Sights and Faces Seen

Hereford Banks will be closed on Memorial Day, Saturday, May 30, and on Jefferson Davis' Birthday, Wednesday, June 3.

The first 50 ladies to register at the Star Theatre box office will be special guests to attend a preview showing of "King's Row", one of the best pictures of the season which will have its regular dates here on June 14, 15 and 16. The picture, which stars Anne Sheridan, Robert Cummings and Ronald Reagan, has been breaking box office records wherever it has shown.

Wanted: Some super adjectives to describe the peonies at Mrs. C. H. Dyar's house and the bed of old-fashioned pinks in Mrs. George Guinn's yard.

Alton Miller was in town yesterday and almost took his old force over at the Texas-New Mexico Utilities back to Plainview with him.

Eva Pitman, city clerk, is spending her vacation in Mineral Wells this week.

The Beauty Mart this week announces their new time schedule--7:30 a. m. to 5:30 p. m. Considering that long hours the girls in the beauty shops work a little "fishing time" in the summer certainly is due them.

Apologies to Mattie Lawhon, whose name was omitted from the list of honor students in last week's graduation story. Mattie made 143 grade points to put her in the highest 5 per cent of the student body.

## Meet The Deacon Tonight At 8:30

"Deacon Dubbs," is the play; the time is 8:30 o'clock tonight (Thursday) and the place is the Hereford High School Auditorium. "See it," say sponsors, "if you want to get some really good laughs and forget your war worries for the evening."

The scene is the hills of "West Virginia" and the characters are the hill-billy residents of that section with a few city slickers and dialect comedians thrown in to add to the general hilarity.

## Local Board Makes Further Classifications

Having passed their physical examinations the following men have been classified 1-A until induction by the Deaf Smith County Selective Service Board, Tolver Thurmond, Glenn Lee Allison and Almus Charles Hays. Clyde Noble Estes was classified 1-B, having failed his examination due to a minor physical disability which will not necessarily disqualify him for army service later.

Classified 1-C (already in military service) were Benjamin Willschire, Howard Joe Waldron, O. J. Beene, Bernard Thiel, Alton Clary, John Monroe Teas, John Marnell and Walter Murie.

## Poppy Sales Benefit Victims Of The Present War As Well As Veterans

Dimes, quarters and dollars dropped into the coin boxes of the "Poppy Girls" this year will aid the victims of the present war, as well as those of the first World War, according to Mrs. Glenn Weir, Poppy Day chairman of the Hereford Post 192 of the American Legion Auxiliary. The Auxiliary is rapidly completing arrangements for the annual observance of Poppy Day on May 30, when memorial poppies will be distributed throughout the city by Auxiliary members. "This year," the chairman points out, "the poppy not only

#### New Gov't. Order Makes Credit Acct. Regulations

New restrictions on consumer credit which went into effect this month are explained this week in a full page advertisement sponsored by Hereford firms and business men.

The new federal order requires that all charge accounts be paid within 60 days, or by the 10th day of the calendar month following the calendar month in which the debt was created.

A charge account is judged to be in default after the 60-day period and the dealer cannot extend further credit to the individual owing the debt until the default has been taken care of.

## 15-Minute Bond Sale Expected To Set Record

Announcing the expected 100 percent cooperation of Hereford merchants in the Retailers For Victory program of the U. S. Treasury Department, the Hereford Chamber of Commerce today made known tentative plans for the new movement to increase sales of war bonds and stamps.

The treasury plan as set forth in a telegram to the Hereford Chamber of Commerce is for a suspension of all retail sales for a 15 minute period at noon on July 1 and the devotion of the 15 minute period to the sale of war bonds and stamps.

"Of course, we do not yet know just how the 15 minute sale period will be handled in Hereford," said E. B. Posey, secretary of the Chamber of Commerce. "But we feel sure our local merchants will help in every way possible to make the sale a big success."

Complete details of the plan will be announced later.

Funeral services were held Monday morning in Amarillo for Lt. Charles Julian Borden, 25 years old, son of Mr. and Mrs. L. F. Borden of Hereford, who crashed to his death Wednesday afternoon near Baton Rouge, La., when the pursuit plane he was flying caught on fire. According to witnesses of the accident, Lt. Borden sacrificed his life to avoid letting the flaming plane crash in a residential district.

Born and reared in Hereford, young Borden was a 1934 graduate of Hereford High School and had attended Texas Technological College for four years. He enlisted in the Army Air Corps in May, 1941 and received his second lieutenant's commission, Dec. 12, 1941.

He is survived by his parents, three sisters, Mrs. Hal Kester of Seattle, Wash., Miss Frances Borden of Denver, and Marian Borden of Hereford, and an aunt, Mrs. Ernest May, of Hereford.

Rev. H. M. Redford of the Christian Church of Hereford was in charge of the funeral rites. Pallbearers were: John Jacobson, Carter Matthews, C. R. Barber, H. G. Conkright, Ralph Smith and T. J. Carter and honorary pall bearers were members of the American Legion. Burial was in Liano Cemetery.

Taking as his topic, "An Expression of Love," Mr. Redford pointed out how Lt. Borden's life had been an expression of love for his family, for his friends and for the highest ideals of his country.

"In clean, wholesome living, Lt. Borden leaves behind a record that will ever be a comfort to his family, an inspiration to his many friends and a source of strength to his fellow soldiers," Mr. Redford said. "He gave, in service to his beloved country and to the whole world, all that he could. He gave his life."

## Wheat Storage Storage Looms

The wheat storage shortage is dangerously acute in Deaf Smith County as in the entire wheat producing area of the United States, officials of the county USDA War Board pointed out this week, declaring that further construction of farm storage facilities or the use of vacant buildings for grain storage is necessary if wheat is not to be piled on the ground. However, war board members state that time for building is short; lumber dealers are having difficulty getting delivery on orders, and approval of applications for priority orders (on building jobs more than \$1,000) is slow.

Figures compiled by the war board and the AAA officials this week brought out the seriousness of the situation. Briefly, the local picture is this:

Available commercial storage capacity in the county--360,000 bushels (As of May 15. Additions being built to at least one elevator may raise the capacity to 420,000 by the end of harvest.)

Estimated yield in the county (based on 10 bushels to the acre--a very low estimate) 3,000,000 bushels. Shipping facilities for the coming harvest are in a "ghostly" stage.

Wheat piled on the ground will not bring in any immediate income and will not be eligible for a government loan.

Because of the huge increase of livestock feeding in Iowa, 20,000 steel storage bins will be available for shipping to the wheat producers of Kansas, Nebraska, North and South Dakota and possibly Wyoming, Montana and Texas.

However, the prospect is not good for immediate shipment of any of these bins as far south as

Offering residents of this section an opportunity to make Memorial Day, 1942, really worthwhile, the Deaf Smith County Salvage Committee today announced that every farmer and rancher in this area is invited to "take a slap at the Japs" by joining the drive.

"Uncle Sam finds it necessary to have more metal and scrap," said committee members. "Metal prices range from \$6.00 to \$10.00 per ton, depending on grade; rubber is \$7.00 per ton, all prices delivered in Hereford."

"Cash will be paid for all purchases at the time of delivery." The committee asked that all persons bring in available scrap, carefully checking turn rows, lakes, pastures and premises.

"We know that most of you are busy, but this drive is important," they continued. "Some of the steel mills over the nation have been idle because of the lack of scrap iron. One particular mill was idle three days, during which time it could have turned out enough steel plate for a 10,000 ton cruiser."

"Scrap may be weighed on any scales in Hereford then dumped at Hereford Wrecking Co. or at West Texas Feed & Seed Co. It will be paid for in cash."

"We ask that each of you give this matter personal attention. Let's remember that May 30th is Memorial Day and dedicate our efforts in this drive to the boys that have given their lives for freedom and democracy in this and past wars and to the boys who are now fighting with everything that is in them for us. We can help them in no better way than to bring in our scrap metal and rubber."

"Persons who live in town and who do not have enough scrap to sell are asked to join in the drive Sunday, May 31. Assisted by the Boy Scouts, members of the

## Just Two Deliveries A Day Under ODT Law

If you have clothes to be sent to the cleaners get your order in by 11 o'clock in the morning or by four o'clock in the afternoon if you want your cleaning order picked up the same day you call.

That advice was given this week by Stambaugh and Fox Cleaners, who point out that the new schedule is in accordance with a new federal law which limits deliveries to two a day throughout the United States.

The new rule also prohibits call-backs or the making of more than one delivery a day to one customer. Purpose of the law is to conserve existing transportation facilities and severe penalties will be invoked against any dealer who does not comply.

"This order does not in any way change the quality of service which we give," Stambaugh and Fox point out. "And we ask the co-operation of all our customers in complying with the patriotic purpose of this law."

## Baptist Bible School Starts With Parade Tomorrow Afternoon

Inviting children from all the churches in Hereford to attend the annual Vacation Bible School, religious education directors of the Baptist Church this week announced that the school begins Monday morning, June 1, at 9 o'clock and will run each morning for the next two weeks from 9 until 12 o'clock.

All children between the ages of four and 16 are eligible for the school, which will have its graduation program on June 12.

Friday afternoon, May 29, preliminary enrollment of pupils at the church at three o'clock, will be followed by a parade down Main Street, and a return to the church for a special surprise which school officials feel sure will be enjoyed by all boys and girls.

"Come to the parade tomorrow afternoon, and then attend the Bible School," church leaders urge.

## Funeral Rites For Geo. Guinn To Be Sunday

One of the original settlers of Hereford passed away this morning, when George H. Guinn, 74, died at his home in Hereford. Mr. Guinn, born in Paris, Tenn., Nov. 17, 1867, had lived in Texas for 70 years, in Deaf Smith County since 1900.

His death followed an illness of about a month, and for the past two weeks all of his children have been at his bedside.

Engaged in ranching, farming and real estate operations, Mr. Guinn had been active in the development of Hereford and Deaf Smith County.

Survivors are his wife, Mrs. Geo. H. Guinn, Hereford; two sons, Lester Guinn, Lubbock, and J. T. Guinn, Hereford; three daughters, Mrs. J. W. Sherman, Los Angeles, Calif., Mrs. Leland S. Chamness, Huntington Beach, Calif., and Mrs. Frances McClelland, Amarillo; three brothers, Charlie Guinn, Cisco; Oscar Guinn, Phoenix, Ariz., and Seth Guinn, Dallas; two sisters, Mrs. Henry Starrett, Crosbyton, and Miss Beulah Guinn, Keen, Tex.

Mr. Guinn was a member of the Presbyterian church and funeral services will be held on Sunday afternoon at two o'clock at the Presbyterian Church in Hereford with Rev. James Aiken, Jr., assisted by Rev. W. E. Barnes, in charge.

Active pallbearers will be O. G. Hill, R. C. Smith, J. A. Pitman, Ezra Norton, Bill Smith and Allen Powelson. Honorary pallbearers will be M. L. Steele, F. H. Oberthier, Alvin Thompson, Glenn Weir, Jno. L. Wilson, Frank Gyles, Henry Hastings, E. W. Cawthon, W. W. Bennett, J. L. Fuqua, F. T. Rolson, Jno. P. Slaton, Geo. L. Muse, J. O. Newell, Cliff Estes, Mal Stewart and Jim Clark.

## Service Flags Go To Many Homes In County

Service flags will be presented to the wives or parents of more than 75 Deaf Smith County men tomorrow night at 9 o'clock at the high school auditorium when the American Legion and Auxiliary are in charge of a program honoring service men and their families.

All members of the Legion are urged to be present and members of the high school band are asked to be at the auditorium by 8:45 tomorrow night.

The program planned includes flag ceremonies, vocal numbers and music by the high school band.

The following service men have had their names presented by some member of their family, and the Legion hopes that the parents and wives of these men will be present tomorrow night to receive their flags.

## County Reaches Goal In U. S. O. Fund Campaign

Deaf Smith County reached its U. S. O. quota at 6:15 o'clock yesterday afternoon, U. S. O. committee members announced today, pointing out that the county can be proud of getting in its quota early for this patriotic cause.

Money is still being received, the committee revealed, adding that the county will go over its quota by at least \$80, amount of pledges which will be paid in August and October. "If you have not yet contributed, you may still do so," the chairman said, thanking the people of the county for their generous response to the U. S. O. call and expressing appreciation of the committee for the help given by the many volunteer workers in the drive.

## SUGAR IS SWEET . . . WASN'T IT?

Given really hates to send this guy--but the monkeys need his ration book.

Not looking particularly rationed were these customers at Hereford soda fountains as sugar rationing went into force this month--but take a good look at those generously filled sugar bowls--they may be the last "for the duration". And if Alec Thompson gets any more sugar by such underhanded methods he will have to sneak off with an extra paper sack containing just about one teaspoonful.

Small Martha Jean Aiken, daughter of Rev. and Mrs. James Aiken, Jr., was just nine hours old when her dad registered her for a sugar ration card--and she looks entirely unconcerned about the whole thing.

But Expo, out at the Sowell Filling Station on Highway 60 is definitely not happy about the rationing. It's robbed him of his favorite delicacy, sweetened milk, and the hard-hearted ration board says no ration books for monkeys. If Frank Givan is looking worried lately, it's because he is afraid he may have to take over those monkeys and their sugar rationing problem.

## Guess Weight of Flour For Valuable Prizes

Calculations have varied as to the correct weight of the large sack of Sunny-Boy flour on display in the Stren Hardware Co. window in connection with a contest being sponsored by Fraser Milling Co. in cooperation

with grocers of Hereford. "First place winners will receive the large sack of flour and prize, and prizes will be awarded additional winners," Mr. Fraser said. "Complete information and entry blanks may be secured from your favorite grocer." The contest is scheduled to close June 30.

## CHDA NOTES

By Sadie Lee Oliver

One of the best educational programs on the air is the "Listen America" series, heard Sunday afternoon over N. B. C. and last week the broadcast pointed out the importance of whole-grain foods to health. The description of the difficulty in buying whole-grain foods in many parts of the country brings home again how fortunate people of this territory are in being able to buy the products at both of our local mills.

Geo. F. McCarthy, extension poultry husbandman, recently wrote that Texas, because it has the greatest egg-drying capacity of any state, has been called on to make the biggest increase in egg production. "We have a big responsibility in seeing that these egg-drying plants are kept running," says Mr. McCarthy, adding that the poultry raisers responsibility right now is to get summer production and maintain eggs quality.

Material now in the extension agent's office tells of the main problems of quality egg production in summer months—with suggestions which will help all poultry raisers.

Rats are still a number one menace to poultry in this county and a recent extension service

## Fun Ahoy! ... "The Fleet's In"

Yes, the fleet's in town, but it's not anchored on Buffalo Lake. Of course, the seafaring battlewagons and blue-jacketed braves of Uncle Sam's navy aren't here, but their cinematic counterparts are and they're in the new salty, swiny hit, "The Fleet's In," which will be docked at the Star Theatre Sunday, Monday and Tuesday.

"The Fleet's In" is a real hit, top-notch entertainment tuned to the temper of the times. It's the kind of show the people want today—a fast, funny musical about gobs and gals—with top rating in the star department, the tune section and the laugh division. Dorothy Lamour, William Holden, Eddie Bracken and Jimmy Dorsey's orchestra are starred.

In addition to the feature attraction, the Star offers a Donald Duck cartoon, the latest Paramount News, and a special short feature, "A Day At The Texas State Fair."

# I Give You Texas

By Boyce House

Honored with an invitation to speak to the Brotherhood of Baptist Temple in Houston recently, your columnist declared on that occasion:

One result of the crisis with which we now are confronted is that religion is coming back into its own—or rather more accurately, because religion has never been away: men are coming back to religion.

They are returning to the faith of their fathers and mothers and are singing the hymns they knew in childhood: "On Jordan's Stormy Banks I Stand" and "It's the Old-Time Religion" and "Onward, Christian Soldiers, marching as to war, with the cross of Jesus going on before."

This is true because Christianity speaks to the hearts of men.

It consoles troubled minds and wounded spirits.

And even in the darkest hour of individual loss and personal grief, it offers an unshakable hope throughout all eternity. For do we not have the promise, "I am with you always—even unto the end of the world?"

And so in the fierce fires of war, there is being burned away the dross of selfishness and materialism, leaving the pure gold of patriotism, service to others, and devotion to God.

There has been some controversy as to what the first name of Captain King of Texas was. (He was at the head of a force of Texans who were slaughtered before the capture of Goliad with its subsequent massacre). Whether the first name of that warrior was Amon or Aaron, Texas has a new Captain King now.

Capt. Tom King, former State Auditor, and perhaps the biggest man in Uncle Sam's fighting forces: six feet four and a half and weighing around 260. King received his commission last week in the Army Air Force and immediately reported for duty.

### In lighter vein:

Have you men of middle age heard of the new 5-B classification? It's Bald, Bridgework, Bifocals, Belly and Bunions.

An explorer, who was asked to name the bravest man he had ever known said, "It was the chap who took a taxi to the bankruptcy court and invited the driver in as a creditor."

And as a slogan to win the war, how about the one a Glade-water man suggested: "Stop yapping and start scrapping?"

And equally concise was the Taft darkey who looked over the questionnaire with its many blank spaces and wrote just one line: "When you're ready, so is I."

Newspapers give freely and gladly of their space for the Red Cross, Salvation Army, U. S. O., War Bonds, clean-up campaigns, Boy Scouts, church and school activities—in other words, they are always constructive. This suggestion by the Sulphur Springs News-Telegram editor is worthy of consideration: "They say time about is fair"

play. So the next time you are prone to criticize 'the editor,' why not do so as he has done so often for you—overlook his faults and try to bring out something good about him? If you can't find any good, then do as he does for you—just 'make-up' something."

And let us close with this little verse by Mr. Anonymous:  
"The wisest men you ever knew  
Have never dreamed it treason  
To rest a bit, to jest a bit  
And balance up their reason;  
To laugh a bit, to chaff a bit  
And joke a bit in season."

## Wartime Transportation

Cattle on the hoof, grain on the farm, minerals at the mine, oil at the well, goods at the factory—these cannot help our soldiers or our people until delivered where they are needed.

**Our job is to "Keep 'Em Rolling"**

Santa Fe is eager to do its full share of this huge wartime transportation job, military and civilian, throughout our territory. Years of careful operation, maintenance and expansion conditioned Santa Fe facilities for just such an emergency. But to meet every demand, existing equipment must be used to the limit!

**You Can Help, Too**

Last year you shippers did a lot to increase efficient use of existing freight equipment. Now we ask your continued cooperation to that end by doing these things:

- Make every car you use carry a maximum load.
- Save every hour you can in loading and unloading cars.
- Order cars only for your actual current needs.

Your help will help us do a better job for you, as well as for Uncle Sam, whose needs must come first in war.

**At Your Command**

Besides all-out war service, Santa Fe is maintaining regular and efficient freight and passenger transportation vital to your community. Talk over your travel and traffic problems with your Santa Fe agent.

# Naval And Marine Fliers To Be Conditioned On Football

Washington—Because football is, in the words of Lieut.-Cmdr. Tom Hamilton, the "closest thing to war," the sport will receive a great deal of emphasis in the training of naval and marine fliers at the four revolutionary pre-flight schools set up by the former Annapolis gridiron hero.

"Air fighting nowadays requires a high degree of teamwork and a spirit of aggression—much more so than in the other war," pointed out Hamilton, himself a naval pilot of 13 years' experience. "Football in my opinion is the nearly perfect means of giving a cadet those qualities while at the same time making a real man out of him physically."

Practically all of the 1800 boys at each school will play some football, though not at the neglect of their swimming, boxing, wrestling, military track and other required training. Each squadron will have its regular schedule of games against other squadrons.

Finally, each of the four schools will have picked "varsity" teams to play against the

colleges and universities in its section. The schedule of these games is not quite completed, but enough so it can be revealed that the boys are going to play "big league" football and lots of it. Starting Sept. 19, each cadet team will play 13 games against major opposition, most of them away from "home."

"Frankly," Hamilton said, "we have planned these games mainly as window dressing, or as recruiting trips. But let no one think that there is anything frivolous about them. It is pure training for aviators."

Jim Crawley will be the head football coach of the "eastern" school, the University of North Carolina at Chapel Hill, N. C., with Harvey Harmon, from Rutgers, head of the entire sports program there. Bernie Bierman, coach of great Minnesota teams, will be both football coach and athletic director at the University of Iowa School, Tex Oliver from the University of Oregon is head football coach at the St. Mary's (Calif.) branch, and Sam Barry, of Southern California, the athletic director. Officials

of the "southern" school, the University of Georgia, at Athens, Ga., have not been announced.

It is doubtful that the cadet teams will be anything special, for the personnel of each pre-flight school will change completely every three months.

In all, two hours and 25 minutes of each six-day week will be devoted to the physical aspect of the cadet's training. Every candidate will have one week of what Commander Hamilton calls "labor," which means building roads and generally bending his back over a shovel. In addition to all this, of course, the cadet will receive the customary academic and military training, including plenty of infantry drill.

"Yes, it's a hard course—as hard and as thorough as we know how to make it," says Hamilton. "But we are at war and it is necessary; without a doubt many boys will not make it through the first three months. That is so much the better—to find out as quickly as possible whether a boy is air-fighter material."

"The ones who do come out of it, though, will be the most aggressive, fearless, resourceful and skillful air pilots in the world."

# County Council Hears Dist. Report, Makes Plans For Part In War Effort

Reporting on the recent home demonstration club district convention in Amarillo, Mrs. Liston Wilson of the Wyche Club gave members of the county council a picture of the achievements and aims of the district and state organization of home demonstration groups.

Mrs. Wilson told council members that the district meeting reported the purchase of \$2100 in war bonds by the home demonstration clubs. Funds used for this purpose came from state association dues paid by each member. Mrs. Wilson also explained something of the work of the club in providing a \$5,900 college loan fund for 4-H club members.

Speaking of the publicity aims of the organization, Miss Sadie Lee Oliver, CHDA, said that reports of club activities were clipped from The Brand and that the three best reports for each month were sent to College Station.

Further activities of the meeting were pointed toward increased participation by home demonstration members in all phases of the war effort.

Miss Oliver discussed the use of gauges on pressure cookers, recommending the gear gauge for maximum efficiency. She urged members to order new cooker parts early, declaring that dealers can order only as they have sales for gauges. Gear gauges sell for about \$1.50; spring gauges for 50 cents.

Other war possibilities discussed were the rationing of clothing, which may come soon for work clothes and shoes; and the part which all farm women can play in gathering scrap materials in the salvage campaign.

Miss Oliver showed several sets of blue prints for food dryers, ventilated pantries, shower baths, picnic tables and chairs, cellars, and storage for root vegetables.

The demonstration agent reminded members that now is the time to plant oyster plants and pansnips. It takes 120 days for these plants to mature. Miss Oliver has pansnip seed at her office.

Members were reminded that on Saturday morning, June 13, at 6:15 a. m. there will be a broadcast over Station WBAP, Fort Worth, on the "Human Chain System of Communication." It was brought out at the meeting that with tires growing thinner, this new communication system is destined for ever-increasing importance—and that all farm people should start immediately to plan trips to town to produce really useful results.

A wedding of interest took place Saturday night when Miss Lillie Ellen Funk, a 1942 Vega High School graduate, became the bride of Wilburn Price, son of Mr. and Mrs. Tom Price. Both Mr. and Mrs. Price have been reared in Vega and continuity and their many friends wish for them a long, happy married life.

H. F. Leonard of Oklahoma City is acting as relief agent at the Rock Island depot, while our genial agent, J. T. Shelton, takes his vacation.

Mrs. J. C. Ivy came home Friday from Amarillo where she took treatments for a severe throat infection.

Rev. and Mrs. Albert Haines and daughter of Walker, Mo., visited Mrs. Haines' brother, Edward Bright, and family. Rev. Haines delivered a very inspiring sermon in the Baptist Church Wednesday night on the subject, "Am I my Brothers Keeper?"

Dr. and Mrs. O. H. Loyd are confining to their home with illness this week.

This has been a very full week for members of the senior class, which included the following: Treva Allred, Forrest Bren's, La Rue Campsey, Lillie Ellen Funk, Joe Graham, Ruth Halliburton, Blanche Hall, Roy Horrell, Jr., Genevieve Loyd, Charline McNabb, Leon Price, Joan Scott, Billye Valentine and Charles Wiseman.

Genevieve Loyd was Valedictorian having made better than a 94 average for her four years high school work. She was awarded one of the four Bal-four awards which are given to the seniors outstanding for loyalty, achievement and scholarship. Charline McNabb was Salutatorian having made an excellent record for her four years high school work. A very beautiful and impressive commencement program was rendered Friday night. A candle-light procession was featured in which each member of the graduating class was escorted by a Junior, carrying a candle. A. R. Castleberry, former Superintendent, delivered the Commencement address, and Roy N. Ivy, president of the school board, delivered the diplomas.

Mrs. R. W. Armitage left Saturday morning for a visit with her daughter, Mrs. Sam Stagg in Corpus Christi.

Mrs. W. A. Jinks received word Friday morning of the death of her son-in-law, I. V. Hammer of Olney, and she and Mrs. Iva Houseman left immediately for that place.

The Worth While Home Demonstration club had an all day meeting Friday in the Kiwanis Hall. A covered dish luncheon was served at the noon hour.

Mr. and Mrs. T. B. Jones of Amarillo who have been visiting in California for the past five weeks stopped in Vega Saturday and called on friends of Judge and Mrs. J. G. Fisher, old time residents of Vega, who now live in Fresno, Calif., bringing greetings from the Fishers to Texas friends.

Members of the Senior Class have had a full week of entertainment, the following taking place: Tuesday evening a buffet supper in the home of Mr. and Mrs. Rex McNabb followed by an evening spent playing 42; Wednesday night a progressive dinner party in the homes of Mrs. Roy Ivy, Mrs. John Halliburton and Mrs. B. W. Wiseman; Thursday night a Hobo party sponsored by the Women's Missionary Union; Sunrise breakfast Friday morning given by Mrs. Roland Loyd, Mrs. John Halliburton and Mrs. Joe Scott at the old picnic grounds. Immediately following commencement exercises they were treated to a fried chicken

**Sightseeing Bus Service Prohibited**  
 Washington—The rubberneck bus is going to put to more essential war use to save rubber.

Effective June 1, the Office of Defense Transportation decreed last night, all sightseeing bus services will be prohibited and chartered buses will be reduced to such essential operations as the moving of troops, war workers and school children.

Joseph B. Eastman, ODT director, estimated this would save more than 100,000 pounds of crude rubber a year.

Exempt from the charter bus order are those used for transporting members of the armed forces, persons participating in organized recreational activities at military posts, selectees traveling to or from induction or examining points; students, teachers and school employees going to and from work; persons going to and from places of religious worship, civilians working under evacuation orders, and children under 18 attending summer camps.

Only in case other bus or train transportation was not available would special permission be granted to use a chartered bus, Eastman said.

His order coincided with a War Production Board announcement that a survey was being made of cosmetics and toiletries, with a view to limiting shades of lipstick, rouge and face powder. The aim: to save essential materials, such as glycerine, alcohol, waxes and colors.

Meanwhile, well-informed production officials predicted that shortages of certain consumer supplies would probably lead to rationing of 19 major commodities within a year, including the six already rationed or about to be: sugar, gasoline, tires, typewriters, automobiles and bicycles.

## SOCIETY.

**Baptist W. M. S. Holds General Meetine**

An interesting program on Christian hospitals with special attention given to Baptist hospitals was given at the general meeting held by the Woman's Missionary Society of the Baptist Church yesterday afternoon.

Mrs. Joe Kendall led the program with Mrs. Aubrey Daniels conducting the devotional service.

Mrs. Louie LeGrand discussed "The Doctor", Mrs. Nelson McRight told of "The Nurses" and the story of "The Hospitals" was told by Mrs. W. L. Alexander.

Accordion music was furnished by Wanda Lee Terry and Mrs. A. O. Thompson gave a description of Baylor Hospital.

Mr. and Mrs. J. W. Spradley had as their guests last weekend their daughters, Mrs. W. B. O'Brien and daughter, Sally, of Amarillo, and Mrs. Ralph Sellmeyer and son, Jack, of Carlsbad, N. M.

Mrs. Roy Dillard and two children and Mrs. L. C. Fisher of Portageville, Mo., are guests this week in the home of Mr. and Mrs. Phillip Miller.

Miss Blanche Poff who is employed in Abilene is spending a two week's vacation here with her parents, Mr. and Mrs. Blain Poff.

## Methodist Women To Have Fellowship Luncheon Next Week

"Religion and the National Heart" was the subject of the lesson for the Woman's Society For Christian Service of the Methodist Church yesterday at the meeting held at the church. Mrs. M. B. Norwood was leader.

After the program an executive meeting was held with Mrs. Homer Brumley, president, presiding.

The regular Fellowship Luncheon will be held at the church next Wednesday at one o'clock.

## Housewives Are Given Complimentary Soap

Hereford is in for a cleaning. If any indication can be taken from the number of bars of Swan soap, the new floating soap developed by the makers of Lux and other soap products, which is being distributed free to housewives this week by a

Love Bros. advertising crew. In providing a further opportunity for citizens to enjoy Swan in both the kitchen and the bath, Lever Bros. advertisers are giving coupons which may be redeemed for an additional cake of Swan at your favorite Hereford dealers free with the purchase of one cake.

According to W. Keturakat, manager of the promotion program in Hereford, Swan is the first really new floating soap developed in over 40 years, it's milder and whiter, gives creamier suds, lasts longer, smells fresher and gives more real soap.

## Vitamin B-1 Helped Aged Recover Youth

Boston—Aged men in the spotted vest stage and old ladies who no longer cared how their skirts hung have been restored to natty dressing by taking vitamin B-1.

This effect on interest in personal appearance was reported of

the American Psychiatric Association by six doctors of the Worcester, Mass., State Hospital. These aged persons had reached the stage where their minds seemed gone. After two months on the vitamin, and other good diet which probably also helped, they became neater, more tidy, took an interest in personal appearance.

### LONG MAY HER PERMANENT WAVE!

HE: Hello... that you, Helen? Listen, I forgot to tell you to send the car over for greasing and an oil change.

SHE: Oh, all right Bob, but what about the tires and the battery and all the other things it might need?

HE: Right... everything should be attended to. Gosh!... can't you take some responsibility for the car?

SHE: All right, smarty... I have taken the responsibility. I joined the Once-a-Week Club today.

HE: Great Caesar's ghost! Another club! Didn't we just agree last night to cut out unnecessary expenses?

SHE: That's exactly what we are doing. This is a club without any dues, fees or anything.

HE: I'm listening... proceed with caution!

SHE: Well, you know that nice Conoco station over on Myrtle Street? I went in there this morning and Mr. Blevins, the Mileage Merchant, told me he would go over our car every Thursday morning; check the tires, the battery, water, in fact, everything... and if he saw anything needed, he would write it down for me.

HE: Atta girl! This war will make a business woman out of you yet!

SHE: Oh, yeah? Well, I may be a business woman, my dear, but I'm going to get a permanent this afternoon just to prove I'm still a female... and the price will be charged up to the extra life of our car and the savings we're going to have because of that Conoco Once-a-Week Club.

Pick up your phone or drive by and tell Your Conoco Mileage Merchant to let you in on his Once-a-Week Club. Ask him about changing to his Conoco Nth motor oil, to give your engine the great big change to OIL-PLATING. Continental Oil Company

### FOR THE DURATION of your car

Don't depend on spasmodic and hurried stops for gasoline to have your tires and car checked. Join my ONCE-A-WEEK CLUB. Choose one day each week to bring in your car. I will check and properly inflate your tires, check oil, radiator, and battery. I will look for and report anything beyond this that appears to need attention. I will keep a careful record of greasing and oil change and remind you when these services are needed. I am here to help you get the maximum service and life from your car at the least possible cost and trouble to you.

With June comes graduation time for college and university students all over the nation. Now, as never before, greatest significance is placed upon specialized education as the youth of the land face the problem of finding the thing they can do best to aid in national defense. Many young men will be called into military service and many will be drafted into wartime industries; capable young women will find themselves taking places formerly filled by men now in the armed forces. American boys and girls are ready to do their part. They have spent four years preparing themselves to go out into the world to achieve, to succeed in business enterprises, to follow professions—now those plans must be laid aside—but they are ready to go all out for freedom, to fit into Uncle Sam's plans for victory wherever that course may lead.

Nine young men and women of Hereford are to receive diplomas from the various colleges and universities of their choice next week. They have been outstanding students and have been recognized as leaders in their chosen field of study and in campus activities.

Two Hereford students will be among the 365 candidates for June graduation at Texas Technological College, Lubbock.

William Dean Dunlap, pre-law senior, has been president of the Pre-Law Club this year and a student assistant in the government department. As one of Tech's delegates to the regional conference of International Relations clubs in Portales, N. M., in February, he prepared and read a paper on "American Solidarity." He is also an active member of Alpha Phi Omega, national service fraternity for men, on the campus. During his freshman year he was a member of the Matador Band. He plans to return to his position with the Pitman Grain Company in Hereford for the summer if he isn't lined up with Uncle Sam. He is the son of Mr. and Mrs. W. E. Dunlap.

L. G. Harris of Friona, former Hereford student, has served as president of the Tech branch of the American Society of Civil Engineers this year and is on the board of directors of the Tech Engineering Society. He was manager of the civil engineering division of the Tech Engineers'

show in April and is a student assistant in that department. Upon graduation from Tech he will join the technical group of the Humble Oil Company at Baytown.

A. R. Posey will receive a B. A. degree from Hardin-Simmons University, Abilene June 1. He is an English major student with a minor in Bible. He is a member of the Ministerial Council, was vice-president of that organization in 1941 and this year he has served as president. He is a member of Alpha Chi, scholarship society, and of the Christian Service Band. Other activities have included intramural sports and symphony orchestra.

Mr. Posey is the son of Mr. and Mrs. E. B. Posey. He and his family make their home in Abilene now. He plans to spend the first part of the summer continuing his studies at the Southwestern Baptist Theological Seminary at Ft. Worth and during the latter part of the summer he will be conducting revival meetings in various places. He also plans to continue his ministerial studies at the Seminary this fall.

Karl Shirley, son of Mrs. Jeff Gilbreath, will graduate from Texas Christian University June 1. He majored in Public School Music and minored in Spanish. A planned trip to Mexico City, D. F., this summer to continue his studies in Spanish had to be canceled because of selective service duties. He is a member of Alpha Chi, scholarship society on the T. C. U. campus, and also of Phi Sigma Iota, modern language honor society. Only ten romance language majors and minors are eligible to this club. He has been a member of Los-Hidalgos, Spanish Club, and is vice-president of the Recorded Musical Research Society. He has been a member of the T. C. U. band for four years, both swing and concert bands and was named one of the assistants to Don Gillis, band director, last fall. He was snapshot editor on "The Horned Frog," T. C. U. annual. He has held a teaching position in the Ft. Worth public school system since Christmas, having been band director in Amon Carter-Riverside High School.

Two Hereford girls will get degrees from Texas State College for Women, Denton, with the June graduating class. Miss Helen Ann Snyder will

receive a B. S. degree, majoring in Health, Physical Education and Recreation. She is a member of the Woman's Recreational Association and was first vice-president in 1942. She is a member of the Health and Physical Education Professional Club, being class representative in 1941. She is also a member of the Sailing Club, Leadership Club, Round Table, Folk Dance Club, Panhandle Club and student chairman of the National Physical Fitness Program at T. S. C. W.

Activities have included dormitory councilor, lifeguarding, authentic dance demonstrations to army camps, etc.; defense courses, first aid and physical fitness program, basket ball manager and student advisor. Her hobby is collecting souvenirs from other states.

Miss Snyder's plans for the summer include six weeks spent at Kiwanis Girl Scout Camp, Dallas, as assistant on the waterfront and three weeks spent at Salesmanship Camp, Dallas as director of waterfront. Her plans for the fall are indefinite but they will probably include teaching. She is the daughter of Mr.

SHIRLEY and Mrs. Glenn Snyder.

Miss Viola Phillips, daughter of Mr. and Mrs. Wirt Phillips, is also a June graduate at T. S. C. W. She has majored in Costume Design and Fashion Illustration. She is a member of Alpha Lambda Delta Club, Round-Table, Art Club and has been president of the Panhandle Club this year. She has also been co-captain of the Defense Corps.

She was co-designer of costumes for class stunts this year, chairman in charge of decorations for class dances, dormitory councilor, co-author of the Senior Class Prophecy, student hostess at Student Union Building, defense courses, motor mechanics, First Aid and Engineering Drafting.

Miss Phillips was a Hereford High School honor student, having the distinction of having her name placed on the honor shield two years in succession. Her summer and fall plans are indefinite.

Three Hereford young people are included among the candidates for bachelors' degrees at West Texas State College this month.

Miss Imogene Roberson, daughter of Mr. and Mrs. Jack Roberson, is a speech major and is a member of Alpha Chi, national honorary society, and of Alpha Psi Omega, National Honorary Speech Fraternity. Has made an excellent scholastic record this year with all A's. She is a member of the B. S. U. Council and was elected president this year.

Miss Nola Margaret Blue a daughter of Mr. and Mrs. R. G. Blue, has a double major, music and business administration. A voice student, she has been a member of the Woman's Chorus, a member of the College Choir during the first two years and a member of the Students Christian Association. Last week she was one of three girls selected as the most outstanding students of the senior class at W. T. S. C. She has been offered teaching positions but her plans for fall are indefinite.

M. L. Simpson, Jr., whose parents live in the Jumbo Community, is a science major with special interest in chemistry. He is a member of Phi Beta Gamma, science fraternity, and the Buffoneers, a club composed of men who reside in Stafford Hall. He has taken active part in the Westminster Christian Endeavor and was elected president for this year. He is also a member of the Students Christian Association. He is the grandson of Mr. and Mrs. W. A. Hunter of Hereford.

### From where I sit...

by Joe Marsh

Every Friday night a bunch of us fellows get together over at Bill Webster's place. We wouldn't miss those weekly get-togethers for anything.

There are seven in the group—Bill Webster, Judge Cunningham, Pete Swanson, Old Doc McGinnis the dentist, and young Doc Mitchell the M.D., the government man Bob Newcomb, and myself.

We don't play cards. We don't sing or carry on.

We just sit quietly and talk—and drink a glass or two of beer.

I guess we discuss just about everything under the sun—politics, business, family affairs, music, farming, hunting, fishing, and what not.

But mostly we like to chew the fat about life's experience and a man's philosophy in these times.

To sort of help out the conversation, we've found mellow beer particularly relaxing. Every one of us likes the tangy taste of beer... and now and then Judge Cunningham insists on ale for everybody.

You mightn't think that just settin' and talkin' would be so much fun. But it is. Particularly when a man begins to get around to the age of reason. Like us.

And it's wonderful how a few glasses of good beer help bring out good talk and good sense when men get together. There's something peaceful and friendly and human about beer that brings out the best in a man.

They call beer the "beverage of moderation." That "moderation" idea is good philosophy... maybe that's why good beer and good fellowship go together so well.

Seems to me there ought to be more of this quiet talk over a glass of beer. It sure straightens out a man in his thinking.

Anyhow, men ought to get together and be friends. That's the way we were made. Why not try it more often—all of you?

Joe Marsh

## Let's Cook Something

The ability of the average housewife was never more important than it is today. The maintaining of hospitality and warmth in the home on shortened rations and streamlined budgets is no small task. In keeping with present needs, even though you are not ambitious in the culinary realm, this meringue cake recipe is certain to strike a responsive chord of approval in your cooking interests. Mrs. Ernest Medkief got the recipe from a friend in Pampa and passes it on to you.

### MERINGUE CAKE

- 4 egg whites
- 1 cup sugar
- pinch of salt
- 1 teaspoon vanilla
- 1 teaspoon vinegar

Beat egg whites stiff, add sugar gradually and add salt, vanilla and vinegar. Pour into two square cake tins that have been lined with oiled paper and bake in 300 degree oven until dry on top or light brown. Make a filling of 1-2 pint cream, whipped stiff, top of one bottle of maraschino cherries and the maraschino juice of one bottle of maraschino cherries and the maraschino cherries, chopped fine, and stack between and on top of layers. Let stand over night in refrigerator. This is much easier to make than it sounds and it looks quite professional when served.

American women are so resourceful they are not going to find the rationing of sugar, or anything else that may be rationed. They'll find a substitute. Already new recipes without any sugar at all are being worked out and some of them are delightfully satisfactory. Here is a recipe that Mrs. Arlie Dean's sister, Mrs. Bill Simon, sent from Floydada and it is so suitable for many day-time occasions—the luncheon, parties for a very few parties for a crowd—that demand a special something to serve in the way of refreshments. Try it while you can still get fresh strawberries.

### SUGARLESS STRAWBERRY PIE

- 34 marshmallows
- 4 tablespoons sweet milk
- 1-2 pint whipping cream
- 1 pint fresh strawberries

Dissolve the marshmallows in the heated milk and when thoroughly cool, add the cream which has been whipped stiff. Add the strawberries which have been washed, drained and crushed. Pour in a baked pie shell and let stand for several hours (or over night) in the refrigerator. This also makes a delightful concoction to serve in individual pie shells.

## B&PW Club Closes Year's Activities Hold Installation Rites At Picnic

Concluding a year of study and various activities begun early last fall, Business and Professional Women's Club held its final meeting Monday night in the form of a picnic supper at the home of Mrs. Ann Holman.

The supper party was enjoyed in the grass-carpeted back yard with Mrs. Holman and Mrs. Ursalee Jacobson in charge of arrangements. Members discussed the aims and objectives of next year's work which will open late in September and Mrs. Dyalitha Brady conducted installation rites for new officers. The new leaders include Mrs. Lois Moore, president; Miss Clara Wedel, 1st vice-president; Miss Mary Kate Brotherton, 2nd vice-president; Miss Virginia Bowman, recording secretary; Mrs. Mattie K. Robinson, corresponding secretary; and Mrs. Ann Holman, parliamentarian. Mrs. Brady presented corsages of spring flowers to the officers as she read duties and responsibilities of each official post.

Gifts were distributed and club pals for the year revealed. Those attending were Lois

### Mrs. Craner Is Hostess For Justakrd Club

Mrs. R. L. Craner was club hostess at her home last week when she entertained members of the Justakrd Club. Mrs. Howard Gault was a special guest. Spring flowers were used to decorate the entertaining rooms. High scores were made by Mrs. George V. Stambaugh and Mrs. J. W. Witherspoon who received the defense stamp awards. Those enjoying the bridge games were Mesdames Henry Sears, Grant Fuller, N. E. Milburn, Meade Halle, Keller Muege, George V. Stambaugh, J. W. Witherspoon and Howard Gault.

Moore, Ethel Robinson, Rebecca Singletery, Cecil Williams, Dyalitha Brady, Virginia Bowman, Ann Holman, Ursalee Jacobson, Florence Wilkins, Bessie Smith, Inez Clark, Clara Wedel, Belle Hromas, Mattie K. Robinson and Mary Kate Brotherton.

### Contract Party Entertains Club

A contract party for members of the New Deal Club was given Friday afternoon at the home of Mrs. Urlin Streu.

Defense stamps were presented to high score winners who included Mrs. Sylvester Slagle high and Mrs. Troy Moore second high.

Filled ice-box cake and tea were served to Mesdames Louis Woodford, Sylvester Slagle, Troy Moore, Willis Edelman, Frank Huckert, Ralph Hastings, T. E. Seigler, Jr., and the hostess.

### Two Club Members Are Given Farewell Party

Members of the Child Study Club complimented two members Thursday afternoon when they entertained at the home of the club president, Mrs. G. M. Hudson. Those honored were Mrs. George McConnell who is leaving soon to join her husband in Washington, D. C., and Mrs. Glenn Witherspoon who is moving to Amarillo.

Children of members presented the program for the afternoon. Betty Maye Grimes sang. Jo Ann Witherspoon, Georgia Faye McConnell and Ouida Hudson played instrumental trios and group singing was enjoyed. Mrs. R. P. Conaway led the singing of "For She's a Jolly Good Fellow" and presented the honor guests with hobo-bundles which were revealed to contain a shower of handkerchiefs for each.

Dainty refreshments were served to Mesdames Ira Foster, Carl Oldham and son, Merlin Kaul, C. P. Grimes, Glenn Parker and children, R. P. Conaway, Steve Williams and daughter, Cawthon Bryant and son, the two honor guests and their children, Barbara Burney and the hostess.

### Musical Given By Piano Students Is Enjoyed

Friends and parents enjoyed the closing musicale of the piano students of Mrs. G. A. F. Parker given at her home on East Fifth Street Friday afternoon.

Selections presented with two pianos, duos and quartets were of special interest to the audience. Madelle Beavers gave a sketch of the composers studied this year in the Musicianship Classes.

The following students played compositions by classical, romantic and modern composers: Marian Jo Wilson, John Newsum, Jeareen Scjwell, Gayle Marie Foster, Louise Green, Virginia Mae Green, Jo Ann Jett, Cecelia Guseman, Barbara Ann Burney, Madelle Beavers, Helen Acker, Margaret Norwood and Bettie Kimbrow of Bovina. Mary Ann Acker assisted Mrs. Parker as hostess.

### Bridge-Suppe Party Entertains Husbands

Mr. and Mrs. W. M. Emmons were hosts on Wednesday night last week when husbands of members of the Wednesday Luncheon Club were honored with a supper-bridge affair.

An arrangement of roses and white peonies centered the table which was laid with a Madeira cloth. Table appointments were crystal and combinations of spring flowers carried out the pink and green color theme in bouquets placed about the house.

After the supper cards provided entertainment with Mrs. Jimmie Gillentine and C. C. Acker playing high for score awards. Traveling awards went to Mrs. Oscar Easley and Alton Fraser. Prize wrappings and other contract accessories repeated the colors suggested by the flowers. Included in the party list were Messrs. and Mesdames H. K. Fox, W. L. Davis, J. C. McCracken, Jimmie Gillentine, S. P. Rosson, A. R. Bateman, Mrs. Oscar Easley, Alton Fraser, C. C. Acker and the hosts.

### Dinner Party Given For Class

Mrs. L. A. Ricketts entertained members of her Sunday School Class at her home Tuesday evening with an informal dinner party. Combinations of spring blossoms decorated the table which was laid for six.

Attending the party were Betty Dunlap, Kenneth Chambers, Thurman Williamson, David Neal Beavers, Nona Dean Rose, Billy Erline Sexton, J. W. Merrill and the hostess.

### Guests Are Entertained With Club Members

Two tables of guests were entertained with members of the Tuesday Afternoon Bridge Club at the home of Mrs. W. M. Emmons this week.

Fragrance and color provided by roses and honeysuckle gave a spring atmosphere to the entertaining rooms. Other appointments repeated the spring idea. High score awards went to Mrs. W. L. Davis, club member, and to Mrs. Meade Halle, guest. Mrs. Travis Dameron won the traveling prize.

### Joe Easley Has Party On Birthday

A party was given recently for Joe Easley celebrating his fifth birthday, at the home of his parents, Mr. and Mrs. Oscar Easley.

Games were played and favors were balloons and suckers in all bright colors. A cake, topped with lighted candles, was featured.

Enjoying the party were Sylvia McCracken, Diane Emmons, Dickie Wilson, Jon George Fraser, Jimmy Bateman, Tunny Wilson, Jack McCracken, Jimmie Easley and the honoree.

Those making up the party were Mesdames R. L. Craner, Frank Gyles, Ralph Hastings, Reed Williams, T. H. Coursey, Henry Sears, George V. Stambaugh, G. W. Newsum, W. L. Davis, C. H. Dyar, Knox Kinard, E. B. Hicks, Meade Halle, W. A. Teter, N. E. Milburn and the hostess.

### Tacky Party Furnishes Fun For Group

An old-fashioned tacky party entertained friends at the home of Mrs. A. H. Streu Thursday afternoon.

Bingo games provided fun for the party and prizes were given to Mrs. Inez Stambaugh and Mrs. Allie Elliston for wearing the tackiest clothes to the party. Pictures of the group were made and all appointments emphasized the theme for the party. Paper plates were used for refreshments and unfrosted cake was served.

Guests registering were Mesdames Leona Kelton, Ann Redford, Tot Thompson, Allie Elliston, Mae Cunningham, Inez Stambaugh, Pearl Gass, Edna A. Sears, Laura Higgins, Hallie Keister, Fannie Elliston, Bernice Clark, Allie Muse, Ethel Barnett, Zula Smith, Rosa Spear, Cora Hunter, Sarah Askren, Nettie Megett, Julia Sowell, Blanche Poff, Anna Streu, the hostess and Miss Adda Ramsey.

### Club Has All-Day Meeting To Compliment Member

Honoring Mrs. C. C. Danforth who has gone to Canton, Mo., to make her future home, members of the Jolly Workers Club gathered at her home Thursday for a covered dish luncheon. A Friendship quilt was quilted and presented to the honoree as a farewell gift from the club.

After the quilting names were drawn for the defense stamps which are given to lucky members at each meeting and the stamps were presented to Mrs. Danforth.

Attending the all-day meeting were Mr. and Mrs. Ott Tolerson, Mr. and Mrs. Chas. Galaway and son, Mr. and Mrs. Rube Adams and daughters and Mesdames J. W. Cockrell, Roy Manning and children, John Walker and children, Joe Curt-singer, Steve Williams and daughter, Robert Woods and daughter, Tolver Thurmond and children, Lee Caldwell and children, Roy Boyd and children, Archie Scott and son, Clarence Botts and son, J. W. Terry and children, Wilbert Carroll and children, Mike Woolsey and children, Edgar Russell and daughter, Clarence Strange and children, Joe Vinton and children and the hostess.

Mrs. A. H. Streu and daughter, Helen Frances, are spending this week with friends in Kansas and Oklahoma. They left Saturday.

### Two Music Students Pass State Exams. In Recent Tests

Two Hereford music students took state examinations in applied music and piano playing in Amarillo last week.

The girls, Helen Acker and Margaret Norwood, are pupils of Mrs. G. A. F. Parker, who has state certification as a private piano teacher.

The examinations were conducted by the state examiners, H. S. Wesson and J. L. Garrett, and ten solos each were required for credits which will be given as affiliated high school units. Helen is the daughter of Mr. and Mrs. C. C. Acker and Margaret is the daughter of Rev. and Mrs. M. B. Norwood.

Everyone once in a while the impossible happens. Joe Bishop was greeting people Tuesday morning with the remark: "Lama Beavers and I went to Eagle Nest Fishing and didn't catch a single fish."

What with shortages, special ratings and priorities, it has been impossible to buy a lot of things if you laid the money on the line. Now comes the new Credit Regulation "W." Looks like the government is going to fix it where you can't buy things—even if you haven't got the money. Seriously, however, this new credit regulation is drastic. It will be pretty hard at first—but after folks get used to it they will probably be better off anyway. The substance of the law, as I get it, says any purchase made on open account in May must be paid by July 10th—or it will be against the law for the business man to sell further merchandise, etc., month after month.

The chief idea behind this law is to stop unnecessary purchases in order that people will buy more Stamps and Bonds. Anyway, whether we like it or not, the law is here—and it's up to us to do the best we can.

Probably one of the best headlines of the war appeared in a Los Angeles, Calif., paper. It read: "Doolittle Dood It." Grant Fuller remembered a similar headline which came out right after Dewey took Manila: it read: "Dewey Did It." He says they even got out little pins bearing the inscription and said one morning a fellow came down the street with a big black eye. He was wearing one of the pins "Dewey Did It."

Out in this country people don't have to worry about chiggers, but it was interesting to me to read recently that common nail polish, when applied on the bite, kills the chigger. The piece also said that soldiers are using it to keep the brass buttons, bright and glistening.

One of our trade magazines this week said to use big, black headlines and to play up the sensational news events. That, they point out, is what the people are now demanding. If you hear of any sensational happenings around here please let us know. We have some big-type which we bought a few weeks ago to use when the armistice is signed, but we would use it now if the occasion demanded.

Bud Bradley left Tuesday night for MacDill Field, Tampa, Fla., where he starts training as a flying cadet. Bud has been in the air corps for several months, but just before getting his recent furlough his application was approved as a flying cadet.

Bud says he is going to write home often. He adds that getting back here for a few weeks has taught him a lesson. "These priorities, ceiling prices, credit regulations, no automobiles, no tires—and probability of gasoline rationing are hard on the public morale! I am going to write home often and keep the folks in good spirits."

Anyway, Bud is really happy about his promotion and next time you hear from him—he will probably be Lt. Bradley, U. S. Air Corps.

## Quiz Pilgrimage Is Conducted For Members Of Garden Club

A Quiz Pilgrimage was conducted at the meeting of the Garden Club held Friday afternoon at the home of Miss Sadie Lee Oliver.

A short business session was held when the club voted to adopt a park project, naming the small triangular plot of ground on East Sixth Street near the high school as the chosen spot for beautification. Those to serve on the committee in charge of the project are Mrs. Jim Lipscomb, Mrs. A. L. Manjeot, Mrs. F. M. Kester and Miss Oliver, chairman.

Mrs. Jim Lipscomb was leader of the program for the afternoon and she was assisted by Mrs. A. L. Manjeot in conducting the Quiz Pilgrimage. Mrs. Lipscomb used 21 species of shrubbery which had been gathered from the yards of Garden Club members and Mrs. Manjeot used well known flowers as the basis for her questionnaire. Mrs. Manjeot made the statement that in visiting the homes of members to select material for the quiz pilgrimage the committee found victory gardens at almost every home.

An interesting feature of the program was the display of a "Miniature Home" by the hostess who landscaped the grounds and arranged shrubbery, flowers and trees in the miniature display.

Members present were Mesdames D. H. Alexander, Lyle Blanton, E. T. Brooks, Homer Brumley, C. C. Cox, C. H. Dyar.

## Dessert Bridge Club Is Entertained At John Olson Home

Mr. and Mrs. John Olson were hosts to members of the Dessert Bridge Club at their home Friday night. A table of guests were invited to enjoy the evening's entertainment with members. They included Mr. and Mrs. Frank Gyles and Mr. and Mrs. Paul Mathers.

After dessert contract games were played with the couple prize being awarded to Mr. and Mrs. Jim Lipscomb. Mr. and Mrs. Mathers played high for guests. Members of the club attending the party were Messrs. and Mesdames Jim Black, Roy Jowell, Jim Lipscomb, Bob Wilson and the hosts.

## Coterie Club Party Given By Mrs. Teter

Mrs. W. A. Turner was hostess Friday afternoon at her home for members of the Coterie Club. Cards furnished the entertainment with Mrs. C. F. Moore playing high for the defense stamp awards. Mrs. R. R. Willis was a special guest of the club.

After the games refreshments were served to the guests and a gift-shower was featured, complimenting Mrs. C. F. Moore.

## Birthday Compliment Is Given To Honor Mrs. J. B. Phillips

Honoring Mrs. J. B. Phillips on her birthday, friends and neighbors gathered at her home Friday for a covered dish luncheon. Flowers and gifts were presented and conversation furnished entertainment after the luncheon. The date also marked the birthday of Mrs. E. J. Hudson who shared in the celebrations.

Those enjoying the birthday compliment were Mesdames E. R. Robeson of Canyon, A. C. Thompson, Hattie Rutherford, J. B. Hammer, H. H. Hawkins, D. W. Hawkins, S. O. Wilson, E. W. Harrison, H. V. Williamson, N. C. Vogele, E. J. Hudson, and the honoree.

Mrs. A. H. Elliston left Friday for Denver, Colo., where she will visit her daughter, Mrs. R. E. Hevel.

N. E. Gass Joe Kendall, W. N. Lemmon, Jim Lipscomb, Ralph McCullough, A. L. Manjeot, F. H. Oberthier, L. H. Shore, J. P. Slaton, C. R. Smith, Earl Springer, E. Ramey, W. C. Hromas and the hostess. Guests included Mrs. P. H. Gilliland and Mrs. Brooks.

## To Be In Recital

Miss Dorothy Dee Wilde, 12-year-old daughter of Mr. and Mrs. Frank Wilde, who will be presented in a recital May 31 at 4 o'clock P. M., at the Meyer Music Mart.

Miss Wilde, who has been attending St. Mary's Academy in Amarillo, is a pupil of Mary Roberts Warner, outstanding vocal teacher of the Panhandle area. She is a former pupil of Miss Mattie Mae Srisler of Hereford and has won much recognition for her singing, having received a trip to Waco, where she rated high in state contests for young vocalists.

Later this summer Miss Wilde will be presented in a radio program over one of the Amarillo stations.

## Beverley Fraser Will Spend Summer At Kickapoo Camp

Beverley Fraser will be among the group of Panhandle girls to accompany Mrs. Travis Shaw of Canyon to Kickapoo Camp in Colorado on June 29.

Beverley who is the daughter of Mr. and Mrs. Alton Fraser, is fourteen years old and will be a sophomore in Hereford High School next year. The camp will open June 29 and will continue through August 23. Instructional and recreational activities make up the summer schedule at the camp which is located 30 miles from Boulder on Brainard Lake and is considered one of the nation's beauty spots.

## C. C. Danforths Are Honored At Farewell Party

A delightfully informal farewell compliment to Mr. and Mrs. C. C. Danforth, who have left to make their home in Canton, Mo., was the forty-two party given at the home of Mr. and Mrs. J. W. Terry last week.

Eight couples enjoyed the farewell courtesy to Mr. and Mrs. Danforth who had made their home here for 11 years. Those attending were Messrs. and Mesdames John Walker and children, Roy Boyd and children, Chas. Callaway and son, Clarence Strange and family, Aubrey Daniel, Edgar Russell and daughter, the honored couple and little daughter Rosetta and the hosts.

## Jumbo News

MRS. ULLMAN HUNTER

The Delmer Gage family, who have been living on the Bill Eaken farm one mile north of the school building left Sunday to make their home in DeQueen, Ark. Mr. and Mrs. Bill Hendricks, who have been employed on the Cazo Stephens farm moved to the Eaken farm, and the Walter Rogers family who lived on the Golden farm operated by Addison Hunter, moved to the Stephens farm.

The Alvin and W. H. Robertson families have moved back to Chillicothe. Mr. and Mrs. Don Allen of Easter have moved to the Hunter-Richardson farm vacated by Mr. and Mrs. W. H. Robertson.

## Wyche Items

By IONA WHITTINGTON

Wednesday, Mrs. Bob Wilson and Mrs. J. W. Dickerson came out and organized the home nursing course. The time was set at 2:00 o'clock promptly on Tuesday and Thursday at the Wyche School House. Those attending were Mesdames Bob Wilson, J. W. Dickerson, Caraway, Roberson, Thiele, Williams, Otts, Saxon, Henry, N. G. Elliston, G. J. Gandy, C. R. Gandy, Spencer, Edwards, Whittington and Harlin.

Mr. and Mrs. Hartland Caraway transacted business in Stratford and Amarillo Tuesday. Mr. and Mrs. Williams and family visited in Slaton Saturday night. They visited Mr. Williams parents.

Johnnie B. Caraway of Dawn called in the Hartland Caraway home Wednesday.

Following the Home Nursing Course lesson the 4-H met. Those present were Myldred Henry, Wilma Roberson, Geraldine Henry, Bettye Jeanne McBrayer, Betty Joyce Henry, Thelma Malm, Jo Ella Hussey, Marjorie Malm, Zola Faye McBrayer, Iona Whittington and the sponsor, Mrs. Caraway.

Mr. and Mrs. Hartland Caraway and daughter, Ann, visited in the home of B. C. Drinkard in Hereford Sunday afternoon. Leck Wilcox of Borger visited the Nolle and Raymond Elliston's, Thursday.

Imogene and Georgia Ray Elliston are home from Albuquerque.

### Phillips Tells of U. S. O. Activity At Bakersfield

Editor's Note: The following letter was received this week by Utlin Streu, U. S. O. chairman, and we include it in this column not only because it presents a splendid plea for the work done by the U. S. O. but also because it gives a good picture of the recreation being provided for Uncle Sam's new army.

Dear Utlin:

I am more than glad to give you any information on the operation of the U. S. O. at this post.

The main unit of the U. S. O., locally, is in Bakersfield. The U. S. O. is located in the Elks Building and, being centrally located, serves as a general meeting place for all enlisted men of this area which includes two flying fields besides Minter Field. The

# Raise in Production Goal Makes Tomato a New Agricultural King

BY RALPH HERBERT

THANKS to the war, there is a new king in the agricultural world. In addition to King Cotton, King Wheat and King Corn, there is King Tomato. He has been made so by the federal government.

For the present year a production goal of 40,000,000 cases of canned tomatoes has been set up, as against 31,000,000 last year. In addition, there will be produced large quantities for tomato juice and tomato soup. This means that for this purpose about 620,000 acres will have to be planted in tomatoes, in addition to the 1,000,000 acres devoted to the fresh market.

To make sure that the crop will be in hand, the U. S. Department of Agriculture will buy from certified canners all 1942 canned tomatoes at a guaranteed price. But, in order to get in on this the canners must agree to contract to pay the growers at least a minimum price equivalent in their locality. With a ratio of at least two ounces of canned tomatoes per soldier per day, this amounts to 45 pounds per year for each fighting man and that means a lot of tomatoes. The average yearly consumption by the civilian population is nine pounds of processed tomatoes and 17 pounds of fresh tomatoes.

THOUGH tomatoes for processing are grown in 36 states, four-fifths come from eight states, named in the order of their tonnage: California, Indiana, Maryland, New Jersey, Ohio, New York, Pennsylvania, Virginia.

U. S. O. has facilities for ping-pong, various table games, swimming—all free to Service Men—and radios; musical instruments, magazines, books, free writing material. The hall is also used for dancing. The U. S. O. itself does not sponsor dances but places its facilities at the disposal of reputable organizations who wish to sponsor dances for the Service Men. At all special events and on Saturday evening and Sunday, the U. S. O. has a group of local girls to come out to help entertain the soldiers. Locally there is a full-time paid director who really works on the job to make a "Home Away From Home" for the Service Men.

One of the most helpful services of the U. S. O. in general is that of providing free entertainment for Service Men on pass, Los Angeles, being within the limits of our pass zone, is the meet of Minter Field men on weekend pass. The U. S. O., with the cooperation of the Post Recreation and Public Relations Officers arrange for free tickets to various broadcasts, sports programs, theatre and specialty performances. The U. S. O. also serves as a clearing house for all invitations into private homes and for special entertainment in groups. And you can be assured that they check the character of all invitations before accepting them for Service Men.

Another great entertainment feature is the U. S. O. Camp Shows which operate from the National Headquarters from New York. We have one of these shows about once a month. In fact, there was a show here only last Tuesday. It was real entertainment in vaudeville style. The performers were really top-flight and I would not hesitate to take my Mother to see it either. Many of the performers are well known in radio or stage.

I would hardly be willing to appear for donations for this cause, but I would be ungrateful not to call the attention of my friends in civilian life to the benefits in recreation and morale to Service Men derived from the U. S. O. It would likely cost me not less than five dollars a month for the facilities the U. S. O. furnishes free, which means that ten friends of mine at home would have to donate only fifty cents apiece for my share.

Pvt. William R. Phillips, Hq. & Hq. Sq., 72nd A. B. Co. Minter Field, California.

### Joe Huckert Transferred To West Palm Beach, Fla.

Pvt. Joe Huckert who has been taking a course in radio technician work at Scott Field, Ill., has been transferred to West Palm Beach Fla.

Pvt. Huckert left Hereford in December and was transferred

This unique British worker field an essential pre-war position of extracting seeds from tomatoes to be raised in English fields. Now American growers must increase their production to fill British as well as domestic needs.

Practically every state in the Union raises tomatoes for the fresh market. The leading producers in the order of bushels raised are: California, Texas, Florida, New York, New Jersey, Maryland.

Production for the fresh market has more than doubled in the past 20 years. Refrigerator cars and fast freight have made possible a market in northern states in the winter for tomatoes from the south and California. The result is that growers have devoted more acreage to tomatoes.
