## Red Cross Workers Doing Big Job Here

During the past week, Red Cross volunteer workers at the sewing room have completed a number of Red Cross flags which you will soon be seeing reminding of the year's drive for funds which begins on March 1st.

The red cross, sewed on each side of the white standard, will be in evidence everywhere to help you remember to give liberally to this organization that is international in scope.

But making of the standards is only a fraction of the work which is being done at the sewing rooms on Fourth and Scurry. Hospital patients convalescing at the Big Spring Bombardier school have put their stamp of approval on the curtains which the women made for the hospital day rooms and also for the administration building rooms of the hospital.

Articles for the enlisted men's library were also whipped up by the workers along, of course, with the usual quota of knitted sweaters, mufflers, helmets and all types of gloves and wristlets or "everything that the well dressed soldier will wear," Mrs. George W. Hall, chairman of production, pointed out.

Mounds of blouses for women,

## Downtown Stroller

Jeez, don't forget to send your best and a Valentine Sunday or you guys will find yourself in the doghouse. Even if there is a war on, the little woman will be easier to get along with if you send her a drippy, lacey Valentine.

Mrs. J. D. STITCHLER and Mrs. J. G. CARNER along with Mrs. V. VAN GIESSEN and some others they were to pick up along the way, were off Thursday afternoon to the state hospital to take in the canteen course being taught. They mentioned a possibility of something to eat and we were eager to go along, but couldn't get off.

Coden employees had a treat, along with their guests, Thursday night when they had an orchestra, no foolin', and held a dance at the Settles hotel. In these days and times, getting an orchestra to stop off here for a party is a feather in anybody's cap.

And, after skipping a year, the Beta Sigma Phi sorority is going to repeat its annual Valentine Dance at the country club Sunday afternoon from 4 o'clock to 8 o'clock. The sorority danced used to be one of the high spots in the social calendar and we're glad to see the girls giving one again.

There are marriages in the wind again. Some of the home town gals evidently have felt old cupid's arrow, so watch and see if February doesn't bring about some weddings of interest.

DORIS THOMAS, who formerly taught school here, and then worked in Corpus Christi on the newspaper there, has joined the WAVES, so friends here learned yesterday.

## XYZ Club Meets At The Settles

Mrs. George Thomas and Mrs. Clyde Thomas, Jr., entertained members of the XYZ Club with a dinner and bridge party Thursday evening at the Settles Hotel.

Cupids, hearts and Valentines were arranged down the dinner table furthering a Valentine motif used in the party decorations.

Two guests, Mrs. Tommy Jordan and Mrs. Steve Baker were introduced, and bridge and 42 games were entertainment. Mrs. Roy Reeder won high in 42 and Mrs. Tommy Jordan, high in bridge. Mrs. Emma Lovelady binged.

Mrs. Doyle Vaughn and Mrs. W. L. Thompson will be next hostesses, and those present were Mrs. J. B. Jones, Mrs. Lee Harris, Mrs. V. A. Whittington, Mrs. Emma Lovelady, Mrs. Reeder, Mrs. Jordan, Mrs. Baker, Mrs. T. J. Dunlap and the hostesses.

## MRS. J. HAMBY ENTERTAINS THE PASTIME CLUB

The Pastime 42 Club was entertained with a party in Mrs. Joe Hamby's home Thursday afternoon.

Mrs. Paul Bradley won 42 high and Mrs. Jim Harper won low.

Mrs. C. A. Allen was the only guest present, and it was announced that Mrs. Pete Vanpell would be next hostess.

Refreshments were served and those attending were Mrs. Tom Amerson, Mrs. D. P. Day, Mrs. Pete Vanpell, Mrs. Louis Cherry, Mrs. Dalton White, Mrs. Allen and the hostess.

## Candlelight Ceremony Read At Post Chapel For Miss Cochran And Lieutenant Bruce Hardin

In a single ring ceremony read at 8 o'clock Thursday evening, Martha Cochran, daughter of Mr. and Mrs. R. M. Cochran, and Lieut. Bruce Hardin, were married in the post chapel at the Big Spring Bombardier School. Chaplain James L. Patterson read the service before an altar lighted with white tapers in slanting candelabra. Matching candles in twin cathedral holders flanked the altar, and tall baskets of calla lilies and pink carnations marked the place where the wedding party stood. Wide ribbon streamers hung from the candle holders to floral greenery.

The bride, given in marriage by her father, wore a two piece sky blue frock, ornamented with applique flower designs across the yoke. She wore black accessories, and her flowers were white gardenias, arranged in a shoulder corsage.

Julia Cochran was bridesmaid, and was dressed in a two piece navy ensemble trimmed with white craps binding. Her corsage was of white gardenias.

White Cox sang "Because" and "I Love You Truly" as a pre-nuptial solo, and was accompanied by Mrs. C. W. Norman.

The bridegroom, son of Mr. and Mrs. A. B. Hardin of Hunter, was attended by Maj. D. W. Foster.

The bride was graduated from high school in 1940, and has represented Big Spring in beauty contests for several years. She held the title of "Miss Big Spring" in contests at Mineral Wells, Fort Stockton, Odessa and Abilene. For the past several months she has been employed at Coden refinery.

Lieut. Hardin attended Howard Payne College in Brownwood and Sul Ross before enlisting in the Royal Canadian Air Force where he served for a year. He is stationed at the Big Spring Bombardier School.

Mrs. Vernon D. McCoslin of Washington, D. C., the bride's sister, was an out of town guest at the wedding.

Only relatives and close friends attended the ceremony.

The couple will be at home at the Settles hotel.

## Rev. H. Clyde Smith Is Guest Speaker At P-T. A. Meeting

Fifth Grade Class Presents Patriotic Evening Program

A representative group of parents attended the College Heights meeting Thursday evening at the school, when a special program on Founder's Day was presented.

The meeting opened with a business session and the group voted to have a school kitchen shower in March. A nominating committee was appointed and includes Mrs. Martelle McDonald, Mrs. Bill Early, Mrs. H. J. Covert.

Mrs. J. B. Harrison's fifth grade class won the room count and Rev. H. Clyde Smith, pastor of the First Methodist Church, spoke on "Citizens Strong With Spirits Free."

The Fifth grade class presented a play "Tommy Learns to Love the Flag." The group gave a pledge to the flag and sang "There's a Star Spangled Banner Waving Somewhere" and "God Bless America." The second playlet was commemorated to P-T-A. Founder's Day. During the candlelight presentation students represented good homes, sound health, equal education, opportunity, civic responsibility and active spiritual faith.

The Mother Singers, directed by Mrs. Bernard Lamun sang "To a Wild Rose" and "I Pass by Your Window."

Mrs. W. P. Edwards was in charge of the social hour and those attending were Mr. and Mrs. F. F. Thorp, Mrs. T. N. Hopkins, Mrs. Horrace Beane, Mr. and Mrs. A. L. Hobbs, Mr. and Mrs. G. H. ## Club Meets In Switzer Home

A Valentine motif was carried out in the refreshments and decorations when the High Heel Slipper club met in the home of Jo Ann Switzer, club president, Thursday.

The table was laid with a white cloth accented with Valentine figures and flanked red tapers. Valentines were given as favors. Mrs. E. H. Switzer assisted in the serving.

During the business session, reports concerning the all school dance were given, club pins were discussed, and voting on slipperettes was postponed. Dollar Day was set for next club meeting in the home of Billie Frances Shaffer.

Members present were Celia Westerman, Nancy Thompson, Eva Jane Darcy, Marjorie Laswell, Barbara Laswell, Doris Nell Tompkins, Wanda Rose Bobb, Bertie Mary Smith, Billie Ragdale, Margaret John McElhannon, Charlene Pinkston, Billie Frances Shaffer, Betty Bob Diltz, and the hostess, Jo Ann Switzer.

## Dauntless Officer Employs Scooter To Effect Transfer

Nothing stops the army lieutenant, they say, and a second lieutenant was bucking winds on a motor scooter between Big Spring and Del Rio today in proof of it.

Transferred from Lubbock, where he had been for 10 months, the young officer—whose home is in Kansas, found that to take the train would require travel by the way of Houston, which was, to say the least, slightly out of the way.

He had only 48 hours to make the transfer so he hit on the scooter idea. He secured a D book which is good for a gallon and a half per coupon. Because his tank only holds five quarts, he carries another quart container for reserve.

His trip from Lubbock to Big Spring Thursday afternoon consumed all of a gallon and a half of gasoline and only three hours. The lieutenant, who would not give his name because he was in the act of transferring, tanked up at a service station and shoved off for San Angelo.

## Visit In Colorado City

# Southwest Conference Losing Its Athletes

## Texas Hardest Hit In Latest Air Corps Call

By The Associated Press  
The University of Texas and other Southwest conference members counted their losses to the army air corps Friday.

The university appeared to be the heaviest loser to the air force call yesterday for numerous reserves for training. The Steers, 1942 Southwest conference football champions and currently tied with Arkansas for leadership in the basketball race, lost 19 men. Eight were from the football squad and there were two basketball players, one track man, six baseball players and a student manager.

Co-Capt. Audrey Gill of Sweetwater and Robert Patterson, another center from Texarkana, Ark., were included.

Guards Ed Heap of Temple and Duane Coltharp of Austin, backs Travis Raven of Austin, Wayland Hill of Temple, Coy Warren of Cleco and Johnny Petroch of Alhambra, Calif., completed the football list.

Lewis (Mickey) Mayne, graduate fullback and track performer, a new member of Coach Clyde Littlefield's sprint relay team, was included. Mac Umstätt, Austin, former conference champion in the half-mile, was called.

Lyle Green of Grand Forks, N. D., Ray Fortune of Austin and Hobbs Williams of Jefferson were called from the baseball roster. Catcher Jack O'Reagan, infielder George Schwoebel and outfielder Jan Pierce were called.

Basketball gave up starting guard Curtis Popham, who will play in the Arkansas series, and Freshman Philip George of Austin.

The Texas A. & M. football team lost Bill Redus, squadman end; Bill McKinney, Houston numerical man guard and Bob Buntin, manager.

Basketball lost Lynn Smith, forward, who just became eligible, and Paul Pennington, squadman guard. Both are from Houston and baseball will be minus the services of Tom Kamas of Bellville.

At Baylor, Coach Jim Crow expressed doubt that baseball could be continued during the spring because of the loss of Howard Waffar and Manuel Garcia, pitchers, and Jackie Fector, second baseman.

The Baylor football team lost Wessell Gandy, regular end. Co-Captain Bill Halley and sophomore Frankie Edwards of the basketball team will leave Saturday night after the T. C. U. game.

T.C.U. lost two basketball starters—Max Humphries and Jorma Pello, and one second stringer, Bill Conner. Four gridgers were called but two of them have played out their eligibility string.

Capt. Bruce Aiford and Joe Rogers were the seniors called. Bob Looney and Jim Gibson, reserve backs, are the other two.

At Rice Edgar Cain, sophomore fullback, and Lindsay Bowen, junior end from McKinney, received air corps reserve summons earlier in the week. So did Ray Gladman and Ted Norpoth, Austin stars, and Miles McNis, hurdler and basketball manager, also in the air reserves call.

Arkansas reported no athletes in the last call.

Though the Army transports 39 men in a standard Pullman car, the U. S. Navy only loads 26 to a car.

## Cantankerous Collie May Not Win Show, But He's Fighter

NEW YORK, Feb. 12 (AP)—Brasque Model may not win any blue ribbon in the Westminster Kennel club show this year, but he is in a position to do a little high-baiting of his fellow canines.

The handsome collie was disqualified from the competition after he came up with a bruised snout and a cauliflower ear as a result of a back-alley brawl two weeks ago.

Today, pinned to his cage was a floral corsage, sprinkled with dog biscuits and ribbon, sent him

## Marines Find Dogs Big Help

NEW YORK, Feb. 12 (AP)—Dogs are playing an important role in this war and no arm of the service realizes their need more than the United States marine corps.

You can take that from Major Michael J. Davidowitch, just back from service with the Leathernecks in the Solomon Islands. The major, who hails from Brooklyn, never owned a dog, but he's seen enough of what help they can be so that he was lavish in praising the usefulness of the canines yesterday as he watched judging of the Doberman Pinschers in the Westminster Kennel club show at Madison Square Garden.

In fact, the marines think so much of the Dobermans that they have made them the corps' official dog and have set up a special training kennel at New River, N. C.

Major Davidowitch declined to say whether dogs have been used in the driving of the Japs from Guadalcanal but he said they had been used in combat duty in various parts of the world. He saw hundreds of them, ranging from the small cocker spaniel to the Great Dane, given trials in Hawaii and from these tests the marines selected the Doberman as best suited for their purposes.

## Post-War Military Training Proposed

WASHINGTON, Feb. 12 (AP)—Congress today had for study legislation which would provide compulsory universal military training for all youths of the nation after the war.

Rep. Wadsworth (R-NY) and Senator Gurney (R-SD) introduced almost identical measures yesterday to provide that when a youth becomes 18, or within three years thereafter, he shall be inducted into the army or navy for a training period of one year. Upon completion of training, he would for four years be in a reserve status and subject to call for any prescribed refresher course.

The Wadsworth-Gurney proposals would become effective six months after the present war ends and would utilize present training camps.

## Lend-Lease Is Not The Only Factor In Food Shortages

By OVID A. MARTIN  
WASHINGTON, Feb. 12 (AP)—Claude Wickard could just keep American civilians from getting stirred up over shortages before general rationing comes, he would breathe a lot easier.

The secretary of agriculture says a good many people are dissatisfied with the food situation. Yet the secretary feels that there is much misunderstanding about food and the way it is being handled. Complaints have reached him to the effect that Americans are being stripped to bare subsistence levels so that immense quantities of food may be sent to the four corners of the globe for Allied fighters and all peoples who profess to be friends of this country.

It has been asserted, too, that the best foods are being shipped abroad and that civilians are being put on substitutes.

Secretary Wickard realizes that unless civilian dissatisfaction is held to a minimum, the lend-lease food program may suffer. The nation's war leaders declare it is absolutely necessary that the United States share its food with Great Britain, Russia, and other allies.

What is causing the food shortages? Enemy propagandists undoubtedly are trying to make Americans believe the lend-lease program is responsible. In fact, it plays only a minor role. So far less than 10 percent of America's food supply has gone to allied nations, although more may go to them this year.

There are three other causes: 1. Demands of this country's own armed forces. Men eat more as soldiers than as civilians. 2. Civilians have more to spend for food than ever before. Their incomes are at record levels, yet there are fewer things to buy, such as automobiles, radios, gasoline,

CHICAGO, Feb. 12 (AP)—Major Ednyfed H. Williams, chairman of the Illinois racing commission, favors a 1 p. m. post time for Chicago tracks as the best way to alleviate the transportation problem. He says if the earlier time were adopted, rather than the former 2:15 p. m. post time, daily programs would be ended by 4:30 and trains carrying race fans would be back in the Loop to pick up workers by 5 p. m.

LAFAYETTE, Ind., Feb. 12 (AP)—For years Illinois and Indiana fans have argued over which state produced better basketball players. Now it's to be settled—maybe.

Freshman squads of Illinois, Indiana, Purdue and Northwestern will play a unique quadrangular tournament here tomorrow and all but one player on each of the Illinois and Bollersmaker squads and all of the Hoosier yearlings are "home grown."

LEXINGTON, Ky., Feb. 12 (AP)—Four of the five regulars on the University of Kentucky's basketball team have tallied more than 100 points so far this season.

Bill Tocco, senior forward from Jenkins, Ky., leads with 170 points in 15 games. Melvin Brewer, center from New Albany, Ind., ranks second with 118 points and 29-of Davis, Elwood Ind., senior is fourth with 107 points.

Fort Worth, Feb. 12 (AP)—Twenty-six bouts featured the second night's fighting of the seventh annual Texas Golden Gloves last night, with four former state champions coming through successfully.

Pvt. Tom Attra, Brooks Field, defending national light heavy champion, knocked out Otto Glauninger of Austin in one round.

Arlo Royce, feather king last year, won a close one over James Alcock, Fort Worth 125-pounder.

Hubert Gray of Wichita Falls, who won the bantam crown last year, gained the decision over Pvt. Michael Jaureque of the San Antonio Aviation Cadet Center. Pvt. Jesse Spivey, who was flyweight champion in 1941, scored a narrow decision over Pvt. Pat Savasta of Milwaukee and the Honda Navigation School.

In the heavyweight class, Elwood Wright, 185 pounds of Lubbock, defeated Joe Tison, 223-pounder of Detroit and the San Angelo Bombardier School.

Winners of last night's bouts fight again tonight, joined by full teams from El Paso, Beaumont and Amarillo.

WINS FOUR CAGE LETTERS  
SAN MARCOS, Feb. 12 (AP)—Lone Star is the first basketball player in the history of Southwest Texas State to win four letters in that sport. He was leading Lone Star conference scorer last season and appears likely to repeat this year, averaging more than 14 points per game.

household supplies, and homes. Hence, they seek to spend more money for food.

3. Government reservation of some supplies for emergency uses.

Last year civilians had about 87 per cent of a record supply of food. This year they will have about 75 per cent of a supply which is expected to be larger than a year ago.

This 75 per cent should be ample, Secretary Wickard says, to provide every civilian with a good, safe diet—that is, if it is divided equitably.

Many of the local shortages that have developed in recent months to evoke consumer complaints reflected an unequal division of the civilian pool of food rather than a drain by the lend-lease program. In the case of meats, for example, those living in midwestern livestock producing and slaughter areas tend to have ample supplies, while those living in eastern and western seaboard areas have encountered shortages.

Also, those consumers able to go to stores early and often tend to get more than their shares while others with less opportunities for shopping tend to get less than their shares.

Rationing has been adopted as the best method for dividing the civilian supply equitably. However, rationing has been put into effect only in the case of sugar and coffee, two items considered relatively less important. Other commodities—principally canned and processed fruits and vegetables, meats and butter—are scheduled to go on the list by spring.

Until rationing gets under way, it is Secretary Wickard's task to get short supplies distributed as equitably as possible. In this he is depending largely upon the co-operation of the food industry.

That's why your grocer may sell you only so much of some items.

## If You Can Lose Your Shirt—Phils Would Be Big Bargain For Investor, Says Rickey

NEW YORK, Feb. 12 (AP)—The Philadelphia Phils have been no bargain on the baseball field these many years, but Branch Rickey says that whoever buys the club will get more than his money's worth.

The new Brooklyn Dodger head man, discounting on the plight of the National league cellar champions, opined that the sale price, unofficially estimated at \$300,000, was the lowest he ever heard of and offered a fine opportunity for some enterprising man to do a rebuilding job.

Rickey declared at his latest press conference that if he were buying the Phils he would figure on losing money the first three years. He set \$125,000 as the loss he might expect the first year.

"Did I say loss?" he asked. "That's wrong. I should say investment, for the money you put into the club is just that. It's like buying a farm for \$50 an acre and developing it until it is worth \$300 an acre."

Meanwhile the National league, which has stuck by the Phils so long, appeared to be stuck with them now, for the time being at least. Last Tuesday it bought up most of the club's stock with the rosy thought that there would be an immediate resale.

The resale has not materialized, and there is no telling when it will. President Ford Frick insists there is no cause for pessimism, however, saying he felt confident the deal would be closed before Feb. 15.

Music will be by the post orchestra from the 315th band and Pvt. Phil Tucker will handle the vocals.

## Officer's Uniform Helps Youth During Hot Check Career

TULSA, Okla., Feb. 12 (AP)—Police ended a two-year trail of fraudulent checks throughout the southwest with arrest at the union bus depot last night of a youth wearing the uniform of a first lieutenant in the army.

Questioned for more than two hours by police, he said he was from Alta Loma, Texas.

In a voluminous statement transcribed by a police stenographer he admitted that on the strength of the army officer's uniform he has passed fraudulent checks in Texas, Louisiana, Arkansas, Kansas, California and Oklahoma that probably have totaled several thousands of dollars.

## Colorado City Gridders Letter

COLORADO CITY, Feb. 12—Eighteen regulars and two reserves on the Colorado City High School Wolves football squad were formally presented letter jackets Thursday at the high school assembly period. The jackets were presented by Socrates Walker, coach. Student-body songs and cheer-section yells completed the program.

Letter men wearing the new jackets this year are Jack Reid, Harold Smith, Morris Coffey, Edwin Hodine, R. J. Knoeks, Howard Eymann, Ray Smith, Wallace Hestand, James Hart, James Williams, Harmon Jones, Cecil Lambeth, Rodney Tiller, Pass Woods, Lee Benson, Bob Moore, and Bobby Motley.

Reserve letters were given to James McCorkle and E. W. Daugherty. Assistant Coach Harold Holmes, who bears the distinction of being the only member of the coaching staff to have seen the whole season with the Wolves, presented a packet along with the boys.

## "They're Finest," Says Gilstrap Of Texas Boys

HOUSTON, Feb. 12 (AP)—Bully Gilstrap, University of Texas basketball coach, pays tribute to Texas boys of the last ten years as the finest "the world ever has raised."

"By Texas I don't mean just the boys who go to the university," said Bully who meets all kinds of youngsters in his travels about the state looking over athletic material while serving as a talent scout. "I mean the boys at Rice and A. & M., at Baylor and at Texas Tech, Texas Christian and at Sam Houston, and those who don't go to college."

"I don't believe there ever have been finer boys. I know they can't be licked."

Millard held his average score per game at 16 points Thursday evening as the 365th Squadron bludgeoned the 1047th Guard into submission, 53-26, in another round of the Enlisted Men's basketball league.

Millard scored 16 points with his mate Savio getting 14 for the winners. Wroble's 10 was high for the Guard, which managed only six points during the entire first half.

Brown's 12 points paced the 365th to a 31-21 victory over the Medical Detachment. Ware had 14 for the Medics but it wasn't enough to turn the tide.

## Well, Whadda' Ye' Know—Thousands Of Home Towners To See Kentucky Derby For The First Time

LOUISVILLE, Ky., Feb. 12 (AP)—The decision to make the Kentucky Derby this year a strictly hometown affair, a move to conserve transportation, means that probably thousands of Louisvillians will see the great classic of American racing for the first time next May 1.

When Joseph B. Eastman, director of defense transportation, approved the management's plan to localize derby attendance, Louisville fans were enveloped in a glow of satisfaction—even though they understood that most of the "derby glamor" was likely to be missing this year.

Mayor Wilson Wyatt explained it this way: "So many people who have lived here for years never get near Churchill Downs on Derby day because they didn't care to buck the crowd from out of town. And thousands who did get to the track never saw the race run because the crowd was too big for everyone to get a view of the track."

"Now for the first time in years, all our home folks who want to will get a chance to enjoy the Derby."

## TCU And SMU Drop Out Of Southwest Baseball Picture

By The Associated Press  
Texas Christian and Southern Methodist are dropping out of baseball in the Southwest conference, leaving only three schools that definitely will have teams this spring.

Arkansas never has participated in this sport but last year the other six conference members competed. Baylor is on the doubtful list. Loss of Howard Wafer and Manuel Garcia, pitchers, and Jackie Rector, second baseman, to the army air corps led Coach Jim Crow to announce that it was extremely doubtful if the Bears continued baseball during the spring.

Texas, Texas A. and M., and Rice will have baseball teams regardless of whether Baylor goes on.

## Big Ten Hit Again As Iowa Loses Coach

CHICAGO, Feb. 12 (AP)—The second war-created change in Big Ten football coaching ranks has deprived the Iowa Hawkeyes of their mentor, Dr. Edward N. Anderson, who is now a major in the army medical corps.

Anderson enters the service less than one year since Bernice Bierman left his post at Minnesota to become a lieutenant-colonel in the marine corps. Bierman now is athletic director and football coach at the Iowa Naval Pre-Flight School.

## \* Volunteers and Veterans!

Only volunteers go to the war for The AP and the list is long!  
A reporter with years of special experience at home, good health, and the special qualities that make a first class newspaperman anywhere may apply for service abroad.  
But he is given no illusions.  
War-reporting is no Sunday school picnic. One of the foreign staff already is missing and feared dead. Another was lost 43 days in the New Guinea jungles. Some have been taken prisoner of war. Others have been injured, or narrowly escaped death—torpedoed, machine-gunned, dive-bombed.  
A war reporter may be sent anywhere on earth. In many countries the living conditions are terrible, drinking water dangerous and none of the ordinary comforts of life available. He must be vaccinated for smallpox and inoculated for typhoid, yellow fever, typhus, tetanus and cholera. His family can't join him. There are no regular hours, or vacations

and he is in for the duration. Yet, it's a chance to cover the greatest news story of all time.  
Does the reporter still want to go?  
He does—and counts himself lucky!  
AP foreign correspondents are like that today, reflecting the traditions that have enabled The Associated Press to set great marks in war reporting for practically a century.  
They have a lot to live up to—and even more to come. They cover half a dozen fronts and their passports look like secret, censored passages from the Arabian Nights. They write on warships, in airplanes, and in lurching trucks. They report from bombed-out cities, trackless deserts and endless jungles. They use wireless, cable, telephone, radio, airplanes, ships, army couriers, diplomatic channels, camels and native bearers—anything to get their stories out to The AP and the world.  
This is the toughest newspaper job on earth—and they ask for it!

## Texas League Due To Fold

SHREVEPORT, La., Feb. 12 (AP)—With a vote to suspend freely predicted, Texas league club owners will assemble here tomorrow for their two-day schedule meeting.

The Shreveport team automatically became host to the session when the Sports won the 1943 pennant.

With only Fort Worth campaigning vigorously for a 1943 race, most of the club owners either were on the fence or have not expressed themselves. After a long period of silence, Bonneau Peters, president of the Shreveport team said last night that he would go along with the majority and Oklahoma City operators have suggested a delay on a decision pending further clarification of the manpower situation.

Seasons will be executive and no announcements will be made until a decision is reached.

## Texas Cities Are In Labor Areas

DALLAS, Feb. 12 (AP)—War Manpower Commission Chairman Paul McNutt has included city environs and suburbs adjacent to the 22 labor shortage areas in orders which require a 48-hour work week, the regional office of war information said yesterday. OWI said Orange, Port Arthur and Silsbee, Texas, were included in the Beaumont area.

"She—said—what?" He asked quietly.

"She denied she had been out on the court at all," repeated Kitty. "She said somebody must have been walking in her shoes. Her shoes! Pours! It's true I didn't hear all of it; I wasn't in the room; but Maria heard part of it, and that's the gist."

"Excuse me," said Hugh. "I've got to go up there at once."

"I should," advised Kitty. Again her mood changed. "Wait. Don't let's quarrel. Believe me when I say this: nobody wants to see Brenda less than I do. Nobody likes Brenda more than I do. The shock of this has upset all of us. But—if she's said anything foolish, get her to retract it before it's too late."

**Revival** leader for a series of meetings starting at 8 p. m. today at the Baptist Extension church at the airport will be the Rev. O. D. Carpenter, formerly West Side Baptist pastor. At one time a revival music director, he is now in the field as an evangelist. Meetings will continue for 10 days. J. Hollis Lloyd will be in charge of singing and a junior and intermediate choir will be organized Sunday. The church is located in the rear of an old monument building, a block south of the Midland highway and two blocks west of the bombardier school road.

**Broader Religious Program For Men Of Bombardier School Is Scheduled**

Today marks the beginning of a busy weekend religiously for men of the Big Spring Bombardier School, for services for men of Jewish faith sets in motion a series of meetings which carry through Sunday evening.

The schedule, same as one adopted last week, will continue in force from now on, Chaplain James L. Patterson indicated.

With Max Jacobs, Big Spring business man in charge, the Hebrew service will be held at 8:30 p. m. The Big Spring Jewish congregation supervises this service each week.

Saturday evening and Sunday morning of each week, Father Joseph Walter, Stanton, hears confessions and holds mass for Catholic men. Father Walter has been following this practice for some time, even before the post had a chaplain.

For those of Protestant faiths, Chaplain Patterson announced the following schedule of services Sunday:

8:30 a. m.—A small group of workers make a 30-minute religious program available to men in the hospital wards.

9:30 a. m.—Services for colored men of the post in the East Chapel with colored ministers of Big Spring being invited to bring the messages from time to time.

11 a. m.—Regular Sunday service for white soldiers in the West Chapel. This service was formerly held at 9:30 a. m.

Afternoon—Services in the East Chapel for prisoners. This service has been well attended and men show considerable interest.

8 p. m.—An informal song service for men who like to sing—men of all faiths: Jewish, Protestant and Catholic alike.

During the week, said Chaplain Patterson, there are services for mid-week prayer and Bible study.

**Churchill's Pronouncement On Submarine War Is Reassuring**

By GLENN BABB

The high point of Prime Minister Churchill's confident, exuberant war review in parliament yesterday, the one item of unexpected good news, was his carefully weighed and documented assurance that the Allies are not losing the war against the submarine.

Other points in his recital of recent success and hopes for the future were pretty well known in advance to his world audience. But there has been so much said recently about the ominous outlook in the struggle for mastery of the sea lanes that it was a heartening surprise to have him say that "progress is being made in the war against the U-boat; we are holding our own and more than holding our own."

As he said, there has been a recent let down in the U-boat depredations on Allied shipping, coinciding with the short and stormy days of midwinter on the North Atlantic. But there is no let down in the hard driving preparations on both sides for the showdown of the spring and summer which may determine whether we can crush Germany this year or next or must wait longer.

It is a fight for rule of the seas that would be incomprehensible to Nelson or John Paul Jones—broad sides from fighting craft two miles or more aloft over targets scores of miles from sea water—but it is the battle for salt power just the same in a more deadly, all-devouring form that it has ever taken before.

Churchill gave the first authoritative score in recent months for the competition between submarines and building; in the last six months the Allies have scored a net gain of a million and a quarter tons, a little better than 200,000 tons a month. Against the background of construction figures—it is known that the United States alone was rapidly approaching the rate of 1,000,000 tons a month toward the end of 1942—this is not a margin large enough to assure victory, but, the prime minister said, "it is something and something very important."

These figures so glibly quoted fall, of course, to picture the sickening price that the merchant marine of the United Nations is paying day by day for success. We know that in our first year of war merchant seamen of the United States suffered a casualty rate of 3.8 per cent, far higher than the overall rate for the armed services, still largely engaged in preparation.

We must face the prospect of from 500 to 700 U-boats operating, as Britain's first lord of the admiralty said recently, "not in single packs but in x x x echelons of packs." But the prime minister was confident enough to "let the enemy, if he will, nurse his vain hopes of averting his doom by U-boat warfare." His assurance that "he can not avert it" although he may delay it strongly underscores the hopes for victory which events of the last three months, climaxed at Casablanca, have raised.

**Prospect Of Seeing Son In Newsreel Almost Too Much**

KANSAS CITY, Feb. 12 (AP)—Four times Mrs. S. L. Wilson, went to a theater to see her son in a Guadalcanal newsreel.

Four times she fainting just before he appeared on the screen.

"She tried a fifth theater last night, "and this time my heart went to my throat—but stopped there," she said. "I saw him."

On the first four tries, "things just seemed to go black before Melven Lee appeared."

How long was her 17-year-old boy on the screen?

"Oh, it seemed like about one sixth-fifth of a second. They were marching up a gangplank into a ship. He smiled into the camera just like he used to smile at home."

Her voice still tremulous with excitement, she said she had felt "sort of silly," waiting for her fifth attempt to view the newsreel.

Will she see it again, now that she's cured?

"I'm going to see it every time it's run in Kansas City."

**Draft Boards Told To Use Common Sense**

By The Associated Press

AUSTIN, Feb. 12 (AP)—Local draft boards in Texas have been instructed to consider all cases under the new selective service rulings with "common sense," Gen. J. Watt Page, state selective service director, said today.

He explained that men of military age engaged in non-deferable activities listed by the War Manpower Commission should not flock to defense centers to get jobs in war plants.

"It is not the purpose of the order to encourage mass movements of workers to busy defense centers which are already overcrowded," he said.

Page said a list of essential activities is available at any U. S. employment service office.

The state office notified local boards today to re-classify all physically qualified registrants in the 18-37 age bracket and in non-deferable occupations, without consideration to dependency status, April 1.

In further amplification of the order, Page said:

Since the new policy does not become effective until April 1, time is allowed for a systematic transfer of manpower from non-essential to essential activities. A grace period of 30 days will be granted to any registrant who presents his local board with evidence that he has registered with the United States employment service for transfer to other employment.

**WAAC Recruiter Talks To Prospects**

Contacts with WAAC applicants were renewed Wednesday evening by Lieut. Jessie Gardner, a West Texas district WAAC recruiter, as she completed another swing through this area.

Lieut. Gardner was accompanied by Lieut. Raymond J. Dees, assigned to the work by the district headquarters.

Sgt. Edwin Turner went with the two for a visit to Sterling City Wednesday afternoon and Wednesday evening Lieut. Gardner followed up on application blanks she had issued when here a fortnight ago.

Sustained and mounting interest was indicated this week with receipt of eight new applications, said Sgt. Turner. He anticipated that several would be shipped by the weekend.

**Negroes Named On Liquor Charges**

Charges were filed in Dawson county court this week against two negroes for violation of liquor control laws.

Roy Hightower was apprehended near Lamesa by representatives of the Liquor Control Board and charged with transporting liquor in a dry area. He was carrying a quantity of wine and whiskey.

Tom Lee was also apprehended near Lamesa and charged with possessing liquor for sale in a dry area.

**More School Funds**

Howard county schools received another \$2 appropriation from the state Thursday. Walker, Bailey county superintendent, reported today, with a check amounting to \$1,063.65. The payment made a total of \$15 of the allotted \$22.90 to be paid the schools.

**Student Pictures For Yearbook Complete**

"Student pictures for the El Rodeo, Big Spring high school yearbook, are near completion and work will begin on art for the book next week," said Mina Mae Taylor and Winnie Ruth Rogers, co-editors for the 1943 edition, Friday.

After much work to secure film for production the staff has begun work to try to finish the photographs so progress will be rapid on other parts of the book.

Clara Secret is art sponsor and advisor and Wayne Matthews is faculty advisor.

**District Cage Meet Saturday**

Basketball championship of district 22-B will be settled here Saturday with four teams of the loop participating, it was announced Friday.

Play will start at 11 a. m. with Sterling City and Coahoma, two of the favorites, tangling in the upper bracket tilt. At 12 noon, the lower bracket teams, Garden City and Garner, will play.

Winner of these two teams will meet at 4 p. m. for the championship and the losers will meet at 5 p. m. for consolation.

All games will be played in the Big Spring high school gymnasium.

**Conroe Pastor To Fill Pulpit Sunday For Presbyterians**

The Rev. Mr. Moore of Conroe, Tex., will preach both morning and evening services at the First Presbyterian church.

Church officials said he will come as a candidate for the pulpit vacated when the Rev. O. L. Savage was called into chaplain service. The Rev. Mr. Moore was due to arrive here Friday. Membership of the church was urged to attend both Sunday services.

**Course Completed**

A first aid course, taught by Neel Barnaby for Big Spring State Hospital employees was completed Thursday night, Barnaby said today, and plans were made to begin another course soon for others of the hospital personnel.

**Crush Hitler First Strategy Causes Sino Disappointment**

CHUNGKING, Feb. 12 (AP)—An undercurrent of disappointment at the Allied Nations' decision to crush the axis in Europe first ran through the Chinese press comment today on Prime Minister Churchill's war report to commons.

The newspapers gave prominence, however, to dispatches which indicated that public opinion in the United States and Great Britain favored quicker and more effective aid to China in her war against Japan.

The China Times, while praising Churchill's address in most respects, frankly confessed that his promise to rush British troops to attack Japan after the collapse of Germany was "contrary to our expectations."

**Industrial Coffee And Sugar Users To Register Again**

Industrial coffee and sugar users, which includes bakers, bottling plants and similar establishments, may register for their sugar and coffee bi-monthly allotments for March and April, by February 15th, the local War Price and Rationing Board announced Friday.

Institutional users, however, which includes hospitals, cafes and drug stores, may not register until March 1st through March 15th.

The announcement was received in a telegram from the regional office this morning.

**Draft Status Talk**

WASHINGTON, Feb. 12 (AP)—The draft status of all American citizens will be discussed over the radio Saturday night by Major General Lewis E. Hershey, selective service director, and Paul V. **THE OLD JUDGE SAYS...**

"Sure been a great year for crops, Judge... best we've had in quite a spell."

"That's true, Henry... all over the country. As a matter of fact, there's been quite a surplus supply of grain according to some figures I saw in one of your farm papers the other day. But that surplus is being used to mighty good advantage and is making the contribution of you farmers to the war effort more important than ever."

"Here's just one example of what I mean. The beverage distilling industry alone will use 100,000,000 bushels of this surplus to make alcohol seriously needed by the government for gunpowder, synthetic rubber, chemicals and medical supplies."

"So, keep it growin' Henry... you're doing a great job."
