To copy a particularly corny script, we can all say "How Man Was My Alley" after the Clean-Up Day Monday.

Sammet Milburn says that it is lucky for him that South Texas doesn't use much anti-freeze. After telephoning and finding to many places he finally had a supply of the fluid at Corpus Christi.

A clever idea in window decorations is the Santa Claus in a window. Instead of revolving on a turntable as did last year, this Santa rises out of a chimney over a fire and then sinks back down. Over Corbett did most of the construction work.

Bildred Rutherford is a new employee at the R. E. A. office.

If you want to be quite sure that the day of the old-time cobblers is dead, take a look at some of the high-powered equipment that Hagar has been installing. The "Auto-Soler" which puts on shoe taps without any nailing is necessary--and does the job practically no time at all.

Santa's Waiting for Those Letters

Santa Claus is reading letters. In fact, only last minute touches are needed to complete all the toys he will be delivering in about three weeks, and right now he is eager to hear from all his little friends. Informed north pole sources state that transportation difficulties have even affected the Santa Claus business, and that the old man with the whiskers wants these letters early so he can give them his most careful attention--and so that they'll be sure to get the quickest airplane delivery to the Santa Claus Workshop, Inc.

Response To Red Cross Roll Call Is Thought Satisfactory By Chairman

Robert L. Thompson, Roll Call chairman of the Deaf Smith County, Red Cross Chapter, today expressed his thanks to the volunteer workers for their efforts in the Roll Call which made it drive a success. He also expressed the thanks of the local organization and of the volunteer membership workers to all those who joined the Red Cross during Roll Call which ended November 30. While, as yet, complete results have not been tabulated, Mr. Thompson stated that he is well pleased with the response to the annual Roll Call. "It is the cooperation of all of you who joined the Red Cross that will make possible the greatest needed expansion of services in its history," Mr. Thompson said. "It is this pledge of your

Clean-Up Day Announced For Mon., Dec. 8

Mayor C. J. Paddock has named Monday, Dec. 8, as "Clean-Up Day" and the co-operation of all citizens is requested in getting all premises in the city cleaned up for a real holiday appearance. Mr. Paddock especially calls attention to the need for gathering up of old papers, cans and accumulated junk which detract greatly from the city's appearance and asks that householders place garbage either in sacks or some other container or in a neat pile in alleys.

City employees will gather up the material and clean up alleys and each person is asked to take responsibility for getting his own premises into first class shape. "Not only will the clean-up drive greatly improve the appearance of the city," the mayor states, "but it will also reduce the fire hazard by getting rid of waste materials which are decidedly dangerous in causing fires."

Dish Matinee At Texas Benefits Local Cafeteria

Radio comedians make a lot of cracks about dishes and the movies, because it seems in some parts of the country dishes are standard bait given to attract movie goers to a not-so-good show.

In Hereford, on Nov. 13 at the Texas Theatre the process is going to be reversed, with the patrons paying in the dishes to see two good shows and a serial--all for the benefit of a very good cause--the Central School Cafeteria.

Manager Charlie Hardwick has offered the facilities of the Texas Theatre from one until five o'clock, Saturday afternoon, Nov. 13, to sponsors of the cafeteria who will give a ticket for any one of the following dishes: small plate, dessert dish, cup or saucer. Only money required will be one cent tax for children and two cents tax for adults.

The pictures will be Tom Keene in "Riding Sunset Trail," Guy Kibbee in "Scattergood Meets Broadway" and a chapter of the serial, "Jungle Girl."

Cafeteria sponsors are giving the show advance publicity in the schools and are hoping to get a good supply of dishes for the cafeteria. Only requirement is that dishes must not be cracked.

New Director

Henry Wilkinson, former Hereford banker, who has been named state director of FSA in Region 12. He replaces Rex B. Baxter, who resigned in July.

New State FSA Director Is Former Recident

Appointment of Henry Wilkinson, former Hereford man and member of a pioneer Hereford family, as state director for the 47 West Texas counties in Region 12 of the Farm Security Administration was learned today by Bernard C. Drinkard, RR Supervisor for this agency of the U. S. Department of Agriculture.

Wilkinson has been an employee of the Farm Security Administration since 1936, but for many years he was a banker at Hereford and Farwell.

As state director of the FSA in Region 12's part of Texas Wilkinson will supervise the work of the agency in extending aid to owners of small, family-size farms. Other activities of the federal agency include making loans to eligible families for the purchase of feed, seed, livestock and other necessary farm and household equipment and the administration of the farm tenant purchase program.

Funeral Services For Accident Victim Friday

Funeral services were held Friday afternoon at the home of T. H. Mazurek for his daughter, Mrs. J. H. Wheeler, 31, who was killed in a highway accident near Canyon on Nov. 25. Mrs. Wheeler who was born at Bandera had lived in Hereford since 1936 when she and her husband moved here from Bovina.

Mrs. Wheeler was raised in the Catholic Church and at the time of her death was a nominal member. She had many friends in Hereford, having spent most of her girlhood here, after the Mazurek family moved to the city.

Mrs. Wheeler is survived by her husband, J. H. Wheeler and her father T. H. Mazurek, both of Hereford; three sisters, Mrs. Bernice Phillips, Henderson; Mrs. Lucy Pyka, Hereford; and Mrs. R. A. Hamlin, Bovina; and three brothers, Henry Mazurek, Bandera; Sam Mazurek, Amarillo; and Louis Mazurek, Hereford.

Rev. W. E. Barnes had charge of the funeral service.

Dec. 20 Is Deadline For Comfort Making Program

On Dec. 20, Mrs. Allan Bell in charge of the mattress making project in Deaf Smith County, states that she hopes to complete all comforts to be made out of materials now on hand and urges all persons who are supposed to receive these comforts to come in on that date and complete the work. Since ticking and percale are difficult to obtain due to defense orders, the mattress and comfort program has slowed down in recent months, but state officials in charge of the work hope that eventually enough materials will be available so all families may get the mattress and comforts for which they are eligible.

Get Certificate Of Title Now; Required Jan. 1

Tax Collector J. O. Newell this week warned motorists that certificate of title will be required of all drivers of motor vehicles after Jan. 1, 1942. To get the required certificate, drivers should bring their car papers to the tax collectors office, Mr. Newell states.

The county official also urges that drivers check up now to see when their current driver's licenses expire, and file application for a renewal early to avoid the rush which will come when most licenses in this territory expire. The new licenses will be good for two years from the date of issue, and applicants are asked to bring their old license when making application for the new one. Persons who do not have a license will require a test by regular highway patrol officers who are in Hereford on Tuesday of each week.

A fee of 50 cents is asked for both the certificate of title and for the drivers license.

The local tax office has all necessary papers for filling out on the title certificate and renewal of licenses, Mr. Newell points out, and urges motorists to give this matter their prompt attention.

Toy Contest At Central School Brings Results

Four rooms at Central School will enjoy a line party, the picture to be one of the children's own choosing, and members of the Lone Star Study Club have gathered not only the biggest, but the best selection of used toys they have ever had in several years in which they have distributed toys to needy children at Christmas time.

Mrs. R. L. Thompson, president of the club, this week announced the winners in a novel contest idea sponsored by the club this year to help out their old toy drive. The rooms at Central school were divided into three groups, and through the co-operation of Theatre Manager Charlie Hardwick, a free show was offered to the room in each group which brought the most good toys to school.

Winning rooms were those of Miss Thelma McMinn in the higher group, Miss Eunice Rutherford in the lower group, and a tie between the home rooms of Miss Leona Francis and Miss Ethel Womble in the middle division.

Mrs. Louie LeGrand, Mrs. Liston Wilson and Mrs. Jerry Morrow were on the committee which had charge of the toy gathering work this year, and all members of the club express themselves as very pleased with the result.

No Black-Out Here As Plans Made To Put Up Old Christmas Lights

It's no blackout for Hereford this Christmas, though it was rumored the first of this week that no Christmas lights would decorate streets in the business section this year.

The old string of lights has a good many scratched and faded bulbs and parts of the cord need repair, but it can be patched up to see service this year, and the city plans to put up the lights soon, Mayor C. J. Paddock states.

Actually, the mayor points out, it would probably cost about \$300 to fix up the Christmas lights in garb shape, and the city is willing to put up \$100 if business men and civic organizations wish to contribute the other \$200.

Lights have been used here every Christmas for a number of years, and most citizens seem to feel that it would be "slipping" not to have them this year; however, the city feels that any unusual expense such as this would be, should be shared by certain other city organizations, especially as the county has indicated that it will not help pay for these repairs.

Santa Claus Himself Invites Kids To Big Parade On Friday, Dec. 19

The annual Santa Claus parade, highlight of the year for children in this territory, will be held Friday afternoon, Dec. 19, starting at 2 o'clock, it was announced today by G. M. Hudson, president of the Hereford Lions Club, sponsors of the event.

"We are trying to make the parade more of a little kid's party this year," Hudson states, explaining that this year the high school students will not march in the parade.

There will be plenty of candy and nuts for all grade school children in the county, however, the club president explains, and Santa Claus will be there to greet the boys and girls.

The grade school band will probably lead the march, and next week complete information on parade plans will be given by parade marshal Alec Thompson, who will be assisted by M. C. McGilvary and E. C. Ziegler.

In the meantime, the boys and girls in the grade schools of the county know that they have a personal invitation from Santa himself to be in Hereford on Friday, Dec. 19, at 2 o'clock.

Farmers Asked To Gather Up Scrap Iron

The Defense Program is again asking the co-operation of farmers, according to County Agent A. R. Bateman, who said today that all farmers were being asked to gather up scrap iron to sell to salvage dealers, who will put the metal into regular commercial channels where it will find its way into industries seriously threatened by iron and steel shortages.

Nearly every farm in Deaf Smith County, Mr. Bateman says, has old parts and machines which can prove a vast source of vitally needed iron and steel.

Local dealers in old parts and metal scrap are eager to get all parts which farmers can bring in, and the county agent suggests that all farmers in a community get the scrap iron together and then bring it to town in one truckload.

Christmas Carol Plans OK'd By Youth Council

At the regular Youth Council meeting Tuesday afternoon the group made plans to sponsor Christmas caroling sometime during the holiday season. The exact date has not been set, but all members of youth organizations are asked to be thinking about the matter and working up enthusiasm for the project.

Plans were also made for a Youth Banquet, probably to be given sometime after the holiday season. All youth clubs are urged to send representatives to the council meetings, as it is nearly impossible to work up a general program without the co-operation of all groups who should be in the council.

The best performance of the "Messiah" ever given in Hereford and an opportunity to co-operate with the "Bundles for Britain" movement is offered to people of this territory Sunday afternoon at 2:45 o'clock when the singers from six other Panhandle cities co-operate with the Hereford Civic Chorus in the annual presentation of the Messiah.

Use Christmas Wrappings

In co-operation with the National Music Federation, the Civic Chorus, Music Study Club and Voclo Club will collect bundles at the door at the Baptist Church Sunday afternoon. Spectators are asked to bring their bundles in a Christmas gift wrapping if possible, and club members report that the following articles are being requested by the leaders of the Bundles for Britain movement: MEN'S CLOTHING, shoes in wide widths, long sleeved sweaters, leather jackets, flannel pajamas, underwear of wool or wool mixture; WOMEN'S CLOTHING, shoes in sizes 7 and 8, long sleeved sweaters, wool skirts, large sizes, underwear of wool or wool mixture, large sizes, flannel petticoats, large sizes, flannel nightgowns, mittens; CHILDREN'S CLOTHING, shoes in wide widths for children over five years, long sleeved sweaters, underwear of wool or wool mixture, flannel pajamas, mittens.

Last Practice Tonight

Emil F. Myers of Amarillo will conduct the final rehearsal of "The Messiah" tonight (Thursday) at 7:30 at the Methodist Church, and all members of the chorus are urged to be present. Mr. Myers was unable to be present at the Monday night rehearsal.

Soloists announced for the Sunday afternoon program are Emil F. Myers, Mrs. Howard Boxwell, Jim Jackson, Miss Devonna McKee, Miss Nancy Shackelford, Miss Rachel Ireland, Miss Mary Tiefert, Harry Bells, Wendell Heiney, Clifton Janak, and Mrs. Madelyn Robinson.

Miss Mattie Mae Swisher, director. (Continued on Page 12)

Lions Club Sponsors "One Foot in Heaven"

The Lion's Club is sponsoring "One Foot in Heaven," the Sunday, Monday and Tuesday show at the Star Theatre, and judging by comments of a pre-view audience who saw the show last week, it would be one of the most popular ever to play here.

A play about a preacher and the preacher's family "One Foot in Heaven" has been characterized by most ministers as a really practical sermon on the problems of everyday living. But because the preacher in "One Foot in Heaven" (Continued on Page 12)

British Subject, Daughter of Former Hereford Woman, Gets U. S. Entry

Little Phyllis Lorraine Fletcher-Tarr has finally secured admittance to the United States, and last week she was going to see her mother, who before her marriage was Jewell Ward, a Hereford girl. Phyllis Lorraine, a British subject like her father, was barred from this country in July by last minute immigration law restrictions, but she was able to enter the country in November and will join her mother and a brother and sister who, as United States Citizens, returned to America this summer.

Father Visited Here

Phyllis Lorraine's father, W. S. Fletcher-Tarr, made the trip here with her, taking an American Vessel from Cape Town South Africa where he had taught in Bethel Training College.

The voyage, states the South African professor, who was in Hereford last week, took 21 days, but two additional days were spent in quarantine in New York Harbour because of an outbreak of small-pox on the boat. Because of her difficulties in getting past the immigration laws, Phyllis was interviewed and photographed by New York reporters and her picture was syndicated by A. P., the father states.

Fletcher-Tarr purchased a car in the East and for two weeks had been travelling, meeting lecture appointments and talking to old friends (the Englishman received part of his education in American colleges). South Africa Loyal To England Concerning his native South Africa, Fletcher-Tarr declares that the people except for a handful of pro-nazis among the Afrikaners (Boers) are wholeheartedly behind the war policy of their prime minister, General "Jannie" Smuts. The country, he goes on, is producing vast quantities of various types of armaments, including armored cars, tank destroyers, trench mortars, etc. Many South African troops are now in Egypt and Libya, taking part in the violent struggle between Axis and empire forces, and including the formidable air force. South Africa has about 200,000 men in the army and probably between 50 and 75 thousand women in uniform. Armed forces are made up entirely of whites, but the large black population of the territory works in transport services and the labor battalions.

Octogenarian Is Honored At Birthday Party

Mrs. Asa Martin of Aztec, N. M., who was 82 years old last Thursday celebrated her birthday with an afternoon party at the home of Mrs. S. E. Askren, her sister-in-law, whom she is visiting here. Old-time acquaintances and friends of Mrs. Martin made up the party. Pioneer days in Hereford was the interesting topic of conversation as guests recalled incidents and happenings of past days. Mr. Martin was one of Hereford's first school teachers.

Refreshments were served to Mesdames Inez Stambaugh, W. A. Hunter, J. E. Hill, John Cunningham, W. B. Dameron, A. H. Ellison, A. H. Streu, S. E. Askren, the honoree and Miss Adda Ramsey.

Thanksgiving Service Precedes Study Program

A special Thanksgiving service preceded the regular program at the meeting held by the Child Study Club Friday afternoon at the home of Mrs. Gordon Witherspoon.

The service was arranged by the International Relations and Fine Arts departments. Numbers consisted of a prayer, quotations and patriotic music. Those taking parts were Mrs. Glenn Witherspoon, Mrs. Glenn Parker and Mrs. R. P. Coneway.

During the business session members voted to combine the December meetings for a program and Christmas party on December 11.

The program opened with Mrs. J. B. Whitlow reviewing an article "My Son Becomes a Gentleman." She listed the following essentials in the training of boys, "Responsibility, sharing joys and planning together, encouraging hobbies and allowing individual projects to be carried out."

Mrs. Guy Newsom read a paper prepared by Mrs. G. M. Hudson on "Training My Daughter To Be a Lady." She brought out the thought that the word "Lady"

does not mean just grown-up woman, but being a lady includes such qualities as self control, control of temper, words and thoughts, bravery, self reliance, kindness, politeness and good sportsmanship backed up by the strength of will to stand by convictions.

Those attending the meeting were Mesdames Ira Foster, Merlin Kaul, G. M. Hudson, Leo Forrest, R. P. Coneway, Glenn Witherspoon, Glenn Parker, Cawthon Bryant, Guy Newsome, George McConjell, Ernest Wade, J. B. Whitlow and the hostess.

"Fine Arts" Program Given For Junior Club

A "Fine Arts" program entertained members of the Junior Pioneer Club Tuesday night at the meeting held at the home of Mrs. Alton Miller.

Roll call was answered with "A Musical Composition or Picture Everyone Should Recognize."

In discussing "Pictures on My Wall" Mrs. Frank Huckert said "Pictures should not only say something, they should do something for an individual. Pictures make their appeal in various ways—form, color, pattern and subject matter, each having the power to stir the imagination. Subject matter does not make a picture good or poor but the real worth of a work of art lies in the beauty of its color, form, pattern and character." She concluded by saying "Expert selection and application of ornament is a test of good taste. The best rule to follow is the same rule every well dressed woman applies to the trimming of her

clothes. Add so much as is necessary to complete the definite intention of the design and then stop. The room in poor taste is invariably the one that is over-trimmed."

For the discussion on music Mrs. A. J. Schroeter chose "Music in Local Public Schools" as her topic. She outlined the type of study used in the Hereford schools from the first grade through high school, telling of the history of the band in the schools. She brought out the fact that the Hereford Public School Band was the first in the Panhandle. Mrs. Schroeter was a member of this first organization and gave interesting notes on its progress and development.

The next meeting will be in the form of the annual Christmas party. Members present included Mesdames Elmer Patterson, Lilburn Ray, Elvin Ridling, Ralph Roden, A. J. Schroeter, R. S. Scott, R. R. Wills, Liston Wilson, Homer Brumley, Troys Carmichael, Willis Edelman, Wayne Evans, Meade Haile, Ralph Hastings, Frank Huckert, Lynn Kester, Miss Edna Daughette and the hostess.

Miss Frances Jo Nelms Becomes Bride Of Mr. Carl Dean Mountz In Denton

A wedding of interest is that of Miss Frances Jo Nelms, daughter of Mr. and Mrs. J. S. Nelms of Denton, and Carl Dean Mountz, son of Mr. and Mrs. C. J. Mountz of Hereford, which was solemnized Friday night at 8 o'clock in the Little Chapel in the Woods at Texas State College for Women in Denton. Rev. Frank Weedon, pastor of the First Baptist Church at Denton, had the ceremony.

The vows were spoken before an altar decorated with white chrysanthemums and greenery and a candelabra holding tall white candles.

WEDDING MUSIC
John McIntyre, organist at T. C. W., played a concert of pre-nuptial music and accompanied Miss Mary Nelms, the bride's sister, who sang "Because" by D'Hardelot. He also played the wedding marches.

Miss Lottie Margaret Adkinson of Lubbock was maid of honor. She wore a gold colored frock with brown accessories. Carroll McMath of Denton, cousin of the bride, served as best man. Ushers were Billy Nelms, brother of the bride, and Tom Foster of Arlington, the bride's cousin.

The bride was attractive in a powder blue street-length dress made with Eton jacket effect. Her accessories were in black and she wore a corsage of gardenias.

RECEPTION HELD
After the ceremony an informal reception was held at the home of the bride's grandfather, W. A. Brashears. The young couple left immediately after the re-

Party Is Given At Lomas Home

Mr. and Mrs. Harry Lomas entertained members of the pleasure Hour Bridge Club and their husbands at a Thanksgiving bridge-dinner party at their home on Wednesday evening Nov. 26.

The turkey dinner was served from a large table centered with an arrangement of leaves and chrysanthemums. Appointments at small tables for four and for the games which followed the dinner, carried out a football theme. Prizes were awarded to Mr. and Mrs. Elmo Lawhon, Mr. and Mrs. Roger Corbett and Mr. and Mrs. Chris Renfro.

Members and husbands attending were Messrs and Mesdames Earl Phillips, Elmer Mathies, Hugh Bookout, Elmo Lawhon, Roger Corbett, Boyd London, Chris Renfro, Roy Jowell, O. L. Click, B. R. Dixon and the hosts.

Special guests were Mr. and Mrs. W. J. Smith of Ruidoso, N. M., who have been visiting relatives here.

Helen Ann Pitman Is Honored At Birthday Party

An enjoyable birthday celebration was that given by Mrs. J. A. Pitman to honor her daughter, Helen Ann, Wednesday, Nov. 26.

The supper party marked the thirteenth birthday for the honoree and thirteen guests were invited to share in the celebrations. Tables were laid with lace and decorated with favors in bright and varied colors at each guest's place. The favors revealed individual fortunes when opened which provided fun for the crowd and later games of various types were enjoyed.

Here's what they say about

"One Foot in Heaven"

The story of a man — practically in trouble all the time — one foot in heaven — the other in hot water.

Rev. Marvin B. Norwood: First Methodist Church.
"One Foot in Heaven" shows life in reality and its dramatic spirit. It makes religion a thing of life and meaning. I hope every member of my church will see it."

Rev. H. M. Redford: First Christian Church.
"One Foot in Heaven" has four outstanding characteristics. 1. It is surprisingly true historically. 2. It is excitingly dramatic, bringing to the audience dramatic situations out of actual experiences in organized church life. 3. It is full of sparkling humor — very entertaining. 4. It is prophetic of progress in organized christianity."

Rev. James Aiken, Jr. First Presbyterian Church.
"One Foot in Heaven" is perfect in every detail. It is a picture that every Christian should see. The spiritual appeal is greater by far than any modern day sermon could ever be."

Judge James W. Witherspoon:
"One Foot in Heaven" is a most worthwhile picture."

Robert L. Thompson:
"In addition to its marvelous entertainment qualities, "One Foot in Heaven" contains a lesson for every person who is interested in the church. Every person should see this picture."

Mrs. Urline Streu:
"A picture that everyone should see. Better than a sermon. Would be worth a congregation attending in a body."

Mrs. Cliff Estes:
"This was the most wonderful picture I ever saw. I would like for everyone to be able to see this grand picture."

Mrs. R. F. Conaway:
"A picture I want all my family and other families to see."

Have You Met John Doe?

You should know John Doe. He's a very fine fellow who lives right in your neighborhood. He probably goes to your church, his children go to school with your children. Mrs. Doe is active in the P.T.A. and other civic groups, little Johnnie is a Boy Scout and sister Sue is "twice as cute as Shirley Temple."

All in all the Doe family is typically American — nice folks to know. And the Does are typical, too, of hundreds whose efforts combine to render the public services offered by the Texas-New Mexico Utilities Company in these two great Southwestern states.

John is a composite linesman, engineer, electrician, trouble-shooter, executive or lighting expert. But whatever his particular job he has only one main purpose — that is to give you the finest, most dependable electrical service money can buy at the lowest possible cost. His hours are not long, but he is ready to serve you 24 hours a day if necessary, so that even in emergencies you may take for granted the miracle of convenience that is electricity.

Meet the Whitefaces, Just Average Boys

"A great little team" is the way Hereford fans describe the Whitefaces of 1941, and "win, lose or draw" the fans like these kids and the splendid record they have made. You have seen them play football, and perhaps you know them by their jersey numbers, but the following—not so vital statistics—was compiled by some of the staff of the Whiteface Round-up, and the Brand is passing it on to the Whiteface boosters.

Age And Inexperience
First, to sort of back up that Horatio Alger-like story on the Whitefaces rise to a district championship—there are just nine boys in a squad of over 30 who have had any high school football experience. Considering their ages, it is no wonder they have had no previous experience. The kids range in age from 13 to 18, with the majority claiming an advanced 16 years. George Olson and Charles Skelton are the babies of the team and both state as their ambition "to play against Phillips." Charles adds earnestly "I mean this, coach."

Of the probable starting lineup, two boys come in the 15-year-old bracket. Lloyd Olson and Foster Hill, fullback and right end, respectively, and Olson is a second year man. It seems we start 'em young in Hereford.

HOBBIES, SPORTS
Fifteen men on the Hereford roster list "sports" of one kind or another as their hobby, so they may get practice—even outside of practice sessions. Other hobbies range from Don Robertson's succinct, "horses" to various types of collecting. As a collector, though, Charles Skelton is standout man—he says he collects "stuff." Billy London collects "junk," and other collections are of such items as stamps, coins and matchfolders.

Just two Romeos in the crowd according to their own thumbnail sketches; but J. W. Merrill, flashy quarterback, must be the real lady killer of the crowd. His hobby is "girls—and how!" Danny Russell, rangy end, is more concise. His is "girls" but qualified by "one in particular."

Ambitions, tend toward the active life, with a majority wanting to get into the field of aviation, the army or navy. Two would like to be "All American Football Players" and several state their immediate aim to "Beat Phillips."

FAVORITE TEAMS
The boys indignantly deny that they are "apple polishers" but nevertheless, eight of them chose T. C. U., Coach Ware's alma mater, as their favorite team. But the favorite by a plurality of two was A. & M., with the Whitefaces coming in third with seven votes. Incidentally most of the Whiteface votes came from the little kids in the gray jerseys and show just how much a chance to play for Hereford would mean to those youngsters.

Other votes were two for West Texas State, one for Texas University, one for Notre Dame, and one for Navy (from Harold Close whose ambition is "a commission in the navy.")

A nice average bunch of young Americans, certainly there is nothing "extra" about them in the way of size or football experience; but something in the way of spirit and coaching has moulded them into a good little team.

HERE IS ROSTER
These are the boys—not all of whom will get to play tomorrow afternoon but there is not a one of them who would not like to get in there and do his level best

Zane Grey Western

Action, thrills and romance highlight Zane Grey's "The Last Of The Duanes," the exciting Western picture which shows at the Star Theatre Friday and Saturday. Portraying the most fearless fighting man in all of Zane Grey's gallery of Western heroes, George Montgomery plays the role of Buck Duane in this action packed drama of men who lived recklessly in the old West. "The Last Of The Duanes" is one of the two feature pictures on the program at the Star Friday and Saturday. The other half of the twin bill, "The Saint's Vacation" is another of the exciting mystery stories of Simon Templar, "The Saint," fiction's most audacious hero.

The wedding was performed at St. Bernard's Church, Fitchbury, by Rev. Edward T. Connors; the couple will live near Fitchbury; Sgt. Turabow is connected with the X-Ray room at the station hospital, Fort Devens, Mass.

TEXAS OUT-O'-DOORS

Austin. — The quail season (December 1 through January 16th) is on, and the game department goes once again to the assistance of the housewife. How do you cook quail?

Well, broiled quail, according to game officials, is one of the tastiest of dishes, and here's how you do it:

Split the birds down the back and season well in the body cavity. Dot the bottom of a hot pan with butter and place quail in breast up. Cover pan tightly. After steaming ten minutes in moderate oven, turn breast down for ten minutes. Turn the birds once more, put a teaspoon of butter on each, and then in ten minutes the birds will be brown and tender if they are young. Older quail will require more cooking. When done add one-half cup of hot water to gravy and pour over the birds. **Folklore of the Chase**

An old East Texas boy went out deer hunting opening day. He had a pretty good rifle. He took his dog along, for he lived in a county where you can legally chase wounded deer with one dog. He was hunting in his home county, so he didn't have to have a hunting license. But somehow he believed that he had to have a special license to kill a deer. He didn't have one, and his conscience was hurting him, whether he knew it or not.

Just as he got set, with his dog between his knees and his rifle held at ready, a game warden walked up. He meant no harm.

"Hello, there," the warden said. "Had any luck?"

The old East Texas boy was scared stiff.

"Nope," he said. "I don't hunt. And anyway, I ain't got no deer license."

The game warden patiently explained that it wasn't necessary to have a "deer license" to kill a deer, as many people in East Texas believe. He told the hunter to go on and kill a deer if he could. The East Texan's face lighted up with a broad grin.

Then the game warden walked on, chucking at the old boy's reply that "I don't hunt" while at the same time he was squatting down in good deer territory.

Let's Cook Something

As the holiday season draws nearer and nearer housewives are busy planning and cooking for Christmas. Not just for December 25, but for the whole holiday season which begins when members of the family start arriving from distant points and lasts until the last vestige of gay and festive decoration have been put out of sight for another year.

Many requests have been made for an apple-sauce fruit cake recipe. This cake is popular because it is easy to make and because it does not have to be made so far in advance as does the usual fruit cake. Mrs. Jeff Gilbreath's recipe for apple-sauce-fruit-cake is so well proportioned that it almost insures itself against failure, but before you try it be sure that you have all the necessary ingredients on hand, remember that all measurements are level unless otherwise stated and that even when not so stated, flour should be sifted before measuring. Here's the recipe:

APPLE-SAUCE FRUIT CAKE

- 2 cups sugar
 - 1 cup shortening (scant)
 - 1-2 cups warm apple sauce (unsweetened)
 - 2 teaspoons soda dissolved in apple sauce
 - 4 eggs
 - 3 cups flour (scant)
 - 2 teaspoons cinnamon
 - 1 teaspoon cloves (ground)
 - 1-2 lb. fruit cake mix
 - 1 ten cent package of dates
 - 1 cup raisins
 - 1 cup each pecans, walnuts and blanched almonds put in whole
 - 1-4 pound citron
 - 1-4 pound candied cherries
- Cream the shortening and sugar and add well beaten eggs. Add spices and blend thoroughly. Have fruit and nuts chopped, mix with flour and add alternately with apple sauce to the sugar and egg mixture.
- Bake in angel food cake pan in 350 degree oven for 2 1-2 hours or more.

Game Violations Don't Pay
Back in December, 1940, a Missouri business executive and two friends came to Texas for a deer hunt. They didn't buy non-resident hunting licenses, which cost \$25 each, but instead bought the regular \$2 resident hunting licenses required of those who hunt outside of the county of residence.

But the Missourians couldn't beat the game laws of Texas. It took a year to do it, but the business executive from Missouri the other day paid fines totaling \$411 for himself and his friends, according to the Dallas Journal. The charges were pressed in justice court by the game supervisor for the Dallas area, who handled all details of the case.

The non-resident licenses would have cost the party only \$75.

There's quite a little difference between \$75 and \$411.

AAA Payments Fixed By Three Main Factors

To earn his full AAA payments in 1942 the Deaf Smith County farmer must do three things.

First, he must devote at least 20 per cent of his cultivated acres to soil-conserving crops or land uses—namely, sweet sorghums and sudan (for hay or pasture) and summer-fallow.

Second, he must plant within his acreage allotments.

Third, he must earn his soil-building allowance.

These points were emphasized by J. A. Pitman, Chairman of the Deaf Smith County AAA Committee, this week. A farmer falling below the 20 per cent minimum requirement will only earn a proportionate part of his 1942 Agricultural Conservation payment. The soil-building allowance may be earned as in previous years, by carrying out approved soil-building practices. These include: (a) protecting summer-fallowed acreage from wind and water erosion by contour listing, pit cultivation, or contour cultivation with a shovel-type implement; (b) contour farming intertilled crops; (c) contour seeding of small grain crops and sorghums, when drilled, provided sufficient growth is obtained to control wind erosion; (d) leaving on land as protection against wind erosion, stalks at least 8 inches high, of sorghums and sudan; (e) leaving natural vegetative cover on the land when it affords sufficient protection against wind erosion; (f) seeding alfalfa, etc.

THE AMERICAN FAMILY By George

"Interesting bit of pottery you have here, Chief."

Summerfield MRS. JIM CLARK

Nearly all families in this community celebrated Thanksgiving last Thursday. Although the school dismissed the preceding Thursday and Friday they celebrated with a dinner at the school this Thursday. School was dismissed in the afternoon for the football game in Hereford.

Relatives of Mr. and Mrs. George De Lozier surprised them Thursday evening by arriving at their home with well-filled baskets of food. Guests included Mr. and Mrs. C. B. Thomas, Mr. and Mrs. B. A. Atchley, Mr. and Mrs. R. D. Lance, Jr., Mr. and Mrs. R. D. Lance, Jr., Mr. and Mrs. Jack Streun and sons, Misses Gertrude and Ruth Atchley, Thurman Atchley, Luster Suttle, Roy and Jim Suttle, and Mr. and Mrs. Elbert De Lozier and family, Mr. and Mrs. Albert Farriss and Mrs. Sally Stallings of Hereford.

Rev. D. R. McMahan was painfully injured Thursday when an engine backed into the box car which he was loading with grain at the elevator. Mr. McMahan was climbing a ladder into the partly loaded car when the engine hit the car and knocked him off the ladder. He will be in the hospital for several days.

Certificate of Title AND Driver's License

Do you have a **Title Certificate** for the car or truck you now own? After January 1st, 1942, it will be a violation of your state laws to drive a motor vehicle without first having procured a title certificate for same. You can get your title certificates through the county tax collector's office and this should be attended to right away. Bring all your car papers with you when applying for title. The fee for each title certificate is 50c.

Also you can now file application for renewal of your **Driver's License**. We have the necessary supplies on hand in our office and will be glad to help you with your application. The fee for the new driver's license is 50c and the license is good for two years from date of issue. Bring your old driver's license with you when applying for new one.

Why not get your **TITLE CERTIFICATE** and your **DRIVER'S LICENSE** in proper order NOW and avoid the annoyance and inconvenience of having to wait in line during the last minute rush.

Yours for greater driving safety,

Between the Goal Posts

By Mary Kate Brotherton

A good little team got beaten by a good big team last Thursday afternoon. No apologies are due to anybody, and so far as I've heard nobody wants any apologies—the fans think the Whitefaces did a bang-up good job; it was no walkover but Phillips simply had what it took in a little large quantities than the Whitefaces did—and the game closed what all Hereford sports followers agree was the best football season in years.

For a good summary of the season see Coach Stanton's review in the Whiteface Round-up—it's a nice concise story of the development of a bunch of green kids into an A-1 ball club. Just to do a little looking ahead, some of these sophomores and juniors will be coming back next

season, and from here the prospect is definitely good for 1942. The average of experience will probably be higher, but for pure fight and spirit, it will be a long time before the 1941 Whitefaces are bettered.

Just one thing, we would like to take issue with the sportscribe who said that the Phillips second team was just as smooth as its first. Evidently Coach Chesty Walker did not think so, judging from the way he jerked the subs out after that Hereford score.

It's hard to pick any one boy or group of boys on the Whiteface team as being responsible for its success. Because the Herd has gone in for a smoothly functioning unit rather than for the build-up of any one star. To all those kids, the boys who played and the ones who would like to play—and maybe they will next year—the Hereford fans are proud of you—you've not only been a smooth little team, you've always played the game in the best traditions of sportsmanship. To the coaches, Logan Ware and H. V. Stanton, the fans agree you've done a standout job.

And for myself, I've gotten a sort of freshman education in the gridiron sport, thanks to the kind and long-suffering readers—and to the much appreciated co-operation of the coaches and high school officials. Having been allergic to exercise from an early age (although maybe I'm too modest in forgetting that corner lot football team I played on at about the age of eight) there couldn't have been a much unlikelier sports expert. Also my previous system on understanding the game was to rise and shout with the rest of the crowd—and not a bad idea, in fact. I'll bet half the crowd at any football game operates on that principle.

One last admission—the reason I follow the game safely from the bleachers—I heard a story once about a

Home Demonstration Clubs 'Tops' In Group Job In Defense Of Democracy

Members of the county home demonstration clubs this week were proud of a clipping from Texas Agriculture, in which Mrs. Walter Ferguson, national syndicated columnist pays tribute to the clubs as doing the best group job in defense of democracy of any women's organization.

Mrs. Ferguson's column follows: "A friendly reader puts me on a spot. She wants me to name the feminine organization which in my opinion is doing the best group job in defense of democracy. Because the times call for moral courage, I shall do so and duck.

The Home Demonstration Clubs. As you know, this group is composed wholly of farm women. The average city dweller, housewife or business woman is entirely out of touch with it. I know any number of intelligent club leaders who know nothing whatever about what it has done or what it is doing.

Well, take it from me, those women are doing plenty. All their activity is based on common sense, on actual community needs, and their aim is the preservation and defense of the American home; therefore as defenders of democracy I think they are tops.

They waste no time on abstractions. Theories which absorb so much of our club attention give way to hard facts, and facts with which their membership is familiar.

In short these women are not busy improving other people, either on the opposite side of the continent or the opposite side of the earth—they are trying to improve themselves. Their meetings are an exchange of practical ideas about practical subjects, subjects which women must master if they expect to

gal reporter who was covering the game from the sidelines when she was tackled by several hundred pounds of brawny football heroes. The girl, Virginia Robey of The Wellington Leader, did not come back to work for several days, and friends insist that the encounter must have taken a few years off her life.

So having recovered from any urge to play football—even involuntarily—I'll take mine in the bleachers. I may miss a few plays but the tackles will probably miss me.

function as good citizens—child training, sewing, nutrition, the preparation and preservation of foodstuffs, religious standards in the home, recreation, poverty and crime problems in their neighborhoods.

Maybe because most of them do their own cooking, they seldom eat at meetings. Also they take their children with them, which is bound to inspire in the youngsters a desire to imitate their elders—and isn't that the best way of teaching?

It seems to me this group of farmers' wives and daughters is working wonders in the interest of the national economy, and

List Fields Now, Says County Agent; Land Has Started To Blow

County Agent A. R. Bateman urges that farmers take positive measures now to keep their land from blowing, pointing out that heavy rains, which pulverize the surface of the fields, have almost as bad an effect in causing the land to blow as do continued drouth and high winds.

Some land, the county agent because it represents the roots of that economy—the stable, self-respecting, industrious American family—I believe it deserves to be named the most useful and promising of our feminine organizations."

states, has already begun to sift, but if farmers will get into the fields and list quickly they can save blowing on most fields in the county.

"Listing now," says Bateman, "can really save money." Eroded land, the county agricultural worker points out, has cost farmers in this territory millions of dollars, but increased interest in conservation is doing much to keep the soil productive.

Hybrid Corn Found Suited To Territory

"Hybrid corn," according to E. W. Miller of the state extension service, has been proved by much testing to be more productive than any other variety of corn grown in this country. And the

experience of Frank Wilde, Deaf Smith County farmer, bears out these conclusions. Wilde raised several varieties of corn this summer, but the Hybrid, he states, was the most satisfactory variety which he planted.

The state department is sending out names of growers of hybrid corn, according to the Deaf Smith County Agent, who points out that this corn must be specially treated in order to germinate, and that the seed may be purchased only from certain accredited growers.

Extensive use of hybrid corn, the state department explains, would increase the corn yield in Texas by about 100 million bushels.

Will Your Memories Of High School Days Always Be Pleasant?

Decimae Ramey
 There are some memories that each of us keep as treasures. What is your most golden treasure?
 Some of the best friendship with boys and girls has been made. Seniors, and will be made, lower-classmen, in the school room. The trust-worthiness of social combat that is made there, will help build this characteristic memory.
 Then, as to sportsmanship, it seems that no finer quality, no more perfect characteristic can be said of an individual than that of saying he is a true sportsman. In games, in class rooms, in social activities you will touch shoulder to shoulder with such individuals and they and their quality will help you really appreciate a genuine sportsman.
 Self-control is thought of as one of the greatest assets to an individual, being brought out in acid test of daily routine including your responsibilities in your home, your school and your outside activities. It is all in the game as well as the memory.
 Probably, the greatest thing achieved, at the end of four years in high school, will be the fact that your mental education will be broadened through social contacts, as well as through study.
 When your four years have elapsed, if you were giving gardenias as a token of golden memory, to whom would your largest blossom go? Probably to the individual who had given you words of encouragement, who was your advisor and who always stood by you, win or lose. Your next gardenias would probably go to your friends who stayed with you for encouragement, companionship, and above all friendship.
 What more pleasant memories could you ever wish for to be hidden away and remembered in years to come?

Fathers Paid Tribute At Tri-Hi-Y Banquet

"Like father, like daughter," indicates Mr. Mark Galloway, guest speaker of the annual Tri-Hi-Y Banquet. Perhaps he is right then by urging the fathers to set good examples for their daughters.
 Reverend James Aiken opened the program by giving the invocation. Nona Deen Rose gave a welcome to the fathers. In this welcome, she reminded the fathers and daughters of the fact that when dad's sick, he's very sick. Have you ever noticed this? After eating, the girls introduced their guests.
 Nadyne Newell led the group in singing welcoming and pep songs. Ruth Temple Hastings gave a poem, "Toast to Pals"; Arline Millard gave a toast to the fathers; Mary Ruth Russell gave a toast to all of the Tri-Hi-Y girls in the United States. Katherine Turner gave a poem, "As Good as Dad."
 The first guest speaker was Mr. Mark Galloway, who talked on the father and daughter relationship. The second speaker, Mr. Henry Nunn, made a talk "If I Had a Daughter." Both were very interesting and instructive in their speeches.
 Those present were Lois Agnes Gilbreath and father, Christine Smith and Mr. F. M. Kester, Mary Ruth Russell and father, Geraldine Kendall and Mr. Jeff Roberson, Katherine Turner and brother, Henry Turner; Margaret Olson and Rev. James Aiken, Nadyne Newell and Miss Robbie Foster, Rachel Ireland, Betty Dunlap and father, Phyllis Radovich, Margaret Barrett and father, Georgianne Miller, Louise Lance and father, Elinor Biggs and father, Barbara LeGrand and father, Juanita Wiseman and father, Rena Rae Renfro and father, Dorothy Banner and uncle, R. S. Hunter, Barbara Robertson and father, Mildred Shepperd and father, Ellen Posey, Marian Plummer and Helen Plummer and father, Carlisle Rae Frye and father, Polly Dixon and father, Mattie Lawhon and father, Arline Millard and father, Ruth Temple Hastings and father, Lillye Self, Nona Deen Rose and father, Betty Kendall and father, Lillye London, toast-mistress, and father, Mr. Henry Nunn and Mark Galloway, guest speaker from Amarillo, and Miss Irene Crawford.

Musin' O'er Season's High Spots

PRE-SEASON TRAINING
 Hmm, we've lots of green boys, only two days to give 'em two a-day workouts and a ball game Friday night! Well, the opposition doesn't have any more time than we do! London, Merrill, Vaughn, Olson, Weems, Clark and Russell have had some experience—Vaughn, London, and Merrill have had the most. "Red" Merrill still has a weak ankle from last year; Jack London seems a little slow for defense; and Cliff Vaughn is in a new position, shifted from guard to blocking back on the offense. Close is new and untried; Lloyd Olson has gained too much weight and is slowed down by it; George Weems is changed from end position to wing back; L. J. Clark saw some experience last year but is shy on blocking and tackling. Danny Russell has gained some weight from last year; he can still catch passes but will be able to block the big tackles we'll meet?
 Then look at that line material! A flock of 140-pound, green guards—Hussey, Brock, Kendall, George Olson, and Rudd—and light, inexperienced tackles—Phillips, Estes, Manjoet, Higgins, and one heavyweight "Ajax" Robinson—show up for workouts. Well, it looks like a long, hard road for the home team!
AFTER THE DIMMITT GAME
 We won but we didn't look so hot! Still we've improved a good lot in the short time we've had, but they look just like another ball team.
DURING THE LITTLEFIELD GAME
 They've got too much for us! They're lots bigger and smoother than last year. They run our ends; they smack the middle! Oh, man. We've recovered the ball on their twenty! A break! Mr. Rosson yells, "We need it!" Looks like we are going to bog down without scoring. Oh! Oh! That Danny is in the open for a pass; goes over. Still we lose. My sympathy grows for Ware. His first year out, too, and a willing but young and green team! Looks tough!
WHILE PLAYING SUDAN
 Six to nothing, Hereford. We push them all over the field but bog down on the goal line! The team seems to be satisfied, though. Then in goes a sub-back for Sudan, a southpaw passes, who throws a reverse pass and the score's tied! That's one we should have won in a walk! The boys looked good everywhere else but against those 8-men lines on the goal. The blocking clicks ever so often now, and the defense is getting tougher! The ends are getting wiser and hard to sweep, ever so often our linemen bob in the opposition's backfield, and Ware's throwing some tough defense tactics in there.
CANYON GAME POSTPONED
 Rain, rain, rain. They're big and looked tough. No game; may be it is best.
WE FACE DUMAS DEMONS
 Shades of 1940! But they don't have Schlinkman! It's hot! Ole Hannah is really beaming down! A cockeyed defense, (badly over-shifted), but Ware's got 'em ready for that. We try to run against their strength, send information in, then begin to move. Danny snags passes; George and L. J. carry reverses; Red and Close run 'em. Boy we're beginning to block—Estes, Phillips, Davis, Brock, Hussey, Manjoet, Kendall in the line and all the backs begin to get the feel of it. We're a thousand per cent in our district, a fact the Amarillo papers still ignore! Say, you suppose we've a chance for district?
DALHART COMES TO HEREFORD
 Whew! That's lots of tonnage we are up against and they sure are whipping those heels when they block! Look at our blocking and watch Red, Lloyd, Close, George, and L. J. tote that agate! Jack, John, Wayne, Davis, Brock, Cliff, Kendall, Manjoet, Russell, the whole bunch, looked good. We still have Friona, then Tulla; boy, will Tulla be tough! Better look one game ahead at a time.
WE DEFEAT FRIONA
 They think this is their year but we take 'em and now we are to get ready for Tulla.
WHILE FACING TULLA HORNETS
 In the dressing room, just before we go out everybody is quiet, even J. W. and David. "Boys, we don't need to save back a thing; this is the climax. This is no Junior-Senior prom in Hereford High! It'll take 48 minutes of real football!" Then onto the field we go. That first drive for a touchdown was a sight for sore eyes! Boy, that's a ball club out there tonight! We're hot! Cliff ought to have on a white jersey;

Central Surpasses High School In Honor Roll

Central School has six students on the high honor roll and eighty-three on the low honor roll. This record surely "shows up" the high school students but should be an incentive for them!
 On the high honor roll for the eighth grade is Madelle Beavers; for the seventh grade James Ellis Higgins; for sixth grade La Velle Henry; for the fifth grade William Earl Barnes, Caren Conklin, Jo Ann Witherpoon.
 Those on the low honor roll in the eighth grade are: Don Bookout, Jo Ann Rosson, Helen Tucker, Aiyeeie Malm, Ruth Moreman, Virginia Green, Peggy Barnard.
 Those on the low honor roll for the seventh grade are: Roger Corbett, Duane Foster, J. L. McFarling, Cherry Anne Forrest, Ann Morgan, Jewell Aleen Rudd, Mary Beth Scott, Betty Sue Walker, Frankie White, Bobby Neill Millard, Glenn Russell, Elizabeth Lee Cocanougher, Ouida Hudson, Mary Estelle LeGrand, Johnny Sexton and Jazean Sowell.
 Those on the low honor roll for the sixth grade are: Lucille Bridges, Betty Katherine Hodges, Diane Howell, Zola Faye McBrayer, Jacqueline Newell, Patricia Scott, Gilbert Carlyle, Rueben Knox, Oliver Streu, Joe Walker, Keith Hutson, Glenn Earl Manning, Ebb Martin, Barbara Boyd, Jo Ann Jett, June Reynolds, Patsey Ann Slagle and Minnie Alice Wells.
 On the low honor roll for the fifth grade are: Robert Hennington, Grady Poff, Ruby Faye Barclay, Mary Katherine Carroll, Eileen Joiner, Georgia Nichols, Naomi Carter, Evelyn Ford, Freda Burns, Lawrence Owens.
 Those on the low honor roll for the fourth grade are: Roberta Bishop, Hattie Worley, Emmarie Turner, Dona Jean Stagner, Betty Shockey, Wilma Jo Robertson, Joanne Newton, Ruth London, Alma Faye Knox, Audrey Hood, Gail Marie Foster, Kathryn Davis, Georgina Clark, Elmer Jack Reynolds, Joe Allen Ford, H. P. Cooper, Pat Corbett, Joe Edgar Kerr, Park Murchison, Milton Newell, Alex J. Schroeter, Billy Smith, R. A. Sullins, Joe Hershey, Marilyn Turner, Jeanette Scott, Leona Craner, Shannon Murchison.
 Mr. Kinard: "I never saw the campus littered with paper as it is this morning. What caused it?"
 Mr. Hudson: "I issued some leaflets yesterday asking the students not to throw paper about."
 David Phillips: "What did Dad say when you smashed the car?"
 Wayne: "Shall I leave out the swear words?"
 David: "Yes, of course."
 Wayne: "He didn't say a word."

Billy London And 17 Girls Are On Honor Roll

Billy London, freshman boy, will likely get the "big-head" when he realizes that he is the only boy in high school on the honor roll. The Freshmen still are "carrying the colors," for they have seven girls on the honor roll. They are Helen Ackler, Wanda Allmon, Marcella Blue, Naomi Brumley, Betty June Euler, Lonidene Martin, Juanita Upton.
 The Sophomore girls on the honor roll are Kathryn Acker, Nettie Hood, Marie Moreman, Juanita Smith, and Ruth Tucker. The Junior girls are Phyllis Radovich and Nona Deen Rose. The Senior girls are Lillye London, Mary Lookingbill, and Rena Rae Renfro.
EXPRESSION OF SYMPATHY
 Students and faculty members express their deep sympathy to Mr. Kinard, who received news Sunday of the death of a brother who had lived in Orange, Texas.
Ex-Students Visit HHS
 College students who visited HHS the first or the second Thanksgiving were rather numerous. From WTSC were Delbert Kassahn, Bettye Roloson, Jack Knox, Troyce Stambaugh, Ann Cockrell, Bernadine Phillips, and Helen Frances Streu. Tech visitors were Helen Ruth Barbex, Jack Allmon, Donald Henslee, Margaret Higgins, O. G. Hill, George McLean, Bob Gilliland, Floyd Ross, Daniel Turrentine, Jeff Burk, and Dorothy Nell Trimble.
 From A. & M., Calvin Brumley and Roger Hartman represented the group.
 From TSCW there were Margaret Miller, Nell Spradley, and Viola Phillips.
 June Dameron from TCU, J. P. Jones from Amarillo Business College, Gertrude London from Draughton's Business, Lubbock, and Wilma Higgins from Abilene Christian College, completes the list.
 Tom Wilson: "How do you get along without a speedometer?"
 Dave Beavers: "Well, when I go fifteen miles an hour, my fenders start to rattle; at twenty-five the windows rattle; and at thirty the motor starts knocking; that's as fast as it'll go."

Cut Out The Fooling And Start Working

"Oh, I hate for mother and dad to see my report card. I'm already beginning to smell like a dog."
 Are you feeling like that? Have your grades been low all year? I won't say that there's no need for you to worry, for you will have to worry a little and miss a few shows, parties, and not have quite so many dates or you can't bring up those grades enough to pass this semester.
 Do you realize that you have only five weeks in which to bring them up? Get busy now; you can't fool around and say that "this" will be your last date or party; because if you do, suddenly you will awake to the fact that you have only two weeks in which to make a passing grade. It will be too late then, and no amount of oil burned can save you from the dreaded failure. Get busy today, or you will have to start paying dog tax permanently instead of just for six weeks.
 Football boys, we are all proud of you and the good record you have made this year; but now that the season is over, don't sigh and think that you can rest, and won't have to miss so many things in order to keep your former grades. Stay in there and keep fighting to the end!
 Football enthusiasts, just because the season is over and most of the exciting activity is past, you, too, have a good chance for some real, serious study in order to insure yourself against failure.
 Can't you realize that it is

Winners Announced For Courtesy Contest

The second lap of the Courtesy Contest has just been completed. Each six weeks period makes up a lap in this contest; at the close of the school year, the final winners will be announced. Those high school students who, in the judges' mind, seemed most courteous this six weeks are: Freshmen boys—Billy London, Clifton Dellis, Charles Cooper, and V. C. Hopson (2); Freshmen girls—Barbara LeGrand, Wanda Lloyd, Rosemary Phillips, and Marcella Blue (2); Sophomore boys—Tom Wilson, Bobby Jennings (2), and L. H. Lookingbill (2); Sophomore girls—Marie Moreman, Ruth Tucker (2), Juanita Wiseman, and Nettie Hood; Junior boys—Kenneth Rudd, Robert Hickman (2), and Daniel Russell (2); Junior girls—

Central Chatter

The pupils of Central School were asked to bring toys that would be mended for children who won't get many for Christmas. The Lone Star Study Club is helping Santa Claus this year. The women promised the winning rooms a free trip to the show. The rooms were divided into three groups: First, second and third grades in first group; fourth, fifth, and sixth in second group and in the third group seventh and eighth grades. The award was made on a percentage basis. The winners are as follows: Miss Rutherford's room with 172 per cent; Miss Francis's room, and Miss Womble's room tied with 120 per cent each; and Miss McMinn's room with 152 per cent. All of Central School brought 535 toys.
 Central School welcomed four new pupils last week. They are: Conrad Clark of Summerfield; Larry Rhodes from Amarillo; Betty Marlow of Wills Point; and Estilline Pellam of New Mexico.
 A great surprise! Mr. Kenneth Walters, a former teacher of Central School, visited the entire school last Friday.
 An Indian went to a football game for his first time. When he got home his squaw said, "Well how did the game come out?"
 The Indian said, "One boy got out on the field and kicked the ball and they all got to fighting over that and the game never did start."
 Betty Jo Kendall: "It is hard, indeed, to lose one's relatives and in-laws."
 Rena Rae Renfro: "Hard? Hard? It is impossible."

NEWS IN THE WORLD OF RELIGION BY W. W. REID

Comparing our conditions with those in other lands, we must recognize that our country is singularly blessed," said the Roman Catholic bishops of the United States in a recent statement to the nation. "But we cannot avoid the repercussions of a world catastrophe—in this solemn hour when fateful decisions are to be made it is evident that a spirit of exemplary restraint should characterize our priests and people. In every national crisis and every danger our priests have been an inspiration. We are confident that their good example of strong faith and courage, founded on the virtue of fortitude, will not be lacking now. As moral teachers they show that freedom has its limitations. It is limited first of all by the rights of God, and next by the rights of others and by the interests of the common good."

Despite their relative poverty, the Oneda Indians who are members of the Oneda Methodist Church in DePere, Wis., have for several years been giving funds for Christian work among their less fortunate brethren, the Aymara Indians of Bolivia, S. A. The members of the church have set aside "The Lord's Acre," and from the sale of beans and other produce are sending missionary funds to the Rev. John Herrick, educational-evangelistic missionary to the Aymaras at La Paz, Bolivia. Last summer the acre yielded \$22, and the members added \$40 from other savings. The Rev. J. H. Wenberg, pastor of the Oneda congregation was for a number of years a missionary to the Aymaras, and for sixteen years he has been serving Indians in Oklahoma and Wisconsin.

More than 1200 conscientious objectors to war are now enrolled and assigned to nineteen service camps throughout the United States; and it is estimated that 1800 additional registrants will soon be added to this number. From the religious point of view, the men represent 86 religious sects, including all the major denominations. Friends, United Brethren, and Mennonites are the religious groups operating the camps. Ten are connected with the United States Forestry Service, seven with the Soil Conservation Service, and two with the National Park Service.
