AROUND TOWN

Sights and Faces Seen

John Roberts has announced that the Star Theatre will honor all fathers who attend the show on Father's Day in the company of their sons by admitting them free. In other words, father and son get in for the price of son's ticket. An interesting situation arises when you consider that some father might bring a son too small to pay admission.

A useful bit of information comes from Miss Sadie Lee Oliver, County Home Demonstration Agent. A bright red color may be obtained if sugar is added to rhubarb when it begins to get hot. She fails to include the chemical explanation of the reaction, but adds that rhubarb added to lemonade makes a delicious punch.

No little comment was caused by the appearance of a strange traveler on Main Street Monday morning. He was mounted on a single bicycle wheel provided with pedals and a seat. As he pedaled along on his precarious seat he attracted wide attention by clanging a cow bell. Several spectators expressed disappointment because he didn't fall.

Hereford Lumber Takes Over Yard Monday Morning

With Dave Alexander as manager, the Hereford Lumber Company Monday took over the local yard of the Panhandle Lumber Company, following recent purchase of the business and stock. In addition to Mr. Alexander, the yard will also retain Scotty Buckner as manager of the planing mill, which is operated in connection with the yard. Mr. Alexander needs no introduction in this area, having previously served as manager of the same yard from June 8, 1929 until October 15, 1937, when he resigned because of poor health. He returned to Hereford on July 1, 1938, to accept the position of secretary of the Hereford Chamber of Commerce; he held (Continued on Page 8, Sec. 1)

Mrs. Andrews Dies; Burial Rites Today

Mrs. Dollie Agnes Andrews was buried in West Park Cemetery this afternoon after funeral services at the First Methodist Church conducted by Rev. H. M. Redford, assisted by Rev. W. E. Barnes. She passed away in the Deaf Smith County hospital at 7:15 a. m. Wednesday morning after an illness of three days following an operation. She was the wife of Noel Grady Andrews of this city.

The deceased was the daughter of Mr. and Mrs. F. L. Pinkert of Hereford. She was born in Longville, Minn., in 1907. She came to Texas and to Hereford in 1918 with her parents. She attended Parrot and Jumbo schools and later Hereford High School. In 1925 she married Noel Grady Andrews. She was the mother of two children, Paul, age 11, and Bonnie Jean, age 9. They and her husband survive her in the immediate family.

She is also survived by her parents, Mr. and Mrs. F. L. Pinkert of Jumbo, one sister, Mrs. Willford Taylor, Jr., of Canyon, and three brothers, Ovid, Chester and Robert Pinkert of Hereford. Mrs. Andrews was well known to many Hereford residents and many friends mourn her passing. She had recently purchased the Bentley Newstand.

Loan Signed To Give \$147,000 For REA Lines

224 MILES NEW LINES TO BE BUILT; CONTRACT TO BE LET ON JUNE 27

News that the Administration has signed a loan contract with the Deaf Smith County Electric Cooperative, Incorporated, for \$147,000 with which to build 224 miles of single phase lines in Deaf Smith, Castro and Parmer Counties reached here this week through H. V. Hennen, REA official.

Mr. Hennen stated further that the plans and specifications for building the lines have already been approved by the engineers. The contract will be let on Tuesday, June 27, at 10 a. m., in the Cooperative offices at Hereford. Mr. Hennen said.

The new contract puts Deaf Smith County in the top list of Counties providing Rural Electrification facilities to farm residents.

Over 88 Tons Of Grasshopper Poison Put Out

Announcement that the Federal authorities have voted an additional \$1,750,000 for grasshopper control led local agents to predict a large increase in the output of the poison bait here. C. O. Phillips, in charge of the mixing and distribution of the bait at the city Bull Barn, stated that he expected to start two crews operating eight hours each on full time duty early next week.

Jack Fortenberry and other residents in the Bippus community reported that a new swarm of migratory hoppers came down on the Bippus region late last week, and it is expected that this will cause an increased demand for poison bait before the wheat harvest begins.

Since the present season began, a total of 177,120 pounds of poison bait have been distributed by the local agency. This is something over 88 tons in less than two months of operation. Such (Continued on Page 8, Sec. 1)

GRAND TOTAL OF \$182,438 IN CONSERVATION CHECKS DISTRIBUTED HERE

Figures from the County Agent's office show that conservation checks have been received for distribution in the Hereford territory since last Thursday to a total of \$45,719.87. This amount added to the total of \$137,718 already distributed in 325 checks, gives a grand total of \$183,437.87 distributed in conservation checks from the Hereford offices to date.

According to estimates, a total of \$449,000 is expected to be received in this county in the form of conservation checks. This leaves a balance of \$265,562 in round figures yet to be paid to local producers. A total of 1,225 checks have been applied for by farmers in this county.

No one is able to say just when the remaining checks will arrive. They have been coming in small shipments, and it is expected that this practice will be continued until all the remaining checks have been received. All applications in the Hereford office have been submitted for several weeks, and payment on any of them can be expected at any time.

Service Will Help Farmers To Get Hands

Donald Hawkins and M. E. Harlan of the Texas State Employment Service have been sent to Hereford for the duration of the wheat harvest.

They have opened a temporary office in the "Cattlemen's Headquarters" located between Ernest Medkief's Service Station and Ike's Cafe, on the South end of Main Street.

Anyone wanting a job through harvest should place their application with them at once. Mr. Hawkins says every effort will be made to place all local labor first.

Farmers needing tractor hands or combine men, or help of any kind, are invited to make use of this service. There is no charge for the service, either to the farmer or the person he hires.

It is expected that there will be considerable demand for girls and women as cooks and housekeepers during the harvest, and anyone interested in this kind of work should apply at once.

METHODISTS TO POSTPONE SCHOOL

The Vacation Bible School of the Methodist Church has been indefinitely postponed until a date to be announced later. The school originally planned for the Beginners, Primary and Junior departments, will include children between the ages of 4 and 14.

Appliance Co. Locates Here

Lyle Blanton, Hereford mechanic and air-conditioning agent, announced his association with Sid Worrell of Plainview in the Blanton-Worrell Co., here this week. The new company will specialize in propane and butane fuels and heating and lighting units and in the well-known Roper and Grand air conditioning units and equipment.

Mr. Blanton has been associated with air-conditioning in Hereford during the past year, and Mr. Worrell has had wide experience in this line of work. The company expresses the desire to serve the entire Hereford area with expert work and first-class equipment. The offices of the Blanton-Worrell Co., are located at 303 Main Street.

Funeral For Mrs. Parker Held Monday

Funeral services for Mrs. Beatrice LeGrand Parker of Hereford, were conducted in the First Baptist Church Monday, June 12, at 3 p. m., by Rev. W. E. Barnes. Death followed an illness of several months. Mrs. Parker was sixty years old when she died Saturday, June 10, at 1:30 p. m. Interment was made in West Park Cemetery.

Beatrice LeGrand was born on March 18, 1879 to Elizabeth Tanner LeGrand and George H. LeGrand, in Graham, Texas. She was married to Harold Parker in 1900 at Graham, after attending Sam Houston Normal at Huntsville. The couple lived in Custer, Okla., until 1929 when they moved to Deaf Smith County. Mr. Parker died in 1935.

The deceased is survived by her children, Harold Parker of Martin, Tennessee, Mrs. M. C. (Louise) Hull, Oklahoma City, Okla., Fay Parker of Hereford, Eva Parker Allpress, of San Antonio, and eight grandchildren. She was the sister of Dr. G. F. LeGrand of this city.

SCHOOL CHUMS 50 YEARS AGO, SWAP STORIES

Schoolmates sixty years ago and still swapping yarns! That describes J. F. Ward of Hereford, and W. L. Mathers of Amarillo, who saw each other here last Monday for the third time in sixty years.

The two were chums at Cortland, Miss., where they grew up on adjoining farms. They hunted rabbits, trained dogs, and traded horses together. For many years they attended the same school. In 1891 Mr. Ward came to Texas; Mr. Mathers had come a short while before. During the period of almost fifty years since they came to Texas, the two have seen each other only three times—once in Childress, once in Amarillo, and the last time last Monday, here. They spent the day talking of old times and recalling their many boyhood escapades.

Mr. Mathers is the father of Paul Mathers who lives nine miles west of Hereford. He is now a retired cattle man.

Rites Held For Joyce Wright Here

Funeral services for Vernadeen Joyce Wright were conducted last Saturday, June 10, at 4:30 p. m. in the First Baptist Church by Rev. W. E. Barnes. The little girl had been ill only a short while. Interment was made in West Park Cemetery.

Vernadeen was the daughter of Mr. and Mrs. C. O. Wright of Hereford. She was born January 4, 1926, and her death occurred on June 9, 1939. Mr. and Mrs. Wright have been residents of Hereford for many years.

Fox Brothers Attend Funeral

Returning to Hereford Tuesday from Waxahachie where they attended the funeral of their brother, H. C. Fox, were Homer, Ollie and Doug Fox. Also attending the funeral were Mrs. G. S. Weber of Brownfield, Mrs. T. W. Key of Lamesa, and Mrs. J. A. Bowman of Amarillo, all sisters of the deceased. Many friends and relatives aside from members of the immediate family were also present at the services.

Mr. Fox had been ill for some time, and his condition was thought improved until a last-minute relapse brought unexpected death.

FRIONA MAN IS DEATH VICTIM

Mr. Charles Schlenker of the Rhea Community, Friona, dropped dead at his home Friday, June 9.

Funeral rites were conducted at Friona in the Congregational Church on Monday, June 12, at 10 a. m.

Mr. Schlenker was born July 2, 1857. His parents were born in Germany. At the time of his death, he was 71 years old. He is survived by his wife and eleven children.

Black Funeral Parlor Offers New Insurance

Announcement was made here this week that E. E. Black Co., funeral directors in Hereford, have made arrangements with the Republic National Life Insurance Company to provide sound protection to cover funeral expenses in the event of death in amounts from \$100 up. The Republic National Life is an Old Line Legal Reserve Company, and hence has the added fidelity of all the Old Line agencies.

The new policy embodies several new features that are distinct advantages over the usual Mutual Burial Association Policies. Among the most outstanding of these features are the level rates that will never be subject to an increase, the payment of double the face value of the policy in the event of accidental death, special compensations for the loss of hands and feet or other members of the body, non-collection of premiums with continued enforcement of policy in case the insured is disabled beyond sixty days. (Continued on Page 8, Sec. 1)

CONKWRIGHT ADDS IMPROVEMENTS

Several improvements are being made this week on the home of H. G. Conkwright at 500 Lee Ave. Two dormer windows facing east add to the beauty of the roof and increase the lighting and ventilation facilities in the upstairs rooms. The south porch is being extended to the west end of the house. This addition also has the double value of adding both beauty and coolness.

DAWN ELEVATOR GETS FIRST LOAD; PEAK EXPECTED NEXT WEEK

H. E. Miller, Dawn, officially opened the harvest season in this territory last Tuesday afternoon when he hauled two loads of 1939 wheat, the first of the new crop to be taken by elevators here this year, to the Dawn Elevator. A premium of \$10.00 was paid for the first load. The test on Mr. Miller's wheat was 51.

Wednesday marked the official opening of the 1939 season in Hereford. Thomas Hunter delivered a load to Pitman Elevator Wednesday afternoon. The load weighed 3160 pounds, tested 56, and drew a premium. During the same afternoon Ray Waggoner brought in two loads of wheat to the Fraser Elevator, where he received a \$10 premium; both loads were reported as No. 1 wheat.

T. W. Medlin had brought in eight loads of wheat this morning at 10:30 and was probably the first operator to start harvesting on a big scale. His wheat tested No. 1, on the eight loads cut Wednesday afternoon and this morning. The average on this wheat was running around 55 bushels, and his acreage can be estimated around 5,000 acres.

Robert Veigel had also harvested a load of new wheat this morning, and expected to continue cutting. The Roy Waggoner wheat was cutting 24 bushels, No. 1 grade, on the edges and the yield is expected to run even higher as combines get into the center of the field. Among others who expected to start cutting this afternoon were Frank Knabe, Colby Conkwright, Bill Wallace and Jim Hill.

Wheat prices in Hereford this morning were 61 cents, and most (Continued on Page 8, Sec. 1)

GEORGE SMITH TO WORK WITH FARM SECURITY

George Smith, Jr., son of Mr. and Mrs. Geo. W. Smith, formerly of Hereford, stopped in Hereford Saturday night enroute to Las Cruces, N. M., where he will attend a Farm Security Conference. He spent the night in the J. D. Story home with his friend and schoolmate, Dean Story.

George received his degree from WTSC two years ago. He is a graduate of Hereford High School and has a good football record both in high school and college. After the conference at Las Cruces, he will proceed to Portales, N. M., where he has accepted a position as Assistant County Supervisor (Roosevelt Co.) with the Farm Security Association.

Coombes Motor Named Chrysler Plymouth Agent

Appointment of Ellis Coombes Motor Company as Hereford dealer for the Chrysler-Plymouth agency was this week made by the company. New cars are now on display at the company shops at 212 West Second Street. Mr. Coombes also announced the association of Herman Charles as a partner in the firm, and Mr. Charles stated that he expects to move his offices in with those of the motor company in the near future.

Both Mr. Coombes and Mr. Charles are experienced automobile dealers, and stated that they expect to carry a complete line of automobiles, parts and accessories. (Continued on Page 8, Sec. 1)

Rural School Transfers Due Before Aug. 1st

Parents of children who intend to transfer to the Hereford Schools for the 1939-1940 session are warned that all such transfers must be made in the office of the County Superintendent, A. J. Schroeter, before August 1. It is necessary for the parent to appear personally in the office of the County Superintendent and sign the application for transfer in order for the transfer to be permanent.

All children who reside in some district other than in the Hereford Independent District at the time the last school census was taken in March and who intend to attend school in the Hereford Schools during the coming year should transfer. The transfer should be made whether the child is in the grade school or the High School. It is also necessary if the child lives in the Hereford District now but has moved there since the last census was taken. Although the grade into which the child will transfer is taught in his home district, a transfer is essential if (Continued on Page 8, Sec. 1)

REV. BEAVERS HAS AN EYE OPERATION

Rev. M. M. Beavers, pastor of the Methodist Church, entered the Northwest Texas Hospital on Tuesday morning for an eye operation. Members of his family who accompanied him to the hospital state that the operation was successful and that the pastor is recovering rapidly. He is expected to return home in about a week.

The operation consisted in the removal of a cataract.

Osteopaths In Quarterly Meet

The Quarterly Meeting of the Panhandle Society of Osteopathic Physicians and Surgeons was held last Tuesday night in the form of a banquet served by the Ladies' Auxiliary of the Presbyterian Church. Attending were seventeen doctors and their wives, representing a total of ten towns in the Panhandle district surrounding Hereford. Music and entertainment in the form of piano duets was furnished during the banquet by Mrs. Billie Wheat and Mrs. Sherman Morgan.

Following the banquet, Dr. Thomas B. Morgan of Clovis, N. M., gave the principal address of (Continued on Page 8, Sec. 1)

ATTEND MEET OF OPTOMETRISTS

Dr. and Mrs. F. M. Kester attended the last spring meeting of District No. 1 of the Texas Optometric Association held in the offices of Dr. L. N. Pitman Sunday in Amarillo.

A program followed a short business session.

Following the meeting a picnic lunch prepared by the Woman's Auxiliary was enjoyed at Elwood Park.

No more meetings will be held by the Association until September when regular courses of study will be calendared by both the men's and women's organizations.

TOAAC Rules Still Await Interpretation

A pension board representative will be in Hereford again on June 26, it was announced this week by Mrs. Dyalthis Bradley, County Welfare Administrator. All persons 65 years of age and older who believe that they may be included in the new Old Age Assistance Laws as of June 2 and who did not sign up at the last visit of the representative on June 12 should make application on June 26.

All that can be done at the present time is to allow those who consider themselves eligible to make application and wait until the new law has been officially interpreted. No action can be taken by any agency until this is done, but such delay will be avoided if those who are eligible under the new interpretation have already signed when their eligibility is made official.

Another Local Stock Farmer OK's F-30!

LEE COCANOUGH, shown above on one of his F-30's, is an outstanding breeder of fine Hereford Cattle. He lives one mile south and six miles east of Hereford. Included in his herd are around 35 head of Straight Linebred Herefords, along with 100 head of other Registered Cattle. He has produced some of the finest bulls and Registered Females in the history of this section. His herd bulls are GOOD MIXER, BLANCHARD ANXIETY and BLANCHARD ANXIETY II.

In addition to his cattle, Mr. Cocanougher cultivates 1800 acres of land, farming it four times a year. His crop includes 300 to 400 acres of row crops each year.

LIKE MANY OTHER Successful Stockmen and Farmers, Mr. Cocanougher uses F-30's on his farm. He now has two F-30's—the first was bought in March 1935 and has since been operated at a maintenance cost of only \$100 during the past 4 years. He was so well pleased that he purchased a second F-30 in 1938, and as yet, has had no expense for repairs.

"IT'S THE ONLY FARMALL TRACTOR BUILT," he declares. "If you're interested in ECONOMY OF OPERATION, LONG LIFE and PROVED PERFORMANCE — investigate FARMALL before you buy."

through a megaphone? This gets us.

Looks like everything is a failure. Those grasshoppers almost thrived on that poison set out last year, and after a squint at the jitterbugs Tuesday night at the dance, it didn't hurt them either. If those mugs do not have all sorts of dislocated joints from their gyrations, it isn't because they didn't put all they had into their jitterbugging. Jeff Burk and Minnie Dea Smith made us "smart youngsters" who thought we'd crash the hop and show 'em something—want to slink off to our holes. And after we'd been there a few minutes, the smarties began to get out their rat traps, so we left. And who should we meet coming up but Blackmailers Ricketts and Patton!

You just can't have anything in this town. Speaking of rat-traps, we heard about a family who became so incensed and disgusted with their multitudinous next door neighbors that they went to see Marshal Ed Curt-singer about hauling 'em down to the dog pound to be shot.

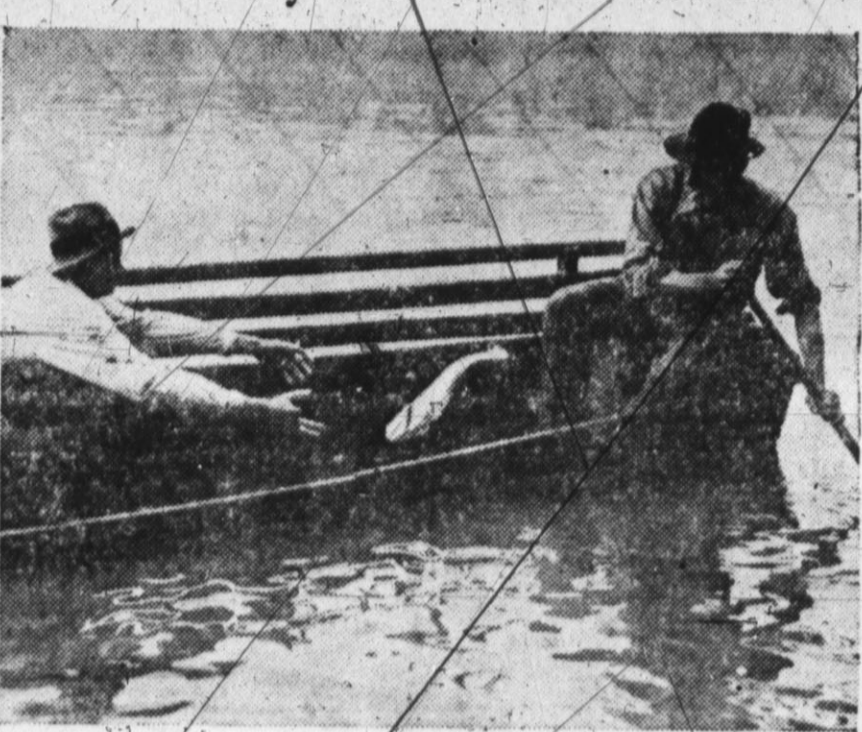

Afterthought, if possible, Don Brotherton, Ikey Knox, Doug Beene and a bunch of others we didn't know, ought to be commended for their amazing stick-ability and jitterbugging skill.

Wouldn't it be swell if Buffalo Lake would rise until it backed clear up in front of that Club house and bath house, which was supposed to be next to a swimming pool, and sure 'nuff wasn't? Nohow, that lake is pretty OK, but you couldn't prove anything by Faye Crosthwait. She went swimming Tuesday afternoon. She splashed disdainfully five steps out into the water, shivered, turned around and splashed out again. She dried herself, and sat on the bank for two hours watching the rest. Some swim, huh? Jack France says he is going to have a new motor boat in no time flat to put on that lake.

Speaking of motor boats, that reminds us of the Sunday-Monday show, although why they should be a mystery. Anyhow, "THE HARDY'S RIDE HIGH" in this one. The Hardys of Carvel go to Chicago after a fortune, and end up in Carvel again with the net results of an iron frying pan for Mrs. Hardy and an un-worn silk hat for the Judge. After Mickey Rooney's masterful romancing in this flicker, they'll be giving him roles opposite Mae West before long.

Personally, we're curious about that picture. Loretta Young plays the part of Mabel, the sweet-heart of "Alec Bell" and she is supposed to be deaf. Well, look. Will Don Ameche have to yell and shout at her in the picture to make her hear, or will he murmur sweet little nothings to her

And It Really Isn't Done With Mirrors

This is the kind of fishing the not-too-energetic angler dreams about. Homer Harris and his son, Bill, of Atlanta, Ga., don't bother with hooks. And it isn't done with mirrors. Fishermen take their boats to the fair of a school of trout in Jackson lake, and as the fish make their quick, arching leaps out of the water, the side of the boat is tilted and the fish falls to the bottom of the boat. In two hours these men caught 18 pounds of unhooked trout.

While we're at it, Bing Crosby sings some pretty good songs in "EAST SIDE OF HEAVEN," such as the title song, and "That Shy Old Gentleman," next Thursday and Friday. Sandy, a baby in the picture, with Mischa Auer, steal the acting honors, if and when.

We knew Wallace Cox went about his vocation seriously, but didn't realize the extent until Monday evening. He came ambling out of the drug store with six packages of roll-your-own cigarette tobacco, and two packs of ready mades. Get the connection? He's gonna meet a crook one of these days, puff out a smoke-screen around him and then nab him! Elementary, my dear sos-and-so.

There was a lady who had company for dinner... no she wasn't a cannibal, they were guests, that is... one day this week, and to impress her friend especially, she served out-of-season oysters. Her lady friend consumed them with gusto, and then became strangely silent. The hostess noticed this, and asked her what the matter was. The guest swallowed hard, and muttered wonderingly, "Well, I

MRS. HOMER STEWART
The dry hot winds are surely hastening the wheat harvest. A number of combines are being repaired in order to start cutting soon.

An outing was enjoyed by Glen Gardner, Kenneth and Dave Wood, George Schafer and Jim and LeRoy Carver of Virgo Park who came by for A. W. Gardner and made a trip to the Painted Rocks and stayed Saturday and Sunday.

Mr. and Mrs. Percy Hart of Hart, Tex., visited Mrs. Hart's brother, N. W. Livesay, and family Tuesday and Wednesday.

Mr. and Mrs. Roy Hobbs of Horse Spring, N. M., are visiting relatives and old friends. They formerly lived on the Swartz place. They plan to be here until after harvest.

Mr. and Mrs. Homer Stewart and sons were guests in the B. A. West home Thursday.

Mrs. Smith of Oklahoma is visiting her daughter, Mrs. E. J. Barclay and family this week. Mr. Barclay's father and mother also of Oklahoma visited them last week.

J. and Earl Hare were Vega callers Saturday.

Mrs. Smith and Mrs. Barclay visited Mrs. N. W. Livesay Thursday.

There is lots of grasshopper poison being put out, here.

LeRoy Barclay of Panhandle is staying at N. W. Livesay and working the George Hawkins land.

O. Miller is the proud owner of a new Chevrolet pickup.

Jim Barclay has purchased a new combine preparing to cut wheat.

E. J. Barclay has purchased a used combine.

Mr. and Mrs. Homer Stewart visited Mrs. Lorry Redder Tuesday evening.

R. W. Hobbs hurt his back while working on a one-way plow this week.

SOCIETY

CLUB MEETS FOR LUNCHEON

After a luncheon at a downtown cafe, members of the Wednesday Luncheon Club were entertained with games of bridge at the home of Mrs. J. C. McCracken.

Hyacinth-flowered larkspur provided the floral accent for the party. Mrs. Jon Wayland of Amarillo, who was visiting her son, Jack Wayland and family, was a special guest.

Mrs. B. M. Wiltshire was presented with high score award.

Those attending were Mesdames C. C. Rockwell, W. L. Davis, Jack Wayland, W. M. Emmons, B. M. Wiltshire, Jimmie Gillentine, Mrs. Wayland and the hostess.

MRS. E. B. HICKS ENTERTAINS CLUB

On Wednesday afternoon of last week, Mrs. E. B. Hicks was hostess to members and guests of the Coterie Club, with a delightful bridge party at her home on Witherspoon Street.

Pink, blue and white were combined in decorations and appointments for the games. A mound of pink roses and baby breath centered the lace laid dining table, with appropriate containers filled with delphinium and roses, accenting the color choice, placed about the entertaining rooms.

Eloyse Pitman played high for guest prize, and the club high score prize was awarded to Mrs. Grant Fuller.

A salad course was served after the games to Mesdames James Neill, Oscar Easley, Glenn Weir, Grant Fuller, C. F. Moore, E. B. Hedrick, Colby Conkwright, Miss Eloyse Pitman and the hostess.

Mr. and Mrs. Tony Redder were in Hereford Monday to see Grandma Redder off on a trip to Montana for a visit with relatives.

FOR THOSE TOUGH PLOWING JOBS

Investigate the MOLINE

Wheatland Plow

Cut your plowing costs in half with the original M-M big disc Wheatland plow — because of its wide cut and light draft in comparison with any moldboard plow. The Moline does a better job of plowing, from 3 to 9 inches deep. It scours well and is remarkably free from clogging with its big 28-inch discs, spaced 10 inches apart. The plowing job compares favorably with a moldboard plowed field that has been nicely harrowed.

Prepares an ideal seed bed for small grain—BECAUSE it mixes trash and stubble with the soil in such a way that there are no air pockets, and there is good capillary action between subsoil and seed bed.

The Moline Wheatland disc plow is strong, sturdy and rigid, built entirely of strong steel bar angles and castings. Farmers say it "can't wear out or give." Other important points also make it the outstanding plow of its kind on the market today.

Come in and get free literature and complete facts. Let us show you how it cuts your plowing bill. The Moline Wheatland is also ideal for summer fallowing... gets the weeds and moves all the ground.

LEVER LIFT — 4, 6, 8, and 10 FOOT SIZES — POWER LIFT!

Wheatland Plow Features:

1. Cross rolled electrically heat treated disc and super-alloy discs—the most nearly spin-proof discs made. See cut above.
2. Boiled in oil wood bearings that hold a cup of oil right in the wood and never need lubrication—most perfect sealed and they wear longer also because:
3. One Ocean Liner type bearing at end of gang takes all the end thrust.
4. The lightest draft Wheatland Plows that cut plowing costs tremendously—and do better work.

OUR THIRD CAR LOAD IN HEREFORD

Plowing is tough this season... and the Wheatland Plows are proving more popular than ever! This week we will unload our third car of Wheatland Plows in Hereford. If you have hard ground or a tough plowing job see the Moline Wheatland. When the going is tough, you will really appreciate the Moline Wheatland.

BULL

By Jimmie Gillentine

Amarillo has gone and done it again, folks. They sure have. After all of the stink I've been raising about this wheat guessing, I turn up with three estimates — and every single one of them are from Amarillo.

These men are probably known to most of you, however, and they really seem more like home-folks than Amarilloans to me. Here are their estimates:

- Col W. S. Williams, Amarillo, 2,525,000 bushels.
- W. T. Leachman, Amarillo, 2,325,000 bushels.
- F. Adamson, of Amarillo, 1,850,000 bushels.

Since we have more prizes than entries, I am going to extend the date until June 19. Remember your estimate includes only wheat handled through Hereford, Dawn and Black. Don't fool around. If these folks can come down here from Amarillo to enter, it sure looks like we could get a few estimates around home.

In the meantime, Hereford is coming in for a lot more national publicity these days. Charles B. Driskill, who took over the writing of "Day by Day in New York," following the death of the lovable O. O. McIntyre, is up a stump. Here's his story:

"Mention of Hereford cattle brings up a discussion that went into several sessions lately. Hereford is pronounced in Webster's Gazetteer in three syllables, as spelled. Accent of the first syllable, which is pronounced exactly as in her. The cattle are named for Herefordshire, England, whence the first of them came to America.

"Hereford is a town in Texas where many of these cattle are loaded for shipment.

"Bernard Blood, who has worked around Hereford, says the name is pronounced hur-ferd. Milburn McCarty, dining with us during this discussion, is a native of Texas. He says it's hefferd. Let's get this straightened out."

Speaking of the town, Mr. Driskill, it looks like Bernard

Blood wins this round by a decisive margin. Out here we pronounce it "hur-ferd." However, since you were on the topic of cattle, you might have to call it a draw. A young female (no matter what the breed) is commonly known as a heffer (pronounced heff-er)—and that is probably where Milburn McCarty got off the track.

E. Ramey, rural mail carrier, sure is behind the eight ball. Tuesday afternoon he was across the street from his home on Schley Street cutting weeds on a vacant lot for all he was worth. No doubt realizing that I was curious after I watched him for some 10 minutes, he stated that his wife is a victim of hay-fever, and that she is especially allergic to sun-flowers. He has a vacant space some 150 feet wide and running back to the alley. What's more, I'll bet he is glad that he doesn't live in Kansas.

Here is something you probably suspected long before now. Jess Stanford in buying cigars invariably says, "I want the ones that stink the most."

 MRS. J. N. MESSENGER

The heat and high north winds have dried up most of the wheat in this section.

John Abbott will conduct the Vacation Bible School this week. He will be assisted by Mrs. Abbott and Mr. J. Howard Williams of Amarillo. Preaching at night will be held for the Mexicans. Louise Harless is going to help Mrs. Abbott in her work.

Ekir Messenger went home with her aunt, Mrs. John Abbott, to spend a few days. They went to Hereford Friday morning, where Mrs. Abbott made a talk at the Baptist Church to the Daily Vacation Bible school. Mr. Brookfield had an official out from Amarillo to investigate the grasshopper condition. Stephen Messenger assisted the official in planning ways to exterminate the pests.

Jack Roberson from Hereford was out here buying old iron last Friday afternoon.

Harris Evans and Miss Myrtle Wylie were married a short time ago.

Stomach trouble has caused a slight incapacitation of the Messenger children during the past week.

Mr. and Mrs. C. F. Kerr returned last week from visiting their daughter, Mrs. Robert Birthfield at Boerne, and from visits to other South Texas points.

Editor Here
 O. C. Harrison, editor of the Baylor County Banner at Seymour, visited his sister-in-law, Mrs. E. W. Harrison over the past week end. Mr. David Harrison, son of Mrs. Harrison, and his family of Farwell, were Mrs. Harrison's guests Sunday.

Miss Purva Jean Daniel of Dimmitt was in Hereford Saturday to visit her aunt, Mrs. Jack Wright and family.

Thanks Friends....

In announcing the sale of the Hereford yard to the Hereford Lumber Company, this organization wishes to express its appreciation for the patronage and friendship shown by the people of this territory to the Panhandle Lumber Company during the time it has operated in Hereford. It has been our purpose to serve you well and efficiently down through the years.

In turn, we feel that through long years of experience Mr. Dave Alexander, who has been made manager of the Hereford Lumber Company, will continue to serve you in a manner which will please you. Most of you know Mr. Alexander and appreciated his service during the years he operated the Hereford Yard for this company. Any courtesies or business you can offer the new company will be appreciated by us.

Books of the Panhandle Lumber Co., Inc., will still be in the yard — and Mr. Alexander and Mr. Buckner will be glad to issue receipts for any payment made on accounts due us.

K. C.'s Hang Out
 June 12—The IOOF handed the league the first shut-out of the season when they blanked the Laundry 8 to 0. Stagner pitching for the Odd Fellows allowed only three hits, one in each of the first three innings and his team mates misused four times but none were costly. Vaughn, Laundry first baseman got two of the three hits allowed. The IOOF left eight Laundrymen on base. The closest the Laundry ever was to scoring was in the first inning when they had three men left on base.

The IOOF in the meantime scored two an inning for four innings. Led by Ted Young who had a single and a home run the Oddies gained five hits and six walks from the Laundry pitcher. Score by Innings: R H E
 Laundry 000000 0 3 8
 IOOF 222020x 8 5 4
 Batteries—Laundry, W. Guthrie, Wilson and Terry; IOOF, Stagner and Roberson.

June 13—Holding the Lions scoreless until the fifth inning, the Knights of Columbus cleaned them 8 to 3. The K-C scored five times in the third inning to start their tallying. The runs came from five hits and five Lion errors. They then continued to score three more runs in the next two innings.

The K-C playing two-error ball, held the Lions to three runs the first one coming in the fifth inning. It was followed by two

more in the sixth. In the last frame when five runs were needed to tie, the K-C took the Lions three up and three down. Louie Dupnick, K-C catcher, led the victors with a double and a home run for three times at bat. L. Loerwald had two singles for three times to bat. The Lions were let down with only five hits. It was the first defeat of the season for the Lions.

 Lions 0000120 3 5 6
 K-C 005120x 8 11 2
 Batteries—Lions, Springer, Willoughby and Jones; K-C, H. Loerwald and Dupnick.

Lions Hold Lead
 June 8—The Lions after finally ending a last inning rally by the IOOF won a slugfest 14 to 11. It looked like it was another win for the Lions with no trouble for the score was 14 to 3. The Odd Fellows however, came up to score eight runs from six hits, a walk and an error which chased close to the showers in favor of Willoughby. Springer had pitched the first six innings effectively allowing only three runs and four hits.

The Lions scored in every inning but one, including a five-run rally in the last inning. They collected eleven hits which was one more than their opponents. Charles led the Lions with a single and two doubles for four times to bat. Sowell, McCollum, and Johnson had two hits apiece for the losers.

McCormick-Deering 8, IOOF 7
 June 9—Although out to 11 to 9, McCormick-Deering took the Odd Fellows 8 to 7. The Deering bunch did all of their scoring in three innings. McCormick-Deering led all of the way, but IOOF gradually crept up until they were in one run of their opponents. McCormick-Deering, however, held them scoreless the last inning with two close plays at first base. Coffee allowed eleven hits and

this coupled with seven team-mate errors made the IOOF's seven runs. McCormick-Deering scored their runs from nine hits and nine errors.

Bell, V. J. Fuller, and Daniels collected two hits each for the victors. Three Odd Fellows had two hits apiece also. **Score by Innings** R H E

PICNIC IS HELD AT STATE PARK
 An old-fashioned picnic sponsored by the Pep Class of the First Christian Church was their first outdoor event of the season, was held at Hereford State Park Monday evening.

Hot-dogs were roasted in the fireplaces and added accompaniments of an outdoor feast were enjoyed.
 Mrs. A. Petersen, class president, headed the arrangement committee composed of Frances Dameron and Harry Seed.

BILL MONTGOMERY IS OFF TO FAIR
 Bill Montgomery, grandson of Mr. and Mrs. J. W. Alexander, left for Amarillo Friday, where he joined a group Monday for a trip to the New York World's Fair. Two bus loads of young people, sponsored by Amarillo teachers, made the trip with stop-overs scheduled at places of interest along the way.

Bill was a member of the May graduating class of Hereford High School and the trip is a graduation present from his mother, Mrs. Fayé Montgomery of Amarillo.

WICHITA FALLS GIRL IS BRIDE OF FORMER HEREFORD RESIDENT

Simplicity was the keynote of the marriage rites read Thursday morning, June 8, to unite Miss Christine Carter, daughter of Mr. and Mrs. J. E. Carter of Wichita Falls and Mr. Thurman Hawkins, son of Mr. and Mrs. D. W. Hawkins of this city.

The wedding took place at the home of the bride's parents, with the Rev. J. I. Gregory, pastor of the Highland Heights Baptist Church, officiating.

With only relatives and close friends present, the couple stood before an improvised altar banked with palms, fern and baskets of peach gladioli.
 Miss Erma Lee Shirley was the bride's only attendant. Herbert Hausler was best man.
 The bride wore navy blue with white accessories and her flowers were orchids.

The bride graduated from Wichita Falls High School and is a graduate of North Texas State Teachers College at Denton.

Mr. Hawkins is a graduate of Peabody College in Nashville, Tenn. He has resided in Wichita

Falls for a number of years. After a short wedding trip the couple returned to Wichita Falls where he is connected with the Texas Prudential Insurance company.

WYCHE HDC HAS HOME MEETING

The Wyche Home Demonstration Club met in the home of Mrs. Ray Wilhelm last Thursday afternoon, and the meeting was called to order at 2 p. m. by the president, Mrs. Ira Ott. Business included a report by Mrs. Ott and a discussion on garden insurance. A community picnic was voted into existence.

Refreshments of a delicious nut cake and a lovely white cake with a cream icing and punch were served to the following

members: Mrs. N. G. Elliston, Mrs. Ira Ott, Mrs. N. B. Saxon, Mrs. Gus Thiele, Mrs. R. C. Valentine, Mrs. Dock Roberson, Mrs. Bessie Mitchell, Mrs. H. B. Elliston, Mrs. Edwards, Mrs. Boeskin, Mrs. Reinhart and Armella, Mrs. Andrew Gilliam, Mrs. Geo.

Mrs. Pat Lawhon To Serve As New Girl Scout Head

The Hereford Chapter of the Girl Scouts of America has recently been re-organized under the supervision of Mrs. Pat Lawhon. Mrs. Lawhon replaces Miss Robbie Foster, formerly a teacher in the Hereford High School.

In the several meetings that have been held since the re-organization of the group, the following officers have been selected: president, Betty Jo Kendall; vice-president, Rena Rae Renfro; treasurer, Mattie Louise Lawhon; secretary and reporter, Billye Self. Two committees are to be appointed by the president. Five patrol officers have been elected, who will each be in charge of a patrol to be under the direction of a scoutmaster.

Several outings are planned for the summer, including hikes, picnics and swimming parties.

Up to the present, all meetings have been held in the District Court Room, but the girls still express high hopes for a Girl Scout Hut in the not too distant future.

Y. W. A. WILL PICNIC TONIGHT

A picnic and frolic for tonight was planned at the regular meeting of the Y. W. A. of the Baptist Church held at the home of Thornton Shirley Monday evening. Mrs. Jack Roberson, sponsor, has made arrangements for the outdoor affair.

Dorothy Nell Adams led the Monday evening program which dealt with "Stewardship."

Mrs. Billie Roberson gave a talk "As I View Giving." "The Tale of a Happy Dollar," was told by Mrs. J. W. Cockrell. A violin duet was presented by Misses Dorothy and Inez Funderburg.

After a social hour, refreshments were served to Dorothy Nell Adams, Avis Matthews, Imogene Roberson, Dorothy Funderburg, Molly Jo Roberson, Audrey Cockrell, Mesdames J. I. Funderburg, Billie Roberson, J. W. Cockrell, Travis Caraway, Jack

Roberson and the hostess.

SUMMERFIELD W. M. S. HAS PROGRAM

The Woman's Missionary Society of the Baptist Church of Summerfield was entertained with a Mission program at the home of Mrs. B. E. Roberson, last Thursday afternoon.

The program which centered around the chief aims of the organization had to do with "Missionary Education of Young People," the necessity for such education, the result of missionary education and the present day need for graded W. M. U. work. The Margaret Fund, a fund for financing young people in W. M. U. summer camps and assemblies, was discussed and explained. Mrs. A. B. Routh was leader.

The Bible Topic, "The Responsibility of Parents," was taken from the 44th chapter of Genesis and the 6th chapter of Deuteronomy and conducted by Mrs. B. E. Roberson.

Others taking part on the program were Mesdames Walser, Ky Lawrence and Lee Kendall.

MRS. DYAR IS HOSTESS FOR W. M. S.

Mrs. C. H. Dyar was hostess for the Woman's Missionary Society of the Christian Church at the regular meeting held Wednesday afternoon, June 7. Mrs. Clara Nance was assistant hostess.

The program theme was "The Tie That Binds," with Mrs. Earl Phillips in charge of the lesson. After the Scriptural reading and responsive prayer led by Mrs. Phillips, Mrs. H. M. Redford read a paper on Missions and Missionary Achievements.

Following the devotional given by the leader, Mesdames Woodson Harris and A. Petersen entertained with a vocal duet.

The work of the Church in India, was discussed by Mrs. Ellis Coombes.

Three projects in which the group might engage were explained by Rev. H. M. Redford. 1—To aid in the church work at Wellington; 2—To aid in a church project at Texas Tech, and the one adopted by the organization—to give assistance to the Mexican Mission in Amarillo. About twenty members were present.

Mr. Coombes, who recently opened the garage here, has been in the automobile business since he was 16 years of age, and except for 18 months during the World War, has spent his entire life in the business, and inviting his old friends to visit the new location said that they can expect the same type of service he has always given them.

Mr. Charles came to Hereford 18 months ago and purchased the Hereford Insurance Agency, which he has operated since that time. He was associated with the automobile business for six years.

the evening. A very interesting and instructive motion film on the treatment of colon conditions was given by Mr. R. H. Ken- nison of Los Angeles, Calif., following Dr. Morgan's Address.

The meeting was concluded by a general discussion and business meeting at which the main concern was an attempt to arrange for the Bi-Annual Meeting of the Texas Society of Osteopathic Physicians and Surgeons to be held in Amarillo. This meeting will be held in about two months.

Dr. C. A. Thompson of Hereford chairman of the Panhandle Society, considers the meeting, which was the first of its kind in Hereford, to have been quite successful. Plans to include even a larger representation in the next meeting are being made at present.

First New Wheat

(Continued from Page 1, Sec. 1)

producers were storing their wheat rather than selling it in anticipation of a higher price. Several more loads trickled into the market Thursday, while grain dealers expected the harvest season to begin in earnest the latter part of this week. The harvest peak is expected here around the middle and latter part of next week.

Recent dry weather and hot winds are forcing some growers to cut earlier than they had planned a week ago, but the majority are running just about on schedule. The entire harvest, however, is a full week earlier than in previous years, and few care to make any predictions as to the probable yield. Bitter experience during the past seven years has made Panhandle growers cautious and few will commit themselves until their grain is cut and sold or stored.

Preparations to handle the harvest and to take care of the demands of farmers have been made with optimistic certainty, heat and dry winds notwithstanding, and growers, employees and merchants are ready to meet harvest with eagerness. All know full well that once the grain is ripe it is impossible to cut it quick enough, and, like the sprinter getting set before the signal gun, they are tensely waiting for the wheat to turn.

Rain and Hail Feared. Most people around here have quit wishing for accommodations from Old Man Weather, but the whispered hope that rain or hail will not ruin the near-made crop has crossed the lips of everyone concerned. Cool weather would be a blessing, because continued hot winds will stunt the ripening grain and blight it into a loss in some cases, but if the cool weather must also be wet weather, then all join in preferring the hot, dry variety as the lesser of two evils.

Mary Ann Acker and Evelyn Walker left Wednesday for Vernon where they will visit a week with Doris Elaine Dillehay.

the child plans to attend the Hereford schools during the coming year.

County Superintendent Schroeter announced that in the last meeting of the County Board of Rural Education on June 3, all rural schools in Deaf Smith County were classified as elementary schools. This means that the Board considers all rural schools as not having the facilities to teach above the Seventh Grade, and, hence, that the student cannot receive credit by transfer for subjects above the Seventh Grade if they were taught in a rural school in Deaf Smith County.

that position until June 1, 1939, following his resignation to take the present position.

The yard was purchased by a stock-holding company, composed of local residents and is capitalized at \$30,000 with all stock in this community.

The company expects to continue with a complete line of building materials, and with the planing mill which is being reopened for general mill work. Mr. Alexander invited all of his old customers to visit him in the new location, along with others over the community, and said that friendly service will be stressed by the organization.

Fred Hood, manager of the yard since Mr. Alexander's resignation, stated that he will likely remain in Hereford for several weeks making collections for the Panhandle Lumber Company; he also said that his headquarters will still be in the offices of the lumber yard.

tomato-packing plant and the citrus fruit orchards at Fredericksburg. They will not soon forget the crossing of the border into Old Mexico and the quell dinner at Reynoso. At the famous King Ranch near Kingsville, they saw 80,000 acres of grazing land, were told of the

experiments there with a new breed known as Sanakatrugis-Africana. Trips into the Gulf with fishing and swimming made the visits to Corpus Christi, Galveston and Port Aransas high spots of interest and enjoyment. The group visited the docks at Galveston.

A total distance of 2,200 miles covered during the course of the trip. On the return journey, many agricultural buildings experimental stations, and projects were visited. All three of the Dawn boys are studying agriculture at West Texas College, and they feel that the trip was very profitable from an educational standpoint. The entire group and the Dawn Community are to be complimented for the promotion of such a valuable excursion among interested students.

blister with a pin — or anything else for that matter. He is now nursing a badly swollen hand and a lanced finger due to an infection and a complicating septicemia which set in after he had picked a small blood blister on his finger with a pin. "I've done it a thousand times," said Shorty, "but this broke me of the habit."

Meade Haffle is all smiles since he returned from his fishing trip to Eagle Nest. He won't say much, but reliable authorities indicate that he could tell some good ones if he were caught in the right mood. One thing is certain; he caught more than he could eat, and he ate until further eating was impossible.

If Hereford officers wanted to make an arrest for failure to park within the painted lanes on Main Street, their biggest problem would be to convince the alleged offender that there are really lines painted on the street to guide parking cars.

In addition to construction of a modern elevator, Pitman Grain Company this week modernized the offices of the business. New steel furniture has been installed to provide more space, and the office is air conditioned.

Hereford is not the only place where it is hot, as anyone can see by picking up almost any paper, but Hereford has its own story to tell. Yesterday the thermometer stayed at around 102 all during the early part of the afternoon, and today the recording at noon was 103—and indications are that the climb will continue.

driven by Ramsey, went out of control on a highway near Tulla. Ramsey was fatally injured, and physicians feared that Mr. Clark's back was broken, but more recent reports indicate he suffered only a severe wrench. Mrs. Clark suffered less serious cuts and bruises on the legs and face.

Deputy Vaughn received severe head injuries, and several ribs on one side were caved in. He regained consciousness on Thursday morning after the accident on the night before, and by noon he was able to tell of the accident. He blamed a low tire or a faulty tire for causing the car to go out of control. He was removed to the Northwest Texas Hospital in Amarillo, Thursday, and latest reports from there are that he is doing well. His condition is reported as good.

-:NEWS AND VIEWS OF THE WORLD:-

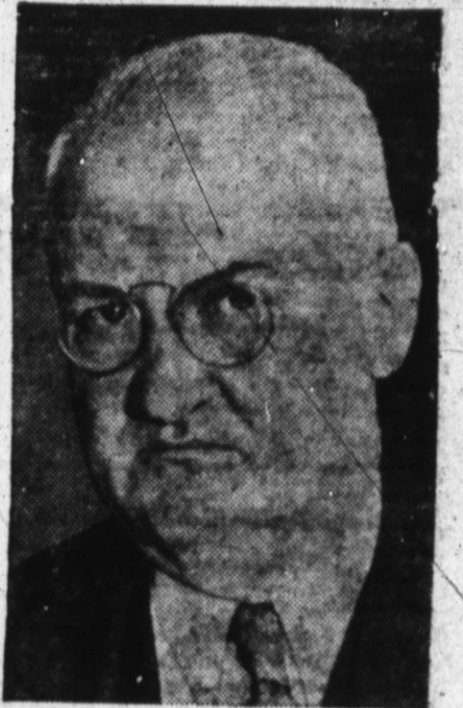

Beautiful Lake Marvin, near Canadian, will be opened to the public next Sunday, June 18, under the sponsorship of the Canadian Chamber of Commerce and Hemphill County. This lake is full and it is one of the most beautiful in the Panhandle. It is the 2nd lake to be opened in the Panhandle by the Water Conservation Authority Lakes Program for the Plains. The first to be opened to the public was Buffalo Lake on May 23.

Mailman May Ask Bird-Housing Project

Tony Plummer, Newport-Balboa, Calif., mailman, peruses his postal guide for the answer to a very baffling question. In a mailbox on his route a mother Innet is rearing four babies. Postal regulations specify that rural carriers must, during the winter, carry ample provisions to feed birds on their routes. But the rules say nothing about housing. Tony has been forced to ring the doorbell and deliver the mail in person, but is thinking of applying for a federal housing project for the youngsters.

JUDGE UNDER FIRE

Martin T. Manton of New York, former senior judge of the United States circuit court of appeals, will go on trial May 22 under two indictments alleging conspiracy to bribe a judicial officer, and conspiracy to obstruct justice. Judge Manton resigned last January after New York District Attorney Thomas E. Dewey charged he, or companies in which he had an interest, had received more than \$439,000 from individuals or companies whose affairs had been before his court.

Puzzle: Find Your Congressman

Members of congress are typical New York World's fair-goers if this picture of more than 100 representatives and their families is evidence. They held a "special session" in a fair stadium to goggle at the daredevil demonstrations of Jimmie Lynch and his automobile death-dodgers. The camera wielding congressman at the left is not reporting for the Congressional Record.

HERO HONORED

The Distinguished Service medal was presented recently to Lieut. Arthur F. Anders, right, hero of the bombing of the U. S. gunboat Panay on the Yangtze river in China last year. The award was made by Vice Admiral John W. Greenlaid, commander of battleships of the U. S. fleet.

First Close-Up Picture of Giant Mirror

For the first time since work started on the 200-inch mirror for the giant Mount Palomar telescope, a photographer gained admission to the lens room at the California Institute of Technology and obtained this striking "close-up" of the huge mirror. Center of the mirror shows a 4 1/4-inch hole through the glass, plugged temporarily for polishing convenience, through which the gathered light may be reflected from an auxiliary mirror to the Cassegrain focus beneath the 200-inch mirror. It will be completed late in 1940.

French Babies Protected From Gas Attack

In the event of war and threat of gas attacks, French babies under two years of age will be protected by means of a respiratory device which is connected with the gas mask of the mother. Not strong enough to open the air vents in a regulation gas mask, they are protected by this means. The baby's covering is made of fireproof silk. Professor Le Mee, left, invented the device.

PROGRESSIVE WORKERS CLUB HAS MEETING

Mrs. Ira Ricketts was hostess to the Progressive Workers' Club on Wednesday, June 7. She was assisted by her daughter, Ira Jeanne.

A number of local and Federated Club committees were appointed at the meeting. Local committee chairmen as appointed by the president, were: Year-book, Mrs. C. C. Bowman, assisted by Mrs. V. E. Dodson and Miss Ira Jeanne Ricketts; Good Cheer, Mrs. Ira Ricketts and Mrs. Lynn Powelson; Subscription chairman, Mrs. Lynn Powelson. Members were appointed as chairmen for the Federated Club committees, and Mrs. Eunice Caldwell was elected as Council Member for the County Federation.

The rest of the afternoon was spent in working on the club quilt.

Refreshments were served by the hostesses to the following members: Mesdames A. S. Higgins, C. P. Caldwell, Lewis Haryey, Lynn Powelson, E. T. Brooks, and V. E. Dodson. Also Mesdames Wilma Higgins, Eunice Caldwell and Rosa Lee Powelson.

Mrs. E. T. Brooks will receive the members at the next meeting to be held July 19. This will be an all-day meeting for the purpose of quilting.

CLASSES ENTERTAIN AT PICNICS

Three classes of the Baptist Church entertained with picnics at Hereford State Park Friday evening.

The Fifteen-Year-Old girls' class with their teacher, Mrs. Ben Wohlgemuth, met at the church and hiked to the park, where the picnic supper was enjoyed.

The Fourteen-Year-Old boys' class, with Ben Wohlgemuth as teacher, entertained the Thirteen-Year-Old boys' class with a wafel roast, after which games were played around the bonfire.

AFTERNOON BRIDGE PARTY IS ENJOYABLE AFFAIR

Spring flowers in pastel tints decorated the entertaining rooms Friday afternoon when Mrs. James Neill entertained at an enjoyable bridge party at the home of her parents, Mr. and Mrs. O. G. Hill.

Four tables were arranged for players, when Mrs. N. E. Milburn was awarded high score prize.

A colorful salad plate was served to Mesdames Woodrow Ireland, Grant Fuller, N. E. Milburn, J. M. Posey, J. T. Gilbreath, Jr., R. R. Willa, Sherman Morgan, Frank Cogdall, Meade Halle, Kellar Muse, Travis Dameron, W. M. Emmons, J. W. Witherspoon, George V. Stambaugh, Ernest Medkief, Miss Gwendolyn Spradley and the hostess.

NOEL BRYANT MARRIES MERKEL GIRL

A wedding of interest was that of Miss Frances Marie Church, daughter of Mr. and Mrs. F. E. Church of Merkel, and Rev. Noel Bryant, son of Mr. and Mrs. D. H. Bryant of this city, which took place Sunday, June 4, at the Methodist Church in Merkel.

Rev. E. B. Bowen, presiding Elder at Stamford, read the impressive rites of the ring ceremony.

The bride who was given in marriage by her father, wore a white candy tuft suit with white accessories. She carried a white prayer book and white carnations. For something old she wore a brooch of her maternal grandmother's, brought over from Ireland. Also a pin belonging to her paternal grandmother, which was over 100 years old.

Miss Bessie Church, sister of the bride, was maid of honor and Cleddie Harvey of Abilene served as best man. Becky Gardner and Sue Grimes were candle maids.

Before the ceremony, Miss Bonnie Church, sister of the bride, sang "I Love You Truly," and Miss Sarah Agnes Bryant, sister of the groom, sang "Because."

Will H. Grimes of Avoca, played "The Rosary," as violin accompaniment, while the vows were spoken.

After the ceremony a wedding breakfast was served to the bridal party at the home of the bride's parents.

Both Rev. and Mrs. Bryant are graduates of McMurray College, Abilene; Mrs. Bryant was a teacher in the Borger Public Schools last year.

Rev. Bryant is a graduate of Hereford High School and attended Texas Tech, McMurray and SMU. He will receive his B. D. degree from SMU in August. He is now pastor of the Methodist Church at Sparsburg, where the couple will be at home after a short wedding trip to points in New Mexico.

HEREFORD GARDEN CLUB GIVES INFORMATION ON PERENNIALS

Information concerning types, time of planting and care of perennials, and which should result in hundreds of these flowers being planted in Hereford, was the topic for discussion given at the meeting held by the Garden Club at the home of Mrs. C. C. Ferguson, Friday afternoon.

Perennials are naturally hardy and inexpensive, as well as beautiful, members of the club pointed out, and school yards, parks and private lawns may be made beautiful with blossoms in any color desired.

Mrs. Homer Brumley said in discussing "Planting the Perennial Border," that the only way to have a successful border is to first make an outline on paper, study plant material, placing each group of plants where they will be most effective from a standpoint of height, color and time of blooming. A border could be made up of plants for spring or fall blooming or of plants which would give a succession of bloom throughout the year.

Mrs. W. A. Dobbins discussed the achillea, the campanula and the shasta daisy, emphasizing the campanula and daisy for use in this section. The best known variety of campanula is the canterbury bells and produce great spikes of bloom in every color. They should be planted in the fall and when transplanted to perennial beds should be given

full sunlight and rich soil. Mrs. Dobbins said the shasta daisy belongs to the chrysanthemum family and may be grown from seed or plant division.

Mrs. F. H. Oberthier told about the dictamnus, dianthus and coreopsis. The dianthus is known as the old-fashioned pink. It is very hardy, blooms early in the spring and is used extensively as a border plant. The coreopsis is one of the best perennials because of its long period of bloom. The flower is yellow with long graceful stem. They too, should be planted in the early fall for best results.

Mrs. John P. Slaton gave information on the lichenis, rock garden plant, which grows from 6 to 18 inches in height with blooms in brilliant colors. She told of the pyrethrum, painted daisy, which has an abundance of pink and lavender flowers suitable for house bouquets, and the peony which is one of the most satisfactory large flowering perennials. It is showy in the garden and beautiful in bouquet arrangement. The peony should be planted in September or October and roots should be purchased with 3 to 5 eyes and planted not more than 2 1/2 inches deep. Peonies should be watered and lightly fertilized after the blooming period and when the foliage dies in the fall the old stalk should be cut and burned. When new plants begin to break the ground in the spring bordeaux mixture should be applied and worked lightly in the soil.

Members present, were Mesdames Homer Brumley, C. H. Dyar, E. Ramey, J. P. Slaton, Mark Hanna, A. O. Thompson, F. H. Oberthier, F. M. Kester, W. A. Dobbins and the hostess. Visitors were Mrs. M. C. Hancock and Nellie Jean Williams.

MISS SWITHER ASSISTS IN OKLAHOMA REVIVAL

Miss Mattie Mae Swisher is in Granite, Okla., where she is assisting in a revival meeting at that place. Miss Swisher is leading the music, and conducting special meetings with the children, young people and adult women each day. From there she will go to Stanton, Texas, to direct a Vacation Bible School for the First Methodist Church before returning to Hereford. Miss Swisher will visit in South Plains towns, after which she will resume her teaching here.

Telephone Teamwork in Texas

Some people are surprised to learn that there are 396 telephone companies serving Texas. The Southwestern Bell Telephone Company is the largest, it is true. But there are others—395 of them—which have the important job of providing telephone service in about 830 Texas towns and cities.

The Southwestern Bell is glad its lines connect with the lines of these other Texas telephone companies, blanketing the state with a

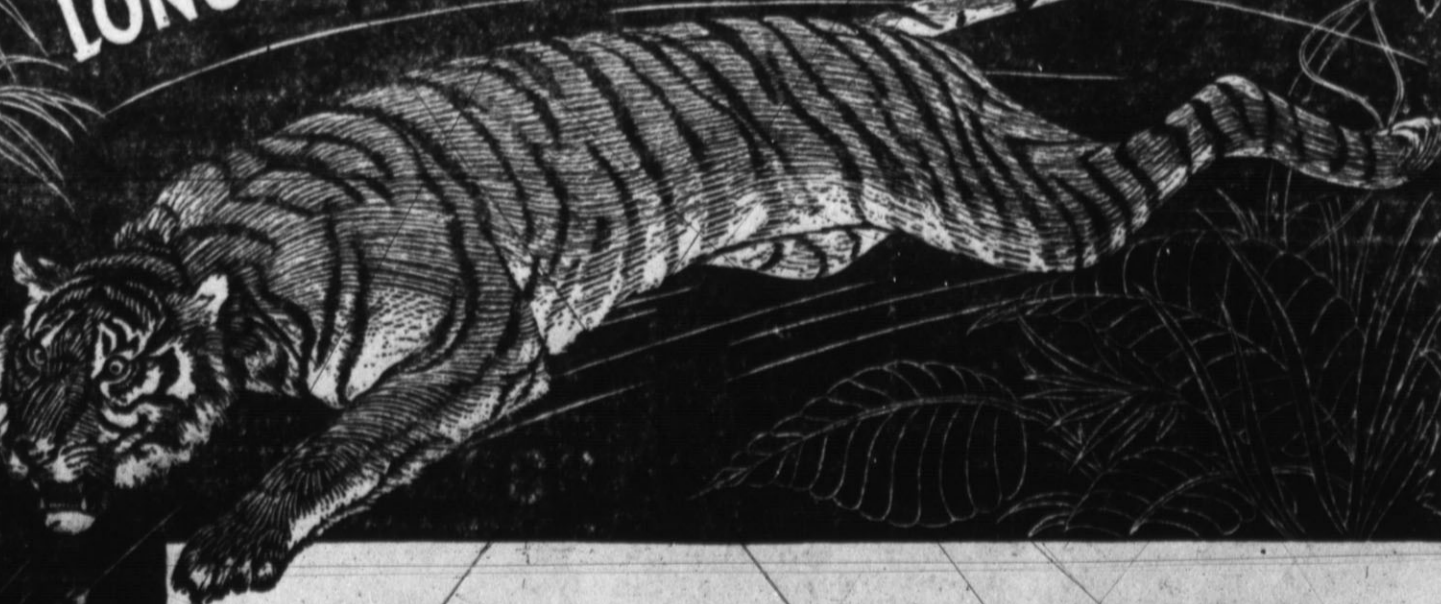

vast network of wires—so that boundaries between companies are not barriers to quick, statewide telephone service.

Through teamwork and friendly co-operation, 396 Texas telephone companies work together to furnish Texas with telephone service that is fast, accurate, and dependable.

Long Distance in Texas is cheap. You can telephone 100 miles for 60 cents (3 minute conversation, day rate, station-to-station).

North Hereford Club Entertains

The North Hereford Club was entertained in its regular meeting on Tuesday in the home of Mrs. G. A. Frye. The chief point in the program was a demonstration and inspection tour of the new dairy barn and equipment at the Bonnie Brumley farm. Pictures of the dairy and of the attending group were made.

Plans for the food sale to be held in the Furr Food Store next Saturday were discussed. Reports were received from the food sale held on June 3. An announcement was made that Mrs. Koelzer will receive a handkerchief shower at the next meeting. The Penny-anna gift was awarded to Mrs. Otto Olson. Mrs. Oscar Vaughn directed the group in games.

The following members were served refreshments: Mesdames Louie Olson, M. H. Koelzer, E. J. Parsons, Oscar Vaughn, Geo. Parker, Frank Wilde, G. A. Frye, C. G. Robbins, Otto Olson, Bonnie Brumley, W. A. Gentry, W. H. Miller, J. A. Pook, and Grady Parsons.

The next meeting will be with Mrs. G. P. Shaw.

HARVEST

Will Start Soon!

... AND WE ARE

READY ...

We expect harvest to get under way within the next few days. Now is the time to begin thinking about where you will market your wheat. Like everyone else, you are looking for a place where you will find Prompt Service, Fair Treatment — and a Personal Interest in Your Welfare. We invite you to visit our complete elevator and mill. Talk it over with one of your neighbors who trades here . . . then give us a trial. You'll become a regular customer — because we are in business to serve you and to Please You!

we want Your WHEAT

We anticipated an early harvest this season, and have completely overhauled our two elevators, in order to be able to serve you better from the very start. In addition, we have under construction our new 325,000 bushel elevator which will soon be completed; this gives us a total storage of around 400,000 bushels — and we believe that we will be in a position to handle your wheat FASTER, BETTER and EASIER than it has ever before been handled in Hereford. New scales have been installed in order to take care of your large trailers, and our Fast, Modern Dumps will unload your wheat in Record Time. We realize that time is an important element in such a manner as to Save You Money by Saving You Time! Frankly, we expect to keep most of the wheat we buy right here in Hereford — for use in our big Flour Mill. We want you to feel that when you bring your wheat to us you are in reality selling it to your own community — because that is what happens. Through operation of our mill, we hope to make Hereford a bigger and better community. We expect to use Your Wheat to mill high quality flour for distribution over the Texas Panhandle and Eastern New Mexico. Remember, when you buy Fraser Milled Flour you are helping yourself and your community — for it is Home Manufactured by a Home Concern that employs Home Labor and Pays Home Taxes.

SHORT COURSE**

A preview of the program for the annual Texas A. and M. College Farmer's Short Course plus the interest expressed by farm and ranch families, has led H. H. Williamson, director of the Texas Extension Service, to predict that the 1939 session will be one of the most successful in recent years.

As in 1938, the current meeting will be divided into two sections—one on July 5, 6 and 7 for 4-H club boys and girls, and a second one on July 12, 13, and 14 for adults. Division of the Short Course allows the institutions to provide sufficient accommodations for the crowds.

The 4-H club program will consist of selection of outstanding club members, talks by representatives to the recent National 4-H Club Encampment at Washington, D. C., social activities, and will be climaxed by the colorful ceremony of the gold star awards to the 100 boys and 100 girls selected for this honor.

The theme of the adult program will be land use planning with farm people taking the major part. Guest speakers will be headlined by A. F. Lever of South Carolina, former congressman who was joint author of the Smith-Lever bill on which extension work is based. Walter Jenkins of Houston will again lead the group singing.

Letters From THE PEOPLE

The Hereford Brand, Hereford, Texas.
Dear Sir:

I noticed your incomplete news item in reference to Sammy Hershey, Springfield, Colo., who had a close call of losing his life on the morning of the 7th of this month, while visiting in this community. That other children and parents may know the danger of our high lines, I wish to add that Sammy could not have done what he did a hundred times more and got away with his life.

The following are the facts: Sammy climbed the anchor wire to a bank of 10 KVA transformers, which were fed directly from the 12,500 volt line through the buses into the transformers. Sammy was standing on the center transformer and came in contact with the middle bus. The shock was so violent that it knocked him off the transformer, which was the only thing that saved his life. He fell 20 feet to the ground, unconscious from the shock. After recovering, he walked one-half mile to his grandparent's home, after which he was taken to the hospital at Hereford.

Sammy had been warned a number of times to stay away from the electric wires, and the well connections, but Sammy being a regular boy, desired more information, and he got it. We are very thankful that his life was spared, and hope this will be a warning to other boys to stay away from all electric wires and connections, as they are very dangerous.

Many people are killed in many ways every year, largely from carelessness. Many are killed by electricity. Electricity is a great servant of man when it is kept under control, but in the hands of the uninformed it is very dangerous to life and property.

Very truly yours,
H. V. HENNEN,
Project Manager,
Deaf Smith County Electric
Cooperative, Inc.,

Demonstration Council Meets

The Deaf Smith County Home Demonstration Council met in regular session Saturday afternoon with Mrs. Louie Olson, chairman, presiding.

Mrs. Olson fills the vacancy caused by the resignation of Mrs. R. A. Frye of Dawn. Mrs. Ira Ott, Wyche, was elected vice-chairman. A report of the meeting of the District Home Demonstration Association held in Amarillo recently was given by Mrs. Ott.

Mrs. J. T. Guinn, Messenger, was elected delegate to the Senior Short Course at College Station, July 12-14. Mrs. Frank Wilde, North Hereford, was elected alternate delegate. The North Hereford Club is sending Mrs. G. A. Frye to the Short Course. Elected as delegates to the Texas Home Demonstration Association meeting at Lubbock in September were: Mrs. R. A. Frye, Alternate, Mrs. J. W. Hulse, Bippus, Mrs. R. L. Coonauger, Wyche, alternate Mrs. Olson; Mrs. Ott, alternate Mrs. Frank Wilde.

Miss Sadie Lee Oliver, Home Demonstration Agent, announced a meeting of the home demonstration club reporters and prospective club photographers to be held Saturday June 17, 3:00 P. M., at the courthouse when a guest speaker from the Randall County Photographers Club will be present.

Among those present were: Mrs. J. W. Hulse, Mrs. Clinton Homfeld, Bippus, Mrs. Guinn, Mrs. R. J. Coleman, Messenger, Mrs. Wilde, Mrs. Frye, Mrs. Olson, Mrs. E. J. Boeskin, Wyche, Mrs. Mrs. G. S. Nine young boys and girls from Dawn have been attending the vacation Bible school at the Hereford Baptist Church. These included: Mary Olive Frye, Sarah and Doris Smith, Lilly and Billy Burum, Joe Jed, Wilma Jean Junior and Joy Miller.

Mrs. M. H. Burum visited in

the home of Mrs. Cecil Hodges at Hereford last Tuesday.

Mr. Roger George and wife were visiting in Dawn last week. Mr. George recently married, was at one time a teacher in the Dawn Consolidated Schools. He is attending summer school at Canyon at present and is a member of the Santa Anna school faculty. Mr. George has many friends in this community who are interested to know of his location and present position.

Mr. and Mrs. L. A. Murphy and sons visited Mrs. Murphy's parents, Mr. and Mrs. W. J. Sanders in Canyon last Sunday.

Charley Benton has been employed as weigher for the Great West Elevator at Dawn for the summer.

Miss Inez Miller was a Canyon visitor Friday.

Mr. and Mrs. William Wimberley visited in the home of Mrs. Wimberley's parents, Sunday.

AN OLD LINE

LEGAL RESERVE FAMILY POLICY

We have made arrangements with the Republic National Life Insurance Company, an Old Line Legal Reserve Company, to provide good, sound protection in amounts from \$100.00 up, either individually or as a family group AT A VERY LOW COST. Premiums are payable at our store. This Legal Reserve Family Insurance plan has many advantages over the usual burial protection provided by Mutual Burial Associations.

The Principal New Features of this Policy are:

1. Level premiums — never any increase in rates — non-assessable permanent insurance.
2. Cash and loan values, paid up and extended insurance, beginning at the end of the third policy year.
3. Provides payment of DOUBLE the face amount of the policy in the event of accidental death.
4. Pays face amount of policy in event of accidental loss of both hands or both feet or one hand and one foot or the loss of sight of both eyes, AND IN ADDITION, gives you a fully paid-up policy for life for the face amount of the policy.
5. Pays one-half of the face amount of the policy for accidental loss of one member of the body AND IN ADDITION gives you a fully paid-up policy for life for one-half the face amount of the policy.
6. If the premium payor of the policy is totally disabled beyond sixty days, no premiums are collected BUT THE POLICY REMAINS IN FULL FORCE.
7. A signed emergency draft for \$100.00 attached to policy which we will cash immediately in case of death, on any policy in good standing.

I laugh at weather
SO DOES MY MOTOR!

"No Red Flannel Underwear for me . . . I dress to match the weather . . . I switch to shorts when winter days are warm . . . shake the mothballs out of my polo coat when June nights are cold."

That goes for the gasoline I use, too. I always fill up with Phillips 66 Poly Gas, the modern gasoline that is custom-tailored to fit changes in climate. Am I tickled with the way my motor runs since I discovered this wonderful gasoline? . . . I'll say.

"And talk about mileage! I read in the ads that Phillips 66 is matched and re-matched to the weather every month, more accurately than any other motor fuel. So maybe that's the reason. Or maybe it's because Phillips 66 is high test, or because it has those extra power units added by the scientific Poly process."

"All right, forget the reasons, if you like. But try a tankful of this powerful Phillips 66 Poly Gas . . . and see if your motor doesn't run cooler, quieter, peppier, and faster . . . and figure up the extra miles you get . . . all without paying a penny extra."

GIVES INSECT
CONTROL TALK**

"Insect control methods depend upon the life cycle and the feeding habits of the insect to be controlled," stated the County Home Demonstration Agent at the Walcott 4-H club meeting on June 7 at the home of Mrs. M. B. Luttrell. Calcium arsenate should be used on food plants rather than lead arsenate since lead is poisonous to people. It should be mixed with three or four times as much lime to prevent burning of the foliage. Use sparingly and wash off well before using as food.

Since the meeting Mona Jean Luttrell has made a print dress and a sun back dress.

Refreshments were served to: Misses Zellene Kuykendall, Mary Gonzales, Lilly Gonzales, Patsy Jean Hammock, Mary Evelyn Hammock, Marcia Lue Luttrell, Mona Jean Luttrell, Nelda Kuykendall, Mrs. M. B. MRS. R. H. JOHNSON

We had a light mist of rain Monday morning but it soon blew off.

We are needing rain badly for the row crops. It would also be of benefit to some wheat, while most of the wheat is ripening and harvesting will begin in the next two weeks.

Cecil Guseman has drilled a new well on his ranch and is drilling on the second one. The first proved to be a fine one and he is drilling in the hopes of striking the same lake of water about three-fourths of a mile northwest of the other.
