County Maize Crop Nears Harvest; Need Boll Pullers

Maize growers in Deaf Smith County this week were gazing at their nearly-ripe crops silhouetted against clear skies as they hoped for continued cloudless days to begin harvesting within the next 10 days to two weeks.

On the other side of the fence, wheat growers were hoping for a few rainy days to supply moisture for 165,000 acres of county land for the 1960 crop.

Harvest of half the estimated 3,500 acres of carrots should be completed sometime next week.

Kids Day Show Set Saturday

Seventh annual Kids Day, sponsored by the Hereford Kiwanis Club, has been set for Saturday, Sept. 26.

Services For Pioneer Monday

Funeral services for Mrs. W. D. Hawkins, 83, were held Monday at 2 p. m. in the First Methodist Church with the Rev. Marvin Boyd officiating.

State employment representative Pat Patterson said there is a slight lack of pullers at the present time, but that he expected a sufficient supply by Oct. 1, when harvest should get into full gear.

Suspect Arrested In Theft Series

Hereford police believed that a recent series of burglaries and theft of articles from an automobile were cleared up Tuesday morning when a 15-year-old Latin-American boy was arrested here.

Dowell Nabs Top In Grid Contest

Bartley Dowell won the first week of the Hereford Brand football contest by a narrow margin.

Around Town

It may come as small consolation to the wives whose husbands call at the last minute that they have a meeting, or spend many nights working for the community, but we have had three different persons, from as many towns, tell us this week, "You people in Hereford really do get things done. It's really an enthusiastic town. It makes us proud to live here, in a town that is recognized for its spirit and ambition."

For hard-luck boy of the year, we'd like to nominate Eugene Baldwin for the dubious honor. A junior in Hereford High School, he broke his leg this summer and was late getting out for football practice sessions.

Trucker Pleads Guilty Of DWI

Olen Langford, 46, a truck driver from Springfield, Mo., Tuesday morning pleaded guilty to charge of driving while intoxicated, first offense, in County Court and was sentenced to three days in Deaf Smith County Jail and assessed \$100 and court costs.

DONATING TO THE COMMUNITY CENTER, Miss Louise Brittain signs a small tile at Hereford High School Wednesday morning.

HIGHWAY 60 WIDENING within the city limits was considered by City Commissioners Monday evening during a meeting with Texas Highway Department engineers.

At least temporarily, Hereford City Commissioners decided in regular meeting Monday evening. The reason — lack of \$40,000 and wheat harvest.

Burglary Hits Post Office At Dawn Tuesday

The Deaf Smith County Sheriff's Department Wednesday morning investigated a burglary of Dawn Post Office, which occurred sometime Tuesday night or early Wednesday.

Commissioners were slightly bewildered when Charles "Chili" Smith, district engineer from Amarillo, announced that the city's half of paying cost would run approximately \$108,527 for rebuilding Highway 60 from the highway's intersection with U. S. 385 to the east city limits (Benefield's corner).

Community Center Auction Set Oct. 17, Groups Named

Hereford's Intra-Service Club Council named committees, chairman and made plans for a huge public auction to aid the Community Center. The special meeting Wednesday was attended by 14 persons.

County Exhibits Win During Fair

The auction is being organized to help raise public funds to pay for the Hereford Community Center, which is to be completed about Dec. 1. The building was started after the Jim Hill Estate volunteered to give \$60,000 if the public would raise the rest of the funds.

Funeral Rites Held For Infant

Funeral services for Sylvia Aranda, infant daughter of Mr. and Mrs. Teadula Aranda of the Hereford Labor Camp, were held Tuesday at 4 p. m. in St. Anthony's Catholic Church.

Mrs. Galley, 94, Buried Tuesday

Funeral services for Mrs. Fleda Galley, 94, 317 Ave. J, were held Tuesday in the Assembly of God Church at 2 p. m., with the Rev. Marcell and S. C. Eldridge officiating.

Therefore, the city needs to procure a little more than \$40,000 before the first chunk of concrete can be uprooted from the present highway.

City Manager Dudley Bayne pointed out that the closing of the highway would hinder the movement of grain to elevators when harvest of 1960 wheat crop is started.

Losers Collide

Two football teams thirsting for a victory will be battling Friday night when the Plainview Bulldogs host the Hereford Whitefaces.

Bulldogs Host Whitefaces

Operating in the line will be Gary Thurmon, center, junior, 165; Austin Winter, right guard, junior, 165; Elliott Hollingsworth, left guard, junior, 165; Don Coleman, left tackle, senior, 180; Joe Ferguson, right tackle, junior, 255; Leslie Reeves, left end, junior, 150; and Robert Marshall, right end, junior, 185.

Russell Phillips Rites Wednesday

Graveside services for Russell Stewart Phillips, 48, who died in Hereford Sept. 13, were held Wednesday at 3 p. m. in Restlawn Memorial Park in Hereford. The Rev. Eugene Naugle, pastor of Westway Baptist Community Church, officiated.

Proposed plans are to widen the highway from U. S. 385 to Lawton St. to 62 feet in width, and from Lawton to the east city limits to 84 feet. All would be divided four-lane highway.

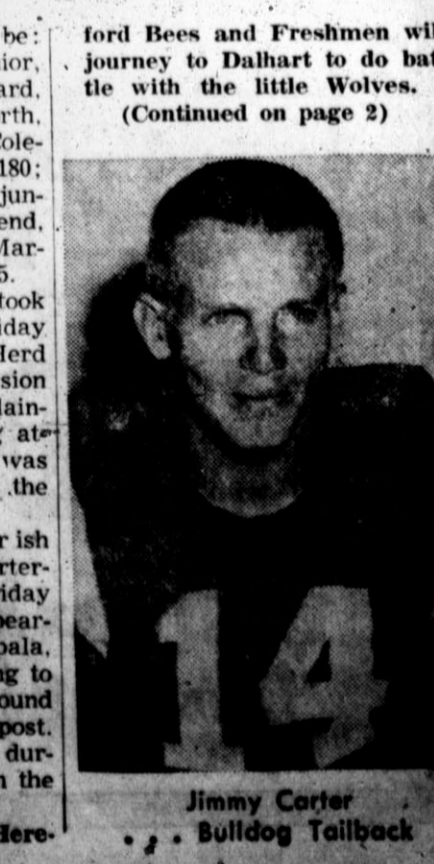

Larry Summers of Hereford, who owns property in Zone B, attended the meeting to state his situation in reference to a recent warning issued by Commissioners that a trailer house may not be located on the same lot where a dwelling (Continued on page 2)

Bulldogs Host Whitefaces

Two football teams thirsting for a victory will be battling Friday night when the Plainview Bulldogs host the Hereford Whitefaces. Both teams have lost two games so far this season and are eager to get a scalp on their belt. In fact, Plainview mentor Buzz Warren probably is getting tired of I-AAA teams this year.

Operating in the line will be Gary Thurmon, center, junior, 165; Austin Winter, right guard, junior, 165; Elliott Hollingsworth, left guard, junior, 165; Don Coleman, left tackle, senior, 180; Joe Ferguson, right tackle, junior, 255; Leslie Reeves, left end, junior, 150; and Robert Marshall, right end, junior, 185.

On Thursday night, the Hereford Bees and Freshmen will journey to Dalhart to do battle with the little Wolves. (Continued on page 2)

Reported missing in the first burglary of Baker Potato Shed was a briefcase and documents. Reported missing at the cafeteria Tuesday morning were a gallon of prunes, a half gallon of milk, a gallon of apples and a loaf of bread.
Entry to the cafeteria was gained through a pried-open door, investigating officers said. The potato shed was entered both times through a torn-out section of chicken wire fencing over a loading dock door.
During the second break-in at the potato shed, magazines and newspapers were scattered

over the floor of the office. No vandalism was reported in the other burglary incidents.
At Hereford Grain Co., a storage house was entered through a broken window on the second story of the building. During investigation, police said the burglar climbed an elevator lift support pole to a small roof leading to the window.
Entry to the concession stand at Hereford Riders Inc. Rodeo Arena and Hereford Shippers and Growers was gained through pried-open doors.

Hereford Optimist Club will sponsor a two-day appearance of a life-sized sculptured replica of Leonardo Da Vinci's famous painting, "The Lord's Last Supper." The exhibit is to be here Monday and Tuesday, Oct. 12 and 13.
Kiwanis Club's annual free Kid Day show will be Saturday, Sept. 26, at the Star Theatre. Shows will begin at 9 and 10:30 a.m.
We've been reading, and enjoying, the new book about Cal Farley and Boys Ranch, "A Shirt-tail to Hang to." We particularly got a chuckle out of a description of a newly-arrived city lad trying to guide a pair of miles plowing up the garden patch. In disgust, he finally shouted, "Go any place you please. It's all got to be plowed anyway!"
Junior Class of Hereford High School will sponsor a smorgasbord at Shirley School Cafeteria on Saturday, Sept. 26, starting at 6:30 p.m. Purpose is to support Annual Queen candidate.

Elect Officers At HD Club Meet

The H. D. Choral Club met Monday afternoon in the basement of the First Methodist Church. Officers for the coming year were elected.
New officers are Mrs. Horace Hershey, president; Mrs. Joe Landers, vice-president; Mrs. Carlos Vaughn, secretary and reporter; Mrs. Roy Manning, librarian.
Mrs. J. B. Caraway directed the chorus in the absence of Mrs. R. T. Stewart.
Those present were Mesdames Horace Hershey, R. L. Wilson, Joe Landers, Taft McGee, C. V. Burgess, Tom Draper, J. B. Caraway, Carlos Vaughn and Miss Loreta Fowler.

Eight Attend VFW Convention In Tulia

Eight members of the Auxiliary to the Veterans of Foreign Wars attended the District 13 convention held Saturday and Sunday in Tulia. Auxiliaries in Tulia, Plainview, Canyon and Hereford were represented.
The Hereford group won the loving cup as the quota award, and the attendance plaque.
One of the key speakers of the convention was Jack Armstrong, department adjutant, who spoke on the Christmas Card program for the coming season, the membership campaign and life memberships.
Women attending were Mesdames Bill Craig, Auxiliary president, Dick Oakes, L. H. Look-Perry, Mc-Minn, Jerome Erdman, Arnold Wall, Edith Briscoe.

already exists in Zones A and B.
Summers owns a corner lot on which a permanent home and a trailer house exists. The lot is not used for rental purposes, he said, and he has already submitted a rezoning request to the Hereford Zoning Commission.
It was suggested that Summers might convey a lot to the trailer owner if the lot in question was large enough for minimum requirements of two separate lots.
The lot is located at 601 Blewins. Summers' request for rezoning is pending with the Zoning Commission, which will meet early in November.
Bayne told the commissioners that suits will be temporarily postponed on all property and trailer owners who have filed for rezoning.
During the last meeting of the Commission, the commissioners said that beginning Sept. 15, warrants would be filed against property and trailer home owners who ignored the city ordinance which specifies that a trailer house may not be located on the same lot where a dwelling already exists in Zones A and B.
Bayne said that it has not been necessary to file suits against trailer and property owners at the present time.
Violation of the ordinance carries maximum fines of \$200 per day after complaint is filed. That penalty may be levied against both the trailer and lot owners.
In other business, the commissioners passed an ordinance to clear abandoned vehicles from city streets.
The ordinance points out that inoperative vehicles left in a street for more than 72 hours may be towed away. Bayne said abandoned vehicles have become a hazard to traffic and interfere with street cleaning machines.
The commissioners also approved the purchase of a new pump to be put into operation at the city's sewer plant south-east of Hereford.
The pump will cost about \$947, and is capable of pumping 900 gallons per minute. It will serve as the main pump at the plant, and will be supplemented by two pumps now in operation. The pump should be delivered here in about three weeks, Bayne said.
A taxi service permit to J. D. Murrell, a former resident here, was approved by the commissioners.
Bayne said Murrell has met all the requirements for obtaining the permit. Two 1958 model automobiles will operate from the former service station at the corner of Schley and E. Third.

DAWN NEWS

'Get Acquainted' Supper Is Held By P-TA Group

By MRS. CARL WIMBERLEY
The Dawn Parent-Teacher Association sponsored a "Get Acquainted" covered dish supper Friday evening at the Dawn School.

A short business session was held with Mrs. Orval Galey, president, presiding. Committee reports were given by Mrs. H. S. Fuller, Mrs. R. T. Stewart and Mrs. Muri Little.

Those present were Mr. and Mrs. J. N. Killingsworth of Canyon, Mr. and Mrs. H. D. Fowler, Mr. and Mrs. R. T. Stewart, Mr. and Mrs. Ted Richardson, Mr. and Mrs. Melvin May, Mr. and Mrs. Milton Newman, Mr. and Mrs. H. E. Miller Jr., Mr. and Mrs. Muri Little, Mr. and Mrs. H. S. Fuller, Mr. and Mrs. Ray Polan, and their families, Mrs. Galley and son Robert.

Local college students began the year's work the past week. A number enrolled at West Texas State College in Canyon. Betty Hagar, who graduated from Hereford High School last spring, was one of these. She plans to major in education.

Phyllis Wimberley, who attended Texas Woman's University at Denton last year, is attending WT this year.

Mr. and Mrs. Bruce Wimberley are juniors at WT this fall. Billy Wimberley is beginning his second year's work there. Betty Hagar, Mr. and Mrs. Bruce Wimberley and Billy Wimberley are commuting. Phyllis is staying at Cousin's Hall. Her roommate is Polly Cornett of Wildorado.

Bill Carmichael left two weeks ago for Houston, where he will enter his second year in Dental School.

Bobby Miller, who attended East Texas Baptist last year, Bobby Burrus and Richard Hagar, who attended West Texas State, are going to work during this semester.

Lucy Beth Miller left the last of August for Abilene to enter nurses training.

Mrs. Charles Davenport visited Mrs. L. M. Harris at her home in Amarillo Tuesday.

Mr. and Mrs. Herman Rowe of Hereford visited Friday evening in the home of her sister, Mr. and Mrs. Henry Heckman. The Rowes moved over the weekend.

Garden Club Sets Tour Date

October 16 was the date set for the Garden Beautiful Annual Tour of Homes when a meeting of the club was held Friday afternoon in the home of Mrs. Howard Armstrong. Mrs. Jeff Robertson is general chairman with Mrs. Gerald Wilson as chairman of the Flower Show to be held in connection with the tour.

Assistant hostesses for the meeting were Mesdames Charles Hood and Tom Carter.

The program for the afternoon dealt with flower arranging and how to keep cut flowers looking fresh. Mrs. Gerald Wilson presented the program.

During the business session members voted to contribute \$300 to the Community Center fund.

Those attending were Mesdames J. Howard Walker, L. H. Lookingbill Sr. Charlie Noland, Tom Carter, H. V. Hennen, Gerald Wilson, Ray Cowsett, E. W. Harrison, Mary Seigler, E. W. Young, Dick Miller, Ansel McDowell, Chas. Hood, Joel Hodges Lloyd Pool and the hostess.

About 165,000 acres of wheat should be planted by the end of next week. Much of the 1960 crop has already been planted.

Patterson anticipates little shortage of labor this year. After Oct. 1, he predicted, the supply of laborers should meet the demands of farmers.

In anticipation of maize harvest, Patterson said, combine operators are beginning to report in this area.

VISITS FAIR

The We-ton-ah Campfire group went to the fair in Amarillo Monday. Those attending were Vickie Inman, Sylvia Fangman, Nancy Martin, Martha Hudson, Mary Fern Byers, Linda Morris and Virginia Clark. Sponsors of the group were Mrs. Burke Inman, Mrs. Sylvester Fangman and Mrs. John Morris.

No poverty is more pronounced than that of a column writer before a typewriter as he faces a blank sheet of paper.

I guess it happens every week in a lot of places. As many people carefully point out, you can usually recognize it by reading the columns. Meanwhile, the writer has probably already alienated most of his friends — and his family chooses to grab a plate and move to another room under the guise of watching TV. Not long ago, I attended chili supper at Shirley School and sat with some friends. We had a nice time eating and chatting, and things went along fine until I started to leave, whereupon the young daughter of the family blurted out:

"Oh, My Goodness! I wish I hadn't said a word to you. Daddy says you put everything anyone says in your column."

She was such a sweet young lady that I promised not to use her name. However, the thing that made me feel so bad was the fact that she was right. All of the time, I had gathered up material for two or three paragraphs — and figured I had the next day made. The family of a column writer can frequently come up with good material but, as I said, it can cause domestic troubles. However, it accomplishes one good thing: they always read the column with an eagle eye. They are afraid not to.

I always thought that the preacher's kids had a rough time, but I guess all kids run into one thing or another along the way. They can be stubborn, too. Back in the days when boys had to milk a cow or two and bring in the kindling each evening, they all wanted to go out for football. Now, we try to get 'em to play football — and they want to spend all afternoon playing "Covered Wagon".

When the football team fails to win, don't blame the coach. Blame Johnny Sims and the gas company. Johnny must have been one of those kindling fetchers, himself; anyway, he hung up quite a record as a high school football player, and did very well at Texas Tech.

Dr. Howard Scott was complaining the other day about the immense size of the Tri-State Fair grounds.

"I didn't realize how much it had expanded in the past decade," said Dr. Scott. "Ten years ago I could walk all over the place and not feel fit. This week, I was up there, walked around 30 minutes — and got really tuckered out."

The telephone company is having troubles these days. They cannot understand why more Hereford people do not use the direct dial system. Dennison is the nearest point to Hereford with this system — and the Dennison folks use direct dialing much more extensively than do the people of Hereford. They have a lot of reasons why we should use it — instead of placing our calls otherwise — but many, many people still call the operator. Fact is, I think we are playing havoc with their charts and forecasts. Sort of snarling up the red tape, you might say.

A couple of years ago, I was in Dallas and placed a call to Rhome, a small town of some 300 population. The Dallas operator, gave the number, and I heard the Rhome operator reply:

"I'll ring it if you want me to, but Mrs. Bobo ain't there. I just saw her going over to Miz Jones' house after a gallon of buttermilk."

The point being that maybe, the telephone company has us spoiled. Machines are wonderful things. Without them we would never get to the moon, but it is hard to fine one that will take the place of an accomodating person.

Joseph Chmelik was here this week looking after his land. He is 88, and flew in from Pennsylvania, where he has been visiting his son. From here, he plans to go fly to New Orleans and then back to Winterhaven, Fla., where he usually spends the winter. Mr. Chmelik figures he might have taken The Brand longer than anybody else. He bought the land here in 1907, and has been a continuous sub-

Legal Notice

THE STATE OF TEXAS TO: Lois Roeder and husband, Levi D. Roeder, and if either of them are deceased to the heirs, the unknown heirs, their heirs and legal representatives, of Lois Roeder and Levi D. Roeder; to J. D. Roeder, a son of the said Lois Roeder and Levi D. Roeder, and to Grace Roeder, wife of J.D. Roeder, and if either of them; the said J. D. Roeder or Grace Roeder, are deceased, to the heirs, the unknown heirs, their heirs and legal representatives, of J. D. Roeder and Grace Roeder, Defendants, Greeting: You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 2nd day of November, 1959, at or before ten o'clock A.M. before the Honorable District Court of Deaf Smith County, Texas, at the Court House of said County in Hereford, Texas.

Said Plaintiff's Petition was filed in said court, on the 4th day of September, A. D. 1959, in this cause, numbered 4286 on the docket of said court, and styled, G. W. EDWARDS, Plaintiff, vs. LOIS ROEDER, et al Defendants.

The names of the parties to the cause are as follows: G. W. EDWARDS is Plaintiff and Lois Roeder and her husband, Levi D. Roeder, and if either of them are deceased, the heirs, the unknown heirs, their heirs and legal representatives of the said Lois Roeder and Levi D. Roeder; and J.D. Roeder, a son of the said Lois Roeder and Levi D. Roeder, and Grace Roeder, wife of J. D. Roeder, and if either the said J. D. Roeder or Grace Roeder are deceased, to the heirs, the unknown heirs, their heirs and legal representatives of J. D. Roeder, et ux, are Defendants.

A brief statement of the nature of this suit is as follows:

house by each teenager, and the project would be over the top. And if they really wanted it and bowed their necks, I'll bet the kids could raise a big portion of the deficit themselves. Instead, many of them haven't yet decided whether they will use it much - even after it is built. Right now, they are missing a real bet in not supporting it 100 per cent.

Thanks to The Streus, young and old, for the beautiful stainless steel curling iron. I can't think of anything I needed more. Now, I need one of those old time kerosene lamps to heat the iron. Meanwhile, our bookkeeper, Altha McIver says if you can remember how these gadgets were heated, you won't have to worry about the draft. Unfortunately, I can remember.

(Continued from page 3) scriber since. A retired Chicago post office employee, he now travels all over the country. "This is a wonderful place," says Mr. Chmelik. "I don't know of any better. I remember when I bought the land from A. H. Ellison back in 1907. I paid \$7 an acre for it, and Mr. Ellison remarked, 'I know it's too much, Joe - but you'll see the day when you are proud of it.' He was right, too, especially since I have had irrigation."

One old Deaf Smith boy, who lives near the line, has a question about the Precinct 4, Castro County election: "If Amarillo can move the

Randall County line back to Canyon, why can't I move the Castro County line over into my place if the strip goes wet?"

I see where another \$20,000 is needed on the community center. By all rules and regulations, this should have been over-subscribed a long time ago. The trouble, in my opinion, is that too many people - especially the youngsters - are lukewarm over the deal. Very few people seem to really be for the project, and you hear all kinds of stories, mostly untrue, about how it will be operated. To me, it has always been a possible answer to the teenage complaint. "There's nothing to do around here."

Work, Lots Of Hard Work, Needed For Football

Cheering crowds, bands and excitement all are part of a football game on Friday night. But there are no cheers, no music, no excitement during the rest of the week. Getting ready for a game is nothing more than hard work.

Coaches Bobby Williams, John Thompson and Buster Hodges spend the weekend looking at films of the past game and of their opponents. They study scouting reports and make up pages of plays and assignments of the next game.

Every practice starts with the coaches huddling to outline the day's work. As the boys come dribbling in, coaches start taping legs, ankles and wrists, examining injuries. Managers scurry around for pads and equipment.

Out on the field, the boys work in three groups: backs, ends and linemen. All groups get work in blocking, tackling and running. Then each group gets specialized work. The ends learn how to gain that precious extra step on the defenders, linemen learn how to open a hole while the backs work on timing in their complicated maneuvers.

Quite often they come together for the scrimmages that put all the components together into a smooth operation.

Four days of grueling drills point to the two hours on Friday night, when the coaches and the players find out whether they have worked hard enough, and on the right tactics.

Texas Democrats Have Their Hands Full Again

By VERN SANFORD
AUSTIN. — In previous presidential nominating years, Texas Democrats have had their hands full with in-the-family fights. Who would control the Texas delegation to the national convention was often a hotter question than how the entire national convention would go.

But this year the focus is wider. Many Texas Democrats hold and believe that Texas Sen. Lyndon Johnson will be not only a front runner but the winner of the party presidential nomination. This makes Texas strength in proportion to other states and the number of states going "with" Texas a matter of great concern.

In this respect, Texas son a sugar-coated defeat at the National Executive Committee meeting. Rules were changed so that Texas now gets 61 delegate votes out of a total of 1,372 instead of 56 out of a total of 1,372 under the old formula.

Five extra votes sounds good, but actual effect is to change Texas' share of the total from approximately 4.3 percent to 4.1 percent.

Texas Republicans, too, are stirring themselves for the election year ahead. Legislative committee of the

GOP aimed a sweeping broadside at the activities of this year's legislature. There are no Republican members in what the GOP called "the worst Legislature in Texas history." It accused the "Democratic monopoly session" of spending \$3,000,000 for its salaries, staffs and expenses and enacting a heavy load of so-called "painless" taxes. It also made some uncomplimentary remarks about action or inaction in regard to water law, election law, criminal law, lobby law, etc.

Texas Republicans will probably hear more calls to battle when GOP National Chairman Thurston B. Morton makes a seven-city swing through Texas in November. His theme is to be "Recruit for '60."

Texas' highway building program can keep moving ahead, said State Highway Engineer DeWitt Greer, since federal enactment of a one-cent hike in the gasoline tax promises more funds.

Greer said the expected funds would enable Texas to move at about 75 per cent its present speed. "This will be most helpful," he said, to keep us on an even keel.

Meanwhile, the Highway Department went about its mammoth business. Low bids total-

ing \$18,045,080 were tabulated by the Department on road and bridge building projects put up for bids this month.

Highway Department has seaway as well as roadway problems.

Current difficulty involves the Galveston Island and Bolivar Peninsula. Owners of submerged land crossed by the ferries obtained a court order requiring the ferry operators to have personal liability bonds against possible damage to the property.

Highway Department said that neither the state nor the ferry-men were able to pay for the bonds.

It looked as if the ferries, which carry some 95,000 autos a month, would have to shut down. However, the landowners bringing suit agreed to a stay of enforcement on the court order until Sept. 28 to give time for something to be worked out.

Texas Employment Commission paid out a record high \$68,956,333 in unemployment benefits in the fiscal year just ended.

But TEC also reported a record year finding jobs for the unemployed. It found work for 1,035,301 persons. More than 18 per cent of the placements were persons over 45, and 26,437 were handicapped persons.

Texas' job placement total for the handicapped is the second largest figure for any state in the nation, and it has had above average success in placing older workers. Only 16 per cent of the job-seekers were over 45, but 18 per cent of those placed were in this bracket.

Bob Wilcox, a meter reader who suffered a 33,000-volt electric shock and now holds a job with the Community Public Service Co. in Clifton, is "Texas Handicapped Person of the Year."

Wilcox was honored in Austin at the annual meeting of the Texas Governor's Committee on Employment of the Handicapped program.

An Austin district court has upheld the constitutionality of a law which authorizes the

Board of Insurance to decide whether insurance company management is competent, fit and worthy of public trust.

Mr. and Mrs. Carl Jordan of Dallas, formerly associated with the Great United Life Insurance Co., brought the suit to test the 1955 law.

Since constitutionality of a law is involved, the case may be appealed directly to the State Supreme Court.

Another court test is ahead after natural gas pipeline companies make their first payments under the new severance beneficiary tax passed by the Legislature last summer.

Attorneys for gas companies say suits challenging the constitutionality of the act will be filed after the first payments are made in October.

Gas companies won their court gathering tax a few years back requiring the state to refund the taxes paid.

Fifteen Texas hospitals and treatment centers are to receive some \$11,500,000 in federal money for improvements.

State board of Health, which has the responsibility for passing on projects to receive Hill-Burton hospital funds, announced the list. All federal grants must be matched by local funds.

Hospitals to benefit are Bap-

tist Memorial and Methodist Hospital, Cameron; St. Elizabeth's and Methodist Hospital, Houston.

Also Archer County Hospital, Archer City; Corpus Christi Memorial, Corpus Christi; Hillcrest Hospital, Waco; R. E. Thompson General Hospital, El Paso; Angelina County Hospital, Lufkin; Kahn Memorial, Marshall; Vocational and Rehabilitation Center, Dallas; Denton School for the Mentally Retarded, Denton.

Rev. Hugh Gaston Is Guest Speaker

By Christine Fortenberry
The Rev. Hugh Gaston of Hereford was guest speaker at the Bippus Community Church Sunday. He was also dinner guest in the home of J. G. Fortenberry.

Mrs. Lena Gudegg and Bill visited in the J. G. Fortenberry home Wednesday evening. They attended the Church of Christ in Adrian after visiting.

Mr. and Mrs. Jim Perrin were dinner guests of the Elma Halls Sunday. After lunch, they went to Hereford.

Mrs. C. F. Homfeld helped Mrs. Vernon Adrian can peas one day this week.

C. F. Homfeld attended the cattle show in Clovis, N. M. Friday. Although most of the wheat in the community is growing, it needs some moisture because of the hard winds that have blown this week.

A few farmers found frost on their feed Sunday morning.

Mr. and Mrs. Garrison and son visited in the Melvin Henderson home Sunday evening.

Mr. and Mrs. G. V. Hall and sons were dinner guests in the Melvin Henderson home Sunday, also.

Those attending the Amarillo Fair from Walcott and Bippus

Monday were Mr. and Mrs. R. E. Tyler and children; Mr. and Mrs. Jack Weaver and children; Mr. and Mrs. Elmo Hall and children; Mr. and Mrs. Jim Perrin and children; Mr. and Mrs. Jack Fortenberry and Clifford Higgins of Hereford.

Mr. and Mrs. Tyler and Mr. and Mrs. Elmo Hall visited their mother, Mrs. Tom Hall, who was in the hospital recently.

Mr. and Mrs. Jack Fortenberry visited their daughter and husband, Mr. and Mrs. Jim Bradley, while in Amarillo.

Household Scrapbook

Camp Ants

If you'll wrap a narrow strip of flypaper around each leg of your camp cot, you will thwart any ants that might make an effort to crawl up the legs and into your bedclothing. A rubber band around each strip of flypaper will hold it in place.

Costume Jewelry

If your costume jewelry and bracelets are discoloring your skin, you can avoid this annoyance if you will simply coat the surfaces in question with some colorless fingernail polish.

Ice Cube Trays

One easy way to prevent that pet-annoyance of sticking ice-cube trays, is to give the bottoms of your trays a good coating with ordinary floor wax.

Stained Sinks

One way to remove rust stains from porcelain or enameled sinks is to cover the stains with kerosene for about four hours, then wash off with piping hot water and strong soap. Another is to rub the stains with a piece of raw lemon, followed by soap and water.

Substitute Sour Cream

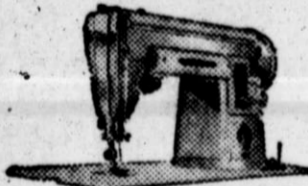

You can improvise some sour cream by beating a tablespoonful of vinegar with a cup of evaporated milk.

Removing Decals

If you want to remove some decalomania transfers from painted surfaces, douse them with hot vinegar, give this a few minutes to soak in, and then the decals can be wiped off with no harm done to the paint.

To make hamburgers uniform in size, use an ice cream scoop to measure them. Then flatten them out with a wide spatula.

WALCOTT NEWS

Walcott Boys 4-H Organizes For Year

By MRS. T. L. COLLINS
Walcott Boys 4-H Club held its first meeting of the year on

Tuesday. County Agent J. W. man Minks; and their teacher, Thomas; their 4-H Club mothers, G. W. Downing, met with them. Mrs. J. V. Perrin and Mrs. Nor-

club record books together. New officers elected by the group for the coming year include: Larry Minks, president; John Perrin, vice president; Damon Davis, secretary; and Keith Henderson, reporter.

New members present included: Ronnie Prescott, Clyde Wylie, Billy Henderson, David Buse, Robert Davis, Charles Bass, Sheldon White, Roger Barnett and Kelly Tyler.

Mrs. Don Kirby had two bones in the back of her hand

broken recently. The accident occurred while she was helping her husband Jack up a shredder. She is recovering nicely and recently spent several days in Plainview with her mother, Mrs. Watkins, canning peas.

Mr. and Mrs. W. L. Collins and Loyd of Perryton came last Monday to visit their son, Mr. and Mrs. T. L. Collins and Bruce. The following day Loyd Collins took his nephew to Fort Collins, Colo., where Bruce enrolled as a sophomore at Colorado State University.

Donna Sue Guseman, daughter of Mr. and Mrs. Don Guseman of Hereford, returned to Boulder, Colo., last week to attend Colorado University.

Bill Johnson, son of Mr. and Mrs. Cliff Johnson, returned to Oklahoma State University at Stillwater last week.

John Gilmore Hill, son of Mr. and Mrs. John Hill, returned to Eastern New Mexico University at Portales last Sunday. John is a senior majoring in geology. He recently received another cash scholarship for maintaining an "A" average.

A 20-inch rattlesnake with five rattles and a button was coiled under a see-saw at the Walcott School Friday at noon. G. W. Downing, the fifth and sixth grade teacher, killed it. Mr. and Mrs. Charles Bass and Charles left Friday afternoon for a weekend trip. They picked up Marsh Pittman in Hereford and went to Texola, Okla. where they spent the night with his parents, Mr. and Mrs. W. J. Bass. On Saturday they drove to Guthrie, Okla., to visit Marsh's grandparents and that night stayed with her grandparents, Mr. and Mrs. J. C. Witherspoon at Sentinel, Okla. They returned home Monday.

Mr. and Mrs. Gerald W. Downing left Friday afternoon to attend the wedding of his sister, Shannon Downing, and Gary Jones in the First Methodist Church of Canyon. He acted as usher for the occasion.

Mr. and Mrs. Jim Adkins took a truck to Amarillo last Sunday. Mrs. Adkins visited with Mrs. Allen Hoover while Allen and Jim went to Pampa for a load of furniture for the Hoover's new home in Amarillo.

Mrs. S. N. Thweatt, Mrs. Ernest Brown and Mrs. Eldred Brown visited school Friday afternoon.

Mr. and Mrs. Travis Alston of Westway brought their grandchildren, Susie and Steve Alston of Hereford, to visit Friday evening with Mr. and Mrs. T. L. Collins and Mr. and Mrs. W. L. Collins.

Ten newly-painted mailboxes were used for the first time last Saturday. They are located just north of the Walcott School driveway. A Peterson is the carrier for the route, which is an extension of Route Four.

Mr. and Mrs. Thomas L. Collins and Mr. and Mrs. W. L. Collins and Loyd drive to Muleshoe Saturday to visit an old friend, Mrs. Audie Black. Then they went to Lovington, N. M., where they visited T. L.'s sister, Mr. and Mrs. Roy Townsend, Kenneth and Darrell. Sunday they returned to Walcott. The W. L. Collins family returned home to Perryton on Monday.

Mr. and Mrs. Phillip Miller had Sunday dinner with Mrs. W. F. Gillis in Hereford. That afternoon they visited with Mrs. O. E. Sherman.

Mr. and Mrs. Jim Adkins made a business trip to Hale Center Wednesday. They visited there with Mr. and Mrs. Ofis Shadden.

Mrs. Cliff Patton, Jay, Mary

Sue and Steve moved Tuesday from the place just north of school to a farm one mile north of Westway. They'll be missed here.

Walcott's first P.T.O. meeting of the school year will be held Friday, Sept. 25, at 8 p.m. New members are urged to be present. There will be "42" and visiting. Everyone is asked to bring a freezer of ice cream or a cake for refreshments. Year books of the coming programs will be distributed during the meeting.

Mr. and Mrs. Cecil Lewis of Pampa came to visit Mr. and Mrs. Jim Adkins Saturday. They had to wait until the Adkins returned from a business trip to Amarillo that night. Mr. and Mrs. Lewis stayed until Sunday afternoon.

Mrs. Buel Monroe drove to Fort Sumner, N. M., Saturday morning. That evening her mother, Mrs. Elsie Howell, accompanied her to Walcott for a week's visit. Kathy and Jimmy Monroe stayed with Mr. and Mrs. Jim Monroe on Saturday.

The Bertram Jack family had as supper guests Saturday night Mr. and Mrs. Elton Wylie and Mr. and Mrs. Elam Harben and family of Lubbock. On Sunday these were dinner guests in the Elton Wylie home.

Mr. and Mrs. Claud Beckett of Greensburg, Kan., arrived Friday afternoon to visit their daughter, Mr. and Mrs. Norman Minks and children.

On Sunday Nancy Minks celebrated her ninth birthday with a small party at her home. Homemade ice cream and cake were served. Those present were her parents, brother and sister; and her grand-parents, Mr. and Mrs. Claud Beckett, Mr. and Mrs. Waldron Melton, Adair and Denise.

Several Walcott families took advantage of the holiday Monday given Hereford High School students and went to the Tri-State Fair in Amarillo. There was a noticeable drop in attendance at Walcott School that day.

Beauty At Home

Q. What treatment is good for clear, shining, and rested-looking eyes?

A. The occasional use of an eyewash. You can make your own just by putting a tablespoon of boric acid powder in a quart of boiled water, cooling the mixture, and keeping it in an airtight bottle. Apply, when needed, with an eye-cup or dropper.

When your eyes become tired, try covering them with cotton dipped in eyewash while you lie for 15 minutes with your feet and hips higher than your head.

Q. Would you recommend my using a curling iron on my white hair?

A. Not if you want to avoid any danger of your hair's turning yellow! Much better to use curlers or to buy yourself a nice, soft permanent.

Q. How can I exercise to encourage slimmer and trimmer thighs?

A. Lying flat on back on floor, hold both legs straight out and raise them about eight inches from the floor. Without allowing the legs to touch the floor, lift and lower them alternately, scissors-fashion. Keep them as close together as possible, to get at the inner-thigh flesh. Do this exercise rapidly, counting to twenty.

For smooth mashed potatoes, try adding hot milk with the butter melted right in it.

Beauty At Home

Q. Can I minimize the effect of a large or protruding nose by putting dark foundation on it?

A. Better not, since this might cause the nose to look discolored. Try, instead, using a lighter foundation on the cheeks, which will create an illusion of fullness in the cheeks and cause the nose to appear smaller by contrast.

Q. What is an easy way to soften and whiten the skin on my face and hands and arms?

A. After washing thoroughly with pure white soap and warm water, wash again in warm buttermilk or sour milk. Wipe this off lightly.

Q. How can I make up to camouflage the freckles on my face?

A. A darker shade of powder, blended with the freckles, helps to do this.

Q. Please suggest a good, stimulating, easy-to-prepare facial beauty mask.

A. One of the best stimulating masks is a honey-facial. Just pat a thin film of honey over face and throat, leave on 15 minutes, then remove with a damp cloth.

MERRY MAIDENS 4-H Club members held an Achievement Night recently at the home of Mr. and Mrs. Cecil Hart of Hereford. Shown, left to right, are Cynthia Leasure,

Linda Hart, Sidney Bayne and Mrs. Hart. A tea was held for members, parents and other guests. Dresses and baked goods were shown during the program.

Merry Maidens Hold Achievements Program

The home of Mr. and Mrs. Cecil Hart, 506 Star St., was the setting for the recent Achievement event for the Merry Maidens 4-H Club, with Linda Hart as hostess. Mrs. Taft McGee, club leader, and Cathy Billery, president of the club, planned the Achievement Tea for club members, parents, and other guests.

Those who were on the Achievement program exhibited dresses and bake goods. Those who were on the program were Barbara Clemens, Nancy Parsons, Vinita Pitts, Barbara Goldston, Linda Loerwald, Glenda Fuhrmann. New members that were welcomed were Deborah Pierce and Cindy Loerwald. The Achievement Event is

held each year by the 4-H Club to show progress to interested friends and neighbors. The girls practice equal development of the Head, Heart, Hands, and Health.

Mari Nunisto was introduced to the group as the Exchange Student attending Hereford High School.

Others in attendance were: Mrs. Roy Manning, Mrs. Meddie McElroy, Mrs. Steve Clemens, Sidney Bayne, Mrs. Glyn Billery, Mrs. Joe Pitts, Mrs. H. L. Hershey, Cynthia Leasure, Barbara Langley, Mrs. T. J. Parsons, Mrs.

Local Residents Attend Sagely Family Reunion

By MRS. S. N. THWEATT
A Sagely family reunion was held in Lake Altus, Okla., recently. Those attending the reunion were Mr. and Mrs. N. A. Brown, Mr. and Mrs. Eldred Brown and son, Tommy, Mr. and Mrs. Floyd Brown and sons, Earl and Roger, Mr. and Mrs. Earnest Brown and family, Barbara, David and Dennis.

Mr. and Mrs. Eldred Brown returned home next day, while Mr. and Mrs. Floyd and Mr. and Mrs. Ernest Brown went to Oklahoma City for a few days.

The group returned home by way of White Deer where they spent one night with Mrs. Ernest Brown.

Mrs. J. V. Perrin and son,

Johnnie, made a business trip to Friona Wednesday. On their return trip, they visited with Mrs. S. N. Thweatt. Mrs. Thweatt gave them two baby kittens, which they took home with them.

Mr. and Mrs. N. A. Brown and granddaughter, Barbara, visited in Lovington, N. M. over the weekend. Mrs. Brown has a sister and brother who live there.

Mr. and Mrs. S. N. Thweatt visited in the home of Mr. and Mrs. Bruce Coleman Sunday night where they were entertained with a weiner roast. Mrs. Josie Busby of Friona was also a guest of the Colemans over the weekend.

Mr. and Mrs. Floyd and sons, Earl and Roger, visited Mrs. Brown's sister and family, Mr. and Mrs. Clyde Shadix of Clovis Sunday.

Mr. and Mrs. Ernest King and son Jimmy of Elsinore, Calif., brother of Maxine and Billie Brown, spent two weeks vacationing and visiting relatives and friends in New Mexico and Texas recently.

The Messenger H. D. Club meeting place has been changed temporarily. The Friday, Sept. 25 meeting will be in the home of Mrs. N. A. Brown, instead of Mrs. Jack Buse.

Dale Smith, son of Mr. and Mrs. Lewis Smith, has enrolled in Wayland College at Plainview. Dale finished high school at Friona the past term.

Mrs. Eldred Brown and Mrs. S. N. Thweatt visited Walcott School Friday afternoon. They visited the first through the fourth grades. They also visited with Mrs. Joe Rader.

Mrs. Ruth Coleman is still in Amarillo. She will return home the last part of the week.

Mrs. G. E. Pinkerton and Mrs. Bruce Coleman were shopping

in Hereford Saturday. Jeff Coleman, son of Mr. and Mrs. Bruce Coleman, spent Sunday morning with his aunt, Mrs. Joe Brown of Hereford, while his family attended church. Mrs. Josie Busby of Friona also was a visitor of her daughter, Mrs. Joe Brown.

W. A. Power and son, Johnnie, and an uncle from Dalhart, were visitors of the S. N. Thweatts Friday morning.

Frank Ford attended the fair in Amarillo this week, where he has some show cattle.

LEARNING EARLY, seven-year-old Sabra Traweek helps her mother, Mrs. Curtis Traweek, as they prepare a meal of Mexican food in their home six miles southeast of Hereford. Mrs. Traweek, acting postmaster in Hereford, is considered one of the best cooks of Mexican food in this area. (Staff Photo)

SOUTH-OF-THE-BORDER:

'Listo La Comida!' Means Good Eating

By ARGEN DRAPER
"Listo La Comida!" In Spanish, English or any other language, it means good eating to the Curtis Traweek family who lives six miles southeast of Hereford. Mrs. Traweek is considered one of the best cooks of Mexican foods in this area.

Florence, as almost everyone calls Mrs. Traweek, was reared in Dona Ana County, New Mexico. This is 14 miles from El Paso. Her family had a large cotton farm and used Mexican labor.

Florence, at an early age, became interested in cooking Mexican dishes and she became a good cook when she was just a child. She would visit Mexican families on the farm and learned from these skilled Mexican women the art of preparing and flavoring foods that please the most discriminating tastes. Florence's favorite dish is En-

chiladas, using the basic chili sauce, and her favorite menu is listed below with the recipes. The dessert that the Traweeks prefer is Sopiapiillas with honey inside, but recommends pralines or lime sherbert to be eaten with Mexican food.

The family consists of Curtis, Florence's husband, and Sabra, age seven. They share the enthusiasm about the meals that Florence cooks. Sabra learned to speak Spanish as she learned English.

At present, Mrs. Traweek is acting postmaster at Hereford. She taught nine years in Dona Ana County. She taught pre-first to Spanish-American youngsters to help give them a better start in the first grade.

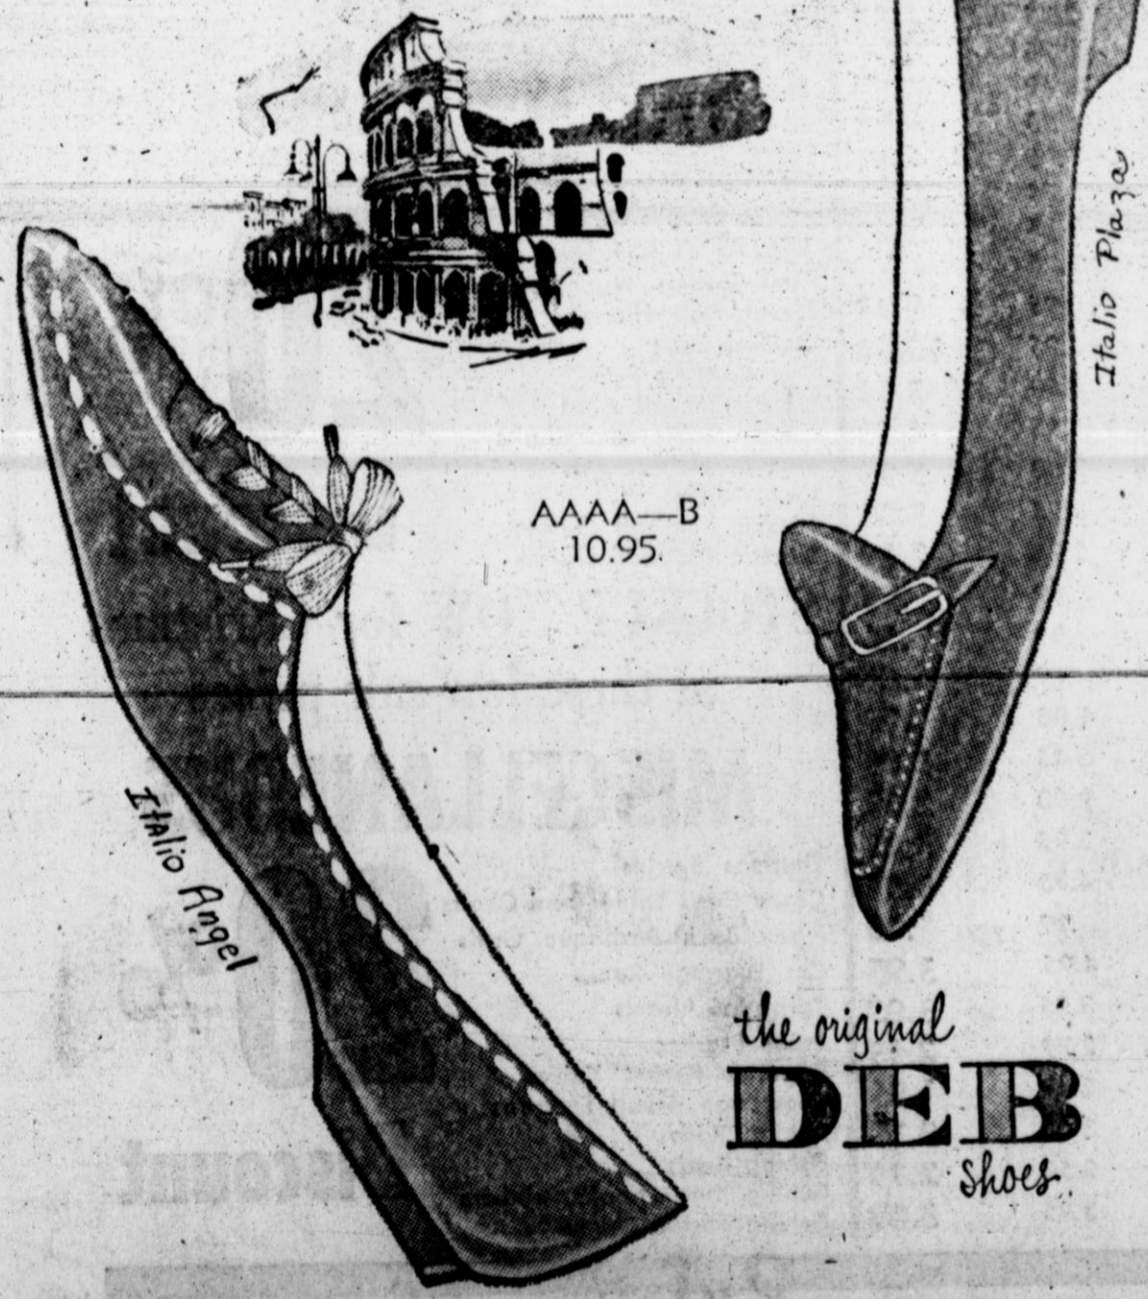

Florence's Favorite Menu:
Sopiapiillas
Frijoles Guacamole
Refritos Salad
ENCHILADAS

Fry tortillas in boiling deep fat (just pass tortillas through hot fat). Dip in chili sauce and thoroughly coat the tortilla. Place on a warmed plate and sprinkle generously with grated cheese. Repeat until three tortillas are stacked on plate. Fry and put an egg on top. Serve hot.

BASIC CHILI SAUCE
Remove stems and seeds from 24 chili pods; place in a pan with 1 quart boiling water. Boil until tender; pass through a sieve, working until the pulp is all removed from the skins. Add water in which pods were cooked. 1 teaspoon salt. 1 chopped clove of garlic after the chili has been heated. Sauce is then ready for tortillas.

FRIJOLETS REFRITOS (FRIED BEANS)
Take 2 cups of beans which have been cooked with salt and 2 buttons of garlic. Fry in 2

DON LITTLE'S B. F. GOODRICH

What Will I Uncork For Your Breakfast, Monsieur?

(EDITOR'S NOTE: George Heard, who had been employed at the Daura Oil Refinery in Baghdad, Iraq, for the past two years left his position in the testing department of the company June 7. He and his family are visiting in other countries before returning to Hereford.)

Dear Folks,

Valencia, Spain
We have had a lot of fun as we have gone through the various places noting that what the people consider typical of their community, that we considered typical, are the things that they name after other countries. In Greece, one establishment advertised that they gave Turkish baths, Swedish massage, Scotch showers and also had the effects of too much time spent in the American Bar.

It had never occurred to us that we Americans had anything unique in a bar, but it seems that most of the people here seem to think so because we have seen the American bar advertised in many countries.

We had also considered beer as particularly German, but we now find that it seems to be as universal as Coca Cola. Pepsi Cola is also very popular in places. I could be proven wrong by statistics, but it actually seemed that the English were using more beer or at least the beer joints seemed thicker. I am aware that the French have a greater capacity and desire for wine than any other nation, but I had always associated wine with them so strongly that I really did not expect to see much beer there. You can imagine our surprise at seeing the French in Paris drinking beer in the morning and even for breakfast. It may not be universal and what we saw might be the exception, but we found a restaurant that specialized in having bacon and eggs for breakfast and each morning we were there, they were doing a good business at 8 a.m. serving beer.

Spain is also one of the heavy wine drinking countries, but it also has beer. I have had considerably more water

and milk to drink than wine and would even claim to be an expert on the quality of both, so I would not express my opinion on wine, but I like the taste of the wine in Spain better than that of the wines I had in other countries.

My preference in taste of beer was that of Munich and Copenhagen, but here again, I am no beer in England, but I am sure they could improve it by cooling. They think in most places that basement temperature is good enough. As one hotel keeper said, "The beer is reasonably cold, I brought it out of the cellar during the past hour." Incidentally, he called that beer "pale ale."

When we were in Baghdad, there was a German engineer who worked with us, who invariably had his brief case with him. I can remember only one time that I saw him without it, and that was at a dance. He could never see any joke in our kidding him about his brief case. Now that we have been through Germany, I can understand him better. It seems that most men carry a brief case to work just as a woman carries a bag. It seems to be convenient for carrying a lunch to work and the newspaper home as well as other handy uses. So far, we have seen no other country where the brief case is so universal.

Valencia is the home of one of the typical dishes which is served in every part of Spain we have visited. It is chiefly rice that is flavored and colored with saffron and then was added to it a various combination of shell fish, shells included shrimp, lobsters or crabs, including the eyes and claws and feet, other miscellaneous fish, beans of various sizes and kinds and possibly pieces of chicken. There may be some vegetables such as pimiento and a few strips or hunks of lemon to squeeze it. My description does not make it sound as good as it really is. Valencia is the natural home for this dish as the rice fields are extensive and it is located on the sea. Some men-

us, for the benefit of the English speaking, call this delicious mess Valencian rice, but the Spanish section of the menu name it Paella or Paella Valenciana.

One of the unusual things we noted in Vienna was the manner in which people use the restaurants. They use the restaurant as though it were a game room, reading room and place for general loafing. The restaurant owners seem to encourage it by supplying newspapers and magazines. A chess game may go for hours and there seems to be no complaint from the owners for taking up space for so long.

While we were by the sea south of here, we met an English bank manager and his

family who remarked to us that after staying and eating in a few English hotels, they wondered what visitors to England thought of them. They assured us that the English housewife prepared much better meals than they had found in the hotels. We did have some good meals in England, but generally, their typical meal seemed to be sanitary but unappetizing.

We marvel at the variety of sleeping arrangements that we have seen. The Germans and Austrians seem to favor sleeping under a cover filled with feathers although it is summer. It is difficult to describe the thing other than a bag filled with feathers. It is similar to, but not as thick as the old fashion-

ed feather bed that I have seen, which, as I remember, was to sleep upon, but not under. It gives one a startled feeling when he first walks into a room and finds this bag of feathers folded at the foot of a bed. It was particularly difficult for me to figure out as all of them that we saw were too short to cover my long frame, there was no other cover room, and only the sheet that covered the mattress.

This sack of feathers is within an envelope or sack made of sheeting material and is sometimes tied at the open end and sometimes there are buttons to close the end. As it was not too cold, I did alright sleeping with my feet sticking out. Luckily, we had a friend in Munich who confirmed our fears that we were supposed to sleep under this feather bag. We checked with another German friend in Hamburg and found that it was the same in North Germany. We were talking with a French man in Madrid who told us that this same feather arrangement is used in parts of France, but we did not find any while there.

It is quite typical of the German homes and inns to see the bedding hanging out the windows each morning for the daily sunning and airing.

I do not like to be drawing general conclusions and deciding what is typical of any place on this hurried trip. If any of you know more about it than we do, pay no attention to our opinions as to what is typical. It is for our own fun that we do

this and since I have been away from home, I now recognize many things about my home town and my country that are peculiar to it and are very good which I thought before was commonplace.

The American bar was mentioned as a name we had seen in almost every country — almost as the name Swiss Hotel to some of you. That bar being of the US may seem repulsive, but there are many other things that are from the US in many countries. In Santander in the summer resort area near the beach, an ice cream joint has a juke box that was used incessantly by teenagers. Almost every record played was from the US — not just the music, but the whole recording with English language works. Every night, a different movie was shown at the same place there, all were Hollywood movies with Spanish dubbed in.

This has been typical of the music and movies, although usually the records are prints of the US recorded under a different brand. If some of you take a dim view of records and movies, then there is the matter of books (possibly translated, but mostly in English). There are probably more paperback versions of US written books than all the other nations' books combined. I am sure that here in Spain, that there is no country that has the news coverage that we have and our news magazines are widely copied in other countries. When it comes to the matter of expensive and technical books, it is really something to see how many of these have been exported. I have visited book stores in Spain, Madrid in particular, which have hundreds of US books that are in the price range from \$10. and up. The US printed technical book is really superior because it is well written, well printed and bound, outstandingly well illustrated and as up to date as a text book can be, which is a year or two ahead of the European version.

During the first part of our trip we had to shoo away the flies so we expected to be free of pests in Northern Europe. We did get rid of the flies, but we were bothered with bees. We

like very much to have picnics at noon because there are so many beautiful places to have them. We had the picnics, but we were visited each time by bees. We hope they are cleaner than flies because we learned to tolerate them and let them share the lunch. Even in the restaurants, the bees were common. The bees were with us all through Europe and England to Southern France, then we took the flies again, but not such friendly flies as the Mid-East.

In Ostende, Belgium, we had a place on the sea which be-

came infested with mosquitoes after sundown. Such big ones, too, but fortunately, we have been relatively free of them. Ostende had a larger number of group travelers than we have seen in Europe, although the groups traveling have attracted our attention often. As the beach there is very fine and extensive, there are many groups of children there. Small boys and girl groups from about six years through teenagers are numerous. There was a group of boys, ages seven through 10 which

Hawaii Doctor Is Medical 'Inventor'

A self-styled medical "inventor", Dr. Ralph B. Cloward of Honolulu, Hawaii, spent two days in Hereford last week, doing several operations.

Dr. Cloward is a neurosurgeon who has devised a new technique in operating "whiplash" injuries to the neck and shoulders.

He performed three such operations at Deaf Smith County Hospital last Thursday and did two operations on lower back injuries Friday. He left Friday night to fly back to Honolulu.

Dr. Cloward deputed by Hereford after delivering a major speech on the new technique to the eminent International College of Surgeons meeting in Chicago. He came here at the request of Dr. L. B. Barnett, who has known Dr. Cloward for a number of years. It was Dr. Cloward's third trip to Hereford.

I decided to go through the front of the neck, where all you have to cut is skin," he explained.

All of the patients operated on Thursday were up and walking around by Friday, he said. His ruddy mustache bobbling, Dr. Cloward told of the growth and activity going on in the 50th state. He is associated with Queen's Hospital in Honolulu.

Will Participate In 'Clear Ridge'

HAWAIIAN ISLAND — Carroll L. Elliott, fireman apprentice, USN, son of Mrs. Henry A. Vurner of Hereford, is scheduled to participate in an amphibious training exercise in the Hawaiian Islands during late September while serving aboard the attack cargo ship USS Skagit.

Know as Operation "Clear Ridge", the exercise is a routine training operation involving Navy and Marine forces, and designed to develop proficiency in planning and conducting an amphibious operation. After a live firing exercise and rehearsal on the island of Kahoolawe, the amphibious troops will storm ashore under simulated battle conditions on the island of Kauai on D-Day. A recreational visit to Pearl Harbor will be made following completion of the exercise.

Attends Credit Union Meeting

Mrs. Dyalitha Benson, Hereford credit union leader, attended the joint board meetings of the Texas Credit Union League and the Members Mutual Insurance Company in Dallas, Sept. 18 and 19.

The board members of the two organizations represent 1,162 Texas credit unions with almost 640,000 members. Representing the 84 credit unions in the Panhandle district, Mrs. Benson is on the board of the Texas Credit Union League. R. C. Morgan of El Paso is president of the Texas Credit Union League, and T. J. Ford of Port Arthur is president of the Members Mutual Insurance Company. Home offices of the two organizations are located at Dallas.

Drager Finishes Non-Com School

Army Specialist Five George A. Drager, 24, son of Mr. and Mrs. Abraham A. Drager of Hereford, recently graduated from the Seventh Army Non-Commissioned Officer Academy in Bad Tolz, Germany. Specialist Drager received four weeks of refresher training in map reading, combat tactics and leadership.

He is regularly assigned as a personnel administrative specialist in Headquarters Detachment of the U. S. Army General Depot in Saumur, France. Drager entered the Army in 1955 and was last stationed at Fort Sill, Okla. He arrived in Europe in Dec. 1958.

Drager is a 1954 graduate of St. Johns Academy High School, Winfield, Kan. His wife, Margaret, is with him in France.

Grudge Match Slated Saturday

Luis Hernandez and Danny Sevich entered the ring at 8:45 at the Bull Barn Saturday night. Danny took the first fall with a half crab submission hold in five minutes.

Ripper Leone and Joe Hamilton paired off at 9:05 p.m. Joe took the fall in 14 minutes when the referee disqualified the Ripper.

Joe Hamilton and Luis Hernandez won the first fall in one minute with a series of drop kicks delivered by Hernandez and a cobra twist applied by Joe Hamilton.

Ripper and Danny won the second fall in 12 minutes with foul tactics.

For the third fall, Hernandez pinned Danny Sevich in 30 seconds with a full crab hold.

Leone worked Hernandez over after he and Joe won the decision. Then a fight followed between all four wrestlers in front of the dressing room. However, no one was satisfied with the results, not even the fans.

For Saturday night, Sept. 26, Luis Hernandez will take Ripper Leone for one of the double main events. This match was agreed to by both wrestlers after a fight and argument in the dressing room.

Bringing up the second main event will be one of the young stars that's very popular wherever he appears, Silent Joe Hamilton. Joe goes against Big Bob Orton.

Joe Hamilton is 22 years old and has been wrestling professionally for four years. Hamilton is a firm believer in staying in top physical condition at all times. He works out continuously and never tires during a match. He is one of the wrestlers that has mastered the famed difficult leg split. Joe is a real idol of the teenage wrestling fans and has many fan clubs all over the United States.

Joe's biggest ambition in life is to wrestle for and win the World's Heavyweight Championship. At the rate the young athlete is going, he may succeed in both goals very early in life.

'Rural Youth Day' At Tri-State Fair Nears

By ARGEN DRAPER

ed about 4:30, just in time to get to the bus station to meet After working on the 4-H Baking Exhibit all day, we finished about 4:30, just in time to get to the bus station to meet the delegates coming from the state meeting.

We never have seen delegates so enthusiastic, and the ones who have been there before say that this is the best meeting ever. With a number attending the State Conference, it will help Home Demonstration work in this County.

Saturday, Sept. 26, is the Rural Youth Day at the Fair. The program will start at 10 a.m. in the William Gould Sales Arena. The District 4-H Council meets at 1:30 in the same building.

Sharon Ezner and Dick Plank are Council members. Council officers for 1960 will be elected and they are selected from the 1959 club members. 4-H's and their families are welcomed at

the Rural Youth Day Program. Presentation of baking and wheat awards will be made.

Congratulations to the Year Book Committee of the Hereford Garden Club. This is quite an attractive Year Book and the programs seem to be most interesting.

Florence Traweek made me a present of "Panhandle Cooking". This recipe book is compiled and published by the St. Thomas Episcopal Auxiliary. Florence knows that collecting recipes is my hobby.

Mrs. Le Roy Williamson made a very good showing at the Tri-State Fair on her baking goods. This is what she won:

Cinnamon Rolls - Blue Ribbon \$50 award.
Oatmeal Cookies-Red Ribbon.
Molasses Cookies - Blue Ribbon.

Peanut Butter Fudge - Blue Ribbon.

The \$50 award was for the best light bread product at the Fair.

THAT MAN'S THERE AGAIN — Yep, it's just about time for towering "Big Tex" to take his customary stand again amidst the crowds at the 1959 State Fair of Texas in Dallas, Oct. 9-25. Size of the big fellow's head is shown dwarfing the man at right. The crane in the background will be used to set the head atop the body. "Big Tex" stands 52 feet tall.

SENATOR LYNDON B. JOHNSON will be speaker for West Texas State College's Golden Anniversary Convocation Sept. 26. The people of the Panhandle are invited to the colorful program at 4:30 p.m. in the new 20,000 seat Buffalo Stadium. Dedication ceremonies for the college's new fine arts building, science building addition and stadium will be featured, and an impressive academic procession of official delegates from the Southwest's colleges and universities, the Board of Regents and other official guests, will start the program. Dedicatory game in the new stadium at 8 p.m. will feature the West Texas State Buffaloes and the University of Arizona Wildcats in a Border Conference clash.

REP. WALTER ROGERS WRITES:

News Stories Differ On Khrushchev Visit

To the people of the 18th District:

September 20 1959
Everyone seems to be writing about the Khrushchev visit to the United States. There is little more that can be said which you have not already heard or seen.

However, there are a few items in which I thought you might be interested. One is a story which was carried in the Washington Evening Star.

A comparison was being made of the different news accounts of Khrushchev's arrival, as written in the different countries. The Evening Star had the following observation in its story:

"According to an Associated Press Dispatch from Moscow, IZVESTIA, the Soviet government newspaper, reported to the Russian people: 'The bulk of the Washington population (waving handkerchiefs and flags) are employees of the government and private firms. There are very few workers.'"

We do not know whether the few workers referred to had reference to some of those employed by the government, or those employed by private firms, but if the reference was to the latter, it would indicate that there are no workers in the Soviet Union, since there are no private firms and everyone is an employee of the government, directly or indirectly.

I do not know whether this story was carried in Washington, only in the paper referred to, and I have seen no reference to it since. Since there are so many government employees here, perhaps there was some fear that someone might get offended.

Another item which should be explained has to do with the adjournment of Congress. There seemed to be a feeling in many quarters that the Congress was rushing toward adjournment in order to avoid being in session when the Russian Premier came to town, and having to face the decision of whether or not to invite him to address a Joint Session of the Congress. Such was not the case at all.

There were some Members who felt there should be a Joint Session and that Khrushchev should be permitted to address

in order for the Members to have a firsthand look at the head man in Russia. However, there were private expressions and had nothing to do with the business of Congress. The Congress had been working diligently in an effort to try to adjourn in the early days of August.

However, the work at hand did not permit this. Once this was realized, every effort on the part of the Members of the House and Senate was aimed at trying to adjourn at the earliest possible time.

This was certainly indicated by the fact that once we got to where adjournment was in

Tourists Spread Hitchhiking Bug

College Station. — When traveling out of the U. S., don't tuck foreign fruits, plants, meats, or other plant or meat products into your baggage and try to bring them home with you, warns Harlan E. Smith, extension plant pathologist, and Connie F. Garner, extension entomologist. In bringing back these foreign products, you may be bringing dangerous crop or livestock pests back unnoticed, they add.

Just as one smoldering cigarette can start a forest fire, one diseased plant or one female insect pest ready to lay eggs could devastate a segment of U. S. agriculture. The specialists cite the chestnut blight that destroyed millions of trees in the eastern U. S. and the Mediterranean fruit fly, which cost \$10 million to eradicate from Florida in 1957, as examples of costly foreign invaders.

The threat is even more serious now with the increasing foreign travel, they say. Last year a mountain of incoming baggage — almost 20 million pieces — at U. S. ports of entry was inspected for dangerous plant and animal materials by the USDA in cooperation with U. S. Customs. This was an increase of more than 20 per cent over the 1957 total.

Travelers planning to bring (Continued on page 2)

session all night long in order to get it done. The end came shortly after 6:00 a.m. on the morning of September 15th.

I can assure you that every Member of Congress was happy over adjournment and was ready to go home. Speaking for myself, I was happy that the Session was ending and extremely happy that the all-night session was over, because I am not qualified as a Night Owl. I like to go to bed early.

The security in the Nation's Capital during Khrushchev's visit has been handled with the greatest finesse. The plain-clothes people have done a splendid job, as well as the uniformed officers. Every precaution has been taken to avoid any incident that could catapult this country into or near an armed conflict.

The people themselves have displayed the traditional dignity and courtesy for which our country is famous. They have conducted themselves in a manner exemplifying the splendid training of a good mother and father in a family atmosphere. I am sure that the same manners will be exhibited in other areas of the country.

William E. Allen Gets Promotion

William E. Allen, son of Mr. and Mrs. Everett Allen, Hereford, has been promoted to airman first class in the United States Air Force under the September quota given Reese Air Force Base, near Lubbock. Airman Allen has been on active duty three years and went to Reese in April, 1958, following a two-year tour in Japan. He is an accounting and finance specialist at the basic pilot training base.

He is a 1954 graduate of Hereford high school, where he lettered three years in basketball. He later attended Wayland College at Plainview, winning a basketball letter.

His wife is the former Barbara Santiago of Oakland, Calif.

Rotary District Governor Visits Local Club Monday

Floyd A. Hemphill, governor of District 573, Rotary International, made his official visit with the Hereford Rotary Club at noon Monday in the Jim Hill Hotel ballroom.

Hemphill is principal of the Olsen Park School in Amarillo. He joined Rotary in 1937 at Littlefield, where he was school superintendent.

During his address to the group, he complimented the

Hereford club on its successful convention here this spring.

He said that Rotarians have a job "like they've never had before them in the past." To prepare for the job, Hemphill said, all Rotarians must set a realistic set of attitudes.

"Rotary believes that man can solve his own problems," Hemphill said. "Human relations causes more and more critical problems every day, and man must solve the problems.

"At the present time, man is running behind in solving problems, but most men have potentials for rising higher for solving the situations."

Hemphill cited that all persons are entitled to feel Rotary's work through one channel or another. Rotarians must know their capacities and potentials and do more in the name of Rotary, he pointed out.

He closed his address by saying there are no real barriers for Rotary, and that all mem-

bers should acknowledge that "we are all a part of one world."

Hemphill has served in numerous capacities in Rotary, including that of program speaker for District Conferences. At present, he is a member of the young South and West Rotary Club in Amarillo.

Last year an ARS plant quarantine inspector intercepted a destructive plant pest every half-hour in luggage, airplanes, ships, automobiles, and trains from foreign lands. The pests included several already in parts of the U. S. but under rigid quarantine - the Khapra beetle, Mexican fruit fly, pink bollworm and golden nematode. Pests found that do not occur in the U. S. or have been eliminated were: Mediterranean fruit fly, citrus canker, and many others.

George...

(Continued from Page 1) were particularly attractive. Each time they came to the beach from their house, they marched very well and sang. It was always interesting to note that one or two young men could manage a large group of little boys but there always seemed to be innumerable women with a group of little girls. (Did you ever notice that it is the same in the states - 25 boy scouts, one man; 15 campfire girls,

four women.) Another of the noticeable groups seen in Germany were Scots in their skirts. We also had the horrible experience while in Santander of being awakened by the most terrible sound. It was a Scot group marching down the street with bagpipes. Really, the English must be very tolerant people to permit Scotland to continue as part of the British Empire. Empire?

There are so many two wheeled carts with large iron wheels in the vicinity of Valencia that on many of the city streets and the roads approaching the city, steel tracks have been provided for the carts to use. It is surprising to see the huge loads that one horse pulls with this arrangement.

It seems to be popular here for the horses to have bobbed tails. We noticed this a lot in Belgium, but as all the horses there looked alike and were handsome brutes, I supposed they were born that way. Now I am not sure. I will try to find out if there is a horse with a natural bob tail.

Now that I have seen more of Spain and Spanish women, I am going to have to lower my estimate of the average weight. It still seems that they have more than their share of overweight women, but I suppose the fattest were accumulated on the beaches at Santander and the hotel where we stayed. That is the gathering place for the Spanish that can afford to take maids with them to look after the kids when on vacation. So these women can afford to eat more and work less, and they seem to wear their excess weight as a badge of their husband's success. This custom was very much in vogue in Iraq.

Both the men and women seemed to feel that they should increase the girth measurement with each increase in financial or political success. Both in Spain and Iraq I got a big laugh out of women who are about five feet tall - 140 to 150 pounds - hobbling and tottering on three inch heels, and with skirts too short and fat rippling tight. Black undergarments must be largely used in Spain as they are displayed in great quantity in store windows.

When we were in Germany, we were amused at the Germans trying to maintain the reputation of the Aryan blonde. They did it, too, but they had to have the help of a great quantities of bleach or at least rinse materials. Now that we are in Spain, we see that with the help of plenty of dye, they are maintaining the tradition of the extremely black, shiny hair.

We did see some natural blondes in Germany, but more from Denmark and Sweden. There is some natural shiny black hair in Spain and it is really attractive. Many of the black heads are showing light at the roots just as many blondes are showing dark hair near the head. Fans are still used in Spain, and some women, from habit, fan themselves on the street when the wind is blowing.

Morton's SANDWICH SPREAD

How Can I?

Q. How can I fashion an emergency funnel for pouring salt, pepper, and sugar?

A. An envelope, with the tip of its corner cut off, will make a handy funnel in an emergency for pouring sugar, salt, pepper, and such things.

Q. How can I keep the light color of freshly-cut peaches?

A. They will not lose their color if wrapped in waxed paper and placed in the refrigerator until ready to be served. This allows the housewife to prepare them further in advance if she wishes.

Q. What is the correct manner of applying the face powder?

A. Press a clean puff or piece of cotton into the powder, then pat this on generously and evenly until you have covered your neck and all your face except your eyelids. Let the powder set for a minute, then remove the surplus with clean cotton, a puff, or a brush, using downward strokes on your face, and upward strokes on your neck.

Q. How can I mix a good bleaching lotion for my complexion?

A. After washing face well, rub it with this mixture: Four ounces lemon juice, two of rose water, and two of fine-grade glycerine. This softens and bleaches the skin.

Q. How can I remove coffee or tea stains from an unwashable dress?

A. Apply some glycerine and rub the fabric lightly between the hands. Let the glycerine remain on the stain for about an hour, then sponge with water. If a grease spot remains, let the fabric dry, then sponge with some carbon tetrachloride.

Q. What is a real "easy-to-do", but effective, facial beauty mask?

A. The white of an egg, painted over face and throat, allowed to remain on for ten minutes, then removed with warm water.

Q. How can I avoid staining a dress or sweater with lipstick while slipping it on over my head?

A. By pressing some facial tissue against the mouth and biting down with the lips. This is a favorite trick of the fashion models, and is good, too, when trying on garments in a store.

Many herbs and spices come both whole and ground; among these are thyme, tarragon, savory, saffron, peppercorns, oregano, nutmeg, mustard.

Leading Southwestern Farmers Say— Plow Down Ammonia in the Fall

One High Plains farmer said: "I prefer to plow down Phillips 66 Ammonia in the fall on my maize land. The ammonia helps rot down residues, makes the soil easier to work. And I get high, profitable yields."

Other successful Southwestern farmers prefer to apply Phillips 66 Ammonia early on crop residues. Its 82% nitrogen stimulates soil bacteria, the bacteria rot down the residue, and return extra plant food to the soil.

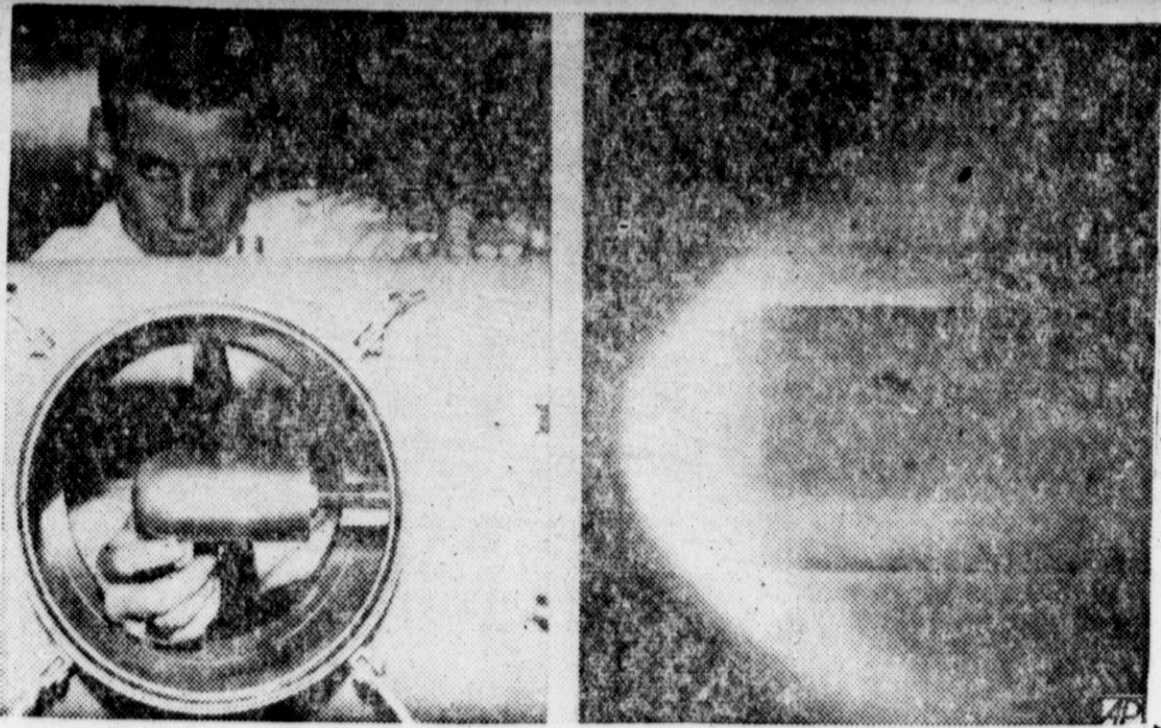

Phillips 66 Ammonia resists leaching... any unused nitrogen remains in the soil to

boost yields and profits for your oncoming crops. Another benefit of fall plow down of ammonia is getting this important task out of the way ahead of the big spring work load.

If you haven't plowed down ammonia before in the fall, talk to your Phillips 66 Ammonia distributor. He can give you names of farmers in your area who have profited through fall application of Phillips 66 Ammonia. And he'll be glad to work out the right amounts and the best time to apply the ammonia.

Make Your Reservation Now! for a... ROCKET TRIP TO THE MOON!
If and when Uncle Sam decides to launch a space craft, he will have no problem in recruiting a crew to man the ship. Newspaper advertising can do the recruiting job. In fact one such advertisement has been run in one newspaper. It brought a flock of responses from prospective space travelers.
Last spring Farr Tours, a travel agency, published an ad in a Florida newspaper with the headline, "Space Available Now! New Deluxe Ion Rocket Ship to the Moon." The advertisement was a gimmick intending to show what the agency's offerings might be in 1987.
When the travel agency received 150 requests for reservations, the copy writer who prepared the advertisement concluded that newspaper advertising could sell anything. "It proves again that people read newspaper advertising and act on it," he said.

MERGER PROPOSED
CHICAGO (AP) — Preliminary plans are being made for merger of three boards of the Methodist Church — the Board of Temperance in Washington and the Board of World Peace and Board of Social and Economic Relations, both in Chicago. The proposal will be considered by the denomination's general conference next year.

IRE IN IRELAND
DUBLIN, Ireland (AP) — A Government commission's recommendation that Ireland relax its liquor laws, permitting liquor sales on Sunday, has met strong disapproval of the country's Roman Catholic bishops. Instead of relaxing the law, they said, there ought to be more restrictions on liquor sales and "especially genuine enforcement" of present regulations.

GOOD MUSIC

... the common language of all people. It takes skilled musicians to blend an orchestra into the perfect ensemble... to make good music. Just as surely as it requires more discords than concords to make good music, so does it take more disappointment, sorrow and trouble to sweeten up a life... to make a good Christian. The orchestra spends a lot of time just tuning up. And so does a life if it is to count for God. One must go to Sunday School, attend church and learn of Him, if his music, his life is to be worthy to be used by God to warm the hearts of men. They learn well and play true.

Let Us Forget: The wonders of Christ's redeeming Love are the Christian's constant solace and song. This redeeming work of his Savior he seeks out with care and diligence. To that end, he reads the holy scriptures searching them as for his treasure. He attends carefully on the ministry of the Word, that he may both obtain a further insight into the Gospel, and have a richer experience of it in his soul. By constant meditation and fervent prayer, he gives deeper and deeper into the mystery of Godliness. Day and night, he muses on it and cries mightily to God: "Open Thou mine eyes, that I may behold wondrous things out of Thy Laws."

NOW... '60 CHEVROLET TRUCKS
 WITH REVOLUTIONARY TORSION-SPRING SUSPENSION
 THAT GIVES ASTONISHING NEW SHOCKPROOF ACTION !!!!!

Chevy's done the next best thing to paving every road in America!

First they throw out the front axle and put in torsion-spring independent suspension. Then they add wide-track coil-over springs into most light-duty models. Variable-rate leaf springs into heavier. That made it a ride you have to feel to believe. A ride that lets you move faster to get more work done in a day's time.

Brainier bulldozer build!

Frames are stronger, cabs 67% more rigid. Front wheel bearings are precision-balanced. And that new suspension cushions jars and road shock that used to spell slow death for the truck's body and sheet metal.

More comfortable cabs!

Easier to hop in and out of, too. Many models are a whole 7 inches lower outside. Yet there's more head room inside, plus more width for shoulders and hips. More real comfort!

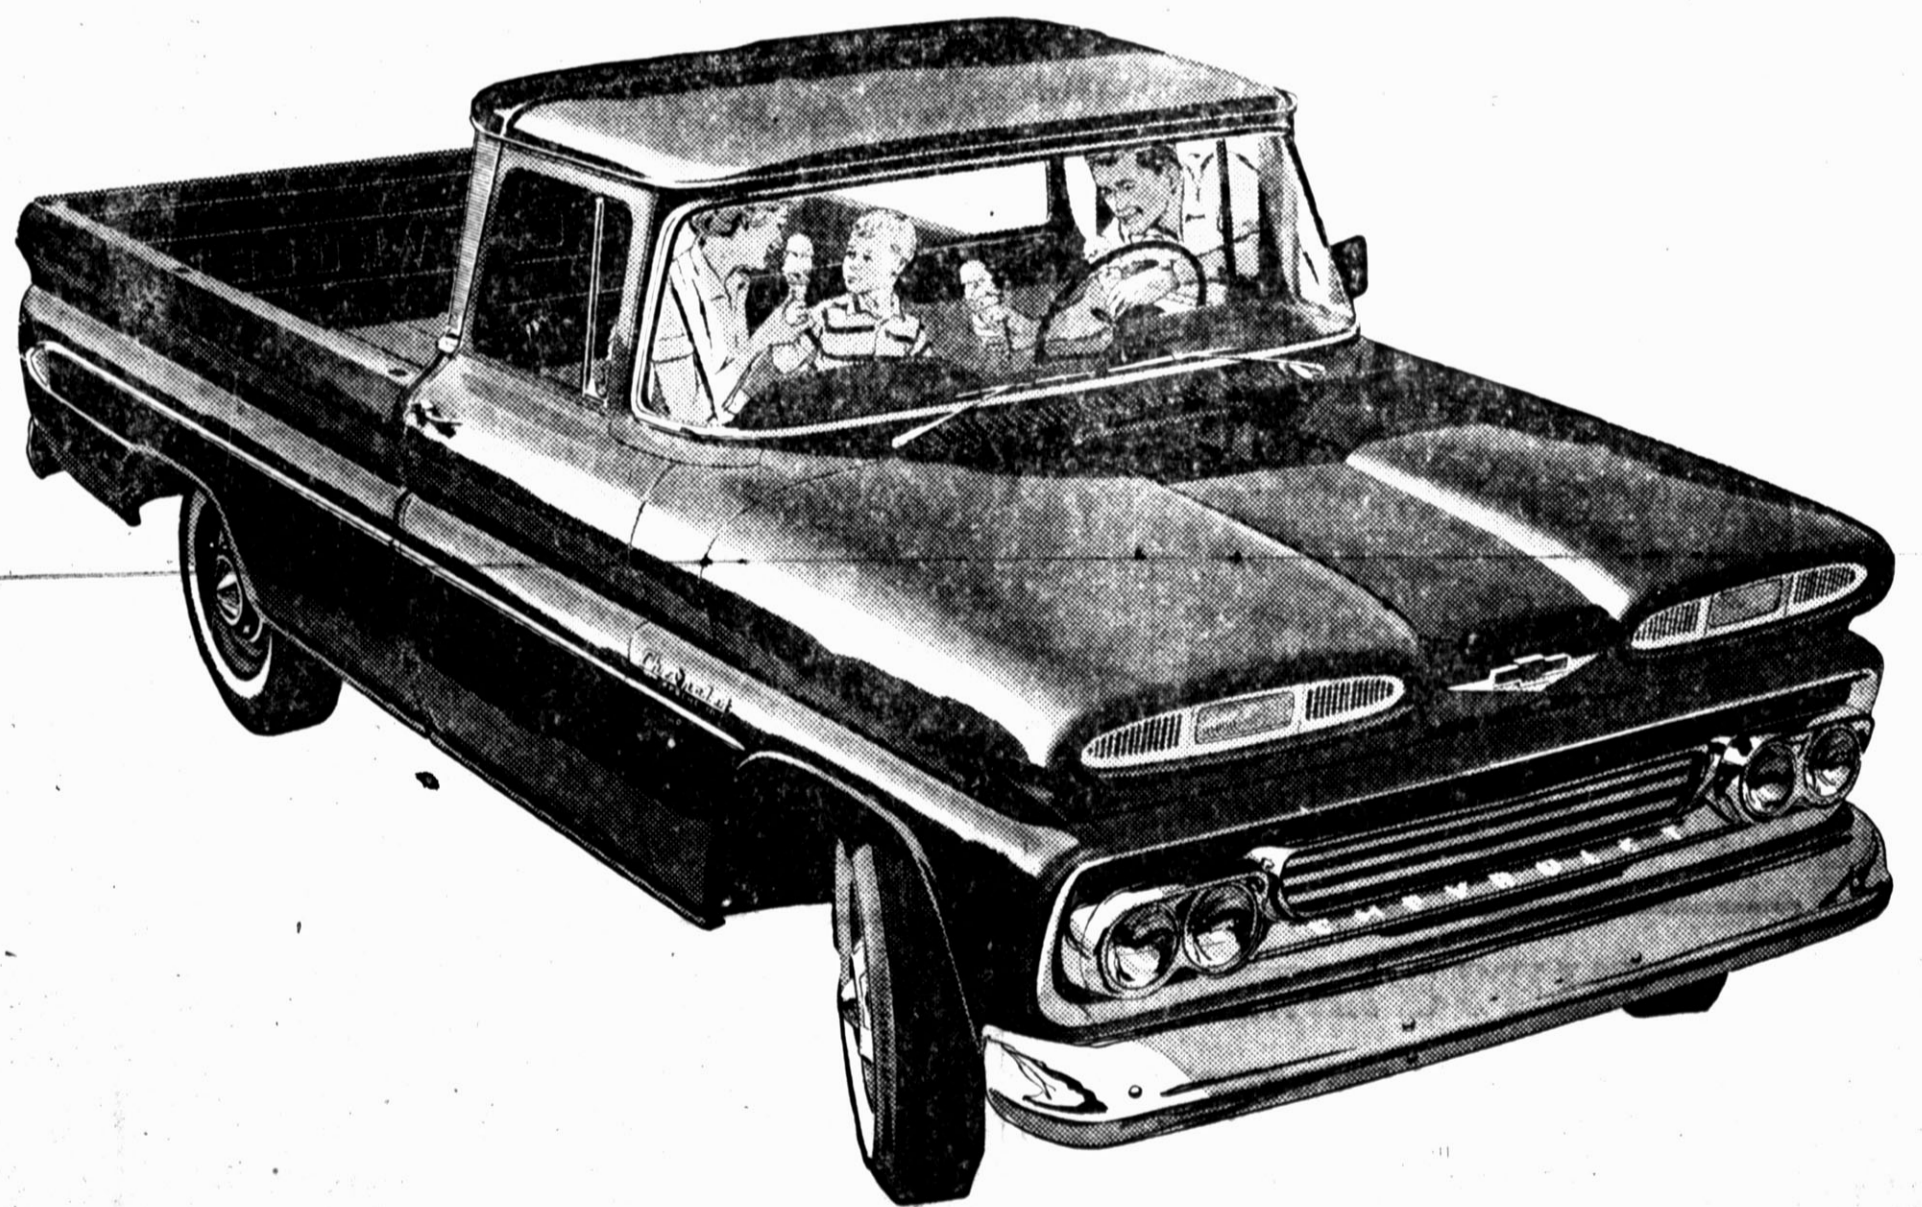

Big in the power department!

With the industry's most advanced gas-saving 6's. With high-torque Worldmaster V8 performance in heavyweights. With new 6-cylinder or V8 power available in L.C.F.s.

More models than ever!

New 4-wheel-drive models and tandems and high-styled Suburban Carryalls. It's the handsomest, hardest working Chevy fleet ever to report for duty. See your dealer soon for a ride!

Anything less is an old-fashioned truck!

Beethoven's Life, Loves Revealed By His Letters

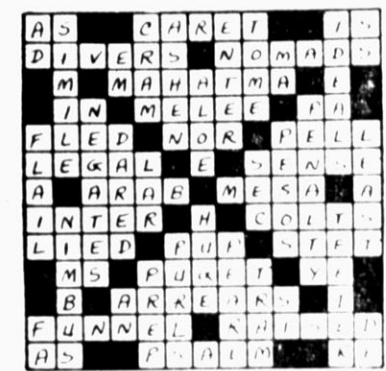

By CARL HARTMAN
FRANKFURT, Germany (AP) — For years to come scholarly detectives probably will be poring over 13 newly published love letters of composer Ludwig van Beethoven.

Not only do they throw some light on the composer's rather active love life, they may help solve one of the great art mys-

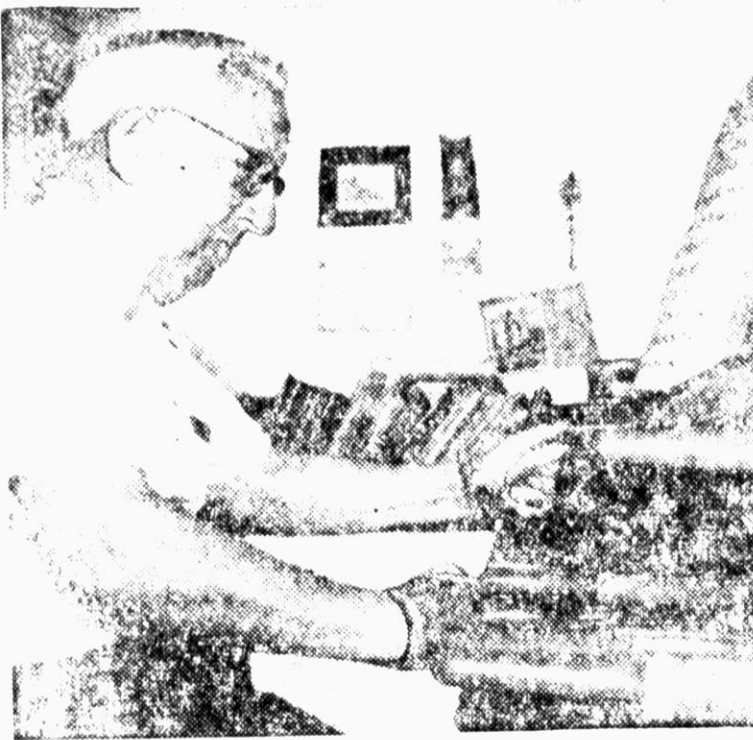

teries of all times to whom did he write the passionate letters? ... he writes in the past tense, as if he were already dead. ...

The letters, their first was a marriage proposal for the young woman, ...

... the newly published letters ...

Beethoven never married and was something of a loner, ...
