## AROUND ATOWN

Sights and Faces Seen

"We may need one of these after next week," said Frank Daniel, eyeing the postage scales.

It's not that the restaurant business is expecting any big increase of correspondence, he explains; but the scales will be necessary to measure out the correct number of ounces of meat in each serving after rationing goes into effect.

And it is not just clothes that have "victory models." Jesse Stanford was showing off a new victory model platform rocker yesterday—and, while the chair rocks, the customer can look a long time before he finds any springs.

If Hereford had had any serious power line trouble Tuesday morning, it would have been just too bad; because someone stole the three back tires and spare (complete with wheels) off the Southwestern Public Service Company pickup as it was parked by the office Monday night. Luckily, the company has a trailer with wheels the right size for the pickup, so a substitute was rushed out until some tires the right size can be purchased.

Flash! The Christmas Season is really over—and there is conclusive proof in the fact that John Wood washed the Christmas greeting sign off his window Tuesday.

## Winners In Decoding Contest Announced

Out of a field of 65 entries in the Star Theatre decoding contest, the following winners were today announced:

First place, Mrs. R. A. Daniel, \$7.50; second place, Troy M. Womble, \$2.50; third place, Jessie Ann Buckner, \$1.50; fourth place, Edward Young, War Bond Album; fifth place, Mrs. Nona Jewell, Hereford Brand Cook Book.

All five of the above winners were said to have been perfect in accuracy and placements were awarded on time entered.

Twelve prizes of two theatre tickets each to the following were also awarded to Coleman L. Wright, Jeanne Albracht, Mrs. R. R. Willis, Mrs. Glenn S. Parker, Mrs. J. D. Neill, Mrs. Malcolm Cassells, Mrs. R. P. Vernon, Mrs. H. P. Wood, Mrs. Cliff Estes, Mrs. A. J. Schroeter, Mrs. J. E. Young and Mrs. Chas. Green.

Winners may receive their awards by calling at the Star Theatre Box office.

## New Partners Take Over At City Drug Store

Announcement of the purchase of the City Drug Store by W. L. Alexander and Robert A. Singer was made this week. The change in management will be effective April 1, 1943, and the firm will continue to operate under its present name.

New owners of the store will be W. L. Alexander and Robert A. Singer, his son-in-law.

Mr. Alexander is already known to most people in this community, having first come here with the City Drug in June 1920. He left in January, 1922, but returned to the store again in January, 1929. Since that time he has been employed by the LeGrand brothers and points out that he has filled 80,000 of the 165,000 new subscriptions now on file in the store.

Mr. Singer, also a registered pharmacist, will be the other partner in the firm. He comes here next week from Slaton, where he has been engaged as pharmacist for the past three years. Like Mr. Alexander, he has spent the greater part of his life in the drug store business.

In making the announcement, L. L. LeGrand and Geo. L. LeGrand, present owners of the store, said they expect to devote their main interest in the community.

## Red Cross Contributions of \$3.66 Per Service Man . . . Is It Enough?

### Medical Packman

(Army Signal Corps Photo) He's carrying 50 pounds of medical equipment in addition to his regular pack, is this soldier "somewhere in Australia." The netting becomes bedding at a jungle hospital.

"Is \$3.66 for each service man from Deaf Smith County a large enough contribution for our citizens to make to their Red Cross War Fund Drive?"

That is the question of S. P. Rosson, chairman of the drive, who states that thus far only \$2,400 has been collected. "There are 650 men from this county now in the U. S. Armed Forces," Mr. Rosson continues, "and I think we could afford to ask ourselves the question—does our contribution measure up to the contributions these boys are making?"

Specifically, the chairman points to the fact that rural communities thus far have failed to contribute generously. For example, one prosperous farming community near Hereford turned in \$14 to the Red Cross—mostly in \$1 memberships; and that, according to the chairman is not the type of support which will bring Deaf Smith County even near the original goal of \$4,100.

In general, the cause of lack of Red Cross support is ascribed by the chairman to the fact that people still have not thought enough about the problem to realize that the Red Cross is doing a vastly increased task as more and more American soldiers go into service, and that the support of this great humanitarian work can come only from the people themselves.

Urging that citizens think of the matter as a personal responsibility, not only to the local boys but to Americans from every section of the country, Mr. Rosson urges increased contributions to put the county over the top within the next few days.

## Osborn Takes Over Phillips 66 Station

Stating that he has taken over the Phillips 66 Station on Highway 60, W. P. Osborn announced this week that he is moving his "OK" tire repair and recapping equipment to the new location and hopes to give better-than-ever service, both in the tire repair and service station business.

Mr. Osborn has increased the crew at the service station and will offer a complete line of Phillips oils and gases. Also just received at the station this week are a new stock of the No. 3 tires collected by the government in the rubber drive last summer.

"There are some really good tires in this stock," Mr. Osborn states, adding that in most cases some slight repairs on the old tires can put many added thousands of miles into the casing.

## Still Some Farm Plan Sheets To Be Signed

Although the regular community meeting program for signing up of farmers in the 1943 farm production program has been completed, there are still farmers in the county who have not signed plan sheets, it was announced this week as the farmers were asked to stop at the AAA office and complete the farm plan sign-up.

These completed farm plan sheets are needed immediately in the national food production so that Uncle Sam may have some idea of the anticipated farm production this year, according to N. E. Gass, chairman of the county USDA War Board.

Farmers and interested citizens generally are eager to see the result of the farm plan sheet in Deaf Smith County. After results are tabulated, an accurate check can be made of the effect on farm production of such factors as machinery and labor shortage.

## Election To Be Saturday, April 3

Three trustees for the Hereford Independent School District will be elected Saturday, April 3, it was announced today by W. Jesse Stanford, president of the Hereford School Board. The election will be held at the courthouse.

Terms of D. H. Alexander, Cliff Hicks and Louis LeGrand expire, and no candidates have made formal announcement for the positions. However, a petition has been circulated asking that the three retiring trustees be returned for another three-year term.

Other trustees, whose terms have not expired are Will E. Kerr, S. P. Rosson and Homer Dunlap.

## Soy Bean Loan Program Gives \$1.75 Top Price

According to early indications, Deaf Smith County farmers will probably exceed the county goal on soy beans in 1943, and the new loan program announced here this week by N. E. Gass, chairman of the county war board, will assure a fair price for the crop.

The base loan and purchase rate on No. 2 yellow soy beans with 14 per cent moisture content has been announced at \$1.70 a bushel according to Mr. Gass. Slightly higher than the 1942 base rate of \$1.60 a bushel, the increase takes into consideration higher production costs prevailing this year.

Premiums for low moisture content and discounts for other quality factors will result in prices of from \$1.75 to \$1.57 for green and yellow soybeans, according to grade and moisture content.

Farmers who plant at least 90 per cent of their war crop goals will be eligible for the loan, which will be made only on soybeans which grade No. 4 or better and have a moisture content of not more than 14 per cent.

Loans will be made through Jan. 1, 1944. Consent for the storage of soybeans on farms until July 1, 1944, will be required. A farm storage allowance of seven cents a bushel will be advanced at the time a loan is completed and will be included in the amount of the loan.

## Rodeo Sunday Will Start Weekly Series

A rodeo with real, top Western entertainment is promised for Sunday afternoon by Dick Walker and Ralph Sears, managers for the group which will sponsor the show this week and each succeeding Sunday until further notice.

Calf roping, goat roping, steer riding and match roping will be featured, and a big street parade will start off events at 1 o'clock. The main show will start at 2 o'clock and will be held at the first corner to the right, across the creek, south on Main.

## Nazi Equipment Called Excellent

Cpls. George F. Doriot, kneeling, and D. H. Cowles inspect German equipment captured recently, which they class as excellent (aluminum tent stakes). Two dummies in background are clothed in Afrika Korps, left, and regular combat uniforms.

## Funeral Rites Of Pioneer Mcht. In Waxahachie

Funeral services were held Wednesday, March 17, in Waxahachie for J. A. Fox, 72, pioneer resident of this community. Attending from here were three brothers, Doug, Ollie and Homer Fox; Mrs. Homer Fox also attended the services.

J. A. Fox was born Oct. 21, 1870, in Tennessee, and came to Texas in 1876, when his family settled in Navarro County. He married Blanche Mathis of Dawson, Texas, 47 years ago.

In 1898 they moved to Hereford to make their home. Because they could not find a place in the small community to live or to store their furniture, they moved into an old abode house on Frio Draw and remained there until they could build a small house on their own land, which was also on the Frio. Their first home stood directly south of the Scheiffel place.

In 1900, the Fox family moved to town and built a two-room house on 25-Mile Avenue, where T. E. Shirley later built his home. This same year they built a home at the corner of Tenth Street and 25-Mile Avenue, and it was in this home that their daughters, Ruth and Esther were born. In 1911, they built a large home in the same block; this place was destroyed by fire in 1932. Also in 1900, J. A. Fox opened Hereford's first mercantile store. The building was located where Hunter's Grocery now stands. Later, Mr. Fox and his uncle, J. H. Galbreath, constructed the building now occupied by the Vogue, and began operation under the firm name of Galbreath and Fox Trading Company. In 1914, Mr. Fox bought a general mercantile business in Friona and in 1914 moved the Friona Store to Hereford, along with another large dry goods store which he owned in Erick, Okla.

Consolidation of these three stores marked the formation of Fox Mercantile Company. The (Continued on Page 10)

Field Worker for State Dept. Has Office Here

Mrs. Marzelle H. Miller this week began her duties as field worker for the State Department of Public Welfare in the old age assistance program. Her offices will be in the courthouse, across the hall, east from the office of Mrs. Dyalinda Brady, county welfare worker.

Mrs. Miller will have Castro, Oldham, Palmer and Deaf Smith counties in her territory but will make her headquarters in Hereford. She has not yet received a schedule of her visits to the various counties.

## N. Plains Church Convention To Meet Tuesday

Stating that a good interest is being manifested in the series of revival services now being conducted by Rev. J. C. McCluskey, Rev. Homer T. Goodwin, pastor of the Assembly of God Church, today announced topics for the remainder of the week and invited the public to attend and enjoy Rev. McCluskey's ministry.

On Friday night, March 26, the subject will be "Coming World Dictator"; Sunday morning, (Continued on Page 10)

## Farm Women Of County Study Market Problem

A representative group of Deaf Smith County farm women Saturday afternoon heard Miss Myrtle Murray, extension service home industries specialist, outline plans and possibilities for an exchange of home grown foodstuffs to help solve food shortages and to release commercially processed foods for the Army and Lend Lease.

Pointing out that government regulations forbid the sale of farm-canned products except through a registered dispenser and under regular rationing regulations, Miss Murray pointed out that some means of exchange may still be worked out providing no money is exchanged in the process.

The county marketing committee, under the chairmanship of Mrs. Ira Ott of Wyche, is now going forward with plans for some method of distribution for surplus foodstuffs, working on Miss Murray's statement of the situation—that there will be one-third less food on grocery shelves this year and that the locally produced foods will be urgently needed if a means of distribution can be worked out. The committee is considering the plan for a bulletin board to be placed in some central location and to list the surpluses in all parts of the county. Care will be taken not to undersell the local merchant on this fresh produce.

Present at the meeting Saturday were Mesdames R. L. Campbell, Ira Ott, Lillian Wilson, Cecil Dobbs, T. L. Sparkman, Fred Axe, Aldon Hawks, W. A. Springer, E. T. Brooks, Lewis Harvey, Horace Hershey, A. C. Hershey, O. B. Russell, E. W. Womble, H. M. Benson, Joe Wagoner, Glenn Hester, Clarence Hollabaugh, O. L. Sutherland, Earl DeHart, Frank S. Wilde, J. T. Richardson, Martin Kaul and O. F. Hicks.

## New Ration Program Goes Into Effect on Monday, March 29th

### Greenbugs Take Toll In Wheat Fields of Area

In a country where the wheat crop is generally lost not less than ten times each season, it is difficult to sell the population on the idea that it can be completely wiped out the first round.

Farmers and grain dealers insist, however, that unless drastic weather changes occur there will be extremely scant harvest in the Hereford territory this year.

Damage is due entirely to Greenbug infestations which are exceptionally heavy. Field after field of wheat is "turning brown" as the bugs take their toll in fields which offered the best prospects since 1929.

Producers are unable to combat the bugs in any manner. Hot, scorching days are the only remedy for the situation, according to most people. Others say that heavy rains might eliminate the hazard, but this statement usually ends in an argument.

Farmers who have irrigated their wheat report that it turns green again—and then the bugs really move in.

If present cool weather continues, reports state that the 1943 yield will be meager, depending largely upon volunteer stands which seem less infested.

Meanwhile, the farmers are helpless. They can only sit and watch—and pray for hot weather.

## Loan Rates For Barley and Grain Sorghums Higher

Producers of grain sorghums and barley in Deaf Smith County will receive higher loan rates this year than they did in 1942, under the loan program announced this week by the Commodity Credit Corporation through the local USDA War Board. Loan rates will be from 25 to 32 cents higher on grain sorghums and from 15 to 20 cents higher on barley.

Loans on barley and grain sorghums stored on farms will be secured by chattel mortgage and if stored in approved warehouses the security will be warehouse receipts. Loans will mature on demand but not later than April 30, 1944 for barley and not later than June 30, 1944, for grain sorghums.

Loan rates, according to grades, on barley will be No. 1, 75 cents per bushel; No. 2, 73 cents; No. 3, 70 cents; No. 4, 67 cents; and No. 5, 60 cents. Farm stored grain sorghum rates have been scheduled at: No. 2, or better, 85 cents per 56 pound bushel; No. 3, 80 cents; and No. 4, 70 cents.

Discounts at 2 cents per bushel will apply on both barley and grain sorghums, grading mixed.

To be eligible for loans on either crop, a farmer must plant at least 90 per cent of his war crop goal. Loan rates for warehouse stored grain will be 7 cents less than the farm-stored rate.

## March 31 Deadline Date For Application For AAA Payments for '42

Farmers are reminded this week to go by the AAA office immediately to sign applications for farm conservation payments. Less than a week remains in which to sign these applications and there are still many farmers in the county who have not signed for payment, according to AAA employees.

March 31—next Wednesday—has been set by the State AAA Committee as the last day to send in applications for payment under the 1942 program and farmers are urged to come by the office within the next few days and get the signing completed.

The process of not eating is getting simpler.

At least, that is the boast of OPA announcements which this week proclaim simplicity as the big virtue of the meats and fats rationing program which goes into effect Monday, after a week long freeze on the sale of butter, margarine and cooking fats.

Included on the new ration list will be all meats and many cheeses as well as salad oil and shortenings, butter and margarine, canned fish and many other items; but from the point of view of the housewife who does the shopping, it will be a comparatively simple matter, says O. P. A. And since most of the rationed items come much more under the head of necessities than the canned goods now being rationed and which are reported to be stacking up on grocers' shelves because housewives simply hate to go through the red tape of using their stamps, the probability is that, simple or not, the new rationing procedure will be mastered by the harried housewife.

The newly rationed foods will be sold on the red stamps in the No. 2 ration book, so no registration of any kind will be required.

When rationing begins on March 29, the first set of stamps, marked A, will be worth 16 points. On each succeeding Sunday throughout April, an additional set of stamps will be validated and all these stamps, from A through E inclusive, will remain in use all month, making a total of 80 points per person for April.

Retailers Can Make Change  
Another difference in the use of the red stamps is that it permits retailers to make change in stamps when a customer finds it impossible to give the exact amount of valid red stamps when making a purchase. Only one-point red stamps of any series currently valid may be used for making change. Customers are reminded that they must use stamps they receive in change by the end of the month in which they are issued and before they expire, just as they must use the stamps in their own books.

Point prices of different cuts of meat will be different, just as the point price of apricots and peas, for instance, is different. However, there will be no difference in point price between different grades of the same cut of meat nor between different (Continued on Page 10)

## Baptist Meeting To Continue This Week

Stating that revival services have gotten off to a good start and that prospects are for a successful meeting, Baptist Church leaders again this week invited the public to attend the special services, which will continue through April 4.

Rev. W. F. Ferguson is bringing the messages at services being held each day—at 10 o'clock in the morning and 8:15 at night, with a regular evening prayer service at 7:45. The regular worship hours are being observed on Sunday morning with Sunday School at 9:45 and the preaching service at 10:50.

## District President To Attend Music Festival Saturday

Mrs. Cortez Dowlen of Happy, president of the Seventh District Texas Federation of Music Clubs will be present at the competitive festival for the junior division of the seventh district to be held in Hereford Saturday afternoon, starting at 2:30 o'clock at the Methodist Church, it was announced today by Miss Mattie Mae Swisher, director of the festival.

The general public is invited to attend the festival and to hear Mrs. Dowlen's talk on the significance of music in present day affairs.  
A large number of entries have already been received, both from Hereford and around the district. The district festival is sponsored by the Texas Federation of Music Clubs and is one of the leading of the grading of

## Do You Remember?

MARCH 20, 1903.  
C. H. Whittington, manager of the LS ranches at Tascosa, Oldham County, was in El Paso last week to sell the celebrated LS ranch property consisting of 190,000 acres of patented lands.

The mass meeting of the Baptist Church last Friday night, while not largely attended, was enthusiastic enough. The purpose of the meeting, as previously stated, was to consider the advisability of trying to secure for Hereford the Panhandle Baptist College, and to adopt means looking to that end. It was the unanimous sentiment of those present that the Baptist College would be a very great benefit to Hereford, and that a united effort should be made to have it established here.

The very latest shapes, shades, favors and fads in hats, from the chic Eth street hat to the swell dress hats which are perfect creations of art. At Miss Wright's.

Mr. and Mrs. Geo. F. Caylor received a long looked-for letter from their son Fred last Wednesday. Fred is a Second Lieutenant of the 478th Aero Squadron. The letter stated that he

## Loosens Up Thick Choking Phlegm of BRONCHIAL ASTHMA!

Spend 45c today at any good drug store for a bottle of Buckley's CANADIOL Mixture (triple acting). Pour yourself a teaspoonful, let it lie on your tongue a moment then swallow slowly. Feel its instant powerful effective action spread through throat, head and bronchial tubes. Starts at once to loosen thick choking phlegm making breathing easier. No claim is made that Buckley's is a cure for Chronic Bronchitis or Asthma but sufferers often find Buckley's CANADIOL Mixture (the largest selling cough medicine in all Canada) eases coughing spasms and loosens up that choking phlegm which seems to clog the tubes and makes breathing difficult. Many get better night's rest.

Vesle Hicks.  
Marilyn Legg spent Friday and Saturday with Janette Euler while the rmother attended the teacher's convention. Marlene and Billy Tandy stayed with Gertrude Atchley.

H. A. G. Gregory and children moved to Hereford last week. Miss LaVerne will work for Mrs. J. A. Pitman and continue her school work at Hereford High. Mr. and Mrs. R. A. Williams and family moved to Dawn last week. The school will surely miss Raymond Dale, who was in the second grade.

The school children report a total of \$52.30 in their Red Cross Drive. Charlene Lee and Leaton Clark were first prize winners in Mrs. Shaw's room. Marilyn Legg and Douglas Hicks won second. Prizes were Defense Stamps.

Red Merrill is now driving the bus formerly driven by his father, Virgil Merrill. Mr. and Mrs. B. E. Roberson and family were in Amarillo Friday.

Mr. and Mrs. S. L. Walser and Mrs. Lena Lance were Sunday afternoon visitors in the home of Mr. and Mrs. Earl Lance.

Mrs. J. L. Lookingbill had as guests Sunday her three nieces and their families from Anton and Lubbock.

Mr. and Mrs. Jim Clark and sons were supper guests Saturday night in the home of Mr. and Mrs. L. L. Beck of Amarillo. Mrs. Clark and Mrs. Beck are former W. T. S. C. classmates. Mrs. Beck taught the Jumbo school.

An interesting debate was given Sunday evening at the B. T. U. hour. The question debated was Resolved: That the friendship of Naomi and Ruth was greater than the friendship of David and Jonathan. On the Affirmative were Mrs. Jim Clark, Mrs. D. C. Walser and Mrs. Tandy Legg. Speaking on the Negative were Mrs. J. B. Noland, Mrs. M. D. Hexrode and Mrs. O. B. Sumner. The judges declared the negative speakers as winners.

Wayne Walser celebrated his ninth birthday when his mother, Mrs. Guy Walser, entertained with a dinner Sunday. Guests were his grandparents, Mr. and Mrs. Lee Curry and Mr. and Mrs. C. R. Welsler. Other guests were Richard Clark and Miss Pearl Prachar.

# HAVE YOU FORGOTTEN ABOUT SCRAP?

## What Is SCRAP?

When an article is worn out, obsolete, or otherwise useless—it is still far from worthless! Then it becomes "SCRAP," and Scrap is one of America's most vital needs today.

For this "SCRAP"—the miscellaneous junk that clutters basements and lies around back yards—is actually a raw material. And it is necessary to the forging of Victory.

## THERE ARE MANY KINDS OF SCRAP MATERIALS

... but America's greatest needs today are for these kinds of Scrap:

- RUBBER
- COPPER
- LEAD
- ALUMINUM
- MANILA ROPE
- TIN
- BRASS
- ZINC
- BURLAP
- RAGS
- SCRAP IRON AND STEEL
- WASTE FATS AND GREASES

## SEEDS of ADVICE

from  
The Garden Club

(Note—The following article about the methods of combating with gardening difficulties was written by O. B. Howell, professor of horticulture, Texas Technological, Lubbock, for the Hereford Garden Club.)

It is believed that West Texas has more than its share of obstacles to easy gardening and to combat them all at once would be a formidable task. While it is difficult to choose the most important limiting factor of plant growth, there are some major obstacles to successful gardening in this vast area populated by prairie dogs, buffalo

grass, horned toads, mesquite trees and jack rabbits, that can be minimized with the study of control measures.

First, the wind. Prevailing high winds during the most active growing period causes the tops of trees and pyramidal evergreens to lean to the north to prevent the "leaning tower of Pisa" angle. This one has an easy solution—simply plant the tree with its strongest root and strongest branch toward the direction of the prevailing winds, and at the same time lean the trees approximately 5 degrees toward the south. The pre-

vailing wind varies in direction throughout West Texas, so determine the direction before you plant. Outlying gardens may be protected by windbreaks of close planted, fast growing trees and shrubs.

Next in importance is the lack of rainfall and high temperatures. If your garden needs excess water to survive and you do not have a well, you can beat the rap by growing those plants which tolerate brilliant sunshine and need little water to perform their usual functions. Search out the trees, shrubs and flowers that meet these requirements. There are many like Buffalo grass, Bermuda, zinnias, marigolds, dahlias, trees, shrubs and plants that have survived hundreds of years under conditions we try to fight.

Next the soil. Most of northern and western Texas is predominantly a tight sandy clay loam soil which spades like fresh butter in the spring. Naturally, a soil which bakes easily hinders tiny seedlings in coming through the hard crust. Some form of organic material incorporated in the soil will make it porous and easy to work and water. One of the cheapest and the best is cotton burrs laid on the

bed 8 to 12 inches deep in the fall and dug into the soil in the spring. This has a dual purpose of being a prospective mulch in winter and as a humus builder throughout the year.

Worms, bugs, and disease difficulties are somewhat sidestepped by selecting those plants which show immunity or resistance to pests. If plants become yellow, red, striped, spindly or sick looking, you doubtless have a soil problem. Either you have an overabundance of one or more minerals in your soil or else the soil is deficient in one or more of the necessary minerals for plant growth. You will save money by having your soil tested and knowing what it needs.

Another great difficulty or fault, is the use of plants unsuited to this location, water supply, temperature, soil or wind. Check up on the native habitat of a plant to find out under what conditions, such as climate, soil, water supply, and exposure, before you try the plant—unless you are that type of gardener who sees in every exotic plant a challenge to adapt it to your garden. It can be done, but only after you know what obstacles you must surmount.

Starting seeds in hot beds is a faster and surer method if you have difficulty in bringing your plants through during the seedling stage. There are numerous kinds of hormones on the market to make seeds faster and have sturdier root systems.

Sometimes blossom buds fall from plants before they have a chance to bloom—check the soil and spray with hormones. They have special hormones, too, that prevent blossom and fruit drop. There are even kinds which, when sprayed on dormant trees, will prolong the dormancy until all danger of frost is past. If your plants need moving and you're afraid that you will lose them by transplanting, treat them with Vitamin B1 and they will stand the shock. If you like to root your own plants from cuttings and have trouble with failure to root—dip them in hormones.

If your difficulty is only that you cannot produce larger flowers, longer stems or more flowers than someone else, your only recourse is to use the new chromosome-doubling compound called "colchicine." This material when applied correctly to flowers, causes all sorts of variations as you have doubtless seen pictures of seven-inch marigolds and calendulas. Anyone can do it by following instructions.

Mr. and Mrs. Ike Holman spent Sunday here with her parents, Mr. and Mrs. Glenn Snyder.

## LA PLATA CLUB HEARS REVIEW OF SHORT STORY

A short story review and discussions of South American countries marked a meeting of the LaPlata Club Tuesday evening March 16, in the home of Mrs. Chas. Hardwick.

The program was presented by Mrs. Urilin Streu who read a paper on New Granada which has been prepared by Mrs. Lorraine Sisk, and by Mrs. Gordon

Taylor who reviewed the short story, "Country Girl" by Luis Tablanca.

Mrs. Sisk's paper dealt with Columbia, the New Granada, its population, industries, people and products and brought out the fact that the people are pro-Nazi and that the country produces more gold and oil than any other South American country.

Mrs. Taylor's story was taken from Fiesta in November and the story concerns a Catholic family, natives of New Granada,

and the love story of the daughter.

Members attending were Mesdames Wayne Evans, Meade Halle, Lynn Kester, D. C. Kinsey, A. J. Schroeter, R. S. Scott, T. E. Seigler, Jr., Urilin Streu, Gordon Taylor, R. R. Willis, Lillian Wilson, Woodrow Wilson, Gaylord Newell and the hostess.

E. B. Black returned home Thursday after spending the past two months in South Texas and Alabama with relatives.

## Winter Wonderland Theme Used At Annual Junior-Senior Banquet

Unescorted girls seen drifting into banquet hall! This is exactly what happened at the Junior-Senior banquet.

During the reception in the auditorium, the boys decided to go on an excursion tour on the second floor of the Baptist Church. As a result, the girls went into the banquet hall without their dates. Deciding that there could be no banquet without men, someone was sent to inform the boys that it was time to eat.

The Senior class was entertained by the Junior Class with a banquet Thursday night at the Baptist Church. Since it was a North Pole banquet, decorations were centered about a snow covered igloo with northern lights reflecting on icebergs beyond the igloo. Colored lights and candles showed from behind snowbanks in the windows and around the room.

White candles in igloo candle holders carved out of white soap was the only room lighting used, and on frozen ponds surrounded by snow, tiny eskimos made from pipe cleaners skated around gaily. Seals balancing balls on their noses with individual names on the balls guided guests to their places. Programs and menus were printed on blue icebergs in eskimo dialect.

Eskimo maidens dressed in white pinafores served to the hosts and their guests the following menu: Floating ice-cocktail; Fried penquin-fried chicken; blubber-gravy; northern lights-beets; hot coals-green beans; igloos-potatoes; reindeer salad; snowballs-rolls; polar cubes-butter; snow pudding-ice-

cream; antarctic delight-Angel food cake; frost crystals-pickles and olives; eskimo heat-iced tea.

Singing "The More We Get Together" opened the program for the evening followed by the invocation by G. P. Owen. Christine Smith, president of the Junior class, extended a welcome to the guests with the response given by George Weems, president of the Senior Class. Billy Boone Whitaker and Bill Dameron gave toasts to the mothers and girls who served and to the faculty, respectively. Various group songs were sung and dedicated to members of the Senior Class. "There Will Never Be Another You" was dedicated to George L. and Frances Lee. To Wanda Jean and Daniel Russell was dedicated "For Me and My Gal." "When Johnny Comes Marching Home" was dedicated to Mr. Holston. "Dear-ly Beloved" was dedicated to Nona Deen Rose. "Let Me Call You Sweetheart" was dedicated to John Douglas Pitman and Carlisle Rae Frye. "When the Lights Go on Again All Over the World," sung by Frances Golle-hon, was dedicated to Mr. Kin-nard. "Ode to the Seniors" com-posed by two Juniors was sung by the Junior Class.

Then to make sure everyone remembered how the Seniors carried on their affairs, Mary Ruth Russell gave a history of the Senior Class. Following this, an octet composed of Juanita Wiseman, Erva Fluitt, Margaret Barrett, Ellen Posey, Bobby Jennings, Gerald Smith, Thurman Williamson and Billy Dameron, sang "Winter Wonderland," accompanied by Mrs. T. W. Rober-son.

Introduced as a "wandering iceberg", Phyllis Radovich gave a farewell to high school and a few facts concerning the society of the Senior class from Central School days on to the present. All good things must come to an end, so with a few words from Christine Smith, the octet sang "The End of a Perfect Day",

and left everyone with the impression of having a perfect evening.

Among the guests present, other than the Juniors and Seniors, were members of the faculty, Mrs. T. W. Rober-son, and A. E. Davies, Jr.

## SUMMERFIELD STUDY CLUB HEARS REVIEW

Mrs. L. L. Cannon entertained members of the Summerfield Study Club at the regular meeting Thursday afternoon, assisted by Mrs. Britt Clark as co-hostess.

The program for the afternoon was a book review, "Alaska At Arms," written by Jean Potter. Mrs. Jim Clark gave the review and brought out the following facts. "The future of the United States may well depend upon Alaska, that great region which the U. S. bought so casually and in a haphazard way through the years. An enemy in possession of Alaska would be within 720 miles of Seattle, Wash., and less than four hours away as the bomber flies. In the hands of the U. S., Alaska is an important defense base and it may be the springboard for an attack upon Japan. General Wm. Mitchell once said, 'Alaska is the most strategic place in the world and that is quite true either of Europe, Asia or North America for whoever holds Alaska will hold the world.'"

Those present were Mesdames B. E. Roberson, O. B. Sumner, Chas. Noland, D. C. Waiser, L. H. Lookingbill, Otho Noland, Cecil Lookingbill, Lee Curry, W. Boston, Jim Clark, C. R. Waiser, Ross Royce, M. D. Rexrode, J. B. Noland and the hostesses.

## PIANO RECITAL GIVEN SATURDAY

Mrs. Harry Seel presented a group of piano pupils in a mid-term recital at her home Saturday afternoon.

Selections included solos, duets and trios and included beginners work as well as advanced students presentations. Mothers of the students were guests and after the recital the students assisted Mrs. Seel in serving refreshments.

Some of the pupils who should have been included in this group were unable to appear. Those taking part in the recital were Alice Jean Rutherford, Elaine Cox, Mary Katherine Carroll, Betty Morrow, Sallie Womble, Elaine Thompson, Rosemary Phillips, Helen Ann Pitman, Cornelia Ann Bateman, and Marcel-la Blue.

## SEWING CLUB IS ENTERTAINED

Mrs. Lee Caldwell entertained the Jolly Workers Club Thursday afternoon. Members voted to bring strained grease and fats to the next regular meeting, which will be sent to the government for war purposes. Books for the soldiers will also be donated. Mrs. Chas. Calloway received the penny gift.

Refreshments were served to Mesdames Roy Byrd, J. B. Sow-ell, Steve Williams, Clarence Strange, Chas. Shipley, Hunt-zinger, Wood, John Turner and the hostess.

## STANFORD CLASS ENJOYS OLD-TIME BOX SUPPER PARTY

Members of the W. J. Stan-ford Class of the Methodist Church were entertained with an old-fashioned box supper at the church Friday night.

T. E. Seigler, Jr., president of the class, was in charge of en-tertainment features. The men drew names for the ladies' boxes and later forty-two games provided diversion.

Those enjoying the party were Rev. and Mrs. M. M. Beavers, Rev. and Mrs. Marvin Boyd, Messrs. and Mesdames H. V. Wil-lliamson, O. L. Rutherford, T. E. Seigler, Jr., Walter Dunlap, Wm. McGehee, W. J. Stanford and C. F. Moore.

## PARTY OBSERVES EIGHTH BIRTHDAY

Little boy friends of Paul Bry-an Schroeter helped him cele-brate his eighth birthday Sat-urday when his mother, Mrs. A. J. Schroeter, entertained with a party in the afternoon.

Outdoor games were played and a candle topped birthday cake was a feature of interest. Refreshments were served to Jerry Witherspoon; Timmy Cor-bett, Don Ray Veigel, Kenneth Brock, Ray London, Alex J. Schroeter and the honoree.

## "Texas Day" Program Featured At Meeting Of Bay View Club

Mrs. C. F. Moore was hostess for a "Texas Day" program given by members of the Bay View Club when they met for the regular meeting Thursday after-noon.

Mrs. H. L. Broadwell was lead-er and conducted roll call on "Why I'm Proud to be a Texan". The seven native Texans present were Mesdames Broadwell, J. W. Spradley, Marvin Boyd, A. M. Jones, Essie Cardwell, Paul Mathers and Bob Wilson.

In discussing "Texas in our War Effort," Mrs. Broadwell told of the industries of the state that have been converted into the war machine, told of the dehydration plant at Den-ton, the egg powdering plant at Denison, and brought out the fact that so far Texas has sent more men into the armed forces in proportion to its popu-lation than any other state, and that the Panhandle has sent more men than any other part of the state in proportion to its population. Mrs. Broadwell was assisted by Mrs. Essie Cardwell in conducting a round table dis-cussion on the Army training camps and schools of the state. Mrs. Paul Mathers read a pa-per on the book "Texas Child-hood," by Evelyn Miller Crowell, prepared by Mrs. Clara McLean. Members attending the meet-ing were Mesdames D. H. Alex-ander, H. L. Broadwell, Essie Cardwell, H. G. Conkwright, T. M. Dameron, E.W. Harrison, A. M. Jones, J. W. Kirby, Paul Ma-

thers, G. A. F. Parker, F. T. Rolo-son, J. H. Sears, J. W. Spradley, Bob Wilson, Marvin Boyd and the hostess.

## MRS. SLAGLE HOSTESS FOR NEW DEAL CLUB

New Deal Club members en-joyed bridge games at the home of Mrs. Sylvester Slagle Thurs-day afternoon. Three special guests were invited to play with members. They were Mrs. Grant Fuller, Mrs. Ralph Roden, and Mrs. Meade Halle.

Sweet peas gave the floral ac-cent to the party and the de-fense stamp awards went to Mrs. Meade Halle high and Mrs. Grant Fuller second high.

A colorful salad plate was served to the guests and the fol-lowing members Mesdames: Louis Woodford, Ralph Hastings, Wil-lis Edelman, Troy Moore, Jack Bradley and the hostess.

Miss Mary Beth Hicks who has been employed in Amarillo for the past several months, has returned to Hereford and is now employed at the Fraser Milling Company. She is the daughter of Mr. and Mrs. C. M. Hicks.

## PERSONALS

Miss Mary Elizabeth Stanford, home economics teacher in the Friona public school, is spend-ing this week here at the home of her parents, Mr. and Mrs. W. J. Stanford, because of ill-ness.

Miss Mary Anna Roberts has been visiting her sister, Mrs. Ralph Hastings. She stopped here enroute from a vacation in California to Amarillo, where she is employed.

Miss Helen Ann Snyder left Monday for New York City where she will be stationed at Hunter College with a group of Waves. Miss Snyder arrived Saturday from Orange where she has been head of the physical education department in the Orange public schools, to visit her parents, Mr. and Mrs. Glenn Snyder, before joining the group from the south for the trip to New York.

Paul Lyons who is stationed at the Amarillo Flight School, was in Hereford last week for a short visit with his parents, Mr. and Mrs. F. P. Lyons.

**E. B. Posey, Jr., Chosen For Alpha Chi Member**

ABLENE—E. B. Posey, Jr. of Hereford has been honored at Hardin-Simmons University by re-election to membership in the Julius Olsen chapter of Alpha Chi, honorary, scholastic fraternity.

Only those in the upper ten percent of the junior and senior classes are selected each year at Hardin-Simmons for membership in the organization. Consideration also is given high integrity and class attendance records of those named. The members were honored in chapel exercises with presentation of "shingles" by Prof. Otto Watts, chapter counselor. Mr. Posey has been a member of the famous Cowboy band and has been active in intramural athletics on the campus.

**SONS in the SERVICE**

A postcard to end all postcards—in size anyway—was the one received this week by Mr. and Mrs. V. Skypala from their son, Elwood Skypala, who is stationed at the San Diego Naval Hospital.

The card, nearly the size of a standard letter sheet, is a picture of some of the buildings at the big Naval Hospital. That bright postcard green, says Mr. Skypala, is a sure indication of "no greenbugs."

Albert J. R. Ferguson, who

left Hereford March 4 for the Ft. Sill Army Reception Center has been sent to Ft. Eustace, Va., to take his basic training for the Army Air Forces. He is a son of A. H. Ferguson.

Newly arrived at the Dodge City (Kan.) Army Air Field, Pvt. Benjamin T. Atchley, son of Mr. and Mrs. B. A. Atchley of Summerfield, is now attending a transition flying school at the Kansas Base. He was previously stationed at the Dahart Army Air Base.

Sgt. Willard A. Sawyer graduated from the Armament School at Lowry Field, Colo., on March 13. He has been at Lowry Field since graduating from the Harlingen Army Gunnery School in December, 1942.

Sawyer's wife and two children live in Hereford.

**News of WAACs**

Aux. Blanche Poff of Hereford was a member of the unit leaving the First Women's Army Auxiliary Corps training center at Ft. Des Moines recently for service at Ft. Belvoir, Va.

**How to keep an OLD Car Healthy**

**Watch out for these symptoms:**

If your motor gasps, grunts, pants, and puffs... if it seems to be developing hardening of the arteries... if it tires easily, and chews up gas and oil without digesting them... do something, quick!

Chances are that you have made the mistake of thinking that because you use your car less, it needs less care.

So drive to your nearest 66 Service Station. Tell the friendly Phillips man that you want his Care-For-Your-Car-For-Your-Country service. And what a going-over your car will get!

1. Car-conserving lubrication of every moving part, including differential and transmission.
2. Oil change, if necessary.
3. Cleaning and re-setting of spark plugs.
4. Battery check-up.
5. Cooling system inspection.
6. Tire check-up.

If your car does not need all of these services, the Phillips man will frankly tell you so. He's the doctor. Just be sure to take your car to him regularly... every two months at least.

Remember, you are always welcome at the Orange and Black 66 Shield, whether you buy one coupon's worth of famous Phillips 66 Gasoline or merely want water or air.

**SOCIETY**  
**LATIN AMERICA IS TOPIC FOR PIONEER CLUB**

Pioneer Study Club met at the home of Mrs. T. E. Seigler, Tuesday afternoon. Mrs. P. H. Gilliland was assistant hostess.

Mrs. H. D. Reed led the program which dealt with "Current Events in the Allied Countries". Mrs. Reed reviewed the book, "Inside Latin America," by John Gunther, discussing the highlights of the book and reading excerpts for emphasis. Mrs. Bob Higgins told of "Ireland and Iceland" telling of the people, habits and connection in the war.

Those present were Mesdames H. D. Reed, Bob Higgins, J. E. Beyer, A. G. Bell, Burl France, N. E. Gass, J. M. Gilliland, O. G. Hill, E. S. Ireland, J. B. Jones, Ray Johnson, F. M. Kester, Wirt Phillips, Frank Terrell, Al Werner and the hostesses.

**MRS. STAGNER IS HOSTESS FOR LONE STAR STUDY CLUB**

Mrs. Owen Stagner was hostess for the Lone Star Study Club Tuesday afternoon with Mrs. M. H. Wiseman as cohostess.

Roll call brought out reasons "What I Get Out of Club Work." Mrs. Nelson McRight discussed "The Modern Woman's Background," using the book, "Women in the Making of America,"

by H. Addington Bruce as a basis for her talk. Mrs. A. Petersen told about "Her Club and Her Politics," using the book of that name by Edna Lenore Waldo. Members present were Mesdames Roger Corbett, Jack Grady, H. E. Henslee, Jim Higgins, C. D. Kelton, Nelson McRight, Jerry Morrow, Guy Newsom, A. Petersen, Coy Phillips, Earl Phillips, Ralph Smith, Robert Thompson, Liston Wilson, Jimmy Best, W. S. Flutt, Lyle Blanton and the hostesses.

**TEA LEAVES ARE READ AT INFORMAL BUFFET-SUPPER**

An informal buffet supper was given by Mrs. Corrine Jennings at the home of her mother, Mrs. G. R. Howell, Tuesday night for a group of friends.

Piasta colors were used, giving a gay and festive atmosphere for the party and Piasta table service was featured.

Highlight of the entertainment was the reading of tea leaves by Mrs. Jennings when future happenings to individual members of the group were predicted. Quiz games were also enjoyed and prizes were given.

Those participating in the evening's fun were Mrs. Velma Hodges, Clara Wedel, Ruth and Mildred Bowsher, Mrs. A. Petersen, Gertrude and Lillye London and the hostesses.

**Home Demonstration Club Meeting News**

North Hereford Home Demonstration Club met at the home of Mrs. R. A. Fullwood Thursday afternoon.

Reports were heard on the scrap drive and the placing of a sign "Shower for Hitler" on the vacant lot west of the Deaf Smith County Court House. All members are asked to leave their scrap iron and metal there.

Miss Sadie Lee Oliver explained

ed point rationing and urged the planting of Victory gardens in order to release as much food as possible for the armed forces. The traveling basket, which is an added feature of the club for members who have something to sell, was explained.

The next club meeting will be an all-day affair at the home of Mrs. J. P. Jordan on April 1. Refreshments were served to

Mesdames Ernest Runyon, G. A. Frye, Grady Parsons, Earl DeHart, O. L. Rutherford, Fred Barrett, Bob Standifer, Otto Olson, George Parker, Louie Olson, J. T. Richardson, Oscar Vaughn, Carrie Kropff, Bob Edwards, Miss Evelyn Bell, Miss Oliver and the hostesses.

**ANNOUNCEMENT**

**To Our Customers in Dawn Territory**

Mr. R. A. Frye, who has been representing us at Dawn as manager for the past 13 years, has resigned, much to our regret, in order to attend to his personal affairs. We have employed Mr. T. L. Welch, who was manager of our elevator at Black for 9 years, to be manager at Dawn to take Mr. Frye's place. Mr. and Mrs. Welch are now in Dawn. They know a good many people in this county and we expect them to make many friends in the Dawn community and to be a real asset to that neighborhood. We greatly regret losing Mr. Frye as we regard him as a splendid elevator man who has made a real success at that place, but we feel that we are fortunate in getting the Welches — especially during this time of scarce manpower and war emergency.

**We want you to meet the Welches and get acquainted. Thanking you for a very liberal patronage at Dawn and soliciting your continued support, We are, very truly your friends,**

**Farmers Associated Elevators**  
 F. H. OBERTHIER, Secretary.

**WHY Pay Interest**

**The Plan is Simple . . .**

You merely buy up to 70% of your Wheat Allotment in the 1943 program. In other words, you use your own money—without interest!

This gives you money with which to operate in livestock or other businesses which are highly profitable at the present time.

**See Us Today If You Are Interested**

Numerous farmers took advantage of this plan last year and we invite you to discuss the many advantages with some of them!

**Phillips 66**

## Music Study Club Entertains Garden Club At Program-Tea on Monday

Featuring a program built around "Music in Nature" the Music Study Club entertained members of the Garden Club Monday afternoon at a program-tea given at the home of Mrs. S. P. Rosson.

Mrs. W. E. Dameron was leader and in giving a background for musical selections to follow, she discussed the various forms of music manifested in nature. Mrs. Dameron said in part, "All artists of the world have released their deep emotions in music, poetry and paintings and many of them turn to nature for their greatest inspirations. Hundreds of beautiful poems bring the wonders of nature to our doorsteps; nature seems to be the favorite theme of many musicians; Mother Goose rhymes tell nature stories for little children, and it is impossible to think of spring without the song of birds. All nature is a song of rhythm, telling its story of the seasons, its story of life and death in one grand ecstasy of display. Many of the old gardens are spoken of in the Bible—The Garden of Eden, the traditional garden of Arimathea and the Garden of Gethsemane. Today with the whole world in sorrow of strife, we may find comfort and solace at the shrine of our individual gardens of Gethsemane and find peace in supplication and prayer."

Musical numbers included "Roses from the South" played by Mrs. C. H. Dyar; A violin number "Une petite fleur," by Mrs. A. C. Thompson, accompanied by Mrs. J. C. McCracken; "Do You Know my Garden," sung by Mrs. R. P. Conaway with piano accompaniment by Mrs. W. J. Stanford; "Juba Dance" played by Mrs. McCracken, and a chorus, "Welcome Pretty Primrose," sung by the entire club with accompaniment by Mrs. McCracken.

the Mary Louise Beltz concert will be held the latter part of April, the date to be announced later, and admission prices will be as follows: Adults—50 cents, high school students—35 cents, under high school age—25 cents and 10 cents for reserved seats.

Members of the Garden Club attending were Mesdames D. H. Alexander, Dennis Barnard, Lyle Blanton, E. T. Brooks, Homer Brumley, C. D. Carnahan, N. E. Gass, C. T. Guseman, E. W. Harrison, F. M. Kester, Jim Lipscomb, F. H. Oberhiller, L. H. Shore, J. P. Slaton, Earl Springer, E. Ramey, Robert Wagoner, Fred Axe and W. S. Fluit.

## Gift Party Given To Compliment Miss Lance Bride-Elect

A group of hostesses entertained Friday afternoon at the home of Mrs. Ky Lawrence honoring Miss Billie Louise Lance, bride-elect of Guyeth Bogle of Adrian. Hostesses were Mesdames J. B. Noland, O. B. Sumner, M. D. Rexrode, D. C. Walser, C. H. Walser, S. L. Walser, and Jim Clark. The wedding date has been set for Friday, March 26. Appropriate decorations were used and a program in keeping with the approaching wedding announcement was made that

event was presented. Miss Geraldine Kendall gave a toast to the bride-elect and Miss Erva Fluit sang, "A Little House for Two" and "Because", accompanied by Miss Margaret Barber, who also played several piano solos. Mrs. S. L. Walser, assisted by Mrs. C. R. Walser, presided at the decorated tea table and a miscellaneous shower of gifts were displayed in attractive groups.

Guests attending the gift party were Mesdames Guy Walser, Lloyd Lookingbill, Obe Roberson, Otho Noland, Jack Streun, George DeLozier, Elbert DeLozier, Chas. Noland, Ray Johnson, Joq Kendall, J. C. Lance, C. H. Carl, Edgar Moseley, Jeff Roberson, Elmo Lawhon, C. L. Bogle, Earl Lance, O. L. Click, Misses Erva Fluit, Mabel Cannon, Margaret Barber, Geraldine Kendall and Billie Ray Johnson.

Many sent gifts who were unable to attend the party.

## SHOWER COMPLIMENT TO RECENT BRIDE HERE

An informal shower of miscellaneous gifts was presented to Mrs. Angelo S. Fungio, the former Miss Vera Rae, at a party given at the home of Mrs. B. E. Brumley Friday afternoon. Hostesses were Mesdames Gordon Witherspoon, J. C. Reese, B. E. Brumley, S. B. Walker, J. B. France, Louie Olson, and Misses Naomi Brumley, Bonnie Lou Cooper and Juanita Wiseman.

The Brumley home was decorated throughout with blooming pot plants and cut flowers. Tea was served from a lace covered table in the dining room. For entertainment piano selections were furnished by Bonnie Lou Coper and Juanita Wiseman sang several vocal selections. Naomi Brumley presided at the guest book. Mrs. J. B. France presided over the gift display.

Those attending included Mesdames M. H. Wiseman, Fred Henry, Geo. Robertson, C. E. Rea, L. E. Smith, F. D. Ferguson, H. H. Caraway, Gene Williams, C. J. Albracht, H. P. Cooper, Bill Knox, S. E. Channer, Elmer Patterson, Nolle Elliston, V. S. Elliston, W. J. Albracht, Misses Marjorie Morrison, Texie Reynolds, Barbara Robertson, Lavone Lindsey, Marcia Robbins, Jeane Williams and Nona Deen Rose.

Many who were unable to attend the party sent gifts.

Lieut. and Mrs. Roy Hastings left Sunday afternoon for Pampa to spend a few days with her parents, Mr. and Mrs. F. E. Shryock, before leaving for the West Coast where he will report for duty April 3.

## Dawn Teacher Is Bride Of H. H. Miller

The marriage of Miss Genevieve Olsen to H. H. Miller of Dawn on March 10 has been announced here. The wedding vows were exchanged at the home of Rev. Hardy E. Stevens at Dawn. There were no attendants.

The bride was attired in a blue ensemble with matching accessories. She is the daughter of Mr. Gus H. Olsen of Spearman and after graduating from the Gruver High School attended Clifton Junior College and W. T. S. C. Canyon. She will continue her teaching in the Dawn school to conclude the present term.

Mr. Miller is a well known farmer and cattleman of Dawn.

## Two Future Weddings Are Revealed At Announcement Party

At the country home of Mr. and Mrs. Louie Olson, Mrs. Olson and Mrs. Otto Olson, entertained with an informal dinner party Saturday to announce the engagements and approaching marriages of their daughters, Miss Nancy Olson and Miss

Christine Olson, to men in the armed service, both weddings to take place as soon as the prospective bride-grooms are re-stationed.

Miss Nancy Olson, daughter of Mr. and Mrs. Louie Olson, will become the bride of PFC G. W. Duncan, son of Mr. and Mrs. Wm. Duncan of St. Jo, Tex., and Miss Christine Olson, daughter of Mr. and Mrs. Otto Olson, will become the bride of PVT Harold Pettyjohn, son of Mr. and Mrs. W. E. Pettyjohn of Snowflake, Ariz.

The dinner was served buffet style from a table centered with an arrangement of sweet peas and small tables were decorated with boy and girl dolls with the announcement of the engagements on hearts tied to the dainty little couples.

The honorees are both graduates of Hereford High School and both have been attending a business school in Amarillo.

Guests were classmates and included Corrine Hamilton, Gertrude London, Lilly London, Naomi Brumley, Mildred Bowsher, Barbara Robertson, Seletta Robinson and the brides-elect.

Bill Montgomery left Monday for Lubbock to be inducted in the Army Air Corps. He has visited his grandparents, Mr. and Mrs. J. W. Alexander, for a couple of weeks.

### Let's Cook Something

One of the nicest recipes to have at fingertouch is one for cup cakes, for cup cakes can be used as a dessert for all occasions. They are quite appropriate to serve with simple fruit desserts or the centers may be scooped out and fruit put back in its place. They are delightful warm from the oven, and without icing; but of course they are still very good after they have cooled.

Here is another one of those "never fail" recipes used frequently by Mrs. Knox Kinard and one that has been requested by readers of the Hereford Brand.

#### Cup Cakes

- 1 cup sugar
- 1-2 cup shortening
- 1 1-2 cups flour
- 2 teaspoons baking powder
- 2 eggs
- 1-2 cup milk
- 1-4 teaspoon flavoring

Beat shortening and sugar together, add whole eggs one at a time and beat until light. Then add sifted flour and baking powder alternately with the milk, add flavoring and beat until batter is smooth. Bake in well greased cups or gem pans in moderate oven.

To add party accent cut off tops scoop out centers of muffins and fill with crushed pineapple or frozen fruits of any kind. Place top back on and ice with thin icing to which has been added pineapple or lemon juices sufficient to give tart taste.

MRS. JOHN McLEAN, Society Editor — Phone 181

## Miss Betty Shryock Becomes Bride Of Lieut. H. Roy Hastings at Tahoka

Of special interest in the Panhandle is the marriage of Miss Betty Shryock, daughter of Mr. and Mrs. F. E. Shryock of Pampa, to Lieut. (j. g.) H. Roy Hastings, U. S. N. R., son of Mr. and Mrs. Henry Hastings of this city, which was solemnized Thursday night at 8 o'clock at the home of Mrs. Lenore M. Tunnell at Tahoka. Rev. H. A. Nichols read the double ring ceremony.

Tall baskets of white gladioli and pink carnations and lighted tapers formed a background for the ceremony and wedding music was furnished by Mrs. Tunnell who sang "I Love You Truly," accompanied by Mrs. J.

K. Applewhite who also played softly Schumann's "Traumerel" as the vows were exchanged.

The bride, who was given in marriage by her father, wore a pastel pink suit with contrasting accessories. She carried an arm bouquet of white gladioli and calla lilies tied with white satin ribbon.

Mrs. Charles A. Stewart of Ballinger was matron of honor. She wore a white suit and corsage of pink carnations. Mr. Stewart, a flight instructor at the Army Flying School at Ballinger, served as best man.

An informal reception immediately followed the wedding

The bride's table was covered with a lace cloth and centered with pink carnations, sweet peas and fern. The tiered wedding cake was topped with a miniature bridal couple.

Guests included the bride's parents, Mr. and Mrs. L. B. Scruggs of Pampa, Cpl. and Mrs. Carroll, Tahoka; Miss Lottie Jo Townes of Lubbock, Miss Frances Marian Haney, Tahoka; Mrs. Nichols, Edward Singleton of O'Donnell.

After a wedding trip to Texas together the couple returned to Hereford. About April 1, they will leave for the west coast where Lieutenant Hastings will report for duty.

The bride is a graduate of Texas Technological College, where she majored in journalism. She was a member of D. F. D. social club, Forum, Alpha Chi, Press Club, Senior Council, AWS Council, president of Theta Sigma Phi and on the staffs of the Toreador and La Ventana. She is also in the 1942 Who's Who in American Colleges and Universities.

Lieutenant Hastings is a graduate of Hereford High School and attended Texas Tech where he majored in architectural engineering. He was a member of the Kemas Club, varsity track and the band. He received his wings and commission from Pensacola Naval Air Station on Jan. 9, 1942, and for the past fourteen months has been stationed with the U. S. Navy Air Force at Pearl Harbor.

### HEALTH PROGRAM IS FEATURED AT CLUB MEETING

L. A. E. Club met at the home of Mrs. R. L. Pinnell Tuesday afternoon, March 16, for a program on "Health and Safety."

Mrs. Bob Higgins discussed "Fit to Fight and Fit for Life" in which she told of health needs and problems of the youth of America. Mrs. Bill Hutson told about the Scouts Safety Training program, stressing the value of the Boy Scout movement in America and Mrs. C. D. Carnahan discussed "Life Begins with Vitamins," describing the varied vitamin values of food.

Those present for the meeting were Mesdames Jack Dean, Althus Higgins, Bob Higgins, Bill Hutson, T. P. McCollister, T. W. Roberson, George Suggs, C. D. Carnahan, Robert Veigel and the hostess.

Read The Want Ads!

**GROUND**... in the land of the enemy they had just bombed... a terrific saga of the RAF, "One of Our Aircraft is Missing," comes to the Texas screen next Sunday, Monday and Tuesday to tell the thrill-packed adventure of a British bomber crew stranded in Nazi-dominated Europe. A British-made picture, "Aircraft," is hailed as one of the best war films yet made.

## Series of Courtesies, Compliment Dr. and Mrs. William F. McLean

Mrs. Wm. F. McLean who with her husband, Dr. McLean, has been visiting in the home of his parents, Mr. and Mrs. John McLean, was the honoree Thursday afternoon at a tea given at the McLean home.

Pastel colors were used to carry out an Easter theme with spring's first blossoms suggesting daffodil-time.

Refreshments were served from a table laid with a cutwork cloth and centered with an arrangement of deep yellow daffodils in a silver bowl. Daffodil yellow tapers burned in silver candelabra and tea dainties emphasized the Easter theme in shades of pale green, pink, white and yellow. Mrs. W. E. Dameron and Mrs. J. P. Slaton presided at the silver tea service. Pastel colors reappeared in arrangements of sweet peas which were used in the living room.

Others in the house party were Mrs. Seth B. Holman who greeted the guests on arrival, Mrs. Jeff Gilbreath, Mrs. J. B. Stoker and those assisting in the dining room who included Mrs. Knox Kinard, Mrs. Colby Conkright and Mrs. P. H. Gilliland. The receiving line was made up of the hostesses, the honor guest, Mrs. J. E. Kirby, Mrs. Wayne Evans, Mrs. Roy G. Vaughn and Mrs. C. H. Dillehay of Vernon, a former Hereford resident.

### Series of Parties Honor Mrs. McLean

Beginning Wednesday a series of parties complimented the out-of-town guest who is a recent bride. Mrs. W. E. Dameron was hostess at an attractively planned breakfast Wednesday morning. Places were laid for eleven guests and place cards depicted a lovely bride in wedding attire. A mound of varicolored sweet peas centered the table.

Those attending the breakfast included Mesdames Knox Kinard, F. H. Oberthier, Jeff Gilbreath, Seth B. Holman, R. P. Conaway, W. J. Stanford, Harry Seed, Roy G. Vaughn, C. H. Dillehay of Vernon, John McLean and the honoree.

Friday evening Mr. and Mrs. J. E. Kirby entertained with an informal dinner party honoring Dr. and Mrs. McLean as a get-together for old school mates. High school and college days were reviewed and reports on individual interests during the intervening months were enjoyed. The guests were Mr. and Mrs. Wayne Evans and the McLeans. Mr. Evans, Mr. Kirby and Dr. McLean all graduated from Hereford High School the same year and Dr. McLean and Mr. Kirby were roommates for a time at the University of Texas.

A Sunday night supper party honored the couple when Mrs. Seth B. Holman entertained at her home on "B" Street.

Guests were served informally from a table laid in white embroidered linen and centered with lovely yellow jonquils. Places were laid for twelve at tables for four.

Guests who included intimate friends of Dr. McLean were; Mr. and Mrs. W. E. Dameron; Mr. and Mrs. Knox Kinard, Mr. and Mrs. Wayne Evans, Mr. and Mrs. J. E. Kirby, Mr. and Mrs. John McLean, and the honoree.

### Lieut. Hastings And Bride Honored At Buffet Supper

Mr and Mrs. Henry Hastings were hosts at a buffet supper party at their home Saturday evening honoring their son, Lt. Roy Hastings, and his bride, the former Miss Betty Shryock of Pampa.

The supper was served from a large table decorated with sweet peas, pink tapers in candelabra and a miniature bride and groom. Places were marked at

few days with his uncle, Steve Williams, at Hereford.

Fate Shannon of Ft. Sill, Okla., spent the week end with his wife and other relatives.

Mr. and Mrs. Elmer Phillips of Sunnyside visited his parents, Mr. and Mrs. M. J. Phillips Saturday.

Misses Edith Neill and Carrie Neal Russell spent the week end with Miss Russell's parents at Vera.

Mrs. Earl Lust and Lloyd were Plainview visitors Friday.

Mr. and Mrs. Guss Schlobb of Black were guests in the George Bagwell home Sunday.

Mrs. Bryan Sinclair and daughter, Mrs. Fate Shannon, were Hereford visitors Friday.

Mrs. E. R. Rothwell

Mrs. Jones Bradford and Mrs. Graham from Amarillo and Miss Earline Lust from W. T. S. C. of Canyon were guests in the Earl Lust home over the week end and attended Sunday School.

Mr. and Mrs. J. C. Williams attended the funeral of Mr. Sloneker of Plainview Sunday afternoon.

We did not have our regular evening service Sunday as Rev. Williams attended the funeral of Mr. Sloneker.

Mesdames E. R. and Harry Rothwell and J. C. Benton were in Plainview Tuesday on business.

Mrs. Jim Bagwell and J. A. and Mrs. Albert Clubb returned Tuesday night from Farmington, N. M., where they were visiting their parents. Mrs. Clubb returned Wednesday to her home at Floydada.

Mrs. J. C. Benton is visiting a few days with her daughter, Mrs. Harvey Dorlac, in Albuquerque, N. M.

Houston Lust from Sheppard Field spent Wednesday and Thursday of this week with home folks.

Glenn Williams is staying a

## Sabotage in your Garage — Arrest ACID!

THE ENEMY'S forced you to rationing. Now he'd make your engine the victim of vicious acid. The mere stopping of your engine always leaves it stuffed with vile fumes and dilute acids—the ever-present products of combustion. And there they stay.

Formerly these sources of corrosion were kept mostly cleared out, because you drove frequently and fast. But now in saving coupons and tires you may not soon use your car again, and you don't make those long speedy runs that maintained normal engine heat a good while, to help drive acids off. That's why harmful leftovers in the cylinders nowadays are serious. But you can combat their dirty work by keeping your engine internally OIL-PLATED.

How? Just change to Conoco N<sup>th</sup> motor oil this Spring. It's made under U. S. Patent No. 1,944,941, covering an added modern synthetic in Conoco N<sup>th</sup>, whose proved purpose is to give inner engine parts their preservative layer of OIL-PLATING. And like the more familiar platings that arrest the attacks of mere water, this OIL-PLATING powerfully tends to arrest acid action... inner corrosion of precious parts that often can't be promptly replaced today. Yet you pay only an everyday price for Conoco N<sup>th</sup>. Change for Spring at Your Mileage Merchant's Conoco station. Continental Oil Company

OIL-PLATES YOUR ENGINE

### June Dameron Holds School Office at TCU

FORT WORTH—Miss June Dameron, sophomore in Texas Christian University from Hereford, holds one of the 110 student offices in campus organizations and activities.

Apparently the girls are better "politicians" than the boys, for they hold 74 of the 110 offices, leaving the boys in possession of only 39 official titles. Or it might be the war-time manpower shortage again.

Three officers in the usual quota for a T. C. U. student group — president, vice-president and a combination secretary-treasurer. Occasionally there is a corresponding secretary or a parliamentarian, etc.

Miss Dameron is a Council Representative for the Sophomore Class.

### Vega News

MRS. D. E. MCKENDREE

Vega school children enjoyed a holiday last week end, while all members of the faculty attended the Teacher's conference in Amarillo.

Mrs. D. W. Clark was called to Bowie to be near her sister who is in a serious condition from an emergency appendectomy.

Mr. and Mrs. Low Price entertained the friends of their son Leon with a dance at their home Monday night. Leon only had three days at home from a Naval Training camp in Tampa, Fla.

Rev. and Mrs. A. L. Hicks, Mrs. Gene Duncan, Mrs. Roy Horrell and Mrs. D. E. McKendree attended the worker's conference which was held in the Skellytown church, Tuesday and the attendance record showed that the tire and gas situation had made the "share a ride" program, permitted a larger attendance than usual, and a very spiritual meeting was enjoyed by all.

Mrs. Owen Williams has been ill from a throat infection and is reported to be improved but still confined to her home.

Little Nancy Ledbetter daughter of Mr. and Mrs. "Sonny" Ledbetter was able to be brought to her home from the hospital in Hereford yesterday from a case of pneumonia, but will be confined to her bed for several days.

Mrs. Bert Ballard entertained the Woman's Missionary Society

PIRATES, SCOUNDRELS AND HONEST MEN move across the technicolor tapestry of "The Black Swan." Tyrone Power movie scheduled for Sunday, Monday and Tuesday showing at the Star. With Power in the cast are lovely Maureen O'Hara and Thomas Mitchell, Laird Cregar, George Sanders and George Zucco. The picture is based on a Rafael Sabatini novel.

### CHDA NOTES

Victory gardeners are probably a little tired of all the dire predictions of the ills that gardens are heir to. Nevertheless, warning now on some of these possible garden disasters may save the garden later in the spring. We are quoting USDA leaflet No. 2, on cutworms, one of the more common garden pests and the one which is responsible for cutting off such plants as seedling tomatoes, cabbage, lettuce and melons very near the ground.

The cutworm is the young or caterpillar of a night-flying moth. The moth lays its eggs upon plants or other objects and in some cases directly upon the ground and the eggs hatch into cutworms, of which there are many kinds. The common ones are stout, soft-bodied, smooth or nearly smooth, and cylindrical, varying in color from gray to brown or nearly black and sometimes spotted or marked with stripes.

Many kinds of cutworms go through the winter in the soil and begin work again early in the spring. Since cutworms overwinter in the ground, it is a good plan to broadcast the poisoned bait over the cultivated areas for a few days before the crop comes up or is set out in the field. If plants are to be transplanted, this method is particularly valuable.

Concerning the particular poison bait to use, this one is recommended: 1 peck or 5 pounds

dry bran; 1-4 pound white arsenic or Paris green; 1 pint syrup or molasses; 3 to 4 quarts of water. The USDA leaflet gives another recipe for large quantities of the bait.

Another subject which we have mentioned before but which can hardly be over-stressed this year is this matter of home canning, which will be a difficult job this year if you have to buy new equipment. But the novice can still get plenty of assistance in learning how to use food preservation equipment if she is lucky enough to have it.

Home demonstration club women will gladly share their knowhow with less experienced canners, and bulletins in this office give complete instructions for all types of food conservation.

Another reminder is to check the pressure gauge on your canner. There is a testing thermometer in this office and our advice is to pay the small fee and use the thermometer early so that you will be sure your canner is in good condition when canning season starts.

Unscrew the pet cock and safety valve and if they are not entirely clean, soak them in hot soapy water or if they are gummed or corroded, soak them in kerosene and vinegar.

To rid cookers of odors, to two quarts of hot water add the juice of a lemon or two tablespoons of vinegar or a double handful of Irish potato peelings. Heat this in the cooker under five

### Wyche Items

MYLDRED HENRY

J. P. Gandy, H. H. Gandy, Misses Earle Dean and Pat Gandy visited in the home of Mr. and Mrs. C. T. Caraway and family in Tulla Sunday.

Among those from this community attending the Vera Rea Fungio shower given in the home of Mrs. Bonnie Brumley were Mrs. Lucille Olson, Grace Robertson, Victor Elliston, H. H. Caraway, Mrs. Williams, Nolle Elliston, C. E. Rae and Fred M. Henry. Mrs. Fungio left immediately after the shower to join her husband who is in Borger.

### Lawrence Farm Sale Has Choice Livestock

Announcing a farm sale to start at 11 o'clock next Wednesday morning, March 31. Ky Lawrence this week stated that an unusually good selection of livestock, both cows and horses will be put on auction. The sale will be held at the Lawrence farm, 3 miles southwest of Hereford (on the Clovis highway) and two miles west.

Thirty head of Durham cows, 20 Durham calves and 25 Jersey cows and heifers are included in the Lawrence herd. Also included in the sale will be some good registered Whiteface heifers and steers and a registered Jersey cow belonging to R. W. Wilson.

Machinery, including a Case New crop tractor, will be put on sale.

The Summerfield ladies will serve lunch, according to the announcement printed elsewhere in this paper.

Lloyd Otten and B. E. Brumby are auctioneers.

firm was located where Cave's Variety Store now stands on Main Street. Although he moved to Waxahachie in 1916, Mr. Fox continued to operate the store until 1929, supplying thousands of customers in West Texas and New Mexico. The store was one of the largest of its kind in Texas. Active management of the store from 1916 to 1929 was under direction of his brothers, Homer and Doug Fox, who purchased the firm and operated it until 1935. J. A. Fox opened another dry goods store in Waxahachie, and continued its operation until 1931, when he retired from active business.

From 1898 until the time of his death, March 16, 1943, Mr. Fox retained large holdings in Deaf Smith and Castro Counties. He will be remembered by many old timers of this section as a progressive merchant and an active community worker. He was also an active member of the First Presbyterian Church in this community and helped to establish it in early years.

In addition to his widow, he is survived by two daughters, Mrs. F. L. Carmichael of Fort Worth and Mrs. H. C. Smith of Hillsboro; also by a large number of other relatives including the three brothers from this community, and a niece, Mrs. Cliff Acker. A son, Gilbert, born in 1897, died in 1931.

Interment was made in Waxahachie, Texas.

### New Ration

grades of hard cheese nor for the same quantity of any kind of butter.

A complete list of point values for all cuts of meat and butter, cheese and shortening will be found in an advertisement elsewhere in this paper.

#### Farm Use Restricted

Although the new plan places no official restrictions on the use of any of the home produced foods on the farmer's own table, the government is requesting that farm families re-

### Livestock Men Invited To Meet At Court Room

All livestock dealers—agents, commission men, farm and commercial butchers—must have a permit for operation in order to continue their business after April 1, 1943, it was announced this week by County Agent A. R. Bateman who states that the new licensing program will be explained in a meeting to be held Friday afternoon, March 26, at 2:30 o'clock in the district courtroom.

The County USDA War Board will be in charge of the new program, part of the nation-wide clamp down on unrestricted sale and slaughter of livestock.

Mr. Bateman requests that butchers bring their slaughter records for 1941 and 1942 if such records are available and points out that this request applies to both farm and commercial butchers if they have sold any meat—either beef, pork, lamb or mutton—during the two year period.

Mrs. Billy Patton left last week to join her husband at Fort Knox, Ky., where he is a student officer in the armed forces.

tain red stamps in their ration books in an amount equal to the point value of the foods produced and eaten at home.

When a farmer sells any of these home produced foods, he must collect ration stamps from his customers on the basis of official point prices. Farmers will be instructed later as to just when and how to turn in these stamps.

### Around Town

(Continued from Page 1)

Incidentally, Ira Foster did a little figuring this week that added up to the fact that Hereford grocery stores will only be able to sell about \$2,700 worth of canned goods a month. It figures this way: Approximately 6,000 ration books were issued in this county. Under present point values of canned goods, the 48 points allowed for one month will buy about three number 2 cans. At a price of 15 cents a can, the total value of canned goods sold will come to \$2,700.

And even the figure quoted above may be a little high, according to the grocermen, who report that housewives are avoiding canned food on the shelves. The high point value of the food, together with the long strings of red tape, has really put a crimp in canned food purchases.

Wm. McGhee says that Bob Thompson and Marvin Boyd really ought to know better than to try to practice law without a license. They tried it at a party at the Methodist Church, but somebody with a legal eagle eye caught up with the trick.

Mr. and Mrs. E. S. Ireland and daughters, Elizabeth and Rachel went to Wichita Falls, Saturday, to visit their son and brother, Richard, who is stationed at Sheppard Field.

Mr. and Mrs. Sam Jolly left yesterday for New Bern, N. C., after visiting her parents, Mr. and Mrs. R. G. Blue. Mr. Jolly is stationed at New Bern with the armed forces.

Mrs. B. T. Bell went to Canyon last week where she will make her home for several weeks with her daughter, Mrs. Harvey Cash.

Mr. and Mrs. J. C. McCracken and children spent the past weekend at the ranch home of her brother, Sam Steele, in Ft. Sumner, N. M.

Mr. and Mrs. Lee Conklin left yesterday for Garden City, Kan. to spend a few days with a son, Lt. Merlin Conklin, who was seriously burned in a plane crash while on duty in the armed forces. Lt. Conklin is reported to be doing as well as could be expected.

Mr. and Mrs. Jeff Roberson left Tuesday night for Waco to be with Mrs. Roberson's brother, who is ill in a training camp at Waco. They were accompanied by Mr. and Mrs. Joe Kendall who

went to Denton to visit a daughter, Betty Jo, who is in the hospital at T. S. C. W. with an infected finger.

Mrs. J. B. Billingsley and daughter, Beverly Ann, left this week for Marfa, after spending the past month here in the home of Mrs. Billingsley's parents, Mr. and Mrs. W. L. Alexander. Mr. and Mrs. Billingsley plan to leave Marfa soon to make their home in San Antonio.

BOY'S work pants; blue denim and khaki. Sizes 4-16. See Alderson ad on page 5. 12-1tc

Mrs. Ted Cornell returned Friday from Rhode Island, where she has been visiting her husband.

John L. Wilson, Jr., of Vega, visited his father in Hereford Tuesday.

Card of Thanks  
I wish to express my appreciation to the people of this community for their kindness and sympathy during the illness and death of my husband. Your kindness will always be remembered. May God's richest blessings be upon each and every one of you.

Mrs. M. E. Moore.

Sgt. Denis Baker left Tuesday for the Childress Bombardier School following a ten day furlough spent here with his parents, Mr. and Mrs. Mont Baker.

Card of Thanks  
We wish to express our sincere appreciation of the many kindnesses shown our Mother and us during her illness and at her death. This was a source of much comfort and happiness to her during her illness and a source of consolation to us now. We wish to thank you, each and everyone.

Dr. Howard J. Eberle  
Genevieve Eberle  
Virginia Eberle

Mr. and Mrs. C. F. Kerr left Thursday for San Antonio and other South Texas points where they will spend several weeks. In Boerne they will visit a daughter, Mrs. Richard Birchfield, and her family. They were accompanied by a son, Will S. Kerr, George McLean, student at the University of Texas, who had visited here for a few days with his parents, Mr. and Mrs. John McLean.

Dr. Howard Eberle left Monday for Dallas where he is stationed at the Naval Air Station. Dr. Eberle is a lieutenant in the Medical Air Corps and has been located at Dallas for the past year. He was called home last week by the death of his mother.

### MARY ELIZABETH SHORT IS BRIDE OF DALE MARTIN

Announcement of the marriage of Miss Mary Elizabeth Short and Dale Martin has been announced here. The wedding took place on Saturday, March 20, in Amarillo at the Baptist Church parsonage with the pastor of the First Baptist Church officiating.

The couple was accompanied by Mrs. John McDonald, sister of the bride, and by Misses Shirley and Dorothy Martin, sisters of the bridegroom.

Mrs. Martin was reared in Hereford and attended Hereford schools. For the past several years she has made her

Mrs. F. J. Eberle, for whom funeral services were held here Wednesday.

Clyde Gregg, who is employed in defense work in Amarillo, spent Sunday here in the home of his sister, Mrs. Harry Seed, and with other relatives.

BOY'S work pants; blue denim and khaki. Sizes 4-16. See Alderson ad on page 5. 12-1tc

home here with Mrs. McDonald. Mr. Martin, who is the son of Mr. and Mrs. E. E. Martin of this city, attended school in Turkey and at present is employed in the Rural Electrification Administration offices.

After a short wedding trip the couple will be at home in Hereford.

Mrs. I. O. Crosthwait returned Tuesday night from Burbank, Calif., where she has spent the past four weeks visiting in the home of her son Buford Crosthwait, and family.

Glenn Allison Visits Here  
Glenn Allison, for several years principal of the Hereford grade school and now a lieutenant (j. g.) in the Navy, has been visiting friends here this week. Allison has recently completed a course at a Navy radio school and after his return to duty will continue the study of communications at a signal school.
