GRAIN SHIPMENTS SHOW 750,000 BUSHEL TOTAL SINCE START OF HARVEST

Recent Rains Cause Slacking of Rush Every Elevator in County Taxed to Capacity Last Week and First of This.

With grain cars that have filled every track and siding in the Hereford yards being loaded night and day with wheat from grain elevator spouts, portable blowers operated with the ever-faithful tractors as motive power, conveyor belts and by the good old-fashioned scoop shovel, the peak of the harvest in Deaf Smith county is believed to be near.

Our loadings have mounted steadily in number during the past week and until the rain Tuesday night slowed down operations, were averaging around forty cars daily from the county during the latter part of last week and the early part of this week.

Since the beginning of the harvest two weeks ago shipments of wheat from Deaf Smith county has reached a total of 425 cars and approximately 75 cars more have been shipped in that period from Black, a small community 15 miles west of Hereford and just outside of the county, making a total of 500 cars amounting to approximately 750,000 bushels of wheat already shipped from this locality. Up to Wednesday noon of this week the shipments from each community were: Hereford, 300 cars; Summerfield, 63 cars; Davis, 59; Joel, 3, and Black 75.

Prices paid here for wheat have been higher than hoped for by the farmers at the time harvest commenced. During the latter part of last week the price paid was from 96 to 98 cents per bushel. Monday of this week the price was 96 cents, then fell Tuesday to 95 cents and to 95 cents on Wednesday. Yields of wheat have been from 25 to 40 per cent greater than predicted just before harvest commenced and have reached from 30 to 35 bushels per acre in the majority of fields. Paul Corbett, who with his father, M. R. Corbett, is harvesting 300 acres of wheat on their farm three miles west of the city, reports that the yield is averaging around 35 bushels per acre, and will probably produce 15 carloads of grain. During the past few days, reports Paul Corbett, eight cars of wheat has been sold direct to a mill at Fort Worth. The balance of the crop, he says, will be held for a time to await the action of the market.

W. A. Hunter and O. J. Bean both of Hereford, have reported that parts of their fields will yield as high as 50 bushels per acre and that they will average nearly 45 bushels per acre.

From reports made by lumber companies here, many farmers have built granaries this season and will store a considerable portion of their wheat crop on their farms. Estimates of the amount that will be stored in farm granaries ranges from 15 to 35 per cent of the crop in this vicinity.

Extracts From Farm Relief Bill Quoted

Through the courtesy of United States Congressman Marvin Jones, of Texas, The Brand is in receipt of a copy of the Agricultural Marketing Act, commonly known as the Farm Relief Bill, approved by the Senate and House of Representatives of the United States Congress on June 15, of this year, later signed by President Hoover and now in effect.

Section one of the bill states: "It is hereby declared to be the policy of Congress to promote the effective merchandising of agricultural commodities in interstate and foreign commerce, so that the industry of agriculture will be placed on a basis of economic equality with other industries, and to that end to protect, control, and stabilize the currents of interstate and foreign commerce in the marketing of agricultural commodities and their food products—

1. By minimizing speculation;
2. By preventing inefficient and wasteful methods of distribution;
3. By encouraging the organi-

Creamery May Make Test Run On Saturday

N. O. Bendickson, manager of the Farmers' Creamery Association, Inc., announced today that the new creamery just completed here is, except for a few minor pieces of equipment which have been delayed in transit, ready for operation and that he expects to make a test churning of butter Saturday if the missing parts of equipment arrive in time. If not, then the test run will be made early next week.

All farmers who bring cream to the plant are asked by Mr. Bendickson to be certain not to hold it too long at the farm before bringing it to be churned as when cream gets sour it is hard to get an accurate test and it is expensive to the creamery to neutralize it back to sweet cream. If the cream is sweet when brought to the creamery, states Mr. Bendickson, the test is more accurate and a better quality of butter can be produced when churned and the farmers will get a better price for their cream. The most satisfactory results to both farmers and the creamery will be produced, states Mr. Bendickson, if the farmers will bring in their cream two or three times a week.

Mr. Bendickson has announced that because of the harvest rush being on, no formal celebration to mark the opening of the new creamery will be held at present but after the harvest season is completed formal ceremonies marking the importance to the community and county of the new establishment will be held.

Mr. and Mrs. J. E. Speegle and Mrs. Boswell returned Tuesday from a visit with friends and relatives at Erick and Tipton, Oklahoma.

Orphans to Benefit by Big Wheat Yield Here

In the early days of Christianity every family gave a part of the yield from their fields to the Church. That custom has, in part, been revived during the past few days in Hereford and adjoining territory.

Buckner's Orphan Home, located at Dallas, a religious and benevolent institution operated and supported by the Baptist General Convention of Texas, representing all of the Baptist churches in Texas, is in urgent need of additional funds for the care of the more than 700 orphan children who today are finding loving care, spiritual training and scholastic education there. Though operated by the Baptists, the Home admits children of white parents regardless of their religion or lack of religion.

In an effort to raise a portion of the needed extra funds for the Home, Rev. C. E. Saxon of Hereford, general missionary for the Tierra Blanca Baptist Association, conceived the idea a few days ago of asking each of the farmers within the territory he serves to make a gift to Buckner's Orphan Home of a small portion of the bountiful crop of wheat which they are now harvesting. By combining the gifts of wheat from individual farmers, Rev. Saxon hopes to gather a carload of wheat for the Home.

After the wheat is assembled at Hereford, it is the plan of Rev. Saxon to ship it to Amarillo and have it converted into flour, which will then be shipped to the Home at Dallas. Rev. Saxon has been assured by officials of the Santa Fe and other railroads which will handle the wheat and the flour after it is milled, that the shipments will be transported free of charge. Though not certain yet, it is believed by Rev. Saxon that arrangements will be made with the mills at Amarillo whereby the wheat collected here will be converted into flour, before shipping to the Home, without cost or at a very minimum charge.

Rev. Saxon first suggested his "tithing" plan at a Sunday school meeting held a short time ago at the Valentine school house, 35 miles northwest of Hereford. Every man at that meeting, declares Rev. Saxon, approved heartily of the suggested plan of giving a portion of their abundant crop of wheat for such a worthy purpose. Each farmer present gave from five bushels to a truck load of wheat and agreed to haul it to Hereford when they should be notified by Rev. Saxon that he was

(Continued on Page Seven.)

District Court Docket Shows Heavy Listing

Announcement was made this week by County Clerk L. H. Foster that the District Court would convene at Hereford on Monday, July 29. Judge Reese Tatum, of Dalhart, will preside. Ben M. Richards, district attorney, and Horace L. Schloss, court reporter, both of Dalhart, will accompany Judge Tatum to Hereford.

Grand jurors for the term announced by County Clerk Foster are: George Beams, R. H. Beavers, A. G. Bell, Claude Benton, Wes Brady, J. E. Brooks, G. W. Brumley, J. D. Buchanan, W. P. Caraway, C. P. Cockrell, H. G. Conkwright, C. H. Dyar, E. D. Fox, J. T. Gilbreath, Wirt Phillips, H. L. Rice.

Cases already listed for trial at the coming term of the district court are:

Andy Robinson vs Henry Wilson, suit on note.

Andy Robinson vs First State Bank et al, suit on note.

Charles S. Woodruff vs Charles W. Hays, suit on note.

Ella L. Burch vs J. L. Bain et al, suit on note.

J. E. Morrison vs C. R. Smith et al, suit on commission.

Grace Bosley vs C. E. Bosley, suit for divorce.

Anna R. Snelling vs Jacob R. Allen et al, to try title.

Catherine Schmitz vs L. W. Hough et al, suit on note.

E. H. Norton vs Larkin H. Spurgeon et al, suit to try title.

J. R. Higgins vs Addie Higgins, suit for divorce.

Saffie Sporko vs L. J. Sporko, suit for divorce.

Beulah A. Stafford et al vs Herbert Huffman, suit for partition.

W. E. Danlap vs L. W. Hough et al, suit on note.

J. T. McDonald vs S. E. Cone et al, suit to quiet title.

Essie D. Parrott et al vs Cordelia Hufstader, suit on partition.

Charles Donald vs Roy Baker, suit on note.

J. T. Cunningham vs E. L. Donner, suit on note.

Charles Donald vs H. M. Smith, suit on note.

E. E. Ramsey vs J. E. Golden et al, suit on note.

Harold Spratt, son of Mr. and Mrs. I. H. Spratt, arrived in Hereford Saturday to spend the remainder of his vacation. He has been visiting his grandparents, Mr. and Mrs. G. F. Littrell at Sturgeon, Missouri.

Car Smash Results Serious for Girl

Etoyole Joiner, 16-year-old daughter of J. B. Joiner, residing four miles west of Hereford, sustained a broken leg, severe bruises about the head and body when the Ford sedan in which she was riding with Alva Carroll and Lloyd Banta, both of Hereford, collided at 5:00 o'clock, Thursday, July 4, on the highway one mile east of the city with a Chevrolet coupe and trailer driven by Bill Knox of this city.

According to reports of the accident, the Ford car after colliding with the Chevrolet, went into the ditch and overturned twice. Alva Carroll received several cuts on the left arm and was severely bruised. Banta was severely bruised on the right side of the face and head. Knox, driver of the Chevrolet, escaped without injury. The Ford car was badly damaged, while the Chevrolet escaped with mangled fenders and a broken right wheel and ruined casings.

All the injured were brought Thursday night to the Deaf Smith County Hospital. After first aid treatment, Lloyd Banta was allowed to leave for his home. Alva Carroll was kept in the hospital overnight for observation and further treatment and sent home Friday. Miss Joiner, with the exception of the broken limb, is reported to be progressing nicely and practically recovered from the effects of the shock suffered by the accident.

W. R. Arnold Resigns As C. of C. Secretary

Announcement was made here Saturday by W. R. Arnold, who for some time has been employed here as Secretary of the Hereford Chamber of Commerce, that he had resigned the position and was immediately entering the grain buying business, with G. E. Douthitt.

The resignation of Mr. Arnold, which was effective Saturday, has been accepted by T. R. Seigler, president of the Hereford Chamber of Commerce.

During his occupancy of the position of secretary of the local chamber of commerce, Mr. Arnold has drawn much favorable attention to the resources of the community and to Deaf Smith county and has been active in promoting various enterprises contributing to the growth and development of both.

Mr. and Mrs. R. J. Richardson, who are with the Texas Company, spent Sunday in Amarillo.

COMMISSIONERS COURT ISSUES STATEMENT ON SPECIAL 15c ROAD TAX

Point Out Advantages of Higher Tax Rate In Opening Up New Roads and Maintaining Those Now In Use In County.

Elections Next Tuesday May See Big Vote

On next Tuesday, July 16, voters of the county will be called upon to vote at two special elections, both held at the same time and place and supervised by the same set of election judges and clerks.

Of special interest to the people of Deaf Smith county is the proposed special 15 cent county road tax, the funds from which, if approved by the voters, will be used for building new roads in the county and for their repair and upkeep.

In the other special election the voters are asked to express their wishes in the matter of increasing the salary of the Governor of Texas to the sum of \$10,000 per year and to increase the number of the members of the Supreme Court to a total of twelve.

Polling places for the special election have been designated by Judge Earl W. Wilson as follows: Precinct Nos. 1 and 2 at court house, Hereford; No. 3 at the L. O. Gore residence; No. 4 at Stims school house; No. 5 at Union School house; No. 6 at Ford school house; No. 7 at Dawn school house; No. 8 at Farwell school house; No. 9 at Hippus school house, and No. 10 at Daniels school house.

Polls open at 8:00 a. m. and close at 7:00 p. m.

H. L. Vaughn and family of Hayden, Arizona, arrived the latter part of last week to visit in the home of his father, O. Vaughn. He is employed by the Nevada Consolidated Copper Co. in the accounting department. Mr. Vaughn formerly lived in Hereford.

"As during the past year or two there has been a lot said about the proposed special 15-cent county road tax, the Commissioners' Court of Deaf Smith county think that perhaps the public may be interested in knowing just what the Commissioners themselves think about the tax, and for that reason are issuing this statement.

"The Commissioners regard themselves as the custodians of the money paid by the people as taxes. They are the servants of the people and want to do what the people themselves want done, and they want to do it in a businesslike way. The county roads and the tax money belong in part to each tax payer in the county. It is their property, and the Commissioners want to do with it exactly what the people want done with it.

"People come to the Commissioners' Court and want new roads, culverts, bridges to span creeks and draws; they want old roads repaired; want roads dragged; want weeds cut; want roads straightened; hills cut down; fills graded up; want roads built around lakes, which in many instances requires the buying of right of ways.

"The Court wants to grant all of these requests, but to do that takes money.

"Up until the last year or two the Court, by transfers of money from one fund to another, had managed to meet all of these demands, but the increased demands upon the Commissioners for roads, more roads and better roads, have brought conditions to a point now where, if these requests are to be granted, the Court must have money from some additional source besides those sources which now supply the funds used for these purposes.

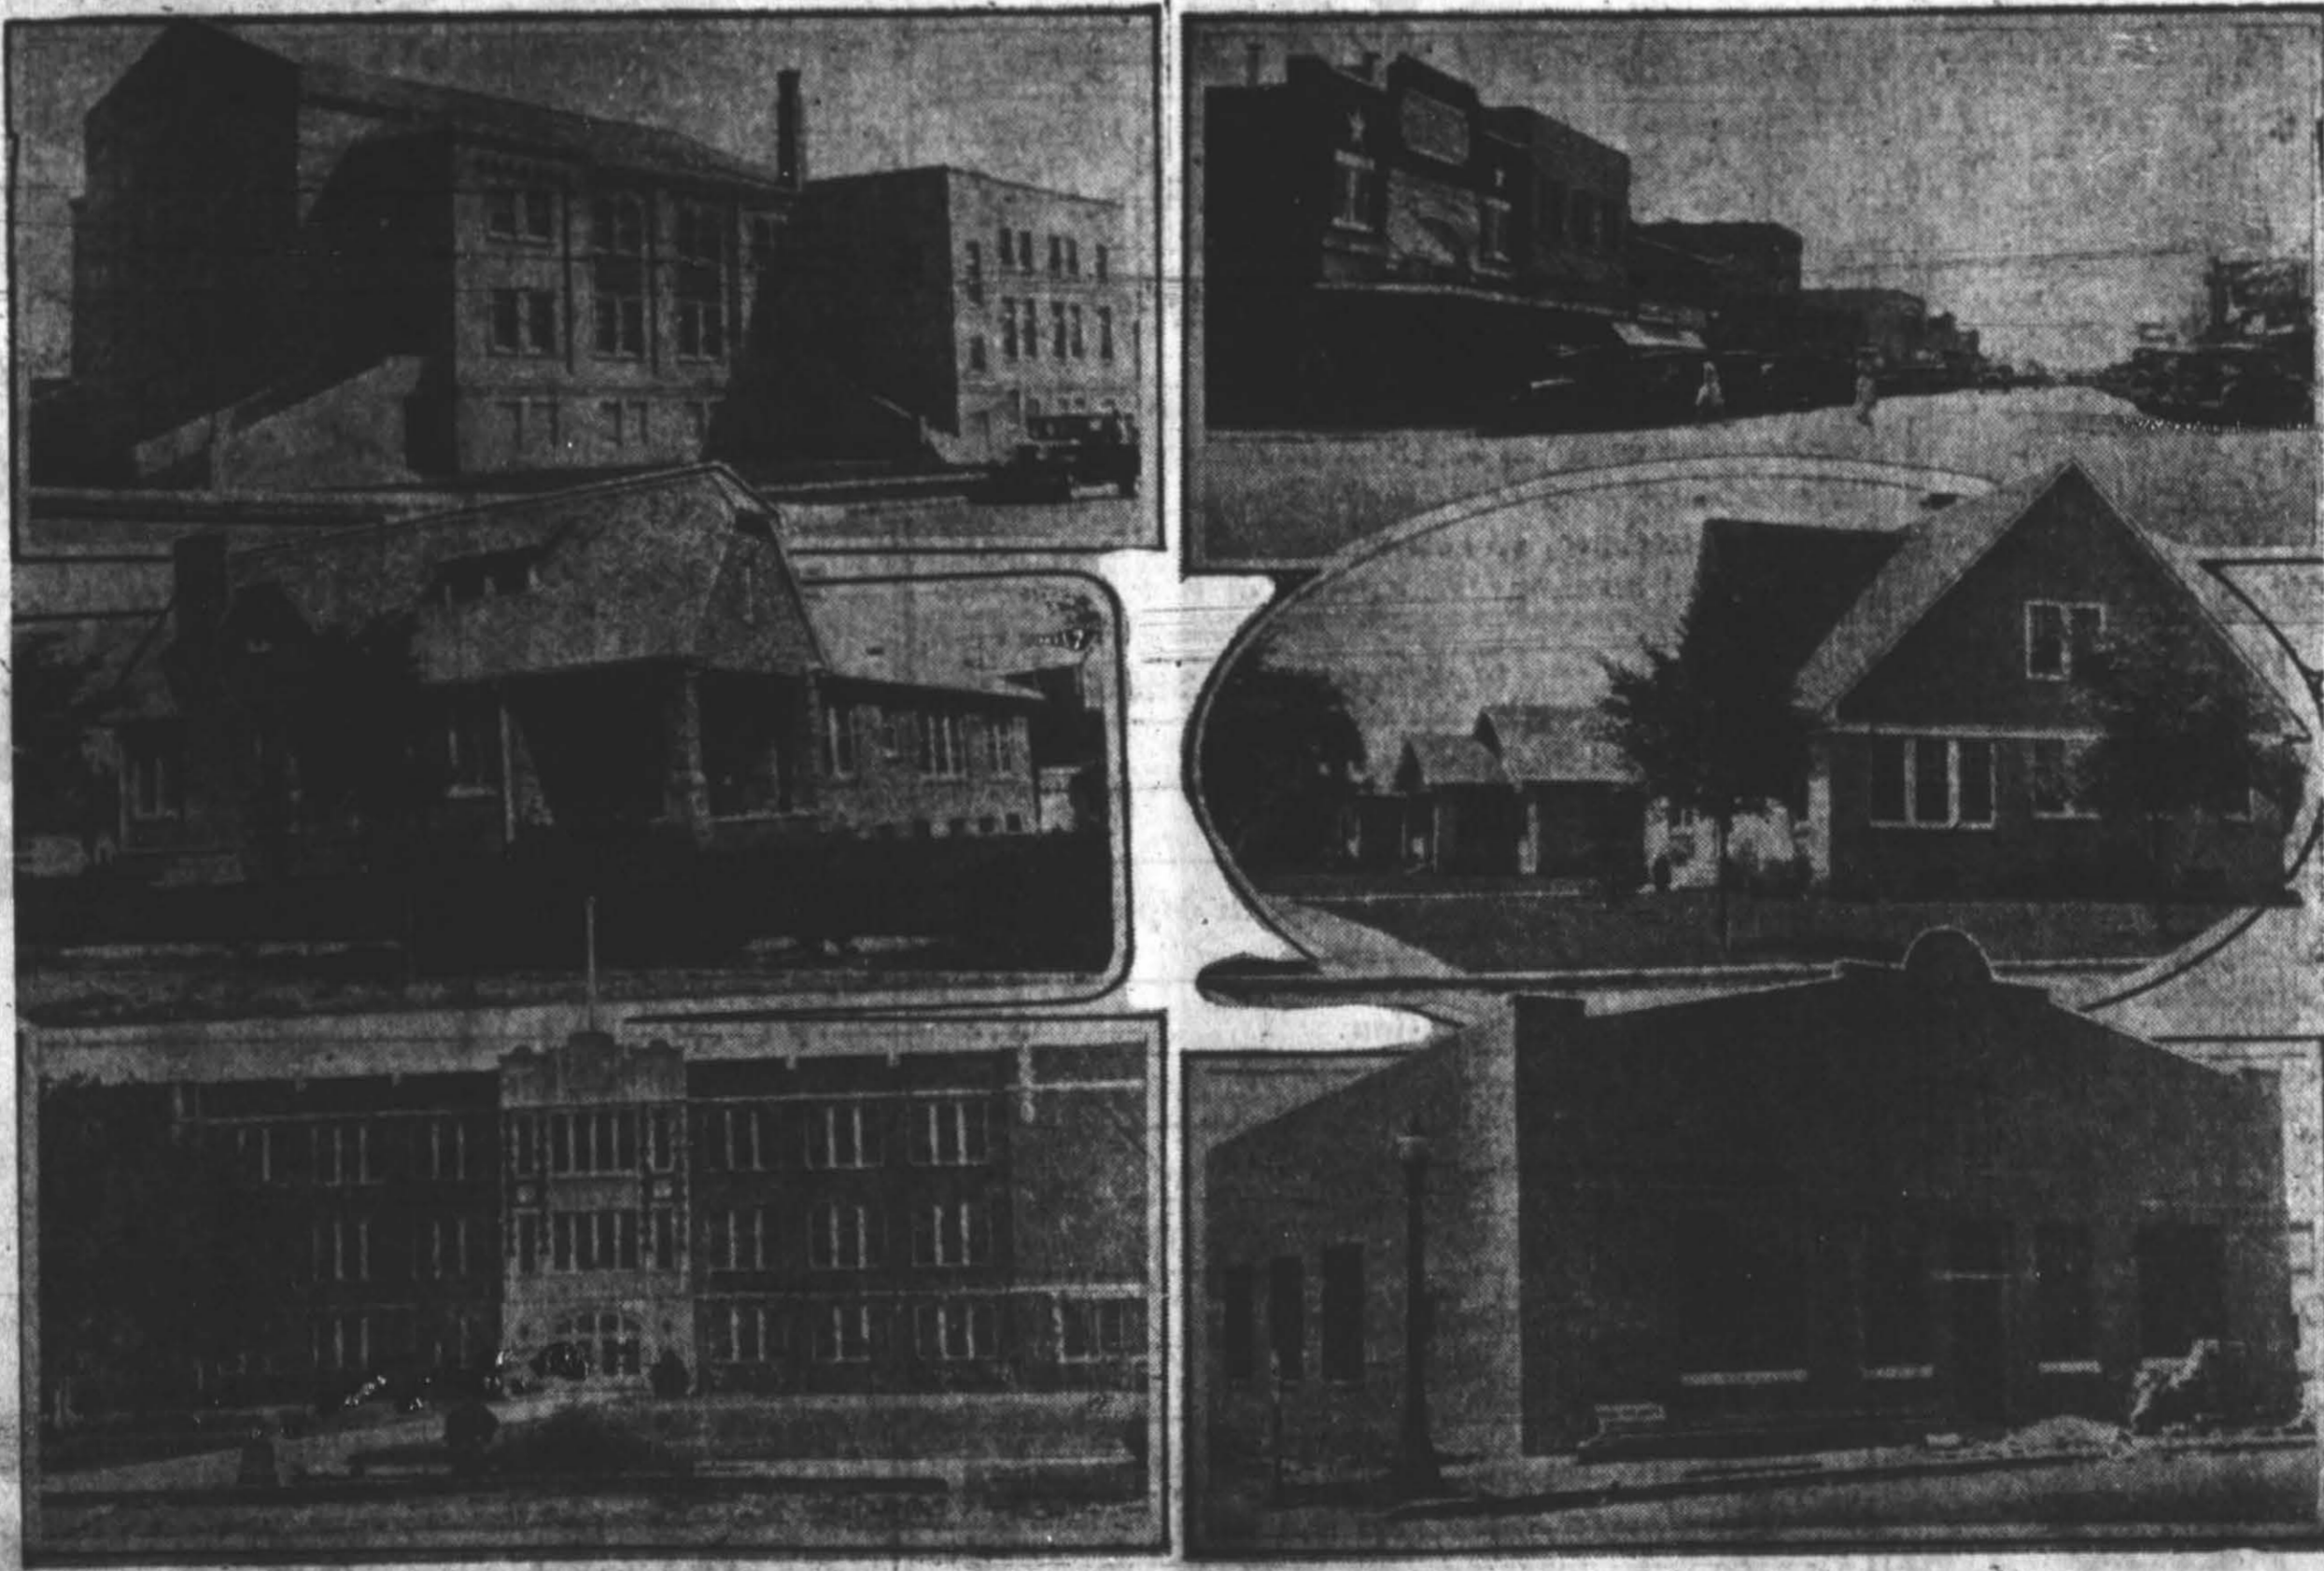

"People are continually demanding better roads for trucks and cars and these demands have forced the Court to buy additional road machinery for the upkeep and repair of the existing roads and the two road outfits now owned by the county are only half enough machinery for the needs of the county.

"In order to do justice to the roads in his district, each of the four Commissioners should have a road outfit available for repair and upkeep of the roads in his precinct. With the present funds available, it is going to be difficult, if not impossible, to keep both of the two road outfits now owned by the county in operation.

"Now, regarding the election to be held next Tuesday, July 16, to vote on a special 15 cent county road tax: We want the people to know that we are in favor of such a tax because we feel that this is for the benefit of the people of

Three Special Sales Here Get Big Patronage

All roads lead to Hereford this week. Truck load after truck load of wheat is pouring into the elevators every day and thousands of dollars are being paid to the farmers of Deaf Smith and adjoining counties. Notes at the banks are being paid off, farm machinery paid for, store bills being settled and yet thousands of dollars remain to be deposited in the bank or to purchase the many different things for the home and for the members of the family that the mothers and fathers have planned so many times on buying.

In order that the people of Hereford and the surrounding territory may be able to buy the hundreds of things they want for themselves or the home, three of the leading merchants of Hereford are this week holding special sale events at which prices have been reduced, they say, far below regular selling prices.

On Wednesday morning the J. W. Mercantile Co. commenced a sixteen day expansion sale and the stock of well known brands of

ADS THAT PAY.

Radio has been much praised as an advertising medium, and far be it from any newspaper to question its value for that purpose. But according to Roger Babson, the hard-headed business statistician, there is another advertising medium so much more effective that, radio can hardly be called a competitor.

The Babson Statistical Organization, says Mr. Babson, advertising its own service, recently spent \$3,000 for the half-hour publicity program on one of the national radio networks. Then two days later it inserted an ad costing the same sum in the newspapers of five cities.

From the radio ad the organization got 16 inquiries and two telegraphed orders. From the newspaper ad, apparently covering a far smaller area, it got around 4,000 inquiries. Mr. Babson figures that the radio replies cost \$166.66 apiece, while the replies from the newspaper ads cost 75 cents apiece.—Exchange.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
 To the Sheriff or any Constable of Deaf Smith County—Greeting:
 You are hereby commanded to summon Addie Higgins by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Deaf

Smith County, to be holden at the Court House thereof, in the City of Hereford, on the last Monday in July A. D. 1929, the same being the 29th day of July A. D. 1929, then and there to answer a petition filed in said Court on the 24th day of June A. D. 1929, in a suit, numbered on the docket of said Court No. 1731, wherein J. R. Higgins is plaintiff, and Addie Higgins is defendant, said petition alleging in substance that: On November 4, 1927, plaintiff and defendant were lawfully married to each other in the City of Clovis, State of New Mexico, and continuously resided together at the plaintiff's home about ten miles northwest of Hereford, in Deaf Smith County, Texas, until on or about the 11th day of February, 1929, at which time the defendant, without any cause or justification on the part of plaintiff, abandoned and left plaintiff, and since said time plaintiff and the defendant have not lived together as husband and wife.

That, for a period of about six months after said marriage plaintiff and the defendant lived happily together, or apparently so, on the part of the defendant; but that after the plaintiff and the defendant had been married for about six months, the defendant, wholly disregarding the solemnity of her marriage vow to treat plaintiff with kindness and attention, although plaintiff was ever kind and dutiful toward her as her husband, provided for her in keeping with plaintiff's financial ability, and the social status of plaintiff and the defendant, the defendant commenced and followed a course of unkind, harsh and cruel tyrannical treatment and conduct toward plaintiff, and constantly continued said treatment and conduct until the same became unbearable with plaintiff, and until the defendant finally, as above alleged, without any cause on plaintiff's part, abandoned and left plaintiff.

That, after plaintiff and the defendant had been so married for said period of about six months the defendant commenced to, and continuously during the time she and plaintiff lived together, thereafter, nag at and abuse plaintiff by applying to plaintiff opprobrious and vile epithets and names and threats of personal violence, and accusing and charging plaintiff with dishonest, often and repeatedly calling plaintiff many vile names, all without any provocation or justification, but with kindness, forbearance and indulgence on plaintiff's part, plaintiff being at all times mindful of his conjugal duties toward defendant, always kind to her, and as indulgent and considerate of her, as was humanly possible under such circumstances.

That during said time Plaintiff was in a bad state of health, from which he has not fully recovered, and the said abusive conduct of the defendant toward him was not conducive to the improvement of his said health but that owing to the natural condition of his said health, as well as his finer sensibilities and nature, such conduct tended to, in a measure, undermine plaintiff's said health, to

make their living together insupportable.
 Plaintiff prays for divorce, dissolving the bonds of matrimony between plaintiff and the defendant.
 Herein fall not, but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.
 Given under my hand and the seal of said Court, at office in the City of Hereford, on this the 25th day of June A. D. 1929.
 (SEAL) L. H. FOSTER,
 Clerk, District Court, Deaf Smith County, Texas.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
 To the Sheriff or any Constable of Deaf Smith County—Greeting:
 You are hereby commanded, that, by making publication of this Citation in some newspaper published in the County of Deaf Smith, once in each week for four consecutive weeks previous to the return day hereof, you summon Larkin H. Spurgeon, Spurgeon B. Campbell and wife, Nelle F. Campbell, all of whom reside in Clay County, Missouri; Mary E. Campbell, a feme sole, who resides in Ray County, Missouri; Jennie Ruth Campbell, a feme sole, who resides in Buchanan County, Missouri; and the unknown heirs of Samuel J. Spurgeon, deceased, Jennie Spurgeon Campbell, deceased, Emma Spurgeon Campbell, deceased, W. T. Campbell, deceased, and of Larkin H. Spurgeon, Spurgeon B. Campbell, Nelle F. Campbell, Mary E. Campbell, and Jennie Ruth Campbell, and the unknown heirs, their heirs and legal representatives, of all the above named and indicated persons; all of whose

names and places of residence, excepted as stated, are unknown; and the Bank of Independence, a banking corporation of Independence, Jackson County, Missouri; its successors and assigns; to be and appear at the next regular term of the District Court of Deaf Smith County, Texas, to be holden at the Court House thereof, in the City of Hereford, on the fifth Monday in July A. D. 1929, the same being the 29th day of said month, then and there to answer a petition filed in said Court on the 25th day of June A. D. 1929, in a suit numbered on the Docket of said Court No. 1730, wherein E. H. Norton is plaintiff and all of the above named and indicated parties, their unknown heirs, their heirs and legal representatives, successors and assigns, are defendants; the nature of the plaintiff's demand being substantially as follows, to-wit:

A suit in trespass to try title, plaintiff alleging that he is the owner in fee simple of Section No. Thirty-four (34), in Block K-7, Certificate No. 1-120, Original Grantee B. S. & F., situated in Deaf Smith County, Texas, by virtue of mesne conveyances reaching back to the sovereignty of the soil. That said land was public free school land; that it was originally awarded to J. T. Rutherford on December 1, 1890, as additional land to Section 32, same Block, and that proper proof of occupancy was made. That said Section 34 was

sold and conveyed by J. T. Rutherford and wife Hattie Rutherford to Larkin H. Spurgeon and Samuel J. Spurgeon on May 23, 1908. That on September 28, 1908, Larkin H. Spurgeon executed a deed of trust on his one-half interest therein to secure the payment to the Bank of Independence, Independence, Missouri, of a promissory note for \$900.00; that said note was duly paid, and said bank undertook to release said deed of trust lien, but that, through error and inadvertence, the certificate of acknowledgment on said release was defectively drawn, and said bank is made a party for the purpose of removing the cloud thereby cast on plaintiff's title. That on or about May 29, 1907, Samuel J. Spurgeon died; that he left no will; that no ad-

ministration was ever had on his estate in Texas; that his only heirs were and are, Larkin H. Spurgeon, a brother; Spurgeon B. Campbell, a nephew; and Mary E. Campbell and Jennie Ruth Campbell, nieces. That on March 9, 1929, said Section 34 was patented by the State of Texas to Samuel J. Spurgeon and Larkin H. Spurgeon, their heirs and assigns. That Larkin H. Spurgeon, Mary E. Campbell, and Jennie Ruth Campbell (all being more than twenty-one years old and never having been married) conveyed their interest in said Section 34 to Spurgeon B. Campbell. That on April 4, 1929, Spurgeon B. Campbell and wife Nelle F. Campbell conveyed said Section 34 to plaintiff.

Plaintiff prays for judgment for title and possession of said Section 34 and cancelling all claims, rights, titles, or interest, if any, of defendants therein, removing cloud from plaintiff's title and quieting title in plaintiff for writ of restitution, for costs of suit, and for general and special relief.
 Herein fall not, but have you before said Court on the said first day of next term this writ with your return thereon showing how you have executed the same.
 Given under my hand and seal of said Court, at office in Hereford, Texas, this 25th day of June, A. D. 1929.
WITNESS:
 (SEAL) L. H. FOSTER,
 Clerk of the District Court in and for Deaf Smith County, Texas.

Pull Your Discs with Three-Fuel Power

Built for tractor power, the one-way-disc pulled by a three-fuel Hart-Parr cuts to full width at any depth. You need not just skim your land, for Hart-Parr power enables you to set the plow down where it belongs and keep it there. Two and even three one-way-disc plows are common behind the larger Hart-Parrs. They pay their way. Hart-Parr is the one tractor that develops tremendous power from gasoline, kerosene or distillate. We are now showing the improved 1929 line equipped with three forward speeds to speed up hauling and field work. Hart-Parrs are built for small, medium or large farms. Come in and see them.

Progressive News

Chas. A. Lindsey of Joannsburg, California, visited his sister, Mrs. Parks, last week.

Mrs. Jeff Robertson called on Mrs. Greer Friday afternoon.

Mmes. Blagg and Cockrell called on Mrs. Hatchell and Miss Benson Thursday afternoon.

Wanda Blagg spent Saturday night with Leatrus Benson.

Mr. and Mrs. Luke McBrayer were dinner guests of her parents Sunday.

The Progressive Community Club met with Mmes. Blagg and Cockrell last Wednesday at the home of Mrs. Blagg. After a short business meeting the ladies spent the afternoon quilting. Miss Mabel Rowan and Mrs. Guy Ballard of Amarillo were guests. Mrs. Ballard gave two delightful readings. Refreshments were served to about fifty guests. The next meeting will be at the home of Mrs. McKenzie July 17.

Henry Benson of Shamrock spent several days last week with his sister, Miss Benson.

Mrs. Miles and Evelyn Miles of Amarillo spent Thursday with Mrs. Blagg.

Mr. and Mrs. Arch Daugherty spent Tuesday afternoon with her parents. Catherine Ricketts returned with her sister to help cook for harvest hands.

Monday night the Progressive community had a rain which will hinder combining for several days.

Mr. and Mrs. Joe Mathews and children and Mr. and Mrs. W. R. Mathews and children spent Sunday afternoon with the Cockrells.

Saturday night a good crowd of young people attended an ice cream social at the school house. At the community meeting Mrs. Rogers was elected chairman, Mrs. Parks vice chairman, and Mrs. Hershey secretary treasurer.

Mrs. Cockrell leaves Thursday for a visit with relatives. Her first stop will be at Oklahoma City with a sister and from there Mrs. Cockrell, sister and family will motor through to Brownstown, Indiana and to Louisville, Kentucky, to visit relatives and friends.

Mr. Hankins was here from Joel visiting the John Hendrix home Monday.

In the United States District Court, for the Northern District of the State of Texas, At Amarillo, EMMA S. CHERRY Plaintiff vs. F. C. COTTEN Defendant No. 271—Equity

Notice of Sale of Real Estate Under Execution

WHEREAS, by virtue of an execution issued out of the United States District Court for the Northern District of the State of Texas, at Amarillo, on a judgment rendered in said court on the 1st day of June A. D. 1929, in favor of said Emma S. Cherry and against the said F. C. Cotten, No. 271—Equity on the docket of said court, I did on the 2nd day of July, A. D. 1929, at five o'clock (5) o'clock p. m. levy upon the following described tracts and parcels of land, situate in the County of Deaf Smith, State of Texas, belonging to the said F. C. Cotten, to-wit: Section Seventeen (17) in Block One (1) Tyler Tap Ry. Co. Cert No. 57, Section Six (6) in Block Seven (7) Cert No. 1-005 of Beaty Seale and Forewood Survey, containing 1240 acres.

Now therefore on the 6th day of August, A. D. 1929, same being the first Tuesday of said month, between the hours of 10:00 o'clock a.m. and 4 o'clock p.m. on said day, at the court house door of said county, I will offer for sale and sell at public outcry, for cash, all the right, title and interest of the said F. C. Cotten in and to the said property.

Dated at Amarillo, Texas, this 3rd day of July, A. D. 1929.

S. L. GROSS, United States Marshal for the Northern District of Texas, at Amarillo.

By B. F. Harper, Deputy.

NOTICE OF EXECUTION SALE

STATE OF TEXAS, COUNTY OF DEAF SMITH.

By virtue of an Alias Execution issued out of the District Court of Deaf Smith County, Texas, on a judgment rendered in said Court, on the 4th day of May, 1929, in favor of John P. Slaton, as plaintiff, and against Jas. R. Robinson and M. R. Corbett as defendants, in cause Number 1556, entitled,

"John P. Slaton vs. Jas. R. Robinson et al" on the Civil Docket of said Court, I did on the 2nd day of July, 1929, at 4:30 o'clock p. m., levy upon the following described tract or parcel of land, situated in Deaf Smith County, Texas, as the property of the said M. R. Corbett, to-wit:

All of Section number 13, Block K-8 Certificate Number 97, Original Grantee T. T. Railway Company, containing 640 acres. Said land being about one-half mile north and four miles west of the City of Hereford; and on the 6th day of August, 1929, being the first Tuesday in said month, between the hours of ten o'clock a. m. and four o'clock p. m. on said day at the Court house door of said county, I will offer for sale and sell at public outcry, to the highest bidder for cash, all the right, title, interest and estate of the said M. R. Corbett, in and to said property.

In testimony whereof, witness my hand on this the 2nd day of July, 1929.

J. B. MILLER, Sheriff of Deaf Smith County, Texas.

Scientists say that flies carry germs of typhoid fever, infantile paralysis, summer disorders and over thirty other diseases. Flies should be killed. FLY-TOX is harmless to people but sure death

to mosquitoes, roaches, moths and bedbugs as well as flies. FLY-TOX was developed at the Mellon Institute of Industrial Research by Rex Fellowship. Insist on FLY-TOX with its perfume-like fragrance.—Adv.

BULL CIRCLE HEIFERS OUT-DO THEIR MOTHERS

College Station.—Heifers sired by circle bulls in Texas are beginning to come fresh and in most cases are giving from 25 to 50 per cent more milk than their grade mothers, so reports from several county agents show. One of the heifers sired by a register of merit bull in Falls county gave an average of 42 pounds of milk daily for the first 35 days after calving. She belongs to Jess Herridge who states that at the current price of 53 cents per pound butterfat paid by the local condenser this young heifer is producing \$34 worth of milk monthly. Her mother was just an average grade cow.

Several bull circle heifers just fresh in Scurry county are reported to be producing from 25 to 33 per cent more milk than their dams, and in Jones county two such heifers are giving 3½ and 4 gallons of milk daily, which is said by their owners to be a decided increase over their mothers' production.

CITATION BY PUBLICATION

THE STATE OF TEXAS, To the Sheriff or Any Constable of Deaf Smith County—Greeting: You are hereby commanded to summon C. E. Bosley by making publication of this Citation once in each week for four successive weeks previous to the return day hereof in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof, in Hereford, Texas, on the fifth Monday in July, A. D. 1929, the same being

the 29th day of July A. D. 1929, then and there to answer a petition filed in said Court on the 17th day of June A. D. 1929, in a suit, numbered on the docket of said Court No. 1727, wherein Grace Bosley is Plaintiff, and C. E. Bosley is Defendant, and said petition alleging for divorce; plaintiff alleging that she and defendant were married on or about November 25th, 1919, and continued to live together as husband and wife till on or about August 18th, 1923, at which time, and without fault on the part of plaintiff, the defendant intentionally and permanently abandoned her, and has since said time failed or refused and still fails and refuses to live with her or to contribute anything toward her support. That

she has resided in Deaf Smith county for more than six months next preceding the date of filing her petition, and in Texas for more than one year before the exhibition of said petition; plaintiff praying that said marriage be dissolved and for all relief, special and general, in law and in equity, she may be entitled to.

Herein fall not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Hereford, Texas, on this the 17th day of June A. D. 1929.

(SEAL) L. H. POSTER, Clerk, District Court, Deaf Smith County, Texas.

JULY 14.

EZEKIEL TEACHES PERSONAL RESPONSIBILITY

Ezekiel 33:7-16

Golden Text: Each one of us shall give account of himself to God—Romans 14:12.

Introduction.

We need the events of our last lesson to give us a background for the message of the lesson today. We must see and appreciate the conditions of the times and the personality and character of the prophet Ezekiel in order to understand God's message of individual responsibility.

Let us remember that Jeremiah gave us the germ of this great doctrine. We learned from his book that he caught a glimpse of God's mind and revealed it to his people. He was in the city of Jerusalem during the bitter days of the decline and fall of the city and temple. Ezekiel was a long distance away and in a different situation entirely. Jehovah who gave the message to Jeremiah was working out his great plan of revelation and he chose Ezekiel to take up the threads where they had been thrown and move out into a clear-cut doctrine of personal responsibilities.

The three truths of personal religion are: (a) that sin must be punished; (b) that everyone will be punished for his own sin; (c) that God is ready to welcome and pardon the penitent.

Parental Responsibility.
"The fathers have eaten sour grapes, and the children's teeth are set on edge." "What is this but a statement in popular language of the principle which we call heredity? It is a truth which we can all verify from our own experience that, in general, children inherit the characters of their parents, just as they inherit their faces and their constitutions. Each one of us is what he is in a great measure because his parents, and their parents before them, were what they were. We may inherit evil; but, thank God, we may also inherit good. If we look back upon the history of our own country we see this principle writ large across its pages. Here is an awful responsibility which few can escape. You may either be a rebel against God, and transmit to others a nature lowered by base desires and selfish indulgence, or you may be a worker together with God by so using the talents which he has committed to you that your children may be the happy inheritors of earnestness and purity and faith."

The Soul that Sinneth.
"The soul that sinneth, it shall die."—Ezekiel 18:4. "The soul that sins dies, not because God utters a sentence of death and inflicts a positive punishment, but by and from the very nature of sin, and in consequence of the ordinary and necessary processes of a well and wisely ordered world. The 'death' of a man or a nation is not from a divine fist, and due to the issue of an irrevocable edict. It is the inevitable outcome of conscious and intelligent acts on the part of men and nations, and is directly and immediately due to their choice of deeds in a world formed for the perpetuity and eternal reproduction of goodness, and the sure, if slow, decay and disappearance of wrong."

Punishment for Sin Just and Right.
"If there be no repentance men must be punished, for on any other theory there is an end of moral government. The worst thing that could happen to a world of men would be for God to say: 'I retract my law; I will neither reward virtue nor punish iniquity; do as you like.' Then the earth would be like a hell, indeed. The greatest enemy to civil government among men is the man who preaches universal salvation—salvation apart from a change of heart and life. Such teachers are a danger to national order, they remove the foundations of the commonwealth. They practically say 'Do just as you like; it may make a slight difference to you for a little while, but it will soon be over, and villains and saints will share an equal heaven.' Such talk is damnable. I can say no less. If there is to be a government at all, it is necessary that sin should not go unpunished; leniency to the dishonest is cruelty to those who injure. To save the murderer is to kill the innocent. It were an evil day for heaven and earth if it could once be proven that God would reward the depraved in the same way as the sanctified; then would the foundation be removed, and what would the righteous do? A God who was not just would be a poor ruler of the universe."—C. M. Spurgeon.

"Why Will Ye Die?"
"Turn ye, turn ye, from your evil ways; for why will ye die, O house of Israel?" "A yearning

tenderness here manifests itself, still seeking, notwithstanding all that has taken place, the return of those who survived to the way of peace. But with that tenderness what a stern and unflinching holiness! There can be no relaxation or abatement mentioned in respect to this, not even amid the moanings of pain and cries of distress which arose from the people—no return to life possible but thru a return to righteousness. God is anxious; as a kind and affectionate parent, to see them restored to a happy and prosperous condition; he would not have thought them ignorant of that. But they must also know that in God's sight there was a higher thing still, which he could on no account sacrifice for the sake of the other; he must maintain in his dealings with them the honor of his authority and the rectitude of his government; and only if they turn from their wicked ways, can he turn from his fierce displeasure.

"Why will ye die? What fearful thing is there in heaven, which makes you flee from that world? What fascinating object in hell, that excites such frenzied exertion to break every band, and overleap every mound, and force your way downward to the chambers of death? Stop, I beseech you, and repeat, and Jesus Christ shall blot out your sins, and remember your transgressions no more."—Lyman Beecher.

One Sure Test.
"There is one test—nor any more sure in the laboratory of the chemist—by which to distinguish the godly from the ungodly, when both have fallen even into the very same sin. It is worth knowing, and never fails. It is the

test by which you may know a sheep from a swine, when both have fallen into the same slough, and are, in fact, so besmired that neither by coat or color can the one be distinguished from the other. How to distinguish them? Nothing more easy! The unclean animal, in circumstances agreeable to its nature, wallows in the mire, but the sheep—type of the godly—bleats, and strives, and struggles to get out."—Thomas Guthrie.

Personal Responsibility.
"In your heart you know that no circumstances compelled you to sin. This is the utterance of your own living consciousness. It is a true psychology, the voice of philosophy as well as of Scripture, which tells you you are without excuse. Even when you try to excuse yourself you are ashamed. The more your heart is true, the more your spiritual sight is clear, the more does your sin make itself your own, and accuse and condemn yourself. And if this is not to verify the fact of responsibility, I know not what verification means."

"No one lives who is entirely without influence. Every one is helping or hindering others every day of his life. There is no flower that bloom even on dimmest mountain peak or in the deepest dell but that the air is sweeter because of it. There is no cesspool anywhere wherever hidden, but that the air is fouler because of it. Nor has any one of us today had a thought or desire heavenward, but that the world is better for it. Nor has anyone of us had a thought or desire of evil today but that this world of ours has swung a little nearer the pit."

Our Permanent Record.
"No action, whether foul or fair, is ever done, but it leaves somewhere a record, written by fingers ghostly, As a blessing or a curse."

ORDINANCE NO. 233

An ordinance by the City Commission of the City of Hereford, Texas, defining "milk" and certain milk products, "milk products," "pasteurization," etc., prohibiting the sale of adulterated and misbranded milk and milk products, requiring permits for the sale of milk and milk products, regulating the inspection of dairy farms and milk plants, the testing, grading, labeling, placarding, pasteurization, regrading, distribution, sale and consumption of milk and milk products, providing for the publishing of future ordinances and milk plants, the enforcement of this ordinance, and the fixing of penalties.

Be it ordained by the City Commission of the City of Hereford, Texas, as follows:

Section 1. Definitions.

The following definitions shall apply in the interpretation and the enforcement of this ordinance:

MILK.—(A) Milk is hereby defined to be the whole, fresh, clean, lacteal secretion obtained by the complete milking of one or more healthy cows, properly fed and kept, excluding that obtained within fifteen days before and five days after calving, or such longer period as may be necessary to render the milk practically colostrum free; which contains not less than eight and one-half per cent (8 1/2%) of solids not fat, and not less than three and one-fourth per cent (3 1/4%) of milk fat.

MILK FAT OR BUTTER FAT.—(B) Milk fat or butter fat is the fat of milk and has a Reichert-Meisel number of not less than twenty-four (24) and a specific gravity of not less than 0.905 (40 degrees C-40 degrees C).

CREAM.—(C) Cream is a sweet cream, is that portion of milk, rich in milk fat, which rises to the surface of milk on standing or is separated from it by centrifugal force, is fresh and clean, and which contains not less than eighteen per cent (18%), preferably twenty per cent (20%) of milk fat; provided that cream having less than eighteen per cent milk fat shall be known as standard cream.

Cream having less than thirty per cent (30%) milk fat shall be known as light cream. Cream having thirty per cent (30%) or more and less than forty per cent (40%) milk fat shall be known as heavy cream, and cream having forty per cent (40%) or more milk fat shall be known as extra heavy cream.

Whipping cream and manufacturing cream are cream containing not less than 30% milk fat intended for whipping or manufacturing purposes, and the grades of same shall not be based on bacterial count.

SKIMMED MILK.—(D) Skimmed milk is milk from which substantially all the milk fat has been removed.

CHOCOLATE MILK.—(E) Chocolate milk is defined as whole or adjusted or skimmed milk to which has been added in a sanitary manner a chocolate syrup composed of wholesome ingredients, and which is labeled with the grade of milk or milk products from which it is made. If chocolate milk contains less than three and one-quarter per cent (3 1/4%) milk fat, the label shall indicate the per cent of milk fat to which the milk has been adjusted.

BUTTERMILK.—(F) Buttermilk is the product which remains when milk fat is removed from milk or cream, sweet or sour, in the process of churning. It contains not less than eight and five-tenths per cent (8 5/10%) of solids not fat.

CULTURED BUTTERMILK.—(G) Cultured buttermilk is the product resulting from the souring or treatment by a lactic acid culture of milk or milk products.

Evaporated Milk (unsweetened).—(H) Evaporated milk (unsweetened) is milk from which a considerable portion of water has been evaporated and which contains not less than twenty-five and five-tenths per cent (25 5/10%) of milk solids and not less than seven and eight-tenths per cent (7 8/10%) milk fat.

Condensed Milk (sweetened).—(I) Condensed milk (sweetened) is milk from which a considerable portion of water has been evaporated, to which sugar has been added, and which contains not less than twenty-eight per cent (28%) of milk solids and not less than eight per cent (8%) milk fat.

Condensed Skimmed Milk.—(J) Condensed skimmed milk is skimmed milk from which a considerable portion of water has been evaporated, and which contains not less than twenty per cent (20%) of milk solids.

Powdered (dried) Whole Milk.—(K) Powdered whole milk is milk from which substantially all the water has been removed, and which contains not less than twenty-six per cent (26%) of milk fat and not more than five per cent (5%) of moisture.

Powdered (dried) Skimmed Milk.—(L) Powdered skimmed milk is skimmed milk from which substantially all the water has been removed, and which contains not more than five per cent (5%) of moisture.

Recombined Milk.—(M) Recombined milk is a substance produced by recombining powdered whole milk, powdered skimmed milk, condensed or evaporated whole milk, or skimmed milk, and milk fat, with water, and shall conform in milk-fat percentage and bacterial counts to the provisions of this ordinance relating to milk.

Milk Products.—(N) Milk products shall be taken to mean and include cream, skimmed milk, adjusted milk, buttermilk, cultured buttermilk, evaporated milk (unsweetened), condensed skimmed milk, powdered whole milk, powdered

skimmed milk, and recombined milk. Pasteurization.—(O) The term "Pasteurization." "Pasteurized," "Pasteurize," and similar terms shall be taken to refer to the process of heating every particle of milk or milk products to a temperature of not less than one hundred and forty-five degrees (145 degrees) Fahrenheit, and holding at such temperature for not less than thirty (30) minutes in pasteurization apparatus approved by the health officer, the temperature and time being automatically recorded by a temperature and time recording device approved by the health officer.

Adulterated Milk and Milk Products.—(P) Any substance claimed to be any milk or milk product defined in this ordinance but not conforming with its definition as given in this ordinance shall be deemed adulterated and misbranded.

Milk Producer.—(Q) A milk producer is any person, firm or corporation which owns or controls one or more cows, a part or all of the milk from which is for sale or sold or delivered to another person, firm or corporation. This section shall not be construed to include what is generally known as "family cows."

Milk Distributor.—(R) A milk distributor is any person, firm, or corporation which has in possession, offers for sale, sells, or delivers to another any milk or milk products for consumption or manufacturing purposes.

Dairy or Dairy Farm.—(S) A dairy or dairy farm is any place or premises where one or more cows are kept, a part or all of the milk or milk products from which is sold or delivered to any person, firm or corporation. This section shall not be construed to include what is generally known as "family cows."

Milk Plant.—(T) A milk plant is any place, or premises, or establishment where milk or milk products are collected, handled, processed, stored, bottled, pasteurized, or prepared for distribution.

Health Officer.—(U) The health officer shall be taken to mean the health officer of the city of Hereford in person, or his authorized representative.

Average Bacterial Count.—(V) Average bacterial count shall be taken to mean the average of the bacterial counts of all samples taken during the grading period, including at least four samples taken upon separate days.

Grading Period.—(W) The grading period shall be such period of time as the health officer may designate within which grades shall be determined for all milk and cream supplies, provided that the grading period shall in no case exceed six (6) months.

Disinfectant.—(X) A disinfectant is any germicidal substance approved by the health officer.

The Sale of Adulterated or Misbranded Milk or Milk Products Prohibited.—No person, firm, association, or corporation shall within the city of Hereford produce, sell, offer or expose for sale, or have in possession with intent to sell any milk or milk products which is adulterated or misbranded.

Section 2. Permits.—It shall be unlawful for any person, firm, association, or corporation to bring into or receive into the city of Hereford, for sale, or to sell, or offer for sale therein, or to have on hand any milk or milk product, excepting evaporated milk, condensed milk, condensed skimmed milk, powdered whole milk, and powdered skimmed milk, who does not possess an unrevoked permit from the health officer of the city of Hereford, and on whose vehicles or in whose place of business there does not appear in a conspicuous place a placard showing the permit number in figures at least three inches high and one and one-half inches wide.

Such a permit may be revoked by the health officer upon the violation by the holder of any of the terms of this or any other health ordinance of the city of Hereford, provided that the holder of said permit shall, after complying with such revocation, have the right of appeal to the board of health.

Section 4. Labeling and Placarding.—All bottles, cans, packages, and other containers enclosing milk or any milk product defined in this ordinance shall be plainly labeled or marked with (1) the name of the contents as given in the definitions in this ordinance; (2) the grade of the contents if said contents are graded under the provisions of this ordinance; (3) the word "pasteurized" if the contents have been pasteurized; (4) the word "raw" if the contents are raw; (5) name of producer or distributor. The label or mark shall be in letters of a size and kind approved by the health officer and shall contain no marks or words not approved by the health officer.

Every grocery store, restaurant, cafe, soda fountain, or similar establishment selling or serving milk shall display at all times, in a place designated by the health officer, a card furnished by the health officer, stating the grade of the milk at the time when delivered and whether the same is raw or pasteurized, and including the following statement: The Safest Grade of Milk is Grade "A" Pasteurized.

Section 5. Inspection of Dairy Farms and Milk Plants for the Purpose of Grading or Regrading.—At least once during each grading period the health officer shall inspect every dairy farm producing milk or cream for consumption within the city of Hereford, and all milk plants, whose milk or cream is intended for consumption within the city of Hereford. In case the health officer discovers the violation of any item of sanitation, he shall make a second in-

spection after a lapse of such time as he deems necessary for the defect to be remedied but not before the lapse of three days, and the second inspection shall be used in determining the grade of milk or cream. Two violations of this ordinance within any one grading period shall call for immediate regrading.

One copy of the inspection report shall be posted by the health officer in a conspicuous place upon an inside wall of one of the dairy farm or milk plant buildings, and said inspection report shall not be removed by any person except the health officer. Another copy of the inspection report shall be filed with the records of the health department.

Section 6. The Testing of Milk and Milk Products.—During each grading period at least four samples of milk or cream from each dairy farm and each milk plant shall be tested by the health officer. Samples of milk and cream from stores, cafes, soda fountains, restaurants, and other places where milk products are sold shall be tested as often as the health officer may require. Bacterial count shall be made in conformity with the plate-count method of the standard methods recommended by the American Public Health Association.

Tests may include such other chemical and physical determinations as the health officer may deem necessary for the detection of adulteration. Notices of bacterial counts shall be given to the producer or distributor concerned as soon as made, or to any interested person on request. Samples may be taken by the health officer at any time prior to the final delivery of the milk or milk products. All stores, cafes, restaurants, soda fountains, and other similar places shall furnish the health officer, upon his request, with the name of the milk distributor from whom their milk is obtained.

Should the market value of any single sample exceed twenty-five cents, the city of Hereford shall pay the distributor therefor.

Section 7. The Grading of Milk and Cream.—At least once every six (6) months the health officer shall announce through the press the grades of all milk and cream supplies delivered by all producers or distributors and ultimately consumed within the city of Hereford. Said grades shall be based upon the following standards, the grading of cream being identical with the grading of milk:

Certified Milk: Certified milk is milk which conforms with the requirements of the American Association of Medical Commissions, and is produced under the supervision of the Medical Milk Commission of the Medical Society of Deaf Smith County, and of the State Board of Health, or City or County Health Officer.

Grade "A" Raw Milk: Grade "A" raw milk is milk the average bacterial count of which as determined under section 6 of this ordinance does not exceed 50,000 per cubic centimeter, and which is produced upon dairy farms conforming with all of the following items of sanitation:

Cows: Tuberculosis and other diseases.—(1) A physical examination and tuberculin test of all cows shall be made before any milk therefrom is sold, and at least once every twelve months thereafter by a veterinarian approved by the health officer or by the State livestock sanitary authority, and x-ray tests shall be made, and any reactors disposed of in accordance with the current requirements approved by the United States Bureau of Animal Industry for accredited herds.

A certificate signed by the veterinarian and filed with the health officer shall be the only valid evidence of the above test. Every diseased animal shall be removed from the herd at once and no milk from diseased cows shall be offered for sale. All reacting animals shall be isolated at once and immediately excluded from the premises. All animals failing to pass the T. B. test shall be branded with the letters "T" or "TB" on the shoulder, hip or jaw, and removed at once and slaughtered under the direction of the health officer. Each letter in the brand shall be not less than two inches high and one and one-half inches wide.

Dairy barns.—(2) Lighting: Such sections of all dairy barns where cows are kept or milked shall have at least three square feet of window space for each stallion.

(3) Air space: Such sections of all dairy barns where cows are kept or milked shall have at least five hundred (500) cubic feet of air space per stallion, and shall be well ventilated.

(4) Floors: The floors and gutters of such parts of all dairy barns in which cows are kept or milked shall be constructed of concrete or other equally impervious and easily cleaned material approved by the health officer, and shall be kept clean and in good repair. No horses, pigs, fowl, etc., shall be permitted in parts of barn used for dairy purposes.

(5) Walls and Ceilings: The walls and ceilings of all dairy barns shall be white-washed once each year or painted once every two years, or finished in a manner approved by the health officer, and shall be kept clean and in good repair. In case there is a second story above that part of the barn in which cows are kept or milked, the ceiling shall be tight.

(6) Cow Yard: All cow yards shall be graded and drained as well as practicable and kept clean.

(7) Manure Disposal: All manure shall be removed and stored or disposed of in such manner as best to prevent the breeding of flies therein.

Milk House or Room.—(8) Construction: There shall be provided a separate milk house or milk room for the handling and storage

of milk and the washing and sterilizing of milk apparatus and utensils, provided with a tight floor constructed of concrete or other impervious material and graded to provide proper drainage. The walls and ceiling of the milk house or room shall be of such construction as to permit easy cleaning, and shall be painted at least once each year or finished in a manner approved by the health officer. The milk house or rooms shall be well lighted and ventilated and all openings effectively screened to prevent the entrance of flies, and shall be used for no other purpose than the handling and storage of milk or milk products and other operations incident thereto. The cleaning and other operations shall be so located and conducted as to prevent any contamination one to the other. The milk room shall not open directly into the barn or into any room used for sleeping or domestic purposes.

(9) Cleanliness and Flies: The floors, walls, ceilings, and equipment of the milk house or room shall be kept clean at all times. All means necessary for the elimination of flies shall be used.

(10) Toilet: Every dairy farm shall be provided with a sanitary toilet constructed and operated in accordance with the ordinances of the city of Hereford.

(11) Water Supply: The water supply shall be easily accessible, adequate and of a safe sanitary quality.

Utensils.—(12) Construction: All containers or utensils used in the handling or storage of milk or milk products must be made of non-absorbent material and of such construction as to be easily cleaned, and must be in good repair. Joints and seams shall be soldered flush. All milk pails shall be of a narrow-mouth design approved by the health officer.

(13) Cleaning: All containers and other utensils used in the handling, storage or transportation of milk and milk products must be thoroughly cleaned after each usage.

(14) Sterilization: All containers and other utensils used in the handling, storage, or transportation of milk or milk products shall be sterilized with steam or chlorine or in a manner approved by the State health authority.

(15) Storage: All containers and other utensils used in the handling, storage, or transportation of milk or milk products shall be stored so as not to become contaminated before again being used.

(16) Handling: After sterilization no container or other milk or milk product utensil shall be handled in such manner as to permit any part of the person or clothing to come in contact with any surface with which milk or milk products come in contact.

Milking.—(17) Udders and teats: The udders and teats of all milking cows shall be clean at the time of milking.

(18) Flanks: The flanks of all milking cows shall be kept free from visible dirt at the time of milking.

(19) Milkers' Hands: Milkers' hands shall be clean, rinsed with a disinfectant and dried with a clean towel immediately before milking. Should the milking operation be interrupted, the milkers' hands must be re-disinfected. Wet hand milking is prohibited. Convenient facilities shall be provided for the washing of milkers' hands, and such tests shall be made, and any reactors disposed of in accordance with the current requirements approved by the United States Bureau of Animal Industry for accredited herds.

(20) Clean Clothing: Milkers and milk handlers shall wear clean outer garments while working.

(21) Milk Stools: Milk stools shall be kept clean.

(22) Removal of Milk: Each pail of milk shall be removed immediately to the milk house or the straining room. No milk shall be strained in the dairy barn.

(23) Cooling: Milk must be cooled within one hour after milking to 50 degrees Fahrenheit or less and maintained at or below that temperature until delivery, unless it is delivered to a milk plant for pasteurization or separation, in which case it must be cooled or pasteurized within two hours of the time of production.

(24) Bottling and Capping: Capping shall be done by machine. Caps shall be purchased in sanitary tubes and kept therein in a clean place until used.

Personnel.—(25) Health certificates: Every person connected with a dairy or milk plant whose work brings him in contact with the production, handling, storage, or transportation of milk or milk products shall have within twelve months passed a medical examination made by the health officer.

(26) Notification of Disease: Notice shall be sent to the health officer immediately by any milk producer or distributor upon whose dairy farm any case of sickness or any infectious, contagious or communicable disease occurs.

Grade "B" Raw Milk: Grade "B" raw milk is milk the average bacterial count of which at no time prior to delivery exceeds 200,000 per cubic centimeter, or which falls in class 1 as determined by the redutest test as described in the Standard Methods of Milk Analysis of the American Public Health Association, and which is produced upon dairy farms conforming with all the items of sanitation required for grade "A" raw milk except (2), (3), (4), (5), or (6), provided that cleanliness of the barn and cow yard shall in no case be omitted. Item (23) shall apply except that the cooling temperature shall be changed to sixty (60) degrees Fahrenheit.

Grade "C" Milk: Grade "C" raw milk is milk the average bacterial count of which at no time prior to delivery exceeds 1,000,000 per cubic centimeter, or which falls in class 2 as determined by the redutest test as described in the Standard Methods of Milk Analysis of the American Public Health Association, and which is produced on

the farm and which is produced on dairy farms conforming with all the items of sanitation required for Grade "B" raw milk, except (1), (7), (12), (14), (23), (24), or (25), provided that cleanliness shall in no case be omitted.

Grade "D" Raw Milk: Grade "D" raw milk is milk which does not meet the requirements of grade "C" raw milk, and the average bacterial count of which does not exceed 5,000,000 per cubic centimeter, or which falls in class 3 as determined by the redutest test as described in the Standard Methods of Milk Analysis of the American Public Health Association.

Grade "A" Pasteurized Milk: Grade "A" pasteurized milk is grade "A" or grade "B" raw milk which has been pasteurized, cooled, and bottled in a milk plant conforming with all of the following items of sanitation and the average bacterial count of which at no time after pasteurization and until delivery exceeds 50,000 per cubic centimeter.

Building and Equipment.—(1) Floors: The floors of all rooms in which milk is handled shall be constructed of concrete or other equally impervious and easily cleaned material and shall be smooth, properly drained and provided with trapped drains, and kept clean.

(2) Walls and ceiling: Wall and ceilings of rooms in which milk is handled or stored shall be frequently painted with a light-colored paint or finished in a manner approved by the health officer and kept clean.

(3) Doors and Windows: All openings into the outer air shall be effectively screened to prevent the access of flies. Doors shall be self-closing.

(4) Lighting and Ventilation: All rooms shall be well lighted and ventilated.

(5) Protection from Contamination and Flies: The various milk-plant operations shall be so located and conducted as to prevent any contamination one to the other. All means necessary for the elimination of flies shall be used. This requirement shall be interpreted to include separate rooms for (a) the pasteurizing, cooling, and bottling operations; (b) the container-washing and sterilizing operations. Cans of raw milk shall not be unloaded directly into the pasteurizing room.

(6) Toilet Facilities: Every milk plant shall be provided with toilet facilities, conforming with the ordinances of the city of Hereford. There shall be at least one room or vestibule not used for milk purposes between the toilet room and any room in which milk or milk products are handled or stored. The doors of all toilet rooms shall be kept closed. Toilet rooms shall be kept in a clean condition, in good repair, and well ventilated.

(7) Water supply: The water supply shall be easily accessible, adequate and of a safe, sanitary quality.

(8) Washing Facilities: Washing facilities shall be provided, including hot running water, soap and sanitary towels of a type approved by the health officer. The use of a common towel is prohibited.

(9) Milk piping: Only "sanitary" milk piping of a type which can be easily cleaned with a brush shall be used.

(10) Construction of Equipment: All equipment with which milk comes in contact shall be constructed in such manner as to be easily cleaned.

(11) Disposal of Wastes: All wastes shall be disposed of in conformity with the requirements of the health officer.

Methods.—(12) All milk containers and milk apparatus shall be thoroughly cleaned after each usage and sterilized in a manner approved by the health officer immediately before each usage.

(13) Storage of Containers: After sterilization all bottles, cans, and other containers shall be stored in such manner as to protect them from contamination.

(14) Handling of Containers and Apparatus: Between sterilization and usage all containers and apparatus shall be handled in such manner as to prevent any part of the person or clothing from coming in contact with any surface with which milk or milk products come in contact.

(15) Storage of Caps: Milk-bottle caps shall be purchased and stored only in sanitary tubes and shall be kept therein until used.

(16) Pasteurization: Pasteurization shall be performed as described in the definition section of this ordinance. The time and temperature records charts shall be dated and preserved for a period of three months for the information of the health officer.

(17) Cooling: All milk not pasteurized within two hours after it is received at the plant shall then be immediately cooled to a temperature of 50 degrees Fahrenheit or less and maintained thereat until pasteurized; and all pasteurized milk shall be immediately cooled to a temperature of 50 degrees Fahrenheit or less and maintained thereat until delivery.

(18) Bottling: Bottling shall be done in automatic machinery approved by the health officer in such manner as to prevent any part of the person or clothing from coming in contact with any surface with which milk or milk products come in contact.

(19) Overflow Milk: Over from milk which has become machine contaminated shall not be sold for human consumption.

(20) Capping: Capping shall be done by machinery approved by the health officer. Hand capping is prohibited.

(21) Time of Delivery: Milk to be consumed in the form of whole milk shall be delivered to the final consumer within 36 hours of the time of pasteurization.

Personnel.—(22) Health Certificate: Every person connected with a dairy or milk plant whose work brings him or her in contact with the production, handling, storage, or transportation of milk or milk products shall have within twelve months passed a medical examination make by the health officer.

(23) Notification of Disease: Notice shall be sent to the health officer immediately by any milk producer or distributor upon whose dairy farm or in whose milk plant any case of sickness or any infectious, contagious, or communicable disease occurs.

(24) Cleanliness: All persons coming in contact with milk or milk-products containers or equipment shall wear clean outer garments and shall keep their hands clean at all times while thus engaged.

Grade "B" Pasteurized Milk: Grade "B" pasteurized milk is grade "A," "B," or "C" raw milk which has been pasteurized, cooled, and bottled in a milk plant conforming with all of the items of sanitation required for grade "A" pasteurized milk excepting (2), (4) or (24), and the average bacterial count of which at no time after pasteurization and prior to delivery exceeds 100,000.

Grade "C" Pasteurized Milk: Grade "C" pasteurized milk is pasteurized milk which does not meet the requirements of grade "B" pasteurized milk, and the average bacterial count of which at no time prior to delivery exceeds 500,000 per cubic centimeter.

Section 9. Supplementary Reading.—At any time between regular announcements of milk grades any producer or distributor may make application for regrading his product.

In case the applicant's existing low grade is due to excessive bacterial count, said application must be supported by at least two bacteriological examinations made subsequent to the end of the previous grading period and indicating that the quality of the applicant's output has improved since the last grading announcement and conforms with the requirements of a higher grade. The samples upon which the said two analyses are made may be brought to the health department laboratory by the applicant.

Upon receipt of a satisfactory application, the health officer shall make at least four bacteriological analyses upon samples collected by the health officer of the applicant's output within a period of not less than two weeks and not more than three weeks of the date of the application. The health officer shall award a higher grade immediately in case the said four analyses indicate the necessary quality.

In case the applicant's existing low grade is due to a violation of an item of sanitation other than bacterial count, said application must be accompanied by a statement signed by the applicant to the effect that the violated item of sanitation has been conformed with. Within one week of the receipt of such an application, the health officer shall make a reinspection of the applicant's establishment and, in case the findings justify said award a regrade.

At any time between regular announcements of milk grades the health officer may lower the grade of any milk producer or distributor, or if, as a result of inspection or milk analyses, a lower grade shall be justified in accordance with the terms of this ordinance.

Section 10. Transferring or Dipping Milk.—No milk producer or distributor shall transfer milk or milk products from one container to another upon the street or in any vehicle or store, or in any place except a bottling or milk room—especially used for that purpose, except as may be specially permitted by the health officer in the case of milk being delivered in bulk. The sale or dip milk is hereby expressly prohibited.

It shall be unlawful for hotels, soda fountains, restaurants, and similar establishments to sell or serve any whole milk or adjusted milk except in the original container in which it was received from the producer or distributor.

Section 11. Milk Not to be Pasteurized Outside of Deaf Smith County.—No milk or cream shall be sold in the city of Hereford that has been pasteurized outside the county of Deaf Smith, except as may be authorized by the health officer.

Section 12. Spitting.—No person shall spit, except into a receptacle provided for the purpose, in any part of any room, vehicle, or other place used for the sale, storage, handling, or transportation of milk.

Section 13. Vehicles.—All vehicles used for delivery of milk in the city of Hereford shall be so constructed as to protect the milk from the sun and from contamination. Such vehicles shall be kept clean while used in transporting milk or milk products. No substance capable of contaminating milk or milk products shall be transported in such manner as to permit contamination.

Section 14. Denaturing Misbranded Products.—The health officer shall immediately denature with rennet or some harmless coloring matter any milk or milk product found misbranded with respect to grading or sold without a permit.

Section 15. Repasteurization Prohibited.—No milk or milk products shall be pasteurized more than once.

Section 16. Future Dairies and Milk Plants.—All dairies and milk plants from which milk is supplied to the city of Hereford, which are hereafter constructed shall conform in their construction to the requirements of the health officer which shall not be less than the Grade

Unable to Work For Five Years

"Sargon did more for me than all other medicines I ever took. I was dreadfully run-down, and suffered from rheumatism continually. My joints were so stiff I could not raise my arms. I would

E. P. RUSSELL

be exhausted if I walked a city block. I had not been able to do a day's work in five years. My system was full of poisons and I suffered from constipation and bilious headaches.

"I started taking Sargon and began improving at once and now my rheumatism is better than it has been in years. Sargon Soft Mass Pills overcame my constipation and the bilious headaches, and I feel wonderfully strengthened and helped in every way.

"I believe I will soon be able to go out and work with the best of them."

The above statement was made by E. P. Russell, 1318 Royal St., Dallas.

Sargon may be obtained in Hereford at the Clark Drug Store.

—Adv.

"A" requirements of this ordinance.

Section 17. Proscribed Milk.—Milk which does not conform with the following grades as described in this ordinance shall not be sold in the city of Hereford.

Section 18. Penalty.—Any person, firm, association, or corporation who shall violate any provisions of this ordinance shall be fined not more than one hundred dollars (\$100) at the discretion of the recorder.

Section 19. Repeal and Date of Effect.—All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed; and this ordinance shall be in full force and effect immediately upon its adoption and its publication, as provided by law.

Section 20. Unconstitutionality Clause.—Should any section, paragraph, sentence, clause or phrase of this ordinance be declared unconstitutional or invalid for any reason, the remainder of said ordinance shall not be affected hereby. Each and every violation of the provisions of this ordinance shall constitute a separate offense.

Passed and approved this 1st day of July, 1929.
E. S. IRELAND,
Mayor.

ATTEST:
E. H. FINCH,
City Secretary.

CITY-WIDE TENNIS TOURNAMENT

Plans have been perfected for a city-wide tennis tournament which makes the ambitious boys of Hereford eligible in both singles and doubles. No entrance fee will be charged. Practice will begin next week and all who wish to enter should register at once at the O'Conner Drug Store. Mr. Humble states that the contestants will draw for places there also.

A number of boys expect to enter and the sooner everybody registers and begins getting in trim the more hotly-contested the games will be.

If all contestants will register immediately this summer sport will probably make more rapid progress. If enough enthusiasm is shown a girl's tournament may be arranged later on in the season.

HOME FROM TOUR OF EAST AND NORTH

Miss Margaret Gilliland, accompanied by Miss Eleanor Smith of Paducah, Kentucky, arrived in Hereford Saturday after a two months' visit in Kentucky, Tennessee, West Virginia, the Great Lakes region and points in Canada. Miss Smith will be a guest in the Gilliland home. The two young ladies were class mates four years at Sandhollow Macon Woman's College, Lynchburg, Virginia.

FREEDAY AFTERNOON BRIDGE CLUB

The Friday Bridge Club met in the home of Mrs. Chas. Donald Friday afternoon, when twenty-four guests and club members enjoyed a session of bridge and a tempting ice course.

Mrs. C. A. Skelton received high score prize, Mrs. Walter Jewell club prize and Mrs. Mary Monday booby prize.

DALLAS PEOPLE VISIT IN JOHNSON HOME

Mr. and Mrs. J. M. Stratton of Dallas were guests last week in the home of their daughter, Mrs. E. A. Johnson, Mr. and Mrs. Stratton and their daughter and her husband, Mr. and Mrs. J. T. Wheeler of Magdalena, New Mexico, left Sunday for Amarillo where they will join Mr. and Mrs. U. N. O'iver and from there will go to Des Moines, New Mexico.

ALEXANDER FAMILY MOVING TO HEREFORD THIS WEEK

D. H. Alexander, formerly manager of the Panhandle Lumber Co. in Miami, is this week moving his family to Hereford, where he has been appointed manager of the Panhandle yard in that city.

Mr. and Mrs. Alexander and son Earl, have made many close friends in Miami during their residence here who wish their success in their new home. The citizens of Hereford can well feel proud of this family as citizens of that city.—Miami Chief.

PRESBYTERIAN MISSIONARY SOCIETY HAS MEETING

The Presbyterian Missionary Society met Wednesday, July 3, at the home of Mrs. C. O. Lee in an all-day social meeting. Each lady contributed a dish for the sumptuous dinner. Mrs. A. S. Aldredge, Presbyterian president, of Amarillo, and Mrs. D. L. McDonald of Amarillo were guests. The regular meeting was held in the afternoon, a very entertaining feature of which was a talk by Mrs. Aldredge. Mrs. Alger Jones met with the society for the first time.

WEEK-END PARTY AT HOME OF MISS WOMBLE

A weekend of fun and merriment was experienced by six young people when Miss Laverna Womble entertained Saturday and Sunday in her home east of Hereford. Misses Marie Seed and Zelma Ruth Shore, Bernard Seed, Douglas Seed and Cecil Ledbetter composed the party.

FARM RELIEF

(Continued from Page One)

zation of producers into effective associations or corporations under their own control for greater unity of effort in marketing and by promoting the establishment and financing of a farm marketing system of producer-owned and producer-controlled cooperative associations and other agencies.

4. By aiding in preventing and controlling surpluses in any agricultural commodity, through orderly production and distribution, so as to maintain advantageous domestic markets and prevent such surpluses from causing undue and excessive fluctuations or depressions in prices for the commodity.

b. There shall be considered as a surplus for the purposes of this Act any seasonal or year's total surplus, produced in the United States and either local or national in extent, that is in excess of the requirements for the orderly distribution of the agricultural commodity or is in excess of the domestic requirements for such commodity.

According to the provisions of the bill, a Federal Farm Board, consisting of eight members, shall be appointed by the President to carry out the provisions of the Farm Relief Bill. Each member is to receive a salary of \$12,000 yearly and necessary traveling and subsistence expenses. Members appointed first by President Hoover serve for periods varying from one to six years, after which following appointments are made for six year terms.

The Federal Farm Board states the bill, shall invite the cooperative associations handling any agricultural commodity to establish an advisory commodity committee, composed of seven members, to represent that commodity before the Federal Farm Board in matters relating to that commodity. Such advisory committees may be organized for the different agricultural commodities produced and marketed in volume.

The board is authorized and directed to promote education in the principles and practices of cooperative marketing of agricultural products and food products thereof; to encourage the organization, improvement in methods, and development of effective cooperative associations; to keep advised and report as to crop prices, experiences, prospects, supply and demand at home and abroad; to investigate conditions of overproduction of agricultural commodities and advise as to the prevention of such overproduction; to make investigations and report on the overproduction of acreage, expanding markets, developing by-products and new uses for agricultural commodities and on transportation conditions and their effect on marketing of agricultural commodities.

A revolving fund of \$500,000,000 is authorized for use by the Federal Farm Board in carrying out the provisions of the Act.

Loans from this revolving fund are authorized to be made by the Board to any co-operative association to assist in effective merchandising of agricultural commodities and food products thereof; the construction, purchase or lease of physical marketing facilities for preparing, handling, storing, processing, or merchandising agricultural commodities or their food products; the formation of clearing house associations; extending membership of cooperative associations by educating producers in advantages of cooperative marketing of that commodity and enabling the cooperative association applying for the loan to advance a greater share of the market price of the commodity delivered to the association than is practicable under other credit facilities.

Provisions are made in the bill for the organization of "Stabilization Corporations," the voting stock or membership interests in which may be owned only by cooperative associations handling the commodity. Any stabilization corporation, declares the bill, may act as a marketing agency for its stockholders or members in preparing, handling, storing, processing

4-H Clubbers Get Inspection Soon

R. O. Dunkle, county agent, and B. H. Hopkins, vocational agriculture teacher of Hereford high school, commenced Monday the inspection and judging of projects being carried on by members of the Deaf Smith County 4-H Clubs, which will include visits to 103 farms in the county.

Members living close to Hereford were visited early in the week and George Gaede was awarded the highest rating in this district. Ruth Parks, 11 years old, was awarded highest rating in Progressive community. Other communities will be visited by County Agent Dunkle and Mr. Hopkins this week and next and winners in the various districts will be announced in next week's Brand. Stories of their projects, written by club members as a part of their tests will be graded and the more interesting ones printed later in the Brand.

Arrangements are being made by Hereford business men to send several of the 4-H club members who show the highest rating to College Station the latter part of this month to attend the Short Course.

Registration Fees Mount To New High Records

Joel M. Murchison, deputy tax collector, reports that during the month of June more than \$2,000 was collected as fees for registering of motor vehicles here which was fifteen times the amount collected during the same period last year.

The large sum collected was mostly due, stated Mr. Murchison, to the numerous trucks which have come to Hereford to aid in moving the immense wheat crop now being harvested in Deaf Smith county. More than \$200 of the amount, he said, was paid as fees for additional weight capacity of trucks. According to the records, approximately 70 per cent of the trucks registered were new trucks.

Abandoned Car Found Here Monday Morning

Investigation Monday by attaches of the sheriff's office of an automobile that had been standing for several days at the curb on the south side of the Stambaugh dry goods store proved that it was a car which had been stolen from C. Matthews, of Canadian. Notified by Sheriff Miller of its recovery, the owner came to Hereford Monday to claim it.

REV. CLOYD HOME FRIDAY

Rev. V. M. Cloyd, pastor of the First Baptist Church of Hereford, who has been away for some weeks on his vacation, will return home Friday and hold his regular services here Sunday, according to a letter just received

and merchandising for their account any quantity of the agricultural commodity or its food products and for the purpose of controlling any surplus in the commodity, may purchase, handle, store process and merchandise otherwise than for the account of its stockholders or members, any quantity of the agricultural commodity or its food products whether or not such commodity or food products are acquired from its stockholders or members. Funds from the revolving fund may be loaned for these purposes to stabilization corporations by the Federal Farm Board.

Section 11 of the bill states: The board is authorized, upon application of cooperative associations, subject to certain conditions, for the insurance of cooperative associations against loss through price decline in the agricultural commodity handled by the associations and produced by the members thereof. The agreements shall require payment of premiums for such insurance. The board may make advances from the revolving fund to meet obligations under any insurance agreement.

The sum of \$1,500,000 is appropriated for expenditures of the Federal Farm Board in executing the functions vested in it by the Agricultural Marketing Act, incurred before July 1, 1930.

by the Brand. The letter is as follows:

Edgewood, Texas, July 9, Hereford Brand, Hereford, Texas. Gentlemen: We have had a delightful vacation. The first part of my vacation period I spent at Groesbeck with the First Baptist Church in a revival meeting which resulted in 56 additions to the church. Since the close of the meeting we have been here at Edgewood with my parents and other relatives.

We start for home tomorrow and expect to reach there Friday. Please announce in your paper that I shall be in my pulpit Sunday and am anxious for all members and friends to worship with us at both hours Sunday. Fraternally,

V. M. CLOYD.

Milk Sold Here Must Stand a Very High Test

In line with other cities of equal size, Hereford is to have an ordinance to govern the sale of milk and milk products within the city. A complete copy of the ordinance, which is effective at once, appears elsewhere in The Brand.

Permits from the city health officer will be required for each person, firm, business establishment or corporation offering milk or milk products for sale in the city. Every grocery store, restaurant, cafe, soda fountain or similar establishment selling or serving milk must display in a prominent place a card furnished by the health officer stating the grade of milk sold or served. Milk must be served in original containers.

Dairy farms and milk plants furnishing milk for delivery in Hereford will be inspected regularly by the city health officer and after such inspections certificates will be issued to the farm or milk plant showing the grading awarded the establishment. Notices stating the grade of milk sold by each dairy farm or milk plant will be published by the city health officer in the newspaper. Inspections of milk served in restaurants, cafes, soda fountains and similar establishments will be made from time to time by the city health officer.

The ordinance adopted by the city provides for the testing of dairy cows for tuberculosis; the construction of barns and milk plants, the cleanliness of buildings and yards and the health of every person handling milk of milk products. Under the new ordinance every possible provision is made by the city for safeguarding the health of its citizens.

Heavy penalties are provided for those who fail to comply with the requirements of the ordinance.

FOR SALE—A one way plow, good as new. J. F. CLEAVER, Route 4, Hereford, Texas.

Your Business and Home Protection

Insurance, as a personal and business economic necessity, enters the world of commerce in all its branches and is welcomed into every home for the protective security it affords every family. Miss Edith Shields Flies Here from Vega

Miss Edith Shields, employe here of the Harrison elevator, experienced the thrill of a life-time, she declares, when last Sunday afternoon she flew in a five passenger Travelair T. A. T. plane from her home at Vega to the T. A. T. landing field at Hereford with Jim Kelly, one of the pilots who broke the world's endurance flight record a few weeks ago at Fort Worth.

Pilot Kelly, accompanied by Pilots Beasley of Amarillo and Mosley of Fort Worth, states Miss Shields, arrived in Vega about 10 o'clock Sunday morning from Amarillo and landed in a field about 100 yards from the home of her father, H. R. Shields. Accompanied by her sisters, Miss Shields went out to inspect the plant and became acquainted with Pilot Kelly and his companions. Invited to try the joys of riding in a plane the young ladies accepted.

After carrying passengers on short flights during the day, Pilot Kelly and his companions departed for Amarillo. As Miss Shields had to return to Hereford she was invited to make the flight with them and accepted. Leaving Vega at 2:50 p. m. the plane, speeding at 110 miles per hour, arrived in Hereford, circled the city and landed at the T. A. T. field at 3:20 p. m. After a brief inspection of the field, with which they announced themselves well pleased, Pilot Kelly and his companions proceeded to Amarillo.

LANDRUM-PALMER

Word has just reached the Brand of the marriage of Joe Landrum,

eldest son of Mr. and Mrs. L. P. Landrum, to Miss Margaret Bernard Palmer, of Dayton, Ohio. The ceremony was performed at Westminster Chapel, Dayton, June 15. Mr. Landrum is employed by the American Rolling Mill Company of Dayton, where they are making their home.

NEW MONEY HERE

The new U. S. Currency has been received in Hereford and is being issued in exchange for old currency by local banks. A heavy demand for the new money is developing and is expected to increase during the next few weeks. Bills are available in \$1, \$2, \$5 and \$10 denominations.

Presbyterians Call Rev. Geiser as Their Pastor

Rev. Elmer F. Geiser, of Highland Park, Illinois, was unanimously selected by the congregation of the First Presbyterian church of Hereford as their pastor. A telegram received Tuesday by church officials from Rev. Geiser stated that he would arrive here in time for the regular services at the church on Sunday, July 28.

The Brand wants rag-good clean cotton rags, with old knit underwear, stockings, linen collars, etc., absolutely barred. Good prices paid.

FOR SALE—New six-room stucco double garage, trees and shrubbery, one block from the high school, Canyon, Texas. J. M. VETESK.

THREE SALES
(Continued from Page One)

merchandise is being offered at attractive prices.

On the same day the Stambaugh Dry Goods Co. announced that after 27 years of service to the public, it was going out of business and is holding a closing out sale on every item of stock in the store at prices which they say offer unusual values to the people.

J. T. Cronin has announced that the sale being held by Sprolvis-Cronin Co. for the past two weeks will be continued for another week and that new bargains are being offered daily.

Advertised as thoroughly as a circus, with large circulars and by full page and double page advertisements in the columns of The Brand, the three sales are drawing people to Hereford from points fifty miles or more distant from the city, all eager to avail themselves of such bargains as the best quality men's suits advertised for sale at \$9.95 by the Fox Mercantile Co.; a three-pound pure white stitched cotton batt for use in making quilts, offered by the Sprolvis-Cronin Co. at 60 cents each, and the selection of women's hats on sale at the Stambaugh Dry Goods store at \$1.00 each, in addition to hundreds of other bargains quoted by each store.

Commissioners Say
(Continued from Page One)

Deaf Smith county only, and that when they vote for the tax they are voting for their own good and to enable us to comply with their wishes and demands so far as this special tax will provide, for new and better county roads and for their proper maintenance and repair.

"Every dollar received from the special 15 cent county road tax, if approved by the voters, will be spent on county roads only. Not one cent of the money will be spent on any paving project in the county or on any State or Federal highway."

TITHING
(Continued from Page One)

ready to start loading the car for shipment. Some present offered to use their trucks to collect from their neighbors the gifts of wheat and haul it to Hereford.

Since meeting with such hearty response to his "tithing" plan, the giving of a portion of the grain harvested, Rev. Saxon has been visiting the farmers in the territory embraced by the Tierra Blanca Baptist Association which includes Deaf Smith, Randall, Swisher, Castro and Farmer counties, asking them to promise a part of their wheat crop, now or when harvested, to help make up the carload shipment for the Orphan home.

So generous has been the response of every farmer visited, numbers of whom have promised a truck load, fifty bushels of grain, that Rev. Saxon believes now that it will be possible to secure two carloads of wheat to be converted into flour and sent as a gift to the home.

Due to the difficulty of visiting all of the farmers within his district, Rev. Saxon is asking every preacher and every Sunday school teacher who holds services in the rural schools or churches, and in the churches of the larger communities, to tell their congregation about the "tithing" plan and to ask everyone present to put down on a slip of paper their name and address and the number of bushels of wheat they will give. After collecting these promises from their congregation each minister and Sunday school teacher is asked to mail them to Rev. C. E. Saxon, at Hereford, Texas, who will make arrangements later for collecting the gifts and hauling the grain to Hereford. Any farmer who is not visited by Rev. Saxon or the pastor or Sunday school teacher in his district, is invited to write direct to Rev. Saxon at Hereford stating where he lives and how much wheat he will give to the home.

Harold Hicks, manager at Hereford of the Harrison Elevator, has agreed that after the harvest rush is over the gifts of wheat promised to Rev. Saxon for the Buckner's Orphan Home may be brought even in five bushel lots, to the Harrison elevator where it will be loaded into the car reserved for shipment to the home. No charge will be made by Harrison's elevator for handling the grain. The deliveries, when collecting of the grain promised commences, will be accepted at Harrison's for a period of ten days.

Any reader or subscriber of the Hereford Brand who desires to do so, may write direct to The Brand that they wish to make a gift of a part of their wheat crop to Rev. Saxon for the Orphan Home and their letters will be handed to Rev. Saxon, who will make arrangements for collecting the grain offered.

Those who have already promised Rev. Saxon a portion of their wheat crop as a gift to Buckner's Orphan Home are:

H. G. Conkwright, John Hammond, R. B. and L. J. Caldwell, E. C. and M. W. Burks, W. W. Wimberly and sons, G. W. Brumley, who have each given a truck load of wheat, 75 to 100 bushels.

E. Carter, who gave 50 bushels.

The following have given from 5 to 25 bushels: George Bippus, Ben H. Bates, J. E. Morrison, J. G. Fortenbury, Clarence Morrison, C. T. Reese, A. D. Burns, R. C. Valentine, Carter Bros., Rev. E. Harper, D. H. Allmon, W. S. Dixon, H. M. Moley, Lester Galley, L. O. Smith, W. H. London, J. M. Wilson, D. R. Carmichael, James R. Robinson, J. L. Hoffman, Ernie Bippus, F. W. Curtis, J. H.

Automobile Accident
Hurts Hereford Lad

Riley Jones, six-year-old son of Mr. and Mrs. C. S. Jones, was struck and painfully injured late Tuesday afternoon by an ancient Ford touring car occupied by a number of young girls, one of whom was driving the car.

According to witnesses of the accident, which occurred in front of the furniture store operated by Mr. Jones, the child had started across the street in pursuit of his 12-year-old cousin, John Jones, and not noticing the oncoming automobile, was struck by it before the driver could bring it to a stop. According to the young girl driving the car, the little boy stepped out from between two cars parked at the curb and though the Ford was not being driven fast, it struck the child before the car could be stopped.

Train Hits Truck;
Driver Escapes Injury

As it was crossing the Santa Fe tracks at the foot of Main Street just before noon today the one-ton truck owned and driven by J. W. Matthews of Plainview was struck by an east bound freight train and demolished. The driver jumped through the window of the cab just before the collision and escaped with only minor bruises and scratches. According to witnesses, the warning bell at the crossing was ringing and the engineer of the freight gave added warning with the whistle of the engine. Mr. Matthews, driver of the truck, said that when he noticed the approaching train he was so close to the crossing that he was unable to stop. After being struck by the engine the truck was carried several feet and the bed of the machine wrenched loose from the body was carried with its load of wheat along the station platform to the depot where the train was halted.

W. F. Jones, uncle of the injured child, picked the boy up immediately after the accident and took him into the Jones furniture store where an examination proved that the injuries were not serious, consisting mainly of a wrenched knee and bruises on the left leg. An examination later by a doctor determined that no internal injuries had been received by the child.

ELECTION NOTICE

TO ALL WHOM IT MAY CONCERN:

Notice is hereby given, that an election will be held on the 16th day of July, 1929, at the Court House in precinct number one and two; at the L. O. Gore residence in precinct number three; at the Simms school house in precinct number four; at the Union school house in precinct number five; at the Ford school house in precinct number six; at the Dawn school house in precinct number seven; at the Farwell school house in precinct number eight; at the Bippus school house in precinct number nine; at the Daniels school house in precinct number ten, to determine whether the Commissioners' Court shall levy a special road tax not to exceed fifteen cents on the one hundred dollars worth of property.

In testimony whereof, witness my hand and seal, this 24th day of June A. D. 1929.
(SEAL) EARL W. WILSON,
County Judge, Deaf Smith County, Texas.

NOTICE OF SALE OF REAL ESTATE

Under Order of Sale and Execution

In the United States District Court for the Northern District of Texas, at Amarillo.

L. J. BOSWORTH
Receiver of the First National Bank of Marshalltown, Iowa

vs.
D. H. DENMEAD

WHEREAS, by virtue of an order of sale and execution issued out of the United States District Court for the Northern District of Texas at Amarillo, on a judgment rendered in said Court on the 20th day of May, 1929, in favor of said L. J. Bosworth, Receiver of the First National Bank of Marshalltown, Iowa, and against the said D. H. Denmead, Number 517 at Law, on the docket of said Court, I did on the 24th day of June, 1929, at 10:00 o'clock a. m., levy upon the following described tracts and parcels of land situated in the Counties of Deaf Smith and Oldham, in the State of Texas, and belonging to the said D. H. Denmead, to-wit:

An undivided one-third interest in Sections Numbers One (1) and Two (2) in Block D; Sections Numbers Ninety-one (91) and Ninety-two (92) in Block K-6; sections Numbers Two (2), Twenty-six (26), Twenty-seven (27), and Twenty-eight (28) in Block K-11, and a portion of sections Number Fifty-six (56) in Block K-6, all in Oldham County, Texas.

An undivided one-third interest in Section Number Sixty-four (64) in Block K-6, and a portion of section Number Fifty-six (56) in Block K-6, the Southeast Quarter (S. E. ¼) of section Number Fifty-seven (57) in Block K-6, and the Southwest Quarter (S. W. ¼) of Section Number Thirty-seven (37) in Block K-6, and the Northwest Quarter (N. W. ¼) of section Number Forty-two (42) in Block K-6, in Deaf Smith County, Texas.

And on the 6th day of August, 1929, being the first Tuesday of said month, between the hours of 10:00 o'clock a. m. and 4:00 o'clock p. m., on said day, at the County Court House door of Deaf Smith County, at Hereford, Texas, I will offer for sale and sell at public auction for cash all the right, title and interest of the said D. H. Denmead in and to said property.

DATED at Amarillo, Texas, this 25th day of June, 1929.

SAM GROSS,
United States Marshal for the Northern District of Texas.
By B. F. HARPER, Deputy.

CITATION BY PUBLICATION

THE STATE OF TEXAS.

To the Sheriff or Any Constable of Deaf Smith County—Greeting:

You are hereby commanded to summon Jacob R. Allen, the unknown heirs of Jacob R. Allen, deceased, Dr. M. B. Campbell, the unknown heirs of Dr. M. B. Campbell, deceased, Merritt B. Campbell, the unknown heirs of Merritt B. Campbell, deceased, the unknown heirs of Hanna Elizabeth Campbell, Robert A. Campbell, the unknown heirs of Robert A. Campbell, deceased, Elizabeth R. Campbell, the unknown heirs of Elizabeth R. Campbell, deceased, Alma T. Campbell, the unknown heirs of Alma T. Campbell, deceased, Mary P. Campbell, the unknown heirs of Mary P. Campbell, deceased,

Cora B. (Campbell) McCall and — McCall her husband, and the unknown heirs of Cora B. (Campbell) McCall by making publication of this Citation once in each week for four successive weeks previous to the return day hereof in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof, in Hereford, Texas, on the third Monday after the second Monday in July A. D. 1929, the same being the 29th day of July A. D. 1929, then and there to answer a petition filed in said Court on the 17th day of June A. D. 1929, in a suit, numbered on the docket of said Court No. 1728, wherein Anna R. Snelling is plaintiff and Jacob R. Allen, the unknown heirs of Jacob R. Allen, deceased, Dr. M. B. Campbell, the unknown heirs of Dr. M. B. Campbell, deceased, Merritt B. Campbell, the unknown heirs of Merritt B. Campbell, deceased, Hanna Elizabeth Campbell, deceased, Robert A. Campbell, the unknown heirs of Robert A. Campbell, deceased, Elizabeth R. Campbell, the unknown heirs of Elizabeth R. Campbell, deceased, Alma T. Campbell, the unknown heirs of Alma T. Campbell, deceased, Mary P. Campbell, the unknown heirs of Mary P. Campbell, deceased, Cora B.

(Campbell) McCall and — McCall, her husband, and the unknown heirs of Cora B. (Campbell) McCall, deceased, are Defendants, and said petition alleging that on about January 1st, 1929, plaintiff was lawfully seized and possessed of Section No. 79, certificate No. 4-581, original grantee G. C. & S. F. Ry. Co., in Block K-11 in Deaf Smith County, Texas, holding and claiming the same in fee simple; that defendants unlawfully entered said premises, ejected plaintiff and are holding possession of same to plaintiff's damages; that the annual rental is \$300.00; and that plaintiff derived title by patent by the State of Texas, to Jacob R. Allen; by deed from J. R. Allen and wife, to Dr. M. B. Campbell, by deed from the heirs of Hanna Elizabeth Campbell to Merritt B. Campbell; by deed from Dr. W. B. Campbell to Henry Farmer; by deed from Henry Farmer and wife to T. Binford, and by deed from T. Binford and wife to the plaintiff, Anna R. Snelling; Plaintiff further shows in the alternative that all of the above deeds have been recorded in the office of the County Clerk of Deaf Smith County, Texas, for more than ten years and that Plaintiff has had the peaceable and adverse possession of said land under title and color title using and enjoying the same and paying the tax thereon, for more than ten years.

Herein fail not, but have before said Court at its aforesaid next regular term, this writ with your return thereon, showing how you

have executed the same. Given under my hand and the seal of said Court, at office in Hereford, Texas, this, the 17th

day of June A. D. 1929.
(SEAL) E. H. FORTNEY,
Clerk, District Court, Deaf Smith County.

Training Camp Schedule of An Appealing Nature

The students attending the 9th annual Citizens' Military Training Camp are being informed of their company news through the medium of the "C. M. T. C. Sharpshooter," published daily by the students themselves and distributed to all C. M. T. C. organizations. Hugh Russell, of Lubbock Technological College student, has been elected editor in chief by the student-editorial staff and is assisted by two student reporters from each company. It is planned to continue the paper as a monthly publication after the close of camp, arrangements having been made to get the paper edited in the 8th Corps Area, C. M. T. C. office.

Instructions in infantry, artillery and signal corps subjects occupies the morning from 7:20 to 11:30, and include drill, rifle marksmanship, physical training, gunnery drill and practice, map reading, scouting and patrolling, duties of officers and N. C. O's and citizenship.

The afternoon period of recreation begins at 1:30 and ends at 4:00. Each company organization is represented in the camp baseball, indoor baseball and volleyball league, and matched games are played each afternoon. Other athletic activities include supervised instruction in boxing, swimming, track and field. The participants of these sports are working hard in preparation for the boxing tournament, track and field and swimming meet to be held the last week of camp. More than 100 medals and cups are to be awarded for military and athletic accomplishments.

Under supervision of camp authorities the signal corps is filming a two reel motion picture of activities at the camp in Fort Sam Houston. Cameramen visit drill areas and athletic fields daily, where is taught the rudiments of military training and athletic sports. The continuity of the "Story of the C. M. T. C." has been written and includes scenes taken during the entire period of the camp from the moment the students step off the train at San Antonio into army buses until they make their final parade, receiving civilian clothing and bidding their buddies goodbye until next year's camp. It has been arranged to so select the organizations for the scenes of the picture as to include every student in the film.

The recreational program included another sightseeing trip for students desiring to see the points of historic interest in and around San Antonio on the afternoon of June 29. A camp dance was held July 1. Dancing partners for the students are secured from among the younger set in San Antonio, under the chaperonage of the Federated Women's Clubs. The physical efficiency test to determine how Texas youths compare physically with those of other states was scheduled for the afternoon, July 2. The preliminary meet was scheduled for the afternoon, and the semi-finals of the tournament that night. Finals of the track meet was held the afternoon of July 3. This was parents day and invitations were sent to all parents of students to visit camp on that day. They had dinner as guests of the camp and witnessed a review and inspection during the morning and the finals of the

field and track meet during the afternoon. The privileges of the camp were extended to them for the whole day.

The rifle companies leave for the rifle range at Camp Stanley July 5 to be gone until the 8th. The Final Review and awarding of decorations will occur at 8:30 a. m. July 12. Students will leave for their respective homes on the 13th.

Summerfield

Rev. Brownlow of Plainview filled his regular appointment here Sunday.

Big Square

Sunday school met again Sunday afternoon after a short vacation and we hope to continue the work soon now on.

The new school well has been dug and the windmill tower put up and work is ready to start on the new building.

The families of Will Wyer, C. W. Wick and Freeman celebrated the fourth of July at Muleshoe.

Mrs. McClung, Mrs. Gilliam and family of Amarillo visited Mr. and Mrs. Sam Layman the Fourth and attended the celebration at Sulphur.

Messrs. and Mmes. Alfred Scott and Art Haberer went to Muleshoe Thursday evening to witness the fire works.

Mrs. G. R. Jones and son of Alameda, Pa., spent last week end with Mrs. Ham Lambert.

The men are very busy combining day and night and hauling about both day and night.

The Improvement Club meets Thursday with Mrs. Muri Stiles.

Mrs. Sam Layman met with the Flagg club ladies Wednesday and it was decided to federate our club with that of Flagg.

Mrs. Will Wyer was shopping in Hereford Saturday.

Mr. and Mrs. Art Haberer and children spent Friday night and Saturday in Hereford.

Mrs. Ham Lambert returned Monday from a trip to Colorado.

The community sympathizes with Mr. and Mrs. Wes Bennett in the loss of their infant son last week.

Messrs. Hutchins of Dimmitt and White and Barber of Shamrock were here Thursday.

C. W. Mick and family were in Muleshoe Thursday.

Mmes. Will Wyer and Vance Hennington were in Clovis Saturday.

Mmes. J. B. Phillips and L. W. Carlyle of Hereford spent Wednesday with Mrs. Lambert.

Emerson Wyer was in Hereford on business Monday.

Arney News Items

Wheat is turning out better than expected. Some have finished the harvest and other are just starting.

A good shower and some hail fell here Monday night.

Mr. Hooten is here from Oklahoma and plans to make his home in this vicinity.

Mrs. J. P. Hutson spent last week with her daughter, Mrs. M. Brooks of Amarillo.

Messrs. and Mmes. Glen Luther and Ross Green of Hereford were in Tulsa Saturday.

G. L. Townsend, brother of H. T. and W. T. Townsend, was killed at McKinney in a gasoline explosion recently, and they have the sympathy of all.

Miss Lucille Hage left Monday to attend school in Amarillo.

M. Brooks and wife were here from Amarillo visiting the J. P. Hutson home.

Messrs. and Mmes. Chas. Cox and Grady Bailey have purchased new cars.

John Cole and daughter of Tulsa spent Saturday here.

J. D. Sanders, Haskell, was here last week.

Ed Earnest has returned from Colorado.

Adrian-Sims Notes

Combines are running and good yields are reported.

Mr. and Mrs. Hayes of Matador Ranch, spent Sunday in the home of Mr. and Mrs. Phillips.

Mrs. McLain entertained Tuesday afternoon a crowd of young folks, honoring her daughter, Dorothy's, birthday. Games of various kinds were played and a jolly good time was had. Refreshments of cake and cream were served to the guests.

Mrs. Wolfe, mother of Mrs. Reitor, is here for a visit.

Misses Maude and Jessie Malone were shopping in Hereford Saturday.

Ward News Notes

The Willing Workers club met Wednesday, July 3, with Mrs. Geo. Lewis when a pleasant afternoon was spent. A patriotic program was given which proved very interesting. The annual birthday box was opened and a very enjoyable and exciting time was had as each member drew a gift. Watermelon was served by the visitors and the club adjourned to meet July 17 with Mrs. Lisenbe.

Mr. and Mrs. B. F. Fulkerson returned last Sunday from Hot Springs, New Mexico, where they have been the past month and are greatly improved in health. Mrs. Sharrell and daughter of El Paso returned with them for a few weeks visit.

Miss Veda Hicks of Hereford spent most of the past week visiting in the home of Mr. and Mrs. Wiley Roberson.

W. R. Harrison who lives in Hot

Springs, New Mexico the past two months returned Wednesday much improved in health.

Rev. Harper was a dinner guest in the Jack Hutson home Sunday.

Mr. and Mrs. Ernest Comber and daughter, Louise of Clovis spent Saturday and Sunday in the home of Mr. and Mrs. G. M. Suggs.

John Higgins visited the Jim Lipscomb home Sunday afternoon.

Mrs. John Hutson and daughters, Francis and Viola, had a narrow escape Thursday when the car in which they were riding turned over twice. The car was badly damaged and had to be hauled to town by a wrecker. Mrs. Hutson and daughters escaped with slight bruises.

Mr. and Mrs. Bob Allison spent Sunday afternoon in the Arlie Dean home.

Fred Millard of Hereford took Sunday dinner in the Bob Higgins home.

Clyde Coffee of Mountain View, Oklahoma, is visiting in the home of his sister, Mrs. Streuns.

Mr. and Mrs. Jim Lipscomb, Mrs. and Mrs. Jim Higgins and children visited in the Suggs home Sunday afternoon.

J. P. Roberson, of Hereford, and son, Jeff Roberson of Dawn called in the Wiley Roberson home Sunday afternoon.

Alma Cox of Hereford spent the past week with her aunt, Mrs. Fred Saltzman.

Mr. and Mrs. Jack Hutson are the proud owners of a new car.

Next Sunday Rev. Hornbeak will be here and let's all try and be on time.

for the Northern District of Texas, at, Amarillo.

L. J. BOSWORTH
Receiver of the First National Bank of Marshalltown, Iowa

vs.

J. L. DENMEAD

WHEREAS, by virtue of an order of sale and execution issued out of the United States District Court for the Northern District of Texas at Amarillo, on a judgment rendered in said Court on the 20th day of May, 1929, in favor of said L. J. Bosworth, Receiver of the First National Bank of Marshalltown, Iowa, and against the said

J. L. Denmead, Number 516 at Law, on the docket of said Court, I did on the 24th day of June, 1929, at 10:00 o'clock a. m., levy upon the following described tracts and parcels of land situated in the Counties of Deaf Smith and Oldham, in the State of Texas, and belonging to the said J. L. Denmead, to-wit:

An undivided one-third interest in Sections Numbers One (1) and Two (2) in Block D; Sections Numbers Ninety-one (91) and Ninety-two (92) in Block K-6; sections Numbers Two (2), Twenty-six (26), Twenty-seven (27), and Twenty-eight (28) in Block K-11,

and a portion of sections Number Fifty-six (56) in Block K-6, all in Oldham County, Texas.

An undivided one-third interest in Section Number Sixty-four (64) in Block K-6, and a portion of section Number Fifty-six (56) in Block K-6, the Southeast Quarter (S. E. ¼) of section Number Fifty-seven (57) in Block K-6, and the Southwest Quarter (S. W. ¼) of Section Number Thirty-seven (37) in Block K-6, and the Northwest Quarter (N. W. ¼) of section Number Forty-two (42) in Block K-6, in Deaf Smith County, Texas. And on the 6th day of August,

1929, being the first Tuesday of said month, between the hours of 10:00 o'clock a. m. and 4:00 o'clock p. m., on said day, at the County Court House door of Deaf Smith County, at Hereford, Texas, I will offer for sale and sell at public auction for cash all the right, title and interest of the said J. L. Denmead in and to said property.

DATED at Amarillo, Texas, this 23rd day of June, 1929.

SAM GROSS,
United States Marshal for the Northern District of Texas.
By B. F. HARPER, Deputy.

STATE OF FILING INTERROGATORIES

STATE OF TEXAS,
The Sheriff or Any Constable of Deaf Smith County—Greeting:
You are hereby commanded to take the deposition of said witnesses.

H. Norton vs. Larkin H. Spurgeon et al, No. 1730, Suit filed in the District Court of Deaf Smith County, Texas.
Larkin H. Spurgeon, Spurgeon B. Campbell and wife Nelle Campbell, Mary E. Campbell, Jennie Ruth Campbell, the unknown heirs of Samuel J. Spurgeon deceased, Jennie Spurgeon Campbell, deceased, Emma Spurgeon Campbell, deceased, W. T. Campbell, deceased, and of Larkin H. Spurgeon, Spurgeon B. Campbell, Nelle F. Campbell, Mary E. Campbell, and Jennie Ruth Campbell and the unknown heirs, their legal representatives, of the above named and indicated parties, and the Bank of Independence, Missouri, its successors and assigns, and to all persons interested in the above named and numbered suit.

Notice is hereby given that E. H. Norton, Plaintiff, has filed interrogatories in a certain suit pending in the District Court of Deaf Smith County, Texas, wherein the original parties are E. H. Norton, Plaintiff, and Larkin H. Spurgeon, Spurgeon B. Campbell, wife of N. F. Campbell, Mary Campbell, Jennie Ruth Campbell and the unknown heirs of Samuel J. Spurgeon, deceased, Jennie Spurgeon Campbell, deceased, Emma Spurgeon Campbell, deceased, W. T. Campbell, deceased, and Larkin H. Spurgeon, Spurgeon B. Campbell, Nelle F. Campbell, Mary E. Campbell, and Jennie Ruth Campbell, and the unknown heirs, their legal representatives, of all the above named and designated persons, the Bank of Independence, a banking corporation of Independence, Jackson County, Missouri, its successors and assigns, are defendants, suit numbered No. 1730 on Docket of said Court, to take answers and depositions of the names C. F. D. Arnold, Larkin Spurgeon, Spurgeon B. Campbell, all of whom reside in Clay County, Missouri, of Mary E. Campbell, who resides in Ray County, Missouri, and of Jennie Ruth Campbell, who resides in Buchanan County, Missouri; the answers which will be read in evidence in the trial of said cause. And Plaintiff has filed an affidavit in said suit to the effect that all the named parties defendant are non-residents of the State of Texas, and are without the limits of said State of Texas, and beyond the jurisdiction of said Court; and that the names and addresses of the parties defendant designated or indicated otherwise than by name are unknown, and that they have not made themselves parties to this suit; and that none of the parties defendant have any attorney of record upon whom said interrogatories can be served.

Wherefore, a commission will issue on or after the thirtieth day of July, 1929, to take answers and depositions of the names C. F. D. Arnold, Larkin Spurgeon, Spurgeon B. Campbell, all of whom reside in Clay County, Missouri, of Mary E. Campbell, who resides in Ray County, Missouri, and of Jennie Ruth Campbell, who resides in Buchanan County, Missouri; the answers which will be read in evidence in the trial of said cause. And Plaintiff has filed an affidavit in said suit to the effect that all the named parties defendant are non-residents of the State of Texas, and are without the limits of said State of Texas, and beyond the jurisdiction of said Court; and that the names and addresses of the parties defendant designated or indicated otherwise than by name are unknown, and that they have not made themselves parties to this suit; and that none of the parties defendant have any attorney of record upon whom said interrogatories can be served.

after publication of this notice to take the deposition of said witnesses.
WITNESS L. H. FOSTER, Clerk of the District Court of Deaf Smith County, Texas.
Given under my hand and the seal of said Court, at Hereford, Texas, this the 25th day of June, 1929.
(SEAL) L. H. FOSTER, Clerk of the District Court of Deaf Smith County, Texas, Issued this the 25th day of June, 1929.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Deaf Smith County—Greeting:
You are hereby commanded to summon Empire Gas & Fuel Company, a Corporation, Gates Rubber Company, a Corporation, Goodyear Tire & Rubber Company, a Corporation, Mrs. C. J. Puett, Henry J. Anderson, Marvin Puett and Roy Culbertson by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County, where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, to be held at the Court House thereof, in Hereford, Texas, on the 3rd Monday after the 2nd Monday in July A. D. 1929, the same being the 29th day of July A. D. 1929, then and there to answer a petition filed in said Court on the 24th day of June A. D. 1929, in a suit numbered on the docket of said Court No. 1729, wherein Catherine Schulz is Plaintiff and L. W. Hough, Walter A. Schulz, Roxana Schulz, R. M. Dunn, E. C. Brodie, Empire Gas & Fuel Company Incorporated, Gates Rubber Company, Goodyear Tire & Rubber Company, Mrs. C. J. Puett, Henry J. Anderson, Marvin Puett and Roy Culbertson are Defendants, and said petition alleging that L. W. Hough and E. C. Brodie executed and delivered to J. H. Weems their five notes for \$1125.00 each, dated January 18, 1922, due 6, 7, 8, 9, and 10 years after date, bearing 8 per cent interest, payable annually, and 10 per cent attorney's fees and providing the failure to pay any note or the interest thereon when due, matures all the notes at the option of the holder and said notes are the property of plaintiff; that the notes were given as part payment for the West Half of section No. 35, Block K-8 in Deaf Smith County, Texas; that said notes are secured by Vendor's Lien on said land reserved in deed made by said Weems and wife to E. C. Brodie; that all of notes have been declared due and are now past due and payable and have heretofore been placed in the hands

of an attorney for collection. That all of said defendants claim some interest in said land the exact nature of which is unknown to plaintiff but that any interest defendants may have in said land is subject to and inferior to plaintiff's right therein. Plaintiff prays for judgment for her debt, interest, attorney's fees and costs of suit and for foreclosure of her lien.
Herein fail not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.
Given under my hand and the seal of said Court, at office in Hereford, Texas, on this the 24th day of June A. D. 1929.
(SEAL) L. H. FOSTER, Clerk, District Court, Deaf Smith County, Texas.

Deaf Smith County, Texas; that on said day J. M. Seitz unlawfully entered said premises, ejected plaintiff and unlawfully withheld possession of same to plaintiff's damage; that the annual rental value of said premises is \$480, that said T. J. Carter claims some interest unknown to plaintiff but that it is subordinate and inferior to plaintiff's title, and plaintiff prays for title and possession of said land.
Plaintiff pleads and sues in the alternative on ten vendor's lien notes for \$144.00 each, dated January 8, 1926, due in one to ten years respectively signed by said J. M. Seitz, payable to plaintiff, bearing 6 per cent interest per annum, payable annually, providing for 10 per cent attorney's fees and providing the failure to pay any note or the interest thereon when due, matures all the notes; said

CITATION BY PUBLICATION

notes secured by vendor's lien on the above described land retained in the deed, executed by plaintiff to the said defendant on January 8, 1926, plaintiff having heretofore declared all said notes due because of the failure to pay the first and second notes when due and the interest on all notes when due. Plaintiff sues for the principal, interest and attorney's fees on said notes and for foreclosure of the vendor's lien and for costs of suit.
Herein fail not, but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.
Given under my hand and the seal of said Court, at office in Hereford, Texas, on this the 18th day of June A. D. 1929.
(SEAL) L. H. FOSTER, Clerk, District Court, Deaf Smith County, Texas.

FRANKLIN BLACKLEG VACCINE
CHEAP INSURANCE FOR COSTLY CALVES
Immunity Protects Profits by Preventing Losses
—Every cattleman knows the risk of Blackleg!
—There's just one way to be safe.
—Vaccinate every calf—and do it early.
—Those who know the facts insist on using Dr. O. M. Franklin's make of vaccine, because it possesses uniform dependability that means life immunity for every calf with one dose.
—Franklin's Vaccine is powerfully potent, yet harmless to the calf.
—It is made by a new process of chemical sterilization that eliminates all toxins as well as all germ life.
—This process was worked out by Dr. Franklin over a four-year period during which field tests were conducted on 50,000 head of calves. The millions of doses sold since have made so nearly a perfect record of immunity as to be little less than marvelous.
—Ask our local Drug Store Agency for a copy of the Calf Book which tells the story of the conquest of Blackleg.

Phillips 66
The AIR was the testing ground
In August, 1927, Art Goebel fueled an airplane with Phillips gasoline and flew from San Francisco to Honolulu—2600 miles in 26 hours—to win the \$25,000 Dole prize.
In Phillips 66 you get this famous air-tested gasoline adapted for use in modern high compression motors. Phillips 66 is a gasoline of controlled volatility—starts easily, always—is full of pep—accelerates quickly—has abundant power—gives remarkable mileage—yet costs no more than ordinary gasoline. Try it.

Today's Chevrolet is scoring a huge nationwide success because it represents one of the most sensational achievements in automotive history—a Six in the price range of the four.
The Chevrolet six-cylinder engine delivers its power freely, quietly, and easily throughout the entire speed range—delightfully free from annoying vibration and rumble. Combined with this remarkable six-cylinder smoothness are equally remarkable speed, power and acceleration—and an economy of better than twenty miles to the gallon.
In addition to such sensational performance the Chevrolet Six offers the outstanding advantages of Bodies by Fisher. And no car ever provided a more impressive array of modern convenience features—adjustable driver's seat and VV one-piece windshield in closed models, easy action clutch and gear-shift, ball bearing steering, and instrument panel complete even to theft-proof Electrolock and electric motor temperature indicator!
The ROADSTER \$525 The COACH \$725
The PHAETON \$525 The Sedan Delivery \$595
The COUPE \$595 The Light Delivery \$400
The SEDAN \$675 The 1 1/2 Ton Chassis \$545
The Sport CABRIOLET \$695 All prices f. o. b. factory Flint, Michigan. The 1 1/2 Ton Chassis with Cab \$650
COMPARE the delivered price as well as the list price in considering automobile values. Chevrolet's delivered prices include only reasonable charges for delivery and financing.
