

Truman To Reveal Decision On Meat

WASHINGTON, Oct. 12. (AP) — President Truman tonight prepared a decision on the meat control question for broadcast to the nation Monday night while the GOP commented "better late than never."

Mr. Truman will deliver his solution to the meat-hungry voters in a broadcast at 9 p. m. CST Monday over all networks.

It attempts to solve this problem Mr. Truman and his administration will approach it from the viewpoint of what is best from the long-range viewpoint.

Mr. Truman has in the past demonstrated an ability to do the right thing too late," Reece continued.

Itably be repudiated by the American people. "The American people are not willing to sell their votes on Nov. 5 for steaks and chops if they know they will be able to get only horse meat to eat in January or February."

In announcing the broadcast arrangement, Presidential Secretary Charles G. Ross said Mr. Truman will discuss meat as part of "the stabilization program."

That generated new speculation on how far the Chief Executive might be willing to go in adjusting the administration's line against inflation to get rib roasts back onto dinner tables—and nudge Democratic candidates off political hot-spots.

The decision was the President's alone. His advisers had laid before him their arguments for one line of action or another. The problem had been threshed over thoroughly in cabinet meeting and other high-level conferences.

Russia Asked For Settlement Of Lend Lease

WASHINGTON, Oct. 12 (AP) — The United States has asked Russia to begin negotiations designed to settle the Soviet's \$11,000,000,000 wartime lend lease account, informed diplomatic officials disclosed tonight.

These officials said the American government had sent a note to Moscow several weeks ago suggesting this step but had not yet received a reply.

Russia "presumably will be asked during the conversations to pay the United States a percentage of the cost of the guns, tanks, warplanes and other material furnished her under the wartime agreement."

In previous similar post-lend-lease negotiations with other countries, however, the United States has not sought full-scale compensation. Factors like war losses, and casualties are taken into consideration before arriving at a figure and writing "closed" to the account.

The American note asked a Soviet financial mission to come to Washington to begin the discussions as soon as convenient. The United States furnished Russia \$11,141,000,000 in lend-lease as of Dec. 1, 1945; Russia's lend-lease contributions for the same period totalled \$2,213,000.

The American note to Moscow divorces the lend-lease discussions from the suggested negotiations for a \$1,000,000,000 loan to Russia. This change of procedure reflects the American government's growing belief that the Soviet would not accept the conditions for the credit laid down by the United States.

Russia requested the loan nearly a year ago but has not agreed to American suggestions for an agenda which would include examination of economic conditions in Eastern Europe.

Further negotiations are stalled because of Soviet failure to answer a third American note on the subject sent about three months ago.

NEEDED: ONE UNION MIDGET. TRENTON, N. J., Oct. 12. (AP) When Dewey D'Agostino, Trenton painting contractor, hired a midget he thought he had solved the problem of painting the almost inaccessible underside of the Lee avenue bridge.

But, he reported today, along came Local 361 of the Painters Union, AFL, and, according to D'Agostino, said: "You'll have to have a union midget."

The contractor didn't have one and his non-union midget, Carl Schelke of Windsor, said he wasn't interested in becoming a union midget.

D'Agostino asked the union to produce a union midget in two hours so the job could go on. When the desired individual failed to appear, Schelke went back to work.

Nuernberg Hangings To Be Photographed. NUERNBERG, Oct. 12. (AP) — No word will be sent from Nuernberg on next Wednesday's Nazi executions until the 11th man has been hanged, under regulations announced by the Four-Power Commission in charge of the executions.

The commission ruled that only official US Army photographers will be allowed to photograph the executions, and unless the commission changes its decision all pictures will be for "record and historical purposes" and not for thought was right, but who was sparing of his soldiers' blood.

The "vinegar" part was an outspoken frankness which first came to world-wide attention in the bitter spring of 1942.

Hotel Strike Quickly Spreads In Washington

By The Associated Press. A spreading strike choked off service in Washington's major hotels Saturday leaving dignitaries with the job of making their own beds and the prospect of cold rooms and cold water.

A brother and cousin of President Truman, titled visitors from abroad, cabinet officers and supreme court justices and thousands of others found themselves in the same predicament.

Dining rooms and bars were dark. Supervisors and clerks maintained makeshift telephones and elevator service. AFL boiler tenders directed their men to leave their posts at midnight, cutting off heat, hot water and air conditioning.

Some 5,000 AFL service employees struck Friday for higher pay in 18 of the capital's major hotels. No peace negotiations were scheduled Saturday.

Meanwhile, Atlantic and Gulf coast shipowners promised to hold an "early meeting" with the striking CIO marine engineers in an effort partially to end the 12 day old nationwide shipping tie-up and a threatened strike on the Long Island railroad was averted.

In the maritime dispute, the labor department in Washington said it had notified shipowners of the CIO union's agreement to seek a settlement with the east and Gulf operators and that a spokesman for the shipowners replied he was doing everything possible to arrange an early negotiating session.

An emergency board in Washington announced that the Railroad Workers Industrial Union, District 30, UMW, had agreed to postpone demands for operational rule changes on the Long Island railroad until next May, thereby avoiding a strike set for Oct. 24. The railroad serves 300,000 passengers daily.

No progress was reported toward settlement of major continuing disputes. These included the Pittsburgh power strike, the AFL Hollywood movie labor jurisdictional dispute, a suburban train and bus tieup in Chicago, and a street car tieup in Columbus, O.

Escaping Prisoner Shoots Deputy. WICHITA FALLS, Oct. 12. (AP) — Deputy Sheriff George Kent, about 55, of Wichita Falls was shot through the left leg at noon today by Vernon Justice of Ravia, Okla., as the 18-year-old paroled convict attempted to break from Wichita county jail a few minutes after he had been sentenced in District Court to 10 years imprisonment for automobile theft.

Grappling with the prisoner, who had knocked Kent to the floor of the jail office and seized a .44 caliber pistol from a nearby desk, Jailer, Frank Watkins also suffered minor head injuries before Justice was subdued.

Kent escaped possibly fatal injury when another 44 caliber slug lodged in a steel spectacle case in his left shirt pocket near his heart. The prisoner was out on parole from a two-year term assessed in Wilbarger county for burglary.

Building At Standstill. HOUSTON, Oct. 12. (AP) — Home building here may come to a virtual standstill or be reduced by at least 80 per cent by January 1, it was learned today. The development came from a closed-meeting last week between leaders of the Veterans Administration, the Houston Council of Veterans Organizations and the House Home Builders Association.

Nationwide Drive To Enforce Vet Housing Rulings

WASHINGTON, Oct. 12. (AP) — The OPA tonight launched a nationwide crack-down on builders or others who violate ceiling price and veterans' preference regulations of the housing program, promising "criminal prosecutions" where necessary.

A specially trained force of OPA agents will take the field Monday to press the drive in cooperation with more than 550 local OPA rent officers.

The announcement came as Senator Wiley (R-Wis.) of the Senate judiciary committee released correspondence with Attorney General Clark and Price Administrator Porter questioning the right of OPA agents to carry arms and make arrests.

Porter cited a statute which he said gives the agents the power to make arrests and added that "the right to carry weapons for defense necessarily flows from" that power. Clark promised his reply later.

Reporting that a "substantial number of complaints of violation" already had been received, an OPA official told a first step in the drive will be OPA's repster job taking over enforcement duties recently delegated to it by the National Housing Agency.

Complaints already received, the official added, include charges that some builders have overpriced new houses offered houses for sale or rent in return for side payments, and violated regulations giving veterans first preference in purchase or rental of new homes built with the aid of government priorities for materials.

Negro Out Of Race. ATLANTA, Oct. 12. (AP) — A Negro educator was out of the Fulton County coroner's race today to avoid "racial" conflict and it appeared from hectic events surrounding his withdrawal that 23 white candidates all were free to go ahead and run for the job.

B&PW State President Urges Women To Earn, Keep The Peace. Mrs. Edna Hoffman, Houston, state president of the Business and Professional Women, addressing a banquet session marking the beginning of the district No. 8 conference here Saturday evening, appealed to women to take their place in earning and keeping the peace.

This could be done best by self examination and working together for better communities for "the nation" is the sum of its communities," she said.

torney General Clark and Price Administrator Porter questioning the right of OPA agents to carry arms and make arrests.

Porter cited a statute which he said gives the agents the power to make arrests and added that "the right to carry weapons for defense necessarily flows from" that power. Clark promised his reply later.

Complaints already received, the official added, include charges that some builders have overpriced new houses offered houses for sale or rent in return for side payments, and violated regulations giving veterans first preference in purchase or rental of new homes built with the aid of government priorities for materials.

Negro Out Of Race. ATLANTA, Oct. 12. (AP) — A Negro educator was out of the Fulton County coroner's race today to avoid "racial" conflict and it appeared from hectic events surrounding his withdrawal that 23 white candidates all were free to go ahead and run for the job.

B&PW State President Urges Women To Earn, Keep The Peace. Mrs. Edna Hoffman, Houston, state president of the Business and Professional Women, addressing a banquet session marking the beginning of the district No. 8 conference here Saturday evening, appealed to women to take their place in earning and keeping the peace.

This could be done best by self examination and working together for better communities for "the nation" is the sum of its communities," she said.

Developing one of the themes of the conference, she called for "justice for all," a justice that affected big and little nations, big and small communities alike.

Women can have a part in insuring such justice in their own communities, she said, but reminded her listeners that "these rights must be earned."

Acheson Scored For Criticism Of Clergy Trial

WASHINGTON, Oct. 12. (AP) — Ambassador Sava N. Kasanovic of Yugoslavia lashed back at Undersecretary of State Dean Acheson today for criticizing the Stepanac trial "although admitting he had only superficial press reports."

The envoy's statement insisted that Catholic Archbishop Alojzije Stepanac had a fair trial on charges of Axis collaboration and that "every one of his acts would be punishable under American law."

Moreover, Kasanovic specifically denied Acheson's remark that the United States had been compelled to take up with the Yugoslavs a "very considerable number" of trials of American citizens which were "unfairly conducted."

The ambassador said only one American citizen had been tried in Yugoslavia, that Ambassador Richard C. Patterson publicly stated the trial was fair, and that the only dispute between Belgrade and Washington was whether the man had diplomatic immunity.

In that case an American embassy chauffeur named Wedge was condemned to eight years imprisonment on the charge that he killed one person and seriously wounded another, Kosanovic explained.

With respect to this, a State Department spokesman told reporters there actually had been many cases although no information as to what they involved has been given out here.

Link Considered Between Florida, Texarkana Killings. FORT LAUDERDALE, Fla., Oct. 12. (AP) — Army mine detectors were sought today for use in the hunt for a pistol which was used in the double slaying of a young couple on Danla Beach early Wednesday.

Sheriff Walter R. Clark said if the detectors were secured he would search the sand along the beach and the adjacent Atlantic ocean for the gun which killed Lawrence O. Hogan, 24, and his girl friend, Miss Elaine Eldridge, 23.

Meanwhile, the FBI was asked to check and compare the ballistics records of bullets which killed the young couple and five persons in the area of the twin city of Texarkana.

First reports showed that a different pistol was used at Danla than in the Texas-Arkansas slayings, but Clark said he wanted another check made by the FBI.

The bodies of Miss Eldridge, daughter of a Chatham, Mass., contractor, and Hogan were found a short distance apart near Hogan's car a few hours after they had left a Fort Lauderdale night club. Both had been shot once with a .32 caliber pistol and both were fully clothed. There were no signs of a scuffle.

Texarkana's unsolved slayings include a man and a 17-year-old girl who were shot to death in a parked car March 24, and a teen-aged couple killed April 4. Police said both killings apparently were the work of a sex maniac.

A farmer was shot to death from outside as he sat in his home near Texarkana on May 3 and his wife was wounded when she went to his aid.

Memorials Planned. DENVER, Oct. 12. (AP) — Erection of a monument in each state capital and a building in Washington, D. C., in memory of Franklin D. Roosevelt is envisaged by the Franklin D. Roosevelt memorial foundation, its chairman, Glenn S. Wilson of Austin, Tex., said today.

Hungarian Peace Pact Completed

PARIS, Sunday, Oct. 13. (AP) — The Peace Conference completed its work on the Hungarian peace treaty early today after rejecting the plea for the United States for a \$100,000,000 reduction in the amount of reparations that nation must pay Russia, Czechoslovakia and Yugoslavia.

In the course of completing its deliberations on the last of the treaties for the Balkan satellites of Germany, the conference voted to free the Hungarian section of the Danube to commerce to all nations, as it had done earlier in the Romanian and Bulgarian treaties.

After a recess today, the conference will convene tomorrow, under the chairmanship of President George Bidault of France, to finish its work on the treaty with Finland.

The delegates voted 12 to two with seven abstentions to allow the three Slav nations \$300,000,000. Only Canada joined the United States, Australia, Belgium, Brazil, Greece, Norway, New Zealand and the Netherlands abstained.

Willard Thorp, U.S. State Department economic expert, appealing for the reduction in order to keep Hungary from "economic disintegration," spoke just before the delegates of the 21 nations began to vote on final approval of the Hungarian treaty, fourth and next to last treaty to be passed upon by the conference.

A member of the secretariat announced that the conference, now ending its 11th week, would conclude with three sessions on Monday to complete the Finnish treaty and a final meeting on Tuesday morning.

Thorp also led the campaign to reduce Hungarian reparations in the conference's Balkan economic commission. A member of the American delegation said a similar effort would be made on Monday to reduce reparations Russia has demanded of Finland.

Soviet Deputy Foreign Minister Feodor Gusev said the American campaign was directed at "the legitimate rights of the Soviet Union, Czechoslovakia and Yugoslavia," who would receive \$200,000,000, \$30,000,000 and \$70,000,000, respectively, under article 21 of the draft treaty.

TO EXTEND SERVICE. AUSTIN, Oct. 12. (AP) — Plans are being made to extend electrical service within three to five years to more than half of the Texas farms which are not presently served.

IN CONTRAST TO FIERY WAR CAREER. "Vinegar Joe" Stilwell Dies Quietly Of Disease Contracted In Burma. SAN FRANCISCO, Oct. 12. (AP) Gen. Joseph W. Stilwell, plain-spoken hero of the epic retreat from Burma and the long march back to victory over Japan, died in his sleep today at Letterman General Hospital. He was 63.

For the fiery, wiry little general, death was in placid contrast with a life of violent combat. Commander of the US Sixth army, with headquarters at the San Francisco Presidio, General Stilwell entered the army hospital Sept. 27 for a routine checkup. He underwent an operation Oct. 3, but his condition became critical only three days ago.

Death was attributed to adenocarcinoma (cancer) of the liver, complicated by an amoebic abscess believed to have been contracted in the Burma jungles.

In accordance with General Stilwell's wish, there will be no public funeral services. The body will be cremated and the ashes strewn from an airplane over the Pacific ocean near Hanfair, his home at Carmel, Calif.

In life Stilwell received one last, coveted honor, the combat infantryman's blue rifle badge, sent to him by the war department and delivered only yesterday.

Although he won the Distinguished Service Cross in World War II, Stilwell rarely wore any ribbons, saying he had not bothered to preserve them and that he wanted only the combat infantryman's badge.

Nobody had thought to give it to him, before, not associating it with many generals.

He died quietly "in bed, the leathery, sharp-tongued little soldier with the tooth-brush haircut, whose troops called him "Vinegar Joe" or "Uncle Joe."

The two nicknames summed up the nature of a man who would fight to the end for what he

SKYRAIDER PACKS LETHAL PUNCH—This is the AD-1 Skyraider, built by Douglas, which carries two 12-inch "Tiny Tim" rockets and a battery of 12 five-inch rockets giving the craft, said Douglas, "an explosive wallop more destructive than the guns of a light cruiser." The single-engine plane is designed for carrier operations. (AP Wirephoto).

Constellation Reported Down; No One Hurt

NEW CASTLE, Del., Oct. 12. —Trans-World Airlines reported tonight that a Constellation type ship had crashed and burned near here.

None of the crew was injured. TWA officials reported. "The plane was on a ferry flight from La Guardia Field in New York and crashed when it overshot the field while landing at the New Castle airbase," a TWA spokesman said.

"There were no passengers aboard, only crew members," Delaware Hospital at Wilmington reported Charles A. Sylvester, 27, of Wilmington, was brought there and treated for shock and cuts and abrasions.

An attendant quoted Sylvester as saying he was driving along a highway when the large plane crashed into his automobile. Sylvester appeared dazed but was sent home after treatment, the hospital reported.

Joseph Murphy, owner of the Hickory House, a restaurant adjacent to the airbase, said the plane burst into flames after it struck the auto.

"We heard the crash in the restaurant and all of my waiters and waitresses went to the scene," Murphy said.

"The flames were so intense that we were driven back but we saw about seven fellows, all members of the crew, standing back a ways. How they got out of the plane is beyond me."

Reviewing The Big Spring -Week- Joe Pickle. The freak storm of Wednesday evening will prove far more costly in rural sections than in the city. Fortunately, it followed a narrow and erratic course and some fields almost in its path escaped the effects of a combined cloudburst and hailstorm.

Some observers say that it knocked out upwards of a thousand bales in a strip westward to Hartwells and on over to Lenoir in Martin county. Feed was damaged, too.

But while farms were being buffeted in its path, the City of Big Spring picked up 372,000,000 gallons of water when Moss Creek lake was filled within nine inches of the top. That will take pressure off the water situation for some time, for it represents nearly 200 days of production for the lake, which now contain upward of 450 days of production.

The past week was a good one for local fans. The Steers continued their spirited ways in getting into the district win column; the Yearlings forecast still better days in their showing against the Odessa Doggies; and fans saw some fancy playing off the T formation in the Sul Ross-Lutheran game.

One improvement which everyone will appreciate is the renovation program for street signs. Many are being reset and repainted.

Overcast skies cut down on the starry display here last week, but many reported catching glimpses of the meteor shower. Out in the rural areas where skies were clearer, reports said it looked like a fireworks display.

The city tax roll of \$9,600,000 was approved last week. On this basis the school roll, when completed, should be around \$14,000,000. The city levy, however, will be the larger, due to rate, amounting to \$163,500 against about \$140,000 for schools.

Bobcats Defeat Ackerly, 19-12

ACKERLY, Oct. 12 — Union's Bobcats edged the Ackerly Eagles, 19-12, in a hard fought six-man football game played here Friday.

The Cats made a shambles of the Ackerly defense in the first half, twice racking up touchdowns. Billy Brown pushed into the end zones for the first Eagle score in the third quarter and did an encore when Gerald Rodgers set the stage for an Eagle tally by intercepting a Union pass.

Bob Lambert counted what proved to be the winning touchdown in the third period when he scampered 35 yards across the double stripes.

L. D. Payne, a Bobcat back, was injured slightly after the half when he tried to tackle J. C. Ingram of the home team.

Dudley Zant, War Bird end turned in an outstanding defensive game.

Ackerly's loss was its first in three starts while the Union team has now won four games in a row.

CLASSIFIED FOR RESULTS

SPEAKER — Dr. Loren B. Staats, noted minister and Bible authority, will be speaker for the city-wide Bible conference sponsored here Oct. 20-25 by the Big Spring Pastors association. Dr. Staats will be heard each evening at 7:30 o'clock at the city auditorium. A choir of 60 voices will furnish music for the services.

NEW YORK, Oct. 12 (AP) — The long-expected shakeup in the ranks of the New York Yankees, once the scourge of the baseball world, has started in earnest. In a surprise announcement at midnight Friday the Yankees announced they had traded Joe "Flash" Gordon, above, star second baseman, to the Cleveland Indians for Allie Reynolds, a 27-year-old right-handed pitcher who won 11 games and lost 15 the past season. The Yanks also sent Joe Edward Bookman, a rookie third sacker, to the Indians for an undisclosed amount of cash and players to be announced later.

Rayburn Speaks In Missouri

COLUMBIA, Mo., Oct. 12 (AP) — Election of progressive democrats to support the "magnificent and stupendous job" being done by President Truman was recommended by Sam Rayburn, speaker of the house, in addressing a political rally on 1,200 democrats here today.

"I fear what might happen if old-time reactionary republican leadership comes into power," Rayburn said. "Plain people will not give up their social and economic gains of the last four administrations without a struggle."

He deplored thinking that inquiries when the war with Russia is expected and how soon the next depression will hit.

"I believe Premier Stalin when he says that Russia is looking for peace," Rayburn said, "anticipates when the United States' industrial army and navy strength are considered, along with the fact that Russia must spend 25 to 50 years building back to its prewar economy, and 50 years to match our road system."

Instead of depression, Rayburn said he is looking forward to five to eight years of the most prosperous times the United States has experienced.

THE WEEK

(Continued from Page 1)

made heavenly music last week in its appearance here, but we were afraid the Rev. Glynn T. Settles, founder, would talk for an eternity. He didn't, however, and the choir turned in a superb performance, particularly in the second part of its program.

Baruch Calls On US to Champion Freedom

NEW YORK, Oct. 12 (AP) — Bernard M. Baruch tonight called on the United States to champion the principles of freedom, which he termed the formula of victory and survival, and to resist pressure to forsake democracy.

Baruch, US delegate to the United Nations Atomic Energy Commission, said in an address prepared for the 100th anniversary dinner of the College of the City of New York.

"We must bring reassurance to those countries where there is a real and existing fear of freedom. It is to be seen in the disposition toward paternalism, in which thought and action flow from a higher level than the people themselves."

"Security must come from within. It can never last if it comes from the top down; it must rise from the bottom."

Extensive sulphur deposits in Texas and Louisiana are covered with quicksand and cannot be mined by ordinary methods.

Swedish Ship Crew Battle Fire At Sea

STOCKHOLM, Oct. 12 (AP) — Weary crewmen aboard the 3,880-ton Swedish motorship Kristina Thorden won today a gruelling 36-hour battle in the mid-Atlantic against flames that swept the vessel and killed four persons, including Cmdr. Walter LeRoy Helberg, 50, former US naval attaché in Stockholm, a message to the ship owners here said.

Helberg was buried at sea at the request of his wife, who also was aboard, the message added. Eight other American passengers on the ship, including Mrs. Helberg, escaped without severe injuries.

Hull Improving

WASHINGTON, Oct. 12 (AP) — The condition of Cordell Hull, ailing 75 year old statesman, continued today to show gradual improvement, the Navy medical center reported.

Not Room For Both, Stalin Convinced

WASHINGTON, Oct. 12 (AP) — Agence France-Presse, French news agency, quotes Secretary of Commerce Harriman as saying Premier Stalin is convinced the capitalist and communist systems cannot exist together in the world.

The agency quotes Harriman as saying that he himself also developed this feeling during his service as ambassador to Moscow and that President Roosevelt came to the same conclusion before his death.

A dispatch filed last night by Jean Davidson, the agency's cor-

respondent here, reports Harriman expressed these views in a secret lecture Thursday before military and state department officers. Davidson declined to disclose his source but said it was "a very good one."

Harriman was in New York tonight and could not be reached immediately for comment. His associate said he delivered an official record lecture to military officials here Thursday but they did not know what he said.

Navy Quota Set

WASHINGTON, Oct. 12 (AP) — Navy plans for the proposed universal military training program contemplate a quota of about 250,000 men a year receiving six months of active duty, it was disclosed tonight.

OPA Legally Dead, Lawyer Contends

ABILENE, Oct. 12 (AP) — A contention that OPA is legally dead despite Congress' revival action of last July 25 has been raised in Federal District Court here.

"OPA died a natural death on June 30, 1946," Dallas Scarborough, Abilene attorney, said in a brief submitted to Judge T. Whitfield Davidson.

The joint resolution on July 25, 1946, did not and could not resurrect the dead. OPA already was dead. The cremation had occurred and all the power of Congress

could do was to enact a new law. That they did not do."

Judge Davidson said from the bench Friday that to his knowledge Scarborough's contention has not been presented in any other court. He said he would consider the case carefully before handing down a decision.

Scarborough represents Walter McGill of Sweetwater, charged with OPA price ceiling violation in the sale of automobiles. The attorney's brief was in support of his motion for dismissal.

In Switzerland, the suicide rate is invariably higher in the Protestant than in the Roman Catholic cantons.

Lord Louis Mountbatten is the great-grandson of Queen Victoria.

Schools To Get Top Preference In Surplus Sales

Texas schools and colleges will be given top preference and bargain prices in the purchase of surplus machine tools and classroom and laboratory equipment for use in training veterans enrolled under the GI bill of rights, it has been announced.

WAA, acting under a directive from the CPA, will cut through the priority system to award eligible institutions access to instructional equipment over other buyers except holders of CPA or NHA urgency certificates.

The WAA has announced that application of the University of Texas for 21 buildings and equipment of the International Minerals and Chemical Corp. plant near Austin has been sent to Washington for approval. It is indicated the properties will be used for army and navy research among other things.

Some 1,500 flying jackets are being offered by the WAA for sale at Childress, Wichita Falls and Goodfellow (San Angelo) army air fields, ranging from \$2.62 to \$5.98 each. They are offered to World War vets and commercial channels concurrently. In the latter division minimums range from \$200 to \$5,000.

Rains Improving Exhibit Stocks

Recent rains have improved prospects for creditable exhibits at the annual Howard County Food, Pig and Poultry show. County Agent Durward Lester announced Saturday.

The show has been scheduled for Nov. 15-16.

The exhibit plan will be virtually the same as that used last year, Lester said, with preliminary arrangements already underway.

Food and agricultural booths, poultry, swine and educational exhibits will be featured.

The Texas Poll - - Stevenson Holds Lead Among Texans Thinking Of 1948 Senate Race

By JOE BELDEN
Director, The Texas Poll
AUSTIN, Oct. 12. — Coke Stevenson, outgoing governor of Texas, is today favored by the greatest number of people as a candidate for US Senator in 1948, according to the latest Texas Poll. What may be even more significant is that at this time comparatively few persons want W. Lee O'Daniel to run again when his term as junior senator expires in 1948.

Now that state offices have been settled for another two years, political discussion on the senatorial contest has already started, even if the election is still two years off. Talk will undoubtedly center on whether Senator O'Daniel will be a candidate for another six-year term. With its statewide staff of interviewers, The Texas Poll is able to bring into focus the nature of this early political speculation among the public. The first question put to the Polls representative cross section suggested no names:

"Some people are already discussing the election for United States Senator we will have in Texas in 1948. At this time, who would you like to see run for senator?" The results:

- Coke Stevenson 14%
 - W. Lee O'Daniel 7
 - James V. Allred 6
 - Homer P. Rainey 5
 - Lyndon Johnson 4
 - Others together (George Mahon, Beauford Jester, Jerry Mann, etc.) 6
- Total with opinions 42%
- Undecided 58%
- Then each respondent was given

Here 'n There

A Texas Tech graduate, Donald Benson, had the honor of designing the new five-cent airmail stamp Benson, who is presenting an exhibit of drawing this week at the engineering building in Tech, was a 1929 graduate in commercial art at Tech.

Restaurant men of West Texas are scheduled to meet in Midland at the Scharbauer hotel Wednesday at 2:30 p.m. for the purpose of forming a West Texas Restaurant association. Representatives are expected from Big Spring, Odessa, Lamesa, Lubbock and other cities. Among other things, OPA price regulations will be explained at the meeting.

Williams On Trial In Midland Monday

MIDLAND, Oct. 12. (Sp.)—Earl Hamilton Williams, accused of murder, goes on trial for his life a second time following selection of a jury here Monday.

The 48-year-old ranch hand, who has not denied the charge that he beat his wife, Beulah, to death in a drunken brawl at their shanty on the Davis ranch in Northeast Glasscock county last July 6, heard Judge Cecil C. Coffings dismiss the jurors in his first trial at Garden City last month after they had failed to reach a verdict.

When the change of venue was announced, Coffings said he chose Midland because court dockets at Big Spring and Odessa were crowded. Williams had surrendered to the sheriff's office at Big Spring the morning following the fatal beating.

The law firm of Thomas and Thomas, Big Spring, will again represent the defense.

Area Men Due To Participate In Austin Meeting

Several representatives from Big Spring and Howard county will participate in a meeting Monday evening at Austin when the campaign for adoption of an amendment freezing allocation of the gasoline tax will be launched. The amendment would peg the division of the tax at one cent for the available school fund and the balance for maintenance and construction of state highways, farm-to-market roads, and urban traffic-ways.

Among speakers will be Beauford Jester, governor-nominate; Gov. Allan Shivers, Reg. O. C. Fisher, State Rep. Neville Colson, and John S. Redditt, chairman of the state highway commission. Col. Ike Ashburn, Houston, will preside.

Due to represent the county are Commissioners Thad Hale, Ed Brown and R. L. (Pancho) Nall. Delegations from the city and chamber of commerce, participating in a hearing before the state board of water engineers earlier in the day, also plan to attend. Among them will be H. W. Wright, B. J. McDaniel, Iva Huneycutt, J. H. Greene, Joe Pickle, R. T. Piner, Carl Blomsheld, and Cliff Wiley.

Protest Embargo Lift

DENVER, Oct. 12. (P)—Declaring it was "alarmed that you are considering the colossal blunder of nullifying the sanitary embargo" prohibiting shipment of live stock animals from any country where hoof and mouth disease exists, the American National Livestock Association today sent a letter to President Truman warning him he was "playing with fire if you move in that direction."

Markets

NEW YORK, Oct. 12. (P)—The stock market suffered another spill during the past week, hitting a new low since early last year, but recovered almost all of its losses in the final two sessions.

The nation's principal securities and commodities exchanges recessed today, as usual, in celebration of Columbus Day.

In the early part of the week brokers found customers generally depressed and inclined to liquidate because of skepticism over production due to strikes, price difficulties and widespread material shortages.

The late rally was credited partly to short covering and quick-turn buying based on the thought that a further substantial technical comeback was a probability.

LeFever Will Attend Oil Association Meet.

Ben L. LeFever, Big Spring, is due to head a group of local oil men attending the victory meeting of the Texas Mid-Continent Oil and Gas association at Houston on Oct. 17-18.

The meeting is the first general one among the fraternity since 1943. The role of petroleum in

helping win the war will be stressed at the convention. Keynote address will be delivered by James Forrestal, secretary of navy. Russell B. Brown, general counsel for the Independent Oil Producers of America also will speak.

LeFever is association vice-president for West Texas and a director in the organization.

The average farmer uses 2,000 feet of lumber each year.

Ironing Board Burns

Big Spring firemen answered their third alarm during "Fire Prevention Week" Saturday morning, when an ironing board was damaged in a house occupied by Virginia Mae Nichols, negro, at 206 Orndoff street.

An average of 13 months is the time required for sugar cane to reach maturity.

Washington To Vote On Right To Vote

WASHINGTON, Oct. 12. (P)—Voteless Washingtonians will vote after all on election day — in an unofficial plebiscite on whether they should have the right to vote.

Suffrage is denied them under the law which created the District of Columbia as the seat of national government.

Texans In Washington Figuring On Clark In Next Senate Race

By **TEX EASLEY**
 WASHINGTON, Oct. 12 (AP)—Sales of surplus agricultural lands by the War Assets Administration, acting through the Farm Credit Administration, have totaled 83,822 acres. The \$4,295,297 received represents 69 per cent of the cost of the properties. Sales of 19,401 acres in Texas tops the list.

Rumors crop up from time to time about cabinet officials. The latest concerns Attorney General Tom Clark. It is to the effect that the popular cabinet member, who came to Washington 10 years ago as a minor Justice Department official, would resign and go back to law practice in Dallas.

It is known that some Texas politicians have suggested that Clark would do well to leave the cabinet within the next year and put himself in a position to run for the Senate in 1948.

O'Daniel, whose term expires then, long has proposed that congressional service be limited to one six-year term. When questioned whether he himself will seek re-election, O'Daniel replied that he "will play by the rules of the game," whatever they may be at that time.

This was the dismaying experience of Dale Miller, Washington representative of the Dallas Chamber of Commerce. He underwent an operation for hernia, but when it was all over discovered that the incision had been made on the wrong side, and had to go through the ordeal again the following day. Doctors acknowledged that a slipup had occurred in operating on the left rather than the right side, but said that they found surgical attention also was required where they made the first incision.

A revised edition of the "Hand-Graduate of the foreign service book for Servicemen and Service-women" has been published as an official House document. Compiled by Rep. Wright Patman of Texas, it contains 251 questions and answers covering laws dealing with compensation, insurance, hospitalization, terminal leave and other matters affecting veterans.

Texas-made cowboy boots were on display here in an Australian trade mission exhibit in the Commerce Department lobby. Wonder why they were on display? They were made of kangaroo leather.

Mrs. D. Roland Potter, who with her husband, works in the office of Senator O'Daniel, has gone to Galveston to recuperate from a recent illness. After two weeks on the Gulf, she will visit her home in Texarkana.

Lucky newcomers to Washington are Lt. Col. A. B. Duke and Mrs. Duke, formerly of Houston and Handley. They found an apartment two weeks after arrival. He is on duty at the War Department.

school at George Washington University is Hiram Goad of Midlothian. Two Laredo boys, Bat Corrigan and Edward Leyendecker, Jr., both veterans, arrived recently to enroll in local universities.

Oil Developments At Near Standstill During Past Week

Oil developments in this area were practically at a standstill during the past week. According to latest reports, the Shell No. 1 L. C. Clark, north-eastern Glasscock deep exploration, was still shut in for additional storage before resuming testing. Previously, after 5000 gallons of acid treatment, it flowed a net of 167.4 barrels in nine hours through half-inch choke and 61 perforations in five and a half-inch string at 9,750-55 feet. Some have picked it as Mississippian, the only formation not producing in the Permian Basin, while others think it is the Devonian. Location is in the southwest quarter of section 5-32-48, T&P.

No official figures had been given on the Norman & Roche (C. E. Beavers) No. 1 S. R. Coleman, opener for the Coleman Ranch field, four miles north and west of the Westbrook field, oldest pro-

For Mexican Dinner Mrs. Bruton Hostess

Eager Beaver club members and their families were entertained with a Mexican dinner in the home of Mrs. Harvey Bruton Friday evening.

Dominance was entertainment for the evening, and those present were Mrs. R. I. Fingley, Mr. and Mrs. Leroy Findley, Mr. and Mrs. Dick Hooper, Mr. and Mrs. Roy Spivey, Mr. and Mrs. Wayne Morris, Mr. and Mrs. Marvin Daughtry, Mr. and Mrs. R. G. Burnett, Marlene Burnett, Shirley Burnett, Mr. and Mrs. Ben Jernigan, Mary Jernigan and Patsy Jernigan, Mrs. Don Phillips of Lincoln, Neb., and the hostess.

ducing pool in the Pedman basin. Prospects are it will level off around 35 barrels. Location is in section 70-97, H&TC. Materials are in for C. E. Beavers No. 1-A S. R. Coleman, 600 feet to the south of the discovery well, but operations are awaiting development of a water supply sufficient for rotary operations.

Beef Feeding Tests Planned

Although limited in scope, the Big Spring agricultural experiment station plans to conduct feeding tests for beef animals again this winter. Fred Keating, superintendent of the station, announced Saturday.

The tests are to be similar to the series carried out last season, with the effect of chemicals on urinary calculi to be observed. Some difficulty in securing calves for the project already has been encountered, Keating said, and the tests probably will not be launched until after Nov. 1. Forty animals are needed for project already planned.

The calves will be divided into four lots. Keating said, with the check lot to receive the basic ration with no chemicals. Lot No. 2 will be fed the basic ration with an ounce of limestone flour added each day. Lot No. 3 will receive phosphoric acid in its basic ration,

and feed for lot No. 4 will be supplemented with bone meal.

The bone meal will give the fourth lot both phosphorus and calcium. Keating pointed out, while the second lot will receive only calcium from the limestone as a chemical, and the third lot will absorb pure phosphorus. The test is expected to provide a definite indication of the value of phosphorus for reducing calculi.

Sumptuary laws are those intended to limit or regulate the private expenditures of the citizens of a community.

Week's Business Few Stockers Offered Despite Highest Prices

Buyers came to Big Spring again this week in search of stocker cattle, but they found little to choose from other than a few cows and calves. Stocker steer yearlings and stocker heifer yearlings were virtually unobtainable, despite attractive prices. After heavy selling during the summer drought, most local farmers and ranchers apparently are planning to hold any remaining stock, with grass prospects vastly improved by recent rains. The local market was strong during the week, but cattle receipts were moderate and hogs unavailable.

Three new residential permits helped to improve the city's building record for the week, although only 10 permits were issued. Total for the week amounted to \$16,850, with repair work still accounting for most activity. The record for 1946 to date is \$1,035,236.

Real estate with a total market value of \$32,336 was involved in transactions recorded on warranty deeds filed at the county clerk's office during the week. The year's total is now \$2,754,168. Delivery of new automobiles subsidized according to licenses issued at the county tax assessors-collector's office. New tags were sold for seven passenger cars and one truck.

Longhorns Happy To Settle With 20-13 Win Over OU

By HAROLD V. RATLIFF
DALLAS, Oct. 12. (AP)—Texas rode with Bobby Layne's passing arm to a 20-13 victory over Oklahoma today but the hard-bitten Sooners traded blow for blow with the mighty Longhorns and gave them many anxious moments in the forty-first renewal of this Southwestern football rivalry.

The rugged, battering line Oklahoma threw at Texas was all it was cracked up to be and a State Fair crowd of 50,000 that overflowed the Cotton Bowl say why the Sooners gave Army's great team such a tough game at the start of the season.

The Longhorns were superior but nothing like the pre-game forecasts that gave Texas, the team that has been rated No. 1 in the nation, a margin of four touchdowns or more.

foot line. Frank Guess kicked the point.

Guess, who is Layne's understudy, sparked the next Texas touchdown drive. It was in the second period and Texas swept 69 yards for the score.

The Sooners came roaring back, an intercepted pass giving them the opportunity to score. Dave Wallace caught Tommy Landry's throw on the Sooner 44 and in six plays Oklahoma bounced to a touchdown.

The Sooners threatened again as the half ended, driving to the Texas 15, but Jim Canady intercepted Darrell Royal's pass behind his goal line for a touchdown.

Opening the third period, the

teams traded drives. Texas once reaching the Sooner 24 and Oklahoma getting to the Longhorn 35. Midway of the period Texas started a march that appeared touch-down bound. Down to the Oklahoma two-yard line the Longhorns swept, but Ralph Ellsworth, hard-running Longhorn back, lost six yards when he slipped and fell and on the next play Layne tried a pass that Golding caught on the Sooner one and made his 59-yard run for a score. Wallace converted.

Then in a half-dozen plays the Longhorns bucked and snorted 75 yards to a touchdown. The pay-off was a 10-yard run by Canady on a Statue-of-Liberty play.

Cards Stake All On Brecheen's Baffling Slants

ST. LOUIS, Oct. 12. (AP)—Only the speed and the cunning in the left arm of Harry (The Cat) Brecheen stands tonight between the Cardinals and sudden death in the 1946 World Series.

Trailing two games to three to the revived Boston Red Sox in the big autumn, play-off, the National League champions must win here tomorrow behind their acrobatic little southpaw star or accept second money.

Seldom in series history has there been a more dramatic build-up for one of the final, crucial contests. For, opposing Brecheen, will be the Burly Dave (Boo) Ferriss, the 25-game winner, out to throttle the Cards for the second time and bring the Red Sox their first championship since 1918.

Both pitched shutouts in their previous series starts. Brecheen, the little fellow with the big screwball, baffled the Sox slugger in the second game, setting them down with four widely scattered hits to square the play-off at a victory a piece.

Ferriss came right back in the third game at Boston to handcuff the Red Birds with six blows and again put the American Leaguers out in front. The meeting of the two shutout artists at Sportsman's Park is a natural.

Manager Joe Cronin of the Sox declined to say for certain that Ferriss would be his nominee, but most series observers considered the choice a foregone conclusion. The other possibility, Cronin said, was Mickey Harris, the lefthander whom the Cards climbed aboard and beat in the second game.

Sul Ross In Front, 32-0 Womack Stars In Lobo Win

By WACIL McNAIR
After trying repeated thrusts at the line and some half a dozen serial tosses to no avail during the first 29 minutes of play, I. B. Womack, a freshman halfback from Big Spring, teamed with Tyrus Davis, a hefty end from McCamey, to mesh the gears of Coach Red Pierce's Sul Ross football machine and start the Lobos down the trail to a 32-0 triumph over Texas Lutheran college on the Highland Park gridiron Friday night.

Time was swiftly running out on the Lobos when Womack and Davis uncorked their dynamite. With the ball in play on the Lobo 44, Womack pulled a jitterbug act to evade several Texas Lutheran rushes, keeping his eyes glued to Davis streaking around the Lutheran secondary. As Davis outdistanced the Lutheran safety man, Womack fired away, and the big wingman plucked the pig hide from the atmosphere on the 25 and galloped across for a touchdown. Arthur Kelly, dropped back from his tackle post to convert from placement as the half-time gun popped.

The Lutherans had managed to thwart all previous Lobo attempts to approach the danger zone, using the explosive toe of one Orlando Schraub as their defensive weapon. The lightning halfback from Seguin threw the Lobo machine into reverse six times in the first half with booming punts. During the game, he kicked eight times, and despite one partially blocked effort that traveled only eight yards, finished with a 43-yard average. Excepting the block-

ed boot, Schraub's poorest kick went for 42 yards, and he sent one for a 50-yard ride, one for 59 and two for 48.

Womack and Davis were not content with their initial scoring success, however, using the same formula for another counter early in the third quarter. It developed on the Sul Ross 47, with Womack throwing another strike to Davis, who scampered into the clear again on the Lutheran 18. The big Lobo end barely managed to cross the goal line this time, however, before a suddenly alerted Lutheran secondary converged on him in a vain attempt to prevent the tally. Kelly converted again to make the score 14-0.

That man Schraub entered the picture again at this point, with offensive tricks his main objective. Catching the Lobos completely unprepared, he fired a looping pass to End Wilbert Miller, good for 39 yards and a first down on the Sul Ross 26. The Lutheran running game bogged down again, however, and the threat died on the 21.

Womack promptly opened up with some more aerial fireworks of his own, connecting with a 35-yard scorcher, this time with J. J. Dodd on the receiving end. Barrow picked up 15, and Womack added five before churning around his own right end for another six points.

Frank Barton, another Big Spring boy, playing guard for Sul Ross, started the Lobos on the road to their next score. First, the bruising Big Springer crashed through to smear Bittick for a 2-yard setback. Then after Brawner took a pass from Bittick on the Lobo 19, Barton tackled him viciously and the Lutheran receiver parted company with the ball. The husky Lobo guard pounced on the oval, starting Sul Ross on an 81-yard march to another TD. Dodd climaxed the ensuing drive a few moments later with a 6-yard sprint across the goal line.

Coach Pierce turned the Lobo fortunes over to reserves near the end of the final quarter, and they showed to advantage, maintaining the momentum established by the first stringers. C. E. Brandon, one of the few regulars remaining in the game, flipped a pass to Lewis North, reserve end, for 35 yards and the final six-pointer second before the game ended.

Substitutions: Sul Ross—Higdon, Holman, Sweet, Dodd, Kappelman, Parks, McDonald, Hayt, Taylor, Knopp, Kelly, Moore, Schofield, Ahrens, Woodruff, White, L. Norris, Texas Lutherans—E. Brawner, Stroman, Goetz, W. Miller, Weiss, J. Stolte, Baasen, Tieman, Davis, Bittick, H. Killian.

Scoring touchdowns—Davis, two; Womack, Dodd and L. Norris, one each. Points after touchdown, Kelly two (placement).

Officials: John Maegden (Texas) referee; Walker Bailey, (Howard Payne) umpire; H. J. Britt (ETSU) field judge; Ted Phillips, (W-TSFC) head linesman.

Blanchard Needed For Army Victory Over Michigan

ANN ARBOR, Mich., Oct. 12. (AP)—Army's mighty football team, invading the West for the first time in 12 years, ran into trouble against Michigan today but powered 76 yards for a fourth period touchdown to edge the Wolverines, 20-13.

It was the 22nd straight victory for the Cadets since they lost to Navy in 1943.

Army's seemingly endless victory parade seemed destined to fall before a determined Michigan eleven that led at one time, 7 to 0. And after dropping back again pulled into a 13-all tie with an 82-yard touchdown march the first time the Wolverines got the ball in the second half.

But Army's touchdown wins, halfback Glenn Davis and fullback Felix Blanchard, powered the Cadets to their winning touchdown with 11 minutes of playing time remaining.

Davis, combining his terrific speed with an amazing change of pace, ran 58 yards for Army's first score in the opening stanza and flipped a 31-yard pass to Bob Folsom for the score that put Army on top, 13 to 7, seconds before half time.

Either Davis or Blanchard handled the ball on all but one play as the West Pointers plowed 76 yards on 11 plays at the outset of the final period for their all-important touchdown.

Buffaloes Run Over Harrold

FORSAN, Oct. 12. — Forsan's Buffaloes ran over Harrold high school, 37-0, in a six-man football exhibition played here Friday night.

The Bisons were held scoreless until near the end of the first quarter when Elton Prajer went across on a reverse. Bobby Wash and Dan Fairchild added TD's in the second period, both on interceptions, while Prajer added his second six-pointer when the Forsan sextet again worked the reserve play to perfection.

Wash churned into the end zones shortly after the intermission while a Green-to-Claxton pass paid dividends in the way of a score in the fourth round. Wash passed to Anderson for the only successful conversion.

Harrold made only mild threats.

Texas Loop Will Take On Another 154 Game Season

DALLAS, Oct. 12. (AP)—Members of the Texas League voted at their annual fall meeting today to take on another 154-game baseball schedule in 1947.

The season will open Thursday, April 10, and run through Sunday, Sept. 1. In opening games Dallas, the 1946 Dixie League champion, will be host to Oklahoma City; Houston will play at Shreveport; Beaumont will go to San Antonio and Tulsa will play at Fort Worth.

The members also worked out a schedule for the first Saturday of the season, April 12: Dallas at Tulsa; Fort Worth at Oklahoma City; San Antonio at Houston, and Shreveport at Beaumont.

The league members agreed on a player limit of 19 men to the club in 1947. The remainder of the schedule will be worked out later.

Stanton Triumphs Over Grandfalls

STANTON, Oct. 12. — Stanton's football Buffaloes chalked up their first triumph over the 1946 season by knocking over the Grandfalls Mustangs, 28-0, in their second home game of the campaign here Friday night.

Previously, the Bisons had played a scoreless deadlock with Lorraine and lost to Iraan and Crane.

Rice's Fast-Flowing T Throttles Tulane, 25-6

NEW ORLEANS, Oct. 12. (AP)—Rice's fast-flowing T-formation and the passing of Virgil "Ike" Eikenberg proved too much for the Tulane football team today and the Owls won 25 to 6 before a crowd of 40,000.

After a scoreless first quarter, Eikenberg and company began rolling with only a minute and five seconds to go in the second period, running 11 plays to score only five seconds before half time. The payoff play was a flat 10-yard pass from Eikenberg to Huey Keeney.

Rice thrust 80 yards downfield for a final period touchdown and Eikenberg passed to Nivk Lanza for the final 30 yards.

Six-Man League Resumes Play Next Weekend

District Ten six-man football play, which ground to a halt last week, gets going again Friday with games scheduled at Forsan, Coahoma, Sterling City and Garden City.

Cagle Hunt takes his Merton Hornets to Forsan for a night battle with the Buffaloes. Water Valley and Coahoma get together at Coahoma in what may prove to be the most important contest of the season. Courtney takes on the Bearkats at Sterling City in another night battle while Garden City entertains Knott's Hill Billies.

All eyes in the district will be on the afternoon bout between Water Valley and J. Z. Thompson's Bulldogs. The Wildcats are currently leading the league by virtue of three successive wins.

The "Dogs are defending champions and have been improving steadily since their first game with Sterling, which resulted in a 13-13 deadlock. If anyone is going to stop the Valley powerhouse, it appears that it will have to be Coahoma.

The debate might develop into an individual battle between the Cats' Gene Cope and Wayne Deveney led the Coahomans to the have been outstanding to date. Deveney led the Coahomans to the regional championship last fall.

	Rice	Tulane
First Downs	18	10
Net yds. Rushing	201	132
Yds. Passing	193	78
Punting Avg.	33.1	34.7

It was a battle of passes and pass interceptions. Oklahoma gathered in six Longhorn throws and one of them brought a sensational touchdown when Joe Golding, whose runs kept Texas in hot water all afternoon, caught one of Layne's pitches and sprinted 99 yards untouched to the score.

It was this touchdown that brought the Sooners within a point of Texas with 12 minutes to go. Texas however, came right back and in six plays after the kick-off got another touchdown.

Statistically Texas had a comfortable edge, making 15 first downs and 323 yards on the ground and in the air. Oklahoma got a dozen first downs and rolled up 229 yards.

Layne never had so much trouble before on his passes but at that it was his throws that put Texas over.

Texas marched to its first touchdown midway of the opening period. Layne completed six passes out of seven in the drive which the big Texas halfback climaxed by crashing over from the one-

RUDOLPH (Little Doc) MOBLEY, 155-pound halfback with the Hardin-Simmons University football team who in 1942 led the nation in ball-carrying, is back at his old tricks. A veteran of the Battle of the Bulge, Mobley says military service hasn't hindered him. His record of 288 yards in 52 carries that makes him currently the nation's leader bears out that statement. (AP Photo).

LOOKING 'EM OVER

By TOMMY HART

Some of the football faithful are wondering if the District 3AA dads shouldn't look into the eligibility of a couple of the Lamesa schoolboy standouts. One of the very best backs reportedly attended Ackerly high school in 1946. The Tornados, incidentally, are capable of giving any team trouble. Steer followers are comparing Bobby Hollis with the greatest tackles in Big Spring high school history. Consistently good all year, he outdid himself against the Tornados. He should be a shoo-in for all-district honors. The same can be said for Horace Rankin, a triple threat who finally got his running gear to functioning against Jim Neill's gang. Hoss' improvement as a ball carrier within the period of a week was almost unbelievable. To date, Hollis, Rankin and Ike Robb loom as the Steers' best bet for the all-district aggregation. Lamesa has a youngster, running on its B string who would be a star were he eligible to play varsity ball. He is Boyce McHaney, who led the Tornado reserves to wins over Seminole (24-7) and Midland (25-6) and a deadlock with the Odessa Bees. W. O. Follis, who will coach the Tornado basketball quintet, is handling the Lamesa bench warmers.

BOBBY HOLLIS ... All district?

Sain: Williams Has Something To Learn

Sam Sain, who should know, insists Teddy Williams of the Boston Sox isn't as tremendous a hitter as he's built up to be because he can't hit anywhere but to right field. Sam says it would have been suicide to have switched the defense on the right side of the diamond for such hitters as Babe Ruth and Ty Cobb. Ace Parker, the former Duke University footballer who quit baseball in mid-season to report for football practice with the New York Yankees, has hung up his

moleskins for the current campaign. The attending medico betrays the fact that Ace has some broken vertebrae. Charley Parham, the Milwaukee middleweight who was suspended in Chicago recently for telling conflicting stories about an alleged bribe, once shared the main bill in gon the shortest boxing card on the program, five of the scraps resulted in first-round knockouts. Carl Cox, the one-time Big Spring baseball third sacker who was the property of the Hollywood Stars, goes to the Pittsburgh Pirates in 1947 where he'll try to solve the third base problems for the McKinney-Crosby organization. Maybe Carl will fit in. He isn't remembered here for his hitting prowess but has learned a lot. Last year he touched Eastern League pitching for a mark of 321 while playing with Albany and was the Senators' brightest star in the playoffs. The Chicago Rockets of the All-American professional football conference have a combination of H's that is proving unbeatable. That would be Elroy "Crazy Legs" Hirsch, Hunchy Hoernschemeyer and Billy Hillenbrand, all former Big Nine stars.

He didn't get to play against Odessa the other night but reports say Carol Canon of the Big Spring football Yearlings is one of the very brightest stars in Jim McWhorter's grid camp. Jim's successes as a coach are causing much favorable comment in the village. Billy Campbell, the former Big Spring who moved back to Washington Court House, Ohio, recently has turned into one of the best passers of that school's grid team. He completed three flips for long gains against a team from Greenfield, Ohio, the other evening. Bill has put on some 20 pounds since leaving here and should be quite a boy before he departs high school three years hence. Frank Callen, currently a tackle on the St. Mary's football team of Moraga, Calif., was injured on Okinawa during the war and underwent nine blood transfusions before he left sick bay. Lon Sines, Oregon State grid instructor, succeeds Babe Higginberry as mentor of the West All-Stars in the Shriners' football game at San Francisco next Jan. 1. D. J. Pollack, athletic director of Sul Ross College and a local visitor over the weekend, says the Lobos will field athletic teams in all sports this term. Basketball practice down that way will begin Oct. 15 and Pollack will try to match some games with Texas-Conference teams. Track men will be interviewed by Coach Red Pierce Nov. 1 and the Lobos will probably have representatives at most of the big meets. Plans are progressing for golf and tennis teams down Alpine way. There may even be a boxing crew organized.

Hogs Hit Early To Turn Back Baylor, 13-0

FAYETTEVILLE, Ark., Oct. 12. (AP)—Playing without their ace halfback, Clyde Scott, who was injured in the opening minutes, the undefeated Arkansas Razorbacks turned back the Baylor Bears, 13-0, here today to hold on to their early lead in the Southwest Conference title chase.

A blocked punt in the first quarter and a one-yard plunge by quarterback Aubrey Fowler in the third stanza provided the scoring in a rough game which was largely a defensive battle. Baylor's line, tough by tradition, rose up to stop two Arkansas scoring threats and a penalty and a fumble salted another to keep the score from being top-sided. The victory was the second in conference play for the Porkers and sends them into next week's scrap with mighty unbeaten Texas with a record marred only by their tie with Oklahoma A. and M. A sell out crowd of 12,500 hardily had settled down when Steed White, Razorback guard, blocked a punt by Baylor back Frank McKinney and turned it into an Arkansas touchdown. The ball bounced from White's chest to the Baylor 20-yard line. The Razorback guard picked it up and lumbered across the goal unmolesated. Fowler converted from placement to make it 7-0. Midway of the third quarter, the wind forced a Bear punt out of bounds on the Baylor 25 and Arkansas quickly rushed to another score. Alton Baldwin sprinted 21 yards to the Baylor four on an end-around. Fowler and Hoffman pushed it to the one-foot line, from where Fowler knifed over on the fourth down. Fowler's kick for point was blown wide by the stiff wind.

Arkansas First Downs ... 9 Net Yards Rushing ... 133 83 ... Yards Passing ... 40 28.3 ... Junior Football Wars To Begin The six-ward school teams participating in the city's junior football wars square off for the first round of games starting at 3:30 p.m. Wednesday. Opener sends North Ward into action against East Ward. South Ward meets West Ward and Central Ward, defending champion, faces College Heights in other contests. All games will be limited to six minute quarters. Athletic Director John Dibrell announced Saturday. D. A. Miller, coach of the Central Ward brigade, is fielding another powerful eleven. Remainder of the schedule: Oct. 23 — South vs. College Heights; East vs. Central; North vs. West. Oct. 30 — West vs. College Heights; North vs. Central; East vs. South. Nov. 6 — Central vs. West; East vs. College Heights; North vs. South. Nov. 13 — North vs. College Heights; East vs. West; Central vs. South.

Related Pressure Gives Babe Title

FORT WORTH, Oct. 12. (AP)—National amateur champion Mrs. George (Babe) Zaharias of Denver, toyed around with pro Betty Hicks of Long Beach for the first 27 holes at Colonial Country Club today then turned on the pressure for the next six holes to win the Texas Women's Open Golf championship by a 5-3 score. Mrs. Zaharias who had shot sub-par golf all week in gaining a place in the finals, carded a six over women's par 81 on the morning 18, while Miss Hicks turned in an 84. On number 24, Miss Hicks was four down, but took the next three holes with two birdies and a par to pull within one hole at 27. Mrs. Zaharias took 28 and 29, they halved 30 and 31 and Babe took the next two holes with a pair of birdies where the match ended.

Bovines Ease By Tornados

By TOMMY HART

LAMESA, Oct. 12.—A fourth period six-yard gallop off the left side of the line by Gerald Harris gave the Big Spring high school football Steers the touchdown that enabled them to repel the Lamesa Tornados, 6 to 0, before some 3,500 fans here Friday night.

The game was virtually a repetition of the 1945 meeting between the two elevens. The score was exactly the same. This time, however, the Bovines were in command and were driving hard to widen the edge at game's end. The victory was the Longhorns' first in District 3AA play since 1944, their second of the season. John Dibrell's clan led in first downs, 11-8, and boasted 190 yards rushing to 146 for the foe. Jim Neill's Lamesans may have been the better ball club during the first half. At least they bare their fangs and threw their weight around in midfield. With a huge fellow of the name of Pat Patterson leading the way, they succeeded in moving all the way down to the Big Spring 20-yard line midway in the initial round. Eating up tremendous chunks of yardage the way it did, Lamesa looked as if it meant business until Sonny Rose juggled the swine-skin on a try at the line and an alert Bobby Hollis pounced on it out around the 23. The contest developed into a tug-of-war throughout the remainder of the half. Big Spring made little use of its favorite weapon, the forward pass, got no where with its ground game. After an exchange of punts following the intermission, the complexion of the debate abruptly changed. The Steers, taking over on their 35 and with a scintillating Horace Rankin assuming the spotlight, began to move. Jackie Barron, the Big Spring signal barker, called for Harris to tie himself upfield via the left end and the big half did just that, skipping through the dew for 23 yards before a Lamesa wingback dragged him to earth. The Steers at length found themselves on the Tornados' 35-yard marker and the enemy goal in sight but fast breaking events proved they could not immediately stand prosperity. In three tries at the line, the holes for the back failed to open and they could budge no further than the 32. On fourth down, Rankin tried a fake punt, handing the ball off to Harris but the big boy failed by two yards to get a renewal. Lamesa taking over on its 27. Patterson kicked away and the Bovines again went in motion on their own 39. Heading to switch attacks, Rankin faked back and hit Mary Wright with a pass that collected 29 yards and a first down. For the second time during the evening, they had pushed into Tornado territory. Two plays before the quarter, sang its swan song, the Longhorns were on the foe's 30 but Harris lost his footing when he tried to turn too sharply on an end sweep and the Herd lost nine yards. That hurt but momentarily. Bobo Hardy, who was playing far and away his best game of the year, gathered in a pass from Rankin and regained the loss but no more. Barron cracked the line for two paces and then sized up the situation from the Lamesa 28. Rankin stepped back to punt and he meant it. The pigskin was supposed to slip out of bounds somewhere around the five-yard stripe but it bounced into the end zones instead and the officials put the oval in play on Lamesa's 20. For the moment, the Tornados seemed out of danger but Patterson's kick was short and the Herd went over to the offensive on the foe's 42. Rankin sought out Hardy with a pass, who was going full speed in the direction of the north stands. Bobo took it without breaking stride and picked up 28 yards before the Lamesans hit him down. Barron followed with a flip to Wright that gained four strides, then eased the ball off to Hardy, who set sail to the way to the enemy's 17 after picking up his blockers nicely. Rankin moved into position for the ball, then retreated and passed to Wright in the end zones. Art Bizzell got there just in time to deny the Big Spring wing the privilege of breaking the deadlock. Hardy was in the right place at the right time on the next overhead, however, and scrambled down to the seven before submerging. From that point, Harris rolled first to the six, then over with astonishing ease. His try for

py, center; A. Bizzell, Patterson, Rose and Rowbotham, backs. Substitutes: BIG SPRING — Worrell for Harris, Cybert for Collins, Lamb for Fuglaar, Houser for Puckett. LAMESA — Tankersly for Eudy, Hawkins for Clark, Helms for Rowbotham, Hoffman for Bizzell, Barton for Rose. Officials: J. B. Neely (Texas Tech), referee; Ross Ayers (Tech) umpire; Jim Hamilton (Hardin-Simmons), field judge; John Walker (NTSTC), time keeper.

Bama Hits Stride; SLI Tumbles, 54-0

TUSCALOOSA, Ala., Oct. 12. (AP)—Alabama's Rose Bowl Champions bounced back into their scoring stride with a bang today, bowling over little Southwestern Louisiana Institute, 54-0. The Crimson Tide hit the goal line for eight touchdowns and six extra points, scoring more in a single game than it had for the rest of the season.

Six-Man Group Meets Monday

Third meeting of the Six-Man Coaches and Officials association, which was organized here a month ago, will be held Monday night at 7:30 o'clock in the district court room.

J. Z. Thompson will lead a discussion on infractions involving 15-yard penalties. Tommy Hart is to render a lecture on the occasions that a ball is ruled dead during a game while Frank Honeycutt will take the floor to talk on the duties of team captains and conduct of other players. Babe Baker, Coahoma, and Ches McDonald, Sterling City, recently became members of the organization.

Kats Down Loop Troupe

STERLING CITY, Oct. 12.—Ches McDonald's Sterling City Beakrats triumphed over the Loop Eagles, 50-6, in a six-man football game unrehearsed here Friday night. Norwin Brown set the scoring pace for the Kats, three times reaching pay dirt. Jackie Tweedie collected eight points, Billy Bern 12 and Jimmy Hudson 12. Dick Bay crossed the double stripes for the visitors' only score.

Mississippi St. Wins

EAST LANSING, Mich., Oct. 12. (AP)—A hard-running Mississippi State college eleven took the opening kickoff and marched 83 yards for the lone touchdown of the game as it edged Michigan State, 6 to 0, today.

New Mexico U Wins

LAS CRUCES, N. M., Oct. 12. (AP)—The University of New Mexico, in the first renewal of its Border Conference football rivalry with New Mexico A. and M. since the war, squeezed out a 7-6 victory today after fighting off repeated Aggie attacks.

Texas Horse Pushes Income To \$430,730
NEW YORK, Oct. 12. (AP)—Mrs. E. D. Jacobs' Styxie drove to a length and a half victory in the New York handicap at Belmont today to become the second leading money winner in turf history. Biggest bargain in turf history—Trainer Hirsch Jacobs claimed him for \$1,500 three years ago — Styxie negotiated the 2 1-4 mile grind in 3:51 1-5 under Jockey Basil James piloting, to pick up the \$41,200 winner's purse and boost his lifetime earnings to \$457,235. This skyrocketed him above Seabiscuit's \$437,730 on the all-time money winning list and left him behind Whirlaway's \$561,161. Favorite to the crowd of 35,215, the Texas-bred son of Equestrian returned \$4.20, \$5.00 and \$2.40 across the board. Rico Monte was second and Athena third.

Tulsa Halts Texas Tech Streak, 21-6

TULSA, Okla., Oct. 12. (AP)—Tulsa University's undefeated Golden Hurricane overcame a rugged Texas Tech defense and handed the Red Raiders a 21-6 defeat here tonight before an overcast crowd estimated at 14,000.

The Red Raiders grabbed an early 6-0 lead midway of the first quarter, but it evaporated when Tulsa's vaunted ground and passing attack began rolling.

LSU Outclasses Texas Aggies, 33-9

BATON ROUGE, La., Oct. 12. (AP)—The mighty Louisiana State University Tigers struck repeatedly through the air tonight to defeat an ever-fighting but outclassed Texas A. and M. eleven 33 to 9 before an estimated 30,000.

Notre Dame Riddles Purdue, 49-6

SOUTH BEND, Ind., Oct. 12. (AP)—Undefeated Notre Dame, employing 44 players, romped to its third straight football victory today by crushing injury-riddled Purdue, 49 to 6, before a sellout crowd of 55,452 overcast spectators.

Five of the seven touchdowns were scored by reserves as the Irish steamrolled 408 yards by rushing to Purdue's 77 and accumulated 18 first downs to 9.

Northwestern Takes Third Straight

EVANSTON, Ill., Oct. 12. (AP)—Frank Aschenbrenner's two touchdowns, including one on the opening play after a 67-yard run, gave Northwestern University a 14-7 victory over Minnesota for its third straight win today.

The Wildcats' two markers and Minnesota's long score on Fullback Ken Beiersdorf's seven-yard smash all came in the first half.

Badgers Come From Behind To Win

MADISON, Wis., Oct. 12. (AP)—Wisconsin's football team, clearly outplayed in the first half, smashed back to a 20 to 7 victory over Ohio State before 45,000 fans at Camp Randall today.

Trailing 7 to 0 at intermission, the Badgers powered to a touchdown in the third quarter but failed to convert. Two more touchdowns in the fourth period settled the issue.

UCLA Powers Over Stanford, 26-6

LOS ANGELES, Oct. 12. (AP)—The dazzling, hard-hitting Bruins of the University of California at Los Angeles, displaying balanced power in all departments, rolled over the scrappy Stanford Indians, 26-6, today before 90,803 shirt-sleeved fans in Memorial Stadium.

Cal Rossi and Ernie Case, a pair of spectacular southpaws, did almost everything right in leading the Bruins to their third straight Pacific Coast conference win and reasserting their claim as the west's foremost candidate for the Rose Bowl.

Oregon State Staves Off USC, 6-0

PORTLAND, Ore., Oct. 12. (AP)—Oregon State grabbed a one-touchdown lead early in the second quarter and staved off two Troy threats to gain a 6-0 Pacific Coast conference football victory over Southern California today.

Big Red Revival Edges Princeton

PRINCETON, N. J., Oct. 12. (AP)—The unbeaten Harvard grid machine edged Princeton, 13-12, today in a spectacular revival of their 69-year-old rivalry that was in the balance until the closing seconds of the play in Palmer Stadium.

Ole Miss Bows To Georgia Tech

ATLANTA, Oct. 12. (AP)—Stopped on the ground at crucial moments by an alert Mississippi line, Georgia Tech struck through the air for a 24-7 victory today before an estimated 25,000 in the first football meeting between the two Southeastern conference teams.

California Upsets Gaels, 20-13

BERKELEY, Calif., Oct. 12. (AP)—California's Bears, 5 to 1 short-enders, bowled over St. Mary's Gaels today in a 20-13 football upset watched by an overflow crowd of more than 80,000.

Undaunted by the Gaels' great halfback, Herman Wedemeyer, who electrified the throng with a 70-yard touchdown just after the contest got under way, the Bears came from behind to take the lead in a second period scoring rally.

Yearlings Face Colts Thursday

Jim McWhorter's Big Spring football Yearlings, who routed Odessa's Colts by a 35-0 score here last week, will see if they can duplicate that feat Thursday night in Odessa.

The locals mopped up on the Colts in all departments, dominating the show from the start. Too, they came out of the bout in fine fettle and the mentor will be able to field his strongest eleven.

Billy Carlisle will be available to do the passing, Eddie Hooper, Arliss Davis and Dickie Cloud will carry the mail.

Broncos Invade Amarillo In Headline 3AA Battle

Midland Bulldogs Lose Following In Pony Bout

A convincing 33-8 victory over the Midland Bulldogs Friday night restored the Sweetwater Mustangs to good standing in the eyes of the District 3AA football critics, whose faith in Pat Gerald's crew was shaken somewhat when the Red and White was tied by Wichita Falls Oct. 4.

Odessa's Broncos, who lost prestige last weekend when Big Spring played them on even teams most of the way, kept pace with the Ponies by smothering Abilene, 26-12, but the Mustangs' win was the more convincing.

Midland was unbeaten and untied and had figured to play Sweetwater on even terms. The Bulldogs scored first but the Ponies came along to virtually sweep them from the field.

Big Spring won its first conference game in two years by edging Lamesa, 6-0, in a game at Lamesa. The game was considered a tossup and it proved to be very close, though the Steers closed fast.

Only one conference game is ticketed for next Friday. Lamesa invades San Angelo in a bid to depart the league cellar. The Bobcats are winless but dangerous. Each team lost to Lubbock by identical scores—7-6.

Big Spring goes to Brownfield

Friday night and the Bovines are sure to have their hands full. The Cubs have yet to score after four games but only last Friday held Amarillo, District 1AA power, to a 7-0 tally. Both Midland and Lamesa hold victories over the Brownfield clan.

Odessa goes to Amarillo to test the mettle of the Sandies in what will no doubt be the headline game in the state. The Broncos are crippled but figure on clipping the Panhandle terrors.

Abilene gets a sample of District 1AA football when it takes on Lubbock's Westerners at home. The Planismen are batting .750 against 3AA teams, having beaten

Big Spring, Lamesa and San Angelo but lost to Odessa.

Season's Standings:

Team	W	L	Pct.	Pts.	Op.
Odessa	5	0	1.000	117	19
Swt'water	3	0	.800	85	20
Midland	4	1	.800	95	51
BIG SPRING	2	2	.500	33	25
Lamesa	1	3	.250	12	40
Abilene	1	3	.250	44	77
San Angelo	0	3	.200	30	78

* Played tie games.

District Standings:

Team	W	L	Pct.	Pts.	Op.
Odessa	2	0	1.000	38	12
Swt'water	1	0	1.000	33	6
BIG SPRING	1	1	.500	6	12
Lamesa	0	1	.000	0	6
Midland	0	1	.000	6	33
Abilene	0	1	.000	12	26
San Angelo	0	0	.000	0	0

Penn's Minisi Sinks Dartmouth, 39-6

PHILADELPHIA, Oct. 12. (AP)—Topy Minisi, who finds Franklin Field his favorite prancing grounds whether playing for or against the University of Pennsylvania, reeled off three touchdowns and passed for another today as the undefeated Penns butchered Dartmouth University 39-6 before 69,000.

In all, Minisi rolled up 127 yards on four offensive thrusts plus 62 yards on two punt returns, making his overall average 31 1/2 yards per try.

Blue Devils Steam Over Navy, 21-6

BALTIMORE, Oct. 12. (AP)—Helped mightily by brilliant George Clark, Duke's Blue Devils steamed into the winners' circle today for the first time this season with a 21-6 decision over a Navy team that was superior in most all departments except touchdowns.

Clark, Leo Long, Howard (Rabbit) Hartley and their Duke mates didn't waste chances when they were offered.

Vois Take 47-0 Tilt

KNOXVILLE, Tenn., Oct. 12. (AP)—Taking it easy in preparation for their classic struggle next Saturday against Alabama, Tennessee's Volunteers scored in every period today to overwhelm Chattanooga 47 to 7.

NTSTC Wins, 23-7

SAN ANTONIO, Oct. 12. (AP)—Coming from behind in the second half the North Texas State Teachers college sent Brooks Army Medical Center Comets spinning from the ranks of the unbeaten today, 23 to 7.

Must be a pretty smart buy!

We know how great is the desire for new automobiles—how urgent the need for them in many cases.

And we're aware that nearly every make of car these days can point to a long waiting list of folks who have placed their orders.

But when a car hops instantly into "most wanted" position as this Buick did—

When week after week new orders out-pace stepped-up factory production—

Then we figure there must be something far beyond the expected in the car itself.

Something even bigger than stand-out style of the season—a big Fireball straight-eight power plant—the husky, roomy size of two fine-made tons.

What is it? Well, have you handled one of these cars yourself? Have you noticed the happy, almost-starry-eyed look of those who've got theirs?

Fact is—1946 Buick owners are our best salesmen, and the factory is working with might and main to keep up with the effects of their enthusiasm.

If your order isn't in, you can place it now, for delivery at OPA prices, with or without a car to trade in (though of course we need to get good cars for the used-car buyers on our waiting list).

What Other Car Has So Much That Clicks For Forty-Six!

SMARTNESS—that sets the style pattern with car-length airfoil fenders and bolt-on rear wheel shields.

POWER—from a Buick Fireball valve-in-head straight-eight engine.

OIL SAVINGS—from non-suffing Accurite cylinder bores.

FLASHING ACTION—of Pittweight pistons.

STEADINESS—from full-length torque-tube drive in a sealed chassis.

GLIDING RIDE—from Panthergall all-coil springing, front and rear bumpers.

PROTECTION—of Buick-originated fender-shielding.

SURE FOOTING—of Broadwin wheels.

CONTROL—through Perm-Firm steering.

CONVENIENCE—of high-leverage Step-On parking brake.

COMFORT—of soft foamtex cushions in roomy body by Fisher.

Tune In HENRY J. TAYLOR on the air twice weekly

When better automobiles are built

FORT WORTH, Oct. 12. (AP)—(USDA) — Cattle — compared close last week: All slaughter classes strong, stepler including cows, strong to 50 higher; week's tops: Slaughter yearlings 19.00, cows 14.50, culls 12.85, fat calves 17.35, stocker calves 17.50, feeder steers 17.25, stocker cows 12.65; week's bulks: Common and medium slaughter steers and yearlings 12.00-17.00, medium and good beef cows 10.50-14.00, common 9.00-10.00, cutters 8.00-50, canners 6.00-7.50; bulls 8.00-12.00, good and choice fat calves 15.00-17.00, common and medium 10.00-14.00, culls 8.00-9.50, good and choice stocker and feeder steers, yearlings and calves 15.00-17.00, common and medium 11.50-14.30, stocker cows 8.00-12.00.

Hogs — for week: Steady on all weights, slaughter ceiling 16.95 paid for all weights including sows and stags, most stocker pigs 16.25; few around 35 lb pigs 12.00.

Sheep — for week: Mostly steady on all classes, some sales of aged ewes 25 lower; week's tops: Fat lambs 16.00, yearlings 14.00, aged ewes 9.00, feeder lambs 15.50; bulk prices: Medium and a few good fat lambs 15.00-16.00, medium and good yearlings 12.50-14.00, medium and good ewes 8.25-75, cull and common ewes 7.50-8.00, medium and good feeder lambs 14.00-15.25.

GERMANS RETURN—Smiling Nazi soldiers file into a reception camp at Frankfurt-on-the-Oder, in Soviet-occupied Germany, on their way home from detention in Russia.

Storm Prolongs New Paving Work

The rain and hail storm Wednesday prolonged the city's paving work on 18 blocks which were almost ready for topping, although no serious damage to new street construction has been noted.

Removal of trash and debris, and topsoil from paved thoroughfares provided most of the work for street department employees after the storm. Unpaved streets were not damaged as seriously as it was feared at first. However, they will require scraping, and all maintainers were assigned to that task late in the week.

As soon as repairs are made to the storm damage, city officials are hoping to resume full scale operation of the paving program.

Andrews Slates Fund Chairmen Organize Plans For Campaign

By JOHN B. BREWER

SAN ANGELO, Oct. 12. — Slating by one firm of locations for five scheduled 9,000-foot wildcats southwest of the Fullerton multiple-pay field in northwestern Andrews county highlighted planned West Texas exploration, this week that included another Andrews wildcat and one each in Scurry, Crockett and Winkler counties.

Completions featured the second Clear Fork producer in the TXL field and the third Devonian well in the North Goldsmith pool, both in Ector county. Three north and west outposts to the Block 12 (Tubb) field in southwestern Andrews county were abandoned due to running low.

On leases bearing early expiration dates, M. H. Marr and Grandy Vaughn of Dallas staked the five wildcats to explore through the Devonian west of the south end of the Fullerton field and east of the Block 12 pool. All the tests will be on Lotus Oil Co. land. The operation nearest production will be No. 1-8 Lotus C NW NW 6-A47-pl, 2 3-4 miles south and slightly west of Mid-Continent No. 1-15 University, opener of the most southerly Devonian producing area in the Fullerton.

Other Marr-Vaughn wildcats will be No. 1-7 Lotus C SE SW 7-A47-pl, No. 1-8 Lotus C SE

SE 8-A47-pay, No. 1-28 Lotus C SW SW 26-A48-pl, and No. 1-27 Lotus C SW SE 27-A48-pl. Half miles south of Nos. 1-7 and 1-8 Lotus, Mid-Continent No. 1-A. P. Culbertson, C SW NW 10-A47-pl, had passed 5,205 feet in anhydrite.

Atlantic abandoned, because of low structural position, N. 1-P-12 University, C SE NW 9-12-U, 1 1-4 miles northwest of the Block 12 discovery, at 3,662 feet in anhydrite.

Pacific Western No. 1 E. P. Cowden, C SW SW 4-A55-pl, 3-8 mile northwest extension to the Dollar Hide (Devonian) pool in the southwest corner of Andrews, was finalized at 7,902 feet with a 24-hour flow of 488.90 barrels of oil. Magnolia started No. 2-B E. P. Cowden C SW SE 4-A55-pl, half mile east of the Pacific Western outpost.

Shell stakes No. 1 Cella A. McCrea, slated 11,000-foot test C NW SW 9-A40-pl, quarter mile east of its opener of the Nelson (Ellenburger) pool in western Andrews.

Shell No. 3 E. R. Thomas estate, second Clear Fork well in the TXL field in Ector, was completed at 5,748 feet with a daily flowing potential of 190 barrels of oil after acidizing. It failed in the Devonian and Ellenburger in drill to 11,051 feet and plugged back. Location is the C NE NE 28-46-1s-T&P, about two miles north of Phillips No. 1 E-A TXL, the TXL Clear Fork discovery.

Fred Turner, Jr., of Midland prepared to start No. 1 M. M. Fisher, scheduled 5,000-foot wildcat to test the San Andres in the east part of Shafter Lake in central Andrews county, C NW NW 16-A36-pl.

Phillips No. 1-J TXL, east of Ellenburger production on the north side of the TXL field, C SE SE 5-45-1s-T&P, was abandoned at 11,219 feet, first test in Ector county to drill to granite.

Magnolia No. 1 R. B. Cowden, third Devonian producer in the North Goldsmith field, was finalized at 8,070 feet for a natural 24-hour flow of 236 barrels of oil. It is in the southeast corner of section 9-45-2n-T&P, west offset to Stanolnd No. 1 Grisham-Hunter, the discovery.

Phillips No. 1-G TXL, extending the Wheeler field half mile east from Winkler into Ector county, rated 1,716 barrels of oil daily for completion from the Ellenburger through casing perforations at 10,578-600 feet. It was to test the Devonian for dual completion. Location is the C SW SW 11-46-1-T&P.

Seaboard of Delaware spotted No. 1 J. R. Ranadil, proposed 4,000-foot wildcat, in Scurry county 440 from the north, 961 feet from the east line of section 237-97-H&TC, nine miles northwest of Snyder.

Shell started No. 1 University, slated 8,500-foot wildcat in northeastern Crockett county C NW NW 21-39-U, on a half section for which it paid a \$72,000 cash bonus last November. The test is, 1 1-4 miles south and one mile west of Stanolnd No. 1-GG University, which unloaded oil on drillstem tests but had failed to develop discovery Ellenburger production in testing after acidizing twice at 8,298-8,371 feet. Operations are on a seismograph high.

Organizational plans were given a brushing Friday at a meeting of Community Fund committee chairman at the chamber of commerce offices.

With the exception of two who were out of town, campaign leaders were present to accept assignments and develop plans for organizing for the campaign to raise at \$32,000 quota for the YMCA, Boy Scouts, Girl Scouts, Salvation Army, USO and China relief.

Under plans announced by Ira Thurman, general chairman, there will be divisions for special gifts, 100 per cent firms under the employe-day pay plan, regular business canvass, a residential canvass, booths, schools, rural canvass, and a clean-up committee.

In addition, the executive committee, constituted of a representative from each of the participating agencies, will work with Thurman in directing the campaign. Reporting will be done through the office of Empire Southern Service (phone 656) under Joe Burrell.

Plans call for special gift workers and the day pay group to start work on Oct. 21. The over-all public drive will begin the morning of Oct. 29 with a kickoff breakfast. Leaders hope that the campaign can be wrapped up quickly well in advance of Nov. 11.

A new phase of the campaign, which is the first peace-time effort to combined major drives into one, is to enlist aid of employes in support of the drive by agreeing to give a minimum of one day's pay to the drive.

Rodney Kidd Rules Against Odessans

AUSTIN, Tex., Oct. 12. (AP)—Odessa high school's request for a liberalized interpretation of the Interscholastic League's "Graduate rule" has been refused, acting League Director Rodney J. Kidd said yesterday.

The State Executive Committee met with Superintendent Murry Fly and Principal W. A. Miller of Odessa Wednesday.

The Odessa high school administrators asked that students who elect college admission courses be allowed to remain eligible under the graduate rule even though they have qualified for a non-college diploma.

Kidd's ruling denied the Broncos the use of Pat-Evitt, big tackle and a standout in the Odessa line. Evitt was held out of action in last week's game with the Steers.

The sugar beet is a biennial plant, which stores up sucrose during the first year's growth.

**Local Delegates Due
At Water Hearing**

Delegations from the city and chamber of commerce will join with others from Snyder, Colorado City, Midland and Odessa in pressing an application for water rights on the Colorado River above Colorado City.

Hearing on an application, filed by Colorado City on behalf of other members in the five-city Colorado River Municipal Water association, will be held Monday at 10 a.m. in the office of the state board of water engineers.

Member cities of the association, organized as a temporary unit to first press for allocation of the water rights, were brought up to date on status of the project and made plans for the hearing at a meeting here last Tuesday. At that time, the matter was given a further boost by an offer from the T&P Railway company for free easement for 100 miles of pipe-

line paralleling the company's track from Odessa to Colorado City.

Tentatively, a dam five miles northwest of Colorado City is contemplated. Engineers believe this will impound a supply sufficient for 26,000,000 gallons daily for the five cities. Steps in this direction, however, await action by the state board of water engineers. In event of approval, creation of a water district probably would be the next step.

Representing the city may be Commissioners Hack Wright and Iva Huneycutt and City Manager B. J. McDaniel. The chamber of commerce is due to be represented by J. H. Greene, manager, Joe Pickle, president, R. T. Piner, past president and vice-president of the CRMWA, Cliff Wiley and Carl Blomshield.

**Planning For Landscaping Due Now,
C-C Beautification Chairman Says**

Beautification for 1947 should start now, D. M. McKinney, chairman of the chamber of commerce beautification committee, said Saturday.

While it may be regarded as a little early to start actual planting operations now, fundamental planning should not be delayed, McKinney said. Now is the time to be making decisions about what shrubs, trees, flowering shrubs and bushes to plant and where to plant them, according to McKinney. Gardeners and nursery men are agreed that one of the great difficulties encountered in a beautification program is that of delay. Too many people wait until late spring, when plants begin to put out foliage, and then suddenly get the urge to plant. For effectiveness, it is then too late, McKinney pointed out. Preliminary work can be done in preparation of beds, plotting

of landscaping, and deciding on and locating plants desired, he continued. If trees and shrubs are to be moved, the spot to which they will be moved should be selected now so that it will fit into a pattern.

Many are having trees and shrubs pruned at this season, and there is some planting. Many people, however, prefer to await the first frost before transplanting. After this date it cannot be done too early, for the months when top growth is dormant provide substantial growth for root systems. This is important for many make the mistake of late planting without adequate pruning, with the result that top foliage is too heavy for root systems that have but 75 per cent of capillaries in transplanting. In a nutshell, said McKinney, it is time to start dreaming now about beautiful yards in 1947.

**Cotton Ginning Cut
Short By Storm**

Howard County cotton gins experienced the lightest activity since the harvest season started during the past week, and according to reports from areas hit by the hail and windstorm Wednesday night, the season will be cut short.

Apparently the storm did its worst damage west of Big Spring, with Hartwells community hit hardest. Most estimates by the

end of the week placed the cotton crop loss at approximately 1,000 bales. If these observations are accurate and other estimates of the total crop made a week ago are borne out, the county may have lost 15 per cent of its 1946 crop.

According to reports from Big Spring gins late Saturday, it appeared doubtful that more than 400 bales were ginned in the county during the past week. On the basis of last week's estimates this would place the total ginnings to date at about 3,500, which is believed to be at least half the 1946 crop.

J. T. Balch to Frank Timmons, S 1/2 Lot 2, N 1/2 Lot 3, Blk. 6, Hathcock add. \$7,000.

**Four Divorces Given
In District Court**

Divorces were awarded in four suits heard in district court Friday afternoon and Saturday morning.
Irene Daylong was legally separated from James P. Daylong and gained the use of her maiden name of Hooper. Lee Jackson won marital freedom from Louise Jackson. The marriage of Beulah and Elton Taylor was dissolved and a divorce was granted to Daisy Pense from M. L. Pense.

**Grand Champion Cow
Sets Price Record**

COLUMBUS, O., Oct. 12 (AP)—The All-American Jersey Cattle Show's grand champion cow, Golden Dreaming Givia, was auctioned in a "Sale of Stars" today for \$21,000 — a new record price for a Jersey.
George Waite, owner of the Loch Lee Farm's at Williamsville, N.Y., bought the prize dairy cow from Mr. and Mrs. Max Gordon of Lynn, Ind., for \$3,000 above the previous record price, set in 1923.

Business, Professional Women Arrive For Annual District Eight Conference

Approximately 75 out-of-town delegates arrived Saturday evening for the annual meeting of Business and Professional Women's clubs of District Eight which began Saturday evening with a banquet at the Settles Hotel, opening national B and PW week. About 35 members of the local club were registered.

Mrs. F. McMichael Leaves Today For Plane Trip Abroad

Months of uncertainty, spent waiting and wondering, ended with a happy reward Thursday for Mrs. Fred T. McMichael, who left Big Spring by plane on the first leg of her journey to Bad Mergathine, Germany, where she will join her husband.

After processing and receiving her overseas' shots, Mrs. McMichael started a long siege of waiting for port call, and would still be waiting had she not taken other steps to go abroad.

Because of recent shipping strikes, she learned that her trip overseas would be held up indefinitely, so she made plans to travel by commercial means. Through American Airlines, reservations were made with Trans-World Airlines. She will leave from New York at 10 a. m. today bound for Paris, France.

Mrs. McMichael will be met by her husband, 1st Sgt. Fred T. McMichael, who has received a leave of absence from his base at Bad Mergathine. They will return to the German village and make their home, where the sergeant has rented an eight room house, complete with maid service.

Mrs. McMichael is the daughter of Mr. and Mrs. B. E. Winterrowd of Big Spring.

Midway Women Meet For Discussion Group

Several women of the Midway community met Friday afternoon at the school building for the first meeting of a study club.

Mrs. H. Reagan was leader for the afternoon and directed round table discussions on various questions.

Attending the first meeting were Mrs. H. Reagan, Mrs. Ray Shaw, Mrs. C. A. Denton, Mrs. Hank Childress, Mrs. J. C. Robinson, Mrs. Bill Robinson and Mrs. H. L. Shriley.

The opening session of the day and a half conference was the dinner which honored state president Edna C. Hoffman of Houston. Grace Brown, district director, acted as toastmistress for the program which was highlighted by an address by Mrs. Hoffman on "Working Together for Better Communities." The welcoming address was extended by George Dabney, mayor of Big Spring, and special guests were Joe Pickle, president of the chamber of commerce, and Mrs. J. E. Brigham, member of the board of trustees at Howard County Junior college.

Gift Party Honors Mrs. J. H. Ward

Mrs. J. H. Ward was honored at a gift party given in the home of Mrs. Earl Wilson Friday afternoon.

Hostesses for the party were Mrs. O. C. Thrasher, Mrs. Tom McAdams and Mrs. Donald Anderson.

An autumn party motif was used in decorations about the entertaining rooms, and gifts were presented to the honoree.

Refreshments were served and the guest list included Mrs. A. M. Runyan, Mrs. Dorothy Pike, Mrs. C. L. Crane, Mrs. Loftis Mrs. Eugene Thomas, Mrs. Dee Foster, Mrs. Hartman Hoosier, Mrs. D. R. Gartman, Mrs. Ray McMahen, Mrs. R. A. Trapnell, Mrs. Gene Crenshaw, Mrs. M. O. Hamby, Mrs. B. T. Crane, Mrs. Barton and Mrs. Jay Francis.

Evans Family Has Weekend Reunion

Mr. and Mrs. Dave Evans, Sr., are hosts for a family gathering this weekend.

Here for the reunion are Mrs. J. R. Hornell, daughter of Mr. and Mrs. Evans, her husband and their daughter, Pamela Anne, of Wichita, Kans., Dave Evans Jr., Dallas; Mr. and Mrs. John W. Evans and family, Odessa; Mr. and Mrs. Earl Francell and Larry, Odessa, and Mary Frances Evans, Odessa.

WORKER VISITS HEALTH UNIT
Marguerite Cunningham, field supervising nurse with the state health department, was in Big Spring the latter part of the week going over the program and records of the Big Spring-Howard county health unit.

Business Women's Week

A proclamation by Mayor G. W. Dabney announces the observance in Big Spring of National Business Women's Week, which begins today.

The theme of the National Business Women's Week, which will be observed throughout the nation is "Public Affairs—Our Public Affairs" and "Let's Work Together for Better Communities."

"It would be most difficult to find an organization in America that has made a more lasting and valuable contribution to progress for the establishment of higher health standards, better educational advantages and all worth-while movements to

improve community life than the National Federation of Business and Professional Women's Club. The people of Big Spring can view with unusual pride the accomplishment of the chapter here.

"I, therefore, urge that all of our civic clubs, churches, schools, business, industrial and commercial firms, and all of our citizens lend every assistance, possible to an appropriate observance of National Business Women's Week, to the end that the outstanding work being done by this worthy organization may be further advanced.—Signed, Mayor G. W. Dabney."

The Woman Speaks Her Mind

Precious Privilege Of Parenthood Too Often Nonchalantly Accepted

By MRS. BERNARD LAMUN

"What Fools These Mortals Be!"

We spend various amounts of money and endless hours, fitting ourselves for various positions in life, such as doctors, nurses, engineers and so forth, (which is all fine) but too often we enter upon the biggest job, with the most far reaching effects that we will ever have without previous thought or plan. In short, the stupendous obligation and precious privilege of parenthood is accepted with nonchalance and many times with indifference. We cheat ourselves of life's greatest satisfaction in failing to make of ourselves people whom our children would like for friends. We may speak to them of self-control, honesty with others and with themselves, purity of soul and body, but if we fail to practice these values, our example speaks more loudly than our teaching. We cheat both ourselves and our children by being too busy to become partners with them in their work, their play and in their spiritual development. We hear the ugly words, 'juvenile delinquency'. Rather it should be 'adult delinquency'. Physical benefits, desirable as they may be, are not enough to make children develop into their best. They must have kindly criticism when needed, sympathetic understanding and be surrounded by love.

Mrs. Bernard Lamun

Officers for the hostess club include Mary Watson Jones, president; Moree Sawtelle, vice-president; Ina Mae Bradley, secretary; Elizabeth Stanford, treasurer.

Mrs. Kelly Brown Honored At Shower In Smith Home

Mrs. Kelly Brown was named honoree at a pink and blue shower at the home of Mrs. Leonard Smith Thursday evening.

After games had been played under the direction of Mrs. J. M. Crow, gifts were presented to the honoree. Refreshments were served.

Attending were Mrs. C. Meak, Mrs. J. H. Fuller, Mrs. W. A. Langley, Mrs. Alden Ryan, Mrs. E. L. Bynum, Mrs. O. V. Fuller, Mrs. A. V. Walker, Mrs. Thomas Hopper, Mrs. Lester Newton, Mrs. Fred Thomas, Mrs. Milton Newton, Mrs. R. V. Fryar, Mrs. L. Z. Shaffer, Mrs. W. J. Rogers, Mrs. L. H. Thomas, Mrs. Jim Grant, Mrs. G. N. Grant, Mrs. Jeff Grant, Mrs. Alvin Bearden, Mrs. Frank Hull, Mrs. Carrol Loyd, Mrs. Clarence Fryar, Mrs. Jack Kuhlman, Mrs. Frank Fryar, Mrs. Carl Grant, Mrs. W. C. Fryar, Mrs. W. C. Williamson, Mrs. Frank Montgomery, Mrs. W. H. Yater, Mrs. Floyd Kennedy, Mrs. Ruby Daniels, Mrs. Edgar Phillips, Mrs. J. W. Fryar, Mrs. J. M. Crow, Mrs. Smith and the honoree.

Midway To Have Carnival At School

The public has been invited to attend a carnival which will be held at the Midway gymnasium, Friday night, Oct. 18 at 7 p. m. Proceeds from the entertainment will be used in a luncheon program. Concessions will include bingo, cake walks, fish ponds and other booths.

TB ASSOCIATION TO MEET
The Howard County Tuberculosis association will have a business meeting Monday at 8 p. m. at the local health unit. At that time plans will be made for the sale of Christmas seals.

Mrs. Gladys Dalmont Honored At Banquet

As a measure of appreciation for the work she has done in the past, grand officers and members of the Order of the Eastern Star, gathered at the Settles hotel Friday evening for a banquet honoring Mrs. Gladys Dalmont, district deputy officer.

Mrs. Ruby Read was master of ceremonies for a program that included two piano selections by Miss Elsie Willis; a reading by Mrs. Sally Sue Young; two solos, "The Garden of Tomorrow" and "If You" by Mrs. Carl Roundtree of Lamesa; and a concluding solo "The Twenty-Third Psalm" by the Rev. Cockrell of Coahoma.

Norman Read of Coahoma, worthy grand patron of Texas, gave a short talk, and Mrs. Florence Read, past grand matron of Coahoma, presented a gift to the honoree.

The invocation was given by Mrs. Young, and grand officers introduced were Mrs. Les Adams, grand representative for the state of Michigan; Mrs. Peggy Davis, grand adah; Past Grand Matron Mrs. Agnes V. Young, and Mr. and Mrs. Read.

Mrs. Dalmont was attired in a soft grained crepe formal which was ornamented with rhinestones. Her corsage was of pearly gladioli.

Banquet tables were decorated with green crepe paper streamers, and bouquets of cut flowers were placed at vantage points

down the tables. Centering the speaker's table was a boat-shaped arrangement of autumn flowers, and placed about the room were baskets of seasonal flowers.

Committee in charge of the affair included Mrs. Brownie Dunning, Mrs. Euta Hall, Mrs. Ruby Read, Mrs. Vada Carter and Mrs. Lena Koberg.

Out-of-town guests included three persons from Midland, five from Lamesa; seven from Stanton and four from Goldsmith.

Local members present were Mrs. Ethel Lees, Mrs. Brownie Dunning, Mrs. Pearl Ulrey, Mr. and Mrs. Les Adams, Mrs. Ruth Pittman, Mrs. Camille Patterson, Mrs. Edith Murdock, Mr. and Mrs. G. W. Dabney, Mr. and Mrs. Fred Baker.

Mrs. Minnie Michael, Mr. and Mrs. C. R. McClenny, Mr. and Mrs. Eugene Gross, Mrs. Della Hicks, Elsie Willis, Mrs. Bonnie Allen, Mrs. Susie Gibson, Mr. and Mrs. Roy Carter, Mrs. Sally Sue Young, Mr. and Mrs. C. B. Kirk, Mr. and Mrs. W. E. Carnike, Mr. and Mrs. V. A. Lassiter, Mrs. Euta Hall, Mrs. Christine Robinson, Mrs. Margie Byrd, Mr. and Mrs. Iva Huneycutt, Mrs. Ruby Read, Mrs. Dorothy Hull, Mrs. Leona Benson, Mrs. Adele Roberts, Reba Roberts, worthy advisor for the Rainbow Girls, Mr. and Mrs. Ray Godfrey, Mrs. Nora Williamson.

Mrs. J. L. Haynes Hostess To TEL

"On Being a Good Neighbor," was the devotional topic used by Mrs. Theo Andrews when she talked at the regular monthly meeting of the TEL class of the First Baptist church Thursday evening at the home of Mrs. J. L. Haynes.

Mrs. M. E. Harlan directed the installation of officers, and those taking office were Mrs. C. G. Varnell, teacher; Mrs. J. W. Cain, president; Mrs. J. L. Haynes, membership vice-president; Mrs. C. E. Richardson, fellowship vice-president; Mrs. C. E. Read, stewardship vice-president; Mrs. C. C. Mason, secretary; Mrs. B. Mittel, treasurer; and Mrs. H. H. Squires, group captain.

The house was decorated with arrangements of fall flowers. A refreshment plate was served.

Other members attending were Mrs. R. D. Ulrey, Mrs. Bill Todd, Mrs. D. T. Jones and Mrs. A. T. Lloyd.

Business Women To Meet Monday Night

Members of the Business Women's circle will be entertained with a dinner at the First Presbyterian church Monday evening at 7:30 o'clock. Hostesses for the affair are Mrs. Roland Schwarzbach, Mrs. Florence McNew and Mrs. T. W. Hammond.

Mrs. J. E. Brown Honored At Pink, Blue Gift Party

Mrs. Bill Sandridge, Mrs. A. L. Souders and Mrs. Adrian Porter entertained Thursday afternoon with a pink and blue shower honoring Mrs. J. E. Brown.

The refreshment table was laid with a lace cloth and the decorations were of fall flowers.

Attending were Mrs. Albert Johnston, Mrs. Wayne Johnston and Wayne Jr., Mrs. Glenn Johnson, Mrs. Knox Chadd and Kay, Mrs. Franklin Nugent and Mary Anne, Mrs. Bill Bane and Mary, Mrs. J. J. Porter, Mrs. L. E. Maddux, Mrs. Ernest Richardson, Mrs. J. F. Hughes, Mrs. George Grimes, Mrs. J. E. Brown and Johnnie, Errol Porter and the hostess.

Ardis McCasland, student at Texas University, is spending the weekend in Dallas where he attended the Texas-Oklahoma game.

A... Flattering Figure!

and why not, when there is a **STAUFFER SYSTEM** near you!

The Stauffer System, result of a number of years of research into the causes of overweight and faulty posture, is exclusive, patent-protected, and greatly different from any other method of weight control.

The rhythmic passive exercise you receive, while it is so easy and pleasant, is giving you the benefits of active exercise without any of the tiring ill effects. Scientifically adjusted to reach the spots that need reducing, it promotes healthy circulation and body functions, and tones and relaxes nerves and muscles.

It does not make use of steam, drugs, rollers, starvation diets or irritating electricity. No hand touches you during treatment. There's no exertion, nothing to strain the heart. It's gentle, thorough, exhilarating.

Because it is not possible to describe the wonderful sense of relaxation and renewed vitality you experience in even one treatment, we invite you to come in for a courtesy treatment.

Visits And Visitors

Mr. and Mrs. O. T. Steward, Dee Ann and Jan, and Mr. and Mrs. Travis Matthews and Travis Jr., all of Fort Worth, are spending the weekend with Mrs. Steward's parents, Mr. and Mrs. Bob Wren.

Mrs. Betty Frizzell, accompanied by her daughter, Mrs. Elsie Johnson, left Friday morning by plane for Los Angeles to visit relatives. They will be away about two weeks.

Mrs. Arthur Woodall has returned from a week's visit in Marfa with her sister, Mrs. Charlie Pruitt.

Mrs. J. C. Hurl has returned from a several days visit in Houston and Dallas. She was the guest of her sister, Mrs. Lena Davis, and Max Davis in Houston, and in Dallas she visited with her daughter, Helen Hurt.

Mr. and Mrs. R. E. McKinney were in Dallas Saturday where they attended the Texas-Oklahoma football game.

Some authorities say that suicide is more prevalent among educated than illiterate groups.

Social Calendar Overflows As Women Mark Dates For Parleys, Special Weeks

After spending a fairly quiet social summer, Big Spring women are busy marking bulging calendars for activities that will keep them stepping lively all during the month of October and November.

The fall season maintains the annual spotlight in the abundance of social happenings, and Big Springers have their share of participation in activities of numerous "weeks," conferences, school carnivals, programs and banquets.

The Big Spring chapter of the Music Study club formally opened their year-books for the coming season with a seated guest tea in the home of Mrs. G. T. Hall this past week. At present they are formulating a program which will be presented here November 2 when the town plays host for the ninth district conference of the Music Study club. The musical program will be presented at the First Baptist church.

The observance of B&PW Week started Saturday with Big Spring entertaining the 1946 convention of district eight. Around 75 women representing various towns in this section were expected to participate in the two-day program.

St. Paul's Lutheran church will be represented at a religious meeting in Cisco today by members of the local congregation who will participate in a missionary program arranged for circuit four and five.

Methodist churches begin a Season of Prayer week Monday and meetings will be devoted to the observance.

Mrs. Floyd Anderson will represent the Church of the Nazarenes at a district missionary conference which gets underway in Lubbock October 22. Other representatives from the church will be present for the general session the following day.

Planning to attend a state meeting of the Jewish Sisterhood in San Antonio September 21-23 are Mrs. B. Eckhaus and Mrs. Joy Fisher. The three-day parley will be held at the Plaza hotel and is the first of its kind since 1941. Jewish families are also observing their Feast of Thanksgiving, "Succoth" which started Wednesday.

Girl Scout Week, October 27 through November 3 will be observed locally with a vesper service on Sunday afternoon at the First Baptist church, followed by radio programs and other special activities. A Girl Scout conference will be held in San Antonio October 28-30, and representing the local organization at the meeting will be Mrs. Larson Lloyd, council president and Mrs. H. W. Smith.

Delegates from the various P-TA units in town are making arrangements to attend the annual state meeting of the Parent-Teachers Association which will be held in Amarillo November 20-22. Mrs. Phillip Thompson of San Angelo, state president, will be in charge of the meeting and Mrs. J. E. Brigham, an aide to the president, will be in charge of a breakfast

plated for the morning of November 21 in Amarillo.

The fall schedule of rushing activities for the Beta Sigma Phi sorority will be concluded with ritual of jewels ceremony November 22. A preferential tea, followed by a dance will be held October 27.

As Halloween approaches, more and more ward schools are announcing plans for carnivals. North Ward started the ball rolling Thursday evening when room mothers, faculty members and P-TA heads sponsored the show to raise money for their luncheon program. Central Ward and Midway schools will have their carnivals Friday, October 18th, and South Ward will sponsor a similar entertainment sometime in the near future.

Social Calendar For Monday

WOMAN'S MISSIONARY SOCIETY meets at the First Baptist church at 3 p.m. for a Royal Service program.

HIGH HEEL SLIPPER CLUB meets with Nancy Hooper, 1703 Owens at 7 p.m.

BUSINESS WOMEN'S circle meets at the First Presbyterian church at 7 p.m. for dinner.

FIRST METHODIST WSCS will have circle meetings at 3 p.m. as follows: Group One, Mrs. W. A. Laswell, 111 E. 16th; Group Two, Mrs. L. E. Eddy, 204 Johnson; Group Three, Mrs. W. N. McCleskey, 533 Hillside Drive; Group Four, Mrs. A. F. Johnson, 702 Douglas; Group Five, church.

WESLEY METHODIST WSCS will hear Bible study conducted by Mrs. C. R. Donaldson at 3 p.m. at the church.

FIRST CHRISTIAN WOMAN'S COUNCIL will have Bible study at the church at 3 p.m.

KING'S DAUGHTERS circle meets with Mrs. R. T. Piner, 600 Matthews, at 3 p.m.

RUTH CIRCLE of First Presbyterian church meets with Mrs. Carl Strom at 400 Pennsylvania at 3 p.m.

Cosden-Chatter

Refinery Employees Make Business, Pleasure Trips

C. W. Smith returned to the office Saturday from a business trip to Brownwood, Breckenridge and Mason.

Mrs. Zelma Giddeon's mother, Mrs. E. L. Falkner of Eldorado, Kan., is visiting with her.

Leonard Blackwell and Dick Johnson spent Thursday and Friday in Brownwood on company business.

Evelyn Merrell left Friday night by plane for Dallas to attend the Texas University vs Oklahoma University football game.

Fred Stitzell left yesterday for Dennison. He also plans to attend the State Fair at Dallas and then is going to Kansas City for a visit with his sister.

Henry Carpenter is out of the office due to illness.

Mrs. M. N. Zachariah and Joseph Zachariah, mother and brother of George Zachariah, came by to see him Wednesday. They were on their way to Los Angeles.

S. K. Wheley and Hugh K. Harris spent Saturday in Littlefield helping Dennis Jones in opening his territory as a Cosden jobber.

The Cosden employees were divided Friday night with about half of them going to Lamesa to back the Steers and half attending the Sul Ross vs Texas Lutheran here in Big Spring.

Mrs. and Mrs. J. W. Burrell returned Wednesday from Clovis, N. M. On their return they stopped by Littlefield for a visit with Dennis Jones, our new Cosden jobber.

Glynn Jordan left Friday afternoon by plane for Fordyce, Arkansas, after receiving word that her father had died.

R. L. Tollett left Tuesday afternoon for Oklahoma City and returned late Wednesday night.

M. M. Miller returned the middle of the week from a trip to southwest Texas where he inspected the company's marketing and distribution in that area.

Mrs. H. R. Godnick will return to her home in Fort Worth this weekend after spending about a month in the office inspecting our land and lease records.

All modern varieties of sugar beet are derived from two standard "improved" types.

WHAT GIVES 'ROUND TOWN

By LEATRICE ROSS

HCJC's first social affair was a success beyond all expectations. Highlight of the evening was a call for speeches from all candidates for student prexy, which was a surprise to everyone concerned, including the nominees. Tip Anderson was dragged from the hall to give his words, while Wesley Deats and Mickey Butts were conveniently near the mike. Mickey brought his backers to the dance and led by Beans Miller, same went about from place to place tacking up campaign posters. John Rudeseal, Jr., fourth name on the ballot, was not present to advance his policies.

Some of the couples wandering about the premises included Brookste Neil Phillips, Charles Hodges, Bobbie June Bobb, Jimmie Peden, Martine Underwood, John Bill Gary, R. L. Heath, P. D. Gage, Elaine Wisnack, Becks Miller, Evelyn Green, Zack Gray, Jimmie Felts, Debra Bradford, Norma Harrison, Bill Hix. At the Club cafe afterward: Harry Middleton, Bill Inkman, Harold Bishop, Betty Ray Nall, Sage Underwood.

HCJC has acquired a jukebox for its own personal use. Some 26 boys have come out for basketball at the college; after eliminations the team will be cut to 17. They have proclaimed a challenge to anyone who might hanker to play.

In the Ritz Thursday evening: Melvin Newton, Charles Lovelace, Wendell Lawrence, Jane Turner, Robert Hobbs. Mail call: Beverly Stulting has gotten a letter from Wendell Strahan. Harry Hurt writes that his flight squadron has been transferred from Corpus Christi back to rainy Ottumwa. Melba Dean Anderson, student at Southwestern, says that the tennis courts are directly behind the dorm. This she likes. Betty Lou McGinnis and Marilyn Keaton are bunk mates at TSCW.

Some who took in the Steer-Lambs game Friday night: Jimmy Ray Smith, Bob Adkins, Bonnie Byers, Don Richardson, Elaine Wisnack, Olney Thurman, Fred Phillips, Billy Clanton, Tommie Elliott, Colleen Davidson, Tip Anderson, Jim Bob Chaney, Bill Merrick, Billy Chrene, Lynn Jeffcoat, Herby Johnson. Old faces seen included Tech men Jimmy Talbot, Pete Cook, Bobby Barron, James Duncan.

Tuesday morning the classes at

high school each will select one candidate for band queen. Nominations made Friday put up as freshman nominees Peggy Lamb, Carolyn Wasson, Barbara Petty, Norma Ray, Maxine Younger, Marilyn Guitler, June Cook, Soph selections included Patsy Ann Young, Sue Nell Nall, Earline Wright, Jean Pearce, Dolores Hull, Rebecca Rogers, Jane Strippling. Juniors nominated Nancy Hooper (one of last year's runners-up), Dot Taylor, Joyce Beane, Frances Wilson. Senior candidates are Patsy Sue McDaniel (another '45 runner), Mary Louise Davis, Ann Smith, Mary Anna Whitaker. Ex-band Queen Wilda Watts will probably be on hand at the coronation.

Seeing "Breakfast in Hollywood" Wednesday afternoon: Wesley Rogers, Dalton Olsen, Betty Smith, Don Wood, Jean Pearce, Mary Gerald Robbins, Dot Cagle, Nancy Hooper, Eugene Jones, Tommie Hubbard, Jean Conley. Ben Boadle is seen carrying a Spanish guitar about, says he is taking lessons. Bill Campbell has moved to Orlino. Kathleen Little, soph in College of Mines, El Paso, is pledging Zeta Tau Alpha sorority.

Big Springer Jan Dickerson has been elected president of the Press Club at Hardin-Simmons University, Abilene, Jan. A junior journalism major, is editor of the H-SU Brand, weekly publication, and a member of the Cowgirl Band. Jane Beale, soph chemistry major at TSCW, has been appointed student assistant in the chemistry department, a position of much prestige. Jane is also involved with Alpha Lambda Delta, honorary society, and Chemistry Club.

Colors were of much importance in the HCJC primaries for student officers and school shades Friday. Not only were they voting on such color combinations as red-white, gray-red, and blue-gold, but a Green (Evelyn) and a Brown (Dorothy) were candidates for offices!

Two Classes Have Luncheon At Church

The Ruth and Mary Martha Sunday School classes of the First Baptist church met for a joint luncheon Thursday at noon, and a Halloween motif was used in decorations. An arrangement of large dahlias centered the luncheon table. Mrs. Mildred Williams gave the devotional, and Ernest Hock led a singing.

A class report was given by Mrs. Ruby Billings, and those attending were Mrs. Williams, Mrs. Sybil Horn, Mrs. Leola Clere, Mrs. Theima Klove, Mrs. Lena Green, Mrs. Margie Davis, Mrs. Sidie Peden, Mrs. Theima Young, Mrs. Lee Jenkins. Mrs. Nita Pendleton, Mrs. Inez Lewis, Mrs. Rudell Gifford, Mrs. H. Rosch, Mrs. C. C. Worrell, Mrs. Hazel Reagan, Mrs. Loda Cantrell, Mrs. M. E. Anderson, Mrs. Billings, Mrs. Margie Byrd, Mrs. Wilson, Mr. and Mrs. Ernest Hock and Barbara Ann.

Stella Lavelle Tynes Weds John C. Arnold

Mr. and Mrs. H. E. Tynes have announced the marriage of their daughter Stella Lavelle, to John Cecil Arnold Sunday at the First Christian church in Midland with Rev. John Lindsey.

For the ceremony the bride wore a gray suit with brown accessories. For something borrowed and blue she carried a prayer book belonging to her mother.

Hallow'en Motif Used In Party Decorations

FORSAN, Oct. 12, (Spl.) — Bill Prichard was honored on his fifth birthday Friday afternoon with an informal party given by his mother, Mrs. L. V. Prichard. Hallow'en toys were favors and refreshments were served. Present were Sherry Ann Fletcher, Loveta Overton, Donnie Hedgpeth, George White, Mrs. Prichard, and the honoree.

Mrs. Shirley Fryer Named Chairman Of Howard County HD Club Council

At the regular meeting of the Howard County Home Demonstration club council Saturday afternoon in the county agent's office Mrs. Shirley Fryer was elected chairman of the council for the coming year.

Other officers chosen included Mrs. W. F. Heckler, vice-president; Mrs. Ray Swan, secretary; Mrs. J. E. Brown, treasurer. Mrs. Don Raspberry was appointed marketing chairman to fill the unexpired term of Mrs. Hollis Webb. Plans were discussed for the baking contest which will be held on October 25 and 26 for the clubwomen and on October 26 for the clubgirls. Mrs. W. H. Ward, Mrs. I. H. Severance, Mrs. Shirley

Fryer, Mrs. W. F. Heckler, Mrs. A. J. Worth and Mrs. Hershel Smith were named to judge the girls' contest.

Plans were completed for the achievement tour which will be held November 1 and November 8.

Miss Christie reported on the recent trip to the state fair, and Mrs. J. M. Craig, Mrs. W. H. Ward, Mrs. A. L. Armstrong reported on the August meeting of the Texas Home Demonstration association in Amarillo.

Various officers reported on their activities during the year.

Attending were Mrs. J. M. Craig, Mrs. M. M. Fairchild, Forsan; Mrs. J. E. Brown; Mrs. Shirley Fryer, Mrs. Don Raspberry, Hiway; Mrs. A. J. Worth, Mrs. Sam Armstrong and Mrs. Ray Swann of Coahoma; Mrs. W. H. Ward, Mrs. J. W. Mrigance of Fairview; Mrs. W. F. Heckler, Mrs. J. L. Baugh of R-Bar; Mrs. Hershel Smith, Mrs. L. C. Matthies, Mrs. O. R. Smith of Knott; Mrs. Weymon Atchison and Mrs. Doris Blissard of Lomax; and Miss Christie, the HD agent.

Wounded Desperado "Holding His Own"

BATON ROUGE, La., Oct. 12, (AP)—Dr. C. J. Wise, physician at the state penitentiary hospital at Angola, reported today that Charlie Frazier, Texas desperado seriously wounded in an alleged-escape attempt Thursday, "was holding his own as well as could be expected."

L. T. Daugherty, prison hospital supervisor, said Frazier "had a good chance to live," but that it would be another 24 hours before it would be known whether Frazier would recover.

Woodmen Circle Plans For Banquet, Nov. 8

A banquet to be given on Friday evening, November 8, was planned Friday when members of the Woodman Circle met, at the WOW hall at 8 p.m. The entertainment will be for members of the lodge and their families. Mrs. Altha Porter presided over

the session, and those attending were Mrs. Mattie Wren, Mrs. Lillian Orr, Mrs. Viola Bowles, Mrs. Vera Reaves, Mrs. Pearl Vick, Belva Jo Wren and Patsy Ann Reaves.

Wallace To Edit National Magazine

DES MOINES, Oct. 12. (AP)—Henry Wallace, ousted secretary of commerce, told Dante M. Pierce,

publisher of the Wallace's Farmer and Iowa Homestead, in a telegram today he had accepted the editorship of the magazine, New Republic.

The telegram was in reply to Pierce's telegraphic request that Wallace return to his post as editor of the Iowa farm publications from which he had been on leave while serving as secretary of agriculture, vice president and secretary of commerce.

Findleys Make Home Here After Marriage

Mr. and Mrs. Leroy Findley are making their home in Big Spring following their marriage in Bruton, Ala., September 24.

Mrs. Findley is the former Ruthie Pearl Hawthorn, daughter of Mrs. L. M. Hawthorn of Jay, Fla.,

and Findley is the son of Mrs. R. I. Findley of Big Spring. Prior to his discharge he served with the armed forces in Japan for one year.

Senet, the great-grandfather of backgammon, was the pastime of ancient Egypt more than 5,000 years ago.

Forsan Residents Make Plans For Fall Season, Make Visits, Have Guests

FORSAN, Oct. 12. (Sp.)—Mr. and Mrs. S. Burgess have been transferred here with Phillips from Trent. He will fill the vacancy left by "Cotton" Patrick, who was recently transferred to Odessa.

Mr. and Mrs. Earl Hughes and Jerry Don and Roy Edward spent last Sunday in Ackerly with her parents Mr. and Mrs. J. L. W. Coleman.

Plans have been made to have a Halloween carnival for the Forsan school Saturday night, October 12 in the high school gym.

Miss Dorothy West of San Antonio, who has been a guest in the C. L. West home this week, returned to her home Saturday.

Mrs. Pearl Scuday is visiting relatives in Utopia, Tex.

Phil Moore, son of Mr. and Mrs. L. W. Moore, is recovering following tonsillectomy Thursday in a Big Spring hospital.

Mr. and Mrs. Floyd W. Smith of Lamesa were visitors in the Tom Smith home. Floyd has just received his Marine discharge.

Mr. and Mrs. Dee Ayers and Douglas are with relatives this weekend in Colorado City.

Mr. and Mrs. W. V. Hedgpeth and Donnie have returned from a visit with relatives in San Antonio.

Mr. and Mrs. Lawrence Booth of Austin have been visiting here this week with Mr. and Mrs. C. V. Wash and family and Mr. and Mrs. Ray Crumley and family.

Mr. and Mrs. John C. Adams and children of San Angelo have been visiting Mr. and Mrs. Charlie Adams.

Mr. and Mrs. Arthur Barton have bought the John Galey home and plan to move into it the first of the week.

Mr. and Mrs. Hal Cox spent last Sunday in Penwell. Mr. Cox's mother, who has been visiting them here, has returned to her home in Ardmore, Okla.

Mr. and Mrs. John B. Anderson, Madge and Jimmie were with friends in San Angelo recently for a short visit.

Dorothy Jean Gressett, student of NTTC in Canyon, is home this weekend with her father Walter Gressett and brothers, Donald and Kenneth.

Mr. and Mrs. L. V. Prichard have as their guests his parents, Mr. and Mrs. W. H. Prichard of Swenson; a son and wife Mr. and Mrs. Granville Prichard of Eunice, N. M., and their daughter Dorothy Mae of Lubbock.

L. V. Prichard and Mr. and Mrs. Granville Prichard have just returned from a fishing trip to Possum Kingdom, dam and report a good catch.

Mrs. Gladys Cissna was moved to her home in West Continental camp Saturday from a Big Spring hospital.

Dolores Thorpe is recuperating following recent appendectomy in a Big Spring hospital.

Mr. and Mrs. Roy Klahr are parents of a daughter, who has been named Sandra Lee. The infant weighed 7 pounds, 4 ounces at birth.

Rings of Brazilian professional men signify their calling. Doctors wear emeralds; lawyers rubies; engineers sapphires; dentists topazes.

Knott Classes Have Party At School

With the first month of the new school year completed, the cafeteria located in the high school building for the use of Central ward and high school students is now going full swing.

The unit served its first meal on April 11 of this year, and has been operating almost every school day since that time. The unit, first to be established in a Big Spring school, was sponsored by the Parent-Teacher council in Big Spring as its project for the 1945-1946 school year.

The first unit was set up as an experimental unit to estimate not only the value of the service, but also the steps which must be taken to get similar lunchrooms into operation. First meals were sold at 30 cents, but it has been discovered that 25 cents is ample.

During September, the first month of the current school year 3,224 lunches were served to school children and members of the faculty, with an average of 229 eating per day. This estimate was based, Supt. W. C. Blankenship reminded, on the September services which did not begin until about the second week of school. There were 215 students, on an average, eating there daily, and 14 teachers.

Blankenship declared that food shortages which are felt acutely by the housewife are multiplied

Lutherans In Cisco To Launch Intensive Missionary Program

The Rev. O. H. Horn, pastor of St. Paul's Lutheran church, accompanied by members of the congregation, will leave after services this morning for Cisco where they will participate in a Lutheran meeting of district four and five.

In announcing plans for attending the meeting, the Rev. Horn stated that the party had been called to make final plans for an intensive missionary program to enlist a million and one-half members of the Lutheran church for personal missionary work.

Attending from here will be Mr. and Mrs. M. Carroll, Mr. and Mrs. W. F. Pachall, Mrs. John Foster, Mrs. A. P. Hohertz and the Rev. and Mrs. Horn.

"Sanctify the Holy Day" will be the topic of the minister's morning address at 11 a. m., and text for the sermon will be taken from Luke 14, 1-11. The sermon will follow Bible class at 10:10 a. m.

Order of services for the week includes a meeting of church officers Tuesday at 7:30 p. m.; a lecture on Christian doctrine by Rev. Horn Wednesday at 8 p. m.; a meeting of all voting members Friday at 7:30 p. m.; church school, Saturday from 9 to 11:45 a. m.; and children's instruction class, Saturday, 1:30 p. m.

High School-Central Ward Cafeteria Serves 3,000 Meals During September

When meals for about 230 people have to be worked out on the basis of what can be obtained. For that reason, he said, no system has been worked out whereby the menus can be planned more than a day or so in advance. The extremely critical meat situation makes it necessary to obtain whatever meat can be had, two pounds apportionment of which must be received by each child daily, then the rest of the meal is planned around that.

Surplus commodities go to the lunchroom program, but due to the lack of surplus in any type of produce, the school head said; most of the foodstuffs have had to be purchased. Up to now all the local unit has received is eight sacks of onion, 54 gallons of crushed pineapple and 84 gallons of stringbeans.

Milk is a vital part of the growing child's diet, but there shortages are felt again, and where 3,618 students lunches were served during September, only 1,830 half pints of milk could be obtained, leaving only slightly less than half of the children to drink some other liquid.

Mrs. I. T. Davidson is the chief cook at the cafeteria, and others in the lunchroom kitchen are Mrs. W. E. Fielder, Mrs. Clifford Byrd and Mrs. Alva Porch. Mrs. W. O. Low is cashier.

Mr. and Mrs. J. J. McElreath Observe Golden Wedding At Family Reunion

FORSAN, Oct. 12. (Sp.)—In observance of their Golden Wedding anniversary Saturday Mr. and Mrs. J. J. McElreath of Forsan were honored at a family reunion and reception at their home in Forsan.

Mrs. McElreath, the former Ada Belle Holcombe, married Mr. McElreath in Marysville on October 12, 1896. Both were residents of Marysville. The couple moved to the Forsan area about 15 years ago. Mr. and Mrs. McElreath have four children living, including Dewey, Marion and Jesse McElreath and Mrs. Ada Nelson. There are 13 grandchildren. She is 70 and he is 71.

The house was decorated with garden flowers. At the luncheon Mrs. McElreath cut the tiered wedding cake. Gifts were presented to the couple, and a gift of flowers was sent by the First Baptist church. Rev. Burt Clark gave the invocation at luncheon.

Among those attending were Mr. and Mrs. E. W. Holcombe and Wayne of Stanton; Mr. and Mrs. L. T. Nelson, L. T. Jr., and Jimmy of Big Spring; Rev. and Mrs. Jesse McElreath, Weldon Billy and Jessie of Plainview; Mr. and Mrs. Marvin McElreath, Barbara Ann of Midland; Mr. and Mrs. Dewey McElreath, Henry, Bobbie, Festus, Ona Mae, David, Donald, and H. D. Jr., of Forsan; Mr. and Mrs. John Butler of Forsan, Mr. and Mrs. J. W. Wooten of Big Spring, Alice Wooten of Big Spring; Mr. and Mrs. A. C. Trever of Midland; Mrs. Floyd Nelson of Sand Springs; and Horace Holcombe of Forsan.

Plans Mapped For Song Rehearsals

Mrs. Joe Hadden and Mrs. Marion Beam have announced a schedule for practicing songs which will be sung by Girl Scouts at the annual vesper service Sunday, October 27.

The song service at the First Baptist church will be the initial observance of the week, and the public has been invited to attend. All troops will participate in the service, and special numbers will be presented by senior troop two; intermediate troops one and four; and Brownie troop 17.

Mrs. Beam will hold a rehearsal for brownie troops 16, 17 and 19 at the First Presbyterian church Tuesday at 4 p. m. Wednesday afternoon Mrs. Hadden will teach songs to troops one, two, four, five, six and nine at the Presbyterian church at 4 p. m., and on Friday afternoon at the Wesley Methodist church, 4 p. m. Mrs. Hadden will rehearse with troops 11, 20 and 22.

During the week a 15 minute radio program will be presented over KBST by local scouts.

Committee in charge of arrangements for activities includes Mrs. J. L. Roberts, Mrs. Joe Hadden, Mrs. Beam, Mrs. Larson Lloyd, Mrs. A. B. Brown and Mary Miller.

Local Men Will Attend Scout Meet

Several Big Spring men are scheduled to take part in an all-day conference of lay leaders in Boy Scout work to be held in Lubbock on Nov. 6. P. V. Thorson, Sweetwater, executive of the Buffalo Trail Council, has announced.

The meeting, an annual affair until interrupted by the war, is being resumed at the call of Regional Chairman Homer R. Mitchell of Dallas, head of region nine. Region nine includes all of Texas, Oklahoma and New Mexico, and parts of Arkansas and Arizona.

In addition to field executive H. D. Norris, executive board members and commissioners of Big Spring have been invited to attend. Local board members include B. Reagan, Charles Watson, Dr. W. B. Hardy, W. C. Blankenship, C. S. Blomfield and Nat Shick, while Watson and George Melear are commissioners, who received invitations.

Expecting a Baby?

Mother's Friend massaging preparation helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an "exquisitely prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium is skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy... it helps keep the skin soft and pliable... thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, tingling or burning sensations of the skin... for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use. Highly praised by users, many doctors and nurses. Millions of bottles sold. Just ask any drugist for Mother's Friend—the skin emollient and lubricant. Do try it.

Mother's Friend

Cawthron, Newton Rites To Be Today

In a simple single ring ceremony Opal Cawthron, daughter of Mr. and Mrs. E. R. Cawthron, will be married to Norman N. Newton this afternoon at 3:30 o'clock in the Wesley Methodist church.

Rev. W. L. Porterfield will read the marriage vows.

The bride has chosen for her wedding a "suit of powder blue wool designed along tailored lines. She will wear a small black hat with sequin trim and a halo veil. Other accessories will be black. Her corsage will be of red roses and gardenias. For something old and borrowed she will wear a 43 year old ring belonging to Mrs. Mae Fitzgerald. Something new and blue will be carried out in her wedding costume.

The bride will be attended by Garland Thomas, attended in a suit

Carl and Johnny Haynes Have Birthday Party

Mrs. Marie Haynes honored her two sons, Carl Phillip and Johnny Gordon, with a birthday party at the home of Rev. and Mrs. Dick O'Brien Thursday afternoon.

Carl Phillips celebrated his fourth birthday anniversary October 8, and Johnny Gordon observed his third birthday anniversary Saturday.

Games were played on the lawn, and the hosts used a Halloween cake, favors and other refreshments. Orange gum-drops topped with miniature cats were favors and orange and black paper caps were given to those present.

Gifts were presented to the honored guests and those attending were Ann Homan, Jo Gary Pickle, Sharon Ann Snodgrass, Parker Haynes, Bill Kile, Edward Kile, Ross Reagan, Betty Boykin, Nancy Bryant, Carla Gay Sledge, Karen Williams, Jerry Younger and Linda Lou Lenord.

Fayrene Roach, Frank D. Summers, Frankie Beam, Charles Nelson Clay, Robert Wayne Clay, William Paul Fannin, Patricia Fannin, Sissy Fannin, Rene Metcalf, Tommy Tompkins, Tommy Phillips, Robert Smith and Cary Williams.

Judge Collins Guest Speaker At Meeting

Judge Cecil Collins was guest speaker at the Friday evening meeting of the Modern Woman's Forum which was held in the home of Mrs. Thomas J. Chiffé.

Roses, fall berries and pomegranates centered the refreshment table.

Those attending the meeting were Mrs. Cecil Collins, Mrs. R. A. Eubanks, Mrs. Iva Huneycutt, Mrs. D. C. Sadler, Mrs. L. E. Eddy, Mrs. R. L. Warren, Mrs. Bernard Lamun, and the hostess.

New Zealand Hens about 6,000 miles from the continental land masses of Asia, Africa and the Americas, and twice that distance from Europe.

Pedigreed Texas Northerners Come From Western Canada

By MARTHA COLE
Associated Press Staff

Pedigreed Texas northerners begin in the Medicine Hat-Edmonton area of western Canada, swish down the middle-western plains and charge into Texas through the Panhandle.

A northerner without that lineage doesn't have the old vig and pep of a champion.

But to dispel a part of this northerner myth—northerners aren't indigenous to Texas. A. M. Hamrick, head of the U. S. Weather Bureau at Dallas, said all 47 other states had them, only they call them cold waves. In the Dakotas they're sometimes blizzards.

Furthermore, it's open season all year around on northerners. In the spring and summer they're called cold spells.

But to a Texan, there's nothing else quite like that day in the fall when a yellow tinge colors the air, a blue bank looms in the sky to the north and an icy wind starts whipping the leaves down the streets.

Partner, it's blowing up a blue northerner.

Technically, that yellow tinge comes from dust particles stirred up by advance winds, gleaming in the sun against the dark background. Hamrick explained. That blue bank is nothing but rain over Oklahoma or perhaps Arizona.

Or maybe it's been hot and

humid. The air is still. Then a distant mumble of thunder breaks into a clap overhead and gain comes sweeping down the road, pushed by a wind from the north.

Then it's time to tell a foreigner to get out his heavy overcoat. It's a wet norther blustering into town.

The heat and humidity come from southerly winds radiating from a high pressure area over the Gulf, Hamrick said. When the warm air meets the cold front, it rises and cools and rain results.

Back to a norther's pedigree.

All weather, in the Northern Hemisphere, moves sooner or later in an easterly direction," Hamrick said, pointing to a mass of concentric circles, wavy lines and yellow spots on a map.

The circles, mostly elongated and never uniform, came from a high pressure area, which, the weatherman added, was a mass of dry air stagnated over one area so long that it took on the aspects of the weather of that area.

That's why northerners in Canada or Alaska, where snow and ice abound.

"Sooner or later," the weatherman went on, "the rotation of the earth starts moving the high pressure area east, and low pressure areas to the south start drawing the cold air."

Low pressure areas are troughs between the high pressure.

Add a push from a wind from the north, and the cold wave gets to Texas, maybe. If the winds from the south are stronger, it gets deflected.

"I sometimes say it's like two opposing armies meeting on a battleground," Hamrick said. "The cold air meets the warm and whichever is the stronger gets Texas. The battleline often is the Red river, mainly because that's where the winds from the Gulf reach."

Any cold front coming from west of the Rocky mountains expands itself getting over the Rockies and is a weakling when

it gets to Texas. As for cold fronts originating east of us, we get only the backwash and sometimes not even that.

Northerners take from 24 hours to three days to get down to us from Medicine Hat or Edmonton.

"Speed depends on the rush and the pull," Hamrick said. "The push comes from the winds behind it and the pull comes from the low pressure troughs in front."

"Of course, a predicted norther sometimes gets sidetracked, say in Kansas, more often at the Red river," he concluded. "And that's when the weatherman has to admit he was wrong."

Visits And Visitors

Mrs. Sonny Edwards has gone to New York where she will join her husband, a performer in the Madison Square Gardens rodeo.

Mrs. Alvin Verigie and her mother, Mrs. Dave Hickson have gone to Dallas. Mrs. Hickson has been in Big Spring visiting with Mrs. Verigie and T. F. Hickson.

Mrs. Dee Foster of Miles is visiting here with friends and relatives. She was accompanied to Big Spring by Mr. and Mrs. Eugene Thomas, who visited in the Foster home.

Mrs. Don Phillips of Lincoln, Neb., is visiting here.

Mr. and Mrs. E. N. Bryant returned Monday from Florida where they have been visiting.

Curly and Rom Winterrowd of Houston are spending the weekend in Big Spring.

Mr. and Mrs. U. S. Dalmont have as week-end guests, Mr. and Mrs. Raymond Dalmont of Hobbs, N. M.

Thomas Jailed Here On Forgery Charges

James W. Thomas, who must face a forgery charge in the next session of district court here, is cooling his heels in the county jail after making two unsuccessful breaks for liberty in cities west of here.

Thomas first tried to flee the law at Monahans, then made a break for it at Pecos. In the latter community, the turkey discouraged him by firing a shot over his head.

WTCC District Meetings Slated

District meetings of the West Texas Chamber of Commerce will get underway early in the week as the second of four steps in the 1946 referendum convention.

First step was the meeting of the executive board at Colorado City, Sept. 27, at which seven policy planks as recommended by committees, and another by the board itself, were placed in the referendum ballot for submission to the full board of directors and town affiliates. Third step will be the town meetings following the district sessions, for voting on the planks, and the fourth—will be the Directors and Referendum Assembly set for Friday, Nov. 8.

Tuesday, regional chamber of officers, district directors and staff members will start, at Coleman in District 40, their two weeks tour of direct contact with affiliates. Manager D. A. Bandeen will, for committees recommending the various planks, conduct a question and answer forum on them. There will be no voting on planks as this will be done later at local meetings in the 145 affiliated towns.

Other district meeting include: Oct. 17, Midland, Districts 6 and 7. Past President M. C. Usher, Midland; District Directors John D. Mitchell, Odessa, and J. L. Pinkerton, Monahans.

Housing Available For Student Vets

DALLAS, Oct. 12. (AP)—More than 10,000 World War II veterans are being cared for at the University of Texas, and there still is some vacant housing in Austin for others who may wish to attend. Dr. T. S. Painter, University president, said today.

He said special provision is being made to house an additional 500 single veterans.

Total enrollment at the University this year is more than 17,000, the largest number in its history.

Farm And Ranch News

By WAJIL McNAIR

The Golden Don Blue Ribbon Palomino auction, to be held at the West Texas Livestock Auction Company on Oct. 28, is to be the largest sale of its kind ever conducted, Roy Davis reports.

Roy says numerous requests have been made for such a sale during recent years, and the Davises have now completed their plans of an auction that should prove adequate in every respect. Early indications are that interest in the Davis Palominos covers the entire nation. Requests for catalogs and hotel accommodations have come from New York to California and throughout the Southwest.

Utilization of three recent developments are being recommended as possible money savers for High Plains cotton growers. Since many High Plains growers lose money each year because they cannot complete their cotton harvest before the first frost, Superintendent D. J. Jones and Agronomist H. D. Lynn of the experiment station at Lubbock, are urging acceptance of power driven cotton strippers, stormproof cotton and chemical defoliation. The experiment station men point out that only half of the Plains cotton is harvested when the frost comes around Nov. 4, the 35-year average first frost date. Since farm units in the area are large, the grower must depend largely on migratory labor to pick his cotton, and when frost and colder

weather move in, the labor moves south.

Obviously, the answer lies chiefly in harvesting the cotton faster, and that is where the three recent developments enter the picture. Power-driven strippers will allow the grower to harvest his cotton just as soon as it is sufficiently mature, Jones and Lynn predict. In connection with mechanical stripping, chemical defoliation would kill the leaves of the plant in October, and allow harvesting without having to wait for frost to defoliate the plants. The third development, stormproof cotton, will prevent losses that growers usually suffer by late-harvesting cotton with normal bolls. The normal bolls flare open at maturity and many of the locks either fall to the ground or string out and collect trash. Stormproof cotton locks are pinched at the base of the boll and stick firmly to the hulls, preventing losses incurred by growers when fiber falls to the ground and strings out.

Farm families planning to build new homes can now get ideas for floor plans from the extension

North Ward Project Helped By Carnival

Around \$240 was cleared at a carnival staged at the North Ward School Thursday evening, according to announcement Saturday by P-TA unit officials.

The entertainment was presented in an effort to raise money for a luncheon project which was started sometime ago.

Over \$200 in merchandise was donated by 90 local merchants who furnished groceries and other merchandise. Four posters have been placed in the school showing the list of contributing merchants.

Cakes, baked by room mothers, brought around \$50. Working with a committee on the carnival were Mrs. M. T. Peters, chairman of budget and finance and Mrs. Truett Thomas, unit president. Around 300 persons attended.

Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloated disappears—how much better you feel. More alive, youthful appearing and active.

Davis Offers Prize Horses On Auction Sale

A total of 72 prize Palominos, quarterhorses and brood mares will be offered for sale at an auction scheduled for Oct. 26 at the West Texas Livestock Auction Company, Roy C. Davis, nationally recognized Howard county Palomino breeder, has announced.

All animals to be offered will come from strings owned by Roy Davis, and by his father, W. R. Davis, and a brother, T. C. Davis, whose ranches are in Sterling county.

In making announcement of the sale, Roy Davis said that the auction was prompted by the increasing popularity of the Palomino breed in horse shows throughout the world, and numerous requests for such a sale.

W. R. Davis and his two sons made plans more than two months ago for the auction, agreeing to select at least 30 head of their best animals and conduct a Golden Don Palomino sale. Included in the Palomino lots will be several animals that the Davises have refused to price for private sale in the past.

The Davis Palominos actually date back to 1912, when W. R. Davis secured his first of the golden breed, although the family did not begin breeding on a large scale until 1920.

Heading consignments to the auction will be Coronado Del Sur, a second place winner at the Texas Palomino Breeders Association show in San Angelo on Oct. 5-8; Reign o' Gold, first place winner in the 1946 foal class at the same show; and Bonita Del Sur, another first place winner.

All animals to be offered, however, are considered outstanding in their respective classes.

A 4,500-year-old Canaanite temple, believed to be the oldest building ever discovered in the middle east, has been unearthed at the southern end of the sea of Galilee.

Runoff To Settle HJC President Race On Monday

A Run-off Monday will determine whether Mickey Butts or Wesley Deats will head the first Howard County Junior College student body.

Butts and Deats were elected to the run-off Friday from a ballot of four candidates, nominated by the primary system. Other nominees for president were Tip Anderson and John Rudeseal.

Dorothy Brown and Bobbie June Bobb received a majority of votes over Harry Middleton for secretary, while Evelyn Green and P. D. Gage are in the run-off for treasurer. Other nominees for

Cinderella Musical Opens At State Today

B. G. DeSylva's first independently produced picture for Paramount, "Stork Club," is a masterpiece of showmanliness. Starring Betty Hutton and Barry Fitzgerald, this highly entertaining bit of musical comedy opens today at the State Theater for a two-day run.

In Betty Hutton at her peak and Barry Fitzgerald securely ensconced on the pinnacle, Producer DeSylva may be said to have come out with all the ammunition needed to insure first-class entertainment for the most exacting audience. And as if in awareness of that audience's interests, he has given these two stars an even break in his picture, an arrangement which works out admirably for each of them and for both, and for the picture itself.

It's a sort of uptown Cinderella story Producer DeSylva and John McGowan put together for the purpose of dramatizing the Stork Club. Departing from the Cinderella original in point of time and place, naturally, and also in the important detail that this Cinderella doesn't have to wake up and wait for Prince Charming to come around to tell her he loves her despite her lowly estate. This Prince Charming, a band leader, played by Don DeFore in a stern, quiet way, resents her unexplained riches, having loved her when she didn't have them and it's that resentment which keeps the story intact while the humorous and melodic incidents—of the film are being put by.

In essence the plot concerns an aged millionaire who anonymously bestows the privileges of wealth upon a Stork Club hat-check girl whose fiance refuses to believe right of her until she proves herself several times, inclusive of

McCarty Fined

G. W. McCarty, picked up by members of the Texas Liquor Control board Friday, was hauled into county court Saturday morning on a charge of transporting liquor without a license. After hearing his plea of guilty, the bench levied fine of \$100 and costs against him.

Plus "Metro News" and "Bacall To Arms"

getting him and his band a job at the Stork.

Four new songs by four pairs of song writers, all top-notchers, are dealt with by Miss Hutton in characteristic fashion and there are also two renditions of "In the Shade of the Old Apple Tree."

GOVERNMENT RECORDS SHOW—

Soil-Conscious Texas Farmers Running Short Of Fertilizers

WASHINGTON, Oct. 12 (AP)—Texas farmers have become so "soil conservation conscious" that they have outstripped their source of supply of fertilizers. That's the view of Roland Crumpler, field service representative in headquarters here of the Production and Marketing Administration of the Agriculture Department. He is the man who tries to guide as much fertilizer as possible to farmers over the country who are participating in the Old Triple-A conservation program.

Under the P. and M. A., successor to the Agriculture Adjustment Administration, farmers are reimbursed by the government to the extent of 70 and 80 percent of the cost of phosphates, potash, seeds for legumes and cover crops, all to be used in rebuilding the fertility of the soil and retarding water and wind erosion.

"Texans seem to be in a soil conservation conscious state of mind," Crumpler said. "Various government agencies, local farm groups and even banks with money invested in land are promoting conservation."

"The people here have taken hold of conservation ideas pretty vigorously. They've got the seeds distributed and all the cooperation needed, but to get maximum benefit out of the program they need more fertilizers. That's where the rub comes in. There's not enough to meet the demand."

B. F. Vance, of College Station, director of the P. and M. A. in Texas, conferred here with Crumpler about the fertilizer situation. Representatives Poage and Teague called Crumpler's attention to the shortage of phosphates in central Texas.

This is the overall picture, as described by the agriculture official:

The total production of phosphates in the United States is 7,000,000 tons annually. This constitutes by far the greatest portion of fertilizers used in this country. Phosphate rock is mixed with sulphuric acid to make the proper mixture for soil-rebuilding.

Virtually all of this production is in privately-owned plants, and it is distributed through private trade channels. The more limited production of potash fertilizers is controlled by the Civilian Production Administration and allocated to staffs on the basis of need.

The government owns one phosphate fertilizer plant, which is expected to turn out 50,000 tons of fertilizer during the last six months of 1946. Built by the RFC as a war emergency project, the plant is located in Houston. It uses phosphate rock obtained in Louisiana and sulphuric acid from Texas.

In addition to the output of the Houston plant, which is distributed by the P. and M. A., the federal agency also buys phosphate fertilizers wherever it can procure any from private manufacturers. From this source it expects to obtain 15,000 tons in the latter part of 1946 to augment the production at the Houston plant.

Texas is to receive 14,000 tons of the total of 65,000 tons which the P. and M. A. will have for distribution to farmers in the soil conservation work. The number of Texas farms which were lined up in the AAA soil conservation in 1944—the latest full year for which figures are available—was 230,000. The acreage involved was 29,505,000, and payments to farmers for their cooperation totaled \$33,448,000.

Crumpler was unable to say how much phosphate fertilizers

Texas farmers were able to obtain through private trade channels, but expressed certainty that it was considerably less than they wanted.

As an example of the increasing demand of Texans for fertilizers he mentioned a telephone call made to a phosphate plant in Louisiana. The government for years had been buying the plant's output for distribution through AAA committees in various states. When he reached the manager, Crumpler was told that the production now was going entirely to private dealers in East Texas.

Protests To CPA

Skirts Are Too Short, Grandma Tells Washington

KANSAS CITY, Oct. 12 (AP)—A 45-year-old grandmother, "plenty mad" about the length of skirts, took her appeal direct to Washington and today had a letter of acknowledgement from the government.

An announcement by the Civilian Production Administration that there would be no authorization this year for an increase in the length of skirts prompted Mrs. Eleanor Medsker's one-woman crusade.

"I just took a pencil and wrote that man (CPA Deputy Administrator Philip F. Maguire) a letter. I asked him how he'd like to wear his trousers so short that they'd come halfway up to his neck, and then I told him I hadn't been able to buy a dress long enough to come below my knees since the war started."

She said she cited an example of a new suit, size 44, she bought that fit perfectly except for the length.

"I couldn't sit down in it without hiking the skirt clear above my knees," she said. "I told Mr. Maguire that I'm not a bobby socker."

The CPA clothing section acknowledged Mrs. Medsker's letter, asked for more details and said they would advise her further upon receipt of an answer.

Mrs. Medsker's reply already is in the mails.

Mrs. Leroy Findley New Club Member

Mrs. Leroy Findley was introduced as a new member of the Eagle Beaver Club when members met in the home of Mrs. R. G. Burnett, Thursday afternoon.

Quilting was entertainment, and plans were completed for the Mexican supper which will be held in the home of Mrs. H. D. Bruton tonight at 7 o'clock. Attending will be club members and their families.

Those present were Mrs. R. I. Findley, Mrs. Roy Spivey, Mrs. Bruton, Mrs. Ben Jernigan and the hostess.

City Reports Of Finances

The City of Big Spring finished September and the halfway mark of its fiscal year with a cash balance of \$29,978 in the general fund.

Receipts for the month totaled \$35,243, including \$4,262 transferred from other funds (\$3,250 from swimming pool and park and approximately \$1,012 from the cemetery fund). Chief items of revenue were \$24,109.76 from water and sewer service, \$1,159 from occupation taxes, \$1,345 from fines and court costs, \$830 from rodent control service, and \$640 from new water taps.

Water metered during September amounted to 62,981,200 gallons, a decrease of nearly 21,000,000 gallons from August and 1,311,000 gallons more than September a year ago. Value of the water was pegged at \$201,024, a decrease of \$3,729 from the previous month. Garbage collection

billed 30 customers, under the first month a charge was made, amounted to \$2,038.

During the month \$4,000 in bonds were retired and \$390 interest and commissions paid from the interest and sinking fund, leaving a balance of \$31,709. Outstanding bonded indebtedness totaled \$1,091,500.

Other funds (non-tax) showed these receipts, disbursements and balances: Airport \$688, \$50 and \$1,325; cemetery \$744, \$1,012 and \$9,879; swimming pool and park \$1,124, \$3,566 and \$165. The construction account, with no change, had a balance of \$88,845.

Favored for Fall by Swansdown

STYLED BY Swansdown

Interest centers on the pocket detail of this coat and suit, All-wool fabrics in checks and monotone. August Glamour features both editorially. From our exclusive collection of Swansdown coats and suits, all nationally advertised. Sizes 10 to 18.

SWARTZ'S

We have it—the skirt that's legend in your life —because it claims so little of your time for upkeep. It's the TRIKSKIRT—it folds, rolls up, replays itself. Drawstring waist makes it an easy fit. Rayon suiting in bright and basic Golden West colors. Sizes 12-18.

A PLEASANT LOAD FOR YOUNG SHOULDERS TO CARRY

Misses' **Alpaca Wool Pile COATS**
24.75

You can take the load right off your mind—(if you're pondering over what kind of winter coat to buy) . . . and put it on your shoulders—a warm wool pile fabric coat! Brown coats or white, plain or trimmed in peasant braid. Lined and interlined to keep young figures warm the winter through!
