

## Around Town

Sights and Faces Seen

Hereford banks will close Saturday for the July 4th holiday and will be the only businesses to take the official date. The Beauty Mart and the Charm-Aid Studio will take Monday, July 6, for a closing date.

Mont Baker claims to be the champion cabbage grower of Hereford. He says that his crop can even beat the fine specimen brought to the Brand office by Mrs. O. E. Sherman, but he was looking at Mrs. Sherman's cabbage on Tuesday, after the heat, flies, etc., had gotten in some pretty good ticks.

And Byrle Elliston has a turnip which weighs 3 3/4 pounds. It was grown by the Finlan Brothers, who have a large truck farm on the Jim Jones place.

Hard work is supposed to be great for reducing, so don't be surprised if G. M. Hudson turns up with a really sveite figure after harvest. He is working—but hard, to hear him tell it. Some others who are getting unaccustomed exercise are Knox Kinard, Major Schroeter and Jimmie Aiken.

Carl Gilliland last week was telling some of his good friends that the selective service board was going to have a draft call for 40 married men. Carl says he is limiting this information to his best friends, so they can get in early on the call. (P. S.—Officially there has been no call for any special married men's legion, suicide squad, etc.)

The power of the press is greatly exaggerated—or else it just works backward. Last week the Brand carried a story urging women not to register for sugar canning allowances on Tuesday, June 30, since that was the day for institutional users. (Continued on Page 10)

## 272 Men Signed Up In 5th Draft Registration

In a registration much heavier than was expected 272 men signed up with the Deaf Smith County Selective Service Board Tuesday in the final audit of Uncle Sam's manpower.

Of the 18, 19 and 20 year-old youths who registered, 102 were Deaf Smith County boys. Other youths will have their registrations papers transferred to their home boards. Principal cause of the unexpectedly heavy registration was the large number of harvest workers now in this county, draft board officials said. Only the 20 year old boys are liable for military service under present selective service laws, but these can probably expect military service within the next few months, according to national press releases.

Despite present Congressional opposition to drafting of 18 and 19 year olds, information from Washington indicates that they probably will be subject to draft sometime after the Congressional elections, as it is known that high army officials and officials of selective service favor the drafting of the younger boys.

## Williams Sale Offers Complete Farm Stock

One of the biggest auction sales held in this territory in several years is scheduled for Aug. 1, when equipment at the Otis Williams farm, 3 1/2 miles north of Highway 60 on the Progressive road, will be sold at auction.

Everything from tractors, mowing machines, hay rakes and household goods to poultry and registered livestock is included in the sale.

A large selection of household goods and first class farm equipment will be sold at auction. Further announcements of the Williams sale will be carried in The Brand this month.

## Internment Camp To Locate Near Here War Dept. Indicates

### No Blanket Deferment For Married Men

Despite reports which appeared in the daily papers last week no blanket deferment has been granted to married men.

That information was contained in a telegram to the local selective service board from Gen. J. Watt Page, head of the state office, who points out that while local boards are supposed to divide registrants into three categories with regard to dependants, there is absolutely no guarantee of deferment to married men in the new order.

Four general classifications with regard to dependants are:

1. Single man, no dependants.
2. Single man with dependants—(mother, father, etc.)
3. Married man with no children.
4. Married man with children.

Boards are instructed to divide registrants into these classifications as quickly as possible, but in the meantime, according to General Page's telegram, "You will meet all calls, regardless of categories."

### Harvest Brings Huge Influx Of Laborers Here

Between five and six hundred individuals have been placed in wheat harvest jobs by the U. S. Employment Office located in Hereford, J. J. Boley, director in charge, announced this week, pointing out that the figure quoted does not actually represent the number of workers who have come into this territory since some men have been placed more than once during the two-week period the office has been opened.

"So far we have been able to meet the demand for labor," Boley says, adding that at no time has the office been 'swamped' with labor calls for more than a brief period.

Workers coming into the Hereford area are coming from as far east as Archer County and as far south as San Angelo, with a sprinkling of out-of-state laborers. Most of the men have come from the South Plains, Boley says.

"As yet there has been no real labor shortage here," Boley emphasizes. "But of course, future conditions cannot be predicted."

The potato harvest will be under way within a week or ten days, according to local growers, and there may be a much more serious shortage of potato workers than any that has been experienced during wheat harvest.

The majority of the labor in potato fields comes from the ranks of women and children, Boley points out, and as yet few of these have registered with the U. S. Employment Office.

### Club Groups To Discuss August Celebration

To discuss plans for a celebration to be held here in August, representatives of all clubs and organizations in this area were today asked to meet Tuesday, July 14, in the district courtroom at 8:00 p. m. The announcement was made by Chamber of Commerce directors, who said that the celebration is being planned since this community cannot celebrate July 4th.

"We would like members from all of the community clubs, from ladies clubs and from all civic clubs to be present," they said.

"We will discuss the possibilities of a big 'Victory Day' celebration, also the proper time for holding the celebration and will determine the type of entertainment, etc."

Provided the proposal meets general favor, plans for the big celebration will go forward immediately.

Unofficial sources today indicated that the \$2,000,000 internment camp to be built in the Hereford area will probably be southeast of Hereford, located about 1 1/2 miles from the highway, south of the W. R. Schliehagen place.

Information contained in national press stories yesterday was that the camp would house approximately 9,000 prisoners—prisoners of war and interned enemy aliens—and would employ 750 soldiers in administrative and guard duties at the big camp, one of the first such prisons scheduled for construction.

Only official information issued by the war department was that the contract had been let for a \$2,000,000 military installation "somewhere in Texas," and that work would start soon.

Buildings at the camp will be barracks type and the entire prison area will be surrounded by two high fences, with guard towers at intervals around the enclosed area. Between the two fences will be a no man's land which will be lighted with powerful floodlights at night. The inner fence will carry an electric charge to help prevent the escape of prisoners and each guard tower will be equipped with machine guns.

The new internment camps are not to be confused with camps for Japanese who have been moved inland from coastal areas. Prisoners at the new camps will be enemy aliens—Japanese, German and Italian—and prisoners of war. No statement has been made as to whether the various nationalities will be segregated in the camp.

### Harvest Into Home Stretch

Elevators in Deaf Smith County were full this week as the 1942 record harvest continued, and prospects were for no more elevator storage until building additions are completed or some loosening of terminal storage facilities become possible.

Perhaps half of the crop has been harvested, and early predictions of high yields were being borne out by reports from the various communities. With some yields reported as high as 45 bushels to the acre, indications were for a county-wide average of 25 bushels or more.

The county A. C. A. office reported today that 300 pre-fabricated granaries had already been ordered by farmers in this county and that deliveries were going forward rapidly. The Commodity Credit Corporation also hopes to ship in other bins for the storage of government-owned wheat and to relieve the shortage of elevator storage.

Earlier predictions of a serious labor shortage have not been borne out, according to the U. S. Employment Office, which reports labor supply about equal to the demand thus far.

### Temporary Storage Facilities Offered At Fraser Elevator

One-half million bushels temporary wheat storage is being constructed at Fraser Milling Company, Alton T. Fraser announced today, stating that the temporary structure is being put up to fill the gap until completion of the addition to permanent storage facilities.

Work is going forward at considerable expense on the temporary structure and by tomorrow farmers can get storage facilities at Fraser's. Because of the expense of operations, a charge of seven cents a bushel will be made for storage, Fraser said.

Wheat will be moved into permanent warehouses as soon as building is completed.

## Large Group Scheduled For Army Duty

One of the largest draft calls of recent months will be answered soon, according to an announcement made today by the Deaf Smith County Local Board.

Four men, already in service are included by the board in this call. The four are Karl Wilston Shirley, who has enlisted in the army and Clyde Kenneth Hagar, Robert Steven Petersen and Etheredge Ward, Jr., who has joined the Coast Guard.

Men scheduled to be inducted soon are:

## 85 CCC Wheat Bins Arrive In Hereford

Seventeen car-loads of pre-fabricated storage bins have been received in Hereford, and the 85 bins received here represent a considerably higher figure than the number of bins received in most other wheat producing counties, according to officials of the Deaf Smith County ACA, who stated today that 300 bins have already been ordered by Deaf Smith County farmers.

Bins are now arriving just as fast as farmers can be notified. ACA men say, adding that the Commodity Credit Corporation is doing everything possible to relieve the severe wheat storage situation.

The CCC storage granaries are being made by the Houston Sash and Door Company and Capitol City Lumber Company of Austin, and government officials are pleased with the speed with which deliveries are being made.

Negotiations are also going forward for the construction of one thousand bins of about 1600 bushel capacity to be used for the storage of wheat owned by the C. C. C. and to relieve the storage of elevator storage. Requests have already been made for the shipment of 100 of these bins to this county.

## Quota Act Challenged In Court

Because the validity of the wheat marketing quota act is now being challenged in a case pending in the U. S. Supreme Court, many farmers and business men of this territory have been interested in the possible effects of this case upon the enforcement of wheat marketing quotas.

F. G. Collier, secretary of the county ACA, this week received a communication from B. F. Vance, administration officer in charge of the farm program in Texas, who states emphatically that provisions of the act will continue to be enforced, without interruption.

More than 30 cases have been instituted against the marketing quota act by producers and one of these, Wickard v. Filburn, is now pending in the Supreme Court. Re-argument of the case will take place on Oct. 12, 1942, and will be confined to whether the act, insofar as it deals with wheat used on the farm, is within the commerce power of Congress. No decision may be expected until late fall.

Provisions of the act and the administrative regulations issued thereunder are presumed to be valid unless and until the courts have finally declared otherwise, and it is pointed out that similar marketing quota provisions have been upheld in the case of cotton and tobacco marketing quota provisions. Wheat quotas have the same purpose as tobacco and cotton marketing quotas, namely, to keep off the market an excessive supply. The only difference between wheat quotas and tobacco and cotton quotas arises out of the fact that wheat is usable on the farm, while cotton and tobacco are not.

## With 17 Lbs. Per Capita Record Deaf Smith Challenges Other Counties In Scrap Rubber Drive

Equipped for Relaxation

A rugged table capable of supporting great weight, a flashlight and a first aid kit are musts in your shelter room. Equip the room with reading matter, playing cards, toys, or other articles of amusement for all members of the family. A portable radio is a handy addition, and each person should have a comfortable chair.

With 104,000 pounds of scrap rubber in salvage piles in Hereford, Deaf Smith County has a record of approximately 17 pounds per capita and is challenging any other county in Texas to produce a record as good.

Urlin Streu, chairman of the salvage committee, Tuesday night wired Gov. Coke R. Stevenson of the Deaf Smith County challenge and is urging that citizens put renewed effort in the remaining week of the drive to improve the splendid record already set.

Per capita collection for the nation as a whole is approximately 1.7 pounds, and it is felt certain that Deaf Smith County has one of the best records in the entire country.

USO Donation High  
Further feature of the Deaf Smith County drive is the large amount of rubber which has been donated. Profit from sale of this rubber goes to the U. S. O. and will put Deaf Smith County about 20 per cent over its quota in the U. S. O. drive and make it one of the top counties in Texas in contributions to the U. S. O.

## Price Control Extended To Services As Budgets Get First Aid Treatment

### Union Service Set For Pres. Church

Price Control has now been established over practically everything on Main Street. Latest addition to the series of regulations issued by the Office of Price Administration was that during the last week concerning consume services. Under the new regulation, it is ordered that charges for services can be no higher than they were in March.

Garages, laundries, dry cleaners, shoe repair shops, radio repairmen, tailors and scores of those service businesses which play such an important part in the daily life of American families will join on Wednesday the groceries, clothing stores and other community retailers whose prices are already under ceilings. After that date, they may not raise the price for re-weaving a cigarette burn in a pure wool suit, vulcanizing that tire that's being nursed along for extra mileage or for any other service they render in connection with a commodity. They may, however, lower their ceiling prices at any time and as much as they wish.

Though hundreds of important services are included in the price control regulation, some of the most common ones are not affected by it. The services of beauty parlors and barber shops, for example, are among the notable exceptions. That is because the price regulation does not include purely "personal" services. ### Lt. Eberle Returns To Dallas Naval Base

Dr. Howard J. Eberle, who has been visiting his mother, Mrs. F. J. Eberle, and sisters, Misses Genevieve and Mary Virginia Eberle, left Monday for Dallas, where he is stationed at the Naval Reserve Aviation Base.

Dr. Eberle has recently been promoted to the rank of lieutenant, which is equivalent to the army rank of captain. He has been stationed in Dallas since November, when he was transferred from the Corpus Christi Naval Base. Before induction into the navy, Dr. Eberle was engaged in private practice at Madisonville.

### Cubs Participate In Council Palava

For the first time in the history of Cub Pack One of Hereford, the Pack participated in the Council Club Palava at Elwood Park in Amarillo last Saturday. The Cubs took part in all events and won fourth place—a feat unusual for a Pack attending its first Palava. A large number of Packs participated.

Those attending were Bobby Hamilton, Gilbert Carlyle, Neil Witherspoon, Eugene Roberson, Oliver Streu, Donald Shipley, Jerry Reese, Elmer Jack Reynolds, Alex J. Schroeter, Louis LeGrand, Jessie Cline, Milton Newell, Joe Kerr, Frans Hicks, Edwin Plummer, Pat Corbett and Buddy Corbett. Den Mothers attending were Mrs. Urlin Streu and Mrs. Jeff Roberson. Several Cub parents also made the trip.

The three Cub Dens are now at full strength, and no more boys can be taken into the organization until another Den Mother can be found and trained. There are plenty of boys available, but a dearth of individuals willing to give a few hours a week to work with them.

### Rev. E. E. Manney, Former Hereford Pastor, To Speak at Progressive

Rev. E. E. Manney, at one time pastor of a Hereford Church, will preach Sunday afternoon at three o'clock at Progressive School, according to community leaders who this week invited Hereford friends of Rev. Manney to attend the worship service.

For the past six years, the former Hereford pastor has been in Ft. Worth, and he has only recently moved to Amarillo, where he now holds a pastorate.

The congregation at Progressive has invited Rev. Manney to preach at the community school house once each month, and the program Sunday afternoon is the first of the scheduled meetings.

### Bostick New Manager Of Fraser Mill

Duke Bostick of Hobart, Okla., arrived this week to take over the job of general manager of the Fraser Mill.

Mr. Bostick has had 18 years of experience in the milling business and has been connected with the Chickasha Cotton Oil Co., where he was manager of the feed mill division of the business.

The new mill manager is a nephew of Mrs. I. O. Crosthwait of Hereford.

## Delay In Land Measuring Is Unavoidable

"Though we have carried out the land measuring job just as fast as is humanly possible, not all land in Deaf Smith County has been measured and measurements calculated, and some farmers are having to wait for their marketing cards."

This statement was made today by F. G. Collier, secretary of the Deaf Smith County A. C. A., who pointed out that bad weather last fall, the effects of tire rationing and the general labor shortage have put a severe handicap on the land measuring program.

About 80 per cent of the land in the county has been measured, but calculations are not made for all this land. However, with the employment of more planimeter operators and the receipt of several new planimeters in the office, it is hoped that work will go forward rapidly.

Much of the delay has been caused by difficulty in securing measuring crew men with cars, and farmers might speed up the job of land measuring if they could come by the office and take a crew out to the farm. A complete crew stays in the office, ready to co-operate with farmers in this way at all times, Collier says.

"Our crews have been working over-time," the ACA secretary declares. "And we now have a complete force of competent planimeter operators, who are doing the best job possible to get your measurements calculated and your marketing cards completed so you can dispose of your wheat crop."

## Mrs. Rankin Dies At Norwood Home

Funeral services are being held in Silsbee, Tex., today for Mrs. Wesley Rankin, 32 years old, who died Monday in Hereford at the home of Rev. and Mrs. Marvin B. Norwood.

Mrs. Rankin, whose home was in Dallas, had come to Hereford last Thursday hoping that the climate would benefit her health. She had suffered from a serious heart disease for some time.

Mrs. Rankin, whose husband was killed last November in an automobile accident, is survived by a son, Lee, aged six, by her mother, Mrs. Abe Hyman, two sisters and a brother. The small son has been a guest in the Norwood home this summer and will continue to make his home here.

Rev. Marvin B. Norwood accompanied the body to Silsbee.

## Marriage of Mildred Sheppard And Ernest Creps Announced

Announcement has been made here following the marriage of Mr. and Mrs. Ernest Creps on Sunday afternoon, June 26.

The bride is the former Miss Mildred Sheppard, daughter of Mr. and Mrs. Joe Sheppard of this city.

The vows were spoken in the home of the bride's parents in the presence of a few close friends and relatives. The home was attractively decorated with summer flowers in a variety of colors. Rev. W. E. Barnes, pastor of the First Baptist Church, officiated and the bride was given in marriage by her father. The couple was attended by Mrs. Roy Sheppard and George Murrell.

Mrs. Creps was a member of the spring graduating class of Hereford High School. Mr. Creps is a soldier in the U. S. Cavalry and is stationed at Fort Bliss, El Paso.

After the wedding ceremony the couple left on a short wedding trip, after which he will return to Fort Bliss. Mrs. Creps will continue to live here.

Out-of-town wedding guests included Miss Lois Creps of Thomas, Okla., Mrs. A. G. Ross and children of Portales, N. M., Mr. and Mrs. Sol Maxwell, also of Portales, and Mr. and Mrs. Carroll Creps of Amarillo.

## Hereford Hostess Entertains With Two Parties

Two enjoyable parties given by a Hereford hostess mark this week's social calendar. Mrs. Glenn Weir entertained informally Friday afternoon and again Tuesday afternoon to compliment friends.

Profusions of garden flowers with dal lilies predominating and sweet peas picking up the color accent, were used in decoration for both parties.

**Friday Afternoon**  
Friday afternoon three tables of players made up the contract party and at the close of games a salad-plate was served to the guests. Mrs. Meade Haile-high player, and Mrs. R. R. Wills, second high, were the defense stamp winners.

Those attending were Mesdames Knox Kinard, C. H. Dyer, W. J. Stanford, A. R. Bateman, R. L. Cranor, Howard Gault, W. A. Teter, Meade Haile, J. W. Witherspoon, E. B. Hicks, S. P. Rossion and R. R. Wills.

**Tuesday Party**  
Tuesday afternoon's guests included Mesdames Grant Fuller, J. T. Gilbreath, Jr., Ralph Hastings, N. E. Milburn, Travis Dameron, Ernest Medkief, George V. Stambaugh, Jim Lipscomb, Jim Black, Reed Williams, Sylvester Slagle and G. W. Newsom.

Those playing high for the defense stamp score awards were Mrs. J. T. Gilbreath, high, and Mrs. Reed Williams and Mrs. Grant Fuller.

## Kinship Circle Is Entertained At Womble Home

Mrs. Baker Womble and little daughter, Sally, were hostesses for members of the Kinship Circle at their country home Saturday afternoon.

Quilting and sewing provided the diversion for the afternoon. Out-of-town members attending were Mrs. M. O. Meeks, Mrs. W. T. Womble and Mrs. Maurice Mitchell and little son, all of Amarillo.

Others attending were Mesdames L. R. Bradly, Doyle Rose, Elmer Womble and daughter, C. O. Phillips and daughter, Earl Phillips and daughter, Johnnie Womble and daughter, Robert Thompson and daughter, Miss Ethel Womble and the hostesses.

## January Wedding Is Announced By Parents Here

Mr. and Mrs. George Parker have announced the marriage of their daughter, Miss Pauline Parker to Mr. Jerry Albracht, son of Mr. and Mrs. John Albracht.

The wedding took place on January 24, in Clovis, N. M., and attendants were Mr. and Mrs. Glenn Parker.

Mrs. Albracht graduated from Hereford High School in 1939 and for the past two years she

has been employed at Haile Drug Store. Recently she has been employed at the Popular Store. The young couple will make their home on the Glenn Ranch near Canyon where he is employed.

MRS. ULLMAN HUNTER

Word has been received from Mrs. James H. Turk, Jr., of San Antonio, formerly Miss LaRue Beck of this community, that her husband is missing in action. He was a bombardier on a flying fortress that took part in the battle off Midway Island June 7. He had been in the states since he and LaRue came back from Hickam Field, Hawaii, in March and had only been back in Hawaii a week before the Midway battle.

Phyllis and Frances Hunter returned last week from Sweetwater and Brownwood where they visited relatives and friends several days.

Mrs. Dan Allen kept Dan and Bob Williams, twin sons of Rev. and Mrs. C. W. Williams of Dimmitt, while their father was in the hospital. Mr. Williams is improving at his home now.

Mesdames J. M. Richardson and Ullman Hunter called on Mrs. Ida Ricketts of Hereford Saturday afternoon.

Miss Mary Ann Baird is visiting Natalie Flesher of Canyon this week.

Mesdames Clyde Renfro and M. T. Sparkman were hostesses Thursday afternoon at the school building to members of the Auxiliary and their guests. Mrs. Dan Allen presented the devotional and the program concluded

ed with a playlet by Mesdames M. T. Sparkman, Clyde Renfro and Finis Hunter, "Why Missionary Societies Fail." The Auxiliary member who brought a guest with longest record of missionary society membership was awarded a prize in the special guest day program.

Mrs. Finis Hunter whose guest was Mrs. P. H. Dyer, received the award. Mrs. Dyer joined 26 years ago. Members who did not bring a guest were fined.

Delicious refreshments were served to Mesdames H. C. Baird, M. T. Sparkman, Clyde Renfro, Sam, Finis and Ullman Hunter and Mrs. Dan Allen, members, and Mesdames F. A. May, J. M. Richardson, P. H. Dyer, and Harey Ferguson, guest.

Charlie Rogers of Granite, Okla., visited in the Wilder home last week.

Bob Baird, enroute to Twenty Nine Palms, Calif., for further glider training in the United States Air Corps stopped Monday for a day or two with his parents, Mr. and Mrs. H. C. Baird, and family.

About an inch of rain fell here Monday afternoon and night. It will stop harvesting for a few days. Almost everyone would have been through in another week of clear weather.

MRS. B. A. WEST

This community received a big rain and some hail Tuesday. The hail cut the gardens up pretty badly and damaged the wheat a little.

Harvest was in full swing but the heavy rain stopped it for a few days.

Mr. and Mrs. Floyd West and children and Mr. and Mrs. Tom Bohannon spent Tuesday night at Laketon with Mr. and Mrs. Ern Caldwell.

Last Tuesday the hail destroyed all the wheat on the Floyd West place, broke all the east windows out of their house, and killed some hogs.

Mr. and Mrs. Tom Bohannon and Mr. and Mrs. Olaf Bohannon returned to Van Nuys, Calif., Thursday.

Rubber from Rover. The dog house will surely yield a mutilated ball, a rubber bone or a headless doll, and they'll all help the big-guns bark sharply at the Japs.

## To Our Customers,

in Dawn and Black Territories

Both of our elevators are full of wheat, therefore, we cannot take any more for storage at this time. A little later, after moving some wheat and placing it in bins, we will have some room at Dawn, which we will be glad to have filled by our customers in that territory. In the meantime we will be buying wheat for shipment every day, but we cannot buy high moisture grain as we are being penalized on every ear of wet grain that we have shipped. We are doing our best to serve you in this difficult situation.

Very truly,

### 20-Cent Bombsight Used By Americans In Attack On Tokyo

Washington.—An improvised 20-cent bombsight was used by the American fliers who blasted Japanese cities in April, it was disclosed recently when 23 of those who participated in the famous raid were given distinguished flying crosses.

Lieut. Gen. Henry H. Arnold, commanding general of the army air forces, presented the medals in ceremonies at Bolling field.

Brig. Gen. James H. Doolittle, who led the raid and was awarded the congressional medal of honor by President Roosevelt May 13 attended.

Those decorated and five others unable to attend because of injuries or illness not connected with the raid have just returned to the United States for re-assignment. The other participants are still in combat zones. All are to receive decorations eventually.

It was the belief that some planes must inevitably fall into Japanese hands, that led to removal of the secret Norden bomb-sight from each plane. Anyway, the war department explained, the Norden sight was not necessary for a successful low-altitude attack such as was carried out. The improvised bomb-sight, costing only 20 cents to make, was designed by Maj. Charles R. Greening of Tacoma, Wash., armament officer of the squadron.

Lieut. Col. John A. Hilger of Houston, Texas, second in command, said the fliers "had less trouble than we expected." Indicating the complete surprise to the Japanese, Hilger said, "they all waved to us," presumably mistaking the planes for their own.

Mrs. Hilger, said she knew her husband was along as soon as she heard news of the raid. But, she related, she did not get the news as soon as she might have.

Mrs. David M. Jones, wife of a captain from Winters, Texas, "never was so proud in my life" as she was seeing her husband get his medal.

Harvest is in full swing—or is when showers don't prevent

it. Showers Saturday, Sunday and Monday evenings stopped work, the one, Monday amounting to a good rain of 1-2 to 2 inches. Many combines were working in the fields Sunday because of the unsettled weather. The yield generally from most reports is one of the best for several years. A number of farmers have built granaries and are storing the grain on their farms.

Mrs. A. C. Pierce and Mrs. E. H. Little were hostesses to the Home Demonstration Club Wednesday at the home of Mrs. Pierce. Many members were unable to be present because of harvest and other work. Mrs. Clarence Morrison and Mrs. Jim Bookout will be hostesses at the next meeting at the home of Mrs. Morrison. This meeting will be July 8 and with favorable weather most of the harvest will be completed by that time, so a good attendance is expected.

Those present at Wednesday's meeting included Mesdames Jim Bookout, R. M. Gunn, Merlin Kaul, Joe Landers (Maurice Tannahill, Roy Lee Wilson, Paul Rudd, T. B. Cox, E. H. Little and A. C. Pierce, Misses Nannette Little, Elaine Cox and Helen Jo Wilson.

Merlin Kaul helped Grady Wilson build a shack at the Badger place near Walcott last week. The men will stay there while harvesting. Mr. Wilson reports much damage by the hail last Tuesday to his wheat crop there.

Mrs. Bud Hopson came Thursday from her home at Post to assist her mother, Mrs. Grady Wilson, during harvest. Her son, Jerry Ray, has been spending the summer in the Wilson home.

Billy Gene Wilson of Carlsbad, N. M., is working for his uncle, Grady Wilson, through harvest. Nelson Ross and Glenn Pierce of Hereford spent several days last week with their grandparents, Mr. and Mrs. A. C. Pierce.

Mrs. Jewell Dodson and Monte Max are spending the week here. They are staying with Mr. and Mrs. R. M. Gunn. Mrs. Dodson and several ladies plan to paper the teacherage this week and Mrs. Dodson will move her furniture in. She and Monte Max returned this week from a visit with Mr. Dodson at Scott Field, near Lebanon, Ill. They report hot weather with rain every day. Mr. Dodson expects to be moved soon from Scott Field.

Mr. and Mrs. Howard Evans are here from Arizona. They are visiting his brother, Joe Evans, and family, and Howard is helping his brother through harvest. Some harvesting was completed

ed this year before the first day of July and much will be finished before the fourth. And this reporter remembers that last year we started combining on July 19. Announcements received here last week tell of the birth of an eight pound son on June 20 to Mr. and Mrs. Raymond Pierce of Troy, Mo. He has been given the name of Randall Thomas. The baby is a grandson of Mr. and Mrs. A. C. Pierce.

A new granary is being built this week at the V. Skypala farm. Evelyn Benson of Ford and a girl friend from Fort Stockton spent Sunday afternoon with Vesta Mae Landers.

Estelline Pellam spent last week visiting her sister, Mrs. Orville Landers and family at Hereford.

Mr. and Mrs. Orville Landers and Iva Gale of Hereford and Estelline Pellam were visitors in the Joe Landers home Wednesday night. Home-made ice cream was enjoyed.

Mrs. L. B. Wolfington was taken to the hospital at Hereford Monday night.

Arch Conklin papered the rooms at the teacherage Tuesday and Mrs. Dodson moved her furniture in from the school cafeteria Tuesday afternoon.

Wheat harvest has continued in full sway here this week with some farmers finishing their cutting while with fair weather many others will soon be done. A light rain fell Monday evening.

Women and girls have had an important part in this year's harvest not only in the kitchen but many have driven trucks and a few have run tractors. Most of the smaller boys have been working in the fields.

Mrs. A. H. Frye has returned from Canyon where she stayed last week.

Miss Arless Oglesby is helping Mrs. Clifford Gandy at Wyche during harvest.

Miss Alma Miller, bride-elect of Lt. Harold Richardson of Albuquerque, was complimented with a lovely linen shower at the home of Mrs. W. P. Caraway Thursday afternoon with Mrs. Iverson Leake assistant hostess. Approximately thirty-four

guests were present and a number sent gifts. Among the guests were Mrs. Leslie Neal, Mrs. Aubrey O'Neal of Amarillo, Miss Edna Richardson of Elida, N. M., Miss Vera Crawford of Canyon, Mrs. Hartland Caraway of Wyche, Mrs. J. A. Ricketts, Mrs. Elma Hodges, Mrs. E. Ramey and Miss Clara Wedel of Hereford.

Mrs. Baker Womble and Mrs. Johnnie Womble attended a bridal shower recently for Miss Helen Estes at the home of Mrs. Mark Cowser in Dimmitt.

It is cherry picking time here with a good yield of excellent quality fruit reported. The gooseberries at the home of Mr. and Mrs. R. A. Frye are loaded with fruit.

Miss Lona Dean Sheppard of Hereford is staying with Mrs. Ernest May.

Miss Helen Oglesby visited Miss Burnell Campbell in Canyon Wednesday.

Ralph Atchley of Canyon visited in the Oglesby home from Wednesday until Monday and Mrs. Hazel Atchley was a weekend visitor.

Miss Edna Richardson has been visiting Misses Inez and Alma Miller this week.

Mrs. Baker Womble was hostess for the Kinship Circle recently with twelve members present.

Miss Sally Womble was honored with a birthday party last week end. Mrs. Ernest May entertained with a slumber party on Saturday night and a dinner was given on Sunday in the Womble home. Guests were Misses Mary Beth Scott, Mary Catherine Carroll, Janelle Womble, Marian Borden and Wanda Elaine Thompson of Hereford.

Miss Lela Clark, Home Economics teacher at W. T. High School Friday visited girls in the community working on summer projects. She was accompanied by Mrs. Russell and Miss Catherine Comatser and they called in the home of John Kuhles, Carl Luke, Frank and Eugene Frische.

Visitors in the home of Mr.

and Mrs. William Wimberley Sunday were Mr. and Mrs. E. A. Oberst, Mr. and Mrs. Elmer Oberst and Will Ingo of Canyon and Fred Oberst, Sr., of Lexington, Ky. The latter is visiting here several days.

Miss Inez Miller visited Mrs. Bob Hooks in Amarillo Monday. Troy Moore will appreciate your vote for Commissioner, Precinct 1, and if elected promises to make you a real hand. 27-4t

During the hot summer months the salad question looms large at least once each day. Soup steps out of the common place in this recipe and gains a "flair" in a whole meal salad. A glass of cold milk, an iced beverage, along with some bread and butter sandwiches and a generous serving of Tomato Soup Salad, and your meal is complete. Mrs. C. F. Moore likes to use this recipe for her family and for parties or special guests. It meets the taste test of hungry husbands and at the same time it is pretty enough and dainty enough to serve at any kind of social affair.

### Let's Cook Something

- 1 can Tomato Soup
- 1 envelope gelatin
- 1-3 cup cold water
- 2 cakes Philadelphia Cream Cheese
- 1 cup chopped celery
- small bottle stuffed olives
- 1-2 cup chopped nuts
- small amount of chopped green pepper
- speck onion (chopped fine)
- 1 chopped sweet pickle

Dissolve the gelatin in the cold water and mix well in hot soup. Pour over the Philadelphia Cream Cheese and whip until cheese is dissolved. When cold add all the other ingredients and place in mold. Allow to congeal in refrigerator and serve on crisp lettuce.

### Mrs. A. O. Thompson Is Guest Speaker For "Say It With Flowers" Program

Two programs were combined for June 26 meeting of the Garden Club when members met at the home of Mrs. Lyle Blanton Friday afternoon.

The first program on "Shrubs" was in the hands of Mrs. John P. Slaton who discussed pruning and watering, giving information as to the time and manner of prunings for different varieties. Mrs. Jim Lipscomb told about "Shrubs and their Legends."

Mrs. E. Ramey was in charge of the floral arrangement for that program and demonstrated a "bridal arrangement" of white roses, daisies, lilies and baby's breath.

#### Mrs. Thompson Is Guest Leader

Mrs. A. O. Thompson was guest leader of the "Say It With Flowers" program. Speaking on flowers and their agencies, she said in part: "Psychiatrists tell us everyone needs some creative mental relief from routine. Authorities point out that if you are dog-tired making a flower arrangement is the most refreshing relaxation, and it might be called an esthetic cocktail. No matter how bored or sophisticated you may be, you'll find a flower arrangement a day one of the most effective of all mental relaxations, a spirit lifter

to you who create it, to the home it decorates and to those who see it. There is no occasion from birth to death when flowers do not have a message. There is no friendship that cannot be enhanced by the mutual appreciation of flowers."

Three flower arrangements were featured. The hostess displayed the bouquet for the sick room, using pink and blue cornflower, combined with baby's breath; Mrs. W. C. Hromas illustrated a tray for a child, giving several demonstrations and emphasizing the use of patriotic colors in the flowers and adornments for the tray; Mrs. F. H. Oberthier showed a tray for an adult, bringing out the thought that bright and cheery colors in dishes and tray appointments provide a happy spot for the sick room. She also pointed out that simplicity should be the keynote of sick-room trays.

Enjoying the double feature program were Mesdames F. M. Kester, Joe Kendall, Homer Brumley, D. H. Alexander, Jim Lipscomb, Ralph McCullough, A. L. Manjeot, F. H. Oberthier, L. H. Shore, John P. Slaton, E. Ramey, Liston Wilson, W. C. Hromas and the hostess.

### Wyche Group Completes Home Nursing Course

The Red Cross Home Nursing Course which has been conducted in the Wyche Community for the past six weeks, came to a close June 25. The six weeks of instruction included bed making for the sick, giving baths to those who are sick, bandaging, and simple first aid treatments and the study of T. B., syphilis and communicable diseases. Talks were given on the care of the sick and on different types of diseases.

Mrs. J. W. Dickerson, R. N., who taught the class, was presented with a lovely gift in appreciation of her time and instruction.

Those taking the course were Mesdames L. L. McBrayer, W. B. Saxon, Deck Roberson, Earl Spencer, R. W. Elliston, G. E. Thiele, H. B. Whittington, A. A. Hare, H. H. Boardman, James G. ### Journey Party Is Courtesy To Beverley Fraser

Following class work Mrs. Ralph McCullough's pupils were entertained with an informal backyard picnic at the McCullough home Friday morning. The courtesy complimented Miss Beverley Fraser, who left Tuesday morning for a Colorado girl's camp for the remainder of the summer.

Enjoying the journey party were Lois Henderson, Evelyn Walker, Wanda Whitaker, Georgianne Miller, Mrs. Pauline Dunlap, Mrs. Ellis Coombes, Mrs. Ernest Wade, Adeline Koelzer, Mrs. N. E. Milburn, Stella Jo Thompson, Elsie Fern Thompson, Lonidene Martin, Shirley Martin, Virginia Newell, Geraldine Kendall, the honoree and the hostess.

### Bridge Club Party Given At Haile Home

Mrs. Meade Haile was club hostess to members of the Ladies' Bridge Club Thursday afternoon. Mrs. Kellar-Muse was welcomed as a new member.

Shasta daisies and other varieties of mid-summer flowers furnished cheery decorations for the party and a delightful salad course was served after the games.

Mrs. J. M. Posey and Mrs. R. R. Willis played high for score awards.

Members present were Mesdames J. T. Gilbreath, Jr., N. E. Milburn, Ernest Medkief, Kellar Muse, R. R. Willis, Frank Cogdell, Sherman Morgan, J. M. Posey and the hostess.

Mrs. C. Davidson, formerly Miss Josie Bell Rice, was calling on Vega friends, Tuesday.

Mrs. C. R. Gault is recovering from a severe case of flu.

Vega was visited early Monday morning by a heavy rain which delayed harvest. South west of Vega a heavy hail storm fell at this time, doing much damage to crops, gardens, homes and livestock. Among those from Vega reporting much damage are C. E. Winder, C. C. Wimberly and Harold Browning.

Mrs. Cardwell and grand-son, Jim Oden, of Dallas, returned to their homes in Dallas after

# A LETTER TO UNCLE SAM

## Dear Unc,

The priorities around this house are simply terrific. What a time I had getting at the typewriter to make up this letter of thanks.

You see, it's this way. Every Sunday, and after dinner weekdays, Dad used to take Mother and me for a ride. And did we dread it!

Mom said Dad used to drive like a maniac... no regard for my tender feelings and stomach. He'd honk and fight his way through traffic, missing fenders by an eyelash, at a speed that made my heart bump my tonsils.

Now, boyohboy what a relief!... Dad heard a Phillips news broadcast say that Uncle Sam wants every motorist to Care for his car—For his country. Then he saw a Phillips ad which said that any Phillips Service Station man would be glad to show him how to do it. Well, to make a long story not too long, the Phillips man

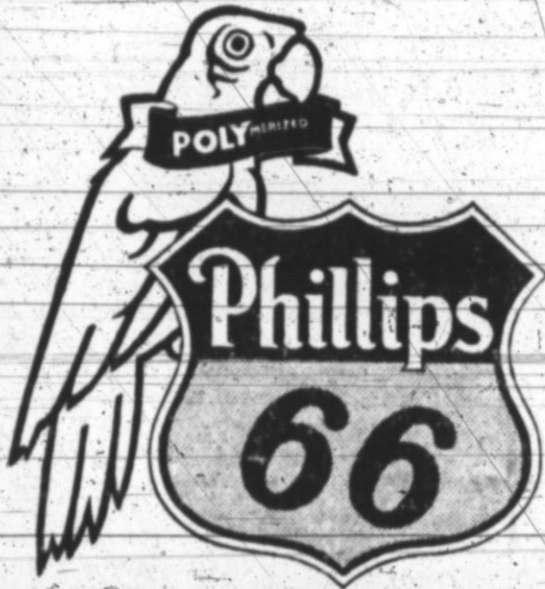

whispered the magic words to him: **DRIVE UNDER 40.**

You'd never think anything so simple could change my whole life. But it did. Dad now drives like a human being. He has found out that he not only saves rubber, but also gas and oil... and saves his nerves, too. Mom swears that Dad is a different man ever since he started getting gas, oil, and car-care at the Phillips Service Station... you know, the ones that have the big Orange and Black 66 Shield.

I guess lots and lots of other folks are going there, too, because I sure hear plenty of talk about Phillips 66 Gasoline and Phillips 66 Motor Oil.

I even hear that you're using some of it yourself.

Respectfully,  
Your Grateful Nephew

Phill-up with Phillips for Greater Mileage

visiting their friends A. R. Waddills for two weeks.

Mrs. John Haliburton is ill this week.

Mrs. W. E. Eastman and her father, J. C. Campsey of Devine are here to assist Mr. Clyde Eastman through harvest.

Fred Spinhirne and Braxton Milburn joined the navy and are now in San Diego, Calif.

Word was received this week from the following Vega boys who are in the service of their country: Roy Taylor and Hulon Richardson from India; Cecil Harrell from Australia and all the word Wilbur Harrell could give—"Landed Safely"—no ad-

dress. No word has as yet been received from Bishop McKendree and Jim Bates, who were on Corridor when it fell.

Mr. and Mrs. Jack Canble and children left Thursday for San Angelo and Albany for a two week's vacation. They expect to stop in Snyder Friday to attend the rodeo there on that day.

Mrs. Francis Taylor of Albany and her sister, Mrs. Clyde Trammell of Abilene, were calling on friends here today. The ladies will be remembered as Matrons and Opal McNeely who with their parents were residents of Vega some 20 years ago.

Mrs. Ruth Watkins entertained the little friends of her daughter, Mary Lou, celebrating her third birthday, Saturday afternoon in her home five miles east of Vega.

Several farmers have started harvesting their wheat and the yields so far run from 15 to 30 bushels per acre. If nothing happens it will be in full swing next

## Land of Hulas Not So Glamorous As Painted Say Hereford Soldiers

Last year Pvt. John Weaver and Charles Short wrote to The Brand from Ft. Benning, Ga., where they carried out a successful offensive against mosquitoes, according to their story. This week, Weaver and Short, now in the Hawaiian Islands, write to correct the military information of Pvt. Speck Marnell, who wrote this column about the subject of "posting arms."

Weaver and short state that they are "not paddlefeet" (Infantry to Marnell) but do know enough about a rifle to know the manual of arms, and you may tell him for us that it should be PORT arms."

Weaver and Short continue, "Like the other home town boys we too have our troubles with the snow diggers from Brooklyn and vicinity. Lots of good, hot arguments over which is the best paper, the Hereford Brand or the New York Sun. It usually lasts way into the night but we manage to stay on the offensive most of the time."

"For reasons Militaire we can't give our location, but are still in the land of the Hulas, which is not such a glamorous spot as you have heard it is. Personally, we would prefer Brooklyn to this place, and we are not conceding anything to the Yankees."

Concerning the grass skirt situation in Hawaii, Weaver and Short announce plans for a grass farm, which will be in full production by 1943 or '44.

Mosquitoes in Hawaii, compare favorably with the Georgia brand according to the two Hereford boys, who say that the Hawaii

special goes in for camouflage attacks.

### Donald Gaetz Promoted

Donald J. Gaetz, son of Mr. and Mrs. John Gaetz of Hereford, has recently received his rating as private first class.

Donald is in the Special Weapons, Fifth Cavalry, at Ft. Bliss and drives a jeep in the motorized cavalry division.

### Vaughn at Sta. Hospital

Pvt. Carlos Vaughn writes the Brand from Ft. Sill, Okla., stating that he likes the army, even though he did have an unfortunate introduction to army life. Vaughn was in a bus wreck at Crowe on the night of his induction into the army about the middle of June and received injuries to one knee. He is now in the station hospital at Ft. Sill.

Vaughn praises the food and the officers and likes the entertainment furnished soldiers by the U. S. O.

## Bethel Items

### MRS. BILLIE B. SINCLAIR

Mrs. Jim Givani and Mary Elizabeth were Hereford visitors Friday.

Mr. and Mrs. Ray McEntire and baby are visiting her parents, Mr. and Mrs. Jim Bagwell, for a few days.

Dorothy Shannon visited Thursday with Mrs. George Bagwell.

Grace Marie Bagwell of Pampa visited her parents, Mr. and Mrs. Jim Bagwell, over the weekend.

Mr. and Mrs. Bryan Sinclair, Mrs. Earl Lust and Earline attended the singing at Flagg, Sunday.

Mr. and Mrs. Boyd and son and Mrs. Alice Boyd, Mr. Boyd's mother, visited in the J. G. Davis home. Mr. Boyd is a cousin of Mr. Davis. They are enroute

from Lamo, Calif., to Dysbury, Tenn.

Berthe Mary Smith of Big Spring is visiting her grandparents, Mr. and Mrs. J. G. Davis and her aunt, Mrs. Cleo Richardson, of Dimmitt.

Mrs. Bryan Sinclair, Ivan Earl and Dorothy Shannon were visitors in Hereford Monday.

Miss Edith Neill and her little niece of Black attended Sunday School at Bethel and had Sunday dinner with Mr. and Mrs. Vern Lust.

Mr. and Mrs. Billie B. Sinclair spent a few days last week with Mr. and Mrs. Guy Cox of Dimmitt while harvesting his wheat. Ivar Bagwell is on the sick list this week.

## HEREFORD BULL

By Jimmie Gilentine

Everywhere people are talking about the Federal War Prison which is to be located in Hereford. Some people like the idea. Others are bitter toward the establishment of the camp here. However, that's the way things generally go. Chief arguments against establishment of the camp are the fact that there will be very little available labor for farm work, or any other kind of work for that matter. This is perhaps true, but when the United States of America went to war we were entitled to expect some hardships—and a little work isn't going to hurt anybody. Compared with the sacrifices some of our boys and citizens are making; this is real

## Church Council Has Interesting Program; New Officers Elected

### Rev. H. M. Redford Is Speaker For Church Group

The Federated Council of Church Women held its regular meeting at the Baptist Church Tuesday afternoon.

Mrs. O. G. Hill presided and introduced the numbers on the program. Mrs. W. E. Barnes gave the opening prayer, followed by a piano solo played by Miss Margaret Barrett. Mrs. Earl Phillips sang "Just For Today" with piano accompaniment by Mrs. Ellis Coombes.

Rev. H. M. Redford was the principal speaker. Using the theme "The Church and Peace," he said in part: "In time of war

the church must prepare for peace. The church should create, maintain and promote Christian fellowship, paving the way and preparing the people for possible changes. The church must evangelize the world, for there can be no security unless the world is conquered."

A business session was held with new officers for the coming year being elected. Those chosen are: Mrs. R. P. Conaway, president; Mrs. F. M. Kester, vice-president; Mrs. A. L. Manjoo, secretary-treasurer, and Mrs. D. H. Alexander, reporter.

The council meets regularly every fifth Tuesday and the next regular meeting is scheduled for September.

## Camp Fire Girls Enjoy Night Hike

Highlight of the week for Weccocantawaste Camp Fire Girls was the night hike enjoyed by the group Tuesday night.

The girls and their guardian, Mrs. Urline Streu, met at the Camp Fire Hut at nine o'clock and hiked to the club house. There a picnic supper was the order of the evening and later games of all types were played. Then the group hiked back again, stopping to say goodnight as each girl left the group at her home.

Those taking part in the fun and frolic were Kathleen, Helen, and Georgianne Miller, Norma Jean McCullough, Virginia Lyons, Betty Morrow, Betty Jane Robinson, Marian Plummer, Jessie Ann Buckner, Cornelia Ann Bateman, Marg Ellen Henslee, Harriette Carter of Amarillo, Dorothy Dishman of Hedley, and the guardian.

## W. S. C. S. Holds Business and Social Meeting

A business and social meeting was held by members of the W. S. C. S. of the Methodist Church at the church yesterday. Hostesses for the social hour were Mesdames A. C. Thompson, I. H. Spratt, Andy Thomas, Ernest Wade and J. O. Newell.

Mrs. Homer Bramley conducted the business session when reports were heard and led the lesson taken from the book "For the Facing of This Hour".

Next week circles will meet at

Other people say that the camp is a bad thing for the whole community. This may also be true. If a prisoner escapes, it is logical to expect trouble.

Still others object to the influx of personnel which will guard the camp. Certainly, this is an un-American attitude. It is "straight-out" snobishness and being a snob doesn't win wars, it causes them. The personnel, estimated at 750, will be composed of people who are trying to do their bit for the United States of America. There will be volunteers and soldiers who have been drafted, just as many boys have gone from this community into service for their country. The people in charge of this camp should be welcomed in a manner befitting them as loyal Americans. The fact is that they will probably be burned up over being stationed in a small town, and no happier than many of their critics. After all, they are just good Americans with the same thought: we all should have that of WINNING THE WAR.

On the other side of the ledger some people are expecting large business increases from the camp location. This is possible, but the increase will not likely be sensational.

During construction of the prison and initial work, it is likely that there will be considerable business from the people who do the construction work. After things get underway, Hereford's only business increase will come from the 750-man staff and their families. Groceries for the camp proper will probably be bought in wholesale quantities, as will most other commodities. This is how such things are working out in other communities. Some people think that the prisoners will grow most of their own foodstuffs and that the camp will be on the scale of an irrigation farm. Bill Smith, who lived near the Prison camp when at Ruidoso, N. M., says that the prisoners there do much work, cutting logs, etc. However, now that we are at war the story may have changed.

Anyway, it is well to remember that the Army is going to do exactly what it pleases. People can say what they like, but it won't make much difference. I know this from experience. I've been fussing about Mrs. Perkins as Secretary of Labor for years—and she is still Secretary of Labor.

Switching to another subject, Mrs. O. E. Sherman came in Saturday morning with a good example of what can be produced in gardens of this area. She brought in 19 varieties of garden produce and threw in some cherries to bring the total to 20. We made a display of them, including: English peas, green beans, two kinds of squash, carrots, asparagus, turnips, spinach, cabbage, beets, onions, potatoes, Swiss chard, lettuce, dill, rhubarb, collards, parsley, Kolorabas, and cherries. Mrs. Sherman was very apologetic because her roasting ears; tomatoes and black-eyed peas are not yet ready to gather.

Despite the large sign on the display, many people walked in and wanted to know where the vegetables came from. I always said that they came from my garden, and every time I said this they laughed. I am still trying to figure out why they should react in this manner.

## Miller-Richardson Wedding Is Solemnized In Albuquerque

An out-of-town wedding of interest is that of Miss Alma Miller, daughter of H. H. Miller of Dawn, and Lt. Harold Richardson, son of Mr. and Mrs. H. H. Richardson of Elida, N. M., which took place Saturday evening at the First Christian Church in Albuquerque, N. M.

The bride left by plane from English Field in Amarillo Saturday afternoon and the ceremony was performed that evening at eight o'clock. The bride wore a rose dress with matching hat and white accessories.

Mrs. Richardson attended W. T. S. C. high school at Canyon and also attended W. T. S. C. receiving her degree in the spring of 1940. She has been teaching since then at McLean and Wayside.

## Hospital Notes

## Shower Is Given For Bride-Elect

A shower complimenting Miss Alma Miller, who became the bride of Lt. Harold Richardson Saturday evening in Albuquerque, was given at the home of Mrs. W. F. Caraway of Dawn Thursday afternoon. Cohostesses were Mesdames A. T. Frye, Iverson Leake, W. J. Stewart, Clifford Stewart, Lloyd Bentley and Mrs. Caraway.

A theme of "The Old South" was used in entertainment since that is where the couple plan to live. Miss Wilma Jean Miller, Miss Mary Olive Frye and Mrs. C. A. Wimberley gave piano selections in keeping with that theme and the shower of gifts was introduced when an old Negro mammy delivered the mis-sus' wash. Favors were appropriate corsages presented to each guest.

Guests attending the gift party were Mesdames Baker Womble, Chas. Benton, Ernest May, J. M. White, H. H. Caraway, Irene Coe, Johnnie Womble, R. A. Frye, H. E. Miller, C. A. Wimberley and Martin Campbell; and Misses Inez Miller, Alvera Frye, Mary Olive Frye and Wilma Jean Ricketts, all of Dawn; Mesdames J. C. Ricketts, Velma Hodges, E. Ramey and Miss Clara Wedel of Hereford; Mrs. Leslie Neal and Mrs. Aubrey O'Neal of Amarillo, Miss Edna Richardson of Elida, N. M., Miss Vera Crawford of Canyon, the honoree and the hostesses.

Sending gifts were Mesdames A. T. Frye, L. A. Smith, Kuhles Carl Luke, Wm. Wimberley, and Miss Erma Faye Robinson.

## W. M. S. Circles Hold Joint Meet At Baptist Church

A general meeting of all circles of the Woman's Missionary Society of the Baptist Church was held at the church yesterday afternoon. A business ses-

sion preceded the regular program.

Mrs. Kirksey opened the program with a devotional talk and Mrs. W. E. Barnes, leader, explained the program theme "Virtue".

Louise Young and Betty Hodges entertained with special music and three talks dealing with the lesson subject were given. Mrs. Jack Roberson told of the "Virtue of Obedience", Mrs. O. L. Massie told of "God's Purpose for Latin America" and Mrs. O. G. Hill spoke on "Obeying God in Latin America". Mrs. T. W. Roberson gave a musical meditation.

## Mission Lesson Studied By Group

Members of the Woman's Missionary Society of the Christian Church met at the church Wednesday afternoon with Mrs. F. M. Kester in charge of the program.

The theme for the worship service dealt with the mission message of the Bible. Mrs. J. B. Elliston conducted the scriptural lesson and the program for the afternoon was built around "Our World-Wide Task". Mrs. Ellis Coombes talked on "Why Missions" and Mrs. C. D. Kelton talked on the topic "The Master Calls".

## LOCALS

Mrs. H. J. Engman and family have been in Abilene the past week visiting relatives and friends.

Mr. and Mrs. Charles Ferguson left Friday for Los Angeles after spending a vacation here with his mother, Mrs. C. C. Ferguson. Mrs. Charles Ferguson arrived Wednesday from Lub-

bock and Houston, where she had been visiting relatives.

Mrs. P. L. Dishman and daughter, Dorothy, of Hedley are guests this week of Mrs. Dishman's brother, D. C. Kinsey, and family.

Miss Harriette Carter is spending the summer here with her grandmother, Mrs. Hattie Rutherford. She lives in Amarillo and as soon as school was out she came to visit her grandmother.

Mr. and Mrs. Lonnie Phillips of Belton arrived Friday for a visit in the home of her brother, Bill Hutson, and family.

Miss Gayle Walters of Brownfield arrived yesterday to visit in the home of her aunt, Mrs. W. J. Smith, for a couple of weeks.

Mrs. Cornelia Patton of Amarillo, representative of the State Department of Public Welfare, was in Hereford Tuesday.

Mrs. L. H. Shore returned this week from Kilgore, where she had visited her daughters, Mrs. D. C. Laird, and Mrs. Aaron Rose.

Fred H. Oberthier, Jr., of Clovis, division manager of the Texas-New Mexico Utilities Company, was in Hereford Tuesday.

Mr. and Mrs. Joe Elliott of San Angelo are in Hereford looking after harvesting interests. They are one-time Castro County residents.

Irving Burdine has returned to Lubbock after a ten-day furlough here with his parents, Mr. and Mrs. C. B. Burdine.

Mrs. Beulah Mercer has gone to Plainview to visit a niece, Mrs. Mozelle Richardson.

## Quality Canning Pays At Springer Home

In 1941 Mrs. Earl Springer canned about 20 quarts of first class green snap beans, these "should be canned when about 1-4 inch in diameter, of a deep green color, crisp, tender and fleshy, with seeds no larger than pin heads." Needless to say the family ate the green vegetable of prime quality with out any urging.

"Second class green snap beans are of a good green color with seeds about half mature, beans

of this quality canned in 1940 are still on the pantry shelf, when served the family takes a small heaping as a courtesy, they are not relished."

On page 14 of B-85, "Canning Fruits and Vegetables" may be found the vitamin and mineral conserving method of canning string beans so supplied by the Extension Service of Texas A & M College.

mins and nutritional iron to the diet. Says a recent report in the Journal of Nutrition, "If the use of enriched flour and bread becomes universal, the average intake (of thiamin, or B-1) will be increased about 64 per cent. And thiamin, say nutritionists, is most often lacking in diets."

## CHDA Notes

1. Measure honey or syrup accurately—use a moist or greased cup or spoon. Measure the fat first and the honey in the same cup.

2. Syrup or honey may be combined with the creamed fat by beating. If mechanical mixers are not available, a Dover egg beater or hand beating with a spoon, gives a good emulsion. To hold the emulsion, some flour is added before the whole eggs or the liquid, which is added alternately with the remainder of the flour. A soggy layer forms sometimes on top of cookies or cakes with a large proportion of honey. This can be prevented by proper mixing.

3. Cakes made with syrup seem to toughen on standing overnight. Use when fresh.

## Navy Chaplains Far Cry From Ideas Of Most Sunday "Stay-at-Homes"

A far cry from the Sunday stay-at-home's conception of a minister is a Navy chaplain.

Devout men of God indeed they all are, but something else too—they are men's men, physically and mentally. They are equally "in place" either before the altar of a chapel or on the deck of a cruiser wallowing heavily in a North Atlantic gale.

At the U. S. Naval Air Station Corpus Christi, Texas, sea-going propensities are not an immediate concern of the chaplains, but they are confronted with something as strenuous and demanding, if not more so, as the sea. Here they must deal with the problems, the thoughts, and the ways of a twentieth century breed of men who either fly or are intimately associated with airplanes which race through the sky at great heights, at several hundred miles per hour.

Mentally they must keep pace with these men, and physically too. That they should be well qualified to do this at the "University of the Air" is shown by the fact that five out of six chaplains who comprise the staff are young men, most of them having been ordained in their various faiths within the past eight years. And the sixth, the Senior Chaplain, Commander J. H. Brooks, has spent 21 years in the Navy, and has served with the fleet and on foreign stations.

In physical trim comparable to the men of the fighting line, they are all devotees of the outdoor life, and have penchants

for such things as hunting, fishing, tennis, and swimming. One chaplain, Father Francis L. McGann, of the Roman Catholic Faith, who has just been detached for duty with the Fleet Marine Force, held a private pilot's license.

But this does not necessarily mean that they have as much time to pursue the strenuous life as their other Navy comrades. These are some of the duties of a chaplain at the Station quite aside from his regular clerical functions:

Visits to the sick in the hospital, to the unfortunates who are momentarily prisoners in the brig, to families in their homes particularly when there is sickness or some other form of distress; providing facilities for letter writing and quiet games; lectures to cadets and recruits; arranging community singing and sightseeing trips; preparing invitations to cadets and enlisted men to visit in church homes in the city.

The Chaplain's Department also provides facilities for reading and study through the Station library; handles Government life insurance for Naval Personnel; and takes care of emergency relief and hospitalization for dependents of Naval personnel in case of sickness or financial difficulties, the Chaplain being Chairman of the Relief Committee of the Navy Relief Society.

For all these reasons it can be seen how constant and pow-

erful a battle the Station chaplains wage against any slump in morale.

In addition to the feeling of "in place" produced in Naval Air Station men by the chaplains, there is another distinct and quite different feeling. It is the feeling that the chaplain is still a chaplain and that his office is always one haven of peace and quiet nearly as much so as the chapel itself.

Almost everyone on the station briefly seeks that peace at one time or another. And when someone does, Commander or Seaman Second Class, he will always find a chaplain ready and glad to talk to him. It doesn't matter so much what he wants to talk about, nor even what faith the particular chaplain embraces for there is a certain universality about all the chaplains. What matters is that the chaplain is the one man to whom he can talk at times when no one else in the service quite answers the purpose.

The U. S. Marine also feels a strong bond between himself and the chaplain. He knows that someday, when he may be gone from the Air Station, and is fighting on the battle front, that somewhere nearby him or even beside him, there will be a chaplain, sharing the same possibilities of death as he himself is.

He knows that in war or peace, ashore, afloat, or in the air the chaplain is a particularly constant figure in one respect—he will never be afraid, he will always be an example for his brother men of the Navy to follow.

land Railroad. He is staying at the Glenn Boarding House and replaces H. E. Steinselk, who left several weeks ago for the army.

Mrs. Frank Watson returned Saturday from a visit with her parents at Flomot. She will assist her sister, Mrs. E. L. Brown, during harvest. Frank is now in the Coast Guard, and is stationed near San Diego, Calif.

Bill Barnett is working at the Gruhkey elevator. Jewel Schaeffer of Plainview is working near Adrian during the harvest season. Mr. Schaeffer and his family are operating a poultry farm near Plainview. They lived in this community several years ago.

Mrs. L. L. Biddle is able to be up and about again, after spending some time in the Tucumcari Hospital.

Mr. and Mrs. G. A. Syms and children and Rev. W. B. Waldrop spent Monday afternoon in Amarillo.

Cherries are ripe at the W. H. Gruhkey place west of town. Many bushels of fine cherries were picked and canned this week by residents of the Adrian and Vega Communities.

Mr. and Mrs. Brooks Newsome moved this week from the Adrian Mercantile Hotel to one of the section houses. Brooks works for the Rock Island Railroad.

Rev. W. B. Waldrop left Tuesday for his home at Paris. Frank Inman and daughters, Betty and Frances and son, John, are spending the harvest season with Mr. and Mrs. Tom Cook. Mrs. Inman remained at their home in Lebanon, Mo. Her mother came to stay with her.

Mrs. Paul Davidson of La Sal, Utah, is spending the harvest season with her uncle, John Skages and family. She visited her father, Ben Rice, at Lorenzo the first of the month. Her husband is in the armed forces and located near Washington, D. C.

Tom Cook returned last week from his home at Seminole, Okla. Mr. and Mrs. Cook and some help for the harvest season.

Lt. L. L. Hill is now stationed as chaplain in the army in a north Carolina Camp. Lt. Hill is a former superintendent of the Adrian school and since 1938 has been pastor of the Friona Methodist Church.

O. G. Calhoun has purchased an implement stock at Hereford, and will move there in September. The community regrets losing this fine family.

Mr. and Mrs. W. H. Gruhkey

have Mr. Gruhkey's mother of Chicago, Ill., as a guest in their home. She spent Wednesday with Mr. and Mrs. R. M. Gruhkey and was a supper guest that evening in the home of Mr. and Mrs. P. H. Gruhkey.

Mr. and Mrs. Luther Wagner are the parents of an 8 pound baby boy, Dan, Luther, born Thursday at Northwest Texas Hospital in Amarillo.

Word has been received by friends in the community that W. B. Taylor has recovered from a very serious illness. The family has moved from Roy, N. M., to Portales.

Freda Balding is assisting Mrs. R. M. Glenn at her boarding house during the busy harvest season.

Mrs. A. L. Reynolds had what might have been a very serious accident last week while chopping wood when a piece flew up and hit just above her right eye, just missing her glasses.

Mrs. A. Pryor and daughter, Lillie Belle, and her college room mate came from Miami and spent a short time with Mrs. Pryor's parents, Mr. and Mrs. R. M. Glenn. Mrs. Pryor's son, Glenn, is an instructor at the air field at Shawnee, Okla.

The rain and hail early Tuesday morning did a lot of damage to wheat, gardens and homes. Some of the wheat crop was damaged one hundred per cent. Roofs and windows on homes and buildings were damaged, and poultry and stock were killed.

Rev. W. J. Williamson returned Saturday from a two week's session of the Texas Pastor's School at Dallas. Preceding his morning sermon, Sunday, Rev. Williamson gave a fine review of the meeting.

There has been quite a rush at the elevators the latter part of the week. Martin and Zimmerman of Floydada began their harvest with 5000 bushels for the first day's run, wheat testing 64 and yielding about 45 bushels per acre. The estimate is about 100,000 bushels to their crop, and will take 20 days to harvest it. The owners fly up from Floydada at intervals to see about their crop's progress throughout the year. The wheat is located on what was formerly the Carter place about 15 miles southwest of Adrian.

Mrs. D. M. Martin, her daughter, sister and mother were visitors at the Adrian Sunday School, Sunday. Mrs. Martin and the group were going from their home in Cedar Rapids, Ia., to

Tucson, Ariz., to bring back Mr. Martin, who is recuperating in the Veteran's Hospital there.

Mrs. H. E. Steinselk left last week to visit Mr. Steinselk's parents at McAllister, Okla., and for an indefinite stay with her parents in Colorado. They left their trailer home parked in Adrian.

Lowen Reynolds has returned to Camp Polk, La., after a furlough here with his mother, Mrs. A. L. Reynolds.

Billie and Frank Black, Mrs. Naomi Booker, Josephine Barnett and Ralph Rice spent last Sunday afternoon in Vega.

Mr. and Mrs. Olaf Bohannon and Jake Fortenberry, Mr. and Mrs. Tom Bohannon and Theron returned to their work at Van Nuys, Calif., last week.

Mrs. R. M. Glenn reports an increase in the number of meals served at her boarding house during the harvest season. Most of the elevator employees take their meals there.

George Gruhkey is the mail carrier for the route out of Adrian since the Maynard family moved to Happy, Mrs. Maynard had been the deputy.

L. L. Biddle is ill with an attack of influenza.

Luther Wagner is assisting R. E. Caldwell at the Adrian Wheat Growers' Elevator.

Let Everybody Know You're Investing  
10 Percent of Your Income in War Bonds

The attractive red, white and blue window sticker, pictured above, is the new yardstick of patriotism in the War Bond drive throughout the nation. With the slogan, "Everybody every pay day, ten percent," sweeping the country, patriotic Americans on the home front are rallying to their Government's appeal for funds with which to help finance the war. The home which displays the "ten percent" sticker is doing its share toward Victory for America and the United Nations. The stickers are being distributed through local War Savings Chairmen.

tremely heavy, the fires being started from the exhaust of pickups and trucks.

Mrs. Charlie Noland, according to those who arrived on the scene later, was a very calm and active person when the pick-up with which she was pulling a large trailer load of wheat, caught fire. Mrs. Noland crawled beneath the pickup and pulled the burning straw away and put the fire out with dirt which Mrs. arie Angelo scooped up for her. Some wiring on the pick up was damaged.

Later in the week Henry Clark who is also hauling for Charlie Noland had his truck to set fire to some wheat and received a severely burned hand and other less severe burns on his face and legs before the fire was finally put out.

Farmers were beginning Monday to feel and uneasiness over the storage of the threshed wheat. All elevators at Hereford and Friona were reported closed, while Bill Smith, manager of Black elevator thought it unlikely that he could take all of Sunday's haul.

Storage facilities on the farms are hard to estimate—but some of the wheat yet to be threshed will be stored at home. W. G. Harris and H. Trigg have completed granaries recently on their farms.

Mrs. R. D. Lance, Jr. returned Monday from Wichita Falls, where she had been visiting her husband formerly stationed there at Sheppard Field.

Mrs. S. L. Walser of Hereford is assisting Mrs. Earl Lance with the cooking during harvest.

Mrs. Marie Angelo of Hereford is staying with Mrs. Charlie Noland and helping with the work.

In spite of the damaging hail and threatening clouds farm women here gathered at the school cafeteria Tuesday afternoon for a social hour in honor of Mrs. Marvin Madden and children of Chico, Calif.

Mrs. L. B. Lookingbill and Mrs. B. E. Roberson conducted old fashioned arithmetic and spelling matches which entertained the group until a cloud rushed them home.

Refreshments of punch and cookies were served.

Besides the honor guests those present were Mrs. C. R. Walser, Mrs. Ray Johnson, Mrs. J. A. Noland, Miss Gertrude Atchley, Mrs. R. D. Lance, Jr., Mrs. O. B. Summer, Mrs. Lloyd Lookingbill, Mrs. Jim Clark, Mrs. R. D. Lance, Sr., Mrs. Lookingbill, Mrs. Roberson, Mrs. J. B. Noland and Mrs. Ky Lawrence. Children present were Patsy and Bobby Lee Madden of Chico, Gayle Roberson, Ann and Freddie Lookingbill and Linda Noland.

Mrs. Madden and children who have been visiting her brother, Ky Lawrence, and other relatives, left Wednesday for other Texas and Oklahoma points where they will visit before returning to Chico, Calif.

Mrs. R. A. Fullwood, Hereford, and E. H. Fullwood of Allen joined Mrs. Charlie Noland and children and Mrs. Marie Angelo one afternoon last week and went to the field to watch the combine. Later they visited Mrs. D. C. Walser and children.

There were 71 in attendance at Sunday School Sunday.

## Special Need For Sane Fourth In A War Year

A plea for a safe and sane Fourth of July was issued today by Dr. Geo. W. Cox, State Health Officer, who declared, "We should not forget that the glorious fourth is the anniversary of American freedom—a freedom which is now in jeopardy.

"This nation needs every man, woman, and child at maximum physical strength. Unnecessary loss of life or time from careless accidents is a form of sabotage against our total war effort."

Dr. Cox stressed the fact that hundreds of accidents occur each year among Fourth of July celebrants, including drowning, traffic casualties, and serious injuries from fireworks. He declared that every day's time lost in this manner will handicap the nation's war effort.

"The celebration of American independence is a custom dear to the hearts of all Americans," Dr. Cox said, "but this year as never before care should be taken to avoid accidents which cripple or kill since our maximum manpower is needed for the successful prosecution of a war to defend that same American freedom."

"Using caution in water sports and in traveling on the highways will aid materially in cutting down the total number of accidents, and the cautious handling of all fireworks will result in fewer painful injuries to small children," Dr. Cox declared.

You want your old galoshes to be among the 1000 pairs that are going to provide the scrap for a bombing plane, don't you? Then ransack the hall closet for old rubbers and galoshes for the rubber salvage campaign.

Worker Must Fill Out Special Form For New S-S Number.

"Some workers are under the mistaken impression that when a social security account number card is lost a duplicate may be obtained by writing a letter or sending a telegram to the Social Security Board field office from which the number was secured," said Dewey Reed, manager of the Amarillo office of the Social Security Board.

He explained that if a worker wishes a duplicate account number, Form SS-5, which may be secured from a post office or a Social Security Board office, should be completed exactly as the original application with an additional statement that a duplicate number is desired.

Reed's statement was made because of requests, particularly telegrams, which have been coming into the office from persons needing duplicate account number cards.

The Form SS-5 is easily completed and need not be mailed to the office from which the number was originally secured since any Social Security Board field office will take the proper steps for securing the duplicate. It is necessary to have the same information as originally given in order that the worker's account number will not be confused with those of others having the same or similar names.

A problem confronting early civilization, says a lecturer, was what to use for money. If he learns of anything, our legislators would love to know.

### Beverly Fraser Leaves For Camp Kickapoo In Colorado

Miss Beverly Fraser, daughter of Mr. and Mrs. Alton Fraser, left Tuesday for Kickapoo Camp, located 25 miles from Boulder, Colo. She was joined in Amarillo by a cousin, Jareen Edwards, daughter of Mr. and Mrs. Lloyd Edwards of Jacksboro, formerly of Hereford, who will also be a member of the camp group this summer.

Results in the nation as a whole have not been as good as most optimistic estimates had hoped. In general, best collections have been made in oil-producing areas, where citizens are especially eager to stave off gasoline rationing.

### Use In State

At Brownwood, it has been suggested that each state be permitted to use its rubber scrap pile for recapping tires in the state. The Texas collection of 30,424,000 pounds would recap 3,042,000 tires, allowing ten pounds each. The Brownwood paper went on to point out that "If people can be made to realize the seriousness of the scrap rubber situation, Texas can gather enough scrap to keep its vehicles rolling for the duration."

## Temporary Storage

### At Fraser's

## We Plan to Start Receiving Grain Here Friday, July 3rd

We Assume Full Responsibility for Grades and Weights

This service will cost 7c per Bushel—but it still gives the farmer \$1.03 on loan basis

July 2, 1942.

DEAR GRAIN CUSTOMER:

Our new half-million bushel capacity elevator will not be completed for approximately three weeks. We wish it had been possible for us to have gotten our permit to construct this building so we could furnish you this storage now, but needless to say, we were unable to do so, but it will be our pleasure to furnish you this storage at the very earliest possible time.

If it would be of benefit to you since we have in stock a limited amount of new lumber and can obtain additional amounts from the mills we can construct temporary storage so that we can continue to receive your wheat and you will not be tied up in delivering it to us. With the construction we have in mind we can guarantee the grades and weights when delivered to us, but as you can understand this will be a great cost to us and we cannot issue warehouse receipts until the wheat is moved by us from the temporary storage to the new elevator now under construction. For our expense in receiving your wheat and taking care of it until we can place it in position for the issuance of warehouse receipts it would be necessary for us to have a reasonable charge for this service and liability in the amount of **SEVEN CENTS** per bushel.

If you are interested in this procedure on this basis please let us know at once and bring your wheat to our scales as usual as it will be necessary for us to put close to forty men to work on the temporary construction at once and to continue our flow of material for this purpose, and we want you to understand that this service charge will be made for this extra cost in handling. However, this is small considering the expense we have been out and will be put to in furnishing this service and also considering the difference in the loan price and market price of the product.

Yours very truly,  
FRASER MILLING CO.
