

Splinters

Local weather prognosticators who solemnly assured us that spring had come are nowhere to be found today—probably holed up around a fire. But those balmy days were fine while they lasted.

It is getting about the time of the year for Babe Ruth to begin holding out tho, at that.

Several new business enterprises are opening in Benjamin. Haven't been out over the country much lately, but reports that business conditions are constantly improving continue to come to our ears.

With the passage of the Bankhead-Bill, if it does pass, cotton raisers will probably see an increase in the price of cotton. That will be another cause for optimism.

Any student of economics knows that depressions and booms travel in cycles and all past history bears this statement out. Conditions since last March have so vastly improved that only the most timid and pessimistic look for a relapse.

As the CWA work is destined to come to an end about the first of April and there are several major jobs in the county that are not completed, the public is wondering just what kind of a set up will be substituted to care for the unemployed and used to finish the projects. To our mind the completion of the Rhineland bridge and the Munday-Benjamin road is one of the most important in the county because it will be of more benefit to the greatest number of people. Other projects are equally important in the localities in which the work is being done but do not benefit as large number of the citizens.

Rev. Bedford Smith and sister, Miss Tillie Smith, have moved to Benjamin to make their home. They are former Olney people. Rev. Smith is the County Evangelist of Knox county for the Christian churches and will be assisted in the work by his sister.

N. S. Kilgore, who has been in Wichita Falls undergoing treatment, has returned home. His condition is reported as much improved.

Jay Marlow is now occupying the General Foods Store building. He is the local wholesale agent for the Magnolia Petroleum Co.

Miss Jean Puryear is confined to her bed with a siege of illness. Her many friends wish her a speedy recovery.

M. G. Nix of Gillespie was in Benjamin the middle of the week transacting business.

Mrs. W. A. Alexander is in San Angelo spending a few days with her daughter, Mrs. A. C. McGlothlin, who is ill.

Frak Kuhler of Rhineland was in Benjamin Wednesday on business. Joh. Albus and Mike Bruckner, also of that place were in the city on business the same day.

Tennis Results of Knox County School Meet

Results of the Interscholastic League tennis events for the county played the past week are as follows: Girls Doubles, Benjamin, first place; Knox City second. Girls Singles, Knox City, first; Truscott, second. Boys Doubles, Truscott, first, Munday second. Boys Singles, Knox City, first; Munday, second.

Style Show at Roxy Theatre Tuesday Evening, March 27

An outstanding attraction of the week will be the style show on Tuesday evening at the Roxy theatre sponsored by the Hat Shop.

Attractive Easter styles will be displayed by the following: Mrs. L. M. Palmer, Mrs. Hubert Isbell, and Misses Irene Clifford, Maudie May Bennett, Evelyn Williams, Mauvoren Reeves, Louise Ingram, Betsy Reeves, Louise Atkeison, Virginia Bess Atkeison, Merle Lowe, Maxine Lane, Mary Couch, Launette Hand, and Lorene Parker.

BENJAMIN BAPTIST CHURCH

Services for Benjamin Baptist Church Sunday, March 25th. Sunday School, 10 a.m. J. O. Cook Superintendent.

11 a.m. Preaching
7:30 p.m. Preaching
There will be a Church conference and all are urged to attend.

Truscott Methodist Church News

The Revival services at the Methodist Church begins Wednesday evening March 21st at 7:45. The Rev. Bascom Morton, Conference Evangelist of Abilene, Texas; will be the visiting preacher. Brother Morton has been very successful as an evangelist for a number of years, and we feel that it is a great privilege to have him come with us to hold our revival. The public generally is very cordially invited to attend these services. We expect to have good singing in all these services.

Our hope and prayer is that this revival will be very beneficial in quickening the religious lives of the Church people of the town and reach the great element of the unchurched of the community. Wont you help us make it a success by praying for it, telling your friends, and attending its services.
O. C. Etableton, Pastor.

TRUSCOTT 4H CLUB HOLDS REGULAR MEETING MAR. 15

The Girls 4H club of Truscott met in the High School building March 15.

Several girls had the designs for their bedspreads and the plans for their gardens.

Three committees were appointed to plan an entertainment in order to obtain money to send a representative to College Station. To obtain the booklet which describes the 4H club pins and to decide on a sponsor for the club.

Mr. and Mrs. Herbert Cunningham were visiting friends in Olney Sunday.

Walter Hertel made a business trip to Wichita Falls Thursday of this week.

For Lieutenant Governor

WALTER WOODUL.

HARRIS SENATOR ASKS ELECTION AS LT. GOVERNOR

Houston, Texas.—Senator Walter Woodul of Houston has formally announced his candidacy for the office of Lieutenant Governor, saying:

"I aspire to the honor of being Lieutenant Governor of this state. I was born in Texas and educated in her schools, including the University. I volunteered to serve in her National Guard on the border in 1916 and served in the world war. I have been privileged to represent the people of Texas in both houses of the legislature, and I believe I know the problems of the state.

"As the campaign progresses, I will discuss and give to the electorate my position on pertinent issues."

Senator Woodul has represented Harris County in the senate for the past six years and was unanimously elected president pro tempore at the last regular session. He was born in Laredo, Texas, and worked his way through the University of Texas. He led in the organization of Houston Community Chest, is active in the civic life of this city, and is one of the leading lawyers in this section of the state. Senator Woodul was elected state manager of the Gamers-for-President forces in Texas and served in that capacity at the National Democratic Convention in Chicago.

Senator Woodul married Miss Ethel Eldridge of Sugar Land in 1917, and they have one son. He is a member of and active worker in the South End Christian Church of this city.

ATTENDS CATTLE RAISER'S ASS'N CONVENTION

Mr. and Mrs. C. H. Burnett are attending the Cattle Raiser's Association Convention at San Antonio this week. Mr. Burnett is an officer in that organization and perhaps one of the most widely known cattle raisers in the state.

Onie Welch and W. J. Farris of Gilliland were business visitors in Benjamin Wednesday.

W. M. Moore of Wichita Falls and W. H. Portwood of Seymour were in Benjamin Thursday on business. Judge Moore is a former Benjamin resident who is now in the oil business and Mr. Portwood is one of the old time cattlemen of this section.

Jas. A. Stephens and Lewis Williams were in Groom Tuesday on legal business.

Snody, Patterson Go To Austin In Interest Public Works

Walter Snody and Orel Patterson left today for Austin in the interest of public works for Knox county. All of the local government projects are due to come to an end by the first of April and while some sort of set up will doubtless be arranged to take care of the unemployment in the state, it is not yet known just what course will be pursued.

GAS TAX LAW BRINGS IN \$3,000,000 EXTRA REVENUE

AUSTIN, March 20.—Gasoline tax evaders "coughed up" more than \$3,000,000 in extra revenue to the state during the first nine months of the new enforcement law was in operation, the Texas Good Roads association estimated today from the complete report of Comptroller Geo. H. Sheppard for 1933.

Three hard-pressed state departments—schools, bond-refunding and highways—share in the captured bounty, the first two at the rate of \$750,000 each and the last-named at \$1,500,000.

The impressive sum, regarded at the capitol as "just like finding money" because it took nothing from any other bureau and required no new taxation, came entirely from sources which had been able to avoid gas tax payment until violation was made a felony and the comptroller provided with adequate enforcement machinery.

A comparative table of gas tax payments, month by month, for both 1932 and 1933, compiled by J. W. McReynolds, the comptroller's chief of gas tax operations, shows vividly the value of the new law.

Gasoline tax collections fell \$200,000 a month below 1932 during the first three months of 1933. The law was enacted March 21. April payments were off by only \$63,000 while in May they jumped \$33,000 ahead of the previous May. June was \$122,000 ahead, August \$189,000, September \$303,000, and December \$465,000.

The improvement in tax payments ranged from a 10 per cent decrease in January to a 20 per cent increase in December.

An additional \$189,000 is involved in gas tax claims now in the courts, the comptroller reported.

Mr. and Mrs. D. J. Brookreson and children were Fort Worth visitors during the week end. They met one of their daughters, Mrs. James Lott of Fairfield there, and they visited the Fat Stock Show.

S. G. West of Finney was a business visitor in Benjamin Thursday.

J. F. Ireton and family of Dickes have moved to Benjamin to make their home. Mr. Ireton has leased the Benjamin Cafe.

Leonard Yandell and Fritz Phillips of Roaring Springs have moved to Benjamin and installed a shoe shop. They are located in the Bentley building on the east side of the square.

Leroy Melton, who is attending school in Fort Worth, is home for the week end.

Hertel, Galloway Form Grocery Partnership

Walter Hertel and J. L. Galloway have formed a partnership to engage in the grocery business in Benjamin and are remodeling the building formerly occupied by the Hertel Grocery. Considerable additions are being made to the stock and fixtures and the members of this new enterprise promise to have a modern grocery store ready for business in the near future.

MARKET REVIEW By ROY K. SANSOM With National Livestock Commission Co., Ft. Worth, Texas

A Review of the Eleven Central Markets shows prices on the great bulk of fed cattle to be strong and active, rather than a quotably higher market over the slump two weeks ago. The good heavy thick-fat steers are the exception, however, for they have shown some appreciable advance, as evidence of a growing scarcity of these kinds and are gradually closing the considerable price gap that has for six months existed between the good light beef and these heavies. The Sheep Men continue to bask in the smiles of the favored few—but the scrap over the \$2.25 tax of the hog process plan, between the Packers and the Powers that be, set hog prices back to 50 to 75 ct. per cwt., and has continued into a stagnation with little of this loss regained. All the hog talent insist, and a good many cattlemen say, that unless hog prices show an advance of \$1.50 per cwt. we can expect no very material improvement over existing cattle prices—because of the fact that dressed beef is now competitively sandwiched in between cheap pork, poultry, etc., and the higher prices of mutton—Who knows?

Ft. Worth holds the eye of the whole Southwest with our Fat Stock Show—and what a show it is this year. The Folks are here from all over and its the biggest crowd for many years. The Exhibits are well beyond those of recent years. The Rodeo is wild enough for anybody from anybody's country. The Horse Show has the class and distinction that can only come from representation of the Equine aristocracy of the whole middle west. The carnival alone is worth the trip—the new Rainbeau leg-show is hitting the high spots—and the hot-dog men say they never saw so many \$ bills in their lives—Yes! if some Show.

Fed steers were in prominence and packers tried to shave prices at the opening, but didn't get very much done. They sometimes try this account of Fat Show cattle and the Club calves that naturally gravitate to them at the close of the show. The practical top on bulk of yearling stuff is around \$6 with bulk of sales on good kinds of ALL weights in a range of \$5 to \$5.75. Good South Texas grass steers \$3.75 to \$5 with the common kinds around \$3. A spirited demand for ALL good stocker cattle, and more country stocker sales in Texas in the past 30 days than for 3 months previous.

Cow prices on the cutter kinds have been rather a sad affair since Uncle Sam quit buying them—they are 50 to 75 ct. lower and now selling in the notch value above canners, instead of right up against fat cows as they were.

ITINERARY FOR 4TH
WEEK OF MARCH, HOME
DEMONSTRATION AGT.

Monday—Expansion work.
Tuesday—Office.
Wednesday—Lubbock Meat Show.
Thursday—Lubbock Meat Show.
Friday—Lubbock Meat Show.
Saturday—Office.

"My garden is with my aunt, but I am sure I am going to have a good one," said Willie Mae Hitchcock, Garden Demonstrator in Truscott 4-H Club. "I not only plan to plant tomatoes but I hope to have a variety of vegetables and all we can use fresh and canned," she also said.

"Since I am demonstrator, I hope to fulfill my goals—that is, to take care of the family garden and provide a variety of fresh vegetables for the maximum number of months possible and a surplus for canning." Willie Mae will make plans and will keep all records of expenditures and production, listing the amounts used fresh, sold and canned.

I already have my tomatoes planted in a hotbed and I plan to transplant them, as soon as the weather permits, on tile. I also plan to plant several other varieties of vegetables, said Sibyl Spivey, Truscott 4-H Club.

Most of the 4-H girls in that club have very similiar plans for gardens, some will lay tile. In the end these girls plan to help raise plenty of vegetables for the family.

**THE KNOX COUNTY HOME
DEMONSTRATION COUNCIL**

The Knox County Home Demonstration Council, composed of the president and one elected representative from each of the woman's clubs, met Saturday March 10, at Benjamin, in regular session with seven Home Demonstration Clubs represented.

The house was called to order by the chairman, Mrs. R. M. Almanrode, Gillespie. The roll was called, minutes were read and approved.

A report was given by the Expansion Committee. They reported a total of 96 non-club members had been assisted with some phase of Home Demonsartin work during January and February.

Plans for having cash prizes at the County Exhibit in the fall, were discussed.

The Council plans to send a complete exhibit of 35 entries to the Quality Meat Show, Lubbock, March 28-30. Three cans form an entry in the following classes: pork roast, sausage, liverpaste, mincemeat, boned chicken, roast beef, steak and chile.

The council purchased the labels for these entries and they can be had at the Home Demonstration Agent's office.

Plans were made to take an exhibit fo Dairy Products to Albany, April 13-14. Each club is asked to have at least one entry in each of the following:

- American Cheese—3 lbs.
- Butter—1 lb.
- Cottage Cheese—1 lb.

Whole Milk—1 qt.
Market Cream—1 pt.

Plans are also under way to secure a bus to take a group of club women to Albany April 14 to see and hear the judging.

The following clubs turned in their Educational fund: Benjamin, Hefner, Hood, Munday. Gilliland, Union Grove and Gillespie.

The chairman introduced Mrs. W. H. Chapman, President of the County Federation of Women's Clubs, who talked to the Council on the importance and advantages of Federating the Home Demonstration Clubs.

**PHILLIPINE VISITORS SEE
HOME DEMONSTRATION
WORK CARRIED ON HERE**

A delegation from Knox County attended the Jones County Home Demonstration Council, Anson, Saturday, at which time two young Phillipine women, for four years Home Demonstration workers of Manila, were visitors. The two, Misses Pnenatacion Atienza and Natividad Brodeth, were accompanied to Anson by Miss Mildred Horton, State Home Demonstration Agent, and Miss Myrtle Murray, District Two Home Demonstration Agent.

The young women have been in the United States for more than a year, studying the extension program operations of the United States Department of Agriculture. Recently they have been touring the States observing first-hand the Home Demonstration work. They are to spend some time in Texas alone and were to go to Lubbock from Anson where they plan to attend the Quality Meat Show, March 28-30.

Miss Atienza and Miss Brodeth both appeared on the program at this meeting, contrasting the Extension work here and in the Phillipines, and telling the group many interesting things concerning their native land, including modes of living, education, and costumes—which were modeled and discussed at length.

These women learned so many interesting things about rug-making, home and yard improvement, gardening and canning since they have been in Texas and marvel at the variety of projects the Home Demonstration Service offers here. They are sure to take new phases of work learned in the United States back to their native land where a Home Demonstration staff of 14 women is laying the foundation for extension service.

**Rabbit Drive Nets
500 Rabbits With
Two Men Wounded**

The rabbit drive held on Wednesday southeast of Munday resulted in about 500 casualties among the rabbits and came near resulting in several for the participants. Lee Haymes received a few small shot in his forehead but was able to continue the drive and it is said his wounds did not in any measure impair his appetite at the noon hour, and Jim Frost also received a few shot in his lip, but he too suffered no serious results.

TODAY and TOMORROW

By Frank Parker Stockbridge

FARMERS—Success rule

My friend Charles F. Collisson, who knows more farmers than any other man I know, and who writes in the Minneapolis Tribune more horse-sense about farming than any other writer with whose works I am familiar, printed a piece the other day which bears out my contention that most of the trouble farmers find themselves in arises from the same source as most of the troubles the rest of us are in—ourselves.

Charlie Collisson tells the story of John Linster of Elm Grove Farm, near Northfield, Minn. John Linster has been running the same farm for 34 years. He is so far from being discouraged that he has bought another 160 acres over in Wisconsin, for his son. The secret of this farmer's success is the secret of anybody else's success; he never spent any money until he had it, never borrowed money until he knew where it was going to earn something for him, never discarded anything old for something new merely for the sake of change, and kept a strict record of every cent received and spent.

Those rules, coupled with knowing one's trade or business thoroughly are all there is to success. Anybody can succeed who follows them.

LAWS—That we like

The older I get the more I am impressed with the fact that any law is only as good as the public sentiment behind it. If the people like it, it is a good law; if they don't obey it.

If every motorist who disobeys the local speed laws were arrested there wouldn't be jails enough to hold them. But no police force could be maintained large enough to enforce the speed laws strictly.

The best laws are those which leave people freest to do whatever they like to do, restraining them only from infringing on other's rights and punishing them promptly and severely for doing any thing which results in injury to another's person or property.

ENGLISH—1,000 words

More than five hundred million people, a quarter of the world's population, either speak English or live under the flags of the two great English-speaking nations. Our language is the most widely-spoken of

all.

It is not as easy for those bred to other tongues to express themselves correctly in English as in some other languages. For that reason, as I have pointed out before in this column, efforts are being made on both sides of the Atlantic to organize a simple vocabulary of less than a thousand English words by means of which any idea can be expressed.

This, it seems to me, is far more sensible than the various attempts to create a new "universal language," such as Esperanto or anything else which is not already familiar to millions.

PRAYER—Its purpose

I heard a woman say not long ago that she had lost her faith in religion. She had prayed and prayed for something she wanted and had not got it. It struck me that there was something decidedly wrong with the church or the teacher of religion from whom this woman got her selfish idea of the use of prayer. I have never found anything in the Bible to suggest that one can petition the Almighty for personal benefits and expect to get them.

Those who profess faith in God but try to dictate to the Supreme Being as to how every detail of their lives should be shaped have a totally false idea of the teachings of religion, says my friend Harry Fostick, whose sermons draw the largest crowds in New York. I agree with him that many people regard themselves as the center of the universe, and what they need most is the sort of faith that assures them that all they need to do is to live up to the Golden Rule and take what comes without whimpering.

PARTNERSHIP DISSOLVED

STATE OF TEXAS COUNTY OF KNOX

Notice is hereby given that the partnership of lately subsisting between Lynn Waldrip, and Jack Benton of Munday, Knox County, Texas, under the firm name of Waldrip and Benton was dissolved by mutual agreement or consent, by the purchase by Lynn Waldrip of Jack Benton half interest. On the 8th day of February, A. D. 1934. All debts owing to the said partnership are to be paid to, and received by Lynn Waldrip, and all demands on said partnership are to be presented to the said Lynn Waldrip.

Witness our hands this the 8th day of February, A. D. 1934.
JACK BENTON.

Rev. H. F. Gage, pastor of the local Baptist Church has just returned from holding a revival meeting at Pleasant Valley near Haskell.

RHINELAND

Our volley ball team won second place in the Knox County Inter-scholastic League contest at Sunset last Saturday. A trick of fate robbed us of first place. We are proud of the record our girls made. Our school is greatly handicapped in many ways in these contests. The greatest of these is the limited material from which to choose. There are only eleven girls in our high school this year. To pick and develop a winning team from this limited number is no easy task for any coach. Mr. Hoffman is to be congratulated for his splendid job of coaching.

Spring is in the air. The high school boys have been seen out on the baseball diamond during the past week and are getting ready for real action.

Our English teacher, Miss Mary de Aguirre, who has been ill for the past several weeks, has returned to her home on Thursday of last week from the General Hospital at Wichita Falls.

Miss Frances Diersing who has recently undergone an operation for appendicitis at Lubbock was brought to her home on Thursday of last week by her parents. Reports are that she is doing nicely, but had to sever her connections as a student with Texas Tech for the remainder of the term. Frances was a sophomore.

Mr. John Albus and son, Clement, and Mr. August Schumacher made a business trip to Henerietta on Saturday of last week.

Mr. Ferdinand Fetsch and sons, Albert and Leo, made a business trip to Amarillo on Friday of last week.

Mr. Conrad Kuehler made a business trip to Olney last Monday.

Mr. Joseph Blake visited in Windthorst during the later part of last week.

Mrs. George Simonizh Sr. returned from Abilene last Monday after visiting there several months.

Miss Elizabeth Schlabs of Wichita

SHOES SHOES SHOES

We Can Get You Any Kind of a Shoe Made at LOWER PRICES

Our catalogues contain illustrations of complete lines of mens, boys, misses and childrens dress shoes; our ladies arch type lines and other styles of the staple variety, as well as seasonable work and service shoes for both sexes of all ages. Ladies and big girls novelty type shoes are well illustrated and will be supplemented as the season progresses and new styles added. If the shoe you want is not in stock. To keep our lines abreast of the times from a style standpoint, frequent changes are made in our novelty type shoes, and this we feel is the most practical method of keeping our complete lines before you in an up-to-the-minute way.

When thinking of shoes remember we can get you any kind made representing the standard of quality and value and your selection may be as broad as the factory. You will find our prices much cheaper and average delivery time from St. Louis is five days; from Dallas, 3 days. We make it our business to please you and the only business we have is to serve you.

Nation-Wide Radio Memorial Services Saturday For Simpson

A nation-wide memorial service will be held Saturday morning at 11:30 for John A. Simpson, late president of the Farmers' Educational and Co-Operative Union of America, who died recently in Washington after appearing before various committees in the interest of legislation favorable to the farmers of the nation. J. E. Edwards, secretary of the state organization, has ask us to pass information on to the many members of the organization in this community to listen-in on the program, which will be on the regular Farmers Union hour over the NBC chain.

Mr. Simpson, whose home was at Oklahoma City, had been president

of the Farmers Union for a number of years and was regarded as one of its most able leaders, and was prominently mentioned as Secretary of Agriculture in President Roosevelt's Cabinet. He was well known here, having spoken here some few years ago and having conferred with officials of the local union upon a number of occasions.

SINGING CONVENTION

The Knox County Singing Convention will meet at Hefner in the afternoon of Sunday, March 25. It is the regular meeting for the election of officers. Everyone is invited to attend.

Majoh C. H. Tate, unit instructor 349th F. A., Fort Worth, was in Benjamin Thursday contacting Reserve Officers in this section and meeting ex-service men.

Learn About **MODERN ELECTRIC**

Ranges and Water Heaters

Here is Good News for all who said, "I'll Cook Electrically when it is Faster and Cheaper."

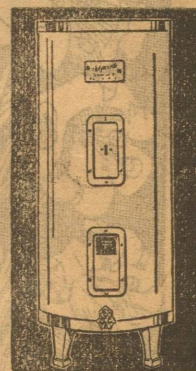

Progress has been made in Electric Ranges and the new type brings into the home more than just a new "cook stove." It introduces new economy, new cleanliness, new hours of freedom to women... because modern electric cookery is fast.

And before you buy any water heating equipment, see our new low-priced Automatic Electric Water Heater.

The Electric Water Heater operates on a special low rate schedule and gives you dependable, economical service without the disadvantage of flame, noise, fumes, soot or odors. Don't judge modern water heaters by the old-fashioned standards... for progress has been made in water heaters, just as in electric cookery.

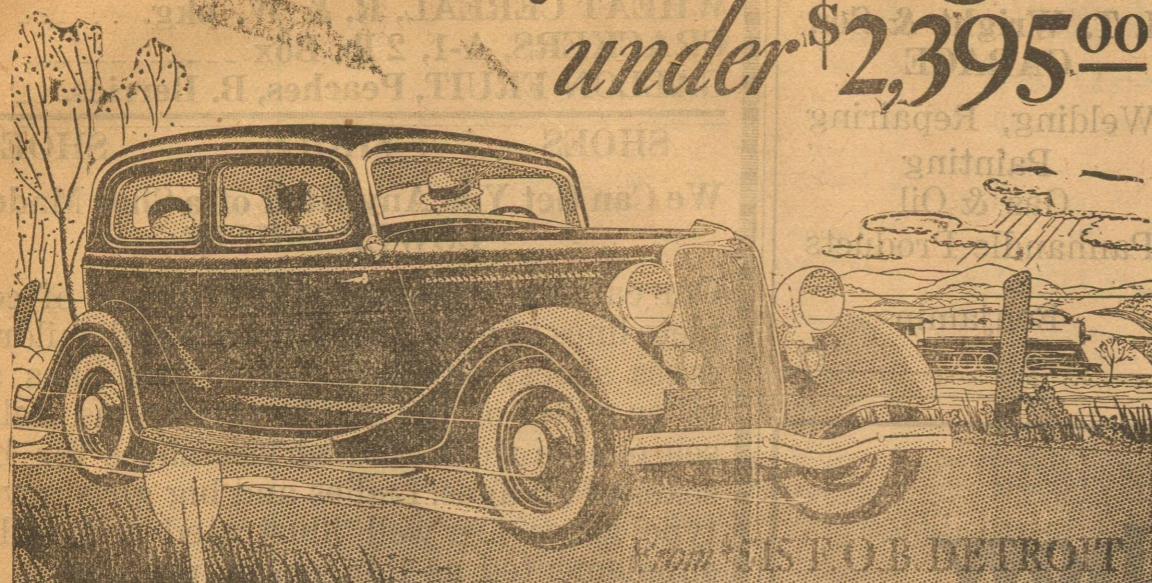

Investigate the cost of cooking and heating water electrically. You may be surprised at the low rate schedule for these appliances.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

West Texas Utilities Company

The Only V-Eight
under \$2,395.00
