AROUND A Town

Sights and Faces Seen

Weather is like women, only more so, as far as fickleness is concerned. Two weeks ago we were writing about the various foolish flowers that were bursting into bloom all over the place and now all we could write for said flowers would be an obituary—with what looks like another March blizzard cooking up.

Mamma always told us that practical jokes do not pay, and Arthur Davis' experience just goes to clinch the argument. Saturday he saw a cocanut pie in the back of the post office, assumed it was Cecil Williams' and conspired with Elmer Patterson to "put one over on Cecil." Arthur bought a pie and the boys at the office were going to eat it and watch Cecil go through the ceiling—which was a good idea except that the pie eating did not bother Cecil at all. The original pie was Elmer Patterson's, who got two pieces out of the deal.

The Chamber of Commerce has been accused of putting out "fishy" propaganda and evidently some of it gets results, for last week the office received a card regarding the tooth situation, and the writer, especially interested in Deaf Smith County water, ended up with the query, "Does it taste fishy?"

Carl Gilliland phoned Dube Pittman early Monday morning with the happy news that Dubs might get in the Army after all, what with the rumors of reclassification, etc. Actually, the local board has not yet received an order for reclassification of 4-H men—and they hope they won't get the order for another month.

Barbara Roles, who underwent a major operation at the Deaf Smith County Hospital Friday, is reported to be recovering satisfactorily.

So far as we know, four year old "Butchie" Womble was the (Continued on Page 12)

Burial Here For Mrs. C. D. Hardesty

Burial rites will be at the Catholic Cemetery here this afternoon at two o'clock for Mrs. C. D. Hardesty, 54, of Portales, N. M., who died Tuesday morning at Portales. Mrs. Hardesty was the mother of Mrs. Frank Huckert of Hereford.

Funeral services were held at 11 o'clock this morning in Clovis. Born at Reeds, Ky., Mrs. Hardesty had lived in Texas and New Mexico for many years. Her husband is an official of the Southwestern Public Service Company and at present local manager in Portales.

Survivors are the husband, C. D. Hardesty of Portales, two daughters, Mrs. August Hamilton of San Antonio, and Mrs. Huckert of Hereford, a son, Ens. Charles Hardesty of the U. S. Navy Air Corps, stationed at Seattle, Wash., and four grandchildren.

Labor, Machinery Shortages Hinder Gaining War Crop Goal

JOINS WAVES

Miss Helen Ann Snyder who has joined the WAVES and will leave March 26, with a south Texas group for Hunters College, New York.

Miss Snyder is a daughter of Mr. and Mrs. Glenn Snyder and a graduate of Hereford High School. She is a 1942 graduate of Texas State College for Women and since September has been head of the physical education department in the Orange Public School. She plans to spend a few days here with her parents before going to New York.

Lt. Conklin Badly Burned In Plane Crash

Lt. Merlin Conklin, who is stationed at an Army Air Base at Garden City, Kan., was badly burned late Tuesday night when his plane crashed near Garden City, and his condition was described yesterday afternoon as "serious."

No details on the crash were received by Lieutenant Conklin's parents, Mr. and Mrs. Lee Conklin, who were notified of the accident yesterday morning and left yesterday afternoon for Garden City.

Lieutenant Conklin received his wings in the Army Air Corps last fall and had been stationed at Randolph Field, San Antonio, as an instructor until a few weeks ago.

A wire received here by friends of the Conklins this morning stated that Lt. Conklin was badly burned but resting well.

Hudson Has Details On New Navy Officer Plan

Naval officer tests for 17, 18 and 19 year old youths will be given soon and youths in the required age limits can secure information on the new officer procurement program from G. M. Hudson, high school principal.

The potential officers will receive college training while they are on active duty, in uniform and under general military discipline. They will receive pay while in training.

Applicants must be unmarried, high school seniors, high school graduates or college students.

Sign-up of farm plan sheets is continuing this week according to N. E. Gass, chairman of the county U. S. D. A. War Board, who stated that the biggest meeting of the series will be held in Hereford, at the courthouse on Saturday and Monday, March 13 and 15. Farmers who are to attend this meeting have been notified, but because of the large number of operators included it was thought advisable to stretch the meeting over the two day period instead of having it on Saturday, only as was originally planned.

Concerning the meetings already held, AAA officials state that some difficulty is being encountered in meeting potato goals, with farmers pointing to the lack of labor and potato machinery as reasons for not putting in a high potato acreage this year. However, there is still some hope of meeting the 2,500 acre goal as farmers in the territory immediately surrounding Hereford have not been contacted and part of this territory is in the main potato district.

But if the outlook on potatoes is not especially bright, USDA War Board members are pleased with the promise of the county's meeting, or even exceeding, soy bean goals. Already many farmers who have not had a soy bean goal set for their farms have stated intentions of planting experimental acreage of the new crop.

Soldiers Guests At Dinner At St. Anthony's Hall Sunday, Mar. 7

The boys of the 400th Military Police Escort Guard Company, stationed at the Hereford Internment Camp, state that they enjoyed real western hospitality Sunday when they were entertained at turkey dinner in St. Anthony's Hall and later in the afternoon received an introduction to what seems to the boys from New England to be "the great open spaces" in a visit to the farm home of Mr. and Mrs. John Paetzold.

About 25 of the boys were guests at the dinner, which was sponsored by Mr. and Mrs. Joe Paetzold, Mr. and Mrs. John Paetzold, Mr. and Mrs. Frank Wilhelm and Mr. and Mrs. Warren and family. Other guests present were Rev. National Madden, S. A., Rev. A. J. Milano, S. A., and Lt. and Mrs. Leo Hood. A buffet supper at St. Anthony's Hall ended an enjoyable day for the soldiers.

Two Hereford Men On Texas U. Honor Roll

"Tops" scholastically at the College of Arts and Sciences at the University of Texas are the 729 students listed in the first semester honor roll, which includes the names of Grant A. Fuller, Jr., and George McLean of Hereford.

The honor roll includes about 15 per cent of the total enrollment of the college and is divided into five groups according to the grade points made by individual students.

Fuller, who was attending Texas University for the second year, has been called to active duty in the Army Air Corps. McLean is taking his first year of work at the University, having transferred from Texas Technological College.

New Tire Applicants Need ODT Certificates And Tire Inspection Records

Car and truck owners were reminded this week by E. H. Norton, chairman of the county war price and rationing board, that certain papers must be presented with all tire applications.

Operators of trucks and commercial vehicles must turn in their certificate of war necessity (ODT certificate) with all applications, and owners of passenger cars must turn in the tire inspection record.

Having these papers ready when you come to the rationing office will save time and confusion in getting applications made out.

Let's Complete War Fund Drive Chairman Urges

Approximately \$1,000 of Deaf Smith County's \$4,100 Red Cross War Fund, goal was raised last week, S. P. Rosson, chairman of the fund-raising drive stated Tuesday; pointing out that contributions will have to come in bigger, and faster, if the county is to do its part for the Red Cross.

All of the block and community workers have been notified of their duties, the chairman stated in urging these workers to come in immediately and get materials to complete the canvass of the county.

"The need this year is greater than ever before," Mr. Rosson, declares. "And a lesson in simple arithmetic will show you that it will be necessary for ALL of us in Deaf Smith County to give twice as much as we did last year if our quota is to be raised."

"As for the work of the Red Cross," the chairman adds, "I don't think I need to repeat the list of its services at home—and this year, when you give to the Red Cross you can think of the benefits you are providing for your own boy or a neighbor's boy on the battlefield."

Camp Fire Girls Win Contest Award

Wecocantawase Camp Fire Girls were rewarded for their diligence in their Christmas Card campaign held in December last year. Out of the many groups which entered the national contest from all parts of the United States only seventeen were given an outstanding rank and the Hereford group ranked fourth. No other Texas group was given ranking.

The girls worked hard and deserve the reward, which is five dollars worth of merchandise; but they are eager for their patrons to know that it was through their help that the good record was made.

Mrs. Urlin Streu is guardian and members of the organization are Cornelia Ann Bateman, Marian Borden, Barbara Burney, Mary Katherine Carroll, Betty Jo Carnahan, Elizabeth Lee Coanougher, Billy Louise Harrison, Ouida Hudson, Cherry Ann Forrest, Cecelia Guseman, Diane Jewell, Virginia Lyons, Norma Jean McCullough, Betty Morrow, Jacqueline Newell, Wilma Jo Robertson, Susale Rogers, Beth Scott, Joan Witherspoon and Bobby Lee Witherspoon.

Wyche Contest Nets Sale of \$2,288.10 In War Bonds

Citizens of Wyche Community made a success of the war bond campaign sponsored last month by members of the Wyche Home Demonstration Club by purchasing \$2,288.10 worth of war bonds.

The sale was conducted as a contest between two sides, in the HD Club, whose membership list was divided alphabetically for the contest.

The losers of the contest will entertain the winners at a community party some time in March. But there are strictly no hard feelings club members point out, declaring that this is one kind of a game in which all sides are winners as long as they buy the bonds to insure victory.

Hereford Girl Joins WAAC In Okla. City

Miss Barbara Brotherton, formerly of Hereford, last week passed all necessary tests to enter the WAAC and expects to be called to active duty soon.

Miss Brotherton is a daughter of Mrs. Henry Alexander of Spar and a granddaughter of Mrs. B. L. Branson of Hereford. She is a graduate of Hereford High School and for the past year has been employed by The Austin Company, Construction Engineers, in Oklahoma City.

Food Production, Conservation Is Topic of Course

To help inexperienced gardeners and "old hands" who would like some new information on the subject of producing, conserving and processing foods, the state vocational department is eager to make available to Hereford people a 20 hour course on Victory gardening and food conservation. It was announced this week by Miss Kathryn Davies, high school vocational teacher, who will be in charge of the study here.

Stating that at least 15 persons must enroll for the course for credit to be given or to achieve a really successful activity, Miss Davies urges that persons interested in taking the study get in touch with her or with Knox Kinard, superintendent of the Hereford Schools.

The course will probably be offered two nights a week for five weeks, beginning some time the latter part of March.

"With the increasing necessity of each family's producing a large part of its own food supply, I believe that we should have a large number of persons interested in the type of information contained in this course," says Miss Davies, urging interested persons to sign up for the course so that all arrangements can be completed as soon as possible.

Materials For Mfg. Of Irrigation Pumps Released For Use

Release of materials used in the manufacture of irrigation pumps was announced this week by Wm. McGehee, local dealer for Johnston Pumps, who says that the new order will remove one bad bottleneck in the food production situation.

Persons wishing to buy this type of irrigation equipment should see their county war board immediately. Details on the plans for purchase may be secured at the AAA office or from Mr. McGehee.

Westway Home Nursing Class Starts Monday

First home nursing class in a new series will start Monday afternoon at Westway, meeting at 3 o'clock at the Westway school. Mrs. Bob Wilson, county home nursing chairman, announced today, stating that all women of Westway and surrounding communities will be eligible to attend the course.

Meetings at Westway will be held twice a week—on Mondays and Thursdays—and will be taught by Mrs. Marie Carroll, Registered Nurse, assisted by Mrs. David Rodgers, home economist.

Arrangements are not yet complete for the home nursing class in Hereford, but Mrs. Wilson hopes to have a definite announcement as to the date soon. In the meantime all persons desiring to take the course are asked to call Mrs. Wilson.

Warren Purchases Locker Plant From Lee Hopson

Wm. Warren this week announced purchase of the Hereford Locker and Cold Storage from Mr. and Mrs. Lee Hopson and stated that he will continue to operate the plant along the same lines as in the past.

Lee Hopson will continue to offer his butchering service as in the past and will make his headquarters at the Locker or orders may be left at the Hopson home.

Mr. Warren, who has been employed at the Hereford Locker for some time, is eager to meet all locker customers and announces that his aim at all times will be to offer the best of locker service.

Pointing out that the USO program to be started soon in Hereford is intended for the benefit of the boys at the camp and not to promote the interests or ideas of any special group in the town, Harold Nichols, director of one of Amarillo's USO Clubs, Tuesday night spoke to a large group of Hereford citizens and stressed the importance of UNITED effort in making a success of the program.

Mr. Nichols and three volunteer workers from Amarillo explained the volunteer set-up and pointed out that the main thing to keep in mind is that some sort of program should be started as soon as possible. Delay will result in some hard-to-solve problems, according to the Amarillo workers.

Committees recommended were those for hos's and hostesses, education and recreation, and home hospitality, and Mr. Nichols recommended a survey (Continued on Page 12)

WAAC Recruits Urgently Needed

With the month of March set as WAAC recruiting month in the states comprising the Eighth Service Command, in which the Hereford Internment Camp is a part, Col. Ralph Hall, commander of the Hereford camp this week stated that personnel under his command is lending all possible aid to make the campaign a success.

Enlistment is open to all qualified women citizens of the United States between the ages of 21 and 44 years, inclusive; physical requirements are normal, and the standard mental alertness test requires a grade of 50 for a passing mark. Applicants having children under 14 years of age will not be accepted.

All states in the Eighth Service Command have set records for voluntary enlistment in the Armed Forces and it is believed that women of the territory will keep up the good record. The need is for every competent woman, male worker for home service, and if many thousands are thus added to the fighting forces the war may be brought to decisive stages before the year ends.

Marketing Specialist Wants Information On Butter, Egg Shipments

Miss Myrtle Murray, home industries specialist of the Texas Extension Service, who will talk to home demonstration club members and other interested persons in meetings here on March 19 and 20, evidently feels that the large food shipments made out of Hereford in January and February are an indication of possible success for a curb market.

Writing to Miss Sadie Lee Oliver this week, Miss Murray requested information especially on the shipments of eggs and butter made from here—requesting facts on where the products were purchased, price paid, grading practices, etc.

Sugar Stamp 12 Valid For Five Pounds, Mar. 16

Sugar Stamp 12, which becomes valid on Tuesday, March 16, will be good for five pounds of sugar, OPA offices announced this week. The five pounds does not represent an increase in the basic allotment, however, since the five pound portion will have to last for 11 weeks, or until the end of May.

Stamp No. 11, good for three pounds, is valid until March 15.

CHDA NOTES

by Sadie Lee Oliver

A brief guide for volunteer field workers explaining the point rationing system is being distributed this week to neighborhood and community leaders by the CHDA.

J. B. Elliston stated last week that he had 500 cans of food in his cellar but did not have to declare a single can when he registered for point rationing. The reason, the 500 'cans' are jars of home processed food.

In addition to a large variety of vegetables, the Ellistons last year had Boysen berries, black cap raspberries, dewberries and strawberries and Mr. Elliston has cherry sprouts at the house which he will give away. He also states that he will provide parsnip seed and pike's peak winter squash seed to be distributed through this office.

Leaflets for Victory Gardens include the A and M leaflet for Victory Gardens which shows a complete plan for a garden (10x20) — a size suitable for most city gardeners.

Leaflets concerning your gardening. There are really just two things to remember about the use of fertilizer on this soil. Use well-rotted manure, and if plants turn yellow, use coppers. Any type of lime fertilizer is useless and even harmful in this soil.

Talk of rationing has stimulated interest in the raising of chickens.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel mucus laden phlegm. Its special nature soothes and heals the inflamed bronchial and throat membranes. Tell your doctor to sell you a bottle of Creomulsion with the understanding you want the way it quickly allays the cough you are so sure to have.

ing of domestic rabbits and we have had several calls for information on rabbit raising. Bulletins and leaflets from the U. S. Department of Interior (Fish and Wildlife Service) are available at this office or may be had by writing direct to the Department of the Interior, Washington, D. C.

According to an article in the Country Gentleman, here are some "War" products we may be expecting to see in use soon: fruit jar rubbers from soy bean oil; plastic containers to replace tin cans; wax for waterproofing from sugar cane sludge; alcohol from sorghum juice and butadiene from corn and wheat for making synthetic rubber.

And to look a little further into the future—we received this week from a large mail order company a request for our specifications for the post war kitchen range. Remembering some of the stoves we have seen which were entirely unsuitable for the farm housewife, especially at canning time, we put in a plea for plenty of burners, spaced so that use of a pressure cooker or other large vessel will not stop all other cooking operations.

Recently an investigation by our local veterinarian, Dr. Jack Gilliland, revealed that some sick chickens were suffering from T. B., which pointed to the fact that if the chickens were being fed milk, the cows probably should be tested.

Incidentally, if your chickens get sick and die, have enough regard for your neighbors not to throw the dead poultry into the street. Bury the dead chickens or burn it. If you have other animals may pick up the dead chicken that has been thrown in the road, and the result can easily be a spread of whatever disease the chicken died of.

We now have a complete list of plans for various types of farm buildings. Some of the plans we already have on hand, others are available by ordering from the proper agency.

Messenger News

MRS. J. N. MESSENGER

There are several more persons sick with flu this week. Mr. and Mrs. Cecil Bass both are sick. Elsie Messenger has been out of school with flu and Floyd had to stay at home today.

Mrs. Mae Abbott drove up from Fort Hancock to see her son as he went through from Harvard University to a destination that can't be told at present. Mr. Abbott's wife and baby will follow as soon as he gets settled.

Mrs. Mae Abbott is visiting her mother and brother a few days before returning to her work. She likes her new work and home fine.

3 letters spelling ACID

Your engine's cylinders can't stop empty. They'll either load up with fresh raw gas when you shut 'er off, or get caught with stale burned gas they can't belch out.

In those useless leftovers are corrosive acids, trapped in the engine you can't replace—along with moist "sweat" as the interior cools. Any chemistry freshman knows these causes of biting corrosion, always present—long before wartime. But when your car was in frequent use, at speeds that thoroughly warmed the engine, it helped to offset the worst acid effects. How different today, when mileage, speed, and average engine heat are all down—giving acid its chance to run riot!

You can't open the engine and keep

sponging out any acids or other moisture, while your car stands little used nowadays. But without extra fuss or extravagance you can change to Conoco Nth motor oil and get your engine internally OIL-PLATED.

You're familiar with anti-corrosive plating... like chromium-plating. Just as closely, this protective OIL-PLATING will be kept surfaced to delicate parts by advanced synthetic means—as described in the celebrated patent on Conoco Nth. Though your gasoline-rationed car makes few runs, you can combat corrosion between times. Garden Club Will Open Season At Luncheon In Blanton Home

The Hereford Garden Club will open its 1943 season with a covered dish luncheon at the home of Mrs. Lyle Blanton Friday at 3:30 o'clock.

The Garden Club is recognized as a useful and important factor in every community, in which it exists. The local club has grown from a very small beginning and has met with the hearty cooperation of everyone. This year their program will stress food gardens as well as the beautification of home grounds and the grounds about public buildings.

The garden club is a woman's province but it holds the unique position of having the interest and support of masculine flower lovers. There will be beauty in Hereford gardens this year as well as nourishment. Service is the garden club's excuse for existence and during the troubled days ahead its steady force can become of vital importance in the war effort.

Bride-Elect Honor Guest At Shower

A group of friends were hostesses Tuesday afternoon at a miscellaneous shower honoring Miss Eunice Caldwell, bride elect of Cecil Boyer of Lipscomb. The wedding is scheduled for Sunday March 14.

The gift party was held in the Baptist Church social hall with Mesdames C. T. Guseman, A. J. Thompson, G. P. Owen, Jack Roberson, T. W. Roberson, Mahly Finch, W. E. Barnes, Elizabeth Hyers, J. B. Harlin and Otto Massie as hostesses.

The program consisted of a mock wedding with Mrs. Hazel Sparks taking the part of the bride. Mrs. Urcel Young acted as the bridegroom and Mrs. W. E. Barnes as the minister. Mrs. Ernest Kendall was matron of honor and Mrs. Phil Radovich was maid of honor. Bridesmaids were Mrs. Jack Roberson and Miss Jessie Morris. Mrs. Owen Stagner was ring bearer. Miss Dot Owen served as best man and ushers were Mrs. Aubrey Daniel and Mrs. Glenn Parker. Mrs. Harry Whitchurch took the part of the mother and Mrs. Otto Massie the part of the bride's father. Wedding music was played by Mrs. A. J. Schroeter who also accompanied Mrs. T. W. Roberson who sang "I Love You Truly."

Gifts were arranged in attractive groups about the hall and refreshments were served from a tea table decorated with pink candles, crystal and miniature wedding slippers. Mrs. Mahly Finch presided at the punch bowl.

Guests included close friends and relatives of the bride-elect.

TWO PARTIES HONOR FORMER RESIDENT

Two forty-two parties have been given recently to compliment Mrs. Ralph White of Aguilar, Colo., a former Hereford resident who is visiting friends here.

Saturday evening Miss Mattie Mae Swisher entertained a group with forty-two games as a get-together for old friends. They included Mr. and Mrs. Ray Conaway and Barbara Burney, Mrs.

F. T. Ralson, Betty Jane Rolson, Mr. and Mrs. T. W. Roberson, and the honoree.

Mrs. Beyer Entertains Monday evening Mrs. J. E. Beyer entertained close friends of Mrs. White with a forty-two party. Refreshments were served to Mrs. J. B. Hammer, Miss Ona Hammer, Mrs. J. B. Jones, Mrs. A. C. Thompson, Mr. and Mrs. Ray Conaway and Barbara Burney, Mrs. T. W. Roberson and Mr. and Mrs. Beyer.

BIRTHDAY CELEBRATED

To compliment her mother-in-law, Mrs. S. L. Callaway on her fifty ninth birthday, Mrs. Chas. Callaway entertained with a covered dish dinner Sunday.

Those attending were Mr. and Mrs. Ezra Bagwell and children of Canyon, Mr. and Mrs. Theodore Callaway and family, Mrs. Bob Woods and daughter, Pvt. James C. Higgins who is here on furlough from Sedalia, Mo., Air Field, the honoree and Mr. and Mrs. Chas. Callaway and son.

Six Hostesses Honor Miss Eunice Caldwell

Miss Eunice Caldwell, bride elect, was honored at a shower Monday night at the home of Miss Dorothy Funderburg, when Misses Funderburg, Kitty Kloe Harlin, Frances Young, Ellen Bowsher, Leona Francis and Clara Wedel were co-hostesses. On the program were violin selections played by Miss Mary Roberson and a vocal solo by Mrs. Laverne Longbottom, accompanied by Miss Roberson. Misses Kitty Kloe Harlin and Miss Frances Young gave a humorous skit and Miss Harlin gave a reading, "They Never Quarreled."

Each guest gave the bride elect a menu, using no rationed foods; after which Miss Caldwell won the prize, the shower gifts, in a contest in which guests described their baking failures.

Refreshments were served to Misses Mary Roberson, Ruth Bowsher, Virgie Lee Sparks, Juanita Kelley, Inez Funderburg, Marie Davis, Mary Ann Davis, Thornton Shirley, Nannette Little, Lottie Anderson, Adeline Koelzer, Dorothy Nell Adams and Virginia Bowman. Mesdames Velma Hedges, Laverne Longbottom, Alta Caraway and the hostesses.

CLUB MEETING IS HELD

Jolly Workers Club met Thursday afternoon in the home of Mrs. Roy Boyd with members working on a quilt for entertainment. Members voted to bring books and magazines to the next club meeting for distribution among the soldiers. Mrs. J. B. Sowell was awarded the new penny gift.

Those present were Mesdames Clarence Botts, Lee Caldwell, J. W. Terry, M. H. Wiseman, Clarence Strange, Chas. Calaway, J. M. Huntzinger and the hostess.

Do You Remember?

March 6, 1903

Persons desiring a rare article of mild and salubrious springtime will do well to look for it in the vicinity of Canyon City. Umbrageous foliage and mellifluous songbirds can also be supplied in any quantity without extra charge.

Work on the Loveless and Black, Garrison Bros. and D. R. Gass and Son's new buildings, which had to be suspended for several days on account of the cold weather has been resumed this week with great energy. These buildings will be completed within a few weeks and will be a credit to their owners and to Hereford.

Mail trains had been three days late at Hereford because of blizzards and from Wichita Falls it was reported: "Passengers all became acquainted with each other and put in part of the time rabbit shooting."

In a conversation over the phone Monday afternoon Ira Aten, foreman of the Escarbada Division of the XIT ranch, stated to a Brand representative that the late cold spell had been extremely hard on their cattle. He said that such severe weather had not been known on the plains in 13 years.

The draying firm of Smith and Womble has changed somewhat, the former having sold his interest to D. H. Bryant, who was formerly employed by W. H. Clary in the same business.

March 7, 1918

The order for meatless meals and porkless Saturdays has been suspended temporarily—for an indefinite period, and the Food Administration now only requires the public to deny itself of beef and pork on one day a week, Tuesday. The increase in consumption of meat should have the effect of curtailing the consumption of flour.

The many friends of Postmaster J. A. Stegall were surprised this week to hear that he had decided to resign his office on account of his health.

Little Miss Alma Valentine was given a surprise party last Thursday afternoon by her little classmates of the Primary school.

The Mother's Club met last Tuesday and elected the following officers for the new year: Mrs. W. B. Farmer, president; Mrs. W. M. Cogdell, first vice-president; Mrs. Sherm Williams, second vice-president; Mrs. R. A.

Miss Vera Elizabeth Rea And Angelo L. Fangio Are Married

Mr. and Mrs. C. E. Rea have announced the marriage of their daughter, Vera Elizabeth, to Angelo L. Fangio of Paris. The wedding took place in Amarillo, Feb. 25, at the Central Church of Christ with the Rev. Luther K. Roberts, pastor, performing the single ring ceremony.

The bride chose a wedding ensemble in gold wool with brown and blue accessories. She carried an arm bouquet of red rosebuds. The bride was attended by her sister-in-law, Mrs. C. E. Stae, Jr., of Amarillo.

Mrs. Fangio is a senior in Hereford High School and a member of the National Honor Society.

Mr. Fangio is a graduate of Paris High School and is now employed at the Synthetic Rubber Plant in Borger.

After a short wedding trip Mrs. Fangio returned to her home here and will complete the present term of school. She will join Mr. Fangio in Borger in May.

"RELIGION" IS THEME FOR LONE STAR CLUB

A program on "Religion" interested members of the Lone Star Study Club Tuesday afternoon at the meeting held at the home of Mrs. Lyle Blanton. Mrs. J. O. Phillips was cohostess.

Mrs. Homer Henslee opened the program by reading two poems, "Tuba! Cain" by Chas. Mackey and "Jesus of Nazareth Entered There" by Katherine Baird.

Roll call was answered with best loved Bible characters and Rev. W. E. Barnes was guest speaker. Rev. Barnes talked on "The Value of Religious Training in the Home."

Those present were Mesdames R. G. Blue, Roger Corbett, O. L. Click, Jack Grady, Homer Henslee, Jim Higgins, John Jacobson, Louie LeGrand, C. D. Keltom,

Jerry Morrow, Earl Phillips, Robert Thompson, Liston Wilson, M. H. Wiseman, Tom Wajor, and the hostesses.

SEWING CLUB IS ENTERTAINED

Mrs. Edna Jett entertained members of the Elite Sewing Club at her home on "B" Street Thursday afternoon. A special guest at the sewing party was Mrs. Noripe Link of Elida, N. M. who has been visiting Mrs. Jett.

Those present were Mesdames E. E. Fridley, G. W. Newsom, Frank Terrell, Ross Fuller, Noah Ewton, L. W. Carlyle, Henry Kendall, C. M. Hicks, J. C. Cummins and the hostess.

SURPRISE BIRTHDAY PARTY IS ENJOYED

A surprise birthday party complimented Mrs. H. P. Cooper Tuesday when friends gathered at her home with covered dishes at noon. Luncheon tables were arranged with a decorated birthday cake as a centerpiece.

Gifts were presented and in the afternoon handwork provided diversion.

Those present were Mesdames Bonnie Brumley, Marvin Boyd, W. A. Knox, Bill Knox, Elmer Patterson, Joe Pitts, Arnold Herahay, Howard Higgins, Albert Higgins, E. W. Cawthon, Leona Burleson, E. Ramey, Sara Niblo, Buri France, Lillie Smith, Thane Chapin, S. B. Walker, Lancaster, Bennett and Jones.

QUILTING PARTY IS ENJOYED

An all-day meeting with a covered dish luncheon at noon was enjoyed by friends and relatives of Mrs. Chas. Calaway at her home Friday. Quilting provided the entertainment.

SINGTIME AND SWINGTIME is the meaning of "Springtime in the Rockies," when a gay gang of performers like Betty Grable, John Payne, Carmen Miranda, Harry James and his music makers and Cesar Romero go on the lookout for love and laughs. The picture, which features the new comedy team of Charlotte Greenwood and Edward Everett Horton, will start a three-day run at the Star Theatre Sunday.

SONS IN THE SERVICE

Those attending the luncheon were Mr. and Mrs. J. W. Terry and children, Mr. and Mrs. Joe Curtsinger and children, Mrs. Steve Williams and daughter, Mr. and Mrs. Roy Boyd and children, Mr. and Mrs. Clarence Strange and children, Mrs. S. L. Callaway and the hosts.

Those attending in the afternoon were Mesdames Clarence Botts, J. M. Huntzinger, Lee Caldwell, John Walker and Wallace Cox.

BAND PARENTS MEET

A nominating committee to select officers for next year was named at the Band and Orchestra Parents Association meet held at the high school Thursday night. Those to serve are: Mrs. R. G. Blue, Mrs. Jerry Morrow and Mrs. G. M. Hudson.

After the program a social hour with forty-two games for entertainment was featured.

Green and white appointments carried out a St. Patrick's Day theme. Hostesses were Mesdames Jeff Roberson, T. W. Roberson, B. E. Roberson, Jim Robinson and W. H. Russell.

Jack Carter, son of Mr. and Mrs. A. R. Carter, is stationed in the South Sea Islands and writes that not only does he enjoy the Brand, but that his buddies—who have never lived in Hereford and know nothing about the place—read the papers almost as avidly as he does. Which just shows, perhaps, that the Brand—and other weekly newspapers—are a strictly American institution, and they look like home to the boys.

Pfc. Amos O'Rear, son of Mrs. Milton O'Rear of Hereford, was graduated recently from the Fort Crook Ordnance Automotive School, Fort Crook, Neb.

Sgt. Harold Harlin writes that he likes North Africa O. K., but "I don't do so well with the French, and the people understand just about as much English as I do French."

Harlin wrote his letter Feb. 2, but it arrives in Hereford at the right time to give the opinion of one home-town boy on the grand job being done by the Red Cross at the battlefield. "We have a nice Red Cross club here," Harlin says, "and with squadron movies have quite a bit of entertainment. We were entertained by Martha Ray, Kay Francis and Carole Landis last week. What a treat for us."

Since reading that Clarence Schofield is somewhere in North Africa, he has been on the lookout for him, but so far has had no luck in making contact.

J. C. Vaughn, stationed at the San Diego Marine Corps Base, arrived here Friday for a visit with his parents. Vaughn has been in the states since his return from duty in Iceland last year.

Leo C. Rogers, corporal in the Army Air Forces, was a crew member of one of the Billy Mitchell Bombers which destroyed an Axis Convoy in the Mediterranean, Sunday, in an action in which one of the bombers received 115 axis bullets—and came through safely.

One of the pilots, in describing the brush with the Axis fighters said that the Germans really seemed "prejudiced against Americans." They're smart, too," he adds, "they aim at the pilots and gunners."

Corporal Logers is the son of Mr. and Mrs. A. R. Rogers.

Pvt. Henry T. Wedel of Sheppard Field, Wichita Falls, returned to his post Friday after a three day visit with his parents, Mr. and Mrs. H. T. Wedel and family.

Gerald E. Gollehon of the U. S. Naval Training Station, San Diego, is visiting his parents, Mr. and Mrs. G. E. Gollehon, this week.

Bill Hall, who celebrates his 17th birthday today, will mark the occasion by sporting a new pair of silver wings, insignia of the Navy radio operator.

He made a grade of 96.7, the highest in his class, in completing the radio course.

Hall, a corporal in the U. S. Marine Corps, has been in action in the Solomons and is still stationed somewhere in the Pacific battle area. As a radio oper-

ator in a Navy bomber, he will take turns between radio work and a post as machine gun operator.

He is a son of John Hall of Hereford.

MADE IN JAPAN

Your Gas Ration Book is a Gift from Hirohito!

As clearly as if the words "MADE IN JAPAN" were printed on your Gasoline Ration Book, you know that the Japs are responsible for the rationing of your tire mileage.

When the Tokyo toughs seized the Netherlands East Indies and Malaya, our chief sources of supply of raw rubber immediately disappeared.

That is why your driving had to be drastically cut down. Not to save gasoline, which is plentiful in this area; but to save rubber, which is short all over the country. And rubber must be saved . . . or we risk losing the war.

The plain, patriotic fact is that rationing gasoline is the simple, direct way to accomplish the sincerely avowed purpose of Rubber Administrator Jeffers: "To keep automobiles on the road, not to take them off."

Gasoline rationing and the U. S. synthetic rubber program are both dedicated to supplying the rubber for the combat needs of our boys from Guadalcanal to Gafsa, as well as for essential transportation here at home.

Phillips is proud that its resources,

experience, and long peacetime research have qualified it for an important role in the wartime synthetic rubber program. To this vital job, and to the needed production of 100 octane aviation motor fuel, we are wholeheartedly giving our best efforts twenty-four hours a day.

For you and for us, winning the war comes first. Patriotic drivers have as willingly accepted the restrictions on buying gasoline as we have on selling it. And we confidently promise you that when victory comes, today's concentration on petroleum research will bring you almost undreamed of improvement in the Phillips 66 gasoline which will power your car and the Phillips rubber on which it will roll.

Santa Fe Reports

on its first year of war operation

During 1942, Santa Fe moved 79 per cent more passenger-miles . . . and 122 per cent more freight ton-miles . . . than in 1941, during World War I.

And all this was done with 35 per cent fewer locomotives than we had in 1941.

These figures indicate the greatest volume of business we have ever handled.

They also indicate why you may have experienced some difficulties and inconveniences in traveling or shipping by train during the past year.

Crowded Trains Our passenger traffic volume was up 102 per cent last year as compared with 1941. Gasoline rationing, in our territory, will increase that volume even more this year.

The Santa Fe must handle this additional load with its present passenger cars, as no more cars will be built during the war.

Late Trains In these days of unprecedented passenger volume it is not always possible to maintain schedules with on-time regularity . . . and since military trains have the right-of-way over everything else, they often cause our regular passenger trains to be delayed.

At many stations along the line, mail and express are heavier than in normal times—and take longer to load. This is another reason why trains are delayed.

Car Shortage Special troop trains are becoming almost routine on the Santa Fe. In just one case, we moved an entire division from one camp—and it took 55 complete trains to handle the men and equipment.

We must also keep our passenger cars in constant service to handle the increased traffic all over the line. For this reason, we cannot always concentrate extra cars at any one point.

Freight Cars Due to the submarine menace and the diversion of freighters to other services, almost all of the intercoastal freight tonnage formerly handled by ships through the Panama Canal was handled by the railroads in 1942.

This brought about an unusually heavy demand for Santa Fe freight cars . . . increased considerably the average length of haul . . . and occasionally caused delays in delivering empty cars at some loading points. It also indicates Santa Fe has many busy months ahead.

Keep 'Em Rollin'! Please remember there's only one thing we want to do more than keep trains on time and supply cars as promised—and that's keep troops and war freight on their wartime schedule. And we know that's the way you want it!

A year or so ago Kay Williams, the beautiful blond with the hair shown above (with a combination!), was a fashion editor. Now she's wearing smart frocks on the movie screen as a contract player.

Laura V. Hamner of Amarillo. Mrs. J. E. Beyer told of contemporary Texas artists-musicians and painters. She mentioned Radie Brittan, composer of Amarillo, Frank Ray, painter, Mary Bonner, etcher, and William Marsh who has composed much sacred music.

Attending the meeting were Mesdames J. E. Beyer, Noah Ewton, Burt France, Carl Frye, N. E. Gass, Bob Higgins, J. B. Jones, F. M. Kester, Frank Terrell, Al Werner and the hostesses.

CHRISTIAN WOMEN MEET AT MRS. CLARK'S

Mrs. J. J. Clark was hostess for the Womens Missionary Society of the Christian Church

at her home Wednesday afternoon last week.

The theme for the afternoon was "A New View of Latin America," with Mrs. C. H. Dyar as leader. Mrs. C. D. Carnahan read an article dealing with the history and economic background of Puerto Rico. Mrs. Dyar discussed "How Shall They Hear?" which brought out the value in evangelism. Mrs. Burl Elliston told of the McLean Conference held recently in Puerto Rico.

After the program a social hour and refreshments were enjoyed.

MUSIC STUDY CLUB MEETS IN HOME OF MRS. C. H. DYAR

Concluding a series of four programs on "Our Contemporary Composers" members of the Music Study Club held an interesting meeting at the home of Mrs. C. H. Dyar Monday afternoon.

Mrs. J. B. Jones was leader and gave informative comments on American composers. She mentioned Lowell Mason, David Stanley Smith, Cadman who has used much American Indian music in his compositions, Gustav Burligh, Howard Brockman known best for his Kentucky mountain tunes, William Ames and Ernest Schelling who has also had a brilliant career in the intelligence service in World War No. 1.

Illustrative music was given by Mrs. W. J. Sanford, who played "Tarantella" by Piezonka, and a chorus number, "May Day Carol" (Deems Taylor), sung by Mesdames H. K. Fox, J. E. Beyer, A. J. Schroeter, T. W. Roberson, and A. C. Thompson.

Three special guests attended the meeting. They were Tommy Godfrey, evangelistic singer who entertained with vocal music and original poems, Mrs. Ralph White, a former Hereford resident, now of Aguilar, Colo., and Mrs. Ralph Hall, newcomer to Hereford.

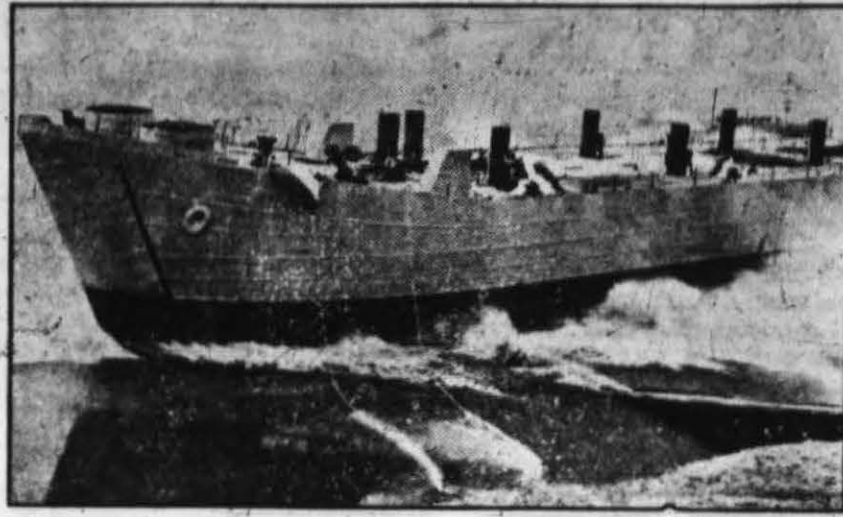

Members present were Mesdames J. R. Allison, J. E. Beyer, H. L. Broadwell, Ellis Combes, R. P. Conaway, W. E. Demeron, C. H. Dyar, H. K. Fox, Jeff Gilbert, J. B. Jones, J. C. McCracken, G. A. F. Bay View Club Studies Poetry On Theme Of "Looking Into the Future"

"Looking into the Future" furnished interesting topics for discussion at the Bay View Club meeting held at the home of Mrs. John McLean Thursday afternoon.

Roll call on "What I Want America of 1975 to be Like" was answered by Mrs. Colby Conkwright, who reviewed Madame Chiang Kai Chek's views of a future world; Mrs. Bob Wilson who explained the National Bureau of Standards and told how it will function after the war, and Mrs. H. G. Conkwright who gave a glimpse of what the post-war homes will look like.

Concluding a series of programs on poetry, Mrs. Travis Dameron discussed "The Realistic View and Reassurance" as brought out in current war poetry. She read poems and quoted from Frances Frost, poet and novelist; George Allen, Englishman, Genevieve Taggart, Eleanor Wells and Raymond Holder.

Poems dealing with the theme of "Sustaining Man's Spirit"

were read by Mrs. A. M. Jones and Mrs. D. H. Alexander. Mrs. Jones chose poems dealing with the present challenge and the revelation of God through nature. She read five current poems on the theme, discussing and analyzing the meaning, the poetic value and its relation to the sustenance of man, of each poem. Mrs. Alexander read two poems dealing with a challenge to the future. She chose the works of two women writers who voiced a hope for tomorrow, closing with "How Am I Doing" which voiced a plea for individual acceptance of the responsibilities of tomorrow.

Members attending the meeting were Mesdames J. B. Stocker, Bob Wilson, J. W. Spradley, D. H. Alexander, J. P. Slaton, H. L. Broadwell, Essie Cardwell, H. G. Conkwright, Colby Conkwright, T. M. Dameron, E. W. Harrison, A. M. Jones, Knox Kinard, Paul McWhers, G. A. F. Parker, F. T. Roloson, J. H. Sears, and the hostess.

Deaf Smith County Federation Of Women's Clubs Draws Large Crowd

A large crowd attended the third quarterly meeting of the Deaf Smith County Federation of Women's Clubs held at the Presbyterian Church Friday.

The session opened with a luncheon at one o'clock. Tables carried out a St. Patrick Day theme in decoration with candles in green, and green pot plants in white containers interspersed the tables length. Green shamrocks against the white cloth gave the Irish Day accent.

During the luncheon hour Miss Patsy Sanders entertained with vocal music accompanied at the piano by Mrs. Ellis Coombes.

After the luncheon a short business session was presided over by the president, Mrs. Robert Veigel, and Mrs. A. J. Schroeter directed the program for the afternoon. She gave an introduction for the numbers to follow on South America. Mrs. Altus Higgins gave an interesting discussion on the A. B. C. Countries of South America and Mrs. Gaylord Newell read a short story "The Pilgrimage". Musical selections included a vocal solo by Mrs. R. P. Coneway with piano accompaniment by Mrs. J. C. McCracken, a piano solo given by Mrs. Glenn Snyder and a vocal quartet composed of Mrs. Homer Fox, Mrs. T. W. Roberson, Mrs. A. J. Schroeter and Mrs. A. C. Thompson.

Hostess clubs were the Bay View Club, Pioneer Study Club and the Child Study Club.

The fourth and final meeting of the club year will be held at the Methodist Church on May 7, with Mrs. H. L. Broadwell in charge of the program. Hostess clubs will be Dawn Study Club, B and PW Club and the Music Study Club.

Members of the club present were Mesdames Knox Kinard, Travis Dameron, Woodrow Ireland, W. J. Stanford and Glenn Snyder.

"TEXAS DAY" IS OBSERVED BY LA PLATTA CLUB GROUP

A "Texas Day" program entertained members of the La Platta Club last Tuesday evening when the club met at the home of Mrs. Charles Newell.

Mrs. Meade Halle, president of the club, was in charge of the program and gave an interesting discussion on "Texas." She gave an outline of Texas history in brief, told of the Mexican War, evils of Santa Anna, battle of the Alamo and Goliad and told about the Mission stations. She described the battle of San Jacinto and told of Sam Houston, closing with the story of Texas Independence in 1836 and her annexation to the Union in 1845. Climaxing her talk Mrs. Halle sang "The Eyes of Texas" and "Deep in the Heart of Texas" with piano accompaniment by Mrs. A. J. Schroeter.

After the program refreshments were served to Mesdames Wayne Evans, Meade Halle, D. C. Kinsey, Elmer Patterson, A.

MRS. ED DZUIK HOSTESS FOR CLUB

South Hereford Home Demonstration Club met with Mrs. Ed Dzuik last Tuesday afternoon with Mrs. Cawthon Bryant, president, opening the meeting with a short business session.

Mrs. Buford Fellers spoke briefly on poultry and what to do for best results and Mrs. W. H. Goetsch talked on cultivation of flowers. Mrs. C. P. Urbanczyk gave suggestions for a money raising project for the club. Mrs. Goetsch will be hostess for the club on March 18.

Members present were Mesdames Ronald Matthews, A. T. Layman, Ed Dzuik, C. P. Urbanczyk, C. D. Kelton, D. H. Bryant, Buford Fellers, Cawthon Bryant, W. F. Gunstenson, G. W. Hund, Jr., and W. H. Goetsch.

PROGRAM ON TEXAS IS PRESENTED FOR L. A. E. CLUB MEMBERS

Centering a program around the quotation "This is the land we love, our heritage, strange mixture of the gross and fine, yet, sage and full of promise destined to be great," members of the L. A. E. Club met at the home of Mrs. Jim Lipscomb for a Texas Day program last Tuesday afternoon.

Roll call brought out the part Texas is playing in national defense and Mrs. T. W. Roberson discussed in detail "The Unusual in Texas." She used maps to illustrate unusual spots in Texas and pointed out many unusual conditions that exist in the state.

Members attending were Mesdames Altus Higgins, Bill Hutson, T. P. McCollister, A. Petersen, T. W. Roberson, Robert Veigel and the hostess.

HOME GROWN HEALTH STUDIED AT H-D CLUB

"Home Grown Health in Vegetables" was the subject of the lesson for the North Hereford Home Demonstration Club Thursday afternoon. Mrs. Earl DeHart was hostess.

Mrs. Frank Wilde gave a report on the council meeting and club members voted to adopt a traveling basket plan as a club money making project.

Mrs. DeHart gave a talk on The Four Freedoms and read an article on the freedom of speech. A social hour was enjoyed and refreshments were served. The next meeting will be held with Mrs. R. A. Fullwood and Miss Sadie Lee Oliver will discuss gardening and planting items.

Those present were Mesdames Grady Parsons, Otto Olson, Pat Robinson, W. H. Russell, John Miller, Bob Standifer, Bob Fullwood, Fred Saltzman, Fred Barrett, Frank Wilde, Oscar Vaughn, J. T. Richardson, Miss Evelyn Bell and the hostess.

THE HEREFORD LAUNDRY

IS NOW

Twice As Big

WE PURCHASED, MOVED and this week INSTALLED THE ENTIRE CANYON STEAM LAUNDRY PLANT in connection with that which we previously maintained.

THIS MORE THAN DOUBLES OUR CAPACITY and it is proof to you that we are doing our best to continue giving you service in the face of most adverse conditions. With the equipment which we had, it was impossible for us to handle both the Civilian Business and that from the Prison Camp.

If, at times, our service seems slow, remember we are doing the best we can — and that we will continue to do our best at all times!

SEND YOUR LAUNDRY AHEAD OF TIME

... in order to be sure you will have your laundry back soon enough to prevent confusion, we recommend that you send your bundles in order to give us several days. This is the only way we can be sure—because it is impossible, under present conditions, to give reliable, short-notice service!

Don't Take Chances—Give Several Days on your Laundry

Phone 298

FEW WOMEN know about these AMAZING Facts...!

The modern laundry through scientific care serves as a guardian of public health. Many of your personal and household linens are made practically sterile in the high-temperature washing formula used by The Hereford Laundry.

Special formulas are used for color fabrics to prevent fading. The scouring operation in these formulas cause destruction of bacteria by coagulating the living substance in the germs.

Wool blankets are made fleecy and warm through a process that is similar to the "carding" operations used by blanket manufacturers.

This is important for you to know, especially during wartime when your job on the home front is to keep your family healthy. You need the highly specialized help that The Hereford Laundry can give! Call 298 this week!

Let's Cook Something

Everyone who does any cooking at all—or eating—is food conscious these days. Housewives must think and plan ahead and keep informed on wartime foods, study nutrition needs and weigh every food point carefully in order that what is left to us after our fighting men are supplied, be sufficient. Hereford housewives are experimenting with old recipes and "coming up" with better-than-ever ways of preparing the old favorites. Here is a recipe Mrs. C. C. Cox has changed to wartime requirements, one in which she substitutes figs for dates. Other dried fruits may be substituted as well. Figs are an ideal food in themselves and they are a splendid source of lime and iron. They are high in energy values and here is a good way to stretch the limited supply.

Fig Loaf

- 1 cup chopped figs
- 2 tablespoons shortening
- 1 egg
- 1 teaspoon vanilla
- 2 cups flour
- 1 teaspoon baking powder
- pinch of salt
- 1-2 teaspoon soda
- 3-4 cup sugar
- 1-2 cup chopped nuts
- 1 orange

Put the orange and pulp in a cup and add enough boiling water to make a full cup. Peel the white off the orange rind and grind figs and orange rind in food chopper. Add this to the above liquid in mixing bowl and blend in the melted shortening, well beaten egg and vanilla. Measure sifted flour and sift again with salt, baking powder, soda and sugar and mix thoroughly with fruit mixture. Last stir in the nuts and pour in a well greased loaf pan. Bake in 350 F. oven for an hour or more.

Mother of Hereford Woman Dies At Crosbyton

Funeral services were held Sunday afternoon, Feb. 28, at the Church of Christ in Crosbyton, for Mrs. Eliza Elizabeth Harvey, 89 years old, mother of Mrs. Roxie Brooks of Hereford.

Dawn Items

By MRS. CARL WIMBERLEY

Johnnie B. Caraway and Obed Caraway narrowly escaped death early Wednesday morning when they became asphyxiated from smoke and fumes escaping through the flue which went through the upstairs room where they were asleep.

Because of the extremely low temperature that morning, the car and pickup would not start so they had to get the school bus at Vernon H. Bakers to call a physician.

Although they became extremely chilled while they were being revived, Johnnie B. and Obed were able to be up by Sunday, but Mrs. Caraway is still weak from shock and exhaustion in working with the boys.

A large crowd attended the community night program presented Friday evening under the direction of Mrs. T. F. Pain and Mrs. C. Aubrey Wimberley. Appearing on the program were Mrs. Walker Gailley, Clifford Gailley, Mrs. Frank Smith, Mrs. Hardy Stevens, Mrs. Hazel Atchley, Mrs. Baker Womble, Mrs. Lloyd Bentley, Miss Wilma Jean Miller, Fred Frye, Marilyn Wimberley, Sally Womble, C. Aubrey Wimberley, Hardy Stevens, H. E. Miller, Carl Wimberley and the Rhythm Band from the primary room.

The Red Cross drive was officially opened by H. E. Miller and H. H. Miller, who are co-chairmen for this community. The quota for Dawn in the county's drive is \$300 and anyone wishing to contribute should see one of these chairmen.

Virgil Cocanougher, son of Mr. and Mrs. J. B. Cocanougher has been out of school for more than a week because of an attack of appendicitis, but he is not yet ready for an operation. Mrs. Daby Fleming has been ill this week.

On the honor roll for the past six weeks school work are Frances Ortega, Sally Womble, Myrtle Smith, Patricia Walton, Wynell Pain, Sara Jean Stevens, Robert Miller, Shirley Sue Smith, and Juanita Ritter.

Mrs. J. G. Coe visited home one night this week. Mr. Coe is reported to have shown considerable improvement this past week.

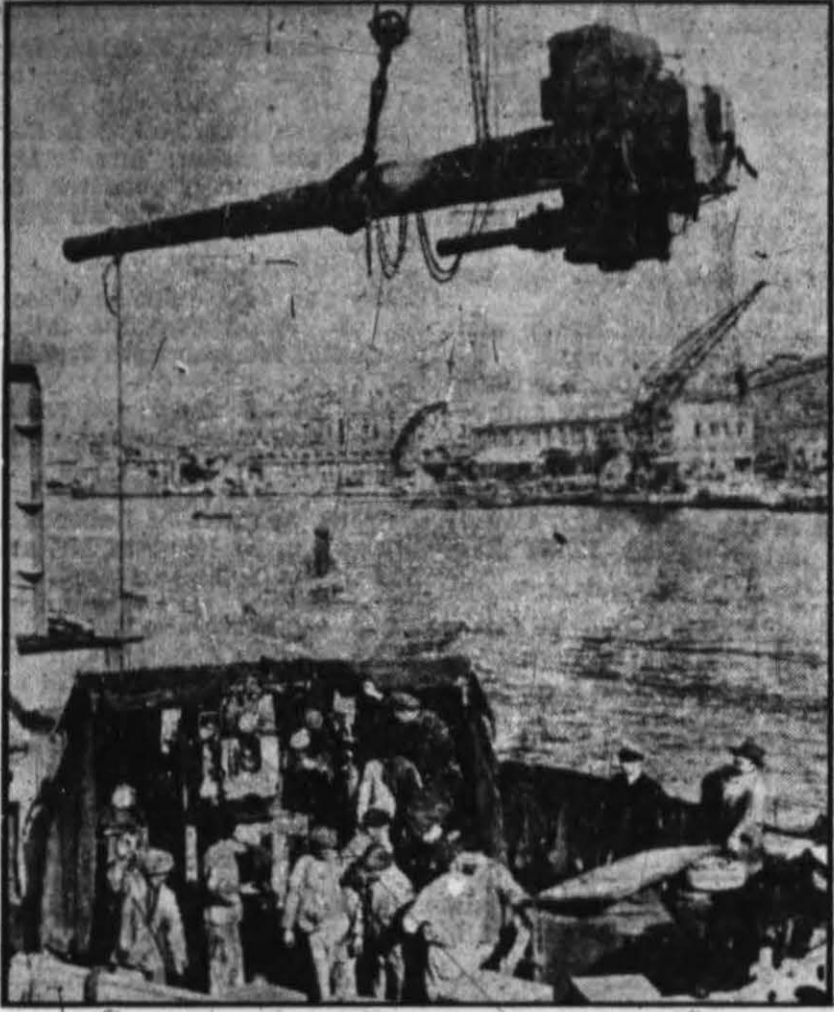

Ruskin Miller of the Merchant Marine has been visiting his father J. O. Miller this week. Miller has seen action in the Southwest Pacific recently.

Mr. and Mrs. William Harris from Brooklyn, N. Y., arrived Wednesday for a honeymoon visit with his mother, Mrs. L. M. Harris. They were married, Feb. 27, in Brooklyn, and this is William's first furlough home since he entered the Coast Guard about a year ago.

A weekend celebration was held in the home of Mrs. Harris, Mr. and Mrs. J. R. Dodson and family with guests including Mr. and Mrs. O. D. Williams and daughter of Amarillo, Mr. and Mrs. E. E. Doak and family of Vega, Mr. and Mrs. C. C. Stewart of Texico, Mr. and Mrs. Henry Hamblin of Wayside, Mr. and Mrs. Cecil Benton and the honor guests.

The Training Union Study Course will begin Thursday evening March 11 at 8 o'clock. Teachers will include Rev. and Mrs. Stevens, Mrs. Carl Wimberley. Everyone is invited and there will be classes for all ages. Thirty-two persons were at Sunday school this week and services were held Sunday night

CHURCH NEWS

Attend Amarillo Meeting A large delegation of young people from the local Christian Church met with young people from other churches in the Panhandle-Southwest Plains in Amarillo last Friday and Saturday in a program of fellowship, study, and worship. The Hereford delegation presented the one-act play "The Standing Cane". Those taking part and assisting in the play were Betty Jane Robinson, Christine Smith, Seletta Robinson, Bobby Carnahan, Glen Ricketts and Janette Altman. The play was directed by the pastor, assisted by Mrs. Robert Adams. Others attending were Mrs. C. H. Hammock, Mary Evelyn and Patsy Hammock, Mrs. C. H. Dyar, Mrs. H. M. Redford, Rosemary Phillips, John Samuel Coombes, Marcella Blue, Gertrude London, Lillye London, Corinne Hamilton, Mrs. Carl Oldham, Irvin Robinson, and the pastor H. M. Redford. Mr. Redford is the director of

young people's activities for Christian Churches in the Panhandle. Mrs. Redford taught the Junior High School group, Mrs. Carl Oldham had charge of recreation and Christine Smith and Janette Altman assisted in the registration of delegates. One of the interesting features of the program was the informing and inspiring messages of the visiting, missionary from Mexico, Miss Etta Nunn.

BAPTIST CHURCH NEWS

We are looking forward to our Spring Revival which begins Sunday, March 21. We are to have Rev. W. F. Ferguson from Slaton, Texas with us and Mr. Finch, our Education Director, will have charge of the music. Further announcements about the time for the services will be made later.

We had a good day Sunday. There were two additions by baptism and three by letter during the day.

The pastor will preach next Sunday morning on "The Unpardonable Sin." This is a subject about which much is said. Come and hear his discussion.

We invite all who will to worship with. If you are new in town don't wait for us to find you and give you a personal invitation, come ahead. If you are an enlisted man, we give you a special invitation to attend our services.

Prince Hereford

Hello you,

Remember that someone once said, "In the spring a young man's fancy quickly turns to thoughts of Love?" Well, I believe that with my whole heart. Here we are with spring just around the corner, the trees and flowers budding out and the grass beginning to look green around the girls and what happens? Everyone at school begins looking moon-struck and twitterpated. Why, even if you couldn't feel spring in your bones, you could tell it by the look on people's faces here at school. Barbara Smith is a good example of what I mean. Next week, maybe I'll be able to tell you if the best of her heart is tall dark and handsome. It's refreshing these days when nearly everyone else looks so love-struck, to see David Sewell around. He always looks as if love was the least of his desires and Dan Cupid would never aim his arrow at David's manly heart. Of course, you can never tell. For instance, who would have thought that Homer, the flea, would find his date bait? Her name is Daphne, and she's just about the most glamorous little flea you ever saw. She's a dainty size with the cutest Veronica Lake bob. He met her just the other day, and it was love at first sight.

Now that Homer's in love, Joe the moth is doing all my gossip-hunting. He says some girls don't know when they are well off. For instance, look at Helen Tucker; she doesn't have to worry about a date to the Junior-Senior Banquet as practically half the girls in school are doing, because you see Helen is a Freshman. Then there's Jo Ella Hussey—m-m-m what a plenty of girls wouldn't give to have a big brother who is captain of the football team, especially of the Hereford Whitefaces.

Have you noticed that cute little pin Naomi Brumley wears—the little banana man. Is certainly is a honey. I wonder what his name is? I suppose it's very convenient having a man that isn't draftable.

The Freshman assembly program was pretty good, wasn't it? It seems to me that Charlene Davis had the "situation well in hand"—if that's true, then she's practically eligible for the Lady Marines, isn't she?

I always heard that Freshmen and Seniors didn't get along so well because the Seniors were trying to boss the Freshmen. If that's right, consider case 000 0000—Malm versus Malm and Malm. Aiyeeen, who is just a Freshman and her two older sisters, Marjorie and Thelma, both of whom are Seniors. Goodness, what did she do to deserve that?

Pardon me a minute; Joe's trying to tell me something. What?—Say, are you sure? Oh, my goodness! Listen, folks,

Senior Personalities

Eyes of grey, blonde hair, 5 feet, 4 1-2 inches tall, 105 pounds—that's general description of Lucy.

Louise Lance was born in Hereford, April 6, 1925, and has attended school here ever since she was just a tiny tot. Lucy likes lemon pie and English IV and dislikes school flirts. She just loves to go places, and her favorite sport is skating. She likes "You'd be so nice to come home to" better than any other song, and her favorite saying is none other than "Are you kidding?"

Louise has been rather busy the last four years and this is the reason why. She was secretary and treasurer of the Freshmen class; secretary and treasurer of the Sophomore Class, a member of the Tri-Hi-Y for 4 years, and a member of the band for 5 years.

Lucy's ambition is to graduate. She does not plan to attend college; and when asked what she is going to do after graduation, she replied, "That remains to be seen!"

One of our assistant librarians for the last 2 years is Ella Mae Parsons. She has also been a member of the F. H. T. for 1 year, of the Glee Club for 1 year, and of the National Honor Society for 1 year. Her ambition is to be a Navy or Army nurse and, consequently, she likes chemistry very well.

Ella Mae was born in Canyon Texas, April 29, 1926, and now she is 5 feet 5 inches tall and weighs 104 pounds. She has grey eyes and brown hair, likes to read and sew, eat ice cream, and she also likes the new library and reading room. "Rats" is her by-word, and "Marine's Hymn" is her favorite song.

Ella Mae plans to take nurse's training in Northwest Texas Hospital in Amarillo in June.

A boy weighing 165 pounds, 5 feet 11 inches tall, brown hair and eyes, and seventeen years old—refers to but one boy in the Senior class. To L. J. Clark, who was born in Canyon, Texas on July 3, 1925.

L. J. plans to attend college at W. T. S. C. in Canyon.

L. J. has a number of varied interests. His favorite food is angel food cake, and his hobbies are reading and hunting. He picks Irving Berlin's "White Christmas" as his favorite song. L. J. intends to be an aviator, and his favorite saying is "Do unto others as you would have them do unto you." Any connection with Jap Zeros, L. J.?

L. J. has been a member of the F. F. A. for three years. Football is his favorite sport. L. J.'s favorite subjects are solid and plane geometry, both of which will no doubt help him in his work as an aviator.

Dates Are Announced For Senior Activities

Last Tuesday, March 2, Seniors had their pictures made by Bright Studios of Amarillo. This was only one item, however, which was brought before the attention of the Senior Class. Seniors were measured for caps and gowns Thursday and Friday of last week. Incidentally, Sunday night May 16 will be Baccalaureate night. Com-

something brewing and I just must go and find out all about it. I'll tell you about it next week. Until then, this is me signing off and reminding you that a good buy is a United States War Savings Bond.

Honor Society Has Spelling Bee

The monthly meeting of the Honor Society was held in the library, Tuesday afternoon, March 2, at five o'clock. Billy Dameron, president, appointed various committees to plan a Student's Handbook. Members of the club discussed plans and rules for spelling bees.

Mary-Ann Acker is the chairman of the spelling bee committee. Members of the committee are Kathryn Acker, who conducts the contests in the Freshman class; Marcella Koelzer, Margaret Olson, and Mary Ann Acker, who conduct the bees in the sophomore class; Felix Pyka, who conducts them in the Junior class; and Margaret Barrett and Phyllis Radovich who conduct the Senior bees.

The Honor Society is sponsoring the spelling bees in an effort to improve the spelling of H. H. S. students in preliminary bees, a meet will be arranged between class winners and will be presented in assembly. The winners will be awarded prizes.

Central Chatter

Can you imagine: Mettie Lee Ross not talking? Ouida Hudson failing in English? Peyton Ramey or Bill Brady writing so it can be read? The reporter's working at reporter's meeting? Miss Jackson's hair turning black (again)? Homer Rudd not sitting on his feet? G. W. Smith having his lesson on time? Bobby Lee Caldwell not having his hand in the air and laughing all the time?

Central School students have completed their dreaded week of six week's tests.

The reason for the non-appearance of this column for the past 2 or 3 weeks is the non-attendance of the following reporters: 6A—Jo Ann Witherspoon; 8A—Beverly Bakley; 9C—David Miles; 7A—Patsy Ann Slagle; 7B—Mary Helen McGilvary; 5A—Betty Shockley; and 5B—Bobbie Jane Sisk. The editor-in-chief would certainly appreciate some co-operation.

7A is very gloomy since Miss Wheat left, but we are happy to receive Mrs. Hall Beavers as a substitute. She will teach music until a new teacher comes.

Adelyn Saifer, a new pupil in 7A from New York City, is gradually taking a liking to Texas; she likes to sing "Deep in the Heart of Texas."

8B's greatest fun is to get teachers off the subject. Miss Jackson is main one.

Jimmy Easley, 8B's pet peeve, has driven Miss Jackson to such a point of distraction that she is going to join the WAACS. "Fresh Air Jackson" she is now referred to because every time she comes in 8B, she makes us raise our windows.

Another new feature will appear in this column next week. It will be entitled "Gabby's Gossip." It will be written by Gabby, the super-sleuth; so all you good 'ill' children hide your secrets. Gabby may be your best friend.

Central Teacher (This will appear every week until all the teachers are gone.) She is a little red-head, we think. She has blue eyes, ruddy complexion, wears glasses at times, and is 5 feet 6 inches tall. Do you know this woman? She is a dangerous character; she gives too many hours. (Answer Next Week)

Boys and Girls Suffer For The Sake of Beauty

March 2 was a busy day for the Seniors. They ran up and down the stairs all afternoon. The boys were seen straightening their ties and smoothing their hair. The girls walked mementum exercises will take place Friday night, May 21. Although neither the date nor case of this year's Senior play, "Come out of the Kitchen" has been chosen the play books have been ordered.

Thurman Williamson, Student Council representative, reported that \$30 has been appropriated for song books, which will be used by the student body for singings on days when there is no assembly.

Twenty-Seven Students Chosen Most Courteous

We have all heard about the courtesy contest this year, but perhaps it hasn't been impressed upon our minds quite enough. It takes only a little of our time to be considerate and polite and yet it means so much to others when we are. A helping hand, a polite "thank you" or "excuse me please" or a courteous smile can brighten the entire day for someone.

School is almost over, and even though many of us have not been considered very courteous, we still have a little time in which to improve.

The following persons have been selected as being the most courteous in Hereford High School last six-weeks: Senior girls: Lee Etta Hopson, Wanda Jean Whitaker, and Marian Plummer, 1 vote each; Senior boys: Luther Worley, two votes; George Weems, Billy Hutson, and Daniel Russell, one vote each; Junior girls: Ruth Tucker, two votes, Ellen Posey and Norma Harmon, one vote each; Junior boys: Lloyd Olson, three votes, Carl Johnson and John David Dowell, one vote each; Sophomore girls: Marcella Blue, two votes, Betty Jane Robinson, Wanda Lee Terry, and Rozella Albracht, one vote each; Sophomore boys: Lloyd Manjeor, three votes, Eugene Sparks, V. C. Hopson, one vote each; Freshman girls: Helen Ann Pitman, Dorothy Williams, one vote each; Freshman boys: Joe Bishop, four votes, and Virgil Young, one vote.

Let's see if we can be in their places next six-weeks!

Rev. Aiken Speaks To Tri-Hi-Y Club

"There is one basic freedom which is the freedom of conscience, the freedom to worship God as we see fit," said the Reverend James Aiken of the First Presbyterian Church, who was the guest speaker at Tri-Hi-Y Tuesday night.

The program was opened with the singing of "We've a Story to Tell to the Nations." Margaret Barrett read the Scripture, Micah 4-4, followed by a prayer by Margaret Olson.

The Reverend Aiken spoke on the subject "World Relationships" which is of wide interest today. He said, "There are many view-points as to the reason for the war in which we are now engaged. One person may reply that it was due to some political failure; others will say it is due to the unequal distribution of economical things, but many people have come to the conclusion that the people's selfishness and self-centeredness and their forgetting God are the main causes. People have become interested in freedom—not real freedom but the freedom to grab everything they want, no matter whom it hurts. They are selfish and self-centered. By investigating, one may find that selfishness is the cause for all wars. The only way world-freedom can be attained is for people to go back to God and strive for things which are offered in God's kingdom instead of worldly fancies."

The Tri-Hi-Y benediction closed the program.

slowly up the stairs with compacts open. What were they doing? Oh, surely you know! They were getting their pictures made.

For some reason Donald Roberson did not know that the Senior pictures were to be made that day and he went to school in a workshirt and khaki trousers. He ran all the way home and back just so he could get "dressed up."

Robina Culpepper had on a very red dress. Just before the camera snapped, something happened which made Robina blush a little. We are wondering if the picture will be "all red."

Some of the girls were heard "gripping" about the fact that they were not given sufficient time to have their hair fixed. But with the aid of a comb and one of their friends, the complaining ceased. Millie Sexton wanted them to wait until her eye lashes grew back out before taking her picture. But, to every dismay, her wish could not be granted.

Some of the students, boys as well as girls, were very excited, while others acted nonchalant. Nevertheless, a number of them had weak knees by the time they reached the third floor.

The staff room was made the temporary studio. The pictures were taken by E. R. Johnson, a representative of the Bright Studio at Amarillo, Texas.

Six Students in Central Make High Honor Roll

Six Central students are on the high honor roll for the fourth six weeks. They are: Jack Stanton, Gene Walker, Joyce Harlow and Nan Buckner for the fourth grade; William Earl Barnes for the sixth grade; James Ellis Higgins for the eighth grade.

There are, however, many on the low honor roll. Representing the fourth grade are: Edward Lee Barnes, Franklin Hussey, Bobby Morgan, Reece Whittington, A. L. Williams, Wayne Williams, Mary Kathryn Boyd, Colline Brown, Mary Harrison, Neida Guy Lawrence, Lois Nixon, and Betty Wester. Billy Don Engman, Pat Kerr, Billy Robinson, Wayne Lady, Julia Conklin, Lola Verne Pitts, Delores Wester, and Joan Beams.

From the fifth grade, honor students are: Raymond Nixon, Reba Dones, Pat Corbett, Marilyn Cranes, Kathryn Davis, Joyce Potter, Emmarie Turner, Leona Turner and Alma Fay Knox.

Those who made the low honor roll for the sixth grade are: Paul Boyd, Conrad Clark, Mary Kathryn Carroll, Wanda Jean Harrison, Jo Ann Witherspoon, Lawrence Owen and Caren Conklin.

Representing the seventh grade are: Patsy Ann Slagle, Barbara Boyd, Marie Turner, Mary Helen McGilvary, Jo Anne Jett, Oliver Streu, and Reuben Knox.

The eighth grade has these on the honor roll: Ouida Hudson, Beverly Barkley, Duane Foster, J. L. McFarling, Mary Estelle LeGrand, Anne Morgan, Jewel Rudd, Beth Scott, Jeareen Sowell, Ludie Turner, Sue Walker, Frankie White, Florence Goldston and Viola Beckman.

Juniors Make Plans For Coming Banquet

As a result of some very important business which had to be attended to, the Juniors had no regular class meeting. All the different committees which have been appointed for preparing the Junior-Senior Banquet met to make reports.

The banquet plans are still supposed to be kept secret, but the date has been set. It will be on the night of March 18. A hint to the wise should be sufficient, so make your plans now to attend, and, boys, for goodness sake, ask a date. That isn't a requirement to attend the banquet, but all the girls will agree that it is a pretty good thing.

Nona Deen Rose Wins Outstanding D. A. R. Honor

The following communication is practically self-explanatory. In case you have forgotten, Nona Deen Rose was chosen D. A. R. representative from our school and her name was sent into the Deputy Superintendent at Canyon. From there it was sent to Austin and chosen by lot from among all those others submitted throughout Texas. It is really an honor for Nona Deen, for H. H. S. and for Hereford that she has been selected.

"Dear Miss Rose: I wish to congratulate you upon being chosen the lucky one to receive the \$100.00 War Bond from the Daughters of the American Revolution. This Committee decided to give a War Bond, instead of the trip to Cincinnati on account of the transportation difficulties.

We are notifying the Committee of the D. A. R. that your name has been chosen and I feel sure that you will receive the Bond within a few days.

With kindest regards, I am, Sincerely yours, L. A. Woods, State Superintendent."

Tri-Hi-Y Girls Make High Scholastic Rating

Of the 54 A's made the first semester by Hereford High School girls, the Tri-Hi-Y girls made 26. This is in keeping with high standard of Christian living which is the purpose of the club.

The first semester the girls of Hereford High School made the following grades: 54 A's, 146 B's, 237 C's, 167 D's and 42 F's. Twenty-six of the A's were made by Tri-Hi-Y girls, 36 of the B's, 23 C's, 24 D's and only 2 F's.

Three of the girls who have made outstanding grades the first semester are: Lonidene Martin, Ruth Tucker, and Madelle Beavers. Each of these girls has an A semester average for all subjects.

All this is an exceptionally good average, and the Tri-Hi-Y girls hope to keep up the good work.

Madelle Beavers And Helen Acker Lead Honor Rolls

Only two students made the high honor roll the past six weeks, but twenty-seven are on the low honor roll. Madelle Beavers carries the honors for the Freshman Class and Helen Acker for the Sophomore Class.

Freshmen making the low honor roll are: Jessie Ann Buckner, Barbara Smith, Dorothy Williams, Jackie Wright, Joe Bishop and J. R. Euler.

The Sophomore representatives are: Marcella Blue, Naomi Brumley, Betty June Euler, Doris Goldston, Lonidene Martin, Juanita Upton, V. C. Hopson, Billy London and Delmo Williams.

Representing the Juniors are: Kathryn Acker, Marie Moreman, Christine Smith, Ruth Tucker and G. P. Owen.

The Seniors are represented by: Mary Ann Acker, Margaret Barrett, Phyllis Radovich, Wanda Whitaker, Bill Dameron, Billy Hutson and Felix Pyka.

Courtesy Fails In Halls of School

The Tri-Hi-Y Courtesy contests have made the students of H. H. S. realize the importance of being courteous, and the student body as a rule has responded wonderfully.

There is, however, still one occasion on which nearly everyone is discourteous. It occurs when one person stops another in the middle of a corridor and buttonholes him for a conversation. This generally occurs between class periods and causes a great disturbance. A great disturbance it is, too, because it causes students to push and jostle one another about roughly. Sometimes it may cause some student to get to class late.

If you, students, simply "must" speak to someone else, please, in the name of courtesy, don't do it in the middle of the hall. Summon the person to a side of the hall or take him or her to your locker and there speak what's on your mind.

Too long has this golden rule of courtesy been violated. It simply cannot go on.

I appeal to you, the student body, to take some action upon this measure. Please do something about it immediately.

This bank was founded by home men for home people, and the record of service with that as a goal is known to every person in this country. But, the men who founded it recognized and those who operate it now recognize the benefits that come from being a part of the United States.

Our country needs our best effort now — our effort to produce food and supplies for the men who are doing the fighting. We may need to save on certain essential commodities, but above all we need to work hard and we need to produce in great quantities!

The rapidly changing times may confront many individuals with new and bewildering problems. If they confront you—you are invited to call on us for any service we may give. We believe that helping a man or woman do more effective work is a patriotic duty.

Redistricting Bill In Hands of "Pallbearers"

Stating that the redistricting bill, which would give the Panhandle and West Texas four or five new representatives and one new senator, is now in subcommittee with the "pallbearers," State Senator Grady Hazlewood pointed out this week that the bill is already dead, a victim of the rivalry between East and West Texas.

The bill was an attempt to get more equitable representation for the fast-growing Panhandle and West Texas districts, Senator Hazlewood writes, but the heretofore thickly pop-

IMPORTANT NOTICE!

TO ALL OUT FOR VICTORY FOOD PRODUCERS

Wm. McGehee, local distributor of Johnston Irrigation Pumps at Hereford has just been advised by D. M. House, Manager of the Johnston Pump Company that the Government has notified the company several days ago that any and all material entering into the manufacture of pumps for all-out food production has been released to the manufacturer. Mr. House further states that this order not only includes pumps for irrigation purposes but also includes power units, both electric and engine driven and connecting transmission drives of all kinds.

If you are contemplating installing irrigation machinery for food production you should make application at once for permission to buy to your County Farm Rationing Committee. Blanks will be available at the A. A. A. office or we will have the blanks at our office and will help you fill out the application and present same to the Board for you if you wish.

Mr. House advises those contemplating buying to get their orders for Johnston Pumps to the company at the earliest possible date, as the earlier the order reaches the factory the earlier you will get your pump.

Labor Machinery

Mr. Gass again called to the attention of farmers this week that in cases where war crop goals have been established for the farm, an operator may substitute another war crop for the

one suggested and still not be penalized in any way if he meets his goal for the new war crop.
