

Coal Miners' Strike Ends

By The Associated Press. Operators of hard coal mines and the United Mine Workers of America (CIO) tentatively agreed on a new wage contract today to increase pay of about 100,000 anthracite miners who were ordered to resume work tomorrow.

President John L. Lewis of the miners had ordered a stoppage effective yesterday. Under the tentative agreement a basic wage increase of 7 1/2 per cent on all contract and day rates will prevail until October 1, when it will be advanced to 10 per cent. The union has asked \$1-a-day increase over the old basic rate of \$4.62 a day and 20 per cent increase for contract workers.

Representatives of the five big railroad operating unions, representing 350,000 workers, announced in Chicago they had decided on a concerted, national campaign for a 30 per cent increase in all basic rates of pay. They said the demands would be for raises of not less than \$1.50 a day, and would be presented the railroads June 10. No details as to present basic rates were given.

Striking AFL and CIO machinists of 11 San Francisco bay area shipyards faced today a threat by AFL unions to break the picket lines unless the walkout ended. The Bay Cities Metal Trades Council voted yesterday to send 15,000 workers past the pickets to resume production of \$600,000,000 of defense orders. Action was deferred, however, until after a meeting tomorrow night at which Gov.

Fast Competition Ends Horse Show

Despite unfavorable elements which hindered some performances, and the small turnout which dampened the ardor of sponsors, Big Spring's second annual charity horse show closed out in impressive style Sunday afternoon with champions being named in fast competition.

Rotarians, who backed the event for the benefit of their crippled children fund, had made no check of receipts and expenses Monday, but were certain that the show would take a financial whipping. Several firms and individuals of the city joined the club in underwriting expenses.

Scrap Metal Campaign May Begin In US

WASHINGTON, May 19 (AP)—An intensive government-sponsored campaign may be launched soon to collect the discarded aluminum ware in every American home for use in the defense program, it was learned today.

Some thought has been given to including tin, nickel and other metals in the gigantic scrap-collecting drive, but the probability is that it will be confined to aluminum, at least for the present. Officials of the office of production management are now studying all the proposals.

The possibilities of scrap collecting campaigns were considered by the OPM last fall but the idea was pigeonholed when surveys indicated that the results might not be worth the efforts. However, shortages in some critical metals have since become more acute, and a complete reexamination of the subject has been undertaken.

Local drives for collection of scrap metals, tin and lead foil, rubber and other materials have been carried on in many communities in recent weeks. Officials here have not encouraged any such drives and it was learned that some of them are hopeful now that no more will be organized until it is determined if one unified effort would be worthwhile.

Speakers Tell Blessings Of Citizenship In Park Program

Threatening weather helped to cut down attendance at the "I Am an American Day" program at the city amphitheatre Sunday evening, but it failed to keep speakers from citing the blessings of citizenship in this nation.

So important is this matter, said Judge Cecil C. Collings, that it ought to be the resolve of all "to accept the duties and responsibility of citizenship" at every opportunity.

He and County Judge W. S. Morrison both addressed their remarks particularly to a group of first voters as well as to others attending the affair.

Judge Collings recounted the blessings of being an American, said that two wide open oceans had protected to an extent against war. In his brief talk he recounted the many material blessings of resources, of state and divine situations, of the nation's potentialities.

This is a day, he said, in which dependence should be placed in God's guidance, and in which as in a democracy should be

Large Crowd Expected For Banquet Here

Event Honoring Reuben Williams May Attract 300

Possibly 300 West Texans will be on hand at 8 p. m. today when Reuben Williams, newest member of the state highway commission and West Texas representative on the board, will be honored with a banquet at the Settles hotel.

Robert Lee Bobbitt, another member of the commission, and DeWitt C. Greer, state highway engineer, will be guests of honor with Williams. Brady P. Gentry, chairman of the three-man commission, was prevented from attending due to press of business.

Arriving here Sunday to attend the banquet were Mrs. A. Williams and Miss Ruth Williams, Fort Worth, mother and sister of the commissioner. For more than 10 years the Williams family has made its home here, and Reuben Williams was graduated from the local high school.

Well over a score of cities from Fort Worth to Pecos and from Vernon to San Angelo had asked for reservations, and it appeared that attendance at the affair, first given in honor of the new commissioner, would be between 250 and 300.

Visiting dignitaries will be introduced, and County Judge W. S. Morrison will introduce Reuben Williams. R. W. Whipkey, chamber of commerce president, will preside.

Many Obtain Food Stamps

A constant stream of relief clients was pouring into the Howard county food stamp office this morning as it entered its third day of stamp issuance.

Most of them wanted the food stamp plan explained in detail. Virtually all bought their quota of orange stamps and received the number of free blue stamps due after being told how the plan worked.

A WPA pay day within the next day or so is expected to greatly speed up the rate of stamp issuance.

Army Officer Not To Go To Paris

WASHINGTON, May 19 (AP)—The army decided today that it had revoked an order for the transfer of Capt. John Morgan from Camp Barkley, Tex., to Paris, France.

Officials declined any comment on the revocation. Paris, it was understood, was one of many sites in the country which has been given preliminary consideration as an army camp in the event congress decides the army is to be enlarged.

Army Planes Crash In South Carolina

COLUMBIA, S. C., May 19 (AP)—Two army attack bombers crashed in midair nine miles from Marion early this afternoon. State Aeronautics Director Dexter C. Martin said. The planes were thought to be from the Savannah air base.

Four men were believed to have been in the two planes, and only one parachute was seen to open, Martin said.

Presbyterians Win Attendance Banner

Young people from the First Presbyterian church in Big Spring won the attendance banner at the district No. 2 rally of young people in the El Paso presbytery Sunday at Odessa.

Ethel Elaine Corcoran, Big Spring, was made vice-chairman of the district. Lynn Stephens, Midland, gave an inspirational address at the meeting. Big Spring was represented by 21 people at the affair. The Odessa church served refreshments on the church lawn.

Honor Guests—Reuben Williams, left, newest member of the state highway commission, and R. L. Bobbitt, another member of the important body, will be honored guests at a banquet set for 8 p. m. in the Settles today. Many West Texans are due here to participate in the affair, given in honor of Williams, a former Big Spring resident.

Battle For Suez Spreads In East

Italy's viceroy of Ethiopia, the Duke of Aosta, surrendered with his troops today after a grueling 40-day siege at Amba Alaji; and on other fronts, the British reported smashing at the axis on both sides of the Suez Canal.

RAF warplanes were said to have renewed assaults on Nazi Luftwaffe bombers at airdromes in French-ruled Syria—despite a declaration by the French high commissioner that Syria's armies would strike back.

In North Africa, the British declared that two axis columns which crossed the Egyptian frontier in the zig-zag battle around Salum had been driven back into Libya by British mechanized forces.

In the middle east war theatre, Britain's struggle was further complicated when General Henri Dentz, high commissioner of French-ruled Syria and Lebanon, called on the Syrians to resist "criminal aggressions" of the British.

"Once again... England sheds French blood," he said, referring to RAF attacks on Syrian airdromes.

The British declared when the attacks were opened last week that German planes flying to aid Iraq were landing at Syrian air fields en route to Iraq.

While affirming that France's chief of state Philippe Petain "has no aggressive intentions against England or her empire," General Dentz said he had orders "to defend the sky and land" of the Levant states, and that "the army of the Levant is ready to oppose force with force."

Reports from Beirut said citizens of the United States, Britain and Palestine had been advised to leave Lebanon immediately.

The British radio quoted a Rumanian broadcast as saying that German infantry was being transported through the Bosphorus, Turkish-controlled link between the Black Sea and the Mediterranean, presumably bound for Syria, and Iraq.

Tourist School Opens Tuesday

Viewed by chamber of commerce leaders as one of the most important training sessions scheduled here in a long while, the tourist trade and merchants institute will open its two-day stand at the Crawford ballroom at 8 p. m. Tuesday.

Lloyd P. Bloodworth, executive secretary of the chamber of commerce at El Paso and an expert in this field of activity, is to conduct the program Tuesday and Wednesday evening.

Take Douglas, chairman of the tourist development committee, said that all individuals and businesses which in any way come in contact with the visiting public are being urged to have full representation.

Turns Over Command—Lieut. Gen. H. B. Brees placed the third star of rank on the shoulder of his old friend and successor to the command of the third army, Lieut. Gen. Walter Krueger (left) in ceremonies at San Antonio.

Americans Thought Lost On Missing Ship

Dies Plans To Expose Reds In High Jobs

SAN ANTONIO, May 18 (AP)—Representative Martin Dies said here today that the names of prominent men on the list of communist sympathizers among federal employees, which he proposed to make public, will shock the nation.

Dies, who is at present campaigning for the United States senate to fill the seat made vacant by the death of Senator Morris Sheppard, met a group of friends and campaign workers here this morning.

The congressman, who is chairman of the house investigating committee on un-American activities, said that the list of government employees which he will publish is being compiled from the membership lists of Nazi and communist organizations in the country. Also being scrutinized, he said, is a list of persons in government employ who own bonds of the Soviet Union and do not own United States bonds.

Wickard Says FDR Wants Crop Parity

HUTCHINSON, Kas., May 19 (AP) Secretary of Agriculture Wickard announced today that President Roosevelt "wants the basic crops to reach parity this year."

The president, he added, "told me also that he thinks wheat farmers, taking loans and payments into account, will get parity on this year's crops."

(Parity is a price that would give farm products relatively the same purchasing power as they commanded in the years 1909-1914.)

Wickard made the announcement in an address for delivery on a farm and home hour program. Besides wheat, the basic crops he mentioned were corn, cotton, tobacco and rice.

He coupled his discussion of agricultural problems with renewed advocacy of assuring the safe delivery of lease-lend shipments to Great Britain.

"There is no sense in producing for delivery at the bottom of the ocean, x x x I say, let's see that the goods are delivered."

British Say Hess Talking

LONDON, May 19 (AP)—A BBC broadcast to Germany said today that Rudolf Hess, the runaway lieutenant-fuehrer, had been "writing and talking" for a week and that Prime Minister Churchill had received a "full report of his many statements."

"A clue to the reason why Hess has lost his confidence in the possibility of a German victory may be found in a recent number of the Zeitschrift Fur Geopolitik, the organ of his friend, Major-General Professor Doctor Haushofer, whose arrest has been reported and denied in Berlin.

"Haushofer was frank enough to express considerable pessimism about Germany's prospects in view of the United States intervention in the war."

Southern Pacific Revenues Increase

NEW YORK, May 19 (AP)—Total railway operating revenues of the Southern Pacific transportation system in 1940 were \$231,952,279, an increase of \$14,359,590, or 6.5 per cent over 1939, A. D. McDonald, president, said in his annual report to stockholders today.

McDonald said freight revenues of \$189,213,149 were larger than for any year since 1930 and were 9.55 per cent ahead of 1939.

Egyptian Liner Believed Sunk

NEW YORK, May 19 (AP)—The broad expanse of the South Atlantic—or possibly the Indian ocean—cloaked the fate today of 120 Americans, 81 other passengers and 120 crewmen aboard the 8,299-ton Egyptian passenger liner Zamzam reported sunk on a voyage from New York to Alexandria, Egypt.

Aside from the bare Alexandria announcement that the ship had gone to the bottom after leaving Recife (Pernambuco) Brazil, on April 9 for Capetown, South Africa, her next stop, there was no definite word of what happened to the 32-year-old motorship.

London officials said merely that the ship was "presumed lost," declining to elaborate. So far as could be confirmed nothing has been heard from the Zamzam since she sailed out of Recife with 120 Americans aboard, including 24 American ambulance drivers and their assistants enroute to service with the British and "Free French" forces in Egypt and a group of Protestant and Catholic missionaries enroute to posts in Central Africa.

Since the Zamzam disappeared without a trace, New York shipping circles conjectured that she might have been the victim of a German surface raider, which took off her passengers and crew.

If she had been torpedoed by a submarine, these quarters said, survivors in all probability would have been located in lifeboats and picked up by now. There was a report here that relatives of some Americans aboard had been notified of their safe arrival at Mombasa, on the Kenya coast of Africa, but this later was declared unfounded.

Another unconfirmed report said others had reported their safe arrival at Capetown. In this case, the Zamzam might have been sunk in the Indian ocean.

The complete passenger list was not available immediately. Although the Alexandria announcement said 120 Americans were aboard, there were indications that there might have been more.

Dr. Emory Ross, general secretary of the Foreign Missions Conference of North America, said there were some 170 missionaries aboard. If the Zamzam reached Mombasa or Capetown it is likely that some of them debarked at these ports.

DALLAS, May 19 (AP)—A former Dallas hospital interne and a student of Dallas Theological Seminary were aboard the steamer Zamzam with their families when it was reported sunk in the South Atlantic.

Ted Fix, the seminary student, and his wife left here to go to Abyssinia as missionaries.

Dr. Paul O'Neal, 20, of Birmingham, Ala., who finished his internship in July, 1940, at Baylor Hospital, and his wife and small daughter were aboard the ship.

Army Unit Moves Through Big Spring

Approximately 800 men and officers in 148 trucks passed through here Monday morning enroute from Midland to Camp Hulen.

The men were from the Provisional Searchlight Battalion and had completed six-week maneuvers around Midland. In the group were A. batteries from the 108th, the 21st and 197 CA (AA) under the command of Maj. W. H. Papenforth.

Two overnight bivouacs were scheduled, one today at San Angelo and one Tuesday at Austin, before the group reports back to headquarters at Camp Hulen.

Congressional Majority Sets Out To Finish '41 Problem

WASHINGTON, May 19 (AP)—Congressional majority leaders, out to preserve their clean record of legislative victories this session, concentrated today on hurrying along half a dozen major measures backed by the administration.

They said it might be possible to recess for a month or two during the summer if all pending administration objectives were achieved promptly and if the foreign situation did not require a continuous session.

Nazi-French Agreements Will Be Told

BERLIN, May 19 (AP)—An official communique probably will be issued tomorrow announcing what new arrangements have been made between the French and German governments as a result of the recent conversations, authorized sources said today.

A part of these new arrangements, it was indicated, will likely be certain alleviations in the armistice conditions.

These alleviations, it was indicated, will result from the conversation Adolf Hitler, Foreign Minister Joachim von Ribbentrop and Otto Abetz, the German ambassador to Paris, have held with French vice-premier Admiral Jean Darlan and Fernand de Brinon, the French representative to German authorities in Paris.

The conviction also prevailed in the German foreign office that France would take "defensive measures" against the British as a result of the air bombardment of Syria.

Rumors that Paris would be included in the unoccupied zone as a result of tomorrow's communique were declared to be unfounded. Also declared unfounded were rumors that the French government would change its seat from Vichy.

More Work On British Bundles Needed Here

Big Spring people have had an opportunity to see an exhibit of what women, working with the Red Cross chapter, have accomplished in making layettes for use in war-torn democracies.

But what they may have missed by inference is that the need for more help in carrying this program out is most urgent.

On display at J. & W. Flahar Co. has been a group of layettes, representing 25 completed units containing around 5,000 separate items.

While this is an imposing figure, Mrs. G. G. Sawtelle, executive secretary of the Red Cross and who is in charge of sewing and knitting activities for the chapter, said that the number of women who have been considered enough to help is below the need.

The chapter has on hand substantial quantities of material and the services of more women are needed to make it into more layettes and into other garments which may be sent to Britain for relief of destitute civilians. Those who can and will help with the program were asked to volunteer their services to Mrs. Sawtelle.

SHELL RAISES CRUDE

TULSA, Okla., May 19 (AP)—The Shell Oil company today raised crude prices 10 cents in Oklahoma, Kansas and Illinois.

# Senior Girls Given Tea Sunday Afternoon By The Sub Deb Club

Senior girls of the Big Spring high school were honored by the Sub Deb club Sunday afternoon in the home of Lillian Jordan with a tea from 3 o'clock to 5 o'clock.

The rooms were decorated with spring flowers and daisies sent by Miss Agnes Currie. Miss Jordan was presented with a corsage of white roses from the club.

The tea table was lace-laid and

## Downtown Stroller

In between showers, a faithful crowd of horse lovers saw the close of the 3-day horse show. They must have been faithful because it was damp and cold, but nobody left.

A booster from way back was PAUL DUROET, who with ELIZABETH NORTHINGTON, claimed they had attended all three performances. "I bet I could tell the owners things about their horses they didn't know," I've looked at them so much," claims DUROET.

The two were sitting next to MR. and MRS. LORIN McDOWELL and L. S. McDOWELL and all seemed to be enjoying the show in spite of sudden showers of rain over the audience.

MR. and MRS. E. L. TOLLETT and MR. and MRS. AL GROEBL and MR. and MRS. BUSTER TEAGUE sat within shouting distance of Mrs. TOLLETT and Mrs. GROEBL were fixed for the occasion with riding habits.

We always wanted the horse to win that had the prettiest mane and tail, and-or the best looking rider. Funny how the judge didn't seem to figure that way.

Word from the army camp in San Angelo from JOE MYERS, son of MR. and MRS. J. A. MYERS, is that he's already gained three pounds in just a week. JOE is stationed with the 64th air base group and claims "this is the life, lots of good food, and lots of fun."

## Fellowship Group Installs And Elects Officers

New officers were installed at the evening meeting of the Youth Fellowship group of the First Christian church Sunday evening.

Officers for the Senior Fellowship group are Marcus Wood, president; Anne Griffin, vice-president; Sue Cole, treasurer, and Katharine Morrison, secretary.

Officers for the Intermediate Fellowship, who were installed with the senior group, are Fannie Sue Hall, president; Jeannette Christensen, vice-president; Bobby June Bobb, secretary; Billie Crunk, treasurer, and Ceila Westerman, pianist.

## HOW DID OUR LANGUAGE ORIGINATE?

# Panic

comes from a mischievous Greek god

IN Greek mythology there was no greater troublemaker among the deities than Pan. His abrupt appearance among the timid wood nymphs inspired the greatest fright. He was regarded also as inspiring human beings with groundless terror.

To denote this fear the Greeks created from the name of this dreaded god the word *panikos*. English has taken it over as *panic*. This is one of thousands of interesting word origins given in the unabridged Merriam-Webster, WEBSTER'S NEW INTERNATIONAL DICTIONARY, Second Edition.

This great reference book contains 600,000 entries, 122,000 more entries than any other dictionary, 12,000 words illustrated, 3,550 pages.

## Operetta To Be Given At 8:15 Tonight

The operetta, "Sleeping Beauty" will be presented at the city auditorium Monday night by the Farrar Pre-School children. Time has been changed from 8 o'clock to 8:15 o'clock.

The cast includes Edmund Fabrenkamp, king; Jo Ann Queen, the queen; Sandra Swartz, the princess; and A. E. Conley, Prince Charming. Patsy Maddux is the Old Woman, Marilyn Guitart, the evil fairy, and Haralds, George McGann and Billy Mancil.

The good fairies are played by Mary Jane Rowe, Elouise Carroll, Martha Jean Neill, Sandra Trapnell, Sylvia Brigham, Norma Ann Blue, Sugar Pritchett, Josephine Davis, Joyce French, Carol Ann Winslow, Dianna Denton, Margy Beth Keaton.

Ladies and Gentlemen of the court are Jerry Scott, Beverly Trapnell, Richard Bottomley, Betty Ann Walters, Gilbert Mull, Frances Brady, Don Brigham, Mary Brady, John Arthur Lawrence, Freddie Sue Inacore, Sammy Kerach, Sharon Limer, Ronnie Sanders, Linda French, Jimmy Hicks, Roxann Brennan, Eddie Murphy, Betty Huneycutt, Tommy Tate, Jan Arthur, Sunny Tucker, Susan Logan, Eddie Mack Dyer, Patsy Rogers.

There is no admission charge and the public is invited to attend. The program will last one hour.

## Several Go On Weekend Trips In Coahoma

COAHOMA, May 19 (Sp1) — Ira McQuerry and J. M. Wilson spent several days this week fishing on the Concho river. They reported the fishing good and brought back several pounds of fish.

Joe Roberts, Jr., left this week for Detroit, Mich., where he will be gone several weeks on business.

Mr. and Mrs. J. D. Spears, Norman and Jimmie of Ranger spent several days visiting in the home of his parents, Mr. and Mrs. W. M. Spears, this week. Norman and Jimmie will remain with their grandparents while Mr. and Mrs. J. D. Spears will spend the next two weeks vacationing on the coast.

Mrs. and Mrs. Herbert H. Currie and Herbert Lynn of Monahan visited their parents, Mr. and Mrs. C. C. Currie, Friday of this week.

Mrs. Smith Cochran and Mrs. A. M. Sullivan left Thursday for Woodson to attend the last of school exercises and graduation of Mrs. Sullivan's grandson, Winston Hall.

Mrs. J. B. Ferris of Los Angeles, Calif., is spending several weeks visiting her daughter, Mrs. Joe Roberts, Jr.

Mrs. Laura Arthur and family will move to Ranger to make their home this weekend. Alex, son of Mrs. Arthur, will be employed by the Gulf Pipe Line there.

Mr. and Mrs. B. R. Thomason and Mr. and Mrs. J. L. Adams and Shirley Wheat all left for the Concho to spend the weekend fishing.

## Mrs. Beluche In Kansas City, Mo.

Mrs. F. E. Beluche of Buffalo, N. Y., who with her son and mother spent the winter in Big Spring at the Crawford hotel, is in Kansas City, Mo. En route to Kansas City, Mrs. Beluche was taken ill and stopped in Wichita, Kas. for treatment. Mrs. Beluche is now receiving medical treatment at St. Luke's hospital in Kansas City, Mo.

## Women Golfers From Three Leagues To Be Here Saturday

The Ladies' Golf association will play hosts to the Three League Country Club association here Saturday when teams from Odessa, Lubbock and Big Spring meet together at 10 o'clock at the country club.

An entertainment will honor the visiting women and games will be played on the municipal course.

# Society

## The Big Spring Daily Herald

PAGE TWO Big Spring, Texas, Monday, May 19, 1941

**King Cotton**—National Cotton Week is being observed this week and one of the most interesting phases of King Cotton is the fact that according to a survey of the ready-to-wear market just completed by the Cotton-Textile Institute cotton has reached a new peak in summer fashions. For sports, for afternoon, for evening, cotton is steadily increasing in use and popularity. Pictured here are cotton poplin jackets treated with water-repellent Zelan for insurance against sudden rains and cool breezes. There are pockets, too, for the balls, cosmetics, and golfers odds and ends.

## Daily Calendar Of Week's Events

**MONDAY**  
OPERETTA to be given at 8:15 o'clock at the city auditorium by Farrar Pre-School children.

**TUESDAY**  
O.E.S. will meet at 8 o'clock at the Masonic Hall.  
ST. THOMAS PARISH COUNCIL will meet at 7:30 o'clock at the rectory.

**WEDNESDAY**  
B & P W CLUB will meet at 7:30 o'clock at the Elks Hall for a social.  
REBEKAH LODGE 284 will meet at 7:30 o'clock at the I.O.O.F. Hall.  
SENIOR PLAY will be held at 8 o'clock at the city auditorium.

**THURSDAY**  
DELPHIAN SOCIETY, Kappa Delta Kappa Chapter, will meet at 9:45 o'clock at the Settles hotel.  
FIREMEN LADIES will meet at 3 o'clock at the W.O.W. Hall.  
CENTRAL WARD P.T.A. will meet at 3:15 o'clock in Room 209 High school.

**FRIDAY**  
WOODMEN CIRCLE will meet at 7:30 o'clock at the W.O.W. Hall.

**SATURDAY**  
HYPERION CLUB will meet at 1 o'clock for a social and covered-dish luncheon in the home of Mrs. C. W. Cunningham, 1102 Scurry.  
LADIES GOLF ASSN will entertain the Three League golf tournament here at 10 o'clock at the Country club. Games will be played at the municipal course.

## Newspaper Space Brings Heinz Large Increase In Business

A consumer buying increase of 32.7 per cent, secured in test cities through application to newspapers of the technique of sustained continuity and repetition, is the basis for an announcement of the largest fall newspaper schedule in the history of the H. J. Heinz company, according to Franklin Bell, advertising manager. A fifteen-month study of more effective uses of newspaper space has just been completed by the Heinz advertising agency, Maxon, Inc., Detroit.

Test campaigns were conducted in 21 newspapers from coast-to-coast in cities representative of each important population group. Each newspaper received a minimum schedule of 3 to 5 advertisements per week for 13 consecutive weeks.

The extent of consumer buying, and consumer "awareness" of the varieties to be advertised, prior to release of the advertising was determined by independent research organizations. These findings were later compared with identical con-

sumer surveys following completion of the 13-week test campaigns.

A total of 3,458 consumer interviews were completed before the tests, and 3,508 after the tests. On the "before" surveys, 1,821 housewives were familiar with the Heinz varieties to be advertised and 713 were already regularly buying these varieties. On the "after" survey, 1,821 were familiar with the advertised items and 952 were buying them. These comparisons show an awareness increase of 18.7 per cent, and a buying increase of 32.7 per cent.

Commenting upon the Maxon, Inc., study, Bell stated: "It is our opinion that newspapers today are in the strongest position with the reading public they have enjoyed for 20 years; that their fundamental advantages of selectivity and flexibility are particularly important in today's merchandising; and that properly used, with adequate continuity, they should be primary in a thoroughly rounded national advertising program."

## Recent Bride Is Complimented With Shower

A recent bride Mrs. Neal Bumgarner of Denver City, was honored with a miscellaneous shower Saturday night in the garden of Mrs. Martelle McDonald's home. Mrs. Bumgarner is the former Toby Bowser.

Hostesses were Mrs. O. B. Harris and Miss Sally Keller. To present the gifts the honoree and Mrs. Dee Foster, Jr., competed in a contest. Red and yellow strings were given to the two contestants to be unraveled. At the end of the honoree string was her basket of gifts. Mrs. Foster also found a gift that was presented to her.

Attending were Mrs. J. A. Engle, Mrs. Cecil Nabors, Mrs. H. J. Whittington, Mrs. W. R. Perry, Mrs. Frank Martin, Mrs. J. M. Taylor, Mrs. Carl McDonald, Mrs. Joe E. Neal, Mrs. Hesa Roseman, Mrs. Paul Bradley, Mrs. D. R. Gartman, Mrs. Jim Nix.

Mrs. Dee Foster, Sr., Mrs. Jack King, Mrs. Pauline Pierce, Mrs. Frank Carr, Mrs. J. C. Pittard, Mrs. Sam Key, Mrs. Ike Lowe, Mrs. John Whitaker, Mrs. W. D. Lovinos, Mrs. H. Renver, Mrs. W. Coleman, Mrs. E. R. Cawthron, and Mrs. Edith Lyles and Mrs. Vera Bumgarner of Denver City.

Billie Bradley, Laura and Pat Perry and Opal Cawthron.

## Jimmie Rogers Honored With Supper Party

STANTON, May 9 (Sp1)—Mr. and Mrs. J. E. Kelly honored Jimmie Rogers with a supper party Saturday night. Jimmie has been printer's "devil" at the Stanton-Reporter, newspaper operated by Kelly, for several years, working before and after school. He is a member of the graduating class of Stanton high school hence the party.

Invitations were sent out written on office wrapping paper in which the guests were asked to be present at eight for a play party and to come dressed in gingham and khaki.

Tables were laid on the front porch of the Kelly home. Pink roses centered the tables.

There were four members of the '41 class presented including the honoree and they were presented gifts. These were Bobbie Peters, Rose Ellen Gibson, and Monette Cox.

After supper a treasure hunt was the diversion and the treasure was passed for the party to the midnight show at the Queen Theatre.

The guest list included Jimmie Rogers, Monette Cox; Pete Gregg and Rose Ellen Gibson, Morris Donelson and Bobbie Peters, David Draper and Mary George Morris, Russell Sadler and Addie Beth Blocker, L. P. Holder and Josephine Houston, Leslie Deavenport and Irene Barker.

## Ruth Class Has Picnic At City Park Here

FORSAN, May 19 (Sp1)—The Ruth Class met Friday at the Big Spring park for a picnic. Attending were Mr. and Mrs. I. O. Shaw, Mr. and Mrs. E. J. Grant, Mr. and Mrs. Lewis Huevel, Mr. and Mrs. Bill Johnson, Mr. and Mrs. Glen Smith and son, Mr. and Mrs. Cable Hunt, Mr. and Mrs. R. N. Baker, Mr. and Mrs. W. K. Scuddy and daughters.

## Hyperion Club Has Business Meeting Following Luncheon

Following the Howard county federation luncheon at Moore Saturday afternoon, the Hyperion club, which attended luncheon in a body, held a business meeting.

Those present were Mrs. J. D. Biles, Mrs. J. T. Brooks, Mrs. E. T. Cardwell, Mrs. C. W. Cunningham, Mrs. V. H. Fawcett, Mrs. J. H. Greene, Mrs. Lee Hanson, Mrs. James Little, Mrs. Seth Parsons, Mrs. Shina Phillips, Mrs. William Tate, Mrs. V. Van Gieson, Mrs. J. B. Young, Mrs. E. E. Fabrenkamp, Mrs. R. L. Beale.

## Red, White And Blue Are Colors Used At Yomaco Club Party

Mr. and Mrs. Bert Shive entertained the Yomaco club in the home of Mr. and Mrs. Gerald Liberty Saturday night. Red, white and blue were the colors used in all the appointments.

Roses and honeysuckle decorated the rooms. Mrs. Joe Black and Bert Shive won high scores. Mr. and Mrs. Joe Black were guests, with Mr. and Mrs. Lawrence Liberty of Midland.

Refreshments were served and others present were Mr. and Mrs. Elmer Dyer, Mr. and Mrs. Gerald Liberty, Joe Black, and Mr. and Mrs. Eeol Compton.

## Sew And Chat Club Entertained By Mrs. Lewis Huevel

FORSAN, May 19 (Sp1) — Members of the Sew and Chat club were entertained Friday afternoon in the home of Mrs. Lewis Huevel in the Sun camp. Mixed Garden flowers were used for decoration.

Various kinds of handwork were done, and after a business discussion refreshments were served to Mrs. Dan Tarbro, Mrs. Charles Adams, Mrs. East, Thompson, Mrs. Sam Rust, Mrs. P. F. Shedy, Mrs. M. J. Bransfield, Mrs. O. S. Butler, Mrs. E. K. Sawdy, Mrs. U. I. Drake and Mrs. Mayes, a visitor.

Schools in Iran increased from 612 in 1921 to 5,000 in 1937.

Magnesium is about one-third as heavy as aluminum.

## Recognition Service To Be Monday Night

A recognition service for some 75 persons who have joined the church during the past year, will be held Monday night at 8 o'clock at the First Christian church.

The Rev. H. W. Hallsip, pastor, will be in charge of the program. Mrs. Sue McAllen of Tulsa, Okla., sister of Cliff Wiley, will give special music. Mrs. McAllen is a voice and pipe organ teacher, and also a radio artist in Tulsa.

A sing-song will be conducted with greetings from leaders. The new members will be recognized. George J. Brown of Oklahoma City, and the brother of Mrs. A. V. Karcher, will speak on "First Things First." Brown is recognized as one of the outstanding laymen in the Christian churches of the Southwest.

A social hour will be directed by the hospitality committee headed by Mrs. R. J. Michael as chairman.

## University Women To Have Called Meeting Tuesday Afternoon

A called meeting of the American Association of University Women will be held at 3 o'clock Tuesday afternoon at the Crawford hotel. A representative of the Claire Tree Major players is to make a talk to the group.

"I just passed your roommate in the hall."

### Markets At A Glance

NEW YORK, May 19 (AP)—Buyers and sellers reached a virtual deadlock in today's stock market and leading issues shifted from one side of the price fence to the other at frequent intervals.

Among stocks doing fairly well most of the time were U. S. Steel, Bethlehem, Youngstown Sheet, Standard Oil (N.J.), Texas Corp., Standard Oil of Calif., Anaconda, Kennecott, Phelps Dodge, General Motors and United Aircraft.

In the lagging class were Eastman Kodak, N. Y. Central, Southern Pacific, Public Service of N. J., Union Carbide and American Telephone.

### Grain

CHICAGO, May 19 (AP)—An outburst of buying whirled wheat prices upward for net gains of 3 cents a bushel just before noon today after Secretary of Agriculture Wickard intimated President Roosevelt would approve the 85 percent parity crop loan measure passed by congress last week.

New high prices for more than a year were posted, with May wheat quoted as high as \$1.2 3/4.

### Livestock

FORT WORTH, May 19 (AP)—(USDA)—Cattle, salable, 2,400, total 2,800; calves, salable 1,800, total 1,600; beef steers and weighty yearlings slow, few sales steady, light yearlings and cows strong, bulls steady, killing calves steady to weak, stockers strong, some feeder yearlings fully a quarter higher; common and medium beef steers and yearlings fully a quarter higher; common and choice yearlings 10.00-50; load heifers 10.25; beef cows 6.25-8.00, canners and cutters 4.00-6.00; bulk killing calves 7.50-10.00, choice kind higher, culls 6.00-7.25; good and choice stock steer calves 10.50-12.50, yearling steers 9.00-11.00.

Hogs, salable 1,700, total 2,200; steady to 15c higher than Friday; top 8.00; most good and choice 18.00-20.00 lb. averages 8.75-85; good and choice 15.00-17.50 lb. 8.00-75; hogs and sows steady stocker and butcher pigs 7.50 down, packing sows 7.25-60.

Sheep, salable 13,00, total 15,800; practically nothing sold early; packers talking lower on all classes; good and choice grades of spring lambs and clipped lambs scarce, medium grades predominating.

### Cotton

AKI-COTTON NEW YORK, May 19 (AP)—Cotton futures were down 1 to 5 points.

	High	Low	Last
July	13.09	12.84	12.90
Oct.	13.22	12.98	13.04-06
Dec.	13.30	13.06	13.12-12
Jan.	13.29	13.05	13.12N
Feb.	13.25	13.11	13.15
May	13.25	13.15	13.19N

Middling spot 13.21N, off 5; N—nominal.

### Wool Market

BOSTON, May 19 (AP)—(USDA) Activity has increased moderately on three-eighths and quarter blood fleeces wools. Prices for combing bright three-eighths and quarter-blood bright fleeces were mostly 46 to 47 cents, in the greases, delivered to users direct from country shipping points. An occasional lot of the heavier-shrinking bright fleeces of these grades was sold at 45 to 46 cents in the greases. Demand continued somewhat spotty and a number of users were unwilling to pay the recently advanced prices, but there was enough demand to keep prices quite firm.

### Sadler Fears Result Of Court Order

AUSTIN, May 19 (AP)—The Texas oil industry was confronted today with a court decision which Railroad Commissioner Jerry Sadler characterized as "the most serious problem since the advent of production." Informed that Continental Oil company had won a permanent injunction to produce from the Conoco-Driscoll field enough oil to fill its orders, Sadler told representatives of the industry gathered at a statewide production hearing: "If that decision is upheld by the higher courts, it means production has failed."

### The War Today—General Wavell Faces Tough Assignment On Libyan Sands

By DEWITT MACKENZIE (Herald Special News Service) The surrender of the royal Duke of Aosta, Italian viceroy of Ethiopia, with his beleaguered force in its mountain-top fastness northeast of Addis Ababa comes at an opportune moment for the British in view of the great axis offensive developing in the Near and Middle East. The capitulation of this contingent of from 35,000 to 38,000 Italian and native troops not only brings the allied clean-up in Ethiopia close to a successful conclusion, but it will release a considerable British force for use elsewhere. Additional soldiers are badly needed by Commander-in-Chief General Wavell to meet the new axis threat.

This easement in the Ethiopian situation may give Wavell the relief necessary for the inauguration of an offensive against the German-Italian expeditionary force which is sparring for an opening to invade Egypt from Libya and reach the Suez canal. Of course, Wavell has a complicated problem on his hands but one would expect him to pursue the strategy of striking at this axis force before the Germans can smash at him from that direction.

If Wavell is unable to make an attack against the Libyan expedition now, he soon will find himself under heavy pressure from a pincers movement, and trying to face both ways at once. As things stand now, the Germans haven't had a chance as yet to get set in Syria and Iraq, though they may be expected to move fast in the accumulation of warplanes with which to cooperate with the axis force in Libya. There have been indications that General Wavell was preparing for just such an attack against Libya in an effort to duplicate his sensational victory over Italian Marshal Graziani's army. Could he achieve this he obviously would be in a much better position to meet the undoubted danger which is threatening from the east.

Therefore, it wouldn't be surprising to see the British strike at Libya at almost any moment, unless their position is much weaker than has been represented by the high command. This is, of course, the bad time of year for fighting—with the desert blazing under a terrific heat and sandstorms sweeping the wastes, but military operations can be carried out. The British situation has been rendered more difficult by developments in French-mandated Syria. The government of Syria maintains that it acted under the last-French armistice terms in allowing German warplanes to use its airbases in transit to Iraq to fight the British. Moreover, the action of the British in bombing Syrian airbases resulted today in the issuance of a proclamation by General Denis, French high com-

### Rio Grande Breaks New Mexico Levees

ALBUQUERQUE, N. M., May 19 (AP)—A sudden break in the west levee of the Rio Grande at the central New Mexico farming community of Polvadera early today forced 150 families to flee to higher ground. The turbulent brown waters, pouring through a 500-foot breach in the levee, flooded more than 2,500 acres of farmland and river bottomlands in the area, about 60 miles south of here and ten miles north of Socorro.

### Burglars Enter Service Station

Burglars entered the Kyle Service station at Gregg and E. Park streets Sunday evening, making away with a quantity of merchandise and a small amount of cash. Police said a few cartons of cigarettes, a quantity of candy and \$2.28 in small change had been missed by operators Monday.

### Horse Show

THE SMOKE'S THE THING!

YOU BET I SMOKE CAMELS. THEY BURN SLOWER AND SMOKE EXTRA MILD

RIGHT, BEN HOGAN! The smoke of slower-burning Camels gives you 28% LESS NICOTINE than the average of the 4 other largest-selling brands tested—less than any of them—according to independent scientific tests of the smoke itself

EXTRA FLAVOR ALWAYS HITS THE SPOT. THAT'S WHY I DON'T TIRE OF SMOKING CAMELS

AND CAMELS SMOKE SO MUCH COOLER, TOO

135 POUNDS—but they say the "Texas mustang" has the greatest swing in golf. And to champion Ben Hogan, Camel's extra mildness is mighty important. Important to any smoker... to you... no matter how much you smoke... because this extra mildness is in the smoke itself. After all, it's the smoke you smoke.

And Camels give you less nicotine in the smoke than any of the other 4 largest-selling brands tested... 28% less than the average of the other brands. Even if you're only an occasional smoker, you'll find Camel's extra mildness—extra freedom from nicotine in the smoke—can add to your smoking enjoyment. Switch to Camels now!

"Liking Camels the way I do, it's swell to get that EXTRA SMOKING PER PACK. That's ECONOMY!"

BY BURNING 25% SLOWER than the average of the 4 other largest-selling brands tested—slower than any of them—Camels also give you a smoking plus equal, on the average, to 5 EXTRA SMOKES PER PACK!

For even greater economy and convenience, get Camels by the carton at attractive carton prices.

# Bombers Increase League Margin In 3 To 2 Win Over Borger; Open Three-Game Series With Hubbers

## SW Baseball Race Reaches Crisis Today

AUSTIN, May 19 (AP)—It's the showdown in the Southwest conference baseball race—and the University of Texas needs to make but one more false step to end the season with the pennant flying down at Aggie land.

Texas dropped two games last week—both to the Texas Aggies—and that put the Cadets in first place, needing only a victory over Texas here today to clinch the championship.

Lefty Bumpers pitched the Cadets to victory Friday and did a fine job of relief hurling Saturday as the Aggies swept both games and put Texas definitely behind the eight-ball.

Should A. and M. win again today, the title would go to Aggie land. Should Texas win the Longhorns and Cadets would be tied for first place and each would have to make up a postponed game—the Aggies with Baylor at Waco, for which no date has yet been set, and Texas with Texas Christian at Austin, scheduled for tomorrow.

## Hammett Adds WT Golf Title

SWEETWATER, May 19 (AP)—J. T. Hammett of Pilpeco has a new golf title.

For the first time, he won the West Texas golf championship yesterday with an 8 and 7 victory over Bobby Davidson, 17-year-old Sweetwater schoolboy.

Hammett birdied in the first hole in the 36-hole finals and continued to master Davidson until the match was closed out on the 36th.

Big Spring's Bombers did it again—hung a 3 to 2 count on the Borger Gassers' whiskers here Sunday afternoon in a manner that left little doubt at the current reading as to the Big Springers' number one position on the West Texas-New Mexico baseball league standings. Yesterday's victory places the Bombers one and one-half games ahead of Borger, the latter having hit the skids last Thursday and Friday when the giant killing Lamesa Lobos pinned back their ears in a pair of tilts.

With the setup arranged for a shakedown in loop standing, Big Spring carried out its end of the bargain by edging Borger Saturday night to take a half-game lead, then adding the clincher Sunday. Scheduled to be a doubleheader affair, the Borger-Big Spring card reached only the one-game mark when rain took the drivers' seat.

Tonight at 8:30, Big Spring enters Lubbock's Hubbers in the opening round of a three-game series. For the first time this season on the home grounds, the Bombers will be putting on their Ladies' Night bill. All women accompanied by a ticket buyer will be admitted on payment of the required five-cent tax.

Although they sacked up the first run of the evening when J. L. Haney scored on a hit by Hank Poitras, the picture looked none too rosy for the Bombers until the sixth inning. Borger's Nell and Tinsley, the latter being the heavy hitter on the Gassers' roster, ringtoned across for counts in the second frame, the first score coming on an earned run by way of Tinsley's single and the second marked up by virtue of an error.

Pete Zmitrovich evened the score in the sixth when, after getting on base with a single, he galloped over home plate on a catcher's error.

Both clubs tussled back and forth, with neither side getting an advantage because of airtight pitching by Big Spring's Willard Ramsdell and Borger's Hausman. Tinsley made a scoring bid in the seventh when he blasted out a flailing of two-base hit but died on third, where he landed following a wild pitch, when Catcher Al Zigelman pocketed a high foul to sink Webster. Rodriguez was tagged by Eddie Stevens at first on an assist by Hayden Greer and Hausman flew out to Pete Zmitrovich.

The pay-off came in the ninth stanza. Buck Schulze, at bat for Blaine Peterson, gave Hausman's first pitch a two-base raise, and Stevens took a hit, which was then followed by a stroll by Poitras. Zmitrovich put the ball game in the safe and threw away the key with a single, scoring Schulze and bringing the afternoon's show to a finale.

## Buffs Win Margin Takes Trimming During Week

By The Associated Press  
The Texas league may have a race on its hands before the season ends, after all.

The Houston Buffs have hogged the top position from the first game, but their margin is being trimmed, and apparently the league is leveling off for the stretch.

A week ago .444 percentage points, or about 9 1-2 games, separated Houston and the tall-end Tulsa Oilers. Today, there is only .276 or 8 games, difference.

Incidentally, the cellular Tulsans made the best showing of the week with 5 wins to 2 defeats. They took two out of three in their series with San Antonio, beating the Missions yesterday.

In other games yesterday, Grey Clarke hit a homer with a mate on base as his Dallas Rebels defeated Shreveport 5 to 3; Bob Uhle pitched and batted the Beaumont Exporters to an 8 to 4 victory over Fort Worth, knocking in three runs and scoring two himself; and the Oklahoma City Indians took the second game of a doubleheader from Houston, 5 to 1, after losing the opener, 11 to 3.

## 'Fastest Human' Entry To Try Calif. Track

BIRMINGHAM, Ala., May 19 (AP)—Long Boy Billy Brown, Louisiana State University's blond streak of lightning, has clanders in his shoes—red hot ones!

The Baker, La., speedster, who fell just short of world record time in 100 and 200 yard dashes last week on a soggy Birmingham track, thinks he may yet become "the world's fastest human" and he is flying to Los Angeles, Calif., this weekend to try.

Brown, participating in the Southeastern conference track championships here Saturday, was clocked at 9.5 seconds for the 100 and 20.6 seconds for the 220—one-tenth and three-tenths off the recognized world standards. He also won the broad jump, placed fourth with a six-foot high jump and led off for L. S. U.'s near-record mile relay team.

He had hoped to set a world record, this once "baby" member of the 1936 United States Olympic team, but a thunderstorm balked him. The lanes he drew for his final sprint were puddled from start to finish from a down-pour an hour earlier. The track was "dead."

But he'll have other chances. In addition to leaving Wednesday for Los Angeles to participate May 24 in an all-star meet at the coliseum, he expects to take part in the national AAU, national intercollegiate, and U. S. C. invitational meets this summer.

After those events he will continue his running career, possibly concentrating on the 220 yard and 200 yard sprints.

Brown, an Olympic hop-step-and-jumper at 16, has specialized in sociology during his college studies. Lacking a half year for his degree, he hopes to complete this in the L. S. U. department of education.

The national emergency may alter his plans. He indicated he would volunteer for the marine corps if his selective service number should come up within the next few months.

## In Six Short Years—Wasteland Becomes Site For Nat'l Golf Open

Spring's plants, John Bredemus, corner of the course were bought and set to work. Although he had been advised that it was impossible to grow it in this section, Leonard was determined to try bent grass greens.

He risked thousands of dollars in the experiment, worked with many types of the smooth, perpetually-green grass, tried special bases for the putting carpets—and succeeded beyond all hopes. Today, he is an expert on bent grass, its diseases, care and feeding.

To get the Colonial club layout ready for the Open, Dean Woods, nationally famous course engineer, was engaged in June, 1940. He spent the entire winter improving the course.

The outstanding improvement was made during this time. Ten additional acres in the northeast

## Crucial Tilts On Softball Card Tonight

Cities', Phillips' Meet In Long-Awaited Tussle For Lead

Tonight's the night for the long-awaited struggle between Phillips' Tiremen and Cities' Servicemen. The clubs start walloping each other in the 7:30 opener at City Park.

Lined up for the 9:35 nightcap are ABC and their proteges, the Sea Scouts.

Both games come under the crucial classification. Cities' and Phillips' are deadlocked for first-place position in the Major city softball league and the Scouts are holding a shaky spot on top of the Minor loop ladder.

This evening's engagement between the Tiremen and Servicemen can easily develop into a pitchers' duel since two of the top-rankers, Phillips' Harvey Morris and Cities' L. D. Cunningham are assigned to mound spots. Cunningham holds a slight edge over Morris according to past performances but the latter's steadiness may give him a boost when the going gets rough.

## Hopefuls Vie For Auto Race Classic Spots

INDIANAPOLIS, May 19 (AP)—Mauri Rose of Indianapolis, a defense factory worker, holds the honored pole position, inside in the front row, for the start of the 500-mile automobile race on Memorial Day.

Rose, who is employed in the Allison airplane engine plant, grabbed the favored spot over the weekend as qualifying trials filled 18 of the 33 places in the starting lineup.

Other trials will be held on Wednesday if six drivers signify their readiness by 6 p. m. today; next Saturday and Sunday if they do not.

To qualify, a car must go 100 miles at 115 miles an hour, but only the 33 fastest will get in the race.

Rose won the pole post by turning in the best speed—128.691 miles an hour—on Saturday, the first day for qualifications. Eleven other drivers qualified that day and six more yesterday.

**Cath. U. Cancels HSU Grid Game**

ABILENE, May 19 (AP)—Catholic University of Washington, D. C., is canceling its entire football schedule for 1941, it was disclosed today as a notice of cancellation of the intercollegiate game with the Hardin-Simmons University Cowboys, slated to be played here in Abilene on November 8, was announced.

Rev. J. A. Magner, Catholic University treasurer, advised G. B. Sanderfer, HSU graduate manager, of the cancellation.

Resignation of Coach Arthur J. (Dutch) Bergman, whose teams piled up records that earned them participation in recent Orange and Sun Bowl games, a policy of athletic retrenchment, "world conditions," the draft, and squad losses due to employment in national defense industries were cited by the Catholic U. official.

## DODGERS AREN'T FLAG CINCH

By Associated Press  
Leo Durocher and his Brooklyn Dodgers are discovering this isn't going to be the kind of National League race where you can take anything for granted.

The Brooks, who never do things in less than bunches, looked fine while reeling off that winning streak of seven straight which hoisted them into first place. Then came an 11-inning defeat in Pittsburgh, and Durocher decided it was a good time to break up his combination.

In Chicago yesterday he stuck Pete Reiser back in the lineup in place of Jimmy Raddell, who's been leading the club with a .379 average; benched Dixie Walker in favor of right-handed hitting Joe Vosmik, and — the Dodgers blew a 7-4 decision to the Cubs.

With the St. Louis Cardinals meanwhile shading the Phillies, 6-5, that left Brooklyn only a game in front of the Redbirds.

For the Cards Jimmy Brown was the big hitter with three singles and a double off the Phil's Lefty Leo Grissom. But it was Johnny Mize's single with the bases loaded in the ninth that scored the deciding run. The Cards had to pay a goodly price for the triumph though, for Catcher Walker Cooper was shelled for probably six weeks when he dislocated his shoulder in a collision at the plate.

Back in third place the New York Giants ran their winning streak to four straight by beating the Pittsburgh Pirates, 5-4.

Meanwhile Paul Derringer, getting his third win of the year, nailed the Cincinnati Reds out of their longest losing streak in more than 300 games. Two handy singles by rookie Chuck Aleno dovetailed with Derringer's seven-hit, nine-strikeout pitching for a 4-3 defeat of the Boston Braves after six losses.

Most of the day's hitting, and all of the day's homers, occurred in the American League. The lowly Philadelphia Athletics set the key-note by clubbing Rookie "Preacher" Dorett and two Cleveland reliever pitchers for 15 hits and a 10-3 verdict. That ended the Tribe's victory string at five straight.

The second-place Chicago White Sox and the New York Yankees got 16 safeties apiece. The Sox, headed by Taft Wright, got four runs in the first and five in the last three innings to rout the Washington Senators (10-5). All of the Yankees hit safely, Joe Gordon clouting a three-run homer, but picking up Lefty Gomez's bid for a 13-3 triumph of the St. Louis Browns.

The Detroit Tigers, who seem to be recovering from Hank Greenberg's departure, won their fourth in a row, though they had to go 11 innings to do it. Two unearned runs were the margin of a 6-5 triumph over the Boston Red Sox.

**LAMESA, May 19—Lamesa's Lobos, the club that has shown the most improvement since beginning of the current West Texas-New Mexico League baseball wars, added another pair of wins in Lamesa Sunday to their spectacular showing.**

Still in a glow over their two straight victories over Borger's Gassers, the Lobos kept the ball rolling by routing Pampa's Oilers in both games of a doubleheader.

Backed up by a fast-brand of fielding, Lamesa's Hart led the 16 to 6 parade over Pampa in the opener. In the nightcap, the efforts of two Pampa hurlers, Glad and Bush could not stem the tide kicked up by the Lamesa hitters and the hosts came out on the heavy end of an 8 to 2 count.

Lamesa entertains Wichita Falls' Spudders tonight to inaugurate a three-game series.

# Governor O'Daniel Will Answer Big Question Tonight

## Senate Race Answer Due In Broadcast

AUSTIN, May 19 (AP)—The political eyes of Texas today were riveted on Governor W. Lee O'Daniel and a talk by him on the senatorial race to be broadcast at 8 p. m.

The announcement of the broadcast and the subject, made Saturday, did not intimate whether the governor would at that time declare himself a candidate, or would remove his name from the field of speculation as a possible candidate.

It did not say even that he had reached a decision as to what to do, in the making of which he recently asked the advice and prayers of the people.

In his regular broadcast from the mansion yesterday, he followed the same course, merely calling attention to the talk and emphasizing the time.

Nevertheless, although it was realized that the curtain of doubt over the governor's intentions might remain lowered a little longer, the announcement of the broadcast, plainly strengthened the opinion he intended to run.

Time remaining for a decision by the governor or anyone else considering entering the race was shortened by an announcement of Secretary of State William J. Lawson that May 28 was the deadline for filing. On that day, the state department will certify the names of candidates to county officials for listing on the ballot.

Some weeks ago Lawson set the deadline at two weeks before the date of the special election June 28, but a study of the election law and court decisions caused the alteration.

Already announced were approximately a score of candidates, including Attorney General Gerald C. Mann, National Reps. Lyndon B. Johnson and Martin Dies and Hal Collins, Mineral Wells businessman.

The governor's talk was scheduled for broadcast over three chains, Texas State, Texas Quality and Lone Star, and two individual stations, KRLD of Dallas and KWFT of Wichita Falls.

In action by the legislature last week, those who believed the governor's hat soon would be in the senatorial ring found additional support for their opinion.

The senate passed, sending to the governor, a proposed constitutional amendment which would prohibit making appropriations in excess of anticipated revenue for a biennium.

The governor had strongly urged submission of such an amendment, and had included this in the five-point program adoption of which by the legislature would enable him, he said, to decide whether to become a senatorial candidate.

Another element in the program was raising additional revenue, and the legislature recently approved a \$22,000,000 tax bill.

Still another measure specified by the governor would make the state auditor appointive by and responsible to the legislature, and would give the executive added powers over preparing the state budget. The legislature has passed a bill providing for the change with regard to the auditor, but not the budget.

The governor also asked that that capital punishment and the poll tax as a requisite for voting be abolished. These things the legislature was not expected to do.

After reminding of his broadcast tonight, Governor O'Daniel yesterday appealed for Texans to aid in raising an endowment to preserve Stratford Hall, home of Robert E. Lee, in Virginia. He asked that checks for any amount be sent him, made out to the Robert E. Lee Memorial Foundation.

Scientists foresee common use of a vacuum concrete which will dry in an hour and be crackproof.

The United States has maintained a naval base at Samos since 1872.

# MONEY

*in the ground*

Billions of barrels of Texas oil reserves mean money in the bank for you as a Texan.

On constant deposit in underground vaults, they assure continued wages for Texas workers, lease and royalty payments for Texas farmers and ranchers, and tax revenues for our State and local governments.

Nearly 11 billion barrels of known oil reserves are on tap in 161 counties of our State. Texas oil men are now searching for new fields in 90 additional counties. They discovered last year almost three times as much oil as they produced.

These oil reserves can be cashed only through their production and processing by Texas workers.

As a means of safeguarding this backlog of economic security, you as a Texas citizen can and should expect:

- (a) Sound conservation practices, (b) A reasonable taxing policy by State and local governments to permit healthy development without loss of employment through abandonment of properties, (c) Increased use of this great fuel source through creation of new Texas industries.

*These oil reserves provide security for you and every other Texan*

makes you think of going, Ellen" she demanded. "You're making a hit. I never heard of such a thing. You are making a mistake, dear."

Ellen only said, "I came to suggest something. I will stop thinking anything about the royalties on those recordings, which I am advised I could make trouble about, but I'd like you and your husband to give me letters to the people you sent them to, as good letters as you can manage. And not make a fuss about my going."

"But—what with losing Molly Flanagan—not that we can't of course get any amount of girls like her—and you, at once, things will be a little difficult. Of course there are a dozen girls in the nearby cities who'd jump at the chance..."

Ellen agreed to this. Her idea was to part with the Welgands on as friendly terms as possible. And she succeeded. Mrs. Welgand was crying romantically over her as they parted, and predicting a great future for her.

"So many of our proteges have gone to the top..."

Ellen did not argue about that. She had too much else to do.

To be continued

## Flashes Of Life—

By The Associated Press  
PHILADELPHIA—It took firemen to retrieve Policeman George Dougherty who had retrieved Mrs. Daniel F. Fairbanks' retriever, "Rowdy," from a storm sewer.

Dougherty went to the rescue when the cocker spaniel darted into the open sewer to get a ball which some boys had tossed. The pit was 11 feet deep, and after the officer handed up the dog, he had to ask for firemen to lower a ladder so he could get out.

TRENT, Ore.—Someone must have liked the community church sermon especially well.

Among nickels and dimes in collection plates was a \$100 bill. If it was dropped in by mistake, the claimant will have to take an oath that it was his.

LEWISTON, Idaho—A land-office business by merchants saved straw hat day from a complete washout.

The parade was rained out for a straw hat coronation. A machine broke down while freezing a straw hat in a cake of ice for a guessing contest.

But, it was a great day for umbrella sales.

Cyclist Too Tippy To Ride  
SACRAMENTO, Cal.—The Sacramento police were confused with a new traffic problem when they arrested man on a charge of being too drunk to ride his bicycle.

Early settlers in Massachusetts were the first to place a bounty on wolves.

The Old And New—Thus, is told the story of the West Side Baptist church which is attempting to complete its new plant. The old frame, (above) which has housed the congregation since 1930, has been demolished so that materials may be utilized. Below is a sketch of how the new building will appear when completed. Members hope to be able to move in by May 25.

**History Of West Side Baptist Church Is One Of Hard Struggle**

This history of the West Side Baptist church has been one of struggle. It was so from the beginning as a mission in 1930 and it is so today as the church membership seeks to complete a permanent home in time for services on Sunday, May 25.

Whether they succeed may depend in a large degree upon the extent to which friends of the institution help with contributions to make possible completion of the building.

Idea of a mission in the western part of the city originated with the First Baptist church W. M. U. in April 1930, according to best information. With appointment of a committee, things began to happen. First a lot was purchased and then a building, said by some to have been originally a domino hall at Forsman.

At any rate, initial services were held on June 12, 1930 when an afternoon Sunday school was organized. In the space of a few months, the venture ripened into the formation of a church with 13 charter members. Of the number, only Ara Morrow, Mrs. C. O. Murphy and Mrs. Jimmie Robertson are still here.

The Rev. E. Whitaker was called as pastor. Others who served in this capacity were the Rev. H. C. Heddock, the Rev. B. G. Richbourg, the Rev. Mayler and the Rev. E. E. Mason, who has held that post for the past four years.

When the Rev. Mason assumed the pastorate, he did so with promise of only \$20 a month, which was supplemented \$10 a month by the Baptist mission board. His first Sunday there in June of 1937 brought only 17 to Sunday school and \$1.59 in the collection.

But the picture is changing. Now attendance at Sunday school averages 85 plus and around \$85 to \$95 a month is contributed by members so that bills are paid. The four years of effort have brought 365 additions and around 180 have been baptised into fellowship of the church, and membership now is above 200. The recent revival added 40.

The campaign for a new building started in April of 1939 with Mrs. Carl Grant's senior class, which made a \$10 contribution. In December of 1939, with \$309 in the fund, excavation for the basement was started.

Members and friends of the church have contributed, but tribulations have been many. Now the building is about half completed. The old frame structure has been demolished and the materials used in the new rock veneer building.

The Rev. A. T. Willis, who conducted the recent revival, is promotion manager to get roof floors and the rest of the rock and windows in place so the building can be utilized and the work expanded.

**Despite Losses Of World Markets Farmers Face Better Conditions**

By JACK STINNETT

(This is the first of a series of three articles on the farmer and national defense.)

WASHINGTON — What the war, national defense and the lend-lease program are doing to the American farmer is one of the strangest paradoxes in this strangest of all world situations.

On one hand, the real or potential world markets which mean the difference between a fair living and poverty to the growers of our "surplus" crops (principally cotton, tobacco and wheat) have been wiped out.

On the other hand, such a demand for other farm products is being created that it is quite possible thousands of American farmers are entering a new era. It won't be an era of "sky's-the-limit" prosperity, but officials believe it should be one of decent living and fair return. And if the Department of Agriculture carries out its present aims, this era won't be followed by black depression, dust storms and starving Joads such as came in the wake of the World War.

**Surpluses Piling Up**

To take the gloomy side first: In recent years about half of some of our types of tobacco, 20 per cent of our cotton, 20 to 50 per cent of some fruits and five percent of our wheat were sold abroad.

Normally about 2,000,000 farm folk depended for their livelihood on farm products sold to continental Europe and another 2,000,000 depended on farm products sold to the United Kingdom.

According to the Bureau of Agricultural Economics, the value of farm products exported in the six months ending in February of this year amounted to only \$155,000,000—compared with \$489,000,000 in the corresponding six months a year earlier (the first six months of the war). Until just recently, farm exports continued to hang around that all-time low level to which they plunged soon after the collapse of France a year ago.

The surpluses and prospective crops of wheat, cotton and tobacco are staggering. When the new-crop cotton starts moving to market, it is estimated the old-crop surplus will be nearly 14,000,000 bales—almost enough to supply domestic and foreign demands if not an ounce of cotton were picked until 1942. The wheat supply for the coming season is estimated by Secretary of Agriculture Wickard at 1,236,000,000 bushels, with consumption and exports recently averaging 755,000,000 bushels. A department expert who should know told me the other day that tobacco exports had dropped to their lowest level since before the Civil War.

**But Prices Are At Peak**

These facts and figures make Joe Farmer's future look about as bright as that of an ice cream salesman in Antarctica, but those facts and figures don't tell all.

In the first place, cotton and tobacco (and peanuts) farmers already have voted curtailed marketing quotas which will reduce the size of these crops this year. The wheat farmers vote, May 31. Although there is no certainty how they will cast their ballots, if they vote as some agriculture department officials predict it will give the department control of wheat marketing quotas for the first time.

In the second place, prices actually reached the highest level since the war started. The reasons were fourfold: (1) Proposed government price supporting measures to stimulate production of hogs, dairy and poultry products; (2) trade expectations that government loan rates will be increased on cotton, corn, wheat, tobacco and rice; (3) prospective lend-lease purchases of farm products (estimated around half a billion dollars); (4) increased consumer buying power.

(Next: How the farm situation is being improved by national defense.)

Montreal will observe the 300th anniversary of its founding on May 18, 1942.

One out of every four persons in Iceland speaks English.

**Stanton Seniors Will Hear 70th District Attorney**

STANTON, May 9 (Sp)—Martelle McDonald, 70th district attorney, will deliver the commencement address for the Stanton high school graduation exercise Tuesday night.

The program will open with the professional, played by Mrs. Earl Powell, and the invocation, by the Rev. A. A. Kendall. Monette Cox, Ben Carpenter and H. C. Burnam will give an instrumental number.

Vera Blackford, salutatorian and Helen Renfro, valedictorian, will speak, after which the main address will be heard.

Superintendent O. C. Southall will present awards and diplomas, the audience will sing the Star Spangled Banner, and the Rev. Paul H. Jakes will offer the benediction.

Helen Renfro is the third member of her family to be valedictorian on a Stanton senior class. Her average for the year just closing is 97.37. Vera Blackford's average for the year was 96.48. Hugh White led the boys of the class with an average of 91.4.

Bobby Don Deavenport won first honors for scholarship in the seventh grade, with Billie Anderson second. Bobby was also selected outstanding school citizen of the elementary grades, and Betty Ruth Gibson was elected outstanding girl school citizen of the elementary classes.

Rose Ellen Gibson was named

outstanding high school girl citizen and Hugh White held the same honor for boys. Beryl Dean Clifton won the Bryan trophy for the second successive year. This goes to the football player most valuable to team and school.

Incendiary bombs usually weigh less than 100 pounds.

Demolition bombs range in weight from 50 to 4,000 pounds.

**Accustomed to Danger in PEACE-TIME Ready for Emergency ANYTIME!**

**Preparedness is an Important Job with Your Electric Service Friends!**

**M**OST of your fellow-citizens, whose combined efforts supply your electric service, work every day under conditions similar to war. Like every good soldier, they hope for the best but prepare for the worst—never knowing at what instant flood, fire, wind or other cause will create emergency conditions.

Mobilized for swift expansion of service to you as well as for maintenance of adequate service under all conditions, your electric service people also continually apply all their science, skill and effort to make your cheap electric service steadily cheaper—knowing that your greatest inducement to wider use of electricity—in industry, commerce or home—is lowered cost.

Even routine daily jobs are dangerous missions for some of your electric service friends—and throughout the entire organization, from power plant boiler rooms to accounting department files, every man and every woman receives highly specialized training to enable the entire organization to function perfectly no matter what demands you place upon it.

The average kilowatt hour cost of electric service has been steadily reduced. Your increased use helped to make this possible—your steadily increased use of your most versatile servant plus the ability of your electric service people accurately to estimate your expanding needs and to provide for them most economically.

**Many Schools Send Men To Randolph**

SAN ANTONIO, May 19 (AP)—Primary flight training schools of California, Oklahoma and Illinois contributed to the newest class of flying cadets of the army air corps to enroll at Randolph Field, Texas.

Three hundred fifty-two young Americans, portion of the 50,000 pilots to be trained annually, form the class which will remain at the training center for 10 weeks.

Muskogees came through with the most men—79. Tulsa sent 59 to run the Oklahoma total to 134. So far this fiscal year, 1,611 cadets have graduated from Randolph Field.

**Bureau Of Ships Official Named**

NEW ORLEANS, May 19 (AP)—Ernest Lee Jahnske of New Orleans, a former assistant secretary of the navy, will be special representative of the bureau of ships in the Gulf of Mexico area for the United States navy.

Jahnske accepted the post from Secretary of the Navy Frank Knox. With headquarters here, he will check on all naval shipbuilding contracts, expedite labor and material priorities and survey any "bottlenecks" along the coast lines of Texas, Louisiana, Mississippi, Alabama and Florida. He was assistant secretary of the navy from 1929 to 1933.
