

AROUND ATOWN

Sights and Faces Seen

Cecil Wilkins is practically the only guy in town who didn't have to go in to the window washing business Monday morning. In fact, Cecil's enemies are circulating the rumor that he bribed the spooks to break out that window so he wouldn't have to wash it.

But if Cecil got out of some legitimate window washing chores, poor old Finis Owen really got more than his share. He washed practically every window on the block on which the REA office is located; and despite all that practice, the skill, technique, etc., which he has undoubtedly developed, he's not advertising for any more such work.

Charley Cogdell qualifies for "the man we'd most like to meet in a dark alley" to all those Shriner initiates who went to the initiation ceremonial in Amarillo on Monday and Tuesday. It seems that Charley, an old Shriner, has an unpleasantly inventive mind when it comes to thinking of things for new Shriners to do.

Mrs. J. T. Gilbreath, Jr., knitting chairman at the Red Cross production room, is issuing a hurry-up call for the return of all finished knitted garments now in the hands of Red Cross volunteer workers. Incidentally, the Red Cross sewing rooms are open each Monday, Tuesday, Wednesday and Thursday afternoon, beginning at two o'clock and the more help that turns up the better the work will go.

W. H. Russell, who left this week for San Diego to visit his son Artis, was really breaking a precedent. His first real vacation Mr. Russell has ever had.

County Lags On United War Fund Quota Campaign

More than \$2,000 is still lacking on Deaf Smith County's \$3,420 quota in the United War Fund Drive, and the support of every citizen is needed to put the drive over within the next few days.

Donations to the fund (which serves the U. S. O. and also a large number of wartime agencies which minister to the needs of refugees and war prisoners) are being taken at the Hereford Insurance Agency, 303 Main.

With many smaller towns and some rural communities in this immediate territory already well past their goal in the United War Fund drive, all citizens of Deaf Smith County are urged to "take a Texan's share" in this wartime responsibility. With a top record in all other war activities, the county cannot afford to fall on this important task, drive sponsors state.

Erosion District Offers Set-Up To Combat Severe Soil Blowing Danger

Though conditions are right to produce a severe blowing hazard on Deaf Smith County farms this winter, there is no problem in prospect which cannot be taken care of if all landowners will cooperate.

This was the gist of an announcement made this week by Bill Guster of the Deaf Smith County Wind Erosion District, who points out that local landowners have an advantage in the fact that the local wind erosion district is already organized for the specific purpose of helping farmers solve the problems which they now face.

Though some land blowing has been reported in the past few weeks, the damage reported is not yet serious, and Guster advises that farmers tackle the problem in the following way:

Red Cross Area Field Worker Maps Chapter Plans For Year

Mrs. Grayce Bryson, field representative from the American Red Cross area office in St. Louis, was in Hereford Monday and Tuesday, meeting with local chapter representatives and discussing all phases of the Red Cross work in this county. Mrs. Bryson, formerly of Hereford, will be remembered here as Miss Grayce Smith.

On Monday night Mrs. Bryson met with all chapter chairmen, and a budget was worked out for the coming year's work. Programs for the production room, Junior Red Cross, home service, camp and hospital service, first aid and home nursing were discussed.

Chapter chairmen and officers meeting with the field representative were Mrs. Carl Gilliland, Mrs. Homer Henslee, Mrs. Clyde Cave, Mrs. Bob Wilson, Mrs. Dorothy Ross, Mrs. Dyalthisa Brady, Troy Moore, Fred W. Baird and E. C. Eubanks.

During the two day visit, trips were made to the county production room and to the day (Continued on Page 10)

Annual Armistice Day Banquet Will Be Held Here

Members of the American Legion and Auxiliary will hold their annual Armistice Day banquet at the First Christian Church on Nov. 11, at 7:30 p. m.

Plans for the banquet were made at the regular meeting of the Auxiliary held Tuesday evening at the Legion Hall, and leaders have announced that tickets to the affair may be obtained from any member of the Legion before Nov. 9. Those planning to attend are urged to purchase their tickets by Tuesday, Nov. 9, in order that an estimate of the approximate attendance may be made.

Rogers' Plane Seen Near Town In South Italy

Staff Sgt. Leo C. Rogers, reported on Sept. 30, as "missing in action since Sept. 9" was a crewman on a Mitchell Medium Bomber which was on a mission in southern Italy on Sept. 9, according to a letter received Tuesday by Sgt. Rogers' mother, Mrs. A. R. Rogers.

Other information in the letter was the fact that the bomber was sighted at about 10:15 o'clock on the morning of Sept. 9 near Teggiano, a town less than 50 miles southeast of Salerno. At that time the bomber was damaged by anti-aircraft fire and was hitting on only one engine but appeared to be under control.

A study of the map reveals a mountainous terrain around Teggiano, with mountain heights varying from 3,000 to 10,000 feet around the Italian town.

Also contained in the letter from the adjutant general was a list of other crewmembers on the Mitchell Bomber, together with names of their next-of-kin, with whom the Rogers may correspond to find further facts concerning the fate of their son.

Fire Destroys Double Garage

Fire of unknown origin Sunday afternoon completely destroyed the new double garage between the homes of O. H. Culpepper and Wayne Evans in the 700 block on 25 Mile Avenue, and for a time threatened to spread to the Evans home before city firemen got the blaze under control.

The Culpeppers were away from home and there was little property in their side of the garage except a few toys, put away from Halloween pranks the night before; but the Evans new car, in the north side of the building, was completely destroyed.

When fire fighting equipment arrived, the front of the garage was a solid sheet of flame and things from the burning structure was impossible to remove any.

Hawks Farm Sale Offers Good Stock and Machinery Items

A farm sale expected to be one of the biggest events of the kind held here recently has been announced for Wednesday, Nov. 10, by A. C. Hawks, whose farm is nine miles south and one half mile east of Hereford, on the old Dimmitt road.

More than 50 head of cattle, including some good milk stock, will be offered for sale and some excellent farm machinery will also be sold. A complete list of offerings is found in a sale bill printed in page 4 of this paper.

The Frio H. D. Club will serve lunch at noon. Brumley and Otten are auctioneers and E. C. Eubanks is clerk. Mr. Hawks has recently sold his farm here and purchased a ranch about 40 miles south of Denver, Colo., and the family will move to their new home in the near future.

Dairy Sale Ends Milk Deliveries in City

With sale of the Cream O'Plains Dairy to the Borden Company of Amarillo, Hereford was without milk delivery service again this week; though the Borden Company intimates that they will continue to supply the town adequately through the regular grocery retail outlets.

Announced reason for the sale of the local dairy is the fact that the OPA price ceiling on milk (lower here than the ceiling price for Borden's) made it impossible to continue operation. The Borden trucks for some time have been buying up a large part of the milk production from small dairies in the county.

Drive On For Members In Jr. Red Cross

A campaign for 100 per cent enrollment of Deaf Smith County school children in the Junior Red Cross is now underway. It was announced yesterday by Mrs. Clyde Cave, Junior Red Cross chairman, who hopes to have Junior Red Cross work fully organized in the county in the near future.

Outlining achievements of the organization, Mrs. Cave states that during the past year members have made more than nine million comfort and recreational articles for men in the armed forces, have collected thousands of tons of salvageable materials and have been generally active in assistance to the war effort as well as carrying out an act- (Continued on page 10)

Pioneer Woman Dies Following Long Illness

Following an illness of more than two years, Mrs. A. G. Ratcliff, a pioneer of the Hereford territory, died Friday night at the Godwin Hospital and funeral services were held Saturday afternoon at the Methodist Church, with the Rev. Marvin Boyd in charge.

Mrs. Ratcliff first came to Hereford in 1908 and lived here until 1931, when she moved to New Mexico. Following the death of her husband about four years ago, she returned to Hereford, where she had since made her home.

Survivors include one daughter, Mrs. A. C. Flowers of Hereford, three sons, S. R. Ratcliff, Amarillo and Glen and Shade Ratcliff of Rotan, and five grandchildren.

Burial was in West Park Cemetery.

Aiken Speaker at Armistice Day Worship Service

Rev. James Aiken will be the principal speaker for the Community Day program which will be held on Nov. 11 at the First Baptist Church. The program will be held at eleven o'clock in the morning and the theme for the entire service will be "The Price of an Enduring Peace."

A short worship service will be directed by Mrs. Carl Oldham, president of the Federated Council of Church Women. Representatives from the various churches of Hereford will also have parts on the program.

First Milk Subsidy Check Issued Here

Mr. and Mrs. Berry Orr, who operate a small dairy on their farm in the Wyche Community, on Monday received the first check in the government's feed price subsidy program. It was announced this week at the local AAA office.

The plan, by which dairy owners are paid 40c per cwt. for whole milk and 50c per pound for butterfat sales is simple in operation. The dairyman has to present cream stubs or sale receipts (which must be dated) and the local office figures out the amount of payment and the check is issued here. Payments are now being made on October milk and butterfat sales, and the amount of the payments, theoretically, will offset the rise in cost of feeds.

Out of a field of 102 West Texas towns, the Hereford Chamber of Commerce was awarded second place in the intercommunity War and Preservation Contest sponsored by the West Texas Chamber of Commerce. Awards were made Wednesday at the WTCC gathering in Abilene, Texas, and Hereford representatives received a cash prize of \$300.00 in recognition of the program carried on in this community. First place went to Albany with a prize of \$400.00; Vernon was third, \$200, and Brownwood fourth, \$100.

The Hereford Chamber of Commerce was represented by H. A. Close, president; E. B. Posey, secretary, and D. H. Alexander, WTCC director. The group returned Thursday.

The contest, sponsored in recognition of outstanding work among Chamber of Commerce organizations in West Texas towns, has been running for a period of two years, and directors felt distinction awarded the local organization a tribute to the entire Hereford territory.

In addition to outstanding operation during the past two years, the Hereford Chamber of Commerce was also cited for outstanding work in cooperation with the national war effort and for the post-war planning program which the organization is conducting at the present time.

Among other points which gave the Hereford area such recognition was the fact that this community has carried on a large-scale "Food for Freedom" program. The movement which resulted in release of more farm machinery and irrigation equipment over the entire nation was started in Hereford, Texas, by the Chamber of Commerce. (Continued on Page 10)

Herd Faces Tulia In Home Game Tomorrow Night

It's the final conference game of the season tomorrow night for the Whitefaces as they meet the Tulia Hornets on the local gridiron in a game which promises to be fairly evenly matched.

According to reports today, the Whiteface starters are ready to go and with two weeks practice since their sound drubbing by the Dimmitt Bobcats they are in good condition to put up a stiff fight for their No. 2 conference place.

Except for relative scores with Dimmitt (Dimmitt beat Tulia 19-0; trounced Hereford 45-9) the Whitefaces have a slightly better season record than the Hornets, but regardless of records, it is certain that the traditional rivals will put up a stiff fight for the game. Game time 8:30.

The B. L. S. Club, recently organized group, began its social activities with a dance given Oct. 22 at the club house, with members of the 426th M. P. E. G. Company as honor guests.

A Halloween motif was used in decorating the club house. Bright colored leaves and flowers were banked in a mantel ar-

THIS WEEK AT THE U. S. O.

This week at the USO was possibly the quietest week we've had since the place opened in July. The whole camp was restricted while a bunch of the boys were escorting some prisoners elsewhere. They returned Sunday night in the midst of the show, and the ones who had been restricted made a mad dash for passes so they could enjoy at least an hour in town after so many long days of restriction. All the wives heaved a collective sigh of relief, too.

We finally got someone to serve for us on Sunday; and the Campfire Girls under the leadership of Mrs. Urin Streu are to furnish coffee and doughnuts from 5 until 7 this Sunday at the USO. We hope that other clubs and groups will follow suit.

at the clubhouse was the first of the entertainments scheduled for November. Next Monday a dance will be given at the City Hall, type of music as yet unknown. On Nov. 15, a box supper will be held at the Club house. The boys get treated this time, with the girls furnishing the boxes of food for the boys. There will be games, with prizes.

The month's formal dance will be at camp on Nov. 22, music to be furnished by the Amarillo Air Field orchestra, which everyone knows by experience is one of the best sources of good dance music around here.

A theatre party with chili and coffee served afterwards at the USO will be the feature for Nov. 29. Picture to be featured is yet unknown, since the one scheduled has already appeared at camp.

Miss Urbanczyk and S-Sgt. Reinart Are Married in St. Anthony's Church

The marriage of Miss Edna Urbanczyk, daughter of Mr. and Mrs. Felix Urbanczyk, to Staff Sgt. Arhart Reinart, son of Mr. and Mrs. Joe Reinart, took place Thursday at 8:45 a. m. at St. Anthony's Catholic Church.

The ceremony was read by Rev. Albert Heald, S. A., before an altar banked with white chrysanthemums and greenery. Tall tapers burned in candelabra.

Rev. James Salvi, S. A., played the wedding music and Miss Adeline Koelzer sang "Ave Maria" by A. H. Rosewig. The choir sang the "Mass in Honor of the Blessed Sacrament" and Fr. James sang "O Lord I am not Worthy" during the communion.

Miss Rosalie Urbanczyk was her sister's maid of honor. She wore a floor length pink taffeta frock made with sweetheart neckline and full skirt. Her corsage was a single white chrysanthemum. Miss Ethel Urbanczyk and Miss Helen Reinart were bridesmaids. They wore identically made dresses with full skirts and lace bodice effect in pale pink and pale blue. Their flowers were small white chrysanthemums.

The bride wore white net over satin. It was made with sweetheart neckline, fitted waist and long full sleeves. Her illusion veil was attached to a halo of seed pearls and she carried a shower bouquet of pink rosebuds. She also carried a white prayer book. The bridegroom was attended by his brother, Cpl. Elmer Reinart.

A dinner for a few friends and the bridal party was held at the home of the bride's parents after the ceremony. Out-of-town guests were Mr. and Mrs. John Katora and family of White Deer.

Mrs. Reinart, who for the past four years has been organist at St. Anthony's Catholic Church, received her early education at White Deer. She is a graduate of Hereford High School and attended St. Mary's Academy in Amarillo.

Staff Sgt. Reinart was employed at the Rockwell Lumber yard before enlisting in the armed service in March, 1942. The couple left Tuesday for Arizona, where he is stationed at Luke Field.

Time-Tested Advice About Chest Colds!

Grandma Was Right

Time Has Proved It

Today, the first choice and family standby for relieving the misery of colds in millions of homes is the same home-remedy grandma used. . . Vicks VapoRub! What better recommendation could a product have!

When you rub time-tested VapoRub on the throat, chest and back at bed-

time it starts to work 2 ways at once—and keeps on working for hours to relieve coughing spasms and congestion in the cold-clogged upper breathing passages, to ease muscular soreness or tightness. It invites restful sleep. And often by morning most of the misery of the cold is gone! Try it.

DEPT. YOUNGSTERS HAVE FUN AND FROLIC HALLOWE'EN PARTY

Ghosts and goblins, black cats and bats and weird jack-o'-lanterns caused as much fun and glee among members of the Primary Department of the First Christian Church Saturday afternoon as did the masks and Halloween costumes of the guests themselves. The occasion was the annual Halloween party given by leaders of the department at the home of Mrs. John Robinson.

Halloween games, stories and contests entertained the little guests during the party hour and refreshments were served to Betty and Frankie Dee Culppepper, Tunny Wilson, Dorothy and Don Veigel, Tommy Woodford, Margaret Phillips, Doris and Robert Russell, Kenneth and Billy Bob Carmichael, Sharon Dee Moore, Ray London, Eva Pearl Robinson, Jimmie Lawhorn and Billie Robinson.

Leaders of the department present were Mrs. Earl Phillips, Mrs. C. D. Carnahan and Mrs. Robinson.

Wedding Date Is Announced At Tea

Announcing the approaching marriage of her daughter, Miss Mary Elizabeth Stanford, to Richard Barnard, on Nov. 16, Mrs. W. J. Stanford entertained with a tea Saturday afternoon at her home on West Fourth Street.

Yellow and white, chosen colors of the bride-elect, were used throughout: the house, white chrysanthemums on the mantel, yellow and gold nasturtiums and pale yellow rose buds on incidental tables, and miniature blossoms on the coffee table.

On the buffet in the dining room was a large bowl of chrysanthemums and centering the table which was laid with white embroidered linen, was an oval arrangement of yellow silver sheen chrysanthemums. White tapers burned in candelabra. Tea dainties carried out the yellow and white theme and the wedding date was revealed on white heart-shaped mints with names of the honoree and her fiance, and the wedding date, on top. Mrs. Sam Batton poured tea at one end of the beautifully appointed table.

Guests present included Mesdames C. H. Dyer, R. P. Conaway, Sam Batton, Knox Kinard, John McLean, Harry Seed, F. H. Oberthier, J. P. Slaton, Frances Barnard, Bessie Lee West, Elizabeth Womble, Gaylord Newell, Artis Daniel, A. C. Thompson, Lynn Kester, J. E. Kirby, J. M. Other parties have already been planned for Miss Stanford.

Can Vitamins Change GRAY HAIR?

Impartial investigators have found vitamin Calcium Pantothenate of some value in changing gray hair, where a deficiency of this vitamin may have caused gray or graying hair.

For example, one test conducted by Good Housekeeping magazine on a number of people, showed 88% of those tested (all ages were included) had positive evidence of a return of some hair color.

Now thousands use GRAYVITA, which contains 10 mgm. of Calcium Pantothenate (the same amount used in above tests) PLUS 450 U.S.P. units of B₁₂, the vitamin necessary to healthy nerves. Try GRAYVITA. See what a difference it may make in the way you look. 30 day supply \$1.50, 100 day supply \$4.00.

Do You Remember?

Do You Remember from the files of The Brand, Nov. 6, 1943.

E. H. Fullwood and wife of Ennis, N. M., were in town Thursday. Mr. Fullwood informed us that Mrs. Fullwood, last week, while endeavoring to extract a shell from a revolver, was accidentally shot in the foot, but the doctor thinks the wound will give no serious trouble.

Fred Oberthier of Comanche county is in Cleo community, seeing after his ranching interests.

Monday evening a Brand representative accepted an invitation from E. E. Cooper, the instructor and demonstrator of the Moline Rotary Disc Plow, of which the Stringfellow-Hume Hardware Company are the local agents, to drive to Judge Jno. E. Ferguson's ranch, there to witness a demonstration of this farming implement as a breaker of the virgin soil of the plains. . . . We found Mr. Fewell busy turning the sod with two of the above named plows, hauled by this traction engine.

The Brand is informed that J. D. Thompson, who has a fine ranch north of town, will this year put in a large acreage of wheat. One of the varieties to be sown is the "Golden Chaff," which is said to have yielded an average of 20 bushels to the acre in Armstrong County this year.

Tucker and Jacobsen, blacksmiths, advertised: "We set your wagon tires with the 'House' Cold Tire Setter. . . . With this machine we guarantee that we will not over-dish any wheel, no matter how small it may be."

from the files of The Brand, Nov. 7, 1918.

A newspaper clipping from a Waco paper, received in the city by members of his family, tell of the exploits of Lt. J. R. (Rex) Stegall, an aviator from Brooks Field, San Antonio, in exhibition flights at the Waco Cotton Palace.

Sunday afternoon one and one-half miles northeast of Hereford near the D. L. McDonald farm, an auto accident occurred when a Maxwell car driven by Clovis young people and a Ford driven by Misses Rosa Mae Carl and Nora Beams ran together.

The City Health Officer authorizes the Brand to say the conditions with reference to the influenza have so much improved that in his judgement it will be safe for the schools to resume next Monday.

One of the highest votes ever cast in the county was that recorded Tuesday in the general election, only a bare 200 out of a possible 700 being recorded. In the complete boxes, Governor Hobby received 167 votes; Boynton, the Republican candidate for governor, 25 votes, and Simpson, the Socialist candidate, none. In fact, if we have any Socialist voters in our midst, they did not manifest it by their votes in this election.

The First National Bank advertised (prophetically): ONE BY ONE they fall by the wayside—first Bulgaria, next Turkey, now Austria Hungary. IT'S BILL'S TIME NOW.

The Whiteface Round-Up

HATS OFF TO THE NEW PRESIDENT OF THE STUDENT COUNCIL

Hereford F. F. A. Sponsors Show

The Hereford District of Future Farmers of America held its quarterly show October 30, 1943. Guests at the show were Mr. Rutland, State Supervisor of Vocational Agriculture, Mr. Roberson, who is connected with Purina Mills in Amarillo and the Panhandle Chapter of Future Farmers of America.

Zane Axe of the W. T. High Chapter in Canyon won first prize with his gilt in the gilt show. The gilt from the Canyon High Chapter was awarded second place and that of the Friona Chapter third.

There were three classes of judging in the show: dairy cattle, beef cattle and fat barrows. The Hereford High Chapter was awarded the banner for first place in judging.

A one-act demonstration by the Hereford High School Chapter followed the judging. Lunch of hamburgers, cocoa, and sweet rolls was served.

After the show, the Dimmitt and Hereford Chapters played both Canyon Chapters in basketball but were beaten. The boys then played the advisors.

During the show six chapters were represented, and about sixty members participated. The next district show will be held in Canyon the last Friday in January.

Students Selected Most Courteous

The following list of names are students who were chosen as the most courteous boys and girls of high school for the first six weeks. The five judges are two students, a boy and a girl, and three teachers. General conduct during school, good manners, and consideration for others, are the characteristics which influence the judges in making their choices. Those students who have hours for discourtesy in school, will be eliminated from the list.

The Freshman boys are J. L. McFarling, Bobby Millard, and James E. Higgins. The girls are Ann Morgan, LaNelle Oakes, Barbara Ann Burney, and Cora Mae Pittman.

The Sophomore boys are Joe Bishop, Stanley Phillips, Bob Miller, and Weldon Stephen. The girls are Charlene Davis, Ruth Moreman, Bessie Caraway, Wilma Jo Roberson, and Elizabeth Benson.

The Junior boys are John Knowles, Kenneth Rea, Charles Skelton, Delmo Williams, and Lloyd Manjeot. The girls are Juanita Upton, Marcella Blue and Doris Goldston.

The Senior boys are Lloyd Olson, G. P. Owen, Jr., Bobby Jennings, and Nolan Grady. The girls are Ruth Tucker, Christine Smith, and Jane Harris.

Twenty-nine Make Low Honor Roll

What's the matter, students? Still taking a vacation? No, I don't suppose you really are, but there are no students on the high honor roll; however, we have several on the low honor roll list.

The Senior class has only two students on the list this time, Ruth Tucker, and Ellen Posey.

Junior boys on the honor roll are V. C. Hopson, Billy London, Lyle Flukit, Lloyd Manjeot and Delmo Williams. Junior girls are Helen Acker, Marcella Blue, Naomi Brumley, Doris Goldston, Lonidene Martin, and Juanita Upton.

Sophomores on the honor roll this time are Madelle Beavers, Jessie Ann Buckner, Charlene Davis, Ruth Moreman, Jackie Wright, and Joan Wilhelm.

The Freshman class is represented by the following boys: Billy Goldston, James E. Higgins, J. L. McFarling, Bobby Millard, Gene Roberson and Melzer Rose. The girls are Barbara Burney, Nina Beth Hartman and Ann Morgan.

Three New Members Voted Into Hi-Y Club

The Hi-Y meeting Tuesday night at 8:15 was called to order by the president, G. P. Owen, and the minutes were read. There was some discussion as to the advisability of attempting to have an assembly program on Thursday, the 23. It was later decided not to attempt it on such short notice. Three new members, John Knowles, Bob Morrow, and Delmo Williams, were voted into the club. Nolan Grady was elected as treasurer to take the place of Jim Hicks, who resigned his position.

The program was begun by a prayer from Mr. Ford. G. P. Owen reviewed the Hi-Y ideals, bringing out the importance of clean living, clean speech, clean scholarship, and clean sports. The scripture reading was from Ephesians on the subject, "The Source of Strength." Nolan Grady gave a brief talk on the true meaning of having a good time, and Mr. Ford led in a panel discussion of "wreck-creation" and "recreation." The meeting closed with the Hi-Y benediction.

"Home and Family" Is Tri-Hi-Y Topic

"Both my families mean more than anything else in the world to me," said Mrs. H. D. Reed, Mrs. Reed was a guest speaker of the Tri-Hi-Y on Tuesday night, October 19. Since the program was on the theme of "Home and Family," Mrs. Reed spoke about "What my family and home mean to me." She talked to the girls informally, giving in her discussion interesting anecdotes about her family. She considers herself very lucky in having what she calls two families. Two grown daughters, both former Tri-Hi-Y members, and a small daughter not yet in school, furnished most of the conversation material. She also gave the girls hints on how to make their own homes in the future better.

Before the talk by Mrs. Reed, the group sang "The Way of the Cross Leads Home," and Lynn Morrow read the scripture, Luke 10:38-42.

The meeting closed with the Tri-Hi-Y benediction.

Teaches Phys. Ed

Hereford High School has several new teachers this year. There are brunettes and blondes. Miss Jean Cox is blonde; blue eyed and 5 feet 9 inches tall. She teaches physical education and world history.

Miss Cox came to Hereford from Lamesa. This is her first year as a teacher. She has a degree from the University of Texas, where she attended school this last summer.

Blue (to match her eyes) is Miss Cox's favorite color. Other favorites of Miss Cox are chocolate cake and neat, readable world history text books.

As to Hereford High School Miss Cox says, "It's nice; I like it very much. The boys and girls are very nice, too." She likes Hereford and especially the place where she lives which is "just a step" from school.

Central Chatter

Central has added a new teacher to the faculty. She is Mrs. F. G. Collier, who will teach 7B. She is replacing Miss Marie Glaspy, who took over one of the fourth grade sections when it was divided.

Seen about school: Eugene Roberson finding real Hershey bars and auctioning them to the highest bidder; Libburn Hamilton, a popular student; Billy Ray Scroggins flirting with Marion Longbottom; Miss Ela Aikman's room planting bulbs; Mrs. Sadie Hazelwood moving her fifth grade upstairs in the former art lab due to lack of room; Delbert Conklin getting sent out in the hall for chewing gum (Where'd he get the gum?); Jacqueline Newell and Mary Helen McGilvary talking all the time.

The faculty and students of Central School join in expressing deepest sympathy to Christine and Earl Smith in the loss of their mother.

Oh, to be in Miss Eloise Pittman's room! The first graders go only half a day to make room and time for another section the other half day; so you can see how crowded we really are!

Matrimony epidemic continues! Miss Juno Glasscock will marry November 14 and live in Arizona.

Harlan Hartress, 8A, said that Boy Scouts were sissies. He wants to join the Campfire Girls. (Could Elaine Thompson have anything to do with it?)

Betty Johnson must be part chicken. She's sprouting feathers in her hair.

The 3rd and 4th grade rooms needed a boat last Thursday when something went wrong with the plumbing and their rooms were flooded!

There are still lots of stomach-aches due to over-eating at the Halloween parties last Friday; so pardon us while we get some bicarbonate of soda!

Make it a thrifty CHRISTMAS—give WAR BONDS. Keep on BACKING THE ATTACK.

Central Has Five On 'A' Honor Roll

Central made a good start for the year by having five students on the high honor roll and forty-two on the low honor roll.

High honor roll students are: Wanda Gunstenson and Annie Mae Caster of the fourth grade; Reba Janice Dones of the sixth grade; William Earl Barnes and Caren Conklin of the seventh grade.

Those on the low honor roll from the fourth grade are: Ernest Pinkert, Robert Maehers, Naomi Weaver, Betty Lue Twinner, Joann Thompson, Wayne Lady, Raymond Turner, Jeanne Palmer, Elma Jean Moulton, Guy Edwards, Betty Boardman, and Juaree Bains.

Those representing the fifth grade are: Edward Lee Barnes, Nan Buckner, Joyce Harlow, Darrell Baines, Bonnie Jewell Hicks, and Lois Nixon.

The sixth grade students on the low honor roll are: Wiley Ewton, Raymond Nixon, Georgina Clark, Audrey Lois Hood, Alma Faye Knox, Myrtle Evelyn Lee, Donna Jean Snagner, Emmorie Turner, Leona Turner, Kenneth Finck, George Hershey, Bobbie Jane Sisk, Milton Newell, Joyce Weaver and Marian Wise.

Only three from the seventh grade are on the low honor roll: Inez Tucker, Bonita Harris, and Mary Katherine Carroll.

The eighth grade representatives are: Barbara Boyd, Jo Anne Jett, Patsy Slagle, Wayne DeLozier, Sam Hershey and Jacqueline Newell.

Twelve Attend Great Plains District Hi-Y and Tri-Hi-Y Conference

The local chapters of the Tri-Hi-Y and Hi-Y Clubs were well represented at the Great Plains District Hi-Y and Tri-Hi-Y Training Conference held in Amarillo Saturday, October 30. The meeting, with the theme of "Building a New World," was specifically for the sponsors and officers of the clubs of this district. The clubs of Amarillo, Pampa, Dalhart, and Hereford sent delegates.

The conference began in the Amarillo Senior High School at 9:30 A. M. with the election of Miss Dorothea Bradford presiding officer and Miss Willine Christopher secretary of the meeting. Both girls represented Amarillo. Superintendent Charles Rogers of Amarillo then gave the welcome address. He discussed the place of self-discipline and spiritual values in the modern public school.

Following this address, Mr. Charles Bades of Amarillo, had charge of a group sing-song, after which the Pampa Hi-Y and Tri-Hi-Y presented the devotional. In the devotional it was pointed out that if a new world is to be built, we must begin corrections with self and gradually work outward to the home, the church, the community, the nation, and finally the world.

"Building a New World" was then discussed from three angles: socially, financially, and vocationally. Mr. Harold Nichols, in discussing the social viewpoint pointed out that our present world is unsatisfactory, that it is to be reorganized by youth of today, and that the process of reorganization has already begun.

Two books recommended by Mr. Nichols on this subject are Dickerson's "Understanding Myself" and Fosdick's "On Being a Real Person."

Mr. Lon C. McCrory, a Dalhart banker, was well qualified to discuss the financial side of the question. He made it plain that the payment of our huge national debt in the future depends on our building character now. Honesty, diligence, willingness, dependability and responsibility were shown as high points of a good character.

In discussing "Building a New World Vocationally," Mr. R. A. Selby, Director of Guidance in Amarillo public schools, pointed out that plans must be made now for a democratic vocational tomorrow. He showed where people must be able to change their vocations if necessary since only 6 per cent of the people may be skilled professionals out of 40 per cent who would like to be profes-

sionals. Those present were then divided into three discussion groups. With Mrs. Harold Nichols of Amarillo, Miss Alynne Gates of Dalhart, and Miss Irene Crawford of Hereford as leaders, the groups discussed the three topics: a new social, financial and vocational world.

The program ended with group discussions on the race problem and post-war world government. Everyone present enjoyed the meeting immensely.

Those attending from Hereford Tri-Hi-Y were Miss Irene Crawford, sponsor, Ellen Posey, Mary Ruth Russell, Arline Millard, Jackie Wright, Marcella Blue, Rosemary Phillips, and Ruth Tucker. Mr. Herman Ford, sponsor, Lyle Fluit, Edward Young and G. P. Owen, Jr., represented the Hereford Hi-Y.

F. H. T. Members Will Build Their Ideal Home

Plans for the F. H. T. "Ideal Home" have begun. At the regular meeting of the F. H. T. last Thursday evening, Betty Jane Robinson, vice president, announced the theme of "The Ideal Home" as the topic of study for this year. The club voted to build and furnish an ideal home to illustrate the idea learned at the meetings. Ellen Posey, president, appointed a committee, Naomi Brumley, chairman, Helen Acker and Kathryn Acker, to find suitable floor plans for the home. At the end of the year, when the home is completed, it is to be left in the homemaking department for future homemaking clubs and classes.

Reports were given by the entertainment and point system committees, and then news letters were shown to give the girls an idea of what the Christmas news letter which is to be made by the Hereford F. H. T. should contain. The Christmas news letter is to be sent to every F. H. T. chapter in the Panhandle Area.

The meeting was adjourned after half an hour of work on the year books under the supervision of Betty Jane Robinson.

Some girls go to H. H. S. to pursue learning; others to learn pursuing.

L. H. Lookingbill—"Say Doc, I'm growing too tall. What shall I do?"

Doctor—"Eat Crisco. It's shortening."

Improve Grades Next Six Weeks

How did your report card look this six-weeks? Were you proud enough to show it to everyone, or were you so ashamed of your grades that you showed it to no one?

Every boy and girl in Hereford High School has an equal chance to make good grades. Why not make the most of this opportunity? The real purpose of high school is to train the boys and girls of today to be the leaders of the world tomorrow. In this present-day crisis, it is important for each student to make the most of his high school training because many young people will not have the opportunity of attending colleges; therefore, the training that they obtain in high school today will be their fundamental training in rebuilding our country after the war. If each student could see the importance of his knowledge in relation to Tomorrow's World, he would be proud of his report card rather than ashamed of it.

In another six-weeks, report cards will be made out again. How yours is going to look depends upon you. Why not resolve now to make better grades this six-weeks?

Absent Because of Illness, Smiths To Be Back Soon

It surely has been lonely in high school with the Smiths absent. Oh! Not all the Smiths have been missing, just Mr. Ralph Smith, band director, Gerald and Joan. Martha Jane is absent from Central, too. The reason is that the last named young lady has had scarlet fever, and the family has been quarantined. It will be good to have these four people back in their usual places.

Our boys must keep on fighting—we must keep on buying WAR BONDS until victory is won. Keep on BACKING THE ATTACK.

HEREFORD

BULL

Around a newspaper office you make lots of mistakes. Some of them are funny and some of them are not, depending upon the point of view.

Since 1901 one of the "prize winners" around The Brand office happened week before last when we published a story concerning a World Community Day which is to be observed at the Baptist Church on Nov. 11. We got the article mixed up and when it appeared in the paper it read: "World Community Day at the Baptist Church." Well, it so happens that one of the Baptist fundamentalists is a closed communion—and quite a few people got really excited. One lady of another denomination said, "My goodness, I don't want to miss that. It's an event I have been awaiting for more than 60 years." The telephone almost rang off the wall last week end. A lot of folks sure got a hearty laugh—and I want to state that the Baptist membership has been exceedingly nice about the whole thing. Not one member of the church has shown the least sign of irritation—although several of them have been in for some real kidding.

Anyway, we want all of you Baptists to know that we are not trying to revolutionize your doctrine. It was purely a mistake, which went through the hands of a reporter, an editor, a linotype operator and a proofreader. It's just one of those things, and we are sorry it happened.

Last week we had a little better. In compiling the combined deposits of Deaf Smith County, we listed a total of \$3,344,664.91, which G. W. Newsom says was just about one million dollars short of the actual amount on deposit. However, he wasn't mad either. He just looked over my balance and said, "A fellow who is used to dealing in sums like your balance couldn't be blamed if he doesn't know how to handle figures in that range." It reminded me of the story they tell about President Roosevelt, who went into a bank in Florida to cash a check for a million dollars. The cashier took the check into the president, who told him to go ahead and cash it.

"But", protested the cashier,

"We haven't got over half a million dollars in cash in the whole bank."
"Oh, well," said the president, "just give him a hundred thousand. He won't know the difference anyway."

Rumaging around on the file where I hang stuff, I found the copy of a letter dated Nov. 12, 1901. It was addressed to the late Carl Cockrell, Princeton, Mo., and was signed by Orville C. Hill.

In view of present land prices, which are hitting around \$85 and \$100 an acre on some improved places, the following passage is interesting: "Part of our crowd has gone to the country this morning, and the rest of us are loafing around town. I don't think any of them have decided to locate here, but most of them are figuring pretty strong. Land is selling from \$2.50 (an acre) up; it advanced 50c Sunday." The letter continues: "I have never met a more sociable class of people than there are here; you hardly ever hear men swear. Of course some of the cowboys are pretty tough, but I have seen worse people than they are."

There is also a letter from an irate soldier, who signs himself a "A Reader" and who bemoans his landlady for something which I could never make out, except that she is trying to collect \$1.50, which he isn't going to pay, because she made him unhappy, insulted his wife and wrote to his commanding officer.

The whole deal looks like a private quarrel to me, and I hope they can get things straightened out in a reasonable and equitable manner. If not, I suggest he take the thing to court rather than to a newspaper. On the other hand, and not concerning the above situation at all, it behooves every citizen, every landlord, every merchant to treat soldiers with consideration. Plenty of these boys left good jobs or businesses of their own back home. They are giving their time, the ability and their energy in defense of their country; this certainly entitles them to respect and consideration. Of course, some of the soldiers may get out of line but generally speaking, Hereford has seen unusually good conduct on the part of soldiers stationed here.

For several months the "typewriter strategi-s" have been predicting a milk shortage in this country, due to OPA regulation of milk prices and high cost of feed. They also said that the smaller operators would be the first to go, and this gave some of the bureaucrats a good laugh.

However, it isn't so funny to

COWBOYS FROM TENNESSEE—may be a little far-fetched geographically, but they're right there with the music in "Swing Your Partner," a melange of mirth and melody featuring radio's Lulubelle and Scotty. It's the week-end show at the Texas Theatre.

the people who got notices Saturday that the Cream-O-Plains Dairy is going out of business, due to the same reasons listed by the newspaper analysts. A large Amarillo firm has offered to supply what milk they can through retail stores; several smaller producers are still operating here—and will continue to do so as long as possible, because they feel a responsibility to the people they serve. Meanwhile, Amarillo does not have an abundance of milk—and it is possible that the milk secured through that source may be totally consumed there. This could leave the people of this community square behind the eight ball. It is really serious.

Meanwhile, it sure wouldn't be a bad idea to get yourself a cow or to make arrangements with some individual to supply you with milk. Unless some amendments are made in the government controlled set-up, this milk shortage will sweep the entire nation.

Italian Rains Will Drown Jeep

Even the invincible jeep is no proof against Italian rain storms, according to Pvt. Samuel G. Bednorz, who writes that his jeep was drowned out in the rain.

Pvt. Bednorz, who saw action in North Africa and Sicily before coming to Italy, writes that he and six other men are sharing two rooms in a native home and that it will be "Pretty good after we run the bedbugs out."

Bednorz is the son of Mr. and Mrs. Joe Bednorz of Hereford.

Veteran Marine Visits Here

Gunnery Sgt. Sam H. Bailey, a veteran of ten year's service in the U. S. Marine Corps, was in Hereford last week visiting relatives. His wife is the former Miss Adelle Brooks, daughter of Mr. and Mrs. Arthur Brooks.

Sgt. Bailey served 14 months in the South Pacific and is definitely not talkative about what he saw there; though he will enlarge on the mosquito hazards in the South Seas. At one time Bailey served as a recruiting officer in this district and is proud of the seven Marines he signed up from this area.

Hereford Boys At Arlington

David Neal Beavers left Sunday for North Texas Agricultural College at Arlington where he reported for duty in the Navy's V-5 College Program. David Neal went to Dallas in May and passed both the mental and physical test for induction in the Air Corps. He is the son of Mr. and Mrs. Hall Beavers. Another 1943 Hereford High Graduate who is stationed at Arlington is George Weems, president of last year's senior class.

merce. Results from this single movement are estimated by directors to have effected a release of approximately 40 per cent more farm equipment in 1943.

"After all, the credit awarded the Chamber of Commerce goes to the people of our territory," said E. B. Posey, secretary and manager. "It is the people who make a Chamber of Commerce possible—and it is their support which makes it good, medium or bad. Without cooperation on the part of merchants and farmers none of the accomplishments of the past two years would have been possible—and we certainly owe the directors a vote of thanks; they have worked hard, giving their time, money and energy in behalf of our community."

In making the awards, the West Texas Chamber of Commerce made the following announcement:

"On Nov. 4, in a Inter-Community War and Preservation Contest inaugurated at our Midland Convention will have been in progress two years. This contest was instigated for the purpose of demonstrating and dramatizing the effectiveness of Chamber of Commerce leader-

ship in organizing and getting big things done in a big way, and this purpose we believe we have accomplished.

"In our 1942 Referendum, the directors voted to continue the contest and increase the total cash awards to \$1,000. Now the fact is that the war effort, here and elsewhere, is fully organized and functioning in all particulars. In view of this wonderful fact, has not the time now come to reward our communities for what the contest score sheet will show?"

Hereford Judging

and Leroy Johnson of Friona won third. Prize awards of \$7.50, \$5 and \$4 were given.

Homer Brumley was official judge in the dairy cattle, beef cattle and fat barrow divisions. Bonnie Bramley was judge of the gilt show.

The Panhandle Chapter of Panhandle District, Area 1, was the guest of the local F. F. A. group and J. B. Rutland of Austin, state advisor of F. F. A. and O. T. Ryan, area supervisor of vocation agriculture, were special guests. Next F. F. A. district meeting will be in January at Canyon.
