AROUND TOWN

Sights and Faces Seen
All old members and all prospective members of the Hereford Golf Club have been requested to meet in the County courtroom Friday evening, May 26, at 8:30. The business meeting was called to elect new officers and to discuss possibilities of putting the local course back into playing condition for the coming season.

Motorists were this week warned to drive more carefully in the city limits, due to the fact that more children will be on the streets during vacation time. City officers said that the speed limit of 20 miles per hour for automobiles and 18 miles for trucks will be rigidly enforced during the summer months.

Work is rapidly progressing on the new Pitman Elevator. A crew of 55 men is now employed in the construction work.

There is an urgent need for old clothing at the present time, says Mrs. Dyalitha Bradley, county welfare administrator. If you have old garments that are usable please phone or bring them to the welfare office in the courthouse.

Grant Fuller made an earnest effort to have the date for annual commencement exercises changed from last Tuesday. He was slated to play in a softball game—and his son, Grant Jr., was a member of the graduating class. Fortunately a windstorm postponed the game, and Grant was able to see his son graduate.

The Allan Bells recently purchased a home at the intersection of Third and Bennett streets. The house is on the corner, due east of the old Bell home. The place which they operated at Adrian has been purchased by a Dalhart man. Until their new home is remodeled, they are residing with Mr. and Mrs. E. S. Ireland.

Mrs. Walker Nicks left yesterday for Lubbock to accompany home her son, Jack, who has been attending Texas Tech College during the past term.

Hereford Group Attends Baptist Meet Past Week

Attending a Southern Baptist Convention held in Oklahoma City last week, were Mr. and Mrs. George Brumley, Mrs. Jack Ferguson, Mrs. Artis Daniel, Mrs. Ben Wolgemuth, Mrs. Burks, Mrs. Jasper Cockrell and daughter, Audrey Cockrell, Mrs. Allen Powelson, Mr. and Mrs. Arthur Thompson, Mrs. Otto Maske and Rev. W. E. Barnes. Mrs. Barnes and children joined Rev. Barnes at Oklahoma City the latter part of the week and they went to Decatur, Ala., for a visit with relatives. They expect to return to Hereford about June 1. Mr. and Mrs. Thompson visited relatives in Hamilton, Kan., before returning home, and Mr. and Mrs. Brumley went to Missouri for a short visit.

Former Resident Dies On May 6th

Old timers in this community will be saddened to hear of the death of Joan T. New, a former resident of Hereford. Mr. New died following a lingering illness at his home in Riverside, Calif., on May 6, 1939.

Mr. New during his residence here, operated a farm and was well known over this territory. The New family moved to California 17 years ago and have since resided there. In addition to his widow, he is survived by two sons and one daughter, Mrs. Don B. Doolittle; also one sister.

Graduation Exercises For 48 Graduates

GRANT FULLER, JR., AND ELIZABETH RICE TOP CLASS HONOR LIST

"Include three important factors that may help to insure success as you look forward into life and years ahead," urged Dr. Albert Barnett of Texas Tech College, in an address to seniors of Hereford High School at the commencement exercises at the high school auditorium Tuesday night.

The seniors entered to the procession played by Mrs. Ruth Marie Crosthwait. The invocation was given by Elizabeth Rice; Floyd Ross, salutatorian, spoke on "Practicality of High School Subjects"; Jeane Williams played "The Lost Chord," Cello solo, (Sullivan) accompanied by Thelma McMinn; Carolyn Frye, valedictorian, spoke on "Our School; A Laboratory of Citizenship"; A quartet "In The Garden of Tomorrow" was sung by Edith Jackson, Faye Crosthwait, Elizabeth Rice and Barbara Thorkson.

Talks of Changes
Dr. Barnett spoke of the economic changes in the world today and pointed out that opportunity has a changed countenance. He called attention to a recent survey of the youth of this state, giving statistics which indicated that after high school it's jobs—schools—or else, pointing out that education is the cheaper way to go in point of dollars and cents, and urging the older generation to aid the younger in their search for economic security by speeding educational measures. Dr. Barnett advised the students to strive for physical fitness, mental alertness and dependability as three vital characteristics necessary to the completion of a successful endeavor.

48 Graduates
W. J. Stanford, president of the Board of Education, presented the diplomas to the 48 graduates.

The boys were: Anderson Axe, Bill Boyer, Merlin Conklin, Paul Foster, Grant Fuller, Jr., Jimmie Fullwood, Erwin Herr, E. C. Hewitt, L. C. Hewitt, Jerry Jow.

Methodist Meet Will Open Here Sunday Morning

Starting next Sunday, the First Methodist Church will open a two-week revival meeting in Hereford under direction of Rev. Kirby of Wellington. It was today announced by M. M. Beavers, local pastor.

The first of the services will begin at 11 o'clock next Sunday morning and will feature two services daily for the ensuing two weeks, Rev. Beavers said. "We hope to have the co-operation of all Christian people," he declared. "Come along, whether you are in church or not. These services are for Hereford and the surrounding country. Rev. Kirby will please and help us all—so start with us next Sunday."

POPULAR STORE TO OPEN ANNIVERSARY SALE HERE FRIDAY

In observance of their 18th anniversary in Hereford, the Popular Store will next Friday open a store-wide sale which is scheduled to run through Saturday, June 10. In announcing the sale Mr. and Mrs. Gaston Baer said that the sale has been planned long in advance in recognition of the good will of friends and customers. The sale will include ladies ready-to-wear, summer hats, shoes, work clothes and apparel for the entire family.

ROBERTS ELECTED LIONS CLUB HEAD FOR COMING YEAR

In their annual election Wednesday members of the Lions Club named John Roberts as president, along with a list of officers who will serve during the coming year. The election followed a "heated" campaign speeches last week.

Other officers elected were: Kellar Muse, vice-president; Fred Brown, talltwater; James Alken, Jr., Lion Tamer; W. Jesse Stanford, R. R. Wills and Jim Lipscomb as board of directors.

Retiring officers are H. A. Close, president; John Roberts, vice-president; Kellar Muse, talltwater; Ralph Smith, Lion Tamer. Gus Streu was carried over as director; Fred Hood and Bill Smith are retiring officers.

R. V. Miller Is Named Manager Of Tulia Herald

R. V. Miller, advertising manager of The Brand, this week announced his resignation to accept the position of manager of the Tulia Herald at Tulia, Texas. He will take over his duties in Tulia Monday, May 29, but left his place at The Brand office last Saturday in order to spend this week in moving to the new location and getting acquainted there.

Born in this county, Mr. Miller attended the Hereford schools graduating with the class of 1927. Later he worked in the tax collector's office and as assistant in the county agent's office. Four and a half years ago he started as bookkeeper at The Brand and in recent years has advanced to the position of advertising manager.

Having spent his entire life in this community, Mr. Miller is widely known over this section and although his friends hate to see him leave Hereford, they are glad to know of the splendid position which he has in Tulia. Mrs. Miller and their daughter, Patsy Ruth, accompanied Mr. Miller to Tulia, where they plan to make their future home.

Mrs. Deaton Is Buried Sunday

Funeral services for Mrs. Edith Glenn Deaton of Black were held from the Friona Baptist Church Sunday, May 21, following her death in Hereford Saturday.

Mrs. Deaton was 19 years, nine months and 26 days of age, having been born in Kaufman County, Texas, July 4, 1919. She married L. L. Deaton Jan. 14, 1937.

In addition to her husband, she is survived by her parents, Mr. and Mrs. W. W. Johnson, and one daughter, Lois Marie Deaton. Interment was made in the Friona Cemetery.

Brownie Girl Scout Troop Is Organized Here

A Brownie Girl Scout patrol has been organized under the supervision of Mrs. C. T. Guseman.

Ten girls from the ages of 7 to 10 years, met to organize Tuesday. Early Tuesday morning they went on a sunrise breakfast with the Girl Scouts. The breakfast was supervised by Miss Robbie Foster, Mrs. Pat Lawhon and Mrs. Phil Radovich.

The following Brownie Scouts attended the meeting: Virginia Ruth Lyons, Louise Young, Betty Jane Smith, Patsy Lee Longbottom, Marion Longbottom, Eloise Walker, Barbara Ann Burney and Cecilia Guseman. All the little girls interested in Brownie Scouting are invited to meet in the County Courtroom on Tuesday, May 30, at 3:30.

Large Crowd To Throng Buffalo Lake For Dedication Program Next Sunday

Hundreds of persons over the Hereford territory expect Sunday to join the thousands who will gather for official dedication of Buffalo Lake, located two miles south of Umberger. Some few from this community, also announced plans to take part in the Saturday program, which includes a parade in Amarillo, and governor's ball to be held in the recreational building at the lake. Officials estimated a crowd of 20,000 persons for the two-day celebration.

Church Women To Honor Founders In Tuesday Meet

PROGRAM WILL BE HELD DURING AFTERNOON AT PRESBYTERIAN CHURCH

The United Church Women of Hereford will hold a Memorial Service on Tuesday, May 30, at the Presbyterian Church at 4 o'clock, according to announcements today. The program will honor outstanding leaders and founders of the various denominations.

Included in the program, under direction of Mrs. James Alken, Jr., will be: Hymns, "Faith of Our Fathers," congregation; Scripture Reading; Roll call of Heroes and Leaders of Faith, led by Mrs. John Olson; Prayer, Mrs. Rosolon; Pioneers of the Christian Church, Mrs. W. E. Dameron; Pioneers of the Methodist Church, Mrs. D. W. Hawkins; Pioneers of the Baptist Church, Mrs. O. T. Williams; Pioneers of the Presbyterian Church, Mrs. D. H. Alexander; Special Music by Mrs. A. O. Thompson and Mrs. Troys Carmichael; Benediction; Social hour and refreshments.

Next Saturday Is "Poppy Day" For Community

Poppy Day will be observed throughout the United States on Saturday, May 27, with the wearing of memorial poppies in honor of the World War dead. Mrs. Jim Black, president of the Hereford unit of the American Legion Auxiliary, announced today. The observance will be led by the Auxiliary women who will distribute poppies on the streets during the day.

More than eleven million of the little red memorial flowers have been made by disabled World War veterans working in government hospitals and in poppy workrooms by the Auxiliary, said Mrs. Black. These flowers are crepe paper replicas of the poppies which grew on the World War battlefields and among which the dead and wounded fell. They are recognized through the English-speaking (Continued on Page 8, Sec. 1)

INTEREST SHOWN IN COMING TOUR OF LOCAL FARMS

Following the announcement last week that an auto caravan will visit irrigated farms over this immediate territory, J. B. Stoker, president of the Irrigation Farmers' Association, today said that plans for the tour are rapidly materializing and that much interest is being shown by farmers and business men of the community.

A complete program for the day, and an itinerary of the tour will be published in the next issue of the Brand. The group will leave the City Hall at 8 o'clock Thursday morning, June 15, and will return to Hereford for lunch. The tour will be completed Thursday afternoon.

Girl Scouts To Be Active Here During Summer

The Girl Scout organization has been adjusted in order to care for leisure hours of the Hereford girls during the summer months. Mrs. Pat Lawhon has taken charge during the absence of Miss Robbie Foster, Girl Scout captain. Mrs. Lawhon will be assisted by Mrs. H. C. Danforth, Mrs. London, Mrs. Renfro, Mrs. Earl Lance, Mrs. C. T. Guseman, Mrs. Phil Radovich, Mrs. Williamson and Mrs. Hubert Jones, each of whom will supervise a separate patrol. Each patrol will meet the first and third weeks, and every second and fourth week will meet together with the troop.

Plans have been made for a thorough study of the scouting program during the summer. Swimming, interior decoration with the aid of Miss Rhita Jean Sullivan, a study of hygiene with the assistance of a local physician, and various other projects desired will be studied by the girls.

MRS. PAT LAWHON WILL SUCCEED ROBBIE FOSTER DURING VACATION

At a meeting last Tuesday afternoon at the county courtroom 21 new girls began work to become scouts. There are already 35 girls working on their second class test, thus making 56 girls interested in the summer scouting program. The girls are Jean Luttrell, Lyndel Thurmond, Paula Mae Edwards, Virginia Ruth Lyons, Louise Young, Betty Jane Smith, Patsy Lee Longbottom, Marion Longbottom, Eloise Walker, Barbara Burney, Cecilia Guseman, Immonell Edwards, Lottie Bell Edwards, Cora Sue Ryder, Barbara Robertson, Margaret Barber, LaNelle Farmer, Christine Smith, Arline Millard, Lillie London and Gertrude London.

Firemen Sponsor Mystery Drama Here On June 1-2

"Mystery at Midnight," the thrilling comedy drama, using local talent as members of its cast, will be staged at the high school auditorium on June 1 and 2 as a benefit for the Firemen's Fund.

The director, Eunice Grover-Hamilton and the firemen's committee have selected the cast and rehearsals have started. Mrs. Hamilton comes to Hereford highly recommended. She has a Master's Degree from Columbia University and has done further dramatic work at Ann Arbor, Northwestern, and Chicago Universities.

"Mystery at Midnight" is chuck full of comedy, suspense, action and thrills. It is a rainy day as the curtain rises on "Mystery at Midnight," disclosing the bus driver and his ten passengers isolated in a deserted farm house miles from the nearest town.

Somebody wrecked that bus! It couldn't have just slipped into the ditch or could it? As the bus driver says, what with the rain, thunder and lightning, anything (Continued on Page 8, Sec. 1)

MRS. WILSON IS BURIED SUNDAY IN DENTON COUNTY

Mrs. A. J. Wilson, 60, mother of Mrs. W. F. Gillis, and Woodrow Wilson of this city, was buried Sunday afternoon, May 21, at 2:30 o'clock from the Ellenridge Church, near Denton; services were conducted by Rev. Johnson of the Central Baptist Church at Denton, assisted by the Methodist pastor of that city.

Mrs. Wilson died in Hereford at the home of Mrs. Gillis, where she had been visiting the past two weeks. She died Friday night as the result of a paralysis stroke. She was a native of Denton County, Texas, and had resided in Denton during the past 19 years, but was a frequent visitor in this community, where she had many friends.

Mrs. Wilson is survived by five children: Mrs. W. F. Gillis of Hereford; Mrs. Callie Hampton of Denton; Mrs. Iva Riddle of Navo; Miss Mary Wilson of Littlefield, and Woodrow Wilson of Hereford. Interment was made in the Zion Cemetery in Denton County.

Sustaining Club To Aid Scouting In This Section

Plans to increase the Hereford Scouts from one to several troops, and to encourage Cub Scouting were this week announced by the recently organized Boy Scout Sustaining Club of Hereford. The club is affiliated with the Llano Estacado Council, and will be composed of "dads" and other citizens interested in Scouting.

Through the District Council, men of this community will receive special Scout training. The Sustaining Club will be entirely local. In issuing a call for members of the Sustaining Club, the finance committee, including H. A. Close, A. H. Streu and Glenn Weir, asked that every person in the community join.

"Your assistance through this club will be the biggest boost our boys have ever had locally. Please do not fail to join, and try to get your neighbor to do so." In connection with the membership and finance drive, the committee asked that all interested persons see some member of the committee and secure a membership card.

Cooking School Announced Here Monday-Tuesday

Miss Anna Belle Hickman, home economist for Texas-New Mexico Utilities Company, will conduct a two-day cooking school in the company offices in Hereford. It was today announced by Alton Miller, local manager. All ladies in the community were invited to attend the school, which will be free of admission charges. The school will be held at 2 o'clock Monday and Tuesday afternoons, May 29-30.

In addition to general cookery, Miss Hickman will also stress the freezing of desserts and ices during the school. Attendance prizes will be awarded.

REA Members To Meet Wednesday

The annual meeting of REA members will be held in the district courtroom in Hereford on Wednesday afternoon, May 31, at 2 o'clock.

Two new directors will be selected at the meeting and other business matters will be discussed. All members of the cooperative were urged to attend.

Survey Shows Harvest Will Begin June 25

MOISTURE IS NEEDED FOR BETTER YIELDS OVER TERRITORY

In a county-wide survey of wheat conditions over the territory this week, community correspondents of The Brand indicated that most wheat in the area is still in fair condition. However, some points expressed a serious need for additional moisture; others reported ample moisture for the next 10 days to two weeks.

Wheat over the territory was reported from 12 inches in height to waist high—and when all reports submitted were considered a safe height average was around 20 inches. Naturally, all farmers indicated that their estimates on yields and cutting time were subject to change from additional moisture, hail and unforeseen hazards.

Harvest Around June 25
Some few farmers, especially west and north, believed that they would start cutting their wheat around June 20; others indicated that they would cut about June 25, and others believed harvest will not start until early July. A general average of the estimates would indicate around June 25 as the date that wheat will begin rolling to the elevators.

Progressive Wheat Exceptionally Fine

Wheat in the Progressive community, as compiled by Miss Ira Jeanne Ricketts, is unusually good; some say it is the best in 40 years, and others proclaim it the best prospects since 1918. The wheat averages two feet in height, but some needs moisture. Most of the farmers interviewed agreed that it is rather difficult to estimate how much they will make to the acre, or when they will likely start cutting, because of several things that could arise between now and wheat harvest—such as hail, grasshoppers or other hazards. The irrigated wheat, of course, looks better than the dry land wheat, and there is some late wheat that is not so good. Some of the wheat is now in full head, other is just now starting to head.

LYNN POWELSON expects to begin cutting wheat around June 15. He states that the wheat is not as good as it looked like it would be for awhile; however, he expects to make 20 bushels per acre on his irrigated wheat, which is about 2 1-2 feet high.

V. E. DODSON expects to make 20 bushels per acre on irrigated wheat and will begin harvesting around June 20. He states that the prospects for wheat in Deaf Smith County are better than in any of the surrounding counties. His is about 2 1-2 feet high.

RAY HERSHEY says that his wheat might make 10 or it might make 30 bushels—that it is hard to tell, but will probably average around 18 bushels to the acre. He expects to start cutting about July 1. His wheat is irrigated and is about 2 feet high; he has the best prospects for several years.

A. S. HIGGINS expects to make 20 bushels to the acre and expects to start cutting between June 25 and July 1. He stated that the prospects are the best since 1929. His wheat is about 20 inches high. Part of his wheat is irrigated and part is dry land. (Continued on Page 4, Sec. 1)

Rev. Aiken Is Baccalaureate Speaker Sunday

LARGE ATTENDANCE SEEN AT ANNUAL SERVICES HERE SUNDAY NIGHT

The Baccalaureate Service in the high school auditorium Sunday night, marked the beginning of the final formal exercises for seniors of Hereford High School. Both the processional and recessional were played by Mrs. C. H. Dyar and Rev. James Aiken Jr., pastor of the First Presbyterian church, delivered the address.

Rev. E. M. Borden, pastor of the Church of Christ, gave the invocation. Musical numbers included "O Worship the King" sung by the choir; "A Song of Praise," vocal trio by Goublier, sung by Mesdames H. K. Fox, B. M. Wiltshire and Miss Eloyse Pitman; A violin duet, "Liebesfrühling," (Ehrlich) Mrs. Paul Foster and Mrs. A. C. Thompson; "The Lord is My Shepherd" (Samuel Liddle), Mrs. Carl Mountz; and "The Heavens Are Telling" (Haydn), from "The Creation," sung by the Hereford Choral Club, with Mrs. Ellis Coombes accompanying.

The scripture was read by Rev. H. M. Redford, pastor of the First Christian Church.

Rev. Aiken chose for his subject, "Weapons for Life's Warfare," using the Bible quotation, "For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds." He listed intelligence, social conscience and a realization of life's highest values as weapons for life, and urged seniors to equip themselves with these weapons for victorious living.

The benediction was pronounced by Rev. M. M. Beavers, pastor of the Methodist Church.

Easter Items

MRS. CARL FRYE
William Dixon and Caroline Frye have won honors for the Easter community this year in their school work. William, who took his first two years of high school work in Easter, received his diploma from Dimmitt High last Thursday night. He was awarded five merits in F. F. A., and lacked only twenty-five points being ranked as the first F. F. A. boy in the United States. Caroline, who also took her first two years of High School work in Easter, is valedictorian of the Senior Class in Hereford.

Their first year in school William and Caroline won first place in tiny tot story telling, at the county meet.

In designing a big refrigerator to sell at a low price, FRIGIDAIRE with the finest factory and greatest resources could have made either of two decisions. Frigidaire could have built a box full of shiny, shimmering gadgets at a sacrifice of basic refrigeration quality — or FRIGIDAIRE could build a quality mechanism and quality cabinet without frills or gadgets.

As you expert, in making their decision, FRIGIDAIRE would make no compromise with quality. Instead, Frigidaire now offers a low price refrigerator with world-famous Frigidaire Quality—The Super Value Six for 1939 — a genuine FRIGIDAIRE and General Motors Value in every Respect.

Seniors Enjoy Class Program

The Class Night program given at the High School Auditorium Monday evening was presented entirely by the seniors. The class song, composition by the class, was directed by Jerry Jowell. Bud Wilkins gave the class will, and a quintette composed of Virginia Newell, Virginia East, Edith Jackson, Jeanne Williams and Jerry Jowell entertained with two popular musical selections. The class poem was given by Andy Schumacher, and a piano solo was rendered by Betty Sue Henslee. Members of the class heard their names linked with future fame and glory when Barbara Brotherton presented the Class Prophecy.

Jerry Jowell led the class in singing the school "Alma Mater" to conclude the program.

SOCIETY

GARDEN PLANTERS ARE URGED TO PLAN NOW FOR THE FALL FLOWER SHOW

Gardening enthusiasts who specialize in early fall blooming flowers are urged to plan now for the Hereford Garden Club's early Fall Flower Show which is scheduled for about the middle of September. Mrs. Homer Brumley, garden club president, said here this week.

The club already has several names on its list for growing exhibition flowers but to achieve successful show, much enthusiasm and endless labor will be required. The rain doesn't come at the right time, the bugs all come at the wrong time, cows get loose and work havoc, or a strong wind swoops down and the taller plants are laid low, the president said, and all who are planning some flower gardens are urged to plant now and co-operate in every possible way before discouraging hot winds and insect pests arrive.

The Garden Club, which is a comparatively new club, has done much in a civic way for the beautification of Hereford, and should receive the help of the entire community in making the flower show a worthwhile endeavor. The flowers themselves add much attraction to the home premises and the added entries in the show add materiality in its success.

Mrs. N. E. Gass is general chairman and will give the necessary information to those interested.

The next meeting of the Garden Club will be held at the home of Mrs. F. M. Kester at 4 p. m., May 26.

FORMER HEREFORD RESIDENTS ENJOY GET-TOGETHER AT MINERAL WELLS

On Mother's Day in Mineral Wells the home of Mr. and Mrs. Will Anthony was the scene of an enjoyable occasion when old time Hereford residents held an "old times sake" reunion. Good times enjoyed together in Hereford furnished interesting topics of conversation as the group resolved to renew old friendships from time to time lest old ties be forgotten.

Those present included Mr. and Mrs. Claude Gass of Ringold, Mrs. Inez Stambaugh of Hereford who has been in Mineral Wells for several weeks, Mrs. John Garner of Mineral Wells, and Mrs. C. G. Witherspoon of Dallas. Also the hosts and their daughter, Mrs. Juanita Fincher and little daughter, Mr. Will Anthony is the son of Mr. and Mrs. W. B. Anthony of Hereford.

DAWN 4-H GIRLS HOLD FINAL MEET

The last 4-H Club meeting at Dawn with the agent during the school year was held at the school house on May 10.

The demonstration was on diets for growth and good health. Charts were shown.

Members present, were: Mary Olive Frye, Ida Kuhles, Wilma Jean Miller, Doris Smith, Marcolla Luke and Lillian Burum.

PERSONALS

Colorado Visitor Here

Mrs. Preston Heath and daughter, Margaret, of Denver, Colo., are here this week for a visit with Mr. and Mrs. J. W. Witherspoon and family. Mr. Heath will join them here over the week-end. Mrs. Heath and Mrs. Witherspoon were classmates at Randolph-Macon Woman's College at Lynchburg, Va.

Mrs. J. M. Boone left Wednesday for Wichita Falls, where she will visit her daughter, Mrs. Paul Barnett and family.

Mrs. R. D. Cowan and daughter, Frances Virginia of Aurora, Mo., arrived last week for a two-weeks visit with her mother, Mrs. J. E. Gyles. She was joined here by a son, Robert Cowan who has been employed in Amarillo.

Here for graduation exercises Tuesday night, were Mrs. Gertrude Brotherton of Spur, and Donald Brotherton, student at WTSC. Mrs. Brotherton's daughter, Barbara, was a member of the Hereford High School graduating class.

Mrs. Dudley Green and daughter, Virginia Mae, left Monday for Vernon, where they are visiting this week in the home of her sister, Mrs. Benton Burke. They were accompanied by Mrs. Archie Scott.

Mr. and Mrs. Homer Henslee Jr. of Kermit, were here to attend graduating exercises held at the High School Auditorium Tuesday night. Mr. Henslee's sister, Miss Betty Sue Henslee, was a member of the graduating class.

Berry O. Jacobsen, senior at Texas Tech, spent the past week end here at the home of his parents, Mr. and Mrs. John Jacobsen.

Mrs. Jepp Todd of Canadian and Miss Elaine Newell of Amarillo, were among the many out-of-town visitors to see Hereford High School graduates get diplomas Tuesday night. Miss Virginia Newell, one of the graduates, is a niece of Mrs. Todd and daughter of Miss Newell.

Mrs. Faye Montgomery of Amarillo, was here for graduation exercises held Tuesday night, when her son, Bill Montgomery received a diploma.

Relatives Visit Stokers
Week-end guests in the J. B. Stoker home the last week, included Judge and Mrs. W. C. Veale of Breckenridge, R. L. McFall of Abilene, Mr. and Mrs. A. J. Curry of Pomona, Calif., and Mrs. Kay Stoker of Post. Mesdames Veale, Curry and Stoker are sisters. Mr. and Mrs. Stoker accompanied them as far as Plainview Monday, enroute to their homes. Mr. Stoker also attended a District Farm Meeting, attended by several other Hereford business men, in Plainview, Monday.

Mr. and Mrs. William Black and baby of Dallas, are visiting his parents, Mr. and Mrs. E. B. Black and other relatives for a week or ten days.

Mr. and Mrs. J. B. Stoker plan to leave today and will visit relatives in Post, Breckenridge, Abilene and Fort Worth, before attending graduation exercises at Texas Christian University, on June 5. Their daughter, Miss Billie Stoker who is a member of the graduating class at the University, will return with them to Hereford.

Jennings Flathers of Sonora, was a Hereford visitor Monday.

Mrs. Knox Kinard has gone to Arlington for a visit with her parents, Rev. and Mrs. R. A. Walker. She was called there last week by the illness of her mother.

John Williams of San Angelo, transacted business in Hereford Thursday. He is a former Hereford resident and a nephew of C. B. Williams of this city.

Mr. and Mrs. Ralph Hartman of Shelton, Neb., arrived in Hereford Monday, for a several weeks visit with his uncle John Haber, and family. They will also visit Mr. Haber's sons, Roy, Art, Herman and Johnnie, at Muleshoe, while in this section. Enroute home they will visit other relatives in Springfield, Mo.

Mr. and Mrs. Marlin Gilliland spent the week visiting in South and East Texas. They attended an Undertakers Convention in Houston and spent a few days in Galveston. In San Antonio they saw Mr. and Mrs. Brooks and Charles Allen, and visited in Kilgore with Marlin's brother.

Mrs. Neal L. Cress left this morning for Atlanta, Ga., where she will visit her mother for two weeks. Miss Shirley Cress will take her mother's place as receptionist at Dr. J. W. Hendrix's Clinic during her absence. Clinic during her absence.

Mrs. C. C. Acker, accompanied by her father, Mr. Ollis Fox, left Wednesday for Mangum, Okla., where Mrs. Acker will attend a reunion of former classmates.

Mr. and Mrs. F. H. Oberthier returned home the first of the week from a three-weeks trip to New York City, where they visited their daughter, Mrs. Timothy Tinsley and family. While there they visited the Fair.

Winners Named In Contest On Pioneer Stories

Six winners in a contest sponsored by The Brand for rural correspondents of the paper were this week announced, following return of the manuscripts from Canyon, where they were judged by courtesy of the Journalism Department of West Texas State College. Olin Hinkle, director of the department, stated that the selections were difficult, because all of the articles were of excellent quality.

Mrs. Merlin Kaul of the Westway community was awarded first prize of \$2.50 on her story of the community. Mrs. Allan Bell of Adrian won second place and \$1.50 with her account of early prairie fires in this section. Third place and a prize of

\$1 went to Mrs. Asa Atchley, who wrote of the Roberson family and the history of her community. Three honorable mention prizes carrying 50 cent premiums went to Mrs. E. R. Rothwell and Pauline with their account of the W. M. Smith family; to Mrs. Jess Caldwell of her history of the Dawn community, and to Miss Ira Jeanne Ricketts who wrote an account of the Progressive community.

All six of the articles appeared in the Pioneer Edition of May 4, and in addition to prize awards the correspondents will all receive regular rates for material submitted.

DAWN STUDY CLUB HOLDS ALL-DAY MEETING TUESDAY

Members of the Dawn Study Club and their guests met at the home of Mrs. Baker Womble, on

Tuesday, May 16, in an all-day affair.

A covered dish luncheon was served at the noon hour. The table was elaborately decorated in the club colors of yellow and white, with yellow and white cut flowers as centerpieces and plate favors. Places were set for twenty guests.

A special feature preceding the luncheon was the installation of new officers for the club. In the afternoon the new officers took charge of the business session, conducted by Mrs. Cecil Walker, president.

Mrs. L. A. Smith had charge of the program which consisted of a number by the Dawn Study Club trio, reading and skits. After the program members of the club complimented Mrs. C. Aubrey Wimberly with a shower.

Club members present were Mesdames W. P. Caraway, Jess Caldwell, Walter Galley, Lester Galley, Leeda-Galley, N. R. Miller, H. E. Miller, W. A. May, Ern-

est May, A. T. Frye, W. J. Stewart, William Wimberly, Carl Wimberly, A. A. Wimberly, Cecil Walker, J. M. White, Johnnie Womble, Baker Womble. Guests present were Mrs. J. S. Murphy of Breckenridge, and Mrs. A. J. Schroter.

HOMEMAKING WORK STARTED HERE BY HOME "EC" GIRLS

By Betty Roloson

The Home Making Girls of Hereford High School met at 1:30 Tuesday for their first meeting of this summer. The projects include: sewing of garments, lawn beautification, canning of foods, refinishing furniture, and preparing meals.

The girls planned to meet at 3 o'clock each Wednesday for the next two weeks to help organize their work, under the direction of Miss Rhita Jean Sullivan. The next meeting will be Wednesday,

May 31, and will last about an hour. The girls will have their projects partly planned and ready to start by then. These projects are planned so that they will entertain the girls during leisure hours. Each girl will make a hobby book of her own, centered around the things in which she is most interested.

A trip is being planned for the middle of June. The group of twenty-five girls is working hard toward that end.

Any girl who has had one year of Homemaking training and wishes to have a summer project for one-half credit should see Miss Sullivan by May 31, at the High School.

Community Wheat Prospects

(Continued from Page 1, Sec. 1)

J. C. GREGORY says he will be tickled if he makes 10 bushels to the acre on his dry land wheat. He expects to begin cutting about the second week in July. His wheat is about two feet high and he has better prospects than usual.

F. D. PERKINS says he expects to make 22 bushels per acre. His wheat is dry land and is 2 1-2 feet high. He expects to begin harvesting by the last of June, and has the best prospects for seven years.

PETE CALDWELL expects to make 20 bushels to the acre and his wheat is about 2 1-2 feet high. He says there is no comparison in prospects this year with any year since 1931.

J. E. BLAKEMORE expects to make about 20 bushels on his irrigated wheat. His wheat is 2 1-2 feet high and he expects to begin harvesting about June 20. He says this is best prospect since he moved here in 1930.

IRA RICKETTS says his wheat might make 10 bushels per acre and he expects to begin cutting by the middle of July. His wheat is about 2 feet high and is the best in about 10 years.

C. H. DYAR expects to make around 20 bushels and will begin cutting in the latter part of June. His wheat is not irrigated, and is about 2 1-2 feet high. He says the prospects are better in this county than in probably 10 years.

WILLIAM WALLACE expects to make 30 bushels if nothing unforeseen happens. His wheat is irrigated and is 2 1-2 feet high. It is all beardless wheat.

Messenger Wheat Needs No Moisture

SAM SMITH, who is on the Davis farm, has 2000 acres of wheat northeast of the Corner Store. It is looking fine, and is the best for several years.

GEORGE C. MESSENGER says that most of the wheat will make from 20 to 30 bushels per acre. It has 15 meshes to the head and is from 1 1-2 to 2 feet high in his own field.

HOYT SMITH has some fine looking wheat but it is later than most.

J. T. GUINN has some good wheat that is the best he has had since 1931. He states that it is too early to estimate the yield.

MRS. CHARLES BROWN has several hundred acres of wheat that is the best since 1931.

B. P. ABBOTT of Bovina has been over the community inspecting conditions and reports them favorable for a good yield.

Vega Wheat Is 12 to 18 INCHES HIGH

Wheat prospects in the Vega community, as compiled by Mrs. H. R. Shields, are good, but moisture is needed in some parts of the community. The wheat ranges in height from 12 to 18 inches.

JESS GILES states that some wheat in this section is waist high, is heading out and is needing rain badly. It is his opinion that the prospects for making a good yield are better than since 1926.

C. R. GAULT is of the opinion that this community has the best prospects for an average yield in wheat since 1929. The grain is from 12 to 18 inches high and rain is only needed in spots.

C. C. WIMBERLEY states that although the prospects for a wheat crop are the best in eight years, it still depends greatly on the rainfall in the next few weeks. He claims the average height of the wheat is about 18 inches.

ROLAND LOYD and **R. L. THOMPSON** agree that only the late wheat needs rain and that prospects are best since 1930. Over the county the height ranges from 18 inches to about waist high.

JUDGE W. A. PULLIAM says most of the wheat would be benefitted by a good rain, though some wheat will be made anyway. The average height is from 12 to 18 inches and the prospects are the best since 1931.

Plenty of Moisture In Bethel Area

Wheat prospects compiled in the Bethel Community by Mrs. E. R. Rothwell, are good. The wheat is from 18 to 30 inches high. Moisture has been spotted, receiving more in parts of the community than others; some hail has fallen at scattered points.

E. R. ROTHWELL says he has the best prospects for a wheat crop since 1931, but not as good as that year. His wheat is from 12 to 18 inches high with plenty of moisture, and he expects to make 20 bushels per acre. He expects to begin harvesting around July 1.

JIM BAGWELL, **IVOR BAGWELL** and **VERN LUST** say that this is the best prospect for wheat since 1931 and they have plenty of moisture.

J. G. DAVIS says judging by his own crop he thinks this will be an average crop with from 9 to 12 bushels per acre. His crop is the best he has had for three years and has plenty of moisture.

KAY ROBERTS says this is the best crop for three years with plenty of moisture.

BRYAN SINCLAIR says the wheat is good and will be from knee high to hip high by harvest—he has plenty of moisture. He had a good wheat crop in 1937 and this is the best since that year.

MOSS HOWELL says the wheat is good and has plenty of moisture.

Westway Averages To Run High

HENRY ALLMON—"Conditions now indicate a fair crop, al-

though I don't think it will average as much per acre as in '29 and '31. There is sufficient moisture for the early wheat, but the late wheat needs moisture—an inch and a half would make it better. However, a rain when the wheat is in bloom hurts it. My wheat is 24 to 30 inches high and cutting will probably start from the 25th to the 30th of June. I wouldn't say it would average over 12 1-2 bushels per acre."

G. C. HARTMAN—"In my opinion the wheat has sufficient moisture for a crop. My wheat looked good until a short time ago and it began going bad. This is not caused by insufficient moisture, but we have concluded that air is getting to the roots. After the ground froze and was loosened up there has not been enough rain to seal the top of the ground; hence, the air reached the roots and caused them to die. If it rains, some that is not out of the boot might come out and make 8 or 10 bushels. I'd say cutting will start June 25."

GRADY WILSON—"Prospects in general are the best since I have been here—even better than in '29 and '31. Most everyone around here who has wheat has good looking wheat. I think it will mature fairly well without more moisture and that most of it around here will average 20 bushels. My wheat is 28 to 30 inches high and I'd say will be ready to cut about June 29."

KELLY GRAY—"Prospects are better than they have been for several years, but not as good as in '29 and '31. My wheat needs moisture badly and is going back every day of dry weather. In height, it ranges from 4 to 20 inches. With no more rain it might average 5 bushels and will probably be ready to cut June 25."

E. B. OSBURN—"Prospects here are good. My wheat is about 20 inches high and looks like it would average 15 bushels. I think it will be ready to cut about June 20, depending on the weather. I always figure that it will be ready to cut six weeks from the time when one can look over the field and see just a few heads out."

R. M. GUNN—"I think prospects are better than they have ever been at this time of year—the wheat is so much more advanced. It really needs moisture, but is not hurting. I have some that will average 10 to 15 bushels without any more rain. Some is about 30 inches high now and with rain will be waist high. I expect it to be ready to cut about the first of July. The weather has a lot to do with it—rain followed by hot weather will ripen it faster than continued dry, hot weather."

PAUL RUDD—"Good prospects—looks like it will make 20 bushels with no more rain. Be ready to cut about the last of June."

MERLIN KAUL—"Prospects

best for several years, but not so good as in '29 and '31. Expect an average of about 18 bushels per acre. My wheat won't be ready to cut before July 1, but some around here will be ready sooner."

Ward Community Needs More Rain

JOHN HIGGINS says the area has the best prospects for a wheat crop in several years, but more moisture is needed.

W. O. MILES has the best wheat he has had since 1929; that year he made 12 bushels per acre.

BOB HIGGINS says there is a fine prospect at present, but more moisture is needed."

Cooking School . .

in Our Hereford Offices

MONDAY and TUESDAY

MAY 29-30 — 2:00 P. M.

The Texas-New Mexico Utilities Company takes pleasure in announcing its annual Cooking School to be held in Hereford next Monday and Tuesday, May 29-30, in the Hereford offices. Due to popular favor accorded the school in past years, we feel that every lady in the entire Hereford territory will want to attend both days of the current school—and everyone is invited. In addition to capable instruction of Miss Anna Belle Hickman, Texas-New Mexico Utilities Company Home Economist, who will offer ideas and instruction in the latest types of cookery and freezing of desserts, we will also have Free recipes and favors for the ladies who attend.

To Appear in Recitals This Week

JOYCE HOMER

ADELINE KOELZER

These two Hereford girls will appear in song recitals this week at the Methodist Church. They are Miss Joyce Homer, daughter of Mr. and Mrs. John Homer, and Miss Adeline Koelzer, daughter of Mr. and Mrs. M. A. Koelzer. Both are students at the Mattie Mae Swisher Studio of Singing. Miss Homer's program will begin at 7 o'clock Thursday evening. She will be assisted by Mrs. James Neill, pianist and her brother John Homer, who will sing a group of folk and art songs. Miss Koelzer's program will be given Friday evening at 8:30 p. m. She will be assisted by Mrs. Neill and Mrs. A. C. Thompson, violinist. The public is invited to attend.

Survey Shows

(Continued from Page 4, Sec. 1)

ROBERT VEIGEL has irrigated wheat and has sufficient moisture and excellent prospects.

Bellview Reports
Worm Damage

PAT RIDLEY says his wheat is spotted because of the worms and the yield is hard to estimate, but will probably equal that of last year—which was poor.

TOM BURNETT says the prospects for wheat this year are equal to those of 1937 and expects to make 20 bushels per acre. He will begin harvesting about July 1.

HENRY STOVALL says his wheat is poor. He expects to harvest from 2 to 3 bushels per acre, and will begin the last of June.

TOM WELCH says his crop is equal to that of 1938. He expects to make from 6 to 8 bushels per acre and will begin harvesting about June 27.

GEORGE PULLIAM says the wheat prospects are better than in 1937. He expects to harvest from 10 to 15 bushels per acre, but does not believe the average over the community will be over 3 to 4 bushels per acre. He expects to begin cutting about July 10.

D. O. Rutherford says wheat prospects are better than in 1931 and the moisture is good. He expects to harvest 8 or 10 bushels per acre. He will begin about July 1.

ARTHUR LIERD says he does not think the wheat prospects are half what they were in 1931, but that they are above the average since that year. He expects to harvest 12 to 15 bushels per acre and will begin harvesting around July 1 to 10.

CECIL NORTHCUTT says he thinks prospects are good for a crop equal to 1937 and expects to harvest 20 bushels per acre on his farm in New Mexico—and 7 or 8 bushels on the land in Deaf Smith County. Harvest will begin about June 25.

VACHEL RIDLEY says it is impossible to make a bumper crop like in 1931, but he thinks prospects are fair and expects a yield of 8 bushel per acre.

BOB RIERSON says his wheat is better than in several years. He expects about a 10-bushel yield per acre and will start harvesting about July 1.

J. T. REESE says prospects are better than last year and expects a yield of 10 bushels per acre. He says one or more showers will be needed, and that he will start harvesting about July 1.

W. W. LACEWELL thinks prospects are slim. The wheat is spotted and he does not expect to harvest over 7 to 10 bushels per acre. He thinks harvest will begin July 1.

ALFRED ELLISTON thinks the prospects are about the same as last year. He does not expect to harvest over 6 to 8 bushels per acre, but says if we could have a rain every week from now until harvest it is possible we would make 20 to 30 bushels per acre.

Adrian Yields To
Frost 20 Bushels

G. W. SYMS says he has 240 acres of the best wheat he has had since he has been on the Plains. It is knee high and has plenty of moisture now. He expects to make 20 bushels to the acre.

FLOYD LIGHT says he has 480 acres, 15 miles south of Adrian that is waist high and if nothing happens will make from 20 to 25 bushels.

C. GLASSCOCK says he has

the best prospects since 1931 and will make 10 bushels on the 600 acres of wheat he grazed—and about 20 bushels on the other 1600 acres. In 1933 Mr. Glasscock made 25 bushels per acre, and in 1904 the grasshoppers took the crop.

VICK LEMKE says his wheat is from 18 to 24 inches high and will make around 20 bushels and more if the rain continued.

R. A. FREEMAN says he has 900 acres of wheat, knee high and heading out. It does not need moisture and will make 20 bushels per acre. This is the best wheat he has had since 1931.

R. M. GRUHLKEY states he has 430 acres that he thinks will make 15 bushels per acre.

BERT KINSEY has 700 acres that will make 15 bushels without any more moisture; it averages 2 feet in height, and is the best since 1931. He expects to begin harvesting June 20.

ED and ALBERT KLEIN say they have 650 acres of wheat that will average 15 bushels. It does not need any more moisture, and is beginning to head.

R. M. GLENN had 160 acres of wheat planted, but the grasshoppers ate 20 acres of it last fall. The 140 acres left is good and he expects to make 20 bushels. It is knee high and is heading out.

NORMAN JACOBSON says wheat prospects are good, but he needs moisture. His wheat is knee high.

FLOYD BROWN says prospects are good and will make 10 bushels without additional rain. He has 2500 acres.

WILL BROWN says he has 600 acres that does not need more moisture at present and will make from 10 to 20 bushels. The wheat is knee high and has seen no grasshoppers as yet.

GERALD MORGAN says he has 800 acres in two places. He thinks he can make 12 bushels and does not need moisture at present. It is 12 inches high and has begun to head.

JOE SPEED says prospects look good and there is enough moisture, but he could use more. His 600 acres will average from 15 to 20 bushels if nothing happens. His wheat looks better than since 1931 when he made 23 bushels. The wheat is knee high and has not yet started to head.

E. C. CHAPMAN says he thinks there will be a 50 percent wheat crop with an average of 10 bushels per acre.

JOHN SKAGGS says wheat prospects are unusually good. The rains have been good for the crops. He has 1300 acres and hopes to make 20 bushels per acre.

CLAUDE BOGLE says his wheat is knee high and that he has 400 acres that will make 10 to 15 bushels per acre. His wheat is not as good as in 1931.

JOHNNIE KEMP says he has 2100 acres in wheat and thinks he will make 15 to 20 bushels if nothing serious happens. He says his wheat is better than in 1931 and it does not need more moisture.

Jumbo Community
Needs More Moisture

J. J. WILDER says the wheat is good—the best since 1937, but it needs moisture. His crop is dry land farmed and stands 18 inches high.

C. E. LEASURE is a dry land farmer. His wheat will probably average 12 to 14 bushels per acre. The wheat is better than at this time last year.

L. A. MATTHEWS states that his wheat is blown out considerably and that he has a very poor crop.

C. C. HUNTER says that his wheat is also blown out and the prospects this year are poor.

TOM METCALF says his wheat

is badly in need of moisture. He dry farms in the east part of the community.

WAYNE CARTEL has irrigated wheat but it needs moisture. His prospects are about the same as last year.

H. C. BAIRD has better prospects for a good wheat crop than last year, but needs moisture on his dry land farm.

FINIS HUNTER expects 20 to 23 bushels per acre on his irrigated farm. The wheat is about knee high.

P. H. DYER has better wheat than last year; it is also irrigated.

LYNN AXE reports that his dry land wheat is better than that last year, with fair prospects.

Summerfield Average
To Run 25 Bushels

PERRY McMINN—"I think prospects for wheat this year are the best since 1931. My wheat is not the best in the community probably, but I have 80 acres that will average 12 1-2 to 18 bushels. It is about knee-high and has pretty fair heads. My wheat is not irrigated but we have had plenty of moisture for 10 days longer. I would like to have more then."

D. C. WALSER—"I have 130 acres that will average 25 bushels to the acre. It is good and I expect it will make that with no more moisture. I expect to start harvesting by June 20. My wheat is pretty solid and has good heads. It is the best in 10 years."

CHARLIE NOLAN—"I have 500 acres of fair wheat. It is about 18 inches high and will probably make 10 to 15 bushels average. I do not think we will have more moisture to make a good crop. I expect my wheat will be ready to harvest by June 20. The hail did not reach my wheat."

MIKE HUCKERT and L. HUCKERT, SR.—"Our wheat will easily average 20 bushels. The hail did not damage it, and for dry land wheat it is good. We have some volunteer wheat that will probably average 15 bushels to the acre. This is our best crop since 1929."

BILL EDELMON—"Some of my wheat will average 35 bushels. It is the prettiest wheat in this area, and with the moisture we have, I think we have fine prospects for this year."

JOE EVANS—"I have about 100 acres of very pretty irrigated wheat, but the balance of 135 acres is summer fallowed and is between 24 and 30 inches high. It is in full head and is my best crop since 1931. I think we will begin harvesting in 20 days. I hope the yield will be between 20 and 25 bushels per acre."

L. L. CANNON—"My wheat is rather slow in coming out to make good heads, but I hope to average 10 to 15 bushels. All of mine is not irrigated, but the dry land wheat is pretty fair. I plan to begin harvesting by June 20. I had better wheat two years ago."

HARRY CANNON—"I have some wheat that is two feet high and in full head. It will probably average 20 bushels to the acre. Mine is all dry land wheat."

RAY JOHNSON—"The height of my wheat is from 16 to 18 inches. It will probably average 20 bushels to the acre. I personally think our prospects for a good wheat crop are the best since 1929; however, I had better wheat that year. I usually start harvesting about June 28, but I think harvest will be a week earlier this year. We have had a nice lot of moisture but I hope we have more."

KY LAWRENCE—"Some say my wheat will average 40 bushels, but 25 to 35 is my estimate. I have not had any damage from hail and hope to escape it this year. I have 91 acres of irrigated wheat that I hope to be harvesting by June 23. I have a few acres in the north side of the field than may make 50 bushels. It is pretty solid and has good heads. I also have some dry-land, summer fallowed wheat seven miles south of Black that will average 20 bushels to the acre. I am sure this is my best crop since 1931. I think we have some pretty bright prospects."

ROY COKER—"I have some very pretty wheat and some good heads. It hailed at my place but did not damage the wheat much. I hope to harvest in the latter part of June and probably the average per acre will be between 18 and 20 bushels. I think farmers in this district have good prospects."

B. A. ATCHLEY—"My wheat has been irrigated very little and is pretty slow in coming out, but I hope to harvest between 10 and 15 bushels per acre on most of it. I think I had a better crop than last year. The wheat probably start for us by June 23. I could tell more about moisture soon."

Dawn Harvest To Start on June 25

A. T. FRYE states that wheat and row crop prospects are fair; rain is needed however. He estimates his wheat at 15 bushels per acre and plans to begin harvest around June 30.

CARL LUKE says prospects look good and hopes for 15 bushels per acre but will be satisfied with 10. He says harvest will begin a little earlier than customary, around June 20.

BAKER WOMBLE says he has pretty fair prospects. He estimates his average around 10 bushels and probably will begin harvest about June 20.

W. A. MAY stated that prospects were normal and estimated a yield of 10 bushels per acre. He says the probable date of beginning harvest will be July 1.

H. H. MILLER has both dry land and irrigated wheat and is operating three irrigation wells. He says prospects are fair. He estimates a yield of 26 1-2 bushels per acre and sets the probable date of harvest as June 26. Mr. Miller has the highest estimated yield in the community.

W. J. Stewart says wheat prospects are average, but estimated his yield as not over 8 bushels per acre. He thinks harvest will begin around July 1.

H. E. MILLER states that rain is needed for a good wheat crop.

His estimate was 20 bushels average, and the probable date of harvest as June 20.

WALTER GALLEY said prospects are fairly good; rain will be necessary. He expects to make 10 to 12 bushels per acre and expects to start harvesting around June 25.

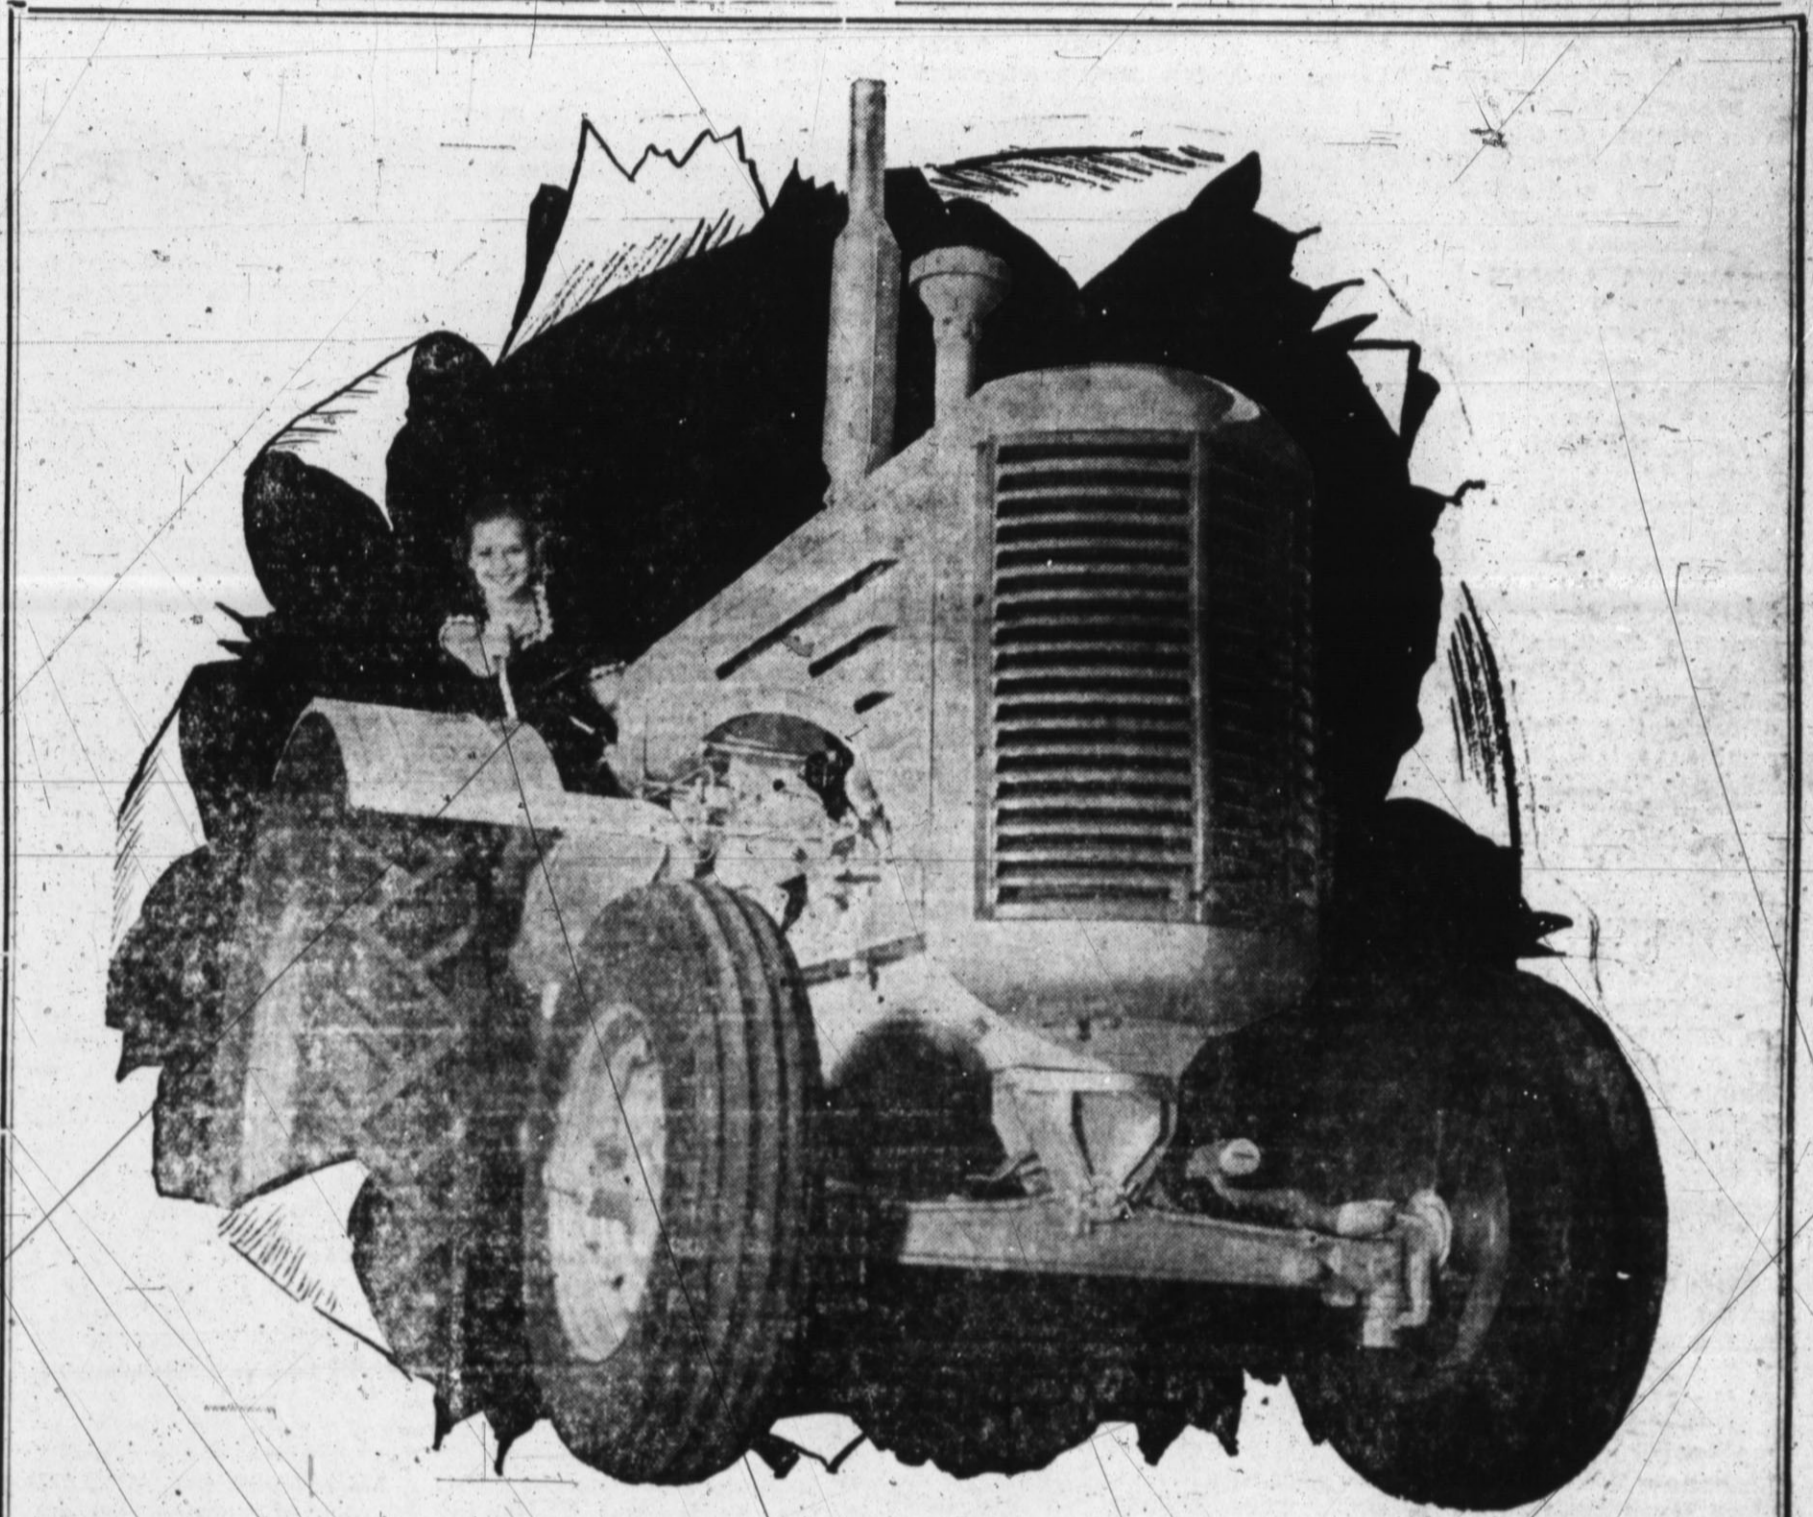

N. R. MILLER said wheat was good, but needed one more rain to make a good yield. He estimates 15 bushels per acre or better, and harvest to open around June 25.

L. A. SMITH remarked that

the wheat was better than it had been in ten years.

M. H. Burum says his wheat is badly in need of rain, that the recent rains had not reached his place. He does not expect over 10 bushels per acre and will probably begin harvest around June 25.

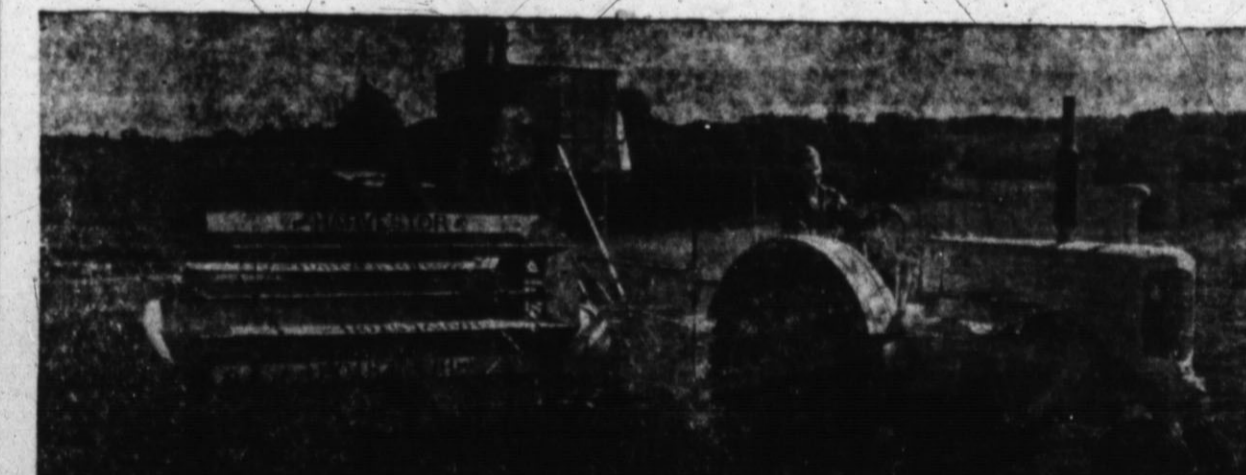

C. A. WIMBERLEY said he considered prospects fairly good, estimated the best wheat to rate about 20 bushels per acre, and the poorer to make 15 bushels. He expects to begin harvesting around June 25.

The New **POWERFUL**
Dependable **GT** TRACTOR
Economical

MINNEAPOLIS-MOLINE'S new "GT" tractor is sturdily constructed along proven principles of design that makes it the most modern 4-5 plow tractor on the market today. It has such outstanding features, as high compression cylinder head, enabling it to burn regular 70 octane leaded gasoline with maximum efficiency; force-feed lubrication to connecting rod bearings and other important parts; four-speeds forward, ranging from two to nine miles per hour; band type brake, easily adjusted, provides for quick, even stops; chain oiling device in the transmission keeps all parts in motion during use for belt use well lubricated. Other features are: variable speed governor; simplified gear shifting mechanism; comfortable seat, rubber mounted; large capacity radiator protected by an attractive grille.

The new "GT" also features an array of conveniences and modern improvements, including self-starter. This new Tractor is the Leader in the Power Field—featuring long life, dependability, and economical operation.

The HARVESTOR was the first light weight, high speed, big capacity combine—weighing nearly a ton less than previous combines of its size.

The HARVESTORS have many patented features that no other combines have.

The Record—The 12-Foot Harvester is the most popular in its class — A Complete sell-out in 1934 — In 1935 the biggest seller of all combines and again a complete sell-out. In 1936, increased production — And again the biggest seller in its size. Now, there are 3 sizes — 6-Ft., 8-Ft. and 12-Ft. — And 1937's sales surpassed all previous records. 1938 sales were about 40 percent ahead of 1937. For 1939 the famous M-M HARVESTORS offer many new improvements.

BIG CAPACITY—the record of the HARVESTOR, as the most popular combine through many tough harvests under many varying crops and conditions is outstanding proof that it leads the field especially when it comes to saving, cleaning, and handling all crops successfully. — — — More farmers than ever will be wanting M-M HARVESTORS in 1939. Get facts!

Ruth Conkwright, daughter of Mr. and Mrs. H. G. Conkwright is in the Deaf Smith County Hospital following an automobile accident Sunday. While riding in a car Sunday evening the door came open and Miss Conkwright fell to the pavement, receiving severe bruises and a broken right shoulder. While the nature of the accident is necessarily very painful, attendants at the hospital this morning reported Miss Conkwright to be resting satisfactorily.

CAMP FIRE GIRLS REVIEW ORGANIZATION'S HISTORY

At the regular meeting held by

the Camp Fire Girls at the home of Mrs. Earl Wilson, guardian, Thursday, a brief history of the organization was reviewed. The first Camp Fire Girls' Organization was founded in 1911 with headquarters in New York City. The importance of outdoor life is emphasized but the central purpose of the organization is to foster the realization of the beauty and dignity of home buildings and home keeping.

A picnic supper on the lawn was enjoyed by Margaret Olson, Betty Ann Dunlap, Nona Dean Rose, Ruth Temple Hastings, Rachel Ireland, Rue Wilson, Eleanor Wilson, Mary Nicks, Mary Ellen Henslee, Nadine Newell, Lois Bell, Marie Williams, Marjorie Morrison, Jessie Ann Buckner, Jackie Wright and Mrs. Wilson.

RECITALS TO BE GIVEN

The Mattie Mae Swisher Studios of Singing will present a group of students in recital on Thursday and Friday evenings at the Methodist Church. Miss Joyce Homer's program is scheduled for 7 o'clock Thursday evening and will be followed at 8:30 by a program presented by Nadine Newell, daughter of Mr. and Mrs. J. O. Newell. She will be assisted by Mrs. James Neill at the piano and by Mrs. A. G. Thompson, violinist. The Junior Voco Club will also present a group of nature songs.

Interested friends are invited to attend all of the programs.

SUMMERFIELD W. M. S. HAS PROGRAM ON MISSIONS

The Woman's Missionary Society of the Summerfield Baptist Church met at the church last Thursday afternoon for a program on Missions.

The theme of the program centered around "The Ministry of Healing." Baptist Hospitals in the south, and in foreign fields, the effectiveness of medical missions in extending the work of the church, care for aged ministers and retiring missionaries were topics of discus-

son. Mrs. Elbert DeLozier was leader of the program.

Mrs. Ky Lawrence had charge of the Bible lesson. Others taking parts on the program were: Mesdames C. R. Walsler, B. E. Roberson, Lee Kendall, Tandy Legg and A. B. Routh.

CLUB HAS DINNER PARTY

Roses in a profusion of red and pink blossoms were used to decorate the house and furnish table centerpieces when members and guests of the Tuesday Dinner Club were entertained at the home of Mrs. Seth B. Holman Tuesday night. Crystal and silver completed the attractive table appointments.

Special guests included Mr. and Mrs. E. B. Hedrick, Mr. and Mrs. Jimmie Gillentine and Mac Pitman. After the dinner-party games of bridge were played, when club awards went to Mrs. Jack Wayland and J. A. Pitman. Mrs. Gillentine was presented with the guest award.

Members present were Messrs. and Mesdames C. C. Acker, H. K. Fox, H. A. Close, Alton Fraser, Jack Wayland, J. A. Pitman, S. P. Rosson, Miss Eloyse Pitman and the hostess.

Messenger News

(24 miles west, 4 south) MRS. J. N. MESSENGER

The Messenger School pupils and teachers and parents went to Hereford Friday, and had a picnic. Ray Coleman and G. L. Smith took the pupils in the busses and four cars took the families and small children. All reported a wonderful trip. One day last week, pioneers went through the home of Geo. Messenger and tried to get in the home of Mrs. J. N. Messenger while the families were gone. Nothing was missing.

Mrs. J. N. Messenger went to Friona Wednesday morning, where she was met by her daughter, Mrs. Abbott. From there they went to Mrs. Abbott's home at Bayona, where they were met by another daughter, Mrs. Houlette and girls of Clovis. They celebrated the birthdays of Mrs. Abbott and Mrs. Messenger.

John Abbott will leave next week for Baylor, where he will take his final examinations.

Elsie Messenger, daughter of Mr. and Mrs. George Messenger, received a badge for making the highest grades in the Freshman class at Friona, Friday night.

The community received a good rain Monday, when about

an inch of moisture fell in an hour. Tuesday rain and hail fell near Bayona, where much damage was done.

FIRST BAPTIST CHURCH

It was a good day in church life last Sunday. Attendance was a gain over that of the previous Sunday. However, in the BTU department, the attendance showed a decline, some of this can be

attributed to the young people being in the High School exercises, and we hope to have this part of our work show a decided gain this coming Sunday evening.

We are grateful to Marvel Upson for the inspiring message which he brought at the morning worship hour. He is one of our recent called ministers, and we are proud of him and the work

he is doing in interest of the Kingdom.

Everyone is cordially invited to attend any or all of our services, and if you are not attending church services, we urge that you GO TO CHURCH SUNDAY.

Mr. and Mrs. Earl Bennett of Amarillo, visited her sister, Mrs. George V. Stambaugh and her brother, N. E. Gass here, Monday.

Thursday, May 25—Firemen vs. K. C.
 Monday, May 29—McCormick-Deering vs. Merchants.
 Tuesday, May 30—Laundry vs. High School.
 Wednesday, May 31—IOOF vs. K. C.

May 22—The Lions, champions of the previous two seasons, won their first game of this season when they defeated the Laundry 12 to 6. The Lions earned their twelve runs from only eleven hits. The victors gained a lead in the first two innings by scoring five runs and holding the Laundry scoreless. The Lions kept this lead and added one more before the game ended. Springer did the hurling for the Lions and yielded nine hits, but they were scattered. Six Lion errors for three of the six tallies. Muller, Whitlow, Alken and Close each gathered two hits, and Springer walloped a long homer in the fourth inning. Holt and Sherman had two hits each for the losers.

Score by Innings	R	H	E
Lions	4	12	11
Laundry	0	20	12

Batteries—Lions, Springer and Jones, Alken, Laundry, Bird, W. Guthrie and Ayres.

May 17—Coming up from behind with a nine-run rally in the second inning, the McCormick-Deering team took the Firemen 12 to 8. The Fireboys had previously scored three runs in the first and two in the second, but their opponents' large inning came at this time. Hits by Fuller, Clennin, Russell, Barnett, Muller and Daniel, combined with two walks and six errors, made up the McCormick-Deering's large inning. After this they were never headed. G. Fuller pitched the entire game for the Deering bunch and allowed ten hits all of which were singles. Phillips started for the Firemen but was pulled in favor of Joe Brock. He quelled the second inning rally of the McCormick bunch with two straight strike outs after he went in to the game. He collected six strike outs for the entire game.

Score by Innings	R	H	E
Firemen	3	21	10
McC-Deering	2	9	12

Batteries—Firemen: Phillips, Brock and Brown; McCormick-Deering, Fuller and Bell.

May 18—The Laundry, cellar team of the previous season, made their debut of the season by cleaning the Knights of Columbus 16 to 9. Three innings were enough for the Laundry to do all their scoring and then they held the K-C to nine runs, three of which came in the last inning. The Laundry team have a much improved team over last year. They have three rookies in Vaughn, Bird and Holt, who look good. They have also obtained several ball players from teams of last year. All but one player of the Laundry took part in the slugfest with which they downed the K-C. Vaughn and Holt led the winners; Vaughn collected a double and a triple out of five times while Holt had two singles and a double out of four times to bat. Wilson, a new pitcher for this league, pitched the entire game for the Laundry.

Score by Innings	R	H	E
Laundry	4	16	11
K. of C.	0	9	8

Batteries—Laundry: Wilson and Terry; K-C: Koelzer, G. Loerwald and Dupnick.

MRS. MERLIN KAUL
 School closed Friday after a week of activities. Final examinations were given Wednesday and Thursday. Seventh grade students had taken their exams last Saturday. On Wednesday the seventh grade students had their exercises in Hereford at the High School auditorium. Those who graduated were Jettie Lee McCutchin, Kenneth Rudd, Elvin Tucker, and Robert Lomax. An operetta was given Thursday night and on Friday the high school students and teachers packed the bus preparatory to the trip which is to include Galveston, Houston and several other cities of interest. Those taking the trip were Grady and Elwin Wilson, Robert Lomax, Edwin and Elwood Skypala, Nanette Little, Vesta Mae Landers,

Roger Hartman, George Turrentine, Kenneth Rudd, Jettie Lee McCutchin, Leola Wolfington, Jack Allmon, Gladys and Howard Gore, Gomer McCoy, Louella Scarbrough, P. H. Gilliland, Mr. and Mrs. F. W. Dodson and D. H. Allmon.

Helen Tucker kept the audience amused by her antics as the tomboy orphan. Elvin Wilson as Reddy the "tough guy" displayed the characters of his "Ma-Muth Show." Other members of Reddy's gang were Howard (Weldon Stephan), Tim (E. H. Little), Antonio (James Nolan Edmonson), Heck (Harold Rudd), Elaine Cox and Inez Tucker as the Quinn twins could easily pass as real, honest-to-goodness twins. Other characters were Leta Glyn Rutter, as the prettiest and vainest orphan, Leland Rutter as the fat boy on a diet, Paula May Mathers as "very much the fine lady," Margaret Sowell as the pet of the Sunnyside orphans, Martha Lee Rutter, a fiery little Italian girl, and Nina Beth Hartman, the very lively orphan.

Miss Helen Gilmore has returned to her home at Wheeler. She plans to attend school at WTSC at Canyon this summer, after she undergoes a tonsillectomy.

Miss Carolyn Beall will accompany friends for a vacation trip to the mountains in New Mexico after which she will go to visit her relatives in Georgia and attend summer school at Georgia University.

Elaine Cox was bitten by her dog last Wednesday. A car ran over the dog and Elaine ran and picked him up and when she did so he bit her ear. Seven stitches had to be taken. It is getting along nicely.

Mr. and Mrs. G. C. Hartman and Nina Beth attended a birthday dinner Sunday at the Jack Flowers home in Hereford, honoring the birthdays of Jack Flowers and Homer Gore.

Mr. L. O. Gore and Homer attended a birthday dinner at the Jack Flowers home Sunday.

Mr. and Mrs. T. E. Cowart of Lockney, were guests last week in the home of Mrs. Cowart's brother, G. C. Hartman.

Mr. Manaskie and son, Louie, of Stamford, were dinner guests in the G. C. Hartman home one day last week.

Sunday dinner guests in the J. A. Roe home Sunday were Mr. and Mrs. Henry Lloyd, Mr. and Mrs. John Bran, and Mr. Will Odom of Friona. Guests in the afternoon included Mr. and Mrs. Jack Waddell and Jack Don of Hereford, and Mr. and Mrs. Earl Little and Junior.

Floyd Roe of Brownfield was a dinner guest in the J. A. Roe home last Thursday.

Eustace and Gene Osburn spent the week end in Plainview where they attended Pioneer Day activities.

Mr. and Mrs. Hughes Millard of Hereford, were guests Sunday in the home of Grady Wilson.

Bobby Joe Wilde of Amarillo came Monday to the Kelly Gray home where he will spend the summer vacation.

Mr. and Mrs. Jess Harbour went to Hereford Monday. Mr. Harbour has been working for Kelly Gray, and his wife spent the week end in the Gray home.

Mr. and Mrs. Burns and sons of Summerfield, visited Mr. and Mrs. Kelly Gray Sunday afternoon.

Mrs. Merlin Kaul attended the reception for the Senior Girls at the Reed Williams home in Hereford, Wednesday night.

Week-end guests in the Merlin Kaul home included Mr. and Mrs. Franklin Andrews and son, Lynn, and Doc Estes of El Paso.

V. Skypala was a visitor in Berger and Panhandle, last Friday.

Wanda Marie Allmon is spending the week visiting in the home of her aunt, Mrs. Albert Club at Petersburg.

Mr. Waters is working at the Allmon home while Mr. Allmon and Jack are on the high school trip.

Mr. and Mrs. Oliver Rudd and family of Hereford, and Mrs. Frank Merritt and son, were visitors in the home of Mr. and Mrs. Paul Rudd Sunday.

Mr. and Mrs. Maurice Tannahill and son, accompanied by Mr. and Mrs. Robert Veigel and family of Ward, attended the Pioneer Day celebration at Plainview

Saturday. They were guests at supper Saturday night of Mr. and Mrs. Melvin Walter of Plainview, Mr. and Mrs. Tannahill and Carlisle, also visited her parents, Mr. and Mrs. Francis Carthel at Lockney.

Mesdames A. C. Pierce, Paul Rudd, Merlin Kaul, and Maurice Tannahill attended the luncheon and meeting of the Home Demonstration Club which was held at the club house Tuesday.

Mrs. D. H. Allmon was honor guest at a birthday dinner Sunday held at the home of her sister, Mrs. Jim Bagwell at Bethel.

Mr. and Mrs. R. L. Wilson and children, were visitors in Plainview Monday.

might happen. And it does as the story unfolds. The first thing that happens is the disappearance of Judge Rollins' bag containing \$10,000 in cash which he has entrusted to the bus driver. Detective Briggs, who admits he has spent years as a detective, fumbles along trying to help.

Of course we can't suspect the influential Mrs. Halloway and her maid, Sarah, who by the way, is an East Indian gifted with second sight. But what about Tom Foster, and Ralph Norris, who is engaged to Bonnie Baker?

In all the excitement we sort of lost track of Professor Rockbottom, the elderly eccentric archeologist. That is, everybody except Elvira, who is an old maid, forty, but wishes she were twenty, and anxiously on the lookout for a man.

And so who is to blame, of course it might be the Judge himself. And then there is Sally Grant who feels "since the Judge was retired he is much more interesting." Could she have anything to do with it? Or perhaps it was the stranger, a dark sinister figure who nobody knows, but seems to live in the house. Anyway, it is all mixed up. You will want to see "Mystery at Midnight," and figure it out for yourself.

A complete list of the cast will appear in next week's issue of this paper.

Plans for the local observance of Poppy Day are being completed by the Hereford Auxiliary Unit under the leadership of Mrs. Black. Unit Poppy chairman, aided by a large committee. Volunteer workers from the Unit will offer poppies on the streets all day and will receive contributions for the Legion and Auxiliary welfare and relief work among the disabled veterans and dependent families of veterans.

Poppies for distribution here have been ordered from Legion, Texas, where disabled veterans have been given employment through the winter and spring making the little flowers. They are expected to be worn more generally than ever before on Poppy Day this year.

Parade plans for Saturday are reaching a staggering possibility as all civic organizations, clubs, schools and merchants are cooperating to make AMERICANISM DAY as big as the name itself. There will be \$150.00 in prizes for floats and bands.

The Bathing Revue Sunday afternoon at the lake will pay \$50.00 in cash prizes to Miss Tierra Blanca, Queen of Buffalo Lake and the runner ups.

Bob Russell, Concessionaire at the lake, is making preparations to care for thousands of visitors even though the cabin facilities have been reserved to the limit.

Admission to the lake and all entertainment is free, and from advance indications, there will not be one picnic unit being unused out of the more than 300 available.

with scholarship awards. Erwin Herr was presented with a commercial scholarship. Special recognition was given to Pollyanna Crawford, whose name, because of highest number of scholastic and student activity points, will be placed on the honor shield. Others receiving medal awards, according to number of points, were: Vivian Olson, Ann Cockrell, Rachel Ireland, Caroline Frye, Edith Jackson, Rena Rae Renfro, Betty Cockrell, E. B. Posey, Jr., Mary Nicks, George McLean, Floyd Ross and Helen Frances Streu.

Those receiving honorable mention were: Lois Agnes Gilbreath, Orvella Hill, June Dameron, Mozelle Shreve, Grant Fuller Jr., Myron Morgan, Mattie Louise Lawhon, Elizabeth Rice, Ruth Temple Hastings, Nell Spradley, Bobbie Davis, Billie Louise Davis and Lillie London.

Certificates for perfect attendance, devotion to duty and good citizenship were presented to Dorothy Nell Adams, Elizabeth Bezner, Lidge Cawthon, R. L. Dowell, Hilton Higgins, Myron Morgan, Neil Williams, Lois Standifer, Dora Lee Burgess, Billy Louise Davis, Mary Nicks, Betty Jane Roloson, Mozelle Shreve, Mary Lois Springer, Troyce Stambaugh, J. D. Curt-singer, Geo. Walker, Chas. Weathered, Corene Hamilton, Ruth Temple Hastings, Rena Rae Renfro, Ben Conklin, Erwin Herr, Marvin Kerns, Bill Montgomery, Donald Ray McCullough and Billy Wilson.

REMEMBER THEM

BUY A POPPY

Saturday is Poppy Day all over the world. Once more it is our privilege to pay a small installment on our debt to the Boys who went overseas — a debt which can never be fully paid, but which can be somewhat compensated for by the generosity of a grateful nation.

Money in itself cannot compensate for lost limbs . . . disfigurements . . . seared lungs . . . blinded eyes, but it is the only means we have for making a partial payment on our debt. And it does help alleviate the suffering of the Boys who gallantly exposed themselves to the risks of modern war in defense of their country and its ideals — the boys who won the war but were permanently disabled while winning it.

Plans have already been announced to sell Poppies on the streets of Hereford next Saturday under auspices of the Legion Auxiliary. The entire proceeds realized on the sale of poppies will go for the rehabilitation of these men — every last cent of it. For a year now, they have been making poppies and planning for this one day. Let's show them we haven't forgotten . . . by making this Poppy Day the biggest they've ever had!

Court of Honor Held May 17 By Adrian Scouts

ENTERTAINMENT FEATURES SPORTS AND GENERAL SCOUT WORK

Twenty-one Boy Scouts of Troop 32 in Adrian participated in the annual Court of Honor Wednesday evening, May 17. The boys presented an entertaining and educational program of tumbling, signaling, rope-making, and first aid stunts before the formal presentation of the awards. Fifty parents and patrons of the community were present to see the performance, which was held in the new gymnasium, where the Scouts hold their regular meetings.

Mr. V. E. Lemke served as Chairman of the Court of Honor, with Scoutmaster J. C. Baker, Jr., Assistant Scoutmaster E. L. Hammitt, and Committeemen Oscar Bruce and G. A. Symms assisting him. Boys receiving Tenderfoot badges were: Jake Fortenberry, Clyde Phillips, Wilbur Chapman, Winston Hamm, Robert Harris, George Worsham was awarded his First Class badge, the first of the present group of boys to win this rank. The following Scouts and Scouters received merit badges: Winston Hamm and Verne Jacobson, First Aid to Animals; James Cliff Morris, Animal Industry; Clifford Chapman, Bookbinding; and J. C. Baker, Jr., Athletics.

Interest is high in the work of the boys, and the boys' parents look forward to an active year next year.

All State unemployment compensation laws have a two-fold purpose—first, to place the jobless worker in employment; second, if that is impossible, to pay him out-of-work benefits when due.

More than 38,000,000 unemployment compensation benefit checks were issued by the States paying such benefits in 1938, the average payment for total unemployment being approximately \$11 a week in December.

Ready for Harvest

S. J. BARCLAY, progressive farmer of the Frio Community, is shown above with his 31-RD McCormick-Deering Combine. Mr. Barclay is well known over this section as a successful farmer; he has around 800 acres of land in wheat and row crops, and is expecting a good yield on his wheat this season.

Mr. Barclay is one man that won't lose money through unnecessary delays when harvest starts... because he considers his 15-foot combine the most dependable and economical piece of machinery on his farm. He bought the 31-RD in 1938 and cut approximately 1,000 acres of wheat, including some for neighbors. He sums up his opinion of the combine by saying, "IT'S THE BEST COMBINE I-EVER RAN."

Except for having the 31-RD tightened up, there has been no repairs—and it is ready for the 1939 Harvest now.

Now is the time to place your combine orders—a short while later may be too late. Wheat prospects are good in most communities—and you know how expensive a delay can prove during the Harvest Rush!

We also have a complete line of Combine parts and Repairs.

MRS. GILBREATH ENTERTAINS AT LUNCHEON
Among the many informal spring luncheons in Hereford was the attractive affair given by Mrs. J. T. Gilbreath Jr., on Wednesday, May 17, for members of the Knitting Club.

Using spring flowers with red roses predominating, as decorations, places were laid for Mesdames Ernest Medkief, Travis Dameron, Meade Halle, Paul Mathers, Woodrow Ireland, W. J. Stanford and Miss Ruth Conkright.

After the luncheon sewing, knitting and conversation furnished diversion.

MRS. RODEN IS CLUB HOSTESS
A variety of old fashioned flowers were used to furnish a spring atmosphere when members of the London Bridge Club were entertained at the home of Mrs. Ralph Roden, Thursday afternoon.

Award in the bridge games went to Mrs. Sherman Morgan. Mrs. Grant Fuller was a special guest.

Members playing included Mesdames Nelson McRight, Meade Halle, N. E. Milburn, J. T. Gilbreath, Jr., R. R. Wills, Frank Cogdell and Sherman Morgan.

GUESTS ARE ENTERTAINED WITH TUESDAY CLUB

Guests were entertained with Tuesday Afternoon Bridge Club members at the home of Mrs. Travis Dameron last week.

Cut flowers decorated the entertaining rooms and red roses established the color accent for the spring flower motif emphasized in appointments for bridge games.

High score prize was awarded to Mrs. W. M. Emmons and the guest prize went to Mrs. Frank Cogdell.

Guests playing included Mesdames J. W. Witherspoon, J. T. Gilbreath, Jr., Knox Kinard, Geo. V. Stambaugh, Ernest Medkief, C. F. Moore, Kellar Muse, Grant Fuller, N. E. Milburn, Meade Halle, J. M. Posey, Frank Cogdell and Miss Virginia Barnett.

Members present were: Mesdames W. J. Stanford, C. H. Dyer, W. M. Emmons, Woodrow Ireland, Gaston Baer, W. L. Davis, Tom McCollum and the hostess. Tea guests were Mrs. W. E. Dameron and Miss Frances Dameron.

ALLAN BELLS ARE HONORED AT SURPRISE PARTY

A surprise party honoring Mr. and Mrs. Allan Bell of Adrian, who are returning to Hereford to make their home, was given last Tuesday, May 16, at the Bell home, when neighbors and friends of the family gathered for a farewell courtesy. The Bells, long-time residents of Hereford, moved to Adrian several years ago to look after ranch interests.

Guests brought tables, games and refreshments, and after the bridge, "forty-two" and marble checkers were enjoyed, ice cream and cake were served to Mr. and Mrs. V. E. Lemke and daughter, Frances, Mrs. G. F. Morgan and children, Mrs. Henry Creutz and sons, Mr. and Mrs. E. N. Jacobson and daughter, Mr. and Mrs. N. L. Jacobson and children, Mr. and Mrs. O. G. Bruce, G. A. Syms, Mr. and Mrs. Will Syms, Miss Lora Faye Clemmons, Robert Crenshaw, Mrs. B. E. Witt, E. L. Hammit, Mrs. Jeanne Harris and son, Mrs. Edith Levi and daughter, and the honor guests and family.

ANNUAL BANQUET GIVEN BY ALUMNI ORGANIZATION

Seniors of the 1939 graduating class of Hereford High School were feasted and entertained Friday night, when Alumni Association members honored them with the annual Alumni Banquet at the Methodist church.

members of the current class. After the invocation, given by Supt. Knox Kinard, Mrs. A. O. Thompson, a member of Hereford High School's first graduating class, gave the welcome. Paul Foster Jr., speaking for the class, responded. Special music was furnished by Mrs. B. M. Wiltshire, (vocal); Barbara Brotherton, Faye Crosthwaite, Edith Jackson and Elizabeth Rice, (vocal quartet); and Mesdames Peers Wheat and B. Y. Crosth-

walt, (accordion duet). Rev. James Alken was the principal speaker. His talk which dealt with a more serious trend of thought, included brief definitions of real happiness. Concluding the program was group singing of "Auld Lang Syne." Members of the entertainment and arrangement committees were Mrs. Frank Cogdell, Mrs. Sherman Morgan, Mrs. Peers Wheat and Mrs. Kellar Muse.

Decorations featured gay and festive balloons in all sizes and in all colors of the rainbow, in continuous array the entire center length of the tables. Favors at each plate were balloon shaped programs, in matching pastel colors, tied with the school colors, maroon and white. A short business session was held before the banquet for the purpose of electing next year's officers. Those chosen were Mrs. C. C. Rockwell, president; Mrs.

Elmo Lawhon, vice-president and Jack Dehn, secretary. A change of time for the annual entertainment was also made during the business session. Next year's annual affair will be scheduled at Easter time in order that ex-students who are attending College may attend. Mr. and Mrs. Jimmie Gillentine spent the week end in Wellington.

HAVE YOU HEARD ABOUT THE CASE

«A6»
SIX FOOT COMBINE
WITH ENGINE
DELIVERS IN HEREFORD
for less than \$1,000

Because of its light running, light draft and simple construction, the Case A-6 Combine is very easily pulled and driven by a 2-3 plow tractor under normal field and working conditions. Seldom is an auxiliary engine to drive the combine required. Certain rare conditions seem to exist, however, where a combine engine can be used to advantage. Some of the conditions are:

1. Where light tractors are used to pull the combine—tractors that do not have sufficient reserve power to drive the combine under full capacity conditions.
2. Variable load conditions over rough ground where the tractor cannot be operated at a steady traveling speed.
3. Different tractors used in pulling the combine.
4. Tractor to pull combine does not have power take off equipment.

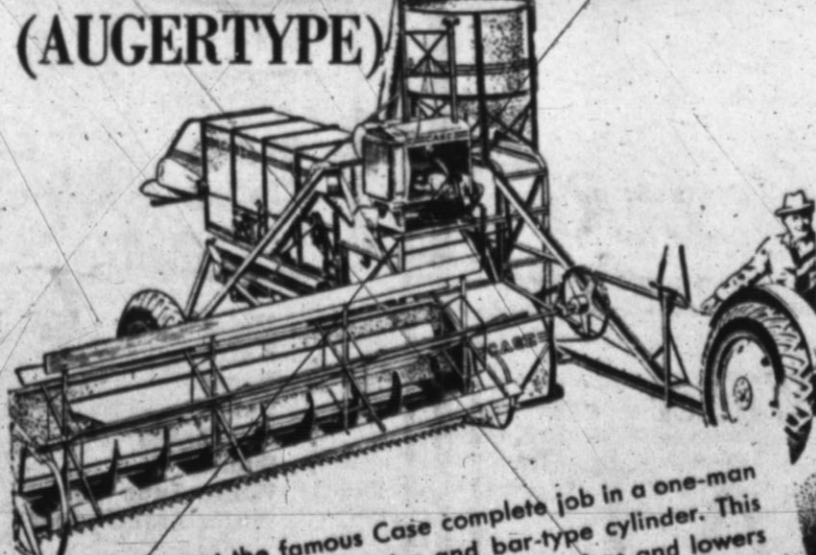

This engine can be applied to A-6 Combines already in use with the lower bin or bagging equipment. It is believed to be the best power unit obtainable for the purpose intended. Specifications in brief are:

4-Cylinder, valve in head type with valve inserts and bronze guides. Air cooled. Develops 14 to 15 H. P. at 2000 R. P. M. Drives combine through 3 inch flat belt with spring tighteners which serves as clutch. Crankshaft supported by 2 large bearings. Rod bearings die cast directly to rod. Pressure lubrication through gear type pump and built-in oil lines to valve rocker arms. All parts completely enclosed. Oil-bath type cleaner keeps dust from entering engine through carburetor. Crank case breather also protected by air cleaner. Get full information from your Case dealer on the Case A-6, the big Capacity Six Foot Combine.

Harvest, as you know, will likely be earlier than usual this season. Now is the time to think about a Combine. A big Harvest will likely find this country short on Combines—and a delay can cost you plenty. Let us give you an estimate on your old machine. One break-down on your old Combine can cost many times over the price of a new CASE COMBINE.

LET'S SWAP

DELAY IN HARVESTING IS COSTLY!

You can't depend on "The Other Fellow" to harvest your crop. "The Other Fellow" is going to harvest his own crop first.

"The Other Fellow" will "promise" many to harvest their crops.

"The Other Fellow" cannot harvest everybody's crop when it is ready for harvest.

"The Other Fellow" will have a tendency to hurry—so he can get to some one else he has "promised".

"The Other Fellow" is usually after "acres" and not "bushels".

"The Other Fellow" may have a badly worn and inefficient thresher—even though he may have it painted and looking good on the outside.

"The Other Fellow" may WASTE enough grain per acre to TAKE ALL THE PROFIT out of a wheat crop.

Strangers moving around the country are undependable—they have difficulty making their operations pay—they will probably be more scarce this year, and other years in the future, than they have been in the past.

2. Not Considering the Waste and Undependability of "The Other Fellow"—Every Dollar Paid to him is simply buying a machine and giving it to him instead of keeping what you buy.

MRS. JOHN McLEAN, Society Editor. Phone 181-W

SERIES OF SOCIAL AFFAIRS FOR GRADUATES MARK SOCIETY CALENDAR

End of school activities for graduates and under-graduates continue to hold the spotlight on Society's calendar, with compliments for the senior class heading the list. A lovely courtesy of last week was the informal reception given for senior girls by members of the Business and Professional Women's Club. The party was given Wednesday night at the home of Mr. and Mrs. Reed Williams. Ruby red roses, sent as a gift from Texas State College for Women at Denton, were used in profusion as decorations throughout the house. Each senior girl was presented with a rose as a favor.

In the receiving line were Mrs. Dyalhia Brady, president, Miss Sadie Lee Oliver, general chairman of the affair, Miss Belle Harris, Mrs. Ann Holman and Mrs. Reed Williams.

Senior girls enjoying the occasion were Virginia Newell, Edith Jackson, Virginia East, Jeanne Williams, Mary Louise Dean, Barbara Brotherton, Faye Crdthwait, Bennie Lee Smith, Ida Belle Hicks, Adella Benson, Joyce Cross, Dorothy Nell Adams, Betty Cockrell, Betty Sue Hendes and Carolyn Frye. Also present was Miss Sadye Rigler, senior sponsor, and Principal and Mrs. G. M. Hudson.

Members of the B. & P. W. attending were Mesdames Leta Kaul, Ethel Robinson, Lavina Gilliland, Jim Williams, Ursalee Jacobsen, Gladys Skelton, Misses Inez Clark, Peggy Valentine, Clara Wedel and those in the receiving line.

Also on the calendar last week was the annual entertainment given by the senior class for the juniors. This courtesy was in the form of a sunrise breakfast Friday morning at Hereford State Park. On the arrangement committee were Edith Jackson, Grant Fuller, E. B. Posey, Virginia Newell and Ad Virginia East.

Class sponsors present were Miss Sadye Rigler and John Willoughby, senior, and Miss Rhita Jean Sullivan and Tom McCollum, junior sponsors.

DESSERT BRIDGE IS GIVEN FOR CLUB

Red and white blossoms furnished attractive decorations for the dessert-bridge party given at the home of Mr. and Mrs. Reed Williams Thursday night. Guests were members of the Wednesday night Supper Club. Jim Black played high for score award in games of bridge. Those attending were Messrs. and Mesdames Jim Lipscomb, Bob Wilson, Roy Jowell, Jim Black, John H. Olson and the hosts.

MISS RICE WILL ATTEND COLUMBIA UNIVERSITY SUMMER TERM

Miss Ethel Rice, mathematics teacher in Hereford High School, plans to leave Friday for New York City where she will attend a short summer school term at Columbia University. Enroute she will stop at Fort Worth to visit a former Hereford High School classmate, the former Miss Alta Mae Purcell, who is now Mrs. Thomas B. Turner. She plans to leave Dallas Monday. Her schedule includes a short stay in Washington, D. C.

After the school term Miss Rice will take in the World's Fair in New York before returning to Hereford for the remainder of the summer.

CLASSMATES ENJOY SLUMBER PARTY

An "end-of-school" slumber party was enjoyed by a group of Hereford High School classmates when Ann Cockrell entertained at her home Thursday night. Supper on the lawn followed by outdoor games was the order of entertainment for the evening, with a hike to Hereford State Park early Friday morning. Attend a sunrise breakfast given by the senior class to honor members of the junior class, as a concluding feature.

Guests, who are members of the senior and junior classes, included Wanda Jean Reed, Vivian Olson, Bernadine Phillips, Louise Cross, Carolyn Frye, Betty Cockrell and Polly Anna Crawford. Another guest was Margaret Olson.

Home Demonstration News Notes

By MISS SADIE LEE OLIVER, HDA, Deaf Smith County

The Sewing School held at the office of the County Home Demonstration Agent met for the third time at 9:30 on Monday, May 22. Miss Thora Thompson, sewing instructor from Amarillo, was in charge. Seven women attended. Meetings are scheduled to continue for the next four Mondays.

The first tomato blooms mentioned this season are in the garden of Mrs. R. A. Frye at Dawn. Mr. Frye planted Bison tomato seed in a flat on February 15. They were transplanted to the garden on March 15. Very careful handling has protected them through subsequent cold spells. The growth made has

been slow and sturdy, as would be expected of such frost-proofed plants.

The first ripe tomato of the season may be found in the garden of Mrs. J. F. Matthews of Dawn. She planted tomatoes at intervals beginning extremely early, and has protected them in a manner learned from a 4-H club girl. She used cardboard boxes and hay and tin cans. Enough plants have survived to justify the effort spent.

The Deaf Smith Garden Club will meet at 4:00 Friday, May 26, at the home of Mrs. F. M. Kester. Subject: Spring-Flowering Hardy Perennials. Roll call: Wild Perennials now in bloom.

LOCAL

Returns Home Sunday

Mrs. Ed Hedrick returned home Sunday from a several weeks visit with relatives and friends in her old home, Palestine. She visited her daughter and family and her mother. She also visited

relatives in Dallas and Houston before returning home.

Mr. and Mrs. B. H. Hopkins and daughter, Shirley, of Amarillo, were Hereford visitors last Sunday.

Mrs. J. T. Gilbreath Jr., Mrs. Paul Mathers and daughter, Paula Mae, left Friday for Longview, where they are visiting relatives this week. Mrs. Math-

ers and daughter will visit her brother in Longview, and Mrs. Gilbreath will visit her sister, Mrs. Newt Gilliland and family at Kilgore.

Miss Madeline Bell and Miss Ruby Dutton transacted business in Canyon Saturday. Miss Bell went to see about study courses at WTSC.

Mmes. A. J. Streit and W. R. Klingensmith were business visitors in Hereford Monday morning.

All but two states are now paying benefits to employees insured under state unemployment compensation laws. These two states—Illinois and Montana—will begin payments next July, in accordance with their state unemployment compensation laws.

The President of the United States has transmitted to Congress a report of the Social Security Board on proposed changes in the Social Security Act. One of the proposals suggests advancing the date for the payment of monthly old-age insurance benefits from 1942 to 1940.

Arthur J. Altmeyer, chairman of the Social Security Board, says that experience already has proved that unemployment compensation benefits help to maintain the worker's purchasing power and thereby stimulate lagging business and industry.

The Federal law dealing with unemployment compensation, or job insurance, applies only to employers of 8 or more, but 24 State laws cover smaller firms, 10 of them starting with employers of only 1 employee.

"Union Pacific" Is Great Historic Film

"A heroic poem that covers a continuous flow of narrative, embracing a series of related events building to a smashing climax." That is the true Bgeek conception of the word "epic" and the greatest of all time epics is undoubtedly "Union Pacific"—the most complete and satisfying example of brilliant screen entertainment that the art of motion picture industry has ever produced. Barbara Stanwyck and Joel McCrea head the cast of the film, which roars across the screen in an unparalleled drama of crossfire action, intrigue and empire building. "Union Pacific" opens Sunday at the Star, for three days with a preview Saturday night.

Mr. and Mrs. Ben Andrews of Olton and C. Andrews and family spent Sunday with Mr. and Mrs. Buddy Spencer of Wyche.

Oldham County is working 40 men besides the farmers, in the grasshopper campaign. The county has 35 or 40 spreaders. Adrian alone has 21. The grasshoppers are thickest in the Matador ranch. The recent rains have killed them entirely out in places.

One day last week the high school children gave E. L. Hammit a gum shower. As he came in his room all threw gum at him. It was his birthday.

Mr. and Mrs. Montgomery and son of Edgewood, N. J., stopped briefly at the home of Mr. and Mrs. J. P. Colliers Thursday, May 18, enroute to visit Mr. Montgomery's father at Roy, N. M. Mr. Montgomery is employed by the Western Union Company of New York State, under the direction of Mr. Roy Jackson, who is nephew of Mr. Collier.

Mr. and Mrs. Brown of Dahlart, arrived to take over the farm purchased by Mr. Vanderwork, the former Bell place.

Thursday, May 18, was G. A. Syms' birthday. The high school gathered in the commercial room and each one brought fruit to shower him.

A funnel shaped cloud appeared to the northeast 20 miles or more, over Adrian, out in the Matador pasture Tuesday, May 16, at noon. No one had heard of any damage. Several at Adrian watched the cloud until it dipped.

School will close May 26. The Baccalaureate sermon was delivered by Rev. Bruce, Sunday evening at 8:30.

Mr. and Mrs. W. E. Taylor and Misses Lois, Wanda and Margaret Taylor of Roy, N. M., arrived Thursday to visit friends

Taylor and daughter of Ray, N. M.

Rev. McKenzie, district missionary of the Baptist Church, filled the Adrian pulpit Sunday morning. He was accompanied by his wife. He gave an interesting report on the Oklahoma City convention.

Rev. O. G. Bruce preached the Baccalaureate sermon at the church, Sunday evening.

Ladies of the P-TA are to entertain the high school graduates and their mothers with a tea, at the home of Mrs. E. C. Chapman, Wednesday afternoon, May 24.

Mrs. Glenn Howard was taken home from Northwest Texas hospital at Amarillo, Sunday afternoon.

During pregnancy and nursing, a mother should have one and one-half grams of calcium daily to insure the sturdy development of the baby. This can be most efficiently supplied through one and a-half quarts of milk.

In addition to furnishing calcium for building bone and teeth, milk supplies protein for building tissues and aids in the proper functioning of the nerves and muscles.

The Social Security Board has recommended that the Social Security Act be amended so as to provide for the payment of survivors' benefits to widows and orphans.

in the Adrian community. Thursday evening, May 18, the Wildorado High School play, "Johnny Grows Up," was presented in the Adrian school auditorium. The proceeds were an exchange benefit as a project of the P-TA organizations of Oldham County.

Wednesday evening, May 17, the Boy Scout Court of Honor was held in the Adrian school gymnasium. Drills, stunts, signaling, etc., was conducted before a large audience, and awards of merit were presented to the Scouts by the Scoutmaster, Mr. Baker, assistant scoutmaster Mr. Hammit and troop guardian V. E. Lemke, O. G. Bruce and G. A. Syms.

Thursday, May 18, the Adrian school instituted a celebration that is intended to become an annual affair. In honoring the school team name of "Matador Day." The students and faculty all wore Spanish costume with sombreros, sashes, mustaches, baleros, boots and other regalia. At noon a student parade was conducted from the building through the village. At the regular assembly program in the afternoon, the school annual, "El Matador," was presented to purchasers, after a program of Spanish music.

Friends of the faculty of the Adrian school entertained with a picnic Friday evening at the painted rocks. A delicious supper was served to 60 people including the families of J. B. Monahan, Joe Speed, N. L. Jacobson, E. N. Jacobson, V. E. Lemke, O. G. Calhoun, G. A. Syms, John Youngblood, E. C. Chapman, John Skaggs, Miss Lora Fay Clemons, Mrs. Levi and Nancy, Mr. and Mrs. O. G. An Open Letter from the COMMISSIONERS' COURT

May 23, 1939. TO THE DEAF SMITH COUNTY TAXPAYERS: Our state government, including counties, cannot be carried on without money, and the only way they can get money is through various forms of taxes levied on the people and their property and Collected From Them, which should be done by all, in proportion to the benefits we receive from the expenditures.

Unless money is paid into their treasuries, we cannot have the benefits of our public schools, and the children of most of us would have to grow up illiterate, to their serious disadvantage; we could not build new roads, and the ones we have would soon become useless; we could have no protection of our persons, personal and property rights, by our law enforcing officers, against the depredations of criminals, and our social condition would become unbearable.

There is no other way to get money into the treasuries than through some form of taxes levied on the people, and their property and collected from them, by the officers upon whom the laws impose the duties of doing so—an exceedingly unpleasant duty, as are almost all official duties. Under the laws of our state, it is the duty of the commissioners' courts of the various counties to see that the State and Common School District taxes, levied, are collected by the other officers, whose duties under the law require them to do so, under the direction of the commissioners' courts; their's is also an unpleasant duty.

A great many of you are negligent in the payment of your state, county and common school district taxes, many have not paid any taxes for several years, some for many years, while others of you have paid your taxes, receiving no more benefits than those who have not—in many instances less;—and many who have paid are less able to do so, than many who have not.

This is not right. Everyone should, and must bear his part of the burden with every other one with whom he shares, a common benefit.

The commissioners' court, after much consideration of the matter, has concluded that it is their duty to see that these delinquent taxes are paid. We much prefer that you pay them to the tax collector voluntarily, but if not voluntarily, the court must do its duty, under the law, and oaths of its commissioners, and direct that legal proceedings be instituted to enforce their payment.

A. J. Schroeter County Judge Noah Ewton Commissioner, Prec. No. 1 H. D. Culpepper Commissioner, Prec. No. 2 T. W. Roberson Commissioner, Prec. No. 3 E. T. Allred Commissioner, Prec. No. 4
