Court Sets Rapid Pace For First Week of Term

The January term of district court opened here Monday, with Judge Reese Tatum presiding and James W. Witherspoon, district attorney, in charge of prosecutions. Horace Schloss, court reporter, was called to Kansas by the critical illness of a brother, and Joe Witt of Amarillo is serving in his stead.

Grand Jury Recedes.
The grand jury assembled Monday for the term and after working until Wednesday recessed to reconvene Friday of next week, February 10. The criminal docket is set for the Monday following.

Working Fast.
In the three days session the court has disposed of 21 civil suits, some by default, some by agreement between litigants and others by judgment of the court.

Petit jurors called for next week's session are the following:
C. L. Conklin Wirt Phillips
W. R. Redwine C. C. Cox
R. O. Douglas J. E. Holland
J. H. Landers L. A. Reed
J. W. Clark N. O. Phillips

Baptist Church to Be Scene of Rally For Prohibition

"This is no time for the friends of prohibition to take counsel with their fears; this is no time to parley with the enemy. This is no time for a truce or an armistice. This is no time to fraternize over the trenches with the foes of that for which the moral forces of the nation have fought for long, weary years of toil and sacrifice. This is no time to give quarter to those whose cunningly devised schemes would tend to divert the attention of the people from the real issue."
"This is the time for the friends of the 18th Amendment throughout the nation to serve notice on every political party and every holder of political office that those who in public life seek by any means to weaken this national law and those who by subterfuge betray the confidence which friends of prohibition have reposed in them, may expect nothing more nor less than organized, aggressive, relentless opposition from the defenders of national prohibition. This is the time to reform and reorganize the lines of the prohibition hosts. This is the time to present a solid front of the moral forces of the nation. This is the time to fight!"—National Prohibition Board of Strategy.

On Sunday evening there will be a rally of all those persons who are interested in the cause of preserving the gains of national prohibition, at the First Baptist church in Hereford. An outside speaker will be present for the occasion and every church member, patriotic citizen is urged to be present. This rally is sponsored by the local pastor's association and has no connection with any outside organization. You are urged to come.

E. M. McWILLIAMS,
Secretary Pastor's Association.

Ball Tossers In Further Losses to Friona Team

The Whiteface teams were not able to make any improvement in their attempts against Friona when the boys and girls played there Friday night, both games being dropped by more decisive scores than were made in the games here. Saturday afternoon Hereford annexed both games against Farwell played on the local court.

Tuesday of this week, the Lassbuddy girls forfeited their game to Hereford, and the boys lost to Lassbuddy in the last minute of a one-point margin.

Play Canyon Friday.
Both boys and girls teams go to Canyon tomorrow evening to re-run the games played here several weeks ago when Hereford took both titles.

The Lassbuddy teams will be here for games Saturday night.

G. W. Brumley Ships 2053 Hogs to California

G. W. Brumley, who makes a business of buying hogs from all over the Panhandle and shipping them from here to market, sent 2,053 head from Hereford Saturday to California. It took 13 double-deck cars to carry them.

Col. Goodnight Remembered In Texas House

H. C. R. No. 11, Providing for the designation of the Charles Goodnight Trail.

Whereas, The death of the venerable Charles Goodnight, occurring December 12, 1929, deprived this State and the Southwest of one of its noblest historical characters; and

Whereas, Colonel Goodnight has resided in this State from 1845 until his death at the age of 93, had fought with the Rangers during the Civil War, had blazed historic cattle trails to new markets, and had pioneered not only as the "Father of the Panhandle," but also as a frontier conservationist in preserving the buffalo and other wild life, and as a contributor to our breeding and horticultural knowledge; and

Whereas, He was a leader in establishing social order; in the cause of education, and in the development of a Texas culture; and

Whereas, No official memorial has been made to this great citizen; therefore, be it

Resolved by the House of Representatives of the State of Texas, the Senate concurring, That if, and when, the proposed scenic highway is constructed from the Museum of the Panhandle-Plains Historical Society, at Canyon, through the Palo Duro Canyon to the Goodnight Ranch, at Goodnight, it be designated and known as "The Charles Goodnight Trail."

P. R. Purcell, 86, Buried Here Last Saturday

Stricken with infirmities of old age, P. R. Purcell, 86, former Hereford citizen, died at the home of his daughter, Mrs. C. D. Patterson, in Dalhart Monday afternoon.

Born in Illinois, he removed to Hereford and resided here several years as a retired farmer and rancher. He went to Dalhart about three weeks ago for his health. He was a member of the Primitive Baptist church. In charge of E. B. Black funeral directors, the body was brought to Hereford Monday night, accompanied by J. N. Purcell, a son, of Endee, New Mexico.

Services were held Tuesday afternoon, conducted by Rev. E. P. Gieser, pastor of the First Presbyterian church, and burial was made in West Park Cemetery by the side of his wife who preceded him in death several years ago.

Surviving are one daughter, Mrs. C. D. Patterson of Dalhart, and four sons, J. N. of Endee; W. O. of Fort Worth; E. J. of Brownfield, and C. S. of Oklahoma City.

JAMES CLOYD TO BE CONTENDER FOR GUARD ON BAYLOR VARSITY

J. K. Cloyd of Hereford, who played guard on the freshman football squad at Baylor University the past season, is among the 30 candidates who have responded to Coach Morley Jennings' call for winter football practice. Cloyd hopes to make the guard position on the regular varsity squad next fall.

Baylor will lose only four men from last year's varsity team by graduation, and while Jennings is making no pretenses, he expects to have an unusually strong squad by reason of having so many of last year's men left, and the strong reinforcement that has come to him from last fall's freshman team. Last fall's freshman team is regarded as the strongest that has entered Baylor in the last several years.

H. J. Henley and A. Griffin of Clovis were in Hereford Wednesday on business matters.

DEAF SMITH LIBRARY GETS ROSICRUCIAN BOOK

Readers in Hereford will now have access to the Rosicrucian book in the public library. Dr. LeGrand, a member of the Rosicrucian Order (AMORC) has just received official notification from the organization headquarters in San Jose, California, that the following book has been donated to the library by the Order:

Rosicrucian Questions and Answers with Complete History of the Order, by H. Spencer Lewis, F. R. C.

Dr. LeGrand states that the Rosicrucian grand secretary informs him that the donation to the library is the result of several requests from local readers that the book be made available to the public. A yearly appropriation is made by the Rosicrucian Order, says Dr. LeGrand, to provide the educational, philosophical, non-religious works of the organization to such public institutions as libraries and hospitals. It is said the number of Rosicrucian books at the local library will be increased as the public interest creates a demand for them.

Park Work Here Provides Many Men With Jobs

The city park board is carrying forward plans to make Hereford one of the most attractive in the Panhandle. The cost of materials for the improvements is made up or arranged for by the several civic organizations interested in the promotion of the work, and the labor is being done by workmen given employment through the Reconstruction Finance Corporation funds distributed under the supervision of the park board.

Better care will be given the trees in all parks this year than they have received heretofore, the soil having been loosened around them and circle of earth thrown up to hold water as it is supplied each tree. Pruning and spraying are included in the plans for this month.

Work is progressing splendidly in the beautification program of the city park down along Tierra Blanca. The drive leading from Main Street is being widened and leveled, excellent parking space is provided south of the bridge, the thickets on the south of the creek has been cleared away and the banks on both sides cleared of rubbish. When completed it will make an ideal outing or picnic place.

Lake Park plans look forward to a wading pool for the little tots this summer, the Lions club being interested in adding to the playground equipment already supplied there by providing the pipe and cement for the work.

Hereford Gold Star Mother to Europe In June

Mrs. W. J. Gilliland, who is now visiting relatives in California but expects to return to Hereford soon, has made her plans to be one of the Gold Star Mothers of the nation to visit the grave of her son, John, on the battlefields of France as the guest of the United States Government. She will sail on the steamship George Washington from New York on June 7.

Mrs. Gilliland has expressed the desire to learn of others she knows here who will have Gold Star Mothers making the trip by the same ship, that she may get to know them.

GAS COMPANY GENERAL MATAGER IN HEREFORD

R. F. Hinchey, vice president and general manager of the West Texas Gas Company, with offices at Lubbock, visited the Hereford office Monday while on a trip to the several towns where they distribute natural gas.

Visits Brother In Yuma.

Mrs. E. W. Harrison and brother, George Turentine, left Wednesday for Yuma, Arizona, where they will spend the next several weeks visiting their brother, Joe Harrison.

Mrs. M. Lechart of Farwell visited friends and transacted business in Hereford Tuesday and Wednesday.

Local Secretary "Bride of West Texas C. of C."

With the publication this month of the picture and story of Mrs. C. R. Bentley, secretary of the Hereford chamber of commerce, in West Texas Today, official bulletin of the West Texas Chamber of Commerce, is revived the story of her association with chamber of commerce work. The magazine says of Mrs. Bentley:

MRS. C. R. BENTLEY
Bride of W. T. C. C.

Miss Annis Greer was married to Mr. C. R. Bentley in the municipal auditorium in Amarillo, on June 22, 1926, as guests of the West Texas Chamber of Commerce, which was holding its annual session in Amarillo, and had charge of the nuptial arrangements. Mrs. Bentley was then chosen "The Bride of the W. T. C. C."

Prior to her marriage she was connected with the Amarillo Chamber of Commerce, but was later induced to move to Hereford and enter the chamber of commerce work. She is now in full charge as secretary. No more efficient, energetic, tactful, loyal or capable secretary can be found in West Texas. She is destined to go much higher.

School Heads Express Views In Resolutions

The following resolutions were adopted by the Panhandle Plains Superintendents Association at a meeting held in Amarillo on January 25, 1933:

Be it resolved by the Panhandle Plains Superintendents Association: 1. That we urgently request the Legislature to find some source of revenue that will insure the apportionment of at least \$17.50 per capita to our elementary and secondary schools.

2. That we are strictly opposed to any bill that would reduce the legal school tax rate minimum in school districts from \$1.00 to 50c on the \$100 valuation.

3. That we are opposed to the present state ad valorem tax system; and that we favor a combination of excise, inheritance, income and sales tax in its stead.

4. That the Legislature provide some plan whereby the deficit in local school funds, caused by the \$2,000 homestead tax exemption amendment, may be replaced without undue burden on local property tax payers.

5. That we favor the passage of a law that will empower school

WE DON'T USE SLAP-DASH METHODS

Good printing takes care and forethought. It can no more be done hurriedly than can a good picture be painted in a slap-dash fashion.

The printer is an artist in his line. His art is subject to thought, care and preparation just as any other art is. Type may drop into place by machinery with the mere touch of a finger to set it in motion, but behind the finger there is brain and imagination.

Keep this idea in mind when you intend to have any printing done. If you don't care how it looks, take it anywhere; but if you want a real printing job, take it to the printer who will not use slap-dash methods.

GILBERT HOOPER BRINGS GOPHER DOWN TOWN

Gilbert Hooper, living north of Mother's Park, brought a peculiar little animal to town Tuesday that had the residents guessing. He had found it in his back yard that morning. It was about the size of a rat, brown, with bare, stubby tail.

Guesses ranged all the way from guinea pig, to young muskrat and young "groundhog," and one suggested it might be a mole, while reference to the dictionary proved it to be nothing but a gopher.

The gopher course has many of them, but so timid are the little fellows they are seldom seen. Their hills of dirt are the bane of golfers, as they often stop balls from going desired distances.

Many people mistake the little striped ground squirrel so common over the Plains country, with the gopher, but the two are quite different, the latter being several times as large as the former, and colored a dark brown.

Many Parts of County Reached by Welfare Work

The Reconstruction Finance Corporation funds being used to pay for labor in Deaf Smith county are accomplishing wonders in the appearance of the parts reached.

Plans being put in operation now include servicing citizens living even in the most remote parts of the county. The low wage paid has made it prohibitive in transportation costs for rural citizens to come to Hereford to get work, so present plans will send the employment out to the citizen in his respective community.

In each school or local community, a representative is being selected, who will supervise the needed public work to be done and the administration of the labor by those in that community needing work to supply their families with food and clothing. The appointments in each community will be announced next week, according to present intentions.

Should there be an immediate need in any locality, its citizens are advised to see the county commissioner for that precinct who is empowered to have jurisdiction over employment and work until a representative for each community is selected.

Lions Club to Vega Coming Tuesday Night

The Hereford Lions club voted Wednesday to go to Vega Tuesday evening of next week to return the visit the neighboring Kiwanis club paid Hereford several months ago.

When told of the Lions' intentions, the Vega club insisted the Hereford members bring their wives along, so it is probable the occasion will be made one of the "ladies night" entertainments the Lions celebrate at intervals.

H. K. Johnson, Amarillo Lion in the employ of the Southwestern Bell Telephone Company, was a guest of the Hereford club luncheon Wednesday.

DAVID FRANKLIN BUNCH PIONEER RESIDENT, DIES SATURDAY AT HOME

David Franklin Bunch, age 83, pioneer resident of Deaf Smith county, passed away Saturday, January 28, at his home in East Hereford.

He was born in Alabama, December 4, 1850, and was married to Miss V. E. Elizabeth Phillips in Erath county, 52 years ago.

Funeral services were held Sunday afternoon in the E. B. Black funeral home at 4:00 o'clock, conducted by Rev. V. M. Cloyd, pastor of the First Baptist church, with interment in West Park Cemetery.

Surviving are Mrs. Bunch, the widow, and two sons, W. J. of Plainview, and J. A. of Bellview, New Mexico; also two brothers, John and Jeff Bunch of Erath county.

Rural Schools Tournament February 18th

A basketball tournament of the Deaf Smith county rural schools will be held in the Hereford high school gymnasium in an all day and evening program, Saturday, February 18, according to an announcement made this week.

Lawrence Boyd, principal at Progressive, is chairman, with J. E. Thomson of Daniel and E. E. Joiner of Westway other members of an arrangements committee.

Chickens, Cows from Panhandle to Old Missouri

The old ranch traditions of the Panhandle will receive a shock this spring when instead of moving dairy stock and poultry to a land "fit only for grazing range stuff," W. E. Murdock will ship his entire fine dairy herd and pure bred Leghorn chickens accumulated here to stock a Missouri farm.

Mr. Murdock and W. S. Williams have completed a trade of their highly improved farms, the one near Summerfield for the other near Poplar Bluff, Missouri. Mr. and Mrs. Murdock in moving to their new home, do not plan to give up their choice dairy cows and 500 fine chickens, and two carloads of their farming equipment will be shipped to the new home in Missouri.

FAMILY REUNION CELEBRATE BIRTHDAY OF MRS. ANTHONY

Occasioned by the visit of Mr. and Mrs. Will Anthony of Muskogee, Oklahoma, with their parents, Mr. and Mrs. W. B. Anthony and D. E. Gass, over the past week end, other children made the trip home to see them and at the same time celebrate the birthday of their mother, Mrs. W. B. Anthony, which occurred Tuesday. The Will Anthonys were accompanied by their daughter, Mrs. Doris Fincher, and son of Childrens.

Among those present were Mrs. Virgil Beyer of Amarillo; Wes Anthony and daughter, Helen, of Castro county; Mrs. George Sasser and son, Duffey, of Clovis; Mrs. R. L. Davidson and daughter of Clovis; Mr. and Mrs. Robert Anthony of Clovis, and Mrs. C. C. Cox, of Hereford.

TEXAS INDEPENDENCE DAY MARCH SECOND

Texans must keep alive the spirit that resulted in the Texas Declaration of Independence of March 2, 1836.

It devolves upon every school, civic, social and patriotic organization in every community that has pride in the heroic history of the State, to hold every year on that memorable date such programs and exercises as will appropriately commemorate the heroic deeds of the forefathers that made possible the glorious privileges and opportunities Texans now enjoy.

March 2 is to Texas what July 4 is to the Nation, and its importance as a historic holiday should be especially impressed upon the public mind this year in view of the approaching Centennial of 1936.

The Texas Centennial Committee, Austin, Texas, will be glad to send those who write for it data upon which Texas Independence Day addresses, papers and exercises may be based.

R. O. DUNKLE ASSOCIATED WITH HILLSIDE HATCHERY

R. O. Dunkle, former county agent, moved this week from North Hereford to the Hillside Hatchery residence south of the creek, where he will assist in caring for the pure bred flocks of the hatchery.

Mr. Dunkle says he will continue his work of assisting 4-H club boys with their calf and pig demonstrations while he is here, and will give advice on farm questions brought to him, but cannot make trips out into the county.

Reports from the tax collecting offices of the county, city and schools today show that returns have been pleasing, but fall far short of last year's collections at the end of the tax paying time. Payments to date have exceeded the pessimistic expectations of those who looked for the worst to happen, yet some of the larger tax amounts were let go delinquent.

A complete report is not available owing to the last minute rush of tax payments by mail, which have not been made up. Payments by non-residents took an upturn toward the close of the tax-paying time that is expected to prove very beneficial in financing local administration. Especially is this said to be noticeable in school taxes in the rural districts.

Car Licenses Drop.
While receipts of car license fees was at its peak Tuesday the radio announcement of attempted legislative action to set the delinquent car license date up to March 1, put a sudden halt to that part of tax paying.

At that time 680 cars in the county had been licensed as compared with 980 a year ago. Truck licenses were still lower, only 80 sets of plates being issued to date, while there were 150 last year.

The governor's veto of the repeal of the truck driver's license makes that fee still a part of transportation license fees of the state. Truck licenses cannot be issued unless the actual weight of the truck is shown on the application.

Poll Taxes Low.
As was to be expected on an "off" voting year, less than one-half the poll taxes were paid this year as was paid last year. Only 620 bought the right to vote in 1933, while there were 1,775 in the county a year ago.

Centennial Plans to be Presented To Legislature

At their meeting in Austin, the executive committee of the Texas Centennial governing board drafted some concrete suggestions for the scope and form of celebration in that historic year which will be presented to the legislature without recommendation. The published advance outline, carrying few details, is of interest to all citizens of Texas, and of great interest to the voting majority that favored the constitutional amendment which authorized the legislature to approve a centennial and make provision for it.

The committee's report will suggest the holding of one large observance at some central point, and that there be well-planned celebrations at all points of patriotic interest throughout the State. These suggestions will give the public, as well as the legislature, some direction in consideration of plans by

Bill Up Would Move Deadline Car Payments

Framed as a relief measure for Texas car owners, both branches of the Texas Legislature expressed approval of bills extending the time limit for purchase of car license numbers. The proposed measure has not been perfected, neither has the signature of Governor Miriam A. Ferguson been affixed. The Governor, however, has expressed approval of such a measure, and it is believed she will sign the bill immediately.

There is a difference of opinion in the various governmental departments as to the limit of extension. The House would fix the time limit as March 1, the Senate wants the extension placed at April 1, while Mrs. Ferguson, it is said would be more liberal and allow a full 90 days.

Here is something which may interest car owners: As the matter stands today, the old law applies, and, according to press reports, any person caught on the streets or highway without a 1933 license tag displayed on his car is subject to technical prosecution.

A LONG TIME AGO IN HEREFORD

(From Files of the Hereford Reporter, February 7, 1902.)

A mass meeting had been called in connection with the college then being planned for Hereford.

The Knights of Pythias had served a banquet, and among the lighter viands served were Pickles, Olives, Celery, raw oysters, fried oysters, stewed oysters, dutch cheese, baked trout, Hollandaise sauce, suckling pig, apple sauce, salmon salad, snowflake potatoes, French peas in cream, rice curry, sherbet, apricot pie, assorted cakes, light bread, coffee, tea, milk.

H. S. Syms, tonsorial artist, was preparing to install bathing facilities in his shop.

The Reporter had moved into its new building employed another printer, and was preparing for an enlarged paper.

Judge C. G. Witherspoon, Judge L. Gough and J. M. McGlothlin had each purchased new pianos.

Thomas Witherspoon, the La Plata orchardist, had been in Hereford on business.

A. S. Bassett had disposed of a bunch of fat cattle on the Kansas City market.

F. M. Avis had recovered from a recent illness and was able to be up and around.

Jack Harwell had returned from a trip through Colorado, New Mexico and Southern Texas.

Henry Von Lienen was not satisfied with prices offered for his cattle in Kansas City, so re-shipped them to St. Louis.

B. T. Hinton, confectioner, had placed his order for a \$500 soda fountain.

Fred Spikes, shot a few weeks previously by unknown parties in New Mexico, was expected to recover, following one of the most difficult and delicate operations ever performed in the Panhandle.

"Not a carpenter idle in Hereford. Somebody must be building."

Smith, Walker & Co. had sold their coal business to D. F. Johnson and C. C. Ferguson.

The Reporter was warning Hereford merchants of the tactics of two alleged swindlers, who would drive up in front of a store, buy some small item, tender a \$10.00 check, receive the change and then vanish. They had operated in various points from Interior Oklahoma to the Panhandle area.

J. F. Ward was advertising for the return of a lady's gold watch, lost between town and his place 11 miles north of Hereford.

The Brand regrets to state that the issue of February 2, 1912, is missing from the files, so it will be impossible to give happening of that week here. The Brand will be delighted to receive a copy or copies of this particular edition, and if any reader can give information to us where a paper of Friday, February 2, 1912, may be obtained, a great favor will have been rendered The Brand.

First Christian Church.

Church school at 9:45. Morning worship and communion service at 11:00.

During these days of anxiety, adversity and uncertainty, the religion of Jesus Christ offers the same hope and balance for living that it has always offered through the ages. In these days of insecurity, rapid change and revolution, Christ is the hope of the world. The church may be imperfect, but it offers more certainty, security and hope than any other institution. The values of worship, fellowship and Christian service are enduring values, and they belong to you—if you want them. You owe it to yourself to go to church. That is the one road back to real prosperity.

Sunday morning at 11 o'clock Bro. McWilliams will have for his message "The Christian and Adversity." You have had adversity—we all have. Let us see how we should face them. There are four ways: you may become rebellious, stoical, resigned, or follow the way of Christ. Come and hear these discussed. Don't forget the prohibition rally at the First Baptist church Sunday night at 7:30.

Mr. and Mrs. J. F. Hickman who live northeast of Hereford, was in town last Wednesday visiting Mrs. A. K. Gillis.

R. T. Ratliff was in Hereford Monday on business.

The program will consist of Scotch songs, poems and dances. Special numbers will be given in Scotch and Colonial costumes. The program begins at 8:00, and no one will be admitted between numbers.

Mrs. J. Sid O'Keefe, Mrs. T. M. Cleek and Sam Borex of Panhandle and Mrs. Claudia Jones

of Demming, N. M., visited the L. N. George home Wednesday. Mrs. Jones, sister of Mrs. George, has been visiting in Panhandle since January 1, and left for her home in New Mexico Friday.

Mr. and Mrs. L. N. George and Byron were dinner guests in the Lester Galley home Friday evening.

Alice O'Dell of Berger is visiting the L. A. Smith home.

Mr. and Mrs. O. D. Williams of Amarillo were guests in the W. L. Harris home Monday.

Mr. and Mrs. W. L. Burgess visited Mr. and Mrs. G. W. Gold in Hereford Sunday.

Mr. and Mrs. J. R. Dodson of Canyon visited the W. L. Harris home Saturday.

Boyd London and family were guests in the W. H. London home Sunday.

Miss Mona Kate Flemming, teacher at Wyche, spent the week end with her parents, Mr. and Mrs. Ira Flemming.

L. Gough of Amarillo was a visitor in the R. F. McConnell home Monday.

Misses Vivian Bowers and Sybil Smith spent Sunday in the H. H. Miller home.

A B. Y. P. U. program was put on by group one Sunday. Rev. Coleman Campbell preached following

You Can Depend On Electricity

Whether you use Electricity for lighting your home, operating a refrigerator, or for any of the other wonderful electrical appliances used in the household—whether you use it in your profession . . . the X-Ray . . . the tiny jeweler's lathe . . . or the thousand horsepower monsters that drives the biggest machine . . .

Always you can depend on a steady flow of energy over our transmission lines.

On Texas Farms

By W. H. Darrow, Extension Service Editor.

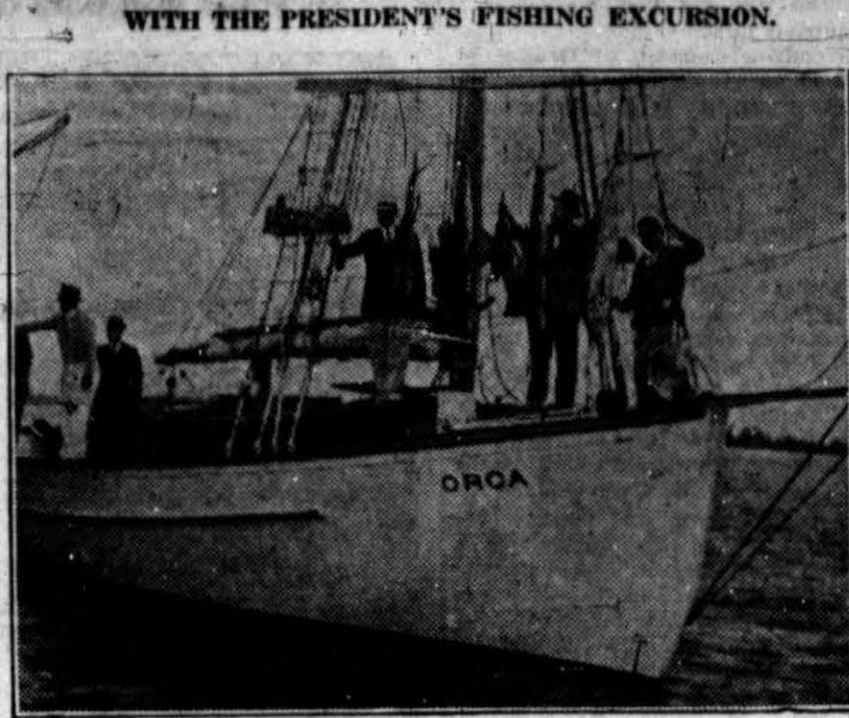

More than 2500 garments made by 187 farm women in Limestone county last year by home demonstration methods saved these women an average of \$12.50 apiece.

Half the farm families of Grayson county were helped to can and preserve food by demonstration methods last year by the home demonstration clubs of the county. The amount of canning increased 75 per cent over the previous year.

In Armstrong county wheat farmers have one in strongly for treating wheat for smut by the machine method of applying copper carbonate dust to the seed. The county agent reports 35,000 acres planted to treated wheat, done at a cost of 2 cents per acre. Smut can damage the crop in the county to the extent of \$40,000, local elevator men declare.

The greatest series of terracing demonstrations ever held in Hill county ended with 3850 acres terraced in December. The yearly total as given by the county agent exceeds 6,000 acres.

Two years ago self-feeders for hogs were practically unknown in Goliad county. Now they are so common that hog feeding without them is regarded as a sign of poor management. The new system of

feeding hogs, by self-feeder on rations of corn and equal parts of cottonseed meal and tankage, introduced by the county agent, has revolutionized hog raising and led to the general use of hogs to dispose of corn at a small profit.

At 14 terracing schools in De Witt county in 1932, the county agent ran lines on 533 acres of land and taught 50 farmers how to use the farm level. In addition to this 40 farmers terraced 1,120 acres of land during the year, and J. A. Oswald, county agent, reports that there are now 92 farmer-owned farm levels in the county.

Six farmers kept feed and production records on dairy herds under supervision of agent. In the six herds were 70 cows which produced 284,834 pounds of milk containing 13,592.2 pounds of fat. The production records showed that cows producing over 300 pounds of butterfat returned 1.3-4 times as much profit as those producing from 250 to 300. And they made 2.8 times as much profit as the group that produced from 200 to 250 pounds. Nineteen farmers with 5,132 hens kept Extension Service poultry calendar records on their flocks, and 7 of them exceeded the state standard of 100 eggs per hen, while all the rest except one exceeded the county egg record. The seven best flocks ranged from an average of 162½ eggs to 206.3 per hen for the year. Six other farmers carried on turkey demonstrations and raised an average of 15.6 pounds per hen as compared to the county average of 7.4.

Nine 4-H club boys feeding pigs self-feeder style learned they could get 100 pounds of gained weight with six bushels of shelled corn and about 50c worth of tankage and cottonseed meal. Another group of boys raising pigs got 100 pounds gain with seven bushels of corn and 65 gallons of skim milk.

A check-up was made on the six pressure cookers and sealers owned by Stephens county and circulated through the office of Miss Mamie Pryor, home demonstration agent. The canners and sealers have been loaned to 294 families and used to put up approximately 35,280 containers of food, most of which was vegetables and meat. The 190 club women canned approximately 140,533 containers of food at an estimated value of \$24,874.

Twenty-one garden demonstrations were conducted this year in Van Zandt county by 10 women and 11 girls, according to the report of the home demonstration agent, Mrs. Ethel Brandon. The results show that 293,478 pounds of fresh vegetables valued at \$17,617 were used and sold by these 21 families. These records indicate that with a good home garden, some home produced meat, plenty of dairy and poultry products, the farm family under ordinary conditions has only staple groceries to buy. Forty-two adult and 118 junior cooperators produced 258,026 pounds of fresh vegetables valued at \$15,535, making a total of 552,404 pounds of fresh vegetables used and sold by demonstrators and cooperators with a value of \$33,153.

Eloquence
Eloquence is the mistress of all the arts.—Tacitus.

City's Well-Being First in Hearts of Athenians
It was because Fifth century Athens was a city-state in whose beautification all her citizens shared, that she was greater in her creative achievements than the Italy that fell direct heir to her cultural treasures. In that first democracy men of ability vied in serving a civic ideal not for their own enrichment, but for the city's greater glory. So the rich Athenian esteemed it an honor to finance the production of plays and public festivals shared in by all; so the theaters were made free to all citizens; so civic tasks were shared around among the whole electorate. For the whole pattern which Athens set for the world in democracy was of a society founded upon the well-being of the citizens as a whole, not of a society conducted in theory for the public and in reality for the hoary confederation of special interests. That is why the ideal of beauty in life permeated Hellas from architecture to sports, from public festivals to philosophy—"Uncle Dudley" in the Boston Globe.

"Of Thee I Sing" to be in Amarillo On February 13

The only musical comedy in history to win the Pulitzer Prize as a stage attraction will be played

HARRIETTE LAKE in Sam. H. Harris' Musical Success "Of Thee I Sing"

in Amarillo Monday night, February 13. It is "Of Thee I Sing," a brilliant satire on national politics.

It will be a red letter event for all the Panhandle. Already reservations are pouring into the office of Wilbur C. Hawk, who booked the attraction, and indications are that the audience will represent every section of this area.

NOW that there is a flavored gelatin on the market that can be made without even the bother of "putting the kettle on," I find myself making more molded desserts and salads than ever. I find I can simply dissolve the gelatin in warm water, right from the tap, and have a smart, inexpensive dessert or salad ready to serve in about two hours. Here are some I've been making—and enjoying—lately:

Grapefruit Delight
1 package lime- or raspberry-flavored gelatin; 1 pint warm water; 1 cup grapefruit, free from membrane, diced, and drained.
Dissolve gelatin in warm water. Chill. When slightly thickened, fold in grapefruit. Turn into mold. Chill until firm. Unmold. Serves 4.

Jellied Orange Dessert
4 oranges, sections free from membrane and diced; 1 cup sugar; 1 package orange-flavored gelatin; 1½ cups warm water.
Combine oranges and sugar and let stand 10 minutes. Dissolve gelatin in warm water. Pour over oranges. Chill, stirring occasionally. Serve in sherbet glasses. Serves 8.

Marshmallow Pineapple Mold
1 package lime-flavored gelatin; 1 pint warm water; 3 slices canned pineapple, diced; 10 marshmallows, finely cut.
Dissolve gelatin in warm water. Chill. When slightly thickened, fold in pineapple and marshmallows. Turn into mold. Chill until firm. Unmold. Serve with marshmallow sauce, if desired. Serves 8.

Year-round Salad
1 package lemon- or lime-flavored gelatin; 1 pint warm water; 2 tablespoons vinegar; ½ teaspoon salt; ½ cup cabbage, finely shredded; 1 cup celery, finely cut; 1 pint tomato, finely cut; 1 tablespoon green pepper, finely chopped.
Dissolve gelatin in warm water. Add vinegar and salt. Chill. When slightly thickened, fold in remaining ingredients. Turn into individual molds. Chill until firm. Unmold on crisp lettuce. Garnish with mayonnaise. Serves 8.

Jellied Spanish Relish
1 package lime-flavored gelatin; 1 pint warm water; 1½ tablespoons vinegar; dash of Cayenne; ½ teaspoon salt; 3 pintos, finely chopped; ½ cup white cabbage, finely chopped; 1 cup celery, finely chopped; ½ cup sweet pickles, finely chopped.
Dissolve gelatin in warm water. Add vinegar, Cayenne, and salt. Chill. When slightly thickened, fold in pintos, cabbage, celery, and pickles. Turn into individual molds. Slicing them ½ full. Chill until firm. Unmold. Makes 12 half-molds.

wishing choice locations are urged to apply early.

"Of Thee I Sing" is the largest company on tour today. Although it is a musical comedy and not a revue, there are more people in the company and more technicians are required to handle the show.

The cast is the same that played several successful weeks in Chicago, then went to Detroit, St. Louis and other large northern and middle-western cities. Oscar Shaw, a celebrated star of the dramatic and musical comedy stage, has the leading role; with Harriette Lake, Donald Meek and Cecil Lean having other prominent parts.

"Love In the White House." "Of Thee I Sing" has a definite plot, albeit there are comedians and chorus girls aplenty. It concerns the nomination and campaign of a presidential candidate, whose slogan is "Put Love In the White House." It is screamingly funny, and every scene is a sizzling satire on some phase of national politics. It is in two acts and 11 scenes.

George S. Kaufman and Morris Ryskind wrote the book; George Gershwin of "Rhapsody in Blue" fame, wrote the music, and Ira Gershwin, his brother, the lyrics. It was last season's greatest musical comedy smash on Broadway.

Advance reservation may be made by writing Wilbur C. Hawk, at the News-Globe, or by calling Miss Lois Black, 6262. Amarillo. The prices are \$1.10, \$1.05, \$2.20, \$2.75 and \$3.30.

Out-of-town patrons are asked to send a stamped, self-addressed envelope with the remittance for the return of the tickets.

Thought

It is now apparent that thoughts, Meas, purposes, are among the determining factors for the happenings in nature. Aspirations do influence the course of events.—Prof. H. G. Jennings, Johns Hopkins university.

Centennial—
(Continued from Page One.)
which a celebration worthy of the historic anniversary and of the State may be staged.
Perhaps the most important action at the Austin meeting was the naming of a sub-committee which will draft a financial aid bill for presentation to the legislature. No worthy celebration can be staged unless it be adequately financed. And if Texas wills, the means can be provided. Its will to that end should be strengthened by consideration of the facts that the centennial will draw to the State visitors in such numbers as will more than compensate for the State investment. Patriotism alone should make a great celebration certain. But a weighing of material interests is justified in view of the present popular demand that government costs and State appropriations be cut to the bone.
Estimates covering normal years fix the annual expenditures of gasoline tourists in all sections of this country at four billion dollars. Texas has been drawing a generous share of the annual returns from what has become a major industry. In a centennial year, if a great celebration and succession of celebrations is assured, the host of visitors from the outside will be increased many times over that of any unhistoric years.
Any citizen who thinks in terms of business can make his own estimate of what this would mean to Texas. Every argument, patriotic and material, is for legislative action that will assure aid to the

From Betsil, Washington: "It was early the morning of May 12, 1864, and Lee's Johnny Rebs had licked Grant almost to a standstill at Spottsylvania Courthouse, when Frank Bishop did his bit toward saving the Union. The Nation never forgot it and Friday Francis A. Bishop, 92, oldest living holder of the Congressional Medal of Honor, was polishing his decoration, and telling why his Government invited him to attend the inauguration of the Union's thirty-second President, Franklin D. Roosevelt.

"It was Hancock's charge at Spottsylvania," he said, "and the Johnnies were in a thicket. . . . Early fog was lifting from the forest, revealing an ugly line of trenches. Bishop knew Grant had passed the word to General Hancock to charge, and there he was, peering at those trenches, while the ground shook with the crash of mortars.

"Our men struck," said Bishop. "The Confederate flags were in front. I grabbed one. There were men all around me, but I was lucky."

He winked slyly. "At that I guess I was pretty close to the front ranks to have taken a flag."

Hancock's men, holding the captured Stars and Bars, kept those trenches while Lee flung five attacks at them. But Grant had won, and as Lee retreated Bishop received acclaim for his part in cracking that gray line and taking the regimental colors.

"For most distinguished gallantry in action in the capture of a flag at Spottsylvania, Va.," the War Department citation said.

Continental Oil Contest Prizes Get Attention

The youngsters of the city who were disappointed in not securing one of the six-shooter poppers issued by O. E. Easley and all Continental gasoline stations last week, may expect some more of them soon and be ready to enjoy them as much as they did the first supply. Mr. Easley says the company just had 2 1/2 million of them made and additional poppers should arrive before long.

The contest announced by the Continental company is fully explained in literature supplied by each of the stations, and those wishing to take part should ask there or at the Brand, for the rules. \$10,000 is being awarded in prizes for names and slogans suitable for a new type of gas announced by the Continental Company.

THE REAL AMERICAN BOY

AMERICAN IDEALS CITIZENSHIP ADVENTURE

HOLD FAST
By T. F. BOHANAN
In these days of stress and distrust, we are liable to lose sight of the true and tried virtues that have stood the test of the ages. Paul, to the Church at Thessalonica said, "Prove all things, hold fast that which is good." Also in 3:14, "For we are made partakers of Christ, if we hold the beginning of our confidence steadfast unto the end." See Rev. 2:25 and Romans 12:9. Some would stampede, some desert, some mutiny, some surrender, and thus forsake the eternal principles and ideals that were the guiding stars in the lives of our forefathers. (ancient worthies).

Faith—in the Lord Jesus Christ, ourselves, our fellowmen, and in the things that pertain to life and Godliness; these are the things that count. Nothing else matters so very much. A man may lose his fortune—it can be rebuilt. But if he lose his honor, manhood, character, integrity to God, he has lost all.

These trying times will pass one of these days and the man who, during this ordeal balked, unled, or failed to give God glory while here, will be lost indeed. The future is before us. The sun will continue to shine; the fever will cool; this delirium will end. This storm will abate by and by. Be not deceived by the false prophets of gloom and doom. Beware of the soothsayers of defeat and disaster. Hold on to your courage, your patience, your faith, your honor, your honesty and your integrity. These are the precious jewels of all times. Their lustre will never dim.

Again I say, "Hold fast that which is good."

B. P. W. COMPLETES ORGANIZATION WORK
The second meeting of the Business and Professional Women's club was held Monday, January 23, in the county court room, with Miss Lillie Hostetler presiding.

After the reading of the constitution and by-laws by Mrs. N. E. Gass, the following officers were elected: Mrs. Bob Wilson, president; Mrs. Mark Hanna, first vice

president; Mrs. Cecil Williams, second vice president; Mrs. Victoria Wilson, recording secretary; Mrs. N. E. Gass, corresponding secretary; Miss Edah Pack, treasurer; Miss Irene Crawford, parliamentarian. The club has a membership of 18. Regular meetings will be held each second and fourth Monday, in the county court room.

Hear National President.
January 27 several members of the club attended a banquet at the Amarillo Hotel, given in honor of the national president, Geline McDonald Bowman, who gave an account of the beginning and development of the organization. During the World War the government urged such a movement so that the women of the nation might be mobilized in case of need. It has grown from just a small number to over 90,000 members.

Mrs. Bowman told of the adoption of a ten-year plan of study and work so that there might be a concerted action by the various member clubs.

There were about 150 women present from different parts of the Panhandle—Lubbock, Plainview, Dalhart, Shamrock, Hereford and

JESUS CHOOSES THE TWELVE

Mark 3:7-19

7. And Jesus with his disciples withdrew to the sea; and a great multitude from Galilee followed; and from Judaea.

8. And from Jerusalem, and from Idumaea, and beyond the Jordan, and about Tyre, and Sidon, a great multitude, hearing what great things he did, came unto him.

9. And he spake to his disciples, that a little boat should wait on him, because of the crowd, lest they should throng him;

10. For he had healed many; insomuch that as many as had plagues pressed upon him that they might touch him.

11. And the unclean spirits, whenever they beheld him, fell down before him, and cried, saying, Thou art the Son of God.

12. And he charged them much that they should not make him known.

13. And he goeth up into the mountain, and calleth unto him whom he himself would; and they went unto him.

14. And he appointed twelve, that they might be with him, and that he might send them forth to preach,

15. And to have authority to cast out demons;

16. And Simon he surnamed Peter;

17. And James the son of Zebedee, and John the brother of James; and them he surnamed Boanerges, which is, Son of thunder;

18. And Andrew, and Philip, and Bartholomew, and Matthew, and Thomas, and James, the son of Alphaeus, and Thaddaeus and Simon the Cananaean.

19. And Judas Iscariot, who also betrayed him.

Golden Text: I choose you, and appointed you, that ye should go and bear fruit.—John 15:16.

Introduction.

The phase of Jesus' career known as "the period of Galilean popularity" was at its climax. The whole land was aflame with his fame. We don't know how many accepted his teaching and became his disciples; evidently only a small fraction of the multitudes that became "interested" in him; and a majority of these soon "went back" (John 6:96). But at any rate there was a wide spread spiritual hunger and physical need that went out desperately to the new Teacher and Healer of Nazareth.

It was a wide area from which people came to hear and be healed. The plain of Gennesaret, in the north of which stood Capernaum, was the most densely populated region of Palestine.

The Unclean Spirits, or Demons. "Whenever they beheld him, fell down before him." They recognized their Lord, though most men did not; but they were evil spirits, and their recognition involved no reverence or obedience, only hatred. Their falling down before him was a token not of loyalty, but of fear. "And cried, saying, Thou art the Son of God." Christ had existed from the beginning as God's Son, "was his associate in creation, and was well known to the evil as well as the holy inhabitants of the upper and nether sphere. There was every reason why the demons should know him and dread him."

"And he charged them much that they should not make him known." Thus also Paul forbade the demoniac slave girl of Philippi to follow the missionaries and proclaim their true character (Acts 16:17, 18).

The Choice of the Twelve. "And he goeth up into the mountain." Tradition points out the Mount of Beatitudes as the place, so called because the Sermon on the Mount, beginning with the Beatitudes, was delivered there just after the calling of the Twelve. In preparation for this important event our Lord had spent the whole of the previous night in prayer, thus teaching us the need of spiritual guidance in all the changes of our lives. The hill was called the Horns of Hattin because it had two peaks, between which was the level place where the Sermon was delivered. It is about sixty feet high, and is situated near the center of the west coast of the Sea of Galilee, two or three miles from the sea and seven southwest of Capernaum.

"And he appointed twelve." One for each of the twelve tribes of Israel; a small number with which to win the world, but then, they had the Son of God for their leader. "That they might be with him." That was their education, being constantly with Christ, hearing his marvelous addresses and witnessing his wonderful works. From that time the training of the Twelve was perhaps Christ's most important work, a work in which he could not be thwarted by his bitter foes.

Four Lists of the Twelve. The Twelve are listed in Matthew 10:2-4, Mark 3:16-19; Luke 9:10-14, Acts 1:13. Luke's arrangement of the names in Acts differs from that in his Gospel. If the four lists are written in parallel columns, the interesting fact will be noticed that in each are three groups of four, and that with a considerable variety in the order of succession, Peter heads the first group in each list, Philip

the second, and James the son of Alphaeus the third. Judas Iscariot is always at the end. The corresponding groups invariably contain the same four persons.

Mark's List.
Simon Philip James of Alphaeus
Peter Bartholomew Thaddaeus
James new James
John Matthew Simon
Andrew Thomas Judas

It seems reasonable to suppose that the Twelve were in some sense divided into three companies of four, each having a recognized leader. No merely human leader would ever have chosen such a group of inconspicuous and unimportant men. All of them were Galileans, with the possible exception of Judas who seems to have been a Judean. An appreciation of the personalities of these men will give an insight into the qualities by which Jesus judged men.

John, the Brother of James. The list of twelve includes three sets of brothers, it would seem; and this set was the most quickly broken by death, James dying young, being the first apostle (Acts 12:2). John outliving all the other apostles, dying at the age of nearly one hundred. He was hardly more than a boy at this time, but a marvelous boy, with such a keen insight into Christ's character and aims that he was, as he calls himself, "The disciple whom Jesus loved." John's Gospel is the best-loved book in the world. His Epistles teach the Christian doctrine of love. His Revelation has been the stimulus and encouragement of the church in all ages, the only prophetic book in the New Testament. We see him in his old age as the bishop of Ephesus and as an exile for the faith on the Isle of Patmos. Yet is must never be forgotten that it was John that the Redeemer left the most precious of all legacies, the care of his mother.

Andrew, the Brother of Peter. His name is Greek and means "manly." He became the patron saint of Scotland. "He was a quiet man, but he earned his right to sit down with the twelve apostles at the table of the Lord by the sheer strength of his inner worth. He never preached a sermon which converted three thousand people in one day. We never hear of his jumping into the sea or of his cutting off anybody's ear. His famous brother did all that. But he listened and thought and made a clean-cut decision which would stand for all time. He was pre-eminently a man of decision."

Dean Charles R. Brown. Andrew was the finder among the Twelve. He found Peter and brought him to Jesus (John 1:40, 41), and that one day's work justified his entire life. He found the lad with the luncheon that became the material basis of that great miracle, the feeding of the five thousand (John 6:8-9). And he brought the Greeks to Jesus in the temple, thus inaugurating the era of world-wide foreign missions. Well done, Andrew the Finder!

Matthew, the Publican. This was Levi, the publican of Capernaum, whose ready response to Christ's summons and whose sacrificial abandonment of his profitable business, we have already studied from Mark 2:13-14. Note his humility; it is in his own Gospel only that he is set down in the list of the apostles as Matthew "the publican." "Having

been a business man, Matthew carried into his apostleship the brusqueness and straightforward direction which characterize the practical man of affairs.

Judas Iscariot. "And Judas Iscariot, who also betrayed him." Judas has justly the place of ignominy; at the bottom of the list. "Iscariot" probably means "of Kerioth," a little village in the tribe of Judah. Thus Judas was probably the only member of the Twelve who was not a Galilean. He must have had good and hopeful qualities, or he would not have been chosen by Christ as a disciple, or made the treasurer of the little band. But greed seized upon him, and he stole from the disciples' treasury. Moreover, he was ambitious, and was speedily disenchanted with the lowly programme of service which Christ marked out as the way to greatness in his kingdom. Thus he was disgusted when Mary lavished her costly ointment on the Saviour's feet and head, went to the Sanhedrin, and agreed to lead their officers where they might arrest Jesus without fear of the people. "Judas is the worst type in life. Treachery breaks friendship; it cannot be endured. The presence of Judas was heavier on Jesus than the cross. Judas was to be Jesus' failure."—Ian MacLaren.

WOMAN LOST 10 LBS. IN A WEEK

Mrs. Betty Luedke of Drown writes: "I am using Kruschen to reduce weight. I lost 10 pounds in one week and cannot say too much to recommend it."

To take off fat easily, SAFELY and HARMLESSLY—take one-half teaspoonful of Kruschen in a glass of hot water in the morning before breakfast—it is the safe way to lose unsightly fat and one bottle that lasts 4 weeks costs but a trifle. Get it at any drug store in America. If this first bottle fails to convince you this is the safest way to lose fat—money back.

But be sure and get Kruschen Salts—imitations are numerous and you must safeguard your health.

COUNCIL HAS CALLED MEETING

A called meeting of the Home Demonstration Council was held last Monday at the home of Mrs. Ray Johnson of Summerfield. Only four clubs, Wyche, Westway, North Hereford and Summerfield were represented.

After a delicious covered dish luncheon, the business session was called. Plans for the year's work were discussed, and it was decided that with proper interest and co-operation, the home demonstration work could go on in Deaf Smith county. It was especially urged that each club woman keep up her work and not forget to have their cheese ready for the cheese show March 11. Plans now are to have Mr. Penner, of Tech College, as judge.

As a last reminder, club members, let's keep up the good work we are doing now in our 14 clubs. Council Representative.

CRESCAT SCIENTIA

Mrs. Chas. Sowell was hostess to the Crescat Scientia club Thursday afternoon, January 19. Bridge was the amusement for the afternoon, at the end of which refreshments were served to Meses. Pearl Singletary, Herman Stewart, R. E. McCullough, Ralph Sears and Miss Ursula Fridley.

PIONEER STUDY CLUB ENTERTAINED

The Pioneer Study Club met Tuesday afternoon, January 24th, with Mrs. E. S. Ireland. Instead of a play listed on the program, a number of musical selections were given by Misses Marie Seed, Earle Marie and Ardell Foster, Billy Hill and Master Chilton Foster.

Members attending were Meses. Allan Bell, H. G. Coakwright, F. Kester, O. G. Hill, Carl Gilliland, Arthur Thompson, Rex Tynes, J. B. Jones, Burt France, A. A. Foster, H. D. Reed, F. L. Lucas, J. M. Gilliland, P. H. Gilliland, J. E. Beyer, R. E. Kessie, T. E. Slegler, M. D. Womble and Sherm Williams.

JUNIOR BAY VIEW CLUB MEETS

The Bay View club met last Thursday evening with its president, Miss Dorothy Flannery, to study "The Current Theatre." The leader was Miss Eloyse Pittman. Miss Gwendolyn Spradley made an interesting talk on "Recent Theatre Movements," followed by Miss Eunice Gilbreath, who reported on "Outstanding Personalities," and Miss Martha Duncan closed the program with a summary of current plays.

In the business meeting the club decided to apply for membership in the Federation of Women's Clubs.

The hostess served refreshments to Misses Fern Carlisle, Ruth Coakwright, Martha Duncan, Carey Estes, Eunice Gilbreath, Ina Mae Hastings, Lucille Hicks, Eloyse Pittman, Gwendolyn Spradley, Edith Shields, Eva Skelton, Floyd Wilson, Meses J. C. McCracken, B. M. Wiltshire and J. W. Witherspoon.

PIANO RECITAL

A studio musicale was given Saturday afternoon, January 21, at 3:00 o'clock by piano pupils of Mrs. J. C. McCracken at her home on East Third street. Mothers of the pupils were guests. After the program, refreshments were served by the hostess, assisted by her pupils. Those on the program were Ardelle Foster, Frances Borden, Rena Allred, Lily and Gertrude London, Carl Dean Mountz, Arthur Thompson, Jr., and Chilton Foster.

W. M. U. HOLDS ALL-DAY MEETING

The circles of the Baptist Woman's Missionary Union held a joint meeting at the church Wednesday. The meeting began at 11 and lasted all day. Each lady brought a covered dish and luncheon was spread together at noon. The morning was given over to the business meeting, and in the afternoon a mission program, led by Mrs. Allan Powelson, was given.

ACE-HIGH CLUB ENTERTAINED

The Ace-High Bridge club was delightfully entertained Tuesday evening at the home of Miss Martha Duncan, with Edgar Ireland acting as host. Three tables were laid for the games, at the end of which a tasty ice course was served to Messrs. and Meses. J. M. Posey, J. W. Witherspoon, Hubert McIntire, Meses Thalia Parker, Dorothy Flannery, Martha Duncan, and Meses. Marlin Gilliland, Colby Coakwright and Edgar Ireland.

High scores were won by Mrs. Posey and Marlin Gilliland. Each was awarded a lovely prize.

Continuing his program of giving Hereford the best shows it is possible to get, J. C. Parker, manager,

will bring outstanding pictures to the Star Theatre during the coming week. Future orders have some of the greatest productions of the most recent release scheduled for Hereford theatre goers.

In keeping with its title, "The Big Broadcast," a radio station story, the Star will show a Saturday midnight preview of its Sunday, Monday and Tuesday feature of next week. The plan is a novel one and fits in with the theme of the story, centered around radio station activities. A number of the famed performers of the "air waves" will appear in the picture, among them being Bing Crosby, Kate Smith, Boswell Sisters, Vincent Pope and his orchestra, Burns and Allen and the Mills Brothers quartet. Stuart Erwin has the leading character role.

Tonight's picture will be the last showing of the flying sensation "Alrmail," acknowledged the greatest of its kind since war days. Ralph Bellamy plays the lead, and Slim Summerville supplies the comedy. Manager Parker says it is the best 1-cent special picture he has ever shown.

Friday and Saturday brings another great Zane Grey story, "Robbers' Roost," with none other than George O'Brien in the most important part. In addition, the sixth chapter of "Hurricane Express," railroad serial thriller, will be presented. As usual, the admission to the Friday and Saturday show will be but 10 cents. A matinee will run Saturday afternoon.

Helien Hayes and Ramon Navarro take the lead in "Son-Daughter," a story of Japanese traditions played against an oriental background. Miss Hayes will be remembered as the acknowledged best screen actress of 1932.

SCOTLAND YARD ALMOST MEETS WITH THE PERFECT CRIME.

London—Whoever killed Walter Spatchett, young rent collector, in the office occupied by Samuel Furnace, a jobbing builder, in North London recently, came within an ace of carrying out a perfect murder. At the inquest it was revealed that after having shot his victim, the murderer had poured a tin of paint over the body as it sat in an office chair, and had then set the office afire. The paint was of the non-inflammable variety however, and some running down the victim's neck protected the luncheon mark on the inside of the collar band from destruction, although the body was unrecognizable. If it had not been for the paint, the search would have been for Spatchett, who would never have been found, because he would have been lying in Furnace's grave. When Spatchett failed to return home it was thought he had absconded with the afternoon's rent collections. When firemen found the body it was promptly identified as that of Furnace until the collar mark turned up. The police are looking for Furnace, who is still missing. The scene of the murder showing the chair in which the body of young Spatchett was propped up in and burned after he was shot, is shown above.

Mrs. Hancock, with 20 members, four visitors and one new member present. Miss Lula Mae Martin met with us, and talked to us on how to make rugs. We enjoyed her talk and were greatly interested, but were sorry to know it was her last time to meet with us.

At the close refreshments were served by the hostess and were enjoyed by all. The next meeting will be an all-day session and everybody should bring a dish. It will be held with Mrs. R. W. Fanning Thursday, February 9. Everybody welcome.

Ware the Baby Chick Sharkers; Many Schemes

This year, more than ever, the "Sharkers" are working schemes to secure money off of business men, and the hatchery-business is no exception. The International Baby Chick Association offices have credit ratings on thousands of firms. On many schemes information is on file showing that they are not responsible or reliable. Do not sign up for any contract or pay any salesman money unless you know him personally and know he is responsible in every way.

Fake remedy salesmen are working in a number of territories offering remedies that are a little better than colored water. Another scheme is that a salesman claims that he is wanting to buy eggs and offering to take the eggs if the farmer will have his fowls wormed, etc. Then another salesman comes along and sells a wormer that is all right possibly, but you never hear from the salesman who is going to buy eggs. This is likely to be worked on flock owners anywhere. This scheme has been worked in certain counties in Kansas and Oklahoma. It is difficult to prove that the two parties are working together, but flock owners are warned against buying remedies from unknown sources.

In three cities schemes to sell stock in broiler companies, or else new patented broiler batteries, are being offered. It is not advisable to put money in another man's scheme, but buy from reliable companies. Watch out for the firms who are in the brooding business to buy chicks from you and not pay from them. Get cash.

FOR JOB WORK, TRY THE BRAND

To Water and Sewer Users--

If your premises are connected with the sewer system of the city, let us call your attention to a most important fact:

Never let a piece of newspaper or any other kind of tough paper, rags or solids of any kind go into your sewer outlet. If your disposal line becomes stopped up, it may cost you several dollars to get it cleared out.

Don't Forget—This Will Be Your Responsibility . . . Not the City's.
