

AROUND TOWN

Sights and Faces Seen
Apparently anything can happen in a black-out and Monday night's unscheduled performance was no exception.

Speaking of eggs, a leghorn hen belonging to Mrs. O. L. McKee started the New Year off in a big way with a bit of over-production in the form of an over-sized egg measuring 8 by 6 1/2 inches.

The new 1946 DeSoto is now on display at Beavers Brothers Motor Company showrooms at 301 East 3rd Street.

There's a new face behind the coffee counter at Close Drug this week. Marian Volts of Seattle, sister of Mrs. H. A. Close, started work there Monday. She has been employed in a drug store in Seattle, Washington.

Sheriff and Mrs. J. O. Newell are out of jail at last. After several years residence in quarters at the county jail, the Newells are moving into their own home.

With the turn of the calendar a storm of moving has struck town. Mr. and Mrs. A. V. Isbell of the high school faculty moved Saturday into the Pruitt house.

West Texas State College Group At Rotary Club Here

Dr. J. A. Hill, president of West Texas State College, headed a delegation from the college in Hereford last Friday to discuss with local business men a proposed plan to secure the local Prisoner of War Camp for use by the college as an experiment station.

Dr. Hill and his party were guests of the Hereford Rotary Club at their weekly luncheon at the First Methodist Church. Accompanying Dr. Hill were Olin E. Hinkle, director of public relations; D. A. Shirley, registrar; Virgil Henson, business manager; and Frank I. Phillips, head of the department of agriculture at West Texas State.

The party made an inspection tour of the camp after the Rotary meeting. The luncheon program was presented by Ralph Smith, Veterans County Service Officer, who discussed the G.I. Bill of Rights, explaining the provisions of the Bill for education in business as applied to local business firms.

At least 25 local business firms are authorized to employ veterans under that provision of the G.I. Bill, Smith told the Rotarians. Cooperation by the Rotary Club with the 4-H Clubs was discussed at the meeting, and Colby Conkright was appointed Chairman of the 4-H Club Committee.

ARC Begins Planning For 1946 Fund Drive

Miss Roberta Lee Adams, Field Representative of the American Red Cross, visited the Deaf Smith County chapter Tuesday and Wednesday.

Plans were made with Mrs. Elizabeth Womble, Fund Chairman, and Mrs. F. H. Gilliland, Public Information Chairman, and other chapter officials for the 1946 fund drive.

Packard Milling Company Under New Ownership

Purchase of Packard Milling Company by Ray Conway, Frank Gyles and Wilson Gyles was announced this week by H. E. Danforth, who has operated the mill since 1930.

The new owners took over active management of the mill Jan. 1, 1946, and state that they will continue to feature the same line of products and brands with "Packard's Best" as their leader.

For the past three decades the mill has served an area of 300 miles, including large distribution on the South Plains and goes down in history as Hereford's first large manufacturing concern. It was originally started by J. R. Rogers and in 1930 was purchased by H. M. Packard.

In addition to the mill proper, two elevators are also included in the purchase. The new owners said that they expect to inaugurate a new sales program and that they will announce policies of the new organization in the near future.

Strickland Attend School Meeting in State Capital

Chester Strickland, superintendent of the Hereford Schools, will return tomorrow (Friday) from a State teachers meeting at Austin called by Dr. L. A. Woods, State Superintendent of Schools. Approximately 500 school men from over the state are in attendance.

Mr. Strickland is also a member of the State Executive Committee of the Texas State Teachers Association, which is meeting in regular session today in Austin. There are two other members of this committee from this section of the state, Dr. A. M. Meyer of West Texas State College, Canyon, and Huey Laycock, County Superintendent of Schools, of Pampa.

Legion and V. F. W. Collect Funds for Veteran's Home

Local posts of the American Legion and Veterans of Foreign Wars are starting a campaign to raise funds for building a Veteran's home in Hereford. Contributions are to be deposited to the credit of the American Legion Building Fund at the First National Bank in Hereford.

Roy V. Smith of the VFW says that committees will be around soon to solicit funds for the proposed building. Local business men are urged to lend their aid to the project.

The Veteran's organizations point out that many towns in West Texas are already ahead of Hereford in this project, and new Veteran's buildings have already been provided in many of them.

A Box Supper, sponsored by the Roy Weidbrook Post of the VFW is being held next Tuesday night at the Christian Church to raise money for the building fund. The supper will begin at 7:30 o'clock. All contributions should be sent to the post.

Last rites for Mrs. Annie Diebel, 84 year old pioneer Texan, were conducted Sunday afternoon at two o'clock at the Black Funeral Home. Rev. Marvin L. Boyd, pastor of the First Methodist Church, conducted the services. Interment was in West Park Cemetery.

Mrs. Diebel died at the home of her daughter, Mrs. C. C. Bowman, Friday afternoon. She was born at Round Top, Texas, on October 23, 1861, and came to Deaf Smith County in 1906 from Fort Worth. Mr. and Mrs. Diebel bought three sections of land from the XIT Ranch and settled near Old La Platte. After residing there for three years, they moved to Hereford and established their permanent home. Mr. Diebel died in 1921, and Mrs. Diebel had since lived here alone and managed her affairs until she moved to the home of her daughter, Mrs. Bowman, near here a few years ago.

Mr. and Mrs. Diebel were married in 1885, and moved from Fayette County to Manor, near Austin, making the trip by covered wagon drawn by a yoke of oxen. It was while living at Manor that they were called upon to enter the Pioneer celebration and dedication of the new State Capitol in 1888. With their covered wagon and ox teams, Mr. and Mrs. Diebel and daughter figured in the celebration as immigrants. The wagon sheet used on that trip was one of her most prized possessions.

Mrs. Diebel, even as a pioneer mother, always found time for "fancy work", and was famed throughout this section for her embroidery.

She is survived by one daughter, Mrs. C. C. Bowman; five sisters, Mrs. William Fox of Burton; Mrs. Clara Pochman of Temple; Mrs. Laura Owerterman of Preepert; Mrs. Betty Schmidt of Houston; and Mrs. Louisa Hochamock of Houston; and one brother, Ernest Ebner of Austin.

She was a member of the Lutheran Church. Pall bearers at the services Sunday were Boyd Knox, L. Ellis, J. S. Orr, D. H. Alexander, Lee Conklin, and John Patton.

New Pastor to Hold Services Sunday at Christian Church

Rev. Roy W. Ford of Dixon, Illinois, will conduct services Sunday, both morning and evening, at the First Christian Church with a view toward filling the pastorate left vacant by the departure of Rev. L. W. Bridges.

Rev. Ford has just received his discharge from the Army, where he served as a chaplain with the Army Air Forces. His last station was at Pyote, Texas. He is a graduate of Cincinnati Bible College, and has done graduate work at Phillips University in Enid, Oklahoma. Services will be held at 11 a. m. and 7 p. m. Sunday. The public is cordially invited.

Masons Considering New Building Program

Committees have been appointed by the Hereford Masonic Lodge to consider proposed plans for a new Masonic Hall. No definite plans have been made, according to Robert Thompson, secretary of the lodge, but committees were appointed to investigate the possibilities.

Lyle Blanton, D. H. Alexander, and Nester Gass were named on the Mason's committee, and a committee from the Scottish Rite Club, composed of Henry Sears, Carl Frye, and H. C. Baird, was named Monday night to work with the other body.

Dale Martin Hurt In Auto Crash Here Last Night

L. D. (Dale) Martin, son of E. F. Martin of Hereford, was injured last night (Wednesday) when the car which he was driving, crashed through the railing of the bridge on South Main Street.

The accident occurred at about 10:30 o'clock Wednesday night, according to J. C. Reese of the State Highway Department. Martin, who was alone in the car, was taken to the Deaf Smith County Hospital immediately following the accident. He suffered cuts about the head and face and injuries to his left arm. Extent of the injuries had not been determined Thursday morning, according to attendants at the hospital.

The accident occurred when a tire blew out as he was approaching the bridge. Martin told the patrolman. The car, a 1936 Ford coach, crashed through the railing and overturned in the bed of the creek. The car was a total wreck.

Hereford Cagers Open Season Here Friday Night

The Hereford High School cage team will open the home basketball season tomorrow night (Friday) in a double-header meeting with the strong West Texas State High School quintette at the high school gymnasium here. Both "A" and "B" squads will meet, the first game beginning at 7 o'clock, according to Coach Hoyt Byrd.

The opening game of the season was played at Tulla Tuesday night. The starting line-up for the Friday night tilt will probably be Joe Bishop and Eugene Fangman at the forward posts, Raymon Lueb at center, and Bob Davis and Carl Hutcheson as guards. Homer Harvey, guard, and Virgil Hennen, forward, may get the starting nod, Byrd said.

Other members of the squad are James Ellis Higgins and Glenn Russell, centers; Dick Oakes, Buddy Corbett, and Peyton Ramey, guards; Johnny Rogers, Charles Slate, Donald Shipley, Gilbert Carlyle, and Billy Martin, forwards.

The squad is off to a late start, with opening workouts postponed until after the holidays, and may be slow getting into top playing form. The flu epidemic before Christmas halted basketball practice at that time, Coach Byrd said. Friday night's opponents, the West High Calves from Canyon, are expected to put a powerful team on the floor. The Calves copped a second place trophy during the Christmas holidays in a basketball tourney at Fort Worth, and have several games under their belt already.

The season's schedule for the Herd, announced this week, shows the following games: Jan. 11, West Texas State High School in Hereford; Jan. 14, Friona here; Jan. 22, Tulla here; Jan. 25, Dimmitt at Dimmitt; Jan. 29, Canyon High school here; February 4, Friona at Friona; February 8, West High at Canyon; and Feb. 12, Canyon at Canyon.

Commissioners Court Meets Next Monday

Deaf Smith County Commissioners' Court will meet next Monday at the county courthouse in Hereford in the first business session of the new year, Judge Fred W. Baird announced.

Announces Candidacy

Floyd H. Richards Is Candidate for District Attorney

Floyd H. Richards of Dalhart this week authorized The Brand to announce his candidacy for the office of District Attorney of the 69th Judicial District, subject to action of the Democratic Primary in July. In making the announcement, Mr. Richards issued the following statement:

In the summer of 1940, the voters of Dallam County were good enough to elect me to the office of County Attorney. Then came Pearl Harbor, and I was called to the army, and was unable to finish that term or advance to a higher office.

After that election I decided to run for County Attorney a second term, it being my purpose, if successful, to become a candidate for District Attorney at the completion of the second term.

The war prevented this, as it did the plans of many men. Now six years later, I am asking you to elect me District Attorney next summer, not because I served four and a half years in the army and flew 40 missions, but because I feel that I am qualified for the job and because I believe I can make you a good District Attorney.

My qualifications and experience are: Graduate, Texas Technological College; Bachelor of Arts Degree.

Graduate, University of Texas, Bachelor of Law Degree. County Attorney, Dallam County, Texas.

Prosecuting Attorney for the army (Trial Judge Advocate) after returning from overseas.

If elected, I assure each of you a fair and impartial District Attorney; each indictment returned by the Grand Jury will be tried as soon as the evidence is available. I assure the attorneys of this district that all will receive the same consideration and none will be favored.

After you have read this announcement and thought it over, and as this campaign goes forward, I would like to hear from you and have your suggestions and constructive criticism. (Box 1328, Dalhart)

I will appreciate your vote and assistance on July 27, 1946.

FLOYD H. RICHARDS.

Consumers Ass'n. To Elect Directors In Meeting Monday

A meeting of all members of the Consumers Fuel Association will be held Monday afternoon at 2:30 o'clock in the District Courtroom at the County Courthouse in Hereford.

The meeting has been called by J. E. Springer, secretary of the association. New directors will be elected at that time, and routine business conducted.

Funeral Rites for Carl T. Jennings Held Wednesday

Funeral services for Carl Thomas Jennings, 57, veteran Hereford cafe man, were conducted Wednesday afternoon at 2:30 at the First Christian Church. Rev. Marvin Boyd, pastor of the First Methodist Church, conducted the service.

Interment was in the West Park Cemetery. Mr. Jennings was found dead at his home shortly before noon last Saturday. Mrs. Jennings discovered the body.

A verdict of suicide was pronounced by Justice of the Peace Andy Thomas and Dr. R. R. Willis, county health officer, after investigation by coroner's jury Saturday afternoon. Mr. Jennings had been in bad health for some time, members of the family said.

Jennings came to Hereford with his parents from Windsor, Missouri, in 1909, and after a period as a farmer and rancher in this section, entered the cafe business in Hereford 20 years ago.

He was born September 26, 1888, in Missouri. He was a member of the First Christian Church.

Surviving him are his mother, Mrs. Lola Jennings of Hereford; his wife, and two sons, Ralph Thomas Jennings, recently discharged veteran, and Robert Nealy (Bobby) Jennings, now in the U. S. Navy; two brothers, Waldo and B. R. Jennings, both of Hereford; one sister, Mrs. Lester Vogie of Portland, Oregon; and a niece, Bessie Frances Caraway Shaw of Rankin, Illinois, who was reared by the Jennings.

Masonic Order to Organize Chapter Of Demolay Here

At a meeting at the Masonic Hall Monday night, the Scottish Rite Club of the Hereford Masonic Lodge voted to sponsor a Demolay Club in Hereford. R. L. Thompson, lodge secretary, announced Tuesday.

Dr. Norman Harris, Sylvester Slagle, and Herman Ford were named as a committee to take charge of the organization.

All boys between the ages of 14 and 21 years are eligible for membership in the club, Thompson said. It is not necessary that they be connected in any way with anyone who is a member of a Masonic order, he pointed out.

Any boy within the age limits who is interested in belonging to Demolay should contact one of the committee members for further information.

Poll Taxes Must Be Paid Before End of January

Poll taxes must be paid before the last day of January, Sheriff J. O. Newell warns Deaf Smith County voters this week. General elections will be held in the state this year, and a number of important county and state offices are to be filled. Citizens who fail to pay their poll taxes before the deadline will be unable to vote in any election during the year.

A special rate of one dollar is offered to men in service and men who have been discharged from the armed forces. A copy of the discharge certificate or terminal leave orders must be presented by the ex-serviceman when the tax is paid to secure the low rate.

Those persons who are eligible to vote for the first time this year are entitled to a free ballot, but must secure their exemption certificates at the Tax Collector's office before the Jan-

Prospects for retaining the Hereford Prisoner of War Camp as an experimental station and 4-H headquarters for West Texas took a tangible form this week when a Chamber of Commerce delegation met with A & M College officials in College Station.

During January at least two A and M committees will visit Hereford, according to the local group, which reported that department heads were extremely interested in the proposal. The official A and M committee will consist of J. T. L. McNew, vice-president of A and M College, chairman, Dr. Ide P. Trotter, head of the Extension Service, and Dr. McDowell, head of the Experimental Service. Gibb Gilchrist, president of A and M, will be an unofficial visitor in the community during the next 15 days, and several other delegations from the college may also visit here.

The movement to retain the POW Camp was started here in December when C. of C. directors met with County Commissioners. Following the meeting a delegation consisting of Wayne Evans, C. of C. president, Pat Flynn, E. S. Craig and Buryl Elliston went to College Station for the purpose of reviewing the program. They arrived Dec. 31 and remained through Jan. 2.

Barbara Ann LeGrand Becomes Bride Of Seaman Bruce Beene

Families long identified with Hereford and Deaf Smith County were united in the marriage here Tuesday evening of Barbara Ann LeGrand, only daughter of Mr. and Mrs. Geo. F. LeGrand, and Bruce Beene, grandson of Mrs. J. W. Beene.

The marriage took place at twilight in the First Baptist Church before an altar outlined with dozens of pyramiding white tapers in wrought iron candelabra. Baskets of peach colored gladioli gave color contrast to an otherwise all-white scene.

As pre-nuptial music, Miss Thelma McMinn played "By the Waters of Minnetonka" (Lieurance), "The Rosary" (Nevin) and "Indian Love Call" (Friml) all with chimes arrangements. She played the traditional Wagner and Mendelssohn selections for the wedding marches and "I Love You Truly" as the vows were spoken. Rev. E. H. Cagle, pastor, read the double ring ceremony.

The bride's attendants wore similarly made dresses of pastel satin, fashioned with sweetheart necklines and short sleeves. The long full skirts were attached at the low waistline with self cordings. They carried arm bouquets of pastel blossoms with cascading ribbons to match their dresses. Miss Mary Ellen Posey, wearing lemon yellow, and Miss Mary Ruth Russell in pink, served as bridesmaids and Mrs. Lonidene Edmondson, wearing pale blue, with matching veil fashioned with flowers, was matron of honor.

The bridegroom's attendants were his four brothers; Capt. Billy Beene who served as best man and O. J. Beene, Weldon Beene and Douglas Beene who served as groomsmen and ushers.

Candlelighters were Joan Beams and Jimmie Lawhon.

cousins of the bride.

Wears White Satin

Given in marriage by her father, the bride wore a white slipper satin wedding gown made with tight fitting bodice and featuring a sheer yoke with high neckline and long fitted sleeves that came to a point at the hands. The full skirt fell into a long train in the back.

The fingertip veil of illusion was edged with a band of satin matching the dress and was held in place by a Juliet cay of seed pearls. She carried a white orchid on a white leather Bible.

For something old, something new, something borrowed and something blue she carried a hand made handkerchief belonging to her maternal great grandmother; a carved gold bracelet given to her by her father; a diamond necklace of her mother's and sapphire blue earrings.

After the wedding immediate members of both families were served refreshments at the bride's home where a three-tiered wedding cake, topped by a miniature bridal couple, was featured. After cutting the first piece of cake the couple left on a short wedding trip. For traveling the bride wore a black and white three piece ensemble, with off the face veiled hat and other black accessories.

Both Mr. and Mrs. Beene are graduates of Hereford High School. He has been in the Navy for the past three years, serving as storekeeper in overseas duty for the past 18 months.

After a leave he will report to Moffett Field, California for further assignment.

Out-of-town guests at the wedding included Mr. and Mrs. C. C. Barnett of Plainview and Mr. and Mrs. C. L. Morris of Vega and Mr. and Mrs. O. J. Beene of Friona.

Miss Fern Pittman and Mr. Minter Are Married in Saturday Ceremony

Vows were exchanged between Miss Fern Pittman and Mr. Fred Minter Saturday evening in the parsonage of the Methodist Church in Amarillo with the pastor, Rev. T. Edgar Neal, officiating.

In a dove-gray woolen suit accented by white accessories, the bride wore a corsage of white carnations. The couple was attended by Mr. and Mrs. Burk Ingman.

Mrs. Minter is the daughter of Mrs. F. N. Pittman. Graduating from Hereford High School, she has been employed by the Southwestern Bell Telephone Company for the past several months.

The bridegroom is the son of Mr. and Mrs. F. M. Minter of Pocasset, Okla. He is a graduate of Pocasset High School and of Oklahoma A & M College. He will be associated with his father in the mercantile business.

MRS. N. E. MILBURN ATTENDS WEDDING OF NIECE IN OKLA.

Mrs. N. E. Milburn returned Monday from Tulsa, Okla. where she attended the wedding ceremony for her niece, Miss Dorothy Lange, and Wm. Ray Edmiston, both of Tulsa.

The wedding took place on Monday Dec. 31 at Christ The King Church where formal and impressive rites were conducted.

The bride is well known in Hereford, having visited in the Milburn home on many occasions.

While in Tulsa Mrs. Milburn was the guest of her sister, Mrs. L. H. Lange, who has also visited in Hereford with Mrs. Milburn.

He has returned to Oklahoma and Mrs. Minter will join him there in two weeks to make their home in Pocasset.

**More Sugar in '46
But No Relief
From Rationing**

Slightly more sugar will be available to U. S. civilians during the first quarter of 1946 than during the last three months of 1945, according to estimates just released by the U. S. Department of Agriculture. Don't start using that extra lump in the morning coffee, however, because no increase in the individual ration is indicated by the USDA estimates, and no relief from rationing is in sight. The department estimates that the tonnage allocated for civilian use will be just sufficient to maintain present rationing rates for both home and industrial use.

Miss Ina May Hamar of McRose, N. M., visited in the Bill Denney home during the holidays.

Pioneer Club Holds Meeting

Members of the Pioneer Study Club met in the home of Mrs. Bob Higgins Tuesday afternoon for a program dealing with Southern Europe. Mrs. T. E. Seigler was cohostess.

In discussing the history of settlements made by the Italians in America, Mrs. J. M. Gilliland pointed out the contributions made by them to America in the way of art and music.

Mrs. T. E. Seigler reviewed the short story "Greeks Came To Tarpon Springs."

Those attending the meeting were Mesdames Geo. Benson, J. E. Beyer, Burl Franco, Carl Frye, N. E. Gass, J. M. Gilliland, P. H. Gilliland, Ray Johnson, J. B. Jones, F. M. Kester, B. E. Roberson, Al Werner and the hostesses.

JANUARY 15 IS CLOSING DATE FOR REPORTING ON CONSERVATION PROGRAM

January 15 is the closing date for reporting practices earned under the Agricultural Conservation program since August 1, 1945. Generally speaking, the practices that are being reported are contour seeding of small grain crops and stubble of 1945 row crops to be left until spring. However, the latter practice must have had the prior approval of the county committee.

Attended Auctioneer School

Leonard Ralston has just arrived home from Decatur, Illinois, where he was graduated from the Reppert School of Auctioneering. This school was established 25 years ago by Fred Reppert, one of America's foremost auctioneers. One hundred and forty-four students from 31 states and 9 from Canada attended the winter term of school.

Mr. Ralston will be in the auctioneering business in this area; and is offering his services and suggestions, free of charge, to any club or organization that desires to raise some money for a worthy cause. He can be contacted at 22908 in Amarillo or 58 in Hereford.

Whiteface Cagers Drop Opening Game To Tulia Tuesday

Hereford High School cagers dropped a 30 to 23 decision to the Tulia High quintette in their opening basketball game of the season at Tulia Tuesday night.

Coach Byrd was well pleased with the showing made by his charges after their short time in practice sessions.

Joe Bishop, Whiteface forward, led the scoring for the Hereford team with 9 points, only two points short of the high score for the game rung up by Tulia's star center, Miller, who hit the hoop for 11 points.

Scoring by other members of the local five: Fangman, forward, 4 points; Davis, guard, 6 points; and Ray Lueb, center, and Carl Hutcheson, guard, 2 points each.

Robinson Body Works Changes Location

Removal of Robinson's Body Works and Paint Shop from the location of Highway 60 to that immediately north across from the Hereford Wrecking Co., was announced this week by H. C. Robinson.

"We will have more room in the new location and are adding some new equipment," he said. The business has operated for the past two years in the location across from the Santa Fe section house.

Ladyfaire Shop to Close Temporarily

That she is closing her "Ladyfaire" beauty parlor until she can find new quarters was announced this week by Bernadette Albracht. The announcement came as a result of a remodeling program by the First National Bank, which will require her present location in the expansion of the bank building.

Miss Albracht indicated that she will close her shop Saturday and that she will reopen as soon as she can locate new quarters.

Miss Gail Duffield of Longbeach, Calif., is visiting in the home of her aunt, Mrs. R. R. Jackson, and with other relatives in Hereford.

THIS WEEK... AT THE USO

Sincerest thanks to the following for eats brought to USO during the month of December: Chocolate cake, Mrs. Bill Hutson; Doughnuts, Mrs. L. C. Rutter; Cookies, Mrs. T. D. Stambaugh, Mrs. J. J. Buckner, Mrs. Marvin Diller, and Mrs. Arthur Rogers.

For books, magazine, and puzzles, we say Thank you to Bart Denney and Thama Wheeler.

Pfc. Jimmie Guinn returned from New York where he spent his furlough. Jimmie, says he is glad to get back, that it was really cold back home, that the snow was 7 feet deep there, which was one foot over his head.

Sgt. Halstead, left for West Virginia, to spend his furlough with his home folk.

One of the chief questions around the USO these last days, is "When does the bus leave for camp," and "when does it come in here?" The chief reason for the questions is, that the bus schedule has been completely changed. Any-one planning to catch the bus to camp had better call 79 and learn the time of departure.

T-2 O. A. Smith, returned from his Christmas furlough, on Saturday. He spent his first Christmas with home folk, in over 3 years. A happy old-fashioned Christmas time was enjoyed. All the family was at home except one brother, and he was enroute by train on Christmas day. While at his home in Enid, Okla, Smith purchased a home, and is having it redecorated and made ready for the coming of his bride, who is an Australian. He sincerely hopes she will like her new home in America.

Information comes to us that Ex-Sgt. Hanna and Mrs. Troyce Hanna, are now making their home in Plainview. The Hannas have purchased a cafe, and it was opened for business last week.

Mrs. W. S. Fluit, chairman of the GSO girls, and a member of the entertainment committee, left for an extended trip in southern Texas, and points in Old Mexico.

Pfc. Donald Beard, spent the week end in Amarillo.

Mrs. Santoro and Mrs. Tardquono were in Amarillo Saturday.

Thanks to Mrs. Troy Stambaugh for the new playing cards. Pfc. Walt Pionsky, got to use them first in a game of Sol.

Cub Scout Pack Has Meeting Last Friday

A meeting of the Boy Scouts Cub Pack was held Friday night at the Methodist Church. Cub Master Albert Farris and Assistant Cub Master John Hicks were in charge of the meeting.

Scout committeeman Urlln Streu, who attended the session, states that only four members are lacking now to fill the five dens which make up the cub pack.

About 45 Cub Scouts, Cub leaders and parents attended the meeting Friday night.

American Cattle Almost Free of Tuberculosis

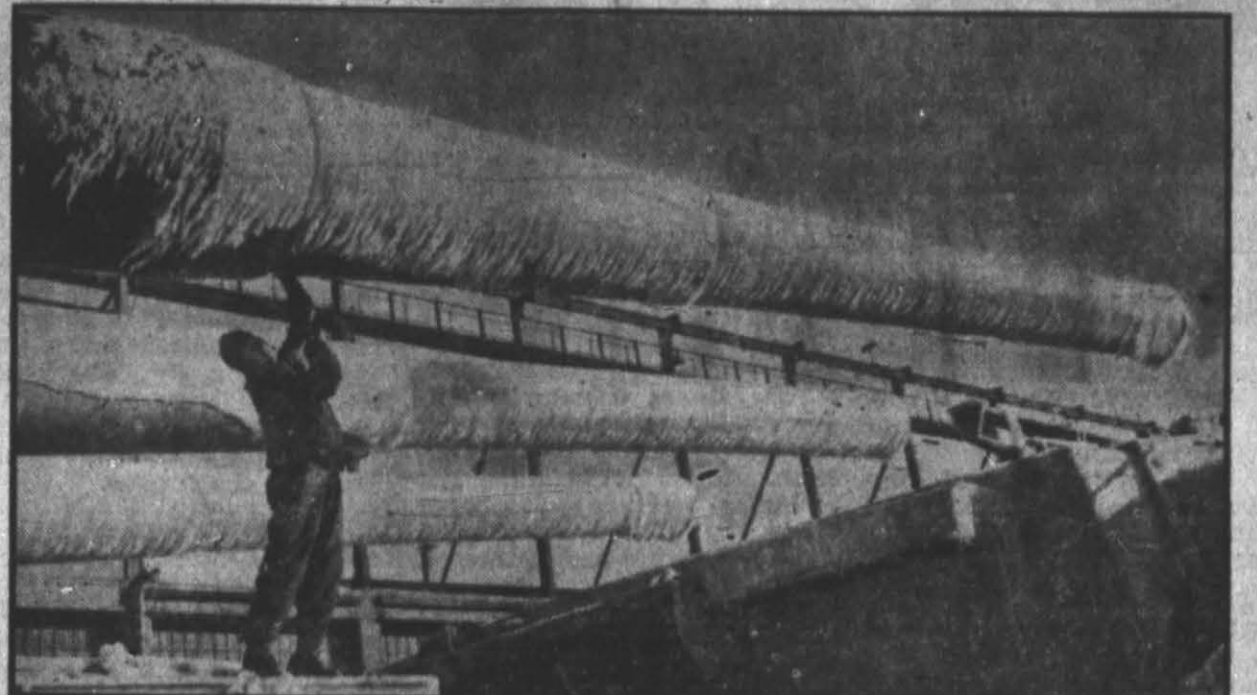

American cattle are now almost completely free of tuberculosis, according to a report issued in Austin by veterinary authorities.

"Twenty-five years ago, bovine tuberculosis caused tremendous financial losses to our farmers, and caused the spread of bone forms of tuberculosis to tens of thousands of children," today's report by the American Foundation for Animal Health declares.

"In contrast with this, a recent check at three important cattle markets showed that only one animal in 7,300 was condemned by veterinary inspectors because of this disease. In these same three markets twenty-five years ago condemnations for tuberculosis averaged one animal in every 80.

"The 25-year fight against this disease, led by veterinarians, government authorities, and farm groups, has paid tremendous dividends, both financially and in saving the lives of countless children who might have otherwise died of the disease."

Rural Phone Service Over Power Lines Is Prediction

COLLEGE STATION,--There are 337,816 farms in Texas which are not reached by telephone service-more than in any other state.

Thus Texas may well be the biggest customer for use of the carrier telephone when the system has proved itself suitable for commercial use, M. C. Jaynes, cooperative organization specialist of the Texas A. & M. College Extension Service, has predicted.

The new equipment, devised by federal and commercial engineers and now being tested in several farm homes, may be the means of providing telephone service to thousands of Texas homes now served by rural electric line but out of reach of

telephone lines.

Under the new system, Jaynes explained, speech is transmitted on power supply by means of a carrier wave of radio frequency. Transmitting and receiving equipment is installed at the switchboard of the telephone exchange and at the subscriber's end of the line. The dial telephone is used in the same way as in regular service.

If, as REA Administrator Claude R. Wickard expects, the system will work out under commercial conditions, any home served by electricity could also have telephone service.

Texas' 93 REA cooperatives now have 42,556 miles of rural power lines which service 106,539 consumers. It is believed that many of these consumers are outside areas reached by rural telephone lines.

SLUMBER PARTY IS GIVEN ON NEW YEAR'S EVE

A New Year's slumber party was the order of the day for a group of little friends at the Elmer Patterson home December 31, when Patsy Chambers of Amarillo, cousin of the two hostesses, Nancy and Geraldine Patterson, was named honoree.

After attending a theater party various games were played as the group watched the old year out and the new year in and the next morning a waffle breakfast was enjoyed. The table for

FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine

People everywhere are finding amazing relief from painful symptoms of bladder irritation caused by excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This powerful medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up at night". A carefully blended combination of 19 herbs, roots, vegetables, balsams; Dr. Kilmer's contains nothing harmful, is absolutely non-habit forming. Just good ingredients that many people say have a wonderful effect.

MARRIAGE OF MISS AGNES BEHREND IS ANNOUNCED

Mr. and Mrs. H. G. Behrends of the Rance community announce the marriage of their daughter, Agnes, to Charles Pennington of Hereford. The ceremony took place December 22 at the Dimmitt Baptist Church with the pastor, Rev. M. J. Lee, officiating.

The bride wore a flowered dress with black accessories. Bridesmaid was Mrs. R. O. Ewing and best man was Clarence Behrends.

The couple will make their home in the Frio community where Mrs. Pennington is teaching school and Mr. Pennington is engaged in farming.

Chesley Gollhar Jr. spent his furlough in Hereford with his parents during the holidays, and will return to his camp in North Carolina this week.

The breakfast carried out the New Year theme with a Kewpie doll dressed as Miss 1946 and red candles forming the centerpiece.

Besides the honoree and the hostesses those enjoying the party were: Patsy Wiltshire, June Marie Franklin, Alma Faye Knox, and Loretta Isbell.

NEW YEAR BUFFET-SUPPER PARTY GIVEN

A lovely New Year buffet supper party was given during the holiday season by Miss Elizabeth Dunlap to honor her house-guest, Miss Betty Jean Boyd of Durant, Okla. Miss Boyd and Miss Dunlap were roommates at T. S. C. W. Denton.

Those attending the enjoyable affair included: Frances Gollehon, Mozelle Flemming of Muleshoe, Phyllis Radovich, Selletta Robinson, Pvt. Mickey Davidovitz, Billie Earline Sexton, Geo. L. LeGrand, Lawrence Kendall, Waldron Melton, the honor guest and the hostess.

Rance H. D. Club Meets At Behrends Home

The Rance Home Demonstration Club met at the home of Mrs. H. G. Behrends Wednesday, January 2. Miss Petty, County Home Demonstration agent, gave a demonstration on sanitary conditions and care of milk and milking utensils.

Those present were Mrs. Geo. DeLozier, Mrs. Lowery Walker, Mrs. Raymond Palmer, Mrs. Newton, Mrs. A. F. Blakemore, Mrs. Jack Streun, Mrs. L. A. Beavers, Miss Petty and the hostess.

Mr. and Mrs. Cliff Denney of New York City spent the Christmas holidays here with his parents, Mr. and Mrs. Bill Denney. They returned to New York this week. It was the first time in four years that the Denney family had been together.

A "Look at the Books"

"A Finger in the Pie"?

Which is the UAW-CIO really after? Is it seeking facts—or new economic power? Does it want to know things—or run things?

These questions concern you as well as General Motors.

For years the facts about General Motors have been made public.

In spite of this, the UAW-CIO demands a chance to look at our books, with the hint that we could meet Union demands "if the truth were really known."

We have firmly declined to recognize this as a basis for bargaining:

1. The Full Facts are Published

How much General Motors takes in each year—how much it pays employees—how much it pays to stockholders—how much it pays in taxes—how much net profit we make—and many other facts are plainly stated in annual reports and quarterly reports.

These are broadcast to 425,000 stockholders from coast to coast—sent to newspapers and libraries. Additional copies are free for the asking.

2. All Figures are Thoroughly Checked

Every General Motors annual statement is audited by outside auditors. Similar figures are filed with the Securities & Exchange Commission.

Does the UAW-CIO honestly believe that General Motors would or could deceive these experts?

3. Basis of Collective Bargaining is Defined

The Wagner Act lays down the rules for collective bargaining. These cover such areas as rates of pay, hours of work, working conditions.

No mention is made of earnings, prices, sales volume, taxes and the like. These are recognized as the problems of management.

4. Something New has been Added

The obvious fact is that the UAW-CIO has gone beyond its rights under the law—and is reaching not for information but for new power—not for a look at past figures, but for the power to sit in on forecasting and planning the future.

A "look at the books" is a clever catch phrase intended as an opening wedge whereby Union hopes to get its way into the whole field of management.

It leads surely to the day when Union bosses, under threat of strike, will demand the right to tell what we can make, when we can make it, where we can make it, and how much we must charge you—all with an eye on what labor can take out of the business, rather than on the value that goes into the product.

5. This Threatens All Business

If the Union can do this in the case of General Motors, it can do it to every business in this land of ours.

Is this just imagination? Union spokesmen have said, "The Union has stated time after time that this issue is bigger than just an ordinary wage argument, that it is bigger than the Corporation and bigger than the Union."

For Labor Unions to use the monopolistic power of their vast membership to extend the scope of wage negotiations to include more than wages, hours and working conditions is the first step toward handing the management of business over to the Union bosses.

We therefore reject the idea of a "look at the books" not because we have anything to hide but because the idea itself hides a threat to GM, to all business, and to you, the public.

Book Review Given for Club

A program built around the quotation "History is the Essence of Innumerable Biographies" was presented for members of the Summerfield Study Club last week.

The meeting was held Thursday afternoon with Mrs. L. P. Shaw presenting the review of "All of Our Lives" by Henry Wise Miller. She said in part, "All of Our Lives" is much more than a biography. It is really a portrait of a marriage, and Mrs. Miller's life and opinions and thoughts and prejudices are as individual and as interesting in their own way as what he has to say about his famous wife. In addition the book makes amusing reading for the cast of characters which move through its pages is made up of people famous in the world of letters, the theater, moving pictures and society."

Members present were Mesdames Kenneth Neill, Ky Lawrence, L. H. Lookingbill, Ray Johnson, Walk Boston, L. L.

Refreshments were served to Mesdames Henry Tiefel, George Tiefel, Henry Wedel, Anna Sieber, Bertha Frye and Rev. H. H. Ries.

COLD WAVE AHEAD!

CHANGE TO THIS NEW FIGHTING AVIATION OIL WITH... Twin Action*

Flows freely AT ZERO OR BELOW STANDS UP AT BOILING OR ABOVE Champlin HI-V-I... the new fighting aviation oil... provides the two things you want most in your winter motor oil... easy starts and sure lubrication.

Because it is thoroughly dewaxed by an amazing new solvent... N-Hexane... it flows freely even at zero or below.

Refined by an entirely new and different dual solvent process, it has a high viscosity index that resists terrific speeds, pressures, and temperatures. Motor heat, boiling or above, won't even break-down its tough oil film.

So try Champlin HI-V-I... the really better winter motor oil. Available in refinery sealed cans from friendly Champlin service stations and dealers. And fill up with Presto... Champlin's quick-starting, power-packing gasoline.

Farmers Must File Income Tax Returns Next Tuesday

For three groups of taxpayers, next Tuesday, January 15, is a most important date. W. A. Thomas, Collector of Internal Revenue at the Dallas office, points out in a brief review of income tax problems.

Farmers, persons who filed a 1945 Declaration of Estimated Tax but wish to change their estimates, and persons who should have filed a 1945 declaration but failed to do so will be required to file by Jan. 15.

January 15 is a special date for farmers, because, while other taxpayers were required to file their 1945 returns by the end of the month, the law specifically permitted farmers to wait until the next January 15.

What Form to Use?
For filing the 1945 Declaration of Estimated Tax, or for changing a previous estimate, a choice of two forms is offered: Form 1040-ES, a special form for estimating tax, or the regular Form 1040. For filing a change from a previous estimate, the word "amended" should be placed at the top of Form 1040-ES, but if Form 1040 is used, do not mark it "amended" as this is a final return.

If by January 15 you do not have exact figures on your 1945 income and deductions, it is best that you use Form 1040-ES. In that case you will have to also file your regular 1945 return by March 15. If you are in position to file your regular return as early as January 15, however, you can file Form 1040 and it will serve as both Declaration and final return," he stated.

Veterans Do Not File
Veterans of the armed forces are not required to file declarations as to their pay for active service (except regular army officers) but if they have any civilian income, it is treated the same as any other taxpayer.

Withholding Tax
If part of your tax bill is paid through the tax deductions made by your employer, from your pay check, you are required to pay only the difference between the withholding tax and your total tax.

If your estimate last March was too high and you have already paid more than your correct tax for 1945, you can get a refund by filing your regular return and showing the amount of overpayment in line 9, page 1, of Form 1040.

Penalties
The penalty for failing to file or pay the tax due on a declaration is 5 per cent (of the error) for understating the tax, but only if your underpayment by more than 25 1-3 per cent. If you are a farmer, or by

more than 20 per cent if you are not a farmer. These penalties can be avoided by filing the amended declaration (Form 1040-ES) or annual return (Form 1040) by Jan. 15 and correcting the underpayment.

Filing 1946 Estimates
For 1946 the income tax filing rules will be the same as last year. You will have to file a 1946 Declaration by March 15 this year (if you are not a farmer) or by January 15, 1947 if you are a farmer, subject to the following provisions:

(1) If you are single and expect wages subject to withholding to exceed \$5,000, plus \$500 for every exemption except your own, and

(2) If you are married and expect wages subject to withholding to exceed \$10,000, plus \$800 for single persons and \$1,000 or more for man and wife.

Supreme Court Rules on Legal Practices

A verdict of guilty was returned in the two recent cases before the Texas Supreme court which pertained to the illegal practice made by abstractors and other non-licensed persons of preparing legal conveyances.

The Chamber of Commerce is all set to work with them and we will appreciate suggestions and cooperation toward giving them a true picture of the needs of the territory along the lines above outlined.

The defendants in both cases pleaded not guilty on the basis that they had, for the most part, received no compensation and made no charges for such legal preparations. The Supreme Court held, however, that the character of

such service was none the less professional—that the weight of authority in such an issue determines its classification, and not whether compensation be charged therefor. The conclusion, therefore, is that only licensed lawyers and members of the State Bar are authorized to prepare such legal instruments as deeds, releases, transfers,

on the proposed project and were shown every possible courtesy, Evans declared. "Of course, we are still a long way from having the project through, but we feel that our chances are excellent and the officials seemed as enthusiastic about the establishment of the experimental station and 4-H headquarters as were members of our own group."

In brief, the proposed experimental station would specialize in new crops, increased yields, and general improvement of farm practices with results available to residents of Texas, New Mexico, Oklahoma, and Kansas. It would be conducted along lines similar to other experimental stations over the state.

The 4-H endowment headquarters, as set up in tentative plans, would embrace Districts 1, 2, 3, 6, and 7. Those districts would serve practically all of West Texas from Vernon west to the New Mexico line.

"It is impossible to formulate more complete plans until the committee arrives and makes their survey," Evans declared. "The Chamber of Commerce is all set to work with them and we will appreciate suggestions and cooperation toward giving them a true picture of the needs of the territory along the lines above outlined."

Streis' Dining

DEAR DIARY:

Here it is time for New Year's Resolutions! I have heard lots of resolutions made by lots of people—so I think I'll add a few myself.

BE IT RESOLVED:

That for the year of 1946, the Streis Hardware Company will do everything possible to serve its customers better—to increase the variety of items offered, to improve displays so that the customer may better choose his merchandise, to train salespersons so that they may better serve, and to do anything else that may improve service.

So much for that—just ready-ed—Prax, a big shipment of Waller Pottery—it is new, beautifully designed and colored, and is inexpensive. Also a new shipment of Lawrence Olan-Orest cotton rug in a delightful assortment of brilliant colors and patterns.

We have a few natural gas heaters—very few. Plenty of hot water and flashlight batteries. Good assortment of electric soldering iron.

See the display of Bevere Stainless Steel cooking ware—we are taking orders for delivery soon.

Jean is making up a half-price table of odds and ends of china, crystal, pottery and gadgets—the ladies will get a kick out of going over this display—might find just the thing they want at Half-Price.

I wish I could see each of our many customers and personally thank them for the past year's business. The entire Streis Hardware personnel joins me in expressing the deepest appreciation for the continued patronage of our old friends, and for the continued word-of-mouth advertising which they have been kind enough to give. Thanks again.
