

City's Growth In Last Five Years Tops Previous Decade

The city of Hereford has mushroomed in land area and population during the past five years at a rate unexcelled in the past, a report to the city commission by city manager Dudley Bayne showed Monday night.

In fact land area growth of the city during the past five years was far more than in the preceding ten years combined, it was pointed out.

THE FACT sheet showed that Hereford has grown from a population of 5,207 in 1950 to an estimated 10,700 at the close of 1965.

In the same time, the area encompassed by the city limits has climbed from 1,300 acres in 1950 to 2,854 acres at the present.

THE MAJOR portion of this growth has occurred during the period since 1960, it was gra-

phically illustrated.

In 1960, population was pegged at 7,652 as compared to the current 10,700 — an increase of 3,048 in the past five years.

THE PRECEDING five-year span saw a climb of 2,445 from the 1955 estimate of 6,946 to 1960's 7,652.

From 1950 until 1955, the jump was from 5,207 in '55 to 6,946, or just 1,739.

AT THE SAME time, total

acreage of the city expanded at an even more impressive clip.

The city annexed a total of 1,072 acres from 1960 through 1965 to give the present total of 2,854 acres.

From 1955 until 1960, however, the increase in city boundaries was just 97 acres — and from 1950's 1,300 acre total to 1965's 1,885 acres was an increase of only 385 acres.

TAXABLE property valuation

totals also spiralled — from \$14,770,889 in 1950 to \$54,420,660 at the close of 1965, or almost tripling in 15 years.

In the five years between 1960 and 1965, taxable valuation climbed from \$32,236,711 to the \$54,420,660.

From 1955 until 1960, the jump was from \$22,763,860 to \$33 million, and from 1950 until 1955, the increase was from \$14 million to \$22 million.

THUS, THE \$21 million taxable valuation increase posted during the past five years more than surpassed the total of \$18 million property value increase in the preceding ten years, from 1950 through 1960.

Prior to 1963, the record 12-month period for building permits totals in the city was \$2.4 million.

PERMITS have totaled more than \$4 million for each of the

past three years and set a new all-time high for Hereford in 1965 with a \$5,313,010 total.

It was also pointed out that the largest number of acres annexed to the city in a single year was in 1964, when 535 acres were added.

The report was presented in conjunction with the commission's study of a proposal to annex an additional 28-acre tract in South Hereford.

School Eyes Pupil Needs In Busy Meet

Hereford school trustees continued studying the possibility of a major expansion of curriculum for high school students to meet their diversified needs in a five-hour session Tuesday night.

Consideration of a proposal to institute courses particularly designed for students not planning to attend college — and other curriculum changes to better prepare college-bound students — highlighted the session.

After recessing the meeting to attend open house at schools in the system in conjunction with Texas Public Schools Week, the board reconvened to handle a wide variety of business, including the curriculum changes.

Other business included:

—**APPROVAL** of continuation this summer of classes for pre-school, non-English-speaking students as has been conducted in the past. The course is designed to teach students some 500 basic English words. (A normal English-speaking child knows some 4,000 words upon entering the first grade.)

—**Adoption** of textbooks, as recommended by a textbook committee appointed by the board to study texts available. (See story below.)

—**Heard** a report that a recently completed scholastic census for 1967-68 shows an overall increase of almost 600 school-age children in the district as compared to this year's census. Total for the new census was 4,614. Another report showed that average daily attendance in Hereford schools was 3,722, as compared to an enrollment of 3,975 at the end of the fourth six weeks. For the second six weeks, ADA was 4,081 and enrollment was 4,324.

—**NOTED** that a questionnaire sent the local school district from the U. S. office of Education wanted information concerning the number of white students and Negro students, as well as the number of white

Hereford Man Dies In Crash

A one-car auto mishap claimed the life of a Hereford man about 3 a. m. Sunday near the west city limits of Bovina on U. S. Hwy. 60.

Funeral services were held Monday morning for Edward Glen May, 26, of Hereford who was killed in the mishap.

MAY was fatally injured when his 1965-model vehicle, apparently traveling at a high rate of speed, went out of control according to investigating officers.

The vehicle swerved to the opposite side of the road, hitting a tree, went back across Hwy. 60, hitting a grain elevator, then went across the highway again and overturned, Highway Patrolmen said.

Officers added that the vehicle traveled 454 feet after leaving the highway the first time.

THE ACCIDENT occurred at the west Bovina city limits on Hwy. 60.

May, a Hereford rancher, was born in Odessa. He was a member of the First Baptist Church of Hereford.

Survivors included a daughter, Sherri Suzana, and his parents, Mr. and Mrs. A. G. May of Hereford, and his grandparents, Mrs. F. A. May of Panhandle and Mrs. R. G. Edwards of Odessa.

OUT ON THE FARM — It wasn't so long ago that the land occupied by this South Hereford housing development was the home of more cattle and wheat stalks than people, but growth in this and other peri-

BRING TOTAL TO EIGHT

3 Join Job Corps

By DAVID BUTLER
Staff Writer

Three young men from the Hereford area became the latest enlistments for the federal Job Corps as they were sworn in at the Texas Employment Agency office here Wednesday afternoon.

The trio brought the total of Job Corps trainees originating with applications at the local employment office to eight.

Officially joining the Job Corps here were J. C. Booker, 20, and Kenneth Rogers, 17, both of Hereford, and Carrey Scroggins, 18, of Black.

THEY LEFT later Wednesday afternoon for their respective Job Corps training centers, where they will receive instruction in a specific vocation.

Booker left for the Box Elder, S. D., training center while Scroggins and Rogers departed for the Tongue Point training center in Astoria, Ore.

THE THREE young men will meet with counselors upon arriving at the campus and will be given aptitude tests to determine in what fields they would be best suited.

Consideration is also given to vocational preferences listed by the young people when they are being tested.

Booker said he hoped to go into auto mechanics or welding.

Scroggins said he would like to be trained as a machinist and welder, since there is a grave need for this type of work.

THE JOB Corps is set up by the federal government to train both girls and boys, who because of lack of education or economical situation have not developed a working skill.

These persons will be trained in one or more of numerous fields including such things as forestry, construction, office machinery repairing, electronics, food service, medical services, cooking or welding.

After the trainee begins his training, he is furnished with food, clothing and lodging and is paid \$30 per month for spending money.

THE TRAINEE is also paid \$50 a month which is put into

Chamber Groups Set Meetings To Map Plans

Three committees of the Deaf Smith County Chamber of Commerce have meetings scheduled for today and Friday to plan work for the year.

MEETING at 6:30 a. m. today will be the agriculture committee, which will set up immediate and long-range goals. The meeting will be held at the Caisson House Restaurant.

At 11 a. m. today, the government affairs committee meets at the chamber of commerce office.

It too will develop objectives for the year, plus review the issues and facts concerning the forthcoming city bond election.

THE COMMITTEE is expected to adopt a recommendation to be presented to the chamber board outlining a stand on the bond issue.

Friday at noon, the industrial committee meets at the Hereford Country Club.

Several items of importance have been developing in the industrial development effort by the chamber, a spokesman said. These will be reviewed and further steps outlined.

a savings account for him, which is to be used by him to get established following his training.

Training can be completed in as few as four months or may take as long as two years, depending upon the trainee.

Trainees spend a part of their time learning the basics of arithmetic, English and remedial reading, which makes it easier for them to get along after the training is finished.

FOLLOWING the training, the workers are placed in a job by a state placement agency. Job Corps trainees who have finished the training have gone to work throughout the country in such important jobs as in Houston in the NASA headquarters.

Some of the others join the armed forces and get their military obligations out of the way, while others take civilian jobs in cities over the country.

\$610,000 Bond Election Called

S. Hereford Residents At Hearing

Hereford city commissioners set April 5 as the date voters will decide the fate of a proposed \$610,000 tax bond issue to provide water and sewer system expansions.

The bond election will take

NO SCHOOL FRIDAY Teachers Here Attend TSTA District Meet

Hereford school students get a holiday Friday while teachers from local schools attend the Northwest Texas Conference for Education, District IX, Texas State Teachers Association.

Some 3,000 area teachers will convene in Amarillo's Municipal Auditorium for the yearly meeting which provides a holiday for school children.

A **HOST** of speakers widely known to the field of education will discuss a multitude of topics during the day-long meeting which will be preceded by the annual house of delegates banquet tonight.

Nine Hereford teachers were named to the house of delegates to attend the dinner tonight and participate in elections Friday at the business session for the district TSTA.

ELECTION of officers and ap-

See **TEACHERS**, Page 2

place on the same day as the city commission election, which will see two incumbents running unopposed for re-election.

THE APRIL 5 bond election was formally called by commissioners in their meeting Monday night to climax several months of consideration of the need for the improvements.

Bonds proposed would provide \$436,998 for water department expansion and \$173,002 for sewage system improvements, most of which is necessitated simply by growth of the city.

A **MAJOR** item included in the proposed improvements is extending municipal water and sewer service to South Hereford — the portion of the city south of Tierra Blanca Creek.

Cost of providing service to that portion of town would be some \$221,168.

Water and sewer service would be provided for the Knob

See **BOND**, Page 2

Hereford city commissioners heard opinions from five persons on the proposed annexation of a portion of South Hereford in a public hearing on the matter Monday night.

All those appearing before the commission concerning annexation of the four-block area favored the proposal.

Also highlighting Monday night's meeting was the commission's decision to call a \$610,000 bond issue election for April 5, the same day as the city commission election (See story at left).

The public annexation hearing was one of several steps required before the 28-acre tract can be annexed. A motion that the annexation proceedings continue can be entertained at the commission's next regular meeting on March 21.

Annexation of the area could be completed May 2 if no hitch-es are encountered.

Area included in the proposed annexation is blocks 13, 18, 19, and 24, and an unplatted plot between South Jackson and South Lane streets in South Hereford.

THE PROPERTY proposed for annexation lies between South Main streets on the east and west, and Country Club Drive (Austin Road) and Gracy Streets on the north and south.

Five property owners in the area appeared at the public

MAY SUFFICE FOR 20 YEARS

Post Office Expansion Bid Opening Scheduled

Bids will be opened soon for a major expansion and remodeling project for the Hereford Post Office, it was announced

this week by the General Services Administration.

Estimated cost of the project is some \$250,000.

INCLUDED in plans are enlargement of the present post office building to the north and a major revamping of the interior of the building, Hereford Postmaster Nolan Grady said.

Bids will be opened May 20 by the General Services Administration for the work, which is expected to get underway soon after the contract is awarded.

THE PROJECT marks the first major expansion of the local post office since the present building went into use on June 22, 1940.

Grady said that officials anticipate the planned expansion of the post office building by some 5,000 square feet will handle needs of the city for some 20 years, barring unprecedented growth.

Enlargement will be to the north of the present structure. **EXTERIOR** of the building will otherwise see little change, other than the larger size and removing the present roof in favor of a flat-top design, Grady said.

However, changes on the interior of the building will be extensive, including air conditioning and new lighting.

MAINLY, the project will provide more working space to han-

dle the local post office's increasing volume of mail.

The project will double the number of post office boxes available. There are 692 boxes

See **POST**, Page 2

Area Meetings Monday Discuss Medicare Rules

A second group of public meetings to explain recent changes in the Social Security Law and provisions of the Medicare program will be held Monday, sponsored by Extension Service Agents of Deaf Smith County and the Amarillo Social Security office.

Meetings are scheduled at 10 a. m. in the Sims Community Building, at 1 p. m. at Walcott School and at 3 p. m. and 7 p. m. in Hereford Community Center.

Similar meetings have already been held at Dawn, in Ford Community Building and the Little Bull Barn.

Aim of the meetings is to discuss the changed Social Security program, especially the Medicare provisions which apply to many persons over age 65 who are not eligible for other Social Security benefits.

BY TEXTBOOK COMMITTEE

Reader Selected With Much Study

The acceptance by the School Board Tuesday night of a recommendation from school officials and a textbook committee that Hereford schools use the McKee-Durr "Reading for Meaning" as the state adopted basal reading text for grades 1-3 climaxed several weeks of study.

Samples were examined and company consultants and reading specialists conferred with Hereford teachers during this time. A school-wide primary reading workshop was also conducted.

THESE NEWLY adopted texts will be in use next fall in the primary grades of Hereford schools. After several weeks of intensive study on the part of a board-approved committee comprised of classroom teachers, a series from the state adoption list was approved by the board here this week.

The selection was made with the advice and approval of school officials. This program will not be a major departure from the present program, but will tend to provide new and revised materials to incorporate with presently used supplementary books that are purchased

locally, school officials said.

All textbooks are selected by individual districts from a list of five different publishers previously selected by a state textbook committee and approved by the State Board of Education, Supt. Johnny Clark Jr. See **READER**, Page 2

ELECTION SET APRIL 2

Names On Ballot For Walcott, County School District Vote

Names of two persons have been placed on the ballot for the Deaf Smith County School Board election and another name was placed on the ballot for the Walcott School board of trustees, it was announced this week by the ex-officio county school superintendent, County Judge H. C. Williams.

ALL THREE names were placed on the ballot by petition of qualified voters. Both elections will be held April 2, same day as the Hereford School District.

Listed as a candidate for the position of trustee-at-large for

the county school board is Don Zimmerman, who currently holds the post.

Petitioned as a candidate for the office of county school board trustee for commissioner's precinct three was Floyd Brown. This is for the post currently held by Jack Weaver, whose term expires.

THE FIVE-MAN county school board supervises certain actions of both the Hereford Independent School District and the Walcott Common School District No. 6. With no regular meeting date, See **NAMES**, Page 2

GRAND OPENING CONTINUES

New Men's Store Opens Downtown

Residents . . .

(Continued from Page 1)

hearing, saying they favored the proposal.

They said they agreed that the area needs city water facilities, which would probably be installed if the area is annexed and the proposed bond issue gets okay of the city's voters.

THE AREA under consideration for annexation adjoins the Knob Hill Subdivision, annexed by the city last fall.

It was pointed out that residents of the area under study for annexation at the present time have had difficulty with water wells supplying their homes.

ONE PERSON commented that he had not had running water in his home since last July.

Residents of the area circulated a petition among themselves asking that the city annex the property obtaining the signature of all property owners except one.

Mayor Ray Cowser commented that although the petition did not meet all of the legal standards required for annexation by voluntary petition, it did show the desire of the residents of the area.

He also said that if the bond election which is scheduled for April 3 passes, and the area is annexed, relief for the water problem may come as early as this summer.

THE HEARING was adjourned with the explanation that statutes call for a 30-day waiting period following the public hearing, before further annexation proceedings can resume.

In other business, City Manager Dudley Byne presented a recommendation from Chief of Police Marshall Fulgett, that an ordinance be passed to ban drinking on public streets and thoroughfares.

It was explained that although a city ordinance exists to outlaw drinking of alcoholic beverages in city parks and on the golf course, streets, thoroughfares, and alleys are not mentioned.

City attorney Earnest Langley recommended that instead of a new ordinance, the council amend the present ordinance to include streets, thoroughfares, and alleys.

Other business included the review of a report submitted by the city manager showing the growth of Hereford in the past 15 years in population, as well as property. (See story on page one.)

WHAT NEXT?

LONDON — Television dealers here — so far, very few — are experimenting with a process called de-repairing.

When they submit an estimate for fixing a television set they explain that the work, in fact, has already been done. They say the work had to be done so they could find out what the cost would be for doing it.

Should the customer refuse to pay the estimate, the dealers would instruct their repairmen to de-repair the set and restore it to its original unsatisfactory state.

With the de-repair goes an "estimate charge" of 25 shillings (\$1.50) to cover the cost of the exercise.

Classifieds Get Results

Jim's Master Shop, featuring casual and dress wear for men and boys, opened this week in Downtown Variety Part at 213 North Main.

THE MEN'S store is owned and operated by James Welch, a longtime Deaf Smith County resident who has worked in retail clothing for some 15 years. The store will offer popular medium priced lines in sports, casual, and dress in prep sitting from 14 through 30, as well as a wide selection of items for high school and college students, as well as men's clothing, wearing apparel, and shoes.

Welch and his wife Anne are parents of two boys and a girl. They reside at 511 Ave. J.

Grand opening for the store began Monday and will continue through Saturday. Store hours are from 8:30 a. m. until 8 p. m. daily except Sunday.

school employees and Negro employees. The survey is being made to check schools throughout the nation, concerning the ordered integration of both student body and staff personnel.

Set the dates of May 21 and May 26 for Baccalaureate and Graduation, respectively.

—ELECTED all teachers recommended for re-hiring by school principals.

Discussed a proposal by Supt. Johnny Clark Jr. that students be required to complete eight semesters of work in the ninth through the twelfth grade, thus delaying graduation after 7 1/2 years by students who complete the required number of credits.

Considered a proposal to offer typing to eighth grade students next year, but took no action.

Presented to the board at Tuesday's meeting was a "rough draft" of plans for enlarging the scope of education offered at the high school level by adopting additional vocational courses.

Supt. Clark said that the plans outlined in the proposal would be considered thoroughly before any official action is taken.

The board discussed the proposal at length and agreed to study it thoroughly before its next meeting, when it will further discuss the plan.

TWO-PART SEASON IN MINNEAPOLIS

MINNEAPOLIS — A programming innovation — a two-part season featuring five plays — is being instituted by the Minnesota Theater Company.

A 14-week repertory from May 21 to Sept. 4 will include "As You Like It," "The Skin of Our Teeth" and "The Dance of Death." A fall repertory from Sept. 7 to Dec. 11 is to feature "The Doctor's Dilemma," a bill of O'Neill one-act dramas grouped as "S.S. Glencairn," as hold-over of one or two of the summer presentations.

The new setup replaces the previous programming of a 25-week season beginning in early May.

Daytime temperatures in Riyadh, the capital of Saudi Arabia, rise as high as 113 degrees and may fall no lower than 90 degrees at night. Families often sleep on the roofs of their mud-brick houses to escape the heat.

Reader . . .

(Continued from Page 1)

A SCHOOL is required by law to adopt a basal reading series. The program our school just is keeping with local board policy is not on the state adoption list and must be purchased from local funds and used to supplement the state basal.

Publishing companies offering series from which a selection could be made were Scott-Foresman, Houghton Mifflin, American Book Company, Macmillan Company, and Harper & Row.

Representatives of these publishers met with the committee and school officials to discuss and exhibit various changes, newer techniques utilized, and supportive materials available with the readers; the individual problems of this district were particularly discussed; a committee member said.

ALL PRIMARY teachers, grades 1-1 in the Hereford schools, as well as reading teachers from neighboring districts, attended a workshop held in the high school cafeteria recently to study the "essential elements of a good reading program."

Superintendent Clark was in charge of the meeting and introduced out of town guests, board members, and the reading specialist, Miss Dorothy Filgo. Miss Filgo is associated with Texas Technological Elementary Education Department.

Her lecture and illustrations were not associated with any publisher, or any particular method of teaching reading. Rather, she pointed up the essentials to the basic skills involved, teachers said. Miss Filgo will conduct a second workshop dealing with primary reading, next Monday, March 14.

IN DIRECT reference to the textbook adoption, Miss Della Stagner Elementary Coordinator said it has been nine years since the state has offered new basal primary reading texts for adoption.

Some of the points under consideration were the needs of the children in Hereford schools as to differences in language and developmental backgrounds, approaches to basic work attack and other reading skills, and availability of supportive materials.

ONE OF THE strong points for the program accepted is an oral language approach that is published by the same com-

Names . . .

(Continued from Page 1)

the board convenes only as business warrants. Members of the board whose terms do not expire are L. J. Stratuss, J. C. Morrison, and Melvin May.

THE TERM of Walcott School trustee G. V. Hall also expires this year. Jim Monroe has been mentioned as a candidate for that election by voters of the district.

Also serving on the Walcott School board are J. V. Perrin and W. R. Duggan. Deadline for filing for election for the county school board, and the Hereford school board was last week.

For the Hereford school board election, three incumbents — Bill Gentry, Olin Parris, and Hugh Clearman — are the only candidates.

Jaycees Install Officers, Give Service Awards

Some 125 representatives from 18 area towns were present along with some 75 Hereford Jaycees at the club's annual Installation Banquet held Saturday night at the Bull Barn.

Installation of new club officers and presentation of service awards highlighted the event.

Named Jaycee of the Year and Sparkplug of the Year was Jerry Fowler, Area I Jaycee vice president.

New officers installed were Pat Newell, president; Harold Kidds, first vice president; Jerry Shipman, second vice-president; Chuck Everett, secretary; and Dick Kendrick, treasurer.

Also receiving awards were Newell, who was presented the Outstanding Road Runner honor; and Shipman, who was named Spoke of the Year.

Newell replaces John Meador, who now becomes the Hereford club's interclub director.

JAYCEE OFFICERS — New officers of the Hereford Jaycees took office this week following installation at a banquet Saturday night. Shown from left are outgoing president John Meador; incoming president Pat Newell; and other incoming officers, Harold Kidds, first vice president; Jerry Shipman, second vice president; Chuck Everett, secretary; and Dick Kendrick, treasurer. Bond . . .

(Continued from Page 1)

Hill Subdivision annexed last fall, plus an adjoining four-block section currently in the process of being annexed by the city.

THE ELECTION will be held at the same time as balloting for city commission posts three and four — held by Albert Maxwell and Lloyd Sharp, respectively. Only the incumbents filed for the election, but law requires that the commission election be held anyway.

The water improvements would provide some \$38,800 two wells needed in the near future; \$28,700 for two future wells and \$20,000 for one deep well.

Also included in the water improvements is a 1 million gallon ground storage tank which will cost \$65,200.

A booster station and well supply lines will also be included in the proposal. The cost of the booster station will be \$63,800 and the cost of the supply lines will be \$74,000.

THE MOST costly part of the water proposal will be getting water to south Hereford. The cost of this project will be \$87,028.

But commissioners agreed that probably the south part of Hereford would be the next new residence addition to the city

and the need for water and sewage service in that portion of town is great.

Cost of miscellaneous work and engineering on the water proposal was \$36,042.

THE OTHER part of the bond issue will take care of sewer improvements, including extending lines to the new La Plata Junior High School. Cost for this project will be \$38,860.

The final part of the sewage proposal is extending service to the south part of Hereford. Cost of this project will be \$134,142 to the city.

Mayor Ray Cowser said that it did not look like the bond issue would raise the city taxes much, if any.

IF THE bond issue passes, the bonds will be sold to be repaid over a 17-year period of time, with the total indebtedness being paid off in 1984.

TWO DIRECTORS FOR CONNECTICUT SHAKESPEARE

STRATFORD — Allen Fletcher and Frank Hauser are to direct two productions this summer at the American Shakespeare Festival.

Fletcher has been associated with the enterprise since 1962. Hauser, making his first appearance here, has been director since 1956 at the Oxford, England, Playhouse.

Post . . .

(Continued from Page 1) in the post office at the present.

ANOTHER major change will be replacing service window with an open counter to handle business with patrons. In essence, there will be two 'lobbies' in the building following the expansion, Grady said. One will be for boxes and another for service.

The installation of additional boxes will be the first here since 1947.

WHEELS started rolling towards the expansion when a space survey was conducted at the local post office in 1961.

Although the need for more space was shown, plans for the work are just now being finalized.

The announcement that bids would be opened by the GSA was made in a telegram Monday from U. S. Senator John Tower.

Grady credited U. S. Congressman Walter Rogers with helping to bring about the expansion of the local post office.

Join . . .

(Continued from Page 1)

and helps select those who qualify for the training.

Agency members work to get parents' permission for those who are under 21 and get the approval of the court for those who have had some trouble with the law.

The 53 centers over the United States are divided into two categories. The larger centers are conservation centers which deal with outdoors types of work while the others are the urban centers, which train workers in skilled occupations.

About 150-200 trainees live in each of the camps in dormitories with two to four youths living in each unit of the buildings.

They are required to live by strict rules, including a curfew and regular hours at the camp.

The three from the Hereford area made a total of eight persons who have gone from Hereford since the program was initiated about a year ago.

MILE RELAY TEAM — These five men comprise the 1966 version of the Hereford Whiteface mile relay team. One of them will not run since there is an alternate runner. They are (l-r) Bill Frank, Larry Champ, Tony Malouf, Lennie Petree and David Kelly. These men attended their second meet of the season at Brownfield Saturday. (Staff Photo)

Thinclads Run In Duo Meet Today

Hereford Thinclads will go in to action this afternoon at Whiteface Stadium when they clash with the Friona Chiefs in a duo meet at 4 p. m. COACH JOE Brooks said he scheduled the meet to keep the men in shape during the hll this weekend. Until this week there was no meet scheduled because of the teacher's meeting and coaching clinic this weekend. The Whitefaces traveled to Brownfield last weekend where they ran head long into cold north winds and their speed was hampered. Gary Goodin ran good time on the preliminaries in the low hurdles, but when the finals came up he was faced into the north wind and his time dropped almost a second. BROOKS ALSO said that there were two or three schools there who were from farther south in the state and had a practice advantage over the local team. This will be the third meet of the season for the Whitefaces and they will then take a rest until Mar. 19 when they will travel south to Levelland where they will enter the Levelland Track and Field Meet at South Plains College. Some of the members of the freshmen team will be running in the event for the first time this season. BROOKS SAID that his weight men Ricky Fangman and Bill Coffin are shaping up well. Fangman, on the discus, hurled the weight some 140-feet Saturday in the event at Brownfield. Coffin, who is hurling the shot for the Whitefaces has also been getting some good distance, according to the coach. The coach added that Goodin is looking better each day on the hurdles. Charlie Inman, mile runner, is also shaping up, according to the coach, and is showing some good speed.

TAGGED OUT — Barry Johnson was tagged out at first base by Palo Duro's Randy Bank. Johnson got three hits in the season opener with four times at bat. All three hits were singles. Hereford's next game will be Tuesday in Amarillo with the Sandies. (Staff Photo)

Film Shown To Club By Mrs. Kester

Mrs. Lynn Kester was guest speaker for Young Mothers Study Club at a meeting Tuesday afternoon in Hereford State Bank Hospitality Room. Mrs. Don Chapman and Mrs. Frank Campbell were hostesses who also were program directors. Mrs. Kester presented a film on the making of Sterling silver. She spoke on choosing and caring for silverware for family use, and showed several types and patterns of tableware. Mrs. Larry Dobbs, vice president, was in charge of a brief business period when plans were shaped for club members' participation in the annual Deaf Smith County drive of the American Cancer Society, April 25. A costume party with the theme, "I want to be —" was planned for March 18 in the home of Mrs. Charles Springer. Members' husbands will be guests. Others present were Mmes. Don Brush, David Brumley, Melvin Barjon, Jim Arney, David Honea, A. T. Griffin, Raymond Gerik, Don Newman, Ray Moore, Howard Hunter, Wayne Stephens, Ray Simpson and Homer Rudd.

Dawn Music Club Hears Classic Airs

Some favorite classical music was heard on the program of Dawn Music Club Tuesday afternoon, when Mrs. William Wimberley and Mrs. Pat Miller were hostesses in the Wimberley home. Members presented the selections. Vocal solos by Mrs. R. T. Stewart were Three Little Maids (Eliot) and Schubert's Ave Maria. Mrs. Wimberley played the piano accompaniment. The group sang the hymn of the month chosen by the National Federation of Music Clubs, Come Ye Thankful People. Mrs. Robert Strain played a Haydn sonata as a piano solo, and Mrs. Steve Bavousett the Beethoven Sonatina No. 1 in F. Guests at the meeting were Mrs. Edgar Lemons, Mrs. Ted Wimberley and Mrs. E. E. Suttle. Other members present were Mmes. H. V. McCabe, Leo Criddle, J. B. Caraway, Clarence Betzen, Jim McCabe, Carl Wimberley, Edgar Sowell, Alfred Smith, Ray Polan and Miss Bertha Frye.

HUMOR PAYS — A welfare officer told a birth control conference the story of the 12-year-old daughter who replaced her mother's contraceptive pills with aspirin. The mother became pregnant. The story was termed an old joke. The welfare officer was not amused. Author Hugh Mills, however, was. He took the yarn and spun it out into a short novel called "Prudence and the Pill." It sold out in a week. Rights to the book and film rights have been bought for France and the United States. Now, they want to adapt the book into a musical. Five harness drivers won more than 200 races during 1965. They are Bob Farrington, Billy Houghton, Del Insko, Ron Feagan and Gilles Lachance. The latter two are Canadians.

FEWER NEGROES THAN YEAR AGO

NEW YORK — A sharp decrease in the number of shows employing integrated casts on Broadway and off-Broadway during the 1964-65 season is reported by Equity. The union of performers said that 74 Negroes appeared in Broadway plays during the period, a drop for 168 the previous year. The off-Broadway decline was from 116 to 32.

OUT ON FIRST — Barry Johnson, Hereford first baseman catches the ball just in time for an out as a Palo Duro player makes an attempt to slide into the base. Hereford

dropped their season opener to the Dons by a 4-0 score in the Whiteface ball park. Hereford's first eight games will be with 4-A schools. (Staff Photo)

Hereford Drops Season Opener To Dons, 4-0

Hereford Whiteface Baseball players dropped their season opener to the Palo Duro Dons Tuesday in almost perfect spring weather 4-0.

PALO DURO began the scoring in the third inning when Steve Peters singled to first. Following Peters' single Randy Holman homered bringing both in for a 2-0 ball game.

Again in the fifth inning Palo Duro scored when Dennis Smith walked to first and then came home on a sacrifice bunt.

In the sixth inning the Dons scored the final point when Alan Runyan came in on a sac-

rific fly.

The Amarillo school had a game advantage over the locals, having scrimmaged both the Amarillo College and West Texas State University teams.

ED MIMS WENT the first five innings for the Whitefaces, striking out nine, walking three, allowing two hits and three runs.

Alex Diaz took over the pitching duties in the sixth inning. During the final two innings he struck out three, walked one, allowed no hits and one run.

Hereford got five hits in the game, but the players were never able to get the one big play to score.

In the second inning the Whitefaces got the first two batters on base, but could not get the necessary hit to drive either one of them in.

DURING THE third inning Hereford got two runners on base with two outs and once again they were unable to pull the big trick out of the bag for the score.

Their final chance came in the fifth inning and things were shaping up as they had the bases loaded with two outs. And again, the same story the batter was unable to drive any of the

runners home.

Barry Johnson showed to be a consistently good hitter in the game as he singled three of four times at bat.

RAY MARTINEZ and Bill Watts also singled in the game. Hereford players were charged with three errors while Palo Duro players were charged with one.

The Whitefaces will go into action again Tuesday when they travel to Amarillo where they will clash with the Golden Sandies.

Gus Niarhos, former major league catcher, will manage Modesto in the California League during 1966.

BOY FRIENDS OUTRANKED

NEW YORK (AP) — The postman outranks the boy friend three to one on the holiday gift list of secretaries 'round these parts, and even the boss plays second fiddle to the gent who delivers the mail.

This information was disclosed in a study of Christmas gift-buying trends conducted recently by the Bulova Watch people among members of a nationwide professional secretaries organization.

Forty-five per cent of the girls polled indicated they intend to give a Yule gift to the mailman, but only 16 per cent will buy something for the boy friend. The boss will be remembered by 38 per cent of the secretaries — but 92 per cent of them expect a gift from him.

Most-wanted gift on the girls' lists — if price is no object — is a fur garment, particularly a mink coat or stole. Jewelry in general rates second place.

LONG LOST 'STREETS'

BISBEE, Ariz. (AP) There is a First Street, as well as a Second and Third, in Bisbee after all. But the city map never showed it, and almost nobody ever knew it.

A census taker assigned to the mountainside homes in Tombstone Canyon discovered the long-missing streets after hours of searching.

Each street was a flight of steps up the mountainside.

VISIT SCHOOL — A scene often repeated here as a family visits a high school biology class. (Staff Photo)

Junior High Grid Schedules Slated

Hereford school officials finalized the fall football schedules for both Hereford junior high schools last week.

Next fall will see the addition of the La Plata Junior High School to activities.

Both seventh and eighth graders will play the same schedule with seventh grade games beginning at 5 p. m. and the eighth grade games being played immediately following the seventh.

Schedules are as follows:

- STANTON JUNIOR HIGH SCHOOL**
- Sept. 20 Coronado Here
 - Sept. 27 Muleshoe There
 - Oct. 4 Muleshoe Here
 - Oct. 11 Dimmitt Here
 - Oct. 18 Estacado Blue There

DEAD SEA SCROLLS

LONDON (AP) — People from all over Britain are coming to London at the rate of nearly 2,000 a day to see the Dead Sea scrolls, now on exhibition at the British Museum. The scrolls were put on exhibition here after being shown in North America. They go to Manchester, Edinburgh and Cardiff before being returned to Jordan. Strict security precautions are being taken at the museum while the scrolls are in London. Queen Elizabeth II is among those who have seen them.

WOMEN HEAVIER THAN ELEPHANTS?

NEW YORK (AP) — A 120-pound woman can exert more pressure than an elephant — if she happens to be wearing high "stiletto" shoes, says the Tile Council of America.

In a torture test of various flooring materials in which only ceramic mosaic tile survived, it was found that a woman shod in high fashion shoes can put a pressure of 3,500 pounds beneath one heel. An elephant develops only 50 to 100 pounds pressure per square inch beneath its foot, the Tile Council said.

DRIVE YOUR MOST SUCCESSFUL BARGAIN ON THE 1966 SUCCESS CAR NOW FROM

THE DODGE BOYS AT HEDRICK DODGE

And here they are: The Success Cars for 1966 from Dodge . . .

Polara

Kick the dull driving habit in a car that's really going places. Polara is loaded with looks, luxury and performance. It's big and solid, with wide sweeping lines. And Polara gives you a lot of standard extras (like a 383 cubic inch V8).

Monaco

Take a look at Dodge's top gun. For luxury performance this is the one. Combines performance, comfort and glamour at a reasonable price. By far the most dazzling car in the '66 Dodge lineup of dazzlers. Monaco! Hardtop, wagon or sedan.

Coronet

Here's a car that fills the bill for Rebels who want a brand new thrill. The Coronet is sharp, smart and zippy — and it goes like no other car in its class. Coronet is also loaded with luxury the higher-priced cars haven't caught onto yet. Lots of power in a sponky Six — and a fistful of hrawn V8's.

Dart

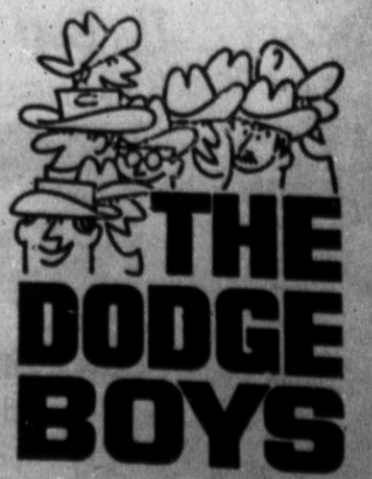

This is a rebel in the compact class — bigger than any, with a lot more sass. Big on the inside. Big on the outside. Beautiful any way you look at it. (About the only way it resembles an ordinary compact is in the way it saves you money). Your choice of two quick Sixes and two great Eights.

Trade where you see the white hats. No high pressure, no hard wheeling. Just good guys with the kind of car deals that make you want to trade now.

HEDRICK DODGE

2nd & Sampson Phone EM 4-4411

You know they're good guys — they wear white hats

WIN FIRST DISTRICT MEET

Golf Team To Travel To Dumas For Second

Hereford Golfers will travel to Dumas and Moore County Country Club Golf Course Saturday for their second district tourney of the season.

THE WHITEFACES took their first conference win last Saturday in the first meet of the season at Muleshoe.

Hereford leads the district by some 20 points after last week's win at Muleshoe.

Muleshoe placed second in the first meet held behind the Whitefaces.

Saturday's meet will begin at 10 a. m. with a shotgun start for the players.

THE DUMAS tournament was set up to take Saturday from its Apr. 9 date which interfered with the Easter vacation.

Following the Dumas, invitational district teams will travel to Tulsa for the third meet and then the fourth will be hosted by the Whitefaces at the local golf course.

All of the schools in the district are sporting golf teams this

year and Hereford and Muleshoe are picked to top the district.

Local Gun Club Member Wins In Amarillo Shoot

Three members of the Hereford Gun Club attended a registered shoot in Amarillo Sunday afternoon and Ruben Knox took first place in two events.

Knox won the first place in class C singles hitting 96 of 100 targets. He also won the handicap event breaking 97 of 100 targets.

Jim Cramer and Paul Lyons also attended the event sponsored by the Amarillo Gun Club. Local members will stage their second registered shoot of the season Mar. 27.

Members practice shooting each Sunday afternoon at the local gun range at Hereford Airport.

RULES WERE changed this year, which determine the winner of the district title. In the past years only one tournament was held to decide the district winner and the winner of that one tournament represented the district.

But this year there are six district meets and the total scores of all the meets will decide the title winner of the district.

Hereford entered two teams in the tournament at Muleshoe and the second team placed third in the meet.

FIVE men play on each team and the top four scorers' tallies make the team total.

Members of the varsity golf team are Andy Channer, Roger Owen, Mike Horton, Jimmy Young and Russell Phillips.

DeJ Insko led the harness drivers at Yonkers, N. Y., during 1965 with 79 victories in 558 starts.

Sports

footnotes

by david butler

Didn't the weather turn off beautifully for the Hereford Whitefaces' first baseball game of the season? Coaches Dorman and Sides couldn't have asked for better weather.

COACH JOE BROOKS, head track coach, said he only hopes the good weather holds out for some of his track meets.

Last weekend the local thin-clads ran into some cold north winds.

Maybe the weather will be good in Hereford today for the duo-track meet scheduled at the football stadium.

Hereford fans should be keeping an eye on the local golf team. They look as if they might be the big contenders for the title this year.

Muleshoe is last year's champion, but failed to make a very impressive showing on their own course last Saturday.

ALTHOUGH the Whitefaces have won the first tournament, there is still a chance for the Mules to come creeping up in the back stretch.

Of course, the Mules had the advantage of playing on their own course last year for the district title.

But this year things will be staged differently with all of the teams hosting a district meet. At the end of the season all the scores will be added from all the meets and the low scorer will take the district title.

It looks as if the Hereford Little League will be getting off to a good start this year with plans already being laid out by officials.

WON'T BE LONG until try-outs and that summer ball will begin again. doesn't seem possible.

There will be eight minor and eight major league teams playing this year and four of the teams will have new uniforms according to Little League vice president Floy Driver.

Umpires will also have a session Apr. 4 in the Community Center headed up by Jack Powell of Dumas. Powell is the head umpire of this Little League district.

STEVE HODGES seems to be recuperating nicely from his recent surgery on his right elbow.

Hodges returned to school Monday with his arm protected under his shirt. He said he felt good, but the arm was a little sore.

The surgery was performed last week to remove some bone chips in his elbow. The chips were broken off during the past basketball season.

Hodges hopes to return to limited action on the baseball team before the season is over and

the doctors say six weeks out of action at least.

Some of Hodges' teammates said that prior to the surgery the arm was giving him a great deal of pain. One said that he could barely get the ball from home plate to second base without a lot of pain.

WHITEFACE coaches will be participating in an eventful weekend beginning Friday morning as the fourth Annual West Texas State University Coaching Clinic begins.

One of the featured speakers will be Jim MacKenzie, head coach at Oklahoma University. He was the assistant coach at Arkansas before accepting the Oklahoma position last winter.

The coaches will attend several seminars which will give them some new ideas and insights for next fall's season.

Coach Jack Meredith said that all of the Hereford coaches will attend at least part of the clinic.

COACHES CUBBY Kitchens and Clyde Coleman had some exciting stories to relate during the first of the week after an exciting weekend at the state basketball playoffs.

Coleman said he saw some terrific ball playing and thoroughly enjoyed himself at the games.

Andrews represented Region I in the state playoffs and lost both games in the event.

The Andrews team defeated the Canyon Eagles in the first go-round at the regional tournament in Lubbock.

HOPE AGAINST CANCER

Lung cancer is increasing rapidly. Cigarettes are considered by the American Cancer Society and by the leading medical and public health organizations of the world as the cause for the increase. It says: "If you don't smoke cigarettes, don't start; if you do smoke, stop. Those who 'break the habit' gain real health benefits."

Local Coaches To Attend Sports Clinic

All Hereford coaches will attend the fourth Annual West Texas State Coaching Clinic this weekend on the Canyon campus.

The event will begin Friday morning at 8 and will conclude Saturday afternoon with a Buffalo Intra-squad scrimmage in Buffalo Bowl.

Featured speakers will include Warren Harper, head football coach at the University of Oklahoma.

Some of the subjects to be covered during the clinic will include, "Reasons for man-for-man and zone defenses," "Professional Secondary Defense," and "Quarterback Technique and Strategy."

Coaches attending from Hereford will be Jack Meredith, Joe Brooks, Willie Williams, Clyde Coleman, Don Dorman, Harold Sides, Pat Privett, Don Taylor and Ray Don King.

Little League Officials Map Summer Plans

Little League officials began mapping out their plans for this year's summer baseball program in a meeting Monday at the Pioneer Natural Gas Co. building.

Managers were named for most of the teams and another meeting was set for Monday Mar. 21.

Umpires were also reminded of the Umpiring clinic scheduled here in the Community Center Apr. 4. Joe Powell, head umpire for this district, will be the featured speaker at the meeting.

Tryouts for the eight minor and eight major league teams will begin Apr. 21 and will conclude the next day.

The New York Yankees will play two night exhibition games in Florida next spring. They face the Washington Senators at Fort Lauderdale on Tuesday, April 5 and the next night travel to Miami to play the Baltimore Orioles.

If the first part of your vehicle identification number is here, you might be a winner.

Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—\$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past few weeks. And every week there are 72 new winners posted on the showroom wall. So watch for next week's list of new symbols in this newspaper.) No slogan to invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number. While you're in the showroom, get a good look at the Buick Special. The \$2332.00* happens to be its price. *Manufacturer's suggested retail price for Special V-6, 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge.

Contest Rules. Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

Buick's \$1,000,000 Sweepstakes.

There's an authorized Buick dealer near you. See his Double-Checked used cars, too.

IT'S A FACT!
... ABOUT WATER WELL CASING

You don't sink pipe into the ground without sinking money into pipe. ... But you can sink more pipe for less money when you buy from us.

We carry a complete line of money-saving used well casing in any size from 8" to 18". Also, a complete line of new pipe and any size fittings.

Talk it over with your driller, and you'll agree that it is a fact ... WE CAN SAVE YOU MONEY!

For complete information and prices, call us COLLECT! We'll be glad you did (and so will you). Call now while offer is in effect!

Our number is AC/806 PO3-9508

Water Safety Course Slated

Water Safety Instructors Schools, open to persons over 18 years of age who have completed requirements for Senior Life Saving, are announced for this spring as a part of the Red Cross Water Safety program in the area.

Part I of the instructors school will be conducted in the Amarillo YWCA pool, 11th and Jackson Streets, beginning next Wednesday, March 16. It will continue in weekly sessions through April 13.

Part II will follow in daily session, April 18-21, at West Texas State University pool. Those who complete the entire school are qualified as water safety instructors.

Interested persons here are invited to telephone the Red Cross office at 319 Sampson, or the Deaf Smith County Red Cross Water Safety chairman, Mrs. Bruce Miller. The County Red Cross Chapter will pay travel mileage for those going to take the instruction, where car pools are arranged, Mrs. Genevieve Miller, executive secretary, has announced.

A SHALLOW LTD-BELVISION PRODUCTION - A UNIVERSAL RELEASE

IN SEED TEST

Farmers Shooting For Top Yields

Billy Lytal of Summerfield was shooting for a 10,000-lb. sorghum yield at planting time in 1965. This spring he is setting his goal another 1000 lbs. higher.

Lytal produced an average of 10,321.4 lbs. of sorghum on five and one-half acres last year. He was joined by 143 other top sorghum farmers from six states in shooting for top yields. All were members of De Kalb's Sorghum Master's Club.

Lytal started with a well prepared seedbed and planted his sorghum on May 10 at a rate of 20 lbs. per acre in ten-inch rows. Prior to planting, he applied 223 lbs. of actual nitrogen, 203 lbs. of P2O5 and 76 lbs. of sulphur.

DURING the year, the field was irrigated seven times. On October 14 the five and one-half acres produced 56,720 lbs. of grain at 12.12 per cent moisture at a test weight of 56 lbs. Lytal used a new short stalked hybrid, DeKalb F-65.

It was a banner year for sorghum producers. The over-all U. S. yield average was 2800 lbs. per acre, which was a 35 per cent increase over the 1964 yields. Top producers more than doubled this national average.

The Sorghum Master's Club has attracted many leading producers during the past three years. Members have as their goal the production of top economic grain yields under practical farm conditions. All the yields reported are from more than one acre and are determined by field measurements and actual scale weights. Twelve club members topped 9000 lbs. and the 141 members averaged 6332.2 lbs.

Banquets honoring these top farmers are held at Dodge City, Kansas; Amarillo, Texas; Denver, Colorado; Lincoln, Nebraska and Kansas City, Missouri. DeKalb has recognized this inclination of farmers to respond to a challenge, and in 1963 began the organization called the Sorghum Masters Club. The common aim of all the farmers participating is to grow high, economic yields. Some farmers have chosen the 10,000-lb. level as their goal.

Knowledge gained in shooting for a practical yield goal can then be applied to the entire program acreage and these by increase over-all production and profits. More than 140 farmers took part in the program in 1965.

Bill Gentry of Hereford was one of the farmers in the 1965 program. He recorded a yield of 9381.9 lbs. per acre with DeKalb F-65.

Others from the Hereford area who participated in the program are: Womble and Strain, Hereford, DeKalb F-45 9107.2 lbs. per acre; Melvin May, Hereford, DeKalb F-45, 9066.2; Ray Howell, Hereford, DeKalb F-45 8642.8; McCathern-Heck Farms, Hereford DeKalb F-45, 7900.9; Alfred Smith, Hereford, DeKalb F-61, 6629.3 Stewart Bros, Dawn DeKalb F-45, 7711.1.

BILLY LYTAL top sorghum grower.

Easter News

By RUBY STONE Brand Correspondent

Women of the Easter Club served lunch at a community sale Saturday, and have expressed thanks for patronage. The club will meet at the Easter community house Friday at 7:30 p. m. Mrs. Anna Mae Burnett, hostess, invites club members and friends to be present to see a film and play games.

Mr. and Mrs. J. S. Scarborough and Carolyn visited Mr. and Mrs. Joe Scarborough at Spade, Sunday.

Mr. and Mrs. H. O. Markley of Dimmitt visited the W. O. Markleys Saturday.

Mr. and Mrs. Gary Burnett of Dalhart visited three days last week with his parents, the John H. Burnetts.

Mr. and Mrs. W. O. Markley, Kathie and Lonnie, Sharon and Pam Barker attended the regional games in Lubbock Saturday.

Mr. and Mrs. W. A. Epperson and Mr. and Mrs. Trent Downing attended the second birthday party of Kellie Howell in Hereford Sunday.

Mrs. W. O. Markley, Kathie, Markley, Sharon Henley, Rita Shumaker, Rhonda Rudd and Jeanette Seeley, attended a band concert at Hereford Wednesday evening.

COMEDIE GIVES PREMIERE IN NEW YORK

PARIS — The Comedie Francaise will present the world premiere of a new production during February visit to New York.

"La Reine Morte" is to be presented along with three dramas already in the company's repertoire. The troupe last visited New York five years ago.

SHE REALLY TAKES DIRECTION NEW YORK — Acting is listening for Patricia Gozzi.

Miss Gozzi, a French lass of 16, has never taken a dramatic lesson, but in two movies — "Sunday and Cybele" and "Rapture" — won critical cheers here and abroad for subtle, touching performances.

How does she do it? Says Pat: "First, I read the role and then speak with the director. He explains everything to me — and then I just become the girl I'm supposed to be."

Such involvement can be risky, she's discovered. During "Rapture," the script required her to fight with another actress. Miss Gozzi got into the part so deeply that when the scene was over a doctor had to be called to calm her down.

U. S. Audiences DIFFERENT NEW YORK — American theater audiences, according to Hardy Kruger, are a lot different from those in Europe.

The German actor who has made 40 films and uncounted stage appearances feels "people come to the theater here not to share an experience but just to look at you." He also notes a marked lack of younger people — "The European theater is kept alive by low prices that enable students to attend regularly."

VIEW PROGRAM — A large crowd was on hand Tuesday night in the Stanton Junior High School gymnasium as physical education classes demonstrated their work in a program held in conjunction with Texas Public Schools Week. (Staff Photo)

Funeral Is Held For Long-Time Parmer Resident

Funeral services for Alexander John Jesko, 68, resident of Parmer County since 1910, were conducted Tuesday morning in St. Anthony's Catholic Church here with the Rev. Claver Giblin officiating. Rosary services were held Monday evening.

Burial in St. Anthony's Cemetery was directed by Gilliland Funeral Home. Pall bearers were Alfred Hicks, Arnold Fangman, George, Rudolph, Raymond and Jimmy Jesko.

Mr. Jesko's death at West Gate Hospital here Sunday was attributed to a heart attack. His home was in Muleshoe and he was a native of Chicago who moved to Parmer County from Indiana as a boy. He married

Miss Lucy Schmitz in Canyon Feb. 14, 1933.

She survives him, with four daughters, Mrs. Billie Jean Glenn of Amarillo, Miss Judy Jesko of Kansas, Misses Elaine and Deborah Jesko of Muleshoe; and five sons, Lee Dennis, Wayne, Larry and Kenneth of Muleshoe and Donald of Clovis, N. M.

Also surviving are three sisters, Mrs. Helen Fangman of Friona, Mrs. Ben Koelzer of Dalhart and Sister Felicitia S. A. of Graymore, N. Y.; four brothers, Edd and Matt Jesko of Hereford, Joe Jesko of Friona and Steve Jesko of Clovis.

Some 73,000 men and women developed cancer of the colon and rectum last year. About 43,000 died in 1965 of this disease. However, the American Cancer Society says that almost three out of four of its victims could have been saved through a "procto" exam as a part of an annual health checkup.

Father Of Two Residents Dies

The funeral of John Wesley Ho-Gland of Roaring Springs, father of Mrs. J. L. Bell and Mrs. Joe B. Bridges of Hereford, was conducted Tuesday afternoon in the Church of Christ at Roaring Springs, where he died of a heart attack in his home Sunday morning.

Born Feb. 15, 1901 at Avery, Tex., he is survived by his sons, 21 grandchildren and nine great-grandchildren.

SA INVESTIGATOR RETIRES LONDON — LT. Col. Clayton Thomas, head of the Salvation Army's international investigation department, which traces missing persons and tries for family reconciliations, has just retired after 40 years as an officer.

He is succeeded by Brig. Albert Slight, who has been in the Salvation Army for 32 years.

SAINT-SAENS ON BROADWAY

NEW YORK — The works of another classical composer, Camille Saint-Saens, are to be tapped for a Broadway musical prospect, "Dumas and Son."

The story concerns the relationship of the two French authors to the woman who inspired the younger Alexander Dumas to write "La Dame aux Camellias."

The score is being devised by Robert Wright and George Forrest. Recently they adapted Rachmaninoff themes for "Any," previously revised works by Villa-Lobos, Grieg and Borodin for the popular stage.

Rose Experts To Present Program

The public is invited to hear two Panhandle rose growers and Garden Club leaders discuss and demonstrate rose culture, at a program sponsored by Hereford Garden Club in Ward Parlor of First Methodist Church at 7:30 p. m. Friday.

Mrs. Burton Elliott of Amarillo, one of the founders of the Rose Society in that city and now state chairman on roses in Texas Garden Clubs, Inc., will present a lecture titled "A Rose for Every Garden." Mrs. Elliott is a long-time rose grower in the Panhandle, familiar with problems of rose culture in this area.

She will be assisted by Col. Sam Sharpe, USAF Ret., who has pursued his hobby of rose growing during his years of residence in Amarillo. He retired last year after 20 years in the Air Force and is in business in Amarillo. The guests will demonstrate pruning and grafting of roses.

Col. Sharpe is president of the

Amarillo Garden Clubs Council and a past president of the Amarillo Men's Garden Club, he will meet after the program Friday evening with Hereford men who are interested in gardening, and hopes to form a men's club here.

The social committee of Hereford Garden Club, with Mrs. Ben Childers as chairman, will act as a hostess committee for the Friday meeting and will serve refreshments after the program.

Mrs. Ray Johnson, club president, emphasizes that all residents interested in growing roses, whether or not they are members of a garden club, are invited.

METHODISTS AGAINST MERGER

LONDON (AP) — Representatives of all Methodist groups opposing present plans for a merger with the Church of England are preparing a national conference for February.

Dr. Leslie Newman, minister of the Dome Church, Brighton, and chairman of the main dissident group, said the conference would discuss forming a "continuing Methodist Church" if the union went through. Such a church would put emphasis on "evangelism rather than the sacraments," he said.

District Presbyterial Meeting Set Wednesday

A district meeting of Presbyterian women will be held here next Wednesday, with representatives from 28 churches in an area extending over the Panhandle, south to Lamesa and east to Childress.

The annual meeting of the Plains Presbyterial of the United Presbyterian Church will begin with a coffee hour at the Hereford church at 9 a. m., continue through a morning session, luncheon and afternoon program.

Virgil Dodson, director of work of the Migrant Ministry at the Labor Camp here, will be the afternoon speaker and will conduct a tour to the camp and the Migrant Ministry headquarters there.

Proceeding the meeting, a training session for officers and chairmen will be conducted from 1 to 6 p. m. Tuesday at the church. Mrs. M. L. Simpson, president of the United Fund Presbyterian Women's Association here, announces. It will close with a salad supper at 6 p. m.

Officers with Mrs. Simpson in the hostess Association are Mrs. Austin Rose, vice president; Mrs. Fred Axe, secretary, and Mrs. J. T. Gilbreath, treasurer.

Chairmen of convention committees are Mrs. W. S. Kerr, reservations; Mrs. Henry Hastings, salad supper; Mrs. Gilbreath, luncheon reservations; Mrs. Ralph Hastings and Mrs.

R. G. Peller, coffee; Mrs. George Miller, tables.

Mrs. B. Y. Crosthwait will be organist. Ushers are Mmes. Jerry Detwiler, Charles Frye, Pat Thompson and Leroy Bodkin.

Litter Control Called Problem In Home Or Car

Proper disposal of litter at home and when traveling was emphasized in the talk on Litter Control by Miss Evelyn Bell at the meeting of West Hereford Home Demonstration Club Tuesday afternoon.

She advised carrying a litter-bag in every car and boat so that trash may be disposed of in the proper places. Each family has an obligation to keep its own property litter-free, she said, as its share in keeping America beautiful.

Mrs. Robert Boyd was hostess in her home. Announcement was made that the next meeting, March 22, will be with Mrs. Alice Cox.

Other members present were Mmes. W. A. Waters, Edna Bow Bowe, Alice Brady, Vern Witherspoon, Jewey Autrey, John Jacobsen Sr., Blanche Hardin, Carl Schroeder, Hubert Duncan and Roy Boyd.

Mon Amis Club Officers Named

Officers for next season were elected in Mon Amis Club Tuesday afternoon, headed by Mrs. J. D. Greeson as president. The club met in the home of Mrs. Billy Bell with Mrs. Roy Botkins as co-hostess.

Mrs. Greeson will be installed at a May luncheon to succeed Mrs. David Hutchins, who will take the parliamentary's office.

Also elected Tuesday were Mrs. Billy Baker as vice president; Mrs. Jerry Terrell, secretary-treasurer; Mrs. Botkins reporter and Mrs. Raymond Wiley, historian. Mrs. D. L. Thomason was named social chairman.

handwork made by the members. Each one brought to the meeting a specimen of her favorite handcraft and the various types of work were discussed informally.

After the business period with Mrs. Hutchins presiding, the hostesses served refreshments to Mmes. Jack White, Cliff Almon, Kenneth Christie, Bill Cotten and those elected to office.

Hear about the midget who took up golf? He bought half-size clubs, small balls — everything in miniature. On his first round, hitting toward the four-some ahead, he shouted, "Two!"

Optimist Club Zone Meeting Here Sunday

Several area and statewide key officials of Optimists Club will be in Hereford Sunday for a Zone Meeting hosted by the local club.

Featured on the program will be Optimists Past Governor Guy Harrell of Odessa; District Governor Alex McBlinchy of Fort Worth; director of club work with boys, Noble T. Lee of Sherman; and Lieutenant Governors Slim Broughton of Big Springs, Russell Wimberly of Lubbock; Jim Alexander of Amarillo; and John Stevens of Borger.

Zone towns represented at the meeting will be Lefores, Pampa, Borger, Amarillo, and Hereford. The session will be held from 9 a. m. until 3 p. m. at Floyd's Restaurant.

DONATES MATERIAL — Cleo Corlis, left, manager of J. C. Penneys Co. store here, turns over a portion of lumber and other materials presented to the Hereford High School woodworking classes this week to industrial arts instructor Alvin Smith. The materials come from the old Penneys store which closed recently in favor of Penneys' new location in Sugarland Mall. The materials were donated by the Penney company to the high school woodworking department to use for class projects. (Staff Photo)

Workshop Offer Free Training In Leadership To Area Residents

No charge of any kind will be made to area residents who take part in Leadership workshops March 21 and 22 under auspices of Deaf Smith County Program Building Committee. Sponsors emphasize as the registration period nears its close. Similar workshops have required a fee in many cities, and sometimes such short courses in leadership are held in college campuses, also for a fee. Local instructors, assisted by specialists from the State Extension Service, will direct the sessions in Hereford Community Center and will give their services. Arrangements have been made by the Business and Professional Women's Club as one of its community activities.

Pre-registration is ending today. Mrs. J. K. Baker, B&PW Club president, asks that persons who have received pre-registration cards through organizations of which they are members, return the cards promptly so the number registered for each workshop may be determined.

Hereford Girls On Honor Roll

Dean Willa Vaughn Tinsley of Texas Tech's School of Home Economics announced today that Sharon Jeanene Hill Hereford senior; and Barbara Lee Langley, Hereford Freshman, made the Dean's Honor list for the fall semester.

Attainment of a place on this roll is indicative of high scholastic achievement, since an undergraduate student, to become eligible, must earn a semester grade-point average of 3.00 or above.

workshops are set up in five interest groups. Subjects are How to Report Club Activities, How to Preside at Business Meetings and Programs, Duties of Officers and Membership Protocol, How to Get Committees to Work, and Planning Programs for Interest and Variety.

In addition to the workshop sessions, there will be a general meeting each evening with one program on Practical Parliamentary Procedure and one on Getting Audience Participation.

Planning for the workshop has been directed by the executive committee of the Program Building Committee. Sam Morgan, the Rev. Don Davidson, Mrs. Baker, Mrs. J.D. Gilbert Jr. and Hugh Clearman, and the county Extension Service agents, Mrs. Argen Draper, Juston T. McBride and Mrs. Rita Huckert.

Public Invited To Church Meal

The public is invited to the semi-annual spaghetti dinner at St. Anthony's Auditorium Sunday evening when a crew of chefs under direction of Brother Dennis Sennett will serve family style from 4:30 to 7:30 p. m.

Tickets to the church benefit are priced at \$1.25 for adults and 75 cents for grade school children, on an "all you can eat" basis. Theme of the dinner is A Night in Venice, and women of the church plan decorations for an Italian atmosphere.

In his eight National League shutouts during 1965, Dodger Sandy Koufax gave up only eight walks and 28 hits in 73 innings. He fanned 87 in his shutouts.

CURRIED SHRIMP — The popular and delicious seafood gets new treatment when it is made in casserole form with curry sauce and rice and topped with coconut that toasts to a golden brown.

LET'S COOK SOMETHING!

New Shrimp Curry Idea

By CECILY BROWNSTONE
Associated Press Food Editor

HERE'S A curried shrimp recipe that has winged home. Given to her in Canada by an American cook, one of my sisters brought the recipe to New York and my kitchen.

What's different about this casserole version of a favorite dish? First, the curry sauce is made with consommé and no milk or cream. Second, instead of serving coconut as a condiment with the chutney — as is usually the case — the coconut goes over the shrimp, rice and curry sauce combination and is toasted in the oven. As an accompaniment to the dish, do have chutney on hand. It adds immensely to any curry no matter what its form.

CURRIED SHRIMP WITH COCONUT TOPPING
½ pounds raw unpeeled shrimp or 8 to 10 ounces peeled and deveined raw shrimp

Court Bouillon
1 cup converted-type rice
2 tablespoons butter or margarine
2 teaspoons curry powder
1½ tablespoons flour
1 can (10 ½ ounces) condensed beef consommé, undiluted
¼ cup water
¾ cup canned flaked coconut

If using raw unpeeled shrimp, peel and devein. Add shrimp to boiling-hot Court Bouillon; cover and simmer stirring at least once, until shrimp are pink and firm — about 3 minutes. Drain and set aside. Cook rice according to package directions. Meanwhile, in a 1-quart saucepan over low heat, melt the butter. Stir in Curry powder, then flour. Gradually add undiluted consommé and water, stirring to keep sauce smooth. Cook and stir constantly until slightly thickened. Measure out ½ cup of the sauce and set aside; this will be served separately. Mix remaining sauce with cooked rice. Spread half of the rice in a buttered round (about 8 by 2 inches) or square (about 8 by 8 by 2 inches) baking dish. Arrange shrimp over rice. Spread remaining rice over shrimp. Sprinkle with coconut. Bake in a hot (425 degrees) oven for about 10 minutes or until mixture is hot and coconut is toasted.

ture is hot and coconut is toasted. Serve with the small amount of reserved sauce, reheated, and chutney. Makes 4 servings.

NOTE: This dish is ideal for a company luncheon. It is easily doubled and can, when doubled, be baked in one 8-inch baking dish or in one large (about 13 by 9 by 2 inches) baking dish. It can also be prepared ahead and refrigerated; to reheat, reduce over heat to 375 degrees and bake about 20 minutes or until mixture is hot and coconut is toasted.

COURT BOUILLON
2 cups water
2 slices lemon
5 peppercorns
1 teaspoon salt
¼ cup sliced celery
1 bay leaf

Into a sauce pan turn all the ingredients. Bring to a boil, then simmer 5 minutes. Use for cooking shrimp as directed in recipe for Curried Shrimp, with Coconut Topping.

Two Students Attend DE Meet

Two Hereford High School Distributive Education Club students attended the statewide D. E. Clubs of America (DECA) convention in Fort Worth last week.

Attending as voting delegates were Carole Coffey and Linda Price. They were among more than 1200 students from throughout Texas on hand for the session.

The convention was highlighted by the election of statewide officers and the annual D. E. leadership contests.

Father Of Local Woman Is Buried

Funeral services for Marion E. Cox, father of Mrs. Ellis Lemons of Hereford and a long-time Carson County resident, were conducted in First Christian Church at Panhandle Monday afternoon. Burial was in the Panhandle Cemetery.

He was found dead Saturday morning and death was attributed to a heart attack. Mr. Cox, 78, had lived in Carson County since the age of four. Survivors include his wife, two daughters, five grandchildren and two great-grandchildren.

EVEN IN BOMBAY
BOMBAY, India — Revenue officials said they uncovered the case of a Bombay businessman who had evaded income taxes for at least 20 years.

NEWS
Demonstrations for the county 4-H elimination contests March 19 and for the Favorite Foods Show were discussed at a recent meeting of Ford 4-H Club at Community Center. Cynthia Hanna presided for business.

It was announced that all club calves shown from this county made the sale at the Houston Stock Show. Joyce Beizer of the Ford Club showed one of the calves.

The next club meeting will be April 1. Members who will enter district contests will give demonstrations then. Mrs. LeRoy Burgess, Vivian Burgess and Mrs. Grant Hanna were visitors. Mrs. LeRoy Williamson, adult leader, and Belinda Bryant, Carmelia Burgess, Layne Young, Becky and Dianna Hickman, Beth and Tommy Beizer, Mike McKenzie and Lisa Williamson, members, were also present.

Small Talk

By SUE COLEMAN
Women's Editor

Gems from the mailbag have been accumulating for some time, so may be we'd best look through them. But first we might pause for a minute to observe one of those national weeks that nobody pays any attention to.

This is one that appeals especially to me, and it should have been mentioned earlier. But as part of the observance, that mention was put off for a few days. It's National Procrastination Week.

It's certainly worth a full observance, with proclamations by the mayor and public programs. We may get around to doing it that way, someday, but this year we will just delay the big celebration for a while, and have it later. Manana is soon enough.

NEXT WEEK, says an item from the mail, is Rice Week and if you don't like it plain you might try some with chop suey, or in Spanish rice, or some of the new fruit-rice-and-whipped cream desserts, or an old-fashioned rice custard, than which nothing is better: if it's made right and nothing much worse when it's wrong.

Anybody got a real good rice custard (or do you call it rice pudding?) recipe we could have for Rice Week? If I can just find my grandmothers'

Two Hereford Students Attend WTSU Pageant

Two Hereford High School seniors represented the school at West Texas State University's Annual Personality Pageant last week in Canyon.

Representing the school were Virgil Barber and Randy Hopson, who were chosen to represent the school as guests of the WTSU Student Activities Association.

The pair was presented along with representatives of other area high schools at the pageant highlighted by a banquet and dance.

EVER HEAR of Jane Armin-da Delano? The name was not familiar to me when the Red Cross announced an observance of her birth anniversary for this weekend, but a glance at her record shows that she was one of those hard-working persons whose accomplishments are worth honoring.

Born March 12, 1862 in New York State, she was a pioneer nurse who worked in such cities as Florida yellow fever epidemic and was visiting nurse in an Arizona mining camp before she began work with the Red Cross in enlisting Army nurses during the Spanish-American War.

As superintendent of the Army Nurse Corps, she later developed the plan of using the Red Cross Nursing Service to select and assign nurses for all U. S. military hospitals, and she headed that work during World War I when it was directing the activities of more than 20,000 nurses.

The flu epidemic just after the war kept her busy, and she was making a tour of French hospitals supervised by the Red Cross, when she became ill early in 1919 and died in April. She wrote the Red Cross home nursing textbook during her busiest years.

She was awarded the U. S. Distinguished Service Medal, as well as Red Cross decorations.

IF THERE IS ANY home in the world with more closet space than the family needs, here are two suggestions for using it up.

Even a small closet may be fitted up as a sewing center, the USDA experts say, with shelves for fabrics, patterns, tools, maybe the dress form, and even the sewing machine could be scooted in before the door is banged shut to hide the clutter.

The other closet would have to be near an entrance, preferably the back door, to be handy. It is suggested that, if you don't have one, you might just build one to serve as the children's "mud closet," where they can keep their rainy-day gear and shed dripping coats and shoes. Of course most new houses have attached garages which solve this problem when

and if we have rainy weather in this country.

WE CAN ALWAYS depend on the coffee information people to supply a bright note or two, like this: Compared with 10 years ago, everything was up for breakfast last year except coffee, eggs, and people who like to sleep late.

Shamrock Sets St. Patrick's Day Observance

SHAMROCK — This Irish Capitol of Texas is extending a warm, Western welcome to neighboring cities, town and communities to attend the 20th annual St. Patrick's Day Celebration on Thursday, March 17.

LAUNCHING this year's Irish Festival will be Honorable John Connally, popular governor of the Lone Star State, who will be guest speaker at the Pre-St. Patrick's Day Banquet scheduled Wednesday evening, March 16, at the Armory.

Everyone is invited to attend the kick-off event and hear the Texas Governor. Tickets, priced at \$2.50 each, may be reserved by calling the Shamrock Chamber of Commerce.

The governor will remain overnight in Shamrock and view the gigantic Irish Parade at 11 o'clock St. Patrick's Day morning.

FEATURED in the parade will be some 30 elaborately decorated floats and a dozen or more bands and drill teams. The Irish Band Festival will be underway all day at the high school auditorium.

The downtown sound stage will be the scene of continuous program features throughout the day, ending with an Old Fiddlers Contest late in the afternoon.

WESTERN entertainment at the Sheriff's Posse rodeo arena will include contests in headin' and heelin', calf roping and girls barrel racing.

Twenty-two beautiful colleens are competing for the title of Miss Irish Rose. The fairest of them all will be crowned in an impressive coronation at the Armory in the afternoon.

The celebration will end Thursday night with two dances. Willie Lo-Max and His Orchestra of Amarillo will furnish music for the regular St. Patrick's Day Dance at the Armory. Playing for a dance at Shamrock Skating Rink will be the Velasquez Bros. Orchestra of Wheeler.

THE ANSWER'S SIMPLE

ROME (AP) — Repairmen who went out to learn why telephone service between Rome and Formia had broken down soon found the answer. Thieves had made off with more than 500 yards of the telephone cable.

Adrian News

By ANN BEAVERS
Brand Correspondent

Weekend visitors in the Charlie Pulliam home were Mr. and Mrs. Junior Pulliam and Mr. and Mrs. Bill Goodenough and daughter of Amarillo.

Mr. and Mrs. Ralph Love of Amarillo visited the Bill Leslie family one day last week.

Mrs. Lowell Landrum and children of Amarillo visited over the weekend with the Bill Leslie family.

Mr. and Mrs. Billy Sifford and boys of Friona, Mr. and Mrs. Wayne Sifford and Kevin visited the Herman Sifford family Sunday.

Clyde Brown of Wichita Falls has been helping build shippings pens on Bridwell Ranch west of Iron Well Camp.

Mr. and Mrs. E. E. Allen had as Sunday visitors Mr. and Mrs. J. M. Townsend of Hereford.

Mrs. Alice Morgan, Mrs. Ruth Pinnell and Mrs. Marie Gruhley attended an antique sale in Amarillo Monday.

Mr. and Mrs. Lewis Jobe and son of Endeav visited the Alford Jobe family Sunday.

The Baptist WMU began a week of Prayer Sunday for Home missions. They will be in charge of the evening worship services next Sunday night.

Ethridge Betts of Brownfield visited Friday with W. B. Betts and Horace Betts.

Mr. and Mrs. Charles Freeman and daughter of Borger visited Mrs. Lola Perry Sunday.

Mrs. W. E. Holtman of Childress visited her sister, Mrs. Lola Perry, last week.

Mrs. Imogene Parker visited her mother, Mrs. Tate, in Tulla last week.

Mrs. Imogene Parker was in Clarendon Sunday attending the funeral of her aunt, Mrs. Annie Terry.

Mr. and Mrs. Neil Pounds and children from Earth visited the E. B. Pounds family Sunday.

The Sophomores had a class party Friday night in Amarillo where they enjoyed supper, saw a show and went swimming. Students were accompanied by Mr. and Mrs. Harvey Floyd, class sponsors, Mrs. Bob Gruhley and Mrs. Bob Lane.

Dexter and Kirt Sasser of San Jon, N. M., spent the weekend with the Manuel Loveless family.

Mr. and Mrs. Donnie Morgan from Dallas spent the weekend with his parents, the Don Morgans. Mr. and Mrs. Kippy Morgan and Mrs. Nell Morgan from Canyon came Sunday.

Mrs. Marlene Williams Wellman of Turkey, former resident of Adrian, underwent an appendectomy last week, is home now and doing fine.

Mrs. Ida Bea Fortenberry, Mrs. Gene Beavers and Phillip and Mrs. Rita Brooks of Amarillo visited Mrs. Nannie Fortenberry last Monday and they all visited Mr. and Mrs. Donald Fortenberry and Heather and Hugh Fortenberry.

Adrian P-TO met Mouday in the High School auditorium with Mr. Emmett Robbins and the Interscholastic League as the Program. Hosts were Messrs. and Mmes. Dave Sellars, Davis Brown, Burnie Scott, Billie Brown and C. D. Webb.

A. F. Roberts and Billie Morrill are back from California and will be here on their farm for a while.

Mrs. Easter Briggs is collecting for the Red Cross for this month.

Mr. and Mrs. Jack Fincher visited in Coffeetown with Mrs. Ida Airs and in Bellview with Mr. and Mrs. Amos Harris last week.

Mr. and Mrs. Sonny Fincher

and children of Masterson visited the Finchers here Saturday.

Mr. and Mrs. Walter Ray Jackson of Tucumcari visited the Cal Jackson family Sunday.

Sunday afternoon the Cal Jacksons went sightseeing at Buffalo Lake.

Mr. and Mrs. Lorin Creitz and daughter visited Mr. and Mrs. Terry Creitz and family at Earth Sunday.

Henry Creitz is ill and is staying in Amarillo with his daughter, Mrs. Henrietta Russell for a while.

Mrs. Loren Creitz substituted for Mrs. Harvey Floyd teaching at school Thursday as Mrs. Floyd was ill.

The Adrian Methodist Church was invited to joint services with the Catholic Church in Vega Sunday night. Members enjoyed an evening meal and discussion afterwards.

The Rev. and Mrs. B. J. Foster visited in Abilene with their son Steve last week. Mrs. Foster's parents, Mr. and Mrs. P. L. Kent of Muleshoe, stayed here with Cindy and Danny while they were gone.

Teachers will go to T.S.T.A. meeting, Friday in Amarillo and there will be no school here, Supt. L. H. Brotherton has announced.

Mr. and Mrs. Bob Lotspeich and children of Hale Center recently visited the George Lotspeich family and the Keith Kromer family, Kromer, Larry Wiggins and Lotspeich went skiing at Santa Fe Sunday.

Mr. and Mrs. Oscar Hinger and son, Mrs. Zee Henry, Mr. and Mrs. Wesley Cox, Jan Brotherton and Larry Brotherton all from Canyon, Mr. and Mrs. L. H. Brotherton enjoyed a hike and a visit on the Masten Ranch Saturday afternoon and went back to the L. H. Brotherton house for supper.

Mrs. E. E. Mostellar of Oran-

ge Cove, Calif. is here visiting her daughters and families the John Hortons and the Bob Grubbeys.

Mr. and Mrs. E. N. Jacobson and Mr. and Mrs. N. L. Jacobson visited in Claude with the Rev. and Mrs. Ralph Odom and children Friday.

Mrs. M. E. Bolin and children of Portales spent Saturday night with Mr. and Mrs. Norman Jacobson and family.

About 190,000 men, women and children will be saved from cancer this year. Most of them, according to the American Cancer Society, because they saw their doctors in time for prompt treatment.

Officers For 1966-67 Club Year Chosen In Hereford Study Group

Mrs. Labry Ballard, serving as vice president of Hereford Study Club, will become president for the 1966-67 season, succeeding Mrs. Baxter London. Officers were elected at a recent meeting in the home of Mrs. C. R. Winget, when exchange students at Hereford High School gave the program.

Mrs. Marvin Knox introduced Teresita Parba, student from the Philippines, and Leif Nelleman, from Denmark. They spoke informally, enlivening factual reports on their respective countries with humorous anecdotes. Both showed collections of pictures with scenes from their homes, and Miss Parba demonstrated a Philippine dance. Each was presented a gift from the club as a souvenir of the visit.

Officers named for next season, to be installed in May, included Mrs. R. N. Yarbro, vice president; Mrs. Jesse Odom, recording secretary; Mrs. S. L. Garrison, corresponding secretary; Mrs. Johnny Clark, treasurer; Mrs. Dillie Kelly, reporter; Mrs. Noble Howard, historian. The retiring president will become parliamentarian.

Refreshments were served to 19 members and the program guests.

The AMERICAN Cancer Society sponsors a federation of 108 large-lyngectomee clubs throughout the world, the International Association of Laryngectomees, whose members have lost their normal method of speaking because of cancer.

If you're the farmer who's reached a profit ceiling... you need Super Q.

Why limit yourself? If it's happened to you... if you aren't increasing yields and profits with conventional or even premium fertilizers, see us about Super Q now.

You've still got growing room with Super Q... especially if you've hit high returns using ordinary fertilizers. It's made to order for men like you—successful growers who now want even higher profits. Don't waste another season... get the only fertilizer designed for this year's crop. Custom-made for this area... Super Q's exclusive, computer-analyzed formula supplies your crop exactly what it needs. In just the right amounts. It's actually tailored to fit local soil, crop and climate conditions—and as conditions in this area change, Super Q will change to fit them. In short, Super Q is designed to do a specific job

in a complete fertility program... a program planned to produce the highest profit per acre. That's why it's guaranteed in writing to out-perform any other fertilizer in side by side comparisons. Outgrown other fertilizers? Get the one formulated for you. Have a talk with us about Super Q soon. It's time well spent.

Super Q is formulated for the top farmer's grain sorghum in this area by Taylor-Evans Farm Stores, Inc. in West Texas

REP. ROGERS REPORTS

Alibates Quarries 12,000 Years Old

Texas' first National Monument — the Alibates Flint Quarries and Texas Panhandle Cultural National Monument near the south rim of Lake Meredith — could be called as much a monument to the free enterprise system as to Panhandle prehistory. For 12,000 years, Indians quarried flint at Alibates and traded it far and wide for goods they needed.

This year's budget contains a requested appropriation of funds to begin development of the Alibates National Monument. The bill has introduced to establish the monument — the first ever approved by Congress for the State of Texas — was signed into law several months ago, and the National Park Service is working on final development plans. These include a small visitors' center, roads, parking areas, paths, sanitary facilities, water supply, and facilities to interpret to visitors the meaning of the flint quarries and pueblo ruins.

THE ALIBATES National Monument will be a big part of the Lake Meredith attraction. Visitors inspecting the quarries and pueblo ruins will become familiar with a very interesting chapter in America's story. Quarrying flint and shaping it into weapons and tools was the first industry on our continent. Flints from Alibates have been found as far north as Minnesota and Wisconsin, as far west as the Pacific Coast and as far south as the Gulf of Mexico. Archeologists regard the quarries as one of the outstanding sites showing the prehistoric cultures of North America.

Toward the end of the period during which the quarries were worked the Canadian River valley became the home of sedentary Indian tribes which built large pueblo-type structures for their homes. Constructed of limestone slabs and adobe, the structures housed as many as 60 to 100 families. Archeologists say the pueblos are a blend of the

types of structures used by the Indians of the Great Plains and those of the arid Southwest.

IT IS BELIEVED that about 1400 A. D., possibly because of a change in the climate, the pueblos were abandoned. But nomadic Indians continued to use the flint quarries until approximately 100 years ago when they began to acquire manufactured tools and weapons.

Meanwhile, the National Park Service is reviewing bids submitted by private investors interested in obtaining the concession to develop hotel, restaurant, marina, golf course and other facilities at the Fritch Fortess recreation site on the south side of the lake. It is hoped that the facilities to be provided under this contract can be completed within three years, with the work beginning this summer.

CONSTRUCTION of a marina by the concessioner will permit Panhandle boating enthusiasts to leave their boats in the lake, at moorings, through the season. The boat ramps already built and being built will continue to serve boaters who bring their craft to the lake by trailer. Development of recreation facilities at the lake will be advanced but not completed by the expenditure proposed in this year's National Park Service budget requests to Congress. I am convinced that the heavy volume of visitors which may be expected at the lake will require a continuing, long-term program of facilities development in order that the public may be properly served.

NOW THAT spring is coming and many roads, boat ramps, picnic areas and other facilities are completed at Lake Meredith, the number of visitors, especially on weekends, will increase. People visiting the lake these days are seeing the beginnings of what is surely destined to become one of the most important and heavily patronized recreation areas in the West.

The National Park Service is enthusiastic about the possibilities of making a very enjoyable National Monument at the Alibates site. And the Park Service is similarly enthusiastic about the great potential of Lake Meredith as a water recreation area, as are all of us in the Texas Panhandle.

WALTER ROGERS

18th DISTRICT OF TEXAS

Stories Of Creative Persons Make Program

Creative persons who have put their talents to work in hobbies or business supplied the subject matter for an especially interesting program for Delta Xi Chapter of Delta Kappa Gamma Saturday morning in Bovina. The research committee, with

Mrs. Sam Ratcliff as chairman, was in charge of the program, one of the year's series on Creative Individuals.

Mrs. Tolbert Painter told of Mrs. Lucy Funk of Hereford, whose liking for planning and making pretty dresses for lit-

tle girls led her to her present work as designer-manager of Dolly Textiles.

Mrs. Weldon Skinner of Dimmitt discussed her own hobby, painting, and introduced Mrs. Joe Cowen of Dimmitt who demonstrated painting in oils on velvet. Mrs. C. A. Morris of Dimmitt told about Johnnie Godfrey Powell, who made an outstanding record playing basketball in high school there, and

The Hereford Brand, Hereford, Texas, Thursday, Mar. 10, 1966

about her husband's hobby of making fishing flies.

Mrs. Lucille Park led an opening song period with Mrs. Merlin Kaul at the piano. Mrs. Claudia Ola Brown read the collect. Committee reports were heard in a business session with Miss Hazel Merritt of Dimmitt presiding.

Members were invited to enroll for the leadership workshop to be held March 21-22 under

auspices of Deaf Smith Program Building Committee.

Coffee was served by Bovina members, with Mrs. J. T. Hammonds as hostess, chairman.

Other Hereford members at the meeting were Miss Della Stagner, Mmes. V. P. Walker, Fred Mercer, Charles Bell, L. C. Thomas, Eleanor Hudspeth, Wallace Combest, Lottie Wertenberger, Opal Bookout, W. T. Legg, and Fred Welch.

Students Speak As Club Guests

Young guests gave the program on International Relations for Pioneer Study Club members Tuesday at a luncheon in the Cason House. Teresta Parba and Lief Nellemann, students in Hereford High School under the American Field Service program, talked of their homes, the Philippines and Denmark.

Jon David Miller, Hereford student who spent a summer in Denmark under the related student program, Americans Abroad, conducted the panel discussion.

Both the foreign students answered a number of questions from club members, after they

had told briefly of their own homes and given a sketch of their homelands' physical characteristics, industries and school systems.

They also answered questions about their impressions of the United States, some humorous and some serious. Mrs. H. E. Miller, chairman of the Council of International Clubs, arranged the program.

Another youthful guest, Barbara Willis, played organ selections, the title song from the musical comedy, Sound of Music, and Autumn (Chaminade.)

They were introduced by Mrs. A. L. Manjeot, program chairman, after a devotional talk on the subject, Brotherhood of Man, by Mrs. Ted Panciera, who read from the Bible and from a book of poems by high school students over the nation, including her daughter.

Mrs. L. H. Lookingbill Sr. presided for business. Mrs. Ray Johnson, coordinator of plans for the Top of Texas District Federated Women's Club convention to be held here March 24-25, made announcements regarding Pioneer Study Club's part in entertaining convention delegates and visitors.

Luncheon hostesses were Mrs. Frank Ball, Mrs. Allen Bell and Mrs. P. B. Sowell. They decorated the tables with a huge bouquet of springlike daffodils, shamrocks and green hats suggestive of St. Patrick's Day. Mrs. O. G. Hill Sr. gave the luncheon invocation.

Other members present were Mmes. Fred Barrett, Burl France, N. E. Gass, Henry Hastings, W. C. Hromas, Ralph McCullough, Wirt Phillips, Paul Rudd, Mary Seigler, Delmar Siggle, Bess Werner and Miss Roberta Campbell. Mrs. Floyd Coleman was a guest.

ASTRONAUTS WON'T RUST

HICKSVILLE, N. Y. (AP) — A new coating for refractory metals to protect space vehicles from oxidation during re-entry has been developed by Sylvania Electric Products Inc.

The coating protects columbium, tantalum and molybdenum and their alloys from oxidation at the reduced pressures and high temperatures experienced in space.

Professional Nurses Hear Talk By Doctor

Normal heart and circulation, and changes caused by various diseases, were discussed by Dr. Hugh McCrary, speaking to the Professional Nurses Organization Monday evening. The meeting was in Deaf Smith County Hospital dining room.

A question-and-answer period followed Dr. McCrary's talk, in which he spoke of heart and congenital heart disease, arterio-sclerotic disease, type and causes of changes in rhythm and rate of heartbeat.

Members present were Jo Solomon, Esther Springer, Martha Wiltshire, Ella Mae Childers, Winnie Ruth Anderson, Anna Stindt, Azalee Hodges and Sidney Ann Owens.

FAMILY VISITS HERE

Mr. and Mrs. Wayne Hill and sons, Tim and Lee, of Crosbyton visited the first of the week with Mrs. Hill's mother, Mrs. Henry Hastings, 300-B East Seventh.

PERMANENT BENEFITS

New Veterans Act Outlined By VA

The Veterans Readjustment Benefits Act of 1966 which was signed into law Thursday, March 3, by President Johnson provides a permanent program of benefits to veterans who have served or who will serve in the U. S. Armed Forces since Jan. 31, 1955.

Chief among these benefits will be education, home loan guaranty and the extension of VA hospital benefits on the same priority basis as for wartime veterans. Thus approximately four million veterans discharged from the service since January 31, 1955, ranging from "cold war" veterans to those now on duty in Vietnam, become eligible for benefits somewhat similar to those granted the veterans of World War II and the Korean Conflict.

AT THE SAME TIME, provision has been made for 600,000 additional veterans who will be returning to civilian life each calendar year to participate in the same benefits. In all cases, to be eligible the veteran must have discharges that are other than dishonorable and they must not already have used up their eligibility under previous programs.

All the new benefits, with the exception of the educational assistance program, went into effect immediately upon the President's signing of the bill. The educational assistance provisions will go into effect June 1, 1966.

THE BENEFITS established by the new law are: Educational assistance, home and farm loans, medical care, job counseling, job placement, Federal employment preference and the issuance of burial flags.

A brief summary of each follows. Education. Veterans with more than 180 days active duty, any part of which occurred on or after February 1, 1955, will be eligible for one month of college, vocational or similar education for each month or fraction of a month on active duty.

THOSE TAKING full-time courses will receive \$100 per month if they have no dependents; \$125 a month one dependent; and \$150 a month with more than one dependent. Proportional rates will be paid for part-time courses. The income of the veteran will not be considered.

Application blanks and full information will be available at VA offices and at colleges and educational centers sometime in April, well in advance of the June 1, 1966, starting date. The maximum period allowed will be 36 months but this may be reduced by the amount of educational assistance previously received under a VA educational program.

Since the program starts by law on June 1, 1966 there can be no retroactive payments. There is no deadline date to enter upon the educational program and veterans will have eight years from the date of their last discharge from active service to complete their courses. However, the first cut-off date will not be until March 3, 1974.

LOAN PROGRAM: Veterans with more than 180 days of active duty will be eligible for VA guaranteed home or farm loans or VA direct home loans in areas where such loans are authorized. They will have until ten years after the date of their last discharge from active service plus one year additional for each three-month period of active service to make such a loan, with maximum deadline date of twenty years after the date of discharge from the qualifying service.

For those veterans who have already been out of the service for a period of years, a minimum entitlement date has been set at ten years. VA guaranteed loans will be made at 5-1/2 percent interest rate.

The new law authorized the Administrator of Veterans Affairs to establish an interest rate as he determines the requirement of the loan market, but not to exceed the rate in effect for loans insured by FIA. A one-time non-recurring fee not to exceed one-half of one percent of the loan amount is payable by the veteran but may be included in the loan and collected by the lender. However, it must be remitted to the VA before a guaranty certificate may be issued.

IN THE DIRECT loan program, the new law raises the maximum loan possible from \$15,000 to \$17,500. Veterans with unused and unexpired World War II or Korean Conflict entitlement will have that previous entitlement cancelled and will become eligible under the new law alone.

However, during the period their cancelled entitlement would

have been available such veterans not only need not pay the statutory guaranty or direct loan fee under the new law but they may also secure loans for business purposes as well as for home and farm purposes.

Note: Both the educational assistance and Loan Guaranty provisions of the new law will apply to those persons who remain in the service after two years of military duty.

MEDICAL CARE: Veterans who have served after January 31, 1955, will be eligible for admission to VA hospitals on the same basis as wartime veterans. The priorities are: First — Veterans with service-connected disabilities have top priority for admission; Second — Veterans with service-connected disabilities

but who are seeking treatment for some other ailment will be admitted as beds are available;

Third — Veterans without service-connected disabilities, may be admitted to VA hospitals if (1) hospitalization is deemed necessary, (2) they are financially unable to defray the cost of the hospitalization, and (3) beds are available.

Other Benefits. The new law also makes provisions for job counseling and job placement, both of these under the auspices of the Veterans Employment Service of the U. S. Department of Labor; and Civil Service preference in Federal employment.

A United States Flag will be provided for use at the funeral of veterans who have served after January 31, 1955, and to be retained by the next of kin.

Veterans who believe they are eligible for any of these benefits—except the educational assistance program, can write, telephone or visit VA offices located at 1400 North Valley Mills Drive, Waco, Texas; 2208 Main, Dallas, Texas; and 1612-20 19th Street, Lubbock, Texas. Veter-

Hereford Grad Named Baylor Freshman Prexy

WACO — Doug Watson, son of Mr. and Mrs. Frank Watson of 501 Ave. J in Hereford, has been elected president of the freshman class at Baylor University.

His election came during the recent spring general election held at Baylor. He will serve as freshman class president throughout the present semester.

Watson is majoring in accounting at Baylor. He graduated from the Hereford High School and was a member of the National Honor Society.

The planet Venus is slightly smaller than the earth.

ans interested in the educational benefits are reminded that they cannot start any courses until after June 1, 1966, and it will not be until mid-April that the proper forms and instructions will be ready.

Garden Beautiful Guest Talks Of Insect Control

A called meeting of Garden Beautiful Club is set for 3 p. m. Friday in the home of Mrs. Will S. Kerr, president. The special meeting was announced at a regular program Friday in Mrs. Tom Carter's home, where Mrs. B. E. Roberson was co-hostess.

Hugh Clearman was guest speaker on Pest Control in Home Vegetable Gardens. He was introduced by Mrs. Charlie Noland, program chairman.

Insecticides for controlling various types of pests were discussed by the speaker, who stressed the need for careful use of poisons to avoid danger to humans. He said directions on insecticide packages should be read and followed strictly.

Care in observing the waiting period recommended on the package, before harvesting vegetables which have been sprayed or dusted, was especially stressed.

The speaker also warned of

the danger of picking vegetables as lettuce from fields in this area, as passersby sometimes do, because the leaves may have been recently treated with insecticides.

Clearman said that, as a general rule, DDT or malathion may be used to control chewing insects, malathion for sucking insects and chlordane for soil insects such as cutworms. He suggested soil treatment about four weeks before planting time.

In the business session, Mrs. Roberson, Mrs. N. D. Barlett and Mrs. Bruce Burney were appointed as a nominating committee.

Also present were Meses, Ray Cowser, L. H. Lookingbill, Homer Newton, Don Robinson, G. S. Solomon and E. W. Young.

Sandy Koufax of the Los Angeles Dodgers won three 1-0 games while compiling a 26-8 record during 1965.

THE CHURCH I LOVE... STRIVES TO PRACTICE PURE RELIGION (14th in a series)

"The kind of religion which is without stain or fault in the sight of God our Father is this: to go to the help of orphans and widows in their distress and keep oneself untarnished by the world." (James 1:27 NEB).

The religion described here, that pleases our heavenly Father, is not something mystical, but it is on the level of mankind; it is down to earth where we live.

This "religion which is without stain or fault" has a two pronged effort; purpose. We are to strive to help those in need; and, to keep ourselves morally pure and untarnished. Christ used the story of the Good Samaritan to illustrate the religion of helping those in need. (Luke 10). The church in Jerusalem, left us an example by helping the Grecian widows. (Acts 6). Christ assures us, "Anything you did for one of my brothers here, however humble, you did for me." (Matthew 25:40).

The other prong of this religion James describes is to have pure thoughts, pure motives, pure and untarnished deeds. Put off the old sinful man of jealousy, envy, ill-temper, hate, lust and conceit. "Then put on the garments that suit God's chosen people, his own, his beloved: compassion, kindness, humility, gentleness, patience. Be forbearing with one another, and forgiving, where any of you has cause for complaint; you must forgive as the Lord forgave you. To crown all, there must be love, to bind all together and complete the whole." (Col. 3:12-14 NEB). "Everyone who has this hope before him purifies himself, as Christ is pure." (1 John 3:3).

Why Compromise

— when the road to happiness offers so much? There are only two marked ways... one leads to happiness — the other to oblivion. One might lead to Heaven — the other to hell. But why despair when the going gets rough, when you have a decision to make? This may be the true measure God uses to separate the good from the bad; the chaff from the wheat; men of strength and character from those with none. Why compromise with oblivion staring you in the face? It is an unexaggerated testimonial of weakness. One may lose the bird in the hand; lose all the God-given opportunities for service and most of all, your own soul. *Maybe you still have time to come to church and let it help you decide the direction to go.*

You In The Church
The Church In You
 — form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

AUSTIN HIGHLIGHTS

Federal Voter Sign-up Watch Maddens Texans

By VERN SANFORD Texas Press Association

AUSTIN —Texas' first big free voter sign-up is under way. But top state officials still are "fighting mad" because F. B. I. agents were assigned to keep an eye on registration procedures in selected counties.

"IT'S AN insult to every public official and every citizen of Texas," wrote Texas Atty. Gen. Waggoner Carr in a letter to U. S. Atty. Gen. Nicholas Katzenbach about the F. B. I. check.

Gov. John Connally agreed and further charged the U. S. Department of Justice with intentionally "instigating trouble" among stormy state political factions.

A three-judge federal court granted Carr's request for a 30-day stay of its order abolishing the poll tax as a voting requirement. Stay was granted in order to allow time to put the new registration law into effect. Therefore, the old poll tax requirement will apply through most local elections this month.

ALL INDICATIONS are the initial 15-day free registration (March 3-17) is going smoothly. Interest varies from county to county. Intensive registration drives are under way in the major counties, with all factions trying to sign up more voters who reflect their own views.

Connally and Carr have called on local tax assessor-collectors, who are voting registrars, to provide as many sub-stations and deputies as necessary and to authorize all the overtime needed to assure the widest possible opportunities for voter qualifications.

This is in keeping with instructions of the federal court which conceivably could lengthen the 15-day period if it feels all voters who wanted to register were not given sufficient opportunity.

Carr, meanwhile, has appealed the poll tax invalidation order to the U. S. Supreme Court. However, few feel it will be reversed.

Reversing earlier instructions, the attorney general said Texans over 60 years of age in cities of 10,000 or more who failed to get exemption certificates before January 31 still can sign up free.

Reliable estimates of the number of new voters who will qualify by March 17, have been raised to around 500,000.

CIGARETTE IMPORTS TIGHTENED

State and federal inspectors are clamping down on imported sales that resulted when the state per-pack tax jumped to 11 cents.

Travelers are being warned that they can bring back no more than two packs of untaxed cigarettes from across the border.

State comptroller's agents, liquor control board inspectors and customs officers are making close checks in an effort to enforce the limit.

COMPROLLER'S figures show the total cigarette tax collected for February as \$8,500,000. This is nearly a \$2,000,000 increase from February, 1965. Actually, however, last month's stamp sales meant 77,778,963 packages of smokes were purchased. This compares with 83,431,387 at the old rate in February, 1965.

Before the last three-cent-a-pack increase, sales sometimes went to more than 100,000,000 a month.

"We're looking at every avenue we can to protect the revenue of the state," commented Albert Brown, head of the excise and store tax division of the comptroller's office.

TEXAS JOINS COMPACT

Texas will be one of the first

states to participate in the interstate Compact for Education, Governor Connally has announced.

Compact aims to strengthen the voice of states in formulation of alternative nationwide educational policies.

Connally has indicated he is making a bid for location of the compact's central office in Texas.

An interstate commission composed of seven representatives from each member state will develop alternatives in educational policies, gather data on enrollments, conduct research, exchange information with other groups and recommend proposals for financing education.

TWO SELECTED

Amarillo and Beaumont were selected as the sites for two \$450,000 pilot Mental Retardation centers sought by 20 Texas communities.

State Board for Mental Health and Mental Retardation said the cost will be shared by state and federal appropriations.

Other cities considered for the centers were Abilene, Austin, Brownwood, Dallas, El Paso, Galveston, Edinburg, Longview, Midland, Odessa, San Antonio, San Angelo, Tyler, Texarkana, Temple, Victoria, Wichita Falls and Waco.

ATTORNEY GENERAL SPEAKS

A Childress County constable who accepted a \$1-a-day job as a deputy tax assessor-collector for a single day during the poll tax drive put on by the Junior Chamber of Commerce did not vacate his office, Atty. Gen. Waggoner Carr held in an official opinion.

In other opinions Carr concluded:

A DRIVER'S license is automatically lost on felony conviction for driving while intoxicated, but is not so forfeited when a person is convicted of misdemeanor DWI and placed on probation (unless probation is revoked).

Driver of a pickup, panel truck, carry-all or station wagon of 2,000 pounds or less capacity does not have a commercial operator's license even if vehicle is operated in combination with one or more trailers.

Texas Water Rights Commission is governed by article setting \$1,500 maximum for water use permits (and \$200 top for additional use under same permit). Request originated with Sulphur River Municipal Water District and City of Irving applications to take water from Cooper Reservoir.

WORKMEN'S Compensation law does not have permissive application to county-line independent school district (Goose Creek Consolidated ISD) under jurisdiction of a county having population of 1,200,000 or more unless it is wholly located or situated in the county.

A warrant on Texas Water Rights Commission's appropriation to pay for paper used in printing special engineering reports necessary to state water plan is a legal expenditure.

HIGHWAY IMPROVEMENT PLANNED

State Highway Commission initiated plans to make U. S. Highway 271 a multi-lane facility from Paris northward to the Red River and the Oklahoma border.

Facility will connect with a multi-lane highway planned by the State of Oklahoma to extend southward from McAlester to the river.

Among the other projects ordered by the commission was completion of a highway loop around the city of Lufkin.

Devil's River Bridge on U. S. Highway 90 west of Del Rio received the American Institute of Steel Construction "Oscar" at a commission meeting here as the best of its class constructed in 1964.

COURTS DECIDE

State Supreme Court held for the typographical union in action requiring the Houston Chronicle and Houston Post to reset in their composing rooms advertisements placed by a local firm through a local advertising agency. Arbitration board held that "national" advertising does not have to be reproduced by the newspapers, but "local" advertising does.

SUPREME court turned down the appeal of Mayor Morris L. Newham of Ranger to be included on the Democratic primary ballot as a candidate for state representative in the 63rd (Eastland, Palo Pinto, Stephen, Callahan and Shackelford Counties (Lower courts held Newham ineligible to run for the Legislature because he's now serving a term in a "lucrative public office." Actually, he draws no pay.

POLICY CHANGES

Writing of general liability and automobile insurance policies will be changed by July 1. But the "average driver" won't be affected.

Big change will be introduction of a "jacket" plan which will be common to several types of insurance. Under the "jacket" plan, the agent will insert standard insurance parts, such as fire protection, auto protection, etc.

BASICALLY, the change is designed for business enterprises rather than for individuals. Family policies will not be under the "jacket" plan.

Under the new method, "an insured now will be covered by liability for injuries to others arising out of his use as a passenger of a land public conveyance, such as a taxicab or bus."

A second area for increased protection is for "the insured's liability arising out of watercraft powered by outboard motors in excess of 24 horse power."

Most significant change in the general liability plan as it relates to automobiles and other vehicles is that the policies will be written on a "per occurrence" basis with no additional charge.

SULPHUR LEASE SALE SET

An April lease sale for development of sulphur deposits on West Texas lands owned by the University of Texas was ordered by UT regents.

Regents will notify oil companies doing business on the lands, requesting a list of tracts for sulphur mining. Lease sale will be handled directly by regents.

"Prospects look very good," commented Chairman W. W. Heath.

SHORT SNORTS Parks and Wildlife Commission in an unpublished meeting added nearly 400 acres to 245 previously designated as Lyn-

don B. Johnson State Park near famed LBJ Ranch.

State Securities Commissioner William M. King has taken action to prohibit the sale of securities issued by Atlas-American Oil Corporation, Dallas.

Texas Department of Public Safety is now tied in with a multi-state high speed police teletype network to carry information on crime and traffic.

MORE than 1,000 are expected to attend the Governor's Conference on mental retardation here March 17-18.

W. Astor Kirk of Austin and Cristobal P. Aldrete of Del Rio were named deputy director and manager of community action programs, respectively, for the southwest regional headquarters of Office of Economic Opportunity.

Texas Education Agency accreditation team probably will revisit the troubled Eagle Pass school system in April. School was warned its accreditation will be discontinued in July unless "substantial progress" is made.

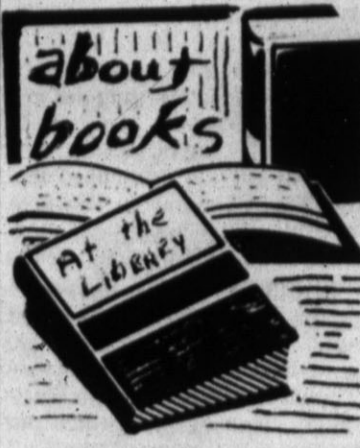

Pioneer amphitheater complex in Palo Duro Canyon State Park will be expanded, according to Parks and Wildlife Commission Chairman Will Odum.

Lawyers of a five-state area will assemble at the University of Texas Law School on March 24-25 for the first Regional Conference on Legal Services to the Poor. More than 350 representatives are expected to attend.

Card Of Thanks

The flowers, cards, food and messages sent while I was recently in the hospital were greatly appreciated and I wish to thank friends for all their thoughtful acts. I am grateful also for the kindness of doctors and nurses at the hospital. May God bless each of you.

Mrs. Pat Robinson.

EXCITINGLY DIFFERENT

One of the most excitingly different books which we have read in a long time was called to our attention by a library reader. The "Barrios of Manota" is by a husband-wife team, Rhoda and Earle Brooks.

After all the adverse news stories and criticisms of the Peace Corps we did not expect to be interested in a story about it, but it gives a positive refreshing angle entirely new to most of us. This is a well written book.

SINCE reading this book we are led to believe that some of the first members of the Peace Corps must not have been properly prepared and trained for their assignments.

The group in which the authors trained there were some one hundred people who began the training, which covered several months time in various locations. For many reasons, and not all of them were known to the writers, some 39 percent failed before reaching the final field of assignment. More checked out when they realized the circumstances under which they would be required to live and work.

MOST OF the authors group were sent to South America. The

Brooks were allotted Peru, with the village (Barrio) in Manota to be their home for two years.

What appealed to us is the idea or theory that they must not do out money, plans or ideas, but to foster or encourage the residents to do these things for themselves.

THEY DID not chose to live in an expensive apartment as was suggested by a local citizen. They could not afford it on their meager income as a corps worker. Also they wanted to live among the poorest of the people. Therefore they chose a small fishing area right on the beach.

The trials and tribulations of the many people of the village and those in nearby barrios kept them working long hours, often into the night, for two years.

IT LEFT them at the end of the time regretting some unfinished projects and others which had not been successful. They felt that if they had used a different approach they might have solved them all. But it is surprising how much they accomplished in two years. And at the end of their service they left many friends in Manota.

If you have ever worked with any kind of welfare program and/or with another race of people you will be intrigued by this writing. And if you have not, you can enjoy it as an adventure story from which you may derive a new concept of the Peace Corps, as we did.

Corinne J. Neely

There were about 62,000 cases of breast cancer in 1965 and some 26,000 deaths. According to the American Cancer Society, women should examine their breasts monthly and also have a breast examination at the time of their annual health checkup. Caught in the local stage, 82 per cent of breast cancer patients can be saved.

News About Area Men On Duty

Interior Communications Technician Third Class Bill E. Ivie, USN, son of Mr. and Mrs. Truman G. Ivie of Route 4, Hereford, Tex., is a crewmember aboard the anti-submarine warfare (ASW) support aircraft carrier USS Yorktown, which has joined the Seventh Fleet in the South China Sea.

The 41,000-ton "Fighting Lady" is the nucleus of an ASW group composed of surface, subsurface and air units designed, trained and equipped to seek out and destroy enemy submarines, providing a deterrent against possible attacks by enemy submarines.

A former attack aircraft carrier, Yorktown is on her sixth deployment to the Western Pacific as an ASW support aircraft carrier. The Long Beach, Calif. based Yorktown serves as flagship for the Commander, Anti-Submarine Warfare Group Three.

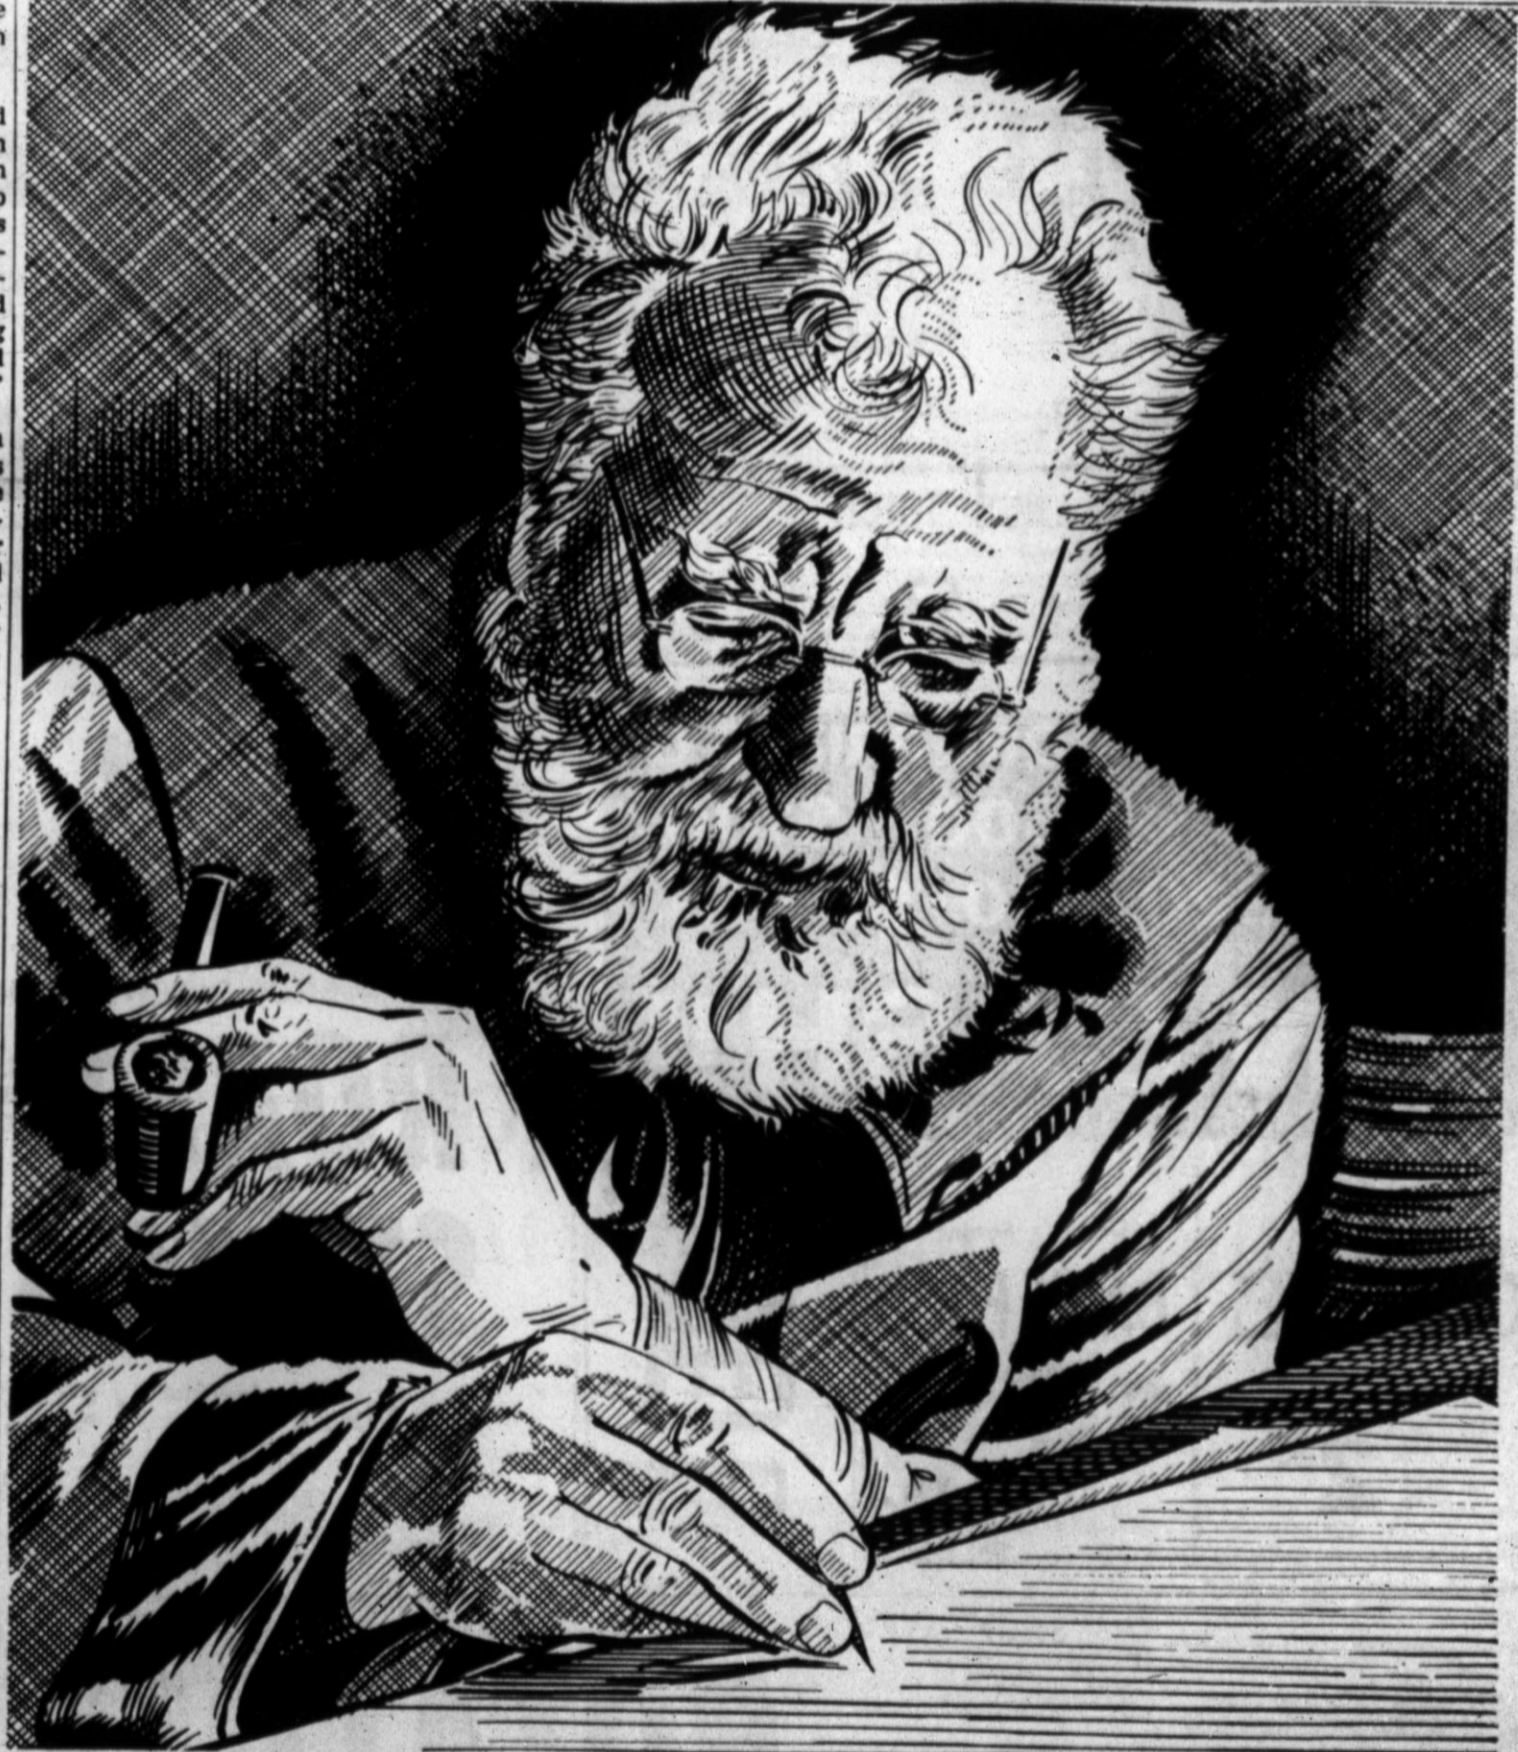

Mossik Hacobian, a native of Iran, has been reelected captain of Columbia University's 1966 soccer team.

Mr. Bell liked to make things better...

After Alexander Graham Bell invented the telephone in 1876, he did not rest on his laurels. He helped form the National Geographic Society, developed the basic method of making phonograph records on wax discs and pioneered a method of locating icebergs by detecting echoes from them. He made suggestions and contributions that helped give us air conditioning and the iron lung. For 46 years after inventing the telephone, he lived a vigorous and creative life.

Southwestern Bell likes to make things better, too... Six short years ago, we did not offer the Princess® telephone, Home Interphone, Wide Area Telephone Service, Centrex service, Data-Phone data communications service or Panel Phone. There was no electronic artificial larynx, no automatic dialer and no Speakerphone. Today, these new items help us provide the best telephone service in the world. But we want to make it better. That's our legacy from Mr. Bell.

SAYS AUSTIN OFFICIAL

Pioneer Amphitheater Expansion Due In Palo Duro Canyon Park

Will Odom of Austin, chairman of the Texas Parks and Wildlife Commission, said the Pioneer Amphitheater complex in massive Palo Duro Canyon State Park will be expanded because "it is the one place with enough space and a back drop impressive enough to tell the real story of mighty Texas."

He said the improvements carry out part of Governor John Connally's program for broadening and developing Texas state parks and are specifically needed because of tremendous interest shown in the rugged setting now reflecting early-day activities. These include an Indian hideout that existed long before the explorer Francisco Vasquez de Coronado stumbled through a sea of grass into what also later gained further notoriety from rendezvousing-smugglers.

Odom said the state financial aid is significant in that the original amphitheater project to elaborately depict pioneer history was privately financed through Texas Panhandle Heritage Foundation, Inc. now headquartered in nearby Canyon, Texas.

"SUCCESS of the area-wide venture was demonstrated last year," he said, "when an amazing turnout of 36,000 persons saw 'Thundering Sounds of the West' a lively inspiring show which ran through the summer months."

The intriguing setting in Texas' "Little Grand Canyon" comprises a complex of modest buildings, arranged around the open air theater itself, all nestled in a curve of land facing a 600-foot bluff forming the stage backdrop.

FROM THEIR seats, said Odom, patrons who came from virtually all states last year, could see "the magnificent Palo Duro Canyon and imagine themselves living in a time when wild buffaloes sought refuge in the mammoth depression from tribesmen hide hunters, and blizzards.

"This noble undertaking," said Odom, "honors the Panhandle pioneers and provides a stage for the preservation of their memorable experiences. The deep setting itself in the early days was so remote and so forbidding that only the adventurous knew about it. Now its accessibility is complete since it is only twenty-five miles from the junction of four national highways in Amarillo."

ODOM SAID the improvement particularly dressing rooms, storage space, paved parking area and a shop, will permit more varied presentations. These will include the Paul Green Drama — "TEXAS" — about the epic development of the west. This

actually provided inspiration for the original installation.

Dressing rooms, will form the arms of a large U-shaped building, 102 by 70 feet. The center section shop will be provided for a real locomotive, road wagons and other genuine pioneer time articles.

cial fraternity there. He is a member of the Alpha Delta pledge class, which with 49 members is the largest in the history of fraternities at NTSU.

Sims is serving as sergeant-at-arms and parliamentarian of the pledge class. He is the son of Mr. and Mrs. Fred G. Sims, 134 Beach, and was a 1965 graduate of Hereford High.

NO MOVIES? WORK

ROME — Movie actress Valeria Valeri plans to open a restaurant on the banks of the Tiber. It will be called "Osteria del Caccurucu" — the inn of the Cuckoo.
