SENIORS ENTERTAINED BY BUSINESS MEN AT LUNCHEON IN VERY PRETTY CEREMONY

A pretty little ceremony, involving tribute of Hereford's business men to the worth and quality of Hereford's youth and beauty, occurred Monday at the City Cafe when members of the Senior class of the high school were the guests of the members of the chamber of commerce. Preceding the luncheon A. O. Thompson and Secretary Moss made the rounds of the business houses and asked the business men to draw from a stack of cards, each containing the name of a senior. The class was present in a body at the noon hour and the student whose name was drawn was seated next his or her host of the hour. There were some surprising results from that draw, and much humor was extracted from some of the pairings.

Vice-president Parker, presiding, spoke briefly but feelingly of the pride of all Hereford in her boys and girls, in their high standard of scholarship and in morality, and urged them to go out into the world and uphold Hereford's reputation for clean citizenship and high standards. Mr. Parker then introduced Alex Thompson as the "main orator" of the occasion. Mr. Thompson stated simply the object of the meeting and turned the oratorical honors back to the presiding officer.

President C. H. Dillehay told of the appreciation of the faculty and of the student body for the steady encouragement of Hereford's business men and women.

Miss Gwendolyn Spradley, president of the Senior class, made a hit with her well-worked and matter-of-fact address thanking the chamber of commerce for the courtesies extended the class and the unanimous support given the school by the business interests of the city.

W. H. Russell accused several grey headed men present of stacking the cards in the draw for partners and of copying off the best looking girls for themselves. He caused a laugh by remarking that he had never had any luck with girls and that he "had an ingrowing toe nail" that he would gladly swap for the luck of some of the men present.

There were sixty-nine present, and many of the diners who were late or did not get into the "drawing" were deprived of the privilege of being host.

Pampa Is Beaten; Clovis Will Play Here On Sunday

Undaunted by the defeat handed them recently by the Amarillo Mets, the Hereford baseball team journeyed up to Pampa last Sunday and took revenge out of the hides of the Pampa outfit. The verdict was 5 to 1. The lone Pampa score was the result of a home run, which the boys describe as a "real four-bagger. They swear it is traveling yet."

Aside from that mishap Jewell, pitcher, Pampa, took the palm of his hand. Very few hits were gathered from his territory. One said he fanned fourteen men. One felt was the striking out of all three batters in the ninth inning.

Carroll, first man up for Hereford in the first inning, slugged the first ball pitched for a homer, and after that it was a question of the score. The Hereford lineup showed McNabb on first, Curtisinger second base, Carroll shortstop, Walter Taylor third, George Murphy right field, Jess B. center field, Galbraith left field, Fate pitcher, Charlie Bennett catcher.

Arrangements had been made to entertain the strong Panhandle nine here Thursday, and advertising material had been scattered, but the heavy rain of Wednesday night cancelled the engagement. The next game will be played here next Sunday afternoon at West Park, with Clovis furnishing the opposition. The local boys are full of fight and confidence after their victory of last Sunday and promise the fans a real run for their money. The boys are working hard and earnestly and deserve the patronage and backing of the people of Hereford.

"Looks Like Rain," Is Postponed to June 4th

The Hereford baseball's play, "Looks Like Rain," which had been advertised for Friday night of this week at the high school auditorium, has been postponed one week, until Friday night, June 4, owing to weather conditions. The play is a three act comedy and has an all-star cast that promise oodles of fun and amusement.

Harry Guise, of Panhandle, Texas, was in Hereford Saturday to attend the alumni banquet and remained over Sunday to hear the baccalaureate sermon. He was the guest of Mr and Mrs. A. O. Thompson.

Alumni Banquet Was Beautifully Handled Affair

The annual banquet of the Hereford High School Alumni association, held in the basement of the Methodist church last Saturday night, will go down in the history of these events as presenting one of the best arranged programs, one of the most tastefully decorated settings, one of the best attended, and one of the most enthusiastic ever presented in Hereford. The meal was served by the Methodist ladies and the Junior girls, the latter wearing purple and white aprons, the class colors.

This color scheme was carried thru-out the decorations. Crystal chandeliers, entwined with violets, baskets of purple and white larkspur, and purple baskets of mints adorned the tables. The programs were printed in the class colors, rolled up like a diploma, and tied with ribbons of purple and white.

Prior to the banquet the annual business session of the association was held in the church auditorium. In the absence of the president and vice-president, Mrs. A. O. Thompson, chairman of the Arrangements committee, was asked to preside. The following new officers were named for the ensuing year: Mrs. Gladys Howton Manjeot, president; Travis Dameron, first vice-president; Mrs. Myrtle Bennett Reed, second vice-president; Mrs. Glenola Rowles Owen, secretary-treasurer. A vote of thanks was extended Mrs. Manjeot for working up one of the best programs ever given by the alumni association.

After the business session all were invited to assemble in the banquet hall, where they were received by Mrs. Manjeot and were ushered to their respective places by Mesdames D. W. Hawkins and G. A. F. Parker. The Seniors and their guests, the guests of honor, were seated first. Next came the alumni members, and lastly the speakers, seated at a separate table.

Rev. J. O. Haymes delivered the invocation, after which the toastmaster, Mrs. B. F. Guthrie, was introduced in an appropriate speech by Mrs. Thompson. As toastmaster, Mrs. Guthrie was a revelation, bringing all her wealth of study, club leadership and ripe experience to the task. She kept the action moving swiftly and pleasantly throughout and her keen wit and humor were highly appreciated.

A delicious menu was served. L. H. Fuqua, '25, spoke on "The Occasion," tribute to new class; Travis Dameron subject was "Research Material," to the alumni; class yells by the Senior; "As Others See Us," addressed to the faculty and delivered by Miss Dyalitha Stovall in a clever skit; "After Examination," a response to Miss Stovall by Miss Clara Mae Glenn; a reading by Miss Margaret Gilliland; "Celebrations," to the classes of 1906, 1916 and 1926, by Mrs. Manjeot; "The Favored," a tribute to the visitors, by Mesdames Thompson and Owen and Miss Gladys Kilgore.

In her toast, Mrs. Manjeot cleverly brought out the fact that Mrs. Thompson was a member of the first graduating class of Hereford high and that Mrs. Thompson's daughter, Miss Margaret, is the first graduate whose mother was also a member of a graduating class.

It was a wonderful occasion and left a lasting impression upon the minds and hearts of the alumni and their guests.

Arrangements had been made to entertain the strong Panhandle nine here Thursday, and advertising material had been scattered, but the heavy rain of Wednesday night cancelled the engagement. The next game will be played here next Sunday afternoon at West Park, with Clovis furnishing the opposition. The local boys are full of fight and confidence after their victory of last Sunday and promise the fans a real run for their money. The boys are working hard and earnestly and deserve the patronage and backing of the people of Hereford.

"The Rainbow Trail," To Be Here Friday-Saturday

Owing to a mixup in shipping orders, patrons of The Star Theatre will have a rare treat on Friday and Saturday of this week. "The Rainbow Trail," a famous picture that everybody wants to see had been booked here last February and missed connection. Thursday morning the film arrived unheralded and Manager Pickett has determined to substitute it Friday and Saturday for the regular pictures on those dates.

"The Rainbow Trail" is undoubtedly one of the finest photoplays the art fans have had the pleasure of seeing in many moons. It is a sequel to "The Riders of the Purple Sage," shown here Christmas night. There has been a big demand for it, and the demand will be gratified Friday and Saturday.

Mr. Pickett is also advertising in this issue a list of headline attractions booked here during June and July. He says that it is the finest line of consecutively good pictures he has ever booked. He is proud of the lineup and believed his patrons will agree with his view of it.

Lee Bivins, of Amarillo, was in Hereford Tuesday, on business.

Hereford High's Athletes in 1925-6 Are Outstanding

STUDENT MEMBERS ATHLETIC ASSOCIATION

The Hereford High School Athletic association, which was organized in September, 1924, is composed of the following eight members: The athletic director, who is also president, the vice-president, the business manager, secretary and treasurer, and a representative from each of the four classes, the freshman, sophomore, junior and senior.

The class representatives are appointed by the various classes, and the secretary-treasurer and business manager are appointed by the athletic director.

The following is a list of officers who served during the past year: Director, C. W. Humble; business manager, Artie Russell; vice-president, Jess Russell; secretary-treasurer, Oliver Ray; senior representative, Gordon Witherspoon; junior, Price Barrett; sophomore, Geo. Murphy; freshman, Geo. Jowell.

The association was organized year before last, but the work has been more extensive this year than before. Its purpose is to see that the different teams are furnished with the necessary equipment, attend to the financial affairs of the different phases of athletics, and to keep orderly conduct throughout the school.

The football team made a very excellent record last season and the association, in appreciation of the good spirit of sportsmanship among the members, gave each letter man a nice sweater. The association gave letters as well in other phases of athletics such as basket ball and base ball.

The association has had a successful year financially, with unusually large receipts and disbursements, and yet

a good balance to carry forward next year.

When we moved into the new building the association took proper steps in keeping order in the gym and other places where its authority extended. When students were caught breaking the rules, they were brot before the association and tried. There were various penalties, and running the gauntlet.

The retiring officers feel sure that the various classes will do their best to make the association better next year than it has ever been before.

Oliver Ray, Secretary-treasurer.

Value of Athletics to the School

In former days schools were conducted for the abler classes and made

an appeal only to the more brilliant. Today they aim to develop the masses. Athletics helps to broaden the appeal of the schools, to bring out the best and enlist the interest of those who would not otherwise get benefit in school. In the World War the different standards of service-ability elevated many privates of the top positions in military life, and vice versa. Athletics does the same for the school, and many find themselves leaders with responsibility on the field who would never otherwise be developed.

Athletics in school supplies for many a pupil the immediate motives for working, which would otherwise be lacking. Schools generally today are requiring by ever stricter standards that their representatives in athletics be also representative in doing school work. By general consent they now require passing grades in three-quarters of the work taken the preceding term, and also passing grades in three-quarters of the work of the current term. This is often a greater incentive toward working than the further removed goal of success in business life at some remote time.

Athletics supplies the immediate interests in the way of wholesome recreation that is needed for variety in school life. In addition a whole new field of amusement will be opened up, which will add to the interest and joy of living for years after school work is over.

Athletics is not primarily a body builder, though it furnishes the best all-round physical development, stress (Continued on page seven)

Ashlock Is Given Two Years; Will Seek New Trial

J. M. Ashlock, charged by indictment with the slaying of P. E. Jones February 21, 1926, was tried in district court last week. The jury reduced the charge to manslaughter and found him guilty, assessing two years in the penitentiary. Ashlock made a new bond immediately after the trial and is now at liberty. His attorney, W. H. Russell, has filed notice of appeal and asked for a new trial.

Judge Tatum concluded this term of court Saturday and adjournment was taken finally.

E. B. Black is Awarded Scottish Rite Honors

News has been received here that E. B. Black, who with Mrs. Black has been in El Paso for the past two days, has been honored by the Scottish Rite Masonic body at that point. Mr. Black, who was a member of the class of eighty-six, took the degree of the Scottish Rite at El Paso 17-21, and was honored by election as president of the class which was named "The J. J. Ormsbee Class."

Members of the class came from many other points in West Texas and from El Paso. Features of the week were a reunion banquet in honor of the class, special entertainment for the ladies who accompanied their husbands to El Paso, such as automobile rides, dinners, etc. Officers of the class elected were as follows: E. B. Black, president, Hereford; S. M. Browne, first vice-president, El Paso; M. H. Carr, second vice-president, El Paso; H. D. Grant, fourth vice-president, Lubbock; E. C. Smith, secretary, Brownfield.

Van Bruner is home from the Danforth School of Pharmacy at Fort Worth. Before returning home, Van went to Galveston and took the examinations before the State Board of Pharmacists and also saw the Bathing Beauty Review.

Farm Sale Comment

There are two sales advertised for Saturday of this week. The first will be held at the Sales Pavilion, at 1:30 o'clock, and will consist of twenty-five head of high class Jersey cows and one registered bull, W. W. Womack of Fort Worth, owner. Ray Barber, auctioneer. Mr. Barber has been assured that this shipment is first class in every particular and that the stock will be a good investment for the dairy farmers of the community.

The second sale will be held by Auctioneer Williams, on the vacant lot next the Western National bank. It will consist of two lots owned by Frank Jacoby and W. R. Stockman, respectively. The particulars are shown in this issue. The offerings will include household goods, tools and miscellaneous articles.

Farmers Are Paid Over \$1,000 Here Saturday

Over \$1,000 was paid to farmers last Saturday by the local produce houses for cream. Local farmers received almost that much for eggs on that same date.

Deaf Smith county is fast becoming one of the foremost in West Texas in the production of poultry and dairy products. The growth of these industries seems nothing short of phenomenal when we consider the fact that fifteen years ago butter and eggs were shipped into Hereford to supply the local trade. Today many of the local farmers sell more than enough cream and eggs to pay all the family grocery bills.

Nolie G. Elliston of Hereford, and Miss Lorene Hodges, were married in Clovis last Sunday, and are now at home on the groom's place just southeast of town.

Mr. Elliston is the son of Mr. and Mrs. R. L. Elliston of Hereford, while the bride has been teaching school at Artesia and other points in New Mexico.

"Better Homes and Gardens" Prizes To Be Announced

Prizes for the "Better Homes and Gardens" for Hereford contest will be submitted to the Hereford Chamber of Commerce at next Monday's luncheon for approval. Liberal prizes will be offered in both the owned homes and rented homes classes. A prize will also be offered for the winner in the public buildings contest, according to plans.

Word from Mrs. A. A. Foster and Rev. Jas. T. Ross, who are in charge of the west side and east side of the city, respectively, show that the various sectional and block captains are just bubbling over with enthusiasm. Entry blanks have already been handed out and many are entering the contest daily. More enthusiasm is being shown than ever before, and everything points to some keen competition.

As the first judging will take place between July 1-15, those expecting to compete for prizes will have to hustle to get their homes in shape for the inspection. Watch the Brand next week for the prizes to be offered in the Home and Garden contests.

Three Fine Rains Fall Here Since Last Monday

A splendid rain fell all of Wednesday night, following brief downpours on both Monday and Tuesday night. The precipitation Monday night measured three-tenths; Tuesday night six-tenths; and Wednesday and Wednesday night sixty-five hundredths, making a total of over an inch in twenty-four hours.

These rains, especially the last one reached a considerable scope of the country and were "just what the doctor ordered" for the wheat and general farming conditions.

GRADUATION PROGRAMS IN THE SCHOOLS

Commencement exercises for the Hereford public schools began last Saturday night with the annual banquet, reported elsewhere. The main program started Sunday night when the Rev. Thurman Morgan of the Christian church delivered a splendid baccalaureate address to the graduating class. Wednesday night the graduating exercises of the high school were held in the auditorium. The rain held down the expected crowd but at that room 300 attended and were rewarded with as pretty and solemn an occasion as has ever been witnessed here.

Miss Clara Mae Glenn rendered the Prelude. Rev. W. R. Hill delivered the invocation and Miss Margaret Thompson was simply splendid as Salutatorian. Miss Thompson's work all through the year has been of an unusual order. Irvin Strain played a saxophone solo and Oliver Ray a clarinet solo, and Miss Inez Jowell read her Class Poem, a clever bit of work from start to finish. Miss Blanche McDonald made a tremendous hit with her "Class Will" effort, and Miss Lucille Hughes, valiant and editorian, upheld the prestige and standing of the Hereford high in convincing fashion. The Glee Club rendered "Come Where the Lilies Bloom."

The address to the graduates was delivered by Prof. C. D. Eaves of Texas Tech and was an able and inspiring call to the ambition of the students.

Mr. Dillehay then presented the diplomas and spoke feelingly of his pride in the graduates and of his hopes for their future.

Miss Lucille Hughes received first honors for the year, and with it a scholarship. Miss Margaret Thompson received second honors. Oliver Radd received first honors and a scholarship among the boys of the class.

The setting for the ceremony was a background of Purple and White, the class colors, and the floral decorations consisted of geraniums and begonias. The graduating class was dressed in rainbow colors.

The seventh grade graduating exercises will be held Friday night at the auditorium.

Chautauqua Plan All Worked Out; Prices Announced

Arrangements for season tickets and reserved seats for the Redpath-Horner Premier Chautauqua have been made by the local committee, of which D. F. Ashbrook is chairman and W. R. Hill is the secretary.

There will be three classes of season tickets. Children's, for children from seven years to eleven, will be \$1 each. School tickets, for young people, actually attending high school or grades the past term, will be \$2. Adult tickets will be \$2.50. Reserved seats are \$1 on any kind of ticket. Price of reserved seat, not previously engaged, for any single number of the entertainments, will be 25 cents. No one will occupy the reserved seats without paying. The first two seats across the tent in front will be reserved for the small children without cost in addition to admission.

The committee has been very generous in getting the adult tickets from \$2.75 and \$3.03 with the tax, to \$2.50. Only one other town on the Premier Circuit has the adult ticket less than \$2.75 and exactly the same program.

By our committee's property organizing, we have been able to get the government tax on all tickets removed entirely. That reduces the adult ticket 25 cents. It will be a saving to the community of about \$200.

Your committee is working without remuneration whatsoever and wishes the cooperation of each person in and near Hereford. We will be glad to accept of any reserved seat sales, so please as many as can get reserved seats. Be sure to buy season tickets as it is very much cheaper to do so. Your committee is credited with only 25 per cent of single admissions paid at the gate.

Season tickets can be had from the secretary any time now on application. The canvass for sale of season tickets will begin on Thursday, June 3. Reserved seats will be on sale for first time on Saturday, June 5, 9 a. m., and again on Monday morning at 9 o'clock. Sale will be at office of chamber of commerce, one door north of post office. Bring your season tickets with you as the reserved seats will be indicated on the tickets.

Local Committee Chautauqua, W. R. Hill, Secretary.

J. A. Roden, aged 75, of Bennington, Oklahoma, father of J. Roden, pharmacist at the Corner Drug Store, died in a hospital at Paris, Texas, Sunday, May 16, after an illness of about sixty days. J. R. Roden made the trip to Paris after receipt of a wire advising him of his father's condition.

The body was buried at Petty, Texas. Besides his wife, Mr. Roden is survived by nine children.

BOYS BASKET BALL TEAM 1925-26

The Whiteface Basket Ball quintet composed of practically new material and playing in very strong competition made a very good showing, winning the championship of this sub-district and going to Canyon where they competed for honors in the district contest and were considered one of the three strongest contenders for honors. They lost to Panhandle in the first round.

The score book shows the Whitefaces won three and lost eight games, four of these being with Tulla and Canyon runners-up and champions of this section. Each of the games lost

was by a small margin, twelve points being the largest lead held by any opponent on the Hereford court.

Jess Russell forward, (2 years), was high point man with three free throws and twenty-six field goals; Homer Thompson, (2 years), was next with three free throws and eighteen field goals.

The playing of Rudd at guard was one of the strong points in the Hereford combination and although this was his first and last year, he played every game with the style of a veteran.

In addition to the above mentioned

men, the following fought hard to help in the battles fought: Artis Russell, (3 years); Bernard Roberson, (1 year); Abbie Posey, (3 years); John L. Wilson, (1 year); substituted in several games.

The following men were awarded letters in basketball: B. Roberson, Jess Russell, Abbie Posey, H. Thompson and Oliver Rudd. Artis Russell acted as captain, but had to quit playing before the season closed.

Three of this years quintet will be back next year and with a host of new material, Hereford may expect a far better showing next year.

ELECTRIC REFRIGERATION

With the rapid progress that has been made in extending the use of electricity to many times, money and labor saving services in the home and store, it was only natural that electricity should ultimately be utilized as an agency to provide modern refrigeration.

Frigidaire electric refrigeration provides the best and most practical means for obtaining refrigeration that is clean, safe, efficient, convenient, economical and modern.

There are more than one hundred thousand Frigidaire installations in daily operation. Users invariably declare that they would never be satisfied to return to former methods of refrigeration after once experiencing the satisfaction which comes from the use of Frigidaire.

Hereford folks have a right to feel proud of the record that the Hereford high school football team made last fall. Out of seven games played, state. The Whitefaces piled up a total of 183 points to their opponents 117.

It was a young and inexperienced team with a new coach that started out for Hereford last fall. Practically all the squad will be back next fall. Coach Riggs knows his men better, and the boys are better acquainted with his style of play. With so many experienced players in the game, with a number of likely prospects, and with a coach who is capable of getting everything possible from his players, the Hereford high school Whitefaces should furnish some keen competition for football honors of the Panhandle next season.

Last season's results:
September 25—Hereford 25; Portales 0; October 2—Hereford 39; Texico 0; October 9—Hereford 0; Canyon 33; October 23—Hereford 39; Tulla 6; October 31—Hereford 12; Claude 9; November 11—Hereford 68; Portales 6; November 20—Hereford 0; Canyon 68.

Ford Doings

Rev. T. Morgan of Hereford, did not fill his regular appointment Sunday. Other duties in Hereford kept him busy.

Mrs. J. E. Starnes was rushed to the hospital at Hereford Thursday, for an operation for appendicitis. She has been very sick since then.

Mr. and Mrs. J. H. Hill from Uvalde, Texas, are visiting their nephew, J. E. Hill and family, all attended Sunday school at Ford Sunday afternoon.

Mr. and Mrs. C. C. Whittington, motored down from Amarillo Sunday afternoon and visited Ford people awhile.

Harold Smith is the proud owner of a new Chevrolet car, which we are glad to see him have.

Mr. and Mrs. Sherm Garrett purchased 700 baby chicks the past week. They plan to build an adobe house to put them in soon.

Tom Major and Floyd Benson hauled back a load of home-canned goods Saturday, bringing home 12 others to feed out for market.

THE GIRLS BASKET BALL TEAM

When the girls basket ball team organized, a great deal of pep and enthusiasm was displayed. Such was the case at the beginning of the season, but usually before it half over, the players are tired and discouraged. This has not been the case this year, however. The first game played was with the team from Tula. The score was several points in their favor. This was due to several things. We had never been on a new gym before, and we had had to practice as much as we could. Then we played Tula. They also scored several points more than we did. Then we played them on their court and beat them.

The girls fought fairly and squarely for that game. We also beat Amarillo. The game was the best of the season. One side scored, and then the other. Finally we won, the score being 29 to 27. The players deserving special merit are, Alleith Ellison, Virginia Stovall, and Pauline Wilson. The team appreciates the interest the school and town took in them. They put their best into the team and fought fairly for Hereford high school.
CUT N. 31— Here—

There are a great many of the high school students who play tennis, but during the past few years no organized effort has been made to develop tennis teams to compete in the district contests. This spring a tennis club was organized, and the students hope to have both boys and girls tennis next year to enter the district contest at Canyon. Two good tennis courts are being built on the high school grounds and will use these courts during the summer and next fall in developing the tennis for next spring. The faculty, school board and students have contributed toward the construction of the new courts; the faculty furnishing the tape, nets, etc.; the board furnishing the netting, backstops, and the students furnishing the labor in putting it up. Mr. Humble will probably coach the tennis teams.

Mrs. Vick and daughter, Winnifred, returned Friday from Pasadena, California, where they have been since October.
The family of Phil Mote and W. M. Hubble spent Sunday at the Paul Mote home.
We have had several good showers during the past few days and the wheat never looked better around here. There has been some hail, but not very destructive.
J. O. Wood and F. B. Scott and A. L. Scott, attended the quarterly conference at Hollene Sunday.
Conley Gann and family and his nephew, Archie Gann, all of Amarillo, spent the week-end visiting in this community, and viewing the good wheat crop, on Conley's farm.

TANCRED O. A. C. (Oregon Agricultural College) S. C. White Leghorns —From— Pen No. 2

"Consists of 200 pure Oregon Agricultural College yearling and two-year-old hens. All proven past perennials high egg record stock. No birds in this mating weighing less than 4 1/2 pounds, many weigh 5 pounds and several 6 pounds. Only hens that have not molted prior to September 15th have been kept for this pen. Every bird has been proven a layer of large, chalk-white eggs. Mated to these females are early hatched, feathered chickens from our 1925 'Sweepstakes Alley' mating No. 4, which pen consisted of fifteen hens with individual egg records of 274 to 293 eggs in 12 months, headed by a son of the famous \$1,000 Tancred cockerel."

"It was an O. A. C. bird that produced the first hen in poultry history to lay 300 eggs in a trap nest in 365 consecutive days. This is now a fairly common occurrence in pure-bred O. A. C. stock."

"It was an O. A. C. bird that was first to lay in trap nest 1,000 eggs or more in her lifetime. This, too, is now fairly common."

"It was O. A. C. birds (the marvel pen of L. A. Thornwell of Santa Cruz, California) that made the world's record of ten hens in 1923, averaging 281.6 eggs per hen in 365 days."

"It was a bird from an O. A. C. dam that holds the present official American record of 337 eggs in 365 consecutive days. This hen was sired by a Tancred male. It is not unusual for O. A. C. flocks on commercial farms, when properly fed and housed, to make flock averages of better than 200 eggs per hen per year and these flock averages have even reached from 220 to 235 eggs."

"No less authority than Prof. James Dryden states, 'No other strain developed anywhere by anyone has shown greater egg-laying capacity on commercial farms, or in egg-laying competitions than the O. A. C. birds.' Great Eight Poultry Farm

Opening of Gallegos Bridge Set for June 28

The opening of the new bridge across the Canadian river at Gallegos, New Mexico, on the Texas-New Mexico Highway, is to be celebrated May 28 in a big meeting staged by the citizens of Roy and Mosquero. Gallegos is an old Spanish town about forty miles from Logan and thirty miles from Roy. The Texas-New Mexico Highway runs from Plainview to Taos, New Mexico, and is the direct result of work by E. W. Harrison of Herford, ex-senator Mitchell of Roy, and Chas. Springer, who is now a member of the New Mexico highway commission.

About twenty miles of highway from Gallegos to Mosquero is now under construction and they have spent as much as \$7,500 per mile on some of the road adjacent to the bridge. A delegation of Herford citizens are planning on going to the celebration, and upon their return they will report to the chamber of commerce the conditions of the highway between this part of the country and mountain country of Northern New Mexico. The fullest cooperation has been given the Texas people by the New Mexico folks and much credit should be given the people of Roy, Logan and Mosquero for their efforts in building such a highway as they will have when completed. This is a link of road between the mountain country and West Texas that has long been needed to complete the road through to the Cimarran valley and the Taos mountain country.

Plans are now being made for the annual convention of the T. N. M. Highway association at Taos, on or about August 7. This will give delegates to the convention an opportunity to take in the Fiesta at Santa Fe which begins on August 9. This is going to be the largest convention ever held by the T. N. M. association, and the fullest cooperation from towns along the route will be given to make it so. Herford has been behind the route all along, and the association is counting on the town sending a larger delegation to the convention than they have any year yet. As soon as tourists realize the conditions of the roads and what wonderful country the northern part of New Mexico is for vacationing we will have many cars going through Herford over this route.

Eighty acres of alfalfa is being sown on the D. L. McDonald irrigation farm just north of Herford. Mr. McDonald already has a large patch of alfalfa, and says that he finds it to be one of the best paying crops for the Herford shallow water belt.

Registered hogs and line bred Anxlety 4th Herford cattle will be pastured on this alfalfa. The field will also furnish hay for the conditioning of McDonald's show and breeding animals. In the Herford shallow water belt alfalfa will average five crops per season of a ton per acre per cutting, if proper methods of irrigation are applied. A number of people in the Herford country are planning to raise alfalfa on a larger scale.

County Agent R. O. Dunkle, has just completed arrangements for a three days Short Course to be held here during the latter part of August for the Club Boys and Girls of Deaf Smith county. The Short Course site will probably be at Sulphur Park on the Tierra Blanca just east of Herford.

District Agent John R. Edmonds, is making arrangements for experts from the Texas A. & M. College to give lectures during the three days session. This is the first time such a project has been put on in Deaf Smith county, and the idea is creating a great deal of interest.

Community Booths to Be Features of Coming Fair

The community booth will be one of the main features of the Deaf Smith County Fair to be held here September 16, 17, and 18, according to the plans worked out by the superintendents of the various departments at a special meeting Tuesday. Close to \$200 will be offered for the community booth exhibits. Divided as follows: \$75 first prize, \$40 second prize, \$25 third prize, \$10 fourth prize and \$5 for each exhibit that does not win one of the above prizes. It is figured that at least ten communities will exhibit at the county fair.

In the Boys and Girls club work liberal prizes are offered. Four free trips to the State Fair at Dallas will be given as follows: One for the winner in the Pig Club work, one for the best club exhibit in field crops, a trip for the winner in the Calf club, and a trip for the winner in Poultry raising. In addition to this the boys and girls will have a chance to compete for the regular prizes offered to general exhibitors.

Prize lists for the livestock and the women's departments have not been worked out, but cash prizes will be offered to the winners in each of these departments. The fair will be held in the big stucco fair pavilion which has just been remodeled by the county.

A diagram will be made immediately of the two floors of the building, and space for the merchants booths will go on sale at once. Homer Fox has been appointed superintendent of this department and is making plans for a large number of exhibits from local and out of town firms.

Concession spaces will be in charge of Superintendent N. C. Vogele. He is negotiating with a number of carnival companies and will probably book some attractions within a short while.

The following superintendents have already started working on their respective departments: N. C. Vogele, general superintendent; D. L. McDonald, Herford show; Berry Orr, Dairy Cattle; Ross Fuller, Hogs; Russell Daniels, Community Booths; R. O. Dunkle, Club Exhibits, and Mrs. Bob Wilson, Women's Department.

YOUR BIRTHDAY

May 30th—June 5th
If your birthday is this week you are venturesome, independent, enthusiastic, reckless and forceful. You are very versatile—have a remarkably brilliant, imaginative mind, and are apt to change your opinions in a very sudden manner. You have a great love for justice, truth, and harmonious surroundings. You are rather difficult to please and have a vein of causticity that makes people want to keep out of your way at times. You are very loyal to your friends, and have strong sympathy with their suffering. Your intuition is very strong, but does not always prove a safeguard when apparently bright undertakings tempt you—they do not always end to your satisfaction. Under defeat and disappointment, you become melancholy for a time, but quickly recover your bright spirits. You have a very inquisitive mind and display superior skill in the use of the hands.

Men born during these dates would make exceptionally fine business men if they would concentrate their efforts, but they undertake too many things at one time, and are apt to leave their work unfinished. They are capable of excelling in literary work. They also become sculptors, artists, carriers, musicians, electricians, and doctors. Women become dressmakers, designers, milliners, teachers, decorators, and musicians.

Here is a screen masterpiece. A fine portrayal of the true sweetheart, true wife and mother.

VALUE OF ATHLETICS

(Continued from page one)

ing speed, accuracy, coordination of body and mind, as well as strength and endurance. It is in the realm of character building that the greatest effects are apparent. The very basis of strong character is self-control, which is subjected to the greatest strain on the court, the diamond, and the gridiron, and is so developed by exercise.

Experienced athletes are noticeably general and sportsmanlike. Self-consciousness has been brushed away.

PROF. JOHN F. RIGGS
Coach Foot Ball

and exaggerated ego has been reduced by many a hard knock and patent error. There is a lack of contentiousness among the athletically trained which is often obtrusive in others, boys because of more experience in athletics, are often better losers and less contentious than girls, who often fall to squabbling in the absence of a referee, whereas boys would carry on the game.

Another way in which athletics supplements the school work is in the cultivation of a taste for good work. Many pass the standards of school work without ever having done a thorough piece of work, or perhaps without an idea of what a real job is. There is no such thing as just barely getting by on the field. Nothing less than a clean hit, an accurate pass, a brilliant run or tackle, is the aim of every player. This relish of the thoroughly efficient work, this distaste of the trashy and slovenly, this admiration of the actual delivery of the goods, makes for a relish of good work in general, and so furthers the end and aim of school training.

Base Ball

The high school base ball team started work March 10, with twenty-five out for positions. After one week work-out school was closed on account of sickness, but the boys were out every day for practice.

The second week they met Wyche community and defeated them 4 to 2

PROF. RALPH SMITH
Coach Base Ball

Their next game was two weeks later against the same team, this time winning 8 to 4. Their next game was against the town team of Bovina at Bovina, again winning 11 to 9. The last game was on the home field against Bovina town team, this time we were defeated 6 to 4. This being the only game we lost.

The boys were all willing workers and their determination to win was why they were so successful. We lose two good men this year, Capt. Artis Russell and Bernard (Red) Roberson. The later developing into one of the best catchers the high school has had for several years.

Those remaining in school for next year's team are Geo. Murphy, Herbert McIntire, Gordon Witherspoon, Price Barrett, J. C. Gilbreath, Elmer Sharp, and Homer Thompson of the regulars and Howard Eberlee, Bill Russell, C. R. Smith, Bob Renfro and Floyd Foster to name some of the reserves work to stay on the team next year.

Coaching Important Factor in Successful Athletics.

The department of athletics of any present day high school is an important one and its coaching personnel

MISS AXTELL
Coach Girls Basket Ball

cannot be too carefully selected. The coaches are usually in a position where their influence is felt for good or for bad. The coach who does not use this influence for the betterment of those under his charge is making

a mistake that is all but irreparable in many cases.

As a rule, the boys and girls on the athletic field and on visits to other schools reflect the ideals and training given them by their coaches. A careful observer can almost always get a good estimate of the coach by watching his team in one or two hard games. Keen competition tests the leadership of the coach, his success in teaching the fundamentals of the game, sportsmanship, team work, etc., and his ability to instill a fighting spirit into the members of the team that cannot be crushed by defeat. His influence should also be felt in the different classrooms and help induce the athletes to meet the scholarship requirements of the school.

The local high school has been fortunate in having a successful year in athletics during the year now closing, not so much in victories won as in the manner in which the work has been carried on. Much credit for the clean, high plane on which the work has been placed and the results obtained should go to Mr. Humble, faculty manager of athletics; Mr. Riggs, coach of football and basket ball; Mr. Smith, coach of base ball, and Miss Axtell, in charge of girls' basket ball. All of these have worked hard on the field and elsewhere in an effort to produce winning teams, and without exception they have sought to give a correct emphasis to athletics.

We hope to continue the work of this year with such improvements as can be made that will use the athletic work as a means to an end, and not an end in itself. We want victory yes, but not at the expense of things that are more worth while.

A picture that will make a hundred million people laugh and sigh is the order D. W. Griffith gave himself when he produced "Sally of the Sawdust," his new classic of comedy which will be shown at the Star theater Monday and Tuesday, May 31, June 1.

So perfectly did he fill the order that already this United Artists corporation release is recognized by critics and competent experts as one of the great screen achievements, ranking in entertainment power with his historic "Birth of a Nation" and "Way Down East."

Laughter rules it throughout, ranging from smiling scowls to the heartiest outburst of ringing mirth.

And running amid the higher peaks of gaiety is a sympathetic story of lovable humans very much beset at times with the minor problems such as lack of money, a free for all circus fight, flight to richer harvests on a blind-baggage of a railroad car and other rueful troubles.

A circus walf and her guardian, as lovable a scalawag as ever picked a necessary pocket, are the principal characters, with love and abundance of adventures galore.

Carol Dempster and W. C. Fields have made the parts historic among screen portrayals. Fields is new to the screen but with long stage training that has led him to stardom in the famous Ziegfeld "Follies." The work of Miss Dempster is beyond anything she has realized in the past, bringing her to the circle of the really great screen actresses of the day. The story is one of the most entertaining tales ever filmed, alive with joy and gaiety throughout, tinged with pathos but never for an instant heavy in its tread; and galloping to a close that is one of the happiest, most exciting and most satisfying scenes ever offered in pictures.

"Sally of the Sawdust," is one of Griffith's finest pictures, deserving to be ranked with his greatest.

Some routine business was transacted during the hour. E. C. Eubanks, secretary of the Texas-New Mexico highway, explained the meeting at Gallegos, New Mexico, June 28. A telegram from the State Labor Department asking how many laborers Hereford would need for the harvest was read and a reply was sent stating that none would be wanted after E. W. Harrison had stated conditions, in his opinion, Mr. Harrison believed that local labor would suffice, and he did not think much of the kind of labor usually imported.

County Agent Dunkle said that the farmers were taking to the rabbit poison more readily of late. D. F. Ashbrook called attention to the forthcoming Chautauqua and said the prices would be \$1.52 for high school students, and \$2.50 for adults. Reserved seats may be obtained for an additional dollar. Rev. W. R. Hill called for volunteers for work Tuesday morning for cleaning up the cemetery and outlined plans for that very necessary work. The young girls present were dress

ed in the best and the entire affair was a happy and sociable gathering that drew the diners closer together for the mutual good of all.

DANIEL'S VARIETY STORE PHONE 394

Always red... a safety touch of color at the knee... Rollins Runstop (patented) is the mark of style and beauty and the means to greater economy in fine, full-fashioned silk stockings. It stops all garter runs.

Not so many years ago full-fashioned silk stockings made their debut... shy, retiring, modest.

Today... well, silk stockings are no longer retiring. Holding the balance of power in fashion's ensemble, they demand and receive first consideration. Tone, beauty, blending color... still essentials. But practical economy becomes requisite, too. And here it is.

Rollins Runstop stockings are practical in the extreme... no garter runs can shorten their long lives. But with all their economy they retain all the snap and style and beauty of youth.

Dimmitt, Castro County News

Les Womack has returned from Lamesa where he visited his sister, Mrs. S. D. Thomas, of Wyoming, who is visiting there. His brother, Jack, returned with him.

Mr. and Mrs. J. R. Huckabay and son, Eddie, and daughter, Corrine, of Lorensa, are here for a few days visit in the home of their son, S. C. Huckabay.

Bill Burnam and daughter, Miss Velma, motored to Canyon Monday.

Final exercises of the Dimmitt school took place at the auditorium of the school building in the presence of an audience that filled every available space, Friday night. The stage was tastefully decorated in their colors with vases of cut flowers. The following program was rendered:

March—Mrs. B. D. Woodlee.
Invocation—B. D. Woodlee.
Salutatorian—Ethel Roberts.
Valedictorian—Myrtle Baker.
Vocal solo—Leah Clark.

Address, "The Making of a Life"—President G. W. McDonald of Wayland College.

Presentation of Diplomas—Superintendent J. W. Carson.

Benediction—Rev. Jas. S. Ross of Hereford.

The graduates were, Misses Myrtle Baker, Ethel Roberts, Velma Burnam, Ola Brashears and Loma Woodburn.

The school term of 25-26 for the Dimmitt school closed last Friday and the final exercises were held Friday night. The teachers have done their very best under the conditions they had to labor under. Think of having 150 pupils only six teachers to take care of them and teaching eleven grades. A large increase in enrollment in both the grades and the high school is expected next year.

What are we going to do about it? Complain because the teachers are not doing the work they could have done here ten years ago? In the 1st grade there were 12 pupils, 2nd, 19; 3rd, 22; 4th, 17; 5th, 20; 6th, 20; 7th, 7; 8th, 17; 9th, 13; 10th, 7; 11th, 5. Stop for a few minutes and think over these conditions. New people are moving into our community every year. Do you think they would bring their families here if we did not have a school? On the other hand our citizens are moving away because their children cannot get the school work here they can elsewhere. Isn't that a shame? How can we keep them here? This is our problem; how are we going to solve it?

Mr. and Mrs. A. B. Brooks and daughter, Zonell, visited relatives in Lackney Sunday.

Mrs. B. D. Woodlee and son, Brooks, motored to Amarillo Monday.

Chas. and Solon Clements of Plainview, attended the singing convention at Arney, Sunday.

S. P. Crawford, who has been seriously ill for the past week, was some better Monday.

The Priscilla Art club added another joyous day to its already long list of pleasant meetings on Tuesday afternoon, with Mrs. L. P. White as hostess. Household worries, cares and even needlework, the club's chosen diversion, were laid aside for game after game of "42" interspersed with pleasant conversation, wit and laughter. At the conclusion of the games, the hostess served a delicious ice course. The following members and guests were present: Mesdames N. G. Jackson, C. H. Buttolph, Joe C. Howard, Henry Stalcup and sister, Miss Luella Thomas of Plainview; Donald Durce, R. B. Boren, Dow Durce, H. E. Rantz, Edna Tate, B. D. Woodlee, Clem Maples, Cleve Tate, Hunter, Edgar Ramey, Lester Womack, G. A. Barnett, E. B. Wright, W. A.

Wright, Billie Graham, Perry Graham, Chas. Mapes, Bruce McLean and T. W. Malone.

Tom Jordan and Will Yancy motored to Groom last Saturday for the latter's two sons, who have been with their aunt, in school for several months.

Miss Minerva Sheffy, of Plainview, is visiting in the home of her brother, Ray Sheffy.

Mesdames I. B. Brooks, W. A. and E. B. Wright, G. A. Barnett, B. A. Fuller, T. W. Malone and Bruce McLean, chaperoned the pupils of the sixth grade on an outing last Thursday to the creek near Hereford. A delicious picnic dinner and lemonade were enjoyed at the noon hour. Those enjoying this memorable day were, Ruth Wright, Zonell Brooks, Ione Lille, Tina Mae Wright, Ruby and Katie Hyatt, Joan Barnett and Margie McLean, Don and Ottilie Malone, Wm. Howard, Jim Webb, Kenneth McLean, J. M. Wright, Winifred and W. T. Fuller, and Preston and Osborne Mauldin.

Mrs. J. F. Owen presented her piano and expression pupils in recital on Saturday evening to a large crowd. Each pupil did exceedingly well and are to be complimented and much credit is due them and their teacher. The room was decorated in pink and white crepe paper and pot plants. The pupils were as follows: Piano, Zonell Brooks, Elfreda Murphy, Joan Barnett, Josephine and Norma Cowser, Ruth Wright and Shirley Fowler. The expression pupils were Dorothy Maples and Tina Mae Wright. Mrs. Owen rendered two beautiful vocal solos which were greatly appreciated.

The graduates of the grammar department of the Dimmitt school had their graduating exercises last Thursday evening at the school auditorium. The program was as follows:

March—Miss Nola Gollehon.

Song by the class.

Class history—Elfreda Murphy.

Address—Judge R. C. Joiner, who chose for his subject, "Teaching the Pupil to Think."

Presentation of Diplomas—Superintendent J. Wido Carson.

Song by the pupils of sixth and seventh grades.

After the program Superintendent Carson presented each of the following with a certificate of attendance: Koma Hyatt, Sallie Maline Brashears, and Giles Tate.

On the evening of May 19, the pupils of the first, second, third and fourth grades rendered a cantata entitled, "Morning Glory." The stage was beautifully decorated for a woodland scene and the pupils were all dressed in paper dresses, the girls representing flowers and the boys birds. The children all acted their part exceptionally well and much credit is due to their teachers, Mesdames Maynard and O'Neal, who worked hard to make the program a success and we feel sure that they feel that their efforts were not all in vain. The News has been asked to express the appreciation and thanks for those in charge of this program to Mrs. B. D. Woodlee for her untiring assistance.

J. H. Wagley and family attended a family reunion at his father's home in Tulla on his father's 83rd birthday.

Will Verjer, who underwent an operation at the Plainview sanitarium last week, is doing nicely.

S. C. Huckabay made a business trip to Tulla Monday.

Henry Stalcup made a business trip to Amarillo Monday.

E. R. Rothwell reports a Holstein and Hereford calf that weighed 94 pounds at one day old.

Miss Edith Wright, who has been

spending the winter with her sister, Mrs. McElroy, and attending school here, left this week for her home in Olney, Texas.

Misses Posey Waitman and Thelma Coleman, left Monday for their homes in Giddings, and Comanche, Texas.

Mr. and Mrs. I. B. Brooks motored to Amarillo Tuesday.

Mrs. John Burgess returned to her home in Happy Thursday after being at the bedside of her father for several days.

Mr. and Mrs. N. G. Jackson and family, motored to Floydada, Thursday. Mr. Jackson returned Friday, but Mrs. Jackson remained and will have some dental work done.

Mr. and Mrs. M. E. Simmons, of Lubbock, spent the night in the home of their daughter, Mrs. G. A. Barnett, Thursday night.

T. W. Malone made a business trip to Lamesa Tuesday, returning Thursday. He says it is quite a great deal dryer there than here.

C. H. Buttolph made a business trip to Happy, Thursday.

Mr. and Mrs. Donald Durce are attending the post-masters' convention in Dallas this week. W. T. Gollehon and Kenneth Turner, are in the post office.

G. A. Barnett made a business trip to Plainview Friday.

Mr. and Mrs. Earl Fowler took their little daughter to Amarillo one day last week where she underwent an operation on her ear.

Mrs. Mayes Miller returned Friday from Amarillo, where she underwent an operation the first of the week.

Mesdames Dewey Watson and H. E. Ansley, of Amarillo, were in Dimmitt

last Thursday, bringing Mrs. J. H. Watson of Lamesa, who will visit friends here.

Bert Fowlkes has returned from Wichita Falls to attend the graduating exercises of his niece, Miss Myrtle Baker.

Mrs. Henry Stalcup is trying out her new electric heater for her marble irons at the home of Mr. and Mrs. Dow Durce.

Misses Helen and Mary Cowster will leave in the near future for a month's travel in California and other western states. While away they will visit their aunt in Pasadena, California.

R. B. Carnes left Saturday for his home in Lamesa.

Mrs. J. G. Davis and daughter, Ina, and son, left last week for a visit in Snyder.

No Governorship For Mine

My good old friend the Governor of Oklahoma was in to see me at the theatre the other night. I had just had humorous mention as a candidate for that position, as they wanted to revive the Populist Party with me as the Standard Bearer.

Well, the Governor showed me what had happened to a friend of his who had been defeated for Governor in our state, so he discouraged me. I won't accuse him of doing it purposely, but he did. His friend's campaign expenditures were as follows:

"I kissed 6,000 babies; helped 42 voters thrash wheat; shook hands with the entire State; smoked 3,000 sacks of 'Bull' Durham; cut 22 cords of wood; helped brand 8,000 calves; spayed 4,000 of them; was sprinkled 8 times in Methodist Churches; totally immersed in cold water in muddy creeks three times by the Baptist; went to confession in every Catholic Town; paid dues to 11 Synagogues; charter member of the Holy-Rollers; listened to 800 get-together; Kiawans, Lions, and Rotary speeches; bought sheet and pillow slip in every Ku Klux Klan in the State; and then I was defeated.

"'Bull' Durham was my sole satisfaction not only during, but after election. It is the only thing that stayed with me."

Laws You Don't Want

Laws requiring the Santa Fe and other railroads to spend money needlessly, tend to keep freight rates up. Limiting length of trains and saying how many men shall be employed to run a train, to that extent prevent lowering costs. This is your problem, too. Think it over.

In a manufacturing business the greater the output the lower the cost per unit. Therefore all progressive manufacturing concerns try to increase volume of output.

The railroads of this country are in the manufacturing business. They make and sell transportation.

Obviously it is to their interest to sell their product at as low a price as possible, in order to increase volume of business handled.

To sell at a lower price they must get their costs down to as low a figure as possible consistent with good service.

They cannot lower prices for materials and supplies, or wages, the latter being fixed by agreements with the men and by the Labor Board established by law.

The only other way left is by more efficient operation—that means handling more freight per man employed. To handle more freight economically means larger locomotives, better track and longer trains.

Laws limiting the number of cars in a train, or saying how many men shall be employed on a train, are laws which to that extent prevent lowering costs and keep up rates.

Any laws that require the railroads to spend money needlessly have a tendency to keep up rates.

While primarily this is a railroad problem, in the end it affects your own business as well. That is why your attention is called to it in this way. Think it over.

CHURCH ANNOUNCEMENTS

Baptist Church

W. R. Hill, Pastor

The Sunday school, for Bible study, with Alex O. Thompson the superintendent, meets at 9:45. Classes for people of all ages. If the churches succeed in featuring Bible study the adults must lead.

Sunbeams, with Mrs. Arthur Man-jest the leader, meet at 10:45. An interesting program for the children is always ready. More than forty children were in attendance last Sunday.

No morning preaching service on account of the Fifth Sunday meeting at Union church in Swisher county.

B. Y. F. U. meeting service at 8 o'clock. The pastor will preach.

Visitors are cordially invited to attend all our services.

COME and WELCOME!

First Presbyterian Church

Jas. T. Ross, Pastor

Sunday school 9:45 a. m.; C. O. Lee, superintendent. It is with pleasure that we note the increase in attendance on the last two Sundays. Let us keep it up.

Preaching services 11 a. m. and 8:15 p. m. In the afternoon at 3, preaching at Stimmis school house. Upon a recent visit to that community, Rev. Joseph Bozarth organized a Sunday school with Mr. J. M. Chapman as superintendent. This is a good community and capable of great things.

Wednesday, 2:30 p. m. Women's Missionary society; 8 p. m. Midweek Prayer meeting with music, devotional, and Bible study features. If you care for none of these don't come. Thursday, 8 p. m., choir rehearsal.

A pleasant welcome awaits you at all these services.

Methodist Church

J. O. Haymes, Pastor

"Requirements for a 100 Per Cent Church," will be the morning subject. The first sermon on this subject was preached last Sunday. We wish to finish the discussion next Sunday. There is a good large percentage of the membership of the church that the pastor is very anxious to speak to on this theme. It is those who are lowering the level of the church life and keeping us from coming up to the ideal of a 100 per cent church. Let those who are perfect stay away if they like. The pastor will preach also at 8:15 p. m.

Both leagues will elect officers Sunday evening at the meeting at 7:15. Let all members be present, and let us have a number of new members.

The meeting of the Wesley Brotherhood was postponed from last Sunday afternoon until next Sunday at 3:30 p. m. All the men are urged to attend this meeting. There will be a good program.

The Sunday school needs you, and certainly you need the Sunday school.

Last Sunday some attention was given in the morning service to teacher training. Recently a class was taught by the pastor on a book entitled, "The Pupil," the examination papers were sent to the General Sunday school board at Nashville to be graded. The work was pronounced very satisfactory, and standard credits of one unit each were awarded last Sunday to the following: Mrs. John N. Jacobsen, Mrs. E. W. Harrison, Miss Helen Ewing, Miss Mattie Lou Harrison, Mrs. G. W. Hoard, Mrs. J. W. Houston, Mrs. Nettie Price Slaton, Miss Benlah Williams, Mrs. C. C. Bowman, and Miss Frances Fullingim. We hope to conduct another class in the near future.

First Christian Church

T. Morgan, Pastor

When you are absent from the public school you have to bring in a written excuse. But remember when you are absent from Sunday school you have to do more than give an acceptable excuse to your Sunday school superintendent. Just ask yourself this question: Is it all right with God?

The 13th of June we begin our revival. Rev. Leslie Finnell of Paris, one of the best preachers in Texas, will do the preaching. There is much to be done in preparing our own hearts and lives for this evangelistic campaign. Bro. Enoch Trollinger, of Wagoner, Oklahoma, a national singer, will lead the singing. But these two fine leaders cannot have a revival without us. Now is the time for the preparation.

Remember that all services start on time and quit on time. Being late is a bad habit. It is just as easy to be on time.

9:45 a. m. church-school Come a few minutes early and see what a smile it will put on the face of our superintendent, Bro. J. C. Ricketts.

11 a. m. communion and preaching services. The subject will be, "Steadfastly in Prayer."

7:15 p. m. The three C. E. societies. 8:15 p. m. Regular evening services. The subject for this service is, "Hidden Sin."

The Sunday School Lesson

(By Joseph O. Haymes)

Methodist Pastor

Subject: Jacob at Bethel

Lesson Text: Genesis 28:10-22.

Golden Text: Genesis 28:15, "I am with thee, and will keep thee in all places whither thou goest."

Jacob and Esau

Read all of chapters 27 and 28. Jacob and Esau were the twin sons of Isaac and Rebekah. Esau was short-sighted and sensual, living only for the present. Jacob was aggressive, far-sighted and scheming, but with a far better man than Esau. It is very difficult for God to use a man who lives on the level of the animal. But a man of Jacob's type may be transformed in his motives and made a power for good. Esau, true to his nature, sold his

birthright for something to eat. Some time later, Jacob, true to his nature, and assisted by his mother, defrauded his brother out of his father's blessing. This blessing, ordinarily given by the Oriental father to his eldest son, carried with it special consideration in family traditions and authority, and also a double portion of the property inheritance.

When Esau found that he had been duped, he became very angry and threatened the life of his brother Jacob, on the advice of his mother fled from Beersheba to Haran, where his uncle, Laban lived.

Bethel

The first night out, or probably the second, Jacob slept by the roadside. He used a stone for a pillow. He was no doubt tired and lonely. It was probably his first journey of any distance away from his mother—and he was mother's pet. As he lay there looking at the stars, deep and serious thoughts doubtless occupied his mind. He would naturally think of the future and wonder what it held in store for him. He would be anxious about the possibility of his ever returning to his native land and receiving the promise that God had made to his grandfather Abraham and his father, Isaac.

When he fell asleep he had a glorious vision. He saw a ladder or stairway, which rested on the earth and reached into heaven, on which stood Jehovah Himself, and there he renewed to Jacob the promise that he had made to Abraham and Isaac. Jacob was not a perfect man, far from it—but he was the best material God had for his purposes. If God had always waited for perfect men through which to accomplish His work, very little would have been done up to date.

Jacob was astonished at the vision. Especially was he surprised to find that God was in that far off place, forty or fifty miles from home. He had thought God could be found only in Southern Palestine where his father and grandfather had lived, and that when he left that place, he was leaving God behind. Now he awoke and exclaimed, "Surely the Lord is in this place, and I knew it not." There he set up an altar and worshipped God, called the name of that place Bethel, for he said, "This is none other than the house of God, and this is the gate of heaven." Bethel means "the house of God." It is true in a very real sense that the place where any soul meets God is that soul's Bethel—it is to that soul the house of God.

Visions

This incident was not only an outstanding event, a high point, in the life of Jacob, but it has been a great inspiration to millions of young and old during these four thousand years since Jacob lived.

The so-called visionary person may be an impractical dreamer, as the world regard him, yet the fact still remains that the progress of the world has always waited upon the

dreamer. Those who have had visions and the determination to make their dreams come true, have ever been in the vanguard of progress. God said, "Where there is no vision the people perish." And they perish from sheer stagnation.

Jacob had to wait twenty years for this vision and God's promise to be realized, and they were twenty years of labor and many disappointments. But the fulfillment was so glorious that it was well worth waiting for.

A God Bargain

True to his Jewish nature, Jacob made a bargain with the Lord. He agreed that if God would give him the necessities of life and allow him to return in peace to his father's house, that he would honor God, would establish Bethel as a place of worship, and would give back to God the tenth of his increase. A very good trade, you say. Yes, indeed. We do not know how much selfishness there was in Jacob's motives on this occasion, but we do know that God honored his vow and blessed him abundantly. Every man who tithes will not become as wealthy as was Jacob, but every one who does so conscientiously and religiously may claim God's promise, "I am with thee, and will keep thee in all places whither thou goest."

Wyche

Mrs. Hough and daughters, Mary and Mildred, and Mrs. Cox, visited in the C. C. Cook home Tuesday.

Sunday school—Sunday morning at 10 o'clock.

Singing Sunday night was very well attended. After singing, they shivered Nolla Elliston and wife.

The little showers are bringing both weeds and feed. It is keeping the farmers busy in their fields.

The Wyche P. C. P. club met at Mrs. Raleigh Hough's Friday afternoon. There were quite a few present. We had some very good reports from the club members after which Mrs. John Slaton gave a talk on community health. After the meeting lemonade and cake was served. Every one enjoyed themselves. The next meeting will be at Mrs. Kuper, May 18. We hope to have a large attendance.

Mrs. H. D. Blythe and small children, visited Mr. Clayton and family Thursday afternoon.

Ira Junior Woolery, visited H. D. Blythe Saturday.

Brother Hill and small son, Joe, called on Mr. and Mrs. H. D. Blythe and family Sunday afternoon.

Mrs. J. E. Woolery spent a few days with her daughter-in-law, Mrs. Clayton Woolery, who was operated on a few weeks ago. Mrs. Clayton Woolery is improving nicely.

H. D. Blythe spent Friday night with Ira Junior Woolery.

Mrs. Arnold and daughter, Alddeen, visited Mrs. H. D. Blythe Sunday. Mrs. W. M. Johnson and children,

Nellie, Rosie Lee and Robert, visited Mr. and Mrs. J. J. Clayton and family, Sunday.

Mallie Clayton spent a few days with Margaret Goodwin last week. Mr. and Mrs. Fred Curtis and family, visited Mr. and Mrs. J. A. Wear Sunday afternoon.

H. Y. Schuette visited his daughter, Mrs. Lee Att. Sunday.

J. A. Goodwin and J. J. Clayton, called on Mr. Aikman Sunday afternoon. We are very sorry to say Mr. Aikman is on the sick list this week.

Mr. and Mrs. Leroy Satterwhite and family, spent most of last week with Mr. Satterwhite's sister, Mrs. Jim Sanders.

Nellie Elliston and Miss Lorie Hughes were married at Dexter, New Mexico, Sunday morning. They returned to Wyche Sunday afternoon where they will make their home. We are very glad to welcome the young couple in our community.

Mrs. F. E. Bowe visited Mrs. C. J. Paddock Tuesday.

Mr. and Mrs. Paddock and son, Faye, took dinner with Mr. and Mrs. C. E. Gattlin and son, Sunday.

Joel

Friday Mr. and Mrs. J. L. Anderson of Follet came to visit in the Guy Smith home a few days. Mrs. Anderson is a sister of Mrs. Smith. E. Dora Smith is spending the week in town taking examination.

George Robertson is irrigating for Mr. Chamness.

Mr. and Mrs. Lester Galley attended singing at Progressive Sunday night.

W. T. Smith and family, as well as Mr. and Mrs. Walter London, attended Sunday school at Dawn Sunday morning.

Mr. and Mrs. John Renfro were at W. T. Smith's Sunday.

Miss Vera Vaughn of Chicago, came Monday morning to visit her sister, Mrs. W. G. Single.

The Byron McCord family and Wes Bradley and family, spent Sunday at the Mingie Walker home.

Most every one in the neighborhood enjoyed the fine school program Thursday night as well as some visitors from Progressive and Dawn. It showed the splendid work the teachers

After a Fire—What?

If you knew your building would burn next week, you would probably give your insurance some close investigation RIGHT NOW, wouldn't you?

You would make sure that it was placed with a good company—and you would make sure that you were fully covered. It would be the natural thing to do in a case like that.

Of course, you are thinking, "My building won't burn," and you are probably right. But somewhere there's a fire every hour of the day and night—and you never can tell who is next.

We would like to talk with you about your insurance. Not to condemn what you have—not to tell you that you are "all wrong"—but just to make sure that your property is covered as it should be. Then, if it is not, we would like to show you what we have to offer.

Any time at your convenience will suit us, but make it soon. Call at our office (or telephone 273 or 359 and ask for Mr. Ralph Barnett and we will call on you), and let us talk this over.

(c) That the portion of the said cost to be paid by the City of Hereford during the construction of said work by the City Engineers after the beginning thereof, ten per cent (10%) of said estimate being held back and reserved and payable to the contractor upon the completion of same and acceptance by the City.

The manner of the payment of the cost of the improvement payable by the owners of the abutting property shall be payable in ten equal installments, one payable within thirty (30) days after the completion of the work in each District, and its acceptance by the City, one payable within one year, one payable in two years, one payable in three years, one payable in four years, one payable in five years, one payable in six years, one payable in seven years, one payable in eight years, and one payable in nine years after said date of completion and acceptance by said City of said improvements, and to bear interest from the date of acceptance at the rate of seven (7) per cent per annum, payable annually, provided, that said owners shall have the option to discharge any installment before the maturity thereof by paying same with accrued interest.

The portion of said cost to be paid by the owners of property shall be assessed against them and their property in accordance with the provisions of Chapter 11, Title 22, of the Revised Statutes of Texas of 1911, and constitute a personal liability of such property owners and a lien against their respective property, and shall be assessed in accordance with the "Front Foot Plan or Rule," in proportion to the frontage of each owner on each particular street is to the whole number of front feet of abutting property to be improved on that particular street; provided, that if, in the opinion of the City Commission, the application of shall adopt such rule of apportionment as shall be just and equitable and effect equality, between said owners, having in view the equities of each owner, the benefit to each and the burden imposed upon each by means of such improvements; and in no event shall any assessment be made against any owner or his property in excess of the actual benefit to such owner in provided that no such assessment shall be made until after the notice Chapter 11, Title 22 of the Revised Statutes of the State of Texas of 1911, heretofore legally adopted by said City.

The assessment shall constitute a personal liability against the owners of property and the lien upon their property as fixed by said assessment shall be enforced as is provided by Chapter 11, Title 22, of the Revised Statutes of Texas of 1911, by the sale of said property as for ad valorem taxes of the City, or by suit in any Court having jurisdiction, together with all costs and reasonable Attorney's fees, if incurred, and after such assessment the City Commission shall cause to be issued, and after such doing the work assignable certificates in accordance with said Chapter 11, Title 22, of the Revised Statutes of Texas of 1911, setting forth the amount assessed against each owner and his property, and the terms and time of payment thereof.

BE IT FURTHER ORDAINED BY THE CITY COMMISSION OF THE CITY OF HEREFORD, TEXAS, That a hearing shall be given to said owners, or their agents and attorneys, and all persons interested in the said matter as to said assessments and as to the amounts to be assessed against each owner and their property by reason of such improvements, and that they shall be given a right to contest the regularity of the proceedings with reference to the improvement and the benefits of said improvements to their property, and any other matter with reference thereto, which hearing shall be held at the City Hall in the City of Hereford, Texas, on the 7th day of June, 1926, at 2:00 o'clock p. m., at which time all of said owners, their agents or attorneys, or persons interested in said property are notified to appear and be heard; at said hearing said owners or other persons may appear by counsel or in person and may offer evidence and said hearing shall be adjourned from day to day until fully accomplished.

The City Secretary is hereby directed to give notice of said hearing by inserting a copy of this ordinance at least three times in some newspaper published in the aforesaid City, the first publication to be made at least fifteen days before the date of the hearing. The City Secretary is also directed to give further notice of said hearing by mailing to said owners, their agents or attorneys, a copy hereof, whenever the address of said owner, agent or attorney is available on the tax records of said City.

The fact that aforesaid work has progressed to such an extent that it is now advisable to make immediate arrangements for the hearing required by law creates an emergency and imperative public necessity that the rule requiring ordinances to be read at three several meetings be suspended, and that this ordinance take effect from and after its passage, and it is so ordained.

All ordinances or resolutions, or parts of ordinances or resolutions, in conflict herewith are hereby expressly repealed in so far as they are in conflict herewith.

Passed this 18th day of May, 1926.
Approved this 18th day of May, 1926.

Fine Steel Explains The Car's Long Life

This fact should be read and remembered by everyone who ever expects to buy a motor car.

In the percentage of costly Chrome Vanadium steel used, Dodge Brothers Motor Car outranks every other car in the world, regardless of price.

Chrome Vanadium is the ideal motor car steel. Its remarkable toughness and strength account for the fact that more than 90% of all the motor cars Dodge Brothers have built are still in service.

Mrs. W. G. Slagle Dies Following an Operation

Friends and acquaintances of Mrs. W. G. Slagle were saddened Wednesday morning when news of her death, which occurred about 2 a. m., was given out. She had been ill about a month and Tuesday morning underwent a serious operation, from which she did not rally.

The remains were shipped to Dakota, Illinois, Wednesday afternoon, accompanied by Mr. Slagle and a sister of the deceased, Miss Vera Vaughn of Chicago, a trained nurse and veteran of the late war. Mrs. Slagle had also been a nurse before her marriage.

Mrs. Slagle was forty-one years of age. She resided here with her husband on his poultry farm just east of town. They came here shortly after their marriage, about eight years ago.

She is survived by her husband, four sisters and two brothers. She was a member of the Christian church. Funeral services were held from the Black Undertaking Parlors Wednesday at 1 o'clock, conducted by the Rev. T. Morgan.

A new womanhood is coming to the southern republics. It is coming because the spirit of the man who was the Son of God is finding representatives among courageous men and women, who are giving of themselves in order that darkened streets may be made light; filthy homes made pure; selfish and people of wealth and power brought to know the obligation and the joy of Christian service.

NOTICE TO PAINTERS

Bids for painting two rooms at County Agricultural Building will be received by the Commissioners' Court Saturday, May 29th, 4 p. m. See County Judge. 19-1t.

The Progressive Canning Club met this month and elected the officers for the coming year. Mrs. J. L. Park was elected president, Mrs. L. F. Boyd, vice-president, and Mrs. Ray Hershey, secretary.

In planning the work for the coming season it was decided to divide the members into two groups. Mrs. J. E. Cokrell was chosen as leader of group one, and Mrs. Ira Ricketts leader of group two. The groups are to meet on different days, the number of meetings is to be determined by the products on hand to be canned. By working in two groups they expect to handle the work much more efficiently than they did the past season. This club canned over six thousand quarts of food last year and after last year's experience the members expect to do even better this coming year.

HOSPITAL NEWS

Mrs. D. H. Allman, who was operated upon last week is reported to be doing nicely.

Mrs. J. E. Starnes is convalescing after an operation.

A loss was sustained in the death of Mrs. W. G. Slagle, which occurred early Wednesday morning, following a very serious operation.

Carlos Vaughn went home last Saturday, much improved.

County Commissioner C. J. Paddock had a small tumor removed from his neck last Thursday, Dr. Gist of Amarillo, performing the work. He is up and around and feeling fine, he says. The hospital was visited last week end by Miss Louise Walton, Amarillo nurse.

NOTICE! Would like to buy a few Jersey heifer calves. L. W. CARLYLE. 19-2t.

The rabbit poisoning campaign which was started in Deaf Smith county a few weeks ago is growing in interest and many farmers were reporting exceptional success. One man in the Summerfield community killed seventy-six rabbits with twenty-five cents worth of poison. If every farmer all over the county would secure a few pounds of poison it would eliminate the crop damage that has been experienced by jack rabbits during the past year and would show the proper spirit of cooperation.

This poison may be secured from the county agent.

An invitation has been extended to the West Texas State Teachers College at Canyon to give a band concert on one day of the Deaf Smith County Fair which will be held in Hereford, September 16, 17 and 18. An invitation was mailed to President J. A. Hill recently.

Last year the college had an attractive booth at the local fair, and the students' work that was displayed created no little comment.
