

## U. S. Army Training Base Is Sought By Deaf Smith County

### AROUND TOWN

Sights and Faces Seen

Work on the addition to Ike's cafe has been completed and moving of the kitchen to the back of the addition is being done this week. It will probably be next week before work of moving and remodeling can be completed. Regular service of the cafe has not been interrupted.

Changes in the outer office of the county clerk have been made this week with the result that Charlie Cogdell can now have an enclosed office to work in. The new arrangement also makes it easier to get to R. L. Thompson's office. Changes have also been made in the county judge's outer office.

**WANTED:** A new name for the former Hereford State Park. Turn in your suggestions to Judge Schroeter or any member of the Commissioner's Court. The park now belongs solely to the county. (Note: "Commissioner's Court Headache" will not be accepted as a name.)

Miss Doris M. Perdue is the new permanent clerk-stenographer for the Soil Conservation office. She comes from the regional office in Amarillo, where her home is. She began work May 16.

In this issue of the Brand is a report of official inspection of Cream O' Plains Dairy, Prairie Dairie, P. M. Houser dairy and Mrs. Eberle dairy. The test is called a "Contamometer" and if you've heard of that before, you're smarter than this column.

Fate seems determined to take a last whack at Hereford high school grads, or to initiate them properly into the "cool, cool world," it's hard to tell which. (Continued on Page 10, Sec. 1)

## Mathes Home Coolers Introduced Here By Miller Auto Store

Announcement is being made this week of dealership in Mathes Home Coolers, by Miller Auto Store. The coolers work on the evaporation principle, and come in various sizes for different sized rooms.

Made with selected hardware cabinets, these coolers are given a beautiful walnut finish. They will fit any size window, and will change the air in a room every minute and a half, Mr. Miller said. The coolers may also be equipped with a two-speed switch, making regulation easy. The coolers are priced from \$29.95 to \$59.95 and may be had on easy terms.

## Poppies For Aid Of Disabled War Vets To Be Sold Saturday

### Popular Store Is Celebrating Its 19th Anniversary Here

Tribute will be paid by millions of Americans Saturday to the nation's World War dead. The day will be Poppy Day throughout the country and little red poppies symbolic of patriotic sacrifice will be worn in thousands of cities and towns. The American Legion Auxiliary has approximately 12,000,000 ready for distribution, according to Mrs. Glenn Weir, local poppy chairman.

With news of vast appropriations for expansion of the United States Army in the interest of National Defense, county and civic officials and business leaders of Deaf Smith county and Hereford have set in motion machinery to secure an Army Training Base for this county.

The proposed base would be one to serve the entire southwest and would provide camp and training quarters for 10,000 to 40,000 men on a land area of upwards of 50,000 acres.

Telegrams were sent from Hereford Saturday to Senator Morris Sheppard, chairman of the military affairs committee, soliciting his attention to the advantages this section has to offer for the training base. Sending wires were the Lions Club, County Judge A. J. Schroeter, Mayor C. J. Paddock, H. V. Hennen, REA project manager, the Chamber of Commerce, James E. Black, commander of the American Legion; and a telegram with the signatures of J. E. Hill, E. Gass, T. W. Alderson, W. J. Stanford, E. B. Black, W. E. Dameron and John McLean.

Desirability of a training base to be located in the north or northwest part of Deaf Smith county, or partly in Oldham (Continued on Page 10, Sec. 1)

## Postpone P. O. Dedication Again

For the second time dedication date for Hereford's new post office has been postponed. New date is June 8, four days past time called for in the construction contract. However, a weather clause has been cited by the company and B. H. Graff, government engineer, granted the extension.

Since beginning work last November approximately six weeks has been lost due to weather, especially during the cold and snow of late December and January.

Jim Lipscomb, postmaster, in announcing the postponement, said that program plans were necessarily being held up.

## Annual Meeting Of Deaf Smith REA To Be Held On May 30

Annual meeting of the Deaf Smith County Electric Cooperative, Inc., will be held May 30 at 8 p. m. in the court house, project manager H. V. Hennen has announced.

At the meeting directors and officers for another year will be elected.

All members are urged to attend.

## Local Residents Are Invited To Color Fiesta

Perhaps you do not want to write the great American novel but you probably will want to write a simple 25 word statement and win the Fiesta 90 piece dinner ensemble that is to be awarded to a resident of this community.

According to Grant A. Fuller, manager of R. H. Kemp Lumber Co., dealer in Lowe Bros. Paints, the Fiesta ensemble table service for six is a masterpiece of sparkling color. And in addition to complete set of genuine Fiesta dishes in a service for six, it includes knives, forks, spoons, tumblers and glassware.

"Yes," says Mr. Fuller, "This dinner ensemble will be given away free to the winner of our local contest, open only to residents of this community."

Said Mr. Fuller in a statement today: "I imagine that (Continued on Page 10, Sec. 1)

### Commencement Speaker

Deck Wells, publisher of the Wellington Leader, will make the principal address tomorrow night at Senior commencement exercises in the High School Auditorium.

## Hereford 7th Grade Exercises Held At High School Today

Graduation exercises for the Seventh graders of Hereford schools were held this morning at the high school auditorium, with over 70 graduates receiving diplomas. Main address was made by Glenn Allison, principal of Central School.

The program follows: Invocation, Rev. James Aiken, Jr.; "Stars and Stripes Forever," (Sousa) by the class; "Dream Fairy" (Seboech), Arline Millard; Class of 1944, Their Memory Book, Ruth Tucker; "Cribbirin" (Pestalozza) Ellen Posey; "If You Can't Sing, Whistle," (Hart), Mixed Chorus; Address, Glenn Allison; Presentation of Diplomas and Awards, LeGrand, Benedict, Rev. (Continued on Page 10, Sec. 1)

Supt. Knox Kinard announced this morning that full protective measures are being taken and that everything will be in readiness for the Commencement service in the high school auditorium tomorrow night. Plaster which fell from the ceiling over the balcony last night, injured no one as the balcony was not in use.

Fifty-one seniors of Hereford high school will receive diplomas tomorrow night at 8:30 o'clock in the 35th annual commencement exercises of the school, Supt. Knox Kinard has announced.

Deskins Wells, editor of the Wellington Leader, and an outstanding newspaper man of the southwest, will deliver the commencement address to the graduates.

Mr. Wells has visited in Hereford a number of times, and has made many friends here. In addition, he has other friends in this section who have moved here from Collingsworth county.

The commencement program will be given in the high school auditorium. The following program has been announced: Invocation, Rev. Marvin B. Norwood; "The Price of Our Education," Vivian Olson; "Marcheta" (Schertzingler) Bernadine Phillips, Orvella Hill, La Wanda Jean Reed, and Helen Francis Streu; "The Test of Our Education," Clifford Estes; Address, Deskins Wells; Solo, "A Perfect Day," (Carrie Jacobs-Bond) Dorothy Nelle Trimble; Presentation of Diplomas, W. Jesse Stanford, President, Board of Education; Announcement of Honor Awards, G. M. Hudson, high school principal; Benediction, Minister L. C. Chapin. Valedictorian of the class is Clifford Estes and Salutatorian is Vivian Olson. Class officers are Bernadine Phillips, president; Vivian Olson, vice-presi- (Continued on Page 10, Sec. 1)

## Jas. R. Robinson To Be Local Manager For Insulation Co.

Appointment of Jas. R. Robinson as local manager of the Cotton Insulating Co., with offices in connection with Hereford Appliance Co., is announced by the firm this week.

The Cotton Insulating Co. features use of Thermal-Wool for home insulation and has supervised several installations in Hereford and vicinity.

## Excavation For Spud Warehouse To Begin Soon

With negotiations practically complete for the location of their proposed potato warehouse, the Hereford Potato Growers Association hopes to begin excavation this week or early next week, Glenn Boardman, president, has stated.

At the same time, stock certificates for delivery to business men and others who subscribed in the Association are being printed and will soon be ready, it was announced.

Russell Reeves of Washington has been employed to manage the warehouse and he will have charge of all grading, washing and storage. The warehouse will be of the underground type. Its length will be over 300 feet, with a maximum width of 52 feet. The warehouse will be in three divisions. One cellar will be 52x200 feet; one 50x100 feet, and in between will be a 30x30 foot room where the sorting and washing machinery will be located. Depth will be eight feet at the sides. A driveway 14 feet wide and 13 feet high will accommodate trucks and trailers. The warehouse is expected to be completed by July 1.

## General Rain Of 1.2 Inches Falls Slowly

A general rain totaling 1.2 inches at Hereford fell slowly over this territory Tuesday night and Wednesday bringing badly needed moisture to all parts of this county. Especially was the area around Hereford benefited because previous rain has missed this section almost entirely.

The moisture probably will be of greatest value in providing a season for planting of row crops. Grain sorghum acreage is expected to be increased this year, due to failure of much dry-land wheat.

Except in the areas which received rain before, and in a few scattered summer-fallowed fields dry-land wheat is too, severely damaged by drought to rally to any considerable extent.

## Second Call Sent To Red Cross Here

Contributions to the Red Cross for war relief reached \$22.50 this morning, John Olson, chairman of the Deaf Smith chapter announced this morning. Still far short of the county's quota of \$240, money has been coming in slowly. Contributors so far at the First State Bank are: G. W. Brumley \$5.00, Ernest Seigner 1.00, Wirt Phillips 2.00, F. W. Goodnow 2.00, Ross Fuller 2.50, John Olson 2.00, First State Bank 5.00. At the First National Bank: Green M. Suggs 1.00, R. L. Gollihar 2.00.

## Davis-McCracken Formally Open As Firestone Dealers

Formal opening of Davis-McCracken as distributors for Firestone auto and tractor tires and accessories will be held Friday and Saturday, it was announced here today.

With an invitation extended to all to come in and visit on these days, the firm announced that it would clean, test and repair all automobile, truck, bus and tractor spark plugs brought in to them.

While Davis-McCracken are distributors for this territory, Texas Service Station, managed by Glenn Snyder, and Service-U-Like Station, managed by Emmitt Milburn, have been announced as authorized dealers.

## C. B. Burdine Opens New Tire Repair Shop On Highway 60

Opening of a new tire repair shop on Highway 60 two blocks east from Main street, is announced today by C. B. Burdine, owner.

The new shop will make a specialty of repairing and vulcanizing car, truck, and tractor tires, Mr. Burdine said, as he announced the opening and issued a special invitation to friends and patrons to come by and inspect the shop.

I. A. Burdine will be an assistant in the work. Construction of the building in which the shop is housed was begun some time ago. An attractive stucco front characterizes the building, which, though small, is modern.

**MRS. MALCOM CASSELS**

There were only 31 present at Sunday School and church Sunday morning. Next Sunday we are going to study some more about Jeremiah. The topic of our lesson being God's Law in the Heart. Read the entire 31st chapter of Jeremiah.

Rev. Lloyd Waters brought a

very interesting sermon Sunday morning on Hell. He did not stay over for services Sunday evening.

The negro minstrel was enjoyed by a good crowd Thursday evening. Miss Appleblossom a typical negro teacher, played by Mrs. Caraway, called her school to order. Some very comical lessons in arithmetic, geography and English were then conducted. Then a very comical little playlet was presented by the older pupils. Mrs. Caraway is to be complimented very highly in her work with the pupils of this school the past two years. She has been very patient with them and has done an excellent job in teaching so many grades.

Miss Stella Fortenberry, Miss Melba Ray and Mrs. Ray of Walcott were present for the last of the school program. Thursday night, Miss Fortenberry was getting acquainted with the people of the community as she is going to be our teacher next year. We feel sure that Miss Fortenberry will be a very capable teacher to follow Mrs. Caraway.

Mrs. H. H. Caraway was very surprised Thursday night when she was presented with a beautiful friendship quilt from the community. The center block

read Frio School with the name of each pupil on it.

# SOCIETY

MRS. JOHN McLEAN, Society Editor Phone 181

Any kind of meat can be built around a good meat course. After the meat course has been decided upon it is easy to add your favorite vegetables, which are suited to the type of meat planned. A few meat and vegetable combinations to keep in mind are:

- With roast beef, grated horse radish.
- With roast pork, apple sauce.
- Roast veal, tomato or mushroom sauce.
- Roast mutton, currant jelly.
- Boiled lamb, mint sauce.
- Salt Mackerel, stewed gooseberries.

And a few rules worth remembering are: When cutting meat to cook always cut across the grain of the muscle.

Salt and season boiling meats while cooking. In boiling put fresh meats in hot water, and salt meats in cold water.

Never salt and pepper broiling meat while cooking. Season with salt and pepper and butter after removing from the grid-iron. For a "pan broil," heat very hot; use no fat of any kind; put the meat flat on the pan; turn rapidly and often; season when done.

Put sugar in the water used for broiling meats of all kinds, it gives a good flavor, especially to veal.

In cooking tough fowls or meat, one tablespoon of vinegar in the water will save time in cooking.

All mutton and lamb should be skinned before cooking.

### TWIN MEAT LOAVES

Mrs. W. J. Stanford's twin meat loaves not only have a different taste, but when ready to serve they have that special look that carries with it an urgent invitation to eat. Mrs. Stanford has a hobby of collecting good recipes which, taken with the right knowledge of knowing what to do with them after she gets them, is a hard combination to beat when it comes to cooking. Here is her recipe:

- 1 pound of ground ham
- 1/2 pound ground beef (preferably round steak)
- 1/2 cup cracker crumbs
- 1 small can pimentos
- 1 egg
- 1 small sized chopped onion
- 1/2 cup chopped celery
- 1-3 cup sweet milk

Mix thoroughly and form in 2 loaves. Bake, uncovered, in moderate oven (350 F.) for an hour or more.

This may be served hot or cold. Try it, served with saute pineapples, potato salad or whole kernel corn. If a masculine appeal is desired, garnish just before serving with sour cherries which have been drained, sprinkled generously with sugar and heated in the oven for a few minutes.

### Final Meeting Held By Band Organization

The final meeting of the year for the Band and Orchestra Parents' Association was held at the High School Thursday night. All old officers were re-elected. They include J. H. Tripp, president; Cliff Estes, vice-president; Mrs. Joe Kendall, recording secretary; Mrs. Ralph McCullough, corresponding secretary; H. V. Williamson, treasurer; Mrs. T. W. Robertson, reporter and Mrs. O. G. Hill, parliamentarian.

The group discussed the annual band trip which is scheduled for next week. Approximately 45 band students and sponsors will leave Saturday morning for a week's vacation in the New Mexico mountains.

Band director, Ralph Smith, gave a report of the National Band Contest held in Waco recently.

Announcement was made that the band will play for the program June 1 dedicating the new postoffice and officials of the organization has asked all uniforms be turned in immediately after that program for summer storage. A committee consisting of Mrs. W. E. Daniel, Mrs. H. V. Williamson, and Mrs. Harry Lomas was appointed to receive the band uniforms.

### Picnic Enjoyed By Baptist Young People

## CASTING CLASSES GROWING

Each year sees another school or so adding classes in bait and fly casting to their curriculum. Rice Institute of Houston is the latest. There, Andy Anderson is conducting a class in which more than fifty boys are studying the fine art of casting. Andy Sparks has had a class there. Hardin-Simmons University of Abilene also has a casting class. The Baylor and Hardin-Simmons classes are composed of both young men and women.

Special music is to be provided for both services. A cordial invitation is extended to everyone.

## Annual Spring Luncheon Closes Season For Lone Star Study Club

To close activities for the season members of the Lone Star Study Club were entertained with a delightful luncheon Monday at the home of Mrs. Higgins. Hostesses for the occasion were Mesdames C. F. Moore, Jim Williams, Charles Sowell, O. L. Click and Higgins.

### Outstanding

MISS LA NELLE Scheihagen, daughter of Mr. and Mrs. W. R. Scheihagen, has been named outstanding senior at West Texas State College. Miss Scheihagen receives her degree this year, with a music major. She has been elected teacher of public school music at Sam Houston school in Pampa next fall.

## Miss Scheihagen Is Outstanding Senior Girl

Canyon.—Miss La Nelle Scheihagen of Hereford, Tuesday received the Pi Omega award for being the outstanding senior girl at West Texas State College. The award was made in assembly today by Miss Annette White of Dalhart, president of the social club for girls. The basis of the honor includes scholarship, leadership, character, and service. Pi Omega also presented twelve "gold bricks" to the Panhandle-Plains Historical Society museum. Miss Scheihagen has been active in most of the college musical organizations. She was president of the YWCA this year, and a member of Alpha Chi, the scholarship society.

## ROARK Y. W. A. HAS MEETING

The Roark Y. W. A. of the Baptist Church met at the home of Estelle Pace Monday evening for a program on Missions. Miss Molly Jo Roberson was leader. After the program a short business session was held. Those present were Maxine Adams, Molly Jo Roberson, Inez Funderburg, Estelle Pace, Mary Brock, Paula Mae Edwards, Olive Stagner, Clotelle Pace, Thornton Shirley, Ida Brock and Mrs. Jack Roberson, sponsor. A social hour was enjoyed. The next meeting will be held at the home of the sponsor.

## "Flower Show" Plans Will Be Discussed

Roll call at the meeting of the Garden Club, which will be held Friday afternoon at the home of Mrs. Dennis Barnard, will be a discussion of plans for the annual Fall Flower Show sponsored by the club. Non-members of the club are asked to remember the fall show when planning and planting their summer flower gardens. Mrs. Barnard will be leader and will give a discussion on perennials. Mrs. Mark Harina will tell something about bi-ennials and Mrs. C. C. Cox will have something to say about seeds and how to sow them.

The Garden Club reminder for the month is, "Stake all tall growing plants, spray roses and seed lawns."

Club members are asked to meet Friday at the home of the president, Mrs. N. E. Gass, at 2 o'clock and go in a group to the Barnard country home.

## DEPARTMENT HEADS ARE ENTERTAINED

Leaders in the Primary, Beginners and Cradle Roll departments of the Methodist Church enjoyed a picnic supper party Monday evening at the home of the superintendent of the children's division, Mrs. R. P. Coneway. Plans for the annual Vacation Bible School, which is scheduled for June 10-21 inclusive, were discussed.

Members of the departments attending were Mesdames H. V. Williamson, C. R. Lady, Ralph White, J. O. Newell, Jack Wright, R. P. Coneway, Miss Eunice Rutherford, Rev. and Mrs. Marvin Norwood, Barbara Burney and Inalou and Margaret Norwood.

## PICNIC SUPPER PARTY IS CLASS DIVERSION

The Baptist BYPU group had a picnic last Thursday evening at 8 o'clock in the State Park. Various games were played and enjoyed by all. The refreshments consisted of hot dogs, pickles, potato chips and ice tea.

Those who enjoyed the occasion were Imogene Cotton, Thornton Shirley, Dorothy Funderburg, Ellen Bowsher, Virginia Bowsher, Lottie Allred, Estelle and Clotelle Pace, Mary and Ida Brock, Mary Roberson, Inez Funderburg, Molly Jo Roberson, Bobbie Turner, Lucille Parks, Viva Mae Upton, Harold Harlin, Kenneth Lisenbee, Jim Fullwood, Earsel Brashear, Billie Roberson and Roy Morrison.

## Services Held At Donna For John Copeland, Former Hereford Resident

Funeral rites were held Saturday afternoon, May 11, at Stotler Chapel in Donna, Texas for John H. Copeland, 78 years old, who passed away at his home there after a lingering illness. Mr. Copeland was one of the pioneer residents of Hereford and engaged in stock raising and wheat farming before moving to California, then to Donna. He was the father of Mrs. A. C. Hales, who is employed in Amarillo, wife of A. C. Hales, who is associated with C. O. Wilkins in a barber shop here. Mr. Copeland is survived by his wife, four sons, C. H. of Santa Monica, Cal.; J. R., H. B. and Murray, all of Bakersfield, Cal.; two daughters, Mrs. Hales and Mrs. George W. Parker of Amarillo; several grandchildren and many other relatives. Mrs. Hales, Mrs. Parker and small daughter, Suzanne, J. R. and H. B. Copeland were at his bedside.

Interment was in Donna Cemetery.

John H. Copeland was a highly respected and much beloved citizen and a member of the Methodist Church. He was born in Nashville, Tenn., Sept. 27, 1861, and moved to Waco when about 15 years old. He was married to Miss Martha Brown in Waco, June 1, 1897. The family later moved to Hereford.

## Easter Items

MRS. CARL FRYE  
Wheat in this part of the county is beginning to look bad. In fact, some is completely gone and if moisture isn't received soon there will be a small harvest outside of the irrigated wheat.

Sunday school was reorganized Sunday. There was an attendance of 18, which was good considering the weather. Everyone is invited to come next Sunday and bring someone with them. All meetings will be at the E. M. Allen home. After Sunday school a buffet luncheon was enjoyed by all present.

Veronica Beckman, Brittan Ghambliss and Austin Mobley left Sunday morning to accompany the Dimmitt graduates on their senior trip which has been an annual affair for several years. This year the class will see points of interest in New Mexico and will go into Old

Mexico before returning. World Day of Prayer was observed Wednesday, May 15, by the Easter Missionary Society at the home of Mrs. E. M. Allen. Interesting talks on "Faith in God" were given. All feel that much good was derived from this meeting.

Mr. and Mrs. Harvey Smith and Mr. and Mrs. Fred Walton visited Sunday afternoon in the Harvey Smith home at Big Square.

Mr. and Mrs. Carl Frye visited in the Finis Hunter home at Jumbo Sunday afternoon.

Mr. and Mrs. E. M. Allen and Mr. and Mrs. Dan Allen visited with Vay Allen in Hereford Sunday afternoon.

Viola Beckman was hostess when she entertained her little friends with a party Sunday afternoon, celebrating her 11th birthday, after playing games most of the afternoon she was assisted by her mother in serving refreshments to Sue and Joe Woolery, Charles and Patricia Frye, Richard Chambless, Mary Ann Lewis and Walter Beckman.

Mrs. Emmett Brookshire of Silverton visited in the Clayton Woolery home one day last week. While returning to her home in the afternoon she had the misfortune of turning her car over while attempting to pass a school bus. Mrs. Brookshire suffered minor bruises.

## Man With a Plan

A man with a platform is Vay Allen of Hereford, N. C., whose name is spelled wrong in the ad. His offer appeared in the Hereford News and Observer, owned by Joseph Daniels, ambassador to Mexico. Vay says his platform consists of an agricultural allotment plan administered by farmers for farmers.

## Two Weddings Are Announced Here This Week By Mr. and Mrs. Carlyle

Two weddings of interest have been announced here this week. Mr. and Mrs. L. W. Carlyle have announced the marriages of a daughter, Miss Virginia Carlyle and a son, L. W. Carlyle, Jr. Miss Virginia Carlyle and Gaylord Newell, son of Mr. and Mrs. J. O. Newell were united in marriage at the Methodist Church parsonage in Clovis, N. M. The wedding took place on Sunday, March 3, with the Rev. C. E. Hay, pastor, officiating. Attending the couple were Miss Mary Elizabeth Stanford and Dick Barnard, both of Hereford.

The bride wore an attractive informal black crepe dress with white accessories. For "something old and something borrowed" she wore an old-fashioned necklace of her mother's.

Mrs. Newell was graduated from Hereford High School in 1937. She attended a business school in Amarillo and for the past two years has been employed with the Southwestern Public Service Company in Amarillo.

Mr. Newell is also a Hereford High School graduate and at the present time he is employed with Conoco Oil Company.

The couple will make their home here. **WORLEY-CARLYLE** In Panhandle on Wednesday, May 8, Miss Mary Jo Worley became the bride of L. W. Carlyle Jr. The only attendants of the couple were Misses Harriette De Yong and Vonelle Hare, and George Jones, all of Amarillo.

The bride was attractively dressed in a frock of black crepe with white accessories. She is the daughter of Mr. and Mrs. Dave Worley of Bowie. She is a graduate of Bowie High School and attended a Los Angeles, Calif. college. For the past year she has been employed by the Panhandle Building and Loan Association of Amarillo. Mr. Carlyle is a graduate of Hereford High School and was president of the 1935 graduating class. For the past four years he has been employed by Furr Food Stores. He has been transferred here as relief manager. The couple are at home now in Hereford.

## Methodist Women Study New Book

The regular monthly business and social meeting of the Woman's Society of Christian Service of the Methodist Church met at the home of Mrs. E. W. Harrison Wednesday afternoon.

Hostesses were Mesdames E. J. Hudson, H. H. Hawkins, D. W. Hawkins and Harrison.

Mrs. Marvin Norwood gave the devotional and Mrs. Lyle Blanton led the prayer. Special music was furnished by Joyce Homer.

Mrs. Knox Kinard gave a general preview of the new study book, "Through Tragedy to Triumph" by Basil Matthews. Enrollment was made of study members.

A short business session was conducted by Mrs. J. F. Ward, general president.

## Summer Plans Are Varied For Teachers

Teachers in the Hereford Public School system are shaping their plans for varied interests this summer. In the Central School group are Glenn Allison, principal, who expects to spend most of the summer in Hereford. His home is in Clarendon. Miss Eunice Rutherford will be at her home in Tullia.

Miss Mary Bradley and Miss Madeline Bell will attend W. T. S. Canyon. Miss Belle Harris lives in Bluffdale and plans to be there this summer. Miss Katherine Kirby's plans are indefinite but she will attend school somewhere. Miss Imagee Cotton will spend the summer at her home in Abernathy and Miss Jen S. Terhune plans to stay at home in Pampa and Miss Ruby Dutton who lives near Canyon will be at home for the summer. Four of the group will spend most of the summer here with probable short visits. They are Misses Thelma McMinn, Ethel Womble, Eloyse Pitman and Ela Alkman.

## HIGH SCHOOL TEACHERS

High school teachers include Miss Deelmae Ramey who will take a travel tour through the eastern states during the summer; W. M. Emmons will look after school work here and in the late summer he will attend a state conference at Texas A & M College. G. M. Hudson had planned to attend school in the University of Texas but since purchasing a new home he will spend the summer improving his property. For the first six weeks of the summer Miss Neville Wrenn will be at her home in Memphis. She will attend school probably in Boulder, Colo., the last six weeks. Tom McCollum will be here a part of the summer with visits with relatives in Winters, Estelline and Levelland scheduled. Miss Lois McCaslin will go to her home in

Canyon for a few weeks then she will do work on a Masters Degree in English at Greeley, Colo., for eight weeks. A visit with relatives in Indiana is also included in her plans. Miss Ethel Rice will leave tomorrow for New York and plans to sail for South America on May 31, where she will spend most of the summer. Miss Irene Crawford plans to be at home in Fayetteville, Ark., with vacation trips to the Ozark Mountains. Vance Stalcup said he was going to a "cotton country", Celina, Texas; J. I. Willoughby will study somewhere toward a master's degree. Miss Robbie Foster will visit in New York and Miss Frances Fullingim plans to go to her home in Decatur and later a visit in Dallas is planned. Miss Sadye Rigler's plans are indefinite but vacation trips somewhere may be on her calendar for the summer. Supt. Knox Kinard will remain in Hereford most of the summer but will probably make a trip or two downstate.

## American Legion And Auxiliary Are Entertained

A covered dish supper party entertained American Legion members and members of the Legion Auxiliary at the Legion Hall, Tuesday night.

Red roses were featured as table decorations. After the supper party bridge games and rummy were enjoyed. Official hosts included Mrs. Harry Lomas, Mrs. C. O. Wilkins, Leonard Foster and Frank Givan.

Those attending were Messrs. and Mesdames Reed Williams, A. R. Bateman, Glenn Weir, Ray Johnson, Jim Lipscomb, Glenn Boardman, Jim Black, Frank Giles, C. O. Wilkins, Messrs. Joe Shepard, Leonard Foster, H. H. Miller, Arch Dobbins, Mrs. W. B. Green, and Mrs. Harry Lomas.

## Spring Concert Will Be Given Tonight At 8:15

Miss Nadyne Newell and Miss Rachel Ireland will be presented in a spring concert at the Presbyterian Church tonight at 8:15 o'clock.

Mrs. Clay Ridgway will be accompanist for the varied program which will consist of selection from oratorios, modern composers, old masters, and American composers. Both solo and duet numbers will be given.

The girls are students in Miss Mattie Mae Swisher's Studio of Singing. The public is cordially invited to attend.

## JUNIOR VOCO CONCERT

Four members of Miss Swisher's Junior Voco Club were presented in recital Monday evening at the Methodist church. The girls, Joyce Homer, Aileen McLain, Dorothy Dee Wilde and Joan Witherspoon gave miscellaneous selections, including recent contest numbers.

Dorothy Dee Wilde presented a "Cycle of the Season" in song and Joan Witherspoon described a "Picnic Day in the Woods" in song. All four recitalists entertained with special character songs which delighted the audience. Joan Witherspoon dressed like Mother Goose sang "The Wedding of Jack and Jill"; Dorothy Dee Wilde represented a little street urchin singing "The Little Yaller Dog"; Joyce Homer took the part of a negro mammy, singing "Hi L'l Feller" and Aileen McLain in cowgirl attire sang "I Want to be a Cowboy's Sweetheart." Mrs. Clay Ridgway was accompanist.

Mrs. Gordon Witherspoon, Mrs. I. R. McLain, Mrs. John Homer and Mrs. Frank Wilde served refreshments after the concert at an informal tea. Jacqueline Newell and Bessie Frances Caraway were ushers.

## Summer Home-Project Club Is Organized

A summer Home Project Club, sponsored by Miss Rhita Jean Sullivan, home economics teacher in Hereford High School, was organized last week with about 45 high school students as members.

Officers elected were Nancy Olson, president; Katherine Henderson, vice-president; Gloria Cress, secretary and treasurer; Phyllis Jean Radovich, reporter. The club will meet once each week during the summer months for a program and business meeting. A committee consisting of Gloria Cress, Georgia Mae Reeves and Katherine Henderson, was appointed to investigate and make plans for a summer trip, which will be a part of the hot-weather activities.

Miss Sullivan will hold conferences with each girl from time to time, discussing and organizing the home projects.

## Windbreak Discussion Is Given At Meeting Of Frio H. D. Club

The Frio H. D. Club met Wednesday afternoon, May 15, at the home of Mrs. Elsie Jones at 3 o'clock. Roll call was answered with a discussion on "Whether to plant a Windbreak or not and give reasons."

Mrs. Aldon Hawks was elected as our delegate to attend the Short Course at College Station and Mrs. J. E. Springer as alternate.

The club women decided to entertain their husbands and children with a picnic at the creek on this Friday night. Each member and her family are urged to attend.

Delicious refreshments were served to Mesdames W. A. Springer, J. E. Springer, Aldon Hawks, Ruby Sparkman, Cecil Gunter, Jewell Cassels, T. L. Sparkman Sr., Henry Andrews, and Miss Alma and the hostess.

**HEREFORD GIRL WILL GRADUATE AT VERNON**  
Kitty Kloe Harlin, daughter

of Mr. and Mrs. J. B. Harlin, tomorrow night. Kitty Kloe did will be among graduates of Vernon High School this year. Mr. Harlin work here but has attended Vernon High School the past two for the graduation exercises to- years.

Mr. and Mrs. W. F. Gillis are in Hot Springs, N. M., for a two weeks vacation trip.

# High School, Summerfield, Firemen And K-C Hold Unbeaten Standings

By GRANT FULLER, Jr.  
 May 20—The High school took their second game of the season as they slammed out a 11 to 3 victory. The Whitefaces started out with a 3 to 1 lead in the first inning and were never threatened again. The High School's biggest inning came in the fifth when they tallied four times.

The Whitefaces collected nine hits off the Plowboys while holding them to seven hits. Two of the High School hits were home runs blots by Fuller and Vaughn. Aulick hit a homer for the Plowboys. Joe Brock, while allowing 11 hits, struck out 10 men.

 Batteries: Plowboys, G. Fuller and J. Albracht; High School, Brock and Smith.

**LIONS vs. PHILLIPS 66**  
 May 21—Sherman's long hit to right field scored Covington for the winning run in the last of the seventh as the Phillips 66 nosed out the Lions 12-11. Covington had walked and had gone to second on a wild pitch when Sherman stepped up with none away. He hit a long fly down right field foul line to score Covington and could have tallied himself had it been needed.

Phillips 66 trailed most of the game, but gained in the fifth and sixth innings when they scored two and four runs respectively. Singleberry and Sherman led the victors with three hits apiece.

Schroeter slammed out two homers for the Lions as they collected ten hits.

## Varied Activities Are Planned By Boy Scouts Of Hereford

Boy Scout activities this week and in the near future are many and varied, and include building of a four-wheel trailer for Troop 1, changes in leadership, new members, plans for a summer camp, and plans for a patrol leaders training camp.

John David Dowell will receive his Tenderfoot badge Monday night. Billy Hutson received his May 6.

A committee meets tonight to plan a training camp for patrol 1 and troop leaders.

Billy Dameron has been made Patrol Leader of Wood Pidgeon patrol and James Barnard Hicks succeeds him as assistant patrol leader of Lion patrol. Donald Roberson has been appointed Troop 1 librarian.

Alex Thompson has been sponsoring a new story about Hitler and Goering. It seems that the two Nazi leaders were riding in an automobile and accidentally ran over a dog, killing the animal. They decided to tell the farmer about the accident, and Hitler dispatched Goering to perform the task.

Goering left the car and walked up to the house. After some 15 minutes he returned to the car, his arms laden with several bottles of champagne and a keg of beer. Hitler, who had expected an entirely different reaction, was no little surprised and immediately wanted to know if Goering told the farmer about the dog having been killed.

"Certainly," replied Goering, whereupon Hitler asked for the complete conversation.

"Well," said Goering, "I went up to the house and said: 'Hell Hitler. The Dog is dead.' Then the farmer began to shout: 'Hooray Hooray' and he gave me all of these nice presents."

You can use your imagination about what likely happened to the poor farmer. He probably did one of those permanent "black-outs."

While wholesale death and destruction rath on the land, on the sea and in the air about Europe most of us are quaking in our shoes for fear that our own children will yet see service on the battlefield, even fearing an eventual attack on our own fair land. "My, but I'm glad I live in America," is a common expression. Yet, when we are called upon to use our influence and to assist in giving the children of our community one of the things which they really deserve—a swimming pool—we lay down on the job. It sure looks bad for the swimming pool business, and the main cause is due to the fact that only five people show up when a general meeting is called.

Anyway, Wallace Hill has done his part. Mr. Carr, his construction foreman, makes the following estimate on a swimming pool. Everything is figured at wholesale cost, thanks to the lumber yards, and Mr. Hill will donate the use of his concrete mixers and other machinery.

1150 Sacks of cement	\$ 805
225 Wall ties	225
450 Steel	450
Ladders, Diving Boards and other improvements	117
Compensation Insurance	200
Sand Fill	225
Drain tile	90
Curb stones	20
Form Lumber	300
Gravel	600
Total (Without Labor)	\$3032
If labor were paid at current scales, another \$1,000 should be added to the cost.	

Well, folks, that's a little too steep to be made up through public subscriptions. It looks like about the only chance we have to get a pool is to pull one of those Blitzkriegs on the County. It so happens that Deaf Smith County is in the second best financial condition of any county in Texas, and while we all like to have money in the bank we also like to keep on par with neighboring counties. On the other hand, you sure can't expect the county to take any steps unless they are solicited by the voters and tax payers.

## Junior Pioneer Club Installs New Officers

New officers were installed when the Junior Pioneer Club held its last meeting of the year Tuesday evening at the lovely new home of Mrs. Troy Moore. Miss Rosalie Johnson was co-hostess.

Mrs. Urbin Streu conducted the installation rites with each outgoing officer explaining the duties of her office before oaths were taken. A rose, symbol of love and co-operation, was presented to the incoming officers.

The new officers include Mrs. Elmer Patterson, president; Mrs. J. B. Whitlow, vice-president; Mrs. R. S. Scott, recording secretary; Mrs. Homer Brumley, corresponding secretary; Mrs. Lilburn Ray, treasurer; Mrs. Elvin Riddling, parliamentary; and Miss Edna Daughtee, reporter.

Objectives and plans for next year's work were discussed and an appreciation gift was presented to Mrs. Streu, out-going president.

Two guests, both former members of the club were present. They were Mrs. Liston Wilson and Mrs. Aaron Rose, who have returned to Hereford to live.

Members attending were Mesdames Homer Brumley, Buford Crockett, O. H. Culp, W. Willis Edelman, Meade Hall, Frank Huckert, Fred Harrell, Alton Miller, Troy Moore, Lilburn Ray, Elvin Riddling, Ralph Roden, R. S. Scott, A. J. Schroeter, Urbin Streu, J. B. Whitlow, R. R. Wills, Louis Woodford, Ralph Hastings, Miss Edna Daughtee and Miss Rosalie Johnson.

Having harped on the swimming pool for some two months, I think that I will fold up on the subject, at least until general public shows signs of wanting a pool. If most of the people would rather use the creek, it's good enough for me. Furthermore, I don't want people telling me about it. Tell your county commissioner. That is where it will do the most good—or get up a delegation of 200 or 300 people and meet with the court. When that many people get ready to do something, I will sure do my very best, but it's mighty discouraging to call a meeting and to have five men attend. You can't blame the commissioners when there's no more interest shown.

Barney Hicks called up last week and said he guessed there was enough bull in the paper without this column. Anyway, someone missed it.

Since Mont Baker had his teeth pulled recently, it's a familiar sight to see Hereford's No. 1 Playboy "gumming" a cup of coffee. Mrs. A. R. Bateman, who was reared within six miles of the setting of "Grapes of Wrath," says that she never saw any folks who were quite so bad as the Joads. Pat Filbin says as soon as the ground dries out he will start 11 men cleaning weeds out of his 17 acres of onions; the weeds have to be cut out by hand. Speck Lunsford is again doing some deep ear fishing near Galveston; Speck always catches plenty of fish or else they are mighty cheap along the coast.

## North Hereford Club Has Meat Cookery As Discussion Topic

The North Hereford Home Demonstration club met with Mrs. G. A. Frye last Friday with Miss Sadie Lee Oliver present and giving a very interesting demonstration on meats.

Miss Oliver cooked a complete meal consisting of roast beef baked potatoes, gravy, buttered carrots, asparagus with Hollandaise sauce, pickles, radishes, punch and cake, which she served, giving proper instructions on how to set the table and the proper table manners.

Mrs. Frank Wilde gave a report from the Short Course, which was held at Canyon. Mrs. G. A. Frye, Mrs. Louie Olson and Mrs. Oscar Vaughn also attended.

Members present were Mesdames L. M. Rhodes, John Kroppf, Oscar Vaughn, Fred Saltzman, R. A. Fullwood, C. G. Robbins, G. S. Parker, W. H. Miller, Earl DeHart, M. H. Koelzer, Frank Wilde, Otto Olson, G. A. Frye and Miss Sadie Lee Oliver. We were glad to have Mrs. Ramey, Mrs. Roy Jowell and Mrs. B. E. Brumley as guests.

The next meeting will be with Mrs. W. H. Miller on June 17.

## Auxiliary Studies Lesson on "The Jew"

Members of the Woman's Auxiliary of the Presbyterian church met at the church Tuesday afternoon for a lesson on "The Jew." Mrs. E. H. Norton as leader, opened the program with a discussion on "What Presbyterians Should Know About the Work Among the Jews." Mrs. H. L. Broadwell told about "Jesus and the Modern Jew"; Mrs. E. S. Ireland discussed "The Jew at our Door"; followed by a talk on "The Christian and the Jew" and Mrs. W. M. Rigler concluded the lesson with a talk on "The Jew Today." The devotional on "Standards and Measures" was given by Mrs. C. C. Ferguson.

The next meeting will be held in groups at homes of members.

## Three "L" Class

Monday night at Hereford State Park a hamburger supper entertained members of the Three "L" Class. Mrs. G. P. Owen teacher, accompanied the group which included; Imagene Cotton, Molly Jo Roberson, Lottie Allred, Inez and Dorothy Fundberg, Eunice Caldwell, Virginia and Ellen Bowser and Thornton Shirley. Molly Jo Roberson was chosen to take the place of Miss Imagene Cotton as president of the class for the summer months.

## Around Town

Last year the lights went out during commencement. Last night the plaster fell from the ceiling on the balcony.

Miss Peggy Valentine, who is well-known person about town, is visiting from Seagraves where she was employed by Western Union. She is in Hereford for a certain important event. Sh-h! Sh-h!

Mr. and Mrs. Marion DeFever and two boys have moved to Hereford. He is a brother-in-law of J. M. Hart and has taken charge of the Gulf Service Station formerly operated by Fred G. Brown.

## Diplomas

Dorothy Nelle Trimble, secretary-treasurer; Myron Morgan, reporter; and Loy Cook and Ann Cockrell, council representatives.

## Poppies

The poppies which will be distributed here were made by disabled veterans. The making of these flowers has given employment during the winter and spring to many veterans unable to do other work, and has helped fill tedious hours of idleness for them. The poppies are crepe paper replicas of the wild poppies of France which grew in such profusion on the World War battle front.

Contributions above the actual cost of the poppies, will go into the welfare funds of the local Auxiliary Unit to be expended to meet local needs during the coming year. These contributions are the principal source of support for the welfare work being carried out continuously by the Auxiliary.

"When the people of Hereford put on their poppies Saturday they will be both honoring the war dead and aiding the living sufferer from the conflict," said Mrs. Weir.

## U. S. Army

county, was pointed out in January in a brief drawn up by Judge Schroeter and submitted to Sheppard. Mr. Sheppard turned the brief over to Harry Woodring, Secretary of War, who wrote that funds were unavailable at that time. Recent enactment of President Franklin D. Roosevelt's defense program, calling for increases in navy, air and land forces, has changed the situation.

The brief submitted pointed out the advantages this section has in climate, topography, location and other factors. A moderate climate with a large number of cloudless days, making the country ideal for training maneuvers, was set forth as one point. An altitude such that airplanes would have to rise only 3,000 feet to duplicate conditions at 6,000 feet from sea level would be an advantage. The level treeless terrain would eliminate clearing expenses in building the camp. It was shown that the camp would be located near two transcontinental highways, on two transcontinental railroads and would be a logical stopping point for coast-to-coast airplanes.

It was pointed out that the camp would be between the helium plant and rich oil and gas fields of the Panhandle and any foreign power which tried to invade the United States from the southwest, yet would be close enough to the Big Bend army posts to furnish men and supplies for that area.

## Local Residents

every woman would like to have this ensemble for her home. It's sold by leading department stores the world over, and it's made by the world's largest maker of pottery. Everyone is invited to our store this weekend to see our Plax colored Fiesta and to get the facts upon which to base their 25-word content statement. We have arranged a colorful, animated Plax Fiesta display and a streamlined demonstration to

give visitors all the facts about Plax, Universal Beauty Finish.

"Furthermore, we have samples of Plax which will be given away absolutely free, as will free contest blanks on which to write the 25 word prize statement."

According to Mr. Fuller, the contest will be open to anyone except employees of this store and their families. The Judges are three well-known local people: Alton Miller, boss Lion of the 1940-41 Lions Club, May 24-25, and enter this easy Miss Sadye Rigler, English in-

structor, and Mrs. Clara McLean, librarian.

There is no obligation to buy anything and no fancy writing ability is necessary. Entries will be judged on the simple merit of the statements, and in event of a tie, duplicate prizes will be awarded.

"So," concluded Mr. Fuller: "We feel sure that no one will miss this opportunity to visit our store this Friday and Saturday, May 24-25, and enter this easy to win local contest."

## Witherspoon Class Has Luncheon

An all-day meeting for members of the Frances Witherspoon Bible Class of the Presbyterian Church was held at the home of Mrs. A. D. Godwin, Thursday. A covered dish luncheon was served to Mesdames: W. M. Rigler, W. A. Hunter, O. Lynch, Ora Lee, Bertha Barnhart, E. E. Rogers, Mary Ethel Boyd, Joe Bodkin, John Haberer, F. P. Potter, Rev. and Mrs. James Aiken, George Shepard and the hostess.

The class sponsors various charitable projects during each year and after the luncheon members worked on quilt blocks which will later be made into a quilt and sold. A short business session was held.

## Miss Ethel Rice Leaves Tomorrow For South America

Miss Ethel Rice, daughter of H. L. Rice and teacher of mathematics in Hereford high school, plans to leave tomorrow for an extended summer trip which will include Venezuela and other parts of South America.

Miss Rice will be joined in Ft. Worth by a friend from Kingsville, Miss Mona McMasters, who will make the trip with her. They will go by bus to New York and will sail from there on the

Grace Line on May 31. They will have brief stops at Bermuda and Haiti and will land at La Guaira about June 7. From there they will fly by Pan American Airways to Guanta, South America. There they will be met by Miss McMaster's sister who will take them to her home which is about 100 miles inland. The return trip will be made about the middle of the summer but Miss Rice will spend some time in New York before returning to Hereford. She had made her reservations on the Royal Netherlands Line but due to war conditions the ship's sailing was canceled and she transferred to another Line.

## LUNCHEON IS CLUB AFFAIR

Sewing, knitting and other handwork furnished entertainment for members of the Knitting Club at the home of Mrs. W. J. Stanford on Wednesday of last week.

The group was entertained with a luncheon at noon with larkspur, iris and flax, all in the blue shades, used for floral decorations. Silver and crystal were other attractive appointments.

Those attending were Mesdames Knox Kinnard, Travis Dameron, Woodrow Ireland, J. T. Gilbreath Jr., Ernest Medkief, Ralph Hastings, and W. J. Stanford.

Texas has a closed season on salt water terrapin. The open season is from Nov. 1 to March 1.

## 'Harpo' Galento

This may be a preview of coming events. "Two-Ton" Tony Galento, challenger to Joe Louis' heavy-weight crown, spiced this \$2,000 harp in an Omaha, Neb., radio station, and promptly went to work on it.

## FALL FROM TABLE CAUSES BROKEN ARM

Little Miss Doris Jean Hastings, daughter of Mr. and Mrs. Henry Hastings, while playing in the back yard at their home Saturday afternoon accidentally fell off a table breaking one bone in her left wrist. She was playing alone and doesn't exactly know what happened except that she toppled off the table's edge on the bent wrist, resulting in the break. She's almost enjoying the extra attention and hasn't had to miss any school.

## CLUB ENTERTAINED AT COUNTRY HOME

A trip to the country home of Mrs. Frank Huckert near Summerfield was the order of events for members of the New Deal Bridge Club Friday afternoon. Two tables of players enjoyed games of bridge with Mrs. B. Y. Crosthwait winning high score prize.

Those enjoying the occasion included Mesdames Sylvester Slagle, Louis Woodford, Alton Miller, Ralph Hastings, Willis Edelman, B. Y. Crosthwait and the hostess.

## Mother-Daughter Class Party Given Friday

A mother-daughter seated tea was given Friday afternoon by members of the Fideles Matrons Class of the Baptist Church at the church.

To establish the color theme pink and white spring blossoms decorated the church. The tea table was centered with a punch bowl surrounded by dainty pink and white sweet pea corsages which were used as plate favors. Tall pink candles burned at either side.

Mrs. Alton Fraser presided, assisted by Mesdames E. B. Hicks, Jimmie Gillentine, J. W. Witherspoon and Mrs. Pate. A program centering around the theme "Garden of Life" was presented with Mrs. Alton Fraser in charge. After the mothers were introduced, Mrs. Fraser gave a brief history of the life of any little boy with his mother in the garden of life. A tribute from the daughters to the mothers was given by Mrs. A. O. Thompson followed by a relative talk by Mrs. Art Manjoet. Special music was furnished by Mrs. A. J. Schroeter and Mrs. A. O. Thompson.

Honored guests and class members included Mesdames Will Carroll, Roy Manning, Russell Daniels, Edd Smith, Roger Corbett, Mark Hanna, Julia Sowell, J. M. Gilliland, Carl Gilliland, Allen Powelson, Nelson McRight, Art Manjoet, Reba Hewton, Elizabeth Hyer, W. E. Barnes, A. O. Thompson, Laura Hicks, J. H. Pitman, Alton Fraser, E. B. Hicks, W. L. Alexander, Edgar Sowell, Jimmie Gillentine, W. I. Valentine, Marlin Gilliland, Ralph McCullough, Barrett Sowell, J. W. Witherspoon, John Haeker, Clarence Strange, Lee Meeks, and A. J. Schroeter.

## NEW HOME IS SCENE OF PARTY FOR VISITORS

Mrs. Seth B. Holman entertained with an attractively appointed bridge-luncheon at her lovely new home Saturday honoring several Amarillo guests.

A pastel color theme was featured with different shades of blue predominating. Snappragons, sweet peas and blue bonnets were used in the dining room and colorful low bowls filled with deep purple pansies were in the living room.

The luncheon was served buffet style from a decorated dining table and covers were laid at four small tables, appointed with crystal and silver.

After the luncheon bridge games provided entertainment with high score awards going to Mrs. H. T. Neely and Mrs. E. B. Hedrick.

The honored guests from Amarillo included Mesdames Henry Gooch, R. E. Townsend, H. T. Neely, Stanley Marsh, Ed Hardin and Jeanne Foster.

Hereford guests were Mesdames E. B. Hedrick, J. A. Pitman, H. K. Fox, C. C. Acker, S. P. Rosson, A. R. Bateman, H. A. Close, Alton Fraser, Jimmie Gillentine, Jack Wayland and Miss Eloyse Pitman.

## CLUB ENTERTAINED

Mrs. Meade Haile was hostess to members of the London Bridge Club at her home Thursday afternoon.

Mrs. R. R. Wills played high for score award in the games and Mrs. Ernest Medkief second high.

Refreshments were served to Mesdames Frank Cogdell, R. R. Wills, J. T. Gilbreath Jr., Ernest Medkief, N. E. Milburn, J. M. Posey, Sherman Morgan and the hostess.

## CHURCH GROUP MEETS AT MEADE HAILE HOME

Ladie Fox Circle of the Woman's Society of Christian Service of the Methodist Church was entertained at the home of Mrs. Meade Haile Friday afternoon.

Mrs. W. M. Emmons gave an interesting discussion of "The Life and Work of Luke Johnson" who in recent years has led the women of the South in a great movement for better race relations.

Mrs. Altus Higgins discussed the sixth and final chapter of "Songs of Zion," a Bible study book dealing with the Psalms. A contribution was made for the Luke Johnson Memorial fund and "Homeland Harvest" a new book of study was chosen by the group for future study, the first chapter to be reviewed at the next meeting. The meeting will be held at the J. C. McCracken home on June 7, and all members are urged to attend.

## Campaign For Rural Homes Begun By FHA

Washington, D. C.—A nation wide campaign to stimulate new-home construction in rural communities has been started by the Federal Housing Administration, Administrator Stewart McDonald announced today.

In pressing this program, the FHA will encourage builders, material manufacturers and suppliers, relators, lending institutions and other organizations in the housing field to expand their activities in rural communities, Mr. McDonald said. At the same time, the FHA's field organization will endeavor to stimulate public interest in the rural market, he said.

The new FHA campaign is directed toward housing in rural communities in predominantly agricultural areas, Mr. McDonald explained. While a considerable volume of construction under the FHA program is already under way in such communities, the new drive is designed to bring further expansion in that direction, he said.

"The rural community market

et for modern housing definitely exists despite the difficulties of operating in less thickly settled areas," Mr. McDonald asserted. "The FHA now has a well rounded and highly flexible program for making home ownership available to families in every part of the United States."

**West Texas Gas Co.**

### "Mile-Dial" Introduced By Conoco Co.

Ponca City, Okla.—A device by which motorists can quickly and accurately measure their gasoline mileage is being introduced today by Continental Oil Company in a nationwide newspaper advertising campaign.

The "Mile-Dial" is a simple device which keeps count of the number of gallons of Conoco Bronz-z-z gasoline purchased and the number of miles traveled during the test, and automatically calculates the miles per gallon by a simple turn of the dial.

The dial, which can be obtained free at service stations selling Continental Oil Company products, can be attached to the dash without marring the surface or can be carried in the glove compartment of the car. With it the motorist can make frequent checks of the mileage he obtains from Conoco Bronz-z-z gasoline and can at the same time easily accumulate his purchases and miles traveled, so that an average miles-per-gallon over a long period can also be determined.

The Mile-Dial was invented by Continental Oil Company engineers, and its mathematical accuracy has been certified by F. A. Bergen, chairman, mechanical engineering department, of Washington University.

The wheat in this community has improved since the rain of last week.

The ones from Messenger who graduated at Friona were Anna Brown, Georgia Nell Coleman, Sylvester Fangman and Stephen Messenger. Sylvester Fangman was named all-around boy. Elsie Messenger and Stephen Messenger received prizes.

Mr. and Mrs. L. A. Wells, teacher in Messenger school, had a picnic Thursday at Cottonwood Grove, honoring the pupils and their parents.

Enough rain fell Sunday afternoon to lay the dust and make the roads sticky.

Farmers are planting crops of different kinds of grain. The barley that was drilled in this

spring is looking good.

Mr. and Mrs. Wells and some of the parents took Nola Fay Smith, Roberta Parker, Jimmie Fangman, Raymond Brown and Elton Wily to Hereford Friday night for seventh grade graduation exercises at the high school auditorium.

## Put Gasoline Claims thru the Wringer!

### Try NEW Phillips 66 in your motor!

No matter what sensational improvements in gasoline are announced... you have a simple, easy way to find out the facts.

Squeeze the water from the claims, prove which are all wool and a yard wide, by comparing gasolines in your car. Note which gives easiest starting and best acceleration. Listen for telltale knocks on hills and heavy pulls. Check your speedometer for mileage per gallon.

Judge by results, and we believe you will certainly feel that difference with your best tankful of NEW Phillips 66 Poly Gas. It demonstrates, and how! Proves its extra power, pick-up, and mileage. Gives you practically the same knockless performance for which you previously had to pay 2¢ extra per gallon.

So look for the Orange and Black 66 Shield. Drive in... fill up... pull out... and step on it! When you get a motor fuel which performs like this... with new higher anti-knock... without higher price... it's easy to judge the extra value.

## FALL FROM TABLE CAUSES BROKEN ARM

Little Miss Doris Jean Hastings, daughter of Mr. and Mrs. Henry Hastings, while playing in the back yard at their home Saturday afternoon accidentally fell off of a table breaking one bone in her left wrist. She was playing alone and doesn't exactly know what happened except that she toppled off the table's edge on the bent wrist, resulting in the break. She's almost enjoying the extra attention and hasn't had to miss any school.

## CLUB ENTERTAINED AT COUNTRY HOME

A trip to the country home of Mrs. Frank Huckert near Summerfield was the order of events for members of the New Deal Bridge Club Friday afternoon. Two tables of players enjoyed games of bridge with Mrs. B. Y. Crosthwait winning high score prize.

Those enjoying the occasion included Mesdames Sylvester Slagle, Louis Woodford, Alton Miller, Ralph Hastings, Willis Edelman, B. Y. Crosthwait and the hostess.

## Mother-Daughter Class Party Given Friday

A mother-daughter seated tea was given Friday afternoon by members of the Fideles Matrons Class of the Baptist Church at the church.

To establish the color theme pink and white spring blossoms decorated the church. The table was centered with a punch bowl surrounded by dainty pink and white sweet pea corsages which were used as plate favors. Tall pink candles burned at either side. Mrs. Alton Fraser presided, assisted by Mesdames E. B. Hicks, Jimmie Gillentine, J. W. Witherspoon and Mrs. Pate.

A program centering around the theme "Garden of Life" was presented with Mrs. Alton Fraser in charge. After the mothers were introduced, Mrs. Fraser gave a brief history of the life of any little boy with his mother in the garden of life. A tribute from the daughters to the mothers was given by Mrs. A. O. Thompson followed by a relative talk by Mrs. Art Manjoet. Special music was furnished by Mrs. A. J. Schroeter and Mrs. A. O. Thompson.

Honored guests and class members included Mesdames Will Carroll, Roy Manning, Russell Daniels, Edd Smith, Roger Corbett, Mark Hanna, Julia Sowell, J. M. Gilliland, Carl Gilliland, Allen Powelson, Nelson McRight, Art Manjoet, Reba Howton, Elizabeth Hyer, W. E. Barnes, A. O. Thompson, Laura Hicks, J. H. Pitman, Alton Fraser, E. B. Hicks, W. L. Alexander, Edgar Sowell, Jimmie Gillentine, W. I. Valentine, Marlin Gilliland, Ralph McCullough, Barrett Sowell, J. W. Witherspoon, John Hacker, Clarence Strange, Lee Meeks, and A. J. Schroeter.

## NEW HOME IS SCENE OF PARTY FOR VISITORS

Mrs. Seth B. Holman entertained with an attractively appointed bridge-luncheon at her lovely new home Saturday honoring several Amarillo guests.

A pastel color theme was featured with different shades of blue predominating. Snapdragons, sweet peas and blue bonnets were used in the dining room and colorful low bowls filled with deep purple pansies were in the living room.

The luncheon was served buffet style from a decorated dining table and covers were laid at four small tables, appointed with crystal and silver.

After the luncheon bridge games provided entertainment with high score awards going to Mrs. H. T. Neely and Mrs. E. B. Hedrick.

The honored guests from Amarillo included Mesdames Henry Gooch, R. E. Townsend, H. T. Neely, Stanley Marsh, Ed Hardin and Jeane Foster.

Hereford guests were Mesdames E. B. Hedrick, J. A. Pitman, H. K. Fox, C. C. Acker, S. P. Rosson, A. R. Bateman, H. A. Close, Alton Fraser, Jimmie Gillentine, Jack Wayland and Miss Eloyse Pitman.

## CLUB ENTERTAINED

Mrs. Meade Halle was hostess to members of the London Bridge Club at her home Thursday afternoon.

Mrs. R. R. Wills played high for score award in the games and Mrs. Ernest Medkief second high.

Refreshments were served to Mesdames Frank Cogdell, R. R. Wills, J. T. Gilbreath Jr., Ernest Medkief, N. E. Milburn, J. M. Posey, Sherman Morgan and the hostess.

## CHURCH GROUP MEETS AT MEADE HALLE HOME

Little Fox Circle of the Woman's Society of Christian Service of the Methodist Church was entertained at the home of Mrs. Meade Halle Friday afternoon.

Mrs. W. M. Emmons gave an interesting discussion of "The Life and Work of Luke Johnson" who in recent years has led the women of the South in a great movement for better race relations.

Mrs. Altus Higgins discussed the sixth and final chapter of "Songs of Zion," a Bible study book dealing with the Psalms. A contribution was made for the Luke Johnson Memorial fund and "Songs of Zion" a new book of study was chosen by the group for future study, the first chapter to be reviewed at the next meeting. The meeting will be held at the J. C. McCracken home on June 7, and all members are urged to attend.

## Campaign For Rural Homes Begun By FHA

Washington, D. C.—A nation wide campaign to stimulate new home construction in rural communities has been started by the Federal Housing Administration, Administrator Stewart McDonald announced today.

In pressing this program, the FHA will encourage builders, material manufacturers and suppliers, realtors, lending institutions and other organizations in the housing field to expand their activities in rural communities; Mr. McDonald said. At the same time, the FHA's field organization will endeavor to stimulate public interest in the rural market, he said.

The new FHA campaign is directed toward housing in rural communities in predominantly agricultural areas, Mr. McDonald explained. While a considerable volume of construction under the FHA program is already under way in such communities, the new drive is designed to bring further expansion in that direction, he said.

The rural community mark-

et for modern housing definitely exists despite the difficulties of operating in less thickly settled areas," Mr. McDonald asserted. "The FHA now has a well rounded and highly flexible program for making home ownership available to families in every part of the United States.

### "Mile-Dial" Introduced By Conoco Co.

Ponca City, Okla.—A device by which motorists can quickly and accurately measure their gasoline mileage is being introduced today by Continental Oil Company in a nationwide newspaper advertising campaign.

The "Mile-Dial" is a simple device which keeps count of the number of gallons of Conoco Bronz-z-z gasoline purchased and the number of miles traveled during the test, and automatically calculates the miles per gallon by a simple turn of the dial.

The dial, which can be obtained free at service stations selling Continental Oil Company products, can be attached to the dash without marring the surface or can be carried in the glove compartment of the car. With it the motorist can make frequent checks of the mileage he obtains from Conoco Bronz-z-z gasoline and can at the same time easily accumulate his purchases and miles traveled, so that an average miles-per-gallon over a long period can also be determined.

The Mile-Dial was invented by Continental Oil Company engineers, and its mathematical accuracy has been certified by F. A. Bergen, chairman, mechanical engineering department, of Washington University.

## Put Gasoline Claims thru the Wringer!

### Try NEW Phillips 66 in your motor!

No matter what sensational improvements in gasoline are announced... no matter what promises are made... you have a simple, easy way to find out the facts.

Squeeze the water from the claims, prove which are all wool and a yard wide, by comparing gasolines in your car. Note which gives easiest starting and best acceleration. Listen for rattle knocks on hills and heavy pulls. Check your speedometer for mileage per gallon.

Judge by results, and we believe you will certainly feel that difference with your first tankful of NEW Phillips 66 Poly Gas. It demonstrates, and how! Proves its extra power, pick-up, and mileage. Gives you practically the same knockless performance for which you previously had to pay 2¢ extra per gallon.

So look for the Orange and Black 66 Shield. Drive in... fill up... pull out... and step on it! When you get a motor fuel which performs like this... with new higher anti-knock... without higher price... it's easy to judge the extra value.

## THE FORD WAY OF DOING BUSINESS

The Ford Motor Company was founded by a working-man for working-men. Its present officers began as employees of the Company. It was the first company to pay a minimum wage, beginning in 1914, at the then astounding figure of \$5 a day. That was double the prevailing wage of the time. The Ford minimum is now \$6 a day for all employees engaged in production work. And from that, the wages rise to \$10.80 a day, with the average wage \$7.25, exclusive of salaried employees.

service with the Company—sober, decent family men. Hundreds of them have been with the Company for more than 25 years—thousands for more than 15 years. Their health record, home ownership and citizenship records are good.

All this is reflected in Ford products, whether cars, trucks or tractors. The work is honestly done. Materials are the best that can be made or procured. Less profit to the Company and more value to the customer is known throughout the motoring world as "Ford's way of doing business."

Henry Ford and Edsel Ford keep daily personal touch with all phases of Ford manufacture. In a conference with his staff, Henry Ford often says: "Go ahead—I'll sit here and represent the public."

The Ford Motor Company was the first large company to establish the 8-hour day—also in 1914. And the 40-hour week was inaugurated by the Ford Motor Company in 1926, years before any such laws existed.

The Ford Motor Company employs men without regard to race, creed or color. It is common knowledge that working conditions in the Ford shops are the best that science and constant care can make them. A square deal, a just wage and stabilized employment for a large proportion of our employees—and as fully stabilized for all as conditions will permit—enable our men to retain their personal independence.

Ford Motor Company was the first to make a motor car within the means of the average family—quitting the manufacture of what was then the largest selling model in the world to do so. Its chosen field in all the 30 years since that time has been the average American family—for which it has consistently provided car facilities which formerly only the wealthy could buy.

It is the policy of the Ford Motor Company to share the benefits of advanced methods and management with workers and public alike. Increased wages and employment over a period of many years have resulted in

A 300 per cent increase in the built-in value of the Ford car and a 75 per cent reduction in its price.

### The School Building Speaks

By MATTIE LAWHON

Ho, Hum! Here I stand all alone and blue. I'm just a school house, but don't think for a moment that I don't have heartaches, because I do. Just suppose you loved 365 kids like I do, and they all left you at once. Wouldn't you be flabbergasted? I've sheltered the dear creatures during rain, snow, sleet, and dust. (Sniff). Now exams are over and the kids are leaving after tomorrow with their little report cards. Some of the cards have so much red on them, they look like Christmas cards. I have a feeling I'll be seeing some of the next year and for years to come. Some students are so affectionate, it looks as if they are going to have to burn me down to get them out of school. My (sniff), how I'll miss the patter of little feet upon my stairs. The tooting of horns in my auditorium, (sniff). Oh, those were the happy days!

There goes a group of kiddies, they never come near unless they have to. (sniff).

Well, I'll see them next fall, the dear things—well (sniff), I'm just an old high school, things (sniff) don't matter anymore.

### Seniors Take Outing To State Park Monday

The Senior class took their annual trip Monday evening. They had a picnic at the State Park.

Refreshments of sandwiches, pickles, deviled eggs, potato chips, fruit, cookies, and pink lemonade were served to 20.

Mr. Tom McCollum and Miss Rhita Jean Sullivan are the sponsors of the class.

Salt water terrapin and green turtles have legal size limits in Texas. Terrapins not less than six inches in length can be taken legally. Green turtles must not weigh less than 12 pounds.

### "How To Be A Success" Facts Revealed By Vivian and Clifford

The first remark Vivian Olson made when she was interviewed recently concerning her recent honors of being selected salutatorian of the senior class was, "Just take my advice and never, never, move. It's hideous!" Vivian had been helping her mother move to 117 Lake St.

Her hobbies are reading and collecting dogs.

She plans to enter Trinity University at Waxahachie next fall. Vivian said, "I am glad this year is over, but I wish that I were coming back next year."

Vivian said that she has enjoyed Miss Sadye Rigler more than any other teacher and chemistry more than any other class.

Vivian will give her salutatory address tomorrow night at the commencement exercises. The subject for her talk is "The Price of Our Education."

She wears size 14 dress and six and one-half shoe. Her favorite color is blue.

### VIVIAN TELLS HER AMBITIONS

She hates to indulge ambitions although she does not want to be a housewife very much. She refused to tell her best boy friend his, but she did admit that he lives in Hereford.

Vivian said, "My advice to the Fish and Sops who plan to be seniors is: do your best; study rather hard; don't put off things; and have a good time."

Mr. Knox Kinard, superintendent, complimented Vivian by saying, "Vivian was chosen by the District A for elimination for the Good Citizenship Pilgrimage to Washington. In the final elimination she was selected as second alternate. She almost won a trip to Washington as a guest of the D. A. R."

Vivian takes none of the credit for her success in school. She says, "I owe my success to all those who have helped me so much while I have been in school."

### CLIFFORD ESTES GIVES ADVICE

Clifford Estes, the valedictorian of the Senior class gives a useful bit of advice to the oncoming seniors. He says, "My advice is study hard; keep physically fit; be patient with your teachers."

Clifford's hobbies are fishing and hunting.

He will attend A & M next fall.

His favorite teacher is Miss Crawford; his favorite subject, chemistry.

Clifford wears a size 15 shirt and size 10 shoe. His favorite color is green. Clifford's "sweetheart" is Jack Knox.

When asked to whom did he attribute his success, Clifford answered, "What success?"

His ambition is to be a doctor.

Nadyne Newell: The comparison of the English government with that of the government of the U. S. in World History.  
Mary Lee Hood: I remember playing at Dream Time-Swing Time.

Mary Brock: Going to sleep in Study Hall. Mr. Willoughby sent me home.

R. L. Dowell Jr.: Nothing, I can't think now.

Mr. Ney Oldham: Being snow-balled.

Mr. G. H. Hudson: The snow.  
Mattie Lawhon: The band contest and a few minor things.  
Darrell Blanton: Sadye Hawkins Day.

Jack Allmon: Biology class.  
Miss Neville Wrenn: Every day, every piece of work, and every student is so equal that I can't tell.

Rena Rae Renfro: When Duane Balze asked me for my first date.

Jack London: Mattie's (Lawhon) new hair dress.

Raylon Evans: History class and it was no dream.

Clifford Estes: Making my commencement speech.

Miss Irene Crawford: The happy facial expressions and the shouts of the seniors that got by.

Mr. Bailey: I'm afraid to tell you.

Lillie London: The trip to Plainview.

Miss Declmae Ramey: People interrupting my typing to, ask me what I remember most of all this year.

Margaret Olson: The first time I cooked a meal in Home Ec.

Phyllis Gene Radovich: The time Grady said a statue was a man that made statues.

Rue Wilson: Mattie's and my Friday night cruises.

Jack Knox: I remember the Senior football game because I was injured for 6 weeks.

### Read And Find Out Where The Seniors Will Be Next Year, Maybe

In case you want to know where part of this year's Seniors will be next year, here is a little information to that effect.

Bobbie Turner is going to Tech if she can.

Helen Francis Streu and Berky Phillips may room together at West Texas State in Canyon.

Daniel Turrentine is also going to Tech.

Vivian Olson will probably attend Trinity University at Waxahachie.

Wanda Jean Reed: St. Anthony's in Amarillo, maybe.

Ernie Schumacher: Mmarillo, maybe.

but may attend Tech.

Myron Morgan: Undecided, Jean Chapin will go to Abilene Christian College.

### Seniors Present Annual Class Night Wednesday

The Senior class celebrated their regular class night last night.

Helen Francis Streu played "Star Dust" on her saxophone. Wanda Jean Reed and Dorothy Nelle Trimble sang "At the Balalaika," "Boo-Hoo," and "In an Eighteenth Century Drawing Room."

George McLean gave the class prophecy; Minnie Dea Smith, gave the class will; Bernadine Phillips gave the class history.

Then entire class sang "School Days."

The program closed with "Alma Mater."

### Mr. Nichols Is Speaker At Banquet

The Hereford Boy's Hi-Y held their annual Mother-and-Son Banquet last Thursday night at the Presbyterian Church.

George McLean was toastmaster. Roger Hartman gave the welcoming address and the toast to the mothers. Mrs. Frank Lucas gave the response.

The main speaker of the evening was Harold Nichols, the district secretary. His subject was "Forming Our Life's Pattern." Jack Knox gave a reading "My Mother."

Thirteen boys and their mothers attended the banquet.

### "Wash Day" Is Subject Of Girls' Hi-Y Banquet

The Hi-Y Girls entertained their mothers with a banquet Tuesday night, May 14 at the Methodist Church.

The theme of the banquet was "Wash Day." Paper wash boards served as place cards. Table decorations were tiny tubs, washing machines, and wash boards.

Betty Jane Roloson gave the Welcome and Mrs. C. O. Phillips gave the Response.

Kathryn Henderson, the toastmistress, introduced the principle speaker, the Reverend James Aiken, Jr., who compared the effects of Hi-Y on girls to the effect of a washing on clothes.

Toasts on dependability, Christian character, truthfulness, good scholarship, and service were given by Margaret Olson, Betty Ann Dunlap, Rena Rae Renfro, Rachel Ireland, and Mozelle Shreve.

Ann Cockrell and Wanda Jean Reed played a clarinet duet, "The Wonderful Mother Of Mine." Mary Lookingbill gave a reading, "Mother."

The banquet was concluded by the Hi-Y benediction.

The biggest large-mouth bass taken by rod and reel was caught in Montgomery Lake, Ga. It weighed 22 1/4 pounds.

Ann Cockrell and Vivian Olson are pretty good dancers. (At least while they're dancing together.)

## Confidentially Yours

This is the last snoop of the year and isn't it snooty?

We have heard that Rue and Eleanor Wilson and Mattie Lawhon are good caddies.

Does Harold Close really have a crush on Robbie Lee Haynes? Seems that Jeff Burk and Troyce Stambaugh are awfully friendly, lately.

Nancy Olson and Robert Petersen are just to-o-o friendly, to be just friends.

Look what I found on a chalk box, Wanda Jean Whitaker plus Donald Henslee.

This will "kill you"; Bruce Beene plus L. L. Lucas, it's something new isn't it.

Eloise Tout has been making whicky whacky eyes at O. G. Hill in Study Hall.

It seems that Lois Agnes Gilbreath has a crush on a boy. He seems to be tall, blond, and pug.

We wonder why Wayne Phillips changed his mind and decided to go to Las Vegas?

Didn't we see Billie Louise Crawford with Raylan Evans the other night?

### Fruit Desserts Are Study Of Wyche 4-H Club

Kinds of fruit desserts were the topics of study at the meeting of the Wyche 4-H club, May 16, in the home of Miss Sadie Lee Oliver. Fruit sandwiches made of dried fruit were discussed. Fruit juice desserts were served with cake. Lemonade, raspberry punch and raspberry-rhubarb punch were served but the raspberry punch was liked best. The recipe was 1 cup lemon juice, 1 pint ginger ale, 2 cups berry juice and sugar to sweeten.

A committee composed of Nancy Olson, Barbara Robertson, Ina Mae Hewitt, Florella Boeskin and Helen Reinart was appointed to plan summer entertainment and ways of making money for the club. Sending of a girl to short course and a summer trip, also a meeting place for the summer, were discussed.

Members are urged to bring their plan of work for the summer to the next meeting, June 6, at Wyche school house.

Those present were Barbara Robertson, Nancy Olson, Wilma Jo Robertson, Georgia May Reeves, Ina Mae Hewitt, Florella Boeskin, Helen Reinart, Wilma Jean Robertson, Helen Francis Elliston, Minnie Opal Elliston, Vera Rea, Betty Lea Valentine, Betty Joe Boeskin, Alta Marie McEllin, Fatsy Harris, Johnnie Marie Joiner, Margaret Johnson, Dorothy Johnson and Miss Oliver.

### CHDA NOTES

By Sadie Lee Oliver

The frame garden 6x12, 72 square feet, at the home of Mrs. Charlie Hussey cost 35 cents. The cover is made of feed sacks. Of this amount, ten cents was for thread and twenty-five cents for the seed of five vegetables: turnips, mustard, spinach, radishes, and lettuce. The quick growth of these leafy green-vegetables results in a tender quality very much appreciated by the Hussey family. When very young these mixed leaves were served with green onions in a raw salad thus supplying the largest possible amount of vitamins and minerals.

This frame garden is of ample size for the family of four.

One hundred and ninety baby chicks at the home of Mrs. Berry Orr are being fed the growing mash given in B-83, "Growing Baby Chicks." They thrive on it. Mrs. Orr has found that she can buy the ingredients, grind and mix it for \$1.65 per one hundred pounds. She omits the dried buttermilk and feeds fresh clabber.

This publication is from the Extension Service of A & M College.

Deaf Smith County may send six home demonstration club women to the Farmers Short Course on July 11 and 12. One sponsor and two 4-H club girls may attend Junior Short Course on July 8 and 9.

#### MRS. ULLMAN HUNTER

The pupils of Mr. Thruston's and Miss Matthews held their closing day exercises Wednesday. They were good and very interesting, truly showing how pupils and teachers had worked.

Mr. and Mrs. Roy Thruston Dixie and La Roy left Saturday for Olton. They will visit relatives and friends in various places before entering summer school.

Mr. and Mrs. J. J. Wilder spent Sunday in Flegg with their daughter, Mrs. Pete Coker.

Adams, Simpsons, Orval Pierce, Mesdames Sam and Finis Hunter attended the graduation exercises in Dimmitt Thursday evening. Virginia Simpson and Lonnie Wayne Adams received diplomas. There were 39 in the graduation class.

Friday most of the patrons accompanied the school children on a picnic at Buffalo Lake.

Mrs. C. D. Pinckert was hostess to the members of the Women's Auxiliary Thursday afternoon. She gave the devotional and the members took part in a miscellaneous program. Mrs. Pinckert served refreshments to Mesdames C. D. Gilliam, M. T. Sparkman, H. C. Baird, M. L. Simpson, Sam, Finis and Ullman Hunter. Through the summer months the ladies will meet at the school house.

Mesdames Lynn Axe, Sullinger, Sam and Finis Hunter attended the party Tuesday at Mrs. Carl Frye's of Easter, honoring her daughter, Mrs. Jack Higgins.

This arrangement is tentative. On June 5 any reservations not needed will be given to other counties.

North Hereford club will meet on Wednesday, June 19, and not as scheduled. There has been a change in the date of the District Meeting of Agents.

**360 Electroluxes And \$21,000 Cash For Contest Winners**

Three hundred and sixty housewives throughout the United States and Canada will be awarded new de luxe Duchess model Servel Electrolux refrigerators in this year's Servel Electrolux-F and G Soap contest. It was announced today by Alton T. Fraser manager for Commercial Oil Co. Cash prizes amounting to \$21,000 will also be awarded.

The contest will be conducted from May 20 to June 30 on a weekly basis. Sixty refrigerators and \$3,500 will be awarded each week during the six-week period.

"We are happy to announce that we are going to participate in this year's Servel-F and G contest which has proved so popular among housewives throughout the country," Mr. Fraser stated. "This is the third year the contest has been joint-

ly sponsored by the manufacturers of these two well-known products.

"The enthusiastic reputation of this competition by housewives for the past two years has demonstrated that the need of scientific household refrigeration is being recognized everywhere.

"It is a simple matter for one to enter the contest. All that is necessary is for one to write twenty-five words or less completing the sentence 'I like P and G Soap because...'

"No great literary style is required; only a sincere statement of your honest reaction as to why you prefer to use P and G soap. Winners will be adjudged for their originality, sincerity and conciseness of thought in completing this sentence.

"Those who have won in the last years have been well repaid for their efforts. Not only did they win a handsome modern refrigerator but they have safeguarded against food spoilage.

"The de luxe Duchess model which again are being offered this year have a six cubic foot food storage compartment.

"Our company invites all who are interested to drop in at our salesroom where we will be glad to give them complete information concerning the details of the contest. We will also supply entry blanks to all applicants.

"The popular Procter & Gamble radio program, 'The Guiding Light' will explain the competition and announce the winners. Winners will be broadcast over the N. B. C. Nation-wide Red Network every day except Saturday and Sunday from June 10 to July 19.

**Cooperative Aids FSA Clients Secure Adequate Medical Care**

Medical attention was made more readily available to 3,685 rural families in the five-state area served by Region XII of the Farm Security Administration through a medical care program sponsored by this agency in the last six months of 1939, according to Wilson Cowen, regional director.

This information was received yesterday by James P. Williams, FSA rehabilitation supervisor in Deaf Smith and Oldham counties. Fifty families in Deaf Smith county belong to the Deaf Smith-Parmex Co-op.

A survey, covering the period between July 1 and December 31, showed that by states the program made this service available to 5,535 low-income rural people in West Texas, 7,584 in New Mexico, 590 in Southeast Colorado, and 6,400 in Western Kansas, at a cost within their ability to pay.

Procter & Gamble, the well-known soap manufacturers, and Servel, Inc., manufacturers of the Servel Electrolux refrigerator. This contest being nationwide in scope required that the awards be suitable to the needs of winner homes regardless of where those winners' homes were located. Servel Electrolux refrigerators alone could fill this requirement for they successfully and economically operate on all types of fuel. On gas for the city homes or bottled gas, tank gas, or kerosene for homes beyond the mains.

The Farm Security Administration, it was pointed out, does not assume any responsibility for the operation or the administration of the medical care program except in making funds available to low-income borrower-families for participation in the plan.

Borrower-families pool their own funds and put them in charge of a bonded trustee. For services rendered the physicians submit monthly statements to the trustee. Bills are then reviewed by a committee from the local medical society. If the monthly funds are sufficient, the bills are paid in full; if a balance remains, it is carried forward to the next month or the end of the period, and then used to complete paying bills for months in which the funds were inadequate.

Operation of the plan and all administrative functions as to its operation is handled by members of the medical profession.

Each family is given free choice in selecting its doctors from among the participating physicians and each physician is given the same privilege of accepting an individual case or family as is his usual custom.

"We discovered that many of our borrower-families were in the needy group of rural people because of financial distress resulting from some past illness

in the family," Cowen continued. "Their progress was retarded by ill-health and their reluctance to ask for medical attention for which they could not pay."

A. A. Glenn, regional FSA health service specialist, observed that the families owing bills to their physicians, who are participating in the plan are less embarrassed in requesting medical attention.

Doctors report that families do not go to their physicians more often under this plan, but that they do go more quickly, which aids the physician in treating the patient.

The medical care program usually includes hospitalization in cases of emergency, and many hospitals report that because of the financial status of these patients, most cases would have been on a charity basis had it not been for the inclusion of hospitalization as part of the service.

**NOTICE TO BIDDERS**

Bids will be received by Deaf Smith County at the Courthouse at Hereford, Texas, until 10 o'clock A. M. on June 10, 1940, for the purchase of two one-row tractors with power take-off attachment mowers five or six feet.

The right is reserved to reject all bids.

**MINNOW SHORTAGE FORECAST**

A shortage of minnows on some of the big lakes in North Central Texas has put a lot of people to thinking about something the executive secretary of the Texas Game Department has long been advocating—that being the controlling of the taking of minnows from the lakes and streams of Texas.

So acute is the shortage reported to be in North Central Texas that the prediction is being made that minnows will cost two cents each before the middle of the summer.

With seiners being allowed to take minnows from the lakes and streams of Texas and allowed to transplant them out of the state, as they are under the present state-wide law, there is bound to be a shortage. Not only does that make it expensive for Texans to purchase minnows, but seizing of minnows takes from the waters of Texas a badly-needed food supply for those bass and crappie you so heartily desire to catch, the executive secretary of the Game Department points out.

Other states have found it necessary to clamp restrictions on the seizing of minnows and the answer to the problem in those states has been the operating of minnow hatcheries. Those hatcheries are producing excellent minnows, mostly steelbacks,

while here best for most types of fishing, and producing them as cheaply as they can be seized and sold to sportsmen.

Practically every county in Texas has special laws regulating the taking of fish.

We hope that each of you will accept our Best Wishes upon this important occasion.

### Corn Kernels, Mesquite Seeds Used As Jewelry By Texas Tech Co-Eds

Lubbock.—Yellow corn kernels tipped with turquoise paint have been fashioned into a necklace by one of 40 Texas Tech coeds who are designing inexpensive jewelry as a class project. Fishing floaters, bottle corks, matches, cocktail toothpicks, golf tees, combs, curtain balls, hinges, plumber washers, paper clips, checkers and poker chips have been used by other members of the class.

Mesquite seeds covered with colorless nail polish and strung together on rust-colored yarn have been fashioned into a neck ornament by another, and a third has contrived a sports necklace from peanuts painted red, white and blue.

Achieving modern effects in costume jewelry with inexpensive materials, the freshmen and sophomore home economists were given complete freedom of choice in selection of material and design.

"The only requirements are that the jewelry be of good design, suited to the personality and the wardrobe of the girl," Miss Troy Allen, instructor in the course. "Good craftsmanship is emphasized."

Nail polish, tempera, paints, and dyes are used for coloring the materials to suit the clothes.

### Loans On 1940 Wheat Discussed

College Station—County AAA officials are receiving instructions on procedure for obtaining loans on the 1940 wheat crop and insurance on the 1941 wheat crop in a series of meetings this week.

The meetings will consist of small conferences in four Texas cities, attended by representative of all wheat allotment counties. The first meeting was scheduled to be held in Wichita Falls, May 22, followed by similar meetings in Brownwood, May 23; Plainview, May 24; and Amarillo, May 25. A regional conference of state AAA, Commodity Credit Corporation and Federal Crop Insurance Corporation officials was held May 17 and 18 in Oklahoma City to outline work to be studied in the district meetings.

Although the CCC has not announced whether a wheat loan will be available to producers on the 1940 crop, preliminary studies of procedure are being made so that the county offices will be ready to handle applications if and when the loan is announced.

The crop insurance program for wheat is entering its third year and changes in yields and loss experiences on insured farms will require considerable work in the county offices setting up insurance rates. At the meeting county employes will be instructed in the procedure involved.

### Careers are like HOUSES

Careers and houses aren't handed to you, wrapped in cellophane... they have to be built... of good material and with a solid foundation.

You graduates have succeeded, through application of the principles of earnestness and hard work, in building a solid foundation. These same materials are the stuff of which success is made. It is with a great deal of pride that we have watched the youngsters of our community approach this milestone. It is without any fear of the future that we proudly point to you as the future citizens and leaders of our community.

It is with these thoughts in mind that we say:
