

## Harrison Rites Held Monday Afternoon At Baptist Church

### AROUND TOWN

Sights and Faces Seen

Miss Virginia Erie Reed has a serious problem which is giving her considerable worry. It's this: She has been working in the office of County Judge A. J. Schroeter for several months, yet many of her friends still think she is jobless and enjoying a restful summer of loafing. She is definitely yexed because so many people casually assume she is one of the ten million unemployed.

Miss Lovilla Clay, secretary in the Farm Security Administration office, is back at work this week following an appendectomy.

Miss Erma Faye Robinson is now employed in the Deaf Smith County Welfare office. She re- (Continued on Page 12)

## Spud Warehouse Ready As First Load Expected

With washing and grading equipment set up and ready to go, the Hereford Potato Growers' Association is expecting the first load of spuds at its warehouse soon, possibly today.

Work on the warehouse proper is nearing completion. All work essential to handling the potato harvest of members has been done. Work on the association office is going forward this week.

Six sorters can work comfortably at the sorting machine, and in a pinch as many as six more can find places to work. Most of the crop will probably be washed. As machinery is set up at the cellars, spuds coming from the fields will be placed in the south cellar. They will then be sent through the washer and grader into the north cellar.

## Second Half Of Softball Play Starts Monday

Softball play in Hereford, postponed during harvest, will get underway Monday night when the Hereford high school team meets the Lions Club. Tuesday night the K C tangle with Phillips 66 and Wednesday night Summerfield, winner of the first half, will seek to continue their perfect record by beating the Flowboys. Thursday night will see Dawn, cellarites in the first half, play the Firemen.

## Lion Delegates To Leave Soon

Alton Miller, C. F. Moore and G. W. Brumley are planning to leave Wednesday, July 17, for Havana, Cuba where they will attend a meeting of the Lions International.

Mr. and Mrs. A. O. Thompson left Monday on a leisurely trip through the south before they eventually reach Cuba.

The delegates plan to drive to Florida where they will embark for the island.

## JACK TELFORD GETS BORDER PATROL JOB

Jack Telford, employed in the office of the Deaf Smith County Wind Erosion Control District, was notified Friday to report immediately to El Paso, where he has been named immigration inspector with the Border Patrol.

Mrs. Telford and their son, Jack, went to Dallas to visit her parents until Mr. Telford learned his permanent location along the border.

Funeral services for W. R. Harrison, prominent farmer of this county, were held Monday afternoon at the First Baptist Church with Rev. W. E. Barnes conducting the services, assisted by Rev. A. A. Daly, pastor of the Assembly of God Church. Mr. Harrison passed away Sunday at the age of 68, following an illness of several months.

A resident of Deaf Smith county for 18 years, Mr. Harrison had farming interests in the Ward community and was a consistent worker in religious, civic and community affairs. He had lived in Hereford since 1936. Mr. Harrison was born July 30, 1871 in Tennessee and came to Deaf Smith county in 1922 from Oklahoma. He was married to Miss Polly C. Winchester and to this union two children, both of whom survive, were born. They are Mrs. W. B. Griffin of Crowell, and Charlie Harrison of Oklahoma.

Following Mrs. Harrison's death, Mr. Harrison married Miss Martha Clayton, who survives, on January 4, 1903. Seven children were born to them. They include two sons, James and Floyd Harrison of Hereford, and five daughters, Mrs. Martha Patton of Cheyenne, Wyo.; Mrs. Oma Brooks, of Amarillo; Mrs. Mary McGoldrick, of Chicago, Ill.; Mrs. Edna Caraway of Ft. Logan, Colo.; and Miss Erma Lee Harrison of Hereford.

The following brothers and sisters survive: J. C. Harrison of Gracemont, Okla.; W. H. Harrison of Chickasha, Okla.; B. B. Harrison of Texico, N. M.; Mrs. Myrtle Venable of Verden, Okla.; Mrs. Birdie Ingram of Pecossett, Okla.; Mrs. Grace (Continued on Page 12)

## Hereford Persons Are Interested In War Orphans

That several Hereford persons are interested in adopting or caring for British or French war orphans was reported this week by Mrs. Dyalitha Brady, who said she had had several inquiries.

Mrs. Brady stated that she had written the Amarillo Welfare office to learn if any children were to be sent to this section. Up until noon she had had no reply.

Some of the refugee children are said to have arrived in Dallas.

## Four Boys To Enroll In CCC Camp Thursday

Four Deaf Smith county boys have been accepted for enrollment in the Civilian Conservation Corps, Mrs. Dyalitha Brady of the Welfare office has announced. The boys will be taken to Littlefield Thursday by Mrs. Brady to complete enrollment.

Those accepted here are Tom Barrett, son of Bob Barrett; Leroy Miles, son of Mr. and Mrs. E. J. Miles; Calvin Chaney, son of George Chaney and John Hill Hill.

CCC enrollees are paid \$30 a month Mrs. Brady said. Of this amount \$22 is sent home and the boy keeps \$8 for spending money in camp.

## Parmer County Repays Crop Loans 100 Percent

Parmer county has repaid its 1939 crop loans 100 per cent, Carl Hill, of the Emergency Crop Loan office in Hereford, has announced.

"This is a record for any county to be proud of," Mr. Hill stated yesterday.

L. B. Wright of the Levelland Emergency Crop Loan office is in Hereford during harvest assisting in collecting loans which are due now.

## New Potato Warehouse To Be Built Here

Machinery is on the grounds this week and construction work is expected to begin immediately on a second potato warehouse for Hereford. C. M. Carpentier, formerly of Idaho, is building the warehouse with private capital. It will be located just east of the City Water Works and south of the tracks. Excavation for the warehouse will be three feet deep, 48 feet wide and 300 feet long.

W. M. McClellan of Plainview is in charge of construction.

## Highway Worker Suffers Painful Burns Monday

Oscar Brown, State Highway Department employee on Highway 51, suffered painful, but not serious, burns Monday morning when a maintainer motor he had just washed with gasoline ignited about 25 miles north of Hereford.

His right leg was burned from the hip down and his right arm from the elbow down. Mr. Brown put out the fire in his clothing by sitting down and throwing dirt over himself. A motorist picked him up and brought him to Hereford. He was alone when the accident occurred.

He will be in bad about two weeks, it is reported. He lives at McKee Apartments on Bradley Street.

## MASONS GO TO MEETING AT CLOVIS

Eight states were represented in a meeting of the Masonic Lodge in Clovis Tuesday night where there were over 200 guests for a chicken feed and all the trimmings.

The Hereford group attending included Wes Brady, E. L. Brady, Marvin B. Norwood, Robert Thompson, G. T. Higgins, Jerry Keenan, Archie Scott, and Grant A. Fuller.

## Rites Held For Worley Baby

Last rites were held yesterday afternoon at Black's Funeral Home for the infant daughter of Mr. and Mrs. M. L. Worley. Rev. H. M. Redford was in charge of services. Interment was made in West Park Cemetery.

The baby died at birth Tuesday.

The parents and several brothers and sisters survive.

## Second Report On Campaign Costs Due Soon From Candidates

Second reports of candidates' campaign expenses must be filed with the county clerk between July 15 and 19, Robert L. Thompson has announced. First reports were filed between June 27 and July 2. Blanks for the reports may be obtained from the county clerk's office.

The deadline for absentee voting is July 26.

## Firemen's Dance To Be Saturday Night At Firemen's Hall

Joe Cole and his "Jivin' 14" have been selected by the Firemen to furnish music for a dance at Firemen's Hall in City Hall building Saturday night, July 13.

The "Jivin' 14" hall from Amarillo where they have built up a reputation on their "in the groove" music.

Dancing will start at 9 o'clock.

## Extra! Blitzkrieg Is Unleashed By Skunk; Humans Flee

Mrs. H. C. Matteson and son, Paul, of Westway, went forth to war one night last week when they were awakened by a skunk among the chickens. But the skunk adopted Nazi Blitzkrieg tactics and chased Mrs. Matteson and Paul back into the house.

"I was afraid I wasn't going to beat mother to the house," Paul reported. It was hard to tell which went the faster.

It all started when Mrs. Matteson heard the skunk outside her window. She and Paul went out. Mr. Skunk let go the chicken he had, chased the dog away, then started for Paul and his mother.

Yes, Paul regained his courage and went out and killed him. The Score: Mr. Skunk—15 dead fryers. Paul Matteson—one dead skunk.

## Condition Of W. C. Russell Is Serious

Condition of W. C. Russell, who lives about four miles north of Progressive, was reported somewhat better this morning. Pulse rate and temperature had both declined nearer normal. Up until this morning, however, he had not regained consciousness.

Mr. Russell fell from a windmill tower Monday, fracturing his skull and breaking his arm. His son, Clyde, was working also on the mill. He and his wife brought Mr. Russell to the hospital.

## Four Have Close Shave From High Voltage Death

Four Hereford young people had a narrow escape from cremation or electrocution Sunday night when the car they were riding in was forced across a barrow ditch and broke a power line pole. The wires, carrying an estimated 60,000 volts, dropped toward the metal top of the car but did not touch it.

The car, a coupe belonging to Billy Patton, son of Mr. and Mrs. John H. Patton, was badly damaged. Occupants of the car suffered bruises and scratches.

The accident occurred near the stockpens on the Highway east of Hereford. They were driving east and suddenly came up behind a car without a tail light. To avoid crashing into the car, Billy turned out to the right.

Besides Patton, those in the car were R. A. Daniels, Miss Irene Knox and Miss Inavey Burdine.

## BRAND TO PUBLISH POLITICAL EDITION AS PRIMARY NEARS

Residents of this territory may next week look forward to the "Political Edition" of The Brand, which will carry announcements from candidates for numerous public offices regarding their stand on problems of local, state and national importance.

In this edition, which is published each election year, candidates are invited to take advantage of the advertising columns of the paper in behalf of their candidacy in the election Saturday, July 27.

Attention was also called to the Election Party which will be sponsored by The Brand on the night of the Democratic Primary. Election returns on State races; Congressional and Senatorial races and on County Races will be posted at regular intervals in front of The Brand office.

## Child Killed In Wind Storm Last Night

Norman Suttle, small son of Mr. and Mrs. Odus N. Suttle of Black, was killed about dusk last night when high winds blew over a chicken house on him. The accident occurred on the farm of Clifford Crow.

Funeral arrangements are pending.

## Fire Fighting Equipment Added By Fire Dept.

Addition of a 250 gallon pressure tank for use on the American-LaFrance fire engine, is announced this week. The tank will carry water and will displace the chemical tanks formerly used.

Use of the water tank said to be particularly useful because the engine can start spraying water on a fire without the ordinary loss of time necessary to fasten a hose to a fire hydrant. The tank also makes it possible for the department to put out fires outside the range of fire hydrants.

"Use of water through a fog nozzle will not only put out the fire quicker, but will damage furniture and furnishings less than chemicals will," Fire Chief John H. Patton said.

## Bill Posting Ordinance To Be Enforced

Pointing out an existing city ordinance which prohibits posting bills, painting or stamping imprints on telephone poles, light poles, fences, etc., without express permission from the owners, E. W. Curtsinger, city marshal, said today that the ordinance will in the future be enforced here. A fine of not more than \$50 is established in the ordinance as penalty for violation.

"Not only does the posting of placards on light poles look bad over the town, but the tacks and nails offer a hazard to linemen who have to climb the poles," city officials declared. While no action will likely be taken against previous offenders, future violations will be considered as misdemeanors. Persons were also warned to secure permission before posting bills on private property without permission.

## 200 Tulia Boosters Here

Boosting Swisher county's celebration for her Golden Jubilee, a caravan of 40 cars, and approximately 200 persons visited Hereford yesterday. The group was led by Henry Teubel, manager, County Judge James J. Hale and other officials.

The Tulia Band, a trio, a string quartette and an accordion ensemble furnished entertainment while the booster group was here.

Leaving Hereford at 12:45 p. m. the group traveled on to Canyon, then to Amarillo, where they broadcasted over Station KGNC in the afternoon.

## Max Boyer To Speak In Hereford At Court House Saturday

Max Boyer of Ochiltree County, candidate for State Senator of the 31st Senatorial District, will speak in Hereford Saturday evening at 8:15 o'clock. It has been announced. The address will be made on the court house lawn.

Mr. Boyer is expected to review his legislative record of the past four years, when he served the ten northern counties of the Panhandle of Texas, and to present the platform on which he is running for the state senate.

## WORK ON TRAILER RUSHED BY SCOUTS

Rushing work on their new trailer this week are Boy Scouts of Troop 1, who are planning a camp at Ceta Glen beginning July 19. Visitors are invited to inspect the trailer at Beavers Bros. Garage, Urin Street, Scoutmaster, said today.

## County Group Goes To A&M Short Course

A large delegation of Home Demonstration Club women, 4-H club girls, 4-H club boys and representatives from the county agent's and county home demonstration agent's office are in College Station this week attending Short Course at Texas A & M.

Among club women attending are Mrs. Earl Springer of Frio, Mrs. M. H. Koelzer of North Hereford, Mrs. Frank Wilde of North Hereford, Mrs. Maurice Tannahill of Westway, Mrs. Aldon Hawks of Frio, and Mrs. Louie Olson of Wyche. Mrs. Wilde was accompanied by her daughter, Dorothy Dee.

Club girls attending include Ira Jeanne Ricketts of Progressive, who is a Gold Star girl; Nancy Olson and Barbara Robertson of Wyche.

Club boys who are attending the short course include Glenn Ricketts, John Douglas Pitman and V. C. Hopson.

County agent A. R. Bateman and assistant county agent Hugh Clearman left Sunday for the course.

Miss Sadie Lee Oliver, county home demonstration agent is also at College Station to attend the sessions.

## Farmer Should Be At Home When Crop Reporters Call

Measuring of land to check compliance with the AAA program will start Monday, July 15, according to an announcement from the county agent's office.

Each farmer will be notified of the day and approximate hour crop reporters will be at his place. To speed up measuring work this year, it is essential for the farmer or his representative to be at the farm to guide reporters over the fields and to sign the report. If the farmer or his representative is not present, the land will not be measured at that time.

## Max Boyer To Speak In Hereford At Court House Saturday

Max Boyer of Ochiltree County, candidate for State Senator of the 31st Senatorial District, will speak in Hereford Saturday evening at 8:15 o'clock. It has been announced. The address will be made on the court house lawn.

Mr. Boyer is expected to review his legislative record of the past four years, when he served the ten northern counties of the Panhandle of Texas, and to present the platform on which he is running for the state senate.

## WORK ON TRAILER RUSHED BY SCOUTS

Rushing work on their new trailer this week are Boy Scouts of Troop 1, who are planning a camp at Ceta Glen beginning July 19. Visitors are invited to inspect the trailer at Beavers Bros. Garage, Urin Street, Scoutmaster, said today.

Meanwhile, menus and program for the camp are being planned.

Two applicants received Tenderfoot Badges Monday night. They were Ben R. Plummer and Bobby Regal.

With approximately 1,250,000 bushels of wheat already harvested from the 1940 crop in this territory, it was estimated today by grain dealers that harvest will be well over by the close of this week. A general estimate of around 1,500,000 bushels is foreseen for this territory.

"Well, this is my last load," is becoming a familiar phrase in all elevators of this section as farmers completed harvest work without delay from rain. Elevators also handled the 1940 crop more efficiently than in many years with practically every elevator offering improved facilities in the face of a comparatively light yield.

Wheat tests which started out up to 63 showed a decided drop during the past few days as the late wheat dribbled into elevators. Most of the late wheat is testing around 59, but high tests earlier in the season will give an average test of better than 60 for the territory, according to general opinions. An average protein content of around 14 1/2 is generally estimated for the 1940 crop with some tests running much higher.

As predicted earlier, practically all of the present crop has been placed in the Government Wheat Loan, which is higher than market prices. Very little wheat has been sold, elevator men reported, most sales being where farmers were not eligible for loans.

The majority of the 1940 crop (Continued on Page 10)

## R. A. Group Goes To Camp

Twenty-five boys of the Baptist R. A. left Tuesday afternoon for the District R. A. Camp in Ceta Glen Canyon. They expect to return to Hereford Friday.

The group was accompanied by Rev. W. E. Barnes, Mrs. Art Manjoet, registrar, Miss Imogene Robertson and Miss Avis Matthews.

## Penney's Annual Mid-Summer Blanket Sale Is Announced

With the temperature climbing up into the 90's and 100's these days, Penney's Store has turned back the season and is offering its Annual Blanket Sale now.

Stating that prices are exceptionally low at this time of year, C. F. Moore, manager, said today that the annual sale promises to be unusually successful, as persons hasten to stock up against an expected price rise this fall.

Not the least of the advantages in buying blankets now is the fact that they may be purchased on the lay-away plan, he said.

"Choose your blankets today," Mr. Moore urged. "You will then have months to pay before winter arrives."

## Odus Whitfill Takes Charge Of Phillips Station Number 1

Odus Whitfill, who for the past year has been employed with the Phillips Sta. No. 2 on the highway, last Thursday took charge of the No. 1 station just east of the courthouse.

Mr. Whitfill has been in the service station business for a number of years and invited his friends to visit him in the new location, stating that he will feature Phillips products and will specialize in prompt service.

## Tree-Top Table

Here's something new in tables displayed at Chicago's Merchandise Mart. The table will hold a six-foot tree. Julia McCarthy is admiring the cactus, but plans on planting an evergreen in her own tree table. The new home furnishing is constructed of amber mahogany, with a copper lining and leather top. One of the most unusual pieces of furniture exhibited, it attracted widespread attention from dealers all over the nation.

All of the guesses are in on the wheat contest for 1940. Despite the late start this year, there were 75 estimates. The lowest estimate was 749,375 bushels by Mrs. John Gaetz, and the highest estimate was 3,000,000 bushels by Mrs. C. B. Miles, who won the contest last year. Virginia Bowman added the guesses all together, then divided them by 75 and got the average guess—1,854,148 bushels. She sure had trouble on the total figure because the adding machine quit working past the 999,999 point. Anyway, if you don't think the average guess is right get those of last week along with those in this paper, add them all up and divide by 75. Virginia says when you do this 25 or 30 times you finally get the same answer twice, which in her case was 1,854,148.

Herman Schulz of Amarillo was in the office this week to renew his subscription. Herman said he enjoys The Brand very much and like several others stated that he was glad to get the entire dope on the proposed compulsory military training program.

People everywhere are complaining about the hot weather. We have a patent medicine ad in the office which also has a thermometer attached. Notations along side the thermometer record that "freezing is 32 degrees," "Temperate 56 degrees," "Summer Heat 74 degrees," and "Blood Heat 98 degrees." They sure have things wrong about summer heat in this country, because the mercury on the thing stood above the blood heat point most of the week.

Pollyanna Crawford recently completed a masterpiece in wall decorations. Being a poetess of unusual ability Pollyanna wrote a poem in Iambic Pentameter, Blank Verse, then embroidered the poem on a piece of linen and placed the finished product in a frame. All in all, she is a very remarkable young lady.

From now on you can address me as Dr. Gillentine, or just plain "Doc" if you prefer. Joe Reinart came by one day last week and left word that he must see me immediately. He said it was urgent and that I should call him before I went to eat. I tried to call as soon as I came in, but he was out so I waited for him to call back; about 12:45 he called back and wanted to know if I was very busy. "I'd like for you to come out and look at one of my cows," he said.

I immediately figured that he had a cow with 9 legs or something and told him "O K, Right after I eat." Well, he wanted to go right then, and in the course of conversation he mentioned that the cow was pretty sick. Right away I figured out that he wanted Jack Gilliland, which he did.

I started to tell him about how as a boy I once spent a few days with a friend of mine down at Arlington, Texas, and one of the horses got sick. This friend had heard that tobacco juice was good for sick horses, so we chewed up all we could stand and put the juice in a bottle, then with considerable trouble poured it down the horse's throat. I guess we didn't mix it enough or something. Anyway, the horse died. My friend's father whaled the tar out of him and if I hadn't been visiting there (and two shades sicker than the horse after I had chewed the tobacco) I would have gotten the same. Every since then I've steered away from doctoring animals, especially horses.

The Fireboys are as hot as a four-alarm fire. They want to see Olin Culberson elected to the State Railroad Commission. Olin Culberson has served faithfully and efficiently in behalf of the Volunteer firemen of Texas and he has done much toward reducing gas rates in Texas. The Firemen of Hereford list the following points in Culberson's favor: WHAT HAS OUR CANDIDATE TO OFFER HIS STATE? 1. OLIN CULBERSON offers a record of achievement—not promises.

2. Olin Culberson has a dollar and cents record in gas rate reduction for his state.

3. Olin Culberson has actual experience in oil and gas regulation and a record of having done this work faithfully and efficiently.

3. Culberson is the only leading candidate whose character and whose honesty and courage are unassailable. He has no record of failure.

5. Culberson as rate expert for

the Firemen worked with you to save TWO MILLION DOLLARS each year on Fire Insurance Premiums.

6. Culberson made a successful fight to clean up corrupt practices in the oil industry and bring order to Oration.

7. Culberson is a World War Veteran.

8. Culberson is the only man in the race who has actual Railroad experience—having been for years on the Katy. This makes him worthy of every Organized Labor Vote.

Furthermore, practically every other volunteer fire department in Texas is working hard for this man Culberson. I don't know much about Culberson, but I do know that our fireboys are an unselfish group, serving the community in a manner which cannot be duplicated.

Here's a petition which gives Culberson endorsement of the Hereford Department. It's signed by Jno. H. Patton, chief; W. C. Pitman, Onias Carroll, Bud Witherspoon, C. W. Cogdell, Fred G. Brown, Roger Corbett, Arthur Tiefel, Debbs Knox, J. Wallace Robinson, Glenn Witherspoon, Willard Witherspoon, B. Y. Crosthwait, Orland Newell, Earl Phillips, J. M. Pitman, L. B. Russell, J. D. LATE WHEAT REPORTS

Buren Sowell has a crew of 15 men at his place. G. Davis has 1000 acres which is being harvested and Buren has 250 acres of his own which made about 15 bushels. He said the wheat was well filled because of the cool weather. (A 2 1/2 inch rain which missed the east part of the community did wheat in the west part lots of good—in fact, saved it.) Mrs. Sowell is cooking for the men employed there. She is assisted by Miss Erdman of Hereford.

W. L. Jones had some good irrigated wheat which made 30 bushels or more.

J. C. Morrison, who bought one of Judge Slaton's places south of Harrison Highway, also had good wheat. Some probably made 35 bu. but the field averaged 30 bushels.

Most of the harvesting has been done except for some that is still too green.

Merlin Kaul built a granary and stored most of his wheat in it.

## Funeral Services Held For Bob Denney, Former Resident

Funeral services were held here June 30 at the Methodist Church for Bob Denney of Slaughter, Ky., a former resident of this section. Services were in charge of Rev. Marvin B. Norwood.

Bob Denney was born May 16, 1873 in Smith County, Tenn. He came with his family to Texas on December 22, 1905 and lived near Hereford until five years ago when he moved back to Tennessee for one year. He then moved to a farm in Kentucky where he lived at the time of his death on June 26.

He was married at the age of 22 to Miss Catherine Bates. Eight children were born to them, three boys, Bill and Toney of Forrest, N. M., and Arthur of Hereford; five daughters, Mrs. Dick Durham and Mrs. Homer Durham of Cortez, Colo., Mrs. Chess Gollihar of Lubbock, Mrs. Carl Jennings of Hereford and Mrs. Maude Caraway, who passed away in 1932. The mother died in 1929. In 1933 he was married to Mrs. Lizzie Gentry who lives in Kentucky. Four Stepsons survive: Joe, Claude, Ernest and Grady Gentry, all of Kentucky. Several grandchildren also survive.

Interment was in West Park Cemetery.

Rev. H. M. Redford and wife went to Plainview last Monday night where Mr. Redford assisted in the installation of a new pastor for the Plainview Christian Church, Rev. Lester Rickman.

Mrs. R. B. Vickers of Cleburne, a sister of Mrs. E. B. Black, is expected Saturday to spend the summer here.

Mr. and Mrs. R. L. Ethridge, accompanied by Virginia Erle Reed and Billie Whitehead, spent Sunday in Palo Duro Canyon.

# The Rockwell TUBA

Published Once in a While by Rockwell Bros. & Company, Lumbermen  
Hereford, Texas Thursday, July 11, 1940

Shack 6 Piece 26

The musical twang of saws and percussive drum of hammers playing on TUBA fours and such, mingled with the throaty bass of concrete mixers and the high tenor whine of sanding machines have been orchestrated into a building symphony concert in Hereford and its environs during the past few weeks.

A couple of good seats at this concert are held by Mr. and Mrs. Horace L. Schloss, whose new residence has just been started on Avenue D. Living quarters upstairs, and—if we have not been misled by what we've heard—training quarters for Mr. Schloss in the basement.

Frank Ashlock is doing the building, W. O. Fox the painting, J. C. Cummins the plumbing, and Hereford Welding & Electric the wiring.

Wife: "Darling, the new maid has burned the bacon and eggs. Wouldn't you be satisfied with a couple of kisses for breakfast?"

Hubby: "Sure—bring her in."

A 12 foot kitchen cabinet is one of the many outstanding features in the new 2-room addition to the ranch home of Mr. and Mrs. R. L. Cocanougher at their Registered Hereford headquarters east of the city. It is a masterpiece of fine workmanship on the part of M. H. Koelzer, and has several unique conveniences and labor saving devices new to our experience.

The bedroom, too, has some delightful points, among them: a closet completely lined with cedar; another closet with plenty of shelves and storage; beautiful oak floors; best type weatherstripped windows, three on the east and two on the south affording good views and lots of ventilation.

Mr. and Mrs. Jeff Gilbreath have recently reshingled their home on 5th & Lee, using No. 1 18-inch Certified Red Cedar Shingles, applied over the old shingles.

"Were you excited when you first asked your husband for money?"

"Oh, no, I was calm—and collected."

Prices of building material are bound to go up. That statement is made with no desire on our part to rush anyone into the purchase of a new home who is not yet ready to build. But a careful study of all the economic conditions that have a bearing on the building business lead directly to that conclusion.

On the other hand, the cost of NOT building will go up. Rents, which have been low, will climb steadily. Monthly loan payments which are being contracted now will remain fixed for the duration of the loan so that the owner will have a big advantage over the renter during the years which are ahead.

We sincerely believe that if you have the ability, the desire, and the intention to build a home, you should not put it off but start planning right away and build it.

J. L. Hoffman bought lumber for a corral a short time ago.

Additional granary space was what Maurice Tannahill bought some more lumber for the other day.

"The doctor told my wife she should take exercise."

"Is she doing it?"

"Yes, she's jumping at conclusions, and running up bills."

A fine new truck bed was built by Fred Saltzman just before harvest.

ARE YOU A RENTER? If so, you are paying for a home and not getting it.

ROCKWELL BROS. & CO. Lumbermen John H. Olson, Manager

J. A. Doerfler was in the yard getting lumber for more granary space just before harvest.

H. E. Miller, of Dawn put a new body on his new pickup so that he could haul more wheat during harvest.

The Arnold brothers, Fred and John, built a long trailer for hauling wheat, and had a right nice crop to haul, too.

Mr. and Mrs. H. A. Gray bought paint for the interior of three rooms last month.

Jack Bradley, south of Hereford 9 miles, was in after some lumber to build feeders for sheep.

C. F. Homfeld, south of Adrian, traded for a new pick-up and got new sideboards here last week.

John I. Morris also fixed up additional wheat storage with the lumber he bought from us a short time ago.

We're taking our chances telling this one, it being election season and all, but here goes: Juror: "I can't serve on this panel, Judge. Just one look at that man convinces me he is guilty."

Judge: "That's not the prisoner. That's the prosecuting attorney."

BPS Outside Gloss White is the paint C. H. Dyar is using on his yard fence.

Pat Robinson, north of town, bought lumber for grain storage.

W. D. Nafzger bought a quantity of building material for all around repairs.

Berry Orr built a couple of turkey shelters and some new fence last month.

PLAN NOW to establish life-long independence, security and happiness for you and your family by BUILDING NOW.

## SUMMERTIME IS COBLER TIME

Along with summertime comes delicious fresh fruit of every description, fresh peaches, cherries, apricots and plums, and you really haven't done your duty by your family until you make a fresh fruit cobbler. Most every one is partial to peach cobbler but this recipe makes a dish fit for the gods with any kind of fruit or even blackberries, gooseberries or best of all, red raspberries. Mrs. F. M. Kester takes a little milk, a little flour and butter and some fruit, mixes it together, pops it in the oven and when it is done—there just isn't any thing any better. Here is how she does it:

Let's Cook Something

### FRESH FRUIT COBLER

- 3/4 cup sugar
- 1/4 cup butter
- 2-3 cup milk
- 2 level tablespoons baking powder
- pinch salt
- 1 cup flour

Mix all these ingredients together in a batter and pour in a large greased cake pan. Then pour on top of the batter very slowly without stirring 3 cups of sweetened and cooked fruit. Place carefully in a 375 degree oven and bake for an hour or until nice and brown. When finished the crust will all be on top and the fruit on the bottom where it belongs. It can be served plain or with cream, or if you want the real old-fashioned accent, top the cobbler with a mound of ice cream. It makes it different but not much better.

## Miss Clarice Bennett Is Bride Of Carl McCaslin

A marriage of interest to Hereford is that of Miss Clarice Bennett of Amarillo and Carl McCaslin which took place at 6:30 o'clock Wednesday evening, July 3, in the Central Presbyterian Church in Amarillo.

Rev. R. Thomsen officiated at the single ring ceremony. The bride wore a white silk sport suit with matching accessories and a corsage of red rose buds.

A reception was held at 1503 Jackson Street for close friends after the ceremony.

Guests at the wedding included Mr. and Mrs. Allen Miller, Mr. and Mrs. E. H. Foster, Mr. and Mrs. Bob White of Borger, Mr. and Mrs. R. B. Wakefield of Wichita, Kan., Miss Maurine Cartwright, and Mrs. V. F. Kripendorf.

The bride is the daughter of Mr. and Mrs. W. E. Bennett of Querro, N. M., and is employed by Morgan, Culton, Morgan and Brittain, attorneys.

Mr. McCaslin who came to Hereford about a year ago, operates the McCaslin Lumber Yard here.

### CARD OF THANKS

We wish to thank our many friends and neighbors for their acts of kindness during our bereavement of our dear husband and father; for the beautiful floral offerings; and we wish to thank the ladies of the Assembly of God Church for the lovely dinner they prepared. May God bless and keep you, is our prayer.

## Mrs. Geo. V. Stambaugh Gives Party Saturday

Among the many attractive and enjoyable bridge parties that have been given in Hereford during the past few weeks was that given Saturday afternoon by Mrs. George V. Stambaugh.

## He's Tellin' 'Em!

## Lewis M. Goodrich Candidate for Congress

Short, sharp and sure are the talks Lewis Goodrich, Shamrock, candidate for Congress, is making over the radio. Listen to KFDN, Pampa, from 12 to 12:15 p. m. July 16, 18 and 19 and KGNC, Amarillo, from 6:30 to 6:45 a. m. July 22 and 24 and from 11:45 to 12, July 23, 25 and 26. It's a GOOD vote for GOOD-RICH!

As a welcome to guests bowls of vari-colored sweet peas were placed near the doorway, establishing a pastel color scheme for the flower arrangements for the party. Small tables placed about the rooms held crystal vases and bowls filled with glad-toll that shaded from pale pink to deep rose. The dining table was centered with a reflector on which was placed a silver bowl of wine red roses and baby's breath.

Those making up the party included Mesdames Knox Kinard, F. L. Lucas, E. B. Hicks, C. F. Moore, Ernest Medkief, Travis Dameron, Grant Fuller, Woodrow Ireland, J. C. McCracken, Jack Wayland, Colby Conkwright, N. E. Milburn, Meade Halle, W. M. Emmons, Glenn Weir, W. L. Davis, C. H. Dyer, Ira Foster, J. W. Witheropon and Miss Allie Walker.

Four years ago we dragged ourselves out of a couple of fair-sized Sand Dunes and looked in the face of those awful Black Dusters that no living human had ever seen before — and no living human wants to see again. We had seen our neighbors on Main Street forced to close their doors for lack of funds and business; we had seen cattle die and others shot by the hundreds. We saw all of the lakes dry up; we saw fences, homes and machinery buried in the sand. We saw men and women, with drawn faces and heavy hearts, hanging on with a death grip to the last little thing they possessed on this earth — and They Stuck!

Those were the Blackest Days we ever saw and it looked like they would never end. We had our choice of leaving here or of sticking it out with the rest, and we stuck. We couldn't walk out on this country or on these people. We admit it can be called selfishness because we stuck, for we loved this country, this community and the people who had the "insides" to stay here. The first day we received our little handful of merchandise you couldn't see across the street for the dust. That didn't bother us, however, for we had started along with the rest to meet the sun.

We don't have a large store, but it is full of merchandise; not the highest priced merchandise, not the cheapest — but the best that money can buy for the price. Standard Brands that are Dependable, because we stand behind every single item we sell. We are offering our old friends and our new ones Bargains in our Semi-Annual Clearance Sale. We doubt if many of you will ever see such Bargains again, because of the rapidly advancing costs of merchandise.

MRS. CARL FRYE

Wheat harvesting is still slow in this community on account of so many green spots in the wheat.

Mr. and Mrs. Van Horn and little son of Plainview spent the week end in the home of his cousin, Mrs. Clayton Woolery.

Mrs. Powell has been fortunate enough to have a good, early garden. She has canned more than two tubs of English peas and has had cabbage and other vegetables for more than ten days.

Mesdames Carl Oldham and Worth Covington and little son of Hereford called on Mrs. Jack Higgins Friday afternoon.

William Dixon accompanied his grandparents, Mr. and Mrs. W. S. Dixon, to Cleo Sunday for a visit with friends.

Clayton Woolery and O. Van Horn made a business trip to Amarillo Sunday.

Mr. and Mrs. Ed East and Mr. Harwick, and Mr. and Mrs. W. E. Betts of Clovis were visitors in the Carl Frye home Sunday afternoon.

Mrs. Ed East and Mrs. Carl Frye called on Mrs. E. O. Dixon, Sunday afternoon.

## Mrs. Haile Entertains Club Members, Guests

Mrs. Meade Halle entertained members and guests of the Justakrd Club with informal bridge games at her home on Wednesday afternoon of last week.

Special guests included Mrs. Keller Muse and Mrs. Frank Cogdell.

High score prizes were awarded to Mrs. R. R. Wills high and to Mrs. Henry Sears, second high.

Others playing were Mesdames Grant Fuller, N. E. Milburn, George V. Sambaugh, and Speck Lunford.

### Mother Of Ralph Roden Injured In Bus Accident

Mrs. Ida E. Roden, of Bennington, Okla., mother of Ralph Roden, suffered bruised knees in a bus accident near Clarendon this morning. Mrs. Roden met her mother after she had been brought to Amarillo and brought her to Hereford. The bus driver in the accident was reported to have had both legs amputated as a result of the accident. The bus reported to be struck a loaded watermelon truck.

### More Reports On Wheat In This County

Wheat surveys from two other communities in this territory were reported this week by Brand correspondents. Conditions at Bippus, as reported by Miss Alta Mae Fortenberry: Mr. and Mrs. Webb Adrian have about 700 acres of wheat. Seventy-five acres made about 10 bushels per acre. Some is making more and some less. Mr. Herbert Bippus has around 700 acres and some is making six or seven bushels per acre. Mr. Welch has 700 acres, most of which is making seven bushels.

In Messenger community, as reported by Mrs. J. N. Messenger: Wheat appears to be spotted. J. L. Smith cut 250 acres which made 25 bushels per acre as it was summer tilled land. On stubble ground the yield ran 12 to 20 bushels.

Wilson Wylie had 325 acres which averaged 12 bushels. Mrs. Alta Wylie had some which made 10 to 12 bushels, and Bob and Porter Wylie made 4-12 bushels on stubble land.

Mr. Brookfield had his wheat on stubble land which blew badly. He is making 5-12 bushels. Ralph Smith is cutting wheat on the old Moffitt place and getting around 10 bushels. However, he hasn't cut his best wheat as it is too green. There are a good many fields around here still too green to cut.

### Westway Club Has Meeting

Westway Home Demonstration Club met June 27 with Mrs. J. C. Morrison.

Miss Oliver, CHDA, had charge of the meeting and gave instructions for the control of plant pests. All of the common garden pests were discussed and measures for their control given.

The hostess served cool and refreshing refreshments to the following members: Mesdames Merlin Kaul, Al Werner, F. A. Tucker, E. H. Little, A. C. Pierce, Moody Stephan, T. B. Cox, Jim Dale, Paul Rudd, C. F. Rickels, T. J. Parsons, Oleta Houser, G. W. Wilson, Clyde Seigler. Mrs. J. E. Morrison of Hereford was a guest of the club.

**MOLINE WHEATLAND DISC PLOWS**

**The GREAT LAND AND MONEY SAVERS**

Cut your plowing costs in half with the original M-M big disc Wheatland plow—because of its wide cut and light draft in comparison with any moldboard plow. The Moline does a better job of plowing, from 3 to 9 inches deep. It scours well and is remarkably free from clogging with its big 25-inch discs, spaced 10 inches apart. The plowing job compares favorably with a moldboard plowed field that has been nicely harrowed.

Prepares an ideal seed bed for small grain—BECAUSE it mixes trash and stubble with the soil in such a way that there are no air pockets, and there is good capillary action between subsoil and seed bed.

The Moline Wheatland disc plow is strong, sturdy and rigid, built entirely of strong steel bar angles and castings. Farmers say it "can't wear out or give." Other important points also make it the outstanding plow of its kind on the market today.

Come in and get free literature and complete facts. Let us show you how it cuts your plowing bill. The Moline Wheatland is also ideal for summer fallowing... gets the weeds and moves all the ground.

## Miss Melba Schulz Is Bride Of Glenn Kiser

The marriage of Miss Melba Schulz to Mr. Glenn Kiser Jr., of Ft. Worth, son of Mr. and Mrs. Glenn Kiser of Ponca City, Okla., took place Tuesday, June 25, at the Assembly of God church. The bride is the daughter of

Mr. and Mrs. Harry Schulz of the Wyche community.

Banks of greenery, tiger lilies and trailing vines were massed at the altar to carry out a garden effect. Rev. Albert Daly, pastor, read the rites of the ring ceremony as the couple and their attendants stood beneath an arched gateway decorated with garden flowers.

Mrs. Roy Botsford played the wedding music and Mrs. Floyd Harrison sang "I Love You Truly."

Miss Margaret Faye Miles, cousin of the bride, was the maid of honor. She wore a navy blue dress, using white accessories and wearing a corsage of sweet peas.

The bride wore black and white street length frock with matching coat and white accessories. Her flowers were sweet peas and rosebuds.

J. D. Gray of Amarillo served as best man. He and the groom attended high school and

college together. The bride is a graduate of Hereford high school and was a basket ball star in 1937. She attended The Shield Of Faith Bible Institute in Ft. Worth last year.

Mr. Kiser attended Baylor University at Waco.

Following the wedding a reception was held at the home of the bride's grandmother, Mrs. A. B. Schulz. A white tiered wedding cake topped by a miniature bridal couple was cut by the bride and served by her mother. Mrs. Gladys Willoughby assisted with the serving.

On their return from a trip to Oklahoma Mr. and Mrs. Kiser will be at home in Ft. Worth where he is employed in a book concern.

## Guests Play With Contract Club

Guests played with club members Tuesday afternoon when Mrs. W. M. Emmons entertained for the Tuesday Afternoon Bridge Club at her home on Third Street.

Zinnias and sweet peas were featured in the floral decorations. Awards in the contract games were given to Mrs. Travis Dameron, club member and to Mrs. Grant Fuller, guest.

Special guests included Mesdames J. W. McVay, Hugh Bookout, C. F. Moore, Grant Fuller, Will S. Kerr and Mrs. Ann Jacobs of Pullman, Wash. Members of the club present were Mesdames W. L. Davis, Glenn Snyder, Gaston Baer, Travis Dameron, Woodrow Ireland, C. H. Dyar and the hostess.

An ice course was served after the games.

## Questions Are Studied

A program of questions and answers with Miss Molly Jo Robinson as leader entertained members of the Y W A of the Baptist

Church Monday evening at the church.

Four questions were discussed. They included: 1. What two American Baptist Women Missionaries have received recent high honors? 2. Whose death severed another link in the Pioneer year in Africa? 3. What kind of church did the new missionary find in the dark continent? and 4. Give some statistics compiled by the Baptist World Alliance in London.

## Dinner Is Given For Old Friends

A dinner-party, one of the most delightful of all modes of entertaining, was given Sunday evening in the Rose Room at Ike's Cafe by Mr. and Mrs. Joe Warner of Santa Ana, Calif., both former Hereford residents.

Tables were decorated with old-fashioned garden flowers and place cards repeated the motif and colors.

Guests included old friends of the Warners when they made their home here and others.

Those seated were Messrs. Seth B. Holman, E. B. Hedrick, and Mesdames J. A. Pitman, C. and Mr. and Mrs. Warner.

## VISITORS HONORED AT MORNING PARTY

Two guests visiting relatives in town formed an incentive for a party on the morning of July 3, when Ouida Kathleen Hudson entertained with an informal games party at the home of her parents, Mr. and Mrs. G. M. Hudson.

The visitors were Alyce Jo Cox of Pampa who is visiting her grandparents, Mr. and Mrs. J. A. Buckner, and Norma Jean Moore of Floydada who was a guest last week of her aunt and uncle, Mr. and Mrs. C. F. Moore.

A variety of table games furnished diversion and favors were cleverly arranged friendship books in red, white, and blue, in which each guest wrote her name for the others.

Those present were Norma Dean McVay, Georgia Faye McConnell, Norma Jean Moore, Alyce Jo Cox and Ouida Kathleen Hudson.

# Bank Deposits Climb Despite Small Wheat Crop This Year

Despite the fact that this year's wheat harvest will probably be less than half that of 1939 and this year's harvest is about 10 days later than that of last year, Hereford banks show substantial increases in both deposits and loans as compared with the same time in 1939. The figures are revealed in the quarterly reports of the First National Bank and the First State Bank.

On June 30 last year both banks had approximately \$888,868 on deposit. On the same date this year both banks had on deposit approximately \$1,137,988, and increase of approximately \$249,120 or nearly a quarter of a million dollars.

Loans for both banks on June 30, 1939 totaled \$413,203. On June 30, 1940, loans by the two banks totaled \$519,543, an increase of \$106,340.

**Talented Recitalist**  
Catherine Hicks, 10, daughter of Rev. and Mrs. W. H. Hicks of Winfield, Kan., appeared in her first solo piano recital Friday evening in Winfield.

A talented student, in both piano and violin, the young recitalist entertained an appreciative audience for an hour. The program included piano and violin selections by Burgmueller, Preston, Wright, Kovacs, Mrs. Croxy Adams and Chaminade. Her mother, the former Miss Maurine Beyer, daughter of Mr. and Mrs. J. E. Beyer of this city, accompanied her stringed instrument numbers. Rev. and Mrs. Hicks are both former Hereford residents.

Mrs. Hicks and her three children are expected to arrive in Hereford next week for a visit here with her parents.

**Mrs. A. A. Daly Honored At Party**  
Mrs. Bill Morton was hostess Friday at her home in South Hereford with a gift party honoring Mrs. A. A. Daly. A short program, including a solo by Mrs. R. W. Botsford, was rendered. Dainty refreshments were served to Mesdames Owen Nell,

### Hereford Beats Friona 5-3 In Game Sunday

Hereford's baseball team Sunday took Friona 5 to 3 for their second straight victory over Friona on two successive Sundays.

It was Hereford's ball game all the way, scoring one run in the first, the result of L. B. Russell's homer in the first with no one on, and two runs in each of the sixth and seventh innings. Best's single, B. Barrett's triple and an error gave Hereford its two runs in the sixth while an error, B. Barrett's double, and successive singles by Best and B. Barrett accounted for the

runs in the seventh. O. Carroll pitched shut out ball up to the eighth frame allowing only four hits, but in the eighth inning a single, a triple and a sacrifice brought in two scores for Friona. They added one more in the ninth with a triple and a single.

Stan Barrett, Mac Best, and Bob Barrett all got two hits apiece for Hereford, while Renner had three bingles for Friona.

Score by innings: R H E  
Friona 000 000 021 3 8 5  
Hereford 100 002 200 5 9 6

Batteries—Friona, P. Brookfield and Carson. Hereford, Carroll, S. Barrett and Clayton, Best.

### Tulia Plans Golden Jubilee Celebration

Hereford and Deaf Smith County have been invited to attend the celebration of the Golden Jubilee Anniversary of Swisher County next Wednesday and Thursday, July 17-18, in Tulia when 10,000 people are expected to be on hand for two days of entertainment.

Twenty beets are to be barbecued for a giant feed the first day. Other highlights will be a five-mile long parade, two amateur rodeo performances, regular broadcast of Cal Farley and his Flying Dutchmen originating in Tulia, political speaking, contests for the kiddies, and four big dances.

Business men of Tulia have been working on the program for two months and the grandest two days of festivities in the history of the county is anticipated.

### Heat Hits Hard

Hot weather struck this section with a vengeance this week with three successive days in which the temperature went over 100 degrees. Monday 100, Tuesday 102 and Wednesday, 106 were the readings of the Weather Bureau thermometer.

will be stored in this territory with Hereford offering around 1,000,000 bushels in local storage along with storage at Dawn, Black, Summerfield and a large amount of farm storage. In contrast with last season, very little wheat has been shipped out this year.

Meanwhile, farmers over the territory are expressing a dras-

tic need for moisture as row crops are suffering over the entire area. A rain at the present time would give this area one of the largest row crop yields in its history, according to general belief, and while considerable damage has resulted a timely rain would bring most of the crop out. Practically everywhere farmers have excellent stands and many are counting on a good row crop yield to offset the decline in wheat yields.

### New Land Bank Interest Rates To Save Money

Farmers in Deaf Smith county will save about \$47,200 a year as a result of legislation just enacted by Congress affecting interest rates on Federal Land Bank and Land Bank Commissioner loans.

The temporary rate of 3 1/2% on first mortgage Land Bank loans will be continued for two years ending June 30, 1942. During this period the interest rate on first and second mortgage Land Bank Commissioner loans will be reduced from 4 to 3 1/2 per cent. Land Bank and Commissioner loans were originally written at contract rates averaging about 5 percent.

At present about 609 Deaf Smith county farmers have Land Bank and Commissioner loans outstanding aggregating \$3,152,600. The difference between the contract rate and the temporary rate thus effects a substantial saving for farmers.

In a statement from Washington, A. G. Black, Governor of the Farm Credit Administration, said that the saving to farmers through the reduced interest rate will have the same effect as an addition to the farmers' net income.

"The ultimate purpose of the reduced interest rate on Land Bank and Commissioner loans is to help farmers keep down their fixed charges and thus leave more income for the retirement of debt principal, or to meet necessary operating and living expenses," Governor Black said.

## Name Judges To Preside At Elections

Presiding election judges to serve in the Democratic primaries of July 27 and August 24, 1940, have been appointed by the Democratic Executive Committee, Chairman E. S. Ireland has announced.

They include: Precinct 1, J. H. Head and Berry Orr; Precinct 2, C. C. Acker and J. C. Ricketts; Precinct 3, J. A. Roe; Precinct 4, C. L. Bogle; Precinct 5, R. L. Campbell; Precinct 6, V. T. Glenn; Precinct 7, Ernest M. May; Precinct 8, J. T. Gulian; Precinct 9, Z. J. Steen; and Precinct 10, E. W. Womble.

#### QUALIFICATIONS OF VOTERS

AGE: Must be 21 years of age of day of election. Under the law, one becomes 21 years of age on the day before his birthday, hence one whose birthday is on July 28th, may vote in the July 27th Primary. The fact that one will be a voter in the general Election in November does not entitle him to vote in the Primary Elections.

RESIDENCE: Must have been a resident of the State one full year, and in the County six months on day of election. No requirements as to length of time as to Precinct, but one must vote in Precinct in which he resides at the time.

POLL TAX: All persons between the ages of 21 and 60, and residents of the State on January 1st, 1939, shall not be entitled to vote unless a Poll tax was paid by them on or before January 31st, 1940. Poll tax not required of Indians not taxed, persons insane, blind, deaf or dumb, and those who have lost a hand or foot or permanently disabled. Persons moving into the State and those becoming of age after January 1st, 1939. (Continued on Page 4.)

## New Voters Get Awards of Citizenship

Urging that Americans again take seriously their duties and responsibilities as citizens of the United States of America, Dr. Stuart H. Condon, head of the Department of Government, W T S C, addressed the young voters of Deaf Smith county Friday night on the court house lawn.

Citing examples of little interest in the polls as shown by extremely light votes in city and other elections in various towns, he expressed the hope that democracy would not be (Continued on Page 4.)

## Deaf Smith To Get More School Funds

Raising of state scholastic allotment from \$22 to \$22.50 per pupil as announced by State Supt. L. A. Woods, means an increase in state school money of \$290 which Hereford will receive this year. Supt. Knox Kinard has announced. This is based on Hereford's scholastic population of 852 as shown by the census last spring.

Last year the number of scholastics in Hereford was 880 and the allotment totaled \$18,920. This year, with 852 scholastics, the allotment will total \$19,170.

Rural allotments last year totaled \$12,034 based on a scholastic population of 547. This year the allotment will be \$13,365, an increase of \$1,331, due partly to the 50c increase in allotment and due partly to an increase of 47 in scholastics.

Total increase for the county will be \$3,095, based on a scholastic population of 1,446 as compared with 1,359 last year.

## New Taxes To Pay For Defense Went Into Effect On July 1

The \$4,692,500,000 national defense bill recently enacted by the government of the United States will draw heavily on income tax payers and will effect persons with all types of salary incomes due to the fact that it places small levies on various commodities.

The tax boost became effective July 1 on all commodities such as liquor and cigarettes will last 5 years. The income tax changes are retroactive to 1940 income and will be payable March 15, 1941. Minor increases also were made in inheritance and gift taxes, effective on deaths or gifts occurring after the President's signature.

## President Visits 4-H Boys and Girls

President Franklin D. Roosevelt is here shown visiting with one hundred and seventy boys and girls from forty-three states encamped at the fourteenth annual parley of the 4-H clubs. The 4-H club members are, evidently, keenly enjoying this visit with the Chief. Josephus Daniels, United States ambassador to Mexico, is sitting in the car with the President.

# Hereford Brand FLORA NOTES

By Sadie Lee Oliver

Do you know the Balloon-flower? A clump has been growing in the garden of Mrs. Laura E. Hicks, 310 Witherspoon St. for three years. Two varieties have been planted in Mrs. Al Werner's perennial border this year. The blue one has flowered. One stands rigidly upright while the other with less woody stems sprawl on the ground and flowers just as freely. The Latin name is *Platycodon grandiflorum*.

"Nobody's *Linaria* can be flowering better than mine," reports Mrs. F. H. Oberthier. Seedling plants grown by Mrs. Charles Robbins were furnished to Garden Club members last fall. This perennial is well adapted to this area and flowers freely throughout the spring and at intervals until frost if seeds are removed before they ripen. It resembles a yellow snapdragon in flower form.

When the young peoples Sunday School class at Summerfield was planning a party a copy of "Handbook for Recreation Leaders. Publication No. 231, Children's Bureau, U. S. Department of Labor was borrowed by Mrs. E. E. Roberson. It is so conveniently organized for use in the twelve pages of indexes that Mrs. Roberson decided to buy a copy for use when planning parties in the future. "Order me one too," was the comment of her brother, Kenneth Neill who had used the borrowed copy.

Rhubarb crown should be covered with two or three inches of soil according to Leaflet No. 126, "Rhubarb Production." This information is being considered by Mrs. Glenn Hertzler whose rhubarb does not thrive in its present location.

A Canterbury Bells plant at the rural home of Mrs. George Brashears was reported to be particularly beautiful on June 27 when in full bloom.

Those who have been in the County Library in late June have had occasion to know just what color Delphinium Blue can be. Two bouquets of tall spikes of Delphinium came from the garden of Mrs. C. H. Dyar. She grew them from seed planted in 1938.

When she moved her tall purple iris to less crowded quarters just after it finished flowering dozens of plants were shared with other Iris enthusiasts. One box full was taken to College Station by Miss Grace I. Neely, of the Extension Service. She will plant them in the garden of the home she recently purchased.

A sod cutter owned by the local Soil Conservation office was used to cut Buffalo grass sods for planting the lawn at the W. S. Rice home in Westway. These sod strips were fourteen inches wide and four and one-half inches thick. Some of them

had to lie stacked several days before being planted but seemed little injured by that.

The sod cutter was pulled by a tractor in the draw where there was no gramma grass. Solid strips 270 feet long were planted in the front lawn and the large bare spots were planted in both the front and the back yards. Blow dirt during the drouth years had stripped 154 acres of pasture almost completely bare of vegetation. After three years of destructive winds, Mr. Rice kept cattle off the pasture for five years. The grass has come back in that time with such vigor that even the barest spots have fewer weeds each year.

Mrs. Rice has more than thirty shrubs living in the foundation planting set this year. The perennial border divides the back lawn from the vegetable garden and is ten feet wide and fifty feet long. It was planted this year and will have to be thinned at the end of this season.

and children spent Saturday night with Mr. and Mrs. Cecil Jones in Dallas.

Several people who have grown a surplus of broilers and fryers for storage in the local frozen locker plant may be interested to get some information based on several years experience as observed by H. H. Alp, Department of Husbandry, University of Illinois.

Miss Grace I. Neely of the Texas Extension Service has added that due to enzyme action the flavor of poultry in storage has not been satisfactory after a period of three months. She advises that the birds be cut into pieces which can be packed solid and that they be wrapped so as to exclude as much air as possible. She stated that at a temperature of 10 degrees F. pork

**Another Notch for a Nazi Flyer**

Like the gunmen of America's wild west pioneer days who notched their guns for every killing, the pilot of this German fighting ship has a white stripe painted on the tail of his plane for every enemy shot down. The stripe is topped with the colors of the nationality of the vanquished pilots. This Nazi now has a "score" of eight.

may be rancid due to enzyme action after three months. At a temperature of 0 degrees F. pork may be kept for eight months. Beef will keep fresh for a longer time and poultry for not so long a time.

"The storage of poultry in cold storage lockers is both practical and economical. This statement is especially true for the classes of poultry known as broilers and fryers. The fact that fried chicken is more or less seasonal and is universally liked is sufficient reason for farmers to store a goodly number of fowls in their lockers.

**Quality Essential**—Only the best birds or carcasses should be selected for storage. Storage does not improve the quality of poorly fleshed and poorly prepared carcasses. While special feeding prior to killing is probably not necessary, it is desirable to feed well. This may mean the feeding of a moist mash once a day for a week before the killing date.

**Killing and Dressing**—The method of killing and plucking most commonly used and to be recommended is as follows: Stick and bleed the bird, pierce the brain, and dip in water at a temperature of 128 to 130 degrees F. for approximately 30 seconds. Locker patrons not skilled in this method of dressing poultry might make arrangements with someone who has both the experience and the equipment to do the job well. Where only a small number of birds are being stored for home consumption, fairly satisfactory results may be obtained from the usual method of dressing practiced by farmers, namely, killing and dipping the fowl in water at a temperature of 150 degrees F.

**Cutting and Packing**—For broilers and fryers, the quickest and probably the most satisfactory method is to split the carcass along the backbone with a pair of game or poultry shears. The backbone can be removed by cutting along both sides from the tail toward the neck. In fact, the backbone and neck should come out as one piece. The bird can then be quickly and cleanly eviscerated. (To take out the entrails.)

lets should be wrapped or packaged separately and never stored with the rest of the carcass in an unwrapped form. Very flat and compact packages can be made of the split or cut-up bird. All packages should be carefully wrapped with moisture-proof paper.

**Storage Temperatures**—While the general recommendations on locker storage temperatures are probably quite satisfactory for poultry, mention of the following points will not be amiss:  
Investigations have shown that freezing poultry as quickly as possible, and carrying it at as low and as uniform a temperature as can be maintained, gives the best results.

Uniform temperatures are quite important. Evaporation of moisture from the product stored is increased by fluctuations in temperature. Therefore, from the standpoint of desiccation (drying) of the product, low temperatures, as nearly uniform as possible, are desirable.

killed by indifference.  
Praising the idea of initiating young voters into partnership with all citizens of the United States, Dr. Condon outlined three main duties for citizens: 1. Be informed; 2. Participate; 3. Be Loyal.  
The program opened Friday night with an introduction by John Willoughby, followed by Alec Thompson, who welcomed the new voters. George Conklin responded. Robert L. Thompson gave "Instructions to Voters."  
James Potter, member of the American Legion Post No. 192, gave the address on "Observance of the Flag," in the absence of

Charles Miazal, who could not attend.

Following Dr. Condon's address, Alton Miller, president of the Lions Club, made the Citizenship Awards to the young voters present. Included were Mrs. Glenn Parker, Mrs. H. L. Newman, Melba Rea, Mrs. H. H. Miller, Helen Danforth, Adeline Koelzer, Christene Atchley, Mrs. James G. Gandy, Evelyn Sachs, George Triefel, Billy Smith, Herbert Boardman, T. B. Bailey, Ernest Kendall, and George Conklin.

The program closed with the high school band playing the "Star Spangled Banner."
