

AROUND TOWN

Sights and Faces Seen

Seen on the street: F. H. Oberthier, looking very conspicuous in a straw hat Saturday afternoon.

Paul R. Beck, publisher and business manager of the Daily Blade-Tribune at Oceanside, Calif. was a Hereford visitor Monday. He was interested in land north of town.

David Perry is working now for Miller Auto Store, taking the place of Mr. Crame, who has a job in Portales. Mr. Perry comes from Brownfield where he was in the garage and repair business. Mrs. Perry joined him Sunday.

WANTED: Anyone with lots of nickles is cordially invited to drop in at the county agent's office.

NEWS NOTE: The cold drink machine in the courthouse is doing a nice business.

Frank Ashlock is building a new home in Northeast Hereford. The frame structure will have three rooms, bath and basement and a double garage. The house will be painted white, trimmed in red.

The new 40x75 foot barn of the Cream O Plains Dairy is nearly finished. The building contains a bottling room, another room, and a milking room with 14 stanchions. The engine and store room is outside the building. No cow can get within 200 feet of the building except at milking time. Dick Walker said. Its own (Cont. on Page 8, Sec. 1)

Everhot Roasters To Be Demonstrated Monday Afternoon

That a demonstration of Everhot Roasters will be conducted Monday, May 13, at 2:30 p. m. in Hereford offices of the Texas-New Mexico Utilities Co., was today announced by Alton Miller, Manager. Mrs. Thorne, home economist for the company will have charge of the demonstration.

"All ladies of this territory are invited to attend the demonstration," Mr. Miller said. "We feel sure that this feature will prove interesting and educational, and we are glad to be able to bring the demonstration to this community."

Clennen Takes Charge Of Firestone Dept. Of Davis-McCracken

Davis-McCracken this week announced that Ralph Clennen has been employed as head of the Firestone tire and accessory department which was recently installed by the firm.

New display shelves are being completed by the dealers, who said that they will carry a large line of automobile and tractor tires in stock at all times. In addition to the wholesale and retail store, they will also have retail dealers over this area.

Mr. Clennen needs no introduction in this community, having attended school here and later having worked in the Fox Man's Shop. He invites his friends to visit him in the new location.

School Census Shows Gain In Scholastics

Hereford independent school district lost eight scholastics as compared to the school census last year, but common schools over the county gained 47, making a total increase for the county as a whole of 39 scholastics, according to census figures released this week.

City scholastics were 852, as compared with 866 last year. Common school scholastics were 594 as compared with 547 last year. Total for the county is 1446.

Herefordites Join In Opening Of Buffalo Lake

Several hundred persons from Hereford joined about 15,000 more from all over the Panhandle-Plains area to help in the Formal Opening of Buffalo Lake last week end.

Hereford was officially represented by Bathing Beauty Ruth Harding.

Of interest to persons here was the record by Don Allred, former resident, who won four first places out of a possible seven in the boat racing contests. His wins included first in Class A hydroplane, first in Class B & C hydroplane, first in Class C runabout, and first in free-for-all runabout.

Jim Golding, concessionaire, who is well-known here, had a full program for the two-day affair which ended Sunday night with the Dixie Dice Revue presented on a floating stage.

A motorcycle crash through a board wall and motorcycle trick riding drew a large crowd despite fogging dust stirred up by the thousands of cars which traveled the length and breadth of the park.

Four airplanes made flights over the lake during a large part of the day.

Lee McConnell Is Candidate For Congress

After much deliberation and hesitancy I offer myself as a candidate to fill the place of that outstanding Democrat and leader, Hon. Marvin Jones, although I feel that I have the ability, courage and foresight to discharge the duties of this office that would be commensurable with true Americanism.

I am a native Texan and am 45 years of age. I was born in Lamar County, near Paris in 1894, came to Gray County in the year of 1907 and have lived here ever since.

I have been a life long Democrat, approve in general the New Deal, will support the Democratic nominee in the Presidential election. I believe in liberal democracy of the American type for the benefit of all the people.

I do not know whether I will have any platform at all or not, as my past observation has been that the planks in these platforms decay so quickly and so easily. If I have a platform it will be simple and will not take a Hoover economic dietician to understand it.

Many people have asked me my stand on the present Governor's race. My frank statement is that the present Governor, W. Lee O'Daniel, will be highman (Continued on Page 7, Sec. 1)

Poppy Day To Be Observed Here May 25th

Poppy Day will be observed in Hereford and throughout the nation on May 25, the Saturday before Memorial Day. Mrs. Jim Lipscomb, president of Post 192 of the American Legion Auxiliary, announced today. On that day all Americans will be asked to wear memorial poppies in tribute to the World War dead and to aid the living victims of the war.

The little red memorial flowers will be distributed here by women and girls of the Legion post unit, under the direction of Mrs. Glenn Weir, chairman of the Poppy Day committee. All contributions received for the poppies will go to Legion and Auxiliary welfare work for the disabled veterans, their families and the families of the dead.

"We feel that Poppy Day will have increased meaning to America this year," said Mrs. Lipscomb, "because renewed warfare in Europe has renewed the memory of those boys of ours who gave their lives 'over there' twenty-two years ago. It is for them that we put on the poppy (Cont. on Page 8, Sec. 1)

Former Mayor

S. B. Edwards, third mayor of Hereford, died Friday in Ft. Worth after a long illness. He was president of the First State Bank and Trust Co., here and supervised installation of Hereford's Water Works system. The above picture was made when he was a young man.

S. B. Edwards Dies After Long Illness

S. B. Edwards, prominent business man and third mayor of Hereford, died last Friday evening in a Fort Worth hospital after a long illness.

Mr. Edwards came to Hereford about 1906 and served the city as mayor during the years 1908 and 1909. On May 8, 1909 he was made second vice-president of the First State Bank and Trust Co. During the same year, on September 13, he was elected president, succeeding W. B. Beach, thus becoming second president of the bank. He held this position until February 18, 1913 when he was elected chairman of the board of directors. Soon afterwards he disposed of his interest in the bank.

As mayor of Hereford, Mr. Edwards is reported to have pushed a vigorous program of walk building and tree planting and it is said that during his administration more walks were laid and more trees planted than in any other similar period. He also supervised installation of the water works system.

While here he also engaged in the real estate business. He lived next door west of Alec Thompson during that time.

About 1917 the Edwards moved to Kansas City, where he engaged in the oil business for about nine years before moving to Fort Worth. In that city he ran for City Council in 1933 and (Cont. on Page 8, Sec. 1)

Garner Favored By Delegates To State Demo Meet

Four Garner-instructed delegates to the State Democratic Convention to be held at Waco May 28, were elected Tuesday afternoon at the convention held in the courthouse. They are W. E. Dameron, Robert L. Thompson, E. M. Haff, and E. S. Ireland.

Rural Seventh Grade Exercises Set For May 17th

Graduation exercises for the seventh graders of Deaf Smith County rural schools will be held Friday evening, May 17, at 8:15 at the high school auditorium. A. J. Schroeter has announced.

The principal address will be made by Rev. James Aiken, Jr., pastor of the First Presbyterian Church. A short program will be given in the form of motion pictures in color of Deaf Smith county schools and pupils. Diplomas will be presented by Mr. Schroeter.

Rain Whips Off Blitzkrieg Of Hot Weather

Rain and cloudy weather Tuesday, Wednesday and this morning broke up a blitzkrieg of hot weather which sent temperatures soaring into the nineties over the week end; and brought needed moisture to thirsty fields in the west, northwest and northern parts of the county.

Rain in Hereford was measly, amounting to only .08 of an inch but in other parts of the county estimates ranged as high as four inches.

The rain was spotted. Westway received .12 inches. Nine miles west of Westway 2 1/2 inches was reported by Buren Sowell. Ward got 1/2 inch; Ford 2 inches. A "good" rain was reported from Walcott and Bootleg. A sprinkle was reported from Adrian, while Vega received none. Rain was reported north of Dawn.

Effect of the rain on dry-land wheat is somewhat questionable as most of the wheat had been suffering severely from the dry weather. Most of the moisture fell in the dry-land farming area of the county.

Be Sure You Are Counted; Census Nearly Complete

Have you been missed in the census?

If you have not been enumerated, then phone 368-W or see Mrs. Doyle Rose this afternoon or tomorrow (Friday). Any person left out means that Hereford's census report will be just that far from being accurate.

Some Panhandle towns are showing a decrease in population. If Hereford should show a decrease, it certainly should not be because all persons could not be found.

So far as the house to house canvass is concerned, the city census is complete. Mrs. Rose reported Tuesday. Not all rural areas were complete at that time.

No figures on Hereford's population will be released except through the district office at Amarillo, Mrs. Rose said.

Asks That C-C Postcards Be Mailed Back

Reporting that approximately half of the double postcards sent out by the Chamber of Commerce has been returned, Secretary E. B. Posey, urged that cards still out be mailed by May 10, if possible.

The cards which are to be mailed back to the Chamber are stamped and addressed. On the back of each is a list of 14 men who are candidates for directors of the organization for 1940. Seven of the 14 are to be checked.

Hereford Band Winners Leave Today For Waco

Cliff Estes, Myron Morgan and Glenn Smith, winners of national ratings in the State Band contests held at Plainview last month, leave today for Waco where they will enter the national contests this week end.

Ralph Smith, band director, and Mrs. Cliff Estes, accompanist, went with the boys. Cliff Estes plays the baritone horn, Glenn Smith the cornet, and Myron Morgan, the bass clarinet.

Funds to send the students to Waco were raised last week in a cakewalk sponsored by the Band and Orchestra Parent's Association.

Candidate

Tom V. Ellzey, above, of Perryton, has announced this week that he is a candidate for Congress from this district.

Tom Ellzey Enters Race For Congress

Tom V. Ellzey of Perryton, Ochiltree county rancher, also widely known through his work with youth through the famous L Z boys ranch, which operates eight weeks in the summer, is formally announcing his candidacy for congress to represent the 18th district and to succeed Marvin Jones.

For 15 years he has run a boys summer camp and has enabled many boys to get their first touch of ranch life, as well as give them a good influence.

Long an outstanding lay church leader, Ellzey has been primarily interested in conservation of youth. It was as a young man in Kiowa County, Okla., while he was president of a county Sunday school organization that he met the young woman who is Mrs. Ellzey today.

In order to devote his time to the congressional race, Ellzey has turned the management of the ranch and of the boys camp this summer, over to his son, Lawrence, who is also widely known in the Panhandle area.

Conservation of natural resources, conservation of soil and conservation of youth are planks in his platform. He has been ranching nearly a quarter of a century in the Panhandle and feels that he is thoroughly competent to talk the language of the people of this section in congress.

ISSUES STATEMENT

Ellzey issued the following statement in connection with his candidacy:

"I was born in California and was reared in Texas. I came up the Chisholm trail as a little boy with my father from Limestone county to Greer county then a part of the Panhandle of Texas. When I was 14 years old I began to make my own way as a notion boy in a department store.

Since then I have served as a cashier in the same firm, ridden the line, batched in a dugout on the Kiowa Indian Reservation (Continued on Page 2, Sec. 1)

Committees Are Named For WPA P and S Week

With appointment of committees, plans for celebration of "This Work Pays Your Community" Week, May 20-25, near completion. The week is sponsored by WPA Professional and Service projects and will begin the night of May 20 at 6:30 in the district court room with a kick-off supper. Workers, clubs, federal agencies, schools civic officials and other organizations will be invited to attend.

Local committees are composed of Mrs. Lavina C. Gilliland, general chairman; Arrangements, Judge A. J. Schroeter; Publicity Mrs. Dyathis Brady; Program, Mrs. Clara McLean; Supper menu, Mrs. C. Ora Cockrell.

The week is a national celebration. Main features of the supper will be an address over a nation-wide hook-up by Mrs. Ellzey (Cont. on Page 8, Sec. 1)

Postoffice Dedication Plans Pushed; Work Nears Completion

All Except A Prexy Elected By Lions Club

Election of officers at the Lions Club yesterday saw all officials elected except the president. Alton Miller and Jimmie Gillentine are in a runoff election which will be held at the regular meeting next Wednesday.

Officials elected at the meeting yesterday were Dr. R. R. Wills, 1st vice-president; Rev. James Aiken, Jr., second vice-president; Jesse Stanford, third vice-president.

G. W. Newsom and Homer Henslee were elected directors for the club.

Other officers are Jim Robinson, tall twister; John McLean, secretary; Robert Thompson, treasurer; and C. F. Moore, Lion Tamer.

Benefit Dance Sponsored By B&PW Club

A benefit dance, proceeds of which will benefit the Campfire Girls and the Central School Cafeteria, is sponsored by the Business and Professional Women's Club, Tuesday evening, May 14 at Firemen's Hall.

Don Isidro and his orchestra will play for the occasion which begins at nine o'clock and continues according to the pleasure of the dancers.

County Singing Convention To Meet Sunday

The Deaf Smith County Singing Convention will meet Sunday at Westway for an all-day session which is expected to attract singers and lovers of good music from over a large section of the Panhandle. Cecil Boyer, secretary of the county organization, has announced.

The singing will get under way at 10 o'clock Sunday morning. There will be dinner on the ground at noon.

Millard Gregory is president of the association.

Witherspoon To Swap Benches With Nelson

District Judge James W. Witherspoon will exchange benches with Judge E. C. Nelson of Amarillo next week during trial of the Jerry Nowlin murder case at Dalhart.

Judge Witherspoon held court in Dalhart last week and is holding court there this week. Exchange of benches is due to the fact that Judge Witherspoon prosecuted Nowlin in a trial last year.

Club Boys To Meet Saturday At Courthouse

Four-H club boys of Deaf Smith county will meet in the district court room Saturday afternoon at 2:30 o'clock. Hugh Clearman, assistant county agent has announced.

"Every 4-H club member is urged to come and bring a buddy with him," Mr. Clearman said.

Various phases of club work will be discussed. Some of the boys have talked about organizing a softball team, and this topic will be brought up at the meeting.

Plans for formal opening of Hereford's new postoffice with special speakers and special music on the program, are announced by Jim Lipscomb, postmaster. Date of the opening has been definitely set for May 25.

J. R. Cole, construction foreman, said this morning that work on the building is being planned for completion by May 25.

Hardwood floors are being laid this week. The vestibule is nearly done, and marble setters are at work on the lobby. Grillwork and windows in the lobby are nearly complete.

Lock boxes for the post office have already arrived and will be installed soon. New furniture is on the tracks and in the freight house, ready to be installed.

Workmen this week are rushing landscaping of the grounds, manuring the soil, planting grass seed and watering.

The tool and office building was moved away last week.

Fire Destroys Home of O. L. Rutherford

Fire of undetermined origin last Friday morning destroyed completely the four-room farm home of Mr. and Mrs. O. L. Rutherford about two miles northeast of Hereford. The loss is estimated at \$3,000, only a small part of which is covered by insurance.

The blaze was discovered about 5 a. m. when Mr. Rutherford was awakened by the flames. A neighbor phoned in to the Fire Department and a run was made out to the farm. However, the house was beyond the city-water mains and firemen were helpless to stop the fire.

The family, with neighbors helping, saved a few articles of furniture before the blaze drove them from the house. More might have been saved but the electric wiring was quickly burned (Cont. on Page 8, Sec. 1)

Mrs. Thompson, Pioneer Of Hereford, Dies

Mrs. J. D. Thompson, 74, died here Thursday afternoon at 1:35 o'clock following an illness of over a month. Funeral arrangements have not yet been completed.

Known over this entire section, Mrs. Thompson was one of the early settlers of this community, having come to this county on May 2, 1902. Marlan Louisy Epps was born at Poplar Bluff, Mo., Oct. 21, 1865, and at the time of her death was 74 years, six months and 13 days of age. She came to Texas with her parents in 1876, and on Aug. 4, 1886, she was married to Jefferson Davis Thompson on the banks of Red River in Cook County, Texas.

The Thompsons settled in the Dean Community in 1902, and in 1906 moved to Hereford, where she has since resided. Mr. Thompson preceded her in death, having died here Oct. 18, 1924.

She is survived by five children: Arthur Thompson, Hereford; Mrs. Carrie Sisk, Hollywood, Calif.; Mrs. L. E. Russell, Perry, Okla.; Mrs. Ida Davis, Hereford; and Roy Thompson, Hereford; also a large number of grandchildren.

## Summer Project Work In Home Ec To Be Offered

Tuesday, May 14, at 4 o'clock, in the Homemaking Department of the High School, girls who are interested in summer homemaking work, will have their first meeting. If it is impossible to be at this meeting see Miss Rhita Jean Sullivan as soon as possible. Only those girls who have had homemaking in high school are eligible to participate in the summer work. One half affiliated local credit will be given for a successfully completed project. A total of one credit that may be used toward graduation may be secured in this way.

The summer program may include individual work on any phase of homemaking, selected by each girl according to her needs and interests, group projects, participation in field trips and socials, and the develop-

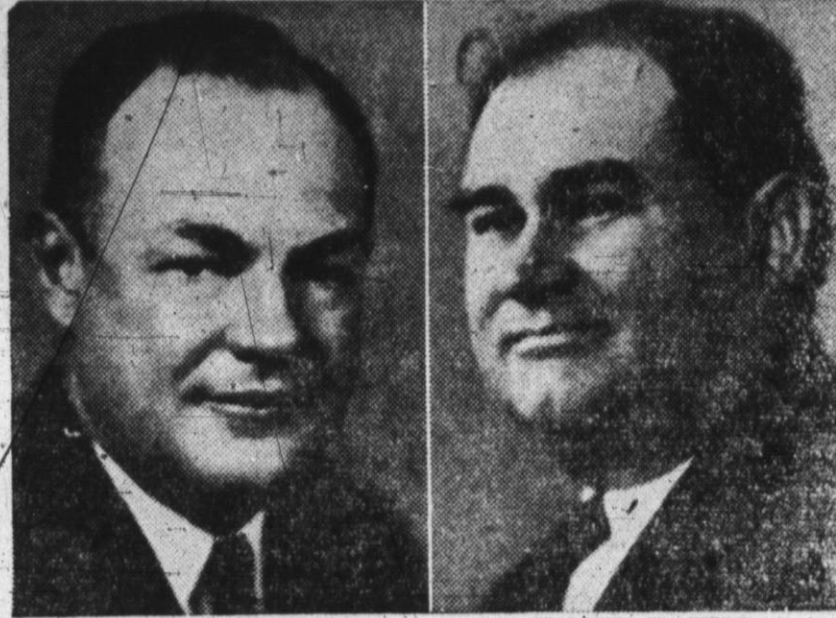

## FSCC Mattress Requirements Made Easier

Restrictions which formerly made it necessary for at least 120 families in a county to qualify for free cotton and ticking for mattress making before any could be issued have been relaxed. Any family that can qualify by being in the "low-income" farm group can get cotton and ticking. Applications may be made now at the county agent's office.

This information was given at a meeting Tuesday morning of a worthwhile hobby.

This work is a part of the regular program of the Homemaking Department of the Hereford High School. In addition to credit given, it offers opportunities for the development of skills, provides a worthwhile manner in which to spend part of summer leisure, and offers some social entertainment.

## Dirt Farmers In Agriculture Dept.

CLAUDE R. WICKARD GROVER B. HILL

Two dirt farmers, with a combined experience of 54 years of farm operation and leadership, are now in the No. 2 and 3 posts of the Nation's Department of Agriculture.

Grover B. Hill, who was named Assistant Secretary of Agriculture in December, has been a Texas rancher and farmer since 1911. Claude R. Wickard, newly appointed Under Secretary of Agriculture, has farmed a general grain and livestock farm near Camden, Ind., for nearly a quarter of a century. Both men have been associated with administrative work of the AAA Farm Program in recent years.

Alabama State Association, and traveled the United States and Cuba extensively in following this work.

I was with H. J. Heinz Co. for 5 years as director of the Growers' Service Department and as personal representative for J. H. Heinz in United States and Canada. While with the Heinz Co. I was sent to Washington to have a special appropriation included in the agricultural bill then before the House of Congress. I got the job done in three days.

### TAKES OVER RANCH

Upon the death of my brother I resigned from the Heinz Co. in order to take over the management of the L Z ranch. On the way from Pittsburgh to the Panhandle I came through Washington and brought a message from the government to the Panhandle, urging the growers to produce more feed and food for the war.

The Panhandle Cattlemen's Association organized a special commission for the promotion of Panhandle food and feed campaign. The commission was composed of Ben Masterson, Pat Landergin, Tom Coble, W. H. Fuqua, Ed Brainard, J. D. Hamlin, Tom Moody and others, and I was made director and manager of this campaign, without salary. I served in this capacity until the close of the war.

In 1918 I was sent to Washington to secure a \$50,000 loan for the wheat growers of Ochiltree county and secured the loan in one day.

And in 1934 when the feed situation became so acute, I went to Washington with Jack Allen, now 84th district judge. We started in at Marvin Jones' office at 9:30 a. m., and by 6 o'clock that evening the emergency feed committee in Washington had started loading 100 carloads of feed for the dust bowl of Texas.

The feed for Ochiltree county arrived in Perryton before Allen and I returned. Thereafter, I rendered service whenever possible in building the present farm and ranch program.

### FOR CONSERVATION

The conservation of childhood and youth, the conservation of the soil, the grass and all other natural resources are fundamentals of an enduring civilization. The fear of God, the love of one's country, and the respect and concern for one's fellow man are as necessary today as they were when a little boy, busy at his father's carpenter bench in Nazareth, wrought out a yardstick, the Golden Rule, which is the only yardstick by which an individual can square his life. The same thing is fundamentally true of a home, a state, or a nation.

If we are going to use that yardstick, we are certainly obligated to provide security for old age with old age pensions. Shipping our boys to Europe to be fed to machine guns, bombs and cannon, is not conserving our youth, and the mothers and the fathers of the nation and of all the world should be on their knees praying God to stay the horrors of war; but I believe that adequate means of defense and preparedness to the Nth degree are two of the major factors in keeping the United States out of war.

### PRAISES NEW DEAL

The New Deal has done more than any other program since the days of our Pilgrim Fathers to make possible the practice of the Golden Rule in everyday living. No one can deny that there are certain details of the New Deal program that should be modified and changed, but certainly it has saved the farmers and ranchers, and therefore all other forms of business interests, in the 18th Congressional District.

## The Young Genius and His Mother

Fay Bainter plays the part of Tom Edison's mother in the picture, "Young Tom Edison," which is showing at the Star Theatre Sunday and Monday. Mickey Rooney takes the part of the young inventor.

the County AAA committee, John Pitman, chairman, Alfred May and Mal Stewart; A. R. Bateman, Miss Sadie Lee Oliver and Miss Doris Leggett, district CHDA.

Applications should be made early because time is limited, it was announced. To be eligible for the mattresses a family must have an income of not more than \$400 in 1939, at least half of which was derived from agricultural occupations. Any kind of farm work counts and the work may be that done on one or more farms. Neither is it necessary to live on a farm to be eligible, it was pointed out.

Families which have already received a mattress from a governmental agency are not eligible to get another.

Mattress making schools will be supervised by Miss Oliver as soon as cotton and ticking are received.

Mother's Day. Everyone is cordially invited to attend.

## The Carriage Waits Without

And that means without wheels, horses or the magnificent appointments it once possessed. The relic of other—and more peaceful—days makes a roosting place for a French poult, whose post is nearby. One of the legends inscribed on the former vehicle warns that "It is forbidden to touch."

Marvin Jones, through the New Deal, has done more for the farming and ranching interests than any other man that has ever sat in Congress.

No man can fill his place, but the need of the hour is to put a man in congress from this district who knows the farming and ranching business from actual experience: who has tilled up cows, worn out tractors, who along with others, has kicked the wolf from the door with one foot and the sheriff with the other during these long years of drought and dust experience.

The world now faces one of the most critical and chaotic conditions that has ever existed in

the history of our nation. No one dares prophesy what may happen in the next four years. For this reason it is imperative that we have as our representative a man who has had first-hand experience in and personal knowledge of the various interests of this Panhandle country.

We do not want to send men to Congress who will take four to eight years to get ready to do their task. We need a man to go to Washington with the fear of God in his heart and courage to start to fight the day he arrives to hold what Marvin Jones has secured for the ranchers and farmers of this district.

**Spring Tonic**  
If you are having a touch of Spring fever and can't scare up an urge to do any thing constructive try some new recipes and see if table cooking isn't more than an art. A good Spring tonic—both for your jaded spirits and for your families' welfare—can be found in this new rhubarb pie recipe, its ingredients as old fashioned as the custom of the American husband to ask his friends to his house for food (which was handed down from the Pilgrim Fathers) and its method of serving as modern as any Spring bride could desire. It is also alluring in color and taste, and remember men eat with their eyes as well as their stomachs.

Mrs. Ray Barber who is a very good cook in any instance, always seems to know how to manage that "come hither" look for her cookery products. She is responsible for this new pie.

**RHUBARB PIE**

Two cups stewed rhubarb  
1 cup sugar  
1 pkg. lime jello  
1 pie shell

Cook until tender two cups of diced rhubarb in two cups of water and add one cup of sugar (or more if desired). Dissolve 1 package of lime jello in the hot rhubarb.

Have already prepared a deep pastry shell which has been baked and set aside to cool. Place the rhubarb mixture in the same pie-pan in which the shell was baked and let set in the refrigerator until thoroughly congealed. Just before serving the pie turn the congealed filling into the shell and sprinkle with nutmeg. Top with whipped cream piled high, dotted lightly with cinnamon. There should be two cups of the rhubarb mixture when you put in the jello for that is about the amount of liquid one package of jello will congeal properly. By congealing the mixture in the same pan used for the crust the filling exactly fits when you get ready to serve. This is an almost perfect climax to a fried chicken dinner.

**RHUBARB CUSTARD PIE**

For those who don't like jello in any form, Mrs. O. E. Sherman has a rhubarb custard pie recipe that is especially appetizing. People who are fortunate enough to be invited out to the Sherman home to eat never seem to forget the good food enjoyed.

Here's the recipe:

- 2 cups diced rhubarb
- 1 cup sugar
- 3 level tablespoons flour
- 3 eggs
- 1 tablespoon melted butter

Cook the rhubarb very slowly without any water. Add the sugar, beaten egg yolks, flour and butter. Cook this mixture in a double boiler until thickened. Pour in already baked crust and top with the stiffly beaten whites of the three eggs to which 2 tablespoons sugar have been added. Brown lightly in a slow oven.

For very sour rhubarb more sugar may be added and if you like strawberries a delightful addition, which pleases the eye as well as the taste, is whole berries dipped in powdered sugar and dotted over the pie just before serving.

## Maine Governor Wins 'Doughnut Duel'

NEW HAMPSHIRE MAINE

Which state can claim honors for being the home of the inventor of doughnut holes? That question was decided in a doughnut-frying contest in Bangor, Maine, between Gov. Lewis Barrows of Maine, right, and Secretary of State Harry Jackson of New Hampshire. Barrows' claim that Hanson Gregory, a deceased Maine sea captain, invented the hole in the doughnut was upheld when he was declared winner of the contest. James Chute, hotel employee, dressed as the sea captain, stands in center.

## Outstanding Women Discussed For Club

Two outstanding women were discussed Monday afternoon at the Lone Star Study Club meeting held at the home of Mrs. E. W. Young with Mrs. Owen Stagner assistant hostess.

The program which dealt with "Women of the World" was the last study program of the club year. Mrs. Jim Higgins told of Madam Chiang Kai Shek in a book review dealing with the early training and life of the noted Chinese woman in the United States.

Mrs. Roger Corbett gave an interesting account of the life of Dorothy Thompson, nationally known writer and columnist.

Mrs. Louie LeGrand presided at the business session when plans for the 1940-41 year books were discussed. Mrs. Jim Williams reported on the year books in which will be outlined a course of study based on four sections of the United States. Namely, the Southern, Western, Middle West and the New England states.

Plans were also made for the club luncheon which will mark the close of the season's activities on May 20.

Members present included Mesdames Ralph White, Earl Phillips, Roger Corbett, Jim Williams, Lawrence Womble, C. F. Moore, Chas. Sowell, Ralph

## Ward News

**MRS. CHARLES B. MILES**

Invitation from the officials of Deaf Smith County Singing Convention has been extended to this community to attend the singing next Sunday, May 12, at Westway school house.

Mr. and Mrs. John Hutson of Borger visited last Sunday with his parents, Mr. and Mrs. Jack Hutson.

Mr. and Mrs. Mark Agee of Amarillo visited Mr. and Mrs. John Higgins Sunday. Mr. Agee and Mr. Higgins are cousins.

Mr. and Mrs. J. B. Anderson of Borger visited Sunday with Mrs. Anderson's grandparents, Mr. and Mrs. Jack Hutson.

Mr. and Mrs. E. Ward moved Monday to the Roy Crutchfield farm from the Bradford place. Mr. and Mrs. Crutchfield and children moved to Amarillo Saturday.

Several families of this community were at Buffalo Lake Sunday.

Mr. and Mrs. George Fort and children moved Saturday from West of the school house to a location on 25 mile avenue.

The hot winds of last few weeks and dry weather have ruined the non-irrigated wheat in this vicinity.

Most all the farmers in this vicinity have their land prepared for row crop planting as soon as sufficient moisture falls. About half inch rain fell here Monday night.

## Bippus News

**ALTA MAE FORTENBERRY**

Our hearts were saddened when we received the message of the death of Mr. Fred Bippus.

There will be no Sunday School Sunday, May 12. Everyone is cordially invited to attend Sunday School May 19 at 2:30 p. m.

A surprise party was given in honor of Mr. and Mrs. Z. J. Steen. A shower of handkerchiefs was presented to them. Refreshments of cake, pie, coffee, and cocoa were served to thirty five persons.

Mr. and Mrs. Webb Adrian, Mr. and Mrs. Richard Evans, Mr. and Mrs. Elmo Pinnell and family went to the opening of the Buffalo Dam Sunday.

The Singing Convention will be held Sunday, May 12, at Westway. This will be an all day affair and everyone is invited to come.

Mrs. George Bippus has been on the sick list this week.

Mr. and Mrs. Will Duncan, of Muleshoe, a former resident of this community visited in the Carl and Jim Persin and J. G. Fortenberry homes Thursday.

## Mrs. R. S. Scott Is Leader For Junior Club

Mrs. R. S. Scott was leader of the program on "Vacation-Time" given for the Junior Pioneer Club meeting held Tuesday evening at the home of Mrs. Buford Crosthwait.

Mrs. Scott gave an appropriate introduction to the program when she discussed an article taken from a current magazine on "See America First."

Two national spots of interest were discussed at length. Miss Edna Daughtee told about the Boulder Dam and Mrs. A. J. Schroeter told something of the sights found in Carlsbad Caverns.

During the business meeting members voted to contribute to the cancer fund, a memorial fund honoring Mrs. Percy V. Pennybacker, late club woman.

Mrs. Elmer Patterson, delegate from the club to the seventh District Federation meet held in Shamrock last week, gave a report on that meeting.

Plans were made for the closing meeting which will be held at the new home of Mrs. Troy Moore on May 21.

Members present were Mesdames Troys Carmichael, Buford Crosthwait, O. H. Cuipepper, Willis Edelman, Meade Halle, Frank Huckert, Fred Harrell, Alton Miller, Troy Moore, Elmer Patterson, Libburn Ray, Elvin Ridling, Ralph Roden, A. J. Schroeter, R. S. Scott, Urilin Streu, R. R. Wills, and Ralph Hastings.

## FRIENDSHIP CLASS IS ENTERTAINED

A covered-dish supper party was the order of the day for members of the Friendship Class of the Methodist Church Monday at the church.

Those in charge of arrangements included Mesdames W. F. Gillis, O. L. Click, and Ray Johnson. Buford Farmer is president of the class and Mrs. H. D. Reed is the teacher.

After the supper Miss Mattie Mae Swisher conducted a Kay Kayser program with Mrs. Elmer Mathies, Buford Farmer, E. Huey and Mrs. Gillis taking parts.

Those enjoying the occasion were Messers and Mesdames Buford Farmer, Carl Jennings, Elmer Mathies, H. D. Reed, Miss Ona Hammer, Miss Ella Aikman, Mrs. O. L. Click, Mrs. W. F. Gil-

## Summerfield Club Closes Season With Luncheon

A business meeting and luncheon held Thursday at the home of Mrs. B. E. Roberson closed activities for the Summerfield Study Club for the present year. Mrs. Lloyd Lookingbill was assistant hostess.

A color scheme of red and white (the club colors) was carried out in the decorations and table appointments. The table was covered with a hand made lace cloth centered with a gaily-colored hat box filled and overflowing with cleverly designed nosegays in the form of dainty little hats. These were used as favors for the guests. Foursome tables were centered with bouquets of red and white sweet peas.

After the luncheon Mrs. Ray Johnson gave an excellent report on the district federation convention held last week in Shamrock.

Annual reports were given by Mesdames B. E. Roberson, Tandy Legg, Leatrice Waiser, A. Behrends, and Lloyd Lookingbill.

Mrs. L. L. Cannon the year book committee report. Others on the committee are Mrs. J. M. Clark and Mrs. D. C. Waiser.

Members voted to donate ten dollars to the Deaf Smith County Library.

Mrs. Tandy Legg gave a review of the book "A Doctor For the People" by Michael A. Shaddid, M. D. She said in part, "This is a story of a great triumph achieved by one man with little support. It is more than the life history of a physician, more than revelations of dark and unwholesome medical practices. It is the dramatic account of the founding of Americas' first co-operative hospital."

Attending were Mesdames R. L. Wilson, Hollis Waiser, D. C. Waiser, B. E. Roberson, Guy Waiser, A. L. Behrends, L. L. Cannon, C. R. Waiser, Brit Clark, Jim Clark, Lee Curry, Ray Johnson, Tandy Legg, and Lloyd Lookingbill.

# ACTRESS TURNS MILLINER

Cecilia Parker, who plays Mickey Rooney's sister in the Judge Hardy series, demonstrates, step by step, how really simple it is to make a smart little black hat.

With the head block in readiness, Cecilia cuts her felt into a large square. Cecilia, with the aid of milliner's tacks, secures the felt to the head block. Steam from the kettle aids in shaping the felt to the form of the block and keeps it smooth. A strip of felt is cut for the brim, and black wire is sewed around the edge to retain the shape. Now, Cecilia pins the bow to the back of the hat tacking it on. A piece of elastic is attached to anchor the hat, and Miss Parker admires the finished product.

## HEREFORD

### BULL

By Jimmie Gilentine

During the past few days there has been considerable discussion as to why Hereford was surrounded by big rains, while very little moisture fell in this area. A lot of folks seem to have the idea that it only rains on the Just. Due to the way we have been missed by the past two showers it seems that we should turn the tables. If it will only rain on the Un-just, Dave Alexander will take a bucket of water and pour it on the Just.

It seems like these prolonged drouths always bother the kids about as much as the older folks. During the last big drouth they got those "Jeb-It" things where they tried to catch a wooden spool on top of a peg. This time they have reverted back to the "Yo-Yo," probably because that's about as far to the extreme as one can go and still be considered normal. And when you get right down to it, you have to admit the things are good training for future politicians. They prove just how far a "block-head" can be strung along. Anyway, the "Yo-Yo" has its points; it's harmless, it's inexpensive, and perhaps it might develop a muscle for someone, provided the fad continues long enough. Who knows?

J. B. Whitlow and Bob Higgins are raising cane for a Heifer Column in The Brand. Since that letter last week I have hired Whitlow as my personal body guard, but if he keeps on getting silly ideas I am going to replace him with Cecil (3-point) Gunter. Every one knows that the women discuss all of the news away ahead of the paper.

Wallace Hill says that he will figure up the cost on a swimming pool within the next few days. Gaston Baer has volunteered for at least two days, maybe longer; so has Tom Alderson and Major Schroeter. Wallace says that it will likely require 40 men for two days, and I told him I was pretty sure we can get that many.

Fishing season seems to be in full swing. Lots of fellows are bringing in three and four pound bass, and Fuzzy Ferris says that the perch are biting fine. Homer Fox is the only fellow I've heard of who went fishing and didn't catch a single fish. I guess Homer Fox and Jimmy Aiken are about the two sorriest fishermen in town.

The new Hereford post office is supposed to officially open on May 23. I am sure that the new building will be much better than the old one—but sometimes when I get to looking at the thing I actually begin to wonder how it could possibly have cost \$75,000, or even \$50,000. Anyway, it's going to be mighty nice.

Get Rev. H. M. Redford to show you the snake picture which he secured on a recent trip to Spur, Texas. Rev. Redford has a friend at Spur who captures snakes and sells them to snake farms, and he can relate some interesting incidents. For instance, how a prowler once

released 35 rattlers in the back of the fellow's barber shop. Rev. Redford allows it's a nice hobby—but says he believes he can find other hobbies more to his liking. One of the snakes pictured is longer than the man.

It looks like the softball teams are about ready to start the season. After much ado it was decided to have eight teams instead of four, as first proposed. I think the Lions and the Firemen were instrumental in getting the eight team league—both of the squads felt that they would be less likely to end up in the cellar if more teams in were competing. Summerfield and Dawn are entering teams in the league this year. The Brand has also secured exclusive right to publish Homer Fox's baseball stories. I like Homer's yarns for two reasons. In the first place, they are interesting and amusing; in the second place, we don't have to pay him anything for writing them. However, this year he insists that we furnish him with a pencil.

Frequently, you hear an expression to the effect that it's not the gift, but the spirit in which it is given. I admit that the expression is trite, but in one instance it is nois's true—that's Mother's Day.

In all the world there's no one so fine, so lovely, so generous, or so lonesome as a mother. Thousands and thousands of words have been written about mothers, and I am sure that most of you are familiar with some of the fine tributes. A mother suffers, sacrifices, works hard—and generally her reward is lonesomeness. Naturally, mothers appreciate remembrances on Mother's Day—but the finest present you could give her would be to spend the day with her on Sunday, May 12. The next best thing is a nice, long letter. Let's all remember our Mothers next Sunday.

"God could not be everywhere, and therefore he made mothers."

## North Hereford Club Meets To Quilt Tomorrow

The North Hereford Demonstration Club met at the home of Mrs. C. G. Robbins on May 3. Mrs. R. A. Fullwood had charge of recreation. Mrs. Frank Wilde, council delegate, gave a report from last meeting of council.

The club will have an all day quilting at the home of Mrs. John Kropff on May 10, every member is urged to come and bring a covered dish. The quilt top was donated by Mrs. Louise Olson and will be put in the Council chest.

We were glad to welcome Mrs. Earl DeHart as a new member. Refreshments were served to Mesdames Geo. S. Parker, John Kropff, Louise Olson, G. A. Frye, Henry Koelzer, Earl DeHart, W. M. Miller, Otto Olson, E. A. Fullwood, Fred Saltzman, C. G. Robbins, Frank Wilde, Grady Parsons, Oscar Vaughn, M. H. Koelzer and Miss Adeline Koelzer. The next meeting will be May 17 at the home of Mrs. G. A. Frye with Miss Sadie Lee Oliver giving a meet demonstration.

## SILVER TEA IS GIVEN BY W. M. S.

An enjoyable silver tea was given by members of the Women's Missionary Society of the Christian Church in the church basement yesterday afternoon. Proceeds from the tea went to the Southern Christian Institute, a school for negroes at Edwards, Miss.

Yellow roses, yellow iris and spirea blossoms were used to decorate the rooms. Mrs. A. Petersen, president, presided at the refreshment table decorated with a lace cloth and yellow flowers. The punch bowl was encircled with a wreath of tiny yellow roses.

During the afternoon an enlightening program concerning the development of the school was given. Mrs. J. I. Medlin entertained by singing Negro Spirituals accompanied by Mrs. Ellis Coombes. Mrs. H. M. Redford gave the story of the Southern Institute and told something of its accomplishments. Men-

## CLASS HAS BUSINESS AND SOCIAL MEETING

The regular business and social meeting of the T. E. L. Class of the Baptist Church was held at the home of Mrs. W. A. Dobbins Thursday afternoon. Mrs. F. E. Bowe was assistant hostess.

The devotional was given by Mrs. Pearl Boyer followed by a prayer led by Mrs. Lee Lambert. A short business session presided over by Mrs. Bowe, president, was conducted and Mrs. John Wilson directed games.

Refreshments were served to Mesdames—Mark Hanna, Lee Lambert, Jeff Gilbreath, Si Orr, S. L. Walser, F. E. Bowe, J. G. Evans, W. A. Long, Wirt Phillips, J. H. Miller, Frank Merritt, John Wilson and the hostess.

tioning some outstanding students. Mrs. Carl Cockrell told the life story of George Washington Carver, most outstanding student of the school and a foremost scientist.

## Annual Spring Luncheon Closes Club Activities

A May Day theme carrying out the club colors and using the club flower in decorations, provided attractive appointments for the luncheon given Tuesday to close the season's activities for L. A. E. Club. Mrs. George Suggs was hostess and places were laid for the membership of the club and two former members at one large table. The centerpiece for the table featured a May-Pole suggestion with a tall arrangement of pink and white sweet peas encircled with dainty corsages made of the same flowers and tied with pink and white ribbon streamers which extended to frilled pink May-baskets, filled with pink and white confections at each guest's place.

After the luncheon a program and business session was held. Annual reports were given and a complete summary of the past year's work, calling to mind the year's highlights of study and social activities, was presented by Mrs. T. W. Roberson.

New year books were presented and the course of study for the 1940-41 club year explained. The year book committee was composed of Mrs. Bob Higgins, Mrs. Jack Dean and Mrs. Altus Higgins. The study theme will be "Woman's Romance of Achievement."

New officers were installed by the retiring president, Mrs. Jim Higgins, with old officers explaining official duties as oaths were taken.

The new officers are: President, Mrs. Arlie Dean; vice-president, Mrs. Wesley Higgins; secretary-treasurer, Mrs. Altus Higgins; parliamentarian, Mrs. Jim Lipscomb; and council delegate, Mrs. Robert Veigel.

Following an annual custom since the organization of the club in 1931, pictures of the group were taken.

All members were present including Mesdames Arlie Dean, Bob Higgins, Jack Dean, Jim Higgins, Bill Hutson, Wesley Higgins, Jack Hutson, Jim Lipscomb, Paul McCallister, Wiley Roberson, George Suggs, Robert Veigel, Altus Higgins, two former members, Mrs. Maurice Tannahill and Mrs. Bill Armstrong of Happy.

## BREAKFAST IS GIVEN FOR CLUB

Colorful pottery and table cloths to match were featured at a breakfast given yesterday by Mrs. Henry Williamson at her home, 400 "B" Ave. Guests were members of the Elite Sewing Club.

Waffles and their accompaniments were served to Mesdames Frank, Terrell, Ross, Fuller, R. W. McCall, E. E. Fyrdley, Lyle Blanton, J. C. Cummings, L. W. Carlyle, two special guests, Mrs. Walter Dunlap, and Mrs. Tom Alderson, and the hostess.

## REGULAR MEETING

Mrs. R. W. McCall was hostess Thursday afternoon for the regular meeting of the club. Blocks for a quilt for the hostess, were made at the meeting.

Mrs. Bob Wilson was hostess to members of the Lutie Fox Circle of the Woman's Society of Christian Service of the Methodist Church Friday afternoon.

Mrs. Knox Kinard was guest speaker. She discussed the fifth chapter of the Bible Study book, "Songs of Zion."

## GROUPS MEET FOR STUDY

Circle Two of the Woman's Society for Christian Service of the Methodist Church was entertained at the home of Mrs. J. C. Cummings Wednesday afternoon. Mrs. Frank Terrell was in charge of the program. She told about Mrs. Luke Johnson and her work in dealing with the inter-racial problem of the church. Mrs. E. W. Harrison gave the meditation. A special offering in the form of a love gift was made for the memorial fund to aid in the endowing a chair of education for colored women.

The circle will meet at the home of Mrs. M. M. Beavers for the next meeting.

GROUP ONE  
Group One met at the home of Mrs. Knox Kinard with Mesdames C. C. Acker, E. B. Black, Lyle Blanton and Kinard hostesses.

Mrs. D. H. Bryant led the program. Mrs. Lyle Blanton discussed the topic, "The Creator of Ideals." Mrs. J. F. Ward talked on "The Blazer of Trails," and Mrs. G. W. Newsom read the song "O Lord I Want To Be A Christian."

At the next meeting the universal day of prayer for the new church will be observed.

## AUXILIARY HOLDS GROUP SESSIONS

Grouped sessions of the Woman's Auxiliary of the Presbyterian church met this week. Group 1 met Tuesday afternoon at the home of Mrs. E. S. Ireland with Mrs. Lee Conklin in charge of the lesson. Others taking part in the program were Mrs. Raymond Cottingham, Mrs. W. M. Rigler and Mrs. Vern Witherspoon.

Both groups are studying the book, "Choosing Christ's Way." Mrs. John Olson led the lesson for the meeting held by Group Two at the home of Mrs. A. D. Godwin Monday afternoon. She discussed the first and second chapters of the book dealing with "Choosing Christ's Way Through Prayer."

## BAND MOTHERS PLAN PICNIC

A picnic for members of the Junior Band was planned at the meeting held Tuesday afternoon by the Junior Band Mothers organization at Central School. The annual outdoor frolic will be held on Wednesday, May 15 at Hereford State Park. Mesdames Roy Jowell, George McConnell, G. M. Hudson, Chas. Williams are making the arrangements. Three new officers were elect-

## Jones Family in Washington

Mr. and Mrs. Jones go to Washington! That's Mr. and Mrs. Charles W. Jones of Zephyr, Brown County, who were invited by the AAA to demonstrate mattress making before a national conference of Extension Service and AAA workers. They will be in Washington until May 9th. The demonstration is part of the USDA's national mattress demonstration program to increase consumption of surplus cotton.

Shown studying a map of their route are, left to right, Malcolm, 11, Mr. Jones, Mayesie Malone, Brown County home demonstration agent for the past 20 years, Mrs. Jones and Dorothy, 15, all of whom made the trip. Malcolm and Dorothy are 4-H club members.

## LOCALS

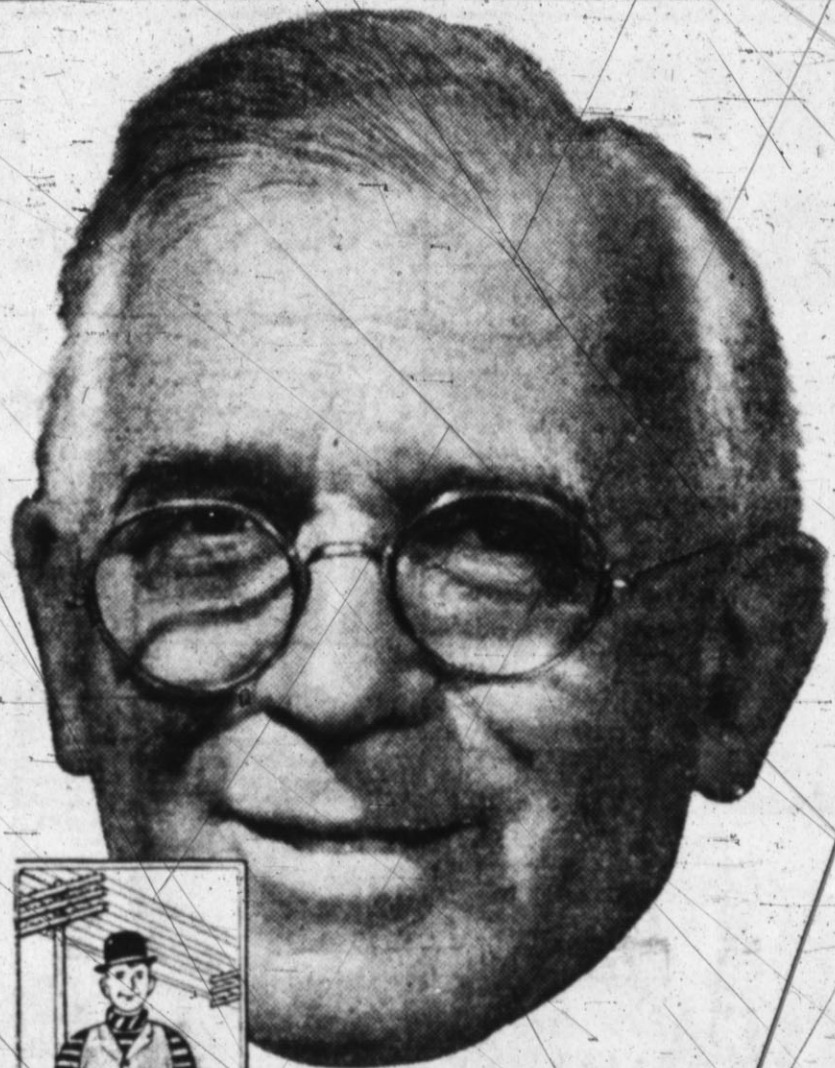

Mrs. Travis Dameron returned Friday from a two month's visit with her parents, Mr. and Mrs. A. G. Lobdell in Franklin, La. She was accompanied home by Mr. Dameron who made the trip there for her last week.

## MOTHER'S DAY DINNER

A Mother's Day dinner given last Sunday also entertained out-of-town guests, Mrs. I. H. Spratt complimented Mrs. Marvin Truett of Ralls and Mrs. C. S. **HE STARTED AS A "GRUNT" and helped develop a great telephone system for Texas**

FORTY YEARS AGO this man was a grunt\*... a telephone lineman's helper. His eyes have seen a miracle... the development of the Bell telephone system that today serves nearly 550,000 Texas telephones. His hands helped make the miracle come true.

When he was "breaking in," there were less than 25,000 Bell telephones in Texas. Based on present standards, the service then was slow and not very dependable or clear. Sometimes it took hours to complete a long distance call.

Today, from the sidelines, this old-timer watches with keen delight as 8,500 Texas telephone workers carry on. The job is bigger now, but the goal is still the same... to furnish Texas with the best telephone service possible, at the lowest cost to the user.

\*Probably so called because he did the heavy lifting for the lineman on the pole.

### 1941 License Plates To Be Black and Gold

Austin.—The State Highway Commission announced today that the order for 1941 License Plates has been placed with the State Prison System which manufactures the plates according to specifications prepared by the Highway Department.

Passenger car plates will be black with numeral of gold. Truck and other series of plates will be the reverse, gold with numeral of black. These color combinations were selected because of high visibility and proven durability.

The manufacture and distribution of three and a-half million plates is a job of considerable magnitude, requiring careful preparation and constant inspection.

### Lee C. McConnell

(Cont. From Page 1, Sec. 1)

In the coming Democratic Primaries with a lead of a minimum of 50,000 votes over the next opponent.

I believe in the sales tax as the most fair and equitable means of taxation. The State Constitution says that all taxes shall be equal and uniform. No other method employed to raise taxes has ever gotten close to this constitutional mandate.

Why has not the old age assistance benefits been paid to the deserving people? Because Daniel would not play the kind of ball that the professional politicians wanted him to play. I notice he has some of them on the run.

They have told me that there would be no need for me to run for office if I did not play ball with the politicians, and I will state that it all depends on the kind of ball they want to play. It seems to me that the trouble with our politics today is that not enough men have the courage of their own convictions.

I am very much in favor of the Soil Conservation and the farm program for the benefit of the agricultural interests of the nation and believe that the processing tax was the best and fairest method of raising funds with which to meet the parity payments to the farmer. In this connection I believe that the crop insurance feature of the present law for the benefit of the farmers should be enlarged and amended so as to include those farmers who do not participate in the allotment program because the phase of the law is self supporting within itself. To the further advantage of the farmer, I believe that the most economical and best place to store products for market is on the farm where raised.

I believe in a closer cooperation and understanding between the farmers and stockmen of the country and their bankers. Any program that would bring them closer together will receive my endorsement, since it could only work to the benefit of both the farmer and the banker and business in general.

I believe wheat growers should receive a minimum of \$1.25 per bushel and the cotton grower a minimum of 15c per pound to be on a parity with industry. Thanks to the government for leaving the cowman alone.

I realize that this particular area has some of the highest freight rates known in the land. I believe these rates should be reduced but since the Honorable Marvin Jones, with his experience, leadership and untiring efforts, has been unable, so far, to secure a reduction of such freight rates, my efforts along this line would probably not be successful, however, it would be my intention and purpose to keep up the fight along the same lines as it has been made by Marvin Jones to accomplish a reduction of such rates.

I realize too, that the railroads are in a financial slump, along with the farmers, and I can not see much relief from the freight rates in the near future.

I am in favor of organized labor.

I am strictly opposed to any intervention upon the part of our government in the present or any other foreign war, although it is my firm belief that our government should keep a watchful eye on any foreign interference with any of the countries of the Western Hemisphere, and I would favor at all times a sufficient army, navy, marine and air corps to protect this country and assist in protecting any other country on the Western Hemisphere from foreign interference or invasion. I believe we should maintain at all times a navy second to none.

I believe that to keep the good will of our neighbor republics south of us, we will need a closer

Lee C. McConnell, Pampa Oil and Grain man, is this week announcing his candidacy for United State Congress.

relationship between their money and our dollar. In this connection, it is my candid opinion that capitol does not cooperate closely enough with the government for the general welfare of the nation.

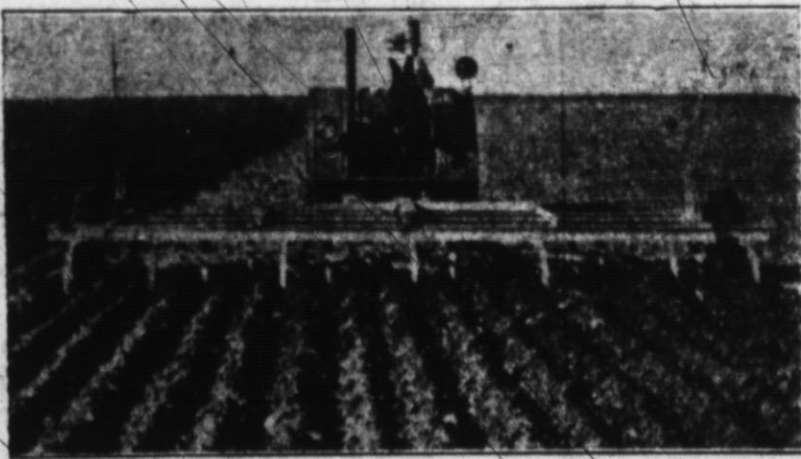

I am opposed to the Cole Bill now under consideration in Congress to put the oil business under Federal Control.

I am not asking for this office on the influence of friends as many politicians will say and I would not attempt to insult the intelligence of the voters of this District by telling them whom to vote for in this race. It occurs to me that there is every kind, class and denomination now asking to be elected to Congress from this District, and the people have plenty to choose from without telling them how to vote. I am simply submitting myself and my views for their consideration in selecting their next Congressman.

I will make a formal announcement at a later date.

natural food and the bass fisherman, with his artificial lures, often is just like a man offering spinach to a person full of cake.

The chief aquatic biologist of the Game Department is urging bass fishermen to take off now and then and go after the battling red-ears. If a sufficient number of anglers catch bream, they'll have better bass fishing as a result, and he can cite instances to prove his point.

There are many species of fish carrying the broad label of bream, but most of them are shore feeders and do not grow as large as the Georgia red-ear, which is almost entirely a bottom feeder. Consequently few people know how large the Georgia bream grows and few have fished for it. Red-ears reach a weight of more than a pound in Texas waters and a foot-long red-ear, taken on light tackle is more sport than even the most ardent bass angler realizes.

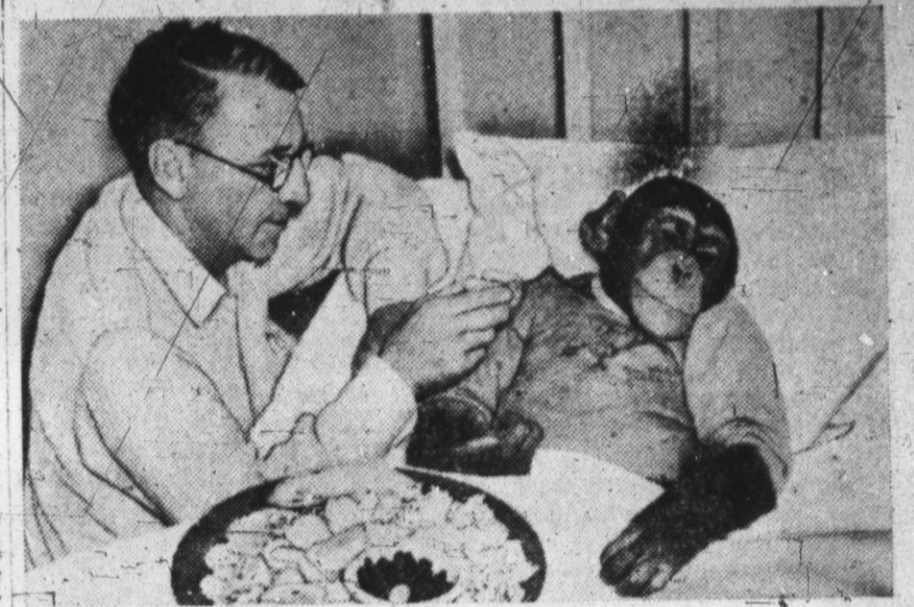

There are several methods of fishing for red-ears which can be used successfully. It makes no difference whether the angler prefers artificial or natural bait. Remembering that these scrapping little fish are bottom feeders, the artificial lure

addict rigs up his fly rod with light line, a small leader, a tiny trout fly and to this he attaches a piece of pork rind more narrow than a paper match and approximately a half inch long. This is split in the middle. A small split shot is attached to the line as a weight. After the cast, the bait is allowed to sink to the bottom of the lake and the wiggling pork rind attracts the big red-ears. Once he is hooked the man who is using light tackle is guaranteed plenty of thrills before landing Mr. Bream.

If the fisherman prefers natural bait, he can use either an ordinary pole and line or a fly rod, but the lighter the tackle the more sport the angler will have. Attach a leader to the line and use either a small fly or narrow crappie hook. Put on as many angleworms as you can and leave an inch or two of the worms wiggling. Cast or drop your bait into the water and let it sink to the bottom. Leave it there for a few minutes and it is likely the wiggling worms will attract your fish. If not, try again in a location two or three feet away.

The only baits ordinarily good for bream are worms and flies, which is consistent with their

### Oxygen Tent Saves Chimpanzee Patient

He is shown just three days after emerging from an oxygen tent. Baboo was given the same treatment accorded humans stricken with the same illness.

natural bill of fare. Only the green perch eats other fish, most bream making their meals of worms, flies and grubs.

Bream are one source of food for bass, but with few persons fishing for them, lakes are be-

coming overcrowded with them. Bass have plenty of natural food and when you drop your plug or fly in front of 'Ol John Bass he naturally turns up his nose at it nine times out of ten.

### Scouts Go To Amarillo For Field Day

Sixteen scouts from Troops one and two went to Amarillo Friday afternoon for Field Day events, returning Sunday. They won first place in the Tent Stake Making contest.

Jack Clennin of McCloud, Cal., arrived last Wednesday to visit his sister, Mrs. Homer Fox, and brother, Ralph Clennin.

### McLean and Henslee Attend District 2-T Meeting At Midland

John McLean and Homer Henslee returned Tuesday from Midland where they attended the District 2-T Lions Club convention as delegates of the club here. They left Hereford Sunday.

Lions at Midland accepted Amarillo's invitation to hold the 1941 convention at that place. F. V. Wallace of Dumas was elected District Governor.

Mrs. Rutherford, Clifton and Alice Mae, Mr. Rutherford had not been asleep very long, having been irrigating during the night.

The fire started in the kitchen and spread quickly. Firemen and others guarded against spread of the flames to other buildings and the feed lots.

A large crowd drove out from Hereford to watch the fire.

Fatal injuries to workers in the oil industry are now at the rate of only one in 2,078 work years.

### Early Parity Payments Seen For This Year

College Station. — Running nearly a month ahead of last year's schedule, the state AAA office already has certified the first wheat parity payments under the 1940 program.

First county to get applications into the state office was Fisher county, closely followed by Nolan. The applications were audited, certified and sent to the General Accounting Office in Dallas from which point the checks will be mailed to the counties.

All wheat parity payments should be completed by June 1, B. F. Vance, assistant state administrator, predicted. In Texas approximately 50,000 checks, amounting to \$3,500,000 will be paid to wheat producers cooperating with the program. The payments are computed at the rate of 10 cents per bushel of the normal yield of a farm. Premiums on 1940 crop insurance contracts have been deducted from the payments.

Parity payments are made by the AAA, the official explained, to provide farmers with a return for their crop as nearly equal to parity price as possible and thus to place the farmer's income on a more equal footing with the incomes of non-farm people.

Sewing projects, Mrs. Gilliland explained, are operated to give employment to needy persons, chiefly women who are able to perform the work assigned; to produce garments and articles needed by local welfare agencies for free distribution to needy families and to tax supported institutions. A variety of articles, chiefly clothing are made on the sewing projects. Included are clothing for men, women, and children, layettes for infants, surgical dressing and articles used on other WPA projects. Basically, the projects work from job orders furnished by the sponsoring agency. The articles produced are then turned over to the sponsor for distribution to needy families.

# MOTHER'S DAY

# 1940

Above is Mrs. W. M. Emmons and her blue-eyed daughter, Blaine.

The smiles on the faces of mothers and their children are the true joy of Mother's Day.

Mrs. Mary Palmer, a pioneer mother of Hereford.

## Our Mothers

*At peace with the world because she is busy, loving to do for her family, unwilling to change places with any one else in the world—That's Mother—named, not by the number of children she bears, not by the children of others she mothers, but by the deepest instinct of her nature.*

*Today the whole nation pays tribute to her. In church, in all public places where people gather and best of all in the home, where from Dad down to the tiniest little member of the family circle, a sacred demonstration of love and devotion is forthcoming.*

*We can't thank her for each thing she has done for us nor can tell her just how we feel about her. That's the reason for setting aside one day in each year for celebrating Mother's Day and the Hereford Brand joins sons and daughters of the entire nation in paying a special tribute of love and appreciation to all Mothers everywhere.*

## Luncheon Is Final Event For Music Study Club

Final event of the season for the Music Study Club was an attractively planned luncheon given Monday at the home of Mrs. W. E. Dameron.

In keeping with anniversary celebrations marking the 25th birthday for the Texas Federation of Music Clubs, a silver theme predominated in decorations. White iris and orchid stock were combined to provide the floral note throughout the house. Large silvered baskets filled with the blossoms established the color theme in the living room. Luncheon was served from the dining table which was covered with white damask and centered with a silver bowl of the spring flowers. Silvered vases filled with the white and orchid, sprays picked up the colors at small tables laid for four. Place cards were in orchid with a musical staff drawn on the outside. Names of members were written in notes of music on the staff. Favors were orchid and white corsages tied with silver ribbons.

After the luncheon a musical program was presented. A piano duet with violin accompaniment, "Menuet aus dem Okett-Schubert" (Grossmann) was played by Mesdames H. L. Broadwell, G. A. F. Parker and A. C. Thompson; Mrs. C. J. Mount sang "The Sweetest Story Ever Told" by Stults. A chorus "God of All Nature" (Tschalkowsky) was presented by Mesdames R. P. Conaway, Jeff Gilbreath, T. W. Robinson, J. B. Jones, A. C. Thompson and G. A. F. Parker.

Mrs. Broadwell, president, led the reading of the club collect and presided over a business session. Yearly reports were heard and all officers for the past year were re-elected. They are: Mrs. H. L. Broadwell, president; Mrs. G. A. F. Parker, first vice-president; Mrs. A. J. Schroeter, second vice-president; Mrs. Wiley Roberson, recording secretary; Mrs. W. E. Dameron, corresponding secretary; Mrs. Glenn Snyder, treasurer; Mrs. C. C. Ferguson, librarian; Mrs. H. L. Broadwell, historian; Mrs. J. C. McCracken, choral director; Mrs. Jeff Gilbreath, press reporter; and Miss Mattie Mae Swisher, state philanthropic chairman.

Mrs. Ellis Coombes was welcomed as a new member. Those attending were Mesdames C. C. Acher, H. L. Broad-

## Garden Club Has Program at Gass Home

An interesting meeting of the Garden Club was held at the home of Mrs. N. E. Gass April 26. Mrs. Gass was leader and discussed Window Boxes saying in part, "The truth is that wherever there is a window, porch or fire escape, that place is a homesite for a flower box. Colorful annuals that bloom all summer really help a flower box to fulfill its mission of beauty and brightness." Contrast in colors and materials was discussed and the large flowered balcony petunia was recommended for even the simplest home construction.

Mrs. Ralph McCullough urged the use of thrifty foliage in hanging baskets, describing basket effects that may be made up of flowering plants of foliage or a combination of both. She advocated the use of dwarf plants arranged around a taller center plant for symmetry.

During the business meeting a party was planned for the next meeting with Mrs. Dennis Barnard, Mrs. Clyde Cocanougher and Mrs. C. C. Cox in charge of arrangements. Members voted to announce the curly leaf and the single petunias as the types of petunias to be exhibited in the Fall Flower Show.

Members attending the meeting were Mesdames F. M. Kester, Mark Hanna, F. H. Oberthier, Ralph McCullough, E. Ramey, W. A. Dobbins, Clyde Cocanougher, Dennis Barnard, C. C. Cox and the hostess.

## Installation Rites At Club Luncheon

Celebrating the fourth anniversary of the organization of the Ford Study Club, members were entertained with a luncheon at the home of Mrs. Joe Waggoner Thursday.

Tables for four were laid in matching madeira cloths and centered with arrangements of pink and orchid candies in cut glass holders.

Nosegays at each place, made of sweet peas (the club flower) in pink and orchid, gave the final touch of color to the tables. After the luncheon Mrs. J. L. Whitsett conducted an impressive installation service for the following new officers: Mrs. F. C. Benson, president; Mrs. C. D. Carnahan, vice-president; Mrs. Robert Waggoner, treasurer and Mrs. Dennis Barnard, reporter. The club pledge was read in unison followed by an appropriate poem read by Mrs. F. C. Benson. A poem dedicated to the retiring officers was read by Mrs. V. T. Glenn. Retiring officers included Mrs. J. L. Whitsett, president; Miss Hilda Straffuss, vice-president; Mrs. W. M. Stewart, treasurer and Mrs. G. E. Benson reporter.

New year books for the 1940-41 club season were presented and a vote of thanks extended to the committee. The course of study will include Canadian history and that of other neighboring countries.

Plans were discussed for a club party to be given at the

## IPS COMBS ARE HOSTS FOR CLUB

Mr. and Mrs. Jim Lipscomb were hosts recently to members of the Wednesday Night Bridge Club. Spring flowers were used to decorate the entertaining rooms.

After a delectable dessert games of bridge furnished the evening's entertainment with couple prize awarded to Mr. and Mrs. Roy Jowell for high scores and John Olson receiving the traveling prize.

Members attending were Messrs and Mesdames Jim Black, John Olson, Bob Wilson, Roy Jowell, Reed Williams, and the hosts.

## CALLED TO LUBBOCK

Mr. and Mrs. Henry Hastings were called to Lubbock Friday by the illness of their son, Roy, who was in a Lubbock hospital. They were accompanied by their daughter, Mrs. J. T. Gilbreath, Jr.

Roy, who was suffering from an ear infection, is much improved and has been removed to Knapp Hall at Texas Tech where he is a student.

All members of the club were present. They include Mesdames V. T. Glenn, Joe Waggoner, J. L. Whitsett, W. M. Stewart, F. C. Benson, L. J. Straffuss, Robert Waggoner, H. M. Benson, Dennis Barnard, C. D. Carnahan, G. E. Benson and Miss Hilda Straffuss.

## BRIDGE IS PLAYED AT CLUB PARTY

Mrs. Ralph Hastings entertained members of the New Deal Bridge Club at her home on "B" Street, Friday afternoon.

High score in the games went to Mrs. Sylvester Slagle and Mrs. Meade Halle was a special guest. A spring motif was carried out in appointments and spring flowers were used in decorations.

A salad course was served to Mesdames Alton Miller, Frank Huckert, Sylvester Slagle, Willis Edelman, Buford Crosthwait, Ullin Streu, Meade Halle and the hostess.

## OFFICERS INSTALLED

Officers for the Woman's Missionary Society of the Christian Church were installed May 1 at the meeting held at the home of Mrs. L. Z. Oldham. Mrs. Bessie Hart of Ft. Worth, state officer, conducted the installation service.

Those to serve are: Mrs. A. Petersen, president; Mrs. F. M. Kester, vice-president; Mrs. John Robinson, secretary and Mrs. Jim Williams, treasurer.

After the installation service Mrs. N. E. Gass led a program on "Building a Neighborhood." Talks were made by Mrs. W. N. Lemmon and Mrs. Earl Phillips. The devotional was given by the leader, Mrs. A. Petersen was co-hostess for the meeting.

Dr. and Mrs. G. W. Heard made a business trip to Amarillo Thursday.

## Elaborate Affair Closes Year's Activities For Bay View Club

One of the most elaborate affairs of the season was given Thursday morning at the home of Mrs. C. F. Moore, when members of the Bay View Club entertained with a Pan-American breakfast, closing the club's season of activities for the year. The breakfast climaxed a series of study programs on "Our Neighbors—North and South" and a South of the Border theme was effectively carried out, augmented by suggestions of Canada, the northern neighbor.

Every detail complemented the other in appointments and decorations. Cacti, rubber plants and glazed Mexican fruits in colorful pottery containers were used about the rooms. The dining table, from which the breakfast was served, was laid with a fiesta blue cloth and centered with a deep orange bowl filled with yellow tulips and violet-blue lilies. Tall service featured all six colors of fiesta ware. Mrs. John P. Slaton poured coffee from a blue pottery service and Mrs. G. A. F. Parker served Canadian bacon from a bright green platter at the other end of the table. Blueberry muffins were served from Mexican baskets lined with blue. Quarter tables were laid with fiesta colored cloths and centered with yellow tulips in ivory pottery. Place cards depicted Mexican, South American and Canadian scenes in black and white sketches. Favors were small bright-colored figurines, indicative of life south of the border.

Plans for the breakfast were made by the social committee composed of Mrs. R. P. Conaway, chairman, Mrs. G. A. F. Parker, Mrs. J. B. Stoker, Mrs. E. B. Hedrick and Mrs. John P. Slaton.

After the breakfast Mrs. Ray Barber, president, conducted a short business session when a report from the Seventh District Texas Federation of Women's Clubs meeting held last week in Shamrock, was given by Mrs. Knox Kinard, delegate.

Activities for next year were discussed and a new social committee was appointed. Those to serve are Mrs. Colby Conkright, chairman, Mrs. C. F. Moore and Mrs. Bob Wilson.

Members voted to use a course of study based on "Heritage of the Southwest" for the 1940-41 club year.

Members attending the breakfast included Mesdames Bob Wilson, J. W. Spradley, J. P. Slaton, F. T. Holson, G. A. F. Parker, J. H. Olson, C. F. Moore, John McLean, Paul Mathers, Knox Kinard, A. M. Jones, E. B. Hed-

## Program Honors "Mothers"

"Mothers Day" tributes were included in the program Friday afternoon at the meeting held by members of the Phebean Class of the First Baptist Church at the home of Mrs. George Suggs. Mrs. Cecil Gunter and Mrs. J. B. Whitlow were co-hostesses.

Honored guests were mothers of members and a program built around a Mother's Day theme was featured. Mothers of the Bible were named in roll call and a poem, dedicated to mothers, was read by Mrs. Gunter. A special musical number was presented by Mrs. Claude Longbottom.

A short business session was held.

Refreshments, carrying out a pink and white theme, were served from a decorated table with Mrs. Whitlow presiding.

Guests included Mesdames E. B. Posey, Allen Fowleson, J. D. Clayton, Artis Daniel, Bob Higgins, Vern Witherspoon, Wesley Higgins and Mrs. Ray of Groom.

Members present were Mesdames Claude Longbottom, M. T. Rutter, A. T. Layman, Ira Foster, Ralph McCullough, Lilburn Ray, Carl Gilliland and the hostesses.

## Mrs. C. F. Moore Is Hostess For Coterie Club

Mrs. C. F. Moore was hostess to members of the Coterie Club April 26 at her home on East Third Street.

Attractive arrangements of bronze snap dragons decorated the entertaining rooms.

Two tables of players enjoyed games of bridge with Mrs. Grant Fuller and Mrs. N. E. Milburn playing high for score award.

After the games a colorful salad plate was served to Mesdames F. L. Lucas, Grant Fuller, A. R. Bateman, E. B. Hedrick, N. E. Milburn, E. H. Jones, Wm. Kinard, W. Witherspoon, and the hostess.

### First Annual XIT Dance To Be At Dalhart

Dalhart. "But on your old gray bonnet with the blue ribbons on it, and come to Dalhart next Saturday night, May 11, where the General XIT Committee will have Old Dobbin hooked to the old hay wagon—two of three of 'em in fact."

The occasion is the first annual XIT Barn dance and the prescribed costumes are aprons for the girls and overalls for the men. Johnny Laswell, a Westerner in his own right, and his steel-whanging Playboys will furnish the music. This is a warm-up for the Fifth Annual XIT Roundup next August 5-6.

The two big hay wagons will operate during the evening as open-air taxis and take the merry-makers from anywhere in the downtown district to the specially-prepared dance hall Block 78, in Hereford and Additions.

Any oil-change helps "youthify" your engine... but not like this change to OIL-PLATING

Then no matter how long the car stands or runs with Germ Processed oil in the crankcase, the OIL-PLATING stays PLATED UP to its top-most point in each-cylinder—fastened up to its job when fluid oil-film couldn't be. You get a great fluid oil-film, mind you, with Germ Processed oil, but in addition you get OIL-PLATING... drain-proof... a fixed defense against the strong assaults of Summer wear. Helping to keep up your engine, OIL-PLATING helps to keep up the level of your Germ Processed oil. Even in an older engine its economy may remind you of "the first year." Change—to Your Mileage Merchant's Conoco station—today. Continental Oil Company

You change to an OIL-PLATED engine by changing to Conoco Germ Processed oil—patented. It goes in like any oil and is priced as low as many. But a costly extra ingredient—created in the laboratory—technically described in the Patent Office—energizes this oil to couple up direct to inner engine surfaces. The connection is as close as that of any plating on your car. A plating is not in the habit of getting wiped away at speed, or of draining down at a standstill, and so that all goes for OIL-PLATING.

### Meat Cookery Is Studied By Wyche H-D Club

The Wyche Club met May 2 at the home of Mrs. Louie Olson. After the regular lesson and business meeting, Miss Oliver gave a talk on Meat Cookery. She also demonstrated cooking and serving meat. The meat platter was garnished with sweet pickles and scallions.

Refreshments of a meat and vegetable course were served to the following: Mesdames A. T. Burks, R. A. Gilliam, James Gandy, Gus Thiele, Ullman Sims, Geo. Robertson, Ira Ott, Harris, Lee Cocanougher, W. B. Saxon, Miss Oliver, Dock Robertson and the hostess.

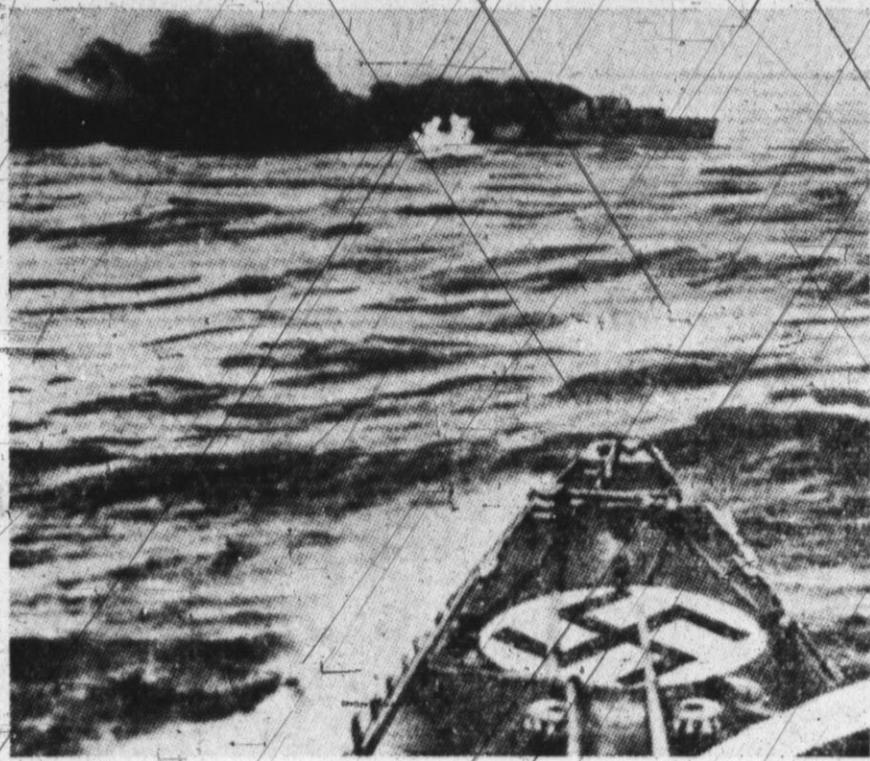

### Railroads Sponsor Credit Plan To Pay For Travel Tickets

Into the news this week comes an announcement that will bring cheer to the hearts of the legions of substantial Americans who want to travel but "can't spare the money just now." The announcement brings assurance to millions that the slogan, "1940 is TRAVEL AMERICA YEAR," really means something after all. From now on, you can literally travel and pay later.

A Travel Credit Plan, sponsored by 66 great railroads, makes possible the purchase of railway trips and tours in the same manner that you buy your car or radio on convenient monthly payments.

The plan, which becomes effective May 20, is exceedingly simple. The prospective user merely goes to the ticket office of the cooperating railway over whose lines he wishes to travel, or to a travel agent, and make application for credit in the amount of the cost of the proposed trip or tour. If the routine credit inquiry indicates an ability to meet monthly payments, he is notified that his ticket is ready for him. The only contact in connection with the application is with the ticket or travel agent, just as though

### As Nazi Battleship Invaded Norse Waters

Made from the bridge of a Nazi warship as she shelled and set fire to a British destroyer, this is the first picture to reach America via radio of actual battle between ships of the English and Nazi fleets in Norwegian waters. The picture was made during fighting in the Skagerak. The white plume is where a shell fell short. Note the swastika on the foredeck of the German ship—recognition mark for Nazi bombers.

the ticket were being purchased for cash. The application is passed upon within twenty-four hours.

Use of the Travel Credit Plan requires no collateral—only the signature of the individual. The cost of the proposed trip, however, must total \$50 or more to be eligible for purchase on credit. No down payment is required. There is a nominal service charge for the credit accommodation.

It is predicted that the largest use of the Travel Credit Plan will be for vacations and other recreational trips and tours, although the service is intended to cover any form of railway travel. Credit is not necessarily confined to the cost of transportation alone. It may be used for Pullman accommodations, all-expense tours, which usually include hotels and meals, specified side trips, and any service that is sold through the railroad ticket office.

The Texas oil industry is the largest carload customer of Texas railroads.

### The Burke Boys Give Pontiac A Big Day

Distribution officers at Pontiac Motor Division rubbed their eyes, thought they were seeing double when two seemingly identical car orders dropped out of the Los Angeles mail the other day.

Savage-Haldeman Company ordered a two-tone green Pontiac Torped Eight sport coupe for Laurence Burke. The dealer added that Mr. Burke would pick up the car in Pontiac.

With it was a communication from the J. B. Finney Pontiac dealership in Los Angeles. It directed that a two-tone green Pontiac Torpedo sport coupe be reserved for a Laurence Burke. Mr. Burke would pick it up in Pontiac, the dealers declared. Identical accessories were called for in both orders.

Distribution immediately wired both dealers asking, "how come? Each dealer in reply certified HIS Laurence Burke. Checks had accompanied each order. One Laurence Burke arrived yesterday and the other is expected soon.

"There are," said Laurence Burke, "a lot of Laurence Burkes in Los Angeles."

He added that he did not know the second Laurence Burke.

ter. Mother poured the tea. When this course was finished the daughter cleared the table and served the desert of delicious prune cake.

Others present were Mrs. Cecil Gunter, Miss Alice Lee and Mrs. Wesley Brown, visitors. Members present were Mesdames Ruby Sparkman, Elsie Jones, J. E. Springer, W. A. Springer, John Johnson, Virginia Cocanougher, Miss Alma Andrews, Miss Sadie Lee Oliver, the hostess and a number of children.

a strange butcher shop, but a list of the number of animals killed on the state highways in Brown County, Texas during one month and observed by a state highway foreman at request of a State Game Department warden. In addition, there were so many dead chickens that no count of them was kept due to the fact many of them probably were thrown out of trucks after dying while being taken to market.

Occasional checks like the one above show the motor car takes a terrific toll of wildlife. No check was made in this instance of the game, song or insectivorous birds. The animals listed above totaled 232. Multiply that by 254, the number of counties in Texas, and you can see how many animals perish on Texas highways monthly.

Oil taxes for the past 18 years have averaged three times the earnings of the oil companies.

### Trip To Havana, Cuba Awaits New Lion President

Whoever is elected president of the Lion's Club this year will be entitled to an expense-paid trip to the Lions International to be held in Havana, Cuba, July 23-25. To celebrate the occasion the Republic has issued a special stamp.

In the race for Lion president are Alton Miller, Jimmie Gillentine, and W. L. Davis. In addition to one of these, two and possible three others will attend. One delegate will receive a "pot" which was unused last year. Winner of this pot will be selected by a point system. Another pot is being kept this year and some lucky member will receive its proceeds to make the trip.

The stamp will be carmine in color, with the Cuban flag placed diagonally as a background, on which is superimposed the Lions emblem at the lower left, and at the right a group of three of the royal palms of Cuba. The stamp, in addition to the standard information, will carry the words "Convencion, La Habana, 1940."

The stamp will be 32 mm. high by 22mm. wide, and will be issued in sheets of 100. The printing will be 2,500,000 copies. This issue will be placed on sale at the time of the Convention, July 23-25, and the Cuban postmaster general has ordered a special post office to be installed either at the convention hall or the headquarters hotel during the convention.

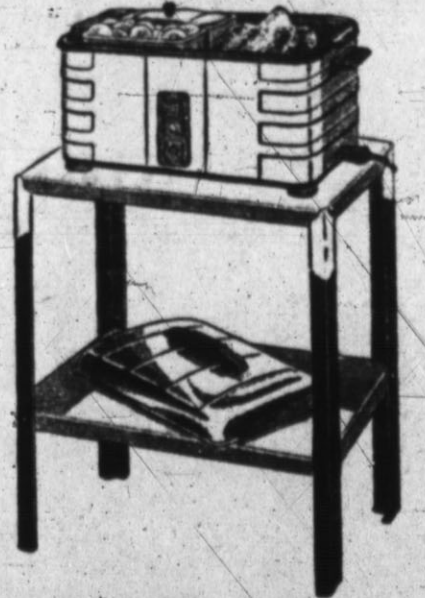

More than 5,000 Lions from all parts of the world are expected to attend the Lions Havana convention. Special train, boat and air services have been arranged to accommodate the delegates from the United States and Canada. The Nieuw Amsterdam, 36,287-ton flagship of the Holland-American Line has been chartered and will sail from New York July 20. The Peninsular and Occidental S. S. company will operate extra schedules from Miami, Key West and Port Tampa, Florida, to Havana during the week of the convention, and Pan-American Airways are planning to put additional planes into operation to accommodate the crowds. Special trains are scheduled from California, Texas, Illinois and New York.

### Meats And Table Service Studied By Frio Club

The Frio H. D. C. met Wednesday, May 1, at the home of Mrs. Aldon Hawks. We learned that the newest method of roasting meats as developed at experiment stations is as follows:

1. Season with salt and pepper;
2. Place on rack with fat side up;
3. Insert meat thermometer into roast;
4. Do not add water;
5. Do not cover;
6. Do not baste;
7. Roast in slow oven 300 to 350 degrees Fahrenheit until as done as you like it.

A lesson in table service was then given, first, on how to set the table, then Mrs. T. L. Sparkman Sr. acted the part of father and served the plates with roast beef, asparagus tips with Hollandaise Sauce, carrots, baked potatoes, gravy, radishes and pickles to Mrs. J. M. Dixon, the mother, Ruth Hawks, the son, and Jewell Cassels, the daughter.

Leadership in all  
7 BASIC ESSENTIALS OF A  
GREAT LOW-PRICED CAR

In the major things, the big things, the real things that make you want a car—all 7 of them—Ford takes commanding leadership. Here is where Ford excels:

1. **GOING POWER:** The kind of power that only the V-8 engine can provide—the instant response, lightning acceleration, marvelous economy and swift, smooth, faithful performance. 6,000,000 Ford V-Eights—more than all other Eights combined—say this is the power plant for you!
2. **STOPPING POWER:** The big hydraulic brakes of the Ford V-8 are far and away the best in the low-priced field—a safety factor you've got to have in the new car you buy.
3. **POWER TO HOLD THE ROAD:** No car in any price field excels Ford in roadability—in keeping. "all four feet on the ground" under all driving conditions. This means safety plus comfort.
4. **SMOOTHNESS:** Not only amazing power does the Ford V-8 engine excel, but in the smoothness that gives velvet quiet. Everyone knows no car of fewer cylinders can match an Eight in smoothness.
5. **STAMINA:** In staying power there is no car that can take the rough with the smooth like Ford. There are more Fords on the highway than any other make of car. This sturdy Ford is made to take it!
6. **STYLE:** Ford set the current modern trend in beauty of lines. And Ford's unequalled paint job makes its beauty permanent.
7. **COMPLETE ECONOMY:** The combination of low price, low cost of operation, high trade-in value and more extras at no extra cost, makes the Ford the great economy buy for 1940.

BY MRS. MERLIN KAUL

The features of the closing school program which will be given at the schoolhouse this Friday promises excellent entertainment for the evening.

The operetta, "Going to the Fair," which will be presented by the primary pupils is the story of a group of country children, played by Ava Gene Gore, Billy Wade, William Rice, Inez Tucker, Bobby Osburn, and Bobby Seigler, who greatly desire to attend a charity fair which is in progress at the country club but have no money. The children who live at the big house, (Rose Stephan, Donald Dean Wilson) get lost from their nurse, (Margaret Sowell) when they attempt to follow the clowns, (Curtis Ponder, Glenn Wilson, Steve Goldston, and G. W. Smith) and meet the country children who "find" them and the story ends happily by all going to the fair.

The intermediate pupils will present the play "Rescued by Radio." At a gay little house party, the guests hear reports from the radio of the disappearance of wealthy John Baxter Burton and also the escape of a hospital patient and the daring exploits of a boy bandit. When two mysterious visitors appear at the party events unexpected and revealing, begin to happen which lead to an exciting climax with Mr. Burton's rescue from kidnappers. The characters are played by Wanda Marie Allmon, Helen Jo Wilson, Paula May Mathers, Camella Otts, Helen Marie Tucker, Nina Beth Hartman, Doris Goldston, David Sowell, Harold Rudd, Leroy Creek, and E. H. Little.

Mr. and Mrs. Vernon Wilson were charivared last Wednesday night at their trailer home west of Grady Wilson.

The group went to the Grady Wilson home where the evening was spent playing games after which refreshments of cookies and coffee were served. Present were Mr. and Mrs. Ival Rudd, Mr. and Mrs. Guy Lawrence and Nelda Guy, Mr. and Mrs. Ellis Wilson and children, Mr. and Mrs. M. S. Roé and son, Mr. and Mrs. Hughes Millard and baby daughter, and Mr. and Mrs. Joe Woodridge of Hereford, Mr. and Mrs. E. B. Osburn and family, Mr. and Mrs. Merlin Kaul and boys, Vesta Mae Landers, Wayne Little, S. J. Cook, Jack Allmon, Mr. and Mrs. Vernon Wilson, and Mr. and Mrs. Grady Wilson and family.

Everyone remember to attend the singing convention next Sunday, May 12, at the schoolhouse. Several good singers are expected to come. The singing will start before noon. Dinner will be served on the grounds.

Merle Grigsby of Plainview, spent the week end in the home of his aunt, Mrs. J. S. Earp. He preached Sunday morning and night in place of Rev. Joshua Steuhens who took a group of B. T. U. students to Waco.

With the coming of the rain, housewives (and their husbands perhaps) are ready to start the annual house cleaning.

Mrs. Bill Rice entertained with a party Sunday honoring William, Jr., on his 7th birthday. The house was prettily decorated with crepe paper streamers and balloons of all colors.

The little guests went to the Rice home after Sunday School where a birthday dinner was served. In the afternoon they took pictures, sang, gave readings, and played games.

Those present included Rena Jo, Jo Ann, and Artha Lou Brashear of Hereford, Bobby Osburn, Inez Richard Lee, and Helen Marie Tucker, Glenn Wilson, Billy Wade, Rose Stephan, Mrs. E. B. Osburn, Donnie Rice, Mrs. Rice, and the honor guest.

Later in the evening Junior's grandparents, Mr. and Mrs. G. T. Brashear of Hereford called. Mrs. Grady Wilson went to Crosbyton Monday to get her mother, Mrs. M. F. Johnson and bring her here to spend the summer with her.

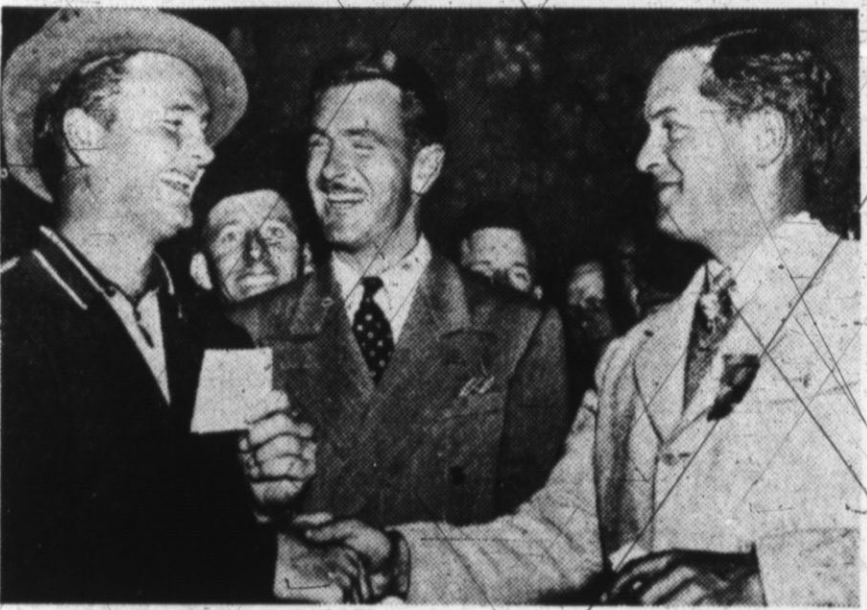

Mary Turrentine, daughter of Mrs. Al Werner and student at Mary Hardin-Baylor College has been chosen vice-president of the student government council.

### Students Return From Annual I. L. P. C. in Austin

R. L. Dowell, Mary Nicks, Donald McCullough, Kathryn Danforth, Madonna Morrison, and Miss Robble Foster returned Sunday from the Inter-scholastic League Press Conference in Austin.  
Friday morning the group attended the opening session in the Geology Auditorium of Texas University.  
Governor Lee O'Daniel was the principal speaker.  
Friday afternoon the group listened to criticisms of the paper for the past year.  
The students visited the Governor's Mansion, State Capitol, and the State Hospital for the Feeble-minded.  
Mr. and Mrs. H. E. Danforth accompanied the delegates.

### This'n That

Of course, you know why, but the Juniors are terribly proud that June Dameron upheld the Junior ideals at Dallas.  
Incidentally, the seniors do not have to attend band after Monday, May 6, and all of the band has a vacation the following Wednesday and Friday.  
We all had a good time at the cake-walk the band sponsored, and from what we can gather the band profited enough to send the delegates to Waco.  
The Pep Club picnic was a big success, and we expect to have a grand club next year to help that grand football team's new coach and the team he is forming.  
Incidentally, we do have a new coach. He hails from T. C. U. under the name of Mr. Best. (You know-good, better, best.) Welcome to H. H. S.  
We had better remember Pauline P. Whitaker and the good pep leader she has been for two years. Thanks.  
The reason that the Glee Club girls have been rushing around lately is that they are giving this Tuesday.

### Pep Club Entertains Thirty-Three Guests At Annual Picnic

The Pep club held its annual picnic Friday, May 3, at 5:30, in state park. About 60 girls were transported to the park in one pickup and several cars.  
The girls ate first and then played various games until time for the business session in which next year's officers were elected. The new officers are: president, Dorothy Banner, who was re-elected; vice president, Georgianna Miller; secretary and treasurer, Tillie Williams; and reporter, Barbara Roberson. The club discussed and voted to keep the slacks they now have as uniforms, instead of getting skirts. A representative committee of the club was appointed by the president to investigate the possibility of securing maroon jackets to match the slacks.  
After the business meeting was adjourned, the cheer leaders led the club in several yells, which expressed the obvious enthusiasm the new members and old members alike have for next year's team. Besides the old members present, guests and new members were: Cornelia Hamilton, Margaret Barber, Nona Mills, Nadyne Newell, Rachel Ireland, Polly Dixon, Louise Lance, Barbara Roberson, Troyce Stambaugh, Vesta Mae Landers, Anna Beth Carter, Geraldine Kendall, Arline Millard, Claudine Newman, Robbig Lee Haynes, Jeanette Altman, Ivaline Rudd, Paula Edwards, Estell Pace, Gertrude Worley, BillieZoe Smith, Kathryn Acker, Mary Louise Pace, Lottie Bell Edwards, Louise Henderson, Dora-Mae Hagans, Ruth Taylor, Lotie Smith, Marie Compton, Juanita Wiseman, Billie Louise Crawford, Norma Harmon, and Mary Ruth Russell.

### Governor O'Daniel Served Butter Milk by Mistake

Your reporter overheard an interview between Governor W. Lee O'Daniel and some Amarillo delegates at the I. L. P. C. Friday. It seems that the Amarilloans were apologizing for the service rendered the governor when he visited in Amarillo. Mr. O'Daniel ordered a "milked milk" and was sent butter milk. During his stay he also lost two suits from the hotel.

Vesta Mae was the 1939-40 football queen. She is on the staff and likes to play tennis. Vesta Mae is very fond of speech and went to the State Contest last year from Westway with a declamation. She wants to be an actress.  
June Dameron, one of the representatives to the Student Council, has also lived all of her life here in Hereford. June has been a very active member of the class during her three years in high school. During her freshman year, she was secretary-treasurer of the class, president of the F. H. T., a debater, and a member of the Glee Club and Pep Club. During her Soph year she was president of the class (the last semester), business manager of the F. H. T., office girl for Mr. Kinard, and a member of the Glee Club and Pep Club. This year June is president of the Student Council, a representative to the Student Council from the Junior Class, a twirler in the band, and a member of the Glee Club and Pep Club. June has won many honors since she has been in high school but the greatest one came this year when she was elected president of the state organization called the Future Homemakers of Texas. She also placed second division on her solo at Plainview. Her hobby is collecting pictures of bands and drum majors.

### Junior Personalities

Nell Spradley, who is the president of the Junior Class for 1939 and '40 is an outstanding figure in the class. She was born in Hereford, April 15, 1923, and has had all of her schooling in Hereford. At the present she is editor-in-chief of the "Whiteface Round-Up," drum major of the Hereford high-school band, and office girl for Mr. Hudson. Nell has been in the Pep Club 2 years and Student Council representative from our Soph class. She entered the State Twirling Contest this year and placed II division. Her hobbies are horseback riding and tennis. If anyone ever gets into trouble, he can call on Nell to get him out of it because her ambition is to be a lawyer.  
Raylan Evans, who is vice-president of the class is 15 years old. He has had all his schooling in Hereford. At the present he is in two clubs, namely: F. F. A. and Hi-Y. He is secretary of the F. F. A. Raylan was also vice-president during his freshman year. His hobby is hunting; his ambition is in the field of aviation.  
Elm Shugart, secretary of the Junior Class, was also born in Hereford. She has gone to school in Hereford all 10 years with the exception of 2 months, which were spent in Colorado. Elma is office girl for Mr. Kinard the first and seventh periods. She has been in the F. H. T., Glee Club and Debate. Elma enjoys English and history more than any other subjects. Her hobby is reading, and she hopes to be a journalist.  
Margaret Ann (Maggie) Miller, who has gone to school here only two years, is the Junior Class business manager. Maggie has been in 4 other communities besides Hereford. She was born at Willow Springs, Mo., Sept. 29, 1924. She went to school 2 years in Oklahoma City, 2 years in Lawton, Okla., and 4 years in Amarillo. She is a member of the Girls' Hi-Y, Band, and Pep Club. Her hobbies are horseback riding, swimming and tennis. Maggie wants to be a costume designer and interior decorator.

Vesta Mae Landers, one of the newest members of the Junior Class, is reporter. She was born near Clovis, N. M., in 1924. Vesta Mae lived 1 year in Hereford, a short time at Summerfield, and the last 12 years at Westway. This is Vesta Mae's first year to go to school at Hereford, but she is enjoying it very much; she is making a good B average.

### Margaret Higgins To Lead Betty Chapter 1940-41

The F. H. T. Club met May 1, for the last time this year. The purpose of the meeting was to elect the new officers for 1940-41 and to hear the reports from the state, F. H. T. Rally.

The new officers which were elected are: president, Margaret Higgins; vice-president, Billie Louise Crawford; secretary and treasurer, Katie Jean Cress; reporter, Mary Nicks, who was re-elected; and chairman of the year-book committee, Troyce Stambaugh. The remainder of the officers are to be filled next year.

The reports were given by June Dameron, who was elected president of the State; Katie Jean Cress, delegate from the second year class, and Billie Louise Crawford, delegate from the first year class. Following the reports the club sang, "Sing Your Way Home."

### Spring Training Has Thirty-Two Participants

Thirty-two boys have reported for spring football training. Although nearly half of the boys are inexperienced, they are all working hard and will be ready for a game under the lights, Thursday night, May 9.

### LAUGHS

Grandma and Grandpa arrived from the country at their son's city-home at noon. When they were asked to eat dinner, Grandma said, "Thank you, but we have done eat."  
Grandpa: "Don't say we have done eat, say we done eat."

A lemon and orange were on the table. The orange said, "How about rolling on to the floor?" The lemon said he would. The orange rolled off. Why didn't the lemon?  
Answer: He was too yellow.

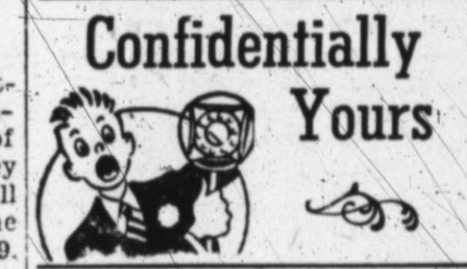

Miss McMinn was a visitor at Girls' Hi-Y meeting this last Tuesday.

### Seniors Entertain Juniors and Faculty With Sunrise Breakfast

Saturday morning the Senior Class entertained the Juniors and high school faculty with a sunrise breakfast at State Park. Such games as Black Man were played, after which scrambled eggs, bacon, toast, coffee, and doughnuts were served to the 125 guests.  
Rhita Jean Sullivan and Tom McCollum are the Senior sponsors; Lois McCaslin and Vance Stalcup sponsor the Juniors.

### Tennis Team Defeated By Amarillo Boys

Friday afternoon the boys' tennis teams from Amarillo defeated the Hereford Boys' team in straight sets.  
Dick Lieurentz defeated Earl Turner 3-6; 6-3; 7-5 in the singles.  
Bill Dairghty and Charles Simmons won over Jack Allmon and Jack Knox in the doubles; 6-1, 6-1.

Calling all Snooper Readers!! Things have been happening, and I do mean moo!  
To begin with, we have a song writer in our midst, who is none other than Roy Saltzman. We wonder who was the inspiration to make him produce such a love song.  
Have you noticed the admiring glances that George McLean and Mary Ann Acker exchange? Oh, to be a Freshman girl.  
Milton Brown can never say that his name did not appear in "The Snooper" during 1939-40.  
What has happened to Alvin Ward? E. S. says he doesn't love her anymore, Tsk! Tsk!  
According to the class pen Louise Lowry is wearing, she finds her interesting subjects outside of Hereford.

Confidentially Yours  
THE SNOOPER

### Team To Lose Fifteen Players

Last Conflict Until Whitefaces Meet Friona Chiefs September 13

By ELMA SHUGART  
The Whiteface Football Team for next year will be playing the exes at 8:00 o'clock Thursday evening, under the lights on the Whiteface Field. This game will mark the close of spring training, and also the last opportunity to see the Whitefaces until they play Friona here on September 13.

The exes will parade such stars as Clifford Estes, Ernie Schumacher, Jack Knox, J. C. Vaughn, Frank Vaughn, Danny Hales, Clyde Hagar, Lynwood Hallum, Bert Slay, Hilton Higgins, Wesley Guthrie, Robert Petersen, Billy Miller, Junior Ward, and Jack McCary.

The 1940 Whiteface Team will include Henry Ford, Leonard Johnson, Kenneth Lisenbee, Ewell Fox, Harold Loerwald, Joy Worley, and Joe Brock, who serves this year. Others added to the team will be Milton Brown, J. W. Merrill, Jack London, Nolan Miller, O. G. Hill, Charlie Hill, Wayne Phillips, Clifford Vaughn, Eugene Southall, and L. J. Clark.

Betty Sue Morton thinks Chas. Hill is so-o-o- cute!  
Virginia Benson is keeping her new boy friend all to herself.

It seems that every day one of the Hereford girls falls for some of the Dimmitt boys. This time it is Helen Rutherford. Some people would like to know what they have that the Hereford boys don't have.

Madonna M. has been writing notes to Pete Petersen beginning them with "Dearest Pete." Tut! Tut! Madonna! One her hand; we wonder what he note referred to his hurting was doing with it.

I have heard that Miss Sullivan has a boy friend in Dallas. Hmm! No wonder she enjoyed the F. H. T. Rally so much.  
Signing off—  
Confidentially yours,  
THE SNOOPER

The lights on our football field are fixed, so beginning this Saturday our team is going to have night practice scrimmage. Be sure to come out to watch them.

For talking out of turn to a friend of a state game warden an Oklahoman recently found himself paying a fine of \$100 for hunting in Texas on a \$2 resident license. It is possible he would not have been apprehended and would have saved the difference between a \$25 non-resident license and a resident license, but he bragged once too often; a State Game Warden investigated, obtained the aid of federal officers and just about had his case complete when the Oklahoman heard about it, drove more than 100 miles to Wichita Falls, entered a plea of guilty and paid the \$100 fine.

Mr. and Mrs. Hascal Robbins had as guests Sunday, Mr. and Mrs. E. Ramey of Hereford, Mr. and Mrs. H. H. Caraway of Wyche and Mr. and Mrs. Malcom Cassels and children.

## What to do when the bug bites you!

FIGURES show that about one out of every five able-to-purchase new-car buyers really wants a Buick more than any other car.

Not all will buy one.

Too many of them will shake their heads and sigh, "Nope! A car that big and handsome must be out of my reach!"

You'll be smarter than that, we know.

You'll realize it doesn't cost a cent to find out how a Buick feels—and what its delivered prices are.

So you'll walk in to the nearest Buick dealer and say: "Let me have a good look at that car that's showing the rest what modern style is."

"Let me try out that big straight-eight engine that's electrically balanced after assembly to watchworks' smoothness."

"Show me those big soft coil springs you talk about—and what's the business about recoil-mounted Knee-Action, heaviest frames at the price, five-foot front seat room in SUPER models, and six dozen new 1940 features?"

When you've got the answers through a good long ride—ask one more question: "How much?"

Current prices start at \$895\* for the business coupe, delivered at Flint, Mich. To this add transportation based on rail rates, state and local taxes (if any), and optional equipment and accessories—and you'll still get mighty low delivered prices.

When the bug bites you, get the facts—and you'll get a Buick and be happy!

\*Prices subject to change without notice.

OUR SALES ARE SWELL—and so are the deals your Buick dealer is making!
