

See picture Page 1, Section 2

Miss Shari Prowell attended her sister as maid of honor. She was attired in a green crystal peau de soie dress, fashioned with a scooped neckline and an embroidered bell skirt with a scalloped hemline. Her headpiece was of matching veiling and a circle of the dress material.

Bridesmaids and brides matrons were Mrs. Jim Brown, Mrs. Bobby Shelton, Miss Eugenia Alexander and Miss Carol Ann Newell. Their dresses of gold-crystal peau de soie were fashioned identically to that of the maid of honor and they wore matching hats. All the honor attendants carried balls

of bronze pom-pom mums tied with green streamers.

Bobby Renfro served the groom as best man and groomsmen and ushers were Jim Brown, Gary Guseman and Bill Dirks, all of Hereford, and Jim Prowell, cousin of the bride, of Amarillo.

The bride, given in marriage by her father, was attired in a formal gown of white peau de soie fashioned on princess lines. The long raglan sleeves tapered to points at the wrists and the back was buttoned with a multitude of tiny self covered buttons. The bouffant skirt was gathered over the hips and in back, falling into a graceful full chapel sweep. The semi - scooped neckline was complimented with the bride's only jewelry, a cameo on a chain. The cameo originally belonged to her maternal great - grandmother, the late Mrs. Enoch Lovett of Norman, Okla. Her chapel length veil was fashioned of antique rosepoint lace. The bridal bouquet consisted of a single white orchid surrounded with feathered white mums and tied with white streamers and pearls.

The bride's gown and the dresses of all her attendants were

designed and made by the bride's mother.

Mrs. Prowell chose for her daughter's wedding a royal blue pebble jersey dress with a draped skirt, scooped neckline and a blue feathered hat. White kid gloves and shoes completed her ensemble and she wore a white mum corsage. Mrs. Parker wore a green lace sheath dress with matching hat and a mum corsage.

At a reception at the Hereford County Club following the wedding ceremony, Mrs. Harry Bennett of Hereford and Mrs. James Prowell of Amarillo presided at the bride's table. Other members of the house party were Mesdames M. R. Latham, J. J. Durham, F. L. Alexander

and Misses Brenda Beasley, Maribeth Gilliland and Beverly Boyer.

Miss Margaret Prowell of Dallas was in charge of the guest register.

The serving table was laid with a white organdy cloth and all appointments were in silver. An elaborate arrangement of white chrysanthemums in a silver bowl centered the table and was flanked by the silver punch service and the tiered wedding cake which was topped with gold mums and a pair of ceramic kissing angels. The bride and groom drank punch from a silver nuptial cup and cut the first piece of the wedding cake. Miss Nell Smith of Olton and Miss Margaret Burrus and Mrs. C. D. Fitzgerald Jr. assisted in dispensing refreshments.

"A CLEANER KITCHEN IS IMPORTANT TO ME. MY ELECTRIC DISHWASHER AND DISPOSER GIVE ME THE KITCHEN SANITATION I WANT"

says Mrs. Lee Bell,
OF 4617 BUFFALO TRAIL, AN AMARILLO REGISTERED NURSE

You'd expect a registered nurse to insist on cleanliness, but isn't that what you, too, want in your kitchen? Of course it is, and clean electricity helps you get it. An electric dishwasher washes dishes really clean - sanitary clean. And, an electric disposer gets rid of unwanted food immediately. These two aids to kitchen cleanliness are used fully by Mrs. Bell - and her kitchen shows it - it's really clean.

Electric kitchen aids Mrs. Bell in devoting time to her two lovely children, Patty, age 5, and Randy, age 7. With sanitary electric dishwashing, colds are few and far between in the Bell household.

This electric disposer gets rid of food waste, easy and efficiently - helps give Mrs. Bell the clean kitchen her nursing training insists on.

Miss Walteen Beavers

Married To Glenn Tucek

Miss Walteen Beavers, daughter of Mr. and Mrs. Walt Beavers of Dawn, and Glenn Tucek, son of Mr. and Mrs. Raymond Tucek of Canyon, exchanged wedding vows Friday, Aug. 25, at 7:30 p.m. in the Dawn Baptist Church.

The double ring ceremony was read by the Rev. Charles Davenport, pastor of the church. The altar area was decorated with wrought-iron candelabra holding white wedding tapers and baskets of white gladioli.

Mrs. Carl Wimberley of Dawn served as pianist and presented a group of traditional wedding selections. She also accompanied Mrs. Ray Stewart of Dawn, vocalist. Prior to the ceremony Mrs. Stewart sang "O Promise Me" by Reginald de Koven and "Because," D'Hardelot. At the consummation of the wedding vows she sang "Wedding Prayer" by Fern Glasgow Dunlap. Misses Dortha Stewart of Dawn and Junell Bauer of Canyon assisted the bride as brides-

maids and the maid of honor was the groom's sister, Miss Loretta Tucek. They wore street length dresses of satin embossed taffeta in a shade of butter-

cup yellow, fashioned with scooped necklines and cap sleeves. Their matching head dresses were complimented with white net veils and they carried nosegays of yellow carnations and wore white satin mitts.

Weldon Tucek of Canyon, brother of the groom, served as best man and groomsmen were Jimmy McBroom of Happy, cousin of the groom, and Melvin Tucek of Canyon, brother of the groom. Ushers were Manuel Beavers, brother of the bride, and Norman Tucek, brother of the groom.

The bride was given in marriage by her father. For her wedding she wore a wedding gown designed and made by her mother. The floor length skirt was fashioned of white satin with a profusion of unpressed pleats. The lace bodice was designed with a rounded neckline and long sleeves tapered to a point over the wrists. The sleeves and bodice were fastened with an array of tiny covered buttons. Her bridal bouquet contained one white orchid surrounded by white feathered carnations. She carried the bouquet atop a white satin-covered Bible which was a gift from her parents many years ago.

Mrs. Beavers chose an aqua print dress with matching jacket for her daughter's wedding. Mrs. Tucek, mother of the groom, wore a navy dress and both mothers wore corsages of white carnations.

Immediately following the ceremony Mesdames Lee Roy Bauer, Norman Tucek, Ken DeHart and Manuel Beavers assisted with a reception in Fellowship Hall. The table was laid with an imported lace cloth over yellow damask. The bridesmaids' bouquets formed an attractive centerpiece, flanked by crystal candleholders holding yellow tapers. Other appointments were in crystal and silver.

Miss Ann Gentry presided at the guest register.

When the couple left on a wedding trip to points in New Mexico the bride was wearing a suit of blue silk with white accessories and the orchid from her bridal bouquet. Following the trip the couple will be at home at Dawn.

The bride was graduated from Hereford High School with the class of 1961. She was a charter member of the National Honor Society and was the Betty Crocker Homemaker of the Year in 1961.

Tucek was graduated from Canyon High School in 1957 and is now engaged in farming near Dawn.

Out of town guests attending the wedding and reception included Mr. and Mrs. Vic Mueller, Mrs. William Knox, Mr. and Mrs. Phillip Rickwartz and Clementine, and Mrs. Leonard Bauer, all of Amarillo; Mr. and Mrs. Whit Payne and La Ketta, Marlow, Okla.; and Mrs. Ellen Miller of Duncan, Okla.
