AROUND A Town

Sights and Faces Seen

Since Deaf Smith County made its \$211,000 bond quota—and then some, we can all sigh with relief. Henry Hastings dropped into the Brand office and said he thought we should publish a list of the Bond Buyers in the April drive, along with amounts purchased; he added that he figured it would take time and space to compile the list—and said he would contribute a \$100 bond to the Brand to offset this cost. Maybe Mr. Hastings has a good idea. Anyway, we made him a counter-offer, and because quite a few other readers may be thinking along the same line, we will repeat our offer:

If the War Bond Committee wants a list of purchasers published in The Brand for the April drive, The Brand will publish this list without one cent in charges.

We feel that the Bond Committee is doing a good job; they are also doing a lot of hard work for the community. Therefore, The Brand wishing to cooperate with the committee toward the best interests of our county and nation, will be glad to publish such a list without charge. On the other hand, if the committee feels such a list would be detrimental to the county welfare, then it just isn't for publication at any price.

If you think publishing the buyers and amounts would help, then tell the committee chairman, Claude Ricketts, Fred W. Baird and Geo. L. Muse. They always appreciate suggestions and like all bond buyers, they are working toward one goal—Victory as soon as possible.

Jesse Stanford is back from a trip to furniture markets, and he's got a story to prove that the old tales about good times on marketing trips definitely belong to the "good old days." In the first place, there was no furniture to buy; and in the second place, riding on antique coaches and having to stand up for several hundred miles at a stretch is no fun. In fact, Jesse is willing to give a loud amen to those government reports urging civilians to refrain from all but necessary travel.

The J. C. Penney Victory Garden Window is certainly attractive—enough to make you want to go out in the garden and raise a crop of vegetables. But it evidently hasn't infused Bessie Lee West, one of the Penney employees, with the necessary enthusiasm. Bessie Lee says she conscientiously works one row in the garden every afternoon—but it's strictly from a sense of duty.

And speaking of window displays—

"America's Food Crisis" Is Latest March of Time

Lend-lease shipments of food to our allies are not responsible for U. S. food shortages. Moviegoers who see "America's Food Crisis," latest March of Time, at the Star Theatre here next Wednesday and Thursday, May 5 and 6, will learn that the biggest factor in our so-called "food shortage" is this: Millions of Americans are being properly fed for the first time in their lives.

Global war, says the film, has brought the U. S. face to face with a leveled off standard of living. Fighting forces get first preference, while war workers enjoy a new standard of eating subject to rationing. The farmer has been called upon to surpass all-time production highs. But ex-president Hoover and novelist Louis Bromfield warn that unless he receives further help, the program cannot succeed. With present public interest in food and rationing, here is a thought-provoking film on a situation which concerns every man, woman and child in America.

Senior Play Cast

Cast of the Senior play, "Come Out of the Kitchen," which will be presented tomorrow night at 8:30 at the high school auditorium are pictured above (left to right) front row: Phyllis Radovich, Nona Deen Rose, Mary Ann Acker, Erva Fluit, Juanita Kelley and Miss Irene Crawford, director; back row: Bill Dameron, Dagny Russell, Don Roberson, Felix Pyka, Bruce Beene and Thurman Williamson.

Senior Play Scheduled For Tomorrow Night

To Greenville

Rev. H. M. Redford, minister of the Hereford Christian Church who with Mrs. Redford will leave early next week for Greenville where he has accepted the pastorate of the Christian Church.

Redfords Go To Greenville Pastorate

H. M. Redford, who has served as pastor of the Hereford Christian Church for almost seven years, will preach his farewell sermon next Sunday night at 8:45, when congregations of the Presbyterian, Methodist and Baptist Churches will dismiss their regular services to join with the Christians in a parting tribute to the popular minister.

Rev. and Mrs. Redford are going to Greenville, where he has accepted the pastorate of a church with a membership of 900. Greenville is a town of about 20,000 population. Mr. Redford, at the beginning of his seventh year of service here last September, listed some of the church's accomplishments during his pastorate. At that time 131 new members had been added to the church rolls and a building debt of \$7,500 had been liquidated. Mr. Redford has served as director of young peoples work in the southwest plains area for the past four years. Mrs. Redford has also been active in young people's work. The Christian pastor is a member of the Lions Club and...

Complications, and laughs, come thick and fast when scions of an old but impoverished Southern family take on servant's duties in order to rent their home to a rich and eccentric Yankee financier.

The aristocratic Daingerfields, played by Phyllis Radovich, Felix Pyka, Nona Deen Rose and Thurman Williamson, turn out to be very poor help in the kitchen, but at least they meet some interesting people, including Yankee Crane (Billy Dameron), Mrs. Falkner (Mary Ann Acker), Solon Tucker (Donald Roberson), Randy Weeks (Dagny Russell), and Tom Lefferts (Bruce Beene). There are also some real Negro servants, captained by Mandy, played by Erva Fluit.

The play, by A. E. Thomas from a story by Alice Duer Miller, has long been a favorite with Little Theatre and school groups, and seniors boost it vigorously as the best in years. Curtain time is 8:30, tomorrow (Continued on Page 12)

County Pioneer Dies In Dallas

Funeral services were held Tuesday morning in Dallas for J. D. (Jim) Carter, 54, former resident of this community and brother of A. R. and Tom Carter, who attended the services. Mr. Carter was one of the first white children born in this county, having been born June 19, 1888, on the Carter Ranch, four miles southeast of here. His parents were Mr. and Mrs. Eliza Carter. Jim, as he was widely known here, attended the Hereford Schools and later attended St. Edward's College near Austin. Many old timers will remember him as one of the outstanding baseball players of this community at the time Hereford supported a strong ball club. He played in the field and was an outstanding hitter, being recognized as an exceptionally good player. Mr. Carter was in the farming and ranching business here until 1920, when he went to Dallas and became engaged in the cafe business. He still continued in this business at the time of his death. He visited here frequently and at the time of his death still had numerous friends in this section. He is survived by his widow, Mrs. Mabel Carter, Freeport, Texas; a daughter, Mrs. A. T. Deere, and two grandchildren, Joy and Jerry Deere, all of Freeport; two brothers, Tom and A. R. Carter, both of Hereford.

Pre-Measurement Of Crop Lands To Aid Farmers

Instead of determining farm performance by measurement of crops after they are planted, this year's AAA program provides for a system of "pre-measurement" of lands, according to an announcement made at the Deaf Smith County AAA office this week. The new system will save both time and money for the farmer, AAA officials state, adding that it will be explained at a series of community meetings, first of which will be held at Wyche Schoolhouse, Friday, April 30, from 9 o'clock in the morning until 4 o'clock in the afternoon. Farmers of the community are invited to come in at any time between those hours. Time and place of eight other community meetings to be held in the county have not yet been decided on. Three committeemen from each community, aided by personnel from the county office, will conduct the meetings. A scale plan of each farm will be available and farmers can let the workers know the acreage they will plant to each crop. The crops will then be marked (Continued on Page 12)

Hereford Boy Wounded In Action In N. Africa

Staff Sgt. Lester F. Wagner, son of Mr. and Mrs. Roy Wagner of Hereford was seriously wounded in action in North Africa on March 31. Sgt. Wagner is making normal improvement, a War Department message received by Mr. and Mrs. Wagner revealed this week. No details on the action in which the Hereford boy was wounded were available here this week.

Private Planes Prohibited From Flying Over Camp

Col. Ralph Hall, commanding officer of the Hereford Internment Camp, stated this week that there have been reports of civilian planes flying over the camp and the colonel wishes to remind all operators of civilian or private planes that this camp is a restricted reservation. "Private planes are prohibited from coming near this area by orders established by executive order of the President of the United States," Col. Hall stated.

Fishing, Golf, Hold Interest Of Sportsmen

With gas rationing putting an effective clamp on regular vacation plans, interest in recreation near home was high this week as local anglers made plans for the official opening of the fishing season on Saturday, May 1.

Streu Hardware, which handles the sale of artificial lure licenses in town, reports a brisk sale of licenses all week with many fishermen planning to go to Buffalo Lake on Saturday and Sunday, where the season will get off to a good start with plenty of fishing and many other recreational features. Fishing licenses cost \$1.10 (for residents) and are required for all artificial lure fishing.

Golf Club Starts

Also of interest to sportsmen is the campaign for membership in the Hereford Golf Club. John Patton, secretary-treasurer of the club, reported yesterday that a good many memberships have already been sold and golfers visiting the course say that many improvements are now being made. The course is being cleaned up and sand is being put on the greens. Memberships cost \$20 and may be purchased from Mr. Patton.

War Ration Book 3 To Be Distributed by Mail

War Ration Book No. 2 will be distributed through the mails to more than 120,000,000 individuals beginning late in June and ending July 31, the OPA has announced. Mailmen will leave post card applications at every home between May 20 and June 5. The post card, properly filled out by the head of the house and mailed to local ration boards, will serve as an application for Ration Book 3, which will be mailed to applicants. Price Administrator Prentiss M. Brown emphasized this week that the new book is a replacement book only, containing a new supply of stamps to take the place of those being used up. He said if any more rationing programs were necessary, there would be official notice by the government.

Mrs. A. O. Thompson's Father Is Buried Friday In Deport

Abraham E. Argo, father of Mrs. Alex Thompson, died last Thursday at Deport, in Lamar County, Texas, at the age of 85 years. Mr. Argo moved his family to Hereford in 1905 and was a partner with B. Barnard in the grocery business, located where the Candy Kitchen is at the present time. After the death of Mr. Barnard he was a partner with J. D. Jarrott and later sold out and moved to a farm west of Clovis.

Date of Firemen's Dance Postponed

The Firemen's Dance originally scheduled for Monday night, May 3, will not be held, it was announced today by Debbs Knox, who said that Marie Hertrick's orchestra, which was billed to play for the dance, will not be able to keep the engagement. "We are sorry to have to postpone this dance," said Mr. Knox, "but changes in the plans of the orchestra make it impossible to have it on the date scheduled." No further plans have been announced. An advertisement of the dance had already been printed in an early run of the Brand. The announcement of the postponement was made.

Military Personnel At Camp Is Increased

Military personnel at the Hereford Internment Camp was increased by approximately 130 men and three officers with the arrival yesterday of another guard company. "This brings the total military strength at the camp to about 380 men and 33 officers.

With the sale of \$218,520.50 in U. S. Treasury Securities already made in Deaf Smith County, members of the bond sale committee were predicting yesterday afternoon that the county probably would reach the quarter million dollar mark in bond sales before the drive ends officially Saturday night. Though business firms and institutions have made large bond purchases in this county, in general small investors have accounted for a considerable part of the loan; and this, according to J. C. Ricketts, Geo. L. Muse and Fred W. Baird, co-chairmen of the drive, is indicative of the great sales job done by volunteer workers in Hereford and in all rural communities. The chairmen lauded the businessmen, farmers and ranchers who have used their own time and have made such a splendid effort, without any monetary compensation, to perform this vital sales job as volunteers.

His Gift for "Keeps"

The gift of William (Buddy) Harris, pictured above, was "for keeps." And the contrast between the sacrifice made by young Harris, who was killed in action with the Coast Guard, and the contribution of civilians to this war, spurred citizens of Dawn community to raise \$23,850 in the Second War Loan Drive. Buddy, a farmer in Dawn community, was the son of Mrs. L. M. Harris. He had married only a short time before his death and he and his wife had visited with his mother and other relatives here. For a comment on the Dawn War Bond Drive and the bond buying responsibility of all citizens, see the article by H. E. Miller, Dawn bond sale chairman, on Page 8 of this paper.

Scrap Drive Set For May 10-15 Dates

Announcing a new salvage drive to be held from Monday through Saturday, May 10 to 15, H. J. Richardson, chairman of the Deaf Smith County Salvage Committee, this week urged farmers and all other holders of scrap to start today to take a careful inventory of all scrap metal on the place and to assemble the scrap for delivery. An advertisement on page 10 of this week's Brand outlines the need for scrap (steel mills may have to close down by July or August unless the flow of scrap is vastly increased) and states the responsibilities of all citizens in the drive. "We have purposely postponed this drive until spring weather," Mr. Richardson says, "and we feel that this is the opportune time to have it—before the farmers and businessmen begin to be rushed with harvest operation." Members of the salvage committee will call on each holder of scrap during the five day scrap round up, and will make arrangements for transportation for any materials which holders are not able to deliver. "Give some thought and some effort to this job now," urges the salvage chairman, "and be able to give your committee some definite evidence of co-operation when he calls on you next month." (Continued on Page 12)

Schools Buy 12 Jeeps In April Campaign

Twelve jeeps for Uncle Sam's fighting doughboys is the score rung up by Central School and Hereford High School students who this week had bought \$11,187 in bonds and stamps to push the school's "Jeep Campaign" to a successful finish. "Originally we planned for the high school students to buy one jeep," says Supt. Knox Klarnard, "but conversations with Central School teachers convinced us that the children in the grammar school were really eager to take part in the drive." In the final count, stamp sales at the high school and grade school were about equal, with both divisions buying enough bonds and stamps to buy six jeeps each. Cost of a jeep is estimated at about \$900. The high school sophomores sold the most bonds and stamps according to the report, but every grade turned in a real top performance and the contribution of the students has been a big help in pushing the county toward its April bond quota.

Let's Cook Something

Here is another old-fashioned recipe belonging to Mrs. J. E. Gyles. It will stretch your precious meat points and in many instances it has proved such a favorite that ham and chicken went begging. It is excellent hot with savory baked or stewed vegetables or it is just as good cold with a tart fruit or green vegetable salad; and it makes super-sandwiches.

Chili Meat Loaf

- 2 lbs. beef
- 1 lb. pork
- 1 cup cracker crumbs
- 2 eggs
- 1 medium sized onion
- 1-2 garlic button (or less)
- salt to taste
- 3 tablespoons catsup
- 1 tablespoon chili powder
- 1-2 cup milk

Grind all the meat, chop onion and garlic fine and mix all ingredients together thoroughly. Mold in a loaf, place in a greased pan, add half a cup of boiling water. Cover pan and bake about an hour in a moderate oven. Baste once or twice and just before it is done, strip the top with bacon and, leave off the cover and allow to brown.

Southern recipes are hard to beat and many old recipes are looking up now as rationed days take us back to the simple ways of preparing staple foods. Now that prunes aren't rationed try some "spiced prunes" to go with the above recipe.

Spiced Prunes To Go With Meat

- 1 lb. prunes
- 4 cups water
- 1 cup sugar
- 1-4 teaspoon allspice
- 1-3 cup vinegar
- 1-8 teaspoon salt
- 2 inches cinnamon stick
- 3 cloves

Wash prunes, add water and allow to soak over night. Then add sugar, spices and vinegar and cook very slowly until syrup is thickened and prunes are tender. Chill and serve with sliced cold meat.

Pilgrimage Conducted By Garden Club

A pilgrimage, arranged by the club pilgrimage committee, consisting of Mrs. F. M. Kester, Mrs. Dennis Barnard and Mrs. J. R. Allison, was conducted by the Hereford Garden Club Friday afternoon.

The club met in regular session at the club rooms at the court house and after the program as scheduled in the new 1943 year-books, the honor pilgrimage was featured when flowers, shrubs and lawns and other special beauty spots were viewed.

The pilgrimage included the grounds at J. H. Pitmans, Red-bud tree at A. J. Schroeters, tulips and red-buds at Mrs. Jennie Thompsons, tulips at C. C. Fergusons, red-buds at C. F. Sierra, lawn at home of Mrs. E. W. Harrison, W. C. Pitman home, cemetery grounds, flowering crab apple tree at J. P. Slatons, a look at the L. Z. Oldham and E. J. Richardson lawns, the C. H. Dyer home and the grounds at the E. B. Black and W. J. Stanford homes.

For the program which preceded the pilgrimage, Mrs. D. H. Alexander was leader. She discussed the subject, "By Their Fruits You Shall Know Them" dealing for the most part with tulips and narcissus. Quoting from H. J. Ohms, bulb specialist of Holland and also of Stamford, Conn., she gave timely advice on the nature and care of the bulbs, saying: "Bulbs do not just grow, they need nourishment and care. Tulips are never planted in the same spot two years in succession. If you plant in a formal way it is necessary that the tulips are planted at a uniform depth to insure an even height of blooms, because tulip bulbs of the same variety of uniform size will produce the same length of stem so that those planted deeper will appear shorter than those planted more shallow. In order to do this about eight inches of soil should be taken out of the bed, put in about 1-2 inch of pure sand, rake level and set the bulbs firmly in the sand in straight rows 4 to 6 inches apart, then put the soil back. The best method of digging the bulbs after they are through flowering is to lift the tulip plant, bulbs and all, and heel them in in the vegetable garden, allowing them to ripen properly there and about June the bulbs may be dug, cleaned and stored in a dry cool place. These should not be heaped up but should be spread in thin layers. A job which is much easier said than done."

The narcissus may remain undisturbed for many years, in which case, under normal care, they increase in size and number. It has been proven that such plants are even more disease resistant than those dug each year. Be sure in planting

that no air pocket is left below the bulb, Mrs. Alexander said. Hostesses for the meeting were Mrs. E. T. Brooks and Mrs. Robert Wagener. Members attending the meeting and taking the pilgrimage journey included Mesdames D. H. Alexander, E. T. Brooks, C. D. Carnahan, C. H. Dyer, E. E. Fridley, C. C. Ferguson, C. T. Guseman, E. W. Harrison, O. G. Hill, W. C. Hromas, F. M. Kester, Jim Lipscomb, Lan Shore, J. P. Slaton, Earl Springer, E. Ramsey and Robert Wagener.

BIRTHDAY OBSERVED

Little trends of Patsy Ann Jackson shared in birthday celebrations Friday afternoon when her mother, Mrs. Clinton Jackson, entertained honoring her seventh birthday.

The party was given at the home of Mrs. Walter Seed and Easter games and Easter favors were featured.

Those attending the party were Gail Roberson, Gail Gault Dixie Young, Betty Jean Walser, Audrey Lindsey, Marilyn and Marlene Legg, Doretta Kay Albracht, Mrs. Saylor, Mrs. R. R. Jackson, Mrs. George S. Parker, Mrs. Jerry Albracht and Mrs. Walter Seed.

CHILD STUDY CLUB MEETS FOR STUDY IN COVINGTON HOME

Mrs. Worth Covington was hostess for the Child Study Club at her home Thursday afternoon.

Mrs. Carl Oldham discussed "First Aid that Mothers Should Know." This was a brief review of a recent first aid course sponsored by the American Red Cross.

Mrs. G. M. Hudson gave practical demonstrations in sick room technique, outlining high points in a course in home nursing. Mrs. Hudson stressed the need of mothers taking the home nursing course.

Members of the club present were Mesdames James Alken, Jr., G. M. Hudson, Ira Foster, Merlin Kaul, G. W. Newsom, Carl Oldham, J. C. Reese, Frank Daniel, Marlin Gilliland, John H. Channer, Forrest Minton, Marvin Boyd and the hostess.

Council Names Delegates To District Meet

Meeting Saturday afternoon, the Deaf Smith County Home Demonstration Council made plans for sending a delegation to the Texas H. D. district meeting in Amarillo May 11 and heard reports on current topics by Miss Sadie Lee Oliver, home demonstration agent.

Delegates chosen, named in order, are Mrs. J. F. Matthews, Mrs. Merlin Kaul and Mrs. Aldon Hawks. Alternates are Mrs. Earl DeHart, Mrs. Fred Axe and Mrs. Glenn Hetzler.

The county chorus will sing at the district meeting and Mrs. Merlin Kaul, chorus director, will lead all group singing at the convention. Mrs. Cawthon Bryant is scheduled to speak on the subject, "How My County Is Meeting the Change in Wartime Conditions."

Miss Oliver discussed control measures for garden insects and an extension of the present meat supply was discussed. Miss Oliver also emphasized the dangers of canning non-acid foods with-

out the use of a pressure cooker. This particular area is one where botulism (poisoning from the eating of spoiled canned foods) is especially prevalent.

Present were Mesdames Joe Wagener and J. E. Dyer, Ford; Frank Wilde, Earl DeHart, Fred Saltzman, O. L. Rutherford and Miss Dorothy Dee Wilde, North Hereford; J. F. Matthews and E. W. Womble, Fairview; Cawthon Bryant, South Hereford; Fred Axe; Frio, and W. S. Rice, Westway.

LOCALS

Lt. and Mrs. Paul Wilson and son Marvin, all former Hereford residents, were in Hereford the past weekend visiting with relatives. Lieutenant Wilson, who has been stationed in Maryland, has been transferred to Seattle, Wash., and was spending a brief furlough with his family. Mrs. Wilson and son have been living in Stratford since his induction into the army.

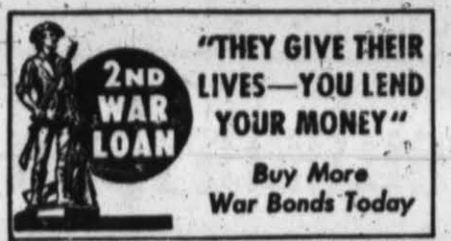

Miss Edna Daughette and mother, Mrs. W. M. Daughette of Pampa, spent the Easter weekend with Mr. and Mrs. Elmer Patterson and other friends. Miss Daughette is a former Central School teacher.

Mr. and Mrs. A. A. Foster, formerly of Hereford and now of

Lubbock, spent the Easter holiday here with their daughter, Mrs. Sherman Morgan.

A. C. Elliott of El Paso, one-time owner of The Hereford Brand, was looking up old friends and business associates here Thursday.

Fortieth Wedding Anniversary Is Observed By Mr. and Mrs. Boyd

Mr. and Mrs. L. F. Boyd celebrated their fortieth wedding anniversary Monday April 19, at their home on East Fifth Street. A dinner at noon with family and friends to share in the celebrations was the order of the day. Gifts, flowers and messages of congratulations were received during the day.

Mr. and Mrs. Boyd moved from Carroll County, Tenn., to Hereford in 1916. They moved from here to Missouri but returned seven years later and have made their home here since that time. They are the parents of two sons, Robert Boyd of Summer-

field and Roy Boyd of Hereford. They have seven grandchildren. Others present for the anniversary celebration besides the two sons and their families were Mr. and Mrs. A. Lowther, Mr. and Mrs. Guy Hamm, Rev. and Mrs. James Alken and children, Mrs. P. H. Luck of Roswell, N. M., R. T. Nunn, Erma-Cross and the honorees.

Also celebrating on that day was the Boyd's granddaughter, Royda Boyd, whose birthday was the occasion remembered. A birthday cake, decorated in her honor, was topped with pink and green lighted candles.

Social Highlight of Week Is Honor Tea Given to Compliment Mrs. Redford

One of the largest social affairs of the season took place Tuesday afternoon when twelve hostesses entertained at the W. E. Dameron home to honor Mrs. H. M. Redford, who with her husband, Rev. Redford, is leaving soon for Greenville where he will assume duties as pastor of the First Christian Church there.

Profusions of early spring flowers greeted the eye at the Dameron home. Gorgeous yellow tulips, spirea blossoms and lovely white hydrangeas were combined to carry out a yellow and white and green color theme for the party. In the dining room the tea table was centered with an arrangement of tulips and spirea and the table was lighted by tall green tapers in candelabra. Mrs. F. M. Kester presided at the silver tea service.

Greeting the guests with Mrs. Redford were Mrs. Dameron and Miss Frances Dameron Mesdames Harry Seed, A. M. Jones, F. M. Kester, John Robinson, J. Earl Phillips, Robert Veigel, C. H. Dyar, C. D. Carnahan, A. Petersen and J. B. Stoker. Also Mrs. Dameron and Miss Dameron. Approximately 225 guests called between the hours of four and seven. Rev. and Mrs. Redford have resided in Hereford for the past seven and a half years and she has been active in all church affairs as well as in the community life of the city. She is a past president of the Federated Council of Church Women and has been a leader in religious circles of the county.

LUNCHEON CLUB IS ENTERTAINED

Wednesday Luncheon Club members and guests enjoyed luncheon and games at the

home of Mrs. J. C. McCracken last week. Red tulips and spirea sprays formed the centerpiece for the table from which the luncheon was served, and tulips and lilacs were used about the house.

Mrs. C. C. Acker played high in contract games after the luncheon for the club award and Mrs. A. R. Bateman played for the guest award. Special guests were Mrs. Colby Conkright, Mrs. J. A. Pitman and Mrs. A. R. Bateman.

Club members present were Mesdames W. L. Davis, C. C. Acker, Alton Fraser, Oscar Easley and S. P. Rossion.

CIVIC PROBLEMS ARE DISCUSSED FOR LONE STAR CLUB

Roll call featured "A traffic hazard or an improvement needed in our city" at the Lone Star Study Club meeting held at the home of Mrs. R. G. Blue Tuesday afternoon. Mrs. Jack Grady was co-hostess.

"Civic Problems of Our City" was the topic discussed by Mrs. John Jacobsen who told of the need for the cannery soon to be located in Hereford, of a probable dehydrating plant, of the housing problem and of the efforts being made by the Chamber of Commerce to solve that problem.

Mrs. Jerry Morrow read the poem, "Creed", by Hal Bourland. Announcement was made that the closing luncheon will be held at the home of Mrs. W. F. Flutt on May 11. Hostesses will be Mrs. Nelson McRight and Mrs. Homer Henkle.

Members present at the meeting were Mesdames Roger Corbett, Orpha Click, Homer Hen-

A small crowd was present Friday night at the bond supper which was held at the schoolhouse. Sergeant Dobbs, Pfc. Frank Locke, and Cook Knudsen from the Hereford Camp accompanied Mr. and Mrs. Sam Smith ad family from Hereford. Kelly Gray had charge of the bond sales. Nearly \$500 was raised. Others in the community have pledged to buy bonds this week.

Mrs. Tom Vaughn of Tacoma, Wash., was honor guest Thursday at a covered dish luncheon at the home of her sister, Mrs. G. C. Hartman. The luncheon table was laid with a lace cloth and centered with spring flowers. Places were laid for Mrs. P. M. SCRAP METAL DRIVE -- May 10th to May 15th!

A Message to all Holders of Scrap:

We in Deaf Smith County have been coasting on previous accomplishments too long -- again we must collect scrap. Government sources advise that the present unsatisfactory flow of scrap to furnaces must be increased or steel production will be seriously affected by July and August. Knowing as we all do, that there is still a great quantity of this vital material in this community, surely we can not be careless, indifferent or just downright lazy about this proposition now. This must be considered as great a call to action as any bugle ever blasted in battle. The purpose of this ad is to ask you to search your premises for scrap metal; assemble it in a pile or piles so that if for any reason you cannot transport it to market you can advise the party who will call on you during the above-designated week just how much you have, that arrangement may be made for dealers to pick it up there. Don't overlook old jalopies -- the abandoned cars and trucks which are no longer serviceable. If they won't run, and you can't bring them in, again notify your committee worker and we will see that they are brought in.

The next two weeks may be busy ones for some, but not as busy as those that will follow. We have purposely delayed this drive for nice weather. It's here, the scrap is badly needed. Let's get busy! Do it now! Remember a committeeman or worker will call on you between May 10th and 15th to learn what you have done. Don't disappoint him. He's probably just a poor guy like yourself, donating his time, car, tires and gasoline in a cause that must be won. To do that we must have no failures -- no slackers. Collect that scrap today!

Do You Remember?

May 1, 1903
It is said that an attempt will be made to move the county seat of Oldham County from Tascosa to a new town that is to be built on the line of the Choctaw railroad in the south part of the county.

—Canadian Record.

Ex-County Clerk A. J. Thompson and family left this week to make their future home in West Texas. Some years ago Mr. Thompson bought a few sections of school land near Hereford, Deaf Smith County, where he established the ranch which the family will now occupy.

—Gainsville Register.

Last Monday evening the new city council of Hereford met at the Mayor's office and transacted considerable business of importance. Those present besides Mayor Davis, were Aldermen Fuller, Aten and Loveless, Aldermen Ricketts and Lipscomb being absent.

W. S. Higgins and E. R. Rice

were partners in a dealership in coal, grain, hay, salt and field seed. They also advertised Bois d'Arc posts, cash for hides and bones, wagon yard connected.

Smith, Walker and Co.—have now consummated their plans and a charter for the Western National Bank of Hereford has been applied for with the following charter members of the corporation: G. A. F. Parker, F. B. Fuller, W. S. Higgins, J. P. Connell and L. R. Brady.

May 2, 1918

Dr. W. F. Gabbert, one of the most prominent and popular Hereford physicians, has "lined the Cavalry" and is preparing to take station with the new Texas National Guard in the Fort Bend district after preliminary course of training at Camp Mabry is over.

One of the three business changes in Hereford announced during the past week was that whereby Vern Witherspoon and J. H. Weems purchased the business of the Renfro Garage.

Dr. G. W. Heard, local dentist, has heard the call "back to nature" and is quietly preparing to establish an irrigated farm

second to none in this section.

Captain David Fallon—proclaimed the greatest war lecturer on the platform, comes to the Hereford Chautauqua with a variety of experiences and narrow escapes from death (with 13 wounds) and a thrilling story told in a manner unequalled by any other war lecturer.

John Williams left last Saturday for Camp Travis, San Antonio, after a short visit with home folks.

The extremely interesting announcement is made that on Saturday, May 4, the new William Fox production, "Cupid's Round-Up" will be presented at the Star Theatre. The hero of this picture is—the new star, Tom Mix.

EENY, MEENY, MINY, MOTOR OIL

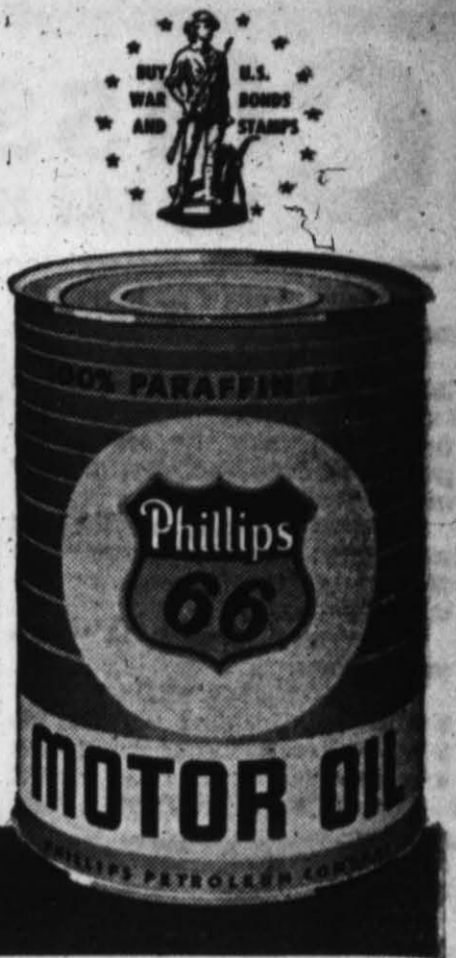

NO ABRACADABRA, no flip of a coin, can help you choose motor oil wisely. Yet the decision is of utmost importance because today cars must live to a ripe old age, and no car can ever be any younger than its motor.

To help you select the oil for your car, we give you sound, straight-from-the-shoulder facts. We tell you frankly and clearly which lubricant to ask for when you want our very best.

Just remember, we definitely specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

Why not try Phillips 66 Motor Oil? Ask for it by name when replacing winter-worn lubricant, or when making the recommended every-two-months oil change.

More Power To
Price Panels
Under OPA Rule

To learn more of the OPA pol-
 icy of delegating greater pow-
 ers to local rationing boards in
 the setting of local price ceilings,
 members of the local price panel
 will meet with regional OPA re-
 presentatives on Thursday, May
 6, in Amarillo, according to an
 announcement by E. H. Norton,
 chairman of the Deaf Smith
 County War Price and Rationing
 Board. Price panels and price
 clerks of the War Price and Ra-
 tioning Boards of Potter, Deaf
 Smith, Randall, Armstrong and
 Oldham counties and representa-
 tives of the retail and whole-
 sale grocery trade from these
 counties will meet with the OPA
 representatives.
 New regulations will be discus-
 sed in full so that in the future
 the price panels will be in a po-

sition to assist the merchants
 to a better understanding of the
 regulations, thus eliminating
 the necessity of contacting the
 nearest branch of OPA on every
 problem which may arise. As the
 price panels become familiar
 with new duties, they will be
 handed additional regulations
 and will eventually be able to
 solve most of the problems lo-
 cally and eliminate much delay
 and confusion in the enforce-
 ment of OPA rulings.
 Price panels and price clerks
 will meet with the OPA directors
 at 2 o'clock p. m. The meeting
 for the wholesale and retail food
 business is urged to send a re-
 presentative and to bring their
 individual problems to the at-
 tention of those conducting the
 meeting. The new system of food
 price ceilings and other regula-
 tions will be considerably sim-
 pler than the one which has been
 in effect, according to the OPA,
 and the meeting will be a sin-
 cere attempt to solve many of
 the problems of local merchants.

A SUGGESTION TO FARMERS

I have been in the insurance
 business 40 years, and I keep up
 with what's going on in the in-
 surance world.
 From the best information I
 can get, this year's wheat crop
 has been damaged from two-
 thirds to one-half in this county
 by green bugs.
 There is one more hazard, and
 as we all know, it's a big one—
 HAIL!
 Permit me to suggest that you
 look over your fields carefully.
 Then place a reasonable amount
 of hail insurance on your crop.
 Hail insurance is expensive be-
 cause the hazard is great.
 I have a formula worked out
 which I am sure will give you
 just what you want, and will
 save you quite a bit of money.
 See me before you insure.

 There will be no evening worship services in our church as we are dismissing to worship with the Christian Church in a farewell service for the Rev. H. M. Redford.
 The public is cordially invited to attend any and all of the services held in the Presbyterian Church.
 James Aiken, Jr., Pastor

First Baptist Church
 Sunday School — 9:45 a. m.
 Morning Worship — 10:50 a. m.
 Training Union — 7:15 p. m.
 Rev. E. J. Speegle, pastor of the Baptist Church at Bovina, will preach at the morning worship service Sunday. Brother Speegle is one of the finest young preachers we have in this part of the state. We are very fortunate in having him supply the pulpit for us in the absence of our pastor, Rev. Barnes will return from a two-week's Revival at Sunray the first part of next week.
 We will have Training Union at 7:15 p. m. as usual Sunday evening, following Training Union we will attend the evening worship service at the First Christian Church. We urge that all our members attend all these services Sunday.

SOCIETY
Texas Day Program Given At Summerfield
 Guest Day was observed with a "Texas Day" program recently when the Summerfield Study Club met at the home of Mrs. B. E. Roberson, with Mrs. O. B. Sumner, as co-hostess.
 Mrs. D. G. Waiser, president, opened the program by welcoming the guests of the club and directed the Texas Day program.
 A one-act play was presented by Mrs. Walk Boston who represented the characters and told the story of "Moonshine" by Arthur Hopkinson. Mrs. Jim Clark entertained with readings, presenting "Little Towns of Texas," "Towns of the Panhandle" and "Sketches of the Texas Prairie."
 After an enjoyable social hour guests were invited to the dining room where Mrs. Roberson and Mrs. Otho Noland presided at a decorated refreshment table. Derogations were in Easter colors with sweet pea corsages as plate favors.
 Guests of the club included Mesdames J. D. Story, O. B. Roberson, Roy Euler, Everett Story, J. L. Lookingbill, John Renfro, Perry Roberts, Earl Lance, Forbes Blakemore, Floyd, W. A. Epperson, Miss Mabel Cannon and Mrs. Dorothy Sims.

FED. CHURCH COUNCIL TO HOLD ANNUAL MAY DAY LUNCHEON
 The annual May Day luncheon for the Federated Council of Church Women will be held at the First Christian Church on Thursday May 6. Luncheon will be served at one o'clock and a playlet will be a feature of the afternoon program. All church women of the county are urged to attend.

 Mr. and Mrs. Geo. V. Stambaugh and Mr. and Mrs. N. E. Gass were among the Hereford people who attended funeral services in Amarillo Tuesday for Mrs. George Gass, sister-in-law of N. E. Gass and Mrs. Stambaugh. Mrs. Gass had many friends among old-timers of this area. She had been in poor health for some time.
 Roscoe Davidson, grandson of Mr. and Mrs. W. B. Anthony of Hereford was killed this week in an accident at a Colorado army camp. Details of the accident are not known.

Daring Kiska Raid Led By Former Hereford Man
 "Kiska raids are planned by higher air force officers but today's was cooked up by two lieutenants' eager to give the Japs a special brand of Hell," writes William Gilman in the Winnipeg (Canada) Tribune as he describes the raid by six medium Mitchell Bombers on the strong Jap base in the Aleutians.
 The lieutenants who thought up this expedition were George Alva Barber of Lubbock and William R. Candy of Braintree, Mass. Barber is a son of Mr. and Mrs. Frank Barber, formerly of Hereford; he was reared here and is a graduate of Hereford High School.
 Barber and Candy had found a new approach to Kiska, entirely by accident, according to the Tribune story. They had surprised the Japs, but their machine gun jammed and bombs hung and they were unable to do any damage. However, they thought their accidental discovery could turn into a real damaging raid on the Japs and "between Barber's salesmanship and Candy's sketches" (Candy was an art student before joining the Air Corps) the plan was sold to Col. deFord and Major Gen. Wm. O. Butler, commanders of the American base. Barber and Candy picked up four more mediums and preparations for the raid were complete.
 "We were roaring down the plateau at 300 miles per hour," writes Gilman who rode in Barber's plane. "The Jap buildings rushed up at us. It was no surprise this time. To our left, the hills were alive with gun flashes. Red tracers poured at us.
 "Everything flashed past. First the target building, which contained the delicate instruments which warn the Japs of ship's or plane's approach. It was 25 feet below us when our two 300 and two 500 pound bombs dropped."
 Past their target, the planes flew on to a rendezvous at another American base. Only one plane was badly damaged and it came in for a landing at 200 miles per hour, slid on its belly for 1,000 feet and came to a sideways halt off the runway. Out of its top hatch, like scared rabbits, streamed the five unhurt men. The plane itself was wrecked beyond repair.
 Returning to their home base, the bomber crews were greeted by the radiant faces of ground crewmen and infantry. "They too had been sweating us in," writes Gilman.

KILLED IN PLANE CRASH
 Arch Collins, Jr., whose parents were pioneers of Hereford, was killed Monday in Vernon in a plane crash. Young Collins, a civilian pilot, was killed instantly in the crash which also took the life of a companion, according to reports reaching here. He was born in Hereford, where his parents were old-time residents.
Group Returns From Council Meeting
 Rev. and Mrs. Homer T. Goodwin, Mrs. E. M. Rice, Nellie Thompson and Mrs. H. Schulz returned Friday from Plainview where they attended the West Texas District Council Meeting of Assembly of God Churches last week.
 The meetings, held in the city auditorium, were well-attended. Rev. Goodwin reports, stating that 400 out-of-town ministers

and delegates were registered, with 118 churches represented.
 Rev. Loren B. Staats, pastor of the Dallas Assembly of God Church and a regular speaker over Station KRLD each Sunday night, delivered the message on the first night of the convention. Other speakers were General Supt. E. S. Williams of Springfield, Mo., and Rev. D. Davis, superintendent of the East Texas District. General tone of the messages was to emphasize the responsibilities of ministers and workers in carrying out Christ's program in a time of world crisis.
 District officers elected were Rev. H. Paul Holdridge of Plainview, district superintendent, who will take the place of Rev. H. Reeves who declined the office for a second term; Rev. E. R. Foster of Amarillo, assistant superintendent, and Rev. Goodwin of Hereford, secretary-treasurer.

Card of Thanks
 We take this means of thanking all of the volunteer salesmen and every purchaser of bonds who have done such a good job in putting West Texas County over the top in the second War Loan. We are proud of this achievement, and are sure that every citizen of this county is proud that we have gone on record as doing our share in this big undertaking. We appreciate the contributions of every individual, every firm and civic group which bought bonds; and we appreciate the untiring efforts of the bond committees, in Hereford and in the rural communities, which have made a success of this drive.

Civilian Sacrifice Slight, Says Prominent Deaf Smith Co. Farmer

EDITORS NOTE: The following report on the Dawn bond sales rally was written by H. E. Miller, prominent Deaf Smith County farmer and chairman of the Dawn campaign. We print it here because we believe Mr. Miller ably summarizes the responsibility of farmers in the bond campaign and because we feel that his attitude could and should be adopted by every farmer and every other citizen of the community.)

Thanks folks, thanks a lot for your fine spirit of co-operation in the second war loan drive Friday night. Thanks too to the fine people of Hereford who came out and helped us, also to Ralph Smith and his orchestra.

I was disappointed in the size of the crowd. About half of our people failed to come out. I could not help but think what would happen in some strategic battle when the commanding officers ordered certain companies, regiments and divisions to their battle stations if about half of them failed to show up; those who did answer the call would certainly have a hard struggle to keep from going down in defeat, and that is just where we the people of Dawn are today but we are not going down in defeat; we are going to keep on fighting; we have promised to do this job for Buddy and our other boys who have answered the call to arms. We have an easy job compared to these boys who have gone out to the battle stations all over the world. We are making no great sacrifice, we are going on in our regular routine of life hardly touched by the war.

Particularly easy, to me, is the lot of the farmer or the rural people; we are a privileged class as to the war. The gasoline and food ration laws hardly touch us, so folks out in this country let's make a sacrifice which will enable us to meet our boys who do come back and look them straight in the eye and feel that we have made a contribution to the war effort of which no one need be ashamed.

I would not like for my brother, who is in the service, or any of my neighbor boys who are at battle stations in Alaska, the southwest Pacific, North Africa and other places to know we had failed in our war bond drive. Especially I would not want them to know that I had failed to attend a bond sales rally at our school house. Perhaps you felt that you had

already bought your share of the bonds, well I hope you have. I hope we do not have a man or woman in our community who will not buy their full share of bonds.

Having had a little experience in the other war, knowing how the boys will feel when they come back I don't think they will have any hatred for those who fail to do their duty, but will simply feel sorry for a person who is so little and shriveled in his soul.

I hope our several hundred boys from Deaf Smith County who are in the service never hear a story about the citizens of this county failing to do any job assigned to us here at home.

Another thing, we are not being asked to give anything in this drive; we are merely making a very safe and sound investment for our future. I like to think of one good citizen of Hereford whom I spoke to Friday afternoon about our drive out here, he has bought and bought bonds but his heart is in this thing, he came out to Dawn Friday night and purchased \$1200.00 more.

One thing I have observed in this bond drive is the fact that our most conservative business men are the best buyers of bonds; therefore, if you have any doubts as to safety of buying bonds now you may lay them aside and should come in and do your part this month.

While your stay-at-home car fights ACID!...

INSTEAD of six or eight cylinders you may be using two wheels and two legs—and liking it. But it leaves your car lonely, with time on its hands. Last time you stopped, the engine stored up some acid products of combustion—no different from acids often found in any chemist's laboratory. Acid has always been present when engines stopped. But fortunately when you could drive at will, and when speed was not severely restricted, the results weren't as bad as they can be today.

Now with rationing keeping your car idle for days...with lower speeds that may leave your engine too cool...and with working parts often hard to replace, don't leave your engine stark naked to acids inside. For like water making rust, most acids work fastest on metal that's bare. But you can have the security made possible by OIL-PLATING—the acid-resistant surfacing that's bonded to metal by Conoco Nth motor oil.

Your Spring change to Conoco Nth need cost you no more than some oil or other that cannot OIL-PLATE. But Conoco Nth includes the advanced synthetic especially invented to overlay inner engine parts with protective OIL-PLATING. That's the basis of Conoco Nth patents. And it's the right basis for an OIL-PLATED engine that can help to see you through to Victory. No matter how little you're able to drive—or how much you must!—get Conoco Nth oil this Spring. Famous Lillian Trasher Orphanage Described by Speaker Representative

Florence V. Christie, representing the famous Lillian Trasher Orphanage of Assiut, Egypt, was in Hereford Monday and Tuesday nights, when she was in charge of a program at the Assembly of God Church telling of the work of the orphanage in caring for 1,000 children and 74 penniless widows. Motion pictures of scenes at the orphanage were shown.

The work of Lillian Trasher was described by Jerome Beatty in an article in Reader's Digest in July, 1939, at which time she had raised more than \$370,000 in the 28 years she had been engaged in her human salvage work. According to the Reader's Digest article, Miss Trasher, by practicing a tight economy, was able to feed, clothe and educate a child for ten cents a day.

Entirely without backing when she started her work, Miss Trasher operated on the assumption that "an American girl can do anything if she tries hard enough," and overcoming indifference at home and even down-right opposition from the natives, who at first believed that she was collecting orphans to be sent to America in a sort of wholesale slave deal, she has made an outstanding success of her work. She has a small staff—all natives but one—and administration costs can be judged by the \$40 a month salary which Miss Trasher draws as superintendent of the institution. According to the Beatty article, "Miss Lillian's charges come from all over Egypt. Some come as babies and stay until they are married or get jobs. The smartest boys over in the missionary college are usually those Miss Trasher has reared, and whose school expenses, somehow, she manages to dig up."

A bond rally was held at the school house Friday evening with music furnished by the Hereford High School Band. Jesse Stanford of Hereford was the main speaker for the evening. Numbers of other visitors from Hereford were present. The women served doughnuts and coffee. More than \$14,000 in bonds were sold that night. The committee for this drive is composed of H. E. Miller, A. T. Frye, and Rev. Hardy Stevens.

An Easter Egg Hunt was enjoyed at the school house Friday afternoon. Prizes were won by Billie Barbara Bolton, Marilyn Wimberley and Roy Flowers. Visitors included Douglas Womble, Irene Galley, Richard Frye, Virginia and Eddie Leake, Bobby and Lucy Beth Miller, Mrs. R. A. Frye, Mrs. N. R. Miller, Mrs. Jack Flowers and Mrs. Iverson Leake.

Easter Services were well attended Sunday morning. The primary department of the Sunday School presented a program. Those taking part were Barbara Sue Fleming, Robert Miller, Wynelle Fain, Clifford

TEBOURBA TANK BATTLE: American tanks fan out into battle formation as they thunder into the Tebourba Valley from the hills in the background. Clouds of dust almost hide a second line of tanks in the rear. Tebourba, seized by the Allies and then abandoned, was retaken in this battle. Cameramen who took these scenes were often closer to enemy lines than to their own. At the Texas Sunday, Monday, Tuesday

Galley, Jimmie Rutter, Austin Smith, Myrtle Smith, Patricia Walton, Joy Miller, Shirley Sue Smith, Marilyn Wimberley, Juanita Ritter, Wanda Sue Wimberley and Sara Jean Stevens. Mrs. Carl Wimberley and Mrs. Hazel Atchley directed the program.

Beginning Sunday, May 2, Rev. Hardy Stevens will preach here every Sunday.

TOKIO FLIER URGES BOND BUYING TO AVENGE BUDDIES

By CAPT. HAROLD F. WATSON
of Hartford, Conn., son of the American Spy who was with Major General James Doolittle on the raid over Tokio.

Every American is eager to do something to avenge the cold-blooded murder of our fliers by the Japanese. Americans at home need have no concern what the Army Air Forces are going to do. We will go back many, many times over Japan until their savage masters are beaten into the earth.

There is one vital thing every American, whether in uniform or not, can do in destroying the Tokio savages and avenging my buddies. And that is to buy War Bonds. Every War Bond you buy will help to put more and more planes and fliers over Japan.

Getting mad is not enough. Make your anger count by buying a War Bond today.

Seventh District Club Convention Slated for May 4th, in Amarillo

Due to war-time planning, only one day has been scheduled for the 22nd annual convention of the Seventh District, Texas Federation of Women's Clubs this year. That one day will be packed with an unusual amount of interests for the clubwoman and all meetings, including the luncheon at noon, will be held at the stated place in order to eliminate waste of time.

Mrs. Wes Izzard, Seventh District president, has announced that the meeting will be held in Amarillo on May 4, at the First Christian Church. War service will be the general theme of the convention but other club interests will be given consideration.

Registration will begin at 8 o'clock in the morning and the formal opening will be held at 9 o'clock. Assembly singing, pledge of allegiance, prayer, greetings and introductions by Mrs. Izzard, will follow at 9:30. Address by state president, Miss Ethel Foster, at 10 o'clock, five minute panel reports. In Memoriam and at 11:15 o'clock concurrent sessions for club reports and five minutes will be

allowed for each city and county federation report.

Lunch will be served at 12:30 o'clock, and the afternoon session will begin at 2 o'clock. Assembly singing will be followed by a talk by Maj. A. B. Marschner of the Pampa Army Air Field, who will discuss "Our Citizen Army." "Mobilizing Woman Power For Victory" will be discussed by Mrs. J. W. Walker of Plainview at 3:15 o'clock, and the afternoon session will be conducted with a panel digest of club reports and a war service forum at 4 o'clock. All delegates are requested to come with prepared questions for the forum.

Miss Foster who is making her first visit to this district as state president, and other guests will be honored at a reception at 5 o'clock.

The registration fee for the convention will be one dollar for each voting delegate and 50 cents for each visitor. Federated Clubs of Deaf Smith County have elected delegates to the convention and all club members are being urged to take in the one-day session.

San Antonio Girl Weds Soldier Here

Miss Dorothy Potter of San Antonio and Corporal Kenneth O. Brown, formerly of Levelland and now stationed at the Hereford Internment Camp, were married Friday evening at the Presbyterian Manse.

Rev. James Aiken, Jr., read the single ring ceremony in the presence of close friends and relatives.

The bride wore an attractive beige suit with British tan accessories. Her flowers were white sweet peas.

Mrs. Brown is a graduate of Jefferson High School in San Antonio and Corporal Brown is a graduate of the Levelland High School. He is the son of Mr. and Mrs. A. J. Brown who are pioneers of Hockley County, having moved there before there were any railroads in that section.

The couple will be at home in Hereford at 400 Lawton St. Present for the ceremony were his parents, Mr. and Mrs. A. J. Brown of Levelland, Inavae Burdick, Dorothy Nelle Trimble, Viola Phillips, Erma Faye Robinson, Nell Hincamp, Ann Cockrell, Corp. Frank P. Johnson and Private Williams.

GAZAWAYS HONORED AT FAREWELL PARTY

A farewell compliment to Mr. and Mrs. John Gazaway who have left Hereford to make their home in Greenville, was given in the form of a covered dish buffet supper at the home of Mr. and Mrs. Cawthon Bryant, Tuesday evening.

Guests were served from a lace laid table centered with a colorful combination of pastel shaded sweet peas. A patriotic accent was given to decorations and Easter bunnies and other Easter suggestions were used.

Forty-two games were enjoyed after the supper. Those present were Mr. and Mrs. Maurice Tannahill, Mr. and Mrs. Merlin Kaul, Mr. and Mrs. Liston Wilson, Mr. and Mrs. Cecil Lady, Mr. and Mrs. Pete Belt, Miss Juno Glascock, Reavis Kerr, Miss Leona Francis, Miss Ethel Womble, the honorees and the hosts.

County Chorus To Meet 4 P. M. Saturday

Members of the County H. D.

Losers

Wrapped in blankets against chill Tunisia breezes, Italian prisoners taken by advancing Americans huddle in a stockade—waiting, waiting, waiting. (Passed by censor.)

THEY GAVE THEIR LIVES, YOU LEND YOUR MONEY

Below are the words of President Franklin D. Roosevelt, our Commander-in-Chief, in telling us of the hideous slaughter of our aviators by the Tokio war lords. You can express your personal determination to avenge our murdered flyers by buying more War Bonds today. They gave their lives. You lend your money.

"It is with a feeling of deepest horror which I know will be shared by all civilized peoples, that I have to announce the barbarous execution by the Japanese government of some of the members of the armed forces who fell into Japanese hands as an incident of warfare.

"This recourse by our enemy to frightfulness is barbarous. The effort of the Japanese war lords thus to intimidate us will utterly fail. It will make the American people more determined than ever to blot out the shameless militarism of Japan."

Chorus met Saturday afternoon to practice the three numbers which they will present at Texas Home Demonstration Association in Amarillo, May 11; and Mrs. Merlin Kaul, chorus director, announces another meeting of the group to be held next Saturday afternoon at four o'clock at the County Court Room.

Mrs. Kaul urges that every member of the chorus attend the Saturday practice and states that final arrangements for cars to take chorus members and delegates to the meeting will be made Saturday.

Among those present at the chorus meeting last week were Mesdames Cawthon Bryant,

Lewis Harvey, R. L. Wilson, Paul Rudd, W. H. Russell, John Miller, Fred Saltzman, Earl DeHart, Oscar Vaughn and Merlin Kaul.

EASTER PARTY IS GIVEN FOR THREE YOUNGSTERS

Three youngsters, children of Mr. and Mrs. Lynn Kester, were complimented Saturday afternoon when their mother entertained their little friends with an Easter party at the Kester home on West Fourth Street.

Pink and green colors were carried out and after Easter games on the lawn an Easter egg hunt was featured. Favors

were Easter baskets filled with bright colored eggs.

Children entertained were Betty Jo, Tommie D. and Jimmie Carnahan, Sharon Dee and Martin Reed Moore, Nancy and Geraldine Patterson, Joan Moore, Jerry and Irene Witherspoon, Joe Bill Wills, Frankie Dee and Jimmie Culpepper, Myra Jo Howell, Dixie and Mary Ann Young, Mollie Bett Ray, Marion Jo Wilson, Tunny Wilson, Margaret Ann Sexton, Pat McCullough, Eddie Wayne Belt, and Kathlyn, Carolyn and Billy Kester.

YWA ENJOYS SUNRISE BREAKFAST THURSDAY

A short devotional service and a sunrise breakfast were part of the Easter season program for members of the Y. W. A. last Thursday morning when they met at the Baptist Church at 6:30 o'clock and went from there to the State Park, where the program was held.

After the breakfast, Kitty Harlin gave the devotional and Inez Funderburg read an Easter Poem and the group sang two songs, "The Lily of the Valley" and "Blest Be the Tie." The service was closed by prayer.

Present were Paula Mae Edwards, Kitty Harlin, Nannette Little, Leona Francis, Frances Young, Thornton Shirley and the sponsor, Mrs. Otto Massee.

Miss Genevieve Eberle made a quick trip to Dallas over the week end to visit her brother, Dr. Howard Eberle, who is stationed at the Naval Air Base there.

"RELIGION" IS THEME FOR LA PLATA CLUB

A program on "Religion" was featured at the La Plata Club meeting held at the home of Mrs. Urlin Streu on April 20. Mrs. Elvin Ridling was co-hostess.

A short business session was held and members voted to send their president, Mrs. Meade Halle, to the Seventh District convention which will be held in Amarillo on May 4.

Reports were heard on ownership of bonds and suggestions concerning next year's work were discussed.

For the program an interesting discussion of "The Church in Early Days" was given by Mrs. Elmer Patterson.

Members attending the meeting were Mesdames Barbara Roles, Meade Halle, Lynn Kester, D. C. Kinsey, Chas. Newell, Elmer Patterson, Elvia Ridling, A. J. Schroeter, R. S. Scott, T. E. Seigler, Jr., Lorraine Sisk, Gordon Taylor, R. R. Wills, Woodrow Wilson, Gaylord Newell and Mrs. Streu.

Mr. and Mrs. J. B. Finley of Lubbock left yesterday after spending the Easter vacation here with their daughter, Mrs. Lynn Kester and family.

THE 2ND WAR LOAN DRIVE IS ON!

It's Ten Minutes to Midnight!

Wake Up, Americans...

Your Country's Most Fateful Hour Is Near

THE hour when the final die is cast, when decisive victory hangs in the balance. The hour which will decide the future of you and your children... a future of joyous freedom or a future of endless serfdom.

Yes, it is ten minutes to midnight. And when the first stroke of that fateful hour begins to sound, it will be too late to throw your weight into the fight. The time to do that is NOW.

Now, when your dollars can keep the production lines humming. Now, when your dollars can buy the tanks and guns and planes and ships our soldiers need to fight a winning war... the only kind of a war we can afford to fight. Now, while there are still ten minutes before midnight.

Your country is asking you to lend your dollars in greater amount than ever before. It is asking for 13 billions of dollars extra this month... 13 billions for the weapons of war to make sure that it is our side which dictates the peace.

If we do not win, the money you fail to lend now will be worse than useless to you. If we win, as we must, the money you lend now will be returned with interest... for you to spend on the good things of life... for you to enjoy in a free and safe world.

So dig down, Americans. Answer the challenge by buying War Loan securities this month with every idle dollar you have except what you need for the barest necessities of life.

Don't wait for the War Loan Volunteer. Beat the gun by going to your bank, investment dealer, broker, Post Office, or bond booth today.

Have your money in your fist... the fist that can deliver the knockout blow to the Axis. But hurry...

For it is ten minutes to midnight...

The hour that can strike the knell of doom—or the blessed song of freedom.

Your dollars can call the tune.

There are 7 different types of U.S. Government securities—choose the ones best suited for you:

Average Wheat Crop Forecast For This Area

The Panhandle will harvest wheat this year, but it should have a good crop.

Forecast by Frederick T. Dines, director of the Texas Wheat Improvement Association, who states that prospects are fine for a reasonably good crop. No high yields are expected and the harvest will probably be mostly normal and will give only average yields in most cases.

Similar widespread green bug infestation is mostly cleared up due to the action of natural enemies and the warm, dry weather experienced in the Panhandle during the second week of April. Total estimated loss of wheat from green bug damage is about 10 per cent in the Panhandle as a whole with certain areas showing which are mentioned in the report.

At Hereford, Umbarger (wheat) is experiencing slight loss. Some wheat in this area is thin and sending out only three to seven shoots to the plant, while unaffected wheat is sending out many more shoots.

The report states that some leaf rust has been noted in most wheat producing areas, but very little in the Panhandle, where dry weather has prevented any appreciable development. No

plays, Streus have had a good war bond window to help out with the Victory Loan Drive. Just goes to prove that real use can be made of these government posters, if a little thought is put to the job.

Note to Mattie K. Robinson: The OPA has announced that 300,000 baby carriages will be made during the next two months, and she had better start reading up on the exact priority rating of babies. (After this helpful hint, we will probably discover that she bought a baby carriage two weeks ago.)

From an OWI news release we learn that rumors of a ban on the manufacture of bobby pins are false. Even though the pins are made of vital high carbon steel, their production will be permitted. Which ought to be a little cheerful news for the ladies—they may be hopeless, but straight hair is something still to look forward to.

"We realize that we're going to lose this war," moaned the forlorn Italian, "But When?" According to the North African news he may find an answer soon.

The game birds recently released near Hereford are now nesting, according to reports from some of the farmers. Homer Fox and Fred Pittner would like to get reports on these birds and they are urging farmers to leave plenty of cover and not to disturb the birds.
