W. M. Cogdell has a novel idea about bike riders and the traffic problem. He thinks that the kids should ride their bikes on the sidewalk, let the pedestrians fall where they may, because, bike riding in the street is entirely too dangerous a pastime to risk the safety of the rising generation.

And if any bouquets are being handed out, a big one certainly should go to members of the county farm transportation committee who have been giving their time and getting gray hairs helping the farmers and truckers fill out applications for certificates of war necessity. This is a big job and J. T. Glibreath, J. B. Stoker, Colby Conkright and Ralph Sears have been working hard at it.

That monster (we mean Frankenstein) is here again—this time in "The Ghost of Frankenstein" which shows at a local theatre soon; and we know it's a good racket, but nevertheless this monster immortality is hard on the old timers who remember when Frankenstein went up in smoke in the first picture.

H. J. Edwards, who lives in the Wyche community, has proof for any statements he wants to make about his ability to grow turnips. He had four huge samples in the Brand office yesterday and said that he had measured one which was 24 inches in circumference and that several of the turnips weighed up to four pounds.

School Scrap Drive Brings In 244 Tons of Junk

The School Scrap Drive which ended last Saturday brought in 244 pounds of all types of salvage materials, it was announced this week; but complete figures on the contributions by the city grade school, the high school, and the rural schools are not yet available.

This figure is equal to the amount brought in by all previous scrap drives and sponsors state that the co-operation of the school children and committees set up to aid them in transportation and collection problems has been excellent. Results both from personal solicitation and from the letters written by school children to farmers and business men are showing up in the large pile of scrap gathered here which brings the county close to the 500 ton goal set in an earlier drive.

Scouts and Cubs Get Awards At Court of Honor Thursday Night

With W. J. Hiatt, Boy Scout official of the Adobe Walls area, present Hereford Scouts and Cubs last Thursday night received awards and recognition at a court of honor program in the county court room.

Charter presentation was made to the Cubs and to Troop 1 by Mr. Hiatt, and special recognition was offered local leaders and Scoutmaster Urlin Stern. Other awards were: Second Class to Delbert Conklin, Jimmie Eason, Cameron Gault, George Woods, Sammy Hershey, and Glenn Russell—presented by Billy Ross Phillips; Merit Badge awards to Edward Ray Robertson, David Phillips and Tom Wilson presented by Mr. Hiatt; Star Scout award was presented to Edward Ray Robertson by A. J. Schroeder.

Rev. H. M. Redford led the group of parents and friends with novel song selections at intervals during the gathering.

Soy Bean Producers Meet Here Tomorrow To Study Marketing And Harvesting Of New Crop

Will Lead Revival

Revival Starts Here Sunday At Church of Christ

Grover C. Ross, minister of the Church of Christ in Fortales, N. M., will be in charge of a revival meeting at the Hereford Church of Christ from Nov. 1 to Nov. 15. H. P. Cooper, minister of the local church announced this week, pointing out that the evangelist, though a young man, has had much experience in revival and local church work in Texas, Oklahoma, Arkansas and New Mexico.

Inviting all Hereford people to attend the services, which will be held at 10 a. m., and 8 p. m., each day, Minister Cooper declares that the messages will be straightforward explanation of gospel truth offering a reasoning appeal to all people. Another feature of the meeting will be old-time gospel singing by the entire congregation. Local directors will lead the singing.

Plaque Bearing Names Of "Sons in Service" Project of Pioneers

A plaque bearing the name of every Deaf Smith County man in the armed services of the United States is the project to be financed by Pioneer Study Club, it was revealed Tuesday at a club meeting held at the home of Mrs. Noah Ewton.

The plaque will be placed in some public location and the club has written to the Post Office Department to ask permission for location at the local post office, according to the committee in charge of the project. Already more than 300 men from this county are in various branches of the service, and adequate space will be left on the plaque for the addition of their names as the list grows.

Hallowe'en Franks Are Out of Line in Wartime

Your government says conserve—take care of what you have. Which means Hallowe'en pranks and destruction are "out" this year—for patriotic reasons; and the Hereford Lions Club has gone on record as requesting and urging the school kids to desist from customary Hallowe'en practices. Leaders of the high school student body are making the same request. Destruction of home property and creation of damage which requires labor to repair just isn't in line with American policy this year. So have a heart, kids—and save this Hallowe'en energy for something useful to help destroy the Axis.

With the announcement this week that the West Texas Cotton Oil Company of Littlefield has entered into a contract with the Commodity Credit Corporation for the processing of soy beans, marketing problems for soy bean producers were greatly simplified.

A meeting of soy bean producers will be held tomorrow (Friday) afternoon at 2:30 o'clock at the county courtroom, where F. G. Collier, county AAA administrator, will discuss marketing provisions, and A. R. Bate-man, county agent, will give information on harvesting of the crop, especially stressing the combine adjustments necessary to prevent splitting of beans.

The Littlefield mill is now installing grading facilities and when this work is completed will be registered as a licensed testing laboratory and ready to test beans for both oil and moisture content. Prices paid will be the same as those announced by CCC several weeks ago, with a top price of \$1.50 for yellow and green beans of not less than 17-1-2 per cent oil content. Beans of greater than ten per cent moisture content will not be accepted for processing.

Producers are requested to have beans sacked, and sacks will be made available by the processing mill through some local distributing agency. They will be sold at approximately 13-1-2 cents a sack, and the mill will buy back the used sacks at OPA ceiling prices—probably about 11-1-2 cents each. (Continued on Page 12)

New Comers Invited To Join Chorus

Stating that an exceptionally large attendance turned out for Messiah practice last week, Miss Mattie Mae Swisher, director, today urged all persons musically inclined to join in the annual presentation.

"New-comers are especially urged to join with us," she said. "Most of the old faces were present, along with the following persons who will join in the presentation for the first time: Mrs. Olga Daniel, Charlotte Easter, Miss Woodfin, Katherine Easter, Barbara Burney, Nancy Millard, Erva Fluit, Robert Thompson, T. E. Seiler, Jim Kirby, Charles Cooper."

In 1904 Sheriff Doubled As Dramatic Critic For "Patten Medeson" Show

Back in 1904 the Deaf Smith County sheriff and tax collector doubled as a dramatic critic, according to records of the county occupation tax book, which reveal that on June 8 of that year one Peterson paid a tax on his "patten medeson" show and turned in what the tax collector noted on the receipt as a "fine performance."

Perhaps other tent shows did not rise to such dramatic heights, or maybe the proprietors were not so generous as Mr. Peterson in handing out passes to the constabulary, but since 1904 tax collectors have not commented on the performance of visiting showmen and have let their fancy roam free only in the realm of spelling, which until recent years has continued to show great originality. Spelling of such words as "stereoscopic" and "stereoscopic" reveals not only the sheriff's disregard for the dictionary but also a long-gone taste in entertainment when the public was willing to pay out good money for the chance to give their eyes to a stereoscopic device and see still pictures of the beauties of nature and other entertaining and educational views. Moving Pictures Rate Low Evidently the art of the cinema was considered pretty poor

Constitutional Amendments Attract Only Interest In General Election

Tuesday, Nov. 3, is the date for the general election and a light vote is expected in Texas where nomination by the Democratic Primary is tantamount to election. Main interest in the election here is centered in the five constitutional amendments to be submitted to the voters.

Amendments are being submitted to provide for the limiting of appropriations to the total of available funds and for the issuance of bonds to pay off State obligations outstanding Sept. 1, 1943; (2) to pay for building constructed at John Tarleton Agricultural College; (3) to allow the legislature to create other courts having either exclusive or concurrent jurisdiction with the county court in civil, criminal and pro-

GWTW Tops With Hereford Fans Poll Reveals

Pictures may come and pictures may go, but "Gone With the Wind" is still tops with theatre goers of the Hereford territory, according to a poll conducted jointly by the Star Theatre and Hereford merchants in the Brand last week.

Mrs. Charlie Callaway won first place in the "Ten Best Pictures" contest, while her husband took second; both missed only two pictures in the ten-best list, but Mrs. Callaway ranked her selections in more perfect order.

Other winners were: Mrs. Ralph McCullough third; Mrs. Wallace Cox, fourth; Mrs. F. L. Pinkert, fifth. The next 10 high, each of whom will receive a theatre ticket for honorable mention, were: W. G. Harris, (Continued on Page 12)

Clark Sale Set For Monday, November 13

Mrs. Anna E. Clark of Clovis will hold a dispersion sale of her Hereford cattle herd here Nov. 13. It was announced today. The herd will include 65 lots with one herd bull of Prince Domino and Advance Mischief breeding; 10 young bulls will also be consigned. Most of the foundation cattle came from herds in this area.

Mrs. Clark stated that she is selling out her herd because of the scarcity of help. Her ranch is located 50 miles west of Hereford, just this side of the New Mexico line.

Firemen Hold Hallowe'en Dance

The Hereford Firemen will hold their annual Hallowe'en Dance here Friday night, Oct. 30, according to announcements today.

Chas. Young and his orchestra of Clovis will be featured in the annual presentation. Admission will be \$1.10, including tax, the announcer said.

F. G. Collier Leaves AAA For Army Entrance

F. G. Collier, since February administrative officer in the Deaf Smith County AAA office, will leave this week for a short visit with his parents in Spur before joining the Army on Nov. 6. He was in Lubbock last week-end taking army entrance examinations. New AAA administrator here will be Joe E. Ellis of Lipscomb County who has been serving in a similar capacity there. Mr. Collier has made many friends in Hereford who wish him success in his Army duties.

Gas Rationing Registration Dates Set For Nov. 12, 13, 14

Service Board Announces New Classifications

Registration for mileage rationing in Deaf Smith County will be conducted on Nov. 12, 13 and 14. E. H. Norton, chairman of the Deaf Smith County War Price and Rationing Board announced this week, and rationing of gasoline will begin Nov. 22.

Both registration blanks and "A" ration cards will be filled out at the high school building on the registration dates, ration board members announced. Car owners are asked to bring the serial number of each tire, including the spare, and to have their license certificate when they come to register. The "A" ration book which will be issued to each motorist will entitle him to approximately 240 miles of driving per month. Any motorist who is away from home in another county on registration day should register in the county where he happens to be.

School officials have agreed to handle the registration as was done in the sugar rationing registration last May. The local board has not yet set up a fuel rationing panel to handle applications and other matters which the mileage rationing program will entail, but this fuel rationing group will handle the applications of motorists who feel that they are entitled to the supplemental ration provided by the "B" or "C" books, application form for which can be obtained at the piece of registration where the "A" book is issued.

Must Sell Extra Tires In order to get any ration book, the car owner must sell to the Government before Nov. 12 all tires over five for each vehicle. Excess tires must be turned over to the Railway Express Agency, which will tag the tire and the seller will receive a check from the government, or if he chooses, the government will pay him in War Stamps or War Bonds for his excess tire or tires.

The restrictions listed above apply only to registration of passenger cars, Norton emphasizes, pointing out that commercial vehicles, trucks and farm trucks must obtain a certificate of war necessity from the Office of Defense Transportation before they are registered. (Continued on Page 12)

Whitfaces To Meet Friona In Final Home Game

In the last home game of the season, the Hereford Whitfaces will meet the Chiefs of Friona tomorrow night, after a two-week lay off period, during which games with White Deer and Dalhart were cancelled.

The White Deer game, non-conference, was cancelled because of bad weather, and the Dalhart Wolves, whose season has been a run of straight losses, forfeited their conference contest.

Friona, which has had a poor season, will be out to improve their conference record in the game on Whiteface Field, and Hereford fans feel that the Whitfaces may have suffered from lack of competition in the past two weeks. However, the local boys are out to keep their leading conference record and hope to go into the final game with Tulsa, Nov. 6, unscathed.

Legion Banquet To Close Next Tuesday

Announcing the annual American Legion Armistice Banquet to be held this year at 8 o'clock, Nov. 11, at the First Christian Church, Post Commander J. C. Ricketts this week urged all persons eligible to attend to buy their tickets on or before next Tuesday, Nov. 3, as it will be necessary to limit ticket sales to 100 plates this year and the sale will end a few days ahead of the banquet date.

"This year it is more necessary than ever that the Legion members keep up their interest and that each post be at full working strength," Mr. Ricketts said, inviting all Legionnaires and ex-service men to attend the banquet and prepare to be active in Legion work.

Halls Drug Has One-Cent Sale Starting This Week

Despite shortages in many lines, Halls Drug opened its annual One Cent Sale this week. "This may be the last sale of this type we will be able to offer the public for some time to come," Halls said. "Because of the critical shortage in many lines which affects drug stores, the present sale is on the same scale as previous years and we feel that our supply will be sufficient to take care of the demand."

WHAT'S COOKIN'?

(More or less inspired information prepared by the Hereford Home Economics Unit.)
Does your little daughter ask you to be sure to "put vitamins" in everything you cook; have you found a way to make your child eat eggs or oatmeal?
We're not saying we've found a way to turn Hereford small fry into a crew of Elsie Dinsmores (they'd probably drive the parents crazy) but there is a new way to make children get their vitamins and like them.
It's a game called "Vita-Min-Go" and it was described in the Sept. 19 issue of Collier's magazine. A board game, the moves in Vita-Min-Go are made on the basis of daily vitamin consumption, and the child who eats "the most of the best" vitamins wins.

Just ask Mrs. James Alken if it works. Peggy Ann now greets visitors with the query—"Have you had your vitamins today?" And Mrs. Will Kerr says that her boys will now eat oatmeal and small Dickie Wilson, son of Mr. and Mrs. Bob Wilson, is eating eggs because they put him ahead in this game of Vita-Min-Go.

In small quantities this game can be ordered from Vita-Min-Go, Inc., 175 Varick St., N. Y. 15 copies for \$1; 30 copies for \$2; 60 copies for \$4; or 100 at 5c each. Single copies may be ordered for ten cents apiece from the Nutrition Editor, Collier's Weekly, Springfield, Ohio.
Incidentally, if you Hereford housewives would like to know more about nutrition, the graduates of the first nutrition course offered here are interested in starting another course. So if you would like to take the

course, which probably will be offered in the daytime, leave your name with Mrs. Pink Gilliland, president of the local unit, Mrs. Clyde Cocanougher, secretary, or with Miss Sadie Lee Oliver, county home demonstration agent. It will take 20 members to get a class organized, and take it from graduates of the first class, it is really worthwhile.

And here's a recipe that fits in with the season—and with your sugar ration.

HONEY PUMPKIN PIE
1½ cups canned pumpkin
1½ cups milk
1 cup honey
2 eggs, beaten
1 teaspoon cinnamon
¼ teaspoon ginger
¼ teaspoon nutmeg
½ teaspoon salt
½ cup chopped black walnuts (Optional)

Mix the milk with the pumpkin and heat to scalding. Blend the spices and salt and add the honey to the above mixture. Remove from the stove and gradually add the beaten eggs. Add the black walnuts (these may be omitted) and pour into a pastry-lined pan. Place in a hot oven, 425-450 degrees F., for ten minutes. Then reduce to 325 degrees F. for about 35 minutes more, or until the center of the filling is firm. Chill to serve. For super goodness blend one package of cream cheese with one tablespoon of honey, and with this mixture in a pastry tube, run a fluted edge around the inside edge of the pie. Then fill the inside with whipped cream and over the top dust nutmeg lightly.

And incidentally, this recipe was first published in the Country Gentleman, Nov. 1935, long before most of us even thought of a war, much less sugar rationing.

Miss Opal Kittrell resigned her position in the Vega School and will go to her home in Muleshoe to be with her parents. Miss Kittrell has taught in the Vega School two years and leaves a vacancy which will be hard to fill.

Word was received from Emory Loyd who has been on maneuvers in Calif. that he will arrive home Sunday on a 12 day furlough.

Is Member Of TCU Horned Frog Band

Miss Lois Agnes Gilbreath of Hereford is a member of the Texas Christian University Orchestra and Horned Frog Band this year.

The concert given by the orchestra which has 12 girl members this year is one of the highlights on the campus. The band has a nation-wide reputation for its swing music and plays an important part in the entertainment at the T.C.U. football games.

Miss Gilbreath plays cello for the orchestra and oboe with the band, which is allowing the coeds to march with the band for the first time this year.

ATTENTION SOYBEAN PRODUCERS

West Texas Cottonoil Co. at Littlefield has entered into a contract with the Commodity Credit Corporation to process soy beans; and in a short time (as soon as grading facilities can be obtained) will buy soy beans at support prices.

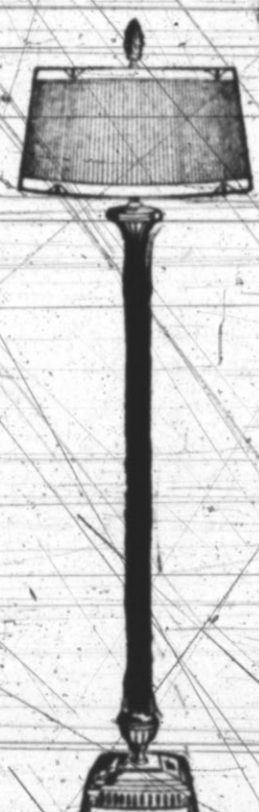

Soy beans must be sacked by the producer. New sacks, if needed, may be bought at actual cost from the oil mill who, in turn will buy them back at O. P. A. ceiling prices.
Each producer should immediately confer with his County Committeeman about the number of bags needed, based on about 100 lbs. per bag.

You're Lucky to have a good Gun, Jim ... take care of it!

As you know, most shotguns are frozen for the duration. We suggest that you make sure your gun is clean and keep it in good mechanical condition. Occasional wiping with an oil rag prevents rusting. Rubbing some oil into the stock helps preserve its appearance. Guns should be kept in a cool dry place.

Inasmuch as there will not be too much ammunition available this season, unused ammunition should be removed from wet shooting coats and from cars. Ammunition should be kept in a cool, dry closet, locker or a cabinet—not in a hot attic or damp cellar. Properly cared for ammunition remains effective for years.

Mr. and Mrs. Grady Wilson, Jr., were honor guests Friday night at a supper and shower which was held at the home of Mr. and Mrs. Grady Wilson, Sr. The supper was served buffet style from a long table in the dining room. The table was centered by a two tiered-wedding cake which was decorated in patriotic colors. It was flanked by bowls of fall flowers. Bouquets of flowers decorated the entertaining rooms.

The festivities of the evening began when the bride and groom cut the wedding cake. After the supper they were led to a table laden with gifts which they opened and for which they graciously expressed their thanks. Games of bridge and "forty-two" completed the entertainment of the evening—or until the groom found himself being led to a tank of water—and he says it was really cold.

Those present included Mr. and Mrs. Orville Houser, Neil Witherspoon, Mr. and Mrs. Lee Hopson, Pete and V. C. Hopson, Mr. and Mrs. H. I. Nickerson, Lawrence and Billy Kendall, Texie Reynolds, Kathryn Danforth, Mr. and Mrs. Guy Lawrence and daughters, and Glenn Pierce all of Hereford; Mr. and Mrs. Earl Little, Nannette and Junior, Mr. and Mrs. Al Werner, George Turrentine, Mr. and Mrs. Vernon Wilson and Jimmy Ray, Mr. and Mrs. Hughes Millard and children, Mr. and Mrs. Merlin Kaul and sons, Mr. and Mrs. M. McClendon-Dimmitt Wedding Is Solemnized Wednesday, Oct. 21

The wedding of Mrs. Frances McClendon and J. J. Dimmitt, son of the late John J. Dimmitt, pioneer rancher and banker of Texhoma, Okla., has been announced here by her mother, Mrs. George Gulnn.

The single ring ceremony was performed in the Folk Street Methodist parsonage with the Rev. Earl G. Hamlett officiating, on Wednesday, Oct. 21. Close friends of the couple were wedding guests.

The bride wore a terra cotta, street length dress with brown accessories.

Mrs. Dimmitt is a graduate of Hereford High School and for the past several months has been employed at the Pantex Ordnance Plant.

Mr. Dimmitt is engaged in farming and ranching in Sherman County, but for the present the couple is at home at Talmage Place, Amarillo.

Club Party Given At Moore Home

Mrs. Troy Moore was hostess at a club party Friday when members of the New Deal Club met at her home for contract games.

Autumn colors were used in the flowers for decoration with yellow chrysanthemums predominating and the refreshment plate carried out the Halloween theme in the same colors.

Mrs. Sylvester Slagle played high for the club award and Mrs. J. E. Kirby played high for guests.

Those enjoying the party were Mesdames Willis Edelman, Sylvester Slagle, Louis Woodford, Ralph Hastings, Charles Hardwick, Meade Halle, J. T. Gilbreath, Jr., J. E. Kirby, and the hostess, Mrs. Wayne Evans was a tea guest.

Win One Class Is Entertained

Four members were hostesses to the Win One Class of the Methodist Church last week at the home of Mrs. C. B. Williams. Assisting Mrs. Williams were Mrs. D. H. Bryant, Mrs. D. W. Hawkins and Mrs. Fannie Craddock.

Mrs. Ella Lamb gave the devotional program and Mrs. L. Ellis conducted the short business session. A Bible quiz was

led by Mrs. Wm. McGehee. Dainty refreshments were served to Mesdames E. W. Harrison, H. H. Hawkins, Luther Peveley, G. A. F. Parker, Rose Conklin, E. J. Hudson, Wm. McGehee, H. M. Benefield, J. F. Ward, W. B. Green, I. H. Spratt, L. Ellis, Andy Thomas, M. M. Beavers, Ella Lamb, Fred Millard and the hostesses.

Mrs. Hedrick Is Club-Party Hostess

Mrs. E. B. Hedrick entertained members and guests of the Coterie Club at her home on West Fifth Street Friday afternoon.

Yellow chrysanthemums and marigolds carried out an autumn theme for the party with the salad course refreshments emphasizing the yellow and gold colors.

Special guests were Mrs. A. R. Bateman, Mrs. H. A. Close and Mrs. Seth B. Holman. Mrs. Bateman played high for the war stamp award.

Members present were Mesdames F. L. Lucas, E. B. Hicks, Knox Kidgard, Grant Fuller, C. F. Moore and the hostess.

Summerfield Club Hears Book Review

The Summerfield Study Club was entertained at the home of Mrs. L. B. Lookingbill Thursday afternoon with Mrs. Lloyd Lookingbill as hostess. Assistant hostess was Mrs. Ray Johnson.

Members heard Mrs. L. L. Cannon review the book "Problems of Lasting Peace" by Hoover and Gibson.

Mrs. Cannon discussed peace treaties and international documents of the past, including the Monroe Doctrine, Kellogg Peace Pact and others, and compared problems of the past with those of today. A round table discussion dealing with an after-the-war peace was led by the reviewer.

Those present were Mesdames Mack Noland, B. E. Roberson, O. B. Sumner, L. L. Cannon, Jim Clark, J. B. Noland, C. R. Walser, Lee Curry, M. D. Rexrode, L. B. Lookingbill, Lloyd Lookingbill and Ray Johnson.

HEREFORD

BULL

By Jimmie Gillentine

This cold weather is definitely bad. For once, however, the governmental agencies seem to agree. It is understood that W. P. B. notified O. P. A. to warn O. P. M. that they checked with A. A. A. and A. C. A. finding extra supplies used by W. A. A. C., W. A. V. E., and W. A. A. F., plus critical reports by O. W. I. regarding O. D. T., indicate a shortage of winter-weight B. V. D.'s. Meanwhile, a W. P. A. survey states that rating A-10, P-100 will cover the situation in brief, or briefs, until Congress can create a special bureau to study the problem.

According to reports, this may take quite a while. J. A. Loerwald just got a letter from Harold, who is in the navy, stationed at Norfolk, Va.

Harold got a couple of days leave, during which time he visited Richmond, Va., and Washington, D. C. He writes:

"Went through the capitol, it sure is a pretty building. Oh yes, while we were going through the Senate and House were in session. I don't see how in the world these coverage, son-of-a-seagook Congressmen can ever get anything done, because all they do is get up, walk around, and do all sorts of crazy stunts. It really does go like they show in the newsreels sometimes. Anyhow, it really makes a guy mad the way they do things."

Harold seemed delighted over the fine record of the Hereford football team, and his P. E. said "How do you like the way the Marines are treating the Japs on the Solomon Islands?"

Billy Ross Phillips has been home on furlough, having recently completed an officers training course at Miami Beach, Florida. Bill got his bars (Second Lieutenant) Sept. 16, and has been stationed in New York. He goes from here to Washington, D. C.

Bill is in the Air Transport Command and although much of his information is confidential, he said that the U. S. Army transport system now has more traffic than all of the commercial airlines in the entire world maintained in 1938. He adds that it is expected to increase 10-fold in 1943. The Air Transport Command is chiefly composed of men from the air lines, according to Bill, who says they are highly efficient and dependable. He also said that the training school is tough. Plenty tough, but interesting. Clark Gable, who entered as a private, was just behind Bill's class. It happened that Bill supervised some of Clark Gable's work and he says it was double-tough on Gable, due to his fame. However, he adds that Clark Gable has "really got guts" and that he figures Gable will make a No. 1 soldier and officer.

This somewhat changed my opinion of Mr. Gable. I

SOLOMON ISLANDS Where U. S. Marines Battle Japs for Strategic Airport

Airport on Guadalcanal is fought for savagely by U. S. and Jap forces in the Solomons because it is the only field in the area from which Uncle Sam's Flying Fortresses and other big bombers can take off and land for operations against the enemy. Here two of the big fortresses roar down the long runway.

used to figure him for a softie, and a spoiled one at that.

Right now seems like a good time to extend praise, where it is really due. I want to put in a good word for the banks. I mean the two banks right here at home, and banks in general all over the nation. They are being penalized just like everyone else, but they are taking it without a whimper. They spend a lot of time selling and handling bonds, and they seem very happy to do so; furthermore, they spend their own money encouraging the sale of these bonds, which they handle without profit or compensation. They are doing this in Hereford and in all of the newspapers we get on our exchange desk. I happened to look back in the 1917-18 files of The Brand—and they were doing the same thing then. Furthermore, all of their employees are good citizens. I can't think of any classification of business which has conducted itself upon such unselfish and democratic lines.

Members of the Lions Club have been giving brief histories of themselves each week. Dr. R. K. Wills gave his story last week, and it was very interesting and funny, especially about the negro babies he delivered.

Doc touched lightly upon the critical need of trained medical men. He predicted that medical attention will be rationed before long and said the situation is becoming more acute every day. He figures that most of the younger doctors will go into the service, and that older doctors will be sent out to replace them in communities and in cities. In all probability, he says, office hours will be maintained for treatment of different ailments. Emergencies, of course, will be treated as such. By coincidence, Harold Close is this week running an ad in The Brand, which is endorsed on a national scale and which is right in line with Doc's ideas. Dr. Wills also said that there will be a drastic shortage of

doctors for 13 years after the war ends—at least, that's the indication given by his trade journals.

These are things which many of us seldom think about, but they are highly important on a national scale. Taken on a basis of statistics, they mean we are not going to live so long.

Here's some more dope on prisoners of war. It's date-lined Washington, D. C., and reads: "WAR PRISONERS—Some of our just-back-from-England friends relate a swell story about Italian war prisoners. The prisoners of war are being used there to repair roads and, under the Geneva Convention, receive for their labor the same pay as an English soldier of comparable rank. While British soldier pay is not as high as ours, it's big money for these Italians. Having no canteens or other sports to spend the money, the Italians are investing their wages in British war bonds and stamps."

Mrs. Ray Johnson just dropped in with the following contribution, which she read somewhere, and which she says about covers the situation:

"The following is a fable which did not originate with Aesop.

"There was once a farmer who drove 20 miles to the county seat in his pick-up. He drove faster than is recommended by the Government, because he had so much business that required his attention. He had to register for the Army, fill out an occupational questionnaire, sign up for crop insurance, get a card permitting him to sell his wheat. He had to go to the court house to put in his application for a tire, to the county superintendent

THE well-dressed woman will wear overalls—willingly—to care for her country's cars. And on her civilian duties she doesn't go faster than 35—same as all other patriots. 35 gets you there without undue wear. But there's another battlefront against wear at exactly 00 miles per hour.

When your car's stock-still, with the engine starting cold, what's faster—your winter oil or rampant Friction? You can have hopes—or you can have your engine OIL-PLATED by the quick simple change to Conoco Nth motor oil. Enriched by an added synthetic, this patented Conoco Nth oil seems to "magnetize" OIL-PLATING to inner engine surfaces as closely as durable plating on bumpers.

Where does any good plating go during all-day parking or overnight? It doesn't go. It stays. And neither does OIL-PLATING all go draining down to the crankcase at every change. Long hours after you stop—long minutes before any oil from below could climb all the way up—the OIL-PLATING that's stayed up can be easing cold starts. This faithful OIL-PLATING is still there at 35, of course, aiding the high-duty liquid film of Nth oil to keep wear that much farther away.

Not much chance now of changing to a new car. Smart strategy is changing to an OIL-PLATED engine. Get Conoco Nth oil for Winter at Your Mileage Merchant's Conoco station. Continental Oil Company

SOCIETY

Mrs. Billie Smith Is Honored At Delightfully Informal Shower

A delightfully informal post-nuptial compliment to Mrs. Billie Smith, a recent bride, was the shower given at the club house Tuesday evening. Hostesses were Mesdames Urlin Streu, H. E. Henkel, F. P. Lyons, Henry Hastings, I. O. Crosthwait, Boyd Knox, Elmer Mathies, B. R. Dixon, Jimmie Robinson, Wirt Phillips, O. L. Clark and Glenn Snyder.

The club house was decorated throughout with chrysanthemums arranged in bouquets and baskets to carry out a blue and yellow color scheme. The flaming logs in the open fireplace at one end of the room added cheer to the atmosphere. The tea table arranged at the other end of the room was lighted with yellow tapers and decorated with chrysanthemums. Gifts were displayed in attractive groups about the room.

For informal entertainment Mrs. Glenn Snyder played piano selections and Miss Dorothy Nell Trimble sang several vocal numbers.

The receiving line was made

up of the bride, Mrs. W. J. Smith, the groom's mother, Mrs. Homer Henkel, Mrs. Henry Hastings, Miss Viola Phillips and Mrs. Ralph Smith. Miss Dorothy Nell Trimble presided at the guest book and Miss Faye Crosthwait presided at the silver tea service, assisted by Mrs. R. A. Daniel and Lois Standifer.

Those enjoying the affair were Mesdames W. H. Russell, John B. Miller, J. J. Clark, O. G. Calhoun, Lee Conklin, A. R. Rogers, Wayne Evans, J. T. Gilbreath Jr., Chas. Hill, N. E. Murnburn, Paul Mathers, J. B. Cavanaugh, Noah Ewton, H. D. Reed, John N. Jacobsen, Jr., J. O. Newell, John Patton, H. E. Danforth, James E. Black, J. B. Hammer, Carl Jennings, Harry Lomas, C. O. Wilkins, Earl Phillips, Roger Corbett, Willie Daniels, W. J. Stanford and J. H. Trimble and Misses Ona Hammer, Marjorie Alderson, members of the house party and the hostesses.

Many gifts were sent by those unable to attend the party.

Dinner-Bridge Club Is Entertained At H. A. Close Home

A Tuesday night courtesy for members of the Tuesday Dinner Club was a dinner-bridge party given at the home of Mr. and Mrs. H. A. Close.

Foursome tables were arranged for guests and the dinner was served from a table centered with clusters of white chrysanthemums. After the game session, S. P. Rosson was awarded high score prize for the men and Mrs. Ann Holman played high for the women. Special guests were Mr. and Mrs. E. B. Hedrick, and Mr. and Mrs. A. R. Bateman. Members attending were Messrs. and Mesdames H. K. Fox, J. A. Pitman, Alton Fraser, S. P. Rosson, Miss Eloyse Pitman, Mrs. Seth B. Holman, C. C. Acker and the hosts.

Choir Is Entertained

Members of St. Anthony's Catholic Church Choir were entertained with a dinner party at St. Anthony's Hall Tuesday night.

After the dinner a reorganization program was featured and a sing-song entertained the group after the business session.

Those present were Mr. and Mrs. J. W. Albracht, Agnes Albracht, Ed Dziuk, Rosalie Urbanczyk, Marcella Koelzer, Adeline Koelzer, Felix Pyka, Werner Koelzer, Edna Urbanczyk, organist, and Father Nathaniel and Father Milano.

Nell Spradley Pledged To Adelpian Club

Depton.— Miss Nell Spradley of Hereford has been pledged to the Adelpian Club, a campus literary and social organization at Texas State College for Women.

Majoring in general business, Miss Spradley is a sophomore student at the college and is the daughter of Mr. and Mrs. J. Walter Spradley. Membership in the club is by invitation only with good scholastic and citizenship records requirements for pledging the organization.

Formal initiation for all clubs will be completed this week and pledges will become members with full privileges.

Kelly Gray Returns From Visit To Tennessee

Kelly Gray and Frank Davis returned Thursday night from Huntington, Tenn., Mr. Gray's old home which he had not visited in 42 years.

Towns in the southeast, Mr. Gray says, are almost continuously along the highways, and farms average about 20 acres in size and are mostly devoted to cotton.

G. M. Hudson Directs Youth Program Given By Hi-Y Students For Club

A Youth program with discussions given by Hereford High School students, was presented Tuesday at the meeting of the Pioneer Study Club held at the home of Mrs. Noah Ewton.

The theme was built around "Allied Youth" and their place in the world today and tomorrow with G. M. Hudson, principal, directing the discussions. The students who took part in the panel discussion were Margaret Olson and Nona Dean Rose, members of the Tri-Hi-Y and Bruce Beene and G. P. Owen, members of the Hi-Y, both high school organizations.

The frank opinions as given by the students gave an insight into what the average high school boy or girl is thinking in these days of world-wide unrest, as they discussed the problems facing the youth of the

land today, the opportunities of tomorrow, the spiritual life of the young people during the war and after, and future American citizens.

During the business session members voted to erect a plaque in some public place, the site to be determined later, honoring all service men of Deaf Smith County. The plaque will be erected as soon as definite plans can be completed.

Mrs. Sara Scott, the hostesses, mother-in-law from Oklahoma City, was a special guest at the meeting. Mrs. H. D. Reed was assistant hostess.

Those attending were Mesdames Ewton, Bur, France, Carl Frye, J. M. Gilliland, C. T. Guseman, Bob Higgins, O. G. Hill, Sam Hunter, Ray Johnson, F. M. Kester, H. D. Reed, T. E. Seigler and Rex Tynes.

Surprise Party Is Compliment To Mrs. W. A. Knox

HALLOWEEN FUN FOR THE CHILDREN

If you are on intimate terms with witches and hobgoblins it's time to call them forth and transform your home into a haunted habitation for one night just to please the children. It's Halloween time and youngsters love the spooks, black cats and other horrible imagined creatures that emerge from fairyland on this special occasion.

The most informal party is the best of all for then the ghosts and spooks are allowed to prowl in all their frightening garments and sometimes they even dish out a concoction called "witches brew" which is the last word in culinary witchcraft. Here's the recipe.

Let's Cook Something

WITCHES BREW

- 1 cup brown sugar
- 1 cup Karo
- 4 sticks cinnamon
- 6 whole cloves
- 1 qt. cider
- 2 qts. orange juice
- 2 cups lemon juice
- orange and lemon slices

Boil the sugar, syrup, cinnamon, whole cloves and cider together for five minutes. Heat orange and lemon juice to boiling point and add the other mixture. Add the orange and lemon slices and serve piping hot. This will serve 25.

PUMPKIN FACES

Use your own favorite recipe for pumpkin pie and fill unbaked individual pie crusts. Bake in moderate oven and transform the small pies into pumpkin faces with raisins and strips of citron.

Palo Duro News

BY ETHEL ALLRED

Because of bad roads from the rains last week the Palo Duro church was unable to have the regular Sunday School and B. T. U. services, but the regular church services will continue next Sunday and everyone is

urged to attend.

Mr. and Mrs. P. M. Elrod and daughter, Doris, visited in the home of their daughter and family, Mr. and Mrs. Faine Dalton of Plainview, over the week end. Mrs. Dalton is recovering from an operation and while she is in the hospital their small son, Jimmie Dalton, is spending the time with his grandparents, Mr. and Mrs. P. M. Elrod of Wil-

dorado. We hope for Mrs. Dalton a quick recovery to health.

Mr. and Mrs. Jim O. Jenkins and daughter, Mrs. George Ferris, made a business trip to Amarillo Monday.

I. A. Allred, J. C. Allred and O. G. Smith made a business trip to Amarillo Tuesday.

R. E. Oliver made a business trip to Amarillo Tuesday afternoon.

Mr. and Mrs. L. B. Fowler of Wildorado made a business trip to Stephenville. They plan to visit with relatives several days before returning to their home.

Mr. and Mrs. L. C. Moore made a business trip to Amarillo Thursday.

Visitors in the home of Mrs. L. H. Carter and Temple Carter recently were Mr. and Mrs. B. C. Carter who are stationed in Louisiana at the present and Mr. and Mrs. Archer Manns and family of Oklahoma City. They visited Mrs. Carter and Temple a few days before Temple left for the army.

Mr. and Mrs. Gilbert Wynn and son, George Wesley, made a business trip to Amarillo Thursday.

Mrs. J. C. Allred and Ethel spent Friday in the homes of Mrs. Lola Daniel and Mr. and Mrs. Cecil M. Allred all of Amarillo.

Mrs. O. G. Smith, Trena Ray Smith, Otis and Leonard Smith were in Amarillo Saturday afternoon.

R. E. Oliver, Miss Elsie Oliver and Mrs. Jess Cain were in Amarillo Saturday.

Pie Supper Thursday Night

The Program and Pie Supper will start at 8 o'clock Thursday evening at the school. Alex Thompson of Hereford will be on hand to auction the pies, which are to be brought by the women and girls—who hope the men and boys will buy them.

All proceeds of the supper will go to the Cafeteria.

The teachers, Mrs. Legg and Mrs. Shaw, Mrs. L. B. Lookingbill, pianist, and the children are working hard on a real Halloween program.

The Welcome will be a Jack O'lantern Drill and Song by Pat DeLozier, Marylene Sloan, Genell Carter, Raymond Dale Williams, Bobbie Jean Walsler, Marilyn Legg, Bobby Moland, Thomas Louis Roye, Edward Hicks, and Richard Clark.

Mrs. Legg's pupils will present a play "The Enchanted Forest." Players will be Jake, a naughty boy, Jimmy Lookingbill; Miss Rand, his teacher, Janette Euler; Witches, Jesse Stipe, Claud Hicks, and Lester Carter; Ghosts, Dorothy Lee and Naomi Carter; Fairies, Joyce Stipe, Rosene Lance, and LaVaye Roye; Goblins, Wayne Lee, Paul Lance, and Claud Euler.

Mr. and Mrs. Cecil M. Allred and children, Marilyn and Milton, of Amarillo.

Mrs. Shaw's boys will give a Black Cat Drill. Douglas Hicks will play the part of the boy and the black cats will be Leaton Clark, Wayne Walsler, Billy Lookingbill, and Clyde Stipes.

The last number will be a Patriotic Drill by Rosene Lance, Mary DeLozier, Gayle Roberson, Thelma Lindsey, Audrie Lindsey, Charlene Lee, LaVaye Roye, and Joan Walsler.

The Paul Stipe family will move this week to Canyon.

Mr. and Mrs. John Patton of Hereford were Sunday visitors in the Lee Curry home.

Mr. and Mrs. Frank Huckett and children visited Thursday with her parents, Mr. and Mrs. C. D. Hardesty of Portales.

Seventy-one persons were in Sunday School Sunday morning. Mrs. Lloyd Lookingbill has accepted the office as teacher of the recently organized Junior Class. There were eight enrolled in this class Sunday morning.

More than eight dollars was realized from the Scrap Drive just completed by the school children. Wayne Lee's side won. The losers will entertain the winners with a Halloween party Friday afternoon.

A WAR TIME APPEAL TO CIVILIANS...

CONSERVE THE TIME AND ENERGY OF THE GREATLY REDUCED NUMBER OF DOCTORS THROUGH

Voluntary Rationing of Medical Care

Keep healthy, says President Roosevelt, and help win the war!

Vital advice, this—for by 1943, one third of the nation's doctors, dentists, nurses will be serving on our battle fronts. Less medical care will thus be available to you. We must all work together! The purpose of this message is to point out several ways to conserve the time and energy of the greatly overburdened doctors whose responsibility it is to give medical care to those on the home front.

YOUR CO-OPERATION WILL ASSURE BETTER MEDICAL CARE FOR ALL

How can you and your family get the most from the limited medical services that will be available? Here are some suggestions for voluntary "rationing" that will assure better medical service for all:

Go to Your Doctor's Office If You Can...

Avoid asking your doctor to call at your home. Go to his office if possible. This will not only save his time, but save you money as well.

Phone for House Calls Before 8:00 A. M. ...

When house calls are necessary, phone your doctor before 8 o'clock in the morning if possible. Then he can plan his house calls efficiently and avoid back-tracking.

Be Patient! Doctors Are Very Busy ...

Remember, your doctor has almost twice as many patients as before. Please be patient if house calls are delayed or longer waits are necessary at his office.

Help Your Doctor Protect His Health ...

Your overworked doctor must have his sleep and regular meals to protect his health. SLEEP is important... Avoid night calls except in extreme emergencies.

Don't Neglect Early Signs of Sickness ...

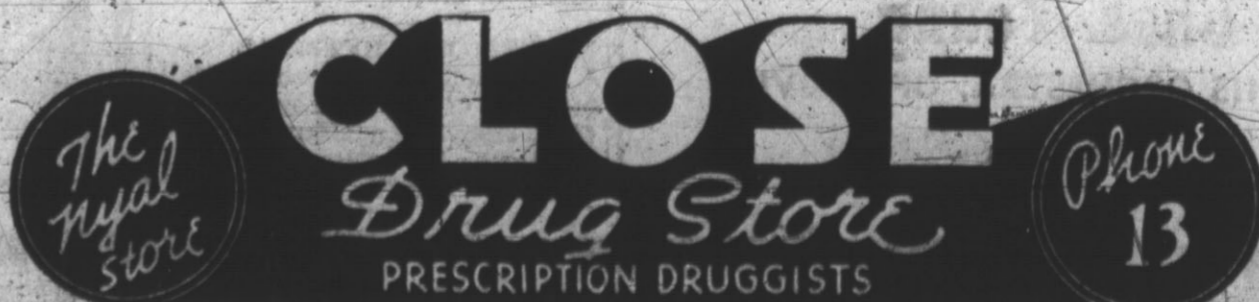

Watch for early signs of sickness. Don't try to "wait out" obvious symptoms. When children awake in the morning with 100 degrees of temperature or more, phone your doctor at once.

Use the Phone in Minor Cases ...

Often a few minutes on the phone with your doctor or his nurse will straighten out minor cases. Use the phone and let your doctor decide if a call is necessary.

It's Your Patriotic Duty to Protect Your Health in Wartime!

Prescriptions must be filled with professional skill. The precious script your doctor writes may be your passport back to health. Translated by our registered pharmacists and compounded with skill and accuracy, the result is an effective remedy. You can bring your prescriptions to us with confidence that they will be filled from fresh stocks of highest quality drugs with professional care. You get exactly what the doctor orders. We have filled over 108,000 prescriptions and take a personal interest in your behalf. E. A. CLOSE and E. A. TYNES, Pharmacists.

Pampered Pigs Prove Profitable

Farmer John Hendriks, West Liberty, Ia., finds it pays to pamper his pigs because they're ready for market within five months instead of the usual six to eight months. His pigs never touch soil, walk in clean pens on concrete floors, have constant access to a mixture of corn, ground wheat, concentrates and oatmeal, and have nothing to do except eat and sleep. Pigs are scrubbed three times daily. Extra labor of washing floor and pigs three times daily proves profitable, he says.

The Red Cross Nutrition Class asked the relative value of orange, tomato, grapefruit, and pineapple juice. Nutritionists say that the first three are very high in vitamin C content and provide more of this vitamin than canned pineapple or pineapple juice. About two-thirds of a cup of orange or grapefruit juice provides all the vitamin C needed for an adult for one day. The same quantity of tomato juice provides about half the daily requirement of the vitamin.

CHDA NOTES

by Sadie Lee Oliver

"How do you dig, store and use horseradish?" Don't harvest it until October. Three or four days before digging the roots, cut off the tops as close to the ground as possible. Put the roots in cold storage, store them in pits with other vegetables, or in the barn or cellar. Don't expose to light. Save rootlets about the size of a pencil, tie them in bundles and store in a box of damp sand in the cellar, if you want to grow horseradish again next year from root cuttings.

To prepare it for the table, peel or scrape the roots, then grate directly into the white-wine vinegar or distilled vinegar of 4 1/2 to 5 percent strength. Don't use cider vinegar as it will turn the horseradish dark. This bottled horseradish will keep a few weeks, but don't prepare to much at a time.

Or you can dry it, grind to a powder, and put up in bottles in dry form. Add a little to tomato catsup and serve with crab, shrimp, clams, or oysters, or serve the horseradish plain with raw shellfish or any kind of fish, pot roast or baked ham. Make it into a cream salad

Husbands Are Special Guests At Child Study Club Entertainment

Husbands were special guests Thursday evening when members of the Child Study Club entertained at the home of Mrs. G. M. Hudson. Mrs. Steve Williams was assistant hostess.

Guest speaker for the affair was O. M. Stewart, principal of Central School, who talked on "Fathers Are Parents Too".

Mrs. James Alken, Jr., president of the club, greeted the guests, and a poem emphasizing the theme of the party was read by Mrs. Carl Oldham.

Mr. Stewart built his talk around the thought that "Fathers must take part in the training of children if they are to make good citizens tomorrow".

A get acquainted period, directed by Mrs. Oldham, was followed by a battle of the sexes with Ray Conaway in charge. The men won by thirty points and presented stunts as the penalty for winning. A gossip program, with wives as subjects of discussions, was in the hands of Marlin Gilliland, G. W. Newsom and Frank Daniel. As a conclusion to the evening's entertainment a sing-song was directed by Mrs. Ray Conaway.

Refreshments suggesting the Hallowe'en season were served to Messrs. and Mesdames G. M. Hudson, R. P. Conaway, G. W. Newsom, Steve Williams, Gordon Witherspoon, Carl Oldham, Glenn Parker, J. C. Reese, Frank Daniel, Worth Covington, O. M. Stewart, Marlin Gilliland, Rev. and Mrs. James Alken, Jr., Dr. and Mrs. John H. Chanter and Mesdames Ira Foster, C. P. Grimes and Merlin Kaul.

Hallowe'en Studio Party Is Enjoyed

A Hallowe'en Studio party entertained music pupils of Mrs. G. A. F. Parker Friday evening at the Parker home.

Weird, fantastic compositions that fitted in with the story of Hallowe'en revelers were presented by the students with some two-piano numbers featured.

Games and stunts followed the musical program.

Refreshments carrying out the Hallowe'en theme were served by the hostess, assisted by Miss Juno Glascock.

Enjoying the party were Marjorie Jo Wilson, Joe Bill Willis, Joe E. Kerr, John Newsom, Jo Ann Jett, Gayle Marie Foster, Jeanine Sowell, Cecelia Guseman, Barbara Ann Burney, Madeline Beavers, Margaret Norwood, Marie Williams, Mildred Bowsher, Ina Lou Norwood, Bonnie Lou Cooper, Miss Glascock and the hostess.

Practical Fall Tips Are Discussed At Garden Club Meeting

"Putting Your Garden to Bed" was the subject for the program presented by the Garden Club at the meeting held Friday at the home of Mrs. F. H. Gilliland.

Mrs. Homer Brumley was leader. She gave practical suggestions concerning the reasons for winter protection, importance of mulching, sources of winter injury, premature activity of sap, and also gave tips for fall concerning specific protection to various types of plants and bulbs.

Mrs. C. C. Ferguson told "What Plants do with their Time in Winter" emphasizing that plants, like people, respond to environment and never cease growing. In the winter they are only growing under the ground, gaining root strength for spring and summer blossoms.

During the business meeting members voted to raise the membership limit to 50 and plans were discussed for the next meeting which will be held on Nov. 13. The next two meetings will be combined at that meeting in the form of a morning coffee at the home of Mrs. Homer Brumley. The following officers will be installed: Mrs. Ralph McCullough, president; Mrs. A. L. Manjeot, 1st. vice-president; Mrs. Dennis Barnard, 2nd. vice-president; Mrs. F. M. Kester, recording secretary; Mrs. Jim Lipscomb, corresponding secretary; Mrs. Lyle Blanton, reporter; Mrs. W. C. Hromas, historian; Mrs. Homer Brumley, parliamentarian, and Mrs. E. T. Brooks, federation counselor. Members present included

Mesdames D. H. Alexander, C. C. Cox, Dennis Barnard, Lyle Blanton, Homer Brumley, C. C. Ferguson, N. E. Gass, F. M. Kester, Jim Lipscomb, Ralph McCullough, A. L. Manjeot, F. H. Oberthier, J. P. Slaton, C. R. Smith, E. Ramey, Robert Waggoner, Liston Wilson, W. C. Hromas and the hostess.

Mrs. Campbell To Head H. D. Council In '43

Mrs. R. L. Campbell of Fairview was elected president of the Deaf Smith County Home Demonstration Council at the regular meeting last Friday at which other officers chosen were Mrs. Liston Wilson of Wyche vice-chairman, Mrs. R. L. Cocanougher, of Wyche, secretary-treasurer. In announcing the new slate of officers, council members pointed out that each leader chosen has attended a State Association meeting in the past.

Mrs. Horace Hershey, representing the newly organized Progressive club, was introduced at the council meeting and members made tentative plans for the annual Christmas Party on Saturday, Dec. 12.

Miss Oliver reminded the council that seeds and plants will probably be more difficult to procure this year and urged early ordering of garden supplies.

Poppy seeds from Mrs. Bob Wilson's yard were given to all members present.

Attending were Mesdames Ira Ott, Aldon Hawks, R. L. Cocanougher, Horace Hershey, Otto Olson, G. A. Frye, R. L. Campbell and J. E. Dyer and Miss Oliver.

Bing Crosby, Virginia Dale, Fred Astaire and Marjorie Reynolds are beating out the New Year number in "Holiday Inn", Irving Berlin's ace musical which provides a song and dance for every important American holiday. Tops in entertainment, "Holiday Inn" gives Crosby and Astaire a chance to combine their talents on such Berlin melodies as "White Christmas", "Be Careful, It's My Heart," and the ever-popular "Easter Parade" and the picture is being compared with "Alexander's Ragtime Band" which also featured songs by Irving Berlin. "Holiday Inn" shows Sunday, Monday and Tuesday at the Star Theatre.

Sergeant Trimble Marries Miss Leila Allene Robinson In Austin

Miss Leila Allene Robinson, daughter of Mr. and Mrs. Frank Robinson of Lamesa, became the bride of Sgt. Earl Trimble of Camp Swift, son of Mr. and Mrs. J. H. Trimble of this city, on Oct. 4, at the home of Mrs. Margaret McKean in Austin. Rev. Frank L. Jewett read the marriage rites.

Attendants were Miss Billie Watson, who was maid of honor, and Sanky Trimble, brother of the bridegroom, of the public relations department of Kelly Field.

The bride was attractive in a velveteen street length dress-maker suit with brown accessories. Her corsage was of bronze lilies.

Mrs. Trimble is a graduate of Austin High School and the Austin School of Business. Before her marriage she was employed with the State Selective Service Board in Austin.

Sgt. Trimble attended Hereford High School and finished

preparatory school in Matton, Ill. He also attended Texas Technological College in Lubbock for two years.

The couple will live at 1307 Winsted Lane in Austin.

Mr. and Mrs. Jim Ricketts and sons of Carlsbad, N. M. spent the past week-end with his parents Mr. and Mrs. Ira Ricketts, and with her parents, Mr. and Mrs. Ray Hershey of Hereford. Mr. and Mrs. David Boyer and daughter of Amarillo and Miss Irene Hicks of Canyon called on Mr. and Mrs. A. S. Higgins Sunday afternoon.

About three inches of moisture has fallen in this community lately and brought feed cutting to a standstill for a few days. Most of the farmers have begun

cutting again. The moisture is expected to help the wheat a great deal. Although it turned rather cold Sunday it did not freeze Sunday night but a heavy frost and freeze came Monday night that made the arrival of winter a surety.

Mr. and Mrs. C. V. Burgess went to Oklahoma Monday to see her sister who was ill; they returned Tuesday as she was improved.

Word has been received in this community of the birth of a 9 lb. son to Mr. and Mrs. Roy D. Baker of Alva, Okla. He was born Oct. 6 and has been named Roy Anthony. They write that he will be called "Tony". Mrs. Baker will be remembered as Juretta Bird who taught school at Progressive one year while Roy drove the school bus.

Mr. and Mrs. Ira Ricketts and Mrs. Clyde Russell were business visitors in Amarillo Wednesday.

Garland and Gordon Higgins went to Lubbock Wednesday to enlist in the Mechanical and Technical Division of the Army Air Corps. Word has not been received yet as to where they will be stationed.

Mrs. Ira Ricketts called on Mrs. J. L. Pevely in Hereford Thursday afternoon.

The Progressive Workers Club will meet with Mrs. Ira Ricketts Tuesday afternoon Nov. 6. All members are urged to be present.

The shortage of farm labor is evidenced in this community by

the number of women who are helping harvest the crops. Most of the grain crops are good this year.

Mr. and Mrs. Luke McBrayer and daughters at Wyche spent Sunday in the home of her parents Mr. and Mrs. Ira Ricketts. Mr. and Mrs. Horace Hershey and sons visited his parents, Mr. and Mrs. Ray Hershey, in Hereford Sunday afternoon.

Uncle Sam Needs Your

SCRAP

Before the Snow Flies

We've all heard a lot lately about the need for scrap metal. Probably you've already done something about it. But every one of us has got to do more. *Much* more. AND DO IT QUICK!

Here's Why

This war is swallowing steel like a quicksand. We need scrap metal to make steel . . . steel for more tanks . . . more planes . . . more ships . . . more guns . . . and more shells. It's our job to supply our boys and allies with all these things they *must* have to smash the Axis on land, at sea, and in the air.

Scrap Is Precious

Steel for tanks, planes, ships, etc., is made by melting old scrap metal with pig iron—about half and half. The pig iron is made from iron ore that comes from mines. But that precious scrap—THAT'S got to come from us folks here on the Home Front.

What Is Scrap?

Scrap is ANY old thing, made out of iron or steel, that we don't absolutely need. It is anything from a hairpin to a busted steam boiler . . . from a paper weight to a cracked rail. It is old machinery, pipe, tools, flat-irons, auto parts, screws, nuts, bolts, bathtubs, lawnmowers, stoves, tanks, metal barrels, iron fences—and what have you.

Where Is It?

This old scrap is everywhere. It is in cellars, attics, closets, alleys, auto graveyards, fields, garages, barns, and factories. We've all got SOME, be it little or much. A typical town family is said to have about 70 pounds lying about; a farm family, nearly 750 pounds. In ten months after Pearl Harbor the Santa Fe scraped together 210,716,000 pounds of scrap. A pound here, a ton there. That's how it mounts up.

Scrap Means Steel...Steel Means Victory Sell It or Give It...But Get It In

Steel is the only language those bandits in Tokyo and Berlin understand. Let's give them plenty of talk . . . in their language. Every county, city, and town is having a scrap drive. Watch your local newspapers on how to get in it. Sell what you have, or give it away—but get it in! And now's the time, before snow flies! Your scrap can save American lives and help shorten this war. Every pound you turn in helps.

American People Like Pigs - Are Getting Soft

Art is going to have a hard time surviving in this war all because the farmers are pampering their pigs. Artists are going to have to stop painting because brushes can't be imported as before the war. Manufacturers tried to solve the situation by making artist's brushes out of pig bristles, but the bristles were too soft. The farmers had taken too good care of the pigs. The pigs didn't have to do anything for themselves. All their food and protection from the weather was furnished. As a result, the pigs became soft and the bristles can't be used for brushes; so artists of today don't have too bright a future.

If we don't watch out, some of us are going to become like the pigs—just too soft for our own good. When the going gets a little tough, we just give up and hope somebody will do the work for us. If our grandfathers had acted the way some of us do, we certainly would not have this great country we have today. We should think of our country too. If everybody sits back and lets the other fellow do it and becomes soft, Uncle Sam is going to find himself in the same predicament as the artists are.

Five Members Elected

"Time" was the subject for discussion at the Boy's Hi-Y regular meeting last Tuesday. G. P. Owen led the discussion, and talks were given by Orville Calhoun, Jim Hicks, Nolan Grady, and Edward Young. The group decided that their time should be divided into three divisions: time for study, time for recreation, and time for devotion. The club decided to postpone plans for a party until after the football season.

G. P. Owen, Jim Hicks, George L. LeGrand, and Bruce Beene were appointed to plan the banquet for the Father and Son observance during November. Edward Young, Nolan Grady, Orville Calhoun, Johnny Dowell, and Lloyd Manjeot were elected as regular members. Each was asked to learn the Hi-Y slogan, the Hi-Y purpose, and the Hi-Y benediction before the next meeting. All other candidates were asked to have the necessary conference with Mr. Hudson and turn their names in to the secretary if desiring membership. Lloyd Manjeot and David Phillips volunteered to keep the candy-box for the next week. A motion for adjournment was made and carried; so the club dismissed with the Hi-Y benediction.

Parliamentary Law Is English Study

Prince Hereford Sees, Hears All

I know you. I saw you the very first day you came to high school and I have watched you progress every day since then. I have seen you Seniors develop from green frightened Freshmen to capable leaders in school. I have watched you Juniors grow from bewildered Fish to people who are able to take responsible positions in H. H. S. I have watched you Sophs enter as Fish and become enterprising members of the student body. I have watched you Freshmen grow accustomed to high school ways during your first six weeks here.

Don't be dismayed if you do not know me, because a lot of people never really get acquainted with me. You see, I am Prince Hereford, the Whiteface bull, that lives right over the trophy case in the front hall. I have lived there for nearly six long years. During that time I have seen many students come and go and I have heard many things. I am very wise because I see and hear so much and tell so little.

I would probably never have been here if the Student Council of '37-'38, had not decided that it would be a good idea to get me, so here I am. When I first came, the S. F. A. decided to give a dollar to the student selecting the best name for me. Five names were to be selected and the entire student body was to vote on them. The names selected were: Oscar, Maroon, Napoleon, Jr., Old Funtini and Prince Hereford. When the votes were counted, the name, Prince Hereford, was selected and that is how I got my name. Glenn Ricketts got the dollar for thinking of the name. My that was way back in 1938! It doesn't seem that I have been here for six years. Well, everyone of those years was exciting. There was never a dull moment, except between May and September, and I needed those three months to recuperate. I laughed with the pupils when something pleasant happened. I cried with them at times of sorrow; I shared their hopes, their joys and their griefs. I was just as excited as they were when the Whitefaces won a game, and just as disappointed when the student failed an examination. Of course, they never knew this, but I did; just the same. I have enjoyed every day that I stayed here. I think that Hereford High School is a wonderful place to be, and I think I am lucky because I am here, don't you?

Juniors Want Wagon

"Where can we get a wagon?" was one of the questions asked at regular Junior Class meeting on Wednesday. A hayride and a chuck wagon supper are being planned for the Juniors on November 20. Several committees were appointed, but the main one, which will be of interest to the Seniors, was appointed to find ways of raising money for the Junior-Senior banquet next spring. Miss Davies announced the continuation of the scrap drive and urged everyone to get the scrap on the pile. Arline Millard was elected reporter to the Round-Up. As the last and major items of business report cards were passed to the Juniors.

William Barnes Leads Central Honor Rolls

Central School, has many names on the low honor roll but only one on the high honor roll. Those on the low honor roll in the eighth grade are: James Higgins, Ouida Hudson, Johnny Sexton, Betty McBrayer, Mary Estelle LeGrand, Ann Morgan, Jewel Rudd, Mary Beth Scott, Jeareen Sowell, Betty Sue Walker, Nina Beth Hartman, Elizabeth Coganougher. Those in the seventh grade on the low honor roll are: Zola Faye McBrayer, Patsy Slagle, Barbara Boyd. In the sixth grade, William Earl Barnes is the only one on the high honor roll. Those on the low honor roll are: Lola Faye Brunson, Mary Kathryn Carroll, Virginia Green, Jo Ann Witherspoon, Freda Burns, Carren Conklin.

Those on the low honor roll in the fifth grade are: Georgianna Clark, Gail Marie Foster, Joe Edgar Kerr, Jerold Daniel, Alex J. Schroeter, R. A. Sullins, Marilyn Craner, Audrey Hood. Those on the low honor roll in the fourth grade are: Edward Lee Barnes, Bobby Morgan, Jerry Reece, Jack Stanton, Gene Walker, Mary Kathryn Boyd, Colline Brown, Betty Henry, Neida Guy Laurence, Joan Beams, Orlin Teed, Dwaine Walker, Nan Buckner, Delores Westler, Billy Don Engman.

ENGLISH IV, B ORGANIZES

In English IV B, George Weems was elected temporary chairman. A committee composed of Thurman Williamson, Margaret Olson, Bettye Sue Morton and L. J. Clark drew up the constitution and by laws for the group, which is known as the "Better Parliamentary Law Club". At one of its regular meetings last week, permanent officers were elected for the club. Kenneth Rudd was elected president; Bettye Sue Morton, secretary; and Hardy Benson, parliamentarian. In order to give the group practice in making and voting resolutions and committee reports, the chairman appointed two committees. Bonnie Miller, Harold Harvey, Harold Clark, Marian Plummer, and Florence Wilhelm are on the committee for resolutions. Hardy Benson, Guyeth Bogle, Jewell Clark, Vera Carlson, Edna Wilhelm and Felix Pyka are on the committee to plan activities and programs for the club.

ENGLISH IV C HAS DRILLS

The English IV C class organized with the following officers: president, Robina Culpepper; vice-president, David Beavers; secretary, John Pitman; critic, Robert Elliston; reporter, Wanda Whitaker; sergeant at arms, Robert Hickman; and treasurer, Geraldine Kendall. They are trying very hard to learn the correct manner of conducting meetings and after learning, they try to put their knowledge into effect. If all the seniors learn the procedure, their business meetings should be definitely improved.

Kirby Gives Lectures

Nobody knows everything! Not even the Quiz Kids! During past hundreds of years man has amassed great quantities of information. It is impossible for any one person to absorb all this knowledge; so the intelligent person now knows where to find the particular information he needs instead of trying to keep it in his own mental storehouse. This is the goal of the Juniors. For the past week, Miss Kirby, the high school librarian, has been giving lectures to the Juniors on how to use the library. They have visited the library and studied the Card Catalogue, Reader's Guide and different types of books. Did you see the new shelves being heaved up the stairs to the third floor last Tuesday morning? They belong in the library storeroom and will hold the back date magazines, and the books that are seldom used. This room is also used as a general storeroom for all library supplies.

Jr. Red Cross Chapter Formed

At its first meeting of the year, the Junior Red Cross elected the following officers: Marie Compton, president; Kathryn Acker, vice-president; Carlisle Rae Frye, secretary; Felix Pyka, reporter. The vice-president, who is automatically chairman, appointed Joan Robinson, Marcella Blue, Betty Jane Robinson, and Billy Dameron to assist her in the making of programs. The group will meet in the Home Ec. laboratory after school every Monday.

During the meeting, the fact that there is a drastic scarcity of boys in the club, was brought

Fire Officials Are Elected at Meeting

The election of fire officials was the main event of discussion at the regular Student Council meeting. The chief and the assistant chief were chosen from the senior class. "Red" Merrill was elected fire chief; Wanda Jean Whitaker, assistant fire chief. Two students were elected from the remaining classes to be floor captains. Those elected were: Juniors—Christine Smith and Orville Calhoun; Sophomores—J. W. Robinson and Helen Acker; Freshmen—Jessie Ann Buckner and Joe Bishop.

"The Importance Of Home Life" Discussed

The "Importance of Home Life" was the general topic discussed Tuesday night by the Tri-Hi-Y girls in room 23. Margaret Olson, president, gave the highlights of the talks given by Mr. Grover C. Good and Mr. Carl Taylor in Hereford Sunday afternoon. Lonidene Martin was installed as reporter to succeed Nona Deen Rose recently elected editor-in-chief of "The Whiteface Round-Up". The program, "The Importance of Home Life," was opened with the singing of "Home Sweet Home." Mary Frye gave a few points on "Working in the Home." A discussion was then held on "Playing in the Home." Marie Compton gave the importance of "Worshipping in the Home." Frances Gollehon told about "Getting Along in the Home." Each girl then contributed her idea of an ideal home and the kind of home she would like to visit.

Central Chatter

Verda Edwards, formerly of Hereford, is a new pupil from Oklahoma City. So far 7A is ahead in the scrap drive.

Last week you could tell it was six weeks' test week by the numbers of apples on the teacher's desk. In 7B the teacher asked if Lindbergh had a pioneer spirit. Ruben Knox answered that he had "The Spirit of St. Louis."

Richard Pinkert has brought 5000 pounds of scrap for room 5A. We have \$2105 in defense stamps.

In Miss Glascock's room, we have 11,280 pounds of scrap. Marion Jo Wilson brought 7,280 pounds. Everyone was present and on time Thursday.

The Junior Band has new books now and they are liking them very much.

Frances Lee has withdrawn to go to South Texas but we are happy to have a new pupil, Betty Jane Robertson from Blair, Texas. Room 8A seems to have a loud mouth who is Mettie Lee Roots. This is her first year in Hereford, but she has got acquainted so fast that she seems like she's been here forever.

out. As the aims of the club are not social, more boys are needed, for a number of projects to be undertaken by the group can be better done by boys. All boys and girls interested in Jr. Red Cross work should see Miss Davies, the sponsor, or attend one of the meetings. Interested students are requested to join but are cautioned that the organization will not be for pleasure but for work.

Cooper, Helen Acker, Juanita Beauford, Betty Jane Robinson and Lonidene Martin. F. H. T. girls are now selling patriotic pencils. The price is only a dime, and the pencils are really worth more. They are decorated with the U. S. flag, the pledge of allegiance, and the words "Hereford High School, Benefit F. H. T." They have a good-sized eraser. (Feature that!) and are the refill type of pencil. Buy one and help a good organization.

Sr. Mothers Organize

The Senior Mothers held their first meeting of the year in Mrs. Holston's room Wednesday October, 21, at 5:00. Mrs. G. Hill was elected president of the group. The mothers met for the purpose of organization, and to make plans for the coming year. Other officers elected were: Mrs. F. W. Roberson, vice-president; Mrs. W. E. Dameron, secretary; Mrs. W. E. Dunlap, treasurer. Mrs. H. V. Williamson, Mrs. John Olson, and Mrs. Doyle Rose were appointed on a committee to meet with representatives from the Senior class and assist them in planning activities for the class during the year. The first activity of the group will be a Christmas dinner for the Seniors on the evening of the last school day before Christmas holidays. The mothers will meet every last Thursday in each month. However, due to Thanksgiving, which will occur on the last Thursday in November, the meeting will be held at 5:00 on the last Wednesday in November.

The mothers who attended the meeting were: Mrs. W. A. Dobbins, Mrs. John Olson, Mrs. H. V. Williamson, Mrs. T. W. Roberson, Mrs. George LeGrand, Mrs. O. G. Hill, Mrs. Hall Beavers, Mrs. Doyle Rose, Mrs. W. E. Dameron, Mrs. P. L. Dishman, Mrs. Joe Kendall, and Mrs. Holston, sponsor of the Senior class.

Honor rolls the first six weeks of the year generally cause more excitement than they do in subsequent six weeks. This year is no exception even though there are not so many names listed on the honor rolls as should be. To be on the high honor roll, a student must make all A's. To be on the low honor roll, one must make no grade lower than B. Special distinction goes to Lonidene Martin, a sophomore, who is the only student on the high honor roll. She is taking four subjects (algebra, English, Spanish, World History). It is an assistant librarian, and is a member of the Tri-Hi-Y, the pep club, and the F. H. T. In every sense of the word, Lonidene is a real student.

There are twenty-one students on the low honor roll (no grade lower than B). The freshmen have five: J. R. Euler, Gayle Rogers; Madelle Beavers, Jessie Ann Buckner, and Inalou Norwood.

The sophomores have nine honor students: V. C. Hopson, Billy London, Charles Skelton, Helen Acker, Marcella Blue, Naomi Brumley, Betty Jane Euler, Doris Goldston, Juanita Upton.

Four Juniors are on the low honor roll: G. P. Owen, Edward Young, Kathryn Acker, Ruth Tucker.

Three senior girls won honors for their class: Margaret Olson, Phyllis Radovich, and Nona Deen Rose.

Miss Winnie Lee Williams, who has been teaching in Central School, has resigned to go to Phillips to teach.

Hog Cholera Takes 1,000 Head Of Swine

Hog cholera has killed about 1,000 hogs in Deaf Smith County within the past two months. It was estimated today by County Agent A. R. Bateman, who urged farmers to have all hogs vaccinated immediately to prevent further spread of the disease.

Bacterial disease caused by a feeding deficiency, has caused the loss of probably 75 hogs, Bateman adds, pointing out that the adding of a small amount of nicotinic acid—available at all drug stores and wherever stock remedies are sold—will prevent this disease.

Hog cholera, the county agent states, was started here when some hogs were shipped in from East Texas, but sparrows spread the bacteria and to be on the safe side, all hog raisers should vaccinate swine.

Other precautions urged were: Clean up mudholes in the hog pen. Hog wallows in the pen encourage the spread of all diseases and a concrete watering trough outside the pen can do much to improve health conditions. Also, Bateman says, keep clean water in the watering trough at all times.

With the pork shortage growing more serious daily, it practically amounts to sabotage to allow the spread of these hog diseases, especially when simple and relatively inexpensive precautions can insure the health of the hogs, Mr. Bateman declares.

Don't Seal Air Mail Packages; They Must Be Inspected Locally

Postmaster J. R. Lipscomb today requested that all persons having air mail packages to mail bring the packages to the post office unsealed.

New post office regulations require that all air mail packages be inspected at the post office where they are mailed and it will be much easier to do the job if the packages are not sealed, Lipscomb says.

Any mailable matter is still permitted in the air package but the parcel should be unsealed to make inspection easier.

Twelve Men Take Army Exams At Lubbock

Twelve men, four of them transferred from other boards, were sent to Lubbock this week to take final examinations for Army entrance according to the Deaf Smith County selective service board.

Elmer (Happy) Gowens, Ervin Ward, John Bates, Carmel Leon Snoot, Gus Pedde, Charley Lester Hodges, Riley W. Myrick and Thomas Guffee were registered with the local board. Transfers for other boards were Ellis Browne, Longview; Tom Scott, Bend, Ore.; Ernest M. Campbell, Graham, and Alvin Talley, Lubbock.

Vivian Olson Elected To College "Who's Who"

San Antonio, Tex.—Miss Vivian Olson, junior student in Trinity University of San Antonio, has been elected to Who's Who in American Colleges and Universities, an honor in the College World comparable to election to "Who's Who in America" in the adult world of affairs.

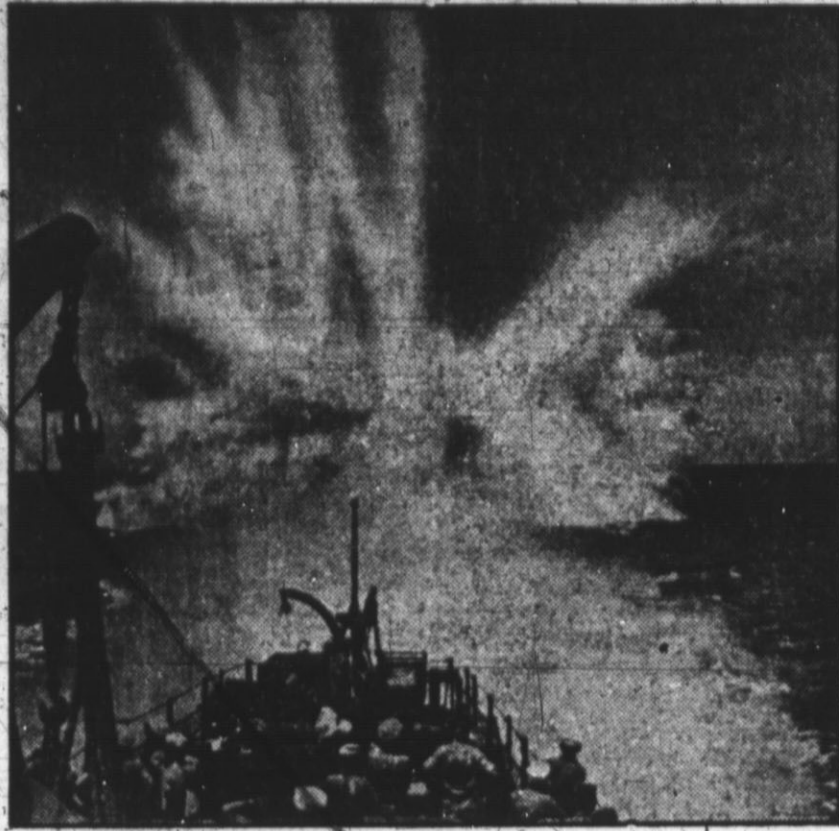

Miss Olson is president of the Spanish Club of Trinity University, secretary to Dr. Paul J. Schwab, Dean of College, and she is prominent in many other activities on the campus. She is a daughter of Mr. and Mrs. John Olson of Hereford.

Walcott Pie Supper To Be Held Friday Night

A pie supper and a Halloween program at Walcott School Friday night, Oct. 30, beginning at 8:30 o'clock, will carry out the holiday theme and at the same time raise money for community needs, according to Miss Alma Mae Fortenberry, teacher at Walcott, who today invited people from Walcott and surrounding communities to attend the program.

Tickets will be auctioned off and children from the school will present a Halloween pageant.

New Rationing Regulations Threaten To Work Hardship In This Territory

County Judge A. J. Schroeter, who Friday attended a Panhandle-wide meeting in Amarillo to study the effects of new rationing regulations, this week pointed out the possible results of rationing in smaller communities in explaining why the mass meeting voted to send a delegation to Washington to get some changes in rationing rules to take care of conditions in the Panhandle.

Concerning the rationing of meat, Schroeter points out that deliveries of pork have been cut to 75 per cent of the amount delivered last year. Since Washington authorities do not recognize that there has been any increase in population in the Panhandle territory (which now has 17 defense projects) this will mean that packers can sell practically the entire 75 per cent in their own immediate territory and that delivery to outlying cities, such as Hereford, will be cut much deeper than the proposed 75 per cent.

"Actually," Schroeter states, "three market operators in Hereford reported to me last week that they were getting approximately 50, 40 and 10 per cent, respectively, of the amount of pork they received last year. And—grocerymen expect the same situation to develop regarding coffee deliveries—and perhaps other food items unless the inequalities of the law are corrected."

All speakers at the meeting emphasized that its purpose was not to get special concessions for the Panhandle territory but simply to get for citizens of this area their rightful share of the rationed goods.

Washington surveys, conducted on some undisclosed basis, have revealed that the only Panhandle county to see any sizable increase in population since 1940 is Oldham County, with a 19 per cent increase, and speakers at the Amarillo meeting believed that if the delegation could convince government authorities of the inaccuracy of these figures, they might be able to get an adjustment of rationing rules.

A county judge, a packing house official and a chamber of commerce official will be members of the delegation, Schroeter said.

Soy Beans

The meeting Friday will probably disclose the number of bags needed and arrangements will be made for their immediate shipment here.

Producers Enthusiastic Producers here feel fortunate in having a processing plant as close as Littlefield and believe that if the crop comes up to expectations of a \$40,000 income in the county this year, expanded acreage of next year's crop may cause location of a processing plant in Hereford.

All farmers who have raised soy beans are urgently requested to attend the meeting tomorrow. County Agent A. R. Bateman reports that he has sent personal invitations to approximately 16 producers, but points out that there are probably several producers whose names he did not have. Both Mr. Bateman and Mr. Collier feel that this meeting of producers will do much to clear up confusion concerning the harvest and marketing of the new war crop.
